Preparations are about completed for the biggest day of the year for Hereford—Thursday, September 27—when all loyal Herefordites and residents of Deaf Smith county are expected to drop their business cares and invade Amarillo 100 percent strong in an effort to properly advertise to the world the fact that Hereford country is a Cotton country par excellence! that it does raise cotton, does mature cotton, and intends to keep on raising it in increasing quantities next year.

This will be Hereford Day at the Tri-State Fair. The famous Hereford Band, directed by its old leader and teacher, Prof. R. N. Brothers, will head the crowd and will play two set concerts at Amarillo, in addition to impromptu work on the streets.

The Hereford city schools will be closed all day Thursday, by direction of the school board members, who realize the importance of this day.

Practically every mercantile and business house in Hereford signed an agreement Tuesday to close the doors all day Thursday, and these progressive and patriotic merchants, with their families, and the families of their employees, will join in the crowd that goes to Amarillo.

The order of procedure, as outlined by the committee in charge, provides that everybody who owns a car and will go should assemble on Main street not later than 7:00 a. m. Thursday. A cotton boll and a Hereford ribbon will be provided for every soul who goes at the Ford Garage, which is conveniently located for the purpose. The road to Amarillo is said to be in fair condition with the exception of one bad place just this side of Unbarger, and it should be all right by Thursday. After arrival at Amarillo every one from Hereford is asked to meet opposite the High School on a vacant lot and march down Polk street behind the Band for a short parade.

The Band

Prof. R. N. Brothers, who built up the Hereford Band and who is loved by every member of it, will arrive Wednesday and will lead the boys Thursday. Last Sunday afternoon a snappy rehearsal was held in preliminary practice, and Wednesday night the final practice under Mr. Brother's direction will be held. Uniforms have been secured and the band will number about twenty five pieces Thursday. A strong program, as outlined on this page has been prepared. Arrangements have been made for the Hereford Band to play the regular fair concerts at the afternoon and night hours on the Fair grounds.

The Booth

For several days committees have been laboring to get in a representative agricultural display for the county at Amarillo. Under direction of Chairman J. E. Hill and J. E. Bray, aided by officers and members of the Chamber of Commerce, a strong exhibit has been installed at Amarillo, which is said to compare favorably with anything else up there. There was more stuff than could be used at the last minute, owing to the limited space available. Most of the stuff went up by truck Saturday afternoon, just ahead of the terrific rain Sunday night. Monday morning presented a problem. But the problem was met by sending eight good men up on the morning train to decorate the booth, while a last truck load of products plowed through the mud Monday to Amarillo. The eight men who worked from 2:00 p. m. Monday until midnight erecting the booth were D. L. McDonald, L. Baskin, J. S. Jones, George P. Garrison, J. E. Hill, J. B. Elliston, A. O. Thompson and Ralph Barnett. Fred Tiesel and C. L. Roberts drove the Snyder-Roberts truck through the mud Monday.

Cotton is featured in the Deaf Smith (Continued on Last Page).

"MORE PEOPLE!"
Now we're getting at it!—that new slogan of the Chamber of Commerce is undoubtedly the fundamental thing here and one that ought to command the support and enthusiasm of everyone concerned about the development of this territory.
There's a certain amount of routine work that every commercial organization has to do every year, such as maintenance of good highways, collection and issuance of data to inquiries, support of agricultural and commercial enterprises, publicity for the outstanding things that develop from time to time. This necessary work has been carried on in the past, and will be carried on in the future.
There have been varying opinions in the past among the people as to the most important single thing needed here. These opinions have, of course, been largely influenced by personal interests. The dry farming men wanted stock-farming to be the paramount issue; the irrigation men wanted the shallow water belt developed; the registered Hereford men could see nothing but that industry for the future.
The conviction has gradually dawned upon all, however, that before any development of any of these enterprises can be made worth while we must bring in more people to engage in them.
Volumes could be written about the necessity for more people here; but we all know it's a fact; why argue about it?
Let's get busy and go after those people!

OUR SCHOOLS

Our schools are opening this year under splendid conditions. Our buildings and equipment are good—the best we have ever had, we are told.
Our finances are in good shape; we balance our budget; we have no floating debts.

Each year a larger number complete the high school work instead of dropping out in the lower grades. The last graduating class numbered 39 pupils, the largest we have ever had, and so far as we know the largest number graduated from any town the size of Hereford in the whole state of Texas.

The big need this year is cooperation and understanding on the part of parents and the general public. Unjustified criticism is the hardest thing the schools have to combat as a rule.

OUT OF TUNE

The most unfortunate man we know is the fellow who is out of tune with his surroundings.

Oh, yes, you know him—he's the one that don't go to church because the stewards, or deacons, have a certain policy with which he cannot possibly agree.

And then there's the man who won't contribute to the Red Cross because the national policy of handling the funds is all wrong, from his standpoint.

And there's the one that damns the county and city officials continually, because his personal taxes are away above the average, always.

And then there's the citizen who believes in boosting his community, all right, but doggone if he intends to let the Chamber of Commerce tell him how to do it. No sir, not him. Even if the members are his neighbors and patrons, and friends, and customers; they are all wrong and he is right—there's a nigger in the woodpile, somewhere, sure.

Sure, you know him!—there's a few of him in every community, in every church, in every assembly of people.

He's all right at bottom; he means well; he's conscientious; he's a man of strong convictions and "wears a lo man's collar."

He's just out of tune—that's all. Therefore he is usually very miserable through misunderstandings, and keeps his friends in the same uncomfortable position, for the same reason.

Know him?

Mr. and Mrs. Claude Ricketts Are Back From Trip

Mr. and Mrs. Claude Ricketts reached home overland last Friday evening from Belton, Temple, Dallas, Ft. Worth and Waco, where they have been taking a vacation and visiting relatives and friends. Mr. Ricketts said that the cotton crop was normal in the country they traveled over but that there was a scarcity of cotton pickers.

Hal Bruner Now is Guide in Arizona Grand Canyon

Hal Bruner, son of Mr. and Mrs. R. K. Bruner of Hereford, is now an official guide in the Grand Canyon of Arizona, according to word received here by his parents. Hal's duty is to pilot wondering tourists down into the depths, astride donkeys, at so much per head.

Miss Livingstone Has Fine Bible Exhibits at Amarillo

Miss Marion Livingstone, Bible teacher in the Hereford schools, has a splendid exhibit this week at the Tri-State Fair at Amarillo and every resident of this community who attends the Fair is urged to visit this booth and observe the work done in the past by students in this important division of the local public schools.

RAIN GAUGE WAS CHOKED BY DELUGE

ENORMOUS DOWNPOUR SUNDAY NIGHT IS RECORD HERE

THUNDER STORM

With it Was Awe-inspiring. Country is Thoroughly Saturated

And the bottom literally dropped out, and the floods came, and the Hereford country is the wettest country this side of the South Sea Islands.

It began happening at 7:15 p. m. Sunday evening, and it happened about pretty steadily all night. The official gauge at the First National Bank registered three inches in the city, and then ran over and gave up the ghost. Land knows how much more moisture would have been recorded if the tube had held out. The lakes and low places all over this country are brimming full and running over, and from all accounts the entire Plains country received their share of this soaking.

The rain was accompanied by a rumbling and reverberating thunder storm, very close to the ground and with its center right over the city. Sharp flashes of lightning and the continual roar of the thunder made the night one long to be remembered locally.

This generous moisture, while it delayed the opening of cotton for a few days, puts the ground in splendid shape for fall wheat, and there is a busy season ahead of the farmers from now on.

Mr. and Mrs. C. H. Dyar and Party Return Home

Mr. and Mrs. C. H. Dyar, Mrs. T. G. Nance of this city, Mr. and Mrs. H. L. Johnson and daughter of Amarillo, Miss Maud Motvane of Robinson, Ill., reached Hereford last Friday evening from an overland trip to Colorado Springs, Las Vegas, Santa Fe, Albuquerque, El Paso, Juarez and Roswell. The tourists left Hereford about three weeks ago and made the entire trip without a mishap.

Mrs. Q. B. Hill Recovers Health and Returns Home

Mrs. Q. B. Hill, who has been visiting her nieces, Mesdames D. C. Laird, H. C. Baird and Seth B. Holman, of Hereford, and Mrs. J. W. Alexander of Dimmitt, the past summer returned to her home at Freeport, Texas, Tuesday morning. Mrs. Hill, who has been seriously ill here, has made a nice recovery. She was accompanied home by her daughter, Mrs. Sam Stratton, of Freeport, who attended her during her illness.

Mr. and Mrs. I. H. Spratt Entertain Dinner Party

Mrs. Lydia Robinson of Sturgeon, Mo., Mrs. H. E. Richey of Amarillo, and Dan Gilvin, also of Amarillo, were dinner guests Friday at the home of Mr. and Mrs. I. H. Spratt.

County's Red Cross Quota is Raised Here Readily

Boy Scouts Render Signal Aid in Work of Securing Needed Funds

Hereford and Deaf Smith county sent in the full quota of \$150 assigned to it by the Southwestern Division of the Red Cross for the relief of the Japanese in the territory stricken by the earthquake. About \$85 was raised by subscription and the remainder given by the local chapter. Of this amount \$45 was raised by the Boy Scouts. The boy turned out in full force on Saturday morning with the above results. The Scouts rendered a great service in this way and the executive committee wishes to thus publicly commend them not only for the good work done, but for the fine spirit shown at all times in trying to render service.

Hereford has no organization fraught with greater potentiality for usefulness or for developing real manhood than the boy scouts.

They are clean, manly upstanding boys who are not only willing but anxious to do a good turn every day.

Grand Opera is Billed at Amarillo Nov. 9th

The first grand opera to be brought to West Texas and the Panhandle will be presented in Amarillo on November 9 and 10 under the auspices of the Amarillo College of Music; when the San Carlo Grand Opera Company of New York City will offer four operas in three programs.

The organization will be brought to Amarillo intact, 105 people in all, with full complement of artists, splendid chorus of highly trained singers, large orchestra, and a pretentious array of scenic productions permitting stage pictures traditional and beautiful in character.

The Carlo comes to Amarillo after a five day run at the Cotton Palace at Waco.

Four operas will be given in Amarillo. On the first evening Madame Butterfly with Tamaki Miura, as Cho Cho San will be given. On Saturday afternoon a double program will be given—Cavalleria Rusticana and Pagliacci; On Saturday evening La Boheme with Anna Fitzui as Mimì will be offered. Other noted singers will be Sofia Charlebois, soprano; Charles E. Gallagher, Bass, and Collin O'More, tenor, who is declared to be a second John McCormick.

Information in regard to ticket sales is given in an advertisement in this paper.

Mrs. Gason Baer Undergoes Operation at Wichita

Gaston Baer and little daughter reached Hereford the latter part of last week from Wichita, Kansas, where he has been visiting Mrs. Baer for the past ten days. Mr. Baer stated that his wife underwent an operation on September 14, and at the time of his departure from Wichita she was on the road to recovery. Mr. Baer's father, B. Baer, who has been in charge of the Popular Store, left Hereford for his home in Santa Rosa, New Mexico.

Castro Co. Man Has First Bale On Local Market

Castro county, with her usual hustle, beat 'em all to it and grabbed off the honor of bringing in the first bale of cotton to Hereford's new gin as well as the prize money to be donated by business interests of the city.

The lucky man is A. J. Baker, who lives thirty three miles south of Hereford on the E. C. Bell farm. The Ford truck which came in heavily loaded with the fleecy staple Tuesday afternoon was weighed and the scales showed 1510 pounds of seed cotton. The load arrived here at exactly 3:25 p. m.

Mr. Baker said they went over about twenty five acres to get this bale and that he had enough left now open to get another bale. The cotton is of the Star and Rucker varieties and was picked by Posey Cunningham and family, Mr. Trussel and family, Russell White, Ernest Jomst George Kellar and children, and E. C. Bell, Mr. Bell and son, Elmo, came with Mr. Baker and the cotton to Hereford. Virgil Cunningham, official photographer for the Chamber of Commerce, secured a photograph of the load which will be used for advertising purposes. The truck pulled deep mud to get here, and once stuck in the Frio draw.

The cotton will be ginned as soon as possible and sent to the Castro county booth at Amarillo. A committee was organized Tuesday to take the street Wednesday morning and raise a purse for this enterprising Castro man who beat them all to the wire.

Aside from the fact that Mr. Baker won the first bale prize, there was a funny angle to the whole situation Tuesday. The fair committee at Hereford wanted to be sure to have a bale on exhibition at Amarillo and C. C. Rockwell worked up a force of over forty amateur cotton pickers to go out Tuesday afternoon and assist J. F. Ward with his crop south of town so that there would be no doubt about getting a bale ready for the Fair. These men were working feverishly on the Dimmitt road when Mr. Baker sailed serenely by and beat 'em to it!

Those who saw the strange crew of cotton pickers at work at Mr. Ward's said it was a sight worth going miles to see. There were bankers, and merchants, and preachers, and every other conceivable profession under the sun represented in that crew, most of whom had never before seen a cotton field and knew nothing about the trials and tribulations of such a job. At that they picked about a thousand pounds. It is reported, and had a barrel of fun.

Three Band Boys Leave to Play in Amarillo Band

Mr. and Mrs. Leslie Smith, W. J. Smith and John McDonald went to Amarillo Monday morning to assist the Amarillo Band during the Tri-State Fair this week. The Hereford bandmen will be with the Hereford Chamber of Commerce band on Hereford Day—Thursday.

Miss Maurine Beyer Entertains Friends at Dinner

Miss Maurine Beyer entertained on Monday night at the Beyer home, to a three course dinner. After the dinner, the guests went to the Star Theatre. Those present were Misses Grace Ferguson, Mary Hicks, Maurine Beyer and Messrs. Egbert Brady, Dave Raymond and Harold Hicks.

Gregg Park Triangle in Hereford

Gregg Park, so called from the man who, more than any one else is responsible for its creation and upkeep, A. W. Gregg, is one of the beauty spots that are beginning to appear in increasing numbers in Hereford. It's a treat to stop and look at this well planned, well kept little example of what can be made of the waste spaces that occur so frequently at street intersections.

BOVINA
The Mexican school house is nearing completion. It is situated about half way between town and the cemetery. When school began they occupied the old one. Mrs. B. F. Abbott is teacher this year. The one under construction was an adobe building.

Tom Hastings' daughter, Imogene, left her home Friday evening to go out in the field to hunt her papa, but did not find him. She was lost for three hours, and the rain storm coming on. Mr. Hastings came to town for help to assist in searching the cornfield for fear she would get hurt. After quite a search she was found, covered with burrs, and was not out in the hard rain.

Claud Witherspoon, a real estate dealer of Silverton, was in our midst Thursday.

Mr. Higginbotham of Silverton, past through on his way to California, having sold out his farm and stock. He thinks he will remain in California.

"Long" John Burson of Silverton, was here on business Friday of last week.

The rain of Thursday was very heavy, about an inch and a half fell in about an hour.

Paul B. Malcolm went to Amarillo Saturday and returned Sunday morning.

William Parker and wife are the proud parents of a son, born last Thursday, weight 8 lbs., given the name James William.

Mr. and Mrs. Frank Adams of Grand City, Illinois, surprised the F. L. Spring family Friday morning. A knock at the door and Mrs. Spring answered, and thought the man and woman were strangers, they said, "don't you know us?" Mrs. Spring said, "No." It was her brother and wife whom she had not seen for fifteen years. They are spending a very happy time at present.

The rain fell in torrents Sunday afternoon, beginning at 3:30 o'clock with much thunder and lightning.

Mrs. Billie Alderson's sister, Mrs. Reed, is visiting here the past week, from Arkansas.

Miss Hlgby and Miss Randall, teachers here, are boarding with Mr. and Mrs. Sam Martin, and Miss Lar with Mr. and Mrs. Homer Martin.

A brother of T. O. Cunniff has started a restaurant and shortly will run a meat market in connection. Mr. Cunniff likes the climate here.

Sunday school was largely attended, lessons well learned, teachers present, and all very much interested.

Raymond Davies visited with his grandpa on Wednesday of last week. J. B. Belew is the barber in the town, located in the back part of W. E. Williams' store.

Mrs. W. E. Williams' mother, Mrs. Denney, arrived one day last week to remain here this winter and keep house for Mrs. Williams.

About a month ago Orval Glover went to Dr. Miller of Clovis for throat trouble, an abscess had formed, and was thought to be well at the time he returned home, but Monday morning he went back for more treatment.

WELCOME

We will be glad to meet all our agents and patrons at the Tri-State Fair; if you come, and we believe it will be worth your while coming. We suggest that you make your headquarters while here at our plant.

On September 27th in connection with the dairy stock exhibits, there will be an auction of a carload of Jerseys from Cleburne, Tex. We are informed that this will be high class stuff and anyone contemplating the purchase of some good foundation stock will do well to attend this auction. We need more of such dairy stock in our territory.

**Robs Calomel of
Nausea and Danger**

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calomel".

The latest triumph of modern science is a "do-no-harm" Calomel tablet known to the drug trade as "Calomel". Calomel the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles Calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calomel tablet bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calomels are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small trial size. Your druggist is authorized to refund the price if you are dissatisfied that you will be thoroughly delighted with Calomel.—(Adv.)

"Prominent
men who
are now
presidential
candidates"
says Ed-

"owe a great deal of their success to their close watch of opportunities. Take the man you mentioned, George, this candidate, when a boy, was poor; today he is one of our wealthy men and senator of his state; also on the road to presidency.

His success is the result of direct effort on his own part, to make, to learn and to save. Then he watched for his chance. Opportunity, George, is your gift of bringing forth good and noble abilities in everything you do. And the opportunity to save lies right at your finger tips—"

Plain talk—but true. Opening a savings account in this bank can be your first step toward a bigger and better future.

FIRE!

The time to know how much gas there is in your tank is before you reach the bottom. And the time to know that you have enough fire in-

urance is before you smell smoke. Building costs are approximately 200 per cent above the 1913 level. Have you gone over your property

lately with the view of finding out what it would cost to replace it should it be destroyed by fire? This Agency will be glad to advise you, not only how much fire

insurance you should be carrying on your buildings and their contents, but also what other forms of insurance you need to properly protect you.

One of the nicest affairs of the season was a surprise barbeque and supper given at the Schultz home east of Hereford last Friday, honoring Mrs. A. B. Schultz on her 51 birthday. Mr. Schultz had killed a calf for this occasion and the supper that was spread on the lawn was a delight to all those present. Mr. Schultz offered grace and a beautiful tribute to his wife. In a very touching manner he told of her virtues and the inspiration she had been to him as together they walked down the rugged path of life and asked God to spare her for many more birthdays. The honoree received a number of useful gifts, among them was a beautiful large shawl, the gift of all her children present, and a lovely purse and dress from Miss Edna, a daughter in far off Washington. The members of the family and connections were present.

The magic multiple of Love, Home and Money is the key-stone of every empire. Americans today enjoy the pleasures of its highest development.

The money appeal is man-made, but natural, because in it man sees preservation—for self and those he loves. Ideas of independence for an old age may vary, but the principle to that realization is just the same. To attain the goal, investment is necessary—either in strong box, bank, business bonds, securities.

Whether your ideas of success be cottage or palace, we can serve you.

Gwynne Guthrie Signally Honored At His College

The following from the Monday's edition of the Wichita Beacon will be of interest to the readers of the Brand:

"Gwynne Guthrie was selected president of the student council of Fairmount College for the school year at a meeting of the student body Friday morning. Miss Margaret Zickenoose, daughter of Chief of Detectives S. W. Zickenoose and a sophomore at Fairmount, was elected vice-president. A unanimous ballot was cast for Miss Clarice Hand as secretary of the student council.

Mr. Guthrie, who will graduate in the spring, has been identified with the student activities since he entered Fairmount. He was editor of the Parnassus, the college year book, last year, and is editor of the Sunflower the college weekly paper, this year. He was also president of the Alpha Gamma Society last year.

"Mr. Guthrie was given a close race for the office by Ellis Braught, also a senior, and captain of the Fairmount football team last year."

Gwynne is a son of Mr. and Mrs. B. F. Guthrie of this city. He was graduated from the Hereford High School in the class of 1920 with first honors, although the youngest member of the class.

In addition to carrying regular work, editing the Sunflower, a weekly eight page college paper, discharging the duties of president of the student council, he is largely earning his way through college.

It is the duty of the student council to shape the policy of the college so far as the student body is concerned, and it is largely responsible for all discipline of the college.
