TAFT APPROVES PARCELS POST

Special Message to Congress Endorses Hitchcock's Proposal to Raise Rates and Adopt Parcels Post.

In a message to Congress President Taft endorses Postmaster General's proposal to raise the rates on second class matter and to adopt the parcels post. The rates, if Congress approves the recommendations, will be raised from 1 cent to 2 cents per pound on all second matter; that is, on all newspapers and magazines. This advance in rates, which is doubling the income from all second class matter has been and is being opposed by the big magazines and journals. The weekly papers which have a legitimate circulation and which do not keep unpaid subscriptions on their list (never do not object to the raise. The religious weeklies with a large circulation will be hit the hardest, for many of them have been thriving (?) on a long complimentary list of names and long past due subscriptions.

The parcels post feature which will admit an 11-pound package into the mails and upon which the charges will range from 5 to 25 cents according to weight will be vigorously fought by the local dealers, while the mail order houses are "hooping" it up. The opponents say that its adoption means the death of the small dealer while a fattening potion for the mail order duck. The outcome of these two new features of the post office department will be watched with interest.

Brothers Visit Sister After 38 Years.

After a lapse of 38 years, Mrs. E. M. Vanderburgh has had a visit by her two brothers, Mr. W. M. Ireland of Canada and Mr. T. H. Ireland of Nebraska. They came a week ago and will depart for their homes today. Mrs. Vanderburgh has enjoyed this visit from her long separated brothers. They are men past the meridian of life and are prominent citizens in their own communities.

Evening Party.

Mesdames Cardwell, Stanberry and Arnold with Mrs. Hawkins entertained in the evening with a "42" party for the young people. Pretty score cards, suggestive of the day, were used to mark the progressions. Music at intervals during the evening gave an additional pleasure. At a late hour a dainty and palatable salad course was served, at which time each guest was given the privilege of cutting a slice from that real George Washington pound cake. The young people are indebted to the four ladies for a very pleasant evening.

Trains Four Days Late.

The first through train from the north over the Santa Fe since Saturday night came in Wednesday morning bringing the first mail in 4 days from Kansas City. On Wednesday and Thursday no less than a score of belated and special trains passed over the Panhandle division through Hereford. Two of the Santa Fe's De Luxe trains went through yesterday, one of them said to be the finest train in the world.

Corner of W. 4th and Lee Ave.

Characteristic of this home at all times is true hospitality, but on this occasion there was an added charm, perchance the all pervading spirit of the sweet long ago. In the soft light of many candles the reception suite, tastily decorated in the national colors, flags and pictures of George and Martha Washington, made a fitting back ground for the club members, dressed as colonial dames. The guests were received by Mrs. Hawkins assisted by Mesdames Stanberry and Elliott, while Mesdames D. A. Shirley and Cardwell gracefully served tea and water hatchets. The effect in the dining room was quite pretty and colonial. On the side board and on the china closet were silver candelabra. The dining table was laid in handsome embroidered pieces with a candle at each corner. In the center on a reflector was a real pound cake, decorated in "cute" little soldiers made of different colors of icing. Under the strict surveillance of "Black Mammy," two of her daughters served a salad course consisting of cranberry frappe, pressed chicken on lettuce, Boston brown bread sandwiches and beaten biscuit. Two other dusky damsels of "Black Mammy" were handy in other parts of the house, while three little pickaninnies peep around the door panels. The coffee table was provided over by Mesdames Arnold and Jones, where each guest was given a suggestive favor. During the receiving hours a short program, under the direction of Mrs. H. B. Stephens, was very informally given and appreciated by all. "Auld Lange Syne," by Miss Mary Hill; "Comin' Thro the Rye," Miss Elliott; "Annie Laurie" and "The Last Rose of Summer," Mrs. Stephens; piano solo, Miss Elliott; and a reading, "Painting George Washington's Barn," Mrs. Clyde Wright. Notwithstanding the drifts of snow piled high every where, a large number of friends responded to the club invitation, the number of which was about a hundred.

Mrs. Mary Bethune.

The mother of Mrs. J. J. Clark died at her daughter's home in Hereford Saturday, Feb. 24, after a lingering illness. Her death was unexpected and without warning; only the members of the family being present. She was 65 years of age and had lived in Hereford two years. She was born and raised in Tennessee, but came to Texas some 9 years ago. The funeral services were conducted by Rev. T. G. Nance assisted by Rev. Purcer. She had been a devout member of the Christian church for 47 years. A large number of friends were present at the services who followed her remains to the City Cemetery where interment was made Tuesday, Feb. 27. She leaves two sons and two daughters, Mrs. Clark and Mrs. Hudspeth of Greenville, who was here to attend the funeral.

ANOTHER SCRAP ACROSS BORDER

City of Juarez Falls Into Hands of a New Set of Rebels—More Trouble To Follow.

Tuesday morning the city Juarez, connected by the international bridge across the Rio Grande with El Paso, fell into the hands of a small army of new revolutionists. General Salazar was in command of the attacking force and after firing one volley and without the loss of life, entered the bull pen city without resistance. General Gomez, who is an exile in San Antonio, was notified to come to Juarez and accept the provisional presidency. Leaving some 300 soldiers to garrison the city, the leader will march to Chihuahua with a 1,000 men and attempt to capture that state capital and thus secure control of the north of Mexico. Texas soldiers are watching the movement from the Texas side.

Texas Industrial Notes.

A Federal building to cost \$130,000 will be built at Corpus Christi in the near future.

The largest cotton deal in the history of Luling was recently consummated at that place. 1,586 bales were sold approximating \$100,000.

It is reported that work will begin within the next thirty days on the construction of a \$30,000 reading room to be erected by the Santa Fe Railroad at Slaton.

Twenty-one cars of structural steel have arrived in Fort Worth for the new \$2,000,000 plant of the Fort Worth Light and Power Company to be built at that place.

Plans are being perfected for the erection of a new "sky scraper" office building at El Paso.

The commissioners of Tarrant county have appointed an advisory committee to act with the commission regarding the expenditure of the \$1,600,000 road and bridge funds recently voted by the people of that county.

A carload of poultry was shipped from Plainview to San Francisco last week.

A Young Men's Booster Club has been organized at Hillsboro.

It is reported that the Katy Railroad will re-lay one hundred and ten miles of its roadbed in Texas this year with eighty-five-pound steel rails. Work will begin immediately.

Through the efforts of the Chamber of Commerce, Houston will have a pickle factory with a capital stock of \$200,000.

The County Commissioners of Palo Pinto county have ordered an election in precinct No. 1 to decide on bond issues of \$100,000 for building good roads in that county.

Ten carloads of lettuce have been shipped from the Rio Grande Valley during the past few days. The net returns were from \$1,000 to \$1,200 per acre.

The headquarters of the Commercial Club at Nacogdoches are known the "Wigwam." The place is commodious, with room for the Secretary's private office, a committee room, a rest room for the farmers and their families, and an exhibit hall in which they will make a permanent display of the various resources and production of that county.

Another Big Snow.

The big snow of Monday night, Feb. 19, had scarcely melted and in many places large drifts still remained, when another equally as much came as a surprise Saturday night and Sunday morning. The east winds of Saturday brought a rain, beginning at 9 o'clock Saturday night, which continued for nearly 3 hours when the wind veered a little to the northeast, bringing a fall of snow. At daylight Sunday morning the snow was still falling and the wind began to increase in velocity so that by noon a 40-mile gale was sweeping the plains, driving the snow in a blinding blast that defied the traveler, the sheep herder and the cowboy. Nearly all day and far into the night the gale continued, piling up the snow in great drifts where there was any obstruction such as fences, houses or trees, and in many places reached a depth of 6 to 10 feet. The average depth on a level would not exceed 6 or 8 inches. This added to the half-inch rain would make something like one and one-quarter inches precipitation. The stock suffered considerably in the storm.

Lancaster and Browning.

Judge J. E. Lancaster of Plainview came in Saturday night and spent Sunday in Memphis in the interest of his candidacy for congressman at large in Texas. There are about fifteen men in the race for these places and only two can be elected. The Panhandle is no doubt entitled to one of these places, but she has two candidates in the race, Judge Lancaster and Judge Browning. It is hardly probable that both can be elected, but each is in the race, he states, to the finish. Hence we can see no way to solve the problem except to vote for both of them and then take chances on what the state will do. Judge Lancaster has lived in Plainview about five years, coming there from Ellis county where he formerly served as county judge. He is an able and affable fellow and we believe would make a capable representative in Congress. —Hall County Herald.

Measure By Senator Gardner Provides For Government Ownership of Systems.

Washington, D. C., Feb. 26.—Senator Gardner of Maine today introduced a bill under which the government will take over all the express business of the country, operate it in connection with the postal system, and extend it to the rural districts.

The measure says that the express companies are worth a total of \$39,165,819, not counting \$160,000,000 in other property, which is not needed in the business and which the companies could keep.

Met With Mrs. Cox.

The Mothers' Club met Tuesday afternoon with Mrs. Cox. This meeting was devoted to the election of officers for the year, and the members in attendance showed their appreciation by re-electing several of the old officers. We expect to do some work this year which will make us feel that our time has not been spent foolishly, that our families, at least, may be benefited and not neglected by "Mother's going to the Club."

That Chewin' Gum.

Were you ever the proud possessor of a wad of chawin' wax; one that you'd bought down at town, when your pa was a payin' his tax? The kind that lasted more'n a day, a piece you cheerisht long; and each time you chawed that gum, it grew brown and tough and strong. That gum a yourn was germ-proof stuff; it stood the microbe's knocks, for them back-teri bugs woula died in that bright tin box. Rolled up in a neat round ball, you kept it near at hand, ready all the while as you know, for the chawin' you'd demand. When at school your seat-mate had a turn, he chawed it on the sly, with his curly head under the desk to fool the teacher's eye; sometimes he'd hide his smilin' face 'hind his g'ography book, so's he could chaw that gum a your'n and 'scape the master's look. At recess time, the girls'd congregate in knots and bunches some, and talk about the looks of folks and envy that chawin' gum. Your gallant-ry would then hump itself, you'd break the rules so-lax, walk right over on the girl's side an' offer them your wax. They'd take that peppermint morsel, then giggle, an' nudge an' blush; across the line the boys would yell, "Oh, you 'gallen' fust!" Them girls'd divide that gum around, they'd stand about in rings; they'd work their jaws up an' down, and pull it out in strings.

The bell would ring to come to books, the crowds would run in stress; them girls would stick their

Letter From Miss Edwards,
Choon Chun, Jan. 20, 1912.

Dear Lula:

I wonder what you all are doing this Saturday morning, for as I sit down to write to you tonight I remember that it is early morning with you. I was so glad to get your letter and to know that it is snowing so much and such good prospects are ahead for Hereford. I am especially glad to know that your society is doing so well. When the society is studying Missions it can not help being a live society for I am more and more convinced that all our women need to make them intensely interested in the work is to know the needs of the world and their opportunity.

I am delighted to know that Mrs. Stocking, formerly Elsie Coulter, is living in Hereford. Indeed I do remember her. She was one of my best friends at Georgetown. I am so glad to hear from her, give her much love for me and tell her I would so much enjoy a letter from her. I want to write to her as soon as I have time.

I am sorry to hear that Mr. and Mrs. Geo. Barcus are leaving Hereford. I know they will be greatly missed. I suppose Mr. Black and Mr. Farmer and those first people who went to Hereford and made the beginning of things both in business and in the church are not thinking of leaving. The church would sure miss Mr. Black and family. I suppose Elizabeth and William and Jim are big children, perhaps Jim feels almost grown. How I would like to drop down there for Sunday school some Sunday morning. I would like to see all my Hereford friends; I think so often of those who were always so kind to me from my first acquaintance in Hereford. I am glad to know that Pearl Harrison belongs to the Missionary Society. Where is Fannie now? Please remember me to Mrs. Turrentine and Pearl and Fannie if she is in Hereford. I think so often that I will take time to write to the Sunday School, but it seems that I can't find time, but I will soon sure. How about the Leagues, Junior and Senior? Where is Miss Griffith these days? I would surely like to have a letter from her.

Does Mrs. Hawkins still live in Hereford? Also Mesdames Merrick and Snyder. I am glad Willis is so well pleased with his new work. Our new doctor and family came from Memphis, which is very near

Lakeview.

About the Waco ladies. Last spring I was so very busy and then while I was taking my vacation I did not write to them, but as soon as I came back to my work in the fall, I wrote to them and since that time I have written to them about every two weeks. I wrote some of you at home about how lovely they have been to me, and about them sending all those nice packages to me by Miss Ivey, a package for every day, and every thing they sent is just what I needed—new neck wear, new hose, handkerchiefs, pins, tapes, new-waist material and every thing nice. I do my best to keep them in touch with my work. It is late, so I must close.
Lovingly,
Laura.

STOMACH TROUBLES

Cured By Vinol—Here is Proof Seymour, Ind.—"I was troubled with a chronic stomach trouble, and five weeks ago it got so bad I had to give up work. I had tried various medicines without relief, and was finally induced to try Vinol. After taking the first bottle I was greatly benefited. Am now on the third bottle and ready to resume work. Am rapidly gaining in weight and strength." Edw. Nieman.

It is the curative medicinal elements of the cods' livers, combined with the strengthening properties of tonic iron contained in Vinol which makes it so successful in restoring perfect digestion and at the same time it builds up the tired, over-worked and run-down system.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. Corner Drug Store.

Worst in Years.

W. C. Hallihan of Remington, Ind., in a letter to the Brand, writes that his state was experiencing the worst storm in years. "All trains," he says, "are running from 3 to 16 hours late. Last evening, Feb. 21, a passenger train from the west came in 3 hours late pulled by 3 engines. Snow is from 12 to 15 feet deep in the cuts, all freight service is at a stand still. This has been the coldest winter here in 22 years and today is bitter cold."

SOMETHING FEARFUL! FEARFUL!

WE JUST CAN'T CRY. Failing to get a telegram, the cold wave of destruction on prices so near us come so sudden that it shook ever box in our shelves, tore up our Clothing, riddled prices on Dress Goods and everything else. And so dazed our clerks that they will not be able during the spell to ever know the cost marks. It did not give us time to get someone to look out for the 10 per cent of gross sales that usually go out, so we have just decided to invite everybody to come and take advantage of the great slaughter that we are going to make in order to clear up the wreck. You are especially invited to come to the great feast. Don't fail to attend—you sure will miss something. To be continued until the spell is over and wreck is clear. Come one, come all and help us.

Political Candidates.

With the rising of the sap and bursting of buds many office-seekers will begin to hear the call of the people and feel their souls flame up with patriotism, for we are to soon select the men who will hold in the hollow of their hands the destinies of state for the next two years, and it is high time the people were beginning to search up and down the public pathways for suitable officials. The editor of your local paper, is a good man to send to the legislature and to elect to office, for he is accustomed to serving the public without compensation and the small salary

we pay our public servants is in harmony with his customary remuneration. Then he has many other important qualifications. He understands better than anyone the thought-life of the State and for the past half a century the press of Texas has been surging at the wheels of progress like oxen pulling at the guns of the revolution.

Our editors ought to be willing to serve where they can best make Texas grow.—Texas Commercial Secretaries Association.

If the Secretaries meant the first part of the second paragraph as a compliment all well; but their re-

mark that the editors are accustomed to serving without compensation is resented by The Brand. Just such admissions, if partly true and often the weekly papers talk as if their editors were objects of charity, but not so with the papers on the Plains—they are not serving without compensation. Many of them have made good money and are still making comfortable livelihoods out of their business. The editors of all country weeklies are not maudlin chumps and The Brand demands that the Secretaries take back that part of his insinuation that the editors are accustomed to live altogether on hot air and unpaid subscriptions.

AVOID HARSH DRUGS.

Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless, and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge, nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexall Store.

This well was put down to test the water supply and to learn just what kind of soil or rock they would have to contend with in drilling the big well. It is proven beyond a doubt that the water is abundant for irrigation purposes and work on the big well will begin as soon as the ten-inch piping arrives. Water plenty, soil right makes Friona the garden spot of the Panhandle.—Sentinel.

Deafness Cannot Be Cured

by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed condi-
tion of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed
you have a rumbling sound or imperfect
hearing, and when it is entirely closed,
Deafness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed condi-
tion of the mucous surfaces.

We will give One Hundred Dollars for any case of
Deafness (caused by catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for circulars, free.

Stop That Kidney Trouble NOW

The kidneys, when healthy, perform one of the most important functions required from any organ of the body. The elimination of waste products from the blood is a necessity and the greater portion of this work is performed by the kidneys alone.

Do you realize just what this means when the kidneys become so weakened that they cannot throw off this waste material?

It means that the system becomes saturated with poisons—they cannot free themselves from the blood and gradually block up and slow down the circulation.

Never allow this condition to exist—you cannot afford to do so because it means the running down of your health in general. When you notice such symptoms as backache, puffiness under the eyes, or that languid feeling, that's when to take

NYAL'S KIDNEY PILLS

We know of nothing better to put you on your feet in a hurry—cleanse the blood of all poisonous matter and prevent further infection.

Do not ignore the slightest indication of kidney trouble—be prompt in your treatment—remember the name—Nyal's Kidney Pills and come to us—we recommend them. Fifty Cents the Box.

A GREAT DISCOVERY.

Certain Ingredients That Really Promote Hair Growth When Properly Combined.

Resorcin is one of the most effective germ destroyers ever discovered by science, and in connection with Beta Naphthol, which is both germicidal and antiseptic, a combination is formed which destroys the germs which rob the hair of its natural nourishment, and also creates a clean, healthy condition of the scalp, which prevents the development of new germs.

Pilocarpin, although not a coloring matter or dye, is a well-known ingredient for restoring the hair to its natural color, when the loss of hair has been caused by a disease of the scalp.

These ingredients in proper combination, with alcohol added as a stimulant and for its well-defined nourishing properties, perfect perhaps the most effective remedy that is known for scalp and hair troubles.

We have a remedy which is chiefly composed of these ingredients, in combination with other extremely invaluable medicinal agents. We guarantee it to positively cure dandruff and to grow hair, even though the scalp in spots is bare of hair. If there is any vitality left in the roots, it will positively cure baldness, or we will refund your money. If the scalp has a glazed, shiny appearance, it's an indication that baldness is permanent, but in other instances we believe baldness is curable.

We want every one troubled with scalp disease or loss of hair to try Rexall "93" Hair Tonic. If it does not cure dandruff and grow hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. We print this guarantee on every bottle. It has effected a positive cure in 93% of cases where put to a practical test.

Rexall "93" Hair Tonic is entirely unlike, and we think, in every particular, better than anything else we know of for the purpose for which it is prescribed. We urge you to try this preparation at our entire risk. Certainly we know of no better guarantee to give you. Remember, you can obtain Rexall Remedies only at our store—The Rexall Store, Corner Drug Store.

Castro County Clippings.

From The Dimmitt Plainsman of Friday, Feb. 23.

About nine o'clock Monday night snow began falling in all parts of Castro county and continued steadily until Tuesday night. The guesses on the amount of snow that fell range from two to six inches. The exact figures do not matter; it was enough.

Perry Barnard of the Flag ranch had business in this city Monday.

Miss Mattie Woodburn of Hereford is visiting at the home of her brother, Estes Woodburn, in Dimmitt this week.

Will O'Brien of Hereford passed through Dimmitt Sunday in his auto en route to the Gollehon ranch where he has got a bunch of cattle.

Miss Mary Williams of Hereford, who for several months conducted a music class in Dimmitt, is visiting Mr. and Mrs. Estes Woodburn this week.

G. T. Abbott of Spring Lake made a trip to Plainview last week with two loads baled hay. He brought back a load of lumber which will be used in the new dipping vat which will be built in that neighborhood this summer.

Rev. Hensel has purchased the Carpenter farm near Spring Lake. He has been remodeling the house the past two weeks and will move his family into same this week.

You will look a good while before you find a better medicine for coughs and colds than Chamberlain's Cough Remedy. It not only gives relief—it cures. Try it when you have a cough or cold, and you are certain to be pleased with the prompt cure which it will effect. For sale by all dealers.

Card of Thanks.

To all who bestowed upon us so many kindnesses during our recent great sorrow and bereavement we desire, by this means, to return our most sincere thanks. For every comforting word spoken, for every helping deed and many kind expressions to Dr. Taylor we are profoundly grateful. May God richly bless every one.

MRS. G. J. HUDSPETH.

Texas Needs Great Men

XXIV. WEAKNESS

KING HEROD was so well pleased with the dancing of his daughter, Salome, that he offered her half his Kingdom and one of the saddest tragedies in Christendom followed, and his throne toppled and fell. The people of today are oftentimes so well pleased with the vaudeville performance of politicians and the Salome dances of party leaders that they give them the whole of their kingdom, and as a result industries crash, commerce crumbles and pandemonium reigns supreme and the land becomes flooded with "isms" and legislative cure-alls, when the trouble lies in weak leadership. No country can become stronger than its leaders and weak leaders are the pall bearers of prosperity.

SALOME DANCING BEFORE KING HEROD.

Let that people take heed whose leaders are under the grip of impulses and whose characters flicker like a wild flame, lest they become overpowered by the knock-out drops of human weakness; their influence belt the State like a temptation, and their precedent stalk over the land like a pestilence. Texas Needs Great Men.

Hurley Items.

Oats sowing is now beginning in this neighborhood.

Wheat is getting green and looking fine, reminding us that spring work is here.

A fine snow and rain fell on this vicinity Saturday and Sunday.

"Cardui Cured Me"

For nearly ten years, at different times, Mrs. Mary Jinks of Treadway, Tenn., suffered with womanly troubles. She says: "At last, I took down and thought I would die. I could not sleep. I couldn't eat. I had pains all over. The doctors gave me up. I read that Cardui had helped so many, and I began to take it, and it cured me. Cardui saved my life! Now, I can do anything."

TAKE CARDUI The Woman's Tonic

If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache, backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's tonic. Prepared from perfectly harmless, vegetable ingredients, Cardui is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardui.

WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away

Hereford women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of dropsy or Bright's disease. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking at the cause.

Can Hereford sufferers desire stronger proof than this woman's word?

Mrs. Ella Weatherly, 407 Madison St., Amarillo, Texas, says: "I used Doan's Kidney Pills about two months ago as I had been having backache and dull pains in my head and I knew that my kidneys were out of order and caused my suffering. Doan's Kidney Pills not only gave me prompt relief but also acted as a tonic to my entire system. I have no hesitation whatever in recommending this remedy."

Has That Been Your Experience Taking Calomel for Constipation? Try Dodson's Liver-Tone Next Time

Many people take calomel to cure constipation, and it does it for one day, but two or three days later they are sicker than ever. That is one of the after-effects of calomel.

This is the reason why Betts-Clark drug store will not guarantee calomel to be harmless. But we do guarantee Dodson's Liver-Tone to be a perfect substitute for calomel. Dodson's Liver Tone will cure constipation and bilious attacks and keep them cured, by stimulating and toning up the liver to do its best work. It is a vegetable liquid with a pleasant taste and is harmless to children as well as grown people. It livens up the liver by natural methods, does not act so strongly as to weaken the body, but is safe and sure just the same. You can buy a bottle today from Betts-Clark with the assurance of your money back if it fails in your case.

Millions For Prosecution But Not One Cent For Development.

From T. C. S. and B. M. A. Texas has millions of dollars for prosecution, but not one cent for development. The whole machinery of state can be put into motion to catch a horse thief, but a hundred million acres of fertile land can lie idle for centuries and the Departments of state are as helpless as the Sphinx of Egypt. The Legislature can appropriate millions for investigating the conduct of its citizens, but cannot raise its hand against the boll weevil or the Johnson grass. (Why? Politics. The Brand.)

Guard Your Children Against Bowel Trouble

Many children at an early age become constipated, and frequently serious consequences result. Not being able to realize his own condition, a child's bowels should be constantly watched, and a gentle laxative given when necessary. Dr. Miles' Laxative Tablets are especially well adapted to women and children. The Sisters of Christian Charity, 531 Charles St., Luzerne, Pa., who attend many cases of sickness say of them:

"Some time ago we began using Dr. Miles' Laxative Tablets and find that we like them very much. Their action is excellent and we are grateful for having been made acquainted with them. We have had good results in every case and the Sisters are very much pleased."

The form and flavor of any medicine is very important, no matter who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child "medicine," even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection.

The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.
