

Pampa Softball Tournament Is In August 8

PAMPA—July 26 has been set as the deadline for entering the Panhandle Softball tournament to be held in Pampa beginning August 8. The team winning the tournament will receive 40 per cent of the gross receipts and be eligible to enter the state tournament to be held in Abilene the first week in September. With the entry must be membership fee in the National Softball association which is \$2.00 for a team in a league of four or more teams or \$10 for a team that is a member of no league. Entry and membership fee should be sent to Alton Hall, Jones Roberts Shoe Store, North Cuyler Street, Pampa. A local entry fee of \$5 will be charged to be paid upon arrival of teams for the tournament.

The fee will be used to purchase balls for the tournament. Last year the entry fee was two balls.

Team rosters must be filed with the Panhandle commissioner not later than the night of August 7. A meeting of team managers will be held in the Pampa city hall at 8 o'clock the night of August 1st when drawing for first round opponents will take place and discussion of tournament rules and regulations conducted.

Each team will be allowed to register 18 players including the manager. Teams in the north 20 Panhandle counties will be eligible to participate in the tournament provided they do not use players who have accepted money for athletic activities during the past year.

Last year's tournament winner was Texaco Refiners of Amarillo who are expected to defend their title this season.

The useful life of a horse averages about 13 years; the period of greatest value is from five to seven years of age.

Papa Passes His Examinations

Wrestling with a washable doll, Anthony Cappi, one of the fathers who recently graduated from the four weeks' course on handling a baby, gets a pointer or two on the proper technique of diaper-changing. The instructor at the school is Sarah Gould. Other brave fathers-to-be look on wondering how Tony manages to account for all those ends.

Beans Explode; Woman Finds She Uses Gasoline

INDIANAPOLIS, Ind. — Mrs. Irene Hill was sure no food she had cooked ever smelled like that before.

She lifted a lid from the simmering pot and sniffed suspiciously. Then an explosion filled the air with flying beans and ham.

Firemen said Mrs. Hill had not only used gasoline as fuel for her stove—but also had been cooking the ham and beans in it.

Fire Destroys Dean Rice Home

Returning home from a visit to Henderson, one day last week, Mrs. Dean Rice found her home in Joinerville burned to the ground.

Mrs. Rice and her mother-in-law, Mrs. Dora Rice of Walters, Okla., who was visiting in her son's home, had gone to Henderson for the day, leaving the small son, Don, with his father. They had left the house and by the time Mr. Rice could get back the fire had gained such headway that very few belongings were saved.

Slang Comes And Goes As Fashion

Fashions in words come and go like women's hats. There was a time when people said "skidoo" when they wanted someone to depart. Now they simply say, "scram."

Another dying language is that of the Southern mountaineers. Gradually it is approaching lowland speech. Old Timers still

North Hereford Club Meets In Robbins Home

The North Hereford Home Demonstration Club met last Wednesday at the home of Mrs. Harry Kibbe. Plans were made for the women to entertain their husbands with a watermelon party Wednesday night, Aug. 10, at the home of Mrs. C. G. Robbins.

The club also planned to make a quilt to sell for additional funds. Mrs. Geo. S. Parker, who has just returned from the short course held at College Station, gave an interesting talk and stressed several interesting and worthwhile points in demonstration work.

Mineral Needed In Cattle Ration

There are some sections of Texas where it is not necessary to feed mineral supplements to dairy cattle. The soil contains good supply of lime and phosphorus and, therefore the grass, hay and silage contain sufficient mineral to supply the cattle needs.

There are some sections of Texas where the soil is deficient in lime or phosphorus or both. In these sections it would pay the farmers to supply the cattle with a mineral supplement. One way to determine if the cows need mineral is to observe if they chew on bones, sticks and other things. Another way to tell is by the way the cows hold up in their milk production.

Crows Can Learn To Talk Easily

If you are bored with the usual kind of pet and want a new thrill, get a crow, and while teaching him to talk, teach him various tricks, writes Medora Hamilton Crist in the Baltimore Sun.

Crows Can Learn To Talk Easily

When strangers hear my crows talk they never fail to ask, "Did you split their tongues?" Certainly not. A crow's tongue is naturally split. It is seemingly loose at both ends and works on a central pivot.

The next question invariably is: "How long does it take to teach one to talk?" I have never been able to make one talk in less than ten months. He will learn to bark like a dog, mew like a cat and jabber a number of unintelligible words, but to pronounce words really clearly takes almost a year. In the meantime, he will be up to all kinds of mischief and will learn some new trick each day, including quite a few things that you do not teach him.

I have spent at least two hours a day saying to my crows words that I wanted them to learn. They would almost fall from the perch and go through the most terrible contortions, twisting their necks as if in agony while trying to say some new word.

An odd combination of names was found in three men fined in one day for speeding in St. Louis. They were Alex Staid, George Faaster, and John C. Slowe.

THANK YOU!

VOTERS of PRECINCT ONE

Thanks to the voters and also to my opponents for the good clean race. I feel that the bond of friendship is stronger now.

If the voters see fit to elect me I will sacrifice two years of my time using my best judgment solving the problems for the people in Precinct No. 1 and of Smith County.

I would appreciate your vote and you can depend on me to represent you fairly and honestly in the execution of my duties if elected.

UNIQUE PROGRAM

Summerfield Y. W. A. unique program furnished entertainment for members and guests at the Summerfield Y. W. A. which held Tuesday afternoon at home of Mrs. Mildred Walker. Keeping with the program "The Indians of Yesterday" Indian curios, blankets, pictures of Indian ceremonials used in decorations. A map of the United States showing the present Indian reservations and attractive articles made by Indians were displayed. An Indian village scene was set in a sand table setting. Decorations were large sun-burns in Indian pottery vases. Bright colored folders representing small tepees had printed programs inside.

Mrs. Louise Lookingbill, in Indian costume, gave the Twenty Psalm in Indian sign language. Roll call brought out interesting facts concerning Indian and customs. Mildred Walker explained the pictures and sand scene. Opal Roberson discussed the religion of the Indian and the story of the worship of the Spirit "I Am an Indian" was given by Louise Walker, who was dressed as an Indian and carrying her papoose on her back in typical Indian fashion. The story of "An Indian Maiden Today" was told by Leatrice G. A review of the missionary work among the Indians by Beulah Noland concluded the program.

Refreshments consisted of beef, meat, fry cakes, and wisdom for. Plate favors were gumdrop pees and Indian corn candy. Members to tlay scrolls with the pen written inside. Members present were: Aerie Tartar, Hazel Schley, Shirley Thomas, Mary Louise Lookingbill, Louise G. A. Fullwood and Miss Geence and her of Herford were also present.

TWO BIRTHDAYS ARE CELEBRATED

Honoring Mrs. Arlie Dean and Mrs. Edgar Sowell whose birthdays occurred near the same date, a covered dish luncheon was held Sunday at the Edgar Sowell home. Each guest brought a covered dish for the luncheon and the afternoon was spent visiting with each other. Gifts were presented to the honor guests.

BRIDGE SUPPER ENTERTAINS CLUB

Mrs. and Mrs. S. P. Rosson were hosts at a bridge-dinner party at her home Thursday evening for members and guests of the Tuesday Dinner Club. A mound of flowers and white midsummer flowers centered the table from which dinner was served buffet style. Entertainment was in crystal and for small tables and tallies. The games which followed the dinner carried out the midsummer theme.

High score awards went to Mrs. R. Bateman and Cliff Acker.

Those attending were Messrs. and Mesdames; J. A. Pitman, Homer Fox, C. C. Acker, Alton Fraser, A. R. Bateman, Jack Wayland, Mrs. H. A. Clooe, Mrs. Seth B. Holman, Miss Eloyse Pitman and the hostess.

PROGRESSIVE WORKERS CLUB HAS QUILTING

Members of the Progressive Workers Club held their regular meeting at the school house Wednesday afternoon, July 20. After a short business meeting quilting furnished entertainment. Trees and flowers on the school grounds, which were projects of the club, were watered and cultivated.

JUNIOR G. A. ELECTS OFFICERS

The Junior Girl's Auxiliary of the First Baptist Church met on Wednesday afternoon, July 20, at the home of Billie Louise Lance. The following new officers were elected; Billie Louise Lance, president; Billie Louise Crawford, vice-president; Avis Matthews, leader; An interesting program on "Cuba" followed the election of officers. Geraldine Kendall told how the Sunbeam money helped Cuba. A talk on "A valiant Cuban G. A." was given by Ellen Louise Posey. Plans were made for members to write members of a Cuban Girl's Auxiliary.

Refreshments were served to; Billy Jane Smith, Juanita Luck, Geneva Ware, Billie Louise Crawford, Geraldine Kendall, Billie Louise Lance, Mary Pace, Reba Michael, Gladys Ware, Ellen Posey and Miss Avis Matthews.

VIRGINIA EAST HONORED AT SURPRISE BIRTHDAY PARTY

A surprise party honoring Miss Virginia East on her birthday was given at the East country home Thursday evening. Invited guests went to the East home in a group where a picnic supper was enjoyed and games were played.

TEN-YEAR OLD MARCELLA BLUE HONORED AT PARTY

Honoring her daughter, Marcella Blue, on the anniversary of her tenth birthday, Mrs. R. G. Blue entertained Friday afternoon with a party at her home. After games and contests were played on the lawn the birthday cake was a feature of interest inside the house. The cake was frosted in white and decorated with tiny pink rosebuds. Ten pink

candles atop the cake were blown as wishes were made. Favors were lollipops and multi-colored balloons. Those helping Marcella celebrate were: Naomi Brumley, Juanita Upton, Rosemary Phillips, Mary Janice Thorpe, Londine Martin, Mary Estelle LeGrand, Jeannine Singletary, Helen Acker, Barbara Ann LeGrand, Catherine Hicks of Winfield, Kansas, Jimmie Frances Crenshaw of Brownwood, John Samuel Coombes, J. W. Robinson, Billy London, Duane Williams, Pat Kerr, Delmo Williams and Joe Kerr.

MRS. LUCAS ENTERTAINS FOR NEICE

Mrs. F. L. Lucas entertained at her home Thursday afternoon, honoring her neice, little Miss Jimmie Frances Crenshaw of Brownwood, who is visiting in the Lucas home. Guests were greeted by Cecelia Guseman, who wore a formal frock of pale blue organdy trimmed in pink, and introduced to the honor guest who wore a floor length dress of rose-pink taffeta with blue trimmings.

BRIDGE-SUPPER PARTY ENTERTAINS CLUB

Mr. and Mrs. James Black were hosts with a buffet supper and bridge party at their country home near Black on Wednesday night of last week, for members of the Wednesday Night Supper Club. Three tables of guests enjoyed the party.

MINNESOTA AND MISSOURI RELATIVES VISIT HERE

Relatives visiting in the home of Mr. and Mrs. John Olson this week are her sister, Miss Mabel Boss of St. Louis and Miss Marjorie Greyand and Bob Cleland of St. Paul, Minnesota. Miss Boss is with the bureau of measurements in the department of education of the high schools of St. Louis and the Cleland brother and sister are neice and nephew of Mrs. Olson.

How your Money WORKS FOR YOU IN A Checking Account

When you put your money in a savings account you get interest on it. In a checking account you get service for it—and let the bank draw the interest. In return for this interest the bank gives you privileges worth far more to you than the interest itself.

When you maintain a balance commensurate with your use of your checking account privileges, the bank will be reimbursed for the expense of serving you. Otherwise, the bank may properly look to you to meet this expense.

Money in a checking account is an investment that pays you real dividends.

Transfers From Schools To Be Made By July 31

Pointing to the fact that this is the last week in which to make school transfers, Knox Kinard, superintendent of the Hereford schools, today said that it is imperative all transfers be made on or before July 31. Application blanks for transfers may be secured in the office of the county clerk.

"It will be much better for parents to make the transfers of individual students, rather than to depend upon contract transfers by their school board," he said. "Notices to this effect have been issued from the state department and received here.

All county superintendents have received instructions from the census department as to the Attorney General's ruling on transfer law as follows:

"You are advised that said opinion holds that County Superintendent must grant all requested transfers made by parents; and that group of trustees which object to the transfer shall file its objection with the county board. In the adopted rules and regulations of this division, you will note that said protests must be filed with the County Board of School Trustees within five days after the first of August and the County Board shall hear all protests prior to the 15th day of August of each year."

In compliance with the above ruling the County Superintendent will accept all transfers requested by parents, and submit them to the county board.

Work Starts On REA Sub-Station

Work on the REA sub-station for the Deaf Smith Electric Coop started Monday morning, and according to H. V. Hennen, supervisor will be completed within the

next two weeks.

"All materials, except the big transformers, are already here," Hennen said. "The transformers were shipped Tuesday, July 27, and will likely be in early next week."

Mr. Hennen said that early completion of the local project is anticipated.

Exam To Future Employees Here In Agent Office

That an examination for future openings for employment in the county agent's office in Hereford will be held August 1 was announced today by A. R. Bateman, county agent. The examination will be held in the county court room and will begin promptly at 8 o'clock.

"It is necessary that all applicants be able to use a typewriter and have a high school education," Mr. Bateman said. "The examination will deal chiefly with arithmetic, English and general information."

He stressed the fact that there are no openings at the present time, but said that names and grades will be filed for future use in case of openings in the office. The papers will be sent to College Station, where they will be graded and filed for reference.

September 5 Set As Opening Date In Rural Schools

County Superintendent Earl Wilson announced this week that all schools in Deaf Smith County will open on Monday, September 5. It has been previously announced by Knox Kinard, superintendent of the Hereford Independent District, that the Hereford Public schools will also open on that date.

The simultaneous opening of both the city and rural schools makes it imperative that all those who plan to transfer from the rural to the city schools complete arrangements for the change as soon as possible. State regulations set July 31 as the last day on which application for transfer can be made.

Application blanks can be obtained at the office of the County Superintendent in the Court House. Parents who wish to make arrangements for transfer are warned to make application before the date set by the State Board.

Thanks Voters

I wish to thank all those who voted for, or aided me in any manner in the election last Saturday in behalf of my candidacy for the office of County and District Clerk. By your splendid vote I am enabled to be in the run-off primary to be held August 27th, and trust you will continue with me with your support and influence.

It is my aim to see as many of the voters as possible between now and the next primary, and although District Court starts soon, and will continue throughout the entire time of making a canvass of the County, I trust those whom I fail to see personally will consider this my solicitation for your vote and influence.

Again I say, and just as big as I know how to say it—THANK YOU.

L. H. FOSTER

Most Courteous Clerk Still Is A Mystery Here

Selection of the "rage of Hereford"; ie, the town's most courteous clerk, is well under way, but that is all the information that can be wrung out of John Roberts, manager of the Star Theatre. The project was started last week by Mr. Roberts in connection with the showing of the film, "The Rage of Paris" at the local motion picture house.

"The person who makes the selection is unknown and will remain unknown," Roberts stated. He further stated that the person chosen will be presented at the Star Theatre on the night of the film showing. The "most courteous clerk" will be awarded a cash prize of \$5.00.

"We are looking for Hereford's most courteous clerk," said Roberts, "and you will find that person at the Star Theatre Monday night, August 8."

Brother, Sister Meet Here After 35 Years Apart

Lieutenant Colonel O. D. Weed, retired army officer, with his wife and son spent several days in the home of Mrs. Weed's brother, H. L. Broadwell, here last week. Mr. Broadwell and his sister had not seen each other for a period of 35 years. The Weeds were enroute to their home in Washington, D. C. after attending graduation exercises held at Le-

Farmers Bounce Odds Over Softball Field To Hold Lead

MANAGERS TO DECIDE ON DOUBLE-HEADER GAMES FOR AUGUST

By Homer Fox
 Tuesday night the A & M bunch clubbed their way to another win over the Odd Fellows 12 to 5, and stepped another 1-2 game higher in the lead; they pounced on Ted Young's Yo-Yo ball for 5 hits, assisted by 10 bobbles by Young's team mates, while Grant Fuller with excellent support, (only 5 errors) let the Odds down with 7 licks and 5 eyes.
 The Goat Herders made a couple of runs in the first; after two outs Singletary singled, Young singled, Roberson lifted a high fly to deep center that fell in Coffee's shirt pocket and both runners scored before Dick could find the ball.
 The Farmers never looked back in their half. After one out, G. Fuller, Jr., singled; Clayton was safe on an error by Darby, Russell forced Clayton at second, scoring Fuller; Daniels singled, Schroeter was safe when Allison let his pop fly get away, scoring Daniels, and Schroeter pulled up at third. Coffee was safe on another bobble and Schroeter scored, Hartman flew out to center—4 runs on two hits, 4 errors and three head aches.
 On two licks the Odds failed to scratch in the second.
 Boy some one left the gate down and when those cotton choppers stepped out in their half and all the runs got out. Paw Fuller walked, M. A. Kelly was an easy out, Pitch to first, L. W. Kelly was safe on an error by short; Fuller, Jr., popped to pitcher, Clayton was safe on an error by shortfield; Daniels singled for his second hit of the game, Schroeter was safe on a bobble by first, Coffee popped to first, 5 runs, 2 hits, 5 errors and the headache is now in the stummick.
 The Odds made two more in the third, Wilson popped to short, London was safe on a bobble by Clayton, Singletary was safe on an error by Kelly, Young singled scoring London. On Roberson's F. G. Singletary was trapped between home and third, but it wasn't tag day for him doing a fancy side step Russell missed him and Schroeter finally blocked him out in left field and Singletary scored; 2 runs one lick, 3 errors and the score stood 9 to 4—A & M.
 Young took em one, two, and skipped one in the fourth, Clayton third man up crashed a home run over left field. Russell was out third to first. The Kaffir Corn Heavers made one more in the fifth with no licks and one in the sixth when G. Fuller, Sr., popped to short left and every Flatheaded Goat Header, and two water boys, ran together; Grant scored later on L. W. Kelly's single.
 The old hen cackled in the seventh for the Odds, but one egg was all they could drag out of the nest, Old Speed London walked and raced home on a lick by Young. Bob Allison and Young led the Knocks, Young getting 3 for 4 and Allison 2 for 2. One of the features of the game was the way Bunky Daniels has developed his cotton bole throwing arm. Pack London played his ninth position for the year and claims a record, just three more, Flat boy, water boy and catcher—and Pack can have his Sheep Skin.
 There will be a meeting this coming Friday night of the Managers to work out a schedule to play a double header each playing night for the first half of August, on account of the nights being so cool. Special arrangements are being made for the Fans. In some of these games, there will be lunch on the ground if you want to bring your own lunch; a place to lay out your bunk, barbecue pits for making coffee and two Hot Dog stands. One for the

ladies and one for the men and best of all, Doc Wills and Ox Emmons will look after the babies if you want to take a nap.
