VOLUME 13

HEREFORD, TEXAS, FRIDAY, June 6, 1913

NUMBER 18

MUST KILL CATTLE SCAB

New Sanitary Stock Law Will Eradicate Scabbies on Range Cattle—Goes Into Effect July 1.

Attention, Cattlemen of the Panhandle.

The last regular session of the Legislature passed an act, known as Senate Bill No. 59, pertaining to Live Stock Sanitary Control work in Texas. Section three of said Act, read as follows:

"It is further provided that the Live Stock Sanitary Commission shall have the power, and it is hereby made its duty to as far as possible to eradicate Texas or splenic fever, the scabbies, anthrax, tuberculosis, hog cholera, glanders and other infectious, contagious or communicable diseases of live stock, and for this purpose it is empowered to establish special quarantined districts, where such diseases or the infection of such diseases are known to exist, and notice of the establishment of such special quarantined districts shall be given as provided for in Article 7314. The Live Stock Sanitary Commission shall have power to quarantine premises or pastures located in such special quarantined districts, and the domestic live stock thereon situated in such quarantined districts, or elsewhere when, to their knowledge, such pastures or premises or the live stock located thereon are infected with or have been exposed to a contagious, infectious or communicable disease or the infection thereof, and no live stock shall be moved to or from such special quarantined district, pastures premises, in a manner, method or other condition other than those prescribed by the Live Stock Sanitary Commission. It will be the duty of the Live Stock Sanitary Commission to prescribe methods for dipping or otherwise treating or disinfecting such premises and the live stock thereon, as in their opinion are necessary for the eradication of the disease or the infection of the disease for which they are quarantined and when any person, company or corporation, owning, controlling or caring for such live stock, shall fail or refuse to dip or otherwise treat such live stock or disinfect premises at such time and in such manner as directed by the Live Stock Sanitary Commission, then the Live Stock Sanitary Commission shall have power to call upon the sheriff of the county in which such live stock are found, and it will be the duty of said sheriff, together with the inspector, to dip or otherwise treat such live stock in a manner and at such time as the Live Stock Sanitary Commission shall direct; and the said sheriff shall keep said cattle in his custody subject to such quarantine instruction as he shall receive from such officers. No officer, who shall seize such live stock for dipping or treatment, shall be liable to the owner thereof for damages for such taking or by reason of such dipping or treatment; provided, the dipping or treatment has been done in accordance with the methods approved by the said Live Stock Sanitary Commission."

Again section seven provides as follows:

"Any person, company or corporation owning, controlling or caring for any domestic animals affected with or known to have been exposed

to any contagious or infectious disease or the agency of transmission thereof, who shall fail or refuse to dip or otherwise treat such live stock at such time and in such manner as directed by the Live Stock Sanitary Commission, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than fifty dollars nor more than one thousand dollars."

This law becomes effective and in force, July 1st, of this year, after which date, the Live Stock Sanitary Commission of Texas, is going to undertake the work of eradicating the scab entirely off of the plains of Texas, and the full import of this law will be rigidly enforced by the Live Stock Sanitary Commission, and the object of this letter is to notify the cattlemen of the plains district, owning scab infected herds of the nature of the law passed by the last Legislature and to further give them notice ahead of time to make their preparations so as to be able to comply with this law. It is not the intention of the Live Stock Sanitary Commission of Texas to impose any unnecessary burdens upon the cattlemen of the State, but it is the intention of the Live Stock Sanitary Commission of Texas to rid the State of Texas of the disease known as Scabbies in Cattle, and those unfortunate enough to have this disease among their cattle will be held to a rigid observance of the law. The custom heretofore prevailing in the scab infected territory of Texas has been to allow cattle to be driven from one pasture to another, or a neighbor's pasture for the purpose of dipping; this custom in the main, will be abrogated and except in isolated places will a man be allowed to drive his cattle to his neighbor's vat for dipping. Therefore, it behooves every cow man in the scab infected area of Texas to build him a vat on his own ranch and have it ready by the time this law goes into effect, as he will not be allowed after this law goes into effect to move any cattle off of his ranch, if infected, for any purpose whatever, until they have been dipped under the supervision of an Inspector of this Commission or of the Bureau of Animal Industry, and a certificate issued stating that the owner of the cattle has complied with the law and that his cattle are free of scabbies infection.

Another section of the above referred to law, provides that any person, company or corporation found moving any animal or animals, which are quarantined without a certificate from the Live Stock Sanitary Commission, the Inspector of the Commission shall have authority and it is his duty to call to his aid the sheriff of the county, in which the cattle are so found and it shall be the duty of the sheriff to return the cattle to the place of origination.

From the above you will readily see, from and after the taking effect of this law, the Live Stock Sanitary Commission of Texas will be in control of the situation. And while we desire and must have the co-operation of the cattlemen of the State in this work, we are going to undertake where parties refuse to give us their cooperation voluntarily; to force them by law to free their ranges of scab infection. This letter is not intended as a threat, but as a friendly warning. And the hope of this Commission is, that the cattlemen of the Panhandle, will take this letter in the spirit in which it is intended and will avail themselves with the time that will elapse between now and July 1st, to making arrangements to free their ranges of scab.

Very respectfully submitted,

W. N. Waddett,
Chairman L. S. S. Commission.

Daughters of Confederacy Meet.

A meeting was called Saturday afternoon, May 31, for the purpose of organizing a chapter of the United Daughters of the Confederacy. Mrs. B. S. Arnold was chosen temporary president, Mrs. Gibson, temporary secretary. The ladies present were: Mesdames Dr. Johnson, S. J. Dodson, J. H. Williams, J. J. Gallaber, Collins, B. S. Arnold, Gibson, Sellars, Newson, Will Evants, Green, H. H. Stanley, W. H. Rayzor, Misses Mattie Woodburn, Meda Woodburn, Madolin Green. Permanent organization was discussed, and the following committees were appointed: Committee on nomination of officers, Mrs. W. H. Rayzor, Mrs. J. H. Williams, Miss Mattie Woodburn; Committee on selecting name for Chapter, Mrs. Dodson, Mrs. Sellars, Mrs. Will Evants.

Tuesday, June 3rd, being Jefferson Davis' birthday, it was decided to meet with Mrs. Gibson and give a short program in honor of the anniversary. All persons, who feel interested in the organization of the Chapter here together with the Confederate soldiers of the community, were invited to be present. All present were very enthusiastic and earnestly solicit all ladies of Hereford and vicinity, who are eligible to become members of the United Daughters of the Confederacy, to meet with them and have their names enrolled as charter members. Committee appointed to arrange for program for Tuesday afternoon, Mrs. Gibson and Mrs. Gallaber. Owing to rain the meeting at Mrs. Gibson's was postponed.

The May Festival.

For an evening of social pleasure for young people and their elders, the "May Festival" at Mothers' Park last Friday marks the beginning of what should be enjoyed more frequently in the several small parks of the city. This happy affair was conceived and its details successfully carried out by the members of the Christian Endeavor of the First Christian church, but special credit is due Miss Morgan and her two assistants, Misses Nance and Holzer, who were given the active leadership in planning and carrying out the program. The beautiful little park was electric lighted and the soft, green carpet of blue grass, with the many overhanging branches of the locust and willow, completed in a natural, attractive way the decorations. Tables were placed at convenient spots where social conversation was undisturbed while white capped young lasses served the guests with refreshments of cream, cake and home-made candy. On a convenient piazza of a nearby house, the West Orchestra furnished a pleasurable program of music, interspersed with a few selections by the Curtis Singing Quartette. The guests came and went at their own pleasure, no formalities being observed beyond those due from a well conducted outdoor party. The object of the May Festival was to raise funds to defray the expenses of the Society's delegates to the State Convention at Dallas. This was accomplished. Mr. Kent Jones and Miss Irene Holzer had been chosen as the authorized delegates.

Young Ladies Circle to Meet.

The Martha Taliaferro Circle of the First Christian church will meet next Thursday with Miss Ruth Ricketts. All members are urged to attend. A most interesting program has been arranged.

First Bale of Alfalfa.

The first fruits of the land are being offered. From the Wonderflow Farm, owned by Baskin & Hester, comes the first baled alfalfa of the season. They have some 38 acres, seeded last week in August, 1912, and the yield on the first sowing will easily run one half ton to the acre. When it is known that usually the first clipping in alfalfa countries amount to little, this "clip" is something worthy of notice. The late sowing gave only an indifferent yield, but is in fine shape for a first crop in about 30 days. This alfalfa has been irrigated two times this spring, the last time just previous to the cutting. The weather has been fine for the harvesting and the hay is of extra quality, fetching \$15.00 wholesale. Fallwell & Son bought the entire crop.

W. T. Stanberry, who for the past three years has been business manager and foreman at the Brand office, left yesterday morning for a short visit with his mother at Midlothian, Texas. After this, he will take a responsible position with a printers' supply house in Dallas. Mr. Stanberry is an all-round printer and newspaper man, being able to handle any part of the publishing and printing business from the 10-point case to fine half-tone work on the cylinder and from the paste pot in the rear to the editor's and reporter's desk in the front office. He is an accurate and neat bookkeeper and painstaking in whatever he undertakes to do. He has been with the Brand since January 8, 1909, nearly four and one-half years, a long time for one to serve the needs of any country printing office. He carries with him the best wishes of all the Brand force for a successful career in whatever line in the publishing business he may enter. Since coming to Hereford, he took unto himself a wife, claiming Miss Beulah Stoker of El Paso. Mrs. Stanberry is an accomplished artist in china and after coming to Hereford as Mrs. Stanberry, some three years ago, she has not neglected her work, teaching a number of classes and turning out some very fine pieces for her many friends here and elsewhere. Mr. and Mrs. Stanberry will be missed from the social circles of the city and their many friends regret to have them leave.

BIGGEST RAIN VISITS COUNTY

Oldest Inhabitants Declare Never Saw so Much Water Fall at One Time—Fills Big Lakes

Last Tuesday, after trying to rain for ten days, the clouds turned themselves loose and a regular water spout was the result. At Hereford and immediately surrounding the first shower amounted to five-eighths of an inch. Six miles west of town, the water spout occurred, no one knowing the amount in inches. Ed Short says that from Mrs. Briggs' place to the Mounts' windmill, the water stood from one to two feet deep, not a show of earth being seen on a strip 3 miles wide and 5 miles long. The big lake near Mrs. Briggs' was full, the fence post standing in the middle showing but a few inches above the water. At B. Short's, where the sheep shearers were at work, a regular flood covered the ground, the 2,000 sheep in the pens standing in water "up to their bellies," as Ed Short stated it. The sheep had to be driven out to higher ground to prevent them from drowning. On the Walker-Perkins Farms, four miles west of town, about the same time of day, a big rain fell. The men had just finished irrigating 100 acres of oats, and after a few minutes raining, the whole field was covered. South of town and into Castro county, from which direction the cloud came up, they have had big rains also.

The rains on Tuesday were followed Tuesday night by a slow drizzle and intermittent showers.

Wednesday—Again Wednesday morning about 10 o'clock, another shower fell and to this was added a small amount at night, the entire precipitation measuring at Hereford about one-third of an inch. This added to the first shower runs the total up to 0.95 inches, nearly one inch at Hereford.

Makes Two Tons to the Acre.

From the Frio Farm, owned by the McDonald Company, comes the biggest story of the enormous yield of alfalfa. Those who have seen the field tell with enthusiasm that the alfalfa stands belt high to a six foot man and that the yield will run not less than two tons to the acre. Mr. Brown, who is running the farm for the Company, is delighted with the crop and he expects to get three more cuttings this season, possibly four. With the hay worth not less than \$15 per ton, six tons for the season, will make an irrigated alfalfa farm look like One Hundred and Fifty Dollars per acre to a real farmer.

Mothers' Club.

The Mothers' Club held their regular monthly business meeting with Mrs. Robt. Elliott May 27th, ten members being present. Mothers Park and how to care for it being the chief topic of discussion. Lawn mower was purchased and arrangements made to keep the Park in good condition. Refreshments of sherbet and cake were served. Adjournment was had to meet in social session with Mrs. D. C. Laird, June 10th, at 4 o'clock.

Press Reporter.

Mrs. Odell Elliott, after a few days pleasant visit with her mother, Mrs. L. W. Vaughn, returned to her home in Dallas last Friday.

MONEY TO LOAN ON CATTLE

Young Chicken Fancier.

Hereford can boast of some of the youngest chicken fanciers in Texas. The one we have in mind is George Vivian Stambaugh, age 12, son of Mr. and Mrs. Geo. A. Stambaugh. Vivian not only raises a fancy breed of chickens, Rhode Island Reds, but keeps books against his flock. His books show to a cent what his feed cost, how many eggs were laid each month, how many dozen eggs were sold, the number of chickens sold, and even the amount paid out for advertising, for he believes in it strong. Beginning with January 1st, his books show that he had 65 chickens; June 1, 34 chickens. His hens laid eggs as follows: January, 236; February, 418; March, 504; April, 311; May, 376. His feed bill for

the five months was \$13.90, his advertising bill \$1.05. He sold \$6.85 worth of eggs, \$17.80 worth of chickens. His hens have hatched 45 chickens. We suppose the family table was furnished with eggs during the time, and as he does all of the work of tending the chickens, he should take credit for this. His advertisements in the Brand brought him customers for 10 settings of eggs.

Cardwell Brothers' Reception.

The "Opening" of the new store place by the Cardwell Bros. on last Saturday afternoon was largely attended. From the reception of the first guests to the closing hour the house was crowded. Mr. Carter of the Armour Co., and Mr. Sanders of the National Biscuit Co., assisted in the receiving and serving. The

new store was epic and span, a 1 goods shown being either in glass cases or arranged neatly on the shelves. The Mesdames Cardwells were present and in their gracious way assisted in the entertainment. Other assistants were Misses Mary and Johnnie Bourne and Bessie Snyder, who acted as flower girls, handing out to each woman and girl present a beautiful cape jasmine. In all, some 400 of these popular flowers were given away, and as the men were not presented with flowers, there must have been at least 500 or more visits to the store on the afternoon. The Armour Company and the National Biscuit Company furnished the refreshments, consisting of grape juice and wafers. The prizes offered were given to the following ladies: Mrs. W. J. Gilliland the sack of Albatross flour; Mrs. J. H. Pitman, pound cake; Miss Alma Norton, Armour Star ham.

Sheriff's Sale.

State of Texas,
County of Deaf Smith,
By virtue of an Order of Sale issued out of the Honorable District Court of Deaf Smith County, on the 3rd day of June, 1913, by the Clerk thereof, in the case of J. H. Jackson versus E. School Mass Meeting.
On next Tuesday at 8:30 in the court house the citizens and patrons of the public school will meet for the purpose of discussing questions of importance pertaining to the further growth and efficiency of the school. The trustees urge that a full attendance be had and that a free discussion be given. One of the things to be considered will be the advisability of establishing a domestic science department, adding Spanish to the language course, and making Latin and Spanish optional. Another question which has been publicly discussed in many other places of Texas, which discussions have resulted in good, is that of corporal punishment. This is a matter that should have a free and open consideration.

Sheriff's Sale.

State of Texas,
County of Deaf Smith.
By virtue of an Order of Sale issued out of the Honorable District Court of Randall County, on the 30th day of May, 1913, by the Clerk thereof, in the case of John Rowan versus Albert J. More About the Amendment.
In making up his mind as to how he will vote on the amendment to sections 49 and 52 of Article 3 of the Constitution, the voter must consider the following questions:
1. Is he willing to authorize the state officials to create debts against the state to the amount of a half million dollars, which may be repeated as often as the debt is paid, and which the tax payer must pay?
2. Does he favor the issuing of bonds to build another Agricultural and Mechanical College at Austin in connection with the University?

3. Does he favor giving the Legislature unlimited power to issue any amount of bonds it may see fit for buildings for "other institutions?"
4. Does he believe it good public policy to issue three million dollars worth of bonds for the penitentiary system which in two years has lost two million dollars?
5. Is he willing, as a taxpayer, to pay his share of the seven million dollars worth of bonds which will be immediately demanded of the Legislature should this amendment be adopted?
6. Does he believe it good public

policy for the voter to be forced to vote for seven different propositions, or against all of them, or not vote at all?

How to Kill Grasshoppers.
As there is some alarm regarding the report from Portales, N. M., as to the large number of migrating grasshoppers, Commissioner Ed. R. Cone of Texas sends a bulletin to the Brand and asks that some publication be given to the methods of destroying the pests. The bulletin advises the use of poison baits and the following is recommended:

Wheat bran 40 lbs
Arsenic or Paris Green... 3 to 5 lbs
Sorghum molasses 2 gallons
Water, q. s. to moisten.
Mix well to make pasty mass and drop in rows along the line of march or near fences and weeds. Put the bait out late in the afternoon. Do not put these poison baits where chickens or stock of any kind may get them. If the hoppers begin to attack the fruit trees, wrap a band of burlap containing some cotton around the trunks of the trees, and place a few balls of the bait on the ground near each tree.

PROSPERITY FOR ONE IS PROSPERITY FOR ALL.

By Holland.

If you are a farmer the value of your farm depends on the value of the adjoining farm, and the value of both depends on the value of property in the nearest village or town. Farms near prosperous towns are always more valuable than those near dead or dying settlements. And this is true without regard to the fertility of the soil.

The farmer depends on the town just as the town depends for prosperity on the farmer. Their destinies are interlinked; their interests are common. What hurts one hurts the other. Poor crops will affect the city resident who does not even raise radishes, and depressed business affairs affect the farmer who depends on soil, weather and muscle for his living.

Money sent to mail order houses helps to turn thriving towns into dead hamlets. It thereby depreciates the value of farm land. It decreases the population of the towns that most directly use the products of the farm. It lowers the price for butter and eggs, for chickens and for fruits and vegetables.

So, Mr. Farmer, if you deal with a mail order house in a distant city you are taking a course that takes from the value of your farm, that

Where There's a Farm There Should be a Bell Telephone

The progressive farmer surrounds himself with modern advantages.

He, too, appreciates that convenience ministers to health, happiness, progress and wealth. What does he do?

With other neighbors he starts a Rural Telephone line. Enough said.

Rev. W. M. Baker returned last Saturday from Atlanta where he was a delegate to the General Assembly. In fact, there were three General Assemblies holding at the same time in that city: one of the United Presbyterians, one of the Presbyterian church of the United States of America, and one of the Presbyterian church of the United States. During the day, each body held its separate business session, but at evening, all three bodies met together and discussed subjects of general interest. There were 1,500 authorized delegates and as many more visitors. These with the attendance from the city of Atlanta with its 200,000 population, swelled the crowd in the great auditorium. One interesting feature of the evening sessions was the choir of negro boys and girls, number some 300 voices. They sang some of the Presbyterian hymns and a number of their own chants and melodies, much to the delight of the Southern delegates as well as to the pleasure of their Northern brethren. After the convention adjourned, Mr. Baker visited some of the historic battle fields of the Great War. His trip carried him both going and returning thru Oklahoma, Arkansas, Tennessee and into Georgia. He reports a most pleasant trip and a very profitable session of the Assembly.

E. T. Mooney was in from his ranch yesterday morning and reports little rain, practically none. He wants some of these rain makers to get busy and offers \$100 an inch if they will shower down four inches over his 35 section ranch.

For Sale.

Five room house good as new, good sheds, feed room, buggy shed, chicken house, good well and mill, lot 125x177 feet. Price \$850.00 cash. C. O. Lee. 14ft

Earl Wilson of the Sanitary Barber Shop has recovered from a case of imaginary downanouis. He looks better now.

Jno. W. Dale, Inspector for the Live Stock Sanitary Commission of Texas, with headquarters at Hereford, made a trip to Fort Worth this week to consult with the National and State officials of the two commissions, looking to an active co-operation of the governments in the eradication of the scab in the plains country. He returned last Wednesday night. Mr. Dale has purchased an auto to aid him in his work and as soon as he gets the wild beast tamed, he will mount it, booted and spurred, ready to do the eradication business along the gasoline route. His territory was so wide and extended that a car became a necessity.

R. Roelofs, special emigration agent for the Crosbyton-South Plains Railroad, was in the city yesterday. He went out with the McIntosh Bros. to visit their ranch, two sections of which they lease from Mr. Roelofs. He also owns some valuable Hereford property and though his home is in Pekin, Ill., he always has a good word for Hereford.

If you are constipated begin to take Dr. Miles' Laxative Tablets.

CASH**Four Graduates at Dimmitt.**

Four graduates of the Dimmitt High School were given certificates last Saturday, May 24, when the commencement program was given. The commencement sermon had been preached on the previous Sunday morning by Rev. Hagan of Kress, Texas, the services being held at the Union church. Those making the 1913 class were: Misses Mary Galley, Meta Wagner and Messrs.

Clarence Shepard and Bryan McDonald. The following program was rendered: March and entrance of Class of "1913." Invocation—Rev. Smith. Music, Quartette, "Billows are Rocking." Piano Solo, Anna Schulz, "Polish Dance." Oration, Bryan McDonald, "Graduation."

Music, Duet, Mr. and Mrs. Gollehon.

Oration, Meta Wagner, "Woman" Piano Solo, Mrs. Cleve Tate, "White as Snow."

Music, Male Quartette, "Come Where My Love Lies Dreaming." Oration, Mary Galley, "Historic Trees and Forests."

Music, Mr. and Mrs. Ireland, "Golden Sunset." Oration, Clarence Shepard, "Robert E. Lee."

Music, Mrs. B. D. Woodlee, "Moonlight in the Forest." Presentation of diplomas, Harvey Cash, President of School Board. Benediction.

Miss Millicent Griffith, principal of the school, made a splendid talk at the close of the exercises. This year finished the fourth session for her as head of the school at Dimmitt and the people with one accord are loud in their praise of her work, and each year the patrons declare that they have had the best school yet. Miss Griffith is a successful teacher, both as an instructor and as a disciplinarian. She not only takes her place in the school interests of the town, but she has become closely identified with the social and religious life of the community, her influence for good being an important factor in the town and country. She was tendered the school for as long as she wished to teach.

**Lincoln Floor Finishes**

You can refinish your floors yourself at trifling cost. Just clean the floor thoroughly, let it dry and apply the Lincoln Floor Paint, Lincoln Floor Varnish or Lin-Co-Lac.

It only requires a small amount, the cost is trifling. A quart can will be sufficient to finish 75 square feet of surface, two coats, with a smooth, hard surface that's easy to clean.

Our "Home Painting Jobs" book tells you how to make your old floors like new and how to give pine or softwood floors the durable finish and elegant appearance of expensive hard wood. Ask for it, it's free.

R. H. KEMP**MONEY IN IDEAS**

Bell, Howe, Singer, and other millionaire inventors began life as poor boys. Fortunes await other inventors. Can YOU think of something to patent? America's greatest inventor tells HOW TO INVENT in a booklet sent to you free by COPP & CO., Patent Attorneys, 745 8th St., Washington, D. C. Be sure to name this newspaper in your letter. Ask Editor about cost of Patent.

Days Of Dizziness

Come to Hundreds of
Hereford People.

There are days of dizziness;
Spells of headache, languor, back-ache;
Sometimes rheumatic pains;
Often urinary disorders.
Doan's Kidney Pills are especially for kidney ills.

Endorsed in Hereford by grateful friends and neighbors.

Mrs. J. J. Ward, 111 E. Second St., Hereford, Texas, says: "I am quite cured of my lame back and I am having no more kidney trouble. I got Doan's Kidney Pills from Woodburn & Son's Drug Store and they removed the pain and lameness that had caused my back to be so sensitive. I no longer suffer from dizzy spells nor do I have any further trouble from my kidneys. Nothing ever helped me as much as Doan's Kidney Pills and I feel justified in recommending this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Sheriff's Sale.

State of Texas,
County of Potter,
By virtue of Two Orders of Sale, foreclosing Labors and Attachment liens respectively, issued out of the Honorable County Court of Potter County, on the 6th day of May 1913, by the Clerk thereof, in the case of R. L. Grigsby, No. 1425; for \$457.15 and the other J. R. Frost & Son No. 1430 for \$498.35 and costs, versus Amarillo Broom Corn Company (a corporation) of which A. J. Lundergreen, is vice-president, No. 1425 and 1430, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in June A. D. 1913, it being the 3rd day of said month, before the Court House door of Deaf Smith County, in the city of Hereford, the following described property to-wit:

Section No. 20, block 8, B. S. & F. Survey, in Deaf Smith County, Texas. Section No. 22, Block 8, B. S. & F. Survey in Deaf Smith County, Texas. Section No. 23, Block 8, B. S. & F. Survey, in Deaf Smith County, Texas. Section No. 24, Block 8, B. S. & F. Survey, in Deaf Smith County, Texas, and also Section No. 4, Block H, School land file No. 5837, in said Deaf Smith County, Texas, the said lands are what is now known as the Amarillo Broom Corn Company's Broom Corn Farm, and partly so cultivated in 1912. All or so much of said land as may be necessary to satisfy the two Orders of Sale, executing and costs will be sold. Each section will be offered and sold separately. Said sale will be made for cash to the highest bidder.

Levied on the 7th day of May, 1913 as the property of the said Amarillo Broom Corn Company to satisfy two judgments amounting to \$998.50 in favor of R. L. Grigsby and J. R. Frost & Son and cost of suit.

Given under my hand, this Tuesday, 13th day of May 1913.

Surprising Cure of Stomach Trouble.

When you have trouble with your stomach or chronic constipation, don't imagine that your case is beyond help just because your doctor fails to give you relief. Mrs. G. Stangle, Plainfield, N. J., writes, "For over a month past I have been troubled with my stomach. Everything I ate upset it terribly. One of Chamberlain's advertising booklets came to me. After reading a few of the letters from people who had been cured by Chamberlain's Tablets, I decided to try them. I have taken nearly three-fourths of a package of them and can now eat almost everything that I want." For sale by all dealers.—Advertisement.

BROOKLYN TABERNACLE

BIBLE STUDY ON
MERCY IS BETTER THAN SACRIFICE.

Genesis 45:1-46:7—June 8.
 "Behold, how good and how pleasant it is for brethren to dwell together in unity!"—Psalm 133:1.

WHEN Joseph beheld how changed were his brethren, he sympathized with them. When he saw that their hearts went back to their wrong course in his own case, and that they realized Divine disapproval and were sorry, he pitied them. He wished, however, that the disclosure of his identity should not be witnessed by the Egyptians. So, after he had ordered all the Egyptians to leave the room, he made himself known, saying, "I am Joseph, whom ye sold into Egypt."
 We can well imagine the consternation of the brethren. But Joseph, full of true sympathy and pity, hastened to set them at ease. He did not even chide them for their wrongdoing, realizing that sin had already brought its punishment. Alas, how few Christians under similar circumstances would have been so noble! How beautifully Joseph typified Christ and His Spirit! How evidently our creeds of the Dark Ages misled us when they taught us to believe that all the Jews, brethren of Christ, were to be eternally tormented because they crucified Jesus! In the better light now shining from one page of the Bible to another, God's people see that Messiah purposes that Israel shall obtain Divine mercy and forgiveness, in the Millennial Kingdom.

Instead of their being punished with an eternity of torture, the Lord will be gracious to them. As He declares, "I will pour upon them the spirit of grace and of supplication." How beautiful, and how much in harmony with our typical lesson of today! Joseph's ten brethren apparently typified Israel, as the Egyptians typified the Gentiles, as Benjamin typified the Great Company, and as Joseph typified the Messianic class, the Elect, of whom Jesus is the Head, and the overcoming Church the Body.

Joseph Was Long Misunderstood.
 Joseph's brethren failed to understand him—so great, was the difference between their characters and his. Even after they had become more sympathetic and tender-hearted, they had still a sufficiency of bitterness of spirit and of animosity that, had they been in Joseph's place, they would have seen that somehow or other future punishments would have been meted out. They were, therefore, surprised by Joseph's words of brotherly kindness and sympathy, and unable to believe that he meant it. They concluded that he was dealing graciously with them for his father's sake.

So we find, years afterward, these ten brethren were in trepidation lest Joseph should wreak vengeance upon them after that Jacob had died. They went to him, asking for a continuance of his forgiveness. But Joseph comforted them, and spoke kindly unto them.—Genesis, 50:19-21.

Jacob in Egypt.
 Joseph had planned that for the five remaining years of the famine, at least, his father Jacob and indeed the entire family should come into Egypt. He thought of the district styled Goshen as very suitable for them, being a cattle-grazing locality. Pharaoh gave full consent, and suggested that Egyptian wagons be sent to fetch Jacob and the women and children.

Joseph prepared delicacies for the journey and little presents, indicative of his love. He sent a special message to his father, and urged haste in coming into Egypt. Then he kissed them all goodbye, saying:

"Fall Not Out by the Way."
 Evidently Joseph was a keen observer of human nature. Many would have thought it unnecessary to caution the brethren against disputes amongst themselves under all the circumstances. Many would have said, "They will be so overjoyed that love will prevail amongst them, and no disputes." The contrary, however, is often true. When prosperity comes, there are opportunities to feel more or less envy and selfishness.

Well, it is that God's people should accept Joseph's words, "See that ye fall not out one with another by the way." It is the way planned for us by the Lord. It is a narrow, difficult way, full of adversities to the flesh, and trials and tests to the spirit. Proportionately, there should be love and sympathy, co-operation and helpfulness.

The words of the Psalmist, used as our Golden Text, were evidently prophetically written of the Church, the Lord's brethren. The Psalmist compares this unity of the brethren, the Church, to the precious ointment poured upon the head of the king and of the high priest on their induction into office. This anointing oil evidently typified the Holy Spirit. The priest typified the Royal Priest—Jesus the Head, and the Church His Body. The anointing of the Holy Spirit has continued, and gives an unction to all of His true members. By this anointing these may be recognized as one with Christ.

THE GOLDEN AGE AT HAND.

Scriptural Evidences That Are Astonishing—No One Can Afford to Be Without the Knowledge.
 We do our friends a valuable service when we call their attention to the valuable book entitled, "THE TIME IS AT HAND," in which are given many Scriptural evidences to prove where we are on the stream of time.

"Men's hearts are failing them for fear" and many of the leading thinkers are proposing remedies to better conditions. The Scriptures assure us that man's extremity will be God's opportunity, and this book holds out an anchor to those who fear the wave of unrest now spreading over the world.

The honest heart confesses that it is at a loss for an explanation of transpiring events. While we refer to this as the BRAIN AGE and the AGE of ENLIGHTENMENT, nevertheless many realize that we are fast approaching a crisis which is wrapped in darkness owing to the present worldwide social, religious and political unrest.

Send 25 cents at once for the book. Bible and Tract Society, 17 Hicks Street, Brooklyn, N. Y.

Every Body Reads At Night

But in order to make your reading both a pleasure and a profit, a suitable light is a necessity. The pine-knot of Lincoln or the tallow-dip of our fathers served their purpose but, now, even an oil lamp is clearly out of date. Be comfortable while you read. There's no unpleasant odors and practically no heat from an electric light. **WE ARE READY TO "WIRE" YOUR HOUSE.**

Hereford Electric Light and Power Company.

PRETTY TABLE LINEN

Nicely laundered pleases the ladies. Our method of washing and ironing flat work such as table clothes, napkins, sheets, pillow slips, towels, tea towels, etc., is very satisfactory and the price is not much in comparison with doing it yourself, paying for fuel and other supplies necessary, an occasional doctor bill, and the work so much nicer. Why not you give us a trial. We have many customers we are pleasing, and to whom we can refer you. We are well prepared to handle this work for you and we are sure a trial will convince. Our wagon is out every day and we can call any time. Phone us. **HEREFORD STEAM LAUNDRY.**

Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was not taken down, until March, when I went to bed and had to have a doctor. He did all he could for me, but I got no better. I hurt all over, and I could not rest. At last, I tried Cardui, and soon I began to improve. Now I am in very good health, and able to do all my housework."

TAKE CARDUI The Woman's Tonic

You may wonder why Cardui is so successful, after other remedies have failed. The answer is that Cardui is successful, because it is composed of scientific ingredients, that act curatively on the womanly system. It is a medicine for women, and for women only. It builds, strengthens, and restores weak and ailing women, to health and happiness.

If you suffer like Mrs. Fincher did, take Cardui. It will surely do for you, what it did for her. At all druggists.

Parrott Paragraphs.

Left from last week.

We are hoping for more rain. The work in the fields has been stopped in some places because of the lack of moisture.

We had a very pleasant meeting at Sunday school last Sunday. Through the kindness of Mr. Black of Hereford Mrs. Ricketts brought us new song books. There was an unanimous vote of thanks given by the Sunday school to Mr. Black for the gift, and if he knew that we sang until our throats were hoarse, he would know how they were appreciated.

It was our great pleasure to be at the commencement exercises at Dimmitt. There was a large representation from here, for we have a double interest in the class, one of the members being one of our own girls, Meta Wagner, and another, Clarence Shepard, the brother of our Miss Dora. All the young people did so well and the music was good. We all especially enjoyed the selection by Mr. and Mrs. Ireland, it being so very beautiful and unusual. Miss Griffith's talk was one of the charming features of the evening. Her gift in talking is quite equal to her ability in teaching, the latter being so beautifully appreciated by the good people of Dimmitt. One of the strong points in her wonderful power in this line is her ability to instill in her pupils her own splendid enthusiasm, having turned out some very fine teachers. We know of this, having had one of them ourselves this year, Miss Dora Shepard.

Ethel and Waldo Jennings and Miss Davis took a picnic supper with Miss Fannie Neely last Wednesday and spent the evening in listening to the Victor.

Mesdames Ricketts and High called at Miss Neely's Thursday to talk over children's day program.

Mrs. Jennings and Ethel spent Friday with Mrs. Hacker and Hazel.

It was a pleasure to have our former superintendent, Tom Shepard, with us Sunday. Tom is at home for a week from Plainview where he is studying for the ministry in the Methodist college. He returns to summer school. We hear some very fine reports of the good work that he is doing there. Jack.

MRS. WM. ARCHER

Tells Mothers What To Do For Delicate Children.

"My fourteen-year-old daughter was very thin and delicate. She had a bad cough so that I became very much alarmed about her health. She was nervous and did not sleep well, had very little appetite and doctors did not help her. Having heard so much about Vinol, I decided to give it a trial. It has helped her wonderfully. She can sleep all night now without coughing once; in fact, her cough is gone. Her appetite is greatly improved and she has gained in weight. Vinol is a wonderful medicine, and I will always keep it in the house. I wish every mother knew what Vinol will do for delicate children." Mrs. Wm. Archer, 223 Broadway, Long Branch, N. J.

This delicious cod liver and iron preparation without oil is a wonderful body-builder and strength-creator for both young and old. We promise to give back your money in every such case where Vinol does not benefit. This shows our faith in Vinol. The Corner Drug Store, Stocking & McLean, Props., Hereford, Tex. (Adv.)

Corner Drug Store

HEALTHY LIVER

MAKES BEAUTY

Famous Actress Finds that a Healthy Liver is Necessary to Good Looks and Youthfulness.

One of the best known women of the American stage is writing a series of articles on the preservation of beauty. She attaches great importance to keeping the liver active at all times, and she is right. Neither good looks nor happiness will stay long with any man or woman who lets the liver get lazy and sluggish.

It is not always safe to take calomel, the old liver remedy. Doctors agree that it is a very uncertain drug. But Betts-Clark drug-store has a remedy for sale that they guarantee to take the place of calomel absolutely, and still be harmless, causing no restriction of habit or diet. This remedy is Dodson's Liver Tone.

Dodson's Liver Tone is a pleasant-tasting vegetable liquid, but it starts the liver gently and surely and relieves constipation and biliousness so promptly that it has become a dependable remedy in thousands of homes in the United States. There are scores of families in this vicinity who will not be without it in house and who would not think of starting on a trip without a bottle of it. Betts-Clark has sold so much Dodson's Liver Tone that they are convinced of its merit and will give any person his 50 cents back, who buys a bottle and does not find that it takes the place of calomel to perfection.

Two More Bessimers Installed.

The arrival of two more big Bessimer engines, one for the Green well, the other for the Dunn well, adds two more quarter sections of land to the irrigated fields around Hereford. These engines are a part of the equipment furnished in contracts by the McDonald Company, who pioneered the irrigation projects at Hereford, and who were the first to discover the wonderful underground supply in the South Plains.

For Insurance that insures, see C. O. Lee. 28tf

Resolutions of Respect.

The committee appointed to draft suitable resolutions upon the death of Bro. L. McBride, who was a member of No. 232, Iowa, report as follows:

Whereas, our Supreme Architect has seen fit in his all-wise dispensation to call from labor our beloved brother, L. McBride, who departed this life May 16th, 1913, and

Whereas, we mourn the loss of our deceased brother, and believe and know that our Fraternity has lost a faithful member, therefore be it resolved that we, as members of the Masonic Fraternity, bow in humble submission to the will of our heavenly Father and extend to our deceased brother's family our heartfelt sympathy, and

Be it further resolved, that a copy of these resolutions be sent to the family of our deceased brother, a copy published in the Hereford Brand a newspaper, and a copy spread on the minutes of the records of our order.

Done by order of Hereford Lodge, No. 849, A. F. & A. M.,

Jno. E. Ferguson,
Committee
H. B. Webb,
A. L. Gibson.

Put One Eye Out.

I suffered from a skin disease for 36 years, and about six months ago it attacked one of my eyes and put it out. After it was too late, I got a box of Hunt's Cure and began to use it, and I must say that it is the best remedy I have used in 36 years, and I believe it will cure any skin eruption. P. H. Chaney, 18-4t
Caney, La.

Colorado in Hereford.

The Edwards-McDonald Company had a number of Colorado folks in this week looking over the different irrigation projects. They said that this country presented the most attractive arguments to the irrigating farmer than even Colorado—the fine, smooth sections of land; the extra quality soil, and the good sunshine, (and the Colorado folks ought to know what water, soil and sunshine means.)

We may not be the nearest to you, but we will come the nearest pleasing you. Betts & Clark. 14tf

Song, Dear Little Stranger—Helen Lambert, Gladys Hicks, Mary Hicks, Rosa May Carl, Mattie Mounts.

BIG SURPRISE TO MANY IN HEREFORD.

Local people are surprised at the QUICK results received from simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, the German appendicitis remedy. Betts & Clark, druggists, states that this simple remedy antiseptizes the digestive system and draws off the impurities so thoroughly that A SINGLE DOSE relieves sour stomach, gas on the stomach and constipation INSTANTLY.

Walter Bennett had his head greatly disfigured the other day when one of the boys in the Sanitary Barber Shop turned loose the sheering machine.

Manager of Railroad Cured of Eczema by Hunt's Cure.

At one time I had a very bad case of Eczema. It troubled me for seven or eight years, and, although I tried all kinds of medicine and several doctors, I got no relief until I used Hunt's Cure. I used several boxes, and it finally cured me, and I have always kept a box with me for fear it will come back.

A. D. Goodenough,
General Manager Lida Valley Railway Co., Goldfield, Nev.
