

The Bench Warmer

The Whiteface Herd came out of the Canyon fracas Saturday night victorious but somewhat battered. Coach Stanton has a fine collection of stiff necks, backs, and legs as a result of one of the hardest fought grid battles of the year.

Tackles Simmons and Kimbrough, who played a hard-charging aggressive game that had a lot to do with those wide gaps in the Eagle line, were among the casualties. Kimbrough was knocked out temporarily during the game, but got back in harness before the final whistle. Simmons got it "in the neck" literally in the last minute of play and turned up after the game with a painfully stiff neck.

Feddle Close, who made what the Benchwarmer considers the hardest tackle of the year when he stopped Wright's touchdown trek in the last period, is also sporting a stiff neck. It was after getting his head jammed down somewhere in the region of his breast bone. Feddle, who specialized in stopping scoring threats Saturday night, was out cold for several minutes after the famous tackle, but came back in time to scoop up another Eagle touchdown pass in the closing minutes of the game.

Whitaker was also among the casualties, and has a badly bruised hip. None of the injuries appear to be serious, however, and the Herd should have a bit of a breather against Dimmitt this week-end before tangling with Tulla's double-tough Hornets on the 15th.

On the brighter side: Dyer, the (Continued on Page 8)

## Whitefaces Whip Canyon Eagles 24-12 In Crucial District Game

### Blackhawks Look Like Champs Again in District 2-A Race

### Blackhawks Beat Rangers to Take District 2 Lead

PERRYTON, Nov. 2.—The Phillips Blackhawks, defending champions in District 2-A, took over the district lead Friday night after a hard-fought grid battle with the Perryton Rangers.

The Blackhawks won a 13-7 decision after a fourth quarter drive, which started on the Hawks' own 25 yard line, wound up in pay territory to break a 7-7 deadlock.

Phillips held a 7-0 lead at the half after Earl Jackson had wound up a 50-yard scoring drive in the second period by crashing over from the 5.

The Rangers came back strong in the third period and tied it up at 7-all after Raymond Powell had intercepted a Blackhawk pass by John Eldridge and run the pigskin back to the Hawks' 19 yard line. Powell scored three plays later, and Keith Flowers converted to tie the count.

The Blackhawks outgained the Rangers 83 yards to 68 in the seesaw battle in which powerful forward walls on both sides highlighted the play.

The Blackhawks outgained the Rangers 83 yards to 68 in the seesaw battle in which powerful forward walls on both sides highlighted the play.

Try a Want Ad!

The Phillips Blackhawks, perennial champions in District 2-A and current holders of the Regional title, are apparently about to do it again—at least, as far as their district race is concerned.

The Hawks have toppled Panhandle and Perryton, their chief challengers, taking each game by a single touchdown, and have the weak end of their schedule remaining.

The White Deer Bucks are the next victims on the Phillips schedule, and should prove easy meat for the Blackhawks Friday night. Canadian's fighting Wildcats will furnish the prey for the district finale on November 15, and while the Wildcats are expected to put up a scrap, the Phillips eleven should win in a walk.

The Blackhawks will meet the District 1-A champions in the bi-district tiff again this year. The Hawks won a bitter 14-14 decision on penetrations from the Hereford Whitefaces in bi-district play last year, and the Whiteface team is out in front in its own district race at this writing and eager for another chance at the Regional Champs.

Panhandle and Perryton will get together this week-end to settle the second place argument in District 2-A, with an outside chance at the title at stake in event of a Phillips collapse.

Canadian has an open date. The Blackhawks have lost only one game this year, and that to the Class AA Quanah eleven by a single touchdown.

The Hawks have specialized in close decisions this year, winning from Panhandle 19-14 in a last-minute rally, and again last week from Perryton 13-7 with the same sort of come-back performance.

### Tech's Raiders Will Meet New Mexico Lobos

LUBBOCK, Nov. 4.—The Texas Tech Red Raiders will be decided favorites to defeat the New Mexico Lobos when the latter team invades the Tech campus Nov. 9 for Tech's second Border conference encounter.

The Raiders, who took a 41-6 shellacking from Rice University last Saturday, will be out to renew their victory string at the Lobo's expense next Saturday.

Both teams, apparently, will be near top shape physically for the game, each team, however, (Continued on Page 8)

## SPORTS

### Whitefaces Take Lead in Race For District Title Saturday

### Dalhart Defeats Dimmitt Bobcats On Friday Night

The Dalhart Wolves won their first victory of the season Friday night at Dalhart, trimming the Dimmitt Bobcats 19-6 in a District 1-A conference game.

It was a clear-cut victory for the Wolf pack. The Wolves ran up a total of 12 first downs to three for the Bobcats, and made five penetrations, counting on three of them.

The Wolves scored early in the second period after a 70-yard downfield power drive led by Martin and Mansker, with Mansker scoring the touchdown and running end for the conversion.

The Pack scored again late in the period after the Bobcats fumbled a punt on their own 35 yard line. Martin was credited with the score.

The Bobcats scored shortly after the half after a long punt return from midfield to the ten-yard line. A flat zone pass accounted for the Bobcats lone touchdown.

(Continued on Page 8)

Hereford's Whitefaces are riding the crest of the wave this week after toppling the Canyon Eagles from the undefeated brackets Saturday night in the District 1-A championship scramble.

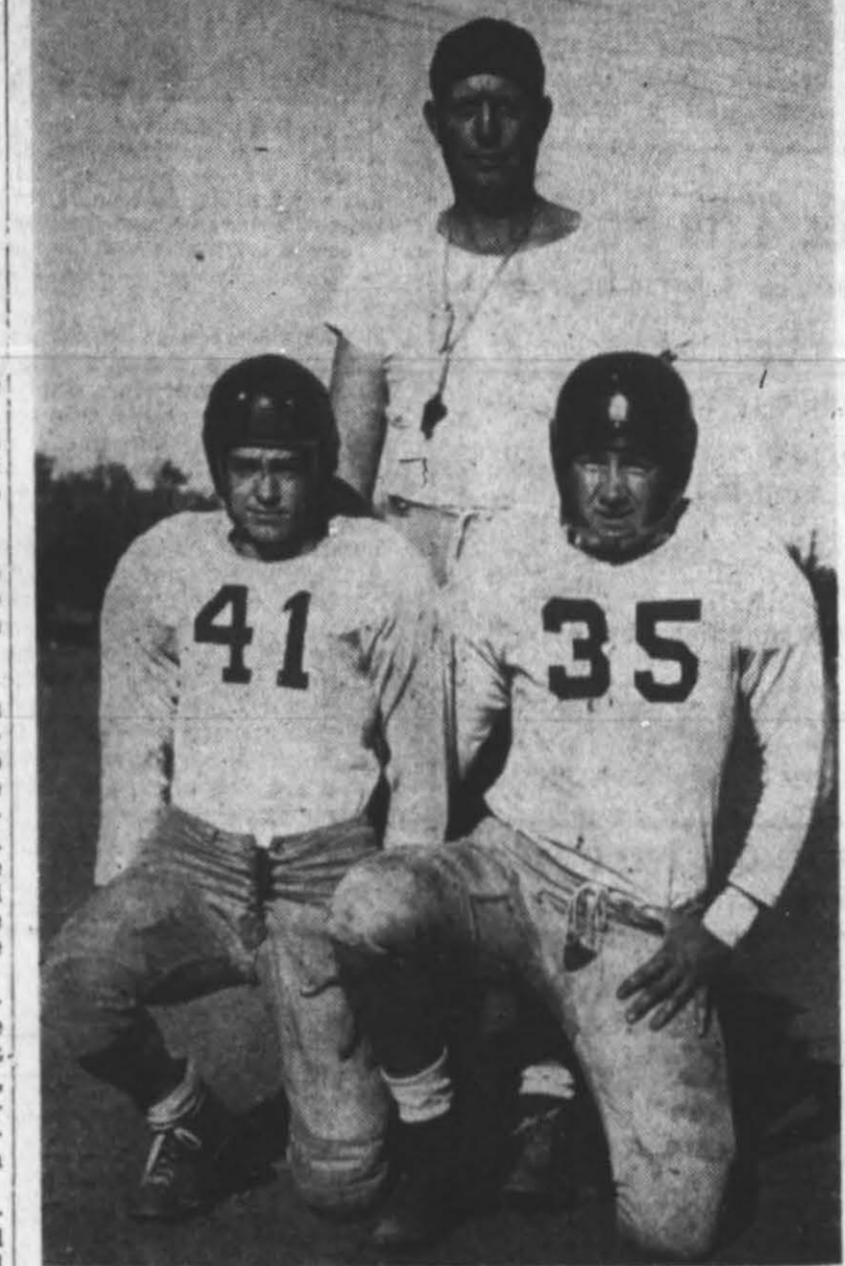

However, Coach H. V. Stanton's charges aren't wrapping up any silver cups yet, with the dangerous Tulla Hornets still on the schedule.

Tulla, defeated only by Canyon in district competition, faces Dalhart this week-end at Dalhart, and are strong favorites to take the hapless Wolves. The Whitefaces play Dimmitt's Bobcats, and should win handily. The Eagles end their conference season Friday at Dumas, and may have trouble with Eddie Williams speedy Demons, but are doped to win.

Unless there are some startling upsets this week-end, the District Championship will be at stake on November 15 at Tulla, when the Hornets and Whitefaces tangle in the final conference game of the season for both teams.

A Tulla win at that point, provided the three leaders are all victorious this week-end, would toss the district into a three-way tie; and under the new district (Continued on Page 8)

Whitefaces Clip These Eagle Wings

The Canyon Eagles' twin-terrors, co-captains Billy Abbott (41) and Charles Wright (35), found the going tough against the powerful Whiteface line last Saturday night.

### 3,000 Fans at Buff Stadium Witness Game

A crowd of 3,000 fans thronged Buffalo Stadium in Canyon Saturday night to see the Hereford Whitefaces down a fighting Canyon Eagle team 24 to 12 and take a commanding lead in the District 1-A championship race.

The Whitefaces scored three times in the first quarter to put the game on ice, but the scrappy Eagle eleven, paced by big Charles Wright, was in the ball game all the way.

The game was packed with thrills for a record crowd which turned out to fill the West Texas State College stadium to near capacity.

The fireworks started with the opening gun, when big Jim Worrell, Whiteface fullback, took the Eagle kick-off on his own 5 yard line and, behind perfect blocking by his teammates, sped 95 yards down the sidelines to score.

Still groggy from the fast opening punch, the Eagles started a fast comeback, advanced the ball to the midfield mark, then fumbled on the Hereford 43 yard line where Worrell recovered for the Herd. Freddie Close took the pigskin on the first play, crashed off tackle and raced 57 yards through the stunned Eagle secondary to score standing up. Both attempted conversions failed, but with barely two minutes of the game gone by, the (Continued on Page 8)

### Stockmen Warned Exercise Caution In Use of DDT

Owners of farm animals and domestic pets were admonished today to exercise at least "ordinary caution" when they use DDT to protect their animals against insects and parasites.

Although federal regulations do not require that DDT be labeled "poison," but only with the word "caution," the American Foundation for Animal Health recommended a conservative policy in use of the new insecticide, especially around milk cows.

"Because cattle and cats engage in the practice of licking their coats, they are probably more likely than other animals to suffer toxic effects from DDT sprayed or powdered on their bodies," the American Foundation warned.

Further, it is known that DDT, when consumed in excess, is excreted in the milk of cows. It appears unlikely that a cow would absorb enough to poison the milk, but there is much yet to be learned on this potential hazard. In the meantime, the cautious use of DDT is recom-

mended.

Farmers were advised to use DDT only in a water solution or powdered form when applying it direct to animals. Only solutions of the insecticide are absorbed through the skin to a degree that might prove dangerous.

Possibility of chronic poisoning from day-to-day contact with DDT seems to be causing veterinarians more concern than the chance of acute poisoning from a single large dose, the American Foundation reported. Accumulations of the drug in an animal's body have been blamed for loss of weight, nervousness and convulsions.

### Veterans Can Get Certificates for Surplus Buying

AMARILLO, (Special)—Veterans throughout the Panhandle area who have not previously applied to War Assets Administration for the necessary certification to participate in surplus property disposals will have two days Wednesday and Thursday, Nov. 13 and 14, during which WAA field representatives will be in Amarillo.

Doyle Smith and James L. Adkins from the Fort Worth WAA regional office will be at the Old Library building, 6th and Taylor Sts. each day from 9 to 12 and 1 to 5 in the interests of veterans of this area who seek to be certified or desire current information on surplus property available in coming sales.

Smith stated that with two huge "site sales" nearing open-

ing dates, one at Fort Worth Quartermaster Depot later this month and another at Camp Bowie, near Brownwood, early in December, veterans seeking to exercise their priority buying rights at those sales should apply for certification now. Presentation of an honorable discharge at the time of making application is the only requirement. Smith added that a number of veterans who had desired to buy at the recent "site sale" at Pantex Ordnance Plant had been disappointed, since no certification is done at "site sales."

The two WAA men will make a return visit to Amarillo Nov. 25-26 but Smith stated that applications not made until then would be too late to get the certificate in time.

Mr. and Mrs. E. B. Hedrick have returned from a ten day trip to Dallas, Palestine and Tyler. In Palestine they visited with her daughter and family, Mr. and Mrs. Lamar Hamilton, and in Tyler they were guests of her sister, Mrs. Archie Malloy.

It's time-tested, home-proved... the best-known home remedy for relieving miseries of children's colds. **VICK'S VAPORUB**

### Two Hereford Girls Are Candidates for "Sweater Queen" at West Texas State

Eleven candidates for "Sweater Queen" at West Texas State College are pictured here. Co-eds in the photos are, top row, left to right, Fern Cunningham, LaNelle Ekelund, Avis Harbour, Katherine Hester, Winnie Fred Hessins, and June Russell Malone. Bottom row, left to right, Billene Moseley, Mary Ruth Russell of Hereford, Jassie Wolfe, Helen Jo Wilson of Hereford, and Norma Zachery. Photos courtesy of The Prairie, West Texas State campus newspaper.

### Texas USO Drive Gets Off to Good Start Says Chief

Lead by Nolan County, believed first in the nation to raise its quota in the USO campaign, the Lone Star State may soon have an addition to its long list of Texas "brags," Col. Carl L. Phinney, state chairman of the Texas USO campaign, said in Dallas this week.

The opening day of the Texas USO campaign, October 2, Nolan County's Chairman Irving Loeb of Sweetwater announced his county had "gone over the top." Most counties did not make their appeals until the second or third week in October.

Soon after, Brown County opened its campaign, and within a few days Rev. Edward P. Harrison of Brownwood reported his county had followed Nolan's example. Hopkins County under Chairman R. D. Sanders was the third to reach its goal.

The list of communities which have subscribed their quotas in the Texas USO campaign is growing daily, Colonel Phinney said. Eight counties had reported successfully completing their campaigns, by the first of the week.

"We feel sure Texas will lead the way in this important project," Colonel Phinney said. "The people in the Lone Star State will not forget the men still overseas, the Purple Heart veterans in hospitals or our kid brothers now beginning training. Texans are seeing it through with USO."

Nearly all of Texas' 254 counties are organized, but Colonel Phinney urged the citizens of the remaining communities to offer their support for this worthy cause.

"We cannot fail to answer the appeals of General Eisenhower, Admiral Nimitz and General Bradley. These men know what our servicemen and veterans need—and they need the services of the USO for another year," said the state campaign chairman.

### Texas Tech Professor Predicts Drop in Farm Prices in Next Few Months

LUBBOCK, Nov. 5.—A sharp but temporary drop in agricultural prices within the next few months is foreseen by Prof. E. L. McBride, head of the department of agricultural economics

at Texas Technological College. This temporary break will probably last only about a year, and will be followed by an economic adjustment period when prices will rise again for several years, McBride predicted, to be followed by a real and serious economic depression.

The national income has increased about 250 per cent since 1939, he pointed out, while agricultural production has increased only 25 per cent and industrial production has risen about 65 per cent. National buying power so far exceeds the number of goods available, that prices have risen entirely too high. The approaching trend back to normalcy will cause a

### Future of Texas Depends on School Says Teacher Group

The future of Texas depends upon continued education of its boys and girls and upon the efficiency of its public school system. The one great public school system of the State now faces its greatest crisis.

Thousands of highly trained and experienced teachers—both men and women—have left the teaching profession during the past few years for more attractive and better paying jobs.

The outlook for the teaching profession is so dark that few boys and girls are entering teacher training.

Inadequate pay is the cause of this acute shortage of teachers and the shortage will grow more acute unless something is done immediately to make teaching more attractive as a life work.

The Teachers Welfare Association has been organized to carry on an educational campaign throughout the State to inform parents and school patrons of these conditions. The public school system must be saved. The future of Texas depends on it. Dr. Joe Harris, Secretary and

spokesman for the association, has said: The alarming conditions now faced by the rural schools, with more than 17 per cent of the teaching jobs in country schools unfilled and more than 12 per cent of all teaching jobs in the State vacant, is due entirely to the inadequate pay for teachers. The pay of the average teacher in Texas

is less than \$100.00 a month. The untrained day laborer earns more. Even lawn mowing is more profitable than teaching. Texas must do something for its teachers immediately if the public school system is to be saved.

Whiskey has wrecked more homes than water has wrecked ships.

## The Western Trail

By COL. JACK POTTER  
Clayton, New Mexico

Trail Driver, Statesman, Storyteller and Author of "Lead Stars" and other Southwestern books

Of the three great trails along which longhorn cattle were pointed out of Texas to market a thousand to two thousand miles away, the Western Trail came into existence last. The shifting settlements of Texas and Kansas were pushing back east to reservations in present Oklahoma, and ranchmen in need of herds were taking the ranges that they and the buffalo had left.

The Western Trail, sometimes called the Fort Griffin and Dodge City Trail because its herds touched at those two points on the frontiers of Texas and Kansas, was laid out in 1876. The earlier Texas Trail, that merged with the Chisholm Trail in Oklahoma, was giving too much trouble to the nestors along its course. Cowmen in South Texas came up by San Antonio and out through the Hill Country, where we were ranching, prospecting a course and squaring on a right of way. They got it.

In the late seventies we were driving tens of thousands of longhorn cattle up this trail from the great breeding grounds of Texas. With a crew of cowboys, a cook and a horse

wrangler to handle our remuda, we poked along some ten to twelve miles a day, with the thousands of longhorns always headed, every step of the way, straight towards Dodge City, notorious "cowboy capital of the world."

We forgot our worries in the rip-snorting village of Fort Griffin, and refilled our chuck wagon with frijoles, bacon and dried fruit at Doan's Store, on Red River. We bargained for peace with the Comanche Indians as we crossed Indian Territory with a generous gift of our bosses' beavers. We swam the Canadian in flood, crossed the hot dry sands of the Cimarron, and washed our woad away when we "belled up" to the boys in Dodge. From there we drove the herds that stocked the West all the way from the Black Hills of the Dakotas to the headwaters of the Missouri. We settled half a world without knowing it, and we had a barrel of fun.

But the settlers and barbed wire caught us. They closed Kansas to these wild longhorns and the wilder boys who drove them by rigid quarantine. Within about ten years the Western Trail was done. Already, in the late eighties, we could tell that the country was getting crowded, and we packed our beds, and cut our mounts, and drifted farther west, where at least we still had room to bend our elbows and "blow" about the wonders of the Western Trail.

## Double Barreled ACTION

- 1. Catalytic Processing for Cold Weather Power!
- 2. Winter Blending for Quick Starts!

Action-packed TRAIL MASTER Gasoline, proven by hard summer usage, is even better for cold weather. It is super-charged with extra, added amounts of Natural Gasoline. In your car, truck or tractor motor this means QUICK STARTS and FAST WARM-UPS plus the amazing power and money-saving mileage assured by modern Catalytic Processing!

# Garden Club Tea Is Miniature Flower Show

One of the prettiest affairs of the season was the Garden Club silver-tea given at the home of Mr. and Mrs. Jim Black Thursday afternoon when all the enchantment of early fall seemed gathered into the entertaining rooms with the artistic arrangements of well chosen flowers. Its chrysanthemum time again, and a miniature "chrysanthemum show" that cannot be surpassed with hot-house varieties, was presented through the efforts of Garden Club members, a serious minded group of flower-lovers, who had produced the gorgeous array of blossoms in their backyard flower-gardens.

The lovely exhibition of flowers in decoration not only represented ability in growing and developing the flowers but was significant in a display of talent in arrangements.

In the reception hall arrangements were made by Mrs. Jim Lipscomb and Mrs. Will S. Kerr who used bronze chrysanthemums in line arrangements. On the mantel was a mixed bouquet in different types to emphasize line and color and on the hered table Heidelberg bronze formed a large bouquet to blend with the dark wood tones of the paneled wall. Autumn leaves and fringed mums decorated the coffee table. In the living room classed arrangements of large and small yellow and gold chrysanthemums were arranged by Mrs. Liston Wilson.

Of special interest was the dining room and tea table, done by Mrs. J.P. Slaton and Mrs. F. H. Oberthier. Pale yellow Ambassador and golden Mrs. Kidder chrysanthemums were featured entirely with heavy old-fashioned cut-glass containers, picked up in the candlelight to reflect in the silver services.

The table was laid with white damask featured garlands of trailing ivy and small blossoms centering the table's length and across its width. Four yellow candles formed a square about the centerpiece of yellow and gold, flanked by high arrangements. Mesdames Slaton, O. G. Hill and C. C. Ferguson presided

at the silver tea service alternately, during the afternoon. Massed arrangements with tapers adorned the buffet and china cabinet.

In the bedroom where guests registered Pink Chief and Indianapolis Pink blossoms were used to harmonize with furniture and draperies which were in orchid and green. Exquisite in color and form, the Pink Chief arrangements on the mantel highlighted the decorations, with a line arrangement of Greer Garsons on the registration table, done by Mrs. Will S. Kerr. Other arrangements in the bedroom were done by Mrs. Dennis Barnard and Mrs. Robert Wagener.

Members of the house party wore corsages fashioned from flowers in their own gardens and the spider type (Mamoru) worn by Mrs. John P. Slaton received much comment.

The tea was planned by the finance committee of the club which includes Mrs. Jim Black and Mrs. Will S. Kerr. In the receiving line were members of the social committee including: Mrs. John Jacobsen Jr., president, Mrs. Dennis Barnard, Mrs. Robert Wagener, Mrs. Roy Crutchfield, and Mrs. Lyle Blanton.

Mrs. Harry Seed was in charge of the program. Musical numbers were given by Mrs. A. C. Barsom, Jim Worrell, Reba Dones, Barbara Burney and Pat-Sy Slagle, vocalists, Mrs. Norman Harris, violinist, and Helen McGilvary and Mrs. Harry Seed, pianists. Mrs. Seed also served as accompanist and Cecelia Guseman entertained with readings.

**PLEDGES SOCIETY**

LUBBOCK, Oct. 31.—Victor R. Jury, son of Mrs. A. E. Jury of Hereford was recently pledged to Socii, men's social club, at Texas Technological College.

Mr. and Mrs. Wilbur Parkerson Kramer of Franklin, La. arrived Saturday for a visit here in the home of her sister, Mrs. Travis Dameron.

## SOCIETY

MRS. JOHN McLEAN, Society Editor Phone 181

### Edna Wilhelm-Forrest A. Marnell Are Wed in Catholic Church Ceremony

Miss Edna Wilhelm became the bride of Forrest Marnell Tuesday morning at 8 o'clock at St. Anthony's Catholic Church here. The bride is the daughter of Mr. and Mrs. Frank Wilhelm Jr., and the bridegroom is the son of Mr. and Mrs. Walter Marnell.

Rev. Father Albert Heald S.A. read the double-ring marriage service in the church where cathedral tapers and white chrysanthemums formed the decorations. The aisle was marked by white flowers linked together with chartreuse and fuchsia satin ribbon. Mrs. Henry Wilhelm, and Mrs. Joe Warren, aunt of the bride, gave the wedding music.

The bride's only attendant was her sister Florence and the bridegroom's twin-brother, Anthony, served as best man. Leora, sister of the bride carried the rings on a white satin pillow.

Three uncles of the bride, John, Tom and Joe Warren, and the bridegroom's brother, Richard, were ushers with Harry Wilhelm and Tommy Wilhelm, brother and cousin of the bride, as servers at the altar.

The bridesmaid wore a fuschia sheer crepe made with full sleeve and square neck. A short peplum of lace fell over the long full skirt which ended in a short train. Her flowers were white carnations. The ring bearer wore chartreuse crepe and both wore half-hats with feather trim matching their dresses.

The bride wore white made with close-fitting neckline with a deep sheer yoke, long fitted bodice and tunic peplum. The long full skirt featured a short train in back. Her lace-edged, fingertip-veil of illusion fell from a crown of seed pearls and her prayer book, which was her something old, was topped with gardenias. A borrowed necklace and a blue handkerchief carried out bridal traditions.

At eight o'clock in the evening a reception honoring the couple, was held at the home of the bride's parents. The bride's table held a three-tiered wedding cake with Mrs. Bill Warren, Mrs. Joe Warren and Mrs. Henry Wilhelm presiding. A dance at the clubhouse followed the reception.

The bride is a graduate of Hereford High School and graduated from St. Anthony's School of Nursing in Amarillo last June. She has been employed at the

**Arline Millard In Major-Minor Club**

LUBBOCK, Nov. 4.—Arline Millard, daughter of Mr. and Mrs. George Millard of Hereford was recently elected reporter for the Major-Minor Club at Texas Technological College.

The Major-Minor Club is a departmental organization for women who major or minor in physical education.

**Coterie Club Meets**

A table of guests were entertained with members of the Coterie Club when Mrs. Geo. V. Stambaugh was hostess at her home Friday afternoon. Mrs. N. E. Milburn played high for the score award. Players including members and guests were Mesdames: Grant Fuller, Howard Gault, Lee Benefield, Frank Cogdell, Kellar Muse, N. E. Milburn, Clyde Cave and the hostess.

**Club Party Given**

Justaskrd Club members were entertained in the home of Mrs. Frank Cogdell at a club party on Wednesday afternoon last week. Mrs. Troy Moore was a special guest. At the conclusion of games Mrs. Jas. W. Witherspoon received the high score prize and Mrs. Troy Moore was awarded the second high prize.

Members present were Mesdames: Geo. V. Stambaugh, C.J. Crump, Grant Fuller, N. E. Milburn, Kellar Muse, Jas. W. Witherspoon, Frances Maxfield, and the hostess.

Mr. and Mrs. Sam Bratton and daughters, Sammy Jane and Bobby Sue of Lubbock and their daughter, Mrs. Tom Hilburn of Littlefield, spent the weekend here with Mr. and Mrs. O. G. Hill Jr. Mrs. Hill is the daughter of Mr. and Mrs. Bratton.

Deaf Smith County Hospital since October 1. Mr. Marnell attended Hereford schools and served in the U. S. Army for 3 years and 10 months with 33 months overseas duty in the European Theater of War. He has been employed at Cogdell Motor Company since his discharge in September 1945.

### Prof Had Nothing Under His Hat!

LUBBOCK, Nov. 5.—This is the story of an irate professor, a fun-loving class, and a hat.

The professor, who teaches English at Texas Technological College, pondered long over means to encourage his class to wait for him although he habitually arrived late. Finally he decided to leave his hat in the room where he expected to lecture, and informed his students, "Whenever my hat is here, I am here too. And you must, absolutely must, wait for me."

The next time he came in late he found a quiet classroom, absolutely empty of students. But on each desk he found—a hat!

### Onias Carroll's Father Injured

Onias Carroll was notified last week that his father W. A. Carroll of Borger, was injured when he fell in an open ditch left by city workers, while returning home after dark.

The injured man suffered a broken left shoulder and minor bruises and his condition at present is reported as "fairly good."

**WILL MAKE HOME HERE**

Mr. and Mrs. Ernest Medkief, former residents of Hereford, who have been living in Folsom, N. Mex. for the past several years, have returned to Hereford to make their home. They have purchased the farm home of Dr. and Mrs. J. W. Hendrix who have moved to Lubbock.

Peggy Barnard, student at Texas Technological College, Lubbock spent the weekend here with her parents, Mr. and Mrs. Dennis Barnard. With her was her roommate, Carolyn Hooker of Dallas.

College students home the past weekend to visit their parents were Dennis Lomas, son of Mr. and Mrs. Harry Lomas, Clifton Cox, son of Mr. and Mrs. C.C. Cox, and Reuben McGilvary, son of Mr. and Mrs. R. C. McGilvary. The three are roommates at Technological College, Lubbock.

Veterans who are eligible under the G. I. Bill of Rights, may enter training immediately at the Technical Institute of the Fort Worth Public Schools, in Machine Shop Practice, Aircraft Mechanics, Air conditioning, Refrigeration, Auto Body Fender Repairs and Refinishing, Welding—Electric and Acetylene, and many other vocations in which there are now openings.

Veterans enrolling must present their discharge and separation papers upon entrance. Veterans writing in should address mail to Technical Institute, 600 Park Street, Fort Worth 6, Texas.

**FAMILY REUNION**

Mrs. Joe Evans attended a reunion of her family held in Amarillo Sunday at the home of her sister, Mrs. Scott Ford.

Others attending were Mrs. Aline Christian and Mrs. Arma Waite of Georgetown, Mr. and Mrs. Herbert Wilkes and family of Happy, Mr. and Mrs. Marcus Ford of Bivins, Mr. and Mrs. Fred Mulkey and son of Ashtola.

Corinne Ford of Ft. Worth, and father, whom the get-together B. J. Mulkey, father and grand-honored.

# Free-Wheeling Whitefaces Roll Over Canyon 24-12 at Buffalo Stadium on Saturday Night

**PLAY-BY-PLAY**  
First Quarter  
The Whitefaces win the toss and elect to receive, defending the north goal. Worrell takes the kick-off on his own 5 yard line, picks up good blocking, and runs the length of the field down

**Starts Relief in 6 Seconds from All 6 usual Cold Miseries**  
COLD PREPARATION TABLETS OR LIQUID  
666  
Caution: Take only as directed

the west sideline to score. The kick for point is low, and the Herd leads 6-0 in the first 30 seconds of play.  
Worrell kicks off for the Herd, the ball going to McDuff on the Eagle 10, and he gets back to the 26 yard line. Bailey goes around his own left end for 6 yards to the 35, and Wright hits tackle for 5 yards and a first down on the 41. Abbott smashes off tackle for 2, and the Herd draws a 5 yard penalty for off-side on the next play. Abbott's pass is incomplete. Wright smashes off

tackle to the Hereford 43 and fumbles, Worrell recovering for the Whitefaces.  
On the first play, Close takes the ball on the Herd's famous off-tackle touchdown play, goes through the stunned Eagle secondary and into a clear field to score. Worrell's kick for point is again wide, and the Herd leads 12-0. (Owens goes in at Center for Dyer).  
Worrell's kick-off is low, takes a bad hop over Wright's head. The Canyon speed merchant goes back to the 5 yard line to pick up the ball, and races out to the 33 before he is tackled by Millard, getting good interference on the return. Wright hits tackle for 3 yards, and is stopped hard by Lueb and Kimbrough. Wright picks up 2 at tackle, then runs into his own interference and loses a yard. Worrell's kick is blocked by Lueb and Higgins, and goes out of bounds on the Eagle 20, where the Herd takes over.

## One-Legged Guard

Being minus his left leg doesn't keep 15-year-old Billy Stewart in the background. The Murphysboro, Ill., lad is shown on his high school football field, where he plays defensive guard wearing an artificial leg. He's going to try for basketball and discus throwing.

Worrell passes, and Abbott intercepts on the Canyon 25, getting back to the 30.  
Wright fails to gain at center. Bailey is stopped by Higgins for no gain at end. Bailey goes off tackle for 5. The Eagles kick out of bounds on the Hereford 33.  
Worrell is stopped for no gain at end, and Whitaker is stopped cold at tackle. Close smashes off tackle for 7 yards to the 40. Worrell kicks to Bailey, who takes the ball on his own 15, gets back to the 31. (Hennington goes in for Whitaker in the Whiteface backfield).

Canyon draws a 5 yard penalty (backfield in motion). Abbott hits guard for 5 yards. Abbott passes, and Close almost intercepts on the 45. Interference is ruled on the play, and the Eagles take a first down on their own 45 yard line. Abbott, attempting to pass, is dropped on the 38 for a 7 yard loss. Abbott again drops back to pass, is smothered by Higgins, Kimbrough, Simmons and Lueb for an 8 yard loss. Kimbrough is hurt on the play and leaves the game. Bobby Owens coming in. Abbott rounds end behind perfect interference, and gets down to the Hereford 43 where he is pulled down from behind by Lueb. Abbott's pass is almost intercepted by Worrell and Close and drops incomplete. Abbott passes again, high and incomplete. Bailey, on a double reverse which completely baffles the Whiteface defense, rounds left end and runs 43 yards to score standing up. Abbott's kick is wide, and the score stands, Hereford 18, Canyon 6.

The Eagles kick off, Worrell taking the ball on his own 30 and getting back to the 43. Rogers laterals to Whitaker for a 6 yard gain as the half ends.  
**Third Quarter**  
The Whitefaces kick off, the ball going to McDuff on the 5 yard line and he runs it back to the 38. Wright goes off tackle for 7 yards, runs over his own interference and goes down on the 45. Wright hits guard for 1 and Bailey, on a quarterback sneak, picks up 2 and a first down on the Canyon 49. Wright, on a lateral from Abbott, goes through tackle for 5. Abbott picks up a yard at center. Bailey, on a reverse, goes over tackle for 2. Wright smashes off tackle for a 1st down on the Hereford 41. Bailey, on a reverse, fails to gain. Bailey rounds end for 8 yards, is stopped on the 33. Abbott's pass, intended for Bailey, is incomplete. Abbott goes off tackle, fumbles, and Woods recovers for the Eagles on the 26 yard line for a first down. Abbott goes through tackle for 3 yards to the Hereford 17, a yard short of first down. Wright throws a pass which is intercepted by Close on the 19 yard

line.  
Close hits guard for a yard. Worrell makes 9 at center, but a penalty is called and Hereford is penalized 5 yards (off side). Close cuts through tackle and into a clear field, is finally pulled down on the Eagles' 25 yard line after a 60 yard run. Close picks up 2 at center, and Whitaker goes off tackle for 8 yards and a first down on the Canyon 15. Worrell crashes through guard for 8 yards. Whitaker fails to gain at center. Worrell hits center for 3 yards and a first down on the Eagles' three yard line. Whitaker goes off tackle for the score. Worrell's kick is wide, and the Herd leads, 24 to 6, as the period ends.

**Fourth Quarter**  
The Whitefaces kick off, Wright taking the ball near his own goal line and getting back to the Canyon 41 before he is stopped. Wright goes off tackle for 2 yards, and Abbott, taking a lateral, drops the ball and recovers back on the 32 yard line. Wright cuts off tackle and gets loose for 22 yards, making a first down on the Hereford 48, where Close makes the tackle. Abbott, on a double reverse, goes off tackle for 5 and Wright picks up another five yards and a first down on the Hereford 38. Canyon draws a 5 yard penalty (off side). Wright rounds right end for 5 yards. Abbott goes off tackle, gets away from half a dozen Whiteface tacklers, and goes down to the Hereford 14 yard line. Bailey, on a double reverse, gets by the end for 3 yards. Whitaker is hurt on the play, and leaves the field, Hennington coming in at halfback for the Herd. Abbott rounds end for a yard, and is stopped on the 10 by Hennington. Abbott, rounding end, is stopped by Close in one of the hardest tackles of the game. Close is hurt and is carried from the field, Donald Wilson going in at halfback. Abbott crashes off tackle to score from the 10 yard line. The Eagles' kick is blocked, and the score stands, Hereford 24, Canyon 12.

The Eagles kick off to Worrell on the 10 yard line, and he gets back to the 38. Rogers, on a quarterback sneak, picks up 5 yards. Hereford is penalized 15 yards for holding, and the Whitefaces have the ball on their own 25 yard line. Rogers passes to Lueb, who drops the ball. Hennington loses a yard. Hennington cuts off tackle and gets loose to the Canyon 35 yard line, a 40 yard run, but the Whitefaces are off side and the play is called back. Worrell kicks, Bailey taking the ball on his own 30 and getting back to the 48 where he is run out of bounds.  
(Close comes back into the game, relieving Wilson).  
Abbott's pass to Bailey is incomplete. Abbott fades to pass again, tries to run, and is stopped for no gain. Wright goes off tackle for 8. Abbott passes, and Close intercepts on the Hereford 34 yard line.

Hennington picks up 2 at guard. Worrell goes off tackle for 7, and Hennington smashes through tackle and down to the Canyon 33 yard line, where he is pulled down by Abbott and Bailey. Close hits guard for 2, and Worrell goes through guard for 2 yards. Hennington rounds left end for 13 yards to the Canyon 15 yard line as the game ends.  
Final score: Hereford 24, Canyon 12.

When there is a screw loose in the head it is usually the one that controls the tongue.  
**Be Quick To Treat Bronchitis**  
Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.  
Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.  
No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

## Forces of Attraction Hold the Moon "Up" in the Sky....and OIL-PLATE Your Engine!

THE moon isn't really "up" in the sky, but it is held from flying off into space by gravitational attraction between it and the earth.

Through tireless explorations in realms of molecular attraction, Conoco chemists have been able to bring America the benefits of new and better oils. In fact, by employing the force of molecular attraction they are able to bond a special ingredient in Conoco N<sup>th</sup> motor oil to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

- added protection during the vital periods when you first start your engine
- added protection from corrosive action when your engine is not in use
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why you'd be safer to OIL-PLATE your engine now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

**The Bench Warmer**

Bill Rutherford of the Moore County News (Dumas) in reporting the Dumas-Hereford football game, questions some decisions by the officials on three plays—and since at least one of these caused some confusion among local fans, perhaps fuller explanations are in order. "Tough decisions," the Dumas scribe reports, "included one that allowed a Hereford touchdown to stand on a play on which Hereford drew a clipping penalty. The referee imposed the yardage on the play following the kick-off when nothing in the rule book implies that such a penalty does not nullify the gain made on the

play." The play in question was the first touchdown of the game, when Freddie Close ran 47 yards for a score. A penalty (holding, not clipping) was called on a Hereford player in the down-field rush—after the touchdown had scored, according to Referee C. D. Holmes. Since the ball carrier had already crossed the goal line when the infraction occurred, the Whitefaces were penalized on the following kick-off, the next legal play on which a penalty could be assessed. The herd was set back 15 yards on the kick-off. This was the explanation made by Referee Holmes to the Benchwarmer at the half-time break, and Holmes is a man who knows his football rules.

The other "bad decisions" described by the Dumas reporter were "failure to call interference on a coffin corner pass and a questionable slow whistle on Close's touchdown jaunt." The rule citing "interference with a pass receiver" is a tough one.

**County Home Demonstration Council Holds Business Meeting Saturday**

The County Council of Deaf Smith County Home Demonstration Clubs met Saturday, October 26, at the county courtroom.

At the business session, Mrs. V. F. Walker was elected reporter for the county to the Texas Home Demonstration Association.

Mrs. Clarence Hollabaugh delivered the final marketing report on Fruits.

Plans were made for the annual Christmas party, which will be a tea. Mesdames Fullwood, DeHart, Hawks, and Williams were named to the Decorations Committee; Mesdames Traveek, Springer, Wilde, Fortenberry, and Hollabaugh will serve on the Refreshments committee; Mrs. Horace Hershey will serve on the Invitations committee, and Mrs. Dodson is program chairman.

The new and old council members will meet at the home of the County Home Demonstration Agent, Miss Sadie Lee Oliver, on November 23 for a covered dish luncheon and business meeting. Miss Doris Leggett, District Home Demonstration Agent, has been invited to attend. Annual reports will be delivered at the business session.

The County Home Demonstration Agent will attend a District meeting at Pampa on November 20, 21, and 22.

Present at the Council Meeting last Saturday were Mesdames Melin Kaul of Westway; Jack Fortenberry of Bippus; Clarence Fortenberry and Ronald Matthews of South Hereford; Earl DeHart, R. A. Fullwood, and Frank Wilde of North Hereford; Paul Metcalf of Heilselman; W. A. Springer of Prio; Curtis Traveek of Wyche, and Horace Hershey of Progressive.

**MARKETS**

Easy trends showed up on most farm products at southwest markets last week, reports USDA's Production and Marketing Administration. Oats and barley had about the only strength. Livestock prices started to level off followed by sharp cotton losses and steady declines in sorghums, poultry and eggs plus an easy undertone on most vegetables.

Cotton rallied late last week after markets closed Wednesday to allow the trade to recuperate from a loss of \$22.50 a bale during the first part of the week. Prices in general dropped about 4 to 5 cents per pound below the previous week's close but were about 7 cents above last year. Demand for cotton was slack because of the unsettled market. Farmers held nearly all current ginnings and took steps to put more cotton under government loan.

Oats and barley were up about two or three cents a bushel last Friday compared to the previous week's quotations, wheat held

steadily, but corn and sorghums started down grade. Sorghums dropped about 40 cents a hundred from the previous week's close.

Rice markets were active with supplies scarce and all prices at OPA ceilings. Peanuts gained ground too with the end of price control on peanut oil.

Southwest egg and poultry markets reported weaker prices and dull demand for most of foreings last week. Trade was

**IMPORTANT!**

All material available will be sold to HH Priority Holders (CPA-4386, NHA 14-56) from November 13-Nov. 19 (Exclusive of Saturday and Sunday). Each HH Priority Holder, whether he be a veteran exercising an HH Priority to build his own home, a contractor exercising an HH Priority to build a specific home for a veteran, or a contractor procuring materials under an HH Priority to construct homes for resale to veterans—may offer to purchase only sufficient material to complete construction of one five-room dwelling (Approximately 10MFB) regardless of the number of HH Priority certificates held. If the supply of material exceeds the demand, the War Assets Administration reserves the right during this period to allocate the remaining material proportionately among those certificate holders desiring additional material.

After the close of the five-day period of sale, any remaining material will be offered to established sellers of building material, who certify to War Assets Administration (at the time of purchase) that the material purchased will be publicly offered for sale, without delay, and will be disposed of only to eligible priority holders. No restrictions will be placed on the amount of a purchase after the five days shown above.

Purchasers are requested not to bring trucks on the opening date of the sale. Deliveries will be scheduled to begin 9:00 A. M., Nov. 14. Terms and conditions of sale: The standard conditions of sale are hereby specifically amended and the property listed herein is offered on an "AS IS, WHERE IS BASIS." All sales are subject to the standard conditions of sale of War Assets Administration except where by special conditions as outlined above are at variance therewith.

# Veterans Heirs May Be Eligible for Social Security Monthly Benefits

Even though the veteran never had a social security account number card, and even though he never worked on a job covered by the Social Security Act, survivors of any World War II veteran who has died since his discharge may be eligible now for payments under the Social Security Act.

The new section of the Act provides for the payment of monthly benefits to qualified survivors of veterans who die within three years after their honorable discharge from service and whose dependents are not qualified to receive compensation or pension from the Veterans' Administration. National Service Life Insurance payments to survivors are not considered as compensation or pension from the Veterans' Administration.

**ATTENTION, MOTHERS!** If looking for a better remedy for Children's Chest Colds try Durban's No-Mo-Rub, the new Oculoc-Coughor treatment. Remember—double the purchase price refunded if you do not find this Modern Chest Rub more effective—35c and 60c at

# Cranberries Vacuumed Off the Vine

Inventor Anton Lenari tests his new mechanical cranberry picker at Hanson, Mass., in the area which produces 75 per cent of the nation's crop. The picker works like a vacuum cleaner; berries are sucked through a rubber hose held near the vines and conveyed into a container lined with rubber to prevent bruising. The machine, developed in collaboration with the U. S. Rubber Co., is said to pick cleaner and faster than hand work, and does not damage buds of the next crop.

# Whitefaces Take ...

(Continued from Page 1)  
rules, the Hornets would probably be selected to represent District 1-A in the bi-district tussle.  
The Whitefaces, counting on no miracles, are pointing for the Tulla game with everything in the book.  
Last week-end the Hornets rolled easily to a 24-0 victory over the Friona Chieftains, the district doormats this year; and Dalhart's re-juvenated Wolves, now under the direction of upt. V. D. Armstrong, deserted the T-formation for the single wing and won their first victory of the season over Dimmitt's Bobcats, 19-6. The Dumas Demons went out of conference to defeat the District 2-A Whitedeer Bucks 18-13.

# Whitefaces Whip ...

(Continued from page 1)  
Whitefaces led 12 to 0.  
The third Hereford counter came midway in the first period after Luebs and Higgins had crashed into to block Wright's attempted punt on the Canyon 35, with the ball going out of bounds back on the 20. From this point, Worrell smashed through the Eagle line to score in three plays. Again the herd failed to convert, Worrell's pass being slapped down by Bailey, and the Whitefaces led 18-0.  
The Eagles came back in the second quarter, staved off a Whiteface threat when Abbott intercepted Worrell's pass on the Eagle 25, and scored late in the period when Lee Bailey, 132 pound Eagle quarterback, took the ball on a tricky double reverse which completely confused the Whiteface defense and sped 43 yards downfield to score. Abbott's kick was wide, and the herd led 18-6 at the half.  
Another Eagle threat in the third period was broken up by Freddie Close when he intercepted Wright's pass down on the Hereford 19 yard line. Two plays later, Close cut through tackle and was loose for 60 yards to the Canyon 25 to set up the final Hereford score. Whitaker and Worrell collaborated to carry the ball down to the 3 yard marker, where Whitaker crashed through to score. Again the herd failed to convert, and led 24-6 as the quarter ended.

The Eagles, still fighting desperately, launched a major attack as the fourth quarter opened with Wright carrying the ball on a pair of long runs to set up the counter. Abbott crashed over for the touchdown from the 10-yard stripe, but the Eagles failed to convert and trailed 12-24.  
Close made another interception late in the final quarter to break up an Eagle drive on the Hereford 34 and the herd started another touchdown drive which was halted by the final whistle on the Eagle 15 yard line. Hennington made two major contributions to the closing march in the form of sparkling broken-field running, once for 40 yards, again for 13.  
The Hereford victory put the herd squarely in the driver's seat in the District 1-A championship race as the only team now undefeated in district competition. With two games left to play, the Whitefaces must still meet the Tulla Hornets, defeated only by Canyon, and the Dimmitt Bobcats, defeated by practically everybody.
