

The Hereford Brand

TUESDAYS—TWICE-A-WEEK—FRIDAYS

32nd YEAR, NO. 66.

HEREFORD, DEAF SMITH COUNTY, TEXAS, FRIDAY, SEPT. 8, 1922.

OUTLOOK IS VERY ROSY FOR SCHOOL

PLANT IS OVERHAULED AND TEACHING IS STRENGTHENED
STRONG FACULTY

List Completed Although Some Shifts May be Made at Times

Hereford schools will open Monday, Sept. 11, under conditions which point to the best year in their history. Extensive improvements at both buildings, new equipment, and the addition to the faculty of two members, can mean only one thing—increased efficiency.

The problem of insufficient room, perhaps the greatest handicap to the work of the past two years, has it is thought, been adequately met by the placing of two additional rooms in the basement of the Central building. The rooms are commodious, well lighted and sanitary and will be occupied by the two second grades. The board feels that this change will be of two-fold advantage as all the little folks will have to be placed on the first floor and room furnished, as well, for the two seventh grades. The transferring of these grades will relieve the congestion at the high school and supply class rooms for the two new high school teachers.

The change necessitated the removal of the toilets and the construction of outside toilets. These, however, are connected with the building with entrance from the basement so as to avoid exposure to the weather.

The heating plant at the Central building has been thoroughly repaired and the board has been assured that it is now in condition to supply ample heat even in extreme weather and to require a minimum amount of coal; the walls in several of the rooms and halls have been refinished, floors and desks made sanitary and presentable, and all text-books have been fumigated; the playground equipment has been repaired and supplemented by the addition of two "kiddy-planes."

At the high school building, the janitor has been busy since the first of the month putting the grounds in order and thoroughly cleaning and disinfecting each room. A neat fence and shelters for horses have been added since last year; electrical cooking apparatus for the domestic science department has succeeded the gas plant which has been practically worn out for years and which gave no service at all the latter part of last year; laboratory

L. I. Garton Gets Nice Promotion in Santa Fe Service

L. I. Garton, station agent for the Santa Fe for the past six years at Hereford, received notice this week that he has been promoted to Transportation Inspector with headquarters at Clovis. Mr. Garton's new work will begin September 8. However, he will not leave Hereford until the day after the Stubbs' cattle sale. Mr. Garton's new field will extend from Amarillo to Belin and south from Clovis to Roswell and Pecos. Relief agent L. D. Lewis out of Amarillo, will take charge of the Hereford office until a regular man is selected.

Mr. Garton entered the employ of the Santa Fe in 1906 at Roswell and has been with them continuously since. The promotion carries with it a substantial increase in salary and puts him directly in line for further promotion. Mr. Garton has made an enviable record as agent here and his loss will be much regretted, while at the same time his scores of friends rejoice with him in his good fortune.

HELP THE SCOUTS BY BOOSTING HERE-FORD WITH AUTOS

The Boy Scouts are again working on the sale of the auto car signs. Not all of the original supply has been disposed of yet and, strange as it may seem, some of those who purchased them have not put them on their cars. These signs were ordered as a patriotic advertisement, are neat and attractive, and any car owner ought to be proud to have one on his machine.

The boys are selling them for the

Kiddie Chicken for Burbank

The Corn and Garden Club boy and girl winners of California at Petaluma recently posed in a living tribute to Luther Burbank, the plant wizard, who was out to greet them. Their grouping built up the monster chicken, as shown in the photograph.

Firemen Offer a Classy Program On Monday Night

As announced on last Monday night, the Hereford Firemen will stage another Fracas on Monday night, September 11, beginning at 8:00 o'clock, for the entertainment of the big crowd of visiting cattlemen expected here for the Stubbs Sale and for the benefit of the Firemen's treasury. The Hereford Band will cooperate by furnishing music for the occasion. It is believed the card to be offered will be very pleasing.

It is announced that the entertainment will consist of twenty-three rounds of sparring. The preliminary will be three rounds between Pierce and Red Alban, both of whom made such excellent showings last Monday. Then comes two ten round, no decision sparring matches between out-of-town men who come highly recommender for skill. The first match will bring together Jimmy O'Dare, Eureka, Kansas, and Kid Kansas, Little Rock, Ark., 118 pounds. The last number will see Geo. Osborne, Gatesville, Texas, 165 pounds, opposed to Leo Chase, Tulsa, Okla., 160 pounds.

A good, clean, snappy sparring exhibition is planned for the entertainment of the visitors and local boxing fans and the committee in charge believes it will meet with the approbation of all who witness it.

Presbyterian Revival Will Close On Next Sunday

The Presbyterian revival will close with next Sunday night's service. The double daily meetings have been very well attended and the preaching and music have been all that could be asked for. Rev. Webb has made a wonderful impression on the religious life of the community and his works here will live after his departure, say those in close touch with the inside workings of the revival. The public is urged to aid in winding up the meeting successfully by their attendance at the morning and night services for the balance of this week.

NEBRASKA GIRL IS NEW RESIDENT; IS PASTOR'S RELATIVE

Miss Olga Evers, of Thayer, Nebraska, reached Hereford Wednesday morning. Miss Evers is a relative of Rev. and Mrs. Evers, and will make her home with them. Miss Evers will enter the high school for the coming school year.

REV. MCKENZIE OF SPRINGLAKE BACK FROM DALLAS TRIP

Rev. H. S. McKenzie, pastor of the Springlake Congregational Church, reached Hereford Thursday morning from Dallas, where he had charge of the Central Congregational Church for

South West Trail Meeting at Woodward on Sept. 14

Secretary W. A. Palmer of the South West Trail, Canadian, Texas, advises the Hereford Chamber of Commerce that there will be a joint meeting of the Wichita-Canadian and Canadian-Clovis divisions of this route at Woodward, Okla., on Thursday night, September 14. Joe L. Pope, former editor of the Amarillo News, is now secretary of the Woodward Chamber of Commerce and will entertain the delegates.

It has not yet been definitely determined whether Hereford can be represented or not but delegates will be sent if possible.

FINE SAMPLES OF WHEAT GATHERED FOR EXHIBITION

Three samples of wheat were brought to the McDonald-Baskin office Thursday afternoon. D. G. and O. C. Axtell, both of Springlake, brought in half bushel samples of Kanred wheat, while J. G. Cleaveling of the Springlake district, 18 miles south of Dimmitt, just across the line in Lamb Co., delivered some Black Hull wheat that tested 64 and made 15 bushels to the acre. The Kanred made about 25 bushels to the acres. The wheat will go to Hutchinson, Kansas, to the State Fair, Sept. 19-20, and then to Wichita, to the International Wheat Show, Sept. 25-October 7.

Harrison's Hogs Are Winners at Randall Co. Fair

Hereford has long been famous for its cattle and its irrigation system, but there is rapidly arising on the horizon a rival for a place in the sun of the local economic standbys.

Hereford's hogs are already beginning to take rank with the best the country over and there is rarely a fair or an exhibition held on the Plains that the local porkers are not heard from.

On Thursday, at the Randall County Fair, the Duroc Jersey hogs of E. W. Harrison made the competition sit up and take notice. Mr. Harrison captured first prize for Junior yearling hogs with his herd boar, Sensation Type. This boar was also declared grand champion of the show. He also won first on Junior boar pigs, third on Junior litter, and fourth on Junior boar pigs. The competition was keen and there were some of the finest animals to be found anywhere in the pen.

Mr. Harrison was accompanied to Canyon by Dr. and Mrs. D. E. Turpeine and Mattie Lou, David and Wesley Harrison. He was preparing to ship the hogs on to the Childress Fair Friday.

Cotton Luncheon Called For Next Thursday, Sept. 14

A joint luncheon by members of the Hereford Realtors Board, the Hereford Chamber of Commerce, and all residents of this community interested in the future development of this section, whether affiliated with any organization or not, is being planned for next Thursday at noon, at the Stockmen's Cafe. The regular Monday luncheon was postponed until that time owing to the Stubbs Cattle Sale which will tax the capacity of the local restaurants on Monday and Tuesday.

The principal subject to be discussed at this luncheon will be the planting and ginning of cotton on a commercial scale in this trade territory. President J. E. Hill of the Realtors has made arrangements with J. L. Bain of Clarendon, county judge-elect of Donley county, to be here Thursday and discuss this matter. Mr. Bain is an experienced cotton man, a student of the industry, thoroughly familiar with this country, and is able clearly and forcibly to tell why he believes the Plains country of Texas is the best potential cotton district in the south.

Other short talks along the line of cotton raising, ginning and marketing will be made. Any man interested in the subject has a cordial invitation to come to Hereford next Thursday and attend this meeting.

Cotton has been raised in this country for several years, in small patches, and at one time there was a gin here. The gin was a success, the only trouble being that there was not enough acreage to make it a paying proposition. Thinking men of this section this year are coming together on the idea of securing the acreage in the future and adding to the wonderful resources of this section this economic keystone of agricultural prosperity.

Men Who Will Run Grain Growers, Inc.

The complete reorganization of the U. S. Grain Growers, Inc., has been made. E. H. Cunningham of Cresco, Ia., secretary of the Iowa Farm Bureau, was elected president of the Board of Directors and chairman of the Executive Committee. J. F. Reed of St. Paul, president of Minnesota Farm Bureau and R. A. Cowles of Bloomington, Ill., are the other members of the executive committee.

LIGHTNING CAUSE OF THREE PRAIRIE FIRES WEDNESDAY

Lightning is said to have been the cause of three prairie fires in the northwest and western portions of the county last Wednesday afternoon. One fire was south of Adrian, another north of the Rock Island, and the third west of Hereford above Bovina. The extent and damage done was not ascertained, although the areas were said to have been small in each instance.

MRS. M. F. DALTON AND FAMILY MOVE TO LONG BEACH

Mrs. M. F. Dalton and daughter, Maude, and son, Carl, left Hereford for Long Beach, California Thursday morning. The Dalton family will make their home in California for the coming winter. Mrs. Dalton has two brothers in Long Beach.

AUCTION OF 2800 CATTLE SEPT. 11-12

STUBBS LAND & CATTLE CO. PLANS GIGANTIC DISPERSAL

SOME SALE RING

Big Tent and Plenty of Accommodations for Large Crowds

What is said to be the largest auction sale of the kind ever attempted in the United States is scheduled for the stock yards at Hereford on next Monday and Tuesday, September 11-12, when the Stubbs Land & Cattle Company propose to auction off 2,800 head of full blood, non-registered Hereford cattle, including 900 cows, 400 heifer calves, 575 bull calves, 900 yearling heifers, 300 two-year-old heifers, and sixty registered Hereford bulls. In addition, the sale will include 200 two-year-old steers and 300 yearling steers of the well known Stubbs quality.

For days Arthur Lawrence, local manager, and his crews have been busy getting ready for the huge undertaking. Additional pens have been constructed at the Santa Fe stock pens and a huge tent erected nearby which houses a sale ring 120x90 feet. Seals for nearly 1,000 are already provided and more will be in place by Monday. The cattle will be driven from the pens into the ring by the carload and the sale will be made in car lots. The ladies of the Baptist church will serve dinner on the ground for the convenience of the crowd.

This sale has been nationally advertised and buyers are expected from all over the country. Fearing that the local hotels would be unable to accommodate the crowds Mr. Lawrence advertised in "The Brand" for rooms, and now has a nice list to be held in reserve for any overflow. E. H. Pugsley, sales manager, and secretary of the Stubbs company, is on the ground, as is Governor Stubbs himself. Other officials of the company are expected Sunday. Cattlemen who came in Friday were J. E. Southard, Comiskey, Kansas, Mr. Niles, St. Louis, and Pat Zandergh of Amarillo.

The sale will begin in the forenoon Monday and continue through Tuesday. Colonels Fred Reppert and P. M. Gross will be the auctioneers.

Hereford Band to Enter Contest at Amarillo, Sept. 20

The Hereford Band has definitely decided to enter the contest to be staged by the Payhender-Plains Chamber of Commerce, at Amarillo September 19-20. Bands from the recognized Plains country only will be entered. A cash prize of \$250 has been offered for the winner and the Hereford boys will work hard to annex it. They are much encouraged after their victory at Plainview and are working hard to perfect themselves for the Amarillo contest.

MRS. J. B. RUTHERFORD PASSES TO REWARD TUESDAY

Mrs. J. B. Rutherford passed away Tuesday afternoon at 2 o'clock at the home on the Glass farm northeast of Hereford. The funeral services were held at the residence Thursday afternoon, Rev. J. R. Sharp officiating, interment at the City Cemetery. Mrs. Rutherford was forty-nine years past and is survived by her husband, four sons and one daughter.

One brother, S. T. McCombs and wife and son, of Blair, Okla., Gentry and D. Rutherford, brothers of J. B. Rutherford, J. H. McCombs, a nephew, and family of Alva, Okla., and E. A. Smith of Blair, Okla., were here to attend the funeral. The Rutherford family has only lived in this country a short time.

TWO FORMER HERE-FORD FAMILIES AT NEW HEADQUARTERS

Two postal cards were received at The Brand office Thursday from former residents. One from I. Fertschowski "We are now domiciled at 719 West 14th St., Austin, Texas, in comfortable quarters." The other was from Alex Lowry and family, who are now located at Elgier, Colo. Both parties made

FRIO

Still very dry and hot in this locality. Crops are burning fast. People are having to cut what little feed they have. It is light and short, but we should be very thankful for what we have as we hear men who have been off at other places visiting, telling how much better our feed crops are here than in other places. Take Castro county as a whole, the crops are fairly good, but there are some dry spots where the crops and grass are burned badly and this is one of them.

P. A. Hogan returned from his trip to Arkansas and Oklahoma and east Texas a few days ago. He came back looking fine and reports a very pleasant trip.

Mr. and Mrs. Sullivan and daughter, Ina, and Mrs. Burl Sullivan, have just returned from a trip to Hollis, Okla., where they spent a few days visiting relatives and friends. He says it is very dry over there. Mr. Sullivan's father came home with him and spent a few days, then went to Lubbock to visit another son.

H. T. Green, who has been with the National Guards at Denison, returned home a few days ago.

Alex Lowry, who sold out last spring, started with his family to their new home in Colorado last Thursday. There is a new man, Washburn (we have not learned his name), moving to the Lowry ranch.

J. O. Ayres and family, Joe Hastings and sister, Gladys, and Miss Jarrot, of Dimmitt, and Morris Kimble of Sunny-side, and Mr. Shiebagan and family, Mr. Nolan and family, Mr. and Mrs. Clyde Robinson and others of Summerfield, attended the singing at Frio last Sunday evening.

H. J. Robinson and family and J. B. Harlin and family enjoyed a visit from some of their relatives from Tulsa last Sunday.

Ollie H. Dixon spent last Saturday evening and Sunday with his parents, W. S. Dixon and wife.

CLEO

There is not so very much excitement in this part of Castro county this week. Fred Galle and family took Frank Carl to his home in Hereford last Saturday.

Ollie Burch and family took Mrs. Stroud up to Arney to visit her sister, Mrs. Charlie Cox.

Mr. Mundell purchased and brought home a new McCormick row binder this week. He will soon be ready to harvest his fall crop.

Elmer and Harvey Dixon repaired a binder for Harvey Dixon this week.

C. B. Houser and family took dinner with Mr. and Mrs. Elmer Dixon Sunday.

Mand Rippey is out of the community on business.

J. H. Wagley, wife and sister-in-law visited relatives near Happy Sunday.

Ollie Dixon enjoyed a nice visit with his father and mother last Sunday. They attended church at Summerfield in the morning and singing at Frio in the evening.

Lester Dowell and William Wimberly made a business trip to Dimmitt Saturday.

Ollie Dixon reports that he wishes he could be a senior in old Hereford High again this winter.

NAZARETH

Anton Schumaker was in Dimmitt on business Tuesday.

Albert Schulte, Miss Lizzie Schulte and Miss Mary Carney were at Plainview last Tuesday.

Frank L. Wilhelm returned to New Mexico this week after a few days visit with relatives and friends.

Ed and Clarence Kern were in Dimmitt last Tuesday on business.

Sister Gerome and Sister Germain are at the teachers institute at Canyon this week.

A wagon load of pears and apples was making the people in and around Nazareth happy Thursday.

CITATION BY PUBLICATION

THE STATE OF TEXAS
To the Sheriff or any Constable of Deaf Smith County, Greeting:

You are hereby commanded to summon CRES GARCIA, by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County, where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be held at the Court House there-

of, in Hereford, Texas, on the last Monday in October, A. D. 1922, the same being the 30th day of October, A. D. 1922, then and there to answer a petition filed in said Court on the 4th day of August, A. D. 1922, in a suit numbered on the docket of said Court No. 1368, wherein RUBY GARCIA is Plaintiff, and CRES GARCIA is Defendant, and said petition alleging that Plaintiff and Defendant were married in Amarillo, Potter County, Texas, March 28th, 1921, and lived together as Husband and Wife till April 6th, 1921, when he left her and she has not seen him since. That during said time Defendant got drunk, cursed and abused Plaintiff, beat and bruised her up, and tore her clothes off of her, and was guilty of excesses, cruel treatment, and out-rages toward Plaintiff in such manner as to render their living together as Husband and Wife insupportable. That as a result of said marriage one child was born December 9th, 1921, whose name is William Garcia, a boy, now in the possession of Plaintiff, and she prays for divorce cancelling said bonds of matrimony, and for a decree of court granting her the care, custody, education and control of said child.

Herein Fiat Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my Hand and the Seal of said Court, at office in Hereford, Texas, this 30th day of August, A. D. 1922.

The greatest event of the year in the cattle world will be the closing out public sale of Ex-Governor Stubbs' herd of full-blood non-registered Herefords.

SEPT. 11-12, HEREFORD, TEX.

Cattle now on Stubbs' ranch, 18 miles northwest of Hereford, Texas, only 40 miles southwest of Amarillo and 60 miles northeast of Clovis. Nearest railroad point Hereford, Texas, on main line of Santa Fe.

2,800 Pure-bred Non-registered Herefords

This auction sale will dispose of 900 cows, 400 heifer calves, 875 full calves, 300 yearling heifers, 250 two-year-old heifers and 60 registered Hereford bulls. In addition, the sale will include 200 two-year-old steers and 300 yearling steers of Stubbs quality.

Prize-Winning Stock at Your Price

This herd had a foundation stock of wonderful registered cows. For 25 years the choicest blood strains in the Hereford world have been added by use of only registered herd bulls. The Stubbs cattle have quality to spare. They are great, rugged, heavy boned, low-down beef producing animals in good condition and running uniform to the best Hereford type.

For many years the bull calves have been sold at prices ranging from \$75.00 to \$100.00 per head for range service. The bulls and heifers have been prize winners at the American Royal and have topped the Kansas City market for both weight and price for the day, month and year and for all times previous to that date.

This sale will afford you stockmen the opportunity of a life-time to buy good stock from a cow herd that has been more than a generation in the building. Remember, other men have spent a life-time breeding them for you. Cattle are scarce; good cattle are very scarce.

Entire Herd Must be Sold Sept. 11-12

Sales will be made in car-lots. Terms, 12 months' time with 7 per cent interest will be extended to parties furnishing approved security. Good railroad accommodations. There will be bargains for all who come. Don't fail to take advantage of this eventful offering. (Will hold cattle for 30 or 60 days if purchaser desires.) For more particulars, address

HOGS

To The Public:

As the weather is getting warm, and hogs shrink badly if I hold them a few days, I have decided to pay 25c per 100 lbs. premium on California hogs, if you will bring them in Wednesday so I can ship them Thursday morning. Remember to bring them Wednesday.

Bring in your hogs not later than Wednesday evening. I ship every Thursday.

FIRST STATE BANK & TRUST CO.

Thrift is based on common sense. Thrift is not stinginess. A stingy man is not thrifty; he is merely mean.

small and seemingly insignificant sums of money in the earlier years.

It is true that most wage earners do not make enough money in the course of a lifetime to save enough to be even moderately wealthy at old age. Nevertheless hundreds of thousands of payroll men and women do save enough during their productive years to keep the wolf from the door in their old age and have comforts and even luxuries that would not be theirs had they frittered away

But the mere saving of money and its accumulation is only a means to the end, and the building of even a modest fortune requires that a man should have the judgment to discern investment opportunities.

The ambitious man wants to increase his income; and when he has spare money he should seek the investments that will give him the best return.

Our message to you is this. That as a disinterested party—serving you only as your banker—we are in position to advise you on every business move or investment you may care to make. Start today—Let this be your bank.

also Mr. and Mrs. J. B. Belov and the Hastings family, of Bovina.

Fred Ham is in the Plainview sanitarium recovering from an operation for appendicitis.

Everyone is invited to attend prayer meeting on Wednesday nights. Come and bring all your friends. Mr. Donald Durce was leader Wednesday night. Everyone enjoyed the service very much. Mr. Bill Ewers will lead the prayer services this week.

Bro. Gilbreath preached a fine sermon here Sunday at 11 o'clock, to a large congregation.

FRIONA

School is scheduled to begin here Monday morning with Prof. E. J. Buckner as Superintendent and Prof. Ira Jenkins as principal. Prof. Jenkins will also have charge of the manual training department, which, however, cannot begin until the new building is put up. Miss Sallie Nuckner will have the primary department. Miss Louella Gschler and Miss Arline Tose will be the other grade teachers. These teachers come to us with the highest recommendations and we are looking forward to one of the most successful terms of school that has ever been taught in Friona.

The Friona Christian Endeavorers have planned a "Get Acquainted" social for the teachers composing our new faculty, which will be held Monday night at the home of Mr. and Mrs. R. H. Kinsley. All patrons of the school are invited to be present and meet the new teachers and give them a royal welcome to Friona.

Miss Frances Reeve and Miss Glee Goodwine departed Saturday for Alamogordo, New Mexico, where they will serve as attendants in a hospital. Miss Florence Schlenker departed on Sunday morning for Ames, Iowa, where she will attend school the coming year and study music. Miss Ella Musick departed Monday morning for New Mexico where she is employed to teach school and Miss Dollie Clark will go next Monday to the Ray district where she will teach the coming term. These young ladies will be sadly missed by the community in the Sunday School and Church work and social affairs, but we bespeak for them the greatest success in their varied activities.

As G. W. Davison and family were driving in to attend the preaching services Saturday night, they were run into by a man driving a truck. Mr. Davison's car was so badly damaged that it was put out of commission, but fortunately none of the occupants were seriously hurt. The truck had no lights. A Mexican was run over by a man in a Ford car east of the lumber yard and severely bruised. The drivers

The concrete work on the Congregational church walls is completed and the workmen will soon be putting in the floor joists and the heavy beams and pillars that will support the floor, and will be ready in the very near future for the building of the walls. The carpenter work on Mr. Wilkinson's house is being pushed rapidly and the new addition to the school house will be completed and in readiness for the beginning of school.

The new Goodyear Cross-Rib Tread Cord

A Popular-Priced Cord Tire Without a Rival

The new Goodyear Cross-Rib Tread Cord Tire is built with genuine high-grade long-staple cotton as a foundation.

It is liberally oversize—the 4½-inch tire, for example, measuring nearly 5 inches.

The deep, clean-cut, cog-like pattern of its tread affords excellent traction even in snow and mud, engaging the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

This new tire is a genuine Goodyear through and through—in design, in material, in construction.

It costs less to buy than the net price you are asked to pay for many "long discount" tires of unknown reputation and value.

Why be satisfied with less than this efficient tire can give—why take a chance on an unknown make?

Compare these prices with NET prices you are asked to pay for "long discount" tires

30x3½ Clincher.....	\$12.50	32x4 Straight Side..	\$24.50	33x4½ Straight Side..	\$32.15
30x3½ Straight Side..	13.50	33x4 Straight Side..	25.25	34x4½ Straight Side..	32.95

Establishing a New Business

In locating a new town, or the establishing of a new business, in order to succeed, there must be the natural elements present. There are many business failures because the above principle is not considered. Insurance Companies always protect their own interests. It is up to the local Agent to protect the insured, which requires experience and knowledge.

tioned, and by virtue of the authority conferred upon me by the terms of a deed of trust executed by T. C. Carpenter dated 25th day of November, 1917, and recorded in Vols. 18 & 18 Pages 186 & 245 respectively of the Deed of Trust Records of Farmer and Deaf Smith Counties, Texas, whereby the said T. C. Carpenter conveyed to me, as Trustee, the above described property, for the purpose of securing the payment of certain notes executed by the

said T. C. Carpenter particularly described in said deed of trust, and the proceeds thereof will be applied to the payment of the balance due upon said indebtedness, the expense of making said sale, and the remainder, if any, paid to the said T. C. Carpenter or his order, all in accordance with the terms of said deed of trust.
WITNESS my hand this the First day of September, A. D. 1922.
FRANK F. FERRY, Trustee.

HOGS

To The Public:

As the weather is getting warm, and hogs shrink badly if I hold them a few days, I have decided to pay 25c per 100 lbs. premium on California hogs, if you will bring them in Wednesday so I can ship them Thursday morning. Remember to bring them Wednesday.

Bring in your hogs not later than Wednesday evening. I ship every Thursday.

FAMOUS STUBBS HEREFORD SALE

The greatest event of the year in the cattle world will be the closing out public sale of Ex-Governor Stubbs' herd of full-blood non-registered Herefords.

SEPT. 11-12, HEREFORD, TEX.

Cattle now on Stubbs' ranch, 18 miles northwest of Hereford, Texas, only 40 miles southwest of Amarillo and 60 miles northeast of Clovis. Nearest railroad point Hereford, Texas, on main line of Santa Fe.

2,800 Pure-bred Non-registered Herefords

This auction sale will dispose of 900 cows, 400 heifer calves, 375 bull calves, 300 yearling heifers, 250 two-year-old heifers and 60 registered Hereford bulls. In addition, the sale will include 200 two-year-old steers and 300 yearling steers of Stubbs quality.

Prize-Winning Stock at Your Price

This herd had a foundation stock of wonderful registered cows. For 35 years the choicest blood strains in the Hereford world have been added by use of only registered herd bulls. The Stubbs cattle have quality to spare. They are great, rugged, heavy boned, low-down beef producing animals in good condition and running uniform to the best Hereford type.

For many years the bull calves have been sold at prices ranging from \$75.00 to \$150.00 per head for range service. The bulls and heifers have been prize winners at the American Royal and have topped the Kansas City market for both weight and price for the day, month and year and for all times previous to that date.

This sale will afford you stockmen the opportunity of a life-time to buy good stock from a cow herd that has been more than a generation in the building. Remember, other men have spent a life-time breeding them for you. Cattle are scarce; good cattle are very scarce.

Entire Herd Must be Sold Sept. 11-12

Sales will be made in car-lots. Terms, 12 months' time with 7 per cent interest will be extended to parties furnishing approved security. Good railroad accommodations. There will be bargains for all who come. Don't fail to take advantage of this eventful offering. (Will hold cattle for 30 or 60 days if purchaser desires.) For more particulars, address

FIRST STATE BANK & TRUST CO.

Thrift is based on common sense. Thrift is not stinginess. A stingy man is not thrifty; he is merely mean.

It is true that most wage earners do not make enough money in the course of a lifetime to save enough to be even moderately wealthy at old age. Nevertheless hundreds of thousands of payroll men and women do save enough during their productive years to keep the wolf from the door in their old age and have comforts and even luxuries that would not be theirs had they frittered away

small and seemingly insignificant sums of money in the earlier years.

But the mere saving of money and its accumulation is only a means to the end, and the building of even a modest fortune requires that a man should have the judgment to discern investment opportunities.

The ambitious man wants to increase his income; and when he has spare money he should seek the investments that will give him the best return.

Our message to you is this. That as a disinterested party, serving you only as your banker—we are in position to advise you on every business move or investment you may care to make—start today—let this be your bank.

Everyone is invited to attend prayer meeting on Wednesday nights. Come and bring all your friends. Mr. Donald Duree was leader Wednesday night. Everyone enjoyed the service very much. Mr. Bill Ewers will lead the prayer services this week.

Bro. Gilbreath preached a fine sermon here Sunday at 11 o'clock, to a large congregation.

FRIONA

School is scheduled to begin here Monday morning with Prof. H. J. Buckner as Superintendent and Prof. Ira Jenkins as principal. Prof. Jenkins will also have charge of the manual training department, which, however, cannot begin until the new building is put up. Miss Sallie Nuckner will have the primary department. Miss Lonella Gischer and Miss Arline Toss will be the other grade teachers. These teachers come to us with the highest recommendations and we are looking forward to one of the most successful terms of school that has ever been taught in Friona.

The Friona Christian Endeavorers have planned a "Get Acquainted" social for the teachers composing our new faculty, which will be held Monday night at the home of Mr. and Mrs. H. H. Kinsley. All patrons of the school are invited to be present and meet the new teachers and give them a royal welcome to Friona.

Miss Frances Reeve and Miss Glee Goodwine departed Saturday for Alamogordo, New Mexico, where they will serve as attendants in a hospital. Miss Florence Schienker departed on Sunday morning for Ames, Iowa, where she will attend school the coming year and study music. Miss Ella Musick departed Monday morning for New Mexico where she is employed to teach school and Miss Dollie Clark will go next Monday to the Ray district where she will teach the coming term. These young ladies will be sadly missed by the community in the Sunday School and Church work and social affairs, but we bespeak for them the greatest success in their varied activities.

As G. W. Davison and family were driving in to attend the preaching services Saturday night, they were run into by a man driving a truck. Mr. Davison's car was so badly damaged that it was put out of commission, but fortunately none of the occupants were seriously hurt. The truck had no lights. A Mexican was run over by a man in a Ford car east of the lumber yard and severely bruised. The drivers

of the truck and being very drunk, which, of course, is sufficient excuse for the accident, and "Nuff Sed." The concrete work on the Congregational church walls is completed and the workmen will soon be putting in the floor-joists and the heavy beams and pillars that will support the floor, and will be ready in the very near future for the building of the walls. The carpenter work on Mr. Wilkinson's house is being pushed rapidly and the new addition to the school house will be completed and in readiness for the beginning of school.

Goodyear Tires and Tubes

Would not satisfy the public in all parts of the world if the quality was not built in them.

We believe that Goodyear Tires and Tubes are the best that money and skill can produce, and offer for your inspection a complete line of sizes. Prices are the lowest in History.

Wilkinson Motor Co.

The new Goodyear Cross-Rib Tread Cord

A Popular-Priced Cord Tire Without a Rival

The new Goodyear Cross-Rib Tread Cord Tire is built with genuine high-grade long-staple cotton as a foundation.

It is liberally oversize—the 4 1/2-inch tire, for example, measuring nearly 5 inches.

The deep, clean-cut, cog-like pattern of its tread affords excellent traction even in snow and mud, engaging the road like a cogwheel.

The scientific distribution of rubber in this tread—the wide center rib and the semi-flat contour—gives a thick, broad surface that is exceedingly slow to wear.

This new tire is a genuine Goodyear through and through—in design, in material, in construction.

It costs less to buy than the net price you are asked to pay for many "long discount" tires of unknown reputation and value. Why be satisfied with less than this efficient tire can give—why take a chance on an unknown make?

Compare these prices with NET prices you are asked to pay for "long discount" tires

people of Springlake heard that Mr. and Mrs. Phipps were coming to Springlake to make their home, thirty-seven families came with their baskets full of delicious things to eat and spread a bountiful supper to welcome them to their new home and to be one of them. And we think we can truthfully say that they have made a host of dear friends, which was verified on Tuesday night when the community heard that they were moving to Plainview to send their children to school. They came again and surprised them with another wonderful supper.

There were seventy-five present and all enjoyed the supper and had a good social time talking over old times together, and to say that Mr. and Mrs. Phipps enjoyed the occasion is putting it lightly, while at the same time there was a tinge of sadness in leaving the many friends and their married daughter behind and Wallace, their oldest son, to keep Bachelor's Hall. While it may be only for the school term and perhaps longer, time alone can tell, for in nine months many many things can happen to change the plans that are being made.

The company of friends left for their homes about twelve o'clock, each one wishing the Phipps family all the good blessings that the world affords in their new home in Plainview.

A Friend.

SCATTERED SHOWERS AND PROMISE OF WET WEATHER

There were spits of rain over the Plains last Wednesday night, although this immediate vicinity was not among the lucky ones. Amarillo and Canyon had a small shower that laid the dust and there were isolated spots in every direction that were cooled off. The heaviest rain was said to have fallen in a small district around Big Square and in the Muleshoe country. Friday was threatening and sultry, with a few drops from passing clouds.

THERE'S A DIFFERENCE

—Between Thrift
 And Saving

Thrift includes work well and wisely done; money intelligently invested.

Saving may mean little or no spending, little or no work. We can save in many ways, often to the point of miserliness and thus lose our self-respect, but the exercise of Thrift is the acme of wisdom and good judgment.

CENTRAL SCHOOL'S FACILITIES VERY MUCH IMPROVED

The addition for toilets at the Central school building, begun several weeks ago, will be ready for use when the school bell rings Monday. It is believed. H. L. Broadwell is superintendent of the job for the school board with William Maltby as foreman of a gang of concrete men, plumbers and carpenters. The addition is set a few feet to the north of the main building, with which it is connected, and is constructed of concrete throughout. It is 24x36 feet and will be sanitary and well ventilated.

The north end of the main building is being remodeled for two class rooms and this will make it possible to move the seventh grade from the high school building to the Central school.

D. R. Grimes, farmer, Hereford, says: "Some time ago I was down with my back and kidneys and could hardly move around, as my back was so sore and lame. My back ached constantly and when I stooped, sharp catching pains took me and I could hardly straighten. I also had dizzy spells and my kidneys were weak and irregular in action. At night I had to get up two or three times to pass the secretions. The trouble seemed to come on in spells. Whenever I feel any symptoms now I get a box of Doan's Kidney Pills at J. J. A Card of Thanks

We want to thank our neighbors and friends for their kindness and help in the sickness and death of our beloved wife and mother, and the Baptist ladies that have furnished dinner each day, and especially do we thank Mrs. Valentine and Mrs. Allen for their hospitality. We hope, should such bereavement ever befall them, that we may be able to do our part. Thanking all again.

Lovingly, Mr. J. B. Rutherford and family, Mrs. M. T. Wright, (Mother) Mr. and Mrs. S. T. McCombs, Mr. and Mrs. Ed Wright.

Warning

To all those who are running with only one number, better take my advice, go to the Tax Collector's office and get the required number for 70c. It will cost you \$9.70 if you disobey this order. Also get your lights in order according

to the requirements of the law. Frequent accidents of late and by the request of law abiding citizens, I am giving you fair warning.

Respectfully, C. S. Richards.

Notas

Will open my class in Expression Sept. 11. Anyone desiring to study, please call 183 or see me at the High School Monday, Sept. 11, and Central School Tuesday Sept. 12.

Mrs. E. B. Ezell, Latin and Spanish; Miss Bertie Lee Allen—English; Miss Pauline Hatalip—History; Miss Mabel Faulkner—Home Economics;

Miss Velma Read—Science; Mr. M. G. Frewitt—Manual Training; Mr. J. S. Swofford—Mathematics; Miss Gladys Kelper—Mathematics; Miss Mattie Swisher—Music; Miss Merian Livingstone—Bible.

The Grades; D. W. Hawkins, Principal—6th Grade; 7th Grade—Miss Annie Price; Miss Helen Sisk; 7th Grade—D. W. Hawkins; Mrs. G. F. Parker; 8th Grade—Mrs. James Black; Miss

Mary Lou Robertson. 4th Grade—Miss Irene Eidenburg; 3rd and 4th Grades—Miss Mary Rankin; 3rd Grade—Miss Mary Brody; 2nd Grade—Miss Tullie Bell; Miss Elizabeth Corbett; 1st Grade—Mrs. C. S. Garrison; Miss Helen Fricbie.

Miss Griffith announces the formal opening at high school Monday at 9 a. m. and at Central at the same hour Wednesday. Parents and the public generally are urged to attend these exercises.

ROY GOUGH COMES HOME FOR VISIT PRIOR TO SCHOOL

ROY GOUGH COMES HOME FOR VISIT PRIOR TO SCHOOL

Roy Gough, son of Judge L. Gough, came in Friday from College Station, Texas, where he has been attending

summer school. Roy drove through the country for a visit with his folks before the opening of A. & M. this month, which he will enter.

He reports a magnificent campus and with prospects of the heaviest enrollment in the history of the great State institution.

A "Four" That Sets A New Standard

The 1923 Buick Four Touring—'885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder five-passenger Touring has established an entirely new standard for four-cylinder cars.

Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, racy appearance that is new to cars of its class. Massive crest fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.

And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.

Material changes also have been made in motor, chassis, and body construction which contribute still further to the wonderful performance record characteristic of Buick cars for twenty years.

The Buick line for 1923 comprises fourteen models: Four—2 Pass. Roadster, \$605; 5 Pass. Touring, \$555; 5 Pass. Coupe, \$1175; 5 Pass. Sedan, \$1395; 5 Pass. Touring Sedan, \$1325; Six—2 Pass. Roadster, \$1175; 5 Pass. Touring, \$1125; 4 Pass. Coupe, \$1395; 5 Pass. Sedan, \$1595; 4 Pass. Coupe, \$1595; 7 Pass. Touring, \$1435; 7 Pass. Sedan, \$2165; Sport Roadster, \$1685; Sport Touring, \$1675. Prices f. o. b. Plant. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

Don't Fool Yourself

That is what the man does who practices false economy—sets himself into believing that he is going to save money.

True economy is not how little you pay for an article, but how much value you may get out of it.

A good, substantial implement shed will last a lifetime. Implements left unpainted and exposed to the weather will last from one to three years, while implements that are cared for will last from five to fifteen years. Why buy new implements every year when you can buy a good, substantial implement shed for the price of one implement? LET US HELP YOU.
