Hog Raising Increasing

That the Hereford country is not only a great cattle country in which many pure bred herds are to be found, but is becoming a great hog producing country, as well is shown by the large number of hogs being shipped from here and the increasing interest in raising hogs. Many of the farmers are now raising their own hogs instead of shipping in stock hogs as was formerly more common. This plan has many advantages. The first one hundred pounds of a hog are the cheapest to make, especially in a climate like this. Then there is less danger from cholera or other diseases.

A farmer can raise a better quality of hogs, and more uniform than he can buy.

At the present time there are a number of good herds. Judge Gough on his fine farm is raising a great many hogs and often has several hundred.

Mr. Vaughn north of town, has a fine herd of pure bred hogs on his farm, and is specializing on hogs and alfalfa.

The Loyd Brothers also have a fine herd.

D. L. McDonald is another hog raiser that is a pioneer in the business and is making a success of it.

Mr. Borden also has a fine herd of hogs on his irrigated farm.

Probably the most extensive breeders this season are Welliver & Pollock, who at present have one hundred brood sows.

The time is not far distant when there will be more cars of hogs go from Hereford than cattle. This is a condition that will bring prosperity to the country. Under irrigation twenty-five or thirty shoats can be kept on an acre of alfalfa. This is producing much more intensively than taking ten acres to raise a cow and calf.

Irrigation, hogs and poultry, supplemented by wheat and grain sorghums under natural conditions, without irrigation will drive away hard times from here.

Back on Road

Mr. Homer Wilkinson, who has been on the retired list for two or more months as a result of an automobile accident, has returned to his work as traveling salesman.

Mr. Wilkinson's many friends here are much gratified to know he has fully recovered and is as well as usual.

Mr. Wilkinson is an excellent salesman and business man and his company showed their appreciation of his good work by continuing his salary through his illness.

Dr. Tinder, of Roswell, was a visitor in Hereford Sunday, remaining until the Monday afternoon train, when he went to Amarillo.

School Notes

4th Grade—

John McKenzie has withdrawn from school.

Richard Herrman has moved with his parents to Wichita, Kansas.

Several pupils have been absent, entertaining the mumps.

7th Grade—

Homer Gilliland has re-entered school after an absence of several weeks.

Thursday night a social hour was enjoyed by members of the Parent-Teachers' Association at the High School building. A few visitors were also present, and a great time was enjoyed by all.

The High School Inspector, Mr. Taylor, of State University, visited our school last Friday. He seemed to like the work of the classes and spoke very creditably of our school.

11th Grade—

Nellie Carter who went to Amarillo Friday afternoon, became ill, and will not be able to return home for several days.

Suebie Lackey was thrown from a horse Sunday, while riding at the ranch. It will probably be three weeks before she can resume her school work.

Homer Barnett has been absent several days on account of mumps.

Ham Lambert has been absent from school several days.

Members of the Annual Staff are progressing nicely with the Annual. It is hoped we will have it ready for sale May 1st.

Friday afternoon the two literary societies of the H. H. S., had a "joint meeting." The program was well prepared and everyone enjoyed it.

Mr. Wilson conducted chapel exercises Wednesday morning. The talk he gave was very interesting.

Saturday night, April 1, the High School students will give a circus on the campus. This is given for the benefit of the Home Economics Department. Every one be sure to come. It means so much for the school. Home made candy and red lemonade will be for sale.

We will have a fish pond, a fortune teller, Teeny-Tiny the largest man in existence. See the ad elsewhere in the paper.

Windmill at Cemetery

The Cemetery Association has been unable to secure the service of a first class workman and for that reason the placing of the windmill in the cemetery has been deferred.

The Rebekah lodge is furnishing the tank and the work will be completed within a week or ten days.

W. R. Davis of Temple, Oklahoma, a traveling salesman, was here Wednesday on a visit to his sister, Mrs. A. C. Elliott.

CLEAN UP CAMPAIGN

The season has arrived when the town ought to be thoroughly cleaned up and the trash and refuse disposed of in the interest of good sanitary conditions. The Odd Fellows of this section of Texas will meet here on April 12th when many visitors will be in town.

A number of our people have thought it best that a general clean up campaign be conducted before that time. I therefore suggest that the week beginning Monday, April 3rd, be regarded as a clean up week and request the people to clean up their respective premises and dispose of all trash and rubbish during the week.

If you will place all tin cans and other non-combustible rubbish, except ashes, in the alleys where it can be conveniently reached, the city will have it hauled off.

SCHUBERT CONCERT

A MUSICAL TREAT

Thomas Valentine Purcell, Leeta Corder and Lavina Zendt, soloists of the Schubert Symphony Club of Chicago, entertained a large audience at the High School auditorium last night in the sixth number of the "Hi-Y" course.

"As a happy combination of classical and popular music, the program was one of the most successful that has been given in Phoenix this winter and it was performed in a manner that delighted the audience from first to last. Encores followed every number and the performers were liberal in responding to them.

"Purcell is a violinist of great merit and Miss Corder has a most delightful soprano voice of wide range and exceptional purity and she sang her charming way straight into the hearts of her audience from the very first number. Incidentally the encore to that same first number deserves special mention. It was "Swanee River" to which the well-known Dvorak "Humoresque" was played as a violin obbligato. The combination may seem impossible, but those who heard it will agree that it is not only possible but highly pleasing—when done as she and Purcell did it.

"Miss Zendt has a deep contralto voice which was heard to great advantage both in her solos and in the concerted numbers. She also played the accompaniments most satisfactorily.

"The mandolin and guitar numbers proved highly popular and were well played. The entire concert was a delight and the performers should be welcomed with capacity houses should they ever come to Phoenix again."

The above clipping is from the Arizona Gazette, and is only one of many similar ones in which the city papers commend in highest terms the work of the company which Hereford will be privileged to hear on tomorrow—Friday—evening.

This is an exceptional opportunity which no one can afford to miss.

Officers Capture Booze

As a couple of Mexicans stepped off the east bound train yesterday morning, they were doubtless surprised when Deputy Henry Wilson stepped up to them and asked for a conference with them at the county jail. They were taken to headquarters and their grips examined and it was found they had 26 quarts of booze. The booze was confiscated and the boys locked up to await court proceedings.

The two left here on the morning train with empty grips for Texico. This excited suspicion and the officers laid for them.

Mayor Knight went to Amarillo Tuesday.

Gift For Civic Club

Mrs. Jas. E. Ferguson, Hereford, Texas.
Dear Madam: I am in receipt of your letter asking for flower seed for use in your civic work. This is a very commendable task and if citizens would keep the vacant lots planted in flowers, or even keep the weeds down, it would add greatly to the looks of any town or city. I therefore, am glad to send you several packages of seed for this purpose.

I am, most respectfully,
John H. Stephens.

The above letter is self-explanatory. Since its receipt, the seeds have been received, some three hundred envelopes each containing five packages. The assortment contains hardy varieties, such as can be grown with minimum care.

These are for free distribution among the children. The flower committee of the Civic Club will have charge of this distribution and will be glad to give any information in regard to it.

Not only the Civic Club, but every citizen of Hereford who takes pride in her progress and achievements, owes a debt of gratitude to Congressman Stephens for his kindly interest and generous contribution.

Sells Carload of Bulls

Mr. C. C. Ferguson this week sold a carload of yearling bulls, 42 in number that go down in the Sweetwater country. These calves which were part pure bred and part high grades, sold for \$77.50 per head. They were of Mr. Ferguson's own raising and most of them carried a strain of Repeater's blood, the family that has made Harris & Son's herd famous. Deal Smith is fast becoming a center for high class cattle.

T. M. Palmer and wife and J. T. Wilkinson and wife have gone south on a fishing tour, going to Junction City, where Dr. Turrentine now lives.

Mr. Frank Eldman, who has been working here with his brother-in-law, Mr. Helman, returned to his home in Umbarger Monday.

.....Piano Business..... OUR SPECIALTY FOR 1916

We have been in the piano business for twelve years in Hereford. We have sold many CAR LOADS of pianos. Every piano we have sold has proven to be a good one. Every customer a friend.

The only difference in us and piano pedlars—we own our goods at much less price than they do—and can sell them for much less. We are at no extra expense in handling the line, hence we can afford to sell for much lower figures than regular agents.

We represent the best piano factories in America. We buy for cash direct from the factory. We can make our own low prices and easy terms.

Citation by Publication

THE STATE OF TEXAS.

To the Sheriff or any Constable of Deaf Smith County—Greeting:

You are hereby commanded that you summon, by making publication of this citation in some newspaper published in the County of Deaf Smith, if there be a newspaper published therein, but if not, then in any newspaper published in the 69th Judicial District; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said 69th judicial district, for four weeks previous to the return day hereof, Wayne Hudson, whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Deaf Smith, at the Court House thereof, in Hereford, on the first Monday in May, 1916, the same being the First day of May, A. D. 1916; then and there to answer a petition filed in said Court, on the 23rd day of February, A. D. 1916, in a suit numbered on the docket of said Court No. 925, wherein the First National Bank of Plattsburg, Mo., is plaintiff, and Wayne Hudson, is defendant. The nature of the plaintiff's demands being as follows, to-wit:

Plaintiff avers that heretofore, to-wit: on the 17th day of September, A. D. 1915, the defendant, Wayne Hudson and Ida Hudson made, executed and delivered to plaintiff their certain promissory note in writing, bearing date on the day and date last above written, by the terms of which they promised to pay to the order of the plaintiff, six months after date thereof, the sum of Fifteen Hundred Dollars with interest thereon from the date of said note, at the rate of 7 per cent per annum, and providing that if the interest should not be paid when due that it should become part of the principal and bear the same rate of interest.

That by the execution and delivery of said note the makers thereof became liable and promised to pay to the plaintiff the several sums therein mentioned according to the tenor and effect thereof. That plaintiff is now the legal and equitable owner and holder of said note.

That said note will be due on March 17th, 1916, and this suit is brought before it falls due in order that a Writ of Attachment may be issued to secure the debt above described. That the defendant has failed and refused to pay said note or any part thereof and is justly indebted to the plaintiff in the several sums mentioned therein.

Wherefore, plaintiff prays that the defendant may be cited to appear and answer this petition as required by law, that a writ of attachment may be issued against any property of the defendant in Deaf Smith County subject to execution, and that on final hearing hereof plaintiff may have judgment for his debt, interest and costs of suits and for such other relief to which it may be shown entitled.

HEREIN FAIL NOT, and have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Hereford this, the 10th day of March, A. D. 1916. A. O. Thompson, Clerk District Court, Deaf Smith County, Texas.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Deaf Smith County—Greeting:

Henry L. Ruhaak, Administrator of the estate of Richard Roelfs, deceased, having filed in our County Court his Final Account of the condition of the estate of said Richard Roelfs, deceased, together with an application to be discharged from said duty as Administrator.

You are hereby commanded, that by publication of this Writ for twenty days in a newspaper regularly published in the County of Deaf Smith, you give due notice to all persons interested in the Account of Final Settlement of said Estate, to file their objections thereto, if any they have, on or before the April Term, 1916, of said County Court, commencing and to be holden at the Court House of said County, in the City of Hereford on the First Monday in April, A. D. 1916, when said Account and Application will be considered by said Court.

Witness A. O. Thompson, Clerk of the County Court of Deaf Smith County.

Given under my hand and seal of said Court, at my office in the City of Hereford, this 28th day of February, A. D. 1916.

The P. & O. No. 111 Lister

This Lister is known by farmers wherever sold as P. & O. No. 11, but the improved type is called No. 111 on account of important improvements. There are more of them in the hands of farmers than all other makes combined—over 2,000 sold by one dealer in one county in West Texas. The special feature on this Lister made it the most universal used for plowing for small grain crops by listing and listing, leaving the ground in level rows, which not only catches and holds the moisture but prevents the loose soils of the West from blowing away. The adjusting link on front end of beam is an important exclusive feature on the No. 111, absolutely preventing the point from running below the desired depth. The wheels are provided with dust-proof boxes, an immense help in the sandy loam lands of the West. The feeding device absolutely deposits one seed at a time of any of the row crops. Besides can be equipped for both corn and cotton. You will have to see this wonderful improvement to appreciate it. The tilting hoppers allow you to adjust the hopper to any angle of plow without emptying them. Furnished with either disc or shovel covers. This Lister has embodied many other important features that will convince you that it is the best on the market.

The P. & O. No. 123 4-Wheel Lister

This Lister has all the advantages of the No. 111 and in addition has rear wheels. This is desired in many localities as it enables the operator to see the seed as planted. The rear wheels have cushion springs to hold them in line with the row and following the unevenness of the ground and conform to the ridge without straining the rear frame, compelling, also, the Lister to remain in proper working position at all times. The friction lock disengages automatically, allowing the wheels to enter and turn round in a very small space.

We manufacture the most complete line of Two Row Implements on the market. Ask your dealer and if you cannot be supplied through him, write us for circular and special introductory offer.

You Ask Us, "What is a One Cent Sale?"

It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price and by paying 1c more or 26c you get two tubes. Every article in this sale is a high class standard piece of merchandise just the same as we sell you every day at regular prices, and have sold you for years.

You Ask Us, "Can You Afford to sell Merchandise at These Prices?"

Our answer is "We Cannot." This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1c. It costs money to get new customers and the loss taken on this sale will be well spent if the goods please you.

The Hereford Brand

B. F. GUTHRIE, Editor
Entered April 17, 1901, in the postoffice at Hereford, Texas, as second-class mail matter. First number of the paper issued February 13, 1901, as the Hereford Reporter; first number of The Brand issued March 21, 1902.
Subscription Price \$1.50 Per Year, Strictly in Advance.

Any statement affecting the character or reputation of any individual or firm which may appear in The Brand, will be strictly corrected upon being brought to the attention of the publishers.

MOVING TO NEW HOME

Tomorrow we will start to move the Brand to its new home. It is quite a job to move a printing office, and if the paper is a "weakly" in more ways than one next week you can assign moving as the cause. After we get moved we invite all our friends to come and see us at home.

This investment in a new home and in contemplated new equipment, is done solely with a view to giving the people of Hereford and country around better service, which we feel sure, with the continued co-operation of the public, we can do.

FIRE PROOF BUILDINGS NEEDED

With all kinds of lumber soaring to prices unknown and paint retailing at as much per gallon as Old Kentucky Rye, and insurance rates soaring to the moon, it looks as though all people building should consider more seriously the advisability of using indestructible materials and those that do not need paint.

If we would build our houses with tile or brick, using tile or asbestos roofs, and floors wherever possible of concrete, there would be a saving effected in paint and insurance in the long run that would make the durable structure cheaper. By the addition of a few hundred dollars in first cost, more than that could be saved in a few years in paint and insurance and a more desirable and durable house built. Wood in houses in town should be tabooed as far as possible.

One more effort of the Parent-Teachers' Club to establish a closer relationship between the home and the school took the form on Friday evening of what was intended to be a most delightful social evening for which a pleasing and helpful program had been prepared, but the desired effect was nipped in the bud by the very meager attendance.

As the occasion had not been widely advertised it is reasonable to suppose that many did not know of it, perhaps do not, even yet, but the deplorable fact remains and emphasizes the need of just such meetings as had been planned for Friday evening.

The teachers this year are displaying a most commendable earnestness in their work and their efforts will doubtless yet prove to be bread cast upon the waters.

BE CAREFUL WITH FIRE

The disastrous fires of last week in different parts of the country again emphasize the importance of taking every precaution to prevent a catastrophe such as has happened in Paris and other towns. The recent dry weather and high winds makes the danger all the more im-

minent. The habit of burning trash and waste paper out in the open without a receptacle is a dangerous one, and should be avoided as much as possible. Every business house in town should have a large can or heavy wire made into a cone two feet in diameter and four feet high with the setting close makes a good receptacle. It seems that if some of the hardware stores or tin shops would get suitable wire and make a number of these receptacles that they would find ready sale. Large receptacles set at the principal corners on Main Street for parties passing to throw things in would help.

Paper flying all over town, besides being unsightly is decidedly dangerous.

Flues and buildings should be examined and matches should be kept out of the hands of youngsters.

GUARDING THE PUBLIC HEALTH

There has been considerable discussion engendered in regard to taking proper precautions to guard the public health and especially while the large number of Mexican laborers are quartered here.

The ministers of the town, recognizing the danger of diseases being brought here talked with Mayor Knight and Doctors Price and Hicks in regard to the advisability of warning the people to take all possible precaution. Mayor Knight and these doctors, as shown by their written statements, agreed that it would be well to warn the people to be careful. According to this understanding the pastors of the town did make announcements, cautioning the people to exercise great care in mingling with these people. Then of their own volition and on their own behalf some of the pastors mentioned the picture show as an especially dangerous place. It seems from the statement of all concerned in the controversy that the pastors had authority from the health officers to warn the people against the danger in general. Their mention of the picture show especially was on their own authority and so intended.

These statements are made here to clear any misunderstanding on the part of the public, and to set the matter in the right light.

ANTI-SALOON MEN MEET AT DALLAS

SECOND ANNUAL CONVENTION HELD AT THAT CITY.

R. H. KIRBY CHOSEN PRESIDENT

Richmond Pearson Hobson One of the Speakers—'Texas Dry in 1917' the Slogan—A Remarkable Advance Declared.

R. H. Kirby of Austin was elected president of the Anti-Saloon League of Texas at the second annual convention, held in Dallas. Other officers are W. H. Fuqua, Amarillo, first vice president; W. S. Rowland, Temple, second vice president; George Sargent, Dallas, secretary, and J. Dabney Day, Dallas, treasurer.

At the Coliseum at fair park former Congressman Richmond Pearson Hobson delivered an address. There were other addresses and music.

Dr. P. A. Baker, general superintendent of the Anti-Saloon League of America, spoke of the battle of the national forces of prohibition against the saloon all over the United States. Dr. Baker urged the people of Texas to elect a United States senator who is opposed to the saloons. His remarks were liberally applauded.

Dr. Baker gave a vivid word picture of the scene in the national house of representatives during the debate of the Hobson-Sheppard bill for the submission to the states of a constitutional amendment for national prohibition.

He explained that after the reapportionment for congressional representation in 1920 forty to sixty new congressmen will be sent to Washington, mostly from the growing cities, most of whom will be against national prohibition.

'National prohibition must be submitted before 1920,' Dr. Baker said. 'Every man must do his duty in his own community to elect congressmen and senators who are for national prohibition.'

'I believe in states' rights, but the greatest right of a state is to change the organic law of the nation. More people have petitioned congress for the submission of the Hobson-Sheppard bill for national prohibition than have petitioned congress for all of the seventeen amendments to the constitution.'

Hon. W. Bryan addressed a large audience and gave \$100 to the cause. The slogan, 'Texas Dry in 1917,' was received with enthusiasm. A large number of men and women from all over the state attended the convention.

Dr. A. J. Barton, superintendent of the state league, said 'nothing will be done by the league to further any living man's candidacy for any office on earth.'

Remarkable progress and victories in Jim Wells, Freestone, Bex, San Patricio, Anderson, Bell and Nueces counties were reported.

Submission in 1917 will be asked on Democratic primary ballot.

L. D. MORGAN INDICTED.

CANDIDATE FOR STATE TREASURER IS TO ANSWER FOUR CHARGES.

Information has come to light that the Travis county grand jury in its report of March 9 returned four indictments against Lon D. Morgan, tax collector of Johnson county and a candidate for the Democratic nomination for state treasurer.

Three of these indictments charge failure to pay into the state treasury funds collected by Mr. Morgan within the prescribed time, this constituting the alleged offense of the misapplication of public money.

All ladies interested in a clean Hereford are urged to join our band of workers. There are no fees for joining—all interested in a sanitary Hereford meet us at the Club Rooms Saturday, April 1st, 4:30 p. m.

An interesting meeting of the Mothers' Club was held Tuesday with Mrs. J. S. Jones. The spirit of congeniality enlivened the routine of business which formed the major part of the afternoon's work. Many delightful plans for the good of the club and its various activities were informally discussed. In line with this worthy club's way of giving pleasure as well as material help, an Easter egg hunt will be given by them for the kindergarten and first grade pupils.

The grass in the park is soon to receive attention as is, also, the habit which indifferent parties have of making paths through the park instead of following the walks.

A delicious salad course was enjoyed at the close of the business session.

The next meeting will be held with Mrs. Mercer.

Guests at an elaborate three-course 7 o'clock dinner, on Saturday evening, included Rev. W. M. Baker, and a number of prominent cattlemen of the city, the scene of the pleasant gathering being the hospitable home of Mr. and Mrs. J. H. Wagner on Twenty-five Mile Avenue.

The genial atmosphere which only the spirit of fraternalism can create, was an added grace to the feast—a feast whose menu of delectable viands needed nothing to emphasize its excellenc.

Following the dinner, an hour of social good cheer was enjoyed with the companionship of each guest's favorite blend of Havana. In the company were: Messrs. Hill, Smith, Laird, Ferguson, Donald, Hicks, Barber, Jones, Shore, Phillips, O'Brien, Brownlee, Rev. Baker, and

the host. Assisting Mrs. Wagner were Mesdames Jones and Barber.

After several months devoted exclusively to earnest work, it was with a great deal of pleasure that the ladies of the Bay View Club responded to invitations, on Thursday, from one of their much loved members, Mrs. B. S. Arnold, for an afternoon dedicated solely to pleasure. Since the invitations specified "no work" the admonition "Bring work aprons," seemed paradoxical, but the hint of mystery only added interest and a most receptive bevy of ladies availed themselves of the delights which the afternoon afforded.

The pretty living room, made especially bright and cheery, spoke the welcome of the hostess and a clever contest, in which the work aprons were brought into play, furnished delightful diversion. The prize, a mounted photo of Baby Arnold, was won by Mrs. Potts.

Refreshments of delicious cake and cream marked the close of a most delightful afternoon.

Misses Mattie and Belle Woodburn were guests of the club.

Miss Mary Jones was a charming hostess on Thursday evening, when the pleasant home of her parents, Mr. and Mrs. J. S. Jones, was thrown open in welcome to the Beta Psi Deltas and the young men of the Owl Club, who were honor guests of the evening.

Enjoying their leap year prerogative, the young ladies assembled at the home of Miss Bess Snyder and proceeded to the club rooms where each fair maiden gallantly offered her protection and the pleasure of her company to some timid youth who coyly accepted the honor.

At the home of Miss Jones, an assortment of gray owls effectively grouped, added to the decorative scheme carried out in tastefully arranged pot plants, throughout the three reception rooms where tables were placed for forty-two. The club colors were also featured in the decorations.

The evening was spent most pleasantly and at its close pineapple bisque and angel food cake were served.

An interesting society event of the week was the marriage on Wednesday, of Dr. F. E. Bowe and Mrs. Edna Hodges, both representative citizens of Hereford.

The marriage was celebrated at the home of the bride, the ceremony being performed by Rev. R. E. L. Farmer in the presence of a number of relatives and close friends.

Following the ceremony an elegant wedding dinner was served at the Cordova Hotel. The guests included Rev. Farmer and wife, Mrs. J. H. Miller, Misses Elsie Smith and Ruth Campbell; Messrs. Frank Ball, Benjamin Hodges and Forrest Bowe.

Dr. and Mrs. Bowe number among Hereford's best people, both enjoying the esteem of many friends who will hasten to extend congratulations.

The Misses Norton were hostesses to the Beta Psi Deltas on Tuesday afternoon. Delicious refreshments of salad, iced tea, sandwiches, pickles, olives and cake were served.

Neighboring Society

The club members of the S. W. P., were delightfully entertained St. Patrick's day by Mrs. Anna Kirkman. The roll call was answered by each giving an Irish joke.

Mrs. Ina Mae Norton sang a beautiful Hawaiian song.

Mr. Goeber gave a burlesque lecture which added much to the amusement of the guests. He also sang.

The color scheme of green was carried out throughout the decorations and menu. In the center of the dining table was a large oblong

Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Dr. Price's Cream Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

reflector with green moss arranged around it, and at the edge of the reflector candy pigs were placed, a striking resemblance to real swine coming to water.

The menu consisted of chicken sandwiches, olive sandwiches cut in shamrocks, pineapple sponge, angel food cake and green punch. The favors were shamrocks with tiny clay pipes attached to each.

The guests finding their names on a card were requested to do the

stunt required of them. Mrs. Norton succeeded in doing hers most skillfully and was awarded the prize of a pound box of mints.

The next meeting will be with Mrs. Ida Lewis.

B. Y. P. U. Rally
 The convention held by the Baptist young people in this city the latter part of the week was a success from every standpoint.
 Delegates from Canyon, Miami, Am. rillo, Plainview, Friona, Black, Bovena, Claude and Goodnight, were present.
 Rev. Morgan, president of Goodnight College, preached the initiatory sermon on Friday evening, and with few changes, the program was given as announced last week. The addresses were full of inspiration, each one a message carrying hope and encouragement and commendation to this band of earnest young workers.
 The music also, was a spiritual uplift.
 Rev. G. P. Eastland, president of the Texas Gideons, preached to a large audience Sunday evening.
 The convention will be held hereafter, on Friday before each third Sunday in June. The next meeting will be held at Claude.
 Many encomiums upon the cordial hospitality of the local church people were heard from the visitors, and the convention was unanimously declared to have been a most successful meeting.
 The girls of Mrs. E. T. Barnett's Sunday School class were given a delightful afternoon at the home of their teacher, on Saturday.
 Games particularly adapted to children, followed by refreshments of cream and cake were enjoyed.

THE INTERNATIONAL SERIES.

Text of the Lesson, Acts ix, 1-14, 17-19. Memory Verses, 17, 18—Golden Text, 1 Tim. I, 15—Commentary Prepared by Rev. D. M. Stearns.

The first two verses of our lesson chapter describe Saul going on in the same spirit as when he consented to the murder of Stephen and kept the raiment of those who stoned him. He is still breathing out threatenings and slaughter against the disciples of the Lord (what a horribly bad breath from the pit), and he is indorsed by Israel's high priest, who was professedly God's high priest. The account of his zeal for the devil is written in five different places—in our lesson chapter and in Acts xxii, xxvi; Gal. I and 1 Tim. I. He confessed that he was a blasphemer and a persecutor; that he was exceedingly mad against the saints, beyond measure persecuting the church of God, shutting up men and women in prison and giving his voice against them when they were put to death and all the time thought that he was right in thus opposing the teaching and the followers of Jesus of Nazareth. He was, as he afterward said, blinded by the god of this world and ignorant of his devices, and it was an exceeding abundant grace that had mercy on him and saved him (II Cor. II, 11; IV, 1 Tim. I, 14).

The day came when he reached the limit, and God's clock struck its "no further" (Job xxxviii, 11). He was not at a preaching service nor under any so called means of grace, but on his way to imprison and kill more saints and nearing his destination, many in Damascus trembling if they knew of his coming, when suddenly, about noon, he fell to the earth because of a light from heaven above the brightness of the sun which shone upon him, and he heard a voice saying to him in the Hebrew language, "Saul, Saul, why persecutest thou me?" The people who were with him saw the light, but did not hear the words. He not only saw and felt the light and heard the words, but he saw the Lord Jesus (verse 17), who thus condescended to appear to him personally, as He will to the nation at His coming in glory, for it is written, "They shall look upon me whom they have pierced," and they shall say, "Lo, this is our God; we have waited for Him, and He will save us" (Zech. xii, 10; Rev. I, 7; Isa. xxv, 9). To Saul's question, "Who art Thou, Lord?" the answer came, "I am Jesus of Nazareth, whom thou persecutest." What an illustration of the assurance that believers are members of His body and that to touch one of His is as touching the apple of His eye! (Eph. v, 30; Zech. II, 8). Although Saul's natural eyes were blinded by this great light and he remained three days without sight, he received sight such as he never had before, the eyes of his understanding being enlightened, for the light of the knowledge of the glory of God in the face of Jesus Christ had shone in (Eph. I, 18; II Cor. iv, 6). From that hour he was born from above, a child of God, a sinner saved, a rebel surrendered, wholly submitted to Jesus Christ risen from the dead and ascended to heaven. The glory of that light from heaven made him forever blind to all human greatness or righteousness, and now to him to live was Christ (Acts xxii, 11; Phil. I, 21).

With trembling and astonishment he submittedly said, "Lord, what wilt thou have me to do?" And thenceforth he was the bondservant of the Lord Jesus Christ. What his communings were those three days without sight or food or drink, and where he went to in Arabia, and his experiences there for three years (Acts ix, 9; Gal. I, 15-19) we may perhaps learn from his own lips some day, but this we may be sure of—there was no one worth while to him but Jesus Christ. How wonderful are the words of the Lord to Ananias concerning him, "He is a chosen vessel unto me, to bear my name. . . . for I will shew him how great things he must suffer for my name's sake" (verses 15, 16). Compare chapter xxii, 14-16; xxvi, 16-18, and get a better grasp of his full commission.

Take to your own hearts, O fellow believer, that these things were written for us and that we, too, may be vessels unto honor, sanctified and meet for the Master's use, prepared unto every good work (II Tim. II, 21). The Lord had shown Saul, in a vision, during his blindness, a man named Ananias coming in, and putting his hand on him that he might receive his sight (verse 12), and Ananias in person literally fulfilled it, putting his hands on him and saying, "Brother Saul, the Lord, even Jesus, that appeared unto thee in the way as thou comest, hath sent me that thou mightest receive thy sight and be filled with the Holy Ghost." At once he received sight, something like scales falling from his eyes. He arose and was baptized, received meat and was strengthened and preached Christ in the synagogues that He is the Son of God (verses 17-20). He soon began to realize something of the persecution he had made others feel. But perhaps one of the sorest trials was when the disciples at Jerusalem refused to believe that he was a disciple until Barnabas, true son of consolation, persuaded them that he was truly a disciple and had been preaching boldly at Damascus in the name of Jesus.

Entertain Mothers

The teachers in the primary department of the First Christian Church entertained the mothers of the children in that department last Friday in a most interesting way. A short program was given, followed by refreshments of cream and cake. The program consisted of short talks, birthday box and a sand table demonstration.

The devotional exercises were led by Mrs. E. E. Ramsey, superintendent of the department. She followed this with an interesting talk on the co-operation of the parents and teachers. Dr. Faris, the pastor, gave a talk upon the necessity of regular attendance, illustrating the subject with a number of experiences in his work and showing that the early training was paramount and important.

The use of the "Birthday Box" was given a visual demonstration. Little Bonnie Zoe McElroy, who had recently enjoyed her sixth birthday, was the principal actress. First, six candles were lighted and placed upon a table; she then dropped six pennies into a small jar, one by one, counting as she did so. After this, she blew out each candle, thus making the whole exercise one of extreme interest. The "Sand Table" was placed where all could see the work. The lesson to be taught was the "Feeding of the Five Thousand," and the sand, with the use of other materials, was made to represent the country surrounding the Sea of Galilee. There were the mountains, the little valleys, the glassy sea, and even the little boat which was "pushed out from the shore," the crossing over, the following of the multitude, the landing on the other side, the boy with the "loaves and fishes," the seating of the multitude, the blessing of the Savior upon the meal, and the gathering up of the twelve baskets, all told and demonstrated by Mrs. A. C. Elliott, who has charge of one of the primary classes. The other teachers of this most interesting department are—Mrs. T. E. Shirley, Mrs. E. T. Barnett, and Miss Vinnie Neal.

Fifty ladies were invited, and but for the inclement weather, all might have been present. The hour was one of pleasure as well as profit.

Found a Better Way

A farmer friend of the Times a few years ago was in debt and had to borrow money to buy feed for his horses and other live stock. He had been trying to raise wheat and cotton and had met with some failures. He was about ready to give up. In order to keep things going he bought a few cows and began to sell butter and milk to a few customers. He also added some hens to his poultry flock and began to pay more attention to his poultry. Today that man is out of debt and has a very snug sum on deposit in one of our banks. He is raising more feed stuff, is milking more cows and keeps a larger poultry flock. He hasn't given up raising wheat and cotton, but these crops are no longer his sole dependence. A failure of one or both of these crops would not spell disaster for him now. He might fail to raise any crop of any kind for a year and still wouldn't be near the point where he was several years ago—ready to give up and quit. This man rides to town in an automobile now. His viewpoint of life is and life has changed wonderfully. The way is still open for transformation for other farmers in Wichita county.—Wichita Times.

UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tonic" Will Clean Your
Sluggish Liver Better Than Calomel
and Can Not Salivate.

Calomel makes you sick; you lose a day's work. Calomel is quick-acting and it salivates; calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked out; if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tonic instead of using sickening, salivating calomel. Dodson's Liver Tonic is real liver medicine. You'll know it next morning fine, because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of energy and ambition.

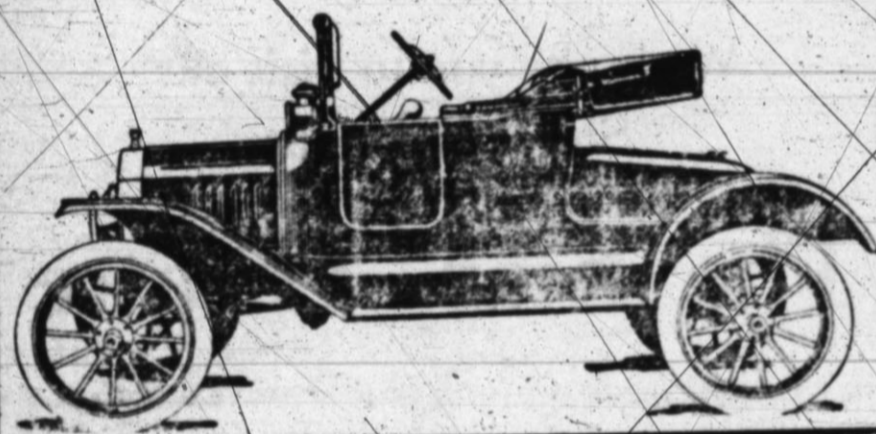

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tonic to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my word, reliable guarantee. Ask your druggist about me.

Election Law

The election laws of the state provide that in all elections by the people the vote shall be by official ballot; that no ballot shall be used in voting at any election, except the official ballot; that the judges of election, when satisfied as to the right of a citizen to vote, shall deliver to him one official ballot. In all City Elections, it is made the duty of the City to furnish all election supplies required, including official ballots. In order to have the names of candidates placed on the official ballot (where there have been no party nominations), the law requires that an application, signed by 5 per cent of the entire vote cast at the last general election, of the qualified voters shall be made to the Mayor requesting that the names of those mentioned in the application shall be placed on the ballot. It is thereupon made the duty of the Mayor to have such names placed on the official ballot. The statutes regulating this matter are Art. 3164 and the four following articles. It is not difficult to comply with the law in these particulars and, of course, it should be followed. The law forbids the election officers from counting any but an official ballot. Applications to have the names of citizens placed on the official ballot as candidates, should be filed in my office on or before Saturday, April 1st, next.

HEREFORD THOR-O-BRED TREES AND PLANTS

Have created a demand that is surprising even to ourselves. This year's sales will show an increase of 300 per cent over last year.

The fact that we will sell more trees this season than all other nurseries selling on the plains is significant.

For Twenty-five Years we've been on the alert—striving to give better results—Spending \$1000 per year in tests.

Is it not, therefore, worth your while to investigate our products?

ABOUT PARROT COMMUNITY

The Brand's Correspondent Sends Interesting Budget of News Items About Parrot Folks

The rain which came last Thursday was greatly appreciated in our community. In places it was accompanied by quite a shower of hail. The men of Parrott were all in Hereford last Friday delivering hogs on the market.

Rev. Lightfoot of Dimmitt, was at Parrott as usual on the 2nd and preached in the afternoon.

Mr. and Mrs. B. F. Neely, Mr. and Mrs. J. W. Hanlan, Mr. and Mrs. Hugh Renfro and Mr. and Mrs. E. Renfro, of Hereford, visited on Sunday, the 19th, at Orle Renfro's.

Mr. and Mrs. Frank Barber of

"SOME Doughnut!"

"Any time you want real goodies use Calumet Baking Powder! My mother uses it—she's tried all others—she's learned her lesson—now she sticks to Calumet."

"Unexcelled for making tender, wholesome, light bakings. Wonderful leavening and raising qualities—uniform results. Mother says Calumet is the most economical to buy—most economical to use. Try it at once. Received Highest Awards. Your Grocer Best Friend. No. 102 to Street Car."

Cheap and big can Baking Powders do not save you money. Calumet does—It's there for superior to sour milk and soda.

Dimmitt, are the parents of a baby boy.

Mrs. Frank Shepard is taking care of a very sore finger caused by cutting it with a knife.

Rev. Lightfoot went to Amarillo recently to meet his wife and baby and accompanied them back to their new home in the parsonage in Dimmitt. The members of the Methodist congregation gathered at their home soon after their arrival and gave them a "pounding." A goodly number of pounds were brought and installed within their kitchen. All reported an unusually pleasant evening.

Mr. and Mrs. Orle Renfro and Mr. and Mrs. J. W. Hanlan, spent the day recently with Hugh Renfro and wife.

Jack Metcalf of Wisconsin, who has been visiting his brother Frank Metcalf and family, has returned home.

H. D. Neely of Omaha, writes that ever since he left here three weeks ago, Omaha has experienced some severely cold weather. While we have been enjoying beautiful warm sunshine, he has been keeping close to the register with a big fire in the furnace. He will soon be back to the ranch here.

Mr. and Mrs. Jakey Wagner spent an evening last week at J. W. Hanlan's.

Miss Cotta Sisk has the new library books nicely numbered and arranged now and the pupils are enjoying good reading. Hazel Hacker is librarian.

Roy Wagner visited last Sunday with Floyd Hacker.

Mr. and Mrs. J. F. Hacker were supper guests at Frank Metcalf's Sunday evening.

A number of Parrott people attended the funeral of Mrs. Hughes, in Hereford, last Tuesday.

Mrs. John Hacker spent the day Wednesday with Mrs. J. W. Hanlan.

Mrs. Fay Neely has been quite lame with inflammatory rheumatism since she came here.

R. S. Neely has his scales installed and together with several other improvements, he says makes it look just like South Omaha.

Fay Neely received a carload of hogs in Hereford recently and brought them to the ranch here where he will feed out and put them back on the market.

This community was shocked to learn of the sad death of Mrs. Geo Hughes. She leaves a young husband and two little girls, one age four years, and a baby seven months old, besides her father, mother, two sisters and a brother to mourn her untimely death. Mrs. Hughes before her marriage was Miss Mittie Boydston. She lived in our midst and spent a part of her girlhood life among us. A shadow of sorrow has spread itself over the entire community and our hearts go out in

sympathy for the bereaved ones who are stricken with grief.

The weather changed early last Saturday morning and all day it looked like winter might be going to be again.

Little Marie Bacon spent a week visiting her grand parents, Mr. and Mrs. William Guthrie of Illinois who are located in the W. E. Hacker house where they will live this summer.

Presley Dyer and family returned from a visit with relatives in Lynn county.

Mrs. W. E. Hacker and Mrs. Wm. Guthrie called on Mrs. J. W. Hanlan Saturday.

Hazel Hacker visited Saturday night and Sunday with Mabel and Florence Hacker.

Chris Renfro and wife of Hereford, visited Orle Renfro's family on Friday.

Frank Shepard went to Hereford last Wednesday after some repairs for his threshing machine. Someone helped themselves to his horse blankets so Frank had to brace up and return in the rain without any "kivers."

S. D. McLain met with an accident last week in the way of a badly burned face. He is janitor at the Dimmitt school and after replenishing the fire with supply of soft coal, he opened the door to see if the fire was burning when the gas which had formed caused an explosion. His hair and eye brows were scorched and his face burned.

Mr. and Mrs. Fay Neely spent Sunday the 26th at B. F. Neely's.

Jerry Miller went to Amarillo Saturday night returning Sunday.

Mr. and Mrs. James Boydston and Zella have moved to Hereford to live with their son-in-law, George Hughes, as it was their daughter's request before she died that her mother help care for her two little girls. Jake Boydston has moved to his father's ranch and will batch there this summer.

Mr. Stegall has traded his one hundred and sixty acre farm here to Mr. Elliston for a twenty acre block in Hereford. Mr. Elliston also bought Mr. Stegall's stock including cattle and hogs.

VIRGINIA FARMER

Restored To Health By Vinol

Atlan, Va. — I was weak, run-down, no appetite, my blood was poor, I could not sleep nights and was rapidly losing flesh, but I am a farmer and had to work. Medicines had failed to help me until I took Vinol. After taking three bottles my appetite is fine, I sleep well, my blood is good and I am well again. — ORLANDO W. BORKEY.

Vinol, our delicious cod liver and iron tonic without oil, is guaranteed to overcome weak, run-down conditions, chronic coughs, colds and bronchitis.

Miss Millicent Griffith, superintendent of the Dimmitt public school and Miss Bonnie McPherson, principal of the primary department of the same school, were in Hereford last week visiting and shopping. Miss Griffith reports that her pupils have been doing good work this year, but what less should we expect under such capable and efficient leadership? She was accompanied by the trustees of the Dimmitt school, it being their purpose to buy the opera chairs now in the Star Theatre to be used in the chapel of their high school building.

Millinery

We are now in our new home at D. R. Gass & Son's, and our department all ready for business. Everybody is invited to come and see our millinery and get prices. On account of cheaper rent, and less expense, and the large stock we have on hand, we are able to offer some Great Bargains in Millinery. Come and see for yourself. Mrs. T. N. Heifner. 1

The Star Theatre

AS we failed to receive copy for our next week's program, we are unable to publish what the different reels will be; however, we feel confident of a good, entertaining program.

We are furnishing the same class of plays and features as are being given in the larger cities. All of these plays have passed the National Board of Censorship.

We use every endeavor to furnish a wholesome, clean show. We permit no rowdyism, no disorder in our house; our patrons come from the best people of the community. Any one who attends our show will testify to these statements as true. We invite public investigation and unprejudiced criticism; we want to give the people what they desire, and we await with pleasure when we can offer our patrons the services and conveniences of the new building now in course of erection, being built especially for our show and the pleasure of the Hereford people.

We invite you to visit our Show any night
