Shirley picked for program

By JOHN BROOKS
Managing Editor

Shirley School in Hereford has been named one of 82 schools in the state to participate in a Partnership Schools Initiative with the Texas Education Agency.

As part of the program, TEA Commissioner Lionel R. "Skip" Meno and Texas Gov. Ann Richards will likely visit the campus in the future.

"We are extremely happy that Shirley has been selected to participate in the program," said Hereford Superintendent Charles Greenawalt. "This is a great program that has been put together that will help our kids in many ways, and that is always our top priority."

The program is a new initiative aimed at improving student achievement by giving schools maximum flexibility from state education laws and regulations.

Shirley is one of three school campuses in the Texas Panhandle chosen for the program. The school will work closely with the Region 16 Education Service Center in Amarillo and the TEA to improve student learning and close the achievement gap between different student groups.

The program will work closely with teachers and administrators to develop more resources so they may work in new ways with students.

The program also calls for the school to expand its relationship with area colleges and universities, community organizations, businesses and others.

"The schools will be pioneers in an effort to achieve excellence and equity in student performance through reduced regulation and increased flexibility," Meno said Tuesday. "These schools will have the opportunity to obtain maximum regulatory relief as they work with the state and other entities to design programs which will result in meaningful student achievement."

The HISD submitted a one-page letter about Shirley, said Greenawalt, describing its existing status and the focus of its proposed initiative. The TEA also used a variety of data and student achievement profiles to select Shirley and the other schools.

Shirley administrators and teachers will put a program into place beginning with the 1992-93 school year to lead to improved performance by all students. The exact course of the program will be worked out by July 1, with implementation by Sept. 1.

TEA will provide resources for financial support to the Amarillo service center for the three area schools, with a full-time position created to provide direct services to the schools.

Bidwell joins hospital board

BY SPEEDY NIEMAN
Editor-Publisher

Dr. Robert Bidwell took a seat on the Deaf Smith County Hospital District board Tuesday night after being appointed to fill the vacancy created when Dr. Randal Vinther moved from Hereford.

Dr. Bidwell, who is associated with the South Plains Health

Providers Community Clinic, was administered the oath of office by County Judge Tom Simons during a regular meeting of the hospital board last night.

Hospital administrator Ron Rives also announced during the meeting that two new doctors were expected to join the Health Providers Community Clinic April 1. A husband-wife

team, one is a surgeon and family practice doctor and one a pediatrician. He added that this should improve the local health care situation and might decrease the work load at the hospital's emergency room.

In other business, the board approved a bid advertisement for a new ambulance, approved a motion to draw up plans for a facility to house ambulances and EMS offices, voted to extend hospital privileges for the medical staff for 30 days while a recreditation policy is formulated, and authorized the administrator to negotiate a one-year contract with a firm which handles insurance claims.

Dr. Jesse Perales, recently elected as chief of the medical staff, gave a routine report to the board. Other staff officers elected last week were Dr. Gerald Payne, vice chairman, and Dr. Robert Bidwell, secretary.

A report on the hospital's support of the county prison proposal was made by the hospital administrator. Rives also announced that the new Physician Recruitment and Retention committee authorized by the board had selected Margie Daniels and Speedy Nieman as community representatives, with one other to be named. Board members John Perrin and Dr. Stan Fry Jr. and doctors Bidwell and Nadir Khuri are on the committee.

Rives presented a proposal from Sterling Systems, Inc. on handling insurance claims and filing them electronically for faster turn-around. The administrator said the hospital's backlog on filing insurance and Medicare claims had become a problem. The firm interfaces with the hospital's computer to pick up insurance claims. They are filed by computer to the insurance carriers, saving time on the paper process and

mail. The company charges 2.5 percent on claims collected. The board authorized Rives to negotiate a contract with the firm.

Rives announced that a new lab director has been employed and will be moving here from North Dakota to assume duties Feb. 1. He also gave a report on the hospital's Home Health program which indicated a big increase in total visits and revenue. Skilled nurse visits rose from around 150 a month the first of last year to more than 400 the last three months. Billings rose from about \$12,000 a month for that same period to more than \$40,000 the past three months.

Rives and Paul Fowler, controller, discussed the operations report for the month. Fowler said the hospital is in a transition process on changing the computer bookkeeping system. While still showing an operating loss for last month, the hospital is decreasing that figure month by month, added Rives.

L.V. Watts, EMS director, discussed the possible purchase of a van-type ambulance to be used primarily as a transfer vehicle. This would free up the other two ambulances for primary care services. The board approved advertisement for bids.

Watts also asked the board to consider a facility to house ambulances and EMS offices. Directors voted to have plans drawn and consider the matter further.

Directors present for the meeting were Raymond Schroeder, president; Mal Manchee, Craig Smith, Dr. Stan Fry Jr., Boyd Foster, John Perrin and Dr. Bidwell. Staff members present other than Rives included Fowler, Ron Walton, Watts, Peggy Fox and Ray Mason. Three visitors attended the meeting.

Time is ripe for legislative reform

AUSTIN (AP) - With a longtime House speaker retiring and would-be successors courting colleagues' votes, government watchdogs say now is the time for reform-minded legislators to change the way laws are made.

"We have seen over the last 20 years that the longer a speaker serves, the greater his or her power grows. House rules should offset that tendency," said Evelyn Bonavita, president of the League of Women Voters of Texas.

Speaker Gib Lewis, D-Fort Worth, is retiring after his record fifth term as House leader. His predecessor, Billy Clayton, served four terms.

Lawmakers will vote on a new speaker at the beginning of the regular session in January 1993, after the November general election. They then will adopt House rules.

Common Cause and the League of Women Voters touted their recommendations to change House rules Tuesday, while Public Citizen called on the

state Ethics Commission to adopt new rules governing fund-raising and disclosure by speaker candidates.

As a top priority, Common Cause recommended changing to a secret-ballot system to elect the speaker. The other two groups have not taken a position on that question.

Common Cause's treasurer, Ruth Milburn of Houston, said that while it may seem unusual to back a secret speaker's vote, such a change would protect lawmakers voting against a winning candidate from possible political repercussions.

"We think it's important that our representatives in the Legislature be allowed to vote their conscience," Ms. Milburn said.

A House reform pushed by the League of Women Voters and Common Cause is requiring the Calendars Committee to meet publicly to schedule bills for House debate, rather than allowing bills to

be secretly killed by not being scheduled.

They also advocate lawmakers having a strong voice in who heads committees - Common Cause says committees should elect their own chairmen - rather than the speaker having sole appointment power.

The league also advocated that bills be given to lawmakers well before they must vote.

Among Public Citizen's recommendations to the Ethics Commission are that speaker candidates report what percentage of their campaign money comes from lobbyists; that their speaker's race financial reports show a running balance; and that unsuccessful candidates contribute any leftover money to the political party of their choice within 60 days.

"What is at stake is who controls the House - the lobbyists or the members themselves," said Tom Smith, director of Public Citizen's Texas office.

Smith also asked whether Lewis should be able to use funds collected for a speaker's race for legal fees in his misdemeanor ethics trial, scheduled to begin Monday. He said the Ethics Commission should quickly act on any new rules to ensure they give direction to Lewis.

John Bender, Lewis' spokesman, said he didn't know whether the speaker planned to use such funds for legal fees. Lewis has said he is innocent of the charges against him.

But Bender also said reforms pushed by Public Citizen go beyond the Ethics Commission's authority. "They're the kind of changes that need to be addressed by the Legislature," he said.

George Bayoud, Ethics Commission chairman, said the group's staff would make a presentation at a Saturday meeting on the commission's authority regarding the speaker's race.

THE LEGISLATURE

Jan. 21, 1992

The Legislature should commit to a responsible and fair level of investment in our public institutions in South Texas and other parts of the state that serve predominantly minority constituencies," Morales said.

Morales declined to say whether the state will appeal. He said he wants to meet with Gov. Ann Richards, legislative leaders and university officials before deciding how to proceed.

Higher education ruling appeal still to be decided, says Morales

AUSTIN (AP) - Lawsuit or no lawsuit, more money is needed for South Texas colleges and universities, Attorney General Dan Morales says.

"We have a system of public higher education in Texas that is inequitable, that is unfair ... Clearly, our state must do more," Morales said Tuesday.

"The governor, the Legislature, the higher education system, must do more to ensure equity - particularly with regard to the opportunities that we provide to minorities," he said.

A Brownsville judge on Monday ruled that the higher education system

discriminates against Mexican Americans. State District Judge Ben Euresti Jr. ordered lawmakers to bridge the gap by May 1, 1993.

The ruling came in a lawsuit by Hispanic groups that claimed the state discriminates against Hispanics by systematically underfunding schools in 41 counties stretching from Brownsville to El Paso.

Morales declined to say whether the state will appeal. He said he wants to meet with Gov. Ann Richards, legislative leaders and university officials before deciding how to proceed.

The attorney general said he hopes

the lawsuit can be settled rather than dragged through appellate courts for years as was the Edgewood vs. Kirby public school finance lawsuit.

The Legislature should commit to a responsible and fair level of investment in our public institutions in South Texas and other parts of the state that serve predominantly minority constituencies," Morales said.

Richards' spokesman, Bill Cryer, said Richards wants to increase funding for South Texas schools and noted that some progress was made by the 1991 Legislature.

Lunging try

Jennifer LeGate of the Hereford tennis team lunges at a ball during a doubles match Tuesday. Her partner, Michelle Berend (behind LeGate) looks on. The Herd tennis team lost to Canyon High in its first action of 1992.

Netters fall to Canyon in debut

The Hereford varsity tennis team started its season off Tuesday with a 12-7 loss to Class 3A state champion Canyon.

"I thought they did well," new head coach Natalie Sims said, "especially for the first matches of the season against Canyon, a tough team."

Seven of Hereford's winners were girls. In girls' singles, Hereford got wins from the three-eighth spots. Emily Fuston skunked Sara Parks 6-0, 6-0, while Sherry Fuston needed three sets to down Tiffany Lindsey 7-5, 6-7, 6-3. Jennifer LeGate beat Jill Harrick 6-3, 6-2; and Michelle Berend beat R. Pearcy 6-2, 6-2.

In girls doubles, The Hereford duo of Bri Reinauer and Gabriela Gamez beat Amanda Evans and Morian 6-3, 6-7, 6-0; and Brooke Weishaar and Lezly McWhorter beat Pearcy and Harrick 6-1, 6-4.

Donny Perales was the only Hereford boy to win Tuesday, dispatching Lane Canon 6-4, 6-4. Canyon took the rest: Joe Browder def. Jamie Kapka, 6-4, 6-1; Preetesh Patel def. Torey Sellers, 4-6, 6-2, 6-3; Steve Trevino def. Bobby Perales, 6-3, 6-4; and Lee Hay def. Chris Lyles, 7-5, 6-2.

In doubles, Browder/P. Patel def. Sellers/D. Perales, 6-2, 6-3; Satyen Patel/Trevino def. Kapka/B. Perales, 6-4, 7-6; and Brigham Rindlesbach/Canon def. Richard Drager/Lyles 6-0, 6-1.

In girls singles, Tara Van Doren def. Reinauer, 6-3, 6-4; Erin Metcalf def. Gamez, 6-3, 6-3; Amanda Evans def. Brooke Weshaa, 6-4; and Deana Brake def. Lezly McWhorter, 6-3, 6-3.

In girls doubles, Van Doren/Metcalf def. Fuston/Fuston, 6-1, 6-1; and Brake/Linsley def. LeGate/Berend, 7-5, 6-4.

The same Hereford girls who won at singles lost at doubles, and the doubles partners who won, lost at singles. All eight Hereford girls won one match and lost one.

Caprock clobbers Herd

Hereford's varsity basketball teams stumbled again Tuesday night as both boys and girls fell to Caprock at Whiteface Gym.

The girls' game was close, as the Lady Whitefaces were forced to foul at the end of the game but the Lady Longhorns missed enough free throws to almost lose a six-point fourth-quarter lead. Caprock held on and won 47-43.

Hereford boys' team lost 66-48, and though they were behind all the way, Caprock made it a blowout in the fourth by scoring 20 points to Hereford's nine. The Herd's poor play, especially in the fourth quarter, had Coach Jimmy Thomas visibly frustrated on the bench, and he left without comment after the game.

The Herd's record drops to 5-17 and 0-2 in District 1-4A. The Lady Whitefaces are 7-19, 0-4 in district.

On the bright side, all three of Hereford's sub-varsity teams which played Tuesday won games against their Caprock counterparts.

The Lady Whitefaces were behind most of the way, but close behind. Caprock's lead was 17-15 after one quarter and 30-27 at the half after a shot by Hereford's Wendy Hollingsworth beat the buzzer and bounced around before going in.

Caprock opened up a 39-33 lead at 5:40 in the fourth, and they maintained that lead until 2:30 was left, when Hereford started fouling.

Leo Brown led the Herd in scoring with 16, and Sanderson had 10, including two late three-pointers which made the score closer than it could have been.

The girls' junior varsity game was a blowout. Hereford won 46-18 for its third victory in a row. Hereford's lead after one quarter was 6-4, but a big fourth quarter (14-3) got the rout rolling.

"Cristal McNutt came in and kinda

sparked us," said O'Rand, coach of the JV. "Everyone started scoring in the second quarter. Then in the fourth, Claudia Ramirez came in and lit it up."

Ramirez scored eight of her 10 points in the fourth quarter. McNutt led Hereford with 12 points.

The boy's JV game was only a little closer as Hereford won 52-35. Coach Oscar Rendon said a big second quarter was the difference.

"We had a great second quarter and they had a bad one," he said. "We had 19 and they had 4. That helped us a whole lot."

That staked Hereford to a 29-15 halftime lead, and the Herd increased that to 43-24 in the third quarter.

"We had some good shooting; we had seven threes," Rendon said. Hereford got three three-point shots each from Angel Orozco and Corey Scott. Orozco totalled 11 points, second only to Tim Burkhalter's 12.

"Tim Burkhalter had a good defensive game," Rendon said. "Drew Radford played good defense on their best offensive player."

Hereford's sophomores beat Caprock 51-36. The big lead didn't exist until the fourth quarter, when Hereford outscored the Longhorns 21-15 to stretch a 30-23 third-quarter lead. Hereford jumped out to a 12-4 first quarter lead, but Caprock came back in the second to cut Hereford's lead to 19-14 at halftime.

Trey Skiles' 10 points led Hereford.

Ags set for Pigskin game

COLLEGE STATION, Texas (AP)

The Texas Aggies will play this summer in the Disneyland Pigskin Classic against an opponent to be named later.

Texas A&M officials accepted the invitation Tuesday, the Bryan-College Station Eagle reported.

Pigskin Classic officials hope to pair A&M with a West Coast team and plan to choose the second team this week.

The University of California is doubtful because of conflicts with Cal's summer school schedule.

However, Stanford remains a possibility.

Aggie coach R.C. Slocum said his team will take on any team the game's organizers can come up with.

"They asked if there was anybody we wouldn't play, and I told them we'd play anybody they want to line up against us," Slocum said.

KANSAS SKED

LAWRENCE, Kan. (AP) - If you are booking games for the University of Kansas basketball team, have an atlas handy.

A release from the school's athletic department shows that along the way the Jayhawk basketball team has faced opponents from 46 of the 50 states and also the District of Columbia.

The only states missing from the Kansas record book are Delaware, New Hampshire, Vermont and North Dakota.

Suns lose KJ, lose to Bulls

By The Associated Press

The Phoenix Suns were hot, giving them high hopes of extending a seven-game winning streak when they arrived at Chicago Stadium.

Those hopes were dimmed when Kevin Johnson injured his back in the third quarter. And unfortunately for the Suns, Michael Jordan was still playing for the Chicago Bulls, who beat Phoenix 108-102 Tuesday night for their 10th consecutive victory.

"I thought we could win this one," said Johnson, who had 18 points and 15 assists but sat out 11 minutes in the second half after playing the entire first half. "It kind of took the wind out of us when I left. Overall, this team has done well without me. Unfortunately, we couldn't pick it up tonight."

Johnson injured his lower back late in the third quarter when he was upended by Scottie Pippen going for a steal. At the time, the Suns had a three-point lead, but a 17-5 run spanning the third and fourth quarters put the Bulls in control, and they went on to their 15th victory in 16 games.

Jordan scored 23 of his 30 points in the second half for Chicago, which trailed by 14 points in the second quarter.

Elsewhere in the NBA, it was Portland 131, the Los Angeles Lakers 92; Houston 117, Milwaukee 107; San Antonio 114, the Los Angeles Clippers 100; Atlanta 128, Seattle 119; Sacramento 94, Denver 85; and Orlando 105, Minnesota 92.

Trail Blazers 131, Lakers 92

Nine Portland players scored in double figures as the Trail Blazers, notched their most lopsided victory of the season and Los Angeles suffered its biggest loss.

Clyde Drexler had 19 points, nine assists and seven rebounds for Portland, which improved its home record to 17-5. The Blazers outscored the Lakers 16-4 at the end of the first quarter, led by 18 at halftime and extended the margin to 31 in the third quarter.

Spurs 114, Clippers 100

San Antonio, playing under Bob Bass just hours after coach Larry

Brown was fired, got 17 points and 11 rebounds from David Robinson to win at home against Los Angeles.

The Spurs took a 17-point lead into the fourth quarter, then fended off a rally by the Clippers, who were led by Danny Manning with 23 points. Terry Cummings also scored 17 points for the Spurs.

Rockets 117, Bucks 107

Reserve guard Sleepy Floyd scored a season-high 31 points, including 16 in the fourth quarter, leading Houston over Milwaukee.

Hakeem Olajuwon had 23 points

and 13 rebounds and Otis Thorpe 20 points to help offset 28 points by Milwaukee's Dale Ellis and 20 by Jay Humphries.

Kings 94, Nuggets 85

Lionel Simmons had 18 points and 10 rebounds and Spud Webb 18 points and 13 assists.

The Kings, leading 77-62 at the start of the fourth quarter, saw the Nuggets get within seven with a 13-5 run.

Dikembe Mutombo led the Nuggets with 17 points and 19 rebounds.

Villanova surprises Big East, moves into 1st

By The Associated Press

The Big Ten and the Big East. Two basketball conferences always listed among the nation's best, it seems only logical their first-place teams, even this early in the season, would be among the country's top teams.

Fourth-ranked Indiana remained the only unbeaten team in the Big Ten with an 89-74 victory over No. 16 Michigan on Tuesday night, increasing its overall record to 14-2 and its conference lead to 1 1/2 games over Ohio State and Minnesota with a 5-0 record.

Sounds like the theory is holding up nicely.

Villanova's 70-60 victory over No. 13 Syracuse on Tuesday night vaulted

the Wildcats into first place in the Big East with a 5-1 record, one-half game ahead of Connecticut and a lot better than their overall mark of 7-7.

So much for that theory.

No. 4 Indiana 89, No. 16 Michigan 74

The Hoosiers won their 12th straight as Damon Bailey and Calvert Cheaney had 22 points each. Indiana went to the free throw line an Assembly Hall-record 50 times, making 33.

Bailey was 8-for-10 from the free throw line, grabbed a team-high five rebounds and tied teammate Chris Reynolds with five assists.

All those foul shots meant a lot of

fouls, and three of Michigan's heralded five freshmen fouled out, including Juwan Howard, who led the Wolverines with a season-high 26 points and 10 rebounds.

The Wolverines (10-4, 2-3) closed to 53-51, but Indiana rallied with 10 straight points, five by Bailey, to build a 12-point lead with 11:26 remaining.

Villanova 70, No. 13 Syracuse 60

Wildcats coach Rollie Massimino admitted his team was affected by playing for first place.

"We were a little apprehensive early, I guess because of the intensity of playing for first place," Massimino said. "I told them at haltime it's only a game, just relax,

and play like you know how."

That means defense, and Villanova held the Orangemen (13-2, 5-2) to their lowest output of the season, 22 points below their season average.

David Johnson had a season-low eight points for visiting Syracuse, well below his 22.8 average.

A 12-2 run by the Wildcats, capped by a jumper by Chris Walker, who had 17 points, gave Villanova a 57-44 lead with 5:35 to play.

No. 12 Duke 95, Boston U. 85

Christian Laettner had 25 points for the Blue Devils (13-0), who won their 19th consecutive game. Visiting Duke took advantage of its height advantage and spent a good portion of the night at the free throw line, making 36 of 56.

Trailing 85-61 with 7:45 left, the Terriers (5-8) went on a 24-9 run to get within nine with 19 seconds left.

Jason Scott had a career-high 30 points for the Terriers.

Tennessee 107, No. 8 Kentucky 85

With just over three minutes to play, the Volunteers (10-6, 3-2) led 83-76 and then went to work from the free throw line, making 17 of 22 foul shots in that span while Kentucky managed just two field goals.

The loss was the first this season in the Southeastern Conference for the Wildcats (14-3, 4-1). Allan Houston had 36 points and Carlos Groves had 23 for Tennessee. Jamal Mashburn led Kentucky with 28 points before fouling out with 3:28 to go, just seconds before the deciding run began.

No. 19 N.C. Charlotte 82, Davidson 70

The 49ers (12-2) rallied from their weekend loss at Duke to win the

"Battle of 1-85." Henry Williams had 21 points and James Terrell added 19 as North Carolina Charlotte led by at least seven and as many as 20 in the second half. Jason Zimmerman led the visiting Wildcats (5-8) with 26 points.

No. 21 Tulane 87, Va. Commonwealth 85, OT

Freshman guard Pointer Williams made five of six free throws in the final 31 seconds of overtime as the Green Wave (14-1, 3-0) rebounded from their first loss of the season with the Metro Conference win.

The Rams (9-6, 2-2) had one last chance, but Rod Ladd's 3-pointer bounced off the front of the rim at the buzzer.

Anthony Reed led Tulane with 16 points, while Kendrick Warren topped the Rams with 27 points.

Baylor spoils TCU's perfection

FORT WORTH, Texas (AP) - The Baylor Bears have proved that nothing is going to be sacred this year in the Southwest Conference basketball chase.

The Bears came into Daniel-Meyer Coliseum Tuesday and spoiled the perfect SWC record of cold-shooting Texas Christian with a 64-63 victory.

Nelson Haggerty and Joe Blasingim hit critical free throws in the final 24 seconds to lift the Bears over the Horned Frogs.

TCU dropped to 3-1 and into a tie with Texas for the SWC leadership. The Horned Frogs are 13-4 overall. Baylor is 2-2 and 9-6.

Also in action Tuesday was Houston, which whipped St. Louis 110-88 with the help of 18 points from Craig Lillie.

Houston is 2-1 and is the only other SWC team with a winning league record.

TCU couldn't get the spark it had Saturday night when the Frogs bounced Texas 76-73.

"We just could never get going offensively," said TCU coach Moe Iba. "Baylor showed it can play with any team in the conference."

The Bears like Daniel-Meyer. They stunned TCU 77-75 in overtime here last year.

"I'll take our 2-2 record," said Baylor coach Gene Iba. "We have a couple of tough road games out of the way now."

Cousins Gene and Moe are now 5-5 against each other.

Baylor is at SMU on Saturday in a noon regionally televised game. The Bears had been scheduled to play Texas A&M last Saturday but carbon monoxide leaked into the Aggies dressing room and forced a postpone-

ment. Brent Atwater hit a 3-pointer at the buzzer for the Frogs.

Baylor hit TCU with an 18-0 run early in the first half but the Horned Frogs made a late rally to trail by only 35-32 at intermission.

"In the first half nothing went in and it's as simple as that," said TCU center Reggie Smith, who had 10 points and 14 rebounds.

Spurs terminate Brown at his request

SAN ANTONIO (AP) - Larry Brown's stint with the San Antonio Spurs was the worst of times and the best of times in his lengthy professional and college coaching career.

Brown suffered through his only losing season as a coach his first year with San Antonio, but then led the team to two consecutive Midwest Division championships with high hopes for the playoffs.

On Tuesday, his 3 1/2-year career with the Spurs ended when owner Red McCombs fired Brown at his own request.

"I regret that it happened. He was a great contributor. And he left us a great legacy here to work toward," McCombs said, making the announce-

ment Tuesday morning.

Brown did not attend the news conference and did not return a telephone call from The Associated Press.

McCombs said Bob Bass, Spurs vice president of basketball operations and a former coach, would take over as Spurs coach the rest of the season.

Brown joined the Spurs as head coach in 1988, and during the 1988-89 season the team posted a dismal 21-61 record. It was Brown's only losing season in nearly two decades of coaching.

But the following year, after the addition of long-awaited star center David Robinson and several other key

The promising playoff showing generated talk of a possible NBA championship for the Spurs. But despite a 55-27 record in 1990-91 and another division championship, San Antonio was ousted in the first round of the playoffs by the underdog Golden State Warriors.

The current season got off to a shaky start.

Spurs may consider UT's Penders

AUSTIN (AP) - Texas Longhorns coach Tom Penders says he has not been contacted about taking a similar job with the San Antonio Spurs, but the NBA franchise's owner still may consider him to fill the vacancy.

San Antonio owner Red McCombs opened the spot Tuesday when he fired Larry Brown. As recently as last week McCombs said Penders would be a likely candidate to fill any Spurs opening.

"As far as if I think Tom Penders can coach in the NBA, the answer is yes. As far as if I'd consider him if I had a coaching vacancy, the answer is yes," McCombs said last week in an interview.

Penders said he wouldn't comment on whether he'd be interested in the job if offered it. Penders added that neither he nor his agent had been called recently by McCombs.

"I can't comment on anything like that because it's just not right, it's not professional," Penders said. "Right

now he's named a guy (Bob Bass) interim coach and that's all there is. There's been no communication. It's all speculation."

McCombs, a Texas alumnus, has been friends with Penders since the Longhorns coach came to Austin in 1988. The two regularly have attended several of each others' games every season since.

Penders has been rumored headed to the NBA - and even the Spurs - before. Last summer, he was interviewed by the New York Knicks for their head coaching job. Before the interview, he even consulted with McCombs.

"I talked to him about the Knicks job. He gave me some advice about that," Penders said. "I consider him a friend, number one, and I also consider him a guy who knows what he's doing."

Knicks president Dave Checkett said he was impressed with Penders and that he thought the 21-year

college coaching veteran could make it in the pros.

"I had heard that some people in San Antonio knew of him and really liked him," Checkett said in a phone interview from New York late last week. "If Larry Brown flies the coup ... it would not surprise me if (Penders) took the job there."

Penders has a seven-year contract considered lucrative by college standards. But he has been embroiled in controversy surrounding his star player, Dexter Cambridge.

Cambridge, a senior forward, is fighting the NCAA to regain his

eligibility, which was revoked when he admitted accepting a check from a junior college booster. His next and possibly final appeal will be Friday.

Penders revived a moribund Texas basketball program and turned it into a recent postseason participant. The Longhorns are one of only 17 teams to participate in the NCAA tournament each of the last three seasons.

The 46-year-old coach compiled a 270-209 record in 17 seasons at Tufts, Columbia, Fordham and Rhode Island before coming to Texas. With the Longhorns, Penders has gone 82-34.

who was with San Antonio the entirety of Brown's tenure.

When Brown was fired Tuesday the team had a 21-17 record and was in second place in the Midwest

Division behind the Utah Jazz.

Brown has said he one day expects to return to coaching college, although one of his goals was to win an NBA championship.

Two top Texas recruits arrested in Austin bar

AUSTIN (AP) - The parents of two star high school quarterback recruits bound for the University of Texas may decide whether their sons honor their promise.

Ryan Fien and Cody Danaher, who are both under the legal drinking age of 21, were arrested Saturday night and spent about nine hours in jail.

Fien told the Austin American-Statesman the drinks they were holding when arrested were bought for them at a bar on Sixth Street, Austin's nightclub district.

The two athletes, who Sunday made verbal commitments to play for Texas, were held in jail because they lacked proper identification, said Larry Sullivan, chief of enforcement for the Texas Alcoholic Beverage Commission.

Fien, a highly sought player from Simi Valley, Calif., said he still wants to attend Texas, but added that his father might not allow him to do so because of the incident.

But Phil Danaher, father of Corpus Christi Calallen quarterback Cody Danaher, told the newspaper he is angry over his son's treatment but placed no blame on the university.

A minor in possession of alcohol is a Class C misdemeanor punishable by up to a \$200 fine. A clerk in the office of the Justice of the Peace handling the case said a court day

would not be set for about five days.

Texas coach John Mackovic was out of town Tuesday and could not be reached for comment, his office said. An athletic department spokesman said the coach would likely conduct his own investigation into the incident.

"We had been in the bar about two minutes - I was sitting there talking to this girl - and this guy came up and asked me if I was a recruit," Fien told the American-Statesman from his home.

"I told him I was and that I was from California. He said he wanted to buy me a drink, and I told him, 'No, I don't drink.' But he brought me back a drink, and said 'here' and handed it to me, toward my chest.

"I just grabbed it to keep it from getting on my leather coat," Fien said. "I've never had a drink in my life. I know I'm a good kid. I was just in the wrong place at the wrong time."

Phil Danaher said his son's account of the incident is similar to Fien's.

A third person, UT freshman offensive lineman Tim Crain, also was arrested for the same charge, officials said. Crain did not immediately return a call to The Associated Press.

EARNINGS SOAR

PONTE VEDRA, Fla. (AP) - Earnings by the golfers on the PGA Senior Tour continue to rise.

Five players bettered the senior record for a single season in 1990. The previous mark of \$725,887 was set in 1989 by Bob Charles.

Lee Trevino, the top money-winner in 1990, took down \$1,190,518 in prize monies last year. Mike Hill earned \$895,678, Charles Coody \$762,901, George Archer \$749,691 and Chi Chi Rodriguez pocketed \$729,788.

BEATS HIS AGE

PONTE VEDRA, Fla. (AP) - When golfer reaches 70, if he can shoot his age or better it, he's doing something exceptional.

Jerry Barber, at age 74, was

exceptional on 37 occasions last year.

The record book shows that Barber shot a 74 or better in 37 of his 97 official rounds in 1990. On 26 rounds, Barber posted a score under 74.

TRAVEL PAYS

NEW YORK (AP) - Travel paid well for a horse named Jilzie's Gigalo in 1990.

Although he did not make his first start of the year until June 27, the hard-working racer won 17 times in 26 tries and earned \$78,885.

And he really got around, campaigning at 12 different race-tracks in nine states. His trainer, Linda Krueger, wryly commented: "He's broken down every track and trailer we own but he himself is doing great."

Ann Landers

DEAR ANN LANDERS: A while back one of your readers wrote about how her husband discovered his long-lost love at a high school reunion. It ended their marriage. I am panic-stricken that this may happen to me.

Years ago, my husband had a dream girl whom he hoped to marry. She chose someone else. "Nick" used to talk a great deal about this wonderful first love but it never bothered me. We have been married six years and have a child. I've always trusted my husband and never felt threatened.

A few weeks ago, Nick won an award which resulted in some publicity. This woman found out where he is and has called him at home several times, leaving messages. She also has written, I read and destroyed the letters and never gave him the messages. She is divorced and says she made a mistake and now needs him to be her friend. I'm sure that eventually she will connect with him.

I don't think Nick would leave me for her, but I believe he might be tempted to have an affair. That would destroy me and our family. I feel terrible keeping this knowledge from my husband but I keep hoping she will give up.

What should I do? I can't eat or sleep. I love Nick and can't share him with this romantic attachment from the past. Please help me.--Faithful Reader in Connecticut

DEAR READER: If "Attachment" writes or phones again, give Nick the message. Let him know that you love and trust him and that you are sure he would never do anything that might destroy his family. Then let it be.

Pleading, crying and threatening will only diminish you in his eyes and accomplish nothing.

P.S. Please write again in three months and let me know how this turns out.

DEAR ANN LANDERS: I have bet a dinner with the elderly sister of a Protestant minister that Christ is not Jesus' last name and that, in fact, his proper title is "Jesus the Christ" because Christ is Greek for "the second coming."

My friend says Christ is Jesus' last name. Will you please settle our bet?--A Christian Unitarian in New York

DEAR UNITARIAN: I sent your letter to Joseph Cardinal Bernardin of Chicago and asked him to be my authority regarding your bet. This is his response:

The Christian Unitarian is correct. "Christ" is NOT Jesus' last name. However, your correspondent is not correct in stating that "Christ" is Greek for "the second coming." The word for that is "parousia." "Christ" is a title which means "the anointed one," the Greek equivalent of the Hebrew word for "Messiah."

Can someone win half a bet?
Sincerely yours--Joseph Cardinal Bernardin, archbishop of Chicago

Club discusses member's Russia trip

Hereford Study Club met Thursday evening in the home of Mrs. John Shaw with 17 members and one guest present.

President Mary Story conducted a short business meeting and thank you notes were read.

Mrs. John Shaw gave a report on a trip made to Russia last spring. Her trip began with a three day stay in New York where she visited a McDonald's Restaurant on Wall Street. It was decorated with style with a doorman and a grand piano.

Visits to Moscow, Kiev and

Leningrad gave Shaw the opportunity to see such sights as the Kremlin, Red Square and Lenin's tomb.

Her trip was brought to a grand finale at a Russian Ballet. Romeo and Juliet was performed in a beautiful 200-year-old theatre.

Shaw hopes to return to Russia someday.

Members present include Barbara

Allen, Jean Ballard, Doris Bryant,

Morgan Cain, Elizabeth Ceasar, Allie

Cunningham, Hazel Ford, Mildred Garrison, Betty Gilbert, Elizabeth Hellmon, Nedra Robinson, Gladys Setliff, Gracie Shaw, Helen Spinks, Mary Story, Virginia Winget, Joan Yarbro and Leta Kaul.

VANILLA

America's Favorite Flavor! The light, subtle taste of pure, tropical vanilla comes through in every spoonful. Dress it up with nuts or granola or enjoy it like the purest—right out of the tub.

CHOCOLATE

Delicious, delightful, decadent! Chocolate the way it was meant to taste. Chocolate lovers rejoice! Now you can have all the chocolate you want without the worry of calories and cholesterol.

FUDGE BROWNIE

Brownie lovers surrender! We took one of our favorite flavors and gave it more punch than you thought possible. The taste of deep, dark fudge comes through in every bite.

PRALINE & CARAMEL

A New Orleans tradition! A light swirl of pralines candies and caramel in our best vanilla. Just the right sweetness, just the right crunch.

NEAPOLITAN

For the ice cream lover who wants it all. It's all here in Healthy Choice Neapolitan. three of our finest flavors—vanilla, chocolate and strawberry—side by side. It just doesn't get any better!

ROCKY ROAD

This one's got it all! All the chocolate you could ask for blended with a creamy marshmallow flavoring and fresh, chopped almonds. Make this one a two scooper—one will never do.

BORDEAUX CHERRY

From the finest orchards! Our special Bordeaux Cherries were selected from the best in the world. Sweet dark chunks of fruit are blended just right into our Healthy Choice Vanilla recipe. How can something this good be so good for you?

COOKIES N' CREAM

For the kids in all of us! We took chunks of chocolate cookies and swirled them just so into our rich vanilla. A favorite with kids of all ages.
