## T. E. SHIRLEY OFFERS A SITE FOR MEMORIAL

The Hereford Brand:

With some degree of hope of its early consumation, and a great deal of pleasure, I note what Mr. Knight has to say about the erection of a Memorial Sanitarium in the City of Hereford; and I submit the following:

If the citizens of Hereford, and Deaf Smith county will by free-will offering, or by taxation build and equip such a Memorial Sanitarium not to cost less than thirty thousand dollars, I will give two acres of land, well located, valued at one thousand dollars, or better still, if the building and equipment shall cost fifty thousand dollars or more, I will give five acres of land valued at twenty five hundred dollars. Such a building can, and ought to be built. Let us not forget that all we can do for those who have made the supreme sacrifice must needs be done for others.

Thornton E. Shirley.

The recent suggestion by Mayor Knight that the most suitable monument to the memory of those of our boys who made the supreme sacrifice in this War of Wars would be a Memorial Sanitarium seems to have taken hold of our people in a way that nothing else has done in ages. Numerous inquiries regarding the details of the proposed plan have been made, and the vast majority of those expressions so far heard by The Brand favor the project heartily. At last Monday's meeting of the Pastors of the city the plan was unanimously endorsed and each pastor pledged himself to work for the success of the movement. It was here suggested that each church, or each church society, or any other society interested, might furnish one room in the sanitarium, etc.

And now comes Mr. Shirley with a patriotic offer of a suitable site for the building! Thursday evening the Mayor will speak on this subject at the Union Thanksgiving services, and every citizen of the county ought to attend and hear his remarks.

There are many details to this matter, and The Brand will endeavor to lay them before the people of the county as they are suggested. This week we have secured a statement of some of the leading features of the law governing the erection of such a building, as follows:

The particular statute in question was enacted in 1913 and confers upon the Commissioner's Court of any County the power and authority to establish a County Hospital whenever the property tax payers, at an election held for the purpose, have authorized the construction of such a building and the issuance of bonds with which to construct it.

A petition signed by ten per cent (10 per cent) of the property tax paying voters of the County must be presented to the Commissioner's Court requesting that an election be had. The petition must state the amount of the proposed bond issue, whereupon it is made the duty of the Court to submit to the people the proposition of voting for the bond issue designated in the petition for the purpose of establishing a County Sanitarium.

If the proposition receives a majority of the votes of the property tax payers of the County, then it becomes the duty of the Commissioner's Court to establish and maintain the Sanitarium.

The statute confers upon the Commissioner's Court all requi-

## TWO NURSING CLASSES COMPLETE COURSE

Mrs. Jessie Ross, Red Cross nurse of Amarillo, who began the instruction of two classes of volunteers in elementary hygiene and home care of the sick a week ago last Tuesday, wound up the work last Monday afternoon with an examination of her pupils.

The members of both classes expressed themselves as very highly pleased with the thorough work of Mrs. Ross and the community is bound to be greatly benefited from the knowledge gained in these important subjects by the 21 local pupils.

Names of first class are as follows:

Mrs. D. C. Laird, Mrs. Fletcher Rogers, Mrs. A. L. Gibson, Miss Mammye Landrum, Miss Elzina Mounts, Miss Jane Gregg, Miss Edith Rayzor, Mrs. Carl Gilliland, Miss Johnnie Estes, Mrs. Criss Garrison, Mrs. Chas. Donald, secretary.

Names of the second class:

Miss Mattie McClurkin, Miss Jessie Sisk, Miss Cotta Sisk, Mrs. W. A. Stegall, Miss Annie Price, Miss Mary Gallagher, Miss Douglas Wilson, Miss May Mounts, Miss Clyde Wilson, Miss Helen Lea, secretary.

Mrs. Gilbert Fox returned to her home in Waxahatchie, Texas, Wednesday after a visit with her parents Mr. and Mrs. E. C. Carter.

Vivian Stambaugh, John and David McDonald who have been attending the military academy at Lexington, Mo., arrived Wednesday to stay until after Christmas. The school there is closed until that date on account of influenza.

## CLELL COTCHELL IS KILLED; THREE MORE BOYS ARE WOUNDED

The following letter was handed to The Brand a few minutes before going to press Wednesday afternoon. Jack Jones also wrote his father, confirming the death of Clell Cotchell:

Somewhere in France, Oct. 31, 1918.

Dear Home Folks:

Guess you had began to think I was not going to write any more; but I have been out on the front where one has but little time to write. I made it through all right but lost some of my best friends; and the worst of it all, to me was that Clell Cotchell got killed. About all I can tell you about his death is that he was wounded while going over the top and died some later. Taylor Keeler, George LeGrand and Grady Ponder were wounded; but I understand they are getting along alright.

I met my soldier brother Tucker out on the front, just where I least expected him. He is doing fine and has been promoted to a Captaincy. It has been recommended that he be cited for bravery for standing off a German patrol by himself. He left the front a little before I did but I don't know where he went.

I wonder how you are all getting along, also every one in Hereford. It is getting pretty cold here. The French civilians are preparing for winter the best they can, and rejoicing that they are rid of the Huns.

Write me soon.  
With lots of love,

The President has designated Thursday the 28th day of November as a day of thanksgiving and prayer and has invited the people throughout the land to cease upon that day from their ordinary occupations and in their several homes and places of worship to render thanks to God, the Ruler of Nations.

Now therefore in accordance with a long established custom of the American People and the proclamation of the President, I Wm. M. Knight, Mayor of Hereford, do hereby suggest and request that the people of Hereford and vicinity observe the day appropriately and in accordance with the invitation of the President.

An interesting program has been arranged and Thanksgiving services will be held at the Christian Church in Hereford at 7:00 o'clock p. m. on Thanksgiving Day to which the people of the town and county are invited.

As the President says "a new day shines about us in which our hearts take new courage and look forward with new hope to new and greater duties."

I suggest that there should be a large turnout of our people and that everybody attend the services imbued with the sentiments so expressed in the Presidential proclamation calling for an observance of the day.

WM. M. KNIGHT, Mayor of Hereford.

## THANKSGIVING DAY WILL BE THANKFULLY OBSERVED IN HEREFORD

The Brand is being issued on Wednesday of this week, in order to allow the force a holiday on Thanksgiving. There has been some talk of all business suspending for the day, by agreement between the merchants.

At first it was intended to hold joint Thanksgiving services in the forenoon, as usual, but owing to the fact that the schools will not turn out until one p. m. due to great loss of time recently, the hour for religious services has been changed to 7:00 p. m., at the Christian church, the sermon to be delivered by the Rev. J. E. McClurkin of the Baptist church.

## ROLLA LOVELACE IS BACK ON A VISIT

R. W. Lovelace, for many years manager of the local telephone system, but now manager of the telephone office at Hillsboro, Texas, arrived in Hereford Monday for a visit with friends and relatives. Mrs. Lovelace and baby arrived here several days ahead of her husband.

Rolla says he likes Hillsboro, although the change of climate at first seemed to throw him off his feet, and he contracted the "Flu". He is thin but smiling.

## YES

Our pledge to take War Savings Stamps must be met in full.

No Exceptions; no reductions.

The war is won. This is worth more than all we have.

But our wonderful Army has not come home yet.

Lets stand by them.

Don't be ungrateful.

The Government must have the use of all the money we pledge.

We can raise it some way.

"WHERE THERE'S A WILL THERE'S A WAY"

The time is nearly out: GET THE STAMPS NOW.

They are no expense to us.

We get all we save and put in stamps.

They are better than money.

We can't lose on them.

We get interest.

No tax on them.

It is a short loan.

We can get the money on them in ten days.

Get them to keep.

DON'T CASH THEM; unless it is absolutely necessary.

USE THEM FOR CHRISTMAS PRESENTS.

Our boys risked all.

Lets be GLAD to do our part. And DO IT NOW.

Don't wait until the last. We can't DELIVER all the stamps right at the last.

Tell all the children, and everybody else, that the 25c stamps MUST be changed for \$5.00 stamps before the end of the year. No provision is made to redeem the 25c stamps after 1918.

## RED CROSS TOTAL OF WORK DONE AMAZING

### SCHOOL BOARD ISSUES STATEMENT ON "FLU"

After a thorough canvass of the Influenza situation in Hereford and Deaf Smith County, we the Board of Trustees of the Hereford Independent School District, in session, think it NOT necessary to again close the school. But,

To safeguard the life and health of the citizenship of our community against this infectious disease, INFLUENZA, and to prevent its further spread, we will respectfully and courteously ask the patrons of the school to adhere strictly to the following proposals:

1. In homes where Influenza does prevail, but children are temporarily quarantined with relatives or friends, and do not go home until Doctor permits, shall be allowed at school.

2. In homes where Influenza has developed, but the patient was immediately transferred to a Sanitarium and proper precautionary measures have been taken under the direction of the Health Officer, the children shall be permitted at school.

3. In homes where a patient and school children be and remain in the same home, children must not be sent to school.

4. Rather than have any further loss of time to upwards of 500 children in curtailing their school days of precious Educational value, we think it better to quarantine the few cases in our midst, than to place the quarantine on the whole community, and with the co-operation of the sick, as well as those not exposed, this can be accomplished and yet our school continue.

Respectfully submitted,  
R. N. Mounts, Pres.

### DIXON TURNER OF CASTRO COUNTY IS WOUNDED IN ACTION

Another silver star has been placed upon the honor flag of Castro county.

Dixon Turner of Dismitt, a member of the 142nd Infantry, 36th Division, was wounded severely in action, October 23rd, according to a telegram received on November 26th by Mrs. Turner who is living in Hereford at the present time. No details have yet been received.

Mr. Turner went to Camp Bowie for training May 25th, 1918, and on July 11th was sent to Camp Mills, sailing on July 19th. He was a stretcher bearer and had been to the front once, returned for a short rest, and had gone back to duty the second time for active duty when he received his wound. This is deduced from his letter written just before the date of his wound. He is a son of Mr. and Mrs. J. E. Turner of Dismitt.

### MISS MAMMYE LANDRUM TO NURSE FOR RED CROSS

Miss Mammye Landrum received her appointment to the Red Cross work the first of the week, and will be sent to St. Luke Hospital at Newburg, New York. Miss Landrum will not leave until some time in February as at present there are no vacancies.

COURT NEWS.  
County Court will meet the first Monday in December.

Chairman R. T. Evans of the Deaf Smith county Chapter, American Red Cross, announces the following chairmen of standing committees for the ensuing year:

Finance..... D. L. McDonald  
Membership..... Carl Gilliland  
Production..... Mrs. Fletcher Rogers  
Military Relief..... Mrs. W. A. Price  
Nursing Service..... Mrs. Seth B. Holman  
Home Service..... Mrs. L. E. Bradley  
Junior Membership..... Prof. Lin Fersch  
Extension..... F. H. Oberthier  
Conservation..... C. H. Dyar  
Publicity..... Seth B. Holman

The success or failure of the work of the local Red Cross chapter for the ensuing year has been placed in the hands of a new Board of Directors, announced in last week's Brand. The actual work itself, or a large share of it, will devolve upon the committee chairmen, responsible for certain defined lines of work. All of these committees are important, but the three most important are the financial, membership and production departments.

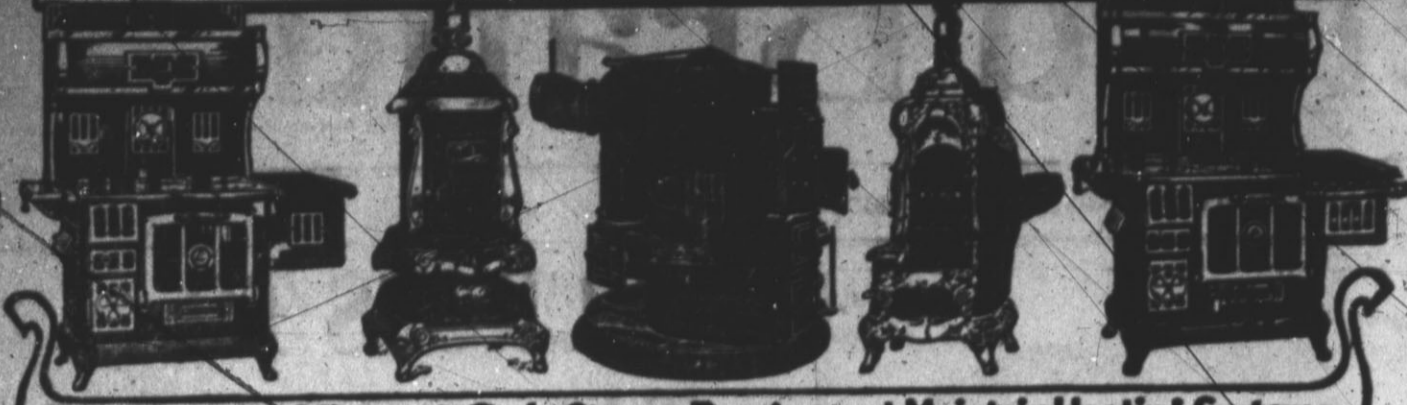

Chairman Evans says that the work the coming year will be much harder in one way than it has been the past year, although the demand for the output will undoubtedly be lighter. The reason it will be hard will be that the "war is over" and the immediate war appeal will be lacking. However, there is a world of work for the Red Cross to do the coming year, and the Board is firmly convinced that the people of the county will come to the front with the county's share as promptly in 1919 as they did in 1918.

The report of Mrs. Carl Gilliland, Chairman of Production, for the past year, is simply marvelous. It shows a volume of work accomplished by the devoted women of this community that is almost unbelievable. The report includes the work of the Belgian Relief committee, Mrs. R. T. Evans, chairman, as follows:

- Hospital Supplies
- 354 pajama suits
- 1119 bed shirts and drawers
- 54 operating gowns
- 25 sheets
- 89 pair bed socks
- 67 tray cloths
- 53 ice bag covers
- 220 comfort bags
- 744 wash cloths
- 30 pieces old linen
- 6455 shot bags
- 1 afghan
- 65 convalescent robes
- 48 bed jackets
- 136 helpless case shirts
- 1482 towels
- 30 leggings
- 82 comfort pillows
- 108 hot water bags
- 171 napkins
- Comfort bags (money enclosed) \$76.95
- Christmas bags (money enclosed) \$3.50
- 422 pkgs. gun wipes
- 1 bolster cover
- 3215 miscellaneous
- 250 bedside bags
- 3056 miscellaneous (including trench pillows, old linen, etc.)
- Surgical Dressings
- 11041 bandages
- 45415 gauze dressings, compresses, etc. 44 heel rings
- 6724 cotton and oakum pads
- 1080 webbing splint strap
- Military Relief (Camp Bowie)
- 44 comforts
- 45 pair blankets
- Knitting
- 515 sweaters
- 116 helmets
- 21 whistles

**THE GREATEST OF THANKSGIVING DAYS.**

Lincoln said at Gettysburg that there was every propriety in dedicating part of the battlefield as a memorial. But he added that the work of the dedicators had, in a sense, been anticipated.

There is every propriety in a U. S. president's Thanksgiving proclamation—just as much as there was in Lincoln's dedication address. But this year a good many of us began to be thankful about a month before Thanksgiving Day.

The weight of a great anxiety has been lifted from those whose relatives have been in war service in the field. The highest patriotism, the deepest sense of devotion have not in any way allayed their fears on behalf of kinsfolk called to face peril of death or mutilation worse than death. And even in a minor degree there is comfort in the assurances given generally by employers that positions of the fighting men have been kept for them.

Amid our rejoicing there should sound a note of deep sympathy for those who have been maimed on the battlefield and for the families of the killed. It should be heard through the years from one Thanksgiving Day to another, and find its expression in national effort to lighten the load of those to whom the fortune of war has been ungenerous. No material sacrifice that we can make will ever discharge our debt to those who have lost health or bodily faculties in the most righteous quarrel that was ever fought.

Our boys in France probably feel as the audience does when the curtain goes down: They want to put on their wraps and start for home.

It would be interesting to know whether a young man whose regiment is disbanded after receiving one fourth of its training in an American cantonment would accurately be described as a soldier or as a demi-semi-soldier.

Holland evidently does not care to have German gentlemen of high degree elect to reside within it.

When our troops come marching home, among the wild exclamations with which we greet them should be the thunderous question, "Parlezvous Francais?"

We trust that the last "hymn of hate" has been sung, and that the enduring popular song of the world will hereafter be, "Peace on earth, good-will to men."

It never occurred to the Germans that the "Watch on the Rhine" would some day be an American watch.

The American boys who hoped to meet the Kaiser in Berlin must be sadly disappointed that he did not remain there for an introduction to them. Hearsay knowledge of them was probably all that he cared for.

The daily papers look strange without the war maps. It was "the only war we had," and it is natural that we should miss it a little.

The United States appears to be receiving Mr. McAdoo's proposal for the reduction of the new tax bill with much cheerfulness and equanimity.

Of course when the armistice was signed President Wilson could not join the wild crowds in the street. But if on receiving the news he had relaxed his dignity by a little private song and dance of his own, who could blame him?

Reconstruction and readjustment appear to be the order of the day. What special reconstruction do you need? A joyous Thanksgiving, this of 1918, yet deeply tinged with the pathos and glory of the white crosses which our nation claims upon the fields and hillsides of France.

The November portion of that W. S. S. Pledge is due by November 30th. Be ready to meet it. The Government says your pledge is a binding obligation.

To the Sheriff or any Constable of Deaf Smith County, Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Deaf Smith County, a copy of the following notice:

**THE STATE OF TEXAS.**

To all persons interested in the Estate of Mrs. Ola Giles deceased, Tom Giles has filed in the County Court of Deaf Smith County, an application for letters of Administration upon the estate of said Mrs. Ola Giles deceased which will be heard at the next term of said Court, commencing on the first Monday in December A. D. 1918, the same being the 2nd day of December A. D. 1918, at the Court House thereof, in Hereford, at which time all persons interested in said estate may appear and contest said application, should they desire to do so.

Herein I fail not, but have you before said Court on the said first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, this 19th day of November A. D. 1918.

**W.S.S. FUND FOR EVERY FIGHTER**

Every soldier, sailor and marine who returns home from the service should find a "fighting fund" waiting for him. Every home should commence building up this fund now by investing in United States War Savings Stamps and laying them aside to be given to the fighter upon his return.

If relatives and friends of the men who have achieved victory want to show their appreciation they will now commence putting aside War Savings Stamps to be presented to them on their return.

By doing this, it is pointed out by the Government, not only will there be a number of first-class Treasury securities paying good interest, to assist every fighter when he returns to civilian life, but the money invested in these War Savings Stamps will enable the Government to feed and clothe the soldier, sailor or marine until he is discharged. To properly care for its men until demobilization is made, the Government must spend in the neighborhood of \$50,000,000 every day and, it is further pointed out, it will be approximately a year before the army can be demobilized and the fighters returned home.

Start that fund for that fighter now by investing in War Savings Stamps for him.

Show him that you appreciate what he has done.

**GOVERNMENT IS CALLING FOR W.S.S. PLEDGE PAYMENTS**

The official call for the payment of War Savings Stamp Pledges due on or before November 30 has been issued by the Government. All persons who have pledged themselves to buy War Savings Stamps are advised that the November portion of their pledge is payable at once, and that the Government desires the December portion paid now if possible. Wherever possible a reminder card calling attention to this fact will be sent to pledged persons at the direction of the Government, but the non-receipt of such reminder card does not indicate that the pledge is not due and that the Government is not expecting prompt payment.

The signing of the armistice does not affect the validity of War Savings Stamp Pledges. These pledges, it is pointed out, are binding obligations made by the individual, they bear his name and are held for payment by authorized agents of the United States Treasury Department.

Nor does peace relieve the Government of its expenses or all loyal Americans of the duty of being economical and investing as heavily as possible in War Savings Stamps in addition to the amount already pledged and recorded by the Government. For the next year the Government's expenses will average approximately \$50,000,000 every twenty-four hours. This represents taking care of United States soldiers in Europe and caring and meeting obligations incurred during the period of hostilities. Every person will be required by patriotic duty and the needs of the time to observe the same rules of personal economy and saving that were practiced during the period of actual fighting.

Pep Systemic Pills, the New Iron Compound, Contain Blaud's Mass.

Pep Systemic Pills possess the qualities of a general tonic, blood purifier and liver stimulant, all combined in one, and have a marked advantage over other tonics that are used for only one particular ailment. Being composed of Blaud's Mass and reinforced by other valuable nerve, blood and alternative tonics, they quickly bring back color to the skin and change the pallid, morbid condition of the body into a robust and healthy one, without discoloring the teeth, thus eliminating

one of the great drawbacks of other iron tonics.

Pep Pills have a general stimulating effect upon the liver, which is an aid to the secretions that throw off poisonous wastes of the body. These wastes, if not eliminated, usually result in various dreaded diseases.

These Pills are guaranteed to increase your vitality and strength and to relieve constipation, nervousness, sallow complexion, impure blood and that tired, exhausted feeling.

Try a box today and see how quickly they will tone up your system and give you renewed strength and energy.

### From Camp Travis

Camp Travis, Texas, November 18.—As if a gigantic lever had been thrown, the machinery of the mammoth receiving station at Camp Travis was reversed at the signing of the armistice, and recruits of the latest draft who a few hours before had been transformed from civilians into soldiers quickly were restored to their former status and were paid off and sent back home.  
Beyond the return of this increment the local officials are without further demobilization orders and probably not before congress acts will any of those who came to camp in previous increments be released. On the other hand the intensive training program of both the 165th Depot Brigade and the Cactus Division is being pushed as if the struggle still was raging over on the other side of the Atlantic. Transfers from the depot brigade to the division are continuing.  
Although regulations have not yet been fully drafted it is certain that men now in the military service of the United States, and this includes the naval service, who are carrying voluntary insurance under the government war risk provisions will be permitted within five years after peace to convert it without further medical examination into ordinary life, twenty pay life, endowment maturing at the age of 62 or other prescribed forms of insurance will be arranged by the government and not by private companies, and the cost is expected to be at least one-fourth less than similar forms issued by private companies. The low cost will result from the government paying all overhead administrative costs, which in private companies amounts to about 17 per cent, and will also save solicitation fees. The government proposes to collect premiums monthly if the men wish to pay by this way, or for longer periods in advance. This may be done through the post-offices.  
The minimum amount of insurance is expected to be \$1,000 and the maximum \$10,000 with any intermediate amount, providing it is in multiples of \$500. There will be provisions for

payments in cases of disability as well as death, according to the present plan. About 95 percent of the men in the United States army and navy already have taken out this insurance, covering their enlistment period and the average policy is for approximately \$8,000.  
With a view to the instruction of recruits and for a uniform observance of the subject of saluting, a poster illustrating the correct hand salute has been authorized for issuance in Camp Travis by Brigadier General George H. Estes, camp commander, copies of the poster to be placed on all bulletin boards of all organizations. The poster is the idea of Col. T. M. Coughlan, executive officer of Camp Travis, who adopted it from illustrations in the Infantry Drill Regulations, the army manual. Colonel Coughlan directed posing by Lieutenant Merle Eggle for front, left and right views. General Pending places great emphasis on the necessity for all United States soldiers to be well grounded in the military salute and countless appurtenant thereto, citing as a model the West Point methods. It is noted in the poster just issued that the arm from the shoulder to the elbow is not raised to the side in saluting, but is thrown directly to the front, the forearm then being brought to the prescribed 45-degree angle.  
While admitting that there will be a number of cases of influenza throughout the winter with a few resultant cases of pneumonia and perhaps an occasional death therefrom, health authorities declare the epidemic stage has been passed and the siege which resulted in nearly 12,000 cases of influenza and more than 2,000 cases of pneumonia now is a thing of the past. No bad effects have resulted from the lifting of the quarantine after having kept the lid tight for forty-one days. There were only 201 deaths during that period, a remarkably low record compared to the experiences of other camps and cities.  
To the officers and members of Hereford Lodge No. 476 I. O. O. F.:  
We, your committee appointed to draft resolutions on the death of Bro. H. T. Green, beg leave to submit the following:  
Whereas, The Supreme Ruler of the universe, in his infinite wisdom, has seen fit to remove from our midst, Bro. H. T. Green, and  
Whereas, in his death our Lodge has lost a most worthy member, the community an upright citizen and an honorable man, and the family a kind husband and father: Therefore be it  
Resolved, that while we feel our loss and a vacancy exists in our Lodge, we bow to the will of our creator; be it further  
Resolved, that we extend to the bereaved family our heartfelt sympathy in this sad hour of affliction, and be it also  
Resolved, that a copy of these Resolutions be spread upon the minutes of the Lodge, a copy sent to the family of the deceased Brother, and a copy be furnished the local paper for publication.

### APPROVES PLAN FOR THE MEMORIAL

To The Brand:  
In regard to a Memorial Sanitarium in Hereford, as suggested by our Mayor, I do not believe that Judge Knight could have suggested anything that could have the possibility of as great good as the suggested Memorial.  
Our boys lost their lives while fighting for humanity, and the Memorial would be a very fitting monument to our War Heroes. It is a great thought. And in this move may not only be embodied the ills that need immediate attention, but every poor child in the county who has had eyes, had throat and bad mouth may have proper attention free of charge, and possibly under the supervision of the Red Cross.  
Such a move would ultimately lead to the point where every person in this county would receive proper medical attention.

## SOCIETY AND CLUBS

MISS CECIL GILLILAND, Phone 30

### THE BAY VIEW CLUB.

On Nov. 21st, 1918, the Bay View Club had a splendid meeting at the home of Mrs. Seth B. Holman, with Mesdames Holman and Guthrie as hostesses.

Mesdames B. S. Arnold and H. A. Tandy of Amarillo, Texas, invited the club as a whole to be their guest for the week end on Friday of next week. After much discussion of the pleasure of such a week end with our two former Bay View members as above men-

tioned the following program was rendered:

Ibsen's use of Social Conditions as Material for Drama—Mrs. J. E. Ferguson.

The Characters in "A Doll's House"—Round Table.

Brief Review of "ghosts"—Mrs. Chas. Donald.

(a) Concentration of the Action of Ibsen's Plays upon the "Catastrophe."

(b) The Shortness of Time the Simplicity of Action and the Economy of Characters in "ghosts"—Mrs. Arch Collins.

After a delicious lunch of sandwiches, olives, potatoe chips and hot coffee the club adjourned to meet Nov. 28th with Mrs. R. T. Evans with lessons for Nov. 14th and 21st to be prepared for this meeting.

The Methodist Missionary society will meet Wednesday December 4th, 1918 at the home of Mrs. G. A. F. Parker with Mesdames Parker and Ashbrook as hostesses. This being the December social meeting an interesting program is being arranged, and a full attendance is expected as this is also the day for election of officers.

### Report of Circle No. Three

Mrs. Stanley kindly invited our Circle out to her home in the

country but, owing to a norther, it met at the lovely and ever ready home of Mrs. R. N. Mounts.

After the dear old time song, "Jesus Lover of My Soul," Mrs. Connell offered a touching prayer.

Mrs. Pitman led in the devotional by reading the 12th Chapter of Romans, a chapter well suited to the times, and full of wisdom and loving comfort.

Mother LeGrand then had charge of the lesson, giving the privilege of asking as well as answering questions. This gave an exchange of ideas as well as much enjoyment. We were happy to have so many present.

A short business session followed. A good report was made for Red Cross. Our President suggested sending Bro. McClurkin to the Convention which met with hearty approval. Plans were discussed for the general meeting.

Mrs. Bourn dismissed us with an earnest prayer.

ite power and authority to establish and maintain the institution which are specifically defined.

It is made the duty of the Commissioner's Court to appoint a Board of Managers consisting of five citizens of the county, two of whom must be practicing physicians and at least one of whom must be a woman. The terms of office of the members of the Board are two years. These managers are forbidden to receive any compensation for their services but may be allowed any actual and necessary expenses incurred in looking after the affairs of the institution.

The entire management and control of the Sanitarium is vested in this Board of Managers, and it alone is responsible for its proper and efficient management.

The law provides that the Board of Managers shall organize by selecting from its number a president, vice-president, secretary and treasurer. It is also required to appoint a Superintendent of the hospital who holds his office at the pleasure of the Board, and who must not be a member of the Board of Managers.

The Superintendent is required to be either a qualified practitioner of medicine or some other person especially trained for work of that character.

The Board fixes the salaries of the Superintendent and of all employees.

The Board of Managers shall have the general superintendence, management and control of the said Hospital, of the grounds, buildings, officers and employees thereof; of the inmates therein, and of all matters relating to the government, discipline, contracts and fiscal concerns thereof; and make such rules and regulations as may seem to them necessary for carrying out the purposes of such hospital.

The Superintendent is made the chief executive officer of the institution but is at all times subject to the rules and regulations prescribed by the Board of Managers. He supervises the receiving of patients into the institution and is required to protect the institution from imposition and generally to see that it is properly operated. He is a bonded officer and is required to collect and receive all moneys due the institution and to make monthly reports to the Board of Managers.

Provision is made that any resident of the county on a proper showing shall be admitted to the institution for treatment. Any practicing physician in the county may apply for the admission of any of his patients.

If the patient or his relatives are able to pay for his care then they are required to do so. If the Superintendent finds that the patient or his relatives are not able to pay either in whole or in part for his care and treatment then the same is made a charge upon the County.

The law forbids that any discrimination shall be made in the care or treatment of any patient because of the fact that he is able to pay for the cost of his maintenance. The law forbids that any patient shall be permitted to pay for his maintenance a greater sum than the average per capita cost of maintenance therein, and forbids any officer or employee of the institution to accept from any patient any fee, payment or gratuity whatever.

The statute contains numerous provisions absolutely forbidding any discrimination to be made in the treatment of the rich and the poor. If a patient is able to pay for the services rendered him, the

### EVER SALVATED BY CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is! It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out, and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a days work. Dodson's Liver Tone strengthens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

**The War Organization of Christian Science.**

The War Relief activities of the Christian Science churches have been carried on so quietly that the public is hardly aware of the efficiency of the welfare and relief work already accomplished in France and in the various camps in this country. Six Christian Science chaplains are ministering to the soldiers at the front; two parties of welfare workers, thirty in all, have gone over to engage in war relief work, and a large force of able directors and assistants are carrying Christian Science cheer into the cantonments. To condense the matter, Christian Scientists are out to win the war. There are no slouchers among their numbers, and the money that is needed for their relief work pours in without solicitation, and as rapidly as it is required.

Christian Science teaches soldiers to trust to the limitless power of the Christ-mind for protection, to go forth with unshakable faith, that whatever befalls is in the will of Divine Mind, and that, therefore, there can be no such thing as fear. A good morale is the better part of victory, and upon a practical foundation of physical comfort and equipment for the men in training and in the field Christian Science upbuilds a protective structure of unassailable faith. Already many accounts have come back from the trenches of seeming miracles which followed the trust of men, who were in extreme danger, in the promises of the Ninety-first Psalm:

Thou shalt not be afraid for the terror by night, nor for the arrow that flieth by day;  
Nor for the pestilence that walketh in the darkness; nor for the destruction that wasteth at noonday.

A thousand shall fall at thy side, and ten thousand at thy right hand, but it shall not come nigh thee.

Mr. James Arthur Seavey, writing in the New York Times, says:  
It is possible to realize, and with no great mental effort, that an American soldier overseas, certain in his mind that all is well at home, and having neither camp grouch nor trench grouch, will fight harder and more intelligently than the soldier whose mind is troubled and distraught. If that be true, then the Christian Science brand of happiness handed over to the rookie in the training camp makes for fighting efficiency. If it does, more power to it! Congress ought to make a special appropriation for its general distribution.

And these Christian Science soldiers meet another brigade of happiness purveyors almost as soon as they debar from the transports. The army welfare work in France and in Flanders is in charge of Paul Harsch, nine lieutenants, and hundreds of assistants.

Mr. Harsch was formerly First Reader in the First Church of Christ, Scientist, in Toledo. As soon as he and his fellows arrived in France they joined hands with the war relief workers from the Christian Scientists in France and in England. The combined force is formidable in numbers and contains many practitioners. To Mr. Harsch's committee is forwarded from this country the products of the Christian Science Comforts Forwarding Committee. Branches of this committee are working in every State in the Union, the headquarters of the New York City branch being at 125 West Forty-third Street. The Christian Science Women work along lines similar to those of the women of other denominations and other organizations. They knit socks and sweaters, helmets and wristlets and gauntlets, and they prepare comfort kits which carry real comfort to the Christian Science soldiers "over there."

The Touchstone (New York) for September publishes an article on "War Work and Christian Science" that gives details of the expansion of these forms of efforts:

Within the last five months Christian Scientists have raised and spent for war relief without making any outside appeal over one million dollars. They simply let it be known among themselves that money was needed, and from the members of the organization funds began to flow in in a steady stream.

Seven hundred forwarding committees are already established over the country, with headquarters in Boston. The New York headquarters alone complete between twelve and fifteen hundred garments a week for the refugees, every one well made, of the best material, and cut from patterns furnished by the French. All of this work is volunteered. They have made hundreds of sheets, pillows, pillow cases, and so forth, besides crocheting new strips of material such as one makes into a rag rug, into stretcher slings.

A Bible, knick-covered, leather-covered textbook—"Science and Health, with Key to the Scriptures," by Mary Baker Eddy; Quarterly and Hymnals are given to every soldier who wishes them, but not otherwise.

On August 1 a Christian Science Welfare House for the use of the Allied forces was opened at 112 Eaton Square, London, S. W.

The Christian Science Welfare House is situated in a convenient center close to the American Embassy, and the busy thoroughfare around Victoria Station. Various bus routes pass close by, and tube and underground railway are easily and quickly reached, but the creeper-clad house itself stands in a wide, sunny square, where spreading plane trees cast a cool shade in the long, hot-summer days.

The house is designed to help and befriend in every way the men of the Allied forces. It is actuated by the desire to do everything to make the men feel as much at home as possible. Up to the present time six Welfare houses have been opened in England.

Thirty-five buildings and War Relief rooms have been opened in the United States, and others are under construction. A beautiful and commodious rest and service room for soldiers has been opened in New York City at 512 Fifth Avenue. Here the soldier boy can secure needed equipment, write letters home and rest and good cheer. The Welfare Work in France is carried on at Bordeaux, St. Nazaire, Tours, Brest, and Langres, with headquarters in Paris. Two Welfare launches and

## IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill affecting people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, dizziness, headache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bleed the day you first heard of GOLD MEDAL Haarlem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

#### RESOLUTIONS HONORING BROTHER JOE OWEN

Whereas, our heavenly Father has called our beloved Brother Joe Owen, be it

Resolved by the members of the First Baptist Church of Hereford,

1. That we, express our deepest sympathy to his bereaved father, mother, brothers, sisters and all other relatives, who are all so loyal to the work of Christ.

2. That we fully realize our loss and loss to the denomination and cause of Christ, of one so devoted to the duty and right and so earnestly desiring to aid in uplifting and betterment of mankind.

3. That in the midst of our sorrows we look back to his consecrated Christian life, his high ideals and lofty purposes in the kingdom of God. In Christian life he was always ready to do his duty. He was not to make excuses. After answering the call to the ministry he considered that he must be about his father's business. His influence was uplifting to those with whom he came in contact. In Christian life he held up his end; in the life of labor he held up his end. Like Mary of old he did what he could. He laid down his life, freely fighting for the right of men. He was sacrificed for Democracy. We rejoice in his noble life and are consoled that he was fully prepared to meet his Redeemer to hear the welcome applaudit. Well done good, and faithful servant enter thou into the joys of thy Lord.

4. That these resolutions be spread on the minutes and furnished the Hereford Brand and Baptist Standard for publication.  
Signed,  
Deacons of Baptist Church.

### BIG SNOW MEANS LOTS OF NEW WHEAT

What is said to be the heaviest and earliest winter snow in three years in this section began falling last Friday, and continued intermittently until Tuesday night. Various estimates place the fall at from five to eight inches on the level, with the majority of expert opinion centering on seven inches.

Comparatively little wind accompanied the snow and the temperature has been mild. It is believed that the storm has hurt cattle very little, while there is no question but that it has been a God-send to the farmers, especially those who have planted wheat. Only recently two carloads of seed wheat were put out at Hereford, most of which has undoubtedly been planted, not to mention quite an acreage put in independently of this, which assures several thousands of acres in wheat sown, and the snow assures a banner crop. More than that, it means a ground season for next spring, and augurs more winter moisture to come.

It's a fine omen, as well as an immediate relief. It has put a smile on the face of our people that will be hard to rub off.

### SUBSCRIBERS' LIST TO U. W. W. FUND TO BE PUBLISHED LATER

Upon discussing with the Council of Defense the matter of publishing the list of subscribers to the United War Work fund, it has been decided to defer the publication until such time as the Defense Council will publish, in folder form, not only this list, but every list of subscriptions for war work, this list to be placed in the hands of the citizens, and especially in the hands of our boys when they return.

We hope that those who have subscribed to this War Fund, to be paid by December 2nd, will pay in their pledges promptly to Mr. F. H. Oberthier, treasurer of the fund, at the First State Bank & Trust Company, so that he will not have to go to the trouble of sending out statements.

### REV. J. M. ASBELL VISITS FORT WORTH ON CHURCH BUSINESS

Rev. J. M. Asbell of the Christian church returned Sunday morning, in time to fill his pulpit, after a trip to Fort Worth where he attended a conference of ministers and laymen of his church from Texas and Louisiana regarding the Every Member Canvass. He reports 600 ministers and 200 lay delegates and a very helpful and enthusiastic convention. The Christian churches all over America are to use the same system of raising the local expenses, also the missionary budget.

## OUR STANDING IN W. S. S.

The Brand is in receipt of the following letter from Mr. Louis Lipsitz of Dallas, State Director of the W. S. S. Campaign.

Mr. Editor:

I hope you can find space to print this list of counties showing in the first column the rank which your county has among the 252 counties in Texas, and in the last column the cash sales of War Saving Stamps per capita, this latter column indicating the order in which your county stands among your neighboring counties. We have not considered it quite fair to compare a Panhandle county with an East Texas County, for

instance, therefore, have arranged them by geographical groups.

I am sure that this report which is the last official cash report up to October 16th, will be of interest to your readers and we sincerely hope that it will stimulate greater activity in the sales of Government War Saving Stamps.

We thank you for the cooperation given this Department of the Government and are not ashamed or afraid to ask a continuance of it.

Yours very truly,  
 LOUIS LIPSITZ,  
 State Director."

# Amen!

We say Amen to the Mayor's proposition to build a sanitarium. No better memorial could be erected in honor of the boys who have suffered, bled and died for us in the great war, now happily ended.

The large sums of money we have raised for the Red Cross and the immense amount of Red Cross supplies made by our good women is proof that we can easily support a hospital. It will be a perpetual life saver and be an honor to us as well as a memorial to our soldier boys.
