TWO DOLLAR A YEAR

FIERGE FIRE BURNS HOME OF GILLILLAND

Early Morning Blaze From Defective Flue Very Destructive

PREVENT SPREAD

Fact That House Was Apart To Itself All That Saved Day

Fire, originating in a flue near the roof, completely destroyed the home of Mr. and Mrs. W. J. Gilliland, in west Hereford, at 8:30 o'clock Wednesday morning, together with its entire furnishings and contents. Owing to the distance from town and from the water mains, coupled with the fact that the strongest wind of the year was whipping across the Plains at the time, the firemen were practically helpless and the house was wiped out before assistance could be given.

It was one of the hottest and deadliest blazes ever recorded here. Mrs. Gilliland was alone in the house at the time and she barely made her escape, as the fire came downward from the roof and she was unaware of it until the house was doomed. The family consisted of Mrs. Gilliland, Miss Cecil Gilliland, Guy Gilliland and Miss Lois Carlyle, who was rooming there at the time. All lost their belongings, saving nothing but the clothes on their backs. The only things saved were a few things that could be reached in the pantry. Mr. Gilliland was in the country near Friona and did not reach Hereford until the afternoon after the blaze.

Volunteers responded promptly to the alarm, but were powerless to be of material assistance. The terrific wind made a ball of fire of the entire structure and the heat made approach impossible. Nothing but the fact that the house sat in a block to itself saved all the northern portion of the town, as otherwise the destruction would have been complete in the path of the wind.

The house was a nine-room dwelling and it is understood there was no insurance on either the house or its contents.

J. W. McQUEEN AND A. L. GIBSON SELL THEIR RESIDENCES

Two additional sales of residence property in Hereford were reported since last week, both made by J. S. Warner. The A. L. Gibson home in the east part of town was purchased by C. O. Tatman, of Iowa, who has recently returned to Hereford with his family, after an absence of about two years. Mr. and Mrs. Gibson have moved out to their ranch four miles from town, but expect to build another town residence in the late summer or early fall.

Mr. Warner himself purchased the nice residence property of J. W. McQueen, who will leave the latter part of the week for Muskogee, Okla., where he will enter the jewelry and art business. The Warners will occupy the house as soon as the former owners are out.

These two sales make a total of twenty such deals handled by Mr. Warner since October 1, 1919.

BIG McDONALD SALE POSTPONED A WEEK —UNTIL MARCH 17

The big D. L. McDonald Sale of livestock, farm machinery, implements, Berkshire hogs, etc. scheduled to be held next Wednesday, March 10, has been postponed one week to March 17, owing to the fact that Mr. McDonald has been detained in the East and cannot get back in time to properly advertise and arrange the details.

This Sale was designed to be the biggest thing of the kind ever held in this section, and a great deal of interest is being aroused locally over the offerings on the 17th.

ALBERT BELL SELLS U. S. ARMY SHOES

Albert Bell, brother of Allen Bell, of Hereford, a former Castro county boy and well known in Hereford, is in the city with a consignment of Government shoes which he is selling out.

Mr. Bell very recently gave up farming operations in Missouri to take up this new venture, and has worked across country from El Paso within the past few weeks.

C. E. SECRETARY TO BE AT AMARILLO

Wm. Shaw

AMARILLO, March 3.—That the rally and banquet to be held in Amarillo Wednesday, March 11, in honor of the visit of Dr. William Shaw, who has just completed 33 years of active service as an official in the Christian Endeavor movement of America and of the world, will be the largest Christian Endeavor affair ever staged in the Panhandle, is evidenced by arrangements which are being made under the auspices of the Panhandle Christian Endeavor Union.

Although only a limited number can be taken care of at the banquet, which will be held at 6 o'clock in the parlors of the First Christian Church and will be served by the Home Mission Society, district officials have already decided to give preference to applications from Christian Endeavorers and Alumni over the Panhandle. It is also expected that members of the Christian Endeavor organizations in Amarillo will yield to alumni living in the city in the allotment of tickets.

These plans are being decided upon because of the fact that Dr. Shaw has been associated so long with Christian Endeavor work that it is believed many persons belonging to the organization in the past decades would welcome the opportunity of having fellowship with the distinguished leader. It is understood that many persons, belonging to Christian Endeavor societies formerly in other states, have heard Dr. Shaw speak and have worked directly under him in their younger days.

In addition to the banquet which will be held in honor of Dr. Shaw and at which it is expected that the district president, P. Hicks Daniel, will be toastmaster, there will be a general fellowship meeting, which probably will be held in the Polk Street Methodist.

BENEFIT FOR THE SCHOOLS ON MARCH 9

Parent-Teachers To Stage Excellent Program Tuesday

On Tuesday evening, March 9, at the High School building, a program will be given under the auspices of the Parent-Teachers Club. The program has been arranged by Miss Swisher, director of music, in the public schools, and Miss McClurkin, teacher of dramatic art.

This entertainment promises to be of unusual merit. It will represent much careful work upon the part of the instructors with some of the very best material afforded by the public schools. If there were no other incentive, the excellence of the program, should in itself, attract a capacity house, but added interest should come from the fact that it is a Parent-Teachers Club benefit. This organization is, and has been for years, a "first aid" to the public schools. It has made possible the securing of library books, playground equipment, and school furnishings, and has been the medium through which the school and the home have been brought close together. Recently it has placed in the High School auditorium a piano worthy of the institution. Such an organization deserves the cooperation of every patron of the Hereford Schools.

Again, it is the judgment of the board of education, the High School faculty, and many others who have given thought to the subject, that the presence of the High School building is detrimental to a proper community interest in the work of the high school, and would, therefore, encourage the use of the High School auditorium for public entertainments, especially those connected with the school. It is commodious, well lighted and ventilated, and attractively furnished.

If you are interested in the schools of Hereford come out Tuesday evening enjoy a good program, and at the same time lend your support to the one organization whose sole object is to promote the best interest of Hereford Public Schools.

CITY SEWER AND WATER PIPES CASH

Commission Adopts Order Cutting Off Charge Accounts

IN CARLOAD LOTS

City Only Medium Through Which Supplies May Be Bought

At its last meeting the City Commission adopted a resolution requiring all sewer pipe and all water works fixtures and fittings bought from the City to be paid for in advance in cash at the time of delivery, and instructed its employees not to permit any such material to be taken away from the warehouse unless it is paid for.

In discussing this action the Mayor said:

"This action was made necessary by the trouble the City has had in collecting bills for such material, so many people paying no attention whatever to a statement when rendered. And then occasionally a few bills for such material have been absolutely uncollectible and a loss has been sustained. This is a kind of business that the City would prefer not to do, but has handled the sewer pipe because no body else would handle it, as it must be bought in car load lots. But it has had so much trouble and annoyance in keeping accounts and in making collections that it has felt compelled to sell this material only for cash."

PRESS BOYS MEET AT AMARILLO NEXT

Secretary Braswell, of the Panhandle Press Association after conference with President Brown, of this organization in Vernon Friday, made the following announcements in regard to the meeting of this association in the Spring:

"The Panhandle Press Association will meet in Amarillo, as voted in last meeting, upon the fourth Friday and Saturday in April being the 23rd and 24th of April.

"The Programme this year will be an absolute change in every way and will be discussed under three heads such as, "Newspaper Accounting," "Local and Foreign Advertising" and "Job Printing." Each member of the association will be expected to take an active part in these discussions. The full programme will be announced in a short time."

This organization contains the backbone of Texas Newspaper men located in the first section of the state of Texas as in point of present publicity before the world, hence the value and importance of this meeting is of great possible results. A full attendance of newspaper men is expected.

Armenia Oldest Christian Nation; Loyalty To Christ Marvel of Many Centuries; Its People Are Starving

CONDITIONS IN ARMENIA TODAY, A. D. 1920

Hundreds of thousands of Christians are still in exile.

The war is not yet over—in the Near East.

Peace is not concluded—with Turkey.

Government under which Armenians, Greeks and other Christian subject races can live is not yet established and cannot be effective until some months after the formal conclusion of Peace.

Conditions today are much the same as before the Armistice, except that, as regards destitution, they are worse.

Another year has added to the depletion of whatever resources the refugees once had.

Repatriation of the Armenians is as yet impossible.

Turks still hold their homes; attempted return means death.

The only earthly possessions of many of them consist of the tattered remnants which they wore when driven from home four years ago.

A member of the Harbord Mission characterized the situation as "Misery Unadorned."

These people are universally recognized in normal times as the most thrifty, industrious and prosperous people of the Near East, but for four years they have been exiled or fugitive from their ancestral homes.

The last vestige of negotiable property has been sacrificed for food and protection.

Self-support is at present wholly impossible, despite the natural thrift and industry of the people.

American official investigators report that not more than twenty-five per cent of these refugees can survive until the next harvest except as help is continued from America.

Rev. J. H. Sharp, county Chairman of the Armenian Relief fund, asks The Brand to state that intensive work in raising some much needed funds for this worthy cause will begin Friday, March 5, and continue through the following Monday. He asks the moral and financial support of the citizens of this county in this necessary undertaking.

IT PAYS TO RAISE REGISTERED CATTLE IN PLAINS COUNTRY

He was a little, chubby, fuzzy chunk of registered Hereford flesh, with a red hide and a snow white face, and he was only one of a number of similar pretty little fellows on the Jowell Ranch east of Hereford. But he was numbered and tagged and had a family tree that would make an American sudden millionaire gasp with envy.

When he was just thirty days old he was purchased for \$250 by Ray Barber and transferred to the Barber back yard in town. As is nearly always the case where livestock of any kind is kept in the back yard, the lady of the house had to look after him, and Mrs. Barber fed and petted the little calf until he was a big husky fellow and day after day developed one point after another that goes into the standard of perfection for a real Hereford bull.

When he was two years old Mr. Barber sold him to R. H. Connor, of Claude, Texas, for the sum of \$2,000.00.

The calf was Pathfinder No. 13756. He topped the big Buyers and Sellers Association Sale at Amarillo a few days ago, bringing Mr. Connor \$2,250 after years of service.

It pays to raise registered calves in the Panhandle of Texas with blood lines behind them.

METHODIST CHURCH IS NOW LOOMING UP

Work on the new brick Methodist church is progressing rapidly. The bows for the windows have been placed and the second floor joists will be in position in a day or so. The ornamental brick used in the edifice is proving to be very pleasing, and with another week, with good weather, the building will begin to look like the artist's drawings at the beginning.

FARWELL-TEXICO IS WINNER HARD GAME

A composite basketball team from Texico-Farwell won a game of basketball from the Hereford Hi team Wednesday afternoon by the close score of 21 to 15. The game was played in the terrific wind which was the portion handed out to us Wednesday, and under the circumstances team play and accuracy were impossible. The visitors put up a good game and won fairly, however.

COUSIN OF MRS. N. M. PATTON VISITOR

George P. Droke, who is a cousin of Mrs. N. M. Patton, returned to his home in Plainville Thursday, after a short visit in the home of Mrs. Patton.

While here Mr. Droke called on Homer Wilkinson, an old friend. In fact, Mr. Droke's father taught Mr. Wilkinson mathematics while a student in the University of Arkansas, Fayetteville, Ark.

CLOVIS MEN NOW HEREFORD CITIZENS

Allen Grimes and Pat Coyn of Clovis, N. M., arrived in the city this week and will make this place their home in the future. Mr. Grimes recently sold out his tailoring business in Clovis and has now taken over the tailoring work in the gents furnishing store of Gallagher & Sons. Mr. Coyn has not yet announced his plans.

BAPTIST LEADER IS HERE FOR ONE WEEK

Rev. Leon M. Gambrell

The officers of the Study Class of the B. Y. P. U. of the First Baptist church of Hereford announce that the Rev. Leon M. Gambrell of Amarillo will spend from March 7 to March 14, inclusive, in Hereford, to conduct the Class during that period.

"Training in Stewardship" will be studied during his visit here, and it is believed the course to be given will be very beneficial to all who attend, especially to young Christians.

The Class officers urge all the young people of the church to attend these meetings, and a most cordial welcome will be extended to all those who come.

Rev. Gambrell is preceded by high expressions of approval and recommendation and is a consecrated and devout man of God. It is the belief of those who know him that his visit will prove a spiritual blessing to all who come in contact with him.

AMARILLO PARTY IS ENTERTAINED HERE

A jolly party of Amarillo visitors were guests of local friends Thursday. In the party were Mr. and Mrs. Charles Wolfelin, Mr. and Mrs. F. S. Newbold, Mrs. R. C. Neely and Mrs. B. S. Arnold. They came thru country in Mr. Wolfelin's car.

Mrs. C. C. Ferguson entertained them at luncheon and the ladies of Hereford gave a reception in their honor during the afternoon. A more detailed account will appear next week.

STAR THEATRE OPENS AFTER LONG LAY OFF

Flu Caused Loss of Weeks; House Cleaned and Remodeled

The Star Theatre, which closed January 27 at the request of the health authorities during the influenza epidemic, will open its doors again Friday night, March 5. Manager Hardwick, who has spent most of the intervening time in Clovis with his father and brother, has had the theatre building thoroughly renovated, cleaned and painted, has rearranged the lobby attractively, and has also installed two new projection machines.

Mr. Hardwick announces that hereafter the program will be changed nightly with the exception of those occasions when some especially big picture demanding more than one run, is billed.

The opening program Friday night included the last episode of The Black Secret run before the theatre was closed, as well as the installment following it. This serial will also be run Saturday matinee and Saturday night William B. Hart will be the feature attraction.

WEDNESDAY TAKES PRIZE FOR ROTTEN WEATHER RECORDS

Wednesday, March 3, 1920, will undoubtedly go down in the weather books of the Panhandle as the meanest, freakiest, most aggravating and disagreeable day ever recorded here since the memory of the oldest inhabitant runneth not to the contrary.

The day was a bear. Every season of the calendar year was represented in one hour or another. One hour was sunshiny, balmy and pretty. The next the wind blew great guns, picking up everything that was not nailed down in its path. Then it rained a little. Then it snowed a little. Then it rained and snowed together. Then it turned as heck—an' everything.

But at night it cleared up, the wind died down and the moon shone out. And Thursday it was bright as a dollar and beautiful, but with a snap in the atmosphere that put "pep" into everybody's movements.

MISS BENDER HAS RETIRED TO THE FARM

Red Cross Nurse Gives Up Work After 21 Years of Service

FINE LOCAL WORK

Only Three Fail Out of Over Hundred Who Enrolled

Miss Lulu Bender, Red Cross Nurse, will hereafter be entitled to the designation of "farmerette". For after twenty one years of service to humanity Miss Bender has heard the call of the "back to the farm" movement and has purchased a pretty little place of forty-two acres near Cuba, Mo., where she intends to devote the remainder of her life to demonstrations of a practical domestic science and scientific agriculture.

Miss Bender's work as special nurse for the Deaf Smith county Chapter, American Red Cross, closed with last Monday's examinations of classes, and she departed for her new venture Thursday afternoon.

Miss Bender began her work here on October 24, 1919. Six classes completed the work in Home Hygiene and Home Care of the Sick under her direction, and a seventh did not finish owing to the influenza epidemic. There was an average of about eighteen students to the class. One class was organized at Progressive schoolhouse, one at Askren, one at Summerfield, one at Wyche-Lakeview and two in the Hereford High School. In addition to this, Miss Bender made frequent talks at the Central School and at the Court house, and did most splendid work during the influenza troubles.

Out of the six classes only four students failed to get their certificates.

Miss Bender stated Thursday as she was leaving that Deaf Smith county needs a Community Nurse badly to teach people how to live in the right way, and that a School Nurse would help materially in training the children properly. She expressed her appreciation of the courtesy and interest shown here by citizens of the county during her stay, and left with the best wishes and approbation of every one who came in contact with her.

THREE MARRIAGES SINCE LAST WEEK

WOMBLE—MEYERS

On Wednesday evening, at the residence of Mr. and Mrs. I. C. Jenkins at Canyon, Troy Womble, of Hereford, and Mrs. Oia Myers, of Canyon, were married.

A large circle of relatives and friends both from Canyon and Hereford, were in attendance. Rev. Shaw officiated. The bridal party left on the 9:45 train for their home in Hereford. Arriving at their home here they were met by a surprise—a great number of relatives, neighbors and friends had gathered to welcome them home.

Games were played to a late hour, then refreshments were served to about fifty guests.

Mr. Womble, who was the first settler in Hereford, is a well known and successful farmer. The bride, who has held a position in the Domestic Science Department of the North West Texas Normal for several months, is a most estimable lady and has many friends in this community.

SMITH—NELSON

J. Ralph Smith, of Hereford, and Miss Jean Nelson, of Dalhart, were united in marriage Sunday, March 29, at 2:00 p. m. in Dalhart at the home of the Rev. Bogue, who officiated. The young couple arrived in Hereford on Monday and will make this their home.

Mr. Smith is a son of Mr. and Mrs. Clarence Smith, of Hereford, and is connected with the Ford Garage. The bride was one of Dalhart's most popular young ladies.

JACOBS—CRESS

The Brand is in receipt of an Announcement which reads as follows:

"Mr. and Mrs. Charles P. Cress announce the marriage of their daughter, Helen Anna, to Mr. Richard Harold Jacobs, Saturday, high noon, February 28, 1920, New Bremen, Ohio. At home, after March 15, Hereford, Texas."

This wedding comes in the nature of a surprise. Mr. Jacobs is a son of Mrs. J. H. Jacobs, of this city and has been one of the popular young men of the community for several years past.

BAILEY'S CANDIDACY

Seven years ago when Joe Weldon Bailey voluntarily retired from the United States Senate, he announced that he had acquired a sufficient amount of legislative experience and that it was his intention to devote his energies henceforth to acquiring a competence for his declining years. He left the Senate a poor man.

Mr. Bailey's determination to obtain a competence has been realized. He is now a wealthy man; and he has just passed the half-century mark, and shows no indications of "declining years." He made his money through the exercise of his remarkable talents along constitutional and legal lines, and is said to have participated in most of the important cases before the Supreme Court in the last several years.

When he first went to Washington as a Texas Representative, many years ago, Mr. Bailey swore he would never wear a dress suit or a silk hat. Now he wears both.

But, despite his wealth and despite having succumbed to dress clothes and high hats, he is steadfast in his adherence to Jeffersonian ideas. Irritation takes possession of him when the constitution is attacked, and, although a

Democrat, he doesn't like Wilson or anything that is Wilsonian.

Mr. Bailey wants to get back into politics, and he has selected the governorship of Texas as a medium for getting back. He has announced his candidacy for governor, and his friends declare his election is a foregone conclusion. They also confidently predict, we learn, that he will be a candidate for the Senate in 1923 against Morris Sheppard, whom he holds solely responsible for national prohibition.

Also, if the reports are accurate, Mr. Bailey desires to dictate the instructions which shall dominate the delegation that Texas sends to the Democratic national convention at San Francisco next June. Or, in other words, he wants the delegates to go uninstruced, and he wants to be one of them.

It looks like Texas is in for a hot time politically. But notice should be taken by Mr. Bailey, and other politicians, as well, that Texas is a somewhat extensive commonwealth, and is bound to be unwieldy under any attempt at bossism.

Long-suffering Poland apparently is a glutton for punishment. It has now decided to establish a Senate.

Strange it may be, but the peace treaty with the league of nations covenant, according to Washington advices, is dead again.

Hereford's experience has taught that the best thing to take for the flu is to take care not to have it.

We do not object to Joe Bailey running for governor; but he at least should tell us whether he intends to reside in Austin or in Washington.

DIMITT

The people of Dimmitt are awaking to the fact that something must be done to take the place of the Pastor's being absent. On Sunday morning it was decided to have some one appointed to occupy the pulpit each Sunday that it is vacant. With the number of men here that could conduct religious services, we hope to have each Sabbath occupied as it should be.

The Ladies Aid Society met with Mrs. E. S. Ireland Thursday afternoon. Fifteen ladies were present. The exercises were conducted by Mrs. Easter. After singing "My Faith Looks up to Thee," Psalm 64 was read by Mrs. Easter and was followed by prayer by Mrs. Florence. An hour was spent in the study of the Sunday School lesson, and business of the Society. It being the last time Mrs. Ireland would entertain as a member of this society each lady presented her with a gift to be used in her new home. The family will go to Hereford in the next few days to become residents of that place.

Arch Johnson, Mr. Shuford, Claud Johnson and Bryan McDonald went to Amarillo Sunday for the little child of Mrs. Rushing, who has been in the sanitarium for several weeks.

Miss Lake Woodburn is able to be out again after a severe attack of appendicitis.

Mr. and Mrs. Max Brownlee of Bethel neighborhood, entertained at Sunday dinner, in honor of Mrs. Duree, Mrs. Brownlee's mother. The occasion being the sixteenth birthday of Mrs. Duree, although she is sixty-eight years old. Having been born on February 20, she has had a birthday every four years with the exception of once, and then two eight years. She was remembered with quite a few nice presents. All of her children were present, except one, a son who lives in Idaho. Other guests were Dr. and Mrs. Miller, Bruce McLean and family, Judge and Mrs. Kerr, Judge Woodlee and children and Mesdames Carter, Douglas Tate, Lovelace, Easter, McLean and Ballinger. A very pleasant day was spent which will long be remembered by all present.

E. S. Ireland is at home after a week attending to business in Roswell, Lovington and other New Mexico points.

Mr. and Mrs. Dick Dixon, of Hereford, visited with the family of Mark Cowser Sunday.

SUMMERFIELD

Car. shortage is still very prevalent here. Mr. Johnson has five thousand bushels or more of grain in piles on the ground south of the track to be shipped as soon as cars are accessible.

Mr. and Mrs. Lance and Velma, Bernard Roberson and Clifton Alexander, also Charlie Waiser and family, spent Sunday at Fate Waiser's home.

E. Thornton and family visited Sunday at J. A. Noland's.

Henry Stanley and wife, of Friona, visited Saturday night and Sunday in the home of Mr. Stanley's father, Ed Stanley.

Mrs. John Gaetz spent the day Thursday with Mrs. John Hanlan.

Mr. and Mrs. O. L. Sharp and family spent the day Sunday at Guy Hams.

Mrs. News and Mrs. Will Storey spent the week-end in Canyon, guests of Mrs. Blough.

Miss Estelle Slaton visited in Hereford Saturday with Miss George Curt-singer.

Mrs. Hollis Galley is spending a few days in Hereford in the home of Mrs. Chas. Donald.

Mr. and Mrs. Al Miller were callers in the Sparks home Friday afternoon.

Mr. Farnsworth, of Hereford, called at J. A. Noland's Sunday afternoon.

Mrs. Henry Behrends who has been here for the past three weeks visiting in the home of her son, caring for Mrs. Behrends and the new baby, returned to her home in Cress last Monday.

John Gaetz met with a very serious and painful accident last Monday while threshing at S. J. Rice's. Mr. Gaetz climbed on a wagon loaded with bundles and in some manner stepped on a bundle that slipped off the wagon throwing him violently to the ground. Both bones in his right arm were broken above the wrist. One bone being splintered so it came through the flesh. John Hainan drove into town with him as rapidly as possible where Dr. LeGrande reduced the fracture. It is a very painful injury and will likely be several weeks before he can use his arm.

Mr. and Mrs. B. C. Roberson called Sunday afternoon at Fate Waiser's.

Several people from our community attended the sale last week of the Smith Ranch Company, and report everything selling high. One of the parties who attended suggested that the neighborhood all go together and have a sale and start all over again. Saying that the way Auctioneer Williams sells things we could all have a good time a lots of money left to start on again.

S. J. Rice has finished the neighborhood threshing south of the railroad track and has pulled his machine north of the track to finish up on that side.

Mrs. LeRoy Harris and baby, of Spring Lake spent Monday night at the home of S. J. Rice. Mrs. Harris left Tuesday for her new home in Iowa. Mr. Harris having gone about two weeks ago.

Jim Florey has recovered from his recent attack of influenza and resumed his work Monday. Mr. Florey is traveling salesman for the James McCord Mercantile House of Fort Worth.

Mrs. U. G. Randall and Forest call on Mrs. J. W. Hanlan Friday afternoon.

Miss Lulu Bender gave the examination to her class in Home Hygiene and Care of the Sick last Monday. The examination was held at the school-house in Summerfield, after which the class gathered at the home of Mrs. Lawrence Johnson where they were served delicious refreshments consisting of sandwiches, cake, pickles, fruit salad, coffee and cocoa. In behalf of the class, Miss Kenny then presented Miss Bender a gravy ladle, as a token of appreciation for her untiring efforts in making her work here so congenial and interesting. The following were enrolled in the class: Mesdames Ness, Johnson, Roberson, Murdock, Florey, Stanley, Noland and Lowther; Misses Kenny, Slaton, Lois and Emma Alexander, Tera Stanley and Ragnhild Ness. The rules were that any member missing more than three lessons was not eligible to take the examination. The flu epidemic among us deprived many of the class of that privilege.

The ones who took the examination were Mesdames Cannon, Lowther and Hanlan; Misses Kenny, Slaton, Lois and Emma Alexander and Ragnhild Ness.

High School Notes
The Freshman class of H. H. S. with a few outside students, enjoyed a social given by the Freshmen, Friday, Feb. 27, 1920. Games were played, after which a course of pimento sandwiches, pickles and lemonade was served in the Domestic Science department to six couples at a time, using the cafeteria style.
We had the pleasure of having Mrs. J. H. Pittman, Miss Miller and Mrs. Hawkins as our guests. At a late hour the jolly crowd began to take their leave, expressing themselves as having had a most enjoyable evening.
Ola Austin is back at school again and her friends are most pleased to have her among them.
Boy's Basket team played a losing game last Friday at Farwell, but they are planning on winning the game here Friday.

The friends of Miss Hazel McQueen are very sorry to learn that she will leave for Muskogee, Okla. Friday, where she will make her future home. She will certainly be missed among her many friends and all wish her the very best of luck and happiness in her new home.

Last Thursday morning at Chapel exercise the student body enjoyed a fine address by Bro. Terry.
Everybody come to the program on Tuesday night, March 9. Admission 25c and 35c. A very enjoyable program is being arranged.
A representative of the State Department of Education visited the schools between trains last Thursday morning.

Central School Notes
School work at Central is moving along smoothly. The girls have four teams of basket ball, the boys, two Marbles are occupying the attention of the boys at present, to the exclusion of almost all other games. However, this will probably soon give place to ball and practice for Field Day will soon begin.
Chapel exercise Wednesday morning was one of the most intensely interest-

ing we have had this year. It was a kind of "Red Letter" hour. Mrs. Simon Shaw, of Canyon, was the inspiration. Talented with a most wonderful gift of drawing, and with a happy way of reaching the hearts and holding the attention of children, she devoted an hour to our entertainment. Her "Red Cross Nurse" with Miss Grace Lucas as model seemed a general favorite, with the beautiful colonial home as a close second. The latter was drawn to illustrate the sweet song of "Old Virginia."

Mrs. Shaw is to be with us again on Friday afternoon. She may be sure of a royal welcome from the pupils and teachers of Central School.

We had with us Wednesday a representative of the National Health Crusade, a Mr. Granger. He made a helpful talk along the lines of how to keep the body in good condition, and form right habits of living.

Virginia Stovall, who lately moved here from Floydada was enrolled Monday in the third grade.

Mrs. F. E. Rowe was a visitor in the third grade Thursday.

Miss Willie Harris visited the third grade Friday.

Earl Johnson and Lucile Morrison re-entered the third grade Tuesday.

Eugene Stinson and Jim Hamill withdrew from school last week as they were moving from Hereford. Their classmates in the third grade are sorry to see them leave.

Mrs. Foster was a chapel visitor Wednesday morning.

Bay View Club

It was with renewed interest and energy that the Bay View Club met again on Thursday afternoon at 2:00 p. m. in the Club Rooms with the following ladies present: Mesdames Cockrell, Guthrie, George, Garrison, Holman, Laird, Price, J. Frank Potts, Stubbs and Rolosen.

Mrs. Rolosen called the house to order and disposed of some old business and appointed some committees to arrange work for next year. Next meeting will be election of officers and a full attendance is desired.

The lesson on "The Faith Healer" was then taken up and Mrs. Guthrie gave a splendid synopsis of Act 1 and will give a synopsis of Act 2 and 3 at our next meeting. Questions on Act 1 were studied and discussed after which the Club adjourned.

C. E. Social
The home of Mr. and Mrs. Henry Hastings was a place of enjoyment which will long be remembered by the members of the Y. F. S. C. E. and their friends on last Saturday evening, February 28. The evening was spent in playing many interesting and exciting games.

At a late hour fruit salad and cake were served to the guests, after which all departed for their homes. But before going they expressed themselves as having spent a most delightful evening.

Delphian Club
The Delphian Club will meet at the club room March 8. The subject of the afternoon will be "Roman Playwrights" with Mrs. W. E. Hicks as leader. The required reading is Part IV, 145-172. Mesdames Stubbs, Wilkinson and Ray Barber have special topics.

All members are requested to be present as matters of importance are to be discussed.

MOYER-SUTTON
Many Hereford friends have been receiving the announcements of the marriage of Miss Ethel A. Sutton to Mr. George H. Moyer. The marriage took place at Santa Fe, New Mexico, the bride's home, on December 30th. The couple will make their home in San Francisco, Calif.

The bride was a graduate of the Hereford High school and her host of friends wish her much happiness.

Last Sunday, being the 29th day of February and also the birthday of R. H. Womack, a number of his friends surprised him with a most delightful dinner. The main part of the day, as planned, was the dinner which was indeed a great one. It was a spread that those who shared in it will long remember. The afternoon was spent in visiting and enjoying musical numbers.

Miss Leia Orr entertained a number of her friends on Tuesday evening of this week at the home of her parents. The evening was very pleasantly spent with music and dancing.

C. E. SECRETARY TO BE AT AMARILLO
(Continued from page 1.)

ist Church, beginning at 8 o'clock.

When announcement was made a short time ago that Dr. Shaw would go on a tour of the southwest, delivering 16 addresses eight of which would be in Texas, and that he would speak in Amarillo, March 11, the final date in the state, word was immediately sent to the societies over the Panhandle district. There was an immediate response from many individuals and societies, and indications are that there will be a representative crowd in attendance. Christian Endeavorers and Alumni coming from all over the Panhandle.

Dr. Shaw has the reputation of being one of the most fluent and interesting speakers in the nation, being second only to Dr. Francis E. Clark, founder of the organization as a drawing card at a convention or rally. He has been closely connected with the national society during 33 out of 39 years of its existence, knows intimately its growth and can present the message of Christian Endeavor in a manner the equal of which can scarcely be found. When Dr. Shaw becomes interested

in a cause, he throws his whole heart and soul into it, and that is said to account so much for his success in the Christian Endeavor movement. How well this is true may be illustrated by the zeal with which he has advocated prohibition. A few years ago he became candidate for governor of Massachusetts, his home state, upon the prohibition ticket, polling the largest number of votes ever received by a candidate on that ticket in that state.

Although Dr. Shaw has grown old in the service of Christian Endeavor, only recently relinquishing his high office of general secretary, he has not lost his sense of humor and is said to be most entertaining in his banquet addresses. A couple of years ago he was injured in an accident and as a result is partly paralyzed, making it necessary for Mrs. Shaw to travel with him on his trips.

Dr. Shaw is only five feet five inches tall, but what he lacks in stature is made up for in intellect, declare those who have heard him speak. He is noted for his love of nature and there is scarcely a famous natural scenic region either in America or many foreign nations which he has not at some time visited. Because of his unceasing love for nature, he has often been compared to our famous and recently deceased former president, Theodore Roosevelt. He has several times been called the Theodore Roosevelt of religion.

U. S. INCOME TAX EXEMPTS NOBODY

Every Person Who Had Income in 1919 Must Determine Own Liability.

MARCH 15 LAST FILING DATE.
Surest Way is to Follow Form 1040A.
Free Advice in Doubtful Cases.
Severe Penalties in Law.

Nobody is exempt from Income Tax. An obligation is laid directly on the shoulders of each citizen and resident to consider his own case and to get his return in on time if one is due.

With each return showing a tax due a payment must accompany the return in the full amount of the tax or at least one-quarter of the tax. All returns for 1919 must be filed on or before March 15.

Must Show True Figures.
In figuring up his earnings for income tax purposes a person must take into consideration all items of taxable income, and each item must be accurate in amount. These estimates must be avoided, for if a return is made under oath.

Everybody who had an income in 1919 must now determine whether his or her net income was sufficient in amount to require an Income Tax return. The best way to find out is to get a Form 1040A and follow the instructions printed on it. That form will serve as a reminder of every item of income; and if a return is due, it tells how to prepare and file it.

One of the important points to keep in mind is that a person's net income is found by a computation prescribed in the law, and that each item of income from every source must be considered, unless specifically exempted.

Another thing to remember is that the personal exemption allowed taxpayers by law has no relation whatever to the requirement to file return. This exemption is not to be considered until a person has figured out his net income and determined whether it was sufficient to require him to file a return. Then, if a return must be filed, he should read carefully the instructions for claiming exemption, and complete his return.

If in doubt on any point as to income or deductions, a person may secure free advice and aid from the nearest Internal Revenue office. Many banks and trust companies are also furnishing similar service during banking hours.

Heavy Penalties in Law.
For failing to make a return on time the penalty is a fine of not more than \$1,000 and an addition of 25 per cent to the tax, if any. For making a false or fraudulent return the penalty is a fine of not more than \$10,000 or imprisonment not exceeding one year, or both; and, in addition, 50 per cent of the tax. There are other penalties for failing to pay tax when due and for understatement of the tax through negligence.

Many Sources of Income.
Aside from what one may earn by his services, there are many other sources of income. If he sold any property during 1919 he must figure out the gain realized. If he rented buildings, land, apartments or rooms such rents must be considered taxable, and he may claim deductions for necessary expenses incidental to rents.

Bank interest is a common source of income and is taxable whether withdrawn or not. Any amount of interest credited to a depositor is income to the depositor.

Interest on mortgages and notes is taxable; also bond interest received from corporations.

A taxpayer who cashed his insurance during 1919 must report as income any excess received over the total of premiums paid.

Members of partnerships or personal service corporations or beneficiaries of an estate or trust must report their shares of income distributable to them whether or not actually withdrawn.

Dividends of domestic corporations must be reported. Many other forms of income are taxable, unless specifically exempted.

INCOME TAX IS DUE MARCH 15

Penalties for Delay and Failure to Make Returns—Early Compliance Urged.

All income tax returns covering the year 1919 must be filed by Monday, March 15. Each taxable return must be accompanied by check or money order for the full amount or at least one-quarter of the amount of tax due. Cash payments are accepted only at the collector's main office; if sent by mail, they are at the sender's risk. Residents of Texas should file their returns with, and make payments of Income Tax to, Alexander S. Walker, Collector of Internal Revenue, Austin, Tex.

WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Mrs. W. B. Anthony, Hereford, says: "Not so very long ago I used Doan's Kidney Pills with great results. My back ached all the time and I could hardly stoop over and when I did such sharp, stinging pains would catch me in the small of my back I could hardly straighten up. Every muscle in my body was sore and it hurt me to move. I was tired and worn out all the time. I also had dizzy spells and felt weak. My kidneys were weak and irregular in action and there were other symptoms of kidney trouble which were annoying. I saw Doan's Kidney Pills advertised and began using them. Three boxes of Doan's Kidney Pills cured me entirely of all the trouble." 60c. at all dealers. Foster-Milburn Co. Mfgs., Buffalo, N. Y.

DO THE MOVIE PLAYS ALWAYS END LIKE THIS?

You Do More Work. You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

CHURCH NOTES

First Christian Church

At the union meeting of the Christian and Presbyterian churches Sunday night Mr. Asbell will discuss the Inter-church movements. This is one of the biggest moves the Protestant Churches have undertaken since the Reformation. It is of vital importance to the church people of Deaf Smith county, so you have an urgent invitation to attend the Sunday night service at the First Christian church and hear it discussed. There will be good music and a live program.

The other services for the day are as follows:

Bible School at 9:45; preaching by the Pastor at 10:45. Our church is to have a part in the "Win One" campaign that will close on Easter. The Disciples of Christ are making an effort to gain a hundred thousand members between Feb. 22 and April 4th. We are anxious to have our local congregation to do her part.

J. M. Asbell, Pastor.

Baptist Church

Remember the regular services at the Baptist Church next Sunday. Our subject will be, "Soul Winning". Everyone will receive a welcome. Beginning Monday evening 7 p. m. and every evening during the week the Senior B. Y. P. U. will meet and study "Training in the Stewardship." Rev. Gambell will be in charge. This study will be good for any Christian whether he belongs to the B. Y. P. U. or not. Sunday School 9:45, preaching at 11 a. m. and 7 p. m. Junior B. Y. P. U. and Sunbeams at 3 p. m.

The Pastor will organize a Y. W. A. March 10th at 3 p. m. in the church building. All young women of the town are invited to join.

J. E. McClurkin, Pastor.

Presbyterian Church

Sunday School 9:45. Preaching at 11 a. m. by the Pastor. Junior Endeavor 3 o'clock. Senior Endeavor 6 o'clock. Union Service at 7 o'clock at the Christian church. Mr. Asbell will tell of the Interchurch movement.

Methodist Missionary Society

The Methodist Missionary Society had a very enjoyable social and business meeting on Wednesday afternoon with Mesdames Hammer, A. C. Thompson and Clarence Smith who entertained the society at the home of Mrs. D. F. Ashbrooke. The meeting was opened with a song and Mrs. Ashbrooke led the devotional. She selected "Gideon and His Band" as her subject for the devotional and she emphasized the need today of followers like those of Gideon's who are willing to go into the fight, who are willing to give their best and who can stand the test. The song "In the Service of the King" was then sung with Mrs. Welliver at the piano. Mrs. Black's prayer did us all good. Minutes of last meeting were read and corrected and reports of Officers and Committees were then given. Every officer, except one, was present and had a splendid report considering how the work has been delayed that month on account of the flu. Motion by Mrs. Stegall, second by Mrs. Spratt that all reports be accepted as given. Motion carried. The business session was then closed with prayer.

For the social hour, Mrs. G. A. F. Parker prepared a few "don'ts on church etiquette" which were read aloud and which proved quite amusing as was the "stitch contest" that followed. As this was our first social meeting in several weeks the ladies enjoyed just visiting with each other until the hostesses served delicious cherry pie with whipped cream and coffee. About forty ladies were present.

Program for March 10, 1920

Devotional—Mrs. J. B. Jones.

1. Discovering and Teaching the Young Manhood and Young Womanhood of America "to discover America"—Mrs. W. A. Price.

2. Characteristics and Background of Some of the Principal Race Groups in America—Mrs. Esca Harrison.

General Discussions:

(a) To What Characteristics in our Past National Life must We be True?

(b) What have been Some of the Outstanding Elements in our National Life Due to the Fact that our Early Population was Teutonic in Blood and Protestant in Religion?

(c) Are the Negro and Indian Being Assimilated?

Card of Thanks

To the good people of Hereford: We cannot find words with which to express our appreciation and deep gratitude for the many, many kindnesses you have shown us in this greatest sorrow through which we have gone. Your kindly acts and beautiful offerings will long be remembered by us.

PARMER COUNTY

FRIONA NEWS

We neglected to state in our last week's news the fact that Friona school has contracted for a lyceum course for next winter. The contract was signed by Prof. Parker and places Friona in the class of up-to-date schools. The contract is with the Red-path Company which assures us of a course of entertainments of the best quality. The course consists of five numbers, the first to occur in October.

During the past week two important real estate deals have been completed. One in which G. W. Clark and wife transfer their beautiful home in the south part of town to J. C. Wilkinson for a consideration of \$3800. In the other D. H. Meade becomes the owner of the buildings and all the lots owned by J. C. Winn, lying on the west side of Main street in the McMillan and Fergus addition in the north side of town. We are informed that the consideration in this deal was \$2500. Mr. Wilkinson had thought of building a new home on some of the vacant lots in Friona but the high price of building material caused him to change his plan as he could buy the improved property much cheaper. He will take possession of his newly acquired property on March 15th. Mr. Meade having recently sold his farm west of town had to give possession on March 15th, and not having time to build new was obliged to buy a ready built home.

Friona is still suffering a dearth of dwelling houses and such conditions are likely to continue indefinitely; for those who would like to build are hindered from doing so by the prohibitive price of building material. While the price of said material is a downright hold-up, it can be bought as cheaply here as in any other town in this part of the country.

D. W. Hanson who has been spending a part of the winter with his family in Los Angeles, California, returned to Friona last week and has been

putting in a part of his time putting his home in readiness for Mrs. Hanson and the children who will arrive this week.

The Santa Fe Grain Company shipped a car load of cane seed last week. The price paid for this was \$1.50 per cwt. The cane seed market seems to be dragging but there is some prospect of better times for maize and kafir.

Frank James, of Jackson county, Iowa, arrived here Saturday. Mr. James owned three blocks in the northeast part of town, and has made yearly trips here for the past four years. Since his arrival here he has sold these blocks to M. A. Crum for the net sum of \$800. He has now sold out all of his holdings in the Panhandle, but still owns some land in New Mexico.

The new burglar-proof safe for the Friona State Bank has arrived and has been installed in the bank. The

large concrete vault is now complete. The fixtures will be arranged permanently and in an attractive position and the interior will then present all the appearance of an up-to-date bank, of which citizens will be justly proud.

Our town was visited last by a man claiming to be a representative of the National Airplane Company of Los Angeles. The purpose of his here was to make arrangements for our citizens for Friona to become a regular stopping point for the air of the company. The old Comus Club was revived and a meeting to consider the proposition, was held perfectly fair and all had a contract signed and bonus money was raised. However, the fact that the gentleman could not give satisfactory references know our people and his anxiety to get on

of the first installment of the bonus money caused some uneasiness on the part of some of the members of the club and the money was held until some reference or recommendation could be obtained. The representative became somewhat peeved at this action and departed, as he said, for Amarillo, where, he said our people could communicate with him later by wire. At this writing two efforts to get in communication with him have failed and the chance of Friona becoming a regular airplane station seems suspended in thin air.

NOTICE TO TAXPAYERS

Complying with Section One of Ordinance No. 132, notice is hereby given to every tax-payer within the City of Hereford, to hand in to the City Tax Assessor a full and complete list of all taxable property held by him either as owner or as agent, within two months

after the publication of this notice.

Section Two of this Ordinance makes it the duty of every tax-payer to make such rendition within the specified time, on forms furnished by the City, and now to be had at the City Office.

ORDINANCE NO. 133 makes it a penal offense for persons owning or controlling such property to fail or refuse to make such rendition to the CITY ASSESSOR within the period of time prescribed.

Let every person owning or controlling property taxable within the City of Hereford, on the 1st day of January, 1920, render same to the City Assessor at the earliest date possible because April 26th, 1920, is the last date upon which such rendition may be made.

**BAYLOR CELEBRATES
75th ANNIVERSARY**

Baylor University is preparing to celebrate its 75th anniversary with an extended and elaborate program. An unusual number of distinguished guests will be brought to the university during the spring term, including Vachel Lindsey, Wm. Butler Yeats, of Ireland, and Ex-Pres. Wm. Howard Taft. Commencement speakers will be

Dr. George V. Truett and Dr. George McDaniel.

A prominent place in the Jubilee Frank's this-day music festival, in program will be taken by Severin which he will present the Passion of Saint Matthew, a light opera, and two symphony concerts. Hundreds of voices are now training for the choruses to be rendered during these three days.

Pres. S. J. Brooks and the Board of Trustees are making arrangements to confer a number of honorary degrees upon a large number of graduates of Old Baylor at Independence and Waco University at Waco, which two schools were united in 1886 under the name of Baylor University.

The campus is being especially beautified in honor of the year. On the large of space between the library and the science hall the figures "1845-1920" appear in low growing plants a contrasting color to the grass-covered lawn.

The great building program undertaken by the university had its beginning a week when ground was broken for handsome men's dormitory, a modern fire-proof building which is to cost \$300,000.00.

They couldn't be built now for twice \$7,000

When the talk turns from politics to railroads, and the traveler with the cocksure air breaks in with, "There's an awful lot of 'water' in the railroads," here are some hard-pan facts to give him:

American railroads have cost \$80,900 a mile—roadbed, structures, stations, yards, terminals, freight and passenger trains—everything from the great city terminals to the last spike.

A good concrete-and-asphalt highway costs \$36,000 a mile—just a bare road, not counting the cost of culverts, bridges, etc.

Our railroads couldn't be duplicated today for \$150,000 a mile.

They are capitalized for only \$71,000 a mile—much less than their actual value. Seventy-one thousand dollars today will buy one locomotive.

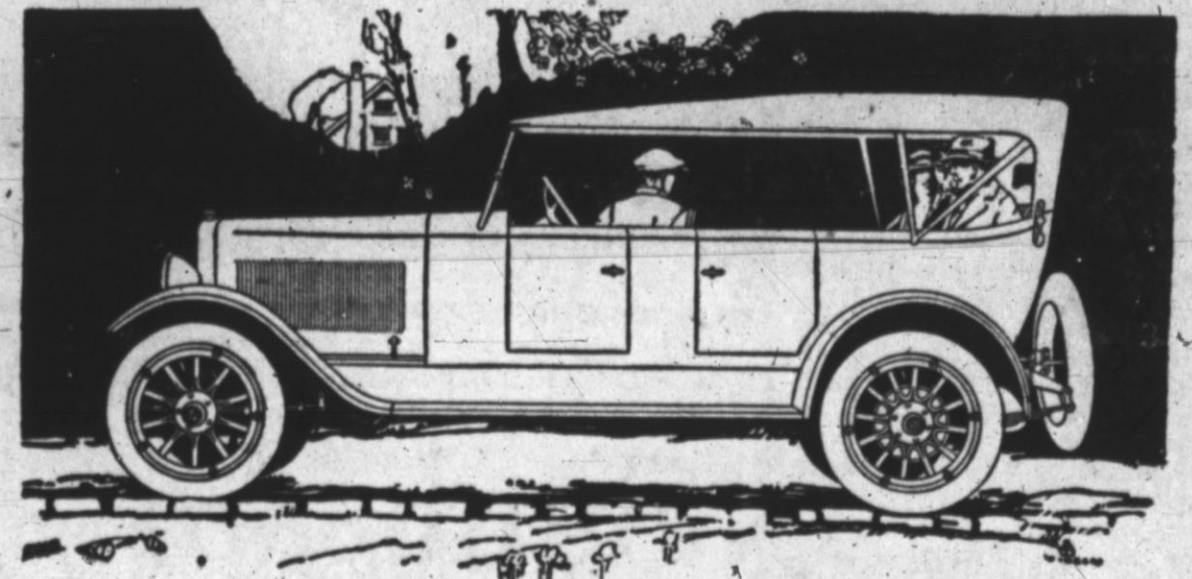

English railways are capitalized at \$274,000 a mile, the French at \$155,000; German \$132,000 a mile; Canada (still in pioneer development) they are capitalized at \$67,000 a mile. The average for all foreign countries is \$100,000 a mile.

Low capitalization and high operating efficiency have enabled American Railroads to pay the highest wages while charging the lowest rates.

AS FAIRBANKS
 In "Jesty, The American," which was presented at the Star Theatre Wednesday and Thursday, 10th and 11th, "Doug" plays it of a young American who can't keep out of trouble. He tangles in all sorts of situations and leads him all over the world. He first in New York where he shows the fire department should be run, and helping the raid a king of the underworld he goes to Mexico to show what they don't know about business. And then he butts the affairs of a little principality in Europe. You'll say it is the jolliest you ever saw. In order to make production, a Mexican village, all, and a section of a little French town had to be constructed, from a palace to hotel, from City to railroad station. Even a French railroad and train had to be constructed. Those who were in France with expeditionary forces will recognize many of their old haunts and scenes. Don't miss this extraordinary attraction at the Star next week and Thursday.

It shall be unlawful for any person, firm or association of persons, to keep for sale within the fire limits, any hay, straw, fodder, shucks, shavings, or other combustible material, in any lot or place, or in any wooden structure of any kind; provided that hay in the bales may be kept for sale in stone, brick, tile or concrete buildings with metal, tile, slate or composition roof.

Sec. 8. That the accumulation of boxes, barrels, or other combustible material within the fire limits of this City, in yards without roof or protection is hereby prohibited.

Sec. 9. It shall be the duty of any person, firm or association of persons erecting any building hereafter within the fire limits of this City, of more than one story in height, to have a scuttle or scuttles made in the roof of the same, with a ladder leading thereto, and the City Commission may at any time order the owner or person in control of any building in the City to have scuttles made in the roof or adopt such other measures or regulations as they deem necessary for protection against fire.

Sec. 10. It shall be unlawful for any person, firm or association of persons, to remove any frame building or other building, the outer walls of which are constructed in whole, or in part of wood, from any place outside of the fire limits to any place within the fire

limits, within the City of Hereford.

Sec. 11. It shall be unlawful for any person, firm or association of persons, to remove any frame building or any other building, the outside walls of which are constructed in whole, or in part, of wood, from one place within the fire limits of the City of Hereford, to another place within such fire limits, unless it shall be removed onto the east 1-2 of Block 19, or on to the west 1-2 of Block 10, Block 24, or Block 25.

Sec. 12. It shall be unlawful for any person, firm or association of persons hereafter to open or establish within the fire limits, any lumber yard for the sale or storage of lumber, laths, shingles, sash, doors or any wooden building material of any description.

Sec. 13. Any person violating any

of the provisions of this Ordinance shall be guilty of a misdemeanor and upon conviction thereof, shall be fined in any sum not exceeding Two Hundred (\$200.00) Dollars.

All Ordinances and parts of Ordinances in conflict herewith, and particularly Ordinance No. 119, are hereby repealed.

ADOPTED this the 28th day of February, 1920.

ORDINANCE NO. 139.

ORDINANCE TO BE KNOWN AS ORDINANCE NO. 139, ESTABLISHING FIRE LIMITS IN THE CITY OF HEREFORD, AND PRESCRIBING MATERIAL TO BE USED IN AN MANNER OF CONSTRUCTING ALL BUILDINGS WITHIN SAID FIRE LIMITS.

IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS:

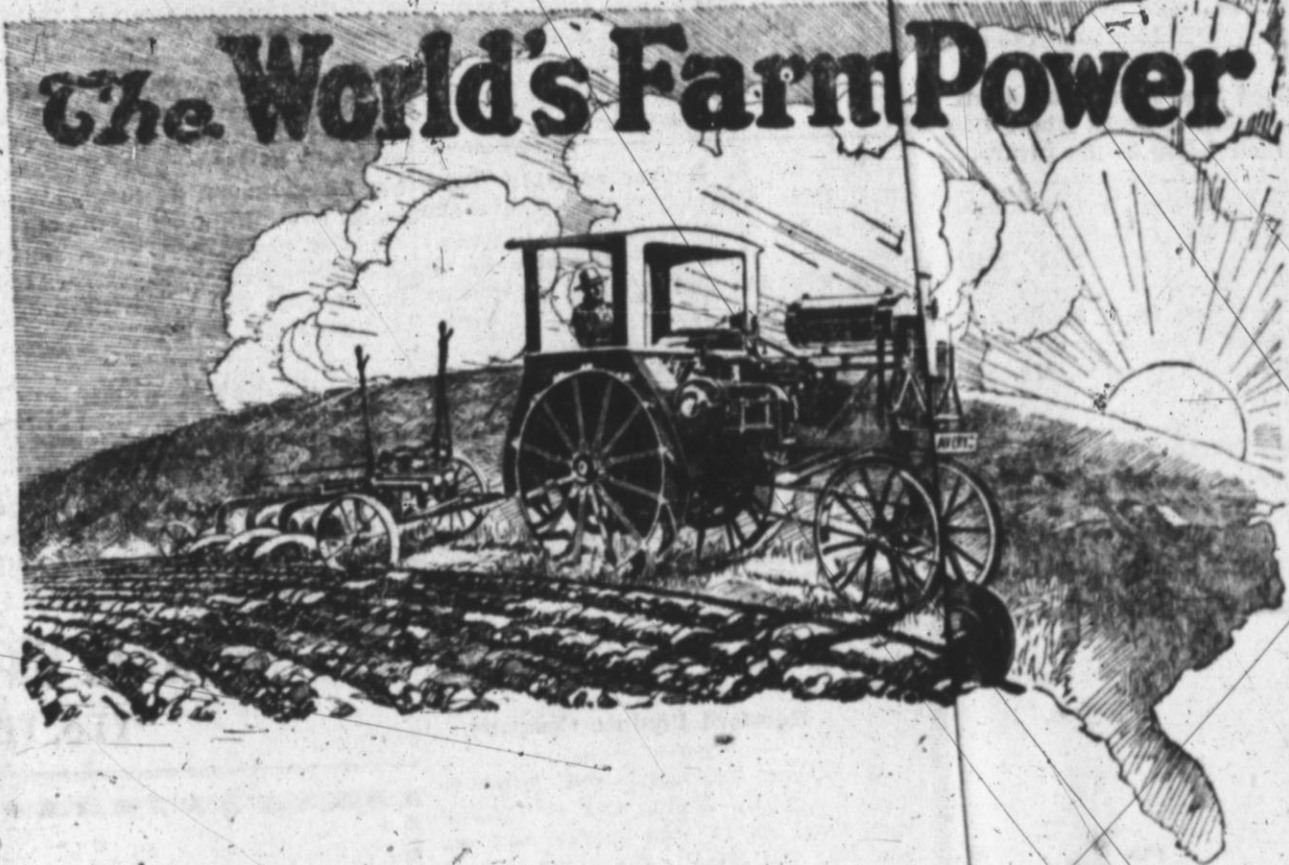

1. The following described territory shall constitute the fire limits of the City of Hereford, and all property within said territory is within the limits of the city of Hereford. All blocks 17-18-19-24-25-26 and the east half of 27 and the west half of 10-11 and 16 of the original town of Hereford.

2. It shall be unlawful for any person, firm or association of persons to build or erect, or cause to be built or erected within the fire limits of the City of Hereford as constituted, established and designated by section one of this ordinance, any building or part of a building or any addition to a building, unless the outside and party walls thereof be made of stone, brick, tile or concrete, and unless the roof hereof be made of slate, metal, composition or other non-combustible material. Provided, however, that a small iron clad store room may be constructed on the rear of any lot within the fire limits, with a floor space not exceeding 196 square feet and not exceeding 12 feet in height, and be constructed at least thirty (30) feet from any other building on the same or adjoining lots. Such store room must be covered entirely with iron or other non-combustible material and must not have a wooden floor.

3. It shall be unlawful for any person, firm or association of persons to build or erect over any sidewalk within the fire limits any awning, shed or gallery of wood or any other combustible material, unless such awning, shed or gallery be covered and ceiled with metal, asbestos or other non-combustible material.

4. Every building hereafter erected within the fire limits of the City of Hereford, shall have a parapet wall extending at least three feet above the roof and on all sides of the building unless the building is constructed at right angles to the alley and the rear of the building is toward the alley. But if the rear of the building is practically parallel with the alley, then a parapet wall on the rear of the building is not required. Furthermore, whenever any roof or upper story of any building within the fire limits is supported by pillars, such pillars shall be made of brick, stone, concrete, or iron.

5. It shall be unlawful for any person, firm or association of persons to enlarge, or build any addition of any size or kind whatever, to any building

WILLIAM S. HART

It is the diversity of roles afforded William S. Hart that makes his recent pictures so enjoyable. In "The Poppy Girl's Husband," he essays the role of a man convicted of crime, paroled after serving ten years, to find his wife has been false. All his good resolutions to lead a good life are forgotten. It is the association with his own son that awakens the better self in the convict. The role affords Mr. Hart excellent opportunities to display his talent as an actor, and he takes advantage of them. A grouch-chasing two reel comedy will also be shown with the feature, and you will sure get your money's worth at the Star Saturday night.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for three weeks will enrich the blood, invigorate the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the Child will be in perfect health. Pleasant to take. 50c per bottle.
