

AROUND TOWN SIGHTS, FACES SEEN

Tickets for the JayCee's Variety Show, slated for August 12, will go on sale this weekend at the Hereford News Stand, O & R Cleaners, and The Hereford Brand. Tickets will also be available from any member of the Junior Chamber of Commerce. JayCees, incidentally, can pick up tickets for sale at any of the three firms. The show is for one-night only, and the sponsors hope for an early sell-out of tickets. For further details, see story on Page 1, Section 2, of this issue of The Brand.

The days of free parking on Main Street are numbered. Better do your parking early during the next few days, folks, and avoid the last-minute rush. At least a couple of enterprising local business men have jumped the gun with some handy little gadgets with a key-chain on one end and a container for half a dozen nickels on the other. They're giving away the gadgets, but so far the customers have to supply their own nickels. (Continued on Page 8)

Installation Of Parking Meters Is Started

Standards for Parking Meters are being placed along Main Street and adjacent side streets this week, and the meters will be installed early next week, Mayor W. E. Dameron reported yesterday.

Notice will be given, however, before the meters go into operation, Dameron said.

Work of marking the streets for the new 30-degree angle parking will be accomplished next week, as quickly as preparations can be made, and local residents will probably be offered a few days grace to become accustomed to the new parking regulations.

Meters will be placed on Main Street from the highway to 4th Street, and on the west side of Main between 4th and 5th for approximately half a block. Meters will be placed east and west of Main Street for one-half block on 2nd, 3rd, and 4th streets, with one exception. On 3rd Street west of Main, meters will extend the full block to the City Hall.

The meters are of the penny and nickel type, and are two-hour meters. Parking rates will be 12 minutes for one cent, 5 cents for one hour.

No meters will be placed along the Post Office corner. Instead, a limited parking zone will be designated there.

"It is not the intention of the city to charge patrons for the privilege of parking to get their mail," city officials explained. Parking around the post office will probably be limited to 15 minutes.

Rev. and Mrs. Cagle Return from Hawaii

The Rev. and Mrs. R. H. Cagle returned last week from a six-week tour of the Hawaiian Islands. Rev. Cagle, pastor of the local First Baptist Church, led a series of evangelistic services while in the Islands.

The minister brought back to Hereford several movie films of Hawaiian scenes and of the missionary work being carried on there. Some of the color pictures were shown at the First Baptist Church Sunday night following the evening service. Others will be shown Sunday evening, August 2.

Gilbreaths Taken To Dallas Hospital

Mr. and Mrs. J. C. Gilbreath of Dimmitt, who were both seriously injured in an explosion from gas fumes in their home last week, were taken by ambulance to Dallas Saturday for special treatment.

Mrs. Gilbreath who suffered fifty percent body burns, remains in a critical condition. Mr. Gilbreath who was severely burned about the face and hands is reported to be improving satisfactorily.

School Board Calls Meeting At Westway

An important meeting of all patrons of the Westway School will be held at the schoolhouse at Westway tomorrow night (Friday, August 1) at 8:30 o'clock.

The meeting has been called by the Board of Trustees of the Hereford Rural High School district for the purpose of determining the will of the majority of Westway school patrons as to whether school shall be maintained at Westway this fall, or whether the entire group of students from Westway shall be brought to the Hereford schools.

"It is the desire of the School Board," Supt. George Graham said today, "to learn the will of the majority of patrons of the Westway school in this matter."

A partial survey, Graham said, has revealed that most of the parents contacted prefer to send their children to school in Hereford.

"Since the survey was not complete, and did not include all of the patrons of the school," Graham said, "the Friday night meeting is being called."

The matter is urgent, the superintendent pointed out, in that repairs and necessary improvements must be made on the school building at Westway if school is to continue there this fall. All patrons are urged to attend the meeting.

Since Westway is included in the recently-created Hereford Rural High School district, it is within the power of the board of trustees to make the decision as to whether the school is to be operated there this fall or not. However, the Board is willing to follow the wishes of the patrons. (Continued on Page 5)

Last Rites For Miss M. Wilder Held Wednesday

Miss Mildred Wilder, longtime resident of the Westway community west of Hereford, died at 2:00 Tuesday morning, July 29, in the Deaf Smith County Hospital where she had been ill the past two weeks.

She was the daughter of O. Wilder and Mrs. Edna Lloyd Wilder of Westway.

Funeral services were conducted Wednesday, July 30, at 2:00 p.m. at the local Methodist Church by the Rev. O. B. Herrington pastor. The deceased was a member of the Methodist Church at Westway.

Miss Wilder was born May 22, 1904, in Robertson County, Texas. She came to Deaf Smith County in 1922 from Asheville, North Carolina.

Burial was in West Park cemetery with Paul Matteson, U. V. Pierce, E. H. Little, Joe Landers, Merlin Kaul and Carl Schroeder as pall bearers.

Surviving are the parents.

Mrs. D. Sheffield Dies Sunday at Labor Camp Here

Mrs. Della Sheffield, who recently came to Hereford from Ballinger, died Sunday, July 20, at the former Hereford Prisoner of War Camp, near Summerfield.

Mrs. Sheffield, who was 76 years old, was born in Johnson County, Texas. She moved to Hereford July 1 of this year.

She is survived by two sons, L. D. and Oscar Sheffield, of Eden, Texas, and St. Pedro, California, respectively; two daughters, Mrs. Lorene Stricklin, Ballinger, and Mrs. Irene Hackler, Blum, Texas; and seven grandchildren.

Interment was at Eden, Texas, Monday, July 21.

BULLETIN

Jesse Click, injured in the crash Saturday night, is back in the Deaf Smith County Hospital receiving treatment for severe shock. His condition today was reported improving.

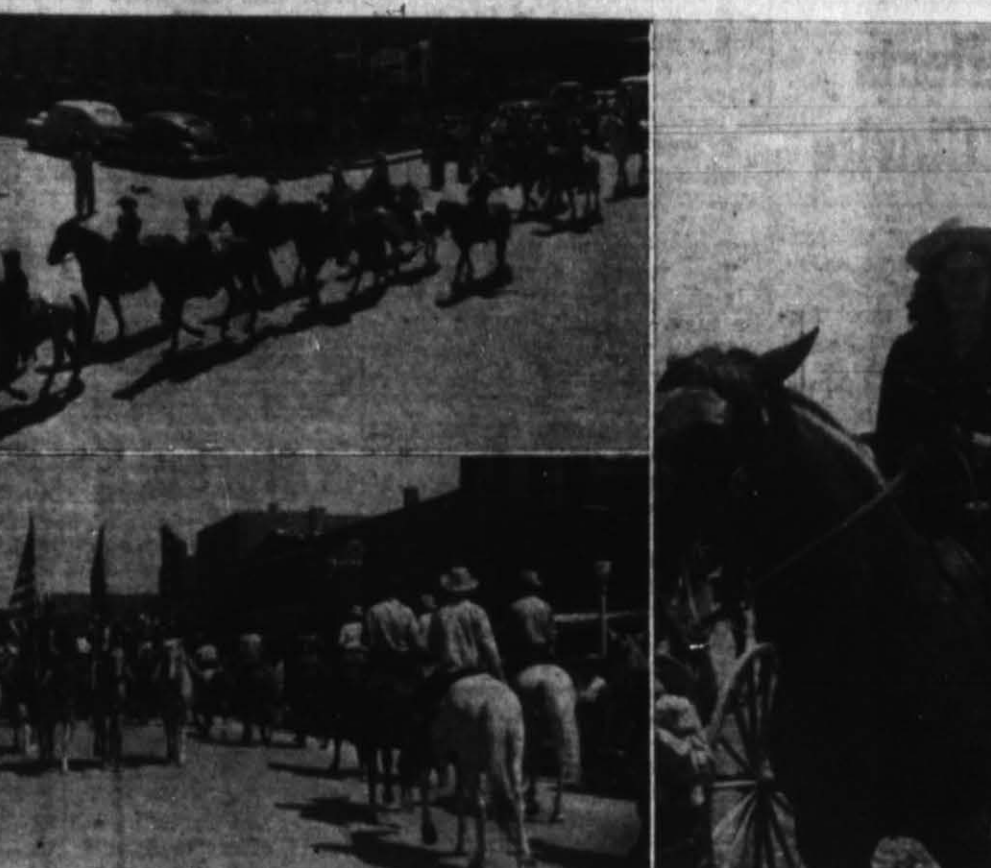

Bob Barrett was released from the hospital yesterday.

Ford School To Vote August 14 On Consolidation

A special election has been ordered in the Ford School District by County Judge Leonard Foster to vote on consolidation with the Vega Independent School District.

The election will be held on August 14, Judge Foster said. G. G. Richardson has been appointed election judge, and will select his own assistants. Polls will be at the Ford schoolhouse.

Ford school district, which is Common School District No. 12, was formed this summer after the district was permitted to withdraw from the Hereford Rural High School District. It was formerly a part of Common School District 7, which was included with other common school districts in the county in the grouping effected by the formation of the Rural High School district in an election early this year.

A majority vote of the patrons of the Ford district will be required to effect the proposed consolidation with the Vega Independent school district.

Students from Ford school have been attending Vega schools in previous years as transfers.

Former Hereford Boy Killed In Philippines

Donald Ray McCullough, son of Mr. and Mrs. Ralph McCullough of Amarillo, formerly of Hereford, was killed on Luzon Island in the Philippines, where he was serving with the U.S. Armed Forces.

No details of his death have been received here as The Brand goes to press.

Dickens Girl Killed in Auto Accident at Baptist Camp

A 15-year-old Dickens, Texas girl was killed and six persons injured when the Ford pickup in which they were riding plunged off the steep road entering the Cedar View Baptist encampment grounds in Palo Duro Canyon Wednesday. Several Hereford people were on the camp ground near the scene of the accident.

Dead is Wanda Fay Raspberry; injured were four of her girl friends and the Rev. and Mrs. J. C. Scruggs, Rev. Scruggs, pastor of the First Baptist Church at Afton, apparently lost control of the truck in which he was taking the girls to the out-

Potato Prices Higher and Demand Steady on Better Grades; Government Buying Remains Heavy Locally

Potato prices began climbing last week-end, after hovering around the floor at mid-week, and U. S. No. 1 Reds were moving at \$2.35 early this week, although the market was weakening again at mid-week.

Government buying at support levels remained fairly heavy in the lower grades and on cobbles, but price on the reds stayed above the floor with demand steady.

Inspectors report that quality of spuds being shipped is improving.

Last week's rain, which halted digging for a couple of days, left local shippers hard-pressed to supply the week-end markets;

but they tended to improve quality when digging was resumed as spuds were given more time to ripen.

A total of 465 carloads of spuds had been shipped from this county up to noon Wednesday. Of this amount, 285 cars had been shipped by rail, and the equivalent of another 120 cars had gone out by truck.

Some 50 cars have been sold to the government at support levels in this county to date. Buying slowed some this week, but local agents reported Monday was the biggest day so far for government purchases.

Prices which had jumped over

the week-end to around \$2.85 on U. S. No. 1's f. o. b. Hereford, were weakening some as a result of heavy competitive shipments from Colorado, which started in this week.

Local shippers complained that higher freight rates to the eastern and mid-western markets forced the price on local spuds down in the face of Colorado competition.

Shippers reported, however, that the demand is still good for the local product. A few long whites are beginning to come in now, and price quotations are reported in the neighborhood of \$3.35 f. o. b. Hereford, on these

Hereford Boy Killed; Six Injured In Four Car Smash-Up On Highway 51 Saturday Night

New Instructor, Mechanic Added To Clover Field Force

Burl Tibbs of Weatherford has recently been added to the ground crew at Clover Airport as a mechanic, and is doubling as a flight instructor.

Carl Kropff, manager of the airport, announced this week. Tibbs is a veteran pilot and mechanic, Kropff said, with more than thirty years experience. He started his flying career in 1916, and has since logged more than 20,000 hours in the air.

Tibbs and Ray Berry, chief flight instructor at the field, between them have logged more than 35,000 hours. Berry, with well over 20 years flying to his credit, has himself logged more than 15,000 hours in the air.

Leon Foster, 15, was killed, and six persons were injured, in a highway crash involving two cars, a pick-up and a jeep, on Highway 51 eight miles south of Hereford last Saturday night.

Injured were:

M. L. Simpson, of Jumbo, suffering from cuts, bruises, and shock.
Mrs. M. L. Simpson, shock.
W. H. Simpson, shock.
M. T. Sparkman, Jumbo, broken leg, cuts and bruises.
Jesse Click, 15, serious shock and bruises.

Robert S. (Bob) Barrett, 34, broken ribs and possible internal injuries.

Louise and Bib Simpson of Jumbo, Billy Jones, Billie Jo Cluck, and Joy Cluck, all of Dimmitt, escaped without serious injury.

The place was set for the crash when a pick-up driven by Jesse Click, 15 year old son of Mr. and Mrs. Orpha Click of Hereford, accompanied by Leon Foster, son of Mr. and Mrs. A. Foster of this city, stalled on the highway.

The boys were working on the engine of the pick-up. Mr. and Mrs. M. L. Simpson and two children, Louise and Bob, in a jeep, had parked at the edge of the highway just north of the stalled pick-up, and Mr. Simpson had alighted to assist the boys.

A third car driven by William H. Simpson of Jumbo, accompanied by Billy Jones, Billie Jo Cluck and Joy Cluck of Dimmitt, had pulled off the highway, heading west, a few feet south of the jeep and pick-up.

Mr. Sparkman had halted his car several yards down the highway, and had walked back to see if he could be of assistance. Mrs. Sparkman remained in the car and did not see the crash.

Funeral Rites For Leon Foster Held At Sulphur Springs

The body of William Leon Foster, 15-year-old accident victim, was taken to Sulphur Springs for burial Monday morning.

Leon was the son of Mr. and Mrs. A. Foster of Hereford. He died at the Deaf Smith County hospital early Sunday morning, as a result of injuries received in a crash on Highway 51 south of Hereford a short time before.

Leon was born at Ennis, Texas, on January 28, 1932. He was a freshman student in Hereford High School last year.

Congress Gives Green Light To AAA Conservation Program

Congress gave the green light to the Department of Agriculture this week on its far-flung Triple-A field service and Agricultural Conservation program.

Funds for conservation payments for conservation programs throughout the U. S. were released Monday after a 60-day tie-up brought on by a slashing Congressional cut in Agricultural Department appropriations.

Congress has restored most of the AAA budget, enabling the Agriculture Department to go ahead with its vast conservation program.

While the appropriation will be some 18 percent less than last year, the bulk of the reduction in personnel and administrative expenses will be absorbed in

New Permanent Bleachers For Season Opener

A new permanent grandstand, which will increase the seating capacity of Whiteface Field by 1200, is scheduled to be completed in time for the opening of the 1947 football season.

Plans were outlined this week for erection of new steel frame bleachers to be located on the west side of the Hereford Field. The announcement followed a meeting of Athletic Committee members with a group of individuals Monday evening. The group also recommended changing the name of the field to Whiteface Memorial Field and to dedicate the new stadium to all boys who attended Hereford High School and who lost their lives in World Wars I and II.

The new stands will cost approximately \$7,500, plus cost of moving the present west stands to the east side of the field. The committee also hopes to secure enough money to complete an athletic field house for which a surplus army building has already been secured and placed on the grounds. Total funds needed for the complete program will be around \$14,000.

The committee decided to follow the same method as used in building the old bleachers, which will feature the sale of reserve seats for a period of two years at \$10 per seat. With 1,200 seats in the new stands, this will raise \$12,000; however, they felt that additional donations might raise the necessary amount.

Printed tickets, good for two years, designating the section, row and seat number are to be delivered as the seats are sold. All interested persons were also

Veterans File Only Bid For Park Site

Sale of the Hereford State Park to the local American Legion and VFW posts was made official at a public auction last Saturday morning at 10 o'clock at the door of the Deaf Smith County Courthouse.

It was all over in a couple of minutes.

Alex Thompson, designated by the County Commissioners Court, to conduct the sale of the property at public auction, read the court order and called for bids at the appointed time.

Dr. B. M. Wiltshire, acting for the joint American Legion-VFW committee, made the only bid, \$7,500... approximately three hundred dollars over the "floor" sale price set by the Court.

No opposing bidders were on hand and the property was declared sold to the joint-buyers, the Hereford American Legion Post No. 192, and Hereford Veterans of Foreign Wars Post No. 4818.

All that remains is to complete the final legal details of transferring the property.

Both Legion and VFW posts have been incorporated under Texas laws to enable them to accept title to the park property. They will own the park, including the Club House, jointly.

The price set by the Commissioners Court as the minimum acceptable bid for the property was \$7,200, and covered the county's investment in the park.

Known as Hereford State Park, the site was once improved by CCC as a State Park, and was later returned to Deaf Smith County.

Doubleheaders In Muney League Next Week

The Municipal Softball League will begin playing double-headers next week in order to make up for the two weeks lost at mid-season during the harvest rush.

Tonight Dawn will meet the Lions and tomorrow night American Legion meets High School in a make-up game.

Monday night's double header will feature Summerfield vs. High School and Sunday School vs. Dawn.

Tuesday night it's Lions vs. American Legion and VFW vs. Firemen. Wednesday night pits High School against Lions and Dawn against the Firemen. Thursday night Summerfield plays American Legion and VFW meets Sunday School.

All games begin at 8:30 sharp. If at the end of 5 innings of play, one team has a 10-run lead or better, the game will be called.

Dawn and the Firemen are still in a neck-and-neck race for the league lead, with Dawn holding a half-game edge. Last Thursday night the Dawn sluggers defeated VFW 16 to 7. Monday night Summerfield cracked out a 15 to 8 victory over VFW. Tuesday night American Legion ran over Sunday School 19 to 3, and last night the Firemen scored a 14 to 3 victory over High School.

The only change in the standings was in fourth place, as Summerfield forged ahead of VFW to take their place in the first division.

The Standings:

Team	W	L	Pct.
Dawn	8	1	.888
Firemen	8	2	.800
Legion	6	3	.666
Summerfield	5	5	.500
VFW	4	6	.400
High School	3	6	.333
Sunday School	3	7	.300
Lions	1	8	.111

Farm Safety Record Affects High Food Costs Says Clarke

AUSTIN, July 22.—Farm Safety Week July 20-26 brings the warning that the food shopper's dollar will buy less this year if farm accidents are not curtailed.

George Clarke, managing director of the Texas Safety Association, said that the mounting toll of fatalities on the farm and from farm to market cannot be overlooked as a contributing factor in determining whether the state's high riding economy is headed for an inflationary crackup. He explained that for each \$10 of gross income the farmer as a class pays out about \$1 as the result of accidents, and this in turn is slapped on the price of each consumer item.

Clarke said that the occupational death total in agricul-

tural was the largest of any major industry with machinery, livestock and falls of persons, in that order, as the most frequent sources of fatal accidents. The death rate per 100,000 farmers is 53, as compared with the all-industry rate of 35.

An analysis of traffic accidents for the first five months of this year reveal that more than twice as many persons have been killed in rural areas as in cities and towns.

Governor Jester, following a three-year-old precedent, proclaimed Farm Safety Week to stress the urgency for all farm families to adopt safe practices of living and working every day of the year.

Clarke said that Texans pay annually about \$118,930,100 for

VA Authorizes Dental Service For Veterans Out Under Year

Dental services of the Veterans Administration regional office at Lubbock announced today that it would immediately authorize dental treatment, at VA expense, for World War II veterans with dental deficiencies who have been out of service less than one year.

VA said that dental difficulties of veterans who were discharged less than a year ago are presumed to be service-connected, and treatment in most cases can be automatically authorized without reference to the veteran's medical service record. This saves considerable time and gives the veteran the advantage of much quicker dental care.

It was emphasized, however, that he must, in all cases, secure authorization before going to a local dentist for treatment, otherwise VA cannot pay the bill.

The veteran should indicate his choice of dentist at the time he makes application for treatment. The Veterans Administration will, in most cases, authorize treatment by a hometown dentist when the veteran does not reside conveniently to a VA dental clinic. Clinics are located in Amarillo, Lubbock and El Paso. If he has never filed a claim with the VA a certified copy of the veteran's discharge should be included with the application.

Dental care is available to all veterans whose dental deficiencies are the result of service in the armed forces. Any veteran who attributes his dental condition to his military service is privileged to make a claim for treatment.

When applications are filed later than a year after discharge, the claim must be adjudicated and rated on the basis of medical evidence as service-connected before any dental treatment can be authorized. Such claims require a longer time before authorization can be granted than those filed within one year of discharge, VA officials said.

farm accidents in the price of bacon, flour, clothing and other items. The interdependence of farmers, manufacturers and business causes this loss to be felt throughout the state and on every item used by the buying public, he said.

According to the Census of Agriculture, farmers in Texas have added 63,458 tractors to their farm equipment during the past five years. Clarke said that tractors cause more deaths than any other type machinery and that this rapid replacement of man and mule power brings a greater exposure to fatal accidents.

Association statistics show that farm animals account for one out of four agricultural work accidents and that falls cause more injuries than any other type of accidents in the home and barn.

Rural traffic fatalities since May of this year total 471 persons killed in 3,658 accidents, while 209 persons were killed in 7,006 accidents in cities.

Veteran Santa Fe Executive Retires

J. B. (Jerry) Briscoe, 1232 Crockett Street, Amarillo, superintendent of the Plains Division, Santa Fe Railway Company, has announced his retirement, effective August 1st, after more than 40 years service.

Briscoe's Santa Fe career began as agent and operator at Hanover and Santa Rita, New Mexico, in March, 1907. In 1910, he went to Clovis, N. Mex., as terminal agent on the Pecos Division, later advancing to the positions of transportation inspector, night and day chief dispatcher, and trainmaster at Clovis.

In 1920 Briscoe came to Amarillo as assistant superintendent

Streu's Diary

July 30, 1947.

DEAR DIARY:

It is said that "music soothes the savage beast," or something like that. What with soothing salves, syrups, balms, and nerve easing beers, wines, and other drinkable concoctions, it behooves me to put in my plug for soothing, nerve relaxing music. You can get it by merely listening to one of our Stromberg-Carlson or RCA combination radio and record players. We are making deliveries now on both. In stock we have the Stromberg-Carlson "New World," a beautiful modernistic walnut cabinet with silver hardware and an eleven tube radio. It plays automatically ten or twelve inch records, has short wave, regular broadcast band and two FM bands. To hear this machine is to enjoy the finest in musical entertainment. We have a shipment of several Strombergs in route, various cabinets and finishes. See them this week.

Just received: Our largest shipment of RCA record albums, both popular and classical—hip boots for fishermen and duck hunters—knee boots for irrigating—roller skates—pipe fittings—the new "Post War" Florence Registered Gas range, with oversize lighted oven (with glass door) large broiler, timer, light, and most everything that the housewife has been waiting for.

Coming soon: Portable radios, both Sentinel and RCA—electric clocks—timers snips—scuffle hoses—electric fans—Revere utensils—sleeping bags—bed lamps—Hi-Jacs, Lo-Jacs and Shoe-Jacs—metal step stools, kitchen stools and step ladders.

Have you seen the cleanup job done on the city park at the Main Street bridge? Bouquets to the newly organized JO's—what with the City cleaning up Mother's Park and Lake Park, the JO's cleaning up and improving Bridge Park and the veterans taking over the Hereford "State" Park, Hereford will soon be known as the City of Parks. Pretty soon, we will be proud to be citizens of Hereford!!

AUTOMATIC LAND LEVELERYou Get These BIG
ADVANTAGES
with EVERSMAN

The ONLY machine with
grader blade suspended on
movable sub-frame balanced
with springs connected to
wheels through and eccentric
axle that gives automatic
action.

Not just another scraper.
It's a 3-way machine used
not only for the initial job
of dirt moving and leveling
but for maintaining con-
tours and preparing seed
beds year after year.

Gets land in "able-top"
condition, making better
drainage possible, irrigating
and cultivating easier, and
mechanical harvesting faster.
A must in permanent seed-
ling, saving seed cost, giving
more years of bigger yields
from each seeding.
Comes in 4 sizes to fit
wheel tractors up to large
crawlers.

Only one leveler, the EVERSMAN, has
the eccentric (crank) axle—when wheels
go on a high place the blade AUTO-
MATICALLY lowers to gather a load
—when wheels go into a low place the
blade raises to release enough dirt to fill.

Front clod buster and rear smoother
blade firms the surface as the machine
moves along, producing a finely pul-
verized seed bed while AUTOMATIC-

Wedding Is
Announced

Announcement has been made
of the marriage of Mrs. Rita-
Roy Lobdell Ireland, daughter
of Mr. and Mrs. A. C. Lobdell
of Franklin, La., to Glenn Fan-
nin Todd, also of Franklin.

The quiet ceremony was held
Saturday July 28, in the home of
the bride's parents with mem-
bers of the two families attend-
ing.

Mrs. Todd will be remembered
here as the sister of Mrs. Travis
Dameron. Mr. Todd is a veteran
of World War II, having served
in the Pacific Theater of War
with several months with the
Navy on Okinawa.

The couple will make their
home in Franklin where he is

Rites Told

Announcement is being made
of the marriage of Miss Betty
Scarborough, formerly of Here-
ford and now of Fort Worth, to
Douglas M. McKinnon, son of
Mr. and Mrs. C. R. McKinnon
of 531 Spurgeon, Fort Worth.

The wedding ceremony was
performed on July 9 in the Poly-
technic Baptist Church with the
pastor, Reverend Elmer Dunham
officiating. Mr. and Mrs. McKin-
non's attendants were Mr. and
Mrs. Wallace Howington of
Fort Worth.

Mrs. McKinnon was costumed
in a white suit made with bustle
in back and worn with black ac-
cessories. Her flowers were pink
carnations tied with pink satin
ribbon.

The bride is the daughter of
Mr. and Mrs. H. G. Scarborough
now of Fort Worth and graduat-
ed from Hereford High School
with the 1946 class.

Mr. McKinnon is a student of
radio production at Texas
Christian University and follow-
ing a wedding trip to Galveston
the couple is making their home
with his parents at 531 Spur-
geon.

Guests of Dr. G. W. Heard and
Miss Lucy Reed the past week-
end included Mr. and Mrs. D. H.
Reed and daughter Bertella Kay
and Mr. and Mrs. Darrell Stag-
gers and son, all of Amarillo.

Daughter Is Given

and recorded stories were heard.
A picnic lunch was served to
Nelle Walker, Donna Woodell,
Jean Gilliland, Linda Phillips,
Zandra Singer, Beverly Bil-
lingale, Tina Witherspoon,
Johnnie Paetzold and the hon-
oree. The hostess was assisted
by her mother, Mrs. W. L. Alex-
ander, and Mrs. Joe Paetzold.

Gift Party Given

Mrs. Archie Scott was named
honoree at a gift party given at
the home of Mrs. Ed Cox Tues-
day afternoon, with Mrs. Cox,
Mrs. Douglas Woodell, Mrs. Cox
Richardson, Mrs. Carlos Vaughn
and Mrs. Dudley Green as host-
esses.

A program of music and games
was conducted by Mary Jo
Mathies, Mrs. L. H. Lookingbill

Mrs. Carl Perrin, Mr. and Mrs.
B. H. Kirby and sons, Terry and
Jeffrey, Mr. and Mrs. J. E. Kirby
and daughters, Sallie Sue, Karo-
lyn and Ann.

Tynes-Ramsey
Wedding Is
Announced

Mr. and Mrs. R. A. Tynes of
Lubbock, formerly of Hereford,
have announced the marriage of
their daughter, Nina Marie Ty-
nes, and Gerald Gaddy Ramsey
of Dallas, son of Mr. and Mrs.
Guy Ramsey of Plainview.

The single-ring ceremony was
performed on Sunday July 27, in
the home of Mrs. Ernest Conley,
with the Rev. H. G. Gantz, pastor
of the First Christian Church of
Lubbock, reading the rites.

Attending the bride were Mrs.
Fred J. Tunnell who served as
matron of honor and the best
man was the bridegroom's bro-
ther, Joe Ramsey of Lubbock.

Virginia Ann Tynes, niece of
the bride was flower girl and a
nephew, Rex A. Tynes III, was
ring bearer.

The bride wore an original
model suit in dusty rose, with
gray accessories and carried a
white prayer book topped with
white orchids and Stephanotis.

Miss Evelyn Pickle provided
the wedding music, playing
"Clair De Lune" (Debussy) dur-
ing the ceremony.

After a reception the couple
departed on a wedding trip to
New Orleans, La. They will be at
home at 3504 Windenwood Ave.,
in Dallas after August 5.

Both the bride and the bride-
groom were graduated from
Texas Technological College in
1941. Mr. Ramsey also attended
the University of Chicago. He
served in the army two and a
half years.

They were formerly dietitians
in a dormitory at Texas Tech
and in the Social Center on the
campus.

President Hill Appoints New Official at WT

CANYON, July 28—Creation of a new position on the staff at West Texas State College has led President J. A. Hill to appoint Frank Barnhill as supervisor of buildings and grounds.

Duties of the new supervisor will include taking charge of the entire physical plant, including cleaning, repair, engineering and small construction.

Dr. Hill has centralized responsibility for the physical properties of the college under one head in a slight reorganization since the resignation of J. L. Hardin as assistant business manager. The appropriation of more than \$110,000 for expenditure in improving the college facilities during the next year will bring expanded program, requiring full-time work from an administrator.

Headquarters for Mr. Barnhill, who took his BS from WTSC in 1944 and has almost completed work on his MA, will be set up in the new warehouse to be turned over to college authorities by the government Monday, July 28. For the first time, West Texas State will have adequate storage for miscellaneous properties when the 282 by 30 foot reconstructed barracks building is made available for use. From his office the new supervisor will direct all the janitors, ground men, engineers, electricians, plumbers and other workers on the campus.

Recent guests of Mr. and Mrs. J. E. Beyer were their grandson, Melvin Beyer and Mrs. Beyer and baby of Amarillo and Mr. Beyer's nephew, Glenn Bruer, and Mrs. Bruer of Hutchinson, Kansas who were en route to Arizona where they will spend their vacation.

Tom Medlin has just arrived from Dallas to take over duties as Shop Foreman at Hereford Motor Company.

Mr. and Mrs. George S. McConnell and girls, Georgie Faye, Dolores Ann, and Betty Jane, who have been visiting their mother and grandmother, Mrs. Oscar Vaughn, left Saturday for Calisbad Cavern and other points of interest in the southwest. They will return to Washington D. C. via Old Mexico.

Southwest sheep and lambs closed last week barely steady to \$1.00 or more lower, except at Denver where late declines largely erased early-week gains. Medium and good spring lambs sold from \$17.50 to \$21.25 at San Antonio, and \$19 to \$21 at Fort Worth. Good and choice kinds brought around \$23 at Wichita, and \$26 at Denver.

Lyle Blanton returned yesterday from San Diego, Calif., where he attended funeral rites held Sunday for Mrs. Blanton's mother, Mrs. George Elio, who passed away Sunday. Mrs. Blanton who had been at her mother's bedside for ten days, will remain in California for a couple of weeks.

Hereford Nine Wins Over Clovis In Game Sunday

Hereford's VFW baseballers slugged out a crushing 18 to 5 victory over the Clovis Black Jacks in a Western Panhandle League game at Clovis last Sunday afternoon.

The Veterans, defeated only once in league play this season, are still on top of the heap and going strong. Only two more games remain on the regular season schedule.

Next Sunday the Veterans will return to Clovis to meet the Clovis Blue Jays; and on August 10, they will return to the home diamond to face the Dora, N. M. club in the season's finale. Their only loss this season has been to Dora in their first meeting at Dora early in the season.

Assured of a spot in the playoffs, the Hereford nine is riding high toward a league championship. A modified Shaughnessy play-off between the four top teams will settle the title after the regular season is completed.

At Clovis last Sunday, the

Veterans slugged out 12 hits off two Clovis pitchers, and capitalized on 13 Black Jack errors to pile up the big score.

Anderson and Winkler divided time on the mound for the Hereford team, each racking up five strike-outs, and between them allowing nine hits.

Anderson started the game and pitched the first five innings, Stengel going in in the 6th.

Four errors were chalked up against the Veterans.

asked to contribute additional seats for members of the band and pep squad members.

The new stands will run from the 20-yard line, and will be divided into six sections. Each section will contain 10 rows of seats with 20 seats to the row. Frame work will be entirely of steel and seats will be made of two 2x8 boards; a space of 18 inches will be allowed for width of each seat and all sections, rows and seats will be numbered, corresponding with the 1947-48 Reserve Seat tickets.

Three ramps will allow spectators to enter the stadium from

the front and the stands will slope down to a height of four feet on the bottom row. The seats will be constructed in such a manner that spectators will not be kicked from the rear and the stands will be closed in the rear to prevent all possible cold winds.

Present plans are to place tickets on sale Monday. The stadium chart is located at Close Drug and persons who wish to secure choice seats were urged to buy reservations early.

Attending the meeting on preliminary plans were A. J. Schroeter, George Graham, Coach H. V. Stanton and Rual Ford, representing the High School Athletic Committee, Harold Close, Dubbs Reeves and Jimmie Gillette, representing the Lions Club, and Herman Ford representing the Rotary Club.

majority of patrons in the matter.

If the decision is made to bring all Westway students in to Hereford schools, the two Westway teachers, Mrs. Cawthon Bryant and Mrs. Ralph Johnson, will be transferred to the faculty of the Hereford grade school.

High school students from Westway will attend Hereford High School, as they have in the past, in any event.

Definite decision has been made by the board of trustees of the Rural High District to operate grade schools this year at Summerfield and Dawn, as well as Hereford. Decision on whether or not a fourth school will be maintained at Westway will be reached Friday night.

All junior high and high school students in the districts will attend Hereford Junior High and Hereford High School.

All schools will open on September 8.

when the House of Representatives in Washington voted to appropriate only \$165,000,000 this year (a cut of more than one-third) and to end the program altogether next year.

Congress, spurred by protests from the nation's farm bloc, finally voted 265 million dollars for the 1947 program, and authorized an additional 150 million dollars for the 1948 program.

No curtailment in local staffs will be necessary.

The local ACA office is now ready to talk business again on conservation practices this summer and fall.

"Prior approvals are absolutely necessary, however," Collier said, "before the work on any practice is begun."

Application for approval of projects should be filed with the County ACA committee, and speedy action is promised.

Plenty of funds are available in this county to carry out the program. A sharp curtailment in the program for next year is virtually guaranteed, however, by the reduction in funds allocated for 1948.

held Monday through Wednesday noon of this week. They included Sam Allen, the Rev. R. H. Cagle, Mr. and Mrs. A. O. Thompson, Mr. and Mrs. E. W. Young and Mary Ann and Dixie, Mr. and Mrs. J. C. Allred, Reba Dones, Mrs. Edna Bowe, Mrs. C. V. McCord and two children, and Avon Wick.

Mrs. Sam Allen brought news of the fatal accident to Hereford. Reba Dones and Dixie Young remained at Cedar View for the Girls' camp if it is carried out as scheduled.

At the business session of the general meeting, the Rev. Lee Hemphill, pastor First Baptist Church, Littlefield, was reelected president of the group. Rev. Hemphill succeeded the Rev. R. H. Cagle, Hereford, who was the first president of the Baptist camp.

Approximately 150 Baptists from this district were present for the first-of-the-week outing. Dr. A. Hope Owen, Plainview, was camp pastor.

Boys of this section met on the camp grounds in July for a similar get-together. This year's was the first series of encampments held at Cedar View since it was opened early this summer.

Jesse Stanfords Return From Tour Of Furniture Markets

Mr. and Mrs. Jesse Stanford returned this week from an extended tour of eastern furniture markets. Over a period of three weeks, they attended showings in Burlington, Iowa; Chicago, Illinois; and High Point, North Carolina.

Mr. Stanford reports that he found living room furnishings plentiful but that for dining rooms scarce—none of it any cheaper. "The favorite color in furniture this season is chartreuse," he says.

En route to North Carolina, the Stanfords visited the national park at the Smoky Mountain Indian Reservation.

driven by Barrett, southbound on Highway 51, crashed into the rear of the stalled pick-up. The pick-up struck the Click boy and Mr. Simpson, crashed into the jeep, then careened 69 yards off the highway and into a pasture.

The Barrett car then ploughed on into the jeep, running over Leon Foster and Jesse Click, who had been leaning over the pick-up engine working on the fuel pump at the right side of the highway.

Mr. Simpson, who was standing near the boys, was also hurt. Mrs. Simpson and the two Simpson children were in the jeep, which was knocked over. Mrs. Simpson escaped with bruises and a severe case of shock. The two children were not injured.

Mr. Sparkman, who had walked back to the scene from his car, was standing beside the jeep talking to Mrs. Simpson, and suffered a broken leg and severe cuts and bruises when he

was struck by the careening pick-up.

The Ford coach, driven by Wm. H. Simpson, parked off the highway a few feet south of the jeep and at right angles to it, was struck by the jeep. Wm. H. Simpson, driver of the car, was taken to the hospital suffering from shock and bruises. The other occupants were not injured seriously. Billy Jones was slightly hurt, but the two girls escaped injury.

The crash occurred at about 11:45 p.m. Saturday night.

That was the story as it was pieced together by Highway Patrolman Cecil McNeil and Deputy Sheriff Neal Young, who were called to the scene following the accident.

Jesse Click and Leon Foster, most seriously injured, were rushed to the Deaf Smith County Hospital by E. B. Black ambulance. Young Foster died at the hospital a few minutes after arriving there.

The other wreck victims were brought in by passers-by. Barrett was taken to the hospital by a Dimmitt man whose name was not learned. He was treated and dismissed, then returned to the hospital Sunday where it was discovered that he had suffered three broken ribs and other possible injuries.

The car driven by Barrett was a complete wreck. The pick-up was badly smashed up. Other cars involved in the crash were not badly damaged.

Rev. and Mrs. Marvin Boyd and son Don left Saturday after a visit here in the home of Mrs. J. W. Kirby. Mrs. Boyd and Don were in Hereford while Rev. Boyd went to Indiana for a new car. He joined them here Friday and they made the return trip in the new car.

Mr. and Mrs. Walter Hawkins and family of Lamesa spent the weekend in Summerfield with her parents, Mr. and Mrs. B. A. Atchley. Mr. Atchley is confined to his home because of illness.

Mrs. L. H. Rhodes and children of Tucumcari, N. M. have been visiting relatives in Hereford. Mrs. Rhodes is the daughter of Jeff Gilbreath.

Robina Culpepper Married Sunday To Donald Robbins In Rites Here

The First Baptist Church was the setting at 5 p.m. Sunday for the marriage of Miss Robina Culpepper, daughter of Mr. and Mrs. L. Culpepper, to Donald Robbins, son of Mr. and Mrs. L. D. Robbins of Santa Fe, N.M.

A pink and white theme was used in the church with tamarisk forming the background. The altar was decorated with baskets of pink gladioli flanked by seven branched candelabra.

Rev. R. H. Cagle read the double-ring ceremony. As guests assembled Wayne Evans, organist, played "Because" (De Harlot) and Nancy Cagle and Bobbie Jean Sisk lighted the tapers. Mrs. Norman Harrison, accompanied by Mrs. J. R. Allison, gave a violin solo and Sam Allen sang "Through the Years" accompanied by Wayne Evans at the organ.

Ushers were G. P. Owen and Warren Owen.

Miss Juanita Kirk of Tucumcari, N.M. was maid of honor. She wore an aqua crepe dress with white off-the-face hat and carried a colonial bouquet of pink rosebuds. Earl Robbins, brother of the bridegroom, was best man.

The bride, who was escorted by her father, wore a white crepe-romaine frock designed with sweetheart neck outlined in hand-made rosebuds and plaited skirt. She wore a halo hat of white straw with short veil of net and she carried a white Bible topped with gardenias and pink rosebuds. She carried out the traditional "something old" with a string of pearls belonging to her mother and her Bible was borrowed from a teacher. She wore a penny in her shoe for luck.

Mrs. Culpepper and Mrs. Robbins both wore navy with gardenia corsages.

After the wedding a reception was held at the home of the bride's parents. The bride's colors of pink and white were used for the refreshment table. White tapers flanked the wedding cake encircled with pink gladioli. Virginia Curtisinger and

Youth Caravan Presents Program At Rotary Club

Members of the Youth Caravan, who were visitors at the First Methodist Church in Hereford last week, presented a program for the Hereford Rotary Club at their noon luncheon last Friday.

Members of the caravan were Jane Lawrence, Lucille Hester, Katherine Carpenter, Juanita Cardozer, and Marie Herndon.

The program consisted of an explanation of the work of the caravan, a reading, piano solo, vocal solo, and group singing.

Dr. B. M. Wiltshire, Rotary president, announced a club assembly to be held on Thursday evening at 8 o'clock at the City Hall. District Governor Jim McCullough will be present, and all interested members are urged to attend.

Governor McCullough will also be present at the regular meeting of the club tomorrow (Friday) noon.

Visitors last week included Rotarians Bob Lindsey of Borger, Oliphant of Laredo, Carmody of Burley, Idaho; and Lonzo of Arlington. Other guests were Clyde Cave, Buster Hicks, Robert Thompson, Lyle Blanton, Bill Hardwick, Claude Weathersby, and members of the Youth Caravan.

Family Reunion At Hamilton Home

A family reunion was featured at the home of Mr. and Mrs. Homer Hamilton this past week.

Members of the family present included Mrs. Millard Mitchell and son, Milton, Bowdon, Georgia; Mr. and Mrs. John H. Rugh, Gallup, New Mexico; and Mr. and Mrs. Joe L. Hamilton, Hereford.

Mrs. Mitchell is the former Miss Cornelia Hamilton and Mrs. Rugh, the former Miss Corinne Hamilton.

Prachar Family Has Reunion In Curry Home Sunday

SUMMERFIELD, July 29 — With members of the Prachar family together for the first time in eight years, Mr. and Mrs. Lee Curry were hosts Sunday for a family reunion in their home.

A picnic dinner was served in the yard of the Curry home at noon. Fried chicken and steak were served ranch-style. Two of the Prachar boys, J. C. and family of California and Bill and wife of Steamboat Springs, Colo., were unable to attend the reunion.

Those present were Ed Prachar, Mr. and Mrs. Ray Prachar and family of Colorado; and Mr. and Mrs. Frank Prachar and their three children of Cincinnati, Ohio; Mr. and Mrs. Luther Foust of Plainview, Mrs. Pat Morse and Kay and Kyle Ken of Fort Worth, Mr. and Mrs. Ross Baker and Juanita, Mr. and Mrs. Dick Ford, Mr. and Mrs. S. L. Bruce, Mr. and Mrs. J. A. Black and Howard of Amarillo; and Mr. and Mrs. Guy Walser and family and Mr. and Mrs. Lee Curry of Summerfield.

Local Families At Cheyenne Frontier Days Exposition

Several Hereford residents were present for at least one performance of the Cheyenne Frontier Days parade and rodeo at Cheyenne, Wyoming, held July 22 through 28.

Local people who were among the estimated 85,000 spectators to see the rodeo during the five days, included Mr. and Mrs. Charlie Burk, Mr. and Mrs. F. A. Tucker, Richard Lee, Inez and Ruth Tucker; Miss Adeline Koelzer, and Mr. and Mrs. Roger Brumley.

This year marked the 51st annual staging of the Frontier Days celebration. The one-hour parade was held on Wednesday and Friday mornings.

The Burks were in Cheyenne as a part of a trip through the Dakotas, Montana and Wyoming; the Tuckers saw the rodeo as the climax of a tour of scenic points in Colorado and Wyoming.

appear before the Honorable District Court of Deaf Smith County at the Court House thereof, in Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 15th day of September A. D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 30 day of June A. D. 1947, in this cause, numbered 2981 on the docket of said court and styled H. Wilson Gyles Plaintiff vs. J. M. Hedgecoke, Senior, M. B. Hedgecoke, J. E. Gyles, Alma Rogers and each of them, if living and the unknown heirs and legal representatives of them and each of them, deceased Defendant.

A brief statement of the nature of this suit is as follows, to wit: For the title to the following described land located in Deaf Smith County, Texas, to-wit: Being a part of Block No. 21 Evans Addition to the Town of Hereford, Deaf Smith County, Texas, described by metes and bounds as: BEGINNING at the Northeast corner of said Block No. 21; THENCE South 247.775 feet; THENCE West parallel with the North line of said block a distance of 178.2 feet; THENCE North a distance of 247.775 feet parallel with the East line of said block to a point in the North line of said block; THENCE East with the North line of said block a distance of 178.2 feet to the place of beginning.

Based upon the ten year Statute of Adverse Possession and Limitation of the State of Texas, in that plaintiff and his immediate grantors have held the continuous, peaceable, adverse possession of all of said land for over a period of ten years, claiming and asserting the fee simple title thereto; and upon a regular chain of title; and to establish identity of the above described tract of land as being Lot Number 1 in said block.

As is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford Texas this 28 day of July A. D. 1947.

SOFTBALL LEAGUE IS PITCHER'S NIGHTMARE

Thirty-One Batters Hitting Over .300 For First Half of Muny League Season's Play

The Hereford Municipal Softball League looks like pitcher's nightmare from a glance at the batting averages compiled for the first half of the season by the league's official scorer, Bartley Dowell.

Thirty-one players in the 8-team loop are batting .300 or better. Only players with ten or more times at bat were considered in compiling the averages.

Two VFW players, F. Zinser and K. Neill, were tied for the loop lead at mid-schedule, each with an average of .500 in 16 times at bat.

The cellar-dwelling Lions are represented in the first three, incidentally, by Lee Johnson, in third place with an average of .480 in 25 trips to the plate.

Nine players have batting averages of .400 or better for the first half of the season. In the Big Leagues, that would mean headlines and salary raises automatically.

In the runs-scored column, the league-leading Dawn sluggers demonstrate one of the big reasons why the Dawn team is on top of the heap. They've made their hits count.

Melvin May of Dawn is the league's leading scorer, with 17 runs. Two of his team-mates, E. Lemmons and O. Caraway, are close with fifteen runs each. Airhart of Dawn is tied with Barrett of the Firemen with 13 runs each for fourth position.

Dawn is leading the league also with eight players in the .300-or-better bracket. High School is next with six, and the second-place Firemen third

Mr. and Mrs. James Bell arrived Wednesday from San Diego, Calif., and plan to make their home in Hereford. Mr. Bell is the son of Mrs. A. G. Bell of this city.

Mother Dies In California

Mrs. Lyle Banton's mother, Mrs. George Elio, 73, passed away at her home in San Diego, Calif., Sunday morning, after an illness of three weeks.

Funeral services were held Tuesday at a San Diego Funeral Home chapel. Mrs. Elio, who had recently returned home after visiting Mrs. Blanton in Hereford and other relatives in Texas, formerly lived in Amarillo. Besides Mrs. Blanton she leaves four sons, Irwin of San Antonio, Robert, Godfrey and Arnold, all of San Diego.

School Groups to Hear Sight Conservation Talks Sept. 15

George Campbell of Lawton, Oklahoma, who was totally blind for the first 18 years of his life, made a short but inspirational talk Wednesday noon before the Hereford Lions Club on "Sight Conservation."

Campbell, who will return to Hereford on September 15 for a series of three lectures to school students here under auspices of the Lions Club, has devoted the last ten years, since he regained his sight, to lecturing throughout the United States on Sight Conservation and Safety.

"I was born blind, and remained blind for the first 18 years of my life," Campbell told the Lions. "I know better, perhaps, than anyone else how important it is to be able to see; and how important it is to take care of the eyes which we have."

Campbell was educated in public schools, sitting in classes just as the average student, and spending his study periods by having another boy read assignments to him. He never learned Braille.

"I majored in speech and dramatics," he said. "This gave me my only field of normal competition. I had an advantage," he laughed. "I could stand there and talk all day and if my audience got up and walked out it wouldn't bother me—I couldn't see them leaving."

A series of operations in 1936 and 1937 restored his sight. With his thick-lensed glasses he now sees clearly. "You call them glasses," he remarked. "I call them my passport to life."

In the past ten years, he said, he has travelled 450,000 miles over the United States, speaking before school groups, industrial employees and parents, eloquently arguing for sight conservation and safety.

The board of directors of the Hereford Lions Club, in furthering the club's Sight Conservation program, voted to bring Campbell back to Hereford on September 15 to deliver a series of lectures to Deaf Smith County school children.

Three lectures are scheduled: one to high school groups, one to junior high students, and one to grade school youngsters. All three lectures will be delivered at the high school auditorium. Students from Summerfield, Dawn and Westway will be brought in by bus to Hereford to attend the lectures, according to plans announced by Supt. George Graham.

Four-Year-Old Is Honored At Party

Karen Sue Daniel, who was four years old Monday, was complimented when her mother, Mrs. R. A. Daniel, entertained with a play-party Monday afternoon.

Tiny tot games were enjoyed and balloons and candy were given each little guest as favors.

Those present were Pamela Clay, Colleen Reeves, Patty and Davey Don Pierce, Craig Griffith, Jimmie and Butch Reinauer, Sherry and David Kendall, Cheri Baker, Bobby and Becky Jackson, Dickie Ware, Lisle Patton, Mollie Bett and Judy Ray of Lubbock, Belva Ruth Wheat of Amarillo, and the honoree.

Mothers attending were Mesdames T. J. Clay, W. J. Reeves, Richard Winget, Worth Ware, Fred Pierce, Dennis Baker, E. R. Kendall and the hostess.

E. A. McBryde, assistant state director of Production Marketing Administration, and Vic Cade of Lubbock, State Committeeman, were business visitors here Wednesday.

Veterans Buy...

(Continued from Page 1)

acres of land were included in the purchase, taking in the property east of the bridge on South Main Street to the eastern limit of the park.

Prior to the sale, the veterans organizations had reached an agreement with the City of Hereford to allow the City to obtain certain acreage at the eastern end of the park for the city's new sewage disposal plant. Details of that transfer will be completed, it is understood, when clear title to the land has been turned over to the veterans.

The veterans organizations have announced long-range plans for improving the property and turning it into a first-class public playground as a Veterans Memorial.

The present Club House will be remodeled and used by the Veterans organizations as a meeting place, and will also continue to be available to other local organizations for use on the same basis as set up by the County.

Also proposed is the erection of a gymnasium building, adjacent to the present clubhouse, which will be large enough to serve as a modern gymnasium, banquet hall, meeting hall, and play house for local boys and girls clubs.

The veterans plan to employ a parks engineer to make comprehensive plans for development of the site as a playground and recreation spot for the community.

An arena for rodeos and similar shows, and a baseball diamond, are also included among the plans outlined by the two veterans organizations in an advertisement last week in The Brand.

Party Is Given By A. R. Batemans

Mr. and Mrs. A. R. Bateman were hosts at a dinner-party Sunday evening, honoring Mrs. Mary Draper who left yesterday for her home in Rawlins, Wyoming, after a stay here with her daughters, Mrs. H. A. Close and Mrs. Miriam Volz.

Also sharing in honors for the party were Mr. and Mrs. H. A. Close, who were celebrating their 24th wedding anniversary, and Mrs. J. H. Pitman who observed her 78th birthday that day.

After the meal entertainment features consisted of singing songs and talking over the events of twenty-four years ago, with comparisons of the times of fifty years ago and today recalled by Mr. and Mrs. Pitman.

Those attending were Mrs. Draper, Mrs. Volz, Messrs. and Mesdames J. H. Pitman, J. A. Pitman, Alton Fraser, C. C. Ackers, W. C. Pitman, J. C. McCracken, W. L. Davis, E. B. Hedrick and the hosts.

Mrs. Julia Sowell is in Hot Springs, N. M., for a few weeks. She accompanied her daughter, Mrs. Pearl Singleberry of Clovis, who has been ill.

Mr. and Mrs. Herman Stewart and children of Fayetteville, Arkansas, have returned to their home after visiting with her parents, Mr. and Mrs. John Clark and other relatives here.

Mrs. Johnnie Biggs and daughters of Midland and her sister, Mrs. James Morgan and family of El Paso, have been guests of their sister, Mrs. Alton Lockingbill, in Summerfield.

Bell Countians In Panhandle to Hold Reunion

The annual Bell County Panhandle and West Texas reunion will be held at Mackenzie State Park in Lubbock on Sunday, August 10th. This day and date was agreed upon by the more than 200 present on last August.

All former Bell County people are cordially invited to attend and enjoy a day of relaxation and renewing of old friendships. Bring as many as you wish with your well-filled lunch baskets. The Bell County group will have reservations on the East side of the Park, same as last year, and there will be shade, chairs, and cold drinks.

Hopes Are Raised For Early Action On Local Hotel

Hopes for construction of a modern hotel in Hereford rose again this week as the Hereford Chamber of Commerce received a proposal from unidentified parties interested in putting up the 60-room building.

Chamber of Commerce directors, in session last week, heard a proposal from a still-unidentified source, offering to construct the building according to Chamber of Commerce plans at an estimated cost of \$225,000, provided the local group would provide the lot and \$25,000 in cash.

Directors called a public meeting at the courthouse Monday night to explain the proposal to local business men. Only a handful attended the session to hear Chamber of Commerce Secretary Pete Cowart outline plans for raising approximately \$30,000 in cash to complete payment on the hotel-site and supply the \$25,000 demanded by the would-be builders.

At the meeting, it was agreed that the money could be raised provided the builders would sign a contract and post a forfeit guaranteeing good faith in completing the construction.

This morning, Secretary Cowart reported that negotiations toward securing a signed contract were progressing favorably, and that there should be definite action within a few days.

The Chamber of Commerce plan for raising the required subsidy is to secure membership payments to the Chamber of Commerce in amounts averaging \$200, which would be deductible from income taxes as legitimate business expenses. Chamber of Commerce directors, after a session with Internal Revenue officials in Amarillo, have been assured that such deductions would be allowed.

Mr. and Mrs. James Rutherford of Jackson, Miss., are in Hereford to spend a couple of weeks with his mother, Mrs. Hatlie Rutherford. They will also visit her father, Cass Brooks in Canyon, while in Texas.

Mrs. John Barrett of Clarendon is a guest of her sister, Mrs. F. M. Faulkner, this week. On Friday Mrs. Faulkner and Mrs. Barrett plan to go to Amarillo for a few days visit with Mrs. Faulkner's son, Harry Faulkner.

Mr. and Mrs. Louise Hoopes of Houston are visiting their aunt Mrs. Seth B. Holman.

Harley Sadler Show Back On Road in West Texas Circuit

Harley Sadler has shaken the moth balls out of his red wig and is back on his beloved West Texas entertainment circuit.

Harley, in his familiar Tobey roles, and his company, will be in Hereford under auspices of the American Legion beginning tonight and continuing through Saturday.

The show began the season at Sweetwater, Sadler's home town. A West Texas institution founded by an actor who has a special affection for West Texans, Harley Sadler's show is back on tour after three years absence. Harley was unable to assemble the fine brand of talent he thinks West Texas deserves, so kept his show under wraps. The veteran showman this season has what he believes is the most outstanding array of talent ever to appear on a West Texas tour.

Harley has resumed his Tobey roles with vigor. His absence from the stage has not dulled his old acting form and he has the same sparkling off-stage personality.

Sadler's wife, Billie, is not acting this season. She is close to the show, however, keeping busy managing the financial side of the tour.

Sadler has been in show business since 1916 and for the past quarter of a century has had his own company. Sadler's show is unique in the entertainment world in that it brings clean, high class amusement to the doorsteps of a vast section of the country.

Sadler takes great pride in the fact that parents who came to see his shows now bring their children to see them. He hopes this summer to renew acquaintance with every one of the thousands of Sadler fans.

Mayor Dameron says there'll be a sort of "warming up" period to let folks get used to the new parking regulations before the meters start demanding coins. That reminds us of the story of a certain little boy and his dog:

This youngster was faced with the proposition of bobbing his pup's tail. With a hatchet in one hand, and the pup in the other, he was doing things the hard way. He would whack off an inch of the tail, the dog would howl and the boy would hug the dog and wall along with her. After a while, he would repeat the performance, whacking off another inch of the pup's tail and then bawling along with the dog. A by-stander, after watching the performance for a while, asked the boy, "Son, why don't you cut it all off at once and get it over with?" "I can't do that to her," the youngster tearfully replied. "she can't hardly stand it like this."

California Man Dies at Home of Friends Here

Funeral rites were held in the E. B. Black Funeral Home Sunday, July 27, for John Wink, Fresno, California, resident who died while visiting in Hereford July 23.

Mr. Wink was a guest of his brother-in-law, Paul Matteson, at the time of his death. He had been in Hereford only a few hours.

The California man was born in Kentucky in August, 1885. He was 61 years old. He had been employed as a janitor and night-watchman at his home.

Mr. Wink is survived by his wife, Mrs. Grace Wink; three sons, Cpl. John C. Wink, stationed with the U. S. Army on Guam, Bill and Jackie, Fresno, Calif.; two daughters, Mrs. Charles De-Roo, Kansas City, Mo.; Mrs. Louis Gauge, Superior, Wis.; and two stepsons, S. J. and Loy Cook of Fresno, Calif., and Lubbock, Texas, respectively.

Other survivors include two brothers, Phil, Liberty, N. Y.; and Louis, Louisville, Ky.; and one granddaughter, Grace Moles, Superior, Wis.

Relatives here to attend the funeral included Mr. and Mrs. L. M. Clayton and daughter of Clinton, Okla.; Mrs. Louis Gauge and daughter, Superior, Wis.; Cpl. John C. Wink, Guam; Roy C. Mosier, Tacoma, Wash.; Bill Wink, Fresno, Calif.; and Mr. and Mrs. Loy Cook of Lubbock. Burial was in West Park cemetery; the Rev. O. B. Herring, pastor of the local Methodist Church, was in charge of the services.

JayCees to Present Summer Theater Players In Variety Show Here On Night of August 12

Ten Acts Will Feature Two-hour Stage Show Here

Hereford Jaycees will present the first in what is planned to be a series of "live show" entertainments at the Hereford High School auditorium on the night of Tuesday, August 12, when members of the West Texas State College Summer Theater will bring a two-hour variety show to the local stage.

An entertainment program of one-act plays, skits, and vaudeville numbers has been arranged under the direction of Crannell Tolliver, head of the department of Speech and Dramatics at West Texas State College, at the request of the local Junior Chamber of Commerce.

A cast of 22 students will stage the show.

"This will be a fast-moving two-hour show," Tolliver advised local JayCee officers. "While we are preparing one number behind the curtain, another will be going on in front, so there will be no delays. It is all comedy, except for the first number which is a very fine drama."

The drama, with which the players will open the show, will be "Balcony Scene," a drama with an unusual setting, the bal-

Other numbers on the program will include "The Bath Hour," a humorous monologue by Jane Collins of Oklahoma City, wife of one of the student veterans at the college. Mrs. Collins has had wide experience as an entertainer.

"Confessions," a domestic comedy by Arthur Doyle, famed creator of Sherlock Holmes, will be No. 3 on the program. "This play," Tolliver commented, "rather proves that husbands and wives cannot listen to stories of each other's previous 'flames' without becoming a bit jealous."

Bill Hutchinson of Pampa, popular campus soloist, will be featured in musical numbers; and Jim Bates, veteran of many

Top O' Texas Show Opening Pampa Tues.

Pampa has gone all out in preparation of the Third Annual Top O' Texas Rodeo & Horse Show which is scheduled for August 5-9 with the first Rodeo performance set for Wednesday night August 6 at 8:00 p.m.

Tuesday's activities will be devoted to the Palomino Show and Kid Pony Show. The Rodeo proper will get underway Wednesday night preceded by a 2-mile long street parade at 4:00 p.m. headed by Mutull's "Queen for a Day," who will be honored guest during the four-day celebration.

The Queen for the Pampa Show will be selected over the Mutual Broadcast hookup from San Antonio on Friday August 1. She will be flown to Pampa where she will be greeted by City, Chamber of Commerce, and Rodeo Officials. A complete schedule of entertainment for the Queen has been arranged varying from a wild ride from the Municipal Airport to the Ho-

Miss Eleanor Boyd (above) will become Dean of Women at West Texas State College in Canyon on September 1.

Dean of Women For West Texas State Is Named

Miss Eleanor Boyd has been named to succeed Mrs. Geraldine Green as new dean of women at West Texas State College in Canyon. This fall, Dr. J. A. Hill, president of the College, announced this week.

Mrs. Green, dean of women at the college for 19 years, announced her retirement, effective August 31, at the end of the current summer session. She plans to return to her former home in Harrisville, West Virginia.

Miss Boyd is currently employed as vocational, educa-

Hereford Rotarians to Hear District Governor Tomorrow

ROTARY GOVERNOR

J. F. McCulloch (above) of Stamford, Rotary district governor, will be in Hereford tomorrow to confer with local Rotarians, and will attend the noon luncheon at City Hall.

Members of the Hereford Rotary Club will welcome District Governor J. F. (Jim) McCulloch of Stamford, who is making his official visit to the local club.

McCulloch, district governor of the 127th district of Rotary International, including 64 Rotary clubs in northwest Texas, is a Stamford farmer and a member of the Rotary Club in that city.

The district governor will visit the Hereford club to advise and assist President B. M. Wiltshire, secretary Frank Lucas, and other officers of the club on matters pertaining to club administration and Rotary service activities.

He is one of the 173 district governors of Rotary International, who are supervising the activities of some 6200 Rotary clubs in 78 countries and geographical regions throughout the world.

Rotarians will meet tomorrow at noon at the Hereford City Hall.

Shirley Sharp Chosen Queen Of Parade

One hundred and eleven of the area's finest saddle horses were paraded last Saturday morning in the American Legion-sponsored Horse and Saddle Parade in Hereford.

Despite the fine turn-out of riders for the event, the parade was a not-unqualified success. A considerable portion of the large crowd of spectators which turned out Saturday morning for the show missed the parade entirely when the parade marshalls failed to follow the advertised route.

Scheduled to proceed north on Main Street to Mother's Park and return, the leaders turned the parade at the corner of 4th and Main, only three blocks from its beginning, and doubled back down Main Street for reasons still unexplained. Many spectators, lined up along Main north of 4th Street, missed the show entirely.

Others arrived too late. The parade, slated to begin at 11 o'clock, left the Bull Barn assembly point five minutes early by Western Union time, and was all over within a few minutes after the scheduled starting hour.

It was a great show, however, while it lasted. A total of 111 fine saddle horses, plus a pair of pony-carts, followed the color guard two abreast down Main in a colorful show.

Returning to the Bull Barn following the bob-tailed parade, riders assembled for the awarding of prizes; then had to reform their parade and take a

 THE STATE OF TEXAS
 TO: J. M. HEDGECOCKE, SENIOR, M. B. HEDGECOCKE, J. E. GYLES, ALMA ROGERS and each of them, if living and the unknown heirs and legal representatives of them and each of them, deceased Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Deaf Smith County at the Court House thereof, in Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 11th day of August A. D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 30 day of June A. D. 1947, in this cause, numbered 2981 on the docket of said court and styled H. Wilson Gyles Plaintiff vs. J. M. Hedgecocke, Senior, M. B. Hedgecocke, J. E. Gyles, Alma Rogers and each of them, if living and the unknown heirs and legal representatives of them and each of them, deceased Defendant.

A brief statement of the nature of this suit is as follows, to wit: For the title to the following described land located in Deaf Smith County, Texas, to-wit: Being a part of Block No. 21 Evans Addition to the Town of Hereford, Deaf Smith County, Texas, described by metes and bounds as: BEGINNING at the Northeast corner of said Block No. 21; THENCE South 247.775 feet; THENCE West parallel with the North line of said block a distance of 178.2 feet; THENCE North a distance of 247.775 feet parallel with the East line of said block to a point in the North line of said block; THENCE East with the North line of said block a distance of 178.2 feet to the place of be-

ginning.
 Based upon the ten year Statute of Adverse Possession and Limitation of the State of Texas, in that plaintiff and his immediate grantors have held the continuous, peaceable, adverse possession of all of said land for

over a period of ten years, claiming and asserting the fee simple title thereto; and upon a regular chain of title; and to establish identity of the above described tract of land as being Lot Number 1 in said block.

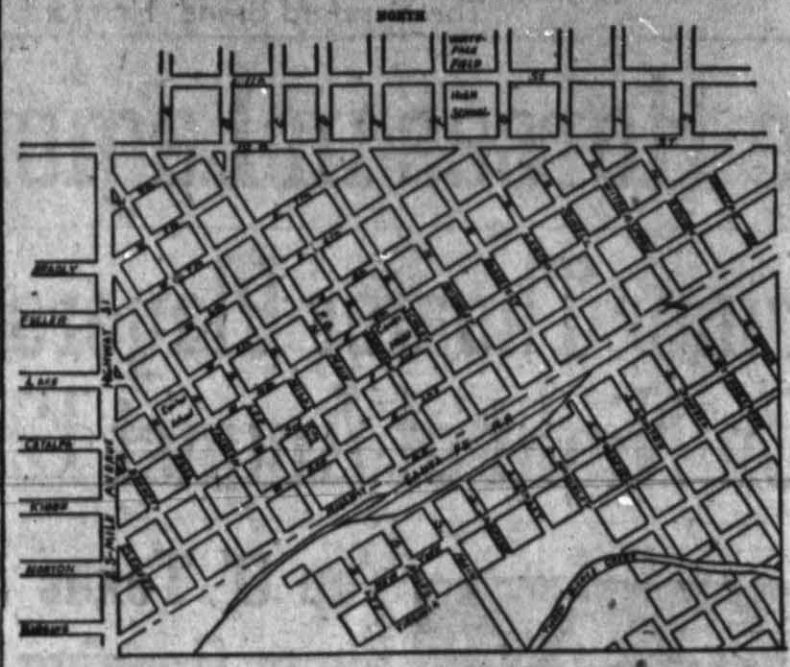

as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court,

at office in Hereford Texas this the 30 day of June A. D. 1947.

HELP BUILD AMERICA'S AIR POWER ON AIR FORCE DAY, AUGUST 1ST

No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power... on the ground as well as in the sky.
 You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay.
 If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours.
 Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools.
 On Air Force Day, make a point of finding out everything about your Air Forces — especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station.

NOW—THE WORLD'S GREATEST OPPORTUNITY FOR A CAREER IN AVIATION

Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth — and select your school or course before you enlist. The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses.
 When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want.
 Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station.

Wedding Plans Are Announced

Announcement of the approaching marriage of Miss Shirley Byars, daughter of Mr. and Mrs. L. L. Byars, and James Murphy White, son of Mr. and Mrs. Jim White of Hereford and Canyon, has been made. Mrs. Byars made the announcement at a tea given at the Byars home in Canyon Friday afternoon.

The wedding plans were revealed at the refreshment table which was laid with a white satin cloth with tall white tapers flanking the floral centerpiece. As each guest was served she received a miniature bridal bouquet with a decorated card inscribed with the names "Shirley and Murphy" and the date "August 30," tucked within the flower petals.

Mr. and Mrs. White operate extensive wheat farms northeast of Hereford and for the past two or three years during the school season, they have been making their home in Canyon.

North Hereford Home Demonstration Club in Meeting

North Hereford Home Demonstration Club met in the home of Mrs. Fred Saltzman on Thursday, July 24.

The members and thirteen guests enjoyed a covered dish luncheon.

The business meeting was conducted by the president, Mrs. R. A. Fullwood. Mrs. Clarence Saulcy won the Penny Ante gift.

Mrs. Oscar Vaughn and Mrs. Mary Bodkin were honored with birthday showers. Mrs. Fred Saltzman and Mrs. Paul Hoff also received birthday gifts from their "secret pals."

Mrs. Alice Cox entertained for the afternoon with games. Four different groups were organized to perform favorite radio programs. The winning group performed "Dr. I. Q."

Members of the winning group were Mrs. Clarence Saulcy, Miss Dorothy Lee Wilde, Mrs. Alma Spilman, and Mrs. James Wilde, with Mrs. Frank Brinkman as leader.

Attending the meeting were Mesdames Frank Wilde, P. M. Hoff, Mary Bodkin, Fred Barrett, C. L. Whitehead, Pat Robinson, Otto Olson, Fred Saltzman, R. A. Fullwood, Oscar Vaughn, R. A. Richardson, Pettijohn, and Frank Brinkman, members; and Mesdames Dorothy Lee Wilde and Augustine Gregory and Mesdames W. P. Gregory, Clarence Saulcy, Alma Spilman, James Wilde, J. C. Cummins, R. L. Fitzgerald, George S. McConnell and daughters, Ira Scott, Paul Harvey, and Alice Cox, guests.

The next meeting will be on August 7 at the home of Mrs. Pat Robinson.

Ann Bateman Will Enter Oklahoma Woman's College

CHICKASHA, Oklahoma, July 28, (Sp.)—Miss Ann Bateman of Hereford is among those who have made reservations at the Oklahoma College for Women for the coming school year.

Ann is a graduate of Hereford High School, Class of 1947, and a daughter of Mr. and Mrs. Alec R. Bateman of this city. Dr. Howard Taylor, Dean of the college, states that although the advance reservations are heavier than usual, there are rooms still available in the campus residence halls. With the closing of the large Borden General Hospital in Chickasha, many additional rooms at moderate rates are open for students who plan to attend OCW this fall.

El Nino Study Club Meets For Coke-Party

Members attending the coke party were Mesdames: Byron Durham, R. D. Ford, W. F. Graham, T. J. Clay, Joe Smith, Millard Nobles, Ben Ezzell, Bruce Woodell, W. J. Reeves, R. A. Daniels, John Jacobsen Jr., Fred Pierce and the hostess.

Tech Enrollment For Second Summer Term Is 2,285

LUBBOCK, July 28—Enrollment for the second summer term at Texas Technological College totals 2,285, with men students outnumbering women by more than three to one, the registrar's office has announced. The enrollment figure is an increase from 2011 for the second summer term last year. Arts and Sciences division leads with 807 students, followed by Engineering with 715. Registration in other divisions include 374 in Business Administration, 266 in Agriculture and 123 in Home Economics. Men students number 1763, as compared with 522 women.

Mrs. James Prowse and James Prowse Jr. of New York City arrived via TWA on July 23, and are spending the summer at the home of Mr. and Mrs. Leland Robbs in Hereford. Mrs. Prowse is the mother, and James Jr., a brother, of Mrs. Leland Robbs, who was formerly of New York City. This is their first trip west.

Bovina Will Vote on Bond Issue Today

BOVINA, July 28—A special election has been called by the City Commissioners of Bovina to be held on Thursday, July 31, for the purpose of voting a bond issue for the construction of a municipal water system in the city of Bovina.

Two separate propositions are being submitted to the voters in the special election. First, shall the City Commissioners be authorized to issue bonds in the amount of \$25,000. Second, shall the City Commission be authorized to issue water revenue bonds in the amount of \$40,000. Legal opinion was that voters will be required to approve both propositions if the commission is to be authorized to proceed with plans for providing a municipal water system.

Voting booths will be at the American Legion Hall. W. E. Williams is presiding judge; Bedford Caldwell judge; and Troy Armstrong and Vernon Estes, clerks.

The people of Bovina voted almost unanimously to incorporate their city government a few months ago, with the establishment of an adequate water system being one of the

principal reasons cited for the incorporation. City officials warned voters that it would be several months, however, before a water system could be installed if the bonds are voted.

Strawberry plants can be carried through the summer by irrigating every five to seven days, and providing shade, which can be made with old sacks tacked onto a frame.

A Statement To Our Customers About Resale

PRICES of PRODUCTS

Built by International Harvester Company

Here at Harvester we are concerned over the fact that a growing number of our products are appearing on the resale market at greatly inflated prices.

As manufacturers, we try to produce at the lowest possible cost. We cannot set the prices at which our products—tractors, motor trucks, farm implements, refrigeration, and industrial power equipment—are sold. We can and do suggest list prices which the great majority of our dealers adopt as their retail prices.

\$20,000,000 Price Reduction
Our basic price policy was publicly stated in March, 1947, when we announced price reductions at the rate of approximately \$20,000,000 per year on our products. At that time, Fowler McCormick, Chairman of the Board, said: "ANY PRICE IS TOO HIGH IF IT CAN BE REDUCED."

Practically all of our dealers cooperated with this policy and passed on the savings to their customers.

The objective of the price reductions was to make it possible for customers to buy our products, which they need so badly, at lower prices. Naturally, this purpose is defeated when our products are sold by anybody at inflated prices.

IH Production at All-Time Peak
Inflated prices are caused by

the difference between supply and demand. To increase supply, we now have the greatest number of employees in history on our payrolls—almost 90,000 in the United States, as against about 60,000 prewar. Large new plants are getting into production in Louisville, Evansville, and Melrose Park. A fourth will soon be in operation in Memphis. The men and women now employed are turning out the greatest quantities of IH products of all kinds that we have ever made. These are also the finest products we have ever made, and recognition of that fact is an important contributing factor to the demand for them.

Distribution to Dealers
But even record-breaking production is not sufficient to give your dealer—and other IH dealers—enough products to meet today's demand. We have tried to make the fairest possible geographical allocation of our products so that every dealer would get a fair share, and we know that dealers, in most cases, have tried earnestly to make the fairest possible distribution to their customers.

But we also know that many of our products—far too many—are being resold at inflated prices. The public criticism and resentment of these resales are of real concern to us, as we know they must be to our dealers, because such reactions en-

danger the good will of both the dealer and the Company in any community.

Distribution to Customers
Experience shows that many IH new products are being resold by users who decide they can continue to make out with their old equipment after they have had an inflated offer for their new equipment. To eliminate this, many dealers are taking measures to be sure that equipment purchased is for their customers' own use and is not to be resold.

Nearly all IH dealers, we believe, are now using the basis of PRESENT NEED as their primary guide for the sale of scarce products. The customer, whose need is real and urgent is not likely to resell.

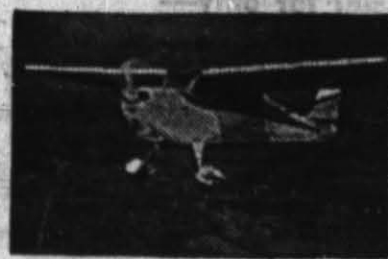

What Price Should You Pay?

While it may take a little more time to get delivery, we urge our customers to consider all of the factors mentioned here, before paying more, than the list price for any IH product. Any IH dealer or branch can furnish the suggested list price for any IH product.

We know that the overwhelming majority of IH dealers are as much opposed to inflated prices as we are. In the public interest, we have already asked their cooperation—and are now asking the cooperation of customers—in correcting this situation.

Flies On 78th Birthday

The thrill of a life-time came to Mrs. J. E. Pitman Sunday with her first trip in an air plane to celebrate her 78th birthday, with her granddaughter, Helen Ann Pitman as the pilot.

Because of her never-falling enthusiasm for life and her keen interest in people, Mrs. Pitman doesn't have the appearance of a septuagenarian, but one of her secret ambitions for years has been to fly before she really gets old. When the plane took off and started swaying a little to one side, she told her grandson, John Douglas Pitman, who was in the plane with her, "I guess I'd better move over to the other side and help straighten this thing out." After circling the city over and over again and a landing was made, she told her granddaughter: "Let's go up again and make just one

more landing." Recounting the trip enthusiastically, she said: "I always thought I'd like to fly and now I know I would."

Preceding the plane ride, her son, J. A. Pitman, and Mrs. Pitman entertained with a dinner at their home to celebrate the birthday with members of the family present. They included the granddaughter and grandson, Helen Ann and John Douglas, Mr. and Mrs. W. C. Pitman, Mac Pitman, J. H. Pitman, the honoree, Bob Mounts of Dallas, and the hosts.

Mrs. J. M. Simpson and son of Amarillo spent the weekend in Hereford with her mother, Mrs. E. W. Harrison.

Mrs. Edith Hughes of Lubbock is a guest in the home of Mr. and Mrs. J. O. Newell. Mrs. Hughes is Mr. Newell's sister.

Mrs. Ethel P'Pool of Munday has arrived to spend the remainder of the summer with her daughter, Mrs. Paul Mathers.

Betty June Euler Is Initiated By Alpha Chi Society

Miss Betty June Euler, daughter of Mr. and Mrs. Roy Euler, Summerfield, was recently formally initiated into Alpha Chi, national honorary fraternity at the West Texas State College, Canyon.

Elected by the faculty, members are chosen according to academic and moral qualifications and from the upper ten per cent of the junior and senior classes.

Betty June, a junior at West Texas State, is majoring in art and minoring in journalism.

Shower For Miss Campbell

Miss Doris Campbell, bride-elect of J. P. (Jap) Dickerson Jr., was honored at a shower-tea given at the home of Mrs. Bill Knox Monday afternoon. Assisting Mrs. Knox as hostesses were Mesdames: Burl France, R. C. Childers, E. J. Reynolds, B. E. Brumley, Harold Balze, John Jacobsen, and H. V. Stanton.

The house was decorated throughout with seasonal blossoms arranged in baskets and floor vases and bouquets. The refreshment table was centered with a flat arrangement of floating dahlias flanked by white tapers. Across one end of the table a wide white satin band lettered in gold told the romance story with the inscription "Doris and Jap—August 17."

Receiving the guests during the calling hours between 4 and 5:30 o'clock, were Mrs. Knox,

Mrs. F. M. Campbell, mother of the bride-elect, the honoree, Mrs. J. P. Dickerson, mother of the bridegroom-elect and Miss Betty Craig.

The program consisted of a reading by Mrs. Bob Wear, two songs, "Some Sunday Morning" and "A Bicycle Built for Two" sung by Billy Paul Knox and Patsy Childers dressed to represent a bridal couple, a toast to the bride given by Mrs. Marvin Knox, and a duet sung by Emmarie Turner and Alma Faye Knox. Mrs. N. D. Bartlett and Mrs. Bob Wear also entertained with a vocal duet.

Those attending were Mesdames: Ira Ott, Mary Ott, Stanford Knox, Bill Harman, Ernest McGhee, Noel Higgins, G. H. Hamm, Harold Wester, Warren Kopp, Frank A. Gyles, J. C. Reese, Gordon Witherspoon, E.

SEEDS of ADVICE

from
The Garden Club

(Note: This article was prepared for the Hereford Garden Club by Mrs. N. E. Gass.)

MURDER IN THE GARDEN

Most beginning gardeners commit murder in their garden and unsightly spots mark the scene where tragedy after tra-

gedy has occurred in the garden world.

The first case is that of the deserted maple; the tree had been purchased the year before from a reputable nurseryman and all the root-ends had been trimmed off with a sharp clean

cut. At the time the tree had been watered and cared for when the owner saw fit. The nurseryman advised him to place a mulch around the tree, as this would help to hold moisture, but he had failed to heed the advice, and had just let nature take care of it. From June until September the tree did not have any water. When the tree was dug up the roots showed that it had starved to death for water.

Murder By Froecastination

Victims in this mass murder were a dozen small conifers of the type commonly used for foundation plantings. They were planted in May by the owner and were all dead by midsummer.

The owner ordered the trees to be delivered on a certain Friday afternoon so they could be planted Saturday morning. Contrary to his plans, he had to work on Saturday at the office and on Sunday he was busy at other things. Monday evening he went to a bridge party and Lodge met Wednesday evening. It was the next Saturday before the trees were put into the ground, and they had been left standing without sprinkling the roots or without putting in water to soak the balls of soil around the roots. The earth dried out and the roots dried out and the resin in the roots hardened which assured death before the trees were ever put into the ground.

The Delayed Action Murder

An ax was the weapon and

the bodies of six hopeless hemlocks were the victims.

The trees had been planted under a large oak tree and had shot up ten feet high, had become scrawny and thin-folaged. The owner defended himself by saying that he had seen hemlocks growing in dense shade in the nearby woods. What he failed to see was that small hemlocks are grown in shade until they are two or three feet high, but had he kept them clipped and sheared, the foliage would have been dense.

Good Housekeeping Murder

The victims were a dozen hybrid rhododendrons bedded out in a perfectly groomed yard. The owner had a passion for neatness so he kept the outlines of the shrub borders and flower beds as clean as though trimmed with a carving knife. The soil was hoed once a week so the rhododendrons only lived two seasons.

Rhododendrons are native to wooded regions and like considerable shade and a thick layer of rotted leaves in which to spread their feeding roots. Without the mulch the roots grew to the surface and were cut off, leaving only the non-feeding roots in the soil. The plants soon starved to death.

The Iota Murder

The owner had ordered two hundred Iota Privets for May delivery, but by the time they were set out, the season was so well advanced that the plants had begun to grow, as evidenced by long, colorless leaves. Under these conditions, however, the plants would have grown had the man handled them properly. He simply neglected to cut back the plants and with the summer heat upon them and being already in a weakened condition, they were forced to support heavy top-growth and try to re-establish roots.

There are many other ways to commit murder in your garden and one other is the improper use of chemical plant food to force quick growth. Don't use the plant food in late summer, for the resulting soft, rank growth of the plant isn't hardened for the winter cold.

Soak your garden thoroughly once a week instead of sprinkling every day, for too much sprinkling causes the roots to come to the surface.

Veterans Have Six Weeks to File for Terminal Leave Pay

Only six weeks remain for former servicemen to file claims for settlement of unused terminal leave under the Armed Forces Leave Act of 1946, finance officers of the four armed services have announced. The two million former servicemen who are estimated to be eligible for payment will have until midnight August 31, 1947 to obtain forms, fill them out, have them notarized and mail them to the proper paying offices listed on Page 2 of the form entitled "Claim for Settlement—Unused Leave." Forms are available at post offices.

During July, August and September, the meat-in pecans is developing, which means that the trees need regular watering at intervals at 12 to 14 days.

Another Letter to the Editor from...

The Bootleg Philosopher

Dear editor:

It's been so dry out this way lately that even The Brand seems juicy. On the whole, tho,

the delivery of newspapers has been so uncertain out here at Bootleg, what with everybody demanding cash for subscrip-

tions and my neighbors keeping a pretty close eye on their own mail boxes that lately I been havin to listen to the radio to keep up with the world which is about like tryin to find out what happened in town Saturday by listenin to two women gossip about their neighbor's hat and what kind of syrup medicine their grandmothers preferred.

However, in between a growl of static and my wife's naggin and a rattlin window and a commercial for atomic aspirin, I did hear last night that the telephone company has perfected a portable telephone you can put in your car or even on your tractor and get wrong numbers just like a regular Hereford telephone.

Anyway this guy says that this telephone is so good that you can sit in your car, or on your tractor, and talk to anybody else who's got a telephone, don't make no difference where it is, and I been reflectin on the subject.

It won't be long before some smart bird starts sellin tractors with telephones on 'em and you won't even be out of earshot of your wife when you're plowing and some farmers will install phones on the tractors they already got, like some has put radios on theirs, and electric fans, and what-not. But I'm here to say that while I'm in favor of all the comforts and conveniences they can build into a piece of farmin equipment, I still ain't gonna be swept off my feet and forget that to make any of 'em function you still got to go up one row and down another. That's the seat of the trouble with farmin, as far as I'm concerned.

Jones and Dendy Convicted in Stinnett; Face Trials Here

Robert Lincoln Jones, 20, and Billy Dendy, 19, both of Amarillo, were each sentenced to two four-year prison terms after they had waived jury trial and entered a plea of guilty to burglary charges in 84th district court at Stinnett last Friday.

Both are under indictment in Hereford on similar charges, and are slated to face trial here at the next term of district court which opens next Monday.

The sentences at Stinnett were pronounced by Judge Jack Allen, who set the sentences to run concurrently.

Both men were charged on two counts of burglary in connection with the breaking and entering of the Finger Motor company and Houston Brothers Lumber company in Borger on January 28.

The pair, with James W. Richardson, 22, also of Amarillo, face charges on three

Air condition a tractor, streamline it, install ice water, equip it with radio, telephone, television, phonograph, upholstered seat, hydromatic gear shift, finger-tip steering wheel and tie a squirrel's tail to the radiator cap, but operatin the thing still consists of goin up one row and down another which ain't no essential improvement over what farmin consisted of to start with.

Now if they got any plows you can operate from remote control while stretched out on the bank of a creek in the shade, holdin it around at the turn rows by tickin a lever with your toe, then they'll be makin some real progress. All this other is just foam on the milk.

Yours faithfully,
J. A.

counts of burglary in Hereford. Richardson was not involved with the other two in the Borger burglaries.

The trio, however, have signed confessions to burglaries committed in Hereford early in January at Benefield Motor Company, Kemp Lumber Company and Kester Jewelry store.

Richardson was brought to trial at the last term of court with the understanding that he had decided to enter a plea of guilty, but his trial was delayed when he made a last-minute change of front and decided to plead not guilty to the charges.

Presumably all three will be tried here at the new term of court.

Dendy and Jones admitted burglaries in Amarillo, Borger, Claude, Vega, Hereford, Groom, Brownfield, Alameda, and Ropesville, implicating Richardson in several of the burglaries, including those in Hereford.

Dendy was tried on two burglary charges in Armstrong county in May and was convicted of both. He was sentenced to four years in the state prison on each count.

Jones received a 4-year sentence for burglary in Armstrong county on a plea of guilty, then obtained a change of venue for his trial on the second charge.

He was tried in Amarillo late in June on the change of venue, and was found guilty there and assessed another four years.

Exes of Goodnight Academy to Hold Reunion August 3

Ex-students of Goodnight Academy at Goodnight, Texas, will hold a reunion and homecoming, together with all ex-members and present members of the First Baptist Church at Goodnight on Sunday, August 3.

E. Bass Clay of Amarillo, president of the Student Reunion Association, has announced.

"This is to be a meeting of all former students of the Academy and former associates of the church," Clay said. "It is hoped that all will assemble in time for the morning worship at the church building. A basket lunch will be served. Everyone is urged to bring a basket lunch and enjoy a general pow-wow in the afternoon."

Many students attended the academy when it was called McIlhenny Academy after the founder, Clay said. These students also are urged to attend the reunion.

"Last year," according to Clay, "the reunion was held at a later date, and there was a good attendance. With better and more prosperous times, the attendance will be even greater this year."

NOTICE OF APPLICATION TO EXECUTE OIL AND GAS LEASE
Notice is hereby given that Flora May Floore, administratrix of the estate of John W. Floore, deceased, has filed application in the Probate Court of Tarrant County, Texas, for authority to execute an oil and gas lease covering certain property located in Deaf Smith County, Texas, and belonging to said estate, said property being more particularly described as follows:

An undivided one-half interest in the minerals in, on and under section No. 41, Block K-8, Certificate No. 93, Tyler Tapp RR Co. Surveys, Deaf Smith County, Texas, said tract having been patented to John W. Floore August 3, 1877, by patent No. 106, Volume 35, and said tract containing 648.9 acres of land.

The hearing on said application will be held in the Probate Court of Tarrant County, Texas, on Monday, August 11th, 1947, at 10 a.m.

FLORA MAY FLOORE
Administratrix of the estate of John W. Floore, deceased.

This is the time of year when animals often get prussic acid poisoning when turned on grasses whose growth have been stopped or retarded by drought, tramping or overgrazing. Smart stockmen are feeding hay before turning cows on pasture.

The cotton insect has started getting the one bale out of every seven that he usually gets in Texas. Insect control is necessary if Texas farmers get that extra bale to the gin. The average American farmer is in the best financial condition he's ever been in before.

War Assets Sale Scheduled at Clovis Air Field August 4-5

CLOVIS, N. M., (Sp.)—Seven hundred lots of surplus property containing a wide variety of items will be offered by the War Assets Administration at a competitive bid sale to be held August 4 and 5 at Hangar No. 1 of the Clovis Army Air Field. This is another in WAA's series of warehouse clearance sales at which materials and equipment now located at the Bureau of Reclamation, Tucuman; Fort Sumner Army Air Field and the Clovis Army Air Field will be

sold. The property may be inspected at Clovis AAF Hangar No. 1 on August 4 from 8 a.m. to 4:30 p.m. and on August 5 from 8 a.m. to 9:30 o'clock when selling will begin. Buyers may pay for and remove the articles they purchase without red tape, according to WAA sales officers in charge.

Items to be offered on a competitive bid basis include binoculars, stop watches, mechanical tool kits, brief cases, hard-

turn around the block to give the judges an opportunity to select the winners of the long list of prize awards.

Shirley Sharp, 12 year old daughter of Mr. and Mrs. Lowell Sharp, was selected as Queen of the Parade, and was awarded a white leather bridle and gear for her mount, a pair of slacks for herself. Shirley also won the prize for riding the largest horse in the parade.

The Paint Horse, offered as Grand Prize, was awarded to Lloyd R. Neill in a drawing in which all riders took part. Other lucky winners: Norma Sue Wilson (a kid saddle); Virgil Morton Jr. (pair of Justin boots); Rhett Plank (pair of boots); Steven Slagle (saddle blanket); Jacqueline Newell (\$10 in trade at C & R Cleaners); and W. O. Riddell (1-month pass to Star Theater).

Mary Beth Gilliland was awarded a pearl necklace as the youngest girl in the parade. Name of the youngest boy was not known by the committee.

Troy Moore Jr. won a western belt for entering the smallest horse.

Jason Luck was awarded a catch rope and riding pants for riding the largest horse (men's division) and Shirley Sharp won a coffee maker with the largest horse in the women's division.

ware, aeronautical property, textiles, electronics, winter flying suits, photographic accessories and many others. Some scrap will also be offered. Executive and typists type desks will be sold as set-aside items at fixed prices to veterans who present discharge papers.

Rhett Plank received the award for Horsemanship for men; and Sue Williams was awarded the prize for Horsemanship in the women's division.

Jack Wilson received a two-piece suit for the best riding habit; and Jack Jr. was awarded the prize for boys in the same division, a set of spurs and straps.

Dorothy Wilde won the award for the best riding habit in the women's division. Name of the winner in the girls division was not listed.

Forrest Minton was awarded a bridle for bringing the horse from the farthest distance, and Nell Spradley was given a toilet set for the same prize in the women's division.

A bridle for the prettiest horse went to Mr. Harper in the Men's division; and an electric clock for the prettiest horse to Mrs. Lee Hopson in the women's division.

Prize for the Ugliest Horse was awarded to Ole Larson. Award for the oldest man rider went to a Mr. Lammon. Mrs. Pat Lawhon was awarded the prize for being the oldest woman rider.

Biggest disappointment of the show was the failure of most riders to enroll for the proposed Riding Club which the Legion is attempting to form and which was the primary purpose of staging the parade here. Only eight riders enrolled Saturday. Many others failed to do so because they were unable to find any place to enroll.

An enrollment blank for the club is published by the Legion in this issue of The Brand (see Page 7 Section 2). A \$25 cash prize is also being offered for the best name submitted for the club.

house and display collections valued at more than \$100,000. These gifts, though already made over to the Museum, will not be formally presented until fireproof housing is provided.

Included in these donations are the Judge J. D. Hamlin collection of early English furniture, Chinese objects d'art, antique silver and original paintings, and the O. T. Nicholson collection of small arms.

Stressing the Panhandle-wide scope of the Museum and its value as a drawing-card to tourists as well as an educational force for school children, the directors point out that finishing of the new unit should be accomplished as soon as possible.

Already overcrowded as to floorspace, the museum has store-rooms teeming with invaluable articles and collections which should be on display.

When proper exhibit space is made ready, museum visitors will have access to an outstanding group of world-famous canvases by such artists as George Innes, Walter Ufer, Blalock, Ernest Thompson Seton and to a matchless display of archaeological treasures, as well as early western life relics.

Directors from Deaf Smith County, through whom donations to the fund may be made, are J. A. Pitman, Alex O. Thompson and James W. Witherspoon.

tional, personal and psychiatric counselor and associate instructor in the department of psychology at George Washington University in Washington, D.C.

She is a native Texan, and holds degrees of Bachelor of Science, Bachelor of Arts, and Master of Arts from Texas State College for Women at Denton.

A former faculty member at East Texas State Teachers College at Commerce, she served as counselor of civilian employees in both War and Navy Departments during the war.

In addition to her duties as dean of women, Miss Boyd will teach classes in either English, education, or speech at the college. She will arrive in Canyon early in September.

Announcement of Mrs. Green's retirement came shortly after Dr. Hill had announced his retirement as President of the College, effective in August of 1948. Appointment of Dr. James P. Cornette, currently dean of Baylor University, to succeed Dr. Hill as President at West Texas State was announced by the Board of Regents.

Dr. Cornette will arrive in Canyon on January 1 to take over duties as executive vice president of the college, and will assume the President's chair after Dr. Hill's retirement in August.

JayCees Show...

Army camp shows and a dancer of professional calibre, will perform in his specialties.

"Anxious Moments" is a comedy in which a sick tree gets a lot of attention and the skit has a surprise ending. "At the Zoo" is another comedy skit which has been a hit on the summer circuit.

"One Word Alone" is a new kind of comedy... a unique play with every speech consisting of just one word.

"The Mountaineers," popular campus musical aggregation, will spice the show with "that old mountain music."

"Reverse English" is an old-time "millerdrummer" presented in a new-fashioned style. The cast is made up of three brothers and their brother-in-law, the Bates brothers and Ray Simmons.

The show will wind up with some barbershop harmony in a real barbershop setting.

The acts included in this show are all hit-numbers from Summer Theater presentations this season at the College. The show will be the first of a series of entertainments which the Junior Chamber of Commerce plans to bring to the stage here.

This show will be for one night only, Tuesday, August 12. Admission will be 50 cents plus tax, with one price to all. Tickets will go on sale this weekend.

tel by horse-back to being crowned Queen of the Annual Top O' Texas Show.

Entries in all divisions of the Horse Show—Palomino, American, and National Associations—are coming in fast, and records in all divisions are expected to be broken according to Quentin Williams, Superintendent of the American Quarter Horse Show.

The world-famous Hardin-Simmons Cowboy Band will lead the parade on the opening day, and will be on hand to furnish music for each Rodeo performance, featuring Johnnie Reagen, Australian bull-whip artist, and

John Sedwich, popular tenor soloist.

Pampa will have on its Western regalia on August 1 as a "kick-off" to Top O' Texas Western Week, sponsored by the Junior Chamber of Commerce. Anyone caught down town without

Western clothes will be escorted to the Bar of Injustice presided over by Judge Cliff Braly—and if found guilty will serve a sentence in the "hoose-gow" or pay a fine attached for same.

Miss Nettie Hood, student at T.S.C.W. arrived home last week after attending the summer school session, and will spend the remainder of the summer with her parents, Mr. and Mrs. Charles Hood.
