

Next Tuesday is election day and an important one for the voters of Hereford. Whatever your opinion on the bond issues, you owe it to yourself and the town to go to the polls and vote. This is a big issue, and may mean a lot to the future of Hereford. If you're a particularly conscientious citizen and like to learn things for yourself, maybe it wouldn't be a bad idea to drive around over some of our town's unpaved streets and take a look at the city's sewage disposal plant south of town before going to the polls. It doesn't take a trained engineer to see the need for these two items. The seat of your pants in the case of the streets, and the nose on your face in the case of the sewer, will answer a lot of technical questions.

G. W. Brumley is unhappy. He is afraid that he hasn't extended true western hospitality to a recent visitor. In the classified ad section of this issue of The Brand, he has addressed an apology to "the gentleman who stole my post." Mr. Brumley's post happened to be a part of a fence. "I wish to apologize," he adds, "for not having the wire rolled up. If you will let me know when you are coming back, I will have it rolled." Mr. Brumley doesn't say so, but undoubtedly he will also be on hand to welcome his visitor... in a good old Western fashion.

Friena Man Loses Race With Local Officers Tuesday

Thurman Cole of Friena is in Deaf Smith County jail today awaiting trial on charges of transporting liquor for public sale.

Cole was arrested south of Friena Tuesday afternoon after leading state highway patrolmen and local officers on a wild 30-mile chase from Hereford to south Friena.

Highway Patrolmen Berry and McNeil, accompanied by City Marshal Bruce Woodell, made the arrest after chasing the Friena cafe owner from Hereford down Highway 60 in a top-speed race with Cole's '46 Pontiac holding the advantage most of the way.

Cole faces charges in County Court here on the bootlegging point.

Five other liquor violations were settled in county court last week with stiff fines being dealt out to violators. Sheriff J. C. Reece reports.

Mr. and Mrs. A. J. Ralston each paid fines of \$321.65, including court costs, on charges of possession of illicit liquor.

Clarence Rose, charged on two counts with possession and sale of liquor, was fined a total of \$16.65, including costs.

C. B. Bryce, charged with possession of liquor, was fined \$120, including costs.

BRAND WILL WELCOME NEWCOMERS TO CITY

Following the theory while old friends may be the best in the world, new ones are desirable too. The Hereford Brand is out to welcome all newcomers to the city. This is an urgent request to all newcomers to Hereford, big or little, young or old, to call Phone 181 and talk with the Society Editor, Mrs. John McLean. She will get the necessary information together to let the people of Hereford know who you are and where you live.

Hereford has had the reputation of being the friendliest town in the Panhandle, but it's hard to be friendly with people unless you know about them. Make your presence known. The Brand wants to publish a thumb-nail sketch of newcomers as a regular feature.

Seven Hurt in Highway Crash Near Summerfield Last Friday

THREE INJURED IN THIS SMASH-UP

Wreckage of the 1939 Ford convertible involved in a crash at the intersection of 25-Mile Avenue and Harrison Highway Friday afternoon is shown in the foreground. The truck involved in the intersection crash is indicated by arrow. See story below. (Photo by Roy Hart).

Four Escape Serious Injury In Car Truck Crash Here Friday Afternoon

Three young people miraculously escaped serious injury last Friday afternoon when their car, a 1938 Ford convertible coupe, crashed into a dump truck at the intersection of Harrison Highway and 25-Mile Avenue in Northwest Hereford.

The accident occurred at about 5:30 Friday afternoon. The Ford convertible was owned by Donald E. Burton of Hereford.

Drunk Driving Charge Is Filed In County Court

Charges of driving while intoxicated have been filed in county court here against Devon Dewey Floyd of Bovina, driver of a 1935 Ford which was involved in a head-on collision on Highway 60 six miles west of Hereford last Friday night with a DeSoto sedan driven by G. P. McCreary of Portales.

Seven persons were injured in the crash, which demolished the two cars.

Injured were McCreary and his wife and Mrs. Alice Owens, Miss Pauline Shreiner, and Richard Knowlief, all of Portales, occupants of the DeSoto; and Grady Mitchell of Bovina, who was accompanying Floyd. Floyd escaped without serious injury. All seven suffered painful bruises and lacerations and shock, but none were in critical condition, attendants at the Deaf Smith County hospital reported.

Teachers Are Re-elected by School Board

The Board of Trustees of the Hereford Rural High School District, in its first regular business meeting last week, re-elected the superintendent and principals and forty-two teachers in the Hereford school system.

Superintendent George Graham, High School Principal Don Martin, Junior High Principal H. V. Stanton, and Central School principal Rual D. Ford, have all been tendered new contracts by the board.

Teachers re-elected included the following: High School: W. F. Brandon, T. V. Brantley, Dalton Criswell, Mrs. Kathleen Criswell, Mrs. Audine Dettman, Douglas Groom, Mary Ellen Henslee, Mrs. Ruby Lee Kerr, Miss Thelma McMinn, Miss Cassandra Morris, Miss Sadie Rigler, Pat Sullivan, Mrs. Thomson, and Miss Ruby Jean West.

Mrs. Earl Nunn Died at Amarillo Last Saturday

Mrs. Earl Nunn, 46, of Panhandle, former resident of Hereford, died at Amarillo last Saturday after a long illness.

Funeral rites were conducted at the First Methodist Church in Panhandle Tuesday afternoon, and interment was in the Llano Cemetery at Amarillo.

Mrs. Nunn was a daughter of the late J. E. Golden and Mrs. Golden, formerly of Hereford. She was the former Pearl Golden.

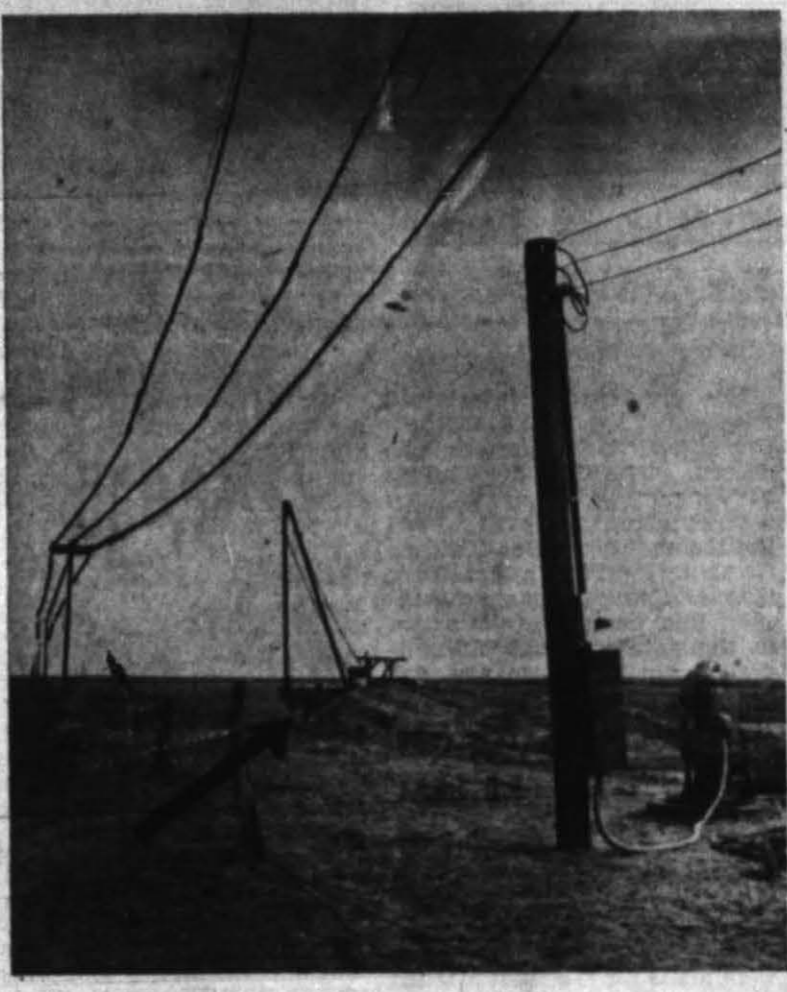

She was born in Missouri on September 23, 1900, and was married in Hereford to Earl Nunn in 1922. Mr. and Mrs. Nunn made their home here for several years, and had many friends in this community.

Boys Ranch Lads To Be Guests of Hereford Church

Boys from "Boys Ranch" at Old Tascosa will be guests of the First Christian Church here on Sunday, Rev. Roy W. Ford, pastor, has announced.

Twenty-five to thirty boys from the Ranch are expected to attend the morning services at the church, Ford said, and will be guests of members at noon dinner.

TWO MEN DIED HERE FRIDAY

Pictured above is the scene where two men lost their lives by electrocution last Friday morning. Arrow points to the spot where Obie Payne and Vernon Johnson were standing when the highline wires made contact with the steel A-frame on the truck. In the foreground is the irrigation pump on which the crew was working. (Photo by Elmer Patterson).

Two Men Electrocuted Friday Morning On George Byrd Farm

Obie Payne, 23, and Ray Vernon Johnson, 18, were electrocuted last Friday morning when a winch truck with which they were working came in contact with high tension wires on the George Byrd farm 5 miles north of Hereford.

Johnson was killed instantly, and Payne lived for only a few minutes after the charge from the 12,500-volt high line struck.

The two men were employed by Frank Vance, well driller, and had been working on an irrigation well on the Byrd farm, which is located 5 miles north of Hereford on the airport road.

The crew had been working with a winch-truck with a high A-frame. The truck had been backed too close to the power line. A fairly high wind was blowing, and swung one of the wires into contact with the steel A-frame on the truck. A steel cable, which had been left trailing, grounded the charge. The two men were standing near the rear of the truck when the wires contacted the A-frame.

Both Vance and Byrd witnessed the accident.

Artificial respiration was attempted for Payne without success. Johnson apparently was killed instantly by the charge.

The accident occurred at about 11:15 Friday morning.

The highline was a Southwestern Public Service Company line, carrying 12,500 volts, according to C. D. Hardesty, manager of the

Last Rites for Electrocution Victims Held

Funeral rites for two electrocution victims, Obie W. Payne and Ray Vernon Johnson, were conducted in Hereford Saturday and Sunday.

Services for Payne, 23 years old, were held Saturday afternoon at the E. B. Black Funeral Home. Rev. R. H. Cagle, pastor of the First Baptist Church was in charge.

Interment was in the cemetery at Roff, Oklahoma.

Payne was born on October 15, 1923, at Temple, Oklahoma, and came to Hereford in 1942.

He is survived by his parents, Mr. and Mrs. J. M. Payne; three brothers, A. L. of Roff, N. E. of Oklahoma City, and W. A. of Sulphur, Oklahoma; and three sisters, Mrs. W. J. Holland of Duncanville, Mrs. Ralph Flick of Daugherty, Oklahoma, and Mrs. D. I. Byres of Francis, Oklahoma.

Johnson Services Sunday

Ray Vernon Johnson, 18, was buried here Sunday afternoon. Funeral services were held at the Spunk Home, with Rev. R. S. Sparkman, pastor of the Avenue Baptist Church, in charge.

Polls To Open At City Hall At Eight A. M.

Hereford voters will go to the polls next Tuesday to ballot on four city bond issues, totaling \$391,000.

To date there has been little active interest in the election, and no openly organized opposition has developed. A campaign has been launched, however, by city officials, the Hereford Chamber of Commerce, and local service clubs to get out the heaviest possible vote on the issue Tuesday.

The bond issues have been endorsed by all local civic organizations.

The proposed issues are: Water Improvements \$122,000 Sewer Improvements \$96,000 Street Paving \$133,000 Park Improvement \$50,000

Polls will be at the Hereford City Hall, and will open at 8 a.m., closing at 7 p.m. Herman Ford has been appointed presiding judge, with A. C. Thompson as judge, Mrs. Vern Witherspoon and Mrs. Earl Phillips clerks.

All qualified voters, residing inside the city limits, will be eligible to vote. To qualify, voters must have paid poll taxes and must have rendered property, either real or personal, for taxation in the city. Voting is not restricted to owners of real property.

The official ballot is presented in an official election notice on Page 3, Section 2, of this issue of The Brand.

Voters will ballot on the four issues separately.

The bond improvement bond issue, popularly known as the "swimming pool issue," was passed in a special election last year but the bonds were unavailable due to the low rate of interest specified in the election order. The bonds are being re-submitted, to be sold at a rate of interest not to exceed two and three-quarters percent. Actually, the bonds have been contracted for sale at less than two.

Early Morning Rain Aids Crops; No Hail Damage

Rains last night were general over the entire Panhandle area, according to reports reaching Hereford this morning, with scattered light hail storms doing little or no damage.

Rain in Hereford was measured at 30 inch at 8 o'clock this morning. The storm broke at about three o'clock this morning and was accompanied by some hail, but no damage was reported.

Summerfield reports between a quarter and a half inch of rain, with no hail. Dawn reports between a quarter and a half inch of rain, and no hail damage in the area. Adrian reported .85 inch of moisture last night, heaviest in this region. At Amarillo, the Weather Bureau reported .69 of moisture.

Hereford Veterans Plan Second Annual X-Day Victory Celebration; To Parade Saturday

Saturday will be X-Day in Hereford.

All veterans of World Wars I and II will join in another gigantic Victory celebration in Hereford on that date. An all-day program has been planned by the local American Legion and Veterans of Foreign Wars posts.

The celebration will open Saturday morning at 11 o'clock with a parade of all veterans in uniform.

The parade will form at the county courthouse, beginning at 10 a.m., and Main Street will be cleared of cars and traffic for the march. Drivers have been requested not to park on Main Street between 5th street and the highway on Saturday morning.

Army veterans will form on the west side of the courthouse square at 11 a.m. The Navy will organize on the south side, Marine on the east, and American

Veterans: Wear Your Uniforms

Veterans, wear your uniforms Saturday! Just what the penalty for non-compliance may be, the Veteran's Committee in charge of X-Day arrangements has not revealed, but the warning has been issued repeatedly.

Uniform regulations will not be strict. Navy veterans are requested to wear whites, but Army and Marine vets may wear either O. D. or Khaki.

Legionnaires on the north. Legion veterans of World War I will wear Legion caps. Veterans of World War II are requested to wear their uniforms.

The Hereford High School band will also take part in the parade.

There will be a barbecue at noon at the County Bull Barn for all veterans and their families. The barbecue is being staged by the American Legion and VFW.

During the afternoon, Main street will be roped off between 2nd and 3rd for a street carnival. Bill Smith, Dub Reeves, Earl Wood, and E. J. Pepper are in charge of carnival arrangements.

Saturday night there will be

Catholic Youth Club Holds Communion Breakfast

Members of the Catholic Youth Club (above) of St. Anthony's Parish held its first corporate communion breakfast in the School Hall Sunday morning, April 20. The club was organized last October, and is formed of the parish youth of high school age.

Present at the breakfast were Marilyn Henderson, president; Robert Betzen, vice-president; Robert Loeb, secretary; John Jesko, treasurer; Lourdel Nogler, Charles Schlabs, Vincent Walterscheid, Raymond Schlabs, Leonard Keinart, Clara Stangel, Geraldine Knabe, Edward Dault, Eugene Fangman, Alfred Dault, Walker Paetzold, Thomas Albrecht, James Hund, Harry Wilhelm, crome Erdman, Genevieve Erdman, Teresa Fangman, Gertrude Betzen, Mary Elisabeth Hund, Juanita Albrecht, Catharine Broeman, Louise Broeman, and Jerome Friemel, guest from Price College, Amarillo.

ARE YOU A GOOD AMERICAN?

(AN EDITORIAL)

If you are honest, and if you answer this question in the affirmative, then you will be at the polls next Tuesday, April 29. The United States is one of the few countries in the world in which the people may still cast their ballots as they please.

Strangely enough, these same people who are willing to fight and to die for the right to vote are frequently the ones who neglect to exercise their franchise.

It is not the purpose of The Brand to tell you how to vote. We sincerely believe that every person in this area is capable of making up his own mind regarding the proposed election. However, we do hope that every individual will acquaint himself with the facts involved. In this issue of The Brand on page 3, Section II, will be found a complete election notice, which we believe explains the situation in detail.

The Brand is definitely FOR all four proposals. The first two, concerning water and sewer extensions, are a must; the second two proposals, concerning a swimming pool and street improvements, may determine the future of this town—and are certainly needed.

G. C. Brumley Adds \$500 Gift to Fund For WTSC Chapel

CANYON, April 19—A donation of \$500 by G. C. Brumley of Hereford has boosted the fund for a chapel for West Texas State College campus past the \$27,000 mark. Dr. J. A. Hill, president of the college, has announced.

The goal for the chapel fund is \$40,000.

An earlier check for \$200 donated by Mr. Brumley has brought his total to \$500. This gift will pay for a memorial window to be dedicated to Mr. Brumley, Dr. Hill said.

L'Allegra Club Adopts Four In Polish Family

L'Allegra Club, one of the youngest clubs of Hereford and composed mainly of young married women, has adopted a Polish family of children to whom they are giving aid in many ways. The family includes a boy of 15, Robert Szymonaki, and his three sisters, Lidia, Emma and Gertrud, whose ages range from 19 to 28.

One box of food has already been arranged for at their home town of Ostroda, Poland, and at the last meeting of the club plans were made to continue the regular meetings during the summer months at which meetings new clothes will be collected and old ones remodeled. The club members plan to send one box each month with each box containing toilet articles and other needed items, as well as clothing.

Meeting Held Thursday A meeting of the club was held Thursday afternoon in the home of Mrs. W. L. Davis Jr., acting as hostess, assisted by Mrs. Johnnie Winkler.

During the business session Mrs. O. G. Hill Jr. was welcomed as a new member and plans were made for a picnic on May 1.

Members attending were Mesdames Delbert Balmun, Darrell Blanton, Bartley Dowell, Preston Hagans, Robert Lemon, Walter London Jr., Otho Noland, Marlin Pierce, Elvin Wilson, Earl Stagner, O. G. Hill Jr., and the hostesses.

Mr. and Mrs. Roger Brumley and daughter, Sondra, are in Dallas this week. They were accompanied by his mother, Mrs. George Brumley, and all are guests of Mrs. Brumley's daughter, Mrs. J. O. Baker.

Mr. and Mrs. John Willoughby of Oklahoma City, were in Hereford over the weekend to attend the wedding of her sister, Virginia Griffith, and Richard Winget, which took place on Saturday.

North Hereford H. D. Club Meets

Mrs. Paul Hoff was hostess for the North Hereford Home Demonstration Club meeting Thursday afternoon.

Roll call was answered with members listing new gadgets used with satisfaction and members voted to send a case of shortening to the tornado area.

Mrs. Tom Draper, CHDA, demonstrated some new fabrics and gave a talk on how to artistically combine colors.

Members present were Mesdames Geo. Parker, Jerry Albracht, Tom Draper, J. I. Richardson, John Miller, Oscar Vaughn, H. M. Koelzer, W. H. Russell, C. L. Wheeler, Louie Olson, N. L. Willier and the hostess, Miss Joan Hoff, student at W. T. S. C. Canyon, was a guest.

The next meeting will be held with Mrs. John Miller, May 1.

Garden Beautiful Has Program

"The Cutting Garden" was the subject of the program for the Garden Beautiful Club Friday afternoon when a meeting was held with Mrs. Frank Terrell.

Mrs. D. C. Kinsey presided at the business meeting when final plans for the "Tulip Tea" which will be held in the home of Mrs. Tom Boyd Monday afternoon, were made.

Mrs. Clifton Jackson and Mrs. Louie LeGrand were in charge of the program. Mrs. Jackson discussed planning the cutting garden for blossoms at all times during the season. Mrs. LeGrand described planning for harmony of color when the garden is in bloom.

A round table discussion was held as members listed favorite flowers and told of the reasons for preference.

Members of the club were Mesdames Tom Boyd, Tom Carter, O. M. Dickey, J. M. French, W. F. Harlow, Clifton Jackson, Berry Jacobsen, D. C. Kinsey, Louie LeGrand, Helen Woodford, Frank Watson, Lisle Woodford, Ida Ricketts, Carroll Whiteside, J. R. Fowlkes, Ted Houston and the hostess.

Mr. and Mrs. Henry Barnett of near Bonham visited their daughter, Mrs. Vernon Christian of Black, and Mrs. Barnett's sister, Mrs. Annie Kimmons and daughter, who are in the Hereford hospital.

Summerfield Study Club Hears Review

SUMMERFIELD, April 21—An interesting and entertaining book review given by Mrs. Walk Boston was heard by members of the Summerfield Study club last Thursday in the home of Mrs. D. C. Walser.

The book was "Skinny Angels." The author writes of her life centering around two interesting characters, her mother and father.

The remainder of the club meeting was devoted to business matters. Amendments to the constitution were read and are to be voted on at the next meeting. Refreshments were served to Mrs. Ivan Block, and to the following members: Mesdames L. H. Lookingbill, Earl Lance, Sr., Earl Lance, Jr., O. R. Walser, Lee Curry, B. E. Roberson, Mack Noland, O. B. Sumner, Rae Johnson, Charles Noland, Jim Clark, K. W. Niell, Walk Boston, J. B. Noland, L. L. Cannon, and D. C. Walser.

Horse Races to Feature X-Day

As one of the features of X-Day Saturday, a two-day horse racing meet will open at the race track in State Park.

Races will be conducted Saturday and Sunday afternoons beginning at one o'clock each afternoon.

Feature of the racing meet will be a Negro jockey, Bones Johnson, from Phoenix, Ariz., who will ride five Phoenix quarter horse entries. Johnson will be the first negro jockey ever to ride in Deaf Smith County, according to Bill Smith of the American Legion.

Seven Hurt . . .

(Continued from Page 1) on Highway 80 about 6 miles west of the Hereford city limits. The Portales car was east-bound on Highway 80.

B. E. Roberson of Summerfield, who was just ahead of the Portales car, told officers that he had swerved his own car into a ditch to avoid a collision himself with Floyd, and heard the crash as the Ford struck the McCree car head-on.

The injured were rushed to the Deaf Smith County hospital in Hereford by E. B. Black ambulance.

Freight Crashes Stalled Pick-up

A tragedy was narrowly averted at Bovina last Friday when Oris R. Hubbell, 32 year old Bovina farmer, stalled his pick-up on the Santa Fe railway crossing at Highway 86 in the path of an on-coming freight train.

Hubbell succeeded in getting out of the pick-up with his daughter, Beverly Joy, who was with him, and clear of the tracks seconds before the freight struck the stalled vehicle.

ment, and the highway patrolmen, have declared an all-out war on drunk drivers. The law doesn't allow very much, but they're promising prosecution to the fullest extent that is allowed. The officers are understandably opposed to having murder attempted, and sometimes accomplished, on our streets and highways. Its messy . . . and people are complaining about it.

Examiner Wm. H. Smith of the Department of Safety has announced that he will be in Hereford three days each week in the future to issue driver's licenses. Smith is here today (Thursday) and will be here next week on Tuesday, Thursday and Friday, at the county courtroom from 9 a. m. to 4 p. m. each day. Business has been too good.

American Legion members interested in playing softball are urged to contact Kenneth Neill at Firestone store today or tomorrow.

The second in a series of special children's programs will be shown at the Texas Theatre Saturday morning. This week's show will be "Mrs. Wiggs of the Cabbage Patch." These revivals, selected from the Children's Film Library, are being shown on the last Saturday in each month at the Texas . . . especially for children, although parents are invited . . . and try to keep 'em away. Last month's show, first in the series, was "Huckleberry Finn." Next month it will be "Alice in Wonderland."

All veterans in Hereford business houses will be free from 10 a. m. Saturday morning until after the barbecue at noon, local merchants have agreed.

All VFW and American Legion committee members . . . and all members . . . are asked to meet at City Hall tomorrow night (Friday) at 8 p. m. to make final arrangements for X-Day on Saturday.

The Brand has just received a rather heated letter complaining of the Mayor's action in proclaiming a half-holiday for the clean-up campaign, among other things. The letter is unsigned. If the writer will come to The Brand office and place his signature on the document, it will be published. The columns of this newspaper are always open to our readers for any expression of opinion, subject only to the laws of libel and good taste, but absolutely no anonymous letters will be considered for publication. Summerfield

BY MRS. GUY WALSER

Work is being done now on the new elevator being built by Pittman Grain Company of Hereford. Construction crews are busy day and night in order to get the elevator ready for wheat harvest this summer. There are about eleven men staying at the J. A. Noland home.

There will be preaching Sunday by Rev. Thomas of Baylor. Mr. and Mrs. B. E. Roberson

spent the week in El Paso. Mr. and Mrs. W. G. Niell of Dawn stayed in the Roberson home while they were gone.

Clarence Behrends has received his discharge from the army. He has been overseas for some time, but is home now and expects to be engaged in farming with his father, Henry Behrends.

Mr. and Mrs. Jim Clark and Leaton and Richard visited Harold Clark in Amarillo Sunday. He was operated on last week. Others from here who visited him during the week were Mr. and Mrs. Britt Clark and Mr. and Mrs. J. E. Larrick.

Mr. and Mrs. Thurman Atchley are the proud parents of a baby boy.

Mrs. L. L. Cannon, Mrs. O. B. Sumner, Mrs. C. R. Walser and Mrs. Jim Clark attended a Wom-

an's Missionary Union meeting at Dawn last Wednesday.

Mr. and Mrs. J. A. Black and Howard Black of Amarillo spent Sunday in the Lee Curry home.

Mr. and Mrs. Carl Lee and Wayne were business visitors in

Amarillo, Monday.

All the farmers in the area were glad to receive the rain that fell last week. Most of the wheat is looking good.

Mr. and Mrs. Bill Edelman are enjoying the arrival of Joe Don

in their home.

There have been several cases of mumps in the community.

Mr. and Mrs. Earl Lance left Wednesday for Hot Springs, N. M. They accompanied a group from Hereford.

Streu's Diary

April 23, 1947

Dear Diary:

Well, the old home town is clean again—at least most of it. I am eternally amazed at the things which can be accomplished by the concerted efforts of neighbors. If every one could get together on all issues affecting our community as they do on clean-up, ours would be one of the finest cities on the plains.

Something new — small Tavern novelty birthday candles — little boys and girls in several colors — ideal for children's birthday parties. A full line of Tavern novelty candles and tapers in 12", 15" and 18" in a wide variety of colors.

Have had a number of calls for a power lawn mower—such mowers have been available in certain offbrands which I was afraid to buy. However, we now have a beautiful machine made by Goldwell—one of the foremost manufacturers of power lawn mowers for over 25 years. We do not hesitate to recommend this mower. See it now.

Have a couple of cabinet sinks, one stainless steel sink top and one steel shower cabinet for sale—cheap! Just make us an offer.

Have several table model radios and record players. Also one Clarionette console combination. Have a few albums of classical records like Rhapsody in Blue, Rachmani-

noff's Concerto No. 2, Beethoven's Violin Concerto, and Ravel's Bolero. Have a lot more coming in soon.

Still have a good stock of irrigation dams, shovels, garden tools, tarps, and lots of gadgets, step ladders, a little white enamel, some tractor and implement enamel, lots of paint and varnish brushes, sand paper, etc.

What with hot weather coming on, we have coming very soon several sizes in house size air conditioner units and replacement pads for all sizes air conditioners. More about these next week.

All of which brings us down to the fact that people will go fishing—and we have the necessary utensils.

WAGES AND THE TELEPHONE STRIKE

Because wages are at issue in the telephone strike, let's take a look at what operators and plant craftsmen here are now getting. Almost all telephone people are in these groups.

The basic work period is a five-day, 40-hour week. Scheduled employees are paid overtime for time worked over eight hours a day, premium time for Sunday and holiday work, and added money for evening and night work.

OPERATORS

A girl just out of high school, with no previous experience, starts at the beginner's rate of \$26 a week. But if she works after 9 p.m., she gets \$27.50 a week, and if that week includes Sunday work, she gets \$30.10.

The beginning operator gets a raise in pay every six months for the first year. An operator with 12 month's experience, for example, gets \$28 for a normal 40-hour week. If it includes evenings and Sunday, she earns \$32.30.

Periodic increases bring the operator to the top rate of \$34 a week. If she works evenings and Sundays, her weekly earnings are \$38.90.

But the union wants to increase the beginner's rate of pay from \$26 to \$41—an \$15 a week. Also, they would increase the top wages from \$34 to \$51. That is an increase of \$17 a week.

PLANT CRAFTSMEN

Linemen and installers, starting in right out of school with no experience, begin at \$28 for a basic five-day week. In two years they are earning \$35.50 a week.

Periodic increases raise this basic rate to a top of \$56 a week. Exchange repairmen—the men who take care of repairing the equipment in your office or home—reach a top rate of \$58. Overtime and other extra pay during the past year increased the wages of most linemen, installers, and exchange repairmen by about 10 per cent.

The union asks that the beginning wage rates of these Plant workers be raised from \$28 to \$43—up \$15 a week. The union would also increase the \$56 top wage to \$78, and the \$58 top to \$78. Those would be increases of \$20 and \$22 a week.

We believe most people will agree that present wages are good. The company believes that no increases are justified at this time.

The way to resolve these differences of opinion and settle the strike is to arbitrate the wage issue. That would be fair to our employees, to telephone users, and to the company.

Nearly three weeks ago the company proposed that Governor Jester and the governors of the other four states in which we operate appoint a panel of five impartial citizens—men with a knowledge of conditions in this area—to arbitrate the wage issue. The company enlarged its offer to include not only basic wages but such other demands as length of time for employees to reach top wage rates and wage differentials between different communities.

The company urges union officials to reconsider the offer of arbitration. It is the fair way to settle the strike, restore full telephone service to the public, and get the telephone wage issue decided equitably.

Panhandle Farmers Declaring War Against Bindweed Threat

COLLEGE STATION, April 21 —Panhandle farmers and agricultural workers have an organized movement on foot to control bindweed, one of the state's biggest farm and pasture and weed pests.

Eighty-one farmers, county commissioners, ACA committees, county agricultural agents and other agricultural workers met in Amarillo recently and voted to set up a Panhandle Bindweed Control Committee to request assistance in using latest research information and to organize a Panhandle-wide effort to combat bindweed.

Art Bralley, Potter County agricultural agent, reports that more than 60,000 acres of the best Panhandle farm and is overrun with bindweed. Infestations have spread rapidly in recent years, he says, due in part to combines which travel over the state and spread the seed. Bralley also states that Texas is being made "a dumping ground" for bindweed seed, as there is no restriction on use and movement of rains infested with the seed.

Wortham Seale, district PMA fieldman, reported at the meeting that the 1947 PMA program provides a \$5.00 per acre payment for bindweed control, and urged interested farmers call at their county ACA offices for details.

The group meeting at Amarillo set up a temporary executive committee with D. F. Osborne, Gray County farmer, as chairman. Each Panhandle county is being invited to select a person to serve as a director of the permanent Panhandle Bindweed Control Program.

Mrs. Johnson Gives Book Review For Club

Pioneer Study Club members heard a book review of the book, "Peace of Mind" by Joshua Litch Liebman, at the meeting held at the home of Mrs. A. B. Christian Tuesday afternoon. Mrs. J. E. Beyer was assistant hostess.

Mrs. Ray Johnson, who reviewed the book, said the author is Rabbi of Temple Israel, Boston, and one of the leading radio preachers in America. Of the book before giving the review, she said "Peace of Mind is a book that will do an immense amount of good. To some it will bring peace of mind; to many others it will reveal the foot of the ladder at whose top peace of mind will be found."

"People of the hour" were discussed in two reports. Mrs. E. S. Ireland told of Governor Jester's platform and his aims and objectives for his administration. Mrs. J. M. Gilliland discussed popular radio stars mentioning Judy Garland, Minnie Pearl and others.

Plans were completed for the final affair of the year which will be a luncheon at the City Hall on May 13.

Mrs. Phillip Barkley and her group of Aowakya Camp Fire Girls were introduced and a box for Boys' Ranch was packed by the group. The box will be presented Sunday when a group of boys from Boys' Ranch will present a program at the Christian Church, in behalf of the girls and the Pioneer Club, which sponsors the Camp Fire group.

A social hour was enjoyed, with refreshments served from a lovely table centered with an arrangement of tulips. Mrs. F. M. Kester poured, assisted by Mrs. Christian and Mrs. Beyer.

Members of the Camp Fire group present were: Mary Lou Griffith, Marilyn Barkley, Donna Cowser, Betty Wester, Naomi and Joan McGee, Nancy Owen and Mrs. Barkley.

Pioneer Club members present were Mesdames Fred Barrett, H. A. Close, J. E. Beyer, O. M. Dickey, Burl France, N. E. Gass, J. M. Gilliland, Bob Higgins, O. G. Hill, E. S. Ireland, Ray Johnson, J. B. Jones, F. M. Kester, A. L. Manjeot, Wirt Phillips, T. E. Selgier, F. L. Terrell, Al Werner, John Patton, Carl Faye and the hostess.

Mrs. W. S. Flutt left Thursday morning for Prosser, Wash., where she will visit her daughter and son-in-law, Mr. and Mrs. Dean Whitehead. Mrs. Whitehead is the former Miss Erva Flutt.

Fifty-Two Gridders Out for Spring Training Bolster Whitface Hopes for 1947 Season

Coaches H. V. Stanton and Dalton Criswell have been running a herd of 52 gridiron hopefuls through spring training sessions at Whitface Field for the past two weeks, and are viewing prospects for the 1947 season with at least a little less gloom.

Only five of the squad of 52 are lettermen. Thirteen have come up from the ranks of last year's eighth grade team.

However, out of the big field of candidates, there are a fair number of likely football prospects. While the Whitfaces may be no world-beaters in 1947 prospects for the '48 season are excellent.

Even so, District 2-A teams who are counting on the Herd to be the district door-mats this fall may be in for a rude shock.

Bolstering the squad are co-captains Leo Hennington and Neely Kimbrough, both stalwarts from the 1946 co-championship eleven. Bobby Owens, who did a lot of playing last year as center and guard to earn his letter, will be back in the line-up. And Buddy Corbett and Donald (Curly) Wilson, a pair of youngsters who won a letter last year in spite of their lack of size, have managed to put on some weight during the winter.

Another bright spot on the horizon is Junior McGee, who transferred here last fall from Oklahoma too late to be eligible for athletics during the past season, but looks like a white-hot prospect for a starting berth next fall.

Other squad members on the spring training roster include: Pat Corbett, Jessie Clink, Don Davison, Elson Hennington, Glenn Hopson, Virgin Hennen, Darrell Janasen, Bob Johnson, Reuben Knox, Jackie Luck, Dale Doak, Carl French, Leon Foster, Charles Gresham, Harley Grif-

Tulia Hornets May Be Powerhouse In District Fall Grid Campaign

Seven lettermen and a large number of reserves are reporting for spring training at Younger Field in Tulia, home of the 1946 co-champion Tulia Hornet grid team.

Lettermen who will be back in the Hornet line-up next season include co-captains E. J. Webb and Ray Simpson, Jack Ramsey, R. A. Stark, Don Nelson, Eddie Behrends and Gene Simms.

With the combination of Webb and Stark back in the Hornet backfield, and with returning guard Ray Simpson bolstering the line, the Hornets will be among the hottest of District 2-A contenders when the season opens next fall.

In addition, twelve reserves from the 1946 squad and twenty new candidates have reported for spring training sessions.

fit, Bob Hamilton, L. T. Hawks, Ralph Martin, Gene Moore, Milton Newell, Lawrence Owens, Jack Reynolds, Homer Rudd, Jack Ramey, J. D. Sanders, Alex Schroeter, Glenn Talley, Donald Wilson and Glenn Wilson.

Moving up from the 8th grade ranks are Alton and Kenneth Brock, Tommy Carter, Tommy Cuipepper, Don Hooper, Jim Jowell, Billy Engman, Bedford Forrest, Carl Goettach, Jack Stanton, Stanley Slagle, Neal Witherspoon and Dwaine Walker.

Four-Way Track Meet at Canyon Saturday Night

CANYON, April 22—West Texas State's track team plays host Saturday night to Texas Tech, Hardin-Simmons University, and Amarillo Junior College in the Buffs' first home meet of the season. Starting time is 7:30 o'clock.

Gus Miller, athletic director, announced today that there would be no charge for the meet. The Buffs' track mentor, general Clark Janigan, is auditioning track aspirants this week and it is not unlikely that all who try out will be held over for participation in Saturday night's track festivities. The Buffs' small regular track squad will be supplemented with Buff grid-

sters, now enjoying a short respite from spring training rigors, and other students who will answer Janigan's plea for track volunteers.

The meet will bring together two of the better Border Conference sprinters. West Texas State's Lloyd Johnson and Texas Tech's Charlie Reynolds will enhance the interest of the meet

with their clash in the 100-yard dash. In a recent track meet held at Texas College of Mines Reynolds clipped the century sprint in 9.9.

Last season Johnson met and defeated Reynolds four times. The fourth triumph for Johnson came in the preliminaries of the Border Conference track meet in Tucson.

Miss Minnie Barnett of Bonham is in Hereford this week attending Mrs. Annie Kimmins and daughter in the local hospital.

VFW Ball Teams Win Pair From Amarillo Nine

VFW baseball and softball teams swept a double-header exhibition with International Harvester of Amarillo at the local softball diamond last Sunday afternoon.

The local Veterans won the

softball tilt 5 to 4, and then took on the Amarillo nine in a hard ball game and nipped the visitors 9 to 2.

Pete Black pitched for the opening game, with Louis Barclay doing the hosing in the baseball. Earl Stagner was the catcher for both games.

The VFW baseballers are working out every afternoon, weather permitting, after six o'clock at the softball diamond north of Whitface Field and the inviting all prospective players to turn out for the practice sessions there, Stagner said.

Parking Meters May Be Installed in Business District; Poll Favorable

Parking meters as a solution to Hereford's Main Street parking problems, are now under consideration by the City Commission.

The Karpark Parking Meter Company has presented the city with a proposal to install meters on a 6-month trial basis at no cost to the city. The company would take 50 percent of the revenue from the meters during the six-month period.

If, after a trial, the meters should be retained, payment would be made from the meter collections.

A survey of Main Street business men, conducted last Saturday by Chamber of Commerce secretary Pete Cowart, showed an overwhelming majority favoring installation of the meters on a trial basis.

Of sixty business men interviewed, Cowart reported that 54 were outspokenly in favor of installing parking meters. Two were definitely opposed, and four were willing to leave the matter up to the City Commission.

Eight business owners were out of town, completing the roster of Main Street merchants.

Included in the proposition presented the business men was the maintenance and operation of free parking lots in the business district.

Efforts would be made, under the proposed plan, to provide shoppers with adequate free parking space within a block of Main Street.

Under the plan advocated by the Chamber of Commerce, meters would be installed on Main Street from 5th Street to the Highway, and on one block east and west of Main on 2nd, 3rd, and 4th streets.

Free parking lots would be city controlled. Thirty-degree angle parking would be instituted, instead of the present forty-five degree angle, providing a wider traffic lane on the business streets.

Lutherans Announce Plans for New Church On Eve of 100th Centennial Celebration

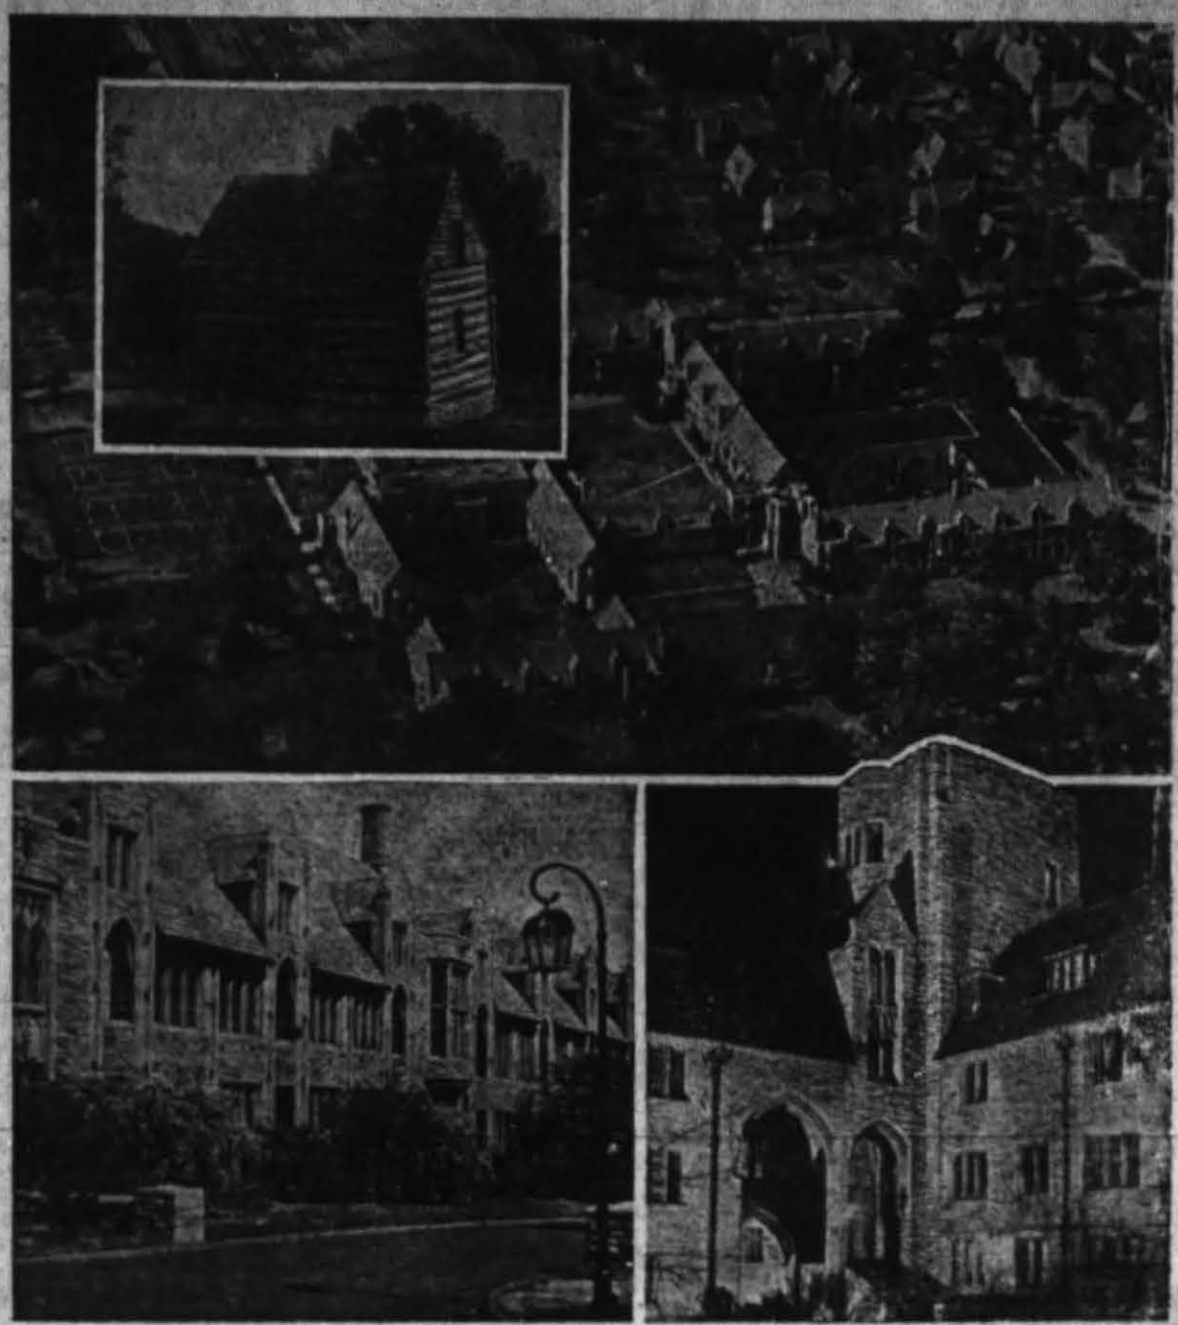

Plan to Erect New Building at 10th & B Streets

The Immanuel Lutheran Churches of Hereford and Friona are joining with other Lutheran churches of the Missouri Synod this month in celebration of the 100th Anniversary of the Lutheran Missouri Synod.

In conjunction with the Centennial celebration, the Hereford church has announced plans for erection of a new church building at 10th and B streets in Hereford.

At the present time the congregation is still worshipping in the County Court room of the Deaf Smith County Court House. However, a building fund drive was begun several years ago and plans are now being formed for the congregation soon to begin construction of its own house of worship on a lot at the corner of 10th and B streets in the residential section of Hereford.

Members of the Building Committee are A. T. Frye, Ed Tiefel, and Arthur Tiefel. Advisory members are Mrs. H. H. Miller and Mrs. J. E. Springer.

Concordia Theological Seminary, St. Louis, Mo., founded by the pioneers of the Missouri Synod in a log cabin in Perry County, Missouri, has grown to be the largest Lutheran theological seminary in the world. Completed in 1926 at a cost of over three million dollars and completely paid for by a synod-wide thank-offering of that year, this beautiful group of buildings is one of the show places of St. Louis.

For many years the congregation of Hereford and Friona had been receiving a subsidy from the Mission Board of the

Texas District. On April 1, 1947 Lichtsinn. The congregation at the two congregations voted to Hereford today numbers 66 baptized members and 42 communicant members.

Dycus Trial Ends With Hung Jury Late Last Thursday

The trial of Connell Dycus of Amarillo, charged under Grand Jury indictment with the theft of an auto trailer from Earl Poarch in Hereford last January, ended in a hung jury late last Thursday evening.

The trial opened in District Court here Tuesday afternoon of last week, with final witnesses being heard late Wednesday afternoon. The case was sent to the jury early Thursday afternoon, and the jurors were dismissed Thursday night by District Judge Harry Schults after they had reported themselves hopelessly deadlocked 8 to 4.

Whether the jury majority was for acquittal or conviction was not revealed.

District Attorney Floyd Richards said he did not know when the case would be brought to trial again, but indicated that it might not be heard again until the fall term of court.

Jurors in the case were Howard Gault, foreman; F. M. Kester, Ray Wilhelm, Coy Phillips, H. D. Blythe, Guy Lawrence, Mark Benefield, Jack Kirksey, Jimmy Alford, Sam McLallen, Perry McMinn, and Ben Taack.

Dycus, who had operated a taxicab in Hereford before moving to Amarillo over a year ago, had been indicted by Deaf Smith County Grand Jury on the theft charge in February.

The trailer was reported stolen here on or about January 12 from the home of the owner, Earl Poarch.

Poarch himself located the trailer in Amarillo two weeks later he testified in court, when

Immanuel Church also operates a Sunday School for the children and a Bible Class for the adults. R. A. Frye serves as superintendent of this organization.

Immanuel Lutheran Ladies' Aid is a member of the Texas District Lutheran Women's Missionary League which fosters special missionary projects in the state and local church. The society meets once a month at the home of one of its members. Mrs. H. Tiefel is president of the society.

he spotted a tire from the stolen trailer on a Model-A Ford in Amarillo. Following the Ford, Poarch testified, he discovered the missing trailer at an Amarillo house, and notified Deaf Smith and Potter County officers, who later arrested Dycus.

The operator of a welding shop in Amarillo testified that a man who he identified as Dycus had brought the all-steel trailer to his shop a few days after the alleged theft, and ordered him to cut down the sides and end. The trailer had also been repainted when it was discovered, according to testimony.

Chief witness for the defense was the operator of an Amarillo hotel where Dycus had maintained residence, who testified that Dycus had been ill with a severe cold on the week-end when the trailer was supposed to have been taken from Hereford, and that he had not left the hotel during that week-end.

A long parade of character witnesses were called to the stand by the defense counsel to testify as to Dycus' good character, and reputation for honesty and truthfulness.

Attorneys for the defendant were Jimmy Witherspoon of Hereford and Billie Culwell of Amarillo.

Thrips May Cause Plant's Troubles

COLLEGE STATION, April 21—Here's a diagnosis for flower gardeners.

When the tips of flower leaves wither, curl up and die, and buds fail to open normally, it's a good bet that the trouble is being caused by thrips, which are small, slender-bodied insects which feed on many varieties of flowers, according to entomologists of the Texas A. & M. College Extension Service.

Thrips vary in color from yellowish to dark brown and often almost black, and are less than one-tenth of an inch in length.

Control measures consist of dusting with a five percent DDT dust. It is also wise, say the entomologists, to keep old buds or blossoms removed from plants, to keep thrips from developing.

Simple Rites Unite Couple Here

Miss Marian Barrett and Charles Hunter Owen were married in a single ring ceremony of quiet simplicity performed Monday at 10 o'clock in the home of the bride's parents, Mr. and Mrs. Fred Barrett, Rev. Uel D. Crosby, pastor of the First Methodist Church, officiated during the service.

The couple entered the living room together to stand before a large west window arranged appropriately with lilacs and other spring flowers.

The bride was becomingly dressed in a powder blue crepe dress made along simple lines with full shirred skirt and low round neck. She wore a corsage of white carnations and carried a hand-made handkerchief that was carried by her mother and grandmother at their weddings.

Refreshments were served after the wedding and after the bride and bridegroom cut the first piece of cake the couple left for a short wedding trip before going to Whitney where they will make their home. For traveling the bride donned a lavender woolen suit, accented with white accessories.

Mrs. Owen was educated in Idaho schools and during the war she was employed in war industry in California.

MISS MARIAN BARRETT

Mr. Owen is the son of Mrs. Lena Owen of Whitney. He spent four years in the U. S. Air Corps with 18 months in England. He is engaged in farming near Whitney.

Only members of the immediate family were present for the ceremony with an aunt, Mrs. John Dynes of Gunnison, Colorado, the only out-of-town guest.

Winget-Griffith Marriage Services Performed Here Saturday Evening

In a double ring ceremony read in the home of her parents, Mr. and Mrs. J. O. Newell, Mrs. Virginia Griffith and Richard Winget exchanged marriage vows at six o'clock Saturday evening.

Baskets of multicolored spring flowers were illuminated by white tapers in seven branched candelabra which flanked the arched doorway where the couple and their attendants stood. Rev. Uel D. Crosby, pastor of the First Methodist Church, officiated. Tapers were lighter by Carol Ann and Marilyn Newell, nieces of the bride, and preceding the ceremony Jacqueline Newell and Betty Catherine Hodges sang "All Through the Years" and "Because."

Clair De Lune played softly, gave a musical background for the ceremony.

Mrs. Darrell Blanton was her sister's honor attendant. She wore a seashell pink dress made with pepum, and an off-the-face white hat. Her flowers were tall-man roses. Earl Plank served as best man.

The bride wore white crepe made with full gathered skirt and featuring nailhead trim. Her accessories were in white and completing the all-white ensemble was a Dutch-style white hat with wide ribbon bow

back. She wore a shoulder bouquet of pink radiance roses and carried a point-lace handkerchief, used by her sister-in-law, Mrs. Charles Newell and her mother, at their weddings.

Following the ceremony Mr. and Mrs. Winget received the guests in the dining room of the Newell home. The refreshment table was laid with an ivory linen cut-work cloth and centered with a tiered wedding cake. Mrs. John Willoughby of Oklahoma City, sister of the bride, served punch and Mrs. Earl Plank, sister of the bridegroom, served the cake. White tapers in crystal and crystal appointments completed the table arrangements.

After the reception the couple left for a wedding trip. For traveling Mrs. Winget chose a tan brown gabardine suit with dark brown accessories. Upon their return they will live in a recently completed new home.

Mrs. Winget graduated from Hereford High School and attended Texas Technological College, Lubbock.

Mr. Winget who is the son of Mr. and Mrs. P. A. Winget, is employed with the West Texas Development Company. He served four years in the Navy as radio technician, part of the time serving as an instructor.

Former Resident Gets Navy Post

Andrew L. Habermacher, who grew up in Hereford, making his home here with an aunt, Mrs. George Garrison, now of Corpus Christi, has recently been appointed Superintendent of Training at the U. S. Naval Air Technical Training Center in Corpus Christi. Lt. Comdr. Habermacher formerly Officer in Charge of the Navy School of Aviation Electronics for Officers, took over his duties last week.

Mr. Habermacher is a graduate of Hereford High School and attended Texas A. & I. at Kingville. He holds a B. S. in Chemistry and M. S. in Education. He received his Electronics schooling in service at Ward Island in 1942, graduating in December of that year. After graduation he served as Maintenance Officer aboard the U. S. S. Thetis Bay for 18 months. He received the rank of Lt. Comdr. in October 1945. He became O-in-C Officer's Electronics in December 1945 and served in that position until his recent promotion. He is married and has two small children.

Bay View Club Has Lesson On Latin America

A program with an International theme, built around John Gunther's "Inside Latin America" was presented at the Bay View Club meeting held Thursday afternoon in the home of Mrs. J. E. Allison.

Mrs. F. T. Roloson gave a comprehensive review of John Gunther's life, told of his travels abroad and his works and achievements. She described his style of writing and told of his distinctive power of description,

mentioning his new book "Inside U. S. A." which came off the press last week.

Mrs. Phillip Barclay reviewed "Inside Latin America" which is the portrayal of the twenty republics, the most comprehensive being of Mexico, Argentina, Brazil and Chile.

Mrs. Barclay quoted from Raymond Gram Swing who says of the book "It may shock Americans to discover that to be brothers of Latin America they will need to wear the garments of humility, for the culture of the cultured world is superior to our Washington without any public prodding, has been applying the most enlightening single foreign policy of modern history. Frank-

lin D. Roosevelt earned a place in the Latin American Hall of Fame at the side of Bolivar."

During the business meeting plans were discussed for the final meeting of the year which will be held in the home of Mrs. Phillip Barclay on May 1. Arrangements will be in the hands of the social committee which included Mesdames D. H. Alexander, Lee Benefield, Howard Gault, C. F. Moore, who will be assisted by Mrs. J. R. Allison and Mrs. A. M. Jones.

Those attending were Mesdames D. H. Alexander, Phillip Barclay, Henry Benson, Essie Cardwell, Colby Conkright, H. G. Conkright, E. W. Harrison, A. M. Jones, J. W. Kirby, Paul Mathers, John McLean, G. A. F. Parker, F. T. Roloson, J. P. Slaton, Bob Wilson, Roy Ford and the hostess, Mrs. Leon Gristet of Los Angeles, Calif., who has been visiting her mother, Mrs. J. P. Slaton, was a guest.

It defies 1,238 years of earthquakes ...and OIL-PLATES your engine!

EARTH'S OLDEST WOODEN BUILDING, strangely enough, stands in the world's worst earthquake center ... Japan! After 1,238 violent years its great timbers are still held together by one of nature's mightiest forces ... the force of molecular attraction!

BECAUSE OIL-PLATING STAYS UP on cylinder walls ... doesn't all drain down to the crankcase even overnight ... a change to Conoco Nth gives you EXTRA protection when you first start your engine "dry" ... EXTRA protection from corrosive acid action when your engine is idle ... EXTRA protection from sludge and carbon caused by wear ... EXTRA smooth, cool, silent miles.

WHEN YOU CHANGE FOR SPRING to Conoco Nth motor oil, that same elemental force of molecular attraction bonds a special lubricating substance so closely to metal that cylinder walls and other engine parts are really OIL-PLATED!

VFW Posts to Attend District Encampment in Perryton 26-27

Delegate from seventeen VFW posts representing the twenty-six Panhandle counties of the Ninth Texas District will attend a quarterly encampment in Perryton Saturday and Sunday, April 26 and 27.

The Perryton Tri-County Post is host for the occasion which is expected to attract more than three hundred veterans.

Highlights of the convention

will be the election of district officers for the next two years and an address of "Communism" by C. R. Cryer, superintendent of Borger schools.

The convention will open Saturday at noon with registration of all delegates at convention headquarters in the Perryton Hotel. A "Cootie Scratch" for members of the Military Order of the Cooties is scheduled for 2

tion, U. S. Department of Agriculture; but sheep and hogs weakened materially.

Demand for vegetables improved in the Lower Rio Grande Valley last week. Cabbage prices strengthened, as the season neared its end, and quality declined. Carrots sold a little higher, too; and potatoes found better demand at unchanged prices. Onions moved slowly in a weak market, and shipments were expected to begin tapering off rapidly. Squash and snap beans remained in light supply. Citrus held about steady. More leafy vegetables moved into Fort Worth and strawberries brought \$5.00 a crate.

Egg and poultry markets strengthened slightly last week. Heavy hens brought mostly 28 to 30 cents per pound, and fryers 32. Week's egg prices averaged 37 cents per dozen at Topeka and Wichita Falls; 38 at Amarillo, Lubbock, and San Antonio; 39 at Oklahoma City and Waco; 39½ at New Orleans; 40 at Dallas, Fort Worth, Denver, Corpus Christi and El Paso; 42 at Houston and Carlsbad; and 43 at Shreveport.

Mature slaughter cattle sold mostly steady to some higher last week, but other classes lost ground at some terminals. Good weighty cows cleared mostly at \$15.50 to \$16.50 at Houston and Wichita, and \$16 to \$17 in Oklahoma City. Medium and kinds moved around \$13.50 to \$16.50 at San Antonio, For Worth, and Denver. Heavy heifers brought up to \$18 at Houston; good yearling heifers \$21 at Fort Worth; and medium and good heifers mostly \$17 to \$21.50 at Oklahoma City and Wichita.

Hogs dropped \$1.00 to \$3.00 or more at southwest markets last week. Closing bulk prices at Fort Worth ranged from \$24.25 to \$24.75 on good and choice medium weight butcher hogs; \$23 to \$24 on heavy weights; and \$19 to \$19.50 on sows at Denver. Late top was \$24 at San Antonio and Oklahoma City; \$24.25 at Wichita; and \$24.50 at Denver.

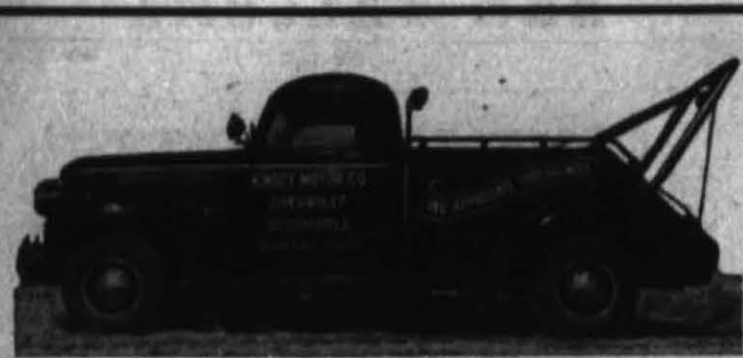

Slaughter lambs lost 50 cents to \$3.00 per hundred pounds at various southwest points, but aged sheep held mostly steady. Bulk of good and choice spring lambs sold at \$20 to \$21 at Denver. Medium clipped goats brought \$7 to \$7.50 at San Antonio.

Wheat recovered from its early-week slump to close Friday just a little lower at \$2.87 per bushel in Fort Worth and Galveston. Other grains saw only slight day-to-day changes. Light offerings and slow demand ruled most grain markets.

Milled rice markets remained firm. Rain and cool weather held back planting. Alfalfa hay developed a weaker undertone, but

scarce prairie hay sold firm to higher. Light demand for ample supplies of most feeds held prices little changed. Wet fields delayed peanut planting in Texas,

but other areas went forward on schedule. OOO ceased buying wool April 15. Good French combing Texas wool failed to sell at \$1.02.

o'clock Saturday afternoon.

A public dance honoring VFW and Auxiliary delegates will begin at 9 o'clock Saturday night with music furnished by the Saddle Swingsters, popular radio band from station KHUZ in Borger.

Harry Kelly of Spearman will be master of ceremonies at a banquet at noon Sunday. Election of officers will follow with District Commander Scott McCartney presiding.

Convention reservations have been coming in for more than three weeks according to O. C. Watson, Perryton post commander. Persons who expect to attend the convention are urged to make reservations in advance, however, arrangements are being made to provide accommodations for all delegates who attend according to Commander Watson.

We love 'em in December as we do in May

REMEMBER the day you first romped away in that Buick of yours? How those eight Fireball cylinders fairly floated you over the hills—how those road-steady two tons of lively car answered sweetly every light touch of your hand on the wheel—how you glided along with foursquare BuicCoil springing smoothing every wrinkle in the road?

That's what your Buick was built to do. Years and years of that kind of driving are in it—especially when it gets the interested, informed car care this fine an automobile should have.

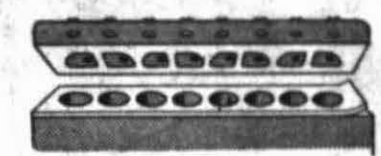

That doesn't mean just periodic

lubrication, a body wash, battery check or bolt-tighten. It means thorough attention by competent Buick men—attention that keeps a Buick always a Buick.

Buicks are our babies. Even the smallest details are handled the way they should be for a Buick. We have Buick tools that do jobs better and quicker. We have men who know Buicks best. We have Buick-engineered parts that are precisely right for your car.

Put that all together and it's Buick car care.

Pretty clear, isn't it, that here is where your Buick will receive the best attention? After all, we love 'em heart and soul.

"TOP" SECRET

One of the things that play a part in Fireball snap is Buick's wafers-thin steel cylinder gasket. Just 15 thousandths of an inch thick, it's a "must" for the high compression this powerful straight-eight is designed for. Other kinds that are thicker cut down the compression and the car's liveliness.

In carbon and valve jobs, or any other where this gasket must be replaced, only this Buick gasket will assure the fit Buick engineers intended. No wise Buick owner would have any other in his engine.

Just another example of how you get more for your money—in major adjustments, tune-ups, lubrication or anything your car needs—when you make sure it gets Buick car care.

Three Youths Duck Guilty Plea and Demand Jury Trial on Burglary Rap

Three Amarillo youths, under Grand Jury indictment in this county for burglary, are still awaiting trial in District Court following an eleventh-hour change of heart about entering pleas of "Guilty" last week.

Two of the boys, ames Richardson and Robert J. Jones, on advice of their attorney, had in-

formed District Attorney Floyd Richards that they wished to plead guilty to charges last week.

Stated for hearing Thursday morning, after the petit jury panel for the session had been dismissed, they did a rapid about-face, Jones decided not to come into court at all, Richard-

son, on the urgent advice of his father and his attorney, appeared before Judge Harry Schultz with the understanding that he would enter a routine plea of guilty.

As soon as his case was called, however, Richardson "clammed up," refused to plead at all, and finally decided to demand a jury trial after all. Judge Schultz explained to the lad that, due to already heavy burden of business in other counties, the court would be unable to provide another jury trial for several

months.

Billy Dendy, third member of the trio, was believed by local officers to be responsible for talking the other two out of their decision to plead guilty to the charges. Dendy had been brought to the Deaf Smith county jail from Borger Wednesday, the day before the scheduled hearings.

All three had signed complete confessions previously, admitting taking part in burglaries in Hereford, as well as in other Panhandle towns.

The trio were released this week to the Sheriff at Claude, to face trial on burglary charges there, and are scheduled to return to this county at a later date for trial on the local charges.

Richardson's lawyer, disgusted with his client's failure to accept his counsel in regard to the plea of guilty, said he was washing his hands of the case entirely.

Woodward Phone Workers Quit Union In Tornado Emergency

Thirty telephone operators at Woodward, Oklahoma, resigned from the Southwestern Telephone Workers Union in a body last week after the Union had forbidden them to go back to work during the emergency when Woodward had been heavily damaged by a tornado.

The Woodward operators, disregarding orders from Union headquarters in St. Louis, had returned to their switchboards when the destructive tornado had ripped their home town apart.

The National Federation of Telephone Workers had ordered Woodward operators to picket the Woodward exchange during the tornado emergency, according to Miss Justine Ruble, chairman of the Woodward local, who said that members of the local had resigned from the Union in a body in protest against the order.

Eighty-five persons were killed, more than 400 injured, and 2500 left homeless in Woodward alone by the tornado which swept across the Texas Panhandle and into Oklahoma on the night of April 9.

A Union representative who went to Woodward last week to investigate action of the local was virtually run out of town by the telephone employees themselves, according to a report from Oklahoma City.

George Evans state strike director for the Union, said his investigator had found "resentment," both among Woodward citizens and the operators. "Some men warned him to get

USDA Market Service Observes 32nd Anniversary

COLLEGE STATION, April 21—The market news service of the U. S. Department of Agriculture has just had its 32nd birthday.

Set up in 1915 to help farmers and stockmen market their products, USDA's market news service first operated at Hammond, Iowa, where it covered the strawberry marketing season.

USDA now reports that the service, in 32 years, has spread out to include 83 year-round offices and 52 temporary offices. Market reporters in the offices distribute, free of charge to producers, information covering the movement, market supplies, quality, price trends and quotations on fruits, vegetables, livestock, meat, wool, dairy, and poultry products, grain, hay, seed, feed stuffs, cotton and cottonseed, tobacco, rice, honey, peanuts and a host of other products. The temporary offices operate seasonally, and usually cover only fruits and vegetables.

The market news service accomplishes one big purpose for the producer, USDA believes. It places him on equal bargaining

out of town at once or the boys would get him," Evans complained.

basis with the buyer by furnishing him accurate, unbiased information.

In Texas, producers get the daily market news from Dallas, where the field office of USDA's Production and Marketing Administration is located. Other

market news service offices are located at strategic positions over the state to distribute localized information.

The USDA's weekly regional market surveys are carried in each issue of The Brand.

Red Spider Threat To Flower Gardens

COLLEGE STATION, April 21—A threat to flower gardeners and ornamental shrub growers is the red spider, a tiny reddish mite just larger than a chigger.

Entomologists of the Texas A. & M. College Extension Service say that the red spider puts pale yellowish or reddish brown spots on plant leaves, which result in an unhealthy condition.

The entomologists advise that the spider can be controlled by dusting the plants thoroughly with finely-ground dusting sulphur, applied when the mites the first noticed. Usually, two dustings, seven days apart are sufficient.
