Cotton Farmers Face Drastic Cut In 1955

The cotton acreage for Deaf Smith County has been set at 9,277 acres for 1955, according to announcement this week by Faust Collier, ASC manager.

"The new figure represents a sharp cut under 1954," Mr. Collier pointed out, "since the acreage quota, first set at 6,923 acres, was later raised to 15,000 acres, this means an acreage cut of 6,723 acres in 1955."

On Historical Basis

"Another factor to be noted is that the 1955 allotment within the county will be based on a 'historical basis,'" Mr. Collier continued. This means that farmers will be allotted acreage on the basis of

cotton planted in 1952-53-54. "Under this plan the new farmer is hurt," Mr. Collier said, "in that it puts the acreage on farms where it has been planted during those three years."

Actual allocation of local acres will, of course, be up to the county board, which will distribute the 9,277 acres in this county upon the basis outlined by state and federal agencies.

Far Below Average

All in all, the 1955 allotment represents a drastic cut for cotton growers, since the three year average is definitely above the allotment. ASC records show the following plantings:

- 1954—15,000 acres.
- 1953—18,305 acres.
- 1952—24,728 acres.
- 1951—15,238 acres.

As in the past, 1955 allotted acres concern planting, rather than actual harvested cotton acreage. This year the ASC records show that only 5,000 measured acres appeared in cotton—and part of this was abandoned, due to crop failures.

The price support figure on cotton has not been announced, Mr. Collier said, but will be released prior to the referendum on Dec. 14.

Around Town

People who have been sleeping in cars and trucks during the grain and lettuce harvest peaks were this week able to locate rooms and even a few small apartments as the demand tapered off to a near-normal circumstance.

Folks around Hereford Motor Company were busy and excited, though, as they set the stage for unveiling of the new 1955 model Fords Friday. There are quite a few changes and several additions in the line, according to Buren Scott.

Purchase of Norris Cleaners was announced this week by Wayne Lawrence, effective today. Mr. Lawrence has been associated with Acme Cleaners here since his discharge from the army in 1945. The firm, formerly Wade Cleaners, 142 Main, will go under the title of Lawrence Cleaners.

Mrs. E. C. Eubanks, who wrote those interesting reports concerning her travels in Europe, returned this week, and is literally bubbling over with accounts of the trip. She has promised to do some more articles, when she gets her feet on the ground.

Seven people are representing the Hereford Farm Bureau at the State meeting in Galveston this week. They are Maurice Howell, Cord Hammock, V. E. Dodson, Mr. and Mrs. George Heard, M. G. Caywood, and J. D. Gilbert. Speeches, selection of a State Queen, adoption of resolutions and plans for the National FB convention in New York Dec. 12-16, will hold spotlight of the sessions.

Beauford Stothwell and Sylvester Slagle have been recently named as new salesmen at Kinsey-Roberson Buick Company.

Correction: The Brand Sunday introduced Leonard Ware, a new merchant who moved here from Littlefield recently. However, the name was spelled "Ware" and should have been spelled "Ware."

Some Stores Open, Some Closed Here On Armistice Day

A Legion - Sponsored breakfast for all war veterans at the club house in Veteran's Park this morning marks the chief celebration scheduled here today for recently established "Armed Services Day" which succeeds Armistice Day on Nov. 11.

The occasion will also be observed by closing of a good sprinkle of business firms, including most of the food stores in Hereford. Also closed for the occasion will be the Post Office, banks, utility company offices, telephone office, city offices and the courthouse offices. Dry goods and department stores along with a majority of the other firms indicated that they will remain open, however, following holidays prescribed on the Chamber of Commerce official list. The next official closing date on the card is on Thanksgiving, Thursday, Nov. 25.

C - C Nominating Group Is On Job

The four-man committee on Chamber of Commerce nominations met Monday and started the process of selecting names for the ballot in which four directors will be elected.

The committee is composed of Bert Boomer, Clee Meharg, Ralph Hastings and Chairman Robert Veigel, who said that two of the new directors will be named from rural areas and two from town, according to present plans.

Going off the board this year will be Tom Alderson, president; George McLean, Dick Bernard and Lloyd Sharp. Carryover members are Neil Cooper, Jay Barnett, Clee Meharg and Ralph Hastings. The ballots, when completed, will be mailed out to Chamber of Commerce membership for actual voting.

Schools Ready To Welcome Parent Delegations Today

More than 100 parents were reported to have visited Hereford Schools Tuesday in connection with National Education Week, Nov. 7-13, during which time a special invitation has been extended for all parents to visit class rooms, inspect school facilities and generally become better acquainted with school conditions.

Today Is Big Day

Thursday is expected to be the banner day of the week and the

schools are expecting a large crowd all day today. Special tags have been secured for each parent who visits the schools. Delegations have also been visiting civic clubs and distributing material, along with special invitations in cooperation with the Parent-Teacher Association.

In addition, school programs will be featured all day today on Radio Station KPAN, which is being literally "taken over" by students in the Distributive Education classes.

First Cinemascope Showing Slated On Thanksgiving Day

Cinemascope pictures will be shown in Hereford for the first time on Thanksgiving Day, Nov. 25, according to present plans of Francis Hardwick, theatre operator. Workmen moved into the Star Theatre early Monday morning to start remodeling work.

The new screen will be 29 feet long and 15 feet high. The old screen has been temporarily moved forward to allow operation during the installation. When the Cinemascope screen is completed, the old screen will be moved entirely out.

"Matinees have been discontinued Monday through Friday," said Bill Hardwick "We will have Saturday and Sunday matinees; on other days the box office opens at 6:45 each evening."

The new concession stand will serve fountain drinks, Cokes, orange, root beer; pop corn; candy and possibly hot dogs.

The Texas Theatre will also have a new screen and concession stand. While the workmen are here, estimates will be made for construction at the Drive-In Theatre, which will open again in the spring.

Elections Are Canvassed By Court Monday

Canvassing of election returns took up most of the day for Deaf Smith County Commissioners Monday. The final tally showed 1,341 votes cast in the general election with a few variations from the unofficial count, none of which affected the outcome of races or amendments involved.

The court also passed a resolution discontinuing certain streets in the Ross Addition, acting in accordance with a request from Pink H. Gilliland, and ordered publication of a legal notice. Fee reports were heard from various offices and the court reviewed a letter from Dist. Highway Engineer J. G. Lott covering FM Road 1956, 5 miles north of FM 1412, north of the Oldham County line. The road includes 5.4 miles of surface work.

Mrs. T. W. Roberson arrived home Monday night from Yuma, Ariz., where she spent a couple of weeks with her son Donald Hicks and family. She welcomed a new grandson who arrived on Oct. 22 and has been named Wiley Gene Roberson.

Three Cases Heard In District Court

Two second offense DWI charges and one forgery case were tried in District Court here this week, drawing a total of 12 years in penitentiary sentences, 10 years of which were suspended by Judge Harry H. Schultz.

Forgery Case
G. O. Thompson, indicted by the Grand Jury here in January, 1954, plead guilty to charges of "forgery and passing a forged instrument." The case was based upon a check in the amount of \$165, bearing the forged signature of "Tom Messer." Judge Schultz heard the case, passed a sentence of five years, which he suspended with Thompson being placed on probation during the period.

On DWI-Second
Also pleading guilty was Troy J. Hickman, who was charged with second offense DWI. Hickman was given five years with suspended sentence and probation during the period.

Two district court cases were carried over to the February term. One was that of Buddy King, charged with theft of more than \$50.

Continue Murder Case
The Melvin O. Wheeler case, in which Wheeler is charged on "Murder with Malice," was also continued on the motion of defense counsel King Pike, and Wayne Thomas, who said they are still searching for witnesses in regard to the case. This is the second continuation in the case, following charges on Nov. 1, 195, when Mike Huckert was fatally stabbed.

DWI - Second Gets Two Years In Pen From Local Jury

Holding more interest than any other case on the District Court docket this week was the jury trial involving Pete Encinas, charged with second offense DWI. The jury recommended a two-year penitentiary sentence for Encinas in a trial which moved rapidly.

The case started at noon Monday and the jury was selected by around 4 o'clock. Testimony was heard and the jury returned a guilty verdict at 11 o'clock Monday night.

No sentence was announced by Judge Schultz, who will be back in Hereford for non-jury cases Monday and will probably pronounce the sentence Wednesday, Nov. 17.

An appeal motion was also possible in the case during the next 10 days. Billy Hall, Littlefield attorney, represented Encinas.

Jury panel for the case included: R. A. Daniel, Jr., foreman; R. W. Coursey, E. A. Brown, Jack Higgins, Jap Dickerson, Lester

Danny Martin Is Football Contest Winner This Week

Danny Martin, second place winner last week, won first place in the Football contest this week, with the score of 19; Nolan Grady was second and Mrs. J. F. Martin third. Those two, along with Mrs. A. J. Schroeter, tied with the score of 18, and won on their predictions on the tie breakers.

Bumper Duck Crop No Place To Hunt

Duck hunters have been getting up early, going out in droves and, more important, they have been bringing in the ducks. Such were the reports generally encountered this week in an unofficial survey conducted by The Brand. Mallards and Red Heads have been leading the list as most hunters reported bag-limit kills of "five a day" or "10 in possession."

HUNTERS FACE NEW PROBLEM

Ducks are more plentiful than at any time in recent years," was the general report of most gun enthusiasts. Some of the hunters are unhappy, though, over the fact that many of the better shooting points have been leased, long before the season opened Nov. 5—and are no longer available for public shooting. This is especially true in immediate areas around Buffalo Lake, near Umbarger, where sportmen have leased most of the

Rates Set On Use Of Auditorium Gym For Outsiders

Members of the Hereford School board Tuesday night set fees and passed rules covering use of the auditorium and gymnasium by groups outside of the school system. They also abandoned previous plans for recessed parking in front of the new high school building, and raised the pay of substitute teachers from \$7.50 to \$10 per day.

Action on outside use of the auditorium and gymnasium was requested by Supt. George L. Graham, who said that already dozens of calls have been made in regard to use of both facilities. Board members expressed a desire to pursue a continued policy of allowing use of the facilities on a "loss" basis to non-profit and community organizations. They considered additional janitor salaries, lighting and heating costs, and possibility of hardship on people using the facilities—and arrived on the following schedule:

Use will be limited to non-profit organizations or groups. No smoking, under any circumstances, will be allowed in the auditorium or gymnasium during rehearsals, practice games or regular performances.

Charges Are Listed

Charges on the new high school auditorium will be \$25 for each performance where admission charges are made; \$15 where a performance is given and no admission charge is made; \$7.50 for rehearsals which require the stage, but not full auditorium facilities. The same regulations and scale of charges was also adopted for the gymnasium.

In line with use of the new auditorium and gymnasium, the board also set charges on similar facilities in the present high school as follows: \$15 for performances with admission charges, \$10 for non-admission performances, and \$5 for rehearsals or practice sessions.

The group also voted to allow the Messiah presentation in the new auditorium without any charge due to nature of the presentation.

It was also noted that school-sponsored activities will have first choice on use of the facilities, since the structures were primarily constructed for school use.

Raise Substitute Teachers
The pay raise for substitute teachers was increased from \$7.50 to \$10 per day after the question was introduced by board members

who said many of the teachers felt that the pay scale was out of line with conditions, and with other salaries. A general average of \$10 a day was established as the "going scale" over the Panhandle area, and was adopted by the board, effective Dec. 1, 1954. An additional \$25 per month was allowed the Tax Office assistant, along with \$25 per month in the bus barns.

After Parking Plans

Plans for recessed parking in front of the new school building were abandoned following investigations in which it evolved that light poles, telephone poles, fire hydrants and other public utilities could not be relocated through any practical means. The board decided to cover the rear grounds of the building with caliche which, in the course of time, will be "topped" for a bus-loading and partial parking area.

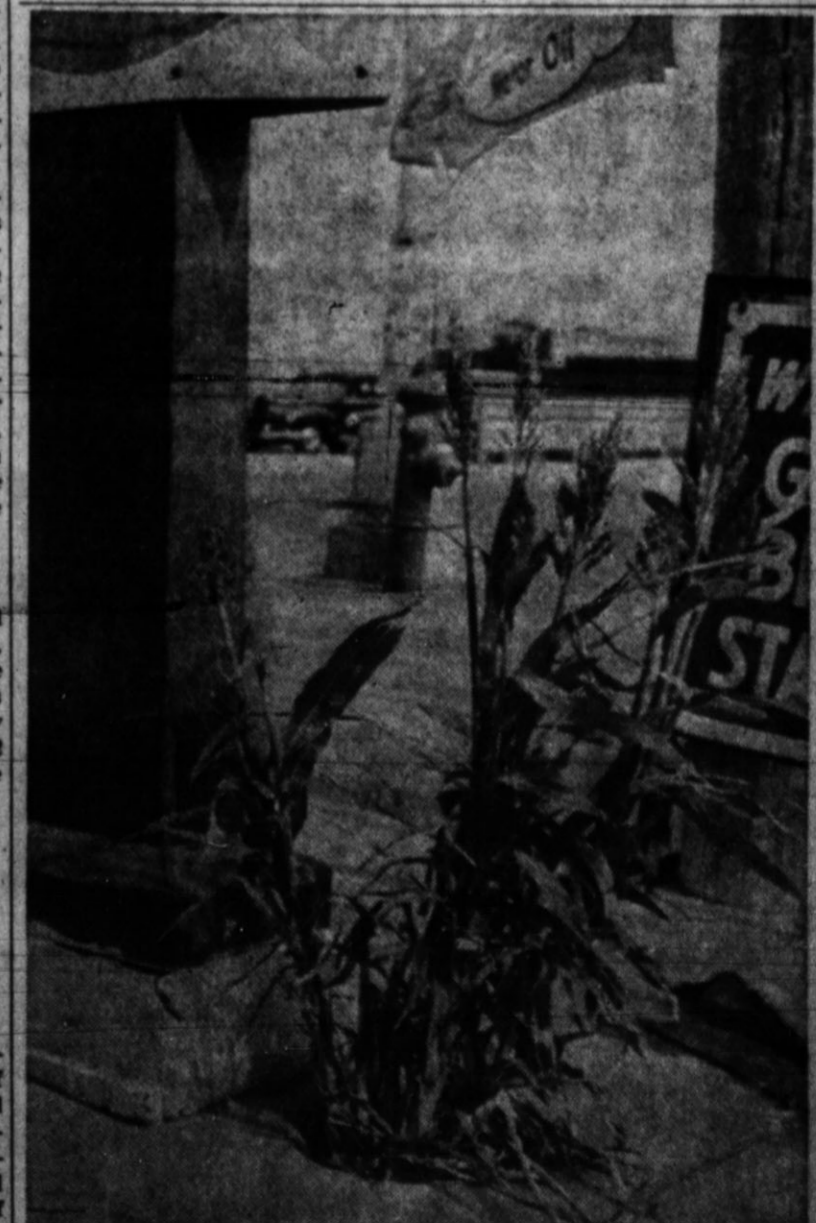

The board also approved bills totaling \$6,208 in general operations, \$2,617 in transportation and \$2,501 in building funds.

Nortons Lease Ranch Spread To Canyon Operator

A ranch transaction of note was closed recently when E. H. and C. P. Norton leased five and one-half sections to Roy Byrd of Canyon. They also sold Mr. Byrd 171 cows and guaranteed 125 calves in the transaction.

Mr. Byrd, who has extensive ranch holdings in the Canyon area, did not announce definite plans, but will probably continue to reside at Canyon. He was also reported to have recently purchased 900 head of yearlings which he will bring in from Mexico.

E. H. Norton, pioneer business man and rancher of this area, will devote his time to other interests and C. P. Norton said that his plans are indefinite, except that he expects to leave in the immediate future for California, where he will join Mrs. Norton and their two children. Mrs. Norton has been in California several weeks undergoing medical treatment.

YES, SIR, 1954 WAS A MILO YEAR they'll remember for a long time. Here's part of the area's 7 million bushel crop that hasn't been harvested. The milo, probably from seed which fell from a grain truck as it was being serviced, popped up through a tiny hole in the drive at Pitman Service. Odice and Ed Bulls say they don't know how many times it was watered from leaky radiators, but they are sure it didn't have any fertilizer.

One boy died at the age of seven. Seven of the children board the school bus each morning.
Mrs. Spencer is 42 and her husband is 53. They have been married 26 years. Thirteen of the children were single births. Twins were born in 1943 and triplets were born Feb. 10, 1951.
The father works at a crate factory in Paris, and the whole family works on the farm in Tigertown, not far from Paris, that Spencer is renting.
The mother says, "I would never raise just one child. Sometimes one child is selfish. But when you have as many as we have, they all have to learn to share and share alike."
She says that the family gets along as well as a family with two or three children.
"We have had to work hard all our lives but we have never been hungry," she says.

Both the mother and the neighbors will testify that the Spencer family is just as easy to manage as a small family.
But when she was asked how she managed them in town at one time, she quickly replied, "I have never taken them all to town at one time."
And what does this father of this dozen and six have to say about his family?
"Nothing," he said. "I never get the chance to say anything."

Canyon-Phillips, Both Undefeated, Meet This Week

Wide Interest In Herd - Demon Game At Dumas

By BILLY PAUL KNOX

The Hereford Whitefaces, after making a fine showing against the strong Perryton Rangers, travel to Dumas Friday night to meet the young, but dangerous, Dumas Demons. The Demons have shown amazing improvement since the first of the season and will reign as a six point favorite over the Herd.

Demons Rate High

Dumas has won three games, lost three games, and has tied two games, but two of their losses have been to Phillips and Canyon, district leaders. Olton edged them 6-0 in an earlier contest.

The Demons victories have been over Quanah, Shamrock, and Dalhart. They tied the mighty Clovis Wildcats 18-18 and they also drew with Wellington 7-7. They walked over Shamrock 45-0 and stomped Dalhart 42-0.

The Whitefaces have won four, lost three and tied one game. Hereford also owns wins over Shamrock and Dalhart in addition to victories over Muleshoe and Tulsa. Littlefield, Brownfield, and Canyon have all successfully handled Hereford. Last week the Herd fought the Perryton Rangers to a 20-20 tie in a game which may be termed to an upset.

Single-Wing Outfit

Coach John Whinnery's Dumas crew operates from the single wing formation and the Demons have a fine backfield and a heavy and powerful line.

Leading Whinnery's backfield staff are blocking back, Andy Hicks, and tailbacks Lawton Guthery and Don Lanier. Guthery and Lanier are powerful runners and Hicks is an excellent passer. Dumas is one of Dumas' best all-around players, is a fine blocking back and throws bruising blocks into opposing players.

Dumas is the first team the Whitefaces have met who have run a single wing offense. This formation offers many varieties of plays and you can be sure that the Demons will use them. John Whinnery is one of the smartest coaches in this area.

The Demons like to go wide on a play, something like the roll out play from the "T" formation. The ball carrier travels with a screen of three to four blockers in front of him.

Dumas is also strong through the line, crossing one of the heavier lines in the district. Line bucks and power plays are often seen and the full spinner is a common sight.

Hereford's upset tie of Perryton was a surprise and the Whitefaces surely could come up with another from where that one came from

but it is very improbable.

In District 1AA football this week, interest centers around the District Championship battle between Phillips and Canyon to be played at Phillips. In other games Hereford tangles with Dumas and Shamrock and Dalhart lock horns in a game which matches the district cellar dwellers.

The Canyon-Phillips fracas which is sure to produce the district champion, will be about the best game of the year in this region. Phillips will be the favorite to win the district again.

Both teams are undefeated and a great array of fine material will be on display. Phillips' great Don Meek will match his talents

against that of Canyon's talented R. A. Burgess. Meek was sidelined last week because of the influenza, but he still leads in the scoring race with 127 points and will probably increase that total Friday night.

The two teams have met three common opponents and Phillips holds an advantage in each. The Blackhaws met and defeated Dumas 20-0 while Canyon came from behind to nose them out 20-14. The Perryton Rangers were no match for the Hawks and fell 30-0. Again the Eagles had a hard time and as before came from behind to edge the Rangers 35-26. Phillips massacred Dalhart 52-12 and Canyon (Continued on Page 8)

FANCY and PLAIN
By Kent Share

Both the AP and the UP jumped on the next January One Bowl angle today, it being Monday and is customary, sparse on the news side. At any rate, they opined that Southern California had copped the Rose Bowl Bid; that Ohio State was set for no worse than a tie in the Big 10 and that Arkansas had only to tie SMU next Saturday in her final SWC tilt, in order to cop that rag. All of which is true,

but it tells only the pitiful part of the tale, that being those eligible for the holiday run are not the cream of the crop. Of the eligibles, only Ohio State can qualify as a real front runner, besides the no-bad bounce Razorbacks, who by-the-by are not past SMU yet. The Ponies after their abject offensive performance against the Texas A&S last week, may get some of the favorable winks of fortune that have been denied the Hog opponents of 1954, when they invade Fayetteville Saturday next. Course if the Hogs lose they still have a chance, for they will close their (Continued on Page 8)

 conference season with only one loss and the Ponies will have to get by Baylor and TCU, which is no sinecure at any time, particularly when the chips are stacked. SMU has a tie against them and if they should get a demerit and Baylor should emerge without further loss, then the title would go to the Hogs on their 21-20 decision over the Bears. To get back to the "make the best of it" bowl picture, which is all that remains, leave us tie back to the Pacific Coast Conference. USC, to date, has a perfect conference record, but she lost to TCU, who has won one and lost two in the SWC, and is out of the title consideration. UCLA has yet to meet the Trojans, that one coming up on Nov. 20, and being the sole remaining contest on this year's slate for the UClans. It would be the upset of a year in which upsets have happened more frequently than not, USC were to take that one. In fact, UCLA looks to be the bona fide number one team in the na-

tion, as of now. But UCLA, like Oklahoma, cannot return to a bowl this term, 'cause they participated in last lap's jousts. If Arkansas qualifies for the Cotton Bowl, she will be a popular choice indeed, but who they get to play her, will be a headache type problem. The Southeastern conference, which has been supplying at least 2 bowl teams annually, is this lap, low on performing type ball clubs. The leader is Georgia, with 3 wins and an Alabama tie, but she faces two possible demerits in her close out games with Auburn and Georgia Tech. Auburn, after a disappointing season, knocked Miami out of the unbeaten class last week, Georgia afforded the only win of the season to Texas A&G, who are well ensconced in the SWC cellar and can't emerge unless they fell the Longhorns, which, of course, they plan to do. Mississippi has one loss and if she gets by Mississippi State and Georgia is marched by, then the Rebels will get the Sugar. If Georgia gets the flag, Mississippi would be logical for the Cotton but Wyatt probable would not press the charge. The Atlantic Coast conference, left with Duke

and Maryland on their hands, as champ choices, don't warm the Orange Bowlers, as the Terps did last term, when they ran second to the Sooners. However the ACC choice won't be as sorry as the Big 7 representative, who looks to be Nebraska, the probable second place finisher after Oklahoma, with 2 conference losses, plus one from Minnesota and a likely future loser to Pitt. Cincinnati, if she gets by Wichita and Miami of Ohio, both tough assignments, may get the nod from the Gator Bowl. If Texas Tech can elobby her 3 remaining opponents, Tulsa, Houston and Hardin-Simmons, she might get the remaining berth in the Jacksonville joust. They liked 'em there last lap and they still could wax potent. The situation could be relieved and the quality improved if Notre Dame, Army, Navy, Iowa, UCLA and Oklahoma could participate, but they can't or won't... whether by choice or dictate, it matters little.

Canyon.....
 (Continued from Page 7)
 on blanked them 19-0.
 A Canyon victory over Phillips would be termed nothing short of an upset.
Hereford vs. Dumas
 The Dumas Demons are favorites over the Hereford Whitefaces in this conference battle to be played at Dumas. The Demons have improved greatly over the first of the season as have the Whitefaces but weight and depth advantage possessed by Demons gave them the nod.
 Hereford has won four, lost three, and tied one, while Dumas has won three, lost three, and tied two. The teams have met three common opponents.
 Dumas slaughtered Shamrock 45-0 and Hereford skunked them 35-0. Hereford coasted by Dalhart 41-13 and Dumas mangled them 42-0. Both teams lost to Canyon. The Eagles disposed of Hereford by a 26-14 count and defeated Dumas 20-14.
Cellar-Dweller Battle
 At Dalhart two teams yet to win a conference game lock horns in what is a very closely matched game. Dalhart will probably be installed as favorite, however.
 Shamrock has not won a game all year and have not scored in their last five games, scoring only 20 points all year for an average of 2.5 points per game. Their opponents, have averaged 7.3 points per game.
 Dalhart has won three games, all from out of state teams, but has yet to win a game in district play.

Murdock Meets James Saturday
 There will be a heap of action in a double main event at the Hereford wrestling arena, affectionately known as the Bull Barn, Saturday night.

In the first place, popular George Curtis of Mississippi, one of the better wrestlers of his weight (junior heavyweight) in the country, throws everything into his matches. In the second place, and for the final event, veteran Frank Murdock, the well-known swine-raiser from Waxahachie, Tex., takes on Jesse James, handsome, likeable character from Los Angeles.
 Murdock is neither handsome or likeable. He fights behind the referee's backside; he fouls and he flouts, but he is still one of the better attractions. If you want to see "legal" wrestling done in reverse, you should see Frankie Hill Murdock. He has no qualms about the rough side of wrestling, depends on it to see him through. He knows about a sleeper hold, which he calls the "python," that puts his opponents away in short order once he has kicked and otherwise disabled his opponent. He puts on the "python," and it's all over for the opponent, unless Murdock deigns to help revive the sufferer of deep sleep.
 Jesse James, one of the more handsome of wrestlers, is always alerted to the Murdock tricks. So it could develop into a rough-and-tumble match, with few holds barred.
 Curtis and Martindale should provide a "lesson in wrestling," for the fans as well as for each other. They are nice, clean boys, until unduly perturbed, and their match should prove educational as well as interesting.
 The Hereford Lions Club is sponsoring the match, same as on every Saturday night, and the profit goes to the worthy causes adopted by the Lions.

Seige At Red River

All the grandeur of frontier America in the 1860's, with its sweeping western landscapes, Indians and hard-fighting soldiers is captured in Technicolor in Panoramic productions' spectacular adventure drama, "The Seige at Red River," starring Van Johnson and Joanne Dru, which comes to the Star Theatre on Friday and Saturday.

To film screenwriter Sydney Boehm's story of a young Confederate officer's adventures while on a secret mission behind Union lines in Indian territory, executive producer Leonard Goldstein dispatched a troupe to Utah and Colorado. There, in outdoor settings unchanged for centuries, the picture was filmed.

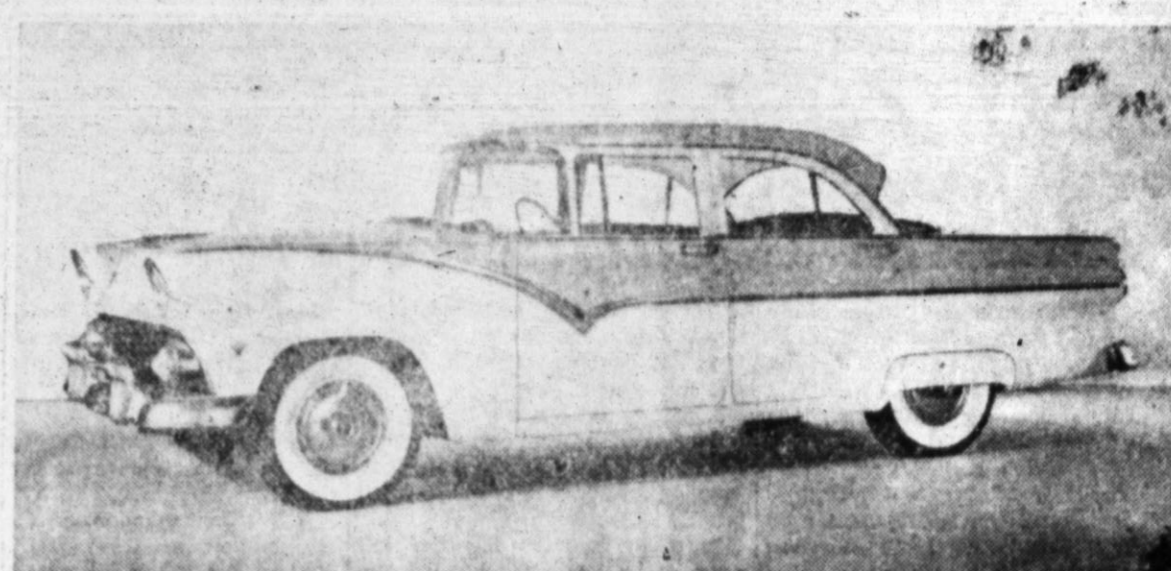

"Betrayed"

The stellar combination of Clark Gable, Lana Turner, Victor Mature and Louis Calhern in a suspense story of the Dutch Resistance in World War II and of a Dutch Intelligence officer who falls in love with a girl he believes to be a traitor, brings pulsating entertainment to the Star Theatre screen in M-G-M's "Betrayed."

Its swift action takes place against backgrounds of such historic cities as Amsterdam, The Hague, Delft and the countryside stretching to the northern tip of Croningen and the Zuider Zee, with its spectacular climax the battle of Arnhem with 1,500 British paratroopers raining from the sky.

Teen Talk
By VIVIAN BROWN
AP Newsteatures

If you want to impress that new boy invite him to meet your folks. This will not only make a hit with your parents, his parents, and him but it'll make life simpler for you when you want to date him in the future.

Many girls write letters to this column complaining that their parents insist on meeting their dates before they are permitted to go out, and most girls seem to think it is unfair.

But do you know lots of boys must introduce their girls to their parents before they date them. You might not realize it, but that casual invitation to a holiday or birthday party at his home may be just to give his Mom and Pop that look-see.

The famous father of four boys, Bing Crosby, said in a recent article that he insists on meeting every girl his four sons date.

So there you have it. Well brought-up boys have the same problem. Only they don't talk about it. A boy who wants to meet

in secret should certainly arouse your suspicions.

If your date seems to dodge the issue of greeting your parents ask yourself these questions:

1. Does he try to avoid meeting your family, perhaps inventing reasons why it is more practical for you to meet him elsewhere?

2. If your parents inform you and him that you must be home at a particular hour, does he try to keep you out beyond that time?

3. Are there occasions when you could be introduced to his parents, except that he studiously avoids the meeting?

4. Does he do irresponsible things such as "borrow" his father's car without permission?

5. Do your brothers like him? If not, why not? Do their criticisms seem justified?

6. What do other girls who have dated him say about him? You shouldn't prejudge him. But their

experiences might be worth listening to.

7. What does he do in his time? Are his recreations some or is he a thrill seeker?

8. If your parents have met what do they think of him?

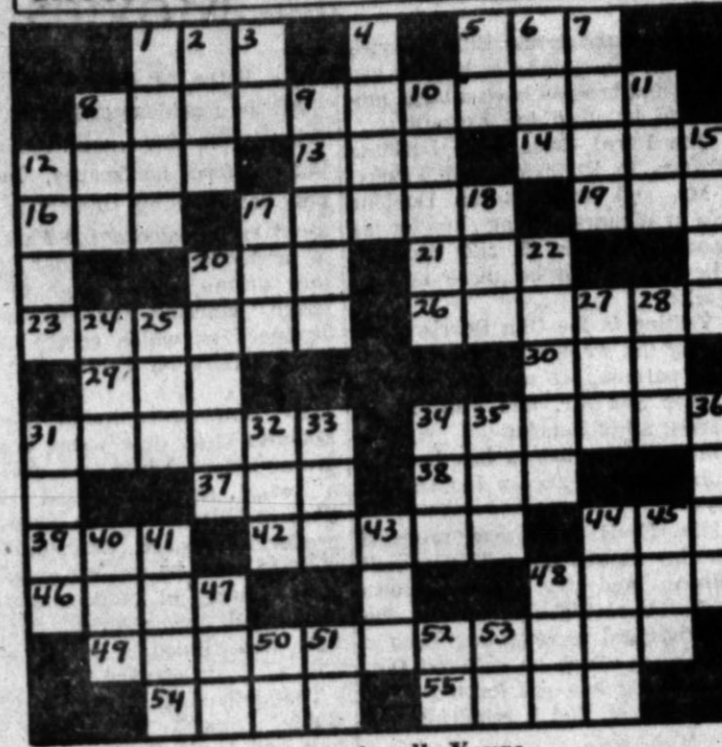

9. Is he popular with his mates?

10. Is he courteous after evening or does he insist on being before he takes you home?

Very few parents ever object to nice boys dating their daughters, if they permit the date at all. It seems fool try to keep a date secret on a boy on the sly. A girl who is likely to infuriate her parents because after all their might be (and rightly so) "a boy is nice what has she hide?"

December Draft Tests Reviewed

AUSTIN, Texas, Nov. 5—Brig. Gen. Paul L. Wakefield, state Selective Service director, Friday reminded students of the fifth series of draft college qualification tests to be given in December and April.

The December test will be given on Thursday, Dec. 9 on 51 college campuses in 43 Texas towns and cities. Applications to take this test must be postmarked no later than midnight, Tuesday, Nov. 23. Applications with a later postmark will not be accepted.

Students whose academic year will end in January 1955 were urged by General Wakefield to take the test in December so they will have a test score on file at their local boards before the end of the academic year, at which time their boards will reopen and consider their cases to determine whether they should be deferred as students.

Applicants for the tests will mail applications for the Dec. 9 test to Science Research Associates, Chicago, Illinois, in self-addressed envelopes which may be obtained at local boards. Bulletins of information concerning the tests are also now available at Texas local boards.

To be eligible to apply for the Selective Service tests, a student must: (1) intend to request deferment as a student; (2) be satisfactorily pursuing a full-time course of instruction and (3) must not previously have taken the qualification test.

Present criteria for deferment as an undergraduate student are either a satisfactory score (70) on the test or specified rank among the made members of the class (upper half of freshman class, up- per two-thirds of sophomore class,

Sing Your America Is Available Here

A series of five musical programs entitled "Sing Your America" has been prepared at Texas Technological College for use by community groups in 23 West Texas cities.

Professor Raymond Elliott, popular Tech lecturer and an authority on folk songs, is coordinator for this experimental series which will be part of the West Texas Regional Continuing Education program. Dr. Everett Gillis, a specialist on Southwestern literature and folklore, has prepared a text and tape script.

"There is a great need for an understanding of what made this country and what it now stands for," according to Professor Elliott. "No better picture of the life and ideals of a nation may be found than in the folk songs of a people."

He added that the purpose of the project was to revive the rich heritage of songs Americans have lived by.

The program, financed by the Fund for Adult Education, consists of five units of songs reflecting different eras of American history. They include: "Old Heritage in a New Country," "Songs of the New Country," "Conquering the Continent," "The Many Americas" and "Lanes to the World."

Written commentaries have been prepared by Dr. Gillis giving the historical background for each unit. Tapes of the programs are being produced for groups wishing to have the series broadcast by their local radio stations.

The musical series is available to any community group in the following communities: Amarillo, Anson, Big Spring, Borger, Brownfield, Canyon, Floydada, Hale Center, Hereford, Kermit, Lamesa, Levelland, Littlefield, Lubbock, Midland, Odessa, O'Donnell, Pampa, Panhandle, Plainview, Tahoka and Tulia. The series is currently being presented in Spur.

Groups may obtain the music series by writing to Dr. Per G. Stenland, head, Adult Education Program, Texas Technological College.

Home Demonstration Quick Breads Prove Convenient, Practical For Tasty Lunches And Nice For Parties

Mrs. C. C. Billingslea president of the Progressive Home Demonstration Club is one of the most enthusiastic users of the recipes for Quick Breads which have been given to the H. D. Club women. Banana Bread is her favorite and also that of her daughter at Portales and college students she sends the bread to. One of the uses she finds the breads best adapted to is for packing lunches. She often serves it warm with coffee or dresses it up a bit with whipped cream for a party.

So many requests have come in for the recipes that the supply has been exhausted at the CHDA office and they are being printed to permit the club members and others interested to have a copy.

Quick Loaf Breads

White Nut Loaf
3 cups sifted flour
4 teaspoons baking powder
1 teaspoon salt
½ cup sugar
¼ cup chopped nuts
1 egg
1½ cups milk
2 tablespoons shortening, melted
Sift dry ingredients. Add nuts. Stir in well beaten egg mixed with milk. Stir in shortening. Pour into

greased bread loaf pan (8" by 4"). Let stand 20 minutes before baking. Bake about 60 minutes in moderate oven (350 degrees F.)

QUICK FRUIT LOAVES

Banana Bread
½ cup shortening
1 cup sugar
2 eggs
1 cup ripe bananas, crushed (about 3 good sized bananas)
½ cup nuts
2 cups flour
1 teaspoon soda
½ teaspoon salt
(Method same as Prune Bread).

Prune Bread
¾ cup shortening
¾ cup sugar
1 egg
1 cup prunes (cooked, drained)
2 cups flour
½ cup nuts
3 teaspoons baking powder
½ teaspoon salt
¾ cup liquid (prune juice and milk)
2 teaspoons grated lemon rind
Cream shortening and sugar together. Blend in beaten eggs and fruit. Stir in dry ingredients alternately with liquid. Add nuts. Pour batter into greased bread loaf pan (8" x 4"). Bake 55 to 60 minutes

in moderate oven at 350 degrees F.

Orange Bread

Parboil 2 cups orange peel, finely cut, in 1 cup water and 1 teaspoon soda for 10 minutes. Drain and rinse well in clear water. Add 1 cup sugar and ¾ cup water. Cook until tender and thick. Make batter of following ingredients:
2 eggs (do not separate)
1 cup sweet milk
½ cup sugar
2 tablespoons melted butter
½ teaspoon salt
3 teaspoons baking powder
3½ cups flour
1 cup pecans
Add warm orange peel, and floured pecans. Bake from 1 to 1½ hours in moderate oven at 350 degrees F. Makes two small or one large loaf.

Steamed Boston Brown Bread
2 cups whole wheat flour
1 cup corn meal
1½ teaspoons soda
1½ teaspoons salt
1 cup raisins
2 cups buttermilk
¾ cup dark molasses
Sift together the meal, soda, and salt—add to whole wheat flour and raisins and mix well. Mix the buttermilk and molasses. Add to dry

ingredients. Stir only enough to wet the dry ingredients. Fill greased cans to one inch of top. Cover the cans with waxed paper or aluminum foil. Steam for 2 hours. The water in the container should be at least half way up the sides of the cans.

Steamed Peanut Butter Date Bread

¾ cup peanut butter
¾ cup sugar
1 egg
2 cups sifted flour
3 teaspoons baking powder
1 teaspoon salt
1½ cups milk
½ cup dates, chopped
Cream together peanut butter and sugar and add egg. Mix well. Sift together flour, baking powder and salt and add to the creamed mixture alternately with the milk. Fold in the dates. Fill greased cans 2-3 full, cover tightly and steam for 2½ hours. Serve hot or cold.

Timely Tips for Better Foods

Next time you bake potatoes, put some extra ones in the oven so you can use them for another family meal. Peel the cold baked potatoes, dice and add to a well seasoned medium cream sauce; heat on top of the range. Sprinkle each serving with paprika and accompany with browned fully-cooked pork sausage links, a cooked vegetable such as peas or snap beans or a tossed green salad. Delicious for a quick lunch or supper!

Laundry hint: bluing is fine to use to neutralize the yellow tint of white fabrics and make them appear white. But be sure to read the label on your bluing to see if it contains iron. If it does, your clothes must be thoroughly rinsed to remove the last traces of soap before bluing is added. Otherwise the soap and the iron in the bluing will combine to form rust spots on the clothes.

Those do-it-yourself fans often get paint or varnish on their work clothes. While the stains are still fresh, soften them with turpentine, lard or oil, then wash in warm soapy water.

H-D Clubs Study Numerous Topics

A variety of programs including demonstrations on quick breads, Civil Defense and plans for Thanksgiving family suppers were reported by Home Demonstration Clubs sending in recent reports.

Wyche

A demonstration of Quick Breads was given to Wyche H. D. Club members on Nov. 4 with Mrs. Darrell Dirks as hostess.

Mrs. Tom Draper, CHDA, presented the demonstration. Quick breads and biscuits were also scored. Mrs. Draper stressed the importance of the consistency of the batter. "Failure of this type bread is often caused by too little liquid," she said. The bread was scored on appearance, color, texture, lightness, and flavor.

Mrs. E. C. Hewitt Jr., vice president, conducted the business meeting. Plans were made for a Christmas Dinner.

Mrs. Hix, mother of Mrs. Draper was welcomed as a guest. The hostess and the co-hostess, Mrs. Carroll Newsom, served refreshments to the following members: Mesdames Bob Baird, W. T. Carmichael, C. R. Damron, C. C. El-

lis, E. A. Hewitt Jr., J. V. Pickens, Ira Ott, Mark Koenig and O. B. Sumner.

North Hereford

Mrs. Paul Hoff was hostess for the North Hereford H. D. Club on Nov. 4. Roberta Campbell presided in the absence of Mrs. Otto Olson, president.

Council report was given by Mrs. A. E. Hodges. Final plans were made for the Thanksgiving supper on Nov. 20.

Gift wrapping and candy making was demonstrated by Mrs. C. L. Whitehead, Mrs. A. E. Hodges and Miss Campbell.

Members present were: Mesdames Ludwig Kovacs, A. E. Hodges, Otto Massey, C. L. Whitehead, Mary Bodkin, W. H. Russell, O. C. Williams, O. L. Williams, E. E. Bishop, Roberta Campbell and the hostess. A former member Mrs. Hare, was a guest.

Black

The Black H. D. Club met Oct. 27 in the home of Mrs. Opal Cobb. Ten members answered roll call and three guests were present. Mrs. Bob Fullwood and Mrs. E. M. (Continued on Page 2)

Meat Loaf Is Ideal 'Beef Week' Recipe

This week has been designated as "Eat More Beef Week" and Mrs. Jim Ricketts who lives south of town has a recipe for a quick meat loaf that should encourage the busy housewife to use the less expensive cuts of beef more often. Price is not a factor with Mrs. Ricketts as they have their own meat but time is limited for the farm housewife who many times finds it is too near meal time for the regular meat loaf she has been accustomed to making so this short cut has proved a life saver.

15-Minute Meat Loaf
1½ pounds ground beef
1½ teaspoon salt
2 tablespoons chopped onion
2 tablespoons chopped green pepper (optional)
1 can tomato sauce
2 tablespoons sugar

¼ table spoon Worcestershire Sauce

Combine the first four ingredients, half of tomato sauce and add two tablespoons catsup and a little water. Press into 9 by 12 baking pan. Bake on lowest shelf in hot oven for 10 minutes. Broil 5 minutes longer. While meat is cooking make a sauce of the remaining tomato sauce, the sugar and Worcestershire sauce and boil three minutes. Cut meat in half across wise, arrange on platter with sauce between slices.

Mrs. Ricketts sometimes adds chopped celery to the loaf for a different flavor.

Never throw away celery tops! They give wonderful flavor to roast meat or poultry, stews and stuffings.

November 13 is Texas 4-H Achievement Day when 4-H Club members tell the story of their year's work and display their achievements.

Deaf Smith County's Achievement Day Event is being held on November 18 this year. At this time 4-H'ers will receive recognition for outstanding work done within the past year.

There are several awards to be presented. Merry Kaye Pruitt, County Bake Show Winner this year, will be presented with an assortment of baking equipment from Foley Manufacturing Company. Ann Dyer receives a cash award from Texas Electric for placing first in the District Farm and Home Electric Contest. Winners in the 1954 Poultry Show will be recognized along with the top three Dress Revue Winners.

Reading certificates will be awarded to every club member who has read three books this

year. A gold star will be awarded for each additional book read.

It will soon be Christmas time. Even now, clubs are making plans for programs. The Annual H. D. Council Christmas Party is always a nice event. It is being planned for Dec. 11 and the 4-H'ers have been invited to come and to have a number on the program. The clubs will have individual parties, also.

Besides their study of crafts this month, club members are learning to make Christmas Candies. Janie Taylor, foods demonstrator of Caprock 4-H, showed the club last Wednesday how to pack and wrap a box of fudge candy for a Christmas gift.

Tuesday morning, Corrine Jennings, Naomi Hopson, and I scored the Home Demonstration Club scrapbooks. They were all so interesting! Each one showed a lot of originality and hard work. It surely was a hard job to select the best ones.

Texas In Washington

By Tex Easley
AP Spec. Washington Service
WASHINGTON, Nov. 6—Elections directly affect the lives of many on Capitol Hill besides the legislators—their secretarial staffs automatically have their jobs cut out from under them when their bosses quit or lose.

Five of Texas' 22-man House delegation are finishing up service in Congress. Three retired and two lost in primary contests for re-nomination. The average congressman has a staff of four, so that means about 20 among the Texas secretarial aggregation of more than a hundred suddenly were faced with prospect of unemployment as of Jan. 5 when the 84th Congress convenes.

Fortunately for some, they were able promptly to line up jobs with the men who will succeed their present bosses. This was so in the case of Mrs. Celia Hare Martin of McAllen, top secretary to Rep. Lloyd M. Bentsen Jr., retiring Rio Grande Valley lawmaker, and Mrs. Bernice Grier of Corpus Christi, top secretary to Rep. John E. Lyle, who also is retiring.

Two of the prospective freshmen members of the House delegation next session have been here diligently looking for houses where they can settle down with their families come next January. Joe Kilgore came up from McAllen with his wife and spent days looking at houses in all parts of the city. J. T. Rutherford of Odessa, who will represent the El Paso-Midland-Odessa area of West Texas, did the house-hunting chore

alone. Illness in his wife's family prevented her from accompanying Rutherford.

Jim Wright of Weatherford, who will succeed Rep. Wingate Lucas of Fort Worth, wrote friends here to be on the look-out for a place for him and his family.

Around the Capital
Pat Holt Sr., Gatesville publisher, has been here with his wife visiting their son, Pat Jr., and grandchildren. They usually take the trip a couple of times a year, and Holt gets around to visit various Texas congressional offices. His son is on the staff of the Senate Foreign Relations committee.

A proud new father among the Texas congressional secretaries is John Goldsum, aide to Sen. Price Daniel. A daughter, Lynn Alice, was born to the Goldsums on Sept. 17. Formerly a reporter on the Victoria Advocate, Goldsum came to Washington four years ago to serve first on the staff of Rep. Clark Thompson of the Galveston district.

Mrs. Lynn C. Kendrick of Route 1, Crockett, wrote her congressman, John Dowdy, asking if he would contact the Census Bureau for her to officially establish her birth date. She was firmly convinced she had been born on March 24, 1890, but she needed the official verification.

Dowdy's staff here got busy on the request but had to write back a discouraging bit of information—the 1890 census records had been destroyed in a fire here long years ago, the only census count data missing in a period of more than a half century.

Rep. Clark Fisher of San Angelo, back from a trip that took him more than 5,000 miles throughout Russia, ran into a nest of Texans in the U. S. legation in Moscow. Two constituents, Miss M. Vaughan Winn of Uvalde and Sgt. Albert N. Bradshaw of San Saba, arranged a Texas get-together in a downtown Moscow restaurant. They engaged a private room and hung a large Texas flag on the wall.

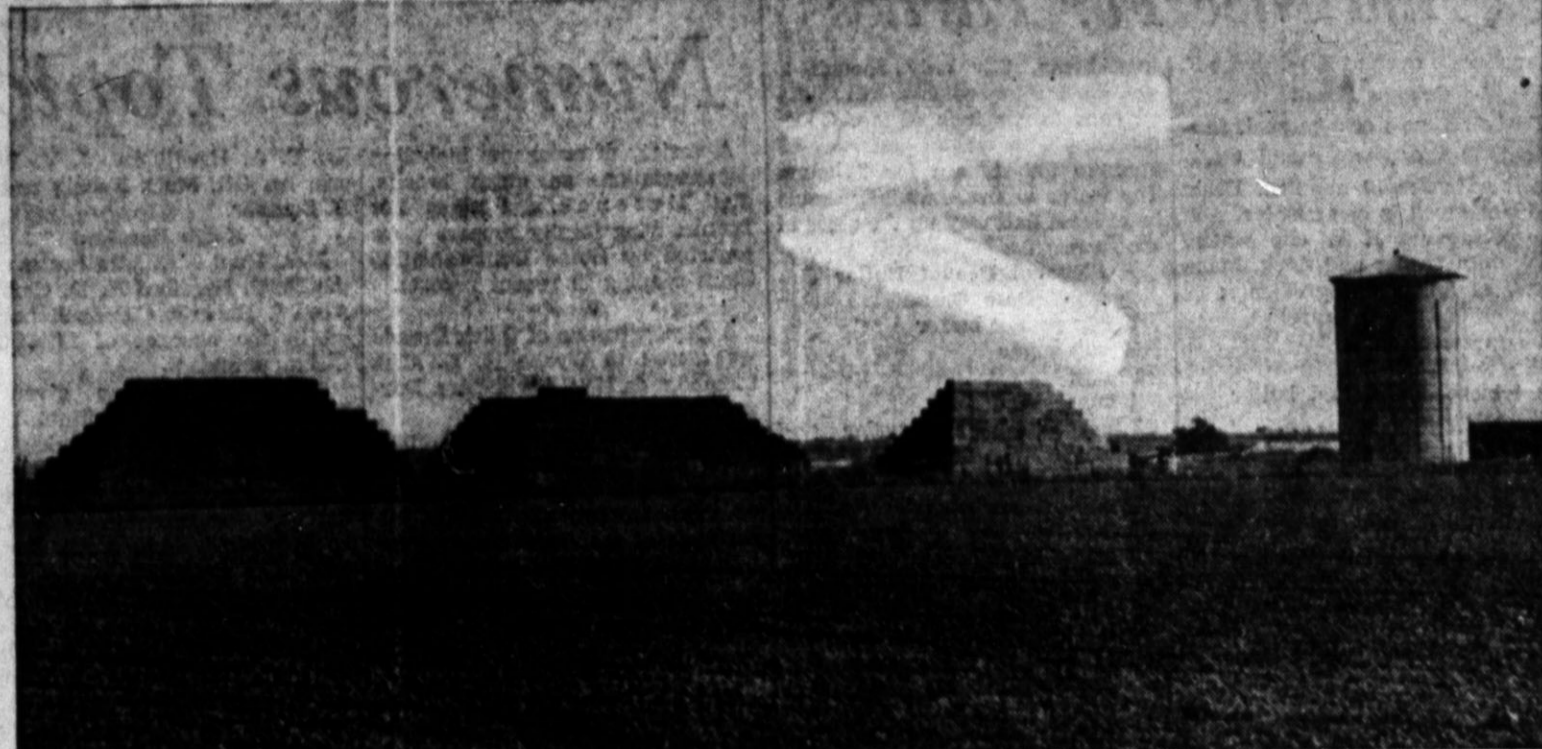

"I expect that was the only Texas flag that ever was raised in Moscow, at least in recent years," Fisher smilingly recalled.

Other Texans who joined in the occasion were Sgt. Billie Driskill of Fort Worth; Col. Fillmore K. Mearns, San Antonio; Lieut. Commander Charles W. Tuck, Robstown; Lieut. Col. Houston Stiff, Fort Worth, and Edmund J. Tucker, El Paso.

Fisher said he spent most of the 18 days he was in the Soviet Union visiting and talking with Russian people who have nothing to do with governmental matters.

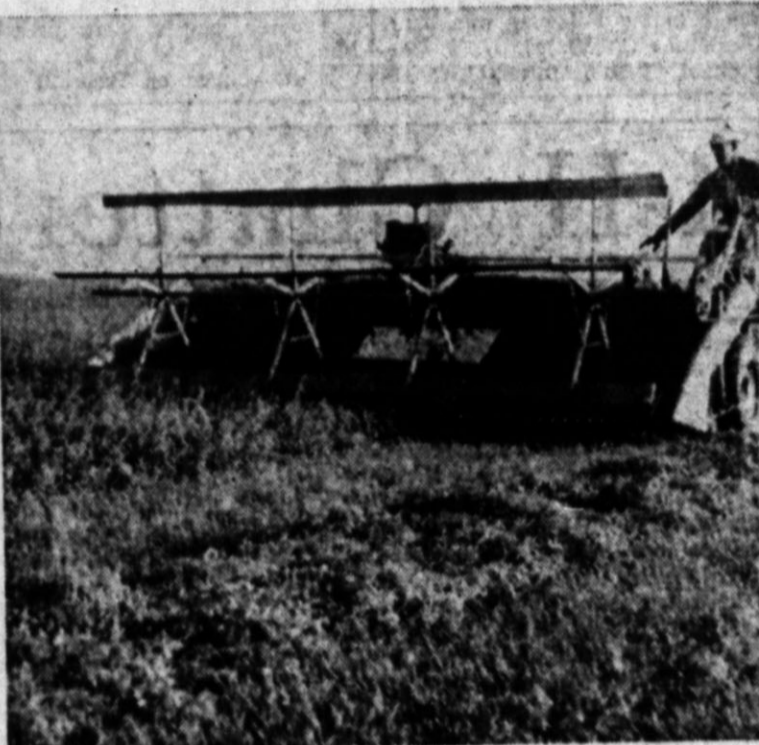

In school rooms he found bright-faced and polite youngsters happy to hear a translator tell them that he brought them greetings from the school children of America. He said they invariably voiced thanks and through a class spokesman or officer asked him to bring back greetings from them to the school children in the United States.

Fisher said he found the Russians placing great emphasis on providing their youth with not only modern athletic facilities but fine vocational centers where they

Mrs. Cox brought the program on "Home Defense". After the program members displayed some of their copper work.

At the business session officers for the coming year were elected.

Progressive

The attractive brown and yellow kitchen of Mrs. C. C. Billingslea was the scene of a food demonstration Tuesday afternoon for the Progressive Home Demonstration Club. Mrs. Argen Draper, assisted by Mrs. Lester English prepared and baked banana nut bread. Reasons given for some breads cracking on top were: 1. Baking at too high temperature. 2. Adding too much flour. 3. Using too wide a pan.

Several members brought samples of the banana nut bread and Mrs. Draper brought samples of orange bread and prune nut bread which were scored by individual club members. Mrs. Draper also showed the group a sample of the banana nut bread which had been baked in a can.

It was suggested the small loaves would make nice Christmas gifts and the round cakes sliced would be nice to serve at parties, made into sandwiches or served with whipped cream.

Mrs. English conducted the opening exercises which were in the form of a Character Quiz. Mrs. Billingslea, president, conducted the business meeting. Roll call was answered with ideas for Christmas Decorations and suggestions for making and trimming little girls dresses. Miss Augustine Gregory read the minutes. Mrs. Draper reported that the 4-H Club Achievement program would be the night of Nov. 18 at Shirley School.

Mrs. Earl Plank reported on the Federated Club Council she attended. She urged all members to attend the Federated Club Luncheon at 12 o'clock Friday Nov. 9 at the First Methodist Church. The pro-

Clothing for children ages six to nine are to be brought to the meeting. These will be sent to the Indian Reservation in Texas. Women were also urged to attend the meeting of the United Council of Church Women which will be held Friday afternoon at 3 o'clock at the Presbyterian Church.

The meeting adjourned following this report and refreshments were served by the hostess Mrs. C. C. Billingslea to Mesdames: Taft McGee, Bert Coffin, Leon Coffin, For-

Use those scraps of leftover pastry this way. Roll out thin and cut into fancy shapes; sprinkle with grated cheddar cheese and paprika and bake. Delicious with soups or salads!

Your family will love carrots if you prepare them this way. Slice about six good-sized carrots and cook them in a small amount of boiling salted water just until they are tender-crisp; drain off any

small amount of water remaining in the pan. Now heat a couple of tablespoons each of honey and butter or margarine along with a teaspoon of grated orange rind; add the drained sliced cooked carrots and simmer until piping hot. Add salt to taste and serve at once.

Your sterling silver hollow ware can do double duty. A pretty silver pitcher can be used for flowers; cold meats look attractive on a silver sandwich tray; a silver sauce boat may be filled with tidbits served with first-course beverage on days when sauce is not on the menu.

MR. AND MRS. S. P. BASS

Mr. And Mrs. Bass Observe Golden Anniversary

Mr. and Mrs. S. P. Bass, one of the north of Hereford, celebrated their golden wedding anniversary Monday, Oct. 24, in their home. Mr. Bass was born in Alabama in 1884 and Mrs. Bass was born in Arkansas in 1886. The two met each other in 1900 in the state of Oklahoma and were married in 1904. They spent their 50 years of married life farming and ranching in Oklahoma, New Mexico and Texas. They have six children, 15 grandchildren and nine great grandchildren.

Long Time Ago

45 Years Ago

Another record smashed... not content with chopping off 14 ribbons at the Fair on Agricultural products, headed with the money crop, wheat Deaf Smith and Hereford has had the Kansas City beef market gasping for breath the past week.

Last Monday, J. D. Thompson took possession of Kansas City with 14 cars of whitefaces in his wake. When the smoke cleared away the black board showed these figures: 303 head yearlings at 5.10; 170 head heifers at 4.40, or a net amount per head of a little over \$28. The yearlings broke all records on the Kansas City market for Panhandle stuff.

and good wishes helped to make the day a thrill of a life time.

Those present were Messrs. and Mesdames Henry Bass and family, Muleshoe; Virgil Bass and family, Clovis, N. M.; Nolan Nuttall and boys, Amherst; Verlin Casey and girls, Causey, N. M.; Mrs. E. L. Jones, Amarillo; Mrs. Edna Blair, Abilene; Porter and Delvin Nuttall and their girl friends, Amherst; Mrs. J. E. Roden, Shamrock; Messrs. and Mesdames Walter Bass, Texola, Okla.; Jim Bass, Portales, N. M.; Jack Bass, Texola, Okla.; Beuford Sparks and family, Wildorado; Bill Woods and son, Quitaque; T. W. Holman and children, Amarillo; Mrs. Bert Grundy and girls, Quitaque; Boby Jones, Amarillo; Mr. and Mrs. Derwood Bass and children, Hart; Mr. and Mrs. Dean Bass, Hart; Mrs. Wallace Slayton, Kress.

Everyone present seemed to enjoy the big picnic dinner and the day very much.

and Mr. Thompson is wearing that complacent look nowadays which comes only now and then to most men... when he has the "hard times" canard tied hoof and horns and hog tied for keeps.

And the best thing about the whole story is the fact that these cattle were not fattened for market at all... were run on "roughness" right here at our back doors, the only delicacy given then during their short careers being a little cake last spring when grass was short and the weather on a strike. Mr. Thompson says he isn't through yet... he still has a good sized bunch of the same kind of stuff on hand.

25 Years Ago

If figures may be used as a basis of formulating opinion, the cream business of the local creamery has passed through the trough of depression and is recovering. The volume of cream handled is gradually increasing from week to week, which is a healthy sign. However, the increase is slight and it will be some two or three months before the high level attained in the late summer can be reached. The recent increases are healthy and normal and result from dairy herds being allowed to graze in new stock fields or wheat pasture, with the addition of ground roughage and grain to the ration.

The number of cows freshening at this time is negligible and has but little influence on the foregoing situation.

Hereford's Armistice Day and Red Cross program was attended by all who could possibly crowd into the first Baptist Church auditorium. Beginning with an impressive parade that stretched farther than from its starting point at

YOUR CONGRESSMAN REPORTS

Democratic Control Will Balance Government Control Says Rogers

Thanks to the People of The 18th:

Words are, of course, wholly inadequate to express my deep feeling of gratitude to the fine people of the 18th Congressional District of Texas. I wish it were humanly possible for me to grasp the hand of each of you and to say "Thank You" for this great honor that you have again bestowed upon me. I deeply regret that I had to return to Washington immediately after the election, but one of my children had suffered an accident just before the election, in which he almost lost an eye. Thanks to Almighty God and the child's wonderful mother, the eye was saved, and the boy is progressing nicely.

What Does the Election Mean? The columnists and commentators who were trying to predict the outcome of the election are now busy trying to predict the results of the outcome of the election. The truth is that the American people have spoken in a true democratic form, and they will expect this government to be kept in balance. I feel that the first session of the 84th Congress will prove to be a most stabilizing influence. It will prove definitely that true statesmanship still exists.

Much has been said about the dynamic program of the President but no one seems to have taken time to say just what that program is, or what laws he has in mind. In order to determine whether or not the program is dynamic.

First Street to its destination at the church, the program took up the greater part of two hours.

It is in the national interest to admit them.

Reports have it that West Germany's Chancellor Adenauer really made a hit. Although he could not speak our language, he knew how to shake hands in it. Columnist George Dixon reports that when the National Press Club's Italian-Swiss chef, Alphonse Zappeloni, came out of the kitchen to signal the waiters, the Chancellor gave him a firm handshake. There is nothing as catching as good fellowship.

The Queen Mother of England arrived in town and is a guest at the White House. On Tuesday, the British Embassy will be the scene of a reception in her honor. Mrs. Rogers and I will have the pleasure of attending, and I will try to give you the highlights of the affair later on. She is a very gracious person of whom England is justly proud.

PARADE REST!

On this Armistice Day, the crisply lettered words, "Parade Rest," symbolize armies of many countries on the watch. Of course some of us were lucky enough to pay for the war in toil, some in taxes, but it required the giving of life itself for many a man. It brought sorrow and heartache for others. It would be well for us on this Memorial Day, to become ambassadors of tolerance and spokesmen for Democracy which makes every man our brother and gives to him the freedom that we demand ourselves. In every church service or patriotic assembly on this memorable day, may we in honor of our heroic dead, pledge ourselves to the cause of lasting Peace.
