### Issues Eight Reasons Why Every Patriotic Texas Woman Should Pay Poll Tax.—Takes Issue With Ferguson Forum.—Makes Plea For Schools

The opening barrage of the big campaign by the Deaf Smith county section of the Texas League of Women Voters to secure every available poll tax before January 31 will be laid down at the Courthouse on next Sunday afternoon, beginning promptly at 2:30 p. m.

An attractive program appropriate to the date and the occasion has been prepared. The Rev. E. C. Mobley, of Amarillo, a speaker of note, will discuss the question on this occasion.

Mrs. A. L. Gibson, county chairman in charge of this movement, announces the following program:

**Program**  
Song: "All Hail the Power of Jesus Name."  
Prayer.  
Piano Duet—Miss Ina Gregg, Mrs. O. H. Dyar.  
Solo—Miss Swisher.  
Vocal Duet—Mrs. Carl Mountz, Miss Helen Lambert.  
Address—Rev. E. C. Mobley.  
Song: "America."  
Benediction.

The League of Women Voters has issued the following condensed reasons why all women voters in the state should pay their poll taxes:

Because, if you do your part in the next primary for Presidential Electors, Congressmen, Governor, State Senators, State Representatives, all other State officials, and all county officials. The primary is the nomination and more important than the election proper.

Because, our opponents state that they have determined to see that a legislature is elected that will repeal the primary suffrage law. Your poll tax receipt will enable you to help safeguard this law.

Because, thirty-six States will most probably ratify the Federal Suffrage Amendment before election time, and you will then be able to vote in the election proper, as well as on all other matters which are decided by popular choice, if your poll tax is paid.

Because, our opponents have openly asserted that they will see to it that a legislature is elected that will rescind ratification of the Federal Suffrage Amendment. Your poll tax receipt will enable you to prevent this.

Because, our opponents are saying that women are not paying poll taxes because they do not want the ballot. Ferguson's Forum asserts in bold faced type that the women of Texas do not want the ballot. Your poll tax receipt disproves these assertions.

Because, no reform is safe simply because a law has once been passed establishing it. We must always be prepared to put good men into office and keep bad ones out. Without your poll tax receipt you have no voice in any election.

Because, \$1.00 of your poll tax money goes to the support of the schools. The best teachers are leaving the schools because of poor pay. Your poll tax money will help to keep good teachers in the schools.

Because, every conscientious, forward-looking woman wants to bear her share of the responsibility for the kind of government we live under, the kind of men who are put into office, the kind of social and industrial conditions that exist in her state, county, and city, the kind of schools the children are educated in.

## SURPRISES FAMILY; BRINGS HOME BRIDE

Lester Wilkinson gave his mother and brothers the surprise of their lives Wednesday night when he reached Hereford with a bride. The marriage occurred in Los Angeles last June, but Lester said nothing about it and kept it for a surprise for his arrival here.

After serving a term in the submarine section of the Navy during the war, Lester has been chief electrician and electrical engineer for a large mining concern at Ojo, Colo. He may decide to locate at Hereford in the near future.

## PIERSON CANDIDATE FOR SUPREME COURT

Judge William Pierson of Greenville, Texas, Judge of the Eighth Judicial District of Texas, has written local friends that he will be a candidate at the coming elections for a place on the Supreme Court and the place now held by Justice Hawkins.

Judge Pierson tried for a place two years ago on the Court of Criminal Appeals, but was defeated by O. S. Lattimore of Fort Worth. Judge Pierson states that his preference is for the Supreme bench, due to the fact that his practice has been wholly civil and his work as a trial judge is also largely civil.

## TELEPHONE CO. HEARD FROM

### Dallas Manager Will Send Man To Look Over Our Situation

Another matter that the City Commission has been working on for the public benefit has been improved telephone service. There has never been any disposition to criticize the local management, as the Commission realized the local force was doing the best it could with the worn-out equipment and insufficient supplies on hand. The attitude of the city is fully set forth in the following letter written by the Mayor to the manager of the Southwestern Telegraph & Telephone Company at Dallas on December 15:

"For a long time, probably two years or perhaps more, complaints without number have been made to the City Government here concerning the poor condition of your lines and equipment in this town.

"Since before we got into War, we have been assured and reassured by various officers of the Company, including several District Managers, that it was the intention of the Company to rebuild its lines at this place in the near future.

"Relying upon these promises, when some paving was done three years ago, the Company was not even required to move any of its poles to correspond with the new curb line. It was the wish and purpose of the City Administration to put the Company to no additional or unnecessary expense, as we had the pledge that its lines would shortly be reconstructed. Of course everybody was willing to put up with all sorts of inconvenience, poor service and other disagreeable features as long as the war lasted.

"I would appreciate it very much if you would let me know whether or not the Company intends or contemplates rebuilding or doing anything towards overhauling its lines and equipment in this town during the coming season.

"The City Administration is informed that on account of the condition of your switch board and other office equipment, it is impossible to give the community the best of service.

"We would like to have some definite statement from the Company with reference to its intentions, in order to know what course to take as we contemplate certain street improvements that will depend somewhat on the intentions of the Company."

That this letter has started something is indicated in the following reply, dated January 8:

"Your letter of December 15th came to hand in due time and should have been answered some time ago but the writer has been absent from the city the greater part of the time and our plans for the coming year have not yet been fully matured so that I have not written you.

"I think the better way is to have Mr. Henderson come to Hereford and go over the matter with you and see what can be done.

"Of course, I think you realize that even though the war has ended it has left the country several years behind in all lines of work and it is very hard to get material to work with.

"You can be assured, however, of our desire to do anything and everything that we can to improve the situation in your city.

"Mr. Henderson will call upon you in the very near future.

"I thank you for calling the matter to my attention."

## PAUL GUTHRIE BACK FROM DUTY AT SEA

Paul Guthrie, son of Mr. and Mrs. B. F. Guthrie, reached Hereford Sunday after serving two years in the United States Navy as a radio operator. He has received his final discharge.

Paul has had some very exciting and exacting service as a member of the crew of the Mine Sweeper "Pelican," engaged in destroying the great mine field laid by the Allies during the war in the North Sea. The Brand published an account on August 14, 1919, of the explosion of six mines under the "Pelican" and a resulting injury to Paul's ankle. The ankle is still weak, though he is able to get around for the ordinary daily routine.

The young man has not yet made definite plans for the future, although it is probable that after a month's visit with homefolks he will enter the merchant service as a radio operator until next fall, when he wants to take a course in electrical engineering.

## PAVING CONTRACTOR PROMISES CITY WILL MAKE DEFECTS GOOD

For some time past the City Commission has been exercised over the condition of the paving on Main and adjoining streets. Several defective places have developed, and large cracks are beginning to show. Early in December the matter was taken up with F. P. McCormick, of Tulsa, Oklahoma, the contractor, and again on January 6 the Mayor demanded some action. Engineer Eirod, who was here recently, stated that the Maintenance Contract and Bond furnished by Mr. McCormick at the time contract was entered into clearly covered these defects and that the city should demand that they be repaired.

The vigorous protests of the Commission has at last brought results and under date of January 8 the construction company advises that as soon as weather conditions will permit they will send a man to Hereford to determine what repair work will be necessary.

## SWINE BREEDERS TO GATHER AT CANYON

The annual meeting of the Panhandle Swine Breeders Association is to be held next week, January 21-22 at Canyon. Great preparations are being made to show the visitors a good time while in the city. The following will be the program:

1:00 p. m.—Future Outlook for the Pure Bred Swine Breeder of Texas—Joe Haaga from the National Record Duroc Association.

1:30 p. m.—Sale of Registered Bred Sows, contributed by members of the Panhandle Swine Breeders Association. Forty two sows out of the leading herds of the Panhandle are offered in this sale, both Poland China and Duroc breeds.

Hereford, Texas, fame as the center of the universe, when it comes to blooded Hereford cattle, received a tremendous boost last week, January 6 and 7, at the great annual sale of Mousel Bros. of Cambridge, Neb. Superior Mischief, a bull raised in the Ivy herd on the Tierra Blanca east of town sold at this sale for the stupendous sum of \$22,000, Beau Aglador, another local product, brought over \$12,000, and the general average of the cattle hailing from this neck of the woods was about \$5,500 per head. It will be remembered that last summer Jones & Dameron, who had previously purchased the great Ivy herd, sold 34 head of these thoroughbreds to Mousel Bros. for a sum around \$130,000, at a private sale. It was this stuff, with other purchases, that topped the annual Nebraska classic and has carried the fame of Hereford blood lines to every breeder of registered cattle in the United States.

There is absolutely no calculating the fine advertising this section received at this sale, for the discriminating

## REORGANIZATION OF CHAMBER OF COMMERCE PLANNED AT BANQUET WHICH IS TO BE HELD NIGHT OF JANUARY 30

### ANOTHER WET SNOW INSURES GOOD CROP

Following the heavy snow of last week a second fall occurred Sunday, not quite so heavy as to amount but much heavier in solution. It was one of the wettest falls that has ever occurred here, and the combined precipitate will surely mean a world of wheat and oat acreage, not to mention plenty of grass and season for the coming spring months.

One beauty about this snow has been the lack of extreme temperature and its timeliness. Another whale of a crop for 1920 is practically assured.

### TWO FIRMS INSTALL BIG ELECTRIC SIGNS

Main street is to be further brought "up-to-the-minute" with two additional electric signs. The Ford Garage and the Burns Drug Store have each received this week a beautifully designed sign, which are being erected in front of their respective places of business.

## INVESTIGATES PLAINS TIME

### Interstate Commerce Commission to Hold Hearing at Amarillo

The volume of complaints against the imposition of the new Mountain time on this section of the Texas Panhandle has reached such proportions that the Interstate Commerce Commission, which has jurisdiction over this matter, has set a hearing on the question, to be held at Amarillo on February 17. Mayor Knight is in receipt of the following official communication on the subject:

**"ORDER**  
At a General Session of the INTERSTATE COMMERCE COMMISSION held at its office in Washington, D. C., on the 5th day of January, A. D. 1920.

**"No. 10122**  
**"STANDARD TIME ZONE INVESTIGATION.**

"Upon further consideration of the reports and orders in the above entitled proceeding and of the petition for rehearing filed by the Panhandle-Plains Chamber of Commerce at Amarillo, Texas:

"It is ordered, That this proceeding be, and it is hereby, reopened for further hearing respecting the question of whether the orders of the Commission dated October 24, 1918, and December 21, 1918, defining the boundary line between the United States Standard Central Time Zone and the United States Standard Mountain Time Zone in Texas and Oklahoma and between Texas and Oklahoma should be modified so as to place the Panhandle-Plains section of Texas in the United States Standard Central Time Zone; Provided that this order shall not operate to suspend the orders now in effect in this proceeding.

"It is further ordered, That a public hearing be held thereon before Examiner John T. Money, in the Amarillo Hotel at Amarillo, Texas, on the 17th day of February, 1920, at 10 o'clock a. m., and that all parties be heard respecting the subject matter under investigation.

By the Commission: GEORGE B. MCGINTY, Secretary.

## BULL RAISED AT HEREFORD SOLD FOR SUM OF \$22,000

buyers from everywhere were on hand. Hereford was represented at Cambridge by Mrs. L. R. Bradley and Jim Sanders, E. B. Black and Jesse Stanford, W. E. Dameron and A. M. Jones, Truman Hines, Rat Jowell, T. C. Ivy and Bryan Edwards. The general trend of all their reports is that it was the largest sale they had ever attended, and that they came home more enthused than ever over the class of cattle held in this section. They were royally entertained while in Cambridge and shown every courtesy. Mrs. Bradley refused an offer of \$7,500 for a Domino bull now heading her herd, the offer coming from a Mr. Scott of Colorado. Mrs. Bradley felt that she could not replace this necessary animal for a like amount of money. Mrs. Bradley and Mr. Sanders purchased three cows and a bull at the sale, the cows averaging about \$2,300.00 a head. Mr. Hines is also understood to have bought several head, and possibly others of the Hereford delegation made purchases.

Complete details of the sale will be given in next week's Brand.

### STOCKHOLDERS MAKE VERY FEW CHANGES

Very few changes were noted as a result of the annual stockholders' meetings of the three local banks, held this month.

At the First National Bank meeting, held January 13 the old directors and officers were reelected and two additions made to the directorate in the persons of J. L. Fuqua and J. Frank Potts. This gives the First National the following lineup: Geo. L. Muse, president, E. B. Posey, active vice president, and cashier, R. N. Mounts, vice president, J. Claude Ricketts, assistant cashier; directors, Geo. L. Muse, W. S. Higgins, E. B. Posey, R. N. Mounts, R. J. Kibbe, Mrs. Ollie D. Brady, J. L. Fuqua, and J. Frank Potts.

The First State Bank & Trust Company held its meeting on January 6 and no changes were made. This leaves the personnel as follows: Henry Wilkinson, president, C. R. Williams, vice president, C. R. Herbert, vice president and cashier, J. A. Pittman, assistant cashier, Frank Alexander, assistant cashier; directors: Henry Wilkinson, D. F. Ashbrook, C. B. Williams, Carl Gilliland and Homer Wilkinson.

The Western National Bank held the annual meeting on January 13. B. C. D. Bynum, of Amarillo, retired as a director and was succeeded by Clifford Acker. The officers and directors now are G. A. F. Parker, president, J. L. Smith, vice president, Roscoe Davidson, cashier, Claude Terry, assistant cashier; directors: G. A. F. Parker, J. L. Smith, Roscoe Davidson, C. C. Acker, and M. L. Parker. The surplus of the bank was increased from \$50,000 to \$75,000.

## NEED MEN TO TAKE CENSUS

### District Supervisor Unable To Get Competent Men For Price Paid

The Census, supposed to begin here on January 2, has been delayed owing to the inability of the Supervisor of the Census for the Eighteenth District of Texas to secure men to do this work in this county. Under date of January 10, James H. Caperton, of Shamrock, Texas, supervisor for this district, writes the Chamber of Commerce as follows:

"The matter of Census Enumeration work has been greatly retarded in this 18th District, owing to my inability to secure the number of enumerators I need in your county as well as various other Counties and as a correct census is of vital importance to your people by way of advertising what you are doing, and what you expect to do, what your county will produce, etc., I am sure you are willing to assist me in securing the enumerators I shall need.

"The Director of Census informs me that the Census of this District must be taken and I fully realize that it going to be taken and now it is up to us to do our part, and for that reason I am asking your help.

"Recent advice from the Director now enables me to offer as compensation for the work done by enumerators in your County, the sum of \$6.00 per diem for eight hours work, as well as \$2.00 per diem for subsistence, and this information I wish you would give to the people of your county, also tell them that the work should have been started January 2, 1920, but in order to enumerate every person in your county we shall arrange to have the time extended and the work in the various parts of your district will be started just as soon as I am able to secure the enumerators and can furnish them with the necessary supplies for the enumeration work.

"In your county I still have the following unassigned enumeration districts, for which I must have enumerators, to-wit:

"E. D. 52, Justice Precinct 1, excluding Hereford, city. E. D. 53, Hereford city. E. D. 54, Justice Precinct 2, 3, and 4. (to be enumerated by one person)

"Now I have had two good men to take the examination for appointment as census enumerator but when they were notified they both declined to accept.

"The enumerator who will do the work in the city of Hereford will enumerate on the per capita plan, receiving for his services the sum of 4c per head for each person enumerated, 10c for each barn containing live stock not on farms and 30c each for each farm listed.

"Now I feel sure that you are interested in the welfare of your particular part of the county and for that reason will assist me in securing the required number of enumerators.

"Thanking you for whatever assistance you may be able to render me in this matter, I am,

"Efforts are being made to secure suitable men for this important work.

## Many Problems Confronting Citizens Need Attention of Organization

Last Monday a few business men of Hereford met at lunch at the Stockmen's Cafe and discussed matters for the general good of Hereford and this vicinity. It was the unanimous opinion of all those present that the time was ripe for a reorganization of the Chamber of Commerce as the proper method of handling many public problems now facing the community and to put Deaf Smith in the front rank of Texas counties as a pushing and progressive business center, for the farmer, for the stockman and for the business man.

After discussion it was decided to hold a banquet on the last Friday night in January, which falls on the thirtieth of the month, and effect the reorganization. D. L. McDonald was empowered to appoint a committee to arrange the details and work up the meeting.

Those present Monday were D. L. McDonald, presiding, Geo. L. Muse, Henry Wilkinson, G. A. F. Parker, E. W. Harrison, L. F. Borden, Carl Gilliland and a representative of The Brand.

A great many questions affecting the future of Hereford and Deaf Smith county were threshed out, among them the taking of the Census and the needs for a hotel and post-office.

The best method of securing a modern hotel came in for a great deal of talk. It seemed that nearly all present were impressed with a plan offered by Mr. Muse. In short, he detailed how the Nueces Hotel of Corpus Christi had been promoted by an issue of stock. The committee in charge went to the tax rolls, figured out each property owner's fair prorate of the amount needed, and then asked these property owners to take stock to that amount. About ninety per cent of these owners cheerfully complied and the hotel was built. Afterwards the management of the hotel offered to buy this stock at fifty cents on the dollar, and many of the subscribers availed themselves of the offer.

Chairman McDonald has not announced the personnel of the committee to handle the banquet on January 30, but will doubtless do so shortly. The year 1920 offers opportunities to the residents of this section that have not been offered in five years past, and the progressive people of this community cannot afford to stand still and let opportunity after opportunity get by them, in the opinion of the business men who met last Monday.

These gentlemen urge that the entire community get behind this movement for a bigger and better Hereford and a populous and thriving Deaf Smith county, come to the banquet January 30, cooperate to the limit of each man's ability, and help go over the top.

## A. W. GREGG TAKES FOUR MONTH LAYOFF

A. W. Gregg returned to his home in Hereford on January 8, after an absence of an even four months in Ohio and Indiana, where he visited relatives and old friends and acquaintances.

In St. Louis Mr. Gregg carried long enough to hear a political speech by Senator Hiram Johnson, of California, and from there he spent short periods in Cincinnati, Wilmington, Columbus and Van Wert, Ohio, and Pennsylvania and Ft. Wayne, Ind. A big family reunion, with 25 present, assembled to meet him in Pennsylvania. After a month here picking apples and making cider Mr. Gregg journeyed on to Indianapolis, Ind. At Richmond he attended the preliminary conference of the Quakers, who had been appointed by Herbert Hoover to look after the destitute children of Europe. There were four delegates from England at this conference. At Pennsylvania he took in a Lyceum address by Dr. Russell Cornwell, who delivered his famous lecture, "Acres of Diamonds." All in all, Mr. Gregg had one of the most delightful vacations of his career, but expressed his delight at being home with his son and daughters once more.

## NEBRASKA MAN HERE SIZES UP PROSPECT

R. W. Nelson, a general merchant of Pawnee City, Nebr., arrived in Hereford last Tuesday for a visit of inspection to some property he owns near the proposed Stubbs oil well northwest of town, and to study our general condition with an eye to the future.

Mr. Nelson stated that it was hard to understand how people with money to invest in farm lands were overlooking our good land that could be bought at so low a price, and was generally enthusiastic over the future prospects of the Plains section. While here Mr. Nelson subscribed for The Brand.

### THE LEAGUE

The peace treaty is in effect between Germany and the leading powers of the world—with the exception of the United States. Ratifications were exchanged in Paris at 4:15 o'clock Saturday afternoon. The League of Nations will be brought into being next Friday morning, when the first meeting of the council of the league will be held. It will begin the momentous business of restoring international intercourse legally, with the United States absent. The American hemisphere will be represented in the council by a Latin American republic—Brazil.

Just what this will mean in a practical way remains to be seen. There is very little likelihood of anything inimical to American interests happening for the present, in any event. The rehabilitation of Europe depends too much upon the co-operation of the United States for anything of that sort to happen, but that we should have had a voice in the proceedings from the first goes without saying. The situation is unique. Nothing of the kind has ever existed before, so there are no precedents to follow. It is essential, however, that some sort of relation shall exist between the United States and the League of Nations and it is probable that the means by which this shall be attained will be improvised as occasion arises by consultation between the officials of the league and the President of the United States. The League of Nations comes within the radius of our foreign relations and in the very nature of things there must be intercourse between us and that body. But until the Senate has ratified the treaty we shall deal with it as an outsider.

It is our relations with Germany, however, that will be more difficult. Legally we are still at war with Germany. Great Britain, France, Italy, Japan and most of the other powers of the world are now legally at peace with that country and will re-establish relations with her at once. Such relations as we shall maintain will be by mutual consent and by the consent of the League of Nations. But we shall have no duly accredited ambassador or consuls in Germany, and Germany

will have none in the United States. Between Germany and these other nations, however, there will be an exchange of diplomatic representatives. To change this situation the United States must either ratify the Treaty of Versailles or make a separate peace with Germany.—Fort Worth Star Telegram.

### POLITICAL CALENDAR

In sending delegates to their respective national conventions, to nominate candidates for President and Vice President, all political parties in this State are subject uniformly to the same law. They are permitted and required to choose these delegates through a convention system. Aside from this requirement, the law simply fixes the dates upon which the respective conventions shall be held. These are set forth below.

The law discriminates in its requirements of the parties as concerns nominations for State, district, county and precinct offices. The Democratic party, being a party of more than 100,000 votes at the last preceding general election, is required to nominate through the primary election system. The Republican party, as a party whose voting strength is more than 10,000 but less than 100,000, may nominate by either the primary election system or the convention system, but is required to elect in advance which it shall employ, and the dates upon which its conventions shall be held are fixed by law. Smaller parties are free both as to method and time, except that parties having no State organization may nominate candidates for district, county and precinct offices by either primary election or conventions, the dates for such elections or conventions being fixed by law.

Jan. 31.—Last day for payment of poll taxes or procurement of certificates of exemption.

Feb. 9.—At February term Commissioner's Courts shall appoint judges of elections.

March 10.—On or before this day each County Tax Collector shall make statement to County Clerk showing number of poll tax receipts issued, and to whom, in each precinct.

April 1.—On or before this day each County Collector shall furnish to the County Election Board (composed of County Judge, County Clerk and Sheriff) certified lists of citizens of each precinct who have paid poll taxes or obtained exemption certificates prior to Feb. 1.

May 1.—Looking to the nominations of candidates for President and Vice President, all parties shall hold precinct conventions on this day, sending delegates to county conventions.

**SUMMERFIELD**

The beautiful blanket of white still covers all parts of the earth's surface in this part of the country. Some places the drifts are bad and some roads are impassable. Cattle are huddled in bunches awaiting their feed, which is very plentiful this year. Farmers and Stockmen alike are optimistic for this snow is grand for the wheat and also for the range for early spring.

School work at Summerfield is again in full progress. Miss Kenney is again able to assume charge of the Grammar grade after an absence of five weeks on account of illness. Miss Slaton is also at her post of duty, after enjoying a vacation of two weeks with home folks.

Edgar, Norman and Esther Rice have returned to Kingfisher, Oklahoma, to continue their work there in The Kingfisher Presbyterian College. Both Edgar and Norman are taking a Theological course.

The class in Home Hygiene and Nursing under the instruction of Miss Lulu Bender of Hereford, is progressing nicely or was until the storm came. Two meeting days have been missed, but the class will be reassembled as soon as the weather permits.

Moving and relocating among some of our neighbors is the order of the day. Mr. Botsford and family have moved to the Monroe place south of Summerfield. Mr. Story who has occupied this place formerly will move his family to California. W. H. Platte has moved to La Mesa and Harold Alberts takes charge of the N. C. Vogele place where he lived.

The patrons of telephone line No. 304 called a meeting recently at the Lance home and decided to make very necessary repairs on that line.

Mrs. Ashley and daughter, mother and sister of Mrs. Guy Ham, returned to their home in Oklaunion last Saturday, after spending the holidays here.

Mrs. B. C. Roberson was on the sick list a few days last week.

The Jacobs family, of Hereford, are moving onto the place recently vacated by Mr. Botsford. Roy Botsford has moved onto the Elliston place, east of the Wyche school house.

**PARMER COUNTY**

**FRIONA NEWS**

Emil Clein has moved from town to the Hanson farm adjoining Friona, now owned by A. O. Drake.

While repairing a windmill at the Friona Hotel Saturday morning, Logan Symson had the misfortune to have the forefinger of his right hand mashed off by the gearing of the mill.

Rev. Willman departed last Monday for Pasadena, California, to be gone two weeks in the hope of regaining his health and strength.

The enterprise of our merchants and other business men is expressed by the beautiful advertising calendars they are handing out to their patrons. R. H. Kingsley, Santa Fe Grain Co., D. W. Sutton and M. A. Crum & Co. have each adopted the calendar form of advertising for this year.

Activities in the oil field have been at a standstill since the snow storm of last week, but as soon as weather conditions will permit it is expected the work will be continued with increased vigor so that all will be in readiness for the big drill in the very near future.

F. W. Reeve returned Saturday from Kansas City, where he had been with a shipment of cattle. His cows weighed out well considering the long ride and the severe weather and brought practically the top price.

**BOVINA**

Homer and Hez Martin and Mrs. J. C. Denney were summoned to Poolville last week to the bedside of their father, who was ill. A message states that he died before they reached there. We extend sympathy to these, our friends, in this sad hour.

Tom Boswell has been sick for a few days recently.

The little boys who were burned here recently, are doing as nicely as could be expected at this time. If they continue to improve, they will be out of danger in a few days.

B. G. Shelby was a passenger to points north Tuesday.

J. W. Lovelady has returned from Panhandle.

Mr. Sumner and family of Ralls, have moved here and will work the Clinkscales farm south from town, and will move there as soon as a house can be built on the property. At present they are living in the home recently vacated by O. J. McLean.

Mrs. B. Y. Dickinson and little son, James, were Hereford shoppers last week.

F. L. Spring and D. M. Davis were Texico visitors last Saturday.

**Death of Mrs. McCampbell**

The many local friends of Mrs. H. B. Stephens, of Amarillo, will be sorry to learn that her mother, Mrs. J. M. McCampbell, died at her home in Rothville, Mo., Wednesday, January 14. Mrs. McCampbell had been in bad health for several months, although

her death was rather sudden. In addition to Mrs. Stephens, she is survived by another daughter, Miss Pearl McCampbell.

Mrs. Tubb, since Christmas, has taken several new pupils in Expression, but finds that she does not have time for them, especially since Miss Brady, who has been helping her is soon to leave for the Redpath-Horner School of Expression. Mrs. Tubb wishes to express her regret to the parents of these pupils and to say further that no charges for the few lessons will be made.

Owing to the bad weather several of the announced plays have been given up. However, on Saturday afternoon, January 24, Mrs. Tubb's pupils will put on the play, "The Midnight Courtship."

Miss Dene Dunlap entertained a few of her friends last Saturday evening. A pleasant evening was spent, part of the time being spent in making candy. After the candy making was finished, various games were enjoyed. Delicious fruit cake and hot chocolate was served during the evening.

Those to enjoy the occasion were Misses Olive Wilson, Sena Mae and

Matile Mounts, Hazel McQueen, Vivienne Steckman, Catherine Wilson, and Clara Dunlap, Messrs. Ho Chamness, Oden Weems, Paul Jowell, John A. Johnson, Jack Mounts, W. C. Pitman and Homer Wilson.

**HEREFORD CROWD IS WELL ENTERTAINED**

A party of seventeen Herefordites were most royally entertained in Amarillo on Friday of last week by former residents of this place and other Amarillo citizens. The Hereford party consisted of Mr. and Mrs. John McLean, Mr. and Mrs. A. L. Gibson, Mr. and Mrs. Albert Herbst, Mr. and Mrs. C. C. Ferguson, Mr. and Mrs. J. S. Warner, Mr. and Mrs. Hodges, Mrs. Geo. Garrison and her sister, Mrs. Watkins of Chicago, Mrs. H. H. Hawkins and daughter, Miss Kathleen, and Mrs. Chas. Donald.

The Amarillo hostesses were Mesdames R. C. Neely, B. S. Arnold, W. T. Stanberry, Chas. Woflin, F. S. Newbold, Henry Tandy, R. S. Thompson and H. B. Stephens, and the affair took place at the Neely residence. A Buffet Luncheon was served, after which bridge was played for a time, following which the ladies of Amarillo without number called and paid their respects. After dinner dancing was afforded those who cared for it.

The occasion was a most delightful one, and the Hereford guests returned home loud in their praise of the hospitality and entertainment accorded them.

**High School News**

On account of the great snow storm, the attendance hasn't been very good the last few days.

Mr. Rex Harris, a member of the Senior Class, left Monday to enlist in the U. S. Navy.

Don't forget to go to the Lyceum Thursday night at 7 o'clock.

The chief sport at school now is snow balling. The "Champion-snow-baller" has not been decided on yet.

The Seniors, with the help of Miss McClurkin, have started on their final play.

The H. S. building is now being wired, and to celebrate the occasion the Seniors are planning to give a class social.

Miss Goodwine, with the help of the M. T. boys, has made shelves for the study hall in which all of the Library books will be placed. This will give the pupils a better chance to use them.

The following program will be rendered by the Seniors, Friday morning, Jan. 16, at 9:30 o'clock:

H. H. S. Journal—Bruce Guthrie—Editor in Chief.

Vocal Solo—Halcyon Donner.

The Umbrella Menders—Leland Gilbreath and Frank McMin.

Reading—Viola Gischler.

Class Prophecy—Forrest Randall.

Reading—Jewell Gilbreath.

The Constitution of the United States requires that a census of the United States be taken every ten years. It is by this means that the apportionment of members of the House of Representatives is made as to states.

Cakes, cookies and bread should be cooled after baking and before being placed in other receptacles. The tin box or earthenware jars in which they are kept should be thoroughly scalded and aired. Every three days in damp, hot weather is none too often. Portions of a former baking should never be stored with a new batch.

Wednesday and Thursday, January 21 and 22: Pauline Frederick in "Out of the Shadow" and a good comedy.

Friday night and Saturday Matinee, January 23 and 24: Pearl White in "The Black Secret" Episode No. 5 and Baby Marie Osborne in "Mildred of the Beanstalk."

Saturday night, January 24: Charles Ray in "Greased Lightning" and extraordinary photoplay. "The Miracle Man is coming!"

**Red Cross Will Spend \$30,000,000**

WASHINGTON, Jan. 12.—The American Red Cross will spend \$30,000,000 this year.

Out of a fund of that amount available for the two year's work \$15,000,000 has been aside for European relief, \$13,750,000 for use at home and \$1,250,000 for completing its program in Siberia.

In making public plans for the carrying forward of the Red Cross peace-time activities, Dr. Livingston Farrand head of the Red Cross, declared that a considerable reserve must be held for emergency calls such as "such possible events as the opening of Russia to intercourse with the United States."

With appeals infinitely beyond Red Cross resources and unable to count on additions to its total fund during the year, the Executive committee, he said, found it "wise and necessary to consider the application of its funds so that the soundest sense of proportion might prevail."

**RENEWED TESTIMONY**

No one in Hereford who suffers backache, headaches, or distressing urinary ills can afford to ignore this Hereford woman's twice-told story. It is confirmed testimony that no Hereford resident can doubt.

Mrs. W. G. Ross, 215 W. 3rd St., Hereford, says: "I used Doan's Kidney Pills a couple of years ago, which I got at Burns' Drug Store, and from the results I had I know they are a good remedy. I gladly advise anyone to try them if bothered with weak or disordered kidneys." (Statement given November 15, 1915.)

On May 2, 1919, Mrs. Ross said: "I have used Doan's Kidney Pills occasionally since I recommended them before. They have never failed to give perfect results, therefore my faith in them has increased." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ross had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or diast the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

The average weight per measured bushel of the oat crop of 1919 is 31.1 pounds, or nearly 1 pound below the standard of 32 pounds. No year since 1908 has had a lower weight.

The average price of all leading crops on November 1 was 3.7 per cent higher than a year ago and 69.1 per cent higher than the average for the five preceding years. The average production is about 0.7 per cent lower than last year's aggregate production and 1.6 per cent higher than the average preceding five years (1913-1917).

### THAT CENSUS

Began January 2. Every loyal citizen should assist the enumerators and aid in placing our county on the Map.

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter... suffered terribly. She could not turn in bed... the doctors gave her up, and we brought her home to die. She had suffered so much at... time. Having heard of Cardui, we got it for her."

## CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at... Cardui cured her, and we sing its praises everywhere." We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. E-71

This is the beginning of the fourth year that we have been selling this machine and the results obtained we think fully justify our enthusiasm in pushing the Clarinda's claims as being the best washing machine sold anywhere for less than \$125.00. There is no advertising expense by the manufacturers which has to be put on to the price of the Machine, as most washers, and hence you get the machine for less.

We are having some delay in getting deliveries, but you can file your order and we will serve you as promptly as possible.

## Weak Links In A Strong Chain

That's just what imitation parts are when they become a part of your Ford car. They look strong enough, but the metal isn't there—the strong, durable Vanadium steel that goes into the Ford chassis and every Ford part. Ford parts are specially cast and heat-treated, each according to its use. Some require a hard, flint-like wearing surface, others need resiliency, and some need just "toughness."

Ford metallurgists have been studying these problems for sixteen years and know just how each unit should be made to endure a maximum of wear and tear. They know that best results can be obtained only by the use of special formulas for different parts, and that honest Ford parts wear from thirty-five to one hundred per cent longer than counterfeits.

We carry complete assortments of genuine Ford parts for both passenger cars and trucks. And our garage is equipped to give careful, prompt Ford service—from minor adjustments to complete overhauls. Drive in it's better to be safe than sorry. Come to the Authorized Ford dealer for service.

Fine Big Story in Paramount-Artcraft Picture Will Grip Audience

Published originally as a novel in Munsey's magazine, written by Frank L. Packard and later dramatized by George M. Cohan and presented with phenomenal success on Broadway, the Paramount-Artcraft picture, "The Miracle Man," comes to the STAR Theatre on next Wednesday and Thursday, Jan. 28th and 29th. As a motion picture this absorbing story has been hailed by the critics as one of the finest productions ever seen on the screen. With scenes laid in the haunts of criminals in New York's Chinatown, in a little village on the side of a giant mountain and on the shore of a roaring ocean, the opportunity for wonderful photographic effects has been realized to the limit. But the chief interest is in the striking story, which centers about the venerable figure of an old patriarch, who is credited with the power to heal the sick and make crippled limbs whole again. To him come Tom Burke and his band of crooks from New York's Chinatown with the idea of cashing in on his powers. But it doesn't work out as they calculated, for hidden away in each of them is a leaven of good, which slowly comes to the surface under the influence of their wholesome environment. In a most marvelous way the criminals are reclaimed from the paths of crime. A cast of unusual ability enacts the important roles in the picture, headed by Thomas Meighan, a well known leading man, and including Elinor Fair, Betty Compson, Joseph J. Dowling, Lon Chaney, W. Lawson Butt, J. M. Dumont, Lucille Hutton, and F. A. Turner.

**HELPING YOU FIGURE YOUR INCOME TAX**

Austin, Texas, Jan. 12.—The following information relating to an individual's liability in making income tax reports and paying the tax is issued by the Collector of Internal Revenue for the District of Texas.

All married persons whose net income during the year 1919 equals or exceeds \$2,000.00 and all single persons whose net income equals or exceeds \$1,000.00, are required to make an income tax report. If you were married or head of a family on the 31st day of December 1919, you are entitled to an exemption of \$2,000.00; if single and not head of a family you are entitled to an exemption of only \$1,000.00. Persons are also entitled to a further credit, whether single, married or at the head of a family, of \$200.00 for each person (other than husband or wife) dependent upon and receiving his or her chief support from them during the year, if such person is under 18 years of age or is incapable of self support by reason of mental or physical disability.

The normal income tax is at the rate of 4 per cent upon the first \$4,000.00 of the net income in excess of the credits allowed, and 8 per cent upon an excess of that amount. A person receiving a net income in excess of \$5,000.00 is also liable to a surtax of 1 per cent upon income from \$5,000.00 to \$6,000.00; 2 per cent from \$6,000.00 to \$8,000.00; 3 per cent from \$8,000.00 to \$10,000.00, etc.

All amounts received from the sale of crops, dairy products, eggs, fruit, live stock products, live stock whether raised on the farm or not, and all other farm products, and all amounts received for board of persons, board and pasturage of animals, labor of men and teams, hire or use of machinery, and all other earnings arising from farming operations must be reported in the tax return.

These are some of the deductions allowed from the gross income in arriving at the net income: Taxes paid or accrued during the taxable year, except Federal income, war profits, and excess taxes, and taxes assessed against local benefits of a kind tending to increase the value of the property assessed; interest paid or accrued within the taxable year; losses sustained during the year and not covered by insurance. A reasonable allowance for obsolescence; contributions not in excess of 15 per cent of net income to religious, charitable, scientific or educational institutions. Amounts paid for labor during the calendar year covered by report in preparing land for a crop, cultivating, harvesting and marketing of the crop; cost of feed and fertilizer used; amounts expended for labor in caring for the live stock; amounts paid for feed during the year covered by report; repairs for farm buildings (not dwelling), fences, farm machinery, etc; cost of farm tools which are used up in the course of a year or so; and the amount paid for the rent of a farm, are classed as necessary expenses and are deductible from the gross income.

These items are not deductible from the gross income: Personal living and family expenses, any amount paid out for buildings or for permanent improvements made to increase the value of the property; amounts expended in restoring property or in making good the exhaustion thereof for which allowance is or has been made.

Income tax returns must be made out and filed with the Collector of Internal Revenue, Austin, Texas, not later than March 15th, 1920 for the income during the year 1919, and the entire amount of the tax may be paid at that time or in four installments; one fourth on March 15th, one fourth June 15th; one fourth

Charlie Chaplin in "Sunnyside" and Anita Stewart in "Mind the Paint Girl" will be at the Star Theatre next Monday and Tuesday, January 19th and 20th. Be sure and see them.

September 15th, and one fourth on December 15th.

Income tax blanks will be mailed, without application, to all persons who filed an income tax return for the year 1918, and all other persons, who under the provisions of the law should make a return should apply to the Collector of Internal Revenue, Austin, Texas, for blanks after the 20th of January, 1920.

Persons who fail to make out income tax returns as provided by law are liable to a fine of not more than \$10,000.00 or imprisonment not to exceed 12 months, or both, in addition to other penalties.

**BOYS BREAK INTO CAR OF JOY-JUICE**

Two men were arrested at Tucumcari, New Mexico, last week for breaking into a car of alcohol, and removing five or six gallons of this most excellent "nose paint."

"Since the arrest of these two men," says the Tucumcari Sun, "it has been learned that the offending car of joy-juice had been standing in the local yard for about three weeks, on account of the Rock Island's inability to move it to its eastern destination. These boys evidently concluded that the shipment was destined to stay here until it soured, and decided that it would be an act of brotherly kindness to assist the railroad in its removal. And no doubt this charitable act on their part would have found many ardent and active supporters among our thirsty population had the close proximity of the car been generally known."

**Former Plainview Boy Killed in Gun Fight With El Paso Officer**

R. H. (Dick) Crie, formerly of Plainview, was shot thru the heart and killed in a gun fight with an El Paso constable Friday night, January 2. Following is an account of the tragedy as given in the El Paso Herald:

Death claimed Sam Stepp, 33 years old, constable of the Smelter precinct, who was shot by R. H. Crie, a soldier of the 19th infantry. The constable died at 7 o'clock Friday night at Providence hospital.

The shots which caused constable Stepp's death, were fired shortly after 11 o'clock Friday night when he and W. H. Cain, special officer for the smelter, attempted to arrest Crie and George Caddy, another soldier, identified by J. E. Edison, 2831 Aurora street, a railroad man, as the two soldiers who held him up.

"After constable Stepp was shot twice in the abdomen and once in the right wrist, he fired at

Crie, shooting him through the heart. Crie died before he reached the hospital."

**Man and Wild Cat Fight**

The Panhandle Herald says: "Sheriff W. S. Christian has been snow bound in Panhandle for the past two days and among recent exciting happenings over in Hutchinson, according to the sheriff, was a recent fight between Uncle Jimmie Pritchard and a wild cat caught in one of Mr. Pritchard's traps which had been set for coyotes down on the river.

"The evidence, as gathered by the sheriff is, that when Mr. Pritchard discovered he had a wild cat in his trap, he drew his hatchet and started for the cat and the cat started for him, breaking the chain and landing right on top of Mr. Pritchard, and for a minute the fight was fierce, but a final blow with the hatchet put Mr. cat out of the ring and when Mr. Pritchard's friends found him a few hours later he was still singing, "What Makes a Wild Cat Wild!"

**TEXICO HAS TRANSPORTATION COMPANY**

A transportation and power company has been organized at Texico for the purpose of giving the isolated communities, north and south of Texico, a passenger and freight service.

The company began operations last week with ten Master trucks. The route for the present, will be to Lovington to the south and to Grady north. Later on more trucks will be put on, and more territory will be taken in. Enough business has already been secured to keep ten trucks busy all winter. They are so built that grain of all kinds and all farm products as well as coal can and will be transported.

**A PICTURE THAT THRILLS**

**"The Miracle Man" Absorbing and Highly Dramatic**

A motion picture that will thrill audiences wherever it is shown, not only because of its absorbing story, but because of its powerful heart appeal, is "The Miracle Man," a new Paramount/Arctcraft feature, which has been booked at the Star Theatre for next Wednesday and Thursday, January 28th and 29th. The story deals with a notorious band of crooks operating in New York's Chinatown, who learn of an ancient patriarch living out in the country and possessing the power to heal the sick and make whole the crippled.

With the idea of making money out of his operations, Tom Burke and his pals go to the deaf and dumb healer. Then commences a transformation in these crooks, that makes one of the most fascinating stories of all time. The chief roles are finely interpreted by Thomas Meighan, Elinor Fair, Betty Compton, and others of similar calibre.

The Bureau of the Census is a part of the Department of Commerce. It was established as a permanent Bureau in 1920. Prior to that time the census work was done by a temporary organization known as the Census Office.

As an incentive to get the women of Dallas to pay their poll tax, some of the leading suffragettes established downtown quarters in which they offered to care for children while the mother went to pay her tax. So far they have had no customers.

"The Roaring Road" in which Wallace Reid is starred which will be on the program at the Star Theatre Saturday night is taken from the popular Saturday Evening Post story by Bronn Morgan. The story is quite out of the ordinary, and combines a lot of suspense and excitement with a pleasing love story and some mighty fine comedy. And there are two automobile races in the picture which will make you grip the chair arms and hold your breath. It's the kind of a picture that makes you forget your every day worries and enjoy an evening's entertainment. You can feel sure of seeing a good show on Saturday nights at the Star Theatre. Be sure and go!

You Do More Work,  
You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.

## THRIFT DAY--- January 17

Our government has designated January 17th as Thrift day.

When we were at war we realized that the life of the nation depended upon the thrift of the people.

You cannot eat your cake and have it too. Only people who save can help themselves or anyone else.

The great financier James J. Hill said: "Are you able to save money? If not, drop out. You will fail as sure as you live. The seed of success is not in you."
