Some one has said that cooperation is an antidote for failure; and the person who does not cooperate, stands in the way of progress.

It may be interesting to know why bees make their cells six sided., Science tells us that cells with any other number of sides than six will not fit together so well. Hexagonal cells fit without leaving waste space between them. It is said that no engineer can improve on the plan of construction. The wonderful fragile honeycomb can suspend thirty times its own weight.

General Pershing is now the only ofcer with the full rank of General: All other "generals" have the lesser rank of Major General or Brigadier General.

School children saved more than five million dollars during the last school year by depositing their money in school savings banks, according to the report made by the American Bankers

Association at their Convention held in New York City recently.

A knowledge of the Bible is an essen-tial element in a good education.

Whether or not one is interested in the Whether or not one is interested in the Bible as a manual of devotion, it is im-perative that he should be familiar with it as literature and history, for no literature and no history have more stally affected Apple-Saxon civilizavitally affected Augio-Saxon civiliza-tion. English literature has been tion. English Rerature has been greatly influenced by Biblical style, and is strewn with alusions to Bible stories and teachings. We learn that Shakespeare is said to have over seven hundred such alusions; Tennyson, over four hundred. As Charles Dudley Warner put it: "The Bible is the one book that no intelligent person can afford to be ignorant of ford to be ignorant of.

Manel: "Harold, are you and Oscar oming to my party together? Yes, if we don't come 'apart' "

The following pupils in Mrs. Parker's Oth grade division made 100 in spelling the entire month of September: Hazel Kvinlaugh, Maggie Lee Roberts, Nannie Walton, Louise Roberts, Charles Newell, Wilson Forister, Jack Miller, Wilbert Carrol.

Those making 100 percent in Mrs. Black's 5th grade division for the a black or deep brown color, and somethen makes a powerful spring upon it, month of October, are: Alton Miller, times extends to the lower surface of which is most successful. Its sound management, its progressive methods, and its strict adherence to sound banking principles, are some of the reasons you should make this bank your bank.

First National Bank

Since the doors opened this bank has stood for the best in financial matters. Its exceptional strength -its fair dealing with its patrons, and its attitude toward the public, have been large factors in its growth.

Use Our Elevator

If you desire to hold your grain for higher prices, we will store, insure and hold your grain for le per bushel per month, or fraction thereof.

If you wish it loaded out, we charge 5e per cwt. extra, and 5c per cwt, for grinding.

For kafir we charge 5c per cwt. for grinding where we exchange.

For special grinding corn, or kafir, we charge 10c for grinding, and 25c for grinding oats.

Let us serve you.

E. W. HARRISON

One of Interest to Our Readers Good news bears repeating, and when t is confirmed after a long lapse of ime, even if we hesitafed to believe it at first hearing, we feel secure in accepting its truth now. The following xperience of a Hereford woman is con-

rmed after four years. Mrs. W. G. Boss, 310 W. 3rd St Hereford, says: "I used Doan's Kidney Pills which I got at Burns Drug Store and from the results I had they are a good remedy. I gladly advise anyone to try them if bothered with weak or disordered kidneys."

FOUR YEARS LATER, Mrs. Bo said: "I have used Doan's Kidney Pills occasionally since L recommended them They have never failed to give perfect results, therefore, my faith in

Price 60c, at all dealers. Don't simply ask for a kidney temedy—get Donn's Kidney Pills—the same that Mrs. Ross had Foster-Milburn Co., Mfrs., Buffalo, N. Y.

In The Stove Line?

The winter months are approaching. Just remember, the **Old Standard Round Oak** makes you proud to own one, and saves you Goal. We have something new on display in the Range line. Would be very glad to have you look our line over.

What Makes CLINKERS?

When dirt gets into coal the glass in the dirt melts and runs down into the ashes and when it cools it forms clinkers. Any coal will clinker if dirt gets into it—hence the importance of keeping it out. We store our coal in a good house with concrete floors. Try our Sunnyside Colorado Lump. You will like it.

We have it on hand. Phone 388.
