P. Slaton is plaintiff and Rowland Sydney Goward and Charles Henry Spencer, Executors and Trustees under the will of William Henry Bates, deceased, and Gertrude Emma Bates, William Reginald Bates, Elsie Lillian Bates, Rowland Sydney Goward, Kathleen Mary Augusta Goward, Gladys Mary Goward, heirs and legatees of William Henry Bates, deceased, and Arthur Hammond Marshall and Francis Denham Marshall, Administrators of the estate of Arthur Marshall, deceased, and the unknown administrators and legal representatives of the estate of Arthur Marshall, deceased, and Arthur Hammond Marshall and Francis Denham Marshall, and all the heirs and unknown heirs of Arthur Marshall, deceased, are defendants. The cause of action in said suit being briefly stated as follows, to wit:

Plaintiff brings suit to quiet title in himself and to remove clouds from said title, which he alleges to exist, by virtue of certain claims which defendants are asserting to an interest in and to certain lands lying and being situated in Deaf Smith County, Texas, and being more particularly described as all of Section No. 29, Certificate No. 66, Abstract No. 316 in Block K-8, containing 640 acres of land, more or less, patented to Arthur Marshall by Patent No. 89, Volume 35. All of Section No. 31, Certificate No. 13-2660, Abstract No. 246 in Block K-8, containing 640 acres of land, more or less, patented to Arthur Marshall by Patent No. 16, Volume 43. All of Section No. 49, Certificate No. 13-2672, Abstract No. 244 in

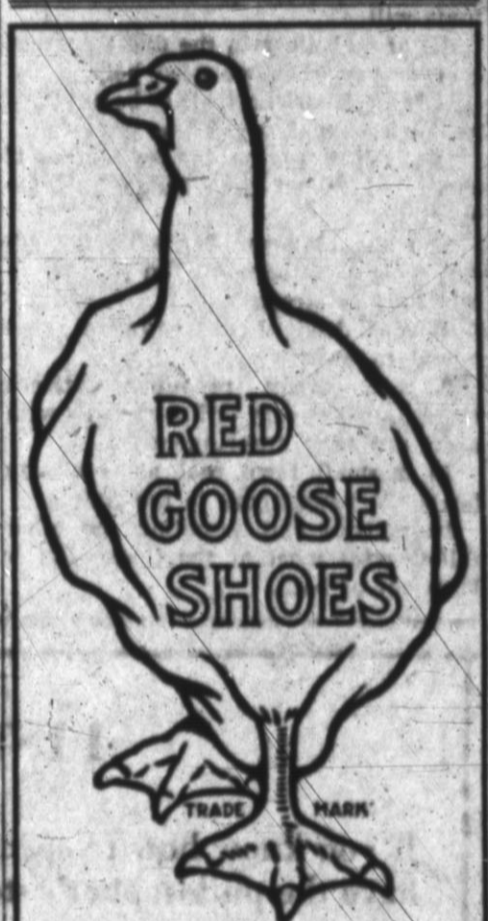

Block K-8, containing 640 acres of land, more or less, patented to Arthur Marshall by Patent No. 17, Volume 43. All of Section No. 51, Certificate No. 13-2674, Abstract No. 245 in Block K-8, containing 640 acres of land, more or less, patented to Arthur Marshall by Patent No. 18, Volume 43.

Plaintiff alleges that he is the owner of a fee simple title in and to all of said lands by virtue of a regular chain of title as pleaded, from the sovereignty of the soil and by virtue also of the three, five, ten and twenty five years limitations under the Statutes of Texas. Plaintiff prays for judgment quieting title in himself and removing all clouds from the title to all of said lands created and existing by reason of said claims of defendants, and for a writ of possession, and for general and special relief.

You are further commanded that you serve this citation by publishing the same once in each week for four successive weeks previous to the return day hereof, in a newspaper published in your county, but if no newspaper is published in said county, then in the nearest county where a newspaper is published.

Herein fail not, but have you before this court on the first day of the next term thereof, this writ with your return thereon showing how you have executed the same.
