62ND YEAR — NO. 37

WATER AND SEWER LINE expansion are a result of the rapid growth by the City of Hereford during the past eight months. With 182 acres of residential area and an all-time high record in construction, expansion of utility lines has created a problem. Since Sept. 1, residents have requested 94 new water connections. Of the total, 64 requests were made Monday. (Staff Photo)

Hereford's Rapid Growth Creates Problems For City

Hereford's rapid growth from a small progressive town to a rapidly growing small city is creating problems as both the population and area of the city expand.

Around Town

Topic of conversation around town this week remains the mushrooming population increase, with school authorities reporting a record 3,465 students enrolled by late Tuesday. This is 381 students more than the enrollment for the same period last year, and does not include the enrollment at St. Anthony's and St. Joseph's Parochial Schools.

Meanwhile, crops throughout the area are generally looking good with a few loads of milk already trickling into local elevators. Most milk will be cut after frost, however, according to local farmers.

The Hereford Grain Corporation annual meeting will be held Saturday, September 14 at the Community Center. Time for the meeting will be 2:30 p.m.

Jack Tompkins, KFDD-TV Farm Director will be present to make a short talk on agricultural problems, according to Curtis O. Bosch, manager of the firm.

Mrs. George Reed of Las Cruces, N. Mex. writes concerning a cat the family lost while traveling through the area. Mrs. Reed states that the cat slipped out of the car during a rest stop between Hereford and Dawn July 27th. He is (Continued on page 6)

One of the major problems created by expansion is in both the water and sewer departments of the city. During the past eight months, costs of laying new lines has far exceeded the amount set aside in the 1962-63 budget.

Despite predictions, both the building boom, which has already set a new all-time high record, and population of the city continue to grow.

The problem created by rapid growth of the city was pointed out Monday by Dudley Bayne, city manager, as he reported requests for 64 new water taps during the day.

For the first nine days of the month, he added, a total of 94 new taps have been requested.

"These are not run-ins to get taps under the low rate," he commented, "Building permits have been taken out on all building projects where taps are to be installed."

Bayne pointed out that city water department crews are behind in the installation of taps with 21 additional installations left over from August.

"This certainly presents a problem to the department," the city manager said. "At present crews are working until dark trying to catch up on the backlog of work."

Burglars Take Merchandise At Implement Firm

A break-in at B&B Oliver Co., located south of Hereford on U. S. 385 resulted in the loss of merchandise valued "at well over \$50," according to Deaf Smith County Sheriff's Office.

According to an offense report, the burglary occurred sometime Saturday night. Investigation of the farm implement firm revealed that the burglars had climbed a fence at the rear of the building. They gained entry by breaking out a (Continued on page 6)

According to city records, the number of taps either installed or requested during the first eight months of the year has far exceeded the number installed during any year since 1955.

During the first nine days of September, water taps requests were greater than the number of taps made during the years 1957-61.

Total requests on Monday also exceeded connections made during 1957 and 1959.

The extent of the city's growth is also pointed out by city records reflecting total construction and the number of acres annexed into Hereford (Continued on page 6)

Hereford Whitefaces Collide With Canyon Eagles Friday

Hereford Whitefaces collided with the Canyon Eagles for the second home game of the 1963 football season at 8 p.m. Friday on Whiteface Field.

The Eagles are picked as the top rated team in District 1-AA and field a team consisting of six starters and 14 lettermen from the previous season.

"They lost a few boys," commented Jack Meredith, Whiteface coach, "but they have some real good kids back."

Eagle offense consists of a straight-T formation with Don Breitling, a senior two-year letterman operating at the quarterback slot.

"Of course, they've got a real good ball club," said Meredith. "But naturally we hope we can win. We think our chances are pretty good."

He added that the Whitefaces "hope to be in a better frame of mind that we were during the first half against

SURVEY PLANNED

Trustees, School Officials Concerned By Enrollment

In the regular meeting of the Hereford Independent School District board Tuesday night, trustees discussed accounting procedures, approved payment of bills, hired four new elementary teachers and heard a report by Superintendent of Schools Paul Stevens concerning the record school enrollment.

The 12.46 per cent increase in enrollment, compared to five to six per cent for preceding years has caused some concern among school officials and trustees over available classroom space for the forthcoming year.

The increase could rise as high as 15 per cent before enrollment levels off, according to Stevens.

Total enrollment as of Tuesday, Sept. 10, was 3,465 as compared to 3,084 on the same date of 1962, a net increase of 381 students.

This represents a 12.46 per cent increase and school officials pointed out that the enrollment peak will probably be in late October or early November.

Mexican Fiesta Will Begin Here Saturday Night

The 1810-1963 Mexican Fiesta will begin in Hereford with a dance at the Bull Barn on Saturday, at 8 p.m. Music will be provided by Perales and His Three Little Stars.

On Sunday, Sept. 15, festivities will begin with a dance at 6:30 p.m. The highlight of the evening will be the crowning of the queen, Miss Ava Belia Garcia, by Mayor Ray Cowsett. At 11 p.m. Senor Al Ortiz will deliver a speech on independence. At its conclusion Miss Betty Gomez and Miss Herlinda de la Fuente will direct the audience as they sing "Himno Nacional."

A parade will begin at the Bull Barn at 2 p.m. on Sunday. It will proceed to Main Street and then return to the Bull Barn. The choir under the direction of Miss Gomez and Miss de la Fuente will march and sing. This will be followed by a dance from 6:30 to 9:30 p.m.

Beginning at 9:30 there will be a program of speeches, poems, and plays about the history of Spain and Mexico and Mexican independence. The principal addresses will be delivered by Zeferino de los Santos, Pedro de la Fuente, and (Continued on page 6)

To date, only one elementary classroom is not being used in spite of pre-school estimates indicating a surplus of seven and possibly eight classrooms.

School administrators plan to initiate a survey this week among new students to determine their future status.

According to Stevens, the survey would determine where the students' parents are employed and whether or not they will be permanent residents.

City manager Dudley Bayne

also appeared before the board requesting a 20' x 20' space north of Northwest School for a new city water well. The request was approved, subject to a further check of distances from existing wells in the area.

In other action, board members approved the hiring of four new elementary teachers for the 1963-64 school year. They include Mrs. Ruth Kemper, second grade, Northwest Elementary; Mrs. Gail Johnson, fourth grade, Central (Continued on page 6)

FOR WHEAT CROP

Excess Planting Can Hurt History

Overplanting wheat allotments this year can reduce the farm's future wheat allotments, according to Deaf Smith County Agricultural Stabilization and Conservation office.

Attention is called to a provision in the 1958 law which can affect a producer's wheat acreage history. The provision directs that when no marketing quotas are in effect, farms exceeding allotments will receive that year's allotted acres

as history. Complying farms, however, will receive their base acreage as history for the year, a spokesman for the local office commented.

As an example of how the provision would work, the spokesman used a 100-acre wheat base and a 1964 allotment of 60 acres.

If the farmer complies with his allotment, his wheat acreage credit for 1964 will be based on the 100-acre history, he commented.

However, if the allotment is exceeded, the producer will be credited with only 60 acres in computing his 1964 allotment.

Overplanting for the 1964 crop will not affect the 1965 allotment since national and state 1964 wheat acreage figures will not be available when allotments are made (Continued on page 6)

Lindsey Shoots 141 To Win Top Honor In Meet

The 13th annual Hereford Invitational Amateur Golf Tournament closed Sunday following the semi-finals and finals. The tournament opened Friday, at the John Pitman Municipal Golf Course.

Bob Lindsey and Dick Combs took first and second place in the championship flight. Lindsey had 141 after 36 holes of play, and Combs had 151.

In the championship flight consolation, the winners were Fluff Myers and Joe Kerr.

Winners in the first flight was Ted Young with D. J. Northcutt winning the consolation. Bill Penn won in the second flight, with Bob Copeland taking the consolation.

In the third flight, Jay Canney won with Eed Skypala winning the third flight consolation. Ronnie Covington won in the fourth flight and Bob Reinauer was the winner in the consolation.

He added that from 1958-1960 bases has been lost by one cotton gin alone.

During the discussion, it was estimated that damages to Deaf Smith County cotton crop would amount "to at least \$75,000." Making the estimate was Clinton Ward.

Also attending the meeting were Dexter Lillie and W. S. Fisher of Holly Sugar Corp. Both pointed out that use of 2-4-D could damage sugar beet crops in the area.

As the discussion continued, Ed Line, county attorney, was called in to give an interpretation of the law setting up control measures.

He stated that according to provisions, the county commissioners court could initiate action placing use of the herbicides under state control. It was also pointed out that exempt areas within the county (Continued on page 6)

Commissioners Hear Petition Asking Control Of Herbicides

A move to place the use of hormone type herbicides under state control in Deaf Smith County was taken under advisement by Commissioners' Court at its regular Monday meeting. The move to bring in state control on use of the herbicide, particularly 2-4-D, was asked in petitions bearing the signatures of 102 county residents.

The petitions read: "We the undersigned, in order to insure proper use of hormone-type herbicides (2-4-D) petition the Commissioners' Court of Deaf Smith County, Tex., to take necessary steps to bring Deaf Smith County under the herbicide regulation authorized by the Legislature (H. B. 402, 53rd Legislature) and administered by Texas Department of Agriculture at Austin, Tex."

In the petition it was stated: "The wide misuse of these herbicides, as evidenced by extensive damage to susceptible crops (cotton, sugar beets, etc.) has proven the urgent necessity for this action."

As the commissioners discussed the petition, a group of farmers and ginners from the area appeared requesting that action be taken to stop "misuse" of the herbicide.

It was pointed out by John McClasky, acting as spokesman for the group, that there is no way of knowing how much damage has been caused by the herbicide.

He added that from 1958-1960 bases has been lost by one cotton gin alone.

Accidents Injure Two Residents

Two persons were injured here as Hereford Police Department reported two serious accidents within the city. The first injury accident occurred Sunday with the second happening about noon Tuesday.

Injured slightly when the axle on the car he was riding in broke and a wheel came off was Aureli Villarreal, 17, of Hereford. He was treated and released from Deaf Smith County Hospital.

The automobile he was riding in was being driven by Miguel B. Castillo, 16. The 1959 model sedan was traveling east on Park Ave. when the accident occurred.

As the axle broke and the wheel came off, the vehicle spun out of control, crossed the street and collided with a sign post at 609 Park Ave.

The wheel continued on striking a car parked in a parking lot.

Damages to the 1959 sedan were placed at \$95 with \$15 damage estimated to the sign. Damages to the automobile belonged to Mary Stapp were placed at \$25.

In the accident Tuesday, Luther Ellis, 321 Ave. K, was injured as his 1961 model pickup and a 1958 model sedan, driven by Donald Scarborough, Gearm Apartments, collided at the intersection of Mabel and Windsor.

Ellis was hospitalized and is reported to be in good condition according to a Deaf Smith County Hospital spokesman.

The accident occurred as both vehicles apparently entered the uncontrolled intersection at the same time, according to Hereford Police Department.

Damages to Ellis' pickup were placed at \$250 with damages to Scarborough's automobile estimated at \$800.

No tickets were issued. Neither driver was wearing seat belts. (Staff Photo)

AMONG THE FIRST NEW members of Deaf Smith County Chamber of Commerce was County Judge, H. C. Williams, (right). Judge Williams was signed up by Don Zimmerman as the local chamber opened its drive to win "Texas Most Spirited City award." The contest pits Hereford against Dumas with local chamber members confident of winning the title. The membership drive will close Thursday, Sept. 18. Winner of the "contest" will be determined by gross increase in membership support. (Staff Photo)

Miss Phyllis Heaton Named Oldham County Fair Queen

By Ann Beavers
Miss Phyllis Heaton, daughter of Mr. and Mrs. Lloyd Heaton of Adrian, was chosen queen of the Oldham County Fair and will represent Oldham County at the Tri-State Fair in Amarillo next week.

First runner-up was Miss Pam Harle of Vega and second runner-up was Miss Coralie Fortenberry. About 20 girls were entered in the contest, which was held in the Vega High School Auditorium Thursday night, Sept. 5.

83 Pupils Begin Classes As Walcott School Opens

By Mrs. S. N. Thweatt
Summer vacation is over.
Walcott School opened Sept. 3
with an enrollment of 83 grade
school pupils and 15 high school
students who ride the bus to
Hereford High School.

Among the students are 13 be-
ginners who include seven boys
and six girls. They are Steven
Alston, Dennis Brown, Sammy
Cagle, Junior Gallards, Timo-
thy Hammock, Dean Owen and
Bruce Robison; Stephanie Bry-
ant, Francis Burrus, Beth Dug-
an, Zallee McCullar, Leona
Ponder, and Arlice Steward.

Faculty of the school are T.
L. Collins, seventh and eighth
grades, principal; Miss Paula
Green, first and second grades;
Mrs. T. L. Collin, third and
fourth grades; Miss Shirley
Bourquin, fifth and sixth
grades; Mrs. Tom Deshazo,
cafeteria, and Tom Deshazo,
custodian.

Bus drivers for the school are
Mrs. Eldred Brown, Mr. and
Mrs. Melvin Henderson, and
David Sorrells.

Walcott PTO will meet Fri-
day, Sept. 20, at 8 p.m. for the
first meeting of the school year.
A business session as well as
a social will be held. Refresh-
ment include ice cream and
cake. The kitchen committee
are Mrs. Ernest Brown, Mrs.
Bertram Jack, Mrs. Bill Ste-
ward, and Mrs. Harold Bass.

Henry A. Turner, president
and general manager, present-
ed for approval the hiring of
W. T. Allan Sales of Dallas as
broker to represent the com-
pany.

Turner also presented for ap-
proval for the forthcoming ad-
vertising campaign and prom-
otion for the Old Mill Products
in Dallas and Fort Worth.
Accomplishments of the past
year and other plans for the
coming year were presented by
the president for roundtable dis-
cussion by the group.

Mr. and Mrs. Turner were the
host couple for the meeting.
Stockholders attending were

N. Thweatt, reporter; Mrs. J.
D. Owens, historian, and Mrs.
Jim Monroe, parliamentarian.
The year book committee,
Mrs. Bill White, Mrs. Buel
Monroe, and Mrs. Sorrella, met
Thursday to print yearbooks.
They will be distributed one to
a family. School children will
receive the books Friday to
take home. Parents who do not
receive one may pick them up
at the Friday meeting.

Mr. and Mrs. Pat Berryman,
Karon and Kathie, of Miami,
Tex., visited in the Elton Sor-
rells home recently.

Mr. and Mrs. John McCullar
of Woffin spent from Wednes-
day through Sunday in the home
of their son Mr. and Mrs. W.
L. McCullar and family at Boot-
leg.

Mr. and Mrs. Walter Minity
and Joe of Sulphur Springs, and
Mrs. I. D. Fisher of Amarillo
recently spent several days vis-
iting in the Elton Sorrells home.

Mrs. Eldred Brown and Mrs.
Floyd Brown were in Clovis on
Friday.

Mr. and Mrs. Elmer North-
cutt, and Mr. and Mrs. Jerry
Northcutt attended the fair in
Clovis on Friday. Tom North-
cutt had entered some livestock.

Linda Sorrells spent the night
in Amarillo with her grand-
mother, Mrs. I. D. Fisher. Mrs.
Sorrells, Joe and Debbie, went
to Amarillo and Linda returned
home with her mother.

The children of Frank Ford
Sr., Frank Jr., Davis, Susan,
and Johnnie, were guests at the
Ford Ranch over Labor Day.
They spent the day working cat-
tle. Johnnie returned home to
Lubbock. Susan will be leaving
soon for college.

Mr. and Mrs. Phillip Miller
returned Sunday week from
Dodge City, Kan., where they
attended the wedding of a
friend.

Bob Garrett of the Ford
Ranch went to Dallas on
Wednesday to attend the wed-
ding of his sister. He plans to

return home on Sunday.
Mr. and Mrs. Ernest Brown
and family; Mr. and Mrs. S. B.
Pulliam and Mr. and Mrs. T. J.
Braxson and family spent Sun-
day at Palo Duro Canyon.

Mr. and Mrs. W. L. McCullar
and children, Zallee, Terrie and
Jay and Lee; Mr. and Mrs.
John McCullar, and Mr. and
Mrs. S. N. Thweatt ate a pic-
nic lunch on the Canadian Riv-
er and attended the Boys Ranch
Rodeo.

Mr. and Mrs. Jack Buse and
sons, Ronnie and David; Mr.
and Mrs. Joe Merrill and fam-
ily; Mr. and Mrs. G. V. Hall;
Mr. and Mrs. Elmo Hall; Mr.
and Mrs. Melvin Henderson
and families were among those
attending Boys Ranch Rodeo.

James and Cecil McCullar
drove to Dodge City, Kan., to
see the Labor Day motorcycle
races. James spent the week-
end in the home of his brother,
W. L. McCullar. He has been
drafted into the army and will
report Sept. 18 for two years
service.

Messenger H. D. Club will
begin its year's work on Friday,
at 2:30 p.m., with a salad sup-
per in the home of Mrs. Jerry
Northcutt. Every member is
asked to attend and bring a
salad. Guests are welcome.
Mrs. Elmer Northcutt will pre-
side. Yearbooks will be handed
out.

Mr. and Mrs. Bruce Coleman
and family spent Friday and
Saturday at Lake Conchas.

Mrs. G. E. Pinkerton; Mr.
and Mrs. Bruce Coleman and
family; Miss Reda Mount; Mrs.
Georgia Coldiron and sons, Da-
vid and Ronnie, spent the La-
bor Day weekend in Woodward,
Okla., visiting Mr. and Mrs.
Ted Pinkerton.

Mr. and Mrs. James Ray
Coleman and sons spent Labor
Day weekend in Crest Butte,
Colo.

Mr. and Mrs. Wynne Lady of

Highway Patrol Warns Drivers Of Bus Statutes

Deaf Smith County motorists are being cautioned to stop for school buses on county roads which are either loading or unloading students, according to Texas Highway Patrol.

According to reports from School Superintendent Paul Stevens, stated a spokesman for the Highway Patrol office here, some motorists are failing to stop.

Texas law requires a motorist overtaking or approaching a school bus which is either loading or unloading to stop. All buses are equipped with flashing red lights which are in use during the time.

It was pointed out by the patrol spokesman that after the motorist has stopped his vehicle, he may pass the bus at a speed not exceeding 10 mile per hour.

Hear...

(Continued from page 1) could be designated. After the discussion ended, commissioners agreed to look into the matter thoroughly and take whatever action was believed necessary.

In other business, Commissioners' Court accepted a low bid by Stephens-Hudson Motor Co. of \$1567 including trade-in on a new automobile for Deaf Smith County Sheriff's Office. Other firms bidding on the automobile were McCullough Motor Co. with a bid of \$1990 and Orsborn Chevrolet-Olds of \$1868.91.

Commissioners also approved the advertising of bids for a new maintainer for Precinct 3. Bid are to be opened at the next regular meeting on Sept. 23. A resolution concerning the abolishment of the poll tax in Texas was also considered. Commissioners also paid all county bills and minutes of the last regular meeting and a called session were approved. All commissioners were present.

(Continued from page 1) since January 1. Through Aug. 28, building permits were issued for construction with an estimated value of \$2,849,480. Of this figure, \$2.3 million was for residential construction alone.

During the two previous record years, 1962 and 1955, residential construction totaled \$1.3 million and \$1.6 million respectively.

In area growth, a total of 182.6 acres has been annexed by the city since the first of the year. Total residential area annexed by the city for the past ten years only total 213 acres.

With the unexpected growth, Hereford Independent School District is also feeling the results of rapid expansion. Enrollment in public schools shows an increase of approximately 15 per cent. During previous years increased enrollment has totaled between five and six per cent.

With the completion of Northwest Elementary School expansion, seven classrooms were set aside in the school system to take care of any additional increase in enrollment.

A week after school opened only one classroom in elementary schools remained unoccupied.

Total enrollment for the independent school district now stands at 3465 students. It is estimated that an additional 600 students are attending parochial schools in the area.

The Hereford Whitefaces host the Canyon Eagles this Friday night at Whiteface Field. The Eagles defeated Hereford last year by a score of 23-14, and kicked off the 1963 season by downing Dimmitt last week by a score of 14-8. They are considered one of the stronger teams in District 2-AA.

We understand that County Clerk B. F. Cain has lodged an official complaint with the school board concerning one of its illustrious members. According to Mr. Cain, board member Ivan Block attended the football game Friday night, bringing his own coffee in a thermos, therefore not patronizing the concession stand.

Ivan says it just isn't so. He did in fact, bring his own coffee but he also patronized the concession stand. He borrowed sugar to sweeten the coffee.

He added that all farms under soil bank contracts are required by the terms of the contract to plant within allotments. A farmer who overplants his 1964 wheat allotment can avoid loss of base acreage history by disposing of excess acreage by the deadline date for Deaf Smith County.

If he destroys the overage before the deadline, the producer will receive his 1964 base acreage as history credit in determining future allotments. He will also become eligible for price supports.

Pioneer Study Club Previews Year At Luncheon Meeting

Members of Pioneer Study Club met at 1 p.m. on Tuesday, Sept. 10, at Roney's Restaurant. Following the program theme for the year, "New Vision," the first program was on "New Vision through Pioneer Study Club." Mrs. Ted Panciera presented the program, a preview of the programs for the club year. Mrs. O. G. Hill Sr., reviewed the by-laws.

During the business meeting, conducted by Mrs. L. H. Lookingbill, it was announced that the club will sell imported Holland bulbs as their project. Mrs. Ralph McCullough will be in charge.

Hostesses for the meeting were Mrs. H. E. Miller, Mrs. Paul Rudd, and Mrs. William Wimberley. Others present were Mesdames Fred Barrett, Allen Bell, Burl France, N. E. Gass, J. M. Gilliland, Henry Hastings, O. G. Hill Sr., W. C. Hromas, Ray L. Johnson, L. H. Lookingbill, A. L. Manjeot, Ralph McCullough, Ted Panciera, John Patton, Wirt Phillips, Mary Seigler, Delmar Sigle, P. Editors' Notes:

By Linda Higgins and Lou Ann Withowski

The fact that summer is really over has become an accepted fact at HHS and students are getting into the swing of things. Or should we say the trample of things—at least that is how it looks in the halls.

Probably first on the agenda should be to welcome all freshmen, sophomores, new students, new teachers and our new exchange students to the rat race. We, of the Whiteface staff, hope your days at HHS will be pleasant and happy ones.

We would especially like to recognize our new sponsor, Mrs. Carol Haseloff. She is a graduate of Dumas High School and West Texas State University. She teaches two English II classes and one journalism class plus working in the library for two periods.

As with other classes, the Whiteface staff reassembled this year with some of the old veterans and some new students. Even with all the confusion, we shall put forth our best efforts and present our readers a Whiteface each Thursday.

The F. H. A. deserves compliments for the effort they put forth to make and hang signs designating the first few weeks of school as Hawdy Week. We hope that even after the signs come down, the friendly spirit will continue.

Classes, clubs, or individuals wishing to announce events are welcome to space in the Whiteface.

Please bring this information to the staff at least a week or two before the event is to take place.

For the benefit of all HHS students the Whiteface staff will sponsor a radio program broadcasting news for the coming week. The program will be aired Monday from 3:30 p.m. to 5:45 p.m. Later the program will be longer and the staff would be glad to include your talent or hobby as a part of the program.

If anyone has news for the program, please contact Linda Higgins, Lou Ann Withowski or Mrs. Haseloff.

Students List 'Study' Among New Resolutions

The word "study" seems to be the key word in the minds of many Hereford High students as the 1963 school year began.

This was brought out when several students — freshmen, sophomores, juniors, and seniors — were asked what their resolutions are for the school term.

Commented Debbie Beene, a study-harder and retain more of what I learn.

Also expressing of the idea of studying more during the year was Sharon Tinnin, whose resolutions were "study harder and school spirit."

Linda London, a junior student, wants to "have fun, make a lot of friends and keep up my grades."

Teachers Outline Conduct Expected From Students

Since school has just started, many students are inclined to give their teachers trouble in some manner or fashion. In order to determine what teachers would take or what they would not take from students, several were interviewed. These are their comments.

Mrs. Mozell Neill: "I try to be reasonable about it because I want the best for the majority of the students. When they come to the library, I expect them to be quiet so they won't disturb others."

"They're all welcome to come in to study, read the newspaper and magazines, and browse around. I expect them to have respect for the property of others and to respect rights of others."

Mrs. Viola Chisholm: "I expect the best efforts of everyone. I expect and won't put up with anything that is out of line. I can understand the good ups that aren't pre-planned and aren't set up to cause trouble."

Mr. Farmer: "As long as it doesn't disturb the class or any other class, I find I can express in one word what I will put up with — nothing."

Joe Brooks: "Nothing."

Miss Jean Collard: "What we expect of our students are promptness in getting dressed for class and ready for roll call and exercises; Promptness in showering so that each girl will be on time for next class. We expect girls to be suited out everyday and participate in class activities; to be sportsmanlike toward one another in class activities; to be cooperative toward teachers in class; to show enthusiasm in all activities, and carry out all rules and regulations set up in girls physical education classes."

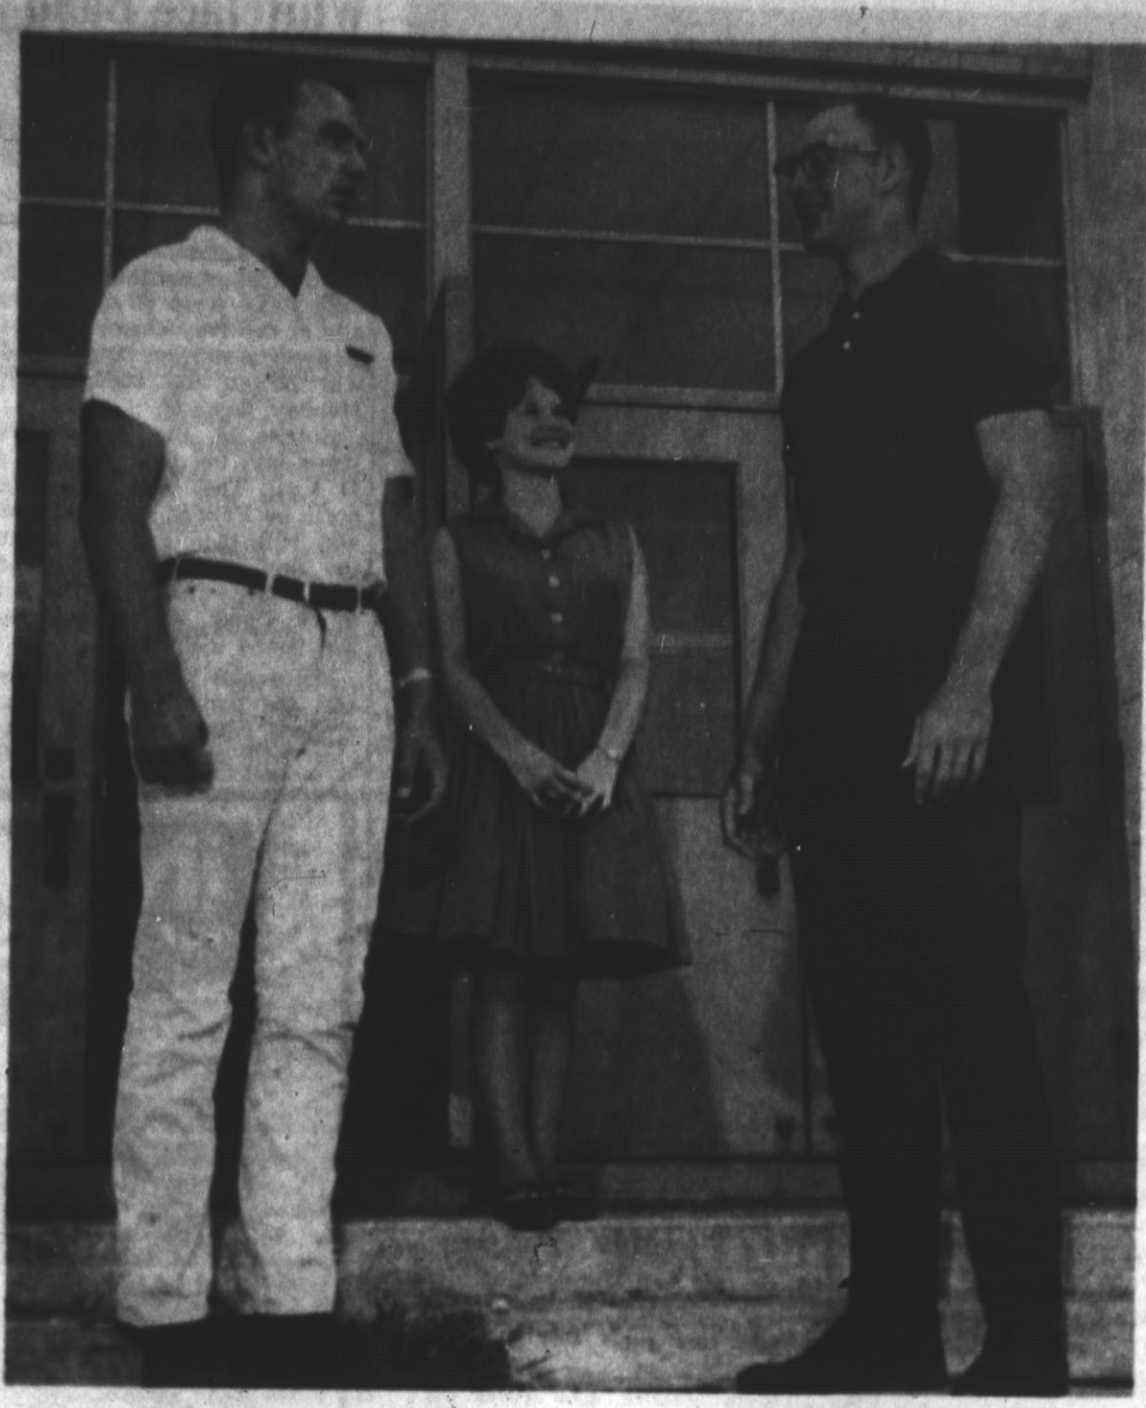

New Record Set; 825 Students Enroll At HHS

Student enrollment in Hereford High School for 1963-64 has soared to a record-breaking high of 825 students, with more expected.

By far the largest body of students are in the two lower classes. Approximately 250 students have been enrolled in each the sophomore and freshman classes. There are approximately 137 senior students, and an estimated 225 junior students.

Mexican Student Attending HHS

"Mucho fun", "work", "school", "good morning", and "thank you" are but a few of the English phrases known by a Hereford High School student from Mexico, Bruno Saldana-Torres.

The 16-year-old freckled-face Mexican youth is a freshman and his problem is unique to most Hereford High students. He only knows 16 words in English.

"It's Magic" Is First Assembly Program at HHS

Hereford High School students will have their first Southern Assembly on Friday.

The program "It's Magic" will be presented by Stewart Scott, a ventriloquist. His two dummies, George, the Crow, and Barney the Bull Frog, add to the entertainment. Tickets will be sold for 15 cents.

Each year the Southern School Assemblies Agency brings many assemblies to Hereford High School.

What opportunities and benefits does Hereford High School hold for me?

This question is asked in the minds of many individual students each year at approximately this time as summer jobs come to an end, unless continued during and after school hours.

The significance of this question is in the motive behind it. Some find it difficult to give up their jobs in order to return to school. Some find other responsibilities or attractions making it impossible to continue their schooling.

Still others, however, ask this question because of their wisdom, using the present as a tool for molding even greater things for the future.

This year 38 courses are offered to the students. These courses reach into every field imaginable and adapt individuals to the basic functions of each.

Most students are limited to certain grades but each student has an opportunity to participate in the majority of them at one time during his four years of high school.

Different organizations and school activities also hold a basic key to open future opportunities. Sports is an essential portion in the building of mental and physical maturity and stability. They stress the importance of good health and exercise as well as companionship and fair play.

Organizations of Hereford High School are more specific in their goals as they specialize in various fields and purposes. These clubs offer a more individualized program to subjects than classes since only interested students participate.

What opportunities and benefits does Hereford High School hold for me? Ask yourself that question if you haven't already. Then, perhaps you will take full advantage of your opportunities.

Miss Holzl Begins School Year

The new girl exchange student this year at HHS is Krista Holzl, from Graz, Austria. She is the daughter of Dr. and Mrs. Franz Holzl, and the youngest of four children. She has two brothers, Werner, 36, Klaus, 25, and a sister, Uta, 23.

Krista is making her home with Mr. and Mrs. W. T. Carmichael, 148 Texas, and their daughter, Merle.

Miss Holzl traveled with 70 other exchange students. They left Vienna and traveled by train to Rotterdam, where they boarded the "Seven Seas" and sailed to New York. There they took a plane to Dallas, transferred to another and flew to Amarillo, where they met their new families.

"The whole trip was wonderful," Krista said. "You can't imagine. It was all so beautiful, especially the ship voyage. But one thing I will never forget, is our arrival in New York. It was early morning, the sun was just coming up, and it was breathtaking."

Krista was 18 years-old last March 9, when she graduated from First Bundes-Real-gymnasium School for Girls. After going to a school for girls all her life, Krista said that she really prefers the idea of co-educational schools. When she returns home she plans to attend the University of Graz. Krista's hobbies are skiing and swimming. She also enjoys reading, listening to music, and mountain climbing. She likes all American foods, except oatmeal and peanut butter.

Before school started, the Carmichael's took Krista on a short trip through Colorado. She said the scenery reminded her very much of home. While there, she met a lot of high school students from all over the United States.

The social life in Austria is very little different from that in America, she commented. The one main difference is that teenagers are not allowed to drive until they are 18-years-old. Krista commented on how much older the girls look here than in Austria. She was really shocked when she saw girls wearing hair rollers in public. Hair styles in America are about the same as in Austria, except they are not so extremely teased. Dress fashions vary little, with the exception of length. The dresses are shorter here than in Austria.

Commenting on her opinion of Americans, Krista said, "I really like Americans — they have a lot of idealism. When I return home, after studying all the foreign languages possible, I would like to become an interpreter at the University, and I hope to take with me traits of the American people."

The next Hornet drive was stopped on the Hereford five yard line, but they got the ball back on the Herd 17 when the Whitefaces could not make a first down after a third and one situation.

It took only three plays for Arnold to score again and then Howell added another two to make the score 16-0 with 1:23 left in the first quarter. Howell ended the scoring five minutes later with a four plunge.

For the remainder of the half the Whitefaces thwarted Hornets efforts to score. The half ended on a 40 yard Tullia pass play to the Hereford three yard line.

In the second half the story was completely different as a strong, hard-hitting Whiteface defense, led by middle-guard Eugene Green, held Tullia to just one first down.

The Herd offense, led by Sophomore halfback Walter Williams and junior quarterback Frank Cain, began to show a little fire, however; a sustained drive could not go far enough.

For practically the whole second half the two teams battled in the middle of the field, with neither team ever giving serious threat to the other's goal line.

Friday night, Sept. 13, the Herd meets the Canyon Eagles here in Hereford.

So the Whitefaces lost their first outing of the 1963 season last Friday night. Often you can scratch off at least 20 per cent of a team's "loyal" supporters when it loses its first game, but we hope this doesn't happen here.

Tullia ran the Whitefaces ragged in the first half, but the Herd came storming back in the second half to show the Hornets some real hard-hitting football. A big part of the credit goes to middle-guard Eugene Green for his excellent play.

If you were at the Tullia game you probably saw a young man whose running resembles that of West Texas' Pete Pedro. This lad, who is far from "Pistol Pete", still brings a ray of hope to an ailing Herd offense. His name is Walter Williams. Remember that name. I think you will hear it many more times in the next three football seasons. He is fast and getting faster and it is quite possible that he could be the breakthrough threat missing from the Herd offense since 1961 when Mack Cansler had Hereford.

Season Opener Is Climax Of Practice

Climaxing three weeks of intensive practice the Hereford Whitefaces opened the 1963 football season Friday night against the Tullia Hornets in Whiteface Stadium.

"It was a long three weeks" is the general opinion of the players as they looked forward to the season opener. However, the opinion expressed by Head Coach Jack Meredith is that there could not possibly have been enough time to get ready for the coming season.

About 50 boys reported for the opening football drills on August 19. Workouts were held twice a day the first week and part of the next week before the start of school.

Next on the schedule of the get-ready program for the Herd was a scrimmage against the Clovis Wildcats in Clovis on Sat., Aug. 31. The scrimmage is an annual affair for the two teams. Class AA Tullia was rated as one of the top teams in their district and is supposed to be the strongest Hornet team in a new addition to the Hereford schedule as they replaced Plainview, which dropped out to make room for Caprock, the new Amarillo high school.

Center Eddie Johnson missed the opener because of a death in the family.

There have been several changes made in the Whiteface lineup for the coming season. Senior Eugene Green has been moved from end to part-time halfback. Junior George Muse was switched from the center to tackle. Larry Minks, another junior, was moved from fullback to end.

Hornets Sting Whitefaces For First Season Defeat

A band of Hornets from Tullia stung the Hereford Whitefaces for three touchdowns in the first 15 minutes of last Friday's game and never gave the Herd a chance to recover.

Tullia took just five plays to score after the opening kickoff, with fullback Jim Arnold going 41 yards for the touchdown. Halfback John Howell added the two point conversion to make the score 8-0 with only two minutes and twenty seconds gone in the first quarter.

REP. WALTER ROGERS WRITES:

Civil Rights Controversy Is Sectional 'Spitball' Fight

To The People Of The 18th District:

The civil rights wrangle in the House and Senate has degenerated into a sectional spitball fight—Yankees against Yankees. Too many of the Nation's elected representatives—from both parties—are yapping at each other about who is going to get the credit or blame for what is done or isn't done.

You don't hear much talk in the Capitol cloakrooms about the merits of proposed civil rights legislation; the issue has succumbed to a heady brand of politics in which Northern Republicans and Democrats are pointing their fingers at each other and engaging in fishwifely argument.

Civil rights advocates in the Democratic Party are trying to corral Republican votes for the coming showdown. The Democrats are having trouble because the Republicans can't simply go along with the opposition party proposals—they want to be able to claim some pride of authorship.

"After all," they argue, "We're the party of Lincoln—and we ought to have some bigger role in this thing." Democrats behind the legislation want the whole hog if they can grab it—but the hog is well-greased in the kind of politics that defies analysis on party lines.

Southern Democrats, knowing that their constituencies feel generally that only time and a basic change in attitude will make true racial progress possible, are on the sidelines in the

current stage of things. The Southern vote will come in a near-solid bloc against the legislation, whoever wins out in the credit-blame battle.

The South's "No!" will have a resounding ring in the House, where prolonged debate is prohibited by the rules, and another solid "No!" will echo through the Senate after Southern senatorial fortitude has been worn down by a prolonged filibuster.

Only the most callous Americans of any section would deny the fundamental rights of any citizen, white or Negro. The issue in the current controversy goes deeper. It is more subtle and insidious and behind much of the pressure are men who care not a hoot whether one more Alabama Negro is able to vote in the next election or is able to obtain service at a department store lunch counter.

The shadow is cast by men whose steady push at the rear of the vehicle called "civil rights" is aimed at centralization, final and complete, of all meaningful government control at the Federal level.

Said Thomas Jefferson: "I am for preserving to the States the powers not yielded by them to the Union, and to the legislation of the Union its Constitutional share in the division of powers; and I am not for transferring all of the powers of the States to the general government, and all those of that government in the Executive Branch."

Editorial voices in the North declare that the States' Rights position is now "spurious, that it is posed only as a barrier to a grant of equality to Negro citizens. In the tragically false notion that legislative fiat can alter the human heart, they would thus tear the vitals from the U. S. Constitution.

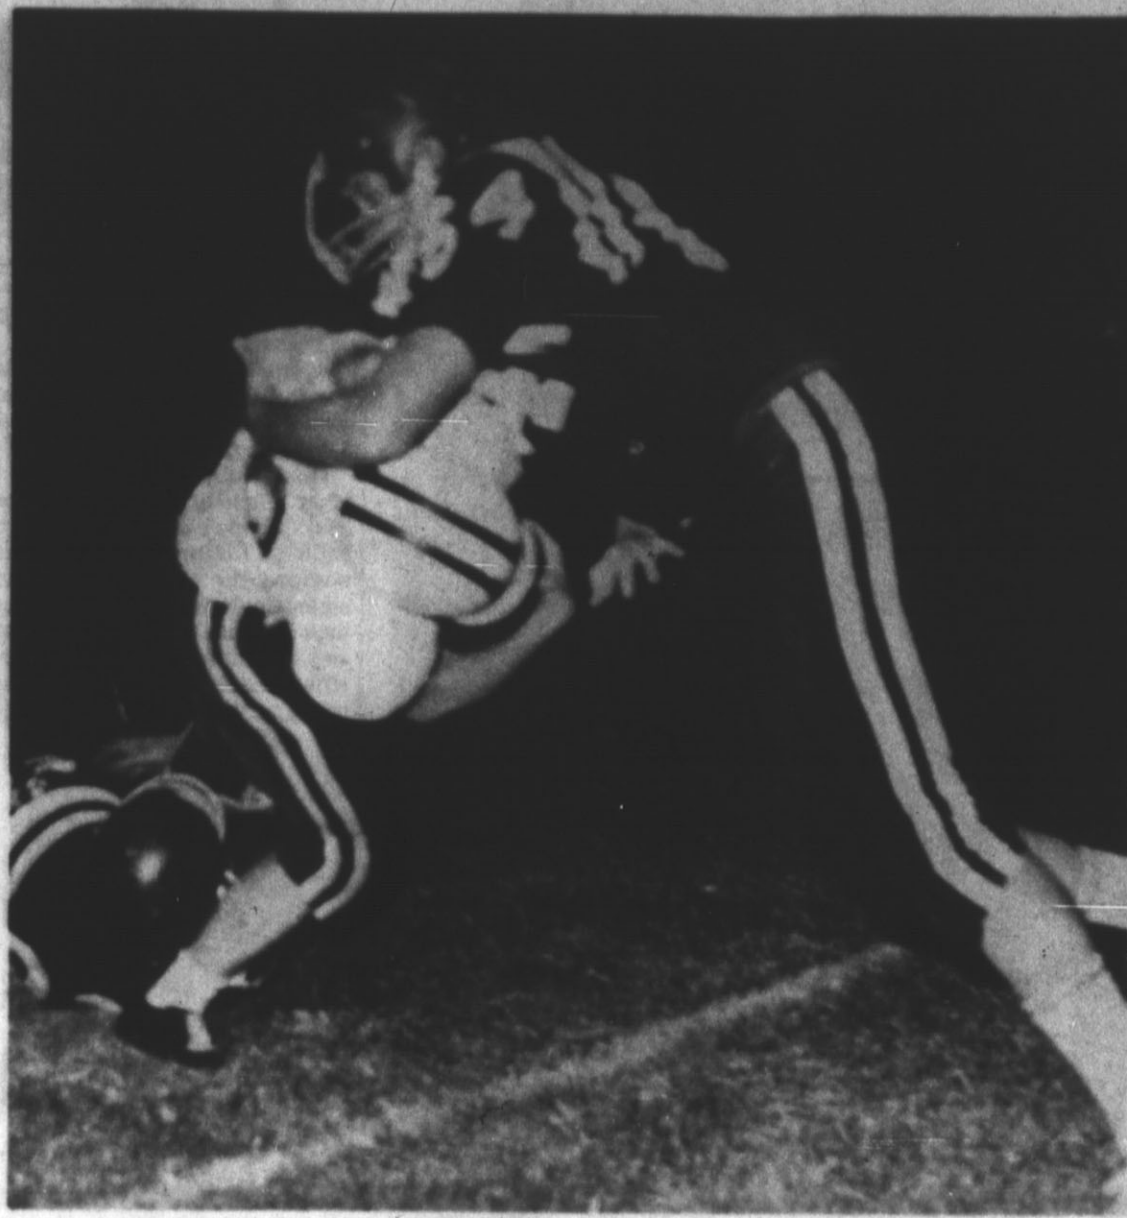

The basic question could well be whether or not the United States has come to the point where its citizens will succumb finally to an "Uncle Knows Best" philosophy of national government. Once the Nation has adopted this policy, those who now are so vigorously pushing for enactment of sweeping civil rights legislation (believing that they will thereby benefit politically), may find that the pendulum has a two-way swing.

As a result of the centralization they have forced upon their country, they may find that THEY are to become victims of massive and impersonal Federal intervention in affairs over which they'd like some private control.

This is not a partisan controversy. Republicans and Democrats from the North are trying to work out a way in which they can combine to share the credit. In this, their dispute is sectional—not along national party lines.

Their argument at the moment is with each other—not with Democrats from the South. With this issue resolved, if it can be, the attention then will shift to the tactical question of how the bipartisan combine of sectional forces can push civil rights through to enactment.

Northerners should pause a moment in this troubled time to ask themselves several serious questions going beyond

A HEREFORD WHITEFACE ball carrier, quarterback Frank Cain, is dropped after a short gain by two Tulsa Hornet tacklers, fullback Jim Arnold (on the ground) and guard Tommy Bates. In the season opener for both

anything involved in the legislation itself. They should ask: "By political expediences are we really providing solutions for the South's problems—and our own grave problems?" "Will we destroy the essence of the Federal-State relationship?" "What will the effect be on the Constitution itself?"

FOUR BIG HONORS GILLETTE, Wyo. (AP) — Helen Keeline, 17, of Newcastle, Wyo., wasn't named all-around cowgirl at the Wyoming state high school rodeo. Some boy beat her out.

But she won all the other top honors. She was:

1. Named all-around cowgirl.
2. Chosen queen of the 1964 rodeo.
3. Winner of the cutting horse contest.
4. Elected president of the Wyoming High School Rodeo Association.

CARD OF THANKS

The Mexican Independence Day Fiesta Committee would like to express their appreciation to the Farm Bureau for relinquishing the date of their planned meeting. The committee wishes to cooperate with the Farm Bureau in every way possible in order to offer any possible service which may be needed in the future.

Whiteface Band To Parade At Tri-State Fair

The Hereford High School Whiteface Band, under direction of Ben Gollehon, will be one of 32 musical organizations in the area to be featured in the parade at the 40th annual Tri-State Fair in Amarillo. The parade will be on the opening day, Monday, Sept. 16.

Entries in the parade will move into the Polk St. area at 11 a.m. The parade will go north on Polk St. to Third Ave., and will then go east toward the fair grounds. The parade will disassemble near the Santa Fe Depot where bandmen will board their buses.

Motorcycle policemen will escort the bandmen to the fair grounds where the band directors will receive cash gifts

from fair officials which may be used by bandmen to purchase lunch.

The 40th annual Tri-State Fair will have two major midways, and a record number of entries in all divisions. Along with more commercial and mercantile displays than ever before, the 1963 Fair, according to President Ernest Batson, should set new daily attendance records.

RECORD ADOPTIONS
FRANKFORT, Ky. (AP) — The Kentucky Child Welfare Department placed 367 children for adoption during the last fiscal year, the highest number on record for the agency.

By Melvin Young
Today is the official kick-off for the contest between Deaf Smith County Chamber of Commerce and the Dumas Chamber. A lot of good natured joshing has gone back and forth between the two Chamber offices, but we're now getting down to brass tacks. Are we going to whip the Dumas folks aren't we?

With the rapid rate of growth in the Hereford area, we should be able to come up with more members, but of course, that depends largely on the amount of effort put forth by the membership committees. But we're betting on Hereford... and we're sure we won't be disappointed.

The contest will run from today, September 12th through Wednesday, September 18th. Don Zimmerman is chairman of the Hereford group in case you care to call and place your membership. And remember, this isn't limited to the businessmen of Hereford. The Deaf Smith County Chamber of Commerce is operated for the benefit of the entire county; farmers, business men and individual. All are urged to join.

Mrs. O. E. Sherman is one of the most energetic women that we know of. She has consistently produced one of the largest gardens in the Hereford area, and as far as we know, she does practically all the work herself. She might get a little help from son-in-law Tom Robinson, but we doubt it, knowing Tom like we do.

And this year, Mrs. Sherman is going to be all-set for the Halloween season. She has a garden full of the largest pumpkins we have ever seen. We now have one at the Brand that measures 50 inches around. Now that's a pretty big pumpkin. It would make several pumpkin pies.

Mrs. Sherman lives a mile north of town on the airport road, and is an area pioneer.

We also heard an amusing story this week concerning one of Mrs. Marie Ratcliff's students. The young lady, when asked how she liked her new English teacher replied: "Well, she's all right, but she sure has a mean smile."
My goodness, if her smile is mean, we'd sure hate to be the recipient of a "frown"! Mrs. Ratcliff teaches English at Stanton Junior High School.

The social season has started off with a bang. The local Classroom Teachers Association honored the new teachers in our school system Monday night with a covered dish supper. The food was excellent and the program was unique, to say the least. All local talent.

Actually, we didn't realize that such "talent" was available in Hereford. Don Moore's rendition of "When the Bug Hit the Fence" would have made a hit on the Jack Benny Show and the duet by Mrs. Merlin Kaul and Mrs. Don Moore was "out of this world"... and we mean that literally. All the humorous skits, and a couple of more serious musical numbers, were excellent. Ted Mack's Amateur show could never have produced a more fun-filled hour.

It's about time to start getting the old heating system cleaned up and ready for another winter. The season is changing rapidly in spite of the fact that our daytime temperatures have ranged from the upper 80's to the lower 90's. And personally, we're real happy to see the change. One of the nicest things about this part of the country is the brisk fall weather. Besides that, this has been an unusually sticky summer, and we're darn glad to see it past.

The continued influx of students has school administrators

INTENTLY WATCHING HIS SHOT towards the green is Pat Brower of Dallas. Brower is one of the 80 golfers who participated in the 12th Annual Hereford Invitational Amateur Golfers Tournament. The tournament, held at the John A. Pitman Municipal Golf Course, began at 8:30 a.m. Friday, Sept. 6. Winners were announced Sunday, following the final rounds. (Staff Photo)

scratching their heads. The school district had planned to have a surplus of classroom space for the 1963-64 school year, but the continued enrollment, particularly in the elementary grades, is fast closing the gap. Plans called for seven and possibly eight vacant classrooms at the beginning of school, but Superintendent Paul Stevens now reports that by Monday only one classroom will be left unused, and there is a very good possibility that it will be filled shortly. Six new teachers have been hired; all in the elementary schools.

Worried school officials are planning to conduct a survey in the near future in an effort to determine what the newcomers are doing in Hereford, and if the folks plan to remain in this area. That, we're predicting, will be quite interesting.

But school administrators are not the only ones having troubles. The City of Hereford has been plagued with requests for water tape, and

is finding it quite difficult to keep-up. We understand that the City had more calls for water connections in one day this week than they did in the entire year of 1962.

We have been rather dubious in the past concerning the growth of Hereford, but we're beginning to see the light. Apparently we have grossly underestimated the situation. Whether it will continue at this rate or level off, still remains to be seen, but many people now feel that the area will continue at a fast clip. The reasoning behind this line of thought being that one industry attracts a relative industry and the mushroom continues to expand. We hope they are right, although we're sure the folks over at City Hall as well as school officials would appreciate a little breathing period.

Which reminds us of a story we heard at the Classroom Teachers banquet Monday night. Mrs. E. D. Hopson reports that they had found giant eggs

all around Shirley Elementary School, each hatching full-grown sixth graders. So be it!

Two Herefordites Named In Who's Who In Women

Mrs. Leroy Aven and Mrs. James W. Witherspoon have made their first appearance in *Who's Who of American Women*, according to a news release from the editors of the newly published edition.

Nationally the new volume totals 20,500 names, 8,800 of them for the first time, said publisher Jackson Martindell, board chairman of Marquis-Who's Who, Inc., Chicago. They were chosen by the editors of the parent publication, *Who's Who in America*, from business, science, education, the arts, government, and other meritorious fields, including civic activity.

Illustrating the variety of selections, the new names range from Dr. Frances O. Kelsey,

winner of a Presidential Gold Medal for her exposure of the drug thalidomide, to comedienne Carol Burnett.

VISIT FROM WACO
Mr. and Mrs. Bill Dyers of Waco have been visiting in the home of her parents, Mr. and Mrs. Carl R. Allison, Route 5. Mrs. Dyers, formerly Glenda Allison, will enroll in Baylor University this fall. Her husband will continue his studies at Baylor Law School.

VISIT CARL ALLISONS
Recent visitors in the home of Mr. and Mrs. Carl R. Allison were her sister and family, Mr. and Mrs. Virgil Massengill, Maryllyn, and Carol Ann of Eastland. Their son, Don Massengill, has been helping with the work at the Allison farm.

DESTRUCTION?

Maybe not! For since time began, all human progress has been marked by symbols... the golden calf, the dragon, an olive bough. The greatest was the XP symbol used by the Greeks to denote followers of Christ. Later the Christian Cross was used by Constantine when he said, "By this sign, thou shalt conquer." Now, a new symbol appears over the world a scientific object of the atomic age. It signals the awesome need for understanding and world cooperation if we are to avoid total destruction and reap atomic benefits. May Christians influence world leaders to accept it, and may it be dedicated to peace and good will. Let's keep our symbols, but remember the Cross. Then we can say with Constantine, "By this sign, we shall conquer."

Holly Sugar Corp. Declares 45 Cent A Share Dividend

Board of Directors of Holly Sugar Corporation declared a quarterly dividend of 40 cents per share on the Corporation's Common Stock, payable Nov. 1, to stockholders of record Sept. 30, 1963. The previous quarterly dividend was 35 cents per share.

Dennis O'Rourke, president of the corporation, said that for this year the volume and quality of the Corporation's beet receipts and sugar production have been generally good.

He said that the relatively high market prices of sugar during last spring have given way to prices only moderately above those at this time last year.

In the absence of adverse developments, O'Rourke said that Holly could expect earnings this year better than last year's.

The president stated that the corporation is in the midst of a large new factory construction program at Hereford, which is substantially on schedule at the present time. If completed as now anticipated, it will be ready to process beets in the fall of 1964.

Dr. Dale Doak Is A Professor In Indiana College

Dr. Dale Doak, formerly of Hereford, has accepted a position as assistant professor of education at Ball State Teachers College, Muncie, Ind., according to an announcement by Dr. John R. Emens, president of the college.

Dr. Doak comes to Ball State from the University of Colorado, where he has just received his Ph.D. degree in education, studying on a fellowship and a Phi Delta Kappa scholarship while serving as a graduate assistant there. He has his bachelor's and master's degrees from Eastern New Mexico University at Portales.

He is a former teacher and assistant principal of Clovis Senior High School, Clovis, N. M., and also taught in the Clovis Junior High School. He is a member of the NEA, the National Association of Secondary School Principals, and Phi Delta Kappa, men's education honorary.

He has written an article which appeared in the "Clearing House" in December, 1962. His doctoral dissertation was written on "The Legal Foundations of Religion in Public Education: Constitutional Provisions, Statutes, and Legal Interpretations in Each of the Fifty States."

His mother, Mrs. Carrie Mae Doak, lives at 219 Avenue E, Hereford. He is married to the former Anna Marie Dunn, Artesia, N. M.

Hereford Study Club Hears Plank Discuss Uruguay

Pete Plank spoke on "Uruguay, Our Neighbor to the South" for Hereford Study Club at their meeting on Thursday, Sept. 5. While showing slides of the country, he discussed the diet, heavy taxation, crude farming methods, lack of incentive, and education system.

Yearbooks were distributed and previewed by Mrs. Ed Wilson Jr., president. Mrs. Earl Plank, mother of the speaker, was a guest. The meeting was held in the home of Mrs. G. S. Solomon, hostess.

VISIT IN COLORADO
Mr. and Mrs. D. H. Alexander returned home Monday after a week in Colorado Springs, Colo. Their granddaughter and her family, Mr. and Mrs. Jim Hamilton and children, Holly and Douglas, of Denver City accompanied them.

LET'S COOK SOMETHING!

Cream Cheese Pies Will Please Family And Guests

By Dale Stevens
Brand Foods Editor

Once upon a time a hostess served her guests a never-to-be forgotten dessert. She had tried the then new cream cheese pie, a short cut cheesecake, and found it so delicious that she decided to serve it at her next bridge party. So, with anticipation of many compliments, she prepared three pies.

The guests began to eat. Instead of expressions of pleased delight, their faces registered something quite different. The hostess's husband then asked the question everyone else was too polite to ask, "What on earth is in these pies?" After some close examination, it was discovered that the "cook" had forgotten to remove the paper from the bottoms of the cakes of cream cheese and had beaten it very thoroughly into the cream cheese mixture. No one who was there has ever allowed her to forget that dessert.

Since that time many variations of fillings have appeared. They are all very easy to prepare, and the selection of crusts is wide. Crumbs of graham crackers or zwieback or regular baked crusts are equally good.

Cream Cheese Pie
4 3-oz. packages cream cheese
2 eggs
1/2 cup sugar
2 t. vanilla

Beat above ingredients thoroughly. Place mixture in graham cracker crust and bake for 15-20 minutes at 350 degrees. Cool for 5 minutes and top with:

1 cup sour cream
3/4 t. sugar
1 t. vanilla
Beat 10 minutes more and cool for at least five hours before serving.

Lemon Pie
3 eggs

1/2 cup sugar
1/2 cup lemon juice
2 t. grated lemon rind
8 oz. package cream cheese

Beat eggs in top of double broiler until thick and fluffy. Continue beating while gradually adding sugar, lemon juice, and lemon rind. Cook over hot water, stirring constantly, until thick and smooth. Cool slightly. Chill. Garnish with whipped cream before serving.

Lemon Fudding Cheesecake
8 oz. package cream cheese
2 cups milk
1 package lemon instant pudding
1 8-in. graham cracker crust

Soften cream cheese; blend with 1/2 cup milk. Add 1 1/2 cups milk and the pudding mix. Beat slowly with egg beater just until well mixed (about 1 minute). Pour immediately into crust and sprinkle additional crumbs lightly over the top. Chill about an hour.

Chocolate Cream Cheese Pie
2 squares chocolate
2 eggs

1/2 cup sugar
6 oz. package cream cheese
1/2 cup heavy cream
3 T. flour
Pinch of salt
Pinch of soda
1 t. vanilla

Melt chocolate; let cool. Beat eggs until thick and light; gradually add sugar, continuing to beat until thick. Beat soft cream cheese with cream until smooth and thick; blend in chocolate. Fold in egg mixture, then add flour, salt, soda, and vanilla. Blend well and pour in unbaked pie shell. Bake at 325 degrees for 30-35 minutes. Serve with whipped cream and shaved chocolate.

Cherry-O Cream Cheese Pie
1 crumb crust or 1 baked pastry shell
8 oz. package cream cheese
1 and 1/3 cups sweetened condensed milk
1/3 cup lemon juice
1 t. vanilla
1 can (1 lb. 6 oz.) prepared cherry pie filling or Cherry Glaze.

Soften cream cheese to room temperature; whip until fluffy. Gradually add sweetened condensed milk while continuing to beat until well blended. Add lemon juice and vanilla; blend well; pour into crust. Chill 2-3 hours before topping with cherry pie filling or Cherry Glaze. **Cherry Glaze:** Mix 2 T. sugar and 2 T. cornstarch; blend in 1/2 cup cherry juice. Cook, stirring constantly, until thickened and clear. Stir in few drops of food coloring, if desired. Add 1 cup of drained sour, pitted cherries. Cool and spread on top of pie.

Banana Cream Cheese Pie
3 medium-sized bananas
8 oz. package cream cheese
1 and 1/3 cups sweetened condensed milk
1/3 cup lemon juice
1 t. vanilla

Prepare baked pie shell. Cool and line shell with 2 sliced bananas. Whip softened cream cheese until light and fluffy. Gradually beat in sweetened condensed milk until well blended. Add lemon juice and vanilla; blend well. Pour into prepared crust. Chill about 2 hours or until firm. Slice third banana and garnish pie. Decorate with fresh mint leaves, if desired.

Deedee's Doodlings

By Deedee Thomas

Well students, this is the first week that we have gone to school for five complete days. This week we will complete an actual week of school work, but next week the doors will be open only four days. One of these days everything will settle down to a organized routine. Such a thing to say!!

Ronnie Welty arrived from Rogers, Ark. Tuesday, Sept. 3. He has spent the summer with his grandparents and working. Ronnie plans to attend school in Amarillo at Amarillo Junior College. He is going on a basketball and track scholarship.

Sergio Bravo arrived at his American home on Wednesday night September 5. He enrolled in school on Thursday morning. Welcome aboard!

Christine Skypala, Carol Skypala, Johnny Willoughby and Jim Marnell spent Sunday Sept. 8 at Buffalo Lake. The boys were water skiing and the girls were swimming sorta unexpected, I think someone threw someone in the water.

The Catholic Youth Club will begin their regular meetings in October on the first and third Wednesday.

Yvonne Schmucker of Nazareth visited with Lou Ann Witkowski on Saturday and Sunday Sept. 7, 8.

On Saturday night, Sept. 7 Betty Huckert, Lou Ann Witkowski, Yvonne Schmucker, Patsy Huckert, Cindy Loerwald, Jane Witkowski and Lois Ker-shen went to Friona to enjoy an evening of swimming.

Members of the Hereford Junior Riders attended the district finals in Amarillo on Sunday, Sept. 8. Those going from Hereford were Donna and David Hill, Sandi Thomas, Jo and Lyne Poarch, Bill Jack Gilliland, Dean Crawford, John Newton, Bobby Lemons, Sylvia Brooks, Stan Sigman, Patti Nobles, Toni Beauchamp, Karen Blackwell.

Janice Diller left on Monday, Sept. 9, for Wichita, Kansas, where she will attend school at the Sacred Heart College.

Deborah Thomas attended the Junior Rodeo in Tucumcari, New Mex., on Saturday, Sept. 7.

7. She placed in the first go around of barrel racing and tied for first place in second go around.

Kaki Barnard attended homecoming activities in Dimmitt on Friday night, Sept. 6, other Herefordites enjoying the football game and the dance were Steve Seigler, Gregg Kromer, Helen Davis, Billy Baker and Ann Lance. Kaki spent the week end with Greta Nelson.

Margie Kershen left on Saturday Aug. 31, to travel to Buller Okla. for a short visit with Sharon Hoffman. She went on to Fort Smith, Ark. on Monday where she plans to attend school.

Lots of suitcases and large quantities of everything are being packed these days as students are preparing to leave for their respective schools. Jerome Bea Noland, Sylvia Brooks and Joe Schultz left Sunday for South Plains Junior College in Levelland. Katherine Burrus left Saturday for Texas Tech; Joy Wiman left Sunday for Eastern New Mexico in Portales. Shari Prowell accompanied her parents to Abilene to resume studies at Hardin Simmons.

Jan Scott was hostess for a get-together on Saturday night. Lots of food and a jam-packed evening was enjoyed by Jan Miller, Suzanne Hart, Camille Pavlicek, Jennifer Barnett, Patsy Smith, Billy Jo Witherspoon, Susan Ballard, Mary Stoy, Jimmy Allison, Bob Gentry, John Lesly, Gary Goodin, Syd Shaw, Jimmy Childers, Jer Fowlkes, Gary Story and Brad Johnson.

Junior High activities are beginning to pick up this week. Cheer leader try-outs are scheduled for sometime this week. That means that the first ball game of the season can't be far off. Assembly programs are being practiced for the entertainment of the student body.

In order that I might be able to report on all news (High school and junior high) I need to

have help from all interested persons, Help!

There will be a high school dance at the Community Center on Friday from 10 p.m. until 12. Admission 25 cents per person. Wear whatever you might happen to wear to the football game.

Kids one other thing, let's all go to the dance. Please let's not loiter out in the parking lot. Your cooperation is needed in this matter.

"I want to study harder and make better grades," said Jan Hardy, a freshman at HHS. Beverly Packard, a freshman, wants to "study every book I take home."

Another freshman, Gwen Car-go, wants to better her education and friendship with others. Hedy Bailey, a sophomore, comments, "I want to have a blast, make good grades, and be a good Whiteface."

School spirit is also receiving attention in the resolutions of many of the students. Rhonda Neff, a senior cheerleader, says she wants to "do her part in making school spirit and everything else better this year."

Mandi Moore vows to yell at the ball games and pep rallies so that she will make an "A" first period. Arvell Williams has resolved "to be an ideal upperclassman and the ideal upperclassman's viewpoint."

Earl Drager wants to see "a lot of boys hot rodding around in their cars and just taking it easy."

Frank Cain has a resolution which can sum up the general idea - "I want to be a good all around student."

Season...

(Continued from page 1)

There will be an outstanding absence in the '63 Whiteface roster left by Mike Ferguson, starting end on the '62 team. Ferguson failed to get the doctor's OK because of a heart ailment.

Hereford's starting lineup for the opener was Frank Cain, quarterback; Jim Higgins, full-back; Ronny Duncan, right half-back; Steve Hodges, left half-back; Lynn Cook, left end; Green, right end; Neal Lueb, left tackle; Stan Sigman, right tackle; John Kovacs, left guard; J. Carter, right guard; and Muse, center.

A full schedule of ten games is slated for the Whitefaces, with six at home and four on the road.

Games remaining on Hereford's 1963 football schedule are:

Law Increases Compulsory Attendance Requirements

Now in effect is a new compulsory school attendance law which requires school children, ages seven to 18 to go to school 185 days out of each 175-day school year.

Before the 68th Legislature passed this law, the minimum attendance requirement was 150 days. This left a wide margin for truancy—especially by children of migrant farm workers who are on the move two to four months out of the year.

Laxity of compulsory attendance laws has been cited as one reason for the high rate of illiteracy among Latin Americans. Texas' rate of illiteracy is high for all races. It has been estimated that almost 10 per cent

of the state's population is functionally illiterate.

A recent U. S. census survey showed that the average school child in Texas, with a Spanish surname, did not go past the fourth grade. Average Anglo finished the 10th grade and the average Negro completed the eighth.

It will be up to individual school districts to see that children attend school 185 days a year, according to Leon Graham, deputy commissioner of the Texas Education Agency. However, the main responsibility lies with the parents. If a school officer warns the parents of a truant child, they are subject to a fine of \$5 for the next day he fails to attend school; \$10 for the second offense, after a warning, and \$25 for each subsequent offense.

Graham said it is no problem for a migrant parent to enroll his child in any school. No formal transfer is required. "Our schools are here to serve the children of Texas," he said. "All they have to do is say, 'Here I am.'"

SCREW-WORM PROGRAM PRAISED
Dr. E. F. Knipping—known as the "father of the screw-worm eradication program"—addressed Southwest Animal Health Research Foundation trustees at their annual meeting in Austin, and praised the progress of their eradication campaign. But he cautioned them against complacency.

Knipping reported that in August, only 81 screw-worm cases were reported in Texas, compared to 5,088 in August, 1962. But a large percentage of the 81 were in the Trans-Pecos areas.

Animal health officials feel

the Trans-Pecos problem is a direct result of screw-worm flies migrating from Mexico. Mexico's northern border has been the target of sterile fly drops for several months now. But newly-gained knowledge that the fly can travel about 100 miles on his own volition is worrying the officials.

Knipping said, "We must intensify our survey efforts to find where fly drops will be most effective; then widen the barrier to prevent infestation."

FALL RAINS MAY POSE PROBLEM
Charlie Scuggs of Dallas, president of the Southwest Animal Health Research Foundation, said his group is beginning to worry about growing rate of screw-worm infestation when fall rains come.

Cool weather and dampness, usually associated with early fall, may couple with shearing and calving wounds to foster screw-worms if livestock producers don't take precautions. Scuggs said an "information campaign" will be launched soon.

NEW OFFICERS
Dolph Briscoe of Uvalde is the new president of SWAHRF. The young rancher just completed a term as president of the Texas and Southwestern Cattle Raisers Association, before he took the animal health post.

New vice-president is Joe Lane of Alpine. T. J. Richards of Paducah is secretary-treasurer.

EDUCATORS MEETING SET
Texas Association of School Administrators and Texas Association of School Boards will hold a joint meeting in Austin on Sept. 22 and 23 to hear talks on education in the Space Age. They will hold seminars on: School dropouts, the migrant pupil, religion and the schools, teaching Americanism—versus communism, and textbook selection in Texas.

POLL TAX REPEAL
Campaign for repeal of the poll tax as a requirement for voting was launched by the Texas League of Women Voters, with Gov. John Connally and Vice President Lyndon Johnson giving their support to the movement.

On November 3 Texans will vote on a constitutional amendment to remove the 60-year-old requirement that you pay a poll tax to vote. Texas voting will be under the shadow of a proposed U. S. constitutional amendment outlawing taxes on the right to vote in elections of Federal officials. Legislatures of 36 states already have ratified this amendment, and when two more approve, it will go into effect.

Texas Legislature provided Texans a "do it yourself first" route by submitting the proposed amendment to the Texas constitution at the Nov. 3 election. There is no chance for the U. S. amendment to go into effect until after that date.

TOURISTS
Texas' first formal effort to attract tourists will get under way now that Governor Connally has appointed the seven men to head the new Texas Tourist Development Agency.

Interestingly enough, most of the seven are natives of other states, indicating that Connally felt they would know best how to bring other Americans into Texas.

Frank Hildebrand Jr., former

Louisiana, Baytown, Houston and Dallas news writer, will be executive director. For the last year, he has been chief of the travel promotion section of the Texas Highway Department.

On the advisory board which will help Connally direct Hildebrand are Bill Berger of the Hondo Anvil Herald and president of the Texas Press Association; Chris Fox, El Paso banker; James M. Gaines, San Antonio radio-TV executive and president of the Texas Tourist Council; John McCarty of Dallas, vice president of advertising for Frito-Lay, Inc.; G. A. (Pop) Mabry, Houston, public relations director for Humble Oil & Refining Co.; and John Powell, Austin hotelman.

AGING
State Senator Walter H. Richter of Gonzales was named by Governor Connally to head the Governor's Committee on Aging.

Secretary of State Crawford Martin headed this committee while he was in the Texas Senate. Many of its recommendations have become law, but Connally said much remains to be done.

On his list of assignments the governor suggested work to remove from state mental hospitals about 2,100 persons over 65 who are senile, but not really mentally ill. Many feel they have been sent to the mental hospitals simply because there was no other place for them to go. Effort will be made to transfer them to nursing homes.

Because people are living longer, the number of Texans over 65 increased 45 per cent between 1950 and 1960. Population increased only 24 per cent.

TALKING BOOKS
A new record was set in August on circulation of "talking books."

These are the albums of phonograph records distributed by the State Library under a federal-state program to aid the blind. Current magazines and popular books are read onto records and distributed free to the blind persons.

During August a total of 6,374 albums of records were distributed. State Library also distributes books in Braille as a part of this service.

GAS
Natural gas continues to be one of the major cash crops of Texas.

Texas Railroad Commission reports that in June, 21,044 gas wells and 125,189 oil wells produced 573 trillion cubic feet of gas. The lion's share, 406 trillion, went into transmission lines.

Of all the gas produced, 28.58 per cent was exported to other states, and 30.59 per cent was carried by pipelines for use in Texas.

The management of Meramec Caverns in Stanton, Mo., has hired dozens of college boys to drive the bats from the cave and then put up a screen to keep them out. They're calling it "Operation Com-bat."

In the 7th Century, the Arabs made their first sweep through all North Africa, even into what is now Morocco. Since it appeared to be the end of the world, they called it Maghreb el Aksa, "the Extreme West-land."

When the Arabs invaded what is now Morocco, they intermarried with the Berbers, and the result was the Moors. The term "Moor" came to be loosely applied not only to those of mixed blood but also to the many Berbers and the few Arabs who remained pure in bloodline.

Tribes in the interior of Morocco still regard the camera as an instrument of the devil to seize and imprison men's souls.

DOUBLE THE EXPOSURE AND MAYBE DOUBLE the school spirit seems to be the idea as Cheerleader Rhonda Neff enthusiastically leads the school body of Hereford High School in their school song at the close of the first pep rally of the new school year. The pep rally was held Friday before the first football game of the 1963 season. (Staff Photo)

Councils, Committees Planning New Program

By Areta Draper
It seems that most everyone was glad to get back in the routine of September. This has been a busier summer than ever and most everyone is wondering where the summer of 1963 went.

The clubs and council are getting plans made for the new year. Two county committees have met and made recommendations for a program of work. Monday all the other council committees will meet to make recommendations to the council and alternates have had the membership. The delegates and alternates have had the training for the state meeting. There will probably be seven from this county to attend.

Jean Beene is in College Station this week for a training meeting for new agents. Extension has a plan that is fairly recent. It is two one-week training periods during the first year of employment. There was a lot to be done with the clubs in September and we really did have to manage to get the work organized so Jean could be gone a week.

Since Jean went to work, there is another plan for training agents. Two counties in the district - Ochiltree and Moore - have been designated as training counties. After an agent has been assigned a county, she or he will be training in one of these counties - the women in Ochiltree and the men in Moore.

It seems to me like a very good plan as I can remember being a new agent going right into a new county. How many times I wished I had had more training!

Charles Higgins was in the office a few weeks ago and we were trying to decide the date to plow Johnson grass to kill it with one plowing. Mrs. J. E. Warrick told me, so, Charles, why don't you write it down. The day before the full moon in July. Mrs. Warrick says that is the date and she can prove it.

To Mrs. Tom Collins: I have misplaced the stole pattern you want to use. If any of you readers have borrowed the stole pattern and still have it, will you please bring it to the office.

Every place I go I hear people talking about needing help with some kind of work. I still wish we could have finished the training for domestic help as almost every day someone mentions that she needs some efficient help in the house. Ruby Lee Hickman with the Texas Employment Service would probably verify that persons need some good help in the house.

Plans are nearing completion for the annual meeting of the Texas Home Demonstration Association in San Antonio, Sept. 17-19.

The Granada Hotel will be headquarters for the statewide meeting.

Registration will get underway the afternoon of Sept. 17 in the Grand Ballroom. The meeting will open with a general assembly at 9 a.m. the following day.

Mrs. George Hackney Jr. of Greenville, THDA president, Mrs. Melton McGhee, immediate past president, and Leota White, District 10 home demonstration agent, will make introductions at the opening session.

Officers who will take part in the program are: Mrs. George Berkley, Odessa, vice president; Mrs. L. M. Parker, Liberty Hill, secretary; and Mrs. Maynard Gaines, Coffman, treasurer.

Extension Service headquarters staff members who are to be on the program Thomas G. Holmg and Bobbie Riney, rural civil defense specialist; Lucille Moore, recreation specialist; Claudia Williams, program specialist, and Miss Bonnie Cox, organization specialist. Mrs. Gladys Kolander, state home demonstration agent also is scheduled to attend.

Bexar County home demonstration club members will act as hostesses for the annual meeting. They invite all conference participants to attend the "Coronation de Bejar" at 7:30 p.m., Tuesday, Sept. 17, in the Grand Ballroom. Other special interest features also being planned during the convention.

Some of the local women who were elected delegates and alternates to go to San Antonio are Mrs. Louie Olson, Mrs. A. E. Hodges, Mrs. Bess Warner, Mrs. C. F. Homfield, Mrs. Raymond Smith and Mrs. Carl Schroeder. There may be others who plan to attend.

The September programs are on housekeeping. This release will interest you:

Industry, government and even armed forces recognize the value of rest breaks for their

personnel, and homemakers may want to take a cue from them, suggests Mrs. Elsie P. Short, Extension Service specialist in home management at Texas A&M University.

A good way to conserve energy is to take a 10-minute rest break each hour, getting completely away from the typical homemaker's day of cooking, dusting, laundering, polishing, furniture, shopping or scrubbing floors. Instead, take the time to sit down, relax or read.

"You'll feel better and accomplish a great deal more when you return to work," Mrs. Short reminds.

Since the 10-minute rest period each hour is something to anticipate eagerly, it will be likely to spur you through your chores the rest of the time. Schedule your work so that you can watch a TV show or listen to your favorite newscast or radio program. This also is a chance to catch up on your reading, the specialist reminds.

"If you are to get the most out of your day, you must do some mental planning in order to do all the things you must do and have the rest periods come at the right time. It's up to you," the specialist reminds.

Merry Maidens 4-H Club Elects New Officers

Lou Ann Witkowski was elected president of the Merry Maidens 4-H Club during their meeting at the First National Bank on Wednesday, Sept. 4.

Other officers elected were Jo Ann Marnell, vice-president; Jane Witkowski, secretary-treasurer; Lynn Fisher, reporter; Connie Walker, song leader; Nancy Fisher, drill leader; Dorothy Marnell, council delegate. Dorothy Marnell, Jo Ann Marnell, and Lou Ann Witkowski were also named junior leaders.

The program for the meeting, introduced by Mrs. Jean Beene, assistant home demonstration agent, was on parliamentary procedure. The speakers were Dick Plank, Maura McAndrews, and Jack Thomas.

Club members divided into three groups, each with a speaker, and skits were used to demonstrate proper methods of introducing a motion, closing a meeting, and presenting committee reports.

Refreshments were served by the hostess and leader, Mrs. F. A. Marnell. New members present were Lynn and Nancy Fisher.

Others present were Patsy Paetzold, Patricia Herr, Dorothy and Jo Ann Marnell, Connie Walker, Thelma Warner, Lou Ann and Jane Witkowski, Mary Ann Vance, Mrs. Wesley Fisher, Mrs. Edward Paetzold, and Mrs. Elbert Vance.

Supper Meeting Begins Year For La Plata Club

The first meeting of the club year for members of La Plata Study Club was Friday, Sept. 6, at the First National Bank. Yearbooks were presented by the yearbook chairman, Mrs. Frank Prowell, and three new members, Mrs. Emil Dettman, Mrs. Phillip Shook, and Mrs. Don Chaney, were welcomed.

Club members were entertained with a supper by the hostesses, Mrs. Prowell, Mrs. LeRoy Aven, and Mrs. Raymond White. Menus listing such items as Billy Goat, Premature Chicken on the Half Shell, Aluminized Spheres, Skinka, Chinese Sky Juice, Flying Saucers, and Lover's Lane were handed guests, who chose without further identification items for each course.

Fifteen of the items listed were foods and the other five were knives, forks, spoons, napkins, and toothpicks. If a member ordered Lover's Lane and Premature Chicken on the Half Shell, she was served for that course deviled egg and a spoon.

One person received for her first course ice cream and a toothpick.

Those present were Mesdames Louis Woodford, Raymond White, Joe Smith, Phillip Shook, T. E. Seiger, A. J. Schreter, Frank Prowell, Lloyd McGee, Ansel McDowell, E. D. Hopson, Jesse Geron, Emil Dettman, Viola Chisholm, Eugene Campbell, Jack Brown, N. D. Bartlett, and LeRoy Aven.
