Robbery Suspect Sentenced To 10 Years In Prison

A 17-year-old Cleveland, Ohio, youth was sentenced to 10 years in the penitentiary after he entered a plea of guilty to charges of robbery Monday in 60th District Court.

The youth, Aaron John Reed, had been indicted by a grand jury for armed robbery.

Reed and a 15-year-old companion are alleged to have robbed a service station at Glenrio. The station is less than a mile inside the county line on U. S. Highway 66.

The boys were captured by New Mexico state law enforcement officers and were returned to Deaf Smith County to face charges.

Gene Godwin of Lubbock appeared to discuss a tailwater and erosion problem. He requested permission to install a "stop-gap" in a hard ditch to divert water into a storage pit.

Appetition was presented by John F. Pate, asking the county to build two miles of road. The road would begin at U. S. Highway 66 two miles east of town and go south for a distance of two miles.

Commissioners asked that such a blanket agreement be drawn up and submitted for approval.

Storm Dumps Heavy Rainfall On City Monday

A heavy thunderstorm, striking the Deaf Smith County area with little warning Monday, dumped up to more than an inch of rain in some sections of the county.

At Hereford Municipal Airport a part of a wind speed measuring device was carried away during the height of the storm.

No other wind damage was, however, reported. The instrument was repaired Tuesday.

The storm added to the city's moisture total for year, brings total rainfall for Hereford to 3.89 inches. This month 2.36 inches of rainfall has been recorded.

Even though the moisture was (Continued on Page 6)

Settlers who helped bring civilization to the Panhandle or who grew up here when it was still "Wild West" country will recall old memories Friday, May 31.

That is the date of the 40th annual meeting of the Mid-Plains Pioneer Association, one of the oldest pioneer groups in the area.

The day-long event will begin at 9 a. m. with registration, conducted by the Hereford Business and Professional Women's Club.

A group of Hereford High School girls will be on hand to extend greetings and to provide information. As the pioneers register, they will be served coffee and doughnuts by local members of the Pioneer Club.

At 10 a. m. in the ballroom, association president Fred Baird of Hereford will call the meeting to order. The Rev. Russell A. Wingert, pastor of the Presbyterian Church, will offer the invocation.

Mrs. Audrey Thompson of Hereford will officially welcome the visitors to Hereford and to the meeting. The response will be given by Mrs. Una Hutcherson of Amarillo.

During the business session, Mrs. Mary King will read the minutes and present the treasurer's report.

An election of officers for the 1963-64 year also will be conducted during the business meeting.

At noon, there will be a buffet basket lunch. Hereford members of the association are asked to bring the food. Out of town visitors will be guests for the luncheon. Dinners and drinks will be provided.

The period after lunch will be very informal as old timers relax and visit, renewing old friendships and recalling days when the Panhandle was still a primitive and almost unpopulated place.

Attendance chairman W. I. Harris has been busy the past few weeks sending out letters and making contacts in order that a large number of pioneers will be on hand.

There will be other features on the program, but they are being kept for a surprise for the pioneers when they gather.

A Hereford man was released on \$200 bond Tuesday as charges of misdemeanor theft were filed against him in Deaf Smith County Court, Judge H. C. Williams presiding.

Charged with the offense was Roosevelt Berry, 46, who lives at a local tourist court. He was arrested Friday by a deputy sheriff.

Girl Gets Head Injury When Hit By Automobile

A four-year-old Hereford girl was seriously injured here late Tuesday morning as she ran in front of an oncoming automobile in the 700 block of Miles St.

Injured in the accident was Donna Lyn Hamilton, daughter of Mr. and Mrs. Don Hamilton, 708 Miles.

A Deaf Smith County Hospital spokesman reported that the child "seemed to be in satisfactory condition" late Wednesday morning.

The child's condition was improving, stated the spokesman. The spokesman added that Donna Lyn had a fractured skull, several cuts behind her ear and was bruised.

According to Hereford Police Department, the accident occurred about 11 a. m. at 708 Miles.

The child is reported to have run out from behind a pick-up parked in front of the home and into the street.

An automobile driven by Mrs. Linda Reed May, 19, Route 2, Friona, struck the four-year-old girl with the left front bumper. The vehicle was headed north.

It was reported by investigating officers that the May automobile was traveling at about 10 to 12 miles per hour before the accident occurred.

No tickets were issued by investigating officers. The youngster was taken to Deaf Smith County Hospital by a Gilliland Funeral Home ambulance.

Hereford Lions Club is preparing for its newest activity—a public auction to be held in Deaf Smith County Bull Barn beginning at 8 p. m. Saturday.

Funds from the auction will be donated to High Plains Eye Bank, according to Lions Club president Ed Skypala.

Skypala urged all area residents who have anything at all to sell to bring it to the Bull Barn for the sale. Articles will be accepted beginning Friday at the barn and on Saturday until the auction starts. Both new and used items will be auctioned.

Auctioneers for the event will be T. G. Hudson Jr. and Joe Yonkum, both of Clovis.

 Graduation has come and gone. High school parties are over for the seniors '63, but it will be only a start for the seniors '64. The seniors' last regular day of school was Monday, May 20. A person has never seen so many happy students in his life.

To celebrate this glorious event, Kay Seamands had a slumberless slumber party Wednesday, May 22, at her home. Those attending the affair were: Sandra Vaught, Suzanna Higgins, Diana Robertson, Audri Miller, Heather Gordon, and Janie McBroom.

Kay also revealed her plans for the summer. Her summer vacation looks as if it is going to be one big joy trip. The first part of June, Kay and her family are going to Iowa City, Iowa, visiting friends and relatives. In August, Kay plans to visit in Hawaii.

I would like to congratulate all of the award and scholarship winners that were recognized Friday night at the commencement exercises. Martha Wiltshire received the Future Nurse's scholarship; Anna Evans and Alyce McClain, the Tri-Hi-Y scholarship; Jim Grubbs, the Kiwanis Club scholarship; Aurora de la Cerda, the Beta Sigma Phi scholarship; Donald Payne, the Lion's Club scholarship; Gary Kendrick, business men's scholarship; Wain Miller, Hereford Brand scholarship; and Joanne Carlson, Hereford Texas Credit Union scholarship. Connie Kent received a trophy for top scholastic student. Charles Mirns was named best-all-around senior student by the Hereford High School faculty.

Following the commencement ceremonies was the traditional Senior Party at the Community Center. There was a dance which lasted until 2 a. m. Saturday. The music was presented by the Nitrons from Canyon. Games of all kinds were being played in the other rooms.

From 2 a. m. to 3:45 a. m. the seniors and guests were entertained with a movie, "It Happened At The World's Fair". Breakfast prepared by the

senior mothers, was served at the early hour — or should I say late hour — of 4 a. m. Everyone was at liberty to go home after that; some did just that for a nice long day of sleep while others were seen late in the day at the pool hall still on their feet.

Friday night was filled with fun for the girls' seventh grade Sunday School of the Avenue Baptist Church. These girls had a fabulous time on a hayride. Riding in and around the city were Reva Shelton, Chris James, Kay Neill, Rita Williams and Linda Short.

Has anyone seen Janie McBroom since Friday night? There seems to be something wrong with her left hand. Something new has been added like an engagement ring given to her by Joe Carthel. I'm not sure of her future plans, but will keep you posted.

Speaking of something new, Gayle Newell has just become an aunt. Her niece arrived to parents Marilyn and Bill Calloway on Friday night.

The students of Hereford High School would like to say "Howdy" and give a warm Texas welcome to the family of Heather Gordon, Mrs. Barney Gordon and Andrew and Russell came all the way to Hereford to attend the graduation of daughter and sister. They will remain in Hereford until Heather

leaves on her nation-wide tour. I hope they will enjoy their stay in Hereford as much as we in Hereford have enjoyed Heather's year here.

Exes are beginning to wander back to the old home town after a school term ends for the summer. Sandra Robertson, who is attending Baylor University, brought a houseguest, Sandy Mills of Gatesville, Tex.

Girls, do you have a problem in keeping up with the boys on Sunday afternoon? Let me give you a hint: if they are cowboys or remotely interested in livestock, they can be found at the roping arena at Larry Nolan's home at Summerfield. Dan Thomas told me there were a hundred ropers, give or take a few, at the Nolan's farm Sunday afternoon. Bear this in mind girls.

The Junior High dancers had a record hop on Saturday night and got the vacation off to a good start by having a good turn-out.

Giants Edge Cards In Seven Innings

An error and two passed balls enabled the Giants to remain undefeated in Little League major action Tuesday night. They used the miscos to down the Cardinals 6-5 in a seven-inning affair.

For a time it seemed the Cards would knock off the undefeated Giants as they held a 5-1 lead. But errors enabled the Giants to tie the game 5-5 in the fifth and hold on for a win.

Both teams were scoreless until the top of the third, when the Cardinals pushed across one run on a fielder's choice, a stolen base, a balk and a passed ball.

The Giants tied the score in the last of the third on an error, two passed balls and a single.

In the fourth, the Cardinals put together a rally for four runs and a substantial lead. They scored on three errors, two fielders' choices and two singles.

The Giants managed one run in the fourth on two singles and a double.

Spring activities in all branches of Camp Fire continued during the past week with a number of groups holding ceremonies and receiving certificates for completion of another rank.

The Wanaka group, 13 in number and directed by Mrs. Aubrey Hodges and Mrs. J. R. Euler, held their Woodgatherers ceremonial with the presentation of certificates highlighting the affair. The girls have also recently completed the cooking school offered by Southwestern Public Service Company. As a finale of this activity they had their mothers as guests at a tea.

Trailseeker certificates went to Vicki Lee, Laura Pierce, Laura Fuston, Karen Owens, Karen Kendrick, Karen Kearns, Cathy Doughman, Carol Newman, and Sharon Pulliam on last Friday with services were held at the Camp Fire hut.

Mrs. Bob Doughman is leader of the Yinis group and was in charge of the presentation of honor beads and certificates. The ceremony was conducted by candlelight. Parents were special guests for the affair.

The Lola group of junior high girls, directed by Mrs. Gordon Elliott, is moving toward completion of group Torchbearer rank. On Monday they held an all-day affair in a local park as they finished work on the Fagot Finder phase of outdoor activities.

Friday the girls will go to Canyon where a sports and games day complete with swimming and horseback riding has

been mapped out. This will mark the end of the group's Torchbearer requirements. During the summer the various girls will apply themselves to individual torchbearer work.

The Friendship Room of the First National Bank was the setting for "graduation" activities of the Watowa group, headed by Mrs. Bill Waldrep and Mrs. Glen Hopson, as 14 first-year Camp Fire girls received Trailseeker certificates.

Parents and other special guests were on hand for the occasion.

Second graders who make up the Humming Blue Bird group boarded the Santa Fe's streamliner at Hereford on Monday for a trip to Clovis, N. M. In Clovis they were met by mothers of the group, who had driven over in cars. The day was spent in making visits to various interesting businesses in Clovis with lunch being enjoyed in the park. The girls returned home by car.

The Wa Cun Ya girls discovered that growing up involves responsibility, when they decided to complete their Trail Maker work in outdoor living. One requirement is that the girls take a responsible part in improving public property and taking the view that charity begins at home — laid plans to put in a perennial flower bed plus general improvements around the Camp Fire hut.

On Sunday night the girls set up overnight camp in the backyard of the John Gooch home and cooked their first of three outdoor meals. They spent the evening viewing camp films and slides of past events.

At the hut on Monday the girls completed work on the flower bed, put a second coat of paint on doors and sills; dug dandelions, picked up trash — and then stood off to admire their work only to discover that one thing leads to another. There is still much work to be done around the Camp Fire property. Concluding their "camp-out", the girls laid plans for summer activities.

Dates for summer Camp Fire camp were announced recently, and registration has been going on at the local office. Mrs. Philip Barkley, executive secretary of Camp Fire Council, reported Monday that the first week of camp, July 22 - 27, is "full". No more registrations will be accepted for that period.

However, there are still openings for the second week of camp, July 29 through Aug. 3. Advance registration is \$5 per girl, Mrs. Barkley said. Total

Mrs. Hollingsworth To Attend Grand Lodge Convention

A graduation shower for the senior girl sponsored by the Benevolent Patriotic Order of the Does, Hereford Drive 176, preceded a buffet salad supper at the Elks Lodge on May 8.

During the regular business meeting on May 13, plans were completed for the president of the group, Mrs. Carl Hollingsworth, to attend the Grand Lodge Convention, which will be held in the Biltmore Hotel in Los Angeles, Cal., from June 8 - 14.

Reports from all committees were heard. The ways and means committee announced plans for a rummage sale during the month of June.

Those present for the meeting were Mesdames Carl Hollingsworth, Richard Clark, John Cooper, Earl Evans, Kenneth Gooch, Howard Gore, Bud Hopson, Ray Howell, Kenneth Kelly, Ralph McCullough, Harold Miller, Jack Mitchell, John Schneider, Wallace Shelton, Ray Smith, C. C. Williams, Neal Young, and Don Chesser.

AUSTIN HIGHLIGHTS

Committee Of 25 Selected To Study Higher Education

By Vern Stanford
Members of Gov. John Connally's "Committee of 25" -- to study education beyond the high school -- have only one thing in common...they're all Texans.

Twenty-three, however, have something else in common -- they are college graduates. Ten hold master's degrees and five have doctorates.

Eight have something else in common -- they attended Connally's alma mater, The University of Texas.

Other than that, their backgrounds vary. Included are lawyers, bankers, contractors, telephone company executives, oil men, engineers, a district judge, a hospital administrator and educators.

Committee is composed of: George R. Brown, Martin Burns, Morgan J. Davis, and Mrs. Ray L. Dudley of Houston. Also, James H. Dunn and Mrs. Albert B. Martin of Amarillo; John Erik Jonsson, Willis M. Tate and Gifford K. Johnson of Dallas.

Austinites are Vernon McDaniel, J.M. Odom and Dr. Harry H. Ransom. Other include Sister Mary Vicent O'Donnell and Elmer Zachry of San Antonio; H. B. H. Danner, San Angelo; Jenkins Garrett, Fort Worth; and Judge Reynaldo G. Garza, Brownsville.

Also, John E. Gray, Beaumont; H. H. Imray, Longview; B. W. Jones, Corsicana; Dr. Abner McCall, Waco; Dr. Earl Rudder, College Station; Tom Sealy, Midland; M. Harvey Weil, Corpus Christi; and Dr. Dossie M. Wiggins, Lubbock.

ODESSA OUT
The expected bumper crop of college students in 1963 will have two more state colleges to choose from. Angelo State College in San Angelo and Pan American College in Edinburg join the state-supported system in the fall of 1963.

where judges get only \$12,000 or a slight supplement have battled every bill that called for increased pay. Some increases would have run as high as \$20,000 a year. Rural members argue that judicial salaries like that cause too much competition.

Rep. Maurice Pipkin of Brownsville noted that creation of a new Court of Civil Appeals in Corpus Christi and the opening of three justice jobs at \$15,000 caused a flood of applications.

Rep. Grainger McIlhenny of Wheeler, author of the bill, noted that present law limits a hard metals prospector to 40 acres.

State agencies are moving deeper into the field of stopping oilfield pollution of fresh water strata.

Indians Win In Pony League's Season Opener

Hereford Pony League baseball season got underway Tuesday, one day late because of rain. The Indians beat the Red Sox 6-3 in an interesting contest that saw the pitchers tougher than the hitters.

There was no score until the second. The Indians picked up two runs on two walks, a wild pitch and a passed ball. The Red Sox matched that with a pair of runs on an error, three walks, a single, two stolen bases and a passed ball.

That was the way it stayed until the fourth, when the Tribe got two more runs. These came on two walks, a balk, the first Indian hit -- a single -- and two passed balls. The Indians added another in the fifth on an error, a stolen base and a single.

Felix Albiar and Bill Watts teamed up to limit the Red Sox to three runs on two hits. Albiar struck out four and Watts 16 during the game.

OFF THE Shelf

BY H. A. TUCK

Our reading tends toward subjects in bunches. That is, for a time we read two or three books about war, then turn to a pair of romantic novels or a couple of selections on southwest history. Last week, our book was about a married couple who went to Tahiti on board a luxury liner.

This week our reading took us back to Tahiti, but in a far different manner. A 20-foot sailboat was the transportation this time.

Peter Hamilton left a British military career, lacking just five years to be eligible for his pension. He was obsessed with a dream of sailing around the world in a small boat. After considerable searching, he found one which suited him... and his purse.

From the large ships of the Royal Navy, he made the transformation to become the skipper and entire crew of the Salmo. About the same time, he fell in love with an enticing girl from London.

Unshaken by this unexpected turn of events, he carried on. Unable to find a crew, he sat sail from Scotland and single-handedly took his boat to Labrador. Hurrying, he flew back to England, married Jill and returned with her to Canada and his boat.

As Hamilton has decided about small boat sailing, "If you want a good crew, then you should marry her!"

They spent the winter in Canada, writing articles and making arrangements for further literary sales as they went on with their trip. The Hamiltons had one narrow escape after another as they tried to get back to the Atlantic through the ice-packed St. Lawrence River.

This accomplished, they sailed down the coast of America to the Panama Canal. They astonished the authorities no end by demonstrating that they had no engine. So they were towed through the Canal and headed southwest after finding that a large bamboo pole is not sufficient to hold up a small boat while the undersides are painted and scraped.

Their navigation was nothing short of phenomenal as they hit one tiny speck after another. They spent some time in the Galapagos Islands.

Next destination was Tahiti, which they sighted after five almost endless days of rough seas. Their descriptions of the town and islands are far different from those recorded by H. Allen Smith in his *Two Thirds of a Coconut Tree*. But both authors agreed that the island is well worth visiting.

They intended to head westward again, but Jill became pregnant and they had to make other plans. After discarding the advice of a doctor for Jill to sail away on a tourist ship, they pointed toward Los Angeles as the next destination.

After 47 days at sea, they sailed between two islands off the California coast; that was what their navigation had intended, but they hadn't planned on doing it in a dense fog.

Once tied up, they found that dickering with a Hollywood producer for rights to their 28 reels of film was almost as unnerving as losing a mainsail in mid-ocean. But sold it was to Jack Douglas for his famous *Bold Journey* series.

They also sold their boat and flew back to England after a journey of more than a year and more than half the globe. Their ambition was not quite fulfilled, but they had experienced a rare thrill.

Hamilton offers some advice for would-be small boat ocean sailors. The first and most difficult part, he contends, is actually making the decision to go and then getting underway. He firmly believes that the boat is more important than its equipment. For instance, he says if you don't have an engine, you don't have any holes in the hull which might lead and you don't have to have a large space to stow fuel and spare parts.

If you don't have a radio, you don't have to panic over gloomy weather forecasts or worry about generators or batteries.

But the biggest problem in ocean sailing is not in the equipment, but in the crew. So if you are determined to make such a trip, the best way to get a good crew is to marry her.

The book, by the way, is entitled *The Restless Wind* and may be found on the non-fiction shelf at the Deaf Smith County library.

Storm...

(Continued from page 1) badly needed on croplands and pastures, much of the rain has fallen too late to benefit dryland wheat.

Much of the crop has already been plowed up. The remainder of the crop is expected to average only between 10 - 15 bushels per acre.

Irrigated wheat crop is in much better shape. Some grain, cotton, and potatoes were severely damaged by a heavy hailstorm which hit the area about 10 days ago.

With the heavy rains in the dryland sections of the county, farmers in these areas are beginning to plant grain sorghum.

VISIT PARENTS

The Rev. and Mrs. Bill Hindman and Mark were visiting her parents, Mr. and Mrs. W. H. Thompson, last week. They are from Kemp, Tex.

Paul Artho, 68, Dies Wednesday

Paul C. Artho, 68, died about 9 a. m. Wednesday, May 29, at his home near Dawn. He was a retired farmer.

Mr. Artho was born Jan. 1, 1895, in Switzerland. He became a citizen of the United States shortly after his arrival in this country at the age of 17. He came to Deaf Smith County about 1914 and was married for the second time to Miss Mary Reoden in 1930.

He is survived by seven sons, Elroy, Wildorado, Harvey, Umbarger, Leo, Umbarger, Joe, Dimmitt, Willie, Umbarger, Kenneth, Hereford, and Andy, Dawn; five daughters, Mrs. John Wieck, Umbarger, Mrs. Elmer Reinart, Hereford, Mrs. John Birkenfeld, Hereford, Mrs. Eugene Fangman, Vega, and Garcia Artho of the home, and 53 grandchildren.

(Continued from page 1) already have been approved for the project, totalling \$100,000. The expansion will include construction of an all purpose room for use as auditorium, cafeteria and gymnasium, plus remodeling of part of the existing building.

Commissioners gave their approval and asked that the board call for bids.

Hazel Rayburn was hired to work each morning in the county welfare office. She will replace Corinne Neely, who had been assisting with welfare, office work, in addition to her duties as Red Cross secretary. Mrs. Neely had asked that a replacement be found.

A county road west of Hereford will be moved several hundred feet to get it on higher ground. Charles Bell discussed a straight life insurance group program for county employees. Commissioners generally favored the proposal, but said they would discuss the plan with county employees before taking final action.

Tom McFarland, manager of the High Plains Underground Water Conservation District, discussed action taken by the district recently in Farmer County to reduce waste irrigation water. He also showed color slides of work done there. Finally, he asked permission to install wires in some hardhitches in Deaf Smith County to measure water flow and to encourage water conservation. Permission was granted.

Pony League baseball players will begin selling magazines on Saturday, June 1, to raise funds to operate the baseball program. They will be working through Curtis Publications and will be wearing their uniforms.

We would like to welcome here all the visiting pioneers, who are back for the 40th annual meeting of the Mid-Plains Pioneer Association.

While I wouldn't want to undergo their daily hardships in settling this country, I do envy their foresight and courage that provided the foundation for such a wonderful area.

The wind that accompanied a rain here Monday evening really was vicious. It toppled a pile of brick at a construction site, among other things. But it also socked off a cast-iron cap from atop a light pole in front of the First Baptist Church. There seems to have been some evidence that the wind was twisting a bit in places. Anyhow, we have reformed the North Avenue J. Cloud - Watchers Society, with frequent meetings through the rest of the summer. We understand that Paul Stevens heads a similar group over on Sunset.

Pony League president B. F. Cain said that his group was not planning to have any make-up games until the season was finished. We joined B. F. and a lot of boys who were disappointed that the formal Pony League opening couldn't be held.

SUMMER PLANS

Katherine McClain, daughter of Mrs. Vinita McClain of Dawn, will be working in Amarillo this summer. She also plans to attend night classes at Amarillo Junior College. Katherine will be living with her sister, Mrs. Darlene Moore.

SUMMER PLANS

Lavonne Thompson, daughter of Mr. and Mrs. W. H. Thompson, has recently returned home from Waco where she is a student at Baylor University. She will be working at Hereford Produce and Supply as a bookkeeper and typist later this summer.

SUMMER PLANS

Curtis Crowell, son of Mr. and Mrs. Charles E. Crowell, will be working at Cooper's Market this summer. He attends school at West Texas State University.

It was at an early date that these pioneers great saw the future of these plains. While most thought them insane!

THREE DAYS OF intense concentration resulted in a number of outstanding golf shots during the third annual "Golf Begins at 40" tournament on John Pitman Municipal Golf Course. Such tee shots as this were not uncommon during the meet, which at-

tracted golfers from a wide area. Only limitation was that they must have passed their 40th birthday. The course was wet Friday after a drenching downpour, but was excellent Saturday and Sunday. (Staff Photo)

Wind And Rain Have Mixed Results

A sturdy fence was uprooted by high winds Monday.

Heavy rains during the past week have broken near-drought conditions, but with the moisture came some problems. The first rain brought a torrent of water down Tierra Blanca Creek, covering roads and scattering debris along the waterway. The second rain, accompanied by high wind and lightning, broke tree limbs, toppled some trees and created some damage as it swept across the Panhandle.

An outdoor telephone booth was toppled.

Construction work was slowed by the downpour.

Normally placid Tierra Blanca Creek overflowed its banks.

It oozed across a road, then covered paving to a depth of several feet.

WHILE 100 SENIORS look on, the 101st in the 1963 graduating class receives his diploma from Hereford Independent School District board president, Dr. L. B. Barnett. Commencement services were held Friday evening in the high school auditorium, witnessed by an overflow crowd of parents, relatives and friends.

By Melvin Young
Eleven prominent Americans recently received the coveted Horatio Alger Awards in ceremonies held at the Waldorf-Astoria Hotel in New York, N. Y. The awards are presented to those who have overcome humble beginnings to achieve success in their chosen fields.

Included in the 1963 winners was C. R. Anthony, president and chairman of the board of C. R. Anthony Co. The Oklahoma City merchant was orphaned at the age of 12 and forced to leave school and work as a farm hand. But due to his determination, he managed to further his education through a business college, working to support himself and at the same time completing a three year course in only 13 months. After a couple of failures in business, C. R. came back to establish what later became one of the larger dry goods chains in our nation today. The small firm weathered many business storms and today is a \$20 million corporation.

The above story, of course, is just one of many, for throughout this great nation of ours, men of humble beginnings continue to rise above their environment and become outstanding leaders in their fields of endeavor. We hope that it will always be so.

Visited briefly Saturday morning with C. W. (Bill) Bowman, former Hereford resident. Bill was in town picking up some hardware for the farm. The Bowmans left Hereford early last year and moved to Bovina where they are engaged in farming.

Frank Beznar came up with the best story we have heard concerning the defeated wheat referendum. Frank was sitting next to a couple of gentlemen in the doctor's office when the conversation turned to the referendum. Both gentlemen were in agreement that the program should have gone down to defeat since the federal government had no place trying to run the farmers business. Both

had approximately forty acres wheat allotment under the old program. But when the conversation suddenly turned to cotton (both having substantial cotton acreage) and Frank suggested that the government should get out of this program also, the tide turned. "They can't do that," says one farmer, "it'll break us all."

The Hereford Lions Club will hold a public auction this Saturday, June 1, starting at 8 p. m. Articles consigned to the auction will be sold on a commission basis. New or used articles may be submitted any time Friday afternoon or all day Saturday. The sale will be held at the Bull Barn.

Participates In Joint Air Force Army Exercise

Army Specialist Four James L. Stayton, 24, son of Mr. and Mrs. L. F. Stayton, 305 Jowell, participated with other members of the 4th Infantry Division in Exercise Coulee Crest, a 15-day U. S. Army - Air Force Strike Command operation at Yakima, Wash., Firing Center.

Coulee Crest was the first Strike Command exercise in the western part of the United States and featured battles for air superiority and live-fire maneuvers between two Army divisions.

Specialist Stayton, a fire direction center chart operator in Company E of the division's 1st Battle Group, 8th Infantry at Fort Lewis, Wash., entered the Army in October 1961 and received basic training at Fort Carson, Colo.

Stayton was graduated from Hereford High School in 1958 and was employed by Amarillo Coca-Cola Bottling Company before entering the Army. His wife, Lynda, lives in Tacoma, Wash.

J. R. Oglesby, Brand circulation manager, and Burke Inman Jr. have just returned from a fishing expedition to Lake Kemp. J. R. reports that the fishing was real good. "Don't know how much the fish weighed," says J. R., "But we photographed one and the picture weighed 24 pounds."

Which reminds us of the story that Claude McClure was telling around the drug store Monday. Claude says the worst tornado he has ever seen blew away his barn and a few layers of dirt underneath. "But the odd part about it," says Claude, "is that it left the rat holes sticking up."

Apparently the wind was a little rough in Hereford Monday night, tearing down a fence or two and uprooting at least one tree that we know of. But as far as we can determine, it

didn't leave any rat holes sticking out about the ground.

Stan Knox informs us that he is in desperate need of umpires as well as people to work the public address system for this year's Pony League schedule. From experience, we know it's hard to get enough help to keep the programs going. If you can help, let Stan know. If he's filled up by that time then we'd suggest that you contact Ted Higgins, Debbs Knox and others who are working with the Little League program. We're sure they'll find a spot for you.

Postmaster Nolan Grady is giving us a bad time again. The postoffice recently constructed a sign on the lawn mimicking one of the leading detergent TV advertisements, and pointing out the need for mailbox improvement all over the county. Nolan, of course,

wanted a picture of the display on the front page of the Brand. And we must admit that the display was pretty good; however, we believe he has given up on the publicity angle and taken it down.

The Committee to Restore Constitutional Government has rescheduled its meeting for Monday, June 3, at the Community Center. The regular meeting for this past Monday night was rained out. Meeting time will be 8 p. m. according to Jess Carter, president of the group.

A Delaware pony farm now advertises its wares as "Compact Horses".

How did a professor defend his custom of borrowing money from other members of the faculty? He said he was working his way through colleagues.

VISIT NEW MEXICO

Brenda Beasley and Shari Prowell left for Las Cruces, N. M., on Sunday May 26, to visit Shari's grandmother. They planned to return to Hereford on Wednesday, May 29, so they will have time to get ready for summer school. Both girls plan to attend summer classes at West Texas State College in Canyon.

VISITS FROM CALIFORNIA

Mrs. L. M. Barnhart of Central Valley, Cal., is visiting with her sister, Mrs. G. E. Finkerton, and her niece, Mrs. Ruth Coleman, Route 2, Friona.

VISIT PARENTS

Mr. and Mrs. Dan McDowell are visiting their parents, Mr. and Mrs. Ansel McDowell and Mr. and Mrs. Joe G. Story. Al-

ter a short visit in Hereford the couple will attend summer school at Texas Tech.

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media

Don't you read before you buy?

Most people do. They count on advertising in print to give them the information they want on products that interest them—information on features... designs... and prices, for example. People not only read about products and services, they show ads to their family and friends; they clip coupons for information and samples; they tear out ads to take along when they go shopping.

When you add it all up, print advertising—the kind you read in the pages of this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sales. Most people read—and then buy. Don't you?

In Memoriam

They have not died in vain... those who paid with their lives the last full
 measure. Today, Memorial Day, is the day to remember Lexington, Gettysburg,
 Santiago Bay, Chateau Thierry, Coral Sea, Okinawa, Palermo, Normandy and
 Korea. We need only to look at the cemeteries of the world to
 realize the supreme sacrifice that was called for, that we might be
 secure. It called for the giving of life itself for many a man; for untold sorrow
 and heartache for friends and loved ones. As they bravely
 died, so we must bravely live. God has a destiny for us, for America,
 and only eyes of faith can read that destiny. Each drop of blood
 spilled from Bunker Hill to Iwo Jima, is a deposit in the bank of our
 country. One hundred sixty-five million Americans can do no less
 than dedicate ourselves anew. With our Alabaster Ointment of
 thankfulness, let us nobly remember those who laid themselves
 between our country and her foes. This is Memorial Day.

LET'S COOK SOMETHING!

Mrs. H. H. Miller Among Busiest People Last Week

By Dale Stevens
Brand Society Editor

Around the end of the school year, most people are busier than usual. Perhaps the leading candidate for the title of "Busiest Person" would be Mrs. H. H. Miller of Dawn.

A partial list of her activities during the past week includes two major events in the life of any family. The Millers' daughter, Audri, graduated from Hereford High School. Their son, Jon David, was confirmed in the Lutheran Church in Amarillo.

In connection with these two events, Mrs. Miller was preparing to entertain 20 guests for Sunday dinner after teaching her Sunday school class and attending church services. She planned a menu of oven-broiled chicken, potato salad, fresh vegetable plate, Italian bread, a Silver White Cake and a Chocolate Midnight Cake, and home-made ice cream.

These things would be enough to panic most women. But they were only the beginning for Mrs. Miller, who completed her regular duties as supervisor of the cafeteria at Dawn Elementary School. She prepared a pie for Heather Gordon's family, who arrived Friday from Johannesburg, South Africa, sandwiches for the senior party, and cookies for the Dawn PTO party.

As Educational Relations Chairman for the Red Cross, Mrs. Miller presented Red Cross awards at the Hereford High School on Monday and at Central Elementary School and Stanton Junior High School on Tuesday. Somehow on Thursday, she found time to be interviewed by the Brand.

Life is not always so complicated for Mrs. Miller. When it is not quite so hectic, she works in her yard, helps with 4-H clubs, and cooks the favorite dishes of her family. She says that Mrs. Dorothea Prowell has taught her a great deal through her 4-H work. The recipes for the pizza are among those she has collected from Mrs. Prowell.

Two other favorite sources of recipes used by Mrs. Miller are "7-6 cookbooks," "Scandinavian Recipes and Victory Cook Book," the latter compiled by the Ladies' Aid Society of the Victory Lutheran Church of Minneapolis, Minn.

Her interest in Scandinavian recipes is natural, as she was born and reared in the Oslo Community in Hansford County and was an Olsen before her marriage. The recipes for Krumkake and Sour Cream Pie were taken from the two cookbooks.

Quick Flava
2 cups basic quick mix
1/2 cup water
Combine to make dough.
1 pound sausage or hamburger
1/8 t. thyme
1/8 t. powdered garlic
1 cup shredded cheese
1 cup drained whole tomatoes (cooked)

Brown meat in skillet. Pour off drippings. Add seasoning. Spread filling over dough which has been rolled out to fit a pie pan. Cover with cheese and top with tomatoes. Bake at 450 degrees for 25 minutes.

Basic Quick Mix for Flava
8 cups sifted flour
2 t. salt
1 cup non-fat dry milk
1/2 cup baking powder
1 3/4 cup shortening

8 white onions peeled
1/2 t. paprika
1 cup canned tomatoes
1 cup bread crumbs
1 t. salt
4 T. melted butter
1 cup water
1/2 cup grated cheese
Cook onions in salted water for 15 minutes. Mix crumbs, salt, paprika, and butter and sprinkle over onions in a casserole. Add tomatoes and water. Bake in moderate oven (350 - 375 degrees) for 30 minutes. Before removing from oven, sprinkle with cheese and bake until melted.

1 cup sour cream
1 cup sugar
1 cup seedless raisins
1 T. flour
1 T. butter
1 t. cinnamon
1/2 t. cloves

Put sugar in sauce pan; add flour, spices, vanilla, beaten yolks of eggs, butter, and sour cream; stir well. Add raisins and boil until thick over low fire. Put in baked crust, cover with meringue, and bake until browned.

Krumkake (Rolled Wafers)
Sift together one cup flour (heaping) and 1/2 t. cinnamon. Add one cup sugar gradually to four well-beaten eggs; Beat

three minutes. Add one cup melted butter. Gradually add the flour mixture to the egg mixture. Put one tablespoon batter into Krumkake iron. Cook over a medium heat one or two minutes. Roll around iron while cookie is still hot. Since it is very fragile, this must be done with care. Fill with whipped cream, ice cream, jello or cream filling.

Banana Nut Cake
1 1/2 cups sugar

3 eggs
6 T. buttermilk
1 1/2 t. soda

REP. ROGERS WRITES

New Wheat Legislation For 1964 Crop Unlikely

TO THE PEOPLE OF THE 18TH DISTRICT:

The majority of the nation's wheat growers, by their resounding "no" vote in the Wheat Referendum last week, have turned thumbs down on

high wheat prices through rigid, federally - enforced controls.

Will wheat prices be depressed seriously? Will a wheat glut develop? These questions remain to be answered.

The farmers had the choice of programs. If the alternative they chose works satisfactorily — and I believe that, in view of the vote by the farmers themselves, it deserves a fair trial — no further wheat program will be necessary.

In advance of Tuesday's referendum, I made it clear to farmers in our district that they should study all the facts before making a decision. I also notified them of my belief that no interim wheat legislation

could be expected from Congress this year should the referendum fail to carry.

Already, some of those who strongly opposed a "yes" vote in the referendum are saying they believe Congress will provide new wheat legislation before this Session ends.

I'm afraid they've misread the mood of the Congress, which had set up the enabling legislation under which the defeated program was proposed to the wheat growers, and also the primary political orientation of most Members of Congress.

Most Congressmen are from urban areas. My Texas colleague in Congress, Bob Poage, the chairman of the Livestock and Feed Grains Subcommittee of the House Committee on Agriculture, estimates that not more than 6 per cent of Members of Congress are from major wheat producing areas.

That Congress is so heavily weighted to urban areas reflects the dramatic shift in our population over the last few years. The powerful "farm bloc" of the 1950's has been succeeded by a strong "big city bloc." Its power to control the course of legislation is growing stronger.

A study last year showed that 300 Congressional districts are urban, 137 are rural. By sections, the breakdown is as follows: South, 58 urban, 62 rural; East, 109 urban, 20 rural; Midwest, 84 urban, 45 rural; West, 69 urban, 10 rural.

As you can see, farm legislation must have the support of city Congressmen in order to win approval. Such is their strength in numbers, in both parties.

I've discussed the situation with colleagues from big city districts. They are not now inclined to support any new wheat legislation this year. They say that if farm income suffers drastically and supplies of wheat become excessive, the Secretary of Agriculture is obligated by law to take action. He is required to establish a marketing quota for wheat and call a new referendum for no later than June 13, 1964, to establish the program for the 1965 crop.

City Congressmen realize, however, that it is an obligation of government to help prevent economic calamity. If the approval of a program calling for loose controls and low price supports threatens disaster for a substantial portion of rural America, I feel confident that these Members of Congress will be receptive to corrective proposals. It may well be that the

next few months will find Congress engaged in a serious re-examination of methods of wheat production, controls, and support prices. Those of us who represent major wheat production areas will watch the situation very closely. We will do all we can to see that injustices against wheat farmers by other segments of the economy are forestalled.

"I am not too much of a preacher..." So said Astronaut L. Gordon Cooper as he spoke Tuesday before a joint meeting of the House and Senate. Here are the words of the magnificent prayer he said while in the 11th orbit of his flight:

"I would like to take this time to say a little prayer for all the people, including myself, involved in this launch operation."

"Father, thank You, especially for letting me fly this flight. Thank You for the privilege of being able to be in this position; to be up in this wonderful place, seeing all these things You have created."

"Help guide and direct all of us that we may shape our lives to be much better Christians, trying to help one another, and to work with one another rather than fighting and bickering."

"Help us to complete this mission successfully."

"Help us in our future, space endeavors that we may show the world that a democracy really can compete, and still be able to do things in a big way, and are able to do research, development, and can conduct many scientific and very technical programs."

"Be with all our families. Give them guidance and encouragement, and let them know that everything will be OK."

"We ask in Thy name. Amen."

Kendrick Hurls Latinos To 5-1 Win At Lamesa

With Gary Kendrick still pitching low-hit games, the Hereford Latinos are continuing to win. They defeated the Lamesa Indians there Sunday afternoon 5-1 as Kendrick gave up just three hits, all singles.

After the first couple of innings, the Latinos never were in trouble. They started off with a trio of singles to drive in one run in the first inning. The Indians went down in order, with two strike-outs recorded.

Minor Braves, Dodgers Garner Wins Friday

Only Little League games played Friday evening were minor league contests. The Braves beat the Pirates 13-9 in one game while the Dodgers were romping over the Athletics 25-4 in the other.

The Braves lost little time as they pushed across nine runs in the first inning and held the Pirates scoreless. The Braves went down in order in the second, but the Pirates got one run in.

In the third, the Braves added on three more, but the Pirates got five runs to narrow the gap somewhat. Last Brave run came in the fourth. The Pirates tried to rally in the fifth, but could garner just three runs.

Steve Vines and Greg Bullard pitched for the Braves. Hurling for the Pirates were Noyes and Burgess.

In the other game, the Dodgers simply outclassed the Athletics. The Dodgers put the A's down in order, then swarmed for five runs. The Athletics picked up three runs in the second, leaving just two scores between the teams.

But the Dodgers cut loose for five more runs. The Athletics got their last run in the third. The Dodgers then had a field day, scoring ten runs in the bottom of the third. They added five more in the last of the fourth after holding their opponents without a run.

Daniel Beversdorf and Johnny Gooch pitched for the Dodgers. Working on the mound for the Athletics were Mike Brunley, Bobby Albracht and Ismael Urias.

In the last of the second, the Indians tied the score one - all on an error and a single. The Latinos took the lead again in the third 2-1 on three singles and a fielder's choice.

Three strike-outs in the bottom of the third kept the Indians from challenging the lead. Two more runs scored for the Latinos in the top of the fifth. Three singles and an error accounted for the scores.

That was all the scoring for the day, although both teams got runners on several times by error or walks.

Kendrick struck out 13 during the nine-inning affair. His teammates picked up 11 hits during the contest. Catcher Red Ball paced the Hereford hitting attack with three singles in five times up.

Cards Use Timely Hitting For 9-1 Win From Yankees

In make-up games Saturday night, the Cardinals used timely hits for a 9-1 victory over the Yankees.

In a battle of undefeateds, the minor league Giants rallied for nine runs in the fourth inning to whip the Dodgers 14-11. And the other minor contest saw the Athletics beat the Pirates 20-12. Ricky Lee scored for the Cards in the top half of the major league game. He singled, moved to second on a walk and came in on a throwing error by the catcher.

The Cards scored another run in the third as David Vines singled and advanced on two walks and a single. The Yankees used a pair of singles and two walks in scoring one run in the last of the third.

An error and a home run by southpaw hitter David Vines over right-center gave the Cards two more runs in the fourth.

The Cards added two more scores in the fifth on a single, a walk and a double by David Alvarado.

Last three Cardinal runs came in the sixth on an error, three walks and a single by Terry Battey.

David Alvarado and Bobby Wiman teamed up for the hurting victory. They gave up one run on five hits. Ricky Adams and Tom McGowan pitched for the Yankees.

In the featured minor league contests, the Giants had to have the big inning in order to win. The Giants scored three runs in the first inning on five walks and a sacrifice fly.

The Dodgers tied it up with three runs on two errors, a walk, a single and a hit batter. Then the Dodgers took a 6-3 lead after blanking their foes. They utilized an error, a single, a walk and doubles by Ron-

nie Babione and Steven Olson. The Giants pulled within one run by plating two runners on three errors.

Two runs crossed for the Dodgers on three walks, a single and a fielder's choice.

Then came a nine-run outburst by the Giants on four errors, two singles, a hit batter and a double by Steve Whitaker.

A desperate try by the Dodgers to pull out the game failed as they could muster just three runs in the last of the fourth on four walks, an error and a double by Daniel Beversdorf.
