'Operation PEP' Calls Public Forum To Plan Area's Future

Hereford and Deaf Smith County will take a long look - several looks in fact - at the future Thursday, Oct. 17, at a meeting of "Operation PEP", Clint Formby, head of PEP's 12-man committee, announced this week.

The public will be invited to attend the meeting, to be held in the Community Center at 7:30 p.m. and give views on the

county's long range needs and goals. The meeting will be strictly a "public forum when John Q. Public will have an opportunity to air his opinions on what Hereford and Deaf Smith County should do for the future of the county and its industry."

"PEP" stands for "Planning and Evaluating Progress," and Formby says "that's just

what it means - planning for the future immediately and over a long period of time."

PEP has been in the creative stage for three months, but this will be its first meeting of this kind, an open public forum.

"That's the night when we will get down to brass tacks and see exactly what we should put into our program for the future," Formby says.

New Yule Units Planned Here

Hereford will expand its Christmas decorations this year by adding two elaborate new "spectaculars" to be placed at the intersection of U. S. 60 and

25 Mile Avenue and at Park Avenue and 25-Mile Avenue.

This was decided at a meeting of the committee, headed by Ernest Kendall, at Chamber of Commerce headquarters Monday.

Fire Department Commends City, County Residents

Deaf Smith County and Hereford residents were commended by Hereford Fire Volunteer Department as it moved into its observance of Fire Prevention Week.

"We are very fortunate this year," stated Dub Reeves, fire chief, "in that so far there have been no fire losses to speak of."

He continued stating, "We would like to thank the public for helping in the prevention of fires and assisting the department in making fire calls. It is very important that motorists pull to the side of the street allowing trucks to reach fires as quickly as possible."

In making his comments, the fire chief stated that the key rate for fire insurance in the city has dropped and Hereford now has the seventh lowest rate in the state.

"This drop in the key rate is definite evidence of the fire prevention activity on the part of the public," he noted.

As part of the observance, school children in the first three grades of all Hereford schools were given rides on city fire trucks by the department.

A demonstration by the Amarillo Air Force Base Fire Department was held Wednesday at the northeast side of Veterans Park at 7:30 p.m. The public was invited to the demonstration of firefighting techniques.

"People look forward to a concentrated program on fire prevention during this week," stated Clay Angelo, fire marshal. "All residents of the city and county should be conscious of prevention every day of the year."

"It's not 'it' and 'that' which cause fires," he commented. "It's 'you' and 'me'."

The board of directors of the Chamber approved the project at their breakfast meeting Wednesday.

This will be first time those two corners have been decorated for the Christmas season, and will be the first of several such spectaculars planned for future years. Kendall said.

The spectacular on U. S. 60 will include two giant Christmas trees, made of green and silver foil, lighted by scores of white lights. Streamers of colored lights will criss-cross the intersection, the trees to be set up on the medians.

The new spectacular will be placed at 25-Mile Ave. and Park Ave. will be in the form of a giant chandelier, suspended by wires in the center of the intersection. Streamers of colored chandelier to corner posts.

The new decorations, along with 14 skyline spectaculars already on hand, will be strung the day after Thanksgiving, and will be turned on for the first time that weekend. Members of the committee decided against a policy practiced in some towns, that of turning on Christmas lights before Thanksgiving Day.

The present decorations will be used on Main street with three on Park Avenue.

Santa again this year will bring his famous 60-passenger

City Commissioners in a short meeting Monday approved the action of the city's Zoning Commission by changing zoning in three sections of Hereford.

In other action bids on a new trash collection packer unit were tabled and bids for two new city pickups were called. A petition from Mrs. Charles Kropf asking that one-operator beauty shops be allowed in all B residential zones was turned down.

The first zoning change was for Colonia De Buena Vista. The

Thomas Town Gonzales, indicted for burglary, pleaded guilty and was given a two-year sentence, and Cullus T. Hapson, also received a two-year prison term on a plea of guilty to burglary.

Other pleas of guilty were as follows:

Miguel Carrero, charged with murder by motor vehicle while intoxicated, placed on five years' probation;

Albert Rodriguez, burglary, five-years' probation;

Benigno V. Ramirez, charged with receiving and concealing stolen property, given three years' probation;

John Henry Evans, charged with driving while intoxicated, second offense placed on three years' probation;

Gilbert Rodriguez, forgery, placed on three years' probation. Probation of Alfredo Piaz, indicted for burglary, was revoked.

Other indictments included: Orville Dean Jones, charged with burglary, released on bond.

Raymond B. Boon, charged with second offense driving while intoxicated, free on bond.

James F. Lacey, indicted for armed robbery, is in custody at

A Deaf Smith County Grand Jury, sitting Monday and Tuesday, returned 27 indictments, nabbed four cases and passed four others for what probably was the busiest grand jury session ever held here. Court officials say 27 indictments is an all-time record for this county.

Three men were indicted on three counts each, and another on two counts. Offenses ranged from driving an automobile without consent of the owner to armed robbery.

Following the return of the grand jury report, 13 persons pleaded guilty when arraigned Tuesday afternoon before District Judge Harry Schultz, and sentences ranged from three years' probation to 10-year prison terms.

Three young Spanish-American men received 10-year sentences each after individual pleas of guilty to destruction of private property. They were Victor Gutierrez, Martin Carlos Lopez and Prisciliano Lopez. In addition, each was indicted on three charges of burglary.

Jose Hernandez Jr., pleaded guilty to burglary of Park Avenue Cleaners and was given a 10-year sentence by Judge Schultz. He was also indicted on two other burglary counts.

All four also have been indicted in Castro county but will not be tried there.

Clifford Farmer pleaded guilty to driving without consent of the owner and was given a two-year sentence. Ralph J. Tooley pleaded guilty to auto theft and received a two-year sentence.

Banking Firms Report Record Total Assets

Record assets were reported by the city's four banking institutions as figures recorded in the Sept. 30 bank call were released. Deposits figures for the four banking firms, however, fell short of a new all-time high.

Assets of the four institutions - First National Bank, Hereford State Bank, Hi-Plains Savings and Loan, and Hereford, Texas, Federal Credit Union - were reported at \$28,084,543.76 for the third quarter of the year.

Deposits, however, showed a slight decline from figures published during the second quarter of the year. Deposits did remain above the \$24 million dollar mark.

Enrollment Dips Slightly To Ease Schools' Housing

Enrollment in Hereford schools, which hit a peak of 3462 a week ago, had leveled off to 3395 at the start of this week, Superintendent Paul Stevens told the school board at their October meeting Tuesday night. The drop-off was attributed to a shifting in the labor situation with pupils moving on to other areas for crop harvest.

The 3395 figure, however, was still far ahead of last year's

'Faces Re-Work Defenses, Making Ready for Lamesa

Hereford Whitefaces, brushing up on off-tackle defenses and deep drop-back passes, are ready for Friday's battle with Lamesa's Golden Tornadoes, a powerful club that has been hopping all over the place with a

strong running game. Jack Meredith, head coach for the 'Faces, says his boys are in good shape for the game at Lamesa with only one varsity player still confined to the benches. He's Eddie (Smoky) Johnson, a center, who is nursing a knee injury.

The Tornadoes not only put on a good offensive brand of ball, but they are also tough on defense, and teams that have met the Lamesa outfit this year have bumped into a pretty strong defensive wall.

Last week's passing attempts by the Whitefaces left quite a bit to be desired; that's the reason for the concentration this week on the 'Faces' aerial game. Meredith and his assistants are attempting to correct this department, especially in those long-flipped takeoffs that have to be thrown accurately from far behind the 'Faces' own line.

Hereford came through with

a final-quarter rally last week to beat the fighting Muleshoe Mules 13-0 but it was a see-saw game throughout the first stanzas, and both teams fumbled frequently. This gave the Whitefaces a 500 percent average, winning from Dimmitt and Muleshoe, but losing to Tulla and Canyon.

Meredith hasn't decided just who will be holding down the quarterback job Friday, but it will probably be Frank Cain, a 160-pound junior, with Jim Haney at right half and Walter Williams at left half. Jim Hig-

Shooting Incident Ends In Charges

One man was charged with aggravated assault, another with simple assault, and four others were booked for disturbance following an alleged shooting incident Sunday at a local service station.

Charges alleging aggravated assault were filed against T. O. Absher, 31, of El Paso. Absher, pleading guilty to the charge, was sentenced to 18 days in jail and fined \$100 plus court costs in Deaf Smith County Court, Judge, H. G. Williams presiding.

A second man involved in the incident, Frank P. Lewter, 27, of a local motel, was charged with simple assault and forfeited a \$25 cash bond Tuesday.

The other men involved were charged with disturbance and were charged \$25 in Corporation

Court, Henry Benson presiding. They were Merle Warren Southern, 25; Glendale Ariz; Paul Dennett, 19, 207 Ross; Richard Camarillo, 18, General Delivery; and George Joe Grelgo, 18, 205 Ross.

According to Hereford Police Department Absher and Lewter were riding with Southern in a late model pickup truck when it pulled into a local filling station on U. S. Highway 60 east.

As the Southern pickup stopped, a Police Department spokesman stated, a second pickup, driven by Camarillo, pulled in behind. Riding with Camarillo were Griego and Dennett.

It was reported that the two groups of men had previously had an argument before the alleged incident took place at

DEAF SMITH COUNTY'S 1963 grain sorghum harvest was moving faster this week with a number of combines in area fields. Harvesting conditions at the present are ideal for "one of the best" milo crops in the area for the past several years. Many area producers are finishing harvests while in some areas growers reported grain as still being too immature to cut. In some fields, grain sorghum will not be cut until after the first frost. NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS THE STATE OF TEXAS COUNTY OF HEREFORD CITY OF DEAF SMITH TO ALL RESIDENT QUALIFIED ELECTORS OF THE CITY OF HEREFORD, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Hereford, Texas, on the 22nd day of October, 1963, in obedience to an ordinance duly entered by the City Commission of the City of Hereford, Texas, on the 26th day of September, 1963, which is as follows:

ORDINANCE NO. 689
 "AN ORDINANCE by the City Commission of the City of Hereford, Texas, calling an election for the authorization of bonds for capital projects, to-wit: \$340,000 revenue bonds

for constructing improvements and extensions to the City's Waterworks System; \$160,000 revenue bonds for constructing improvements and extensions to the City's Sanitary Sewer System; and \$150,000 general obligation bonds for constructing street improvements in and for said City; and enacting provisions incident and relating to the subject and purpose of this ordinance."

WHEREAS, the City Commission of the City of Hereford, Texas, deems it necessary, advisable and to the best interest of the City and its inhabitants, that the bonds of the said City be issued for the purpose hereinafter stated, and that edn has determined to submit the authorization of such bonds to an election, as hereinafter set out; therefore

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF HEREFORD:

SECTION 1: That an election be held on the 22nd day of October, 1963, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this ordinance, at which election the following propositions shall be submitted to the resident qualified electors who own taxable property in said City, and who have duly rendered the same for taxation:

PROPOSITION NUMBER 1
 "SHALL the City Commission of the City of Hereford, Texas, be authorized to issue the bonds of said City in the amount of THREE HUNDRED FORTY THOUSAND DOLLARS (\$340,000), maturing serially in such installments as may be fixed by the City Commission, the maximum maturity being not more than THIRTY (30) years from their date, bearing interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, for a capital project, to-wit: constructing improvements and extensions to the City's Waterworks System, to be issued in accordance with and secured in

the manner provided in Articles 1111-1118, both inclusive, of the Revised Civil Statutes of Texas, 1925, as amended, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised or to be raised by taxation, and secured by a pledge of the net revenues from the operation of the City's combined Waterworks and Sanitary Sewer System?"

PROPOSITION NUMBER 2
 "SHALL the City Commission of the City of Hereford, Texas, be authorized to issue the bonds of said City in the amount of ONE HUNDRED SIXTY THOUSAND DOLLARS (\$160,000), maturing serially in such installments as may be fixed by the City Commission, the maximum maturity being not more than THIRTY (30) years from their date, bearing interest at a rate not to exceed FIVE PER CENTUM (5%) per annum, for a capital project, to-wit: constructing improvements and extensions to the City's Sanitary Sewer System, to be issued in accordance with and secured in the manner provided in Articles 1111-1118, both inclusive, of the Revised Civil Statutes of Texas, 1925, as amended, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised or to be raised by taxation, and secured by a pledge of the net revenues from the operation of the City's combined Waterworks and Sanitary Sewer System?"

PROPOSITION NUMBER 3
 "SHALL the City Commission of the City of Hereford, Texas, be authorized to issue ONE HUNDRED FIFTY THOUSAND DOLLARS (\$150,000) general obligation bonds of said City for a capital project, to-wit: constructing street improvements in and for said City, maturing serially in such installments as may be

fixed by the City Commission, the maximum maturity being not more than THIRTY (30) years from their date, bearing interest at a rate not to exceed FIVE PER CENTUM (5%) per annum; and to provide for the payment of the principal of and interest on said bonds by levying a tax sufficient to pay the annual interest and to create a sinking fund sufficient to redeem said bonds as they become due?"

The City Commission finds that the probable period of usefulness of the improvements for which the bond funds are to be expended is thirty (30) years.

SECTION 2: That said election shall be held at the City Hall in the City of Hereford, Texas, and the entire City shall constitute one election precinct.

SECTION 3: That the following named persons are hereby appointed officers of the election, to-wit:
 Neil Cooper, Presiding Judge
 S. O. Wilson, Judge
 C. Ora Cockrell, Clerk
 Nona Jowell, Clerk

SECTION 4: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only resident qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 5: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S. Election Code, as amended, and that printed on such ballots shall appear the following:

PROPOSITION NUMBER 1
 "FOR THE ISSUANCE OF WATERWORKS IMPROVEMENTS AND EXTENSION REVENUE BONDS"
 "AGAINST THE ISSUANCE OF WATERWORKS IMPROVEMENTS AND EXTENSION REVENUE BONDS"

PROPOSITION NUMBER 2
 "FOR THE ISSUANCE OF SANITARY SEWER IMPROVEMENTS AND EXTENSION REVENUE BONDS"
 "AGAINST THE ISSUANCE OF SANITARY SEWER IMPROVEMENTS AND EXTENSION REVENUE BONDS"

PROPOSITION NUMBER 3
 "FOR THE ISSUANCE OF STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"
 "AGAINST THE ISSUANCE OF STREET IMPROVEMENT BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF"

AS TO EACH OF THE FOREGOING PROPOSITIONS, the voter shall mark out the statement FOR the proposition or the statement AGAINST the proposition, so that those remaining shall indicate the way he wishes to vote.
 ABSENTEE VOTING shall be conducted at the City Clerk's Office in the City Hall, in accordance with the provisions of Chapter 424, Acts of the 55th Legislature, Regular Session, 1963.
SECTION 6: That a copy of this ordinance, signed by the Mayor of the City and attested by the City Clerk, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS", shall serve as proper notice of said election. Said notice shall

be posted at three public places in said City, one of which shall be at the City Hall, not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation in the City of Hereford, Texas, and published in said City, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

SECTION 7: This ordinance shall take effect and be in full force immediately upon its passage and approval, and IT IS SO ORDAINED.

PASSED AND APPROVED this 26th day of September, 1963.

By Melvin Young
We believe that congratulations are in order for Clyde Wilson, director of the Stanton Junior High Band. Mr. Wilson has done a mighty fine job in shaping up the band and personally, we thought the kids looked (and sounded) real fine while performing at the football game last Friday night.

The Yanks have played in 28 World Series but never before have they been beaten in four straight.

All you need to get ahead is backbone — and some liniment to rub on it occasionally.

Party Honors Suzie Sanders

Suzie Sanders, daughter of Mr. and Mrs. Don Sanders, was 12th birthday in the home of her parents Oct. 4. Refreshments of cakes, cake, and candied apples were served to the guests.

Those attending the party were Jana Denton, Pat Cooper, Kay Lynn Ward, Debra Hodges, and the honoree.

The girls attended the Hereford-Muleshoe game immediately following the party.

Of course, being the father of one of the girls, we might be considered a little biased in our opinion. On the other hand, anyone who can survive an entire summer of a beginner's cornet practice, just naturally has a right to be biased. But everything considered, the youngsters performed well and we still think Mr. Wilson has done a fine job.

It's been a long dry spell. The lack of rain has probably been the number one topic of conversation around the area for the past few weeks. Grain Sorghum farmers, on the other hand, welcome the opportunity to get their crops out of the field and into the bins before bad weather blows in.

Like the past summer, the fall has been rather unusual. Here it is October already, and many people haven't fired-up the old furnace. Furthermore, we still see folks walking up and down main street in short sleeve shirts.

But don't let the Indian summer fool you. Winter is on the way, and it's about time to "batten down the hatches" and prepare for the storms to follow.

We still remember the 15 degree below zero weather that we encountered last January. Not having a garage, it became our job each and every morning to go out and try to get the car doors unstuck and warm up the old jalopy for the mad dash to school and office.

Many a man thinks he is over-worked just because it takes him all day to do a three-hour job.

If you haven't driven around in the West part of town lately, we would suggest that you do so this week-end. There are no aspen trees out that way, but there are numerous new homes, new streets and at least one new apartment building.

The Latin-American housing addition being constructed by N. D. Bartlett, Jr., is now taking shape with a number of homes near completion. The homes are quite nice, being built with masonry construction similar to the homes that are so popular in Phoenix and other southwestern cities. We feel that the entire addition will be an asset to the City of Hereford.

But we would suggest that you see for yourself. Just turn off 25 Mile Avenue at Bradley Street and drive west to the cemetery. You'll not only see the Latin addition, but you will notice a number of new streets being bladed off south and west of the First Christian Church. It is in this area also that the new apartment building is being constructed.

And, if you're in the driving mood, head north across Harrison Highway and take a peek at the many new homes going up in that section of town. It is surprising how fast an addition can be completed, particularly when you didn't know it was there in the first place.

Friction in your diction? If you can read the following without mistakes in 15 seconds, your diction is well above average, and you should make a good radio announcer.

I bought a batch of baking powder and baked a batch of biscuits. I brought a big basket of biscuits back to the baker and baked a basket of big biscuits. Then I took the big basket of biscuits and the basket of big biscuits and mixed the big biscuits with the basket of biscuits that were next to the big basket and I brought the basket of biscuits and the biscuit mixer and the biscuit basket and and the box of mixed biscuits and the biscuit mixer back to the bakery and opened a can of sardines.

Oh well! Personally we prefer tuna and toast.

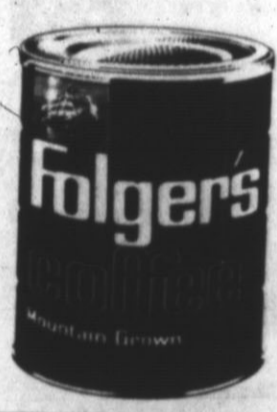

Three of the biggest news stories of the week included the arrival of Mme. Nhu, sister-in-law of President Diem and a power in South Vietnamese politics; Hurricane Flora which has battered Cuba and Haiti and killing up to 1000 people; and, last but not least, the humiliating defeat of the New York Yankees at the hands of the Los Angeles Dodgers in the World Series.

Zoning...

(Continued from page 1) development had been brought into the city with an 'A' residential designation.

In changing the zoning, a portion of the development will be "E" business district with the remainder being "C" residential allowing multiple family dwellings and apartments.

Zoning changes approved for Thunderbird Addition designate lots fronting on Harrison Highway as "E" business district. A portion of the development was classified as "D" commercial with the remainder of the development changed to "B" residential.

The third change reclassified the J. R. Hamby property at Seventh and Main as "D" commercial. It was formerly a "C" residential area.

In considering bids on a new packer unit for the City Sanitary Department, the Commission agreed to table bids until all firms could bring in demonstrator models. Only one firm has yet to demonstrate its unit.

Planning for additional space in Hereford Community Center was also approved by commissioners. Needs at the center were outlined by Dudley Bayne, city manager.

He requested that the city begin now to plan for additional storage space.

The field notes and plat of Block 2, Southlake Addition were also approved.

Shooting...

(Continued from page 1) 3:35 p.m.

When the second truck stopped Southern is said to have gotten out of his pickup and went around to the driver's side of the second vehicle. When he did, Camarillo's two companions started to get out of the truck.

However, it is reported, Absher and Lewter got out of the vehicle they were riding in. Absher is alleged to have been carrying a 30/30 rifle and Lewter, a 16 gauge shotgun.

Absher is alleged to have fired the rifle with the bullet striking the lower portion of the right door of the Camarillo pickup. The youths sped away from the service station and reported the incident to Hereford Police Department.

The three other men involved in the shooting incident were arrested later at a local motel where one of the men was staying.

Agencies approved for UF participation include the Camp Fire Girls, American Red Cross, Boy Scouts, Salvation Army, Little League, Pony League, Hereford Athletic club and the Deaf Smith County Council on Alcoholism.

At the board meeting Tuesday, Lewis Machuchi, Scout executive, and Mrs. Barkley, Campfire worker, were appointed associate members of the United Fund board, and Machuchi will plan the kick-off breakfast.

Art departments at senior and junior high school are to be asked to make posters for the United Fund Drive, and a giant "thermometer" will be located downtown to mark progress made each day of the drive, according to Neil Cooper, president of United Fund here.

'Faces'...

One of Lamesa's top players, Jay White, all-district fullback, probably will not play; he has missed the last two games because of a knee injury.

Lamesa's record to date reads: Lamesa 7, Big Spring 14; Lamesa 0, Andrews 19; Lamesa 6, Kermit 22; Lamesa 23, Odessa Ector 12. During the last game, Lamesa's offense got going for the first time, the Tornados gaining 259 yards rushing and 75 yards in passing.

Starting lineup for the two teams probably will look something like this:

Enrollment.

(Continued from page 1) mark when 3020 pupils had been counted on this same date. Last week the board held an emergency meeting to discuss the enrollment situation after the all-time high of 3462 had bulged the elementary schools.

The board accepted the bid of Hereford Growers and Shippers for a barracks-type shop building which the board had decided to sell. Their bid of \$2200 was highest out of three bids received for the house to be moved off school property.

The board also approved a new teacher, Hope Rusk who will be added to the Northwest Elementary staff as a special education instructor. Mrs. Rusk who holds bachelor's and master's degrees from West Texas State University, has had 18 years' teaching experience. She has taught in Amarillo for the last two years.

The board voted to buy two new school buses immediately to help relieve the troublesome transportation problem. Stevens told the board that 1164 pupils are being transported to and from school each day in buses.

Jury...

Robert Vernon Davis, indicted for second offense, driving while intoxicated.

Phillip R. Napier, indicted for burglary, held in custody here. One man indicted, E. C. Parker charged with burglary, was no-billed since he had been sentenced to a 10-year term at Vega.

Arnulfo Rodriguez and Filberto Alvarado, charged with assault with intent to kill, were no-billed, and Phillip Lugo, charged with seduction, was no-billed.

The grand jury passed the case of Clifford H. Duncan, charged with forgery.

Lee Rogers was passed and his probation revoked. He was charged with forgery.

Filberto Castillo, charged with child desertion, was passed, and no indictment was returned against Adel Pemberton, charged with driving without consent of the owner.

Six other indictments were returned, but those charged have not been arrested.

Judge Schultz commended the Hereford sheriff's office and the police department for "their efficient manner in handling cases in preparation for grand jury session."

They all pointed out that construction of the sugar beet processing mill here by Holly Sugar Corp. has "naturally had some effect on the economy."

A good vegetable harvest for the area, stated one banking official here, has added to the record assets reported for the past three months.

Even though deposits remained about the same, one official stated that the county area, in general, is in much better financial shape than a year ago in spite of some losses due to the wheat harvest. It was pointed out that with grain, sorghum, sugar beet and cotton harvest now underway, assets and deposits of the four firms should show increases in deposit and asset for the final quarter.

Panhandle Heritage Names Oregon Man As Manager

The executive board of the Texas Panhandle Heritage Foundation takes pride in announcing the employment of Mr. Robert McFarland of Portland, Oregon as general manager.

McFarland was one of the six men who were in charge of the performing arts at the Seattle World's Fair, and these shows accounted for almost half of the gross taken at the fair. He spent this summer with the famous Shakespeare festival at Ashland. He was connected with the Portland Rose festival and the Portland Civic Theater for many years.

In addition to his work in traditional theaters, McFarland spent a summer as assistant stage manager for "Unto These Hills", the story of the Cherokee Indians which plays in the heart of the Smoky Mountains. It is one of the most successful of the great symphonic dramas and played to more than one

years. Since the field of great outdoor historical spectacles is rapidly expanding, managers with experience in this unique field are in great demand, and the board feels fortunate that it was able to secure McFarland who has had this experience in addition to his traditional training; says Foundation President Mrs. Pies Harper. McFarland is a graduate of Stanford University in California and he either performed or was stage manager for more than 50 productions there. He majored in speech and drama and took special courses in journalism and advertising. He did his graduate work at the Yale Graduate school, school of drama.

McFarland spent October 4 and 5 in Chapel Hill, N. C., conferring with Paul Green, who is writing the script for the great show in the Palo Duro Canyon, and with Isaac Van

Grove who is writing the music. While there he attended a seminar held by the Institute for Outdoor Drama. This was a meeting of the producers and directors of all of the great shows who gathered to compare notes and make suggestions for later seasons. Mrs. Edith Eckhardt, the executive secretary for the Foundation, and Mrs. William A. Moore who will be concerned with the direction of the show with her husband, William Angus Moore of West Texas State University, drove to North Carolina to attend the conference also.

McFarland will be available for speeches to clubs and organizations. It is also suggested that groups arrange "sack and slack" meetings in the theater, where the visitors can visualize what will happen when they are on the ground where it will all take place. Representatives of the Foundation will be glad to make the arrangements and meet the clubs at the Park.

TEXAS PANHANDLE HERITAGE Foundation has named Robert McFarland, Portland, Ore. (left) as general manager. Here he's shown with Dr. Paul Green, Chapel Hill, N. C., who is writing the script for the Palo Duro Canyon, and Carol White, manager of "Unto These Hills." (U.N.C. Photo Lab)

ADRIAN NEWS

Health Official To Address P-TA

By Ann Beavers
Dr. Albert Randell will speak to the Adrian PTA Monday, Oct. 14, beginning at 7:30 p.m. Dr. Randell is the medical administrator for the Amarillo Health department, and is also the school doctor for the Amarillo and Canyon schools. All citizens are urged to attend this meeting.

Also to be discussed at the meeting will be the carnival. It is yet to be decided whether or not to have it here.

Mr. and Mrs. E. C. Chapman of Arlington and Mr. and Mrs. Joe Speed of Adrian spent a week in Aransas fishing. They went out 70 miles and caught red snapper.

Mr. and Mrs. Roe Jones of Floydada, Mr. and Mrs. John Perry and children, and Mr. and Mrs. E. R. Melton and Ann from Plainview, visited the Ted Hale family over the weekend.

Mr. and Mrs. Square Jackson, from Wellington visited her parents, the Pat Maupins, last week.

Bill Woods of Tisdale visited the Brub Beavers family Sunday evening.

The Alford Jobs visited last week in Endee with his parents, Mr. and Mrs. Lewis Jobs.

Dr. and Mrs. D. G. Strole and son from Abilene, Dr. and Mrs. John Pickett and children of Amarillo, and Mr. and Mrs. Bill Currie and Miss Clara Sercrest from Big Springs visited the Howard Eagle family over the weekend.

Dean Daniels from Lubbock, Mr. and Mrs. Tuffy Daniels and children of Albuquerque, and Bill Jones of Albuquerque visited the Alford Jobs family Friday night.

Mr. and Mrs. Jim Ferrin and children were in Haskell over the weekend attending a high school reunion.

Mr. and Mrs. Pinky May of Wichita Falls visited Mrs. Davis over the weekend.

Rather than staggering pictures up a stairwell, arrange them in several groups.

Resuscitation Is Program For Dawn HD Club

G. R. Smith and M. E. Dean of Deaf Smith County Co-op presented a program on mouth-to-mouth resuscitation for members of Dawn Home Demonstration Club Friday, Oct. 4.

Using "Rescue Annie," a mannequin, for demonstration purposes, the speakers described methods of reviving victims who are breathing and who are not breathing. This method, they noted, was developed in Norway about ten years ago.

Mrs. H. S. Fuller gave the council report during the business meeting, which was conducted by Mrs. Orvil Galley. Program chairman was Mrs. Ray Stewart. It was announced that the next meeting will be in the home of Mrs. Ray Cox on Oct. 18 at 2 p.m.

City Bond Issue Given 'Vigorous' Chamber Support

Deaf Smith County Chamber of Commerce directors threw their "vigorous support" behind the proposed \$650,000 October 22 bond issue to be voted on for street, water and sewer improvements.

The action was taken by the Chamber board at its breakfast meeting Wednesday. City Manager Dudley Bayne discussed the proposed improvements and explained the needs for the projects.

Voting on four new directors for the 1964 term is to start soon, it was announced, after the nominating committee had offered these candidates for directors: Don Baugous, Hilroy Aven, Mark Woodall, Loyd Pool, Russell Carver, Labry Ballard, Raymond White and Jack Nunnley. Four of the eight will be elected for three-year terms. Members of the Chamber will receive their ballots about November 1, and the new directors will take office February 1 next year.

Directors whom they will replace are Mrs. Dyalthis Benson, Delbert Kinsey, J. D. Kirdland and Dr. Hap Cavness.

The board heard a report from Don Zimmerman, chairman of the recently concluded membership campaign. This

Mark Newman Is Honored At Party

Mark Allen Newman celebrated his eighth birthday with a TV party Thursday, Oct. 3. Mrs. Don Newman, the honoree's mother, took Mark and five of his little friends to Amarillo to appear on the "Freddie the Fireman's Show" Thursday. After the show, the guests were given a ride on the fire truck and then taken to the home of Mark's paternal grandmother, Mrs. W. C. Newman, where they opened birthday gifts and were served refreshments.

The birthday cake was decorated in TV theme. Miniature Yo Yo's and French harps were given to the guests as favors.

Those attending the party were: Joe Priddy, Jessie Gray, Joel and Michael Pittard, Ronald Johnson, and Karen Newman.

Bank, with Mrs. Jerry Landers as hostess, were Mesdames John Beasley, Charles Fry, Ben Gollehon, Joe Hacker, Joe Henry, Dean Herring, Gene King, Bill Lankford, Joe Locke, Gerald Martin, G. C. Merritt Jr., Harold Morton, Bobbie Owen, Buddy Pickens, W. C. Russell, John Smith, Eugene Sparks, Dale Wynn, and Lee Drake.

Attend Fiftieth Anniversary Party In Hobbs, N. M.

Mr. and Mrs. Vern Witherspoon of Hereford and Mr. and Mrs. Beryl Witherspoon of Amarillo met Mr. and Mrs. F. G. Witherspoon of Albuquerque, N. M., in Hobbs, N. M. last weekend. Beryl and F. G. Witherspoon are sons of Mr. and Mrs. Vern Witherspoon.

Sunday all the group attended the 50th wedding anniversary party of Mr. and Mrs. Alvie Wilson, former residents of Deaf Smith County. A nephew of the Vern Witherspoons, Mr. Wilson was the first baby born in La Plata, the first county seat of Deaf Smith County, before the railroad to the town of Hereford existed.

Mrs. Wilson is the former Miss Lona Roberson of Summerfield. Mr. and Mrs. Wilson were married in Summerfield on Oct. 6, 1913. In 1935 they moved to Hobbs, where he is employed in a hardware store.

Present Program On Electricity To Merry Maids

Merry Maids 4-H Club met Wednesday, Oct. 2, in the Community Center. Presiding over the meeting was Lou Ann Witkowski. A talk on electrical facilities was given by Lou Ann Witkowski and Jo Ann Marnell.

New members of the club are Lana Sue Boyd, Rosemary Knox, Toni White, Rojean Block, and Sandy Fry.

The program gave definitions on some of the major electrical terms. House plans were passed out and the proper placing of electrical outlets, and lighting

fixtures was explained. Electrical safety hints were given by the members of the club for roll call.

The 4-H goal was presented by Mrs. Leo Witkowski. The Merry Maids Club will strive for a blue seal in attendance, completed projects, and participation in fairs and 4-H shows.

Members present at the meeting were: Patsy Paetzold, Jane and Lou Ann Witkowski, Patricia Hur, Jo Ann and Dorothy Marnell, Thelma Warren, Mary Ann Vance, Rojean Block, Rosemary Knox, Connie Walker, Sandy Fry, Toni White, Patricia Her, Lana Sue Boyd, and Lynn and Nancy Fisher.

Guests at the meeting were Mrs. W. S. Fisher, Mrs. Edward Paetzold, and Mrs. James Boyd.

Seniors wait for their rings. Juniors wait for the bells to ring to dismiss class. Sophomores wait for the freshmen to get through drinking at the fountain. And the freshmen wait for the day when they'll be tall enough to reach the pencil sharpeners. Even if it seems the rings will never come and that bell will never ring, everyone will have to agree that this first six weeks has flown by.

The clubs around HHS are becoming better organized. The memberships for most of these clubs are still open. Be sure to keep up with the clubs you are interested in, as to time, date and place of meetings.

The final date for paying dues to Future Teachers of America was Oct. 1. Mrs. Sue Howell, FTA sponsor, reported that at this date over 60 members had paid their dues so they could become members.

Each week the pile of trash which will be rearranged and assembled into the "Reject" grows. We plan to put this little scandal sheet out some time near the end of the month.

Please, if you have any gossip or unusual experiences about yourself or a classmate, write your information down and give it to a member of the staff.

The World Series aroused the interest of many people this last week. HHS was no exception as students and teachers, were seen walking around with transistor radios to their ears. As the Series progresses everyone will be getting out of class to see if their team is "on top".

Some of the lucky ones will be able to persuade their teachers to let the game come into the classroom over the intercom.

Since we, the editors, are at a disagreement about which of the two teams is the better there shall be no comments from us as to which will carry the pennant.

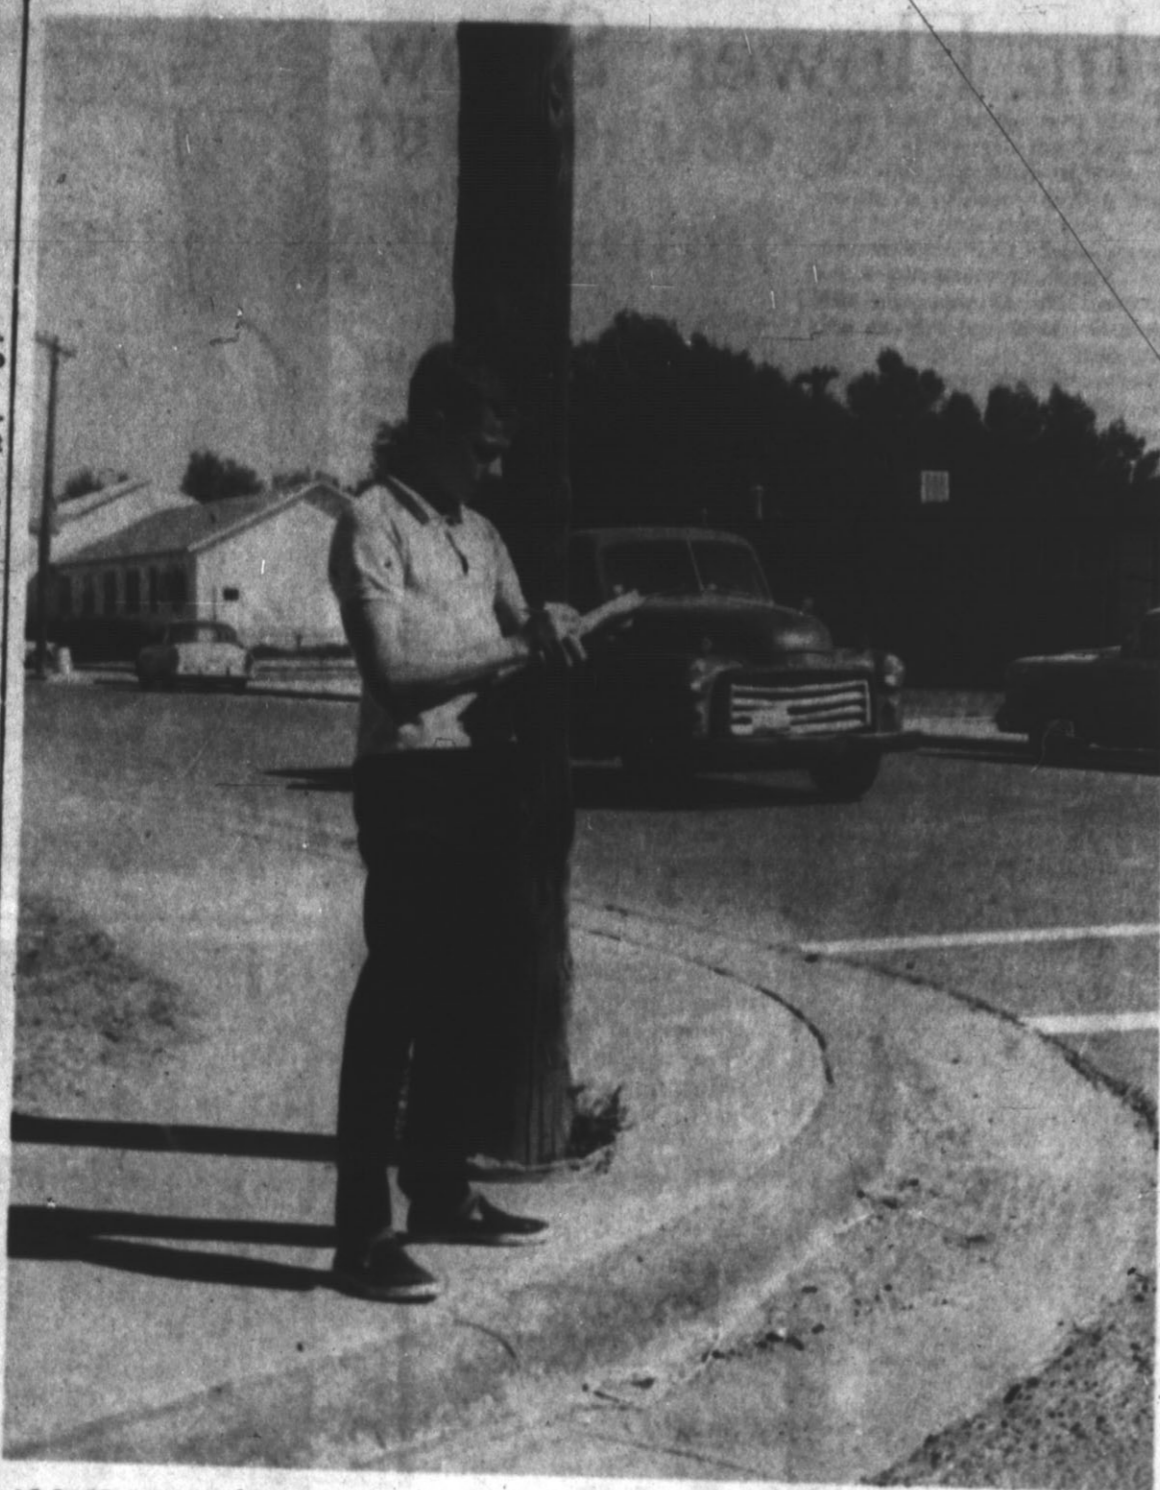

The Whiteface staff shall continue to broadcast Whiteface Static every Monday at 5:30 p.m. on KPAN. Sure hope you are listening, there may be something about you.

Hereford High FFA Begins Sale Of New Cookbook

AS PART OF THE DRIVER'S Education course, students surveyed traffic at intersections surrounding the Hereford High School area. During three one-hour sessions, students in the classes being taught by Mr. James Balch counted a total of 167 violations. Among the students taking part in the traffic survey was Jack Thomas. Students Working In Office, Library Do Needed Task

Library and office jobs are not all fun. They are enjoyable, but educational, agree the office and library assistants.

Mr. L. B. Russell, HHS principal said, "It would be hard to operate the office without them. We feel it an honor in having them in there, and I hope the training is beneficial.

The office girls' main duty is to pick up the absentee slips and mark the people absent. When Mrs. Cuby Kitchens, the secretary is not in the office the girls answer the telephone. Telephone messages are delivered by the assistants to teachers and students.

Various errands for Mr. Russell and Mr. Bill Michael are run by the girls. These include delivering messages, getting students out of classes to come to the office and checking on a student's schedule card to see what class he has that period.

When new students come to HHS, the office girls help register and show them to their classes.

Withdrawal sheets are sent around to the teachers and books

are checked in by the girls when a student drops from school. Football and Southern Assembly tickets are also sold in the office by the assistants.

The office girls are the following: Ruth Ann Allison, Nanette Clearman, Gerry Lynn Wheeler, Janice Hagans, Royce Ann Gilliland, Judy Wiman, Connie Rentro, Linda Higgins, Lou Ann Witkowski, Diane Wilson, Mamie Silvertooth, Pegene Cox, Diederia Thomas and Janie Nolan, Kaki Bernard Kathleen Kuper and Gay King.

Mrs. Kitchens said, "They are all really nice and I enjoy working with them."

"My library assistants are very capable, intelligent, friendly and helpful. Their first loyalty is to the library and I'm very proud of them," said Mrs. Mabelle Neill, librarian.

Duties of the library assistants are many. Many students seek help from the girls in finding research material, books, magazines and other information concerning the library. Books are checked out and in

by the girls, then returned to the proper place on the shelf.

Housekeeping is even included in this work. The girls dust, and clean the library and workroom. Many different themes concerning books are displayed on the bulletin boards.

Assistant librarian, Mrs. Carol Haseloff, commented, Mrs. Neill has trained them well. They foresee tasks to do and do them without prodding. They respond to pleas from students as though it were their own problem.

The library assistants are the following: Joye Martin, Nancy Gripp, Glenda Flesher, Gloria Dameron, Gloria Covington, Mary Brozman, Mary Betzen, Delores Kuper, Mildred Fitch. (Continued on page 6)

Miss Gililand Is Named Key Club Sweetheart

Key Club Sweetheart for this year is Miss Royce Ann Gilliland. She was nominated and elected at the second meeting of Key Club, Monday, Sept. 30, at the Hereford Community Center.

Fifteen new members were installed, adding to the list 44 total memberships.

Guests were Mr. Robert Thompson, school counselor and Key Club sponsor, and the Rev. Fred Beversdorf, a representative from Kiwanis Club, which sponsors the club.

Officers are David Block president, Ronnie Duncan, vice-president, Steve Conway, secretary, and Frank Cain, treasurer.

Reading is the entire background for understanding. It is the basis for fundamental learning. A child is taught to read before he is taught anything else in his schooling. He then goes to arithmetic, spelling, and writing.

Naturally reading and writing go hand-in-hand in learning. To be able to understand all other subjects a student needs a good background in these two subjects.

After a good reading habit is established, a student is encouraged to read more difficult subject matter. In libraries, a complete selection of varying literature can be found. Encyclopedias ranging from late editions to current issues can be found having factual information up-to-date at the time published.

Books of fiction, non-fiction, and biographies are the most numerous reading materials in a library.

Books of this type are for the reader's enjoyment. He can learn of any adventure, history, handicraft, occupation or life of almost any person.

A record of any event that one desires to read about can be found. Magazines and pamphlets can be acquired on any subject. Newspapers can be read on the happenings of the day.

A good reading habit can grow into an understanding of ones self, his surroundings, the world about him and the people near and far away from him.

Developing this habit can aid the reader in learning and making better grades in school work. The use of this habit enriches the life of those who read and those who are around him.

Cast Members For Musical Named

Members of the HHS mixed choir have selected "The King and I" as their musical show for the 1963-64 school year. The program has been scheduled to be given on Nov. 29-30.

First performance of Rodgers and Hammerstein's production of "The King and I" was shown on March 29, 1951, at St. James Theatre in New York City. For the next few years "The King and I" played to a full theater every night. Five years later a movie version was released.

"The King and I" is a musical comedy based on the life of the people in Siam. The King has hired a young widow from America to teach his royal children. After her arrival in Siam, Anna, the young teacher, discovers that teaching the royal children will be a difficult task.

It happens that the King wants the teaching done in his way even though it is not the proper way.

Anna meets a difficult challenge when she finds that she must change the ways of the King before she can teach the royal children the proper way of living.

Lead rolls were given to the following: Jimmy Brink as the King; Mamie Silvertooth as Anna; Dian Wilson as Lady Thiang; Ruth Ann Allison as Tuptim; and Wayne Edwards as Lun Tha. They were chosen by Mr. Don Moore, choir director, from tryouts, the royal dancers were chosen by Mr. Neil Hess, of The Hess School of Dancing. Tryouts were held at The Hess School of Dancing, Amarillo, at 2:30 p.m. Sunday.

The dancers are as follows: Beth Ballard, Barbara Langley, Sharon Tinsie, Cynthia Leisure, Cynthia Seed, Mandy Moore, Rosemary Hervey, Janel Sue Brumley, Jeanette Walterscheid, Linda London, Patil Nobles, Kay McGee, LaRocca Askew, Carolyn Aven, David Block and Larry Hill.

Priests for the show were chosen by Mr. Moore after tryouts held on Tuesday, Sept. 24. They are the following: Dorman Duggan, James Short, Dale Hershey, Tim Gallegher, Bill Price and Atanacio Manillas.

Mr. Moore also appointed the

Driver's Ed Pupils Observe 167 School Area Violations

A survey was taken by Hereford High School students enrolled in Driver's Education courses to determine the number of student traffic violations.

These surveys were conducted during three one-hour periods students observed traffic at the intersections surrounding the high school area.

All students involved in the survey are enrolled in driver's education classes being taught by Mr. Jim Balch.

During three one-hour periods, for both days, the students observed 167 cars in which their drivers violated a traffic law.

There were 77 drivers that gave no turn signal, which was 46 per cent of the total. Ten cars that rolled through the stop sign accounted for eight per cent of the violations. Nine drivers stopped, but were in the intersection. Two drivers were driving on the wrong side and 51 drivers stopped in the crosswalk.

Mr. Balch, stated that perhaps next time students would take the license numbers of these traffic violators.

Driver and Traffic Safety Education is a course designed to provide opportunities for boys and girls to acquire knowledge, establish attitudes, develop skills and practice habits which will lead to intelligent traffic behavior.

The course is designed to develop self discipline in driving safely. Students become aware of, understand and cope with driving conditions which require mature judgement.

This course is offered to any student in grades nine through 12. The minimum time is 42 clock hours and one-half credit is given if the student passes both phases of the course. These phases are the classroom instructions and the practice driving.

Facilities and materials available at Hereford High School for the Driver's Education classes are an automobile equipped with a dual brake control, safety belts, two outside mirrors, and a mirror for the instructor. An off street demonstration area is equipped with fixed or portable machines, on stanchions in which to conduct elementary lessons and skill exercises. There are also many other instrumental aids for the students taking this course.

Junior Student Is Band Drum Major

"It was my ambition to be drum major," said Jerry Ross, drum major of the HHS band. Jerry is a junior at Hereford High, and will be leading the band through the year of 1963-64.

Jerry was drum major in junior high school and has attended one band camp at West Texas University in which he went to drum majoring classes. Among the other classes offered, there was also a music class in which Jerry attended.

He has authority and responsibility to lead a 126 members in each half-time show. Jerry helps in figuring out drills and also helps and corrects students in posture and in different steps. Jerry also is responsible for the roll call on the bus trips.

"I practice memorizing the drills and time signals every chance I get," said Jerry, "and I have plenty of help, too."

There are also many difficulties in being drum major. On the field he has to worry about dropping his baton, because of the gloves he wears. He spends many hours of the field practicing.

"Several funny things have happened also," said Jerry, "such as when I almost lost my head-piece, at our first game."

Jerry's future plans are to be a doctor, and to study more drum majoring.

In order to continue his work in high school, Jerry plans to attend band camp again this next year at West Texas State University. He also plans to try out for drum major his senior year.

Besides being drum major Jerry plays the baritone sax and learns music in order to lead the band. His other subjects are plane geometry, typing, American history, English III and Art I.

"The pleasure I get out of being drum major is to see the students improve through the year and become the greatest band ever," said Jerry.

When asked for a comment, Mr. Ben Gollehon stated, "He is a

the classroom instructions and the practice driving.

The classroom phase, an approved Driver's Education Course, consists of a minimum of 30 clock hours. It includes the following subjects properly correlated and evaluated: The driver and pedestrian, five hours; the automobile and preventive maintenance, three hours; highway characteristic's and traffic engineering three clock hours; highway traffic laws, six hours; driving procedures, three clock hours; physical laws, four hours; and the President's and Texas Governors Highway Safety Program, one clock hour.

This course also requires a minimum of six hours of actual behind-the-wheel driving by each student, and a minimum of six hours of in the car observation by each student.

AUSTIN HIGHLIGHTS

JFK To Launch State Demo Campaign During November

By Vera Sanford
President John F. Kennedy is coming to Texas around November 22 to help lift the 1964 Democratic presidential campaign off the launching pad in this state.

As early as he is, the President appears to be somewhat behind the political timetable of Texas.

Gov. John Connally, who announced the President's visit, called in nearly 50 of his top supporters to begin getting his own campaign organization in shape.

Republicans also summoned key local leaders to Austin for a "leadership conference." They pow-wowed over finances, talked up their talent scouting for candidates and began organizing a drive to register 600,000 new members of the GOP.

The Republicans picked up another candidate for the U. S. Senate, Dr. Milton V. Davis, Dallas chest surgeon. George H. W. Bush of Houston announced last month.

SHELL-DREDGING WRANGLE

A coastal region crisis is being claimed by the state's four largest shell-dredging firms.

Firms are Parker Brothers, Inc., W. H. Haden Company, Horton and Horton, and Bay Dredging Company.

State Parks and Wildlife Commission took under advisement their application to expand dredging activities in Galveston and Trinity bays.

Applicants claimed \$1,000,000 worth of industry and 10,000 jobs are threatened by an acute shortage of oyster shell in authorized areas. Dredgers supply shell to road-building and concrete industries, as well as chemical, paper and other manufacturing firms in the state.

Oyster fishermen, sports fishermen and conservationists also were on hand during the two-day hearing. They claim that they would face a crisis if shell-dredging areas are expanded in the two bays. Commercial fishermen, who produced 64 percent of the 1962 oyster crop in Galveston Bay, claimed they would be run out of business. Sportsmen said destruction of live oyster reefs, or reefs which can be revitalized, would destroy every natural attraction in the bays.

Both sides feel that the application fight is a life-or-death situation... either for the shell-dredgers or for the oyster men and the vast sporting industry on the upper Gulf Coast.

CATTLE KILLER

Agriculture Commissioner John White warned Texas farmers against the "deadly danger" of letting

livestock graze in fields which have been defoliated by the use of certain cotton chemicals. Warning came after a Breckenridge farmer lost more than half his herd of cattle from the effects of arsenic poison.

White urged farmers to seek full information on the effects of any chemical before applying it to their fields.

OIL INDUSTRY WOES

The Texas oil industry is in a three-way bind, Governor Connally told the Texas Independent Producers and Royalty Owners Association. Stabilization of foreign imports would strengthen the troubled industry, he said, but Texas oil-also is losing markets to other states and to natural gas.

TIPRO backed legislation to require pooling of small tract oil and gas leases for operational purposes. Connally went to Washington to ask Secretary of Interior Stewart Udall for more imports controls.

OLD-AGE HEALTH PLAN UNDERWAY

Fifty-three insurance companies have joined the statewide coop, authorized to write health insurance for citizens over age 65. Among the first senior citizens to sign up for insurance were Gov. John Connally's mother and father-in-law, Mrs. J. B. Connally of Floresville and Arno Brill of Austin.

The voluntary health insurance plan is available to all those 65 and older, regardless of their health condition. Plan was authorized by the 59th Legislature.

BUDGETMAKERS BALK
Legislative Budget Board declined to give its immediate consent to a new 1,000,000 conference center building at the University of Texas. Members said they feared Governor Connally might red-line the item.

Board approved additional outlays for new high speed data processing equipment for the State Highway Department and a study to determine future needs of all agencies for such equipment.

Board Director Vernon McGee warned of an approaching revenue problem. He said scare studies of smoking results might drastically cut tobacco tax income.

EDUCATION FUNDS NEEDED

The Committee of Governing Boards of State Colleges \$15,000,000 more will be needed by Texas' 20 tax-supported colleges and universities this fiscal period to keep up with the national pattern of teaching salaries and research.

Committee will work with the Governor's study committee and the Texas Commission on Higher Education to blueprint edu-

ational growth. Governor Connally told the college board members they should take a searching look at their own schools to see if all programs are necessary.

HAPPY WITH PARK GIFT

Land Commissioner Jerry Sadler applauded the gift of 30,000 acres of lake property in Jefferson County to the State Parks and Wildlife Department. Gift was from the J. L. C. McFaddin Estate. He withdrew an old request to the Attorney General to push a State claim to the acreage. Sadler predicted the waters will be developed into a "sportsman's paradise."

COURT SPEAKS

Vending machine operators

selling items which cost less than 25 cents each have to pay the state sales tax on their take, the Supreme Court ruled. However, the Legislature now has adopted amendments to exempt vending machines, newspapers and merchants with a majority of sales less than 25 cents.

The Supreme Court ordered the state to pay back to four utility companies in Houston, Corpus Christi, Shreveport and Abilene \$355,000 plus interest in franchise taxes. It found the corporations were exempt from paying the tax on sums kept in reserve to pay deferred federal income taxes.

The high court heard new arguments over constitutionality of the 1961 dedicated reserve gas tax.

HUNTING LEASE LOTTERY

Sportsmen will cast lots for the right to hunt game on six State preserves. Applications, available from State Parks and Wildlife Department, must be returned before October 31. Winners of the drawing will be notified a few days thereafter.

Preserves open for the hunt include Kerr Wildlife Management Area; Sierra Diablo area in Cluberson County; Gene Howe area in Hemphill County; Angelina area in Sabine and Cherokee counties; Black Gap area in Brewster County; and Engeling area in Anderson County.

TRUCK DRIVERS COMPLIMENTED

R. L. Atwell Jr. of Houston says Texas truckers have an excellent safety record because "we live with safety, we breathe it, we think it all day and dream about it at night."

That's why the Texas truck driver is known and recognized as the safest man on the highway, the TMTA director stated.

His remarks were made at an Austin meeting of the Texas Council of Safety Supervisors and the Oil Field Haulers Council of Safety Supervisors.

Atwell's own operation, Coastal Transport Company, Inc., is a leader in the field of safety.

Coastal has won national and other awards for accident-free-dom.

SHORT SNORTS

Shipment by the State Library of Braille books and "Talking Books" for blind people reached all-time highs in September, according to Dr. Dorman H. Winfrey, State Librarian.

Bureau of Business Research statisticians are conducting a detailed study of seasonally-adjusted indexes of Texas business activity, with an eye to determining whether the 30-month upward climb on the business barometer has run its course. ordered oil field brine pits in Stephens, Shackelford, Eastland and Callahan counties be abandoned by March 1.

Lee Thomas was promoted to general counsel of Texas Employment Commission to succeed C. M. Turlington of Marshall, who resigned.

Texas aeronautics Commission's 14th annual "Fly-A-Thon" covered a 34-city and 3,000-mile stretch's 14th annual "Fly-A-Thon" covered a 34-city and

30,000-mile tour of the state. State Highway Department is offering a free 16-page calendar of 448 events that are scheduled for Texas towns during the Fall and Winter months.

Somebody's Track

— was it yours? Did you know that your footprint identifies you almost as well as your fingerprint. The law uses it to trap the lawless. God uses it to show you where you were when you became conscience smitten. Your tracks tell on you... they give you away. You were where you should not have been and your tracks prove it. Your son was following your tracks when he got into serious trouble. Mr., You write either a good story or a bad one by the tracks you make. Why not resolve to walk toward the church next Sunday... any church... for they are all better than you. Every church in this community offers you a place to work, an opportunity to help others, and the privilege to make tracks for God. Then why not turn your tracks into a testimonial for the Lord, to be read of men, by printing them on the way that leads to church every Sunday.

Whitefaces Win Second In A Row

It was another squeaker Friday, but the Whitefaces won their second game in a row as they beat the Muleshoe Mules by a score of 13-0.

There was no scoring in the first three quarters of the game and almost half of the last period. Whiteface efforts were thwarted time and again by fumbles and intercepted passes. Several times in the first three quarters the Muleshoe 20 yard line only to fumble.

Hundreds of wind sprints paid off in the fourth quarter as the Herd kept on fighting and finally scored on a three-yard plunge by fullback Jim Higgins. Frank Cain's kick split the uprights for the extra point.

That looked like all the scoring but Higgins set up another T. D. with a pass interception. Halfback Jim Haney blasted over from the one yard marker to make the score 13-0. This ended the scoring as Cain's kick for the extra point went wide.

As the game ended the Whiteface secondary intercepted two more passes, Ronny Duncan and Gary Stagner each took in one wayward aerial.

Hereford gained 204 yards on the ground to 133 for Muleshoe. The Mules got 38 yards in the air while the Whitefaces got 27. The Herd collected 17 first downs to 11 for Muleshoe.

For the Whiteface defense, ends George Muse and J. Carter, middle-guard Eugene Green, halfbacks Ronny Duncan and Jimmy Higgins, and monster Danny Thomas were outstanding.

It would be impossible to cite outstanding offensive players for Hereford. Blocking was excellent and running was real hard.

Friday, Oct. 11, the Herd travels to Lamesa to meet the Lamesa Golden Tornadoes.

College Entrance Exams Discussed At Senior Meet

College entrance tests were the topic of discussion on Oct. 1, as the senior class was called to the auditorium.

Mr. Robert Thompson, HHS Counselor, discussed the Scholastic Aptitude Tests which will be given to those seniors desiring it on Dec. 7, Jan. 11, 1964; Mar. 7, May 7, and July 8 at Amarillo College for a fee of \$5.

Mr. Thompson also discussed the American College Tests, which will be given on Nov. 9, Feb. 15, 1964; April 25, and June 20, at West Texas State University for a fee of \$4.

Almost all state schools require the Scholastic Aptitude Tests and the American College Tests.

All the seniors were given an application blank to fill out in order to supply Mr. Thompson with the needed information about their college plans. The students were asked to list their first, second and third college choices.

Out of the school year, one day will be excused for the seniors to visit the college of their choice.

Civics Class Has Instruction On House Procedure

The students of Mr. Bill Phillips' civics class held a demonstrative meeting of the House of Representatives in their class Friday, Sept. 28.

It consisted of two parties, the Longhorns and the Pioneers, four committees, the House Rules, House Ways and Means, Armed Forces and District of Columbia.

The House Rules committee placed the bills in order then formulated by the remaining committees. The bills were given to the Speaker of the House who read them before the two house parties; they were debated and passed as read, amended, or killed.

By carrying on practices such as this, the students can better understand the methods used in the federal government.

Recording secretary, Cindy Loerwald; corresponding secretary, Kaki Barnard; historian, Carolyn Boynton; treasurer, Linda Pulliam; song leader, Jo Ella McGee; degree chairman Royce Ann Gilliland; parliamentarian, Carmen Betzen; civil defense chairman, Vickie Imman; and point keeper, Delores Kuper; they will install the Little Sister Chapter.

The motto, colors, creed and purposes of FHA will be given.

FHA is an organization set up to help individuals improve personal, family and community living, therefore being installed as an officer of FHA you are a guiding hand to this goal and you are to be an example of a good Future Homemaker of America.

(Continued from page 1) Phillips Blackhaws for Hereford's Homecoming. After this the Herd plays two games on the road. On Nov. 1 the Whitefaces go to Perryton and on Nov. 8 the Herd meets the mighty Dumas Demons in Dumas.

The last two games of the season, on Nov. 15 against Littlefield and on Nov. 22 against Levelland, will be played in Hereford.

Tulla's "B" team handed the Whiteface "B" team its first loss of the season last Thursday in Tulla by a score of 19-7. The Tulla Bees had previously been uncovered on Hereford's freshman team as was victorious, however, as they beat Tulla by a score of 24-4. Tulla's freshman have yet to score this year. This brings the season record of both Hereford teams to 2 wins and 1 defeat.

Art I Classes

Studying Design, Color, Lettering

The Art I classes are covering the basics of art this six weeks, which include color, design, line, and lettering. Some of the projects so far have been self-portraits, portraying emotions and events and advertising products.

Some of the products advertised have been Clean White socks, by Adler, on a black background. Another student advertised insect repellent. To show a shoe advertisement, one student showed Charm brand shoes dangling from a bracelet.

Some art projects will serve useful purposes such as posters, window display and designing covers for the 1965 yearbook.

In Art II, there are only two students, Shirie Ann Powell and Linda Higgins. They work on individual semester projects and progress at their own rate of speed. They also keep up the art display case.

"The art classes in high school are not only for those who have talent and plan to study art further, but a knowledge of art also helps a student understand and appreciate his surroundings and helps him to select wisely," stated Mrs. Viola Chisholm, HHS art instructor.

FHA Chapters Hold Initiation; Install Officers

We're proud to announce the most remarkable luxury car of our time...

The Incomparable IMPERIAL for 1964

When we show you our 1964 Imperial, we will do so with understandable pride. For here is not just a new car - it is a whole new idea of what a fine car ought to be. Imperial has the freshest look of luxury you will see this year. It is the most spacious car built in America. It is also the quietest: 154 engineering refinements were made for this purpose alone. We invite you to stop in and inspect our new Imperial carefully. Drive it for a totally new experience. We believe our Incomparable 1964 Imperial should be your next choice in luxury automobiles.

REP. ROGERS WRITES

Progress Made To Bring About Isolation Of Cuba

TO THE PEOPLE OF THE 18TH DISTRICT:
Cuba remains a communist thorn in the side of the Western Hemisphere, but progress is being made to bring about the economic and political isolation of the Castro regime, to make

Cuba an increasingly expensive burden for the Dino-Soviet bloc to maintain, and to prevent the spread of Castro-directed sub-

version in Latin America. Guerrillas within Cuba are becoming more active. Hit-and-run actions by small bands of Cuban patriots will not in themselves bring down the Castro regime. But they keep it off balance. They keep the Red militia under arms and out of more productive endeavors that could bolster the faltering Cuban economy. They provide a nucleus around which a more active resistance movement may someday form. These anti-Castro activities on the island are said to have "a professional touch."

As if to punctuate the increasing discontent within Cuba, a bomb exploded in Havana a week ago as Fidel Castro told a political rally that the United States is, in his words, "tightening the economic noose." It was of the few factual statements he made in what otherwise was the usual Castro diatribe against the United States.

I am in favor of every action we can take, alone and in concert with our allies, to restore freedom to Cuba. I believe that continuing pressure on the economic and political front can one day bring this result without the need for overt military action.

These are among recent actions taken to cause Castro further trouble:

On July 5, the Treasury Department instituted blocking controls against Cuba, restricting the movement of dollars to and from Cuba. The action, modeled on controls in effect against Communist China and North Korea, is expected to tie up more than \$100 million of Cuban assets.

United States owned and controlled oil companies are voluntarily refraining from furnishing bunkers to vessels and aircraft determined to be in the Cuban trade.

Free World purchases from Cuba, primarily sugar, have similarly declined. Cuba's trade with the Communist bloc (Cuba now does more than four-fifths of her trade with the Communist world) will total about \$1 billion, \$600 million in bloc exports to Cuba and about \$400 million in Cuban shipments to the bloc. This trade gap must be financed by the Soviets, and it's expected to be equally large next year.

The Cuban gross national product last year was estimated to be 25 per cent below the 1958 level. With most basic foodstuffs rigidly rationed, the average caloric intake of Cubans is estimated to be 15 to 25 percent lower than it was in pre-Castro years. Consumer goods are in short supply. Spare parts for the Cuban industrial machine are scarce and often unobtainable. The Castro failure has been most apparent in agriculture, particularly in the production of sugar. This year's harvest was 3.8 million tons in contrast with the average of 5 million tons in the last five years. Castro in betraying his own people has yoked Cuba to the modern-day mercantile system of Soviet imperialism. Russia uses its colony, Cuba, as a source of raw materials and a captive market for manufactures.

Free World shipping last year, Free World ships paid only 23 calls to Cuba in August, a marked decrease over the 45 calls made in July, and the lowest monthly figure since March. Earlier increases were related to the seasonal export of sugar — and many ships arrived in Cuba in ballast.

Shipping to Cuba is more and more becoming restricted to small firms having no commerce with the United States and firms with vessels under long-term charter to the Sino-Soviet bloc.

To cripple further Cuba's ability to trade I introduce a bill in the House of Representatives to close U. S. ports to any ships engaged in carrying cargoes to or from Cuba. This bill is now before the House Foreign Affairs Committee, and I believe its enactment would tighten the screw.

There is no question but that the blight of Castroism must be eliminated.

Hereford Study Club Has Program On Furniture Care

Hereford Study Club members heard Mrs. Tom Draper, Deaf Smith County agent, discuss the care of fine furniture at their meeting Thursday, Oct. 3. Points emphasized by Mrs. Draper were the use of a woolen cloth for polishing, the use of cream polishes, and a warning against polishes containing silicone.

Meeting in the home of Mrs. Maurice Tannahill were Mesdames T. E. Braddy, Dick Gholsen, Walter Hodges Jr., Marvin Knox, Baxter London, Galand Solomon, George Springer, Art Stoy, Ed Wilson Jr., C. R. Wingert, J. W. Witherspoon, and R. N. Yarbro.

Candymaking Is Topic For Mon Amis Study Club

A favorite candy recipe was given in response to roll call by each member present at the Oct. 2 meeting of Mon Amis Study Club. Mrs. David Hutchins then presented a program on "How to Make Better Candy."

The speaker emphasized the many advantages of using a candy thermometer and discussed basic ingredients and utensils. Favorite candy recipes were exchanged.

Plans for a candy sale as a fund raising project were discussed during the business meeting, which was conducted by Mrs. Cliff Allmon. Mrs. Hutchins was appointed to be in charge of the project. A meeting will be called in her home when the candy arrives, it was decided.

The meeting was held in the home of Mrs. Hutchins, and Mrs. Roy Botkin was co-hostess. Mrs. Fred Lookingbill and Mrs. Bill Lookingbill were welcomed as new members.

Other members present were Mesdames Cliff Allmon, Billy Bell, Jamie Clearman, Lawrence Jackson, Raymond Wiley, Ted Godfrey, an dGarland Smith.

Hereford Home Demonstration Club Thursday, Oct. 3. She explained the functions of the eight different United Fund organizations and the distribution of money.

"Measure your United Fund gift against the job it has to do. Measure it against your place in the community. All we ask is one day's pay for all these things," concluded Mrs. Neely.

During the business meeting, conducted by Mrs. Clyde Smithers, Mrs. David Watson was appointed chairman of the education committee to replace Mrs. Leona Seavey, who has moved to Dallas. Mrs. Watson also read policies and by-laws and recommended amendments to improve the club. These were accepted.

An article concerning the 103rd birthday of Mrs. W. H. Oliver, mother of Mrs. Sadie Oliver, former Deaf Smith County extension service agent, was read during recreation period.

Mrs. A. A. Hare, citizenship demonstrator, introduced the speaker and served as hostess for the club meeting. Mrs. Melvin Sween and Mrs. Leroy Smithers were welcomed as new members.

Those present were Mesdames David Watson, Melvin Sween, A. A. Hare, Leroy Smithers, O. C. Williams, C. L. Whitehead, O. L. Williams, Otto Massey, R. A. Fullwood, Clyde Smithers, and John M. Gooch.
