Heavy Vote Seen As Absentee Balloting Gets Under Way

Official Says 200 May Vote Early

By Ray Martin

The 1964 big election moved into the voting stage yesterday when absentee balloting started, and from all indications, it will be just that — a big election!

B. F. Cain, county clerk, said the total voting early may reach 200 which probably would set a new record. Altogether 4000 or possibly as many as 4500 persons may cast their ballots in Deaf Smith county.

Adding special interest to this year's election are the "free" voters who can cast their ballots only for national offices. A heavy black mark across the ballot indicates the "free" territory; those voting for offices below the mark

must have paid their \$1.75 poll tax this year or have secured exemptions.

The county clerk this week received a lengthy decision on the matter of "free" voting handed down by Attorney General Waggoner Carr.

"In order to be eligible to vote for federal offices in the 1964 general election, a person who is subject to payment of the state poll tax must either have paid the tax by Jan. 31, 1964, or have registered to vote for these offices without payment of the tax, as provided in Article 5.02a of the Texas Election Code by March 6, 1964. These requirements apply to voters who are in military service as well as the voters generally. The term 'federal offices' includes the following: President, vice-president, electors of president or vice-president, United States Senator, United States Representative (including congressman-at-large)."

A total of 3972 persons are eligible to vote in this county this year, plus "maybe as many as 500" who received exceptions in previous years because they were above 60 years of age. Cain said there is no way of knowing how many of these over-age exemptions have been issued in past years and are still held by people above 60. "He said 500 was a guess. In that case, a round 4500 persons will be eligible to vote in the Nov. 3 election.

Ballots arrived from the printer's this week. When voters go to the polls, they will be given a 1 1/2 by 1 1/4 inch ballot. In addition to the 50 candidates seeking offices on national, state district and county levels, the ballots will contain three constitutional amendments which must be approved or rejected by the voters.

Democrats have a full slate. The Republicans seek four national posts, nine state posts and one county post, while the Constitutional party has candidates for three national posts and five state jobs.

Which way will voters in Deaf Smith county go this major election year?

Park Row News Service of New York which studies figures of various and sundry matters, has attempted to answer that question by delving into the records of previous national elections.

It starts its report on Deaf Smith county voters with two questions, "For which presidential candidate will Deaf Smith County residents vote this year? And do their party preferences, as expressed at the polls in previous national elections, indicate the way they will vote this time?"

And then Park Row attempts to answer those questions by stating "there is no sure answer. . . . No one can predict with accuracy how much fence-jumping will occur.

"However," the service continues, "some important light on the subject is shed by a nationwide study, based on thousands of interviews, that was made by the Survey Research Center of the University of Michigan.

"It shows that once a voter makes his choice of a political party, he usually sticks to it (Continued on page 2)

16 Indictments Are Handed Down

A 69th Judicial District Grand Jury met for the second session of the new term this week and returned 16 indictments and one no-bill.

Four pleas of guilty were heard by District Judge Harry Schultz following the return of the indictments.

Joe Louis Armandariz was sentenced to two years in the state penitentiary after he entered a plea of guilty to a charge of theft over \$50.

Randall Allan Pace was given three years' probated sentence after he entered a plea of guilty to a charge of for-

gery and passing. Sam Pruitt was sentenced to a four-year probated sentence after he entered a plea of guilty before Judge Schultz, to a charge of theft over \$50.

In the final plea of guilty, Angel Villanueva was placed on a three years' probated sentence after he entered the guilty plea on a charge of second offense driving while intoxicated.

The grand jury returned indictments against Patrick M. O'Neill and William G. Thomas, on a charge of burglary of motor vehicle; Leslie G. Sharp, Jose Tijerina and Johnny Ervin Wilkins, all on separate charges of second offense driving while intoxicated.

Other indictments returned were on Harry W. Donner, on a fondling charge; and Jose Julio LaSanta, theft.

Seven other persons were indicted by the grand jury on six indictments, but were not in custody of the Deaf Smith County Sheriff's Department at the time (Continued on Page 4)

Auto, Truck Crash Leaves 1 Dead, 6 Hurt

Francis Mariscal, 8, Silverton, was killed shortly after 1:30 p.m. Sunday when a car driven by her mother, Belinda Mariscal, Silverton, collided with a loaded grain truck driven by George W. Springer, Crawford, Okla.

Mrs. Mariscal and five of her children remain in Deaf Smith County Hospital today, all in serious condition.

The accident occurred on a county road 10 miles west on U.S. 60 and three miles south.

Mrs. Mariscal and a daughter, Aurora, 11, were listed in critical condition but were removed from the critical list Tuesday.

David, 4, Santos, 2, Irene, 1, and Rosa, 15, were all hospitalized with bad facial lacerations and head injuries.

County Judge Burrows of Farmer County came to the scene of the accident, where he pronounced the little girl dead at the scene.

According to investigating highway patrolmen, both cars arrived at the un-marked intersection at the same time, with the grain truck striking the Mariscal vehicle on the right side.

The fatally injured girl was (Continued on Page 4)

Grid Winners Are Announced

" Tie-breakers " again were necessary to determine this past week's winners in The Brand's weekly football contest. Each of the three top-picked 17 out of 20 teams correctly.

First spot went to Ronald Bridges, Hereford; Mrs. Cawthon Bryant, Hereford, was second, and Charles Smyr, Canyon, placed third.

First In Series Of Two

Local Men Express Views of Nominees

By Phil Duncan

As election day draws near, with less than 20 days for voters to pick the man they would like to lead their United States through the next four years, several staunch conservative Republicans and moderate Democrats were interviewed in an effort to seek each man's idea of what his preferred candidate represents.

The two interviews appearing in this issue of the Brand are those of Louis Woodford, 216 Star, longtime Deaf Smith County farmer and immediate past chairman of the Deaf Smith Democratic Party and Frank Ford Jr., 305 Stadium Dr., farmer and longtime active member of the Deaf Smith Republican Party.

These men have presented their views fairly and objectively. Neither man is trying to force his political views on anyone, but merely expressed an opinion as to the candidates and the issues only when asked for his opinion.

The political observations of two women, active in their respective parties, will appear in the Sunday Brand.

Frank Ford Jr., Conservative View Presented by Frank Ford Jr., Republican

Louis Woodford, Moderate Views Are Presented by Louis Woodford, Democrat

Frank Ford Jr., longtime Deaf Smith County farmer, was asked by this reporter to give his definition of a conservative, a tag that is so often placed on Republican Presidential nominee Barry Goldwater.

"A conservative is a person who believes in conserving freedoms — who believes in accomplishing solutions to our problems of the current day as close to home as possible so that power will not become dangerously centralized," Ford commented.

"The conservative of today is the champion of individual dig-

Louis Woodford, a Deaf Smith County farmer who has been active in the local Democratic Party and supported his nomination for many years, was asked to comment on the present presidential race and his party's nominee, Lyndon Johnson.

"I hesitate to tag President Johnson as a Liberal because the term is so often misused and many people do not distinguish property between the term of liberalism and conservatism. I would think he should be called a moderate, who serves all of the people of all the United States," Woodford said.

(Continued on Page 6)

School Auditors Report Accounts In Good Shape

Hereford Independent School District Board of Trustees met in regular session Tuesday night at the School Administrative offices with all members present for the meeting. Ten visitors were also on hand to listen to the proceedings.

In the first order of business, the board approved the minutes of the regular meeting, Sept. 15 and of the special meeting Sept. 30. All visitors were provided a copy of the minutes, as well as a copy of the agenda for the evening.

Around Town

With The Brand Staff

Football Mothers will meet in the Community Center's Scout room tomorrow at 4:30 p.m. Mrs. Morris Easley, president announced.

Army Spec. 5 Charley J. Pierson, Dimmitt, is participating in a month-long field training maneuver in Georgia and North and South Carolina. The training ends Nov. 12.

Tierra Blanca Soil Conservation district board of supervisors elected Charles R. Hoover as chairman at their meeting Monday. Other officers are Luther Leely, vice-chairman; Clarence Betzen, secretary-treasurer, and Eldred Brown and F. L. Hieles, board members. The district is a sub-division of the state government created to administer soil and water conservation within the county. It was explained.

Mrs. Florence Traweek, Hereford, has been named to serve as local chairman of Texans for Goldwater. General chairman is William Robert Smith, San Antonio.

Hershel Carthel, Route 1, Box 27, Lockney, has invited all former Lockney students to attend the homecoming for that school Friday, Nov. 6. He asked that Deaf Smith County alumni who plan to attend to write him. A barbecue, football game and a social will be highlights of the program.

Women's Army Corps will set up a display at Sunset Center Mall Oct. 27-31. It was announced today by Army officials who invited area residents to see the display.

Hereford Lions club has discontinued its regular Saturday night wrestling series "until next summer," says Slim Wester, the club's fight promoter. Last week's profits went to the United Fund, \$375.

Jack Anderson, representing the auditing firm of Cornell & Co. of Amarillo, presented the annual audit report to the board, making some suggestions for improving bookkeeping procedures in certain areas.

Anderson told the board however, that the general bookkeeping system was very good and that all funds audited were in good shape. Some of the activity fund accounted needed better bookkeeping systems, he said, but indicated that steps were being taken now to rectify this situation.

All school funds are audited periodically, Superintendent Darrell Williams told the board.

Also appearing before the trustees Tuesday night was Jess Robinson, Vocational Agriculture instructor who reported to the group concerning the use of the FFA pickup. Apparently some board members had received complaints concerning use of the vehicle.

Robinson, who came to Hereford in 1954, recently moved to a farm, and drives the vehicle back and forth from school to his farm home. He pointed to the board however, that he now handles all the servicing of the vehicle at his own expense rather than having it serviced at the bus garage which had been the practice in the past.

The FFA Chapter owns the

pickup, which is bought and paid for by the chapter. The Chapter trades pickups every year, and it costs the school system nothing for the operation of the vehicle, Robinson told the board.

Robinson does receive mileage from the school when on school business, and Robinson said the pickup was not used for personal business except to drive back and forth from home to school.

The board also reviewed and approved bills for payment amounting to a total of \$27,326.06. Of this amount, \$24,924.57 was from the local maintenance fund \$148.05, Athletic fund; \$242.56; transportation fund and \$2,010.88 from the building fund.

The board also approved expenses for sending 25 to 30 students and their sponsors to a Student Activities Conference which will be held at Odessa College, Saturday. The students will travel to Odessa in a school bus.

Orpha Click, District Tax Assessor-Collector reported to the board concerning the tax office. Click told the board that tax receipts were considerably better than at this time last year.

Assistant Superintendent Kendall Williams presented a report to the board concerning grounds and equipment, and also told the group that most of the cafeteria equipment for

(Continued on Page 6)

County To Pay \$13,000 For Lot Near Courthouse

The Deaf Smith County Commissioners Court wasted little time Monday in getting into a busy agenda during their regular first-of-the-month commission meeting. Commissioners quickly disposed of the routine business, approving the payment of bills and reports of the various county offices.

Getting into the meat of the day-long meeting, the Court approved the purchase of a 1965 Chevrolet pickup for Precinct 2, trading in a 1963 Ford pickup. Actual cost to the county was \$797.20. Three bids were submitted with the above bid from Orshorn Chevrolet-Olds being the lowest. Other bids received were from Hi-Way Auto Sales, 1965 Dodge, \$988.88; and Stephens-Hudson Motor Company, 1965 Ford, \$978.07. All three pickups were 1/2 ton units with 6 cylinder engines. All included approximately the same equipment.

Also high on the business of the court was the approval of the purchase of the Dick Walker property, located at 421 Schley St., for \$13,000.

The court has been discussing the purchase of this particular tract of land for several months, and tentatively approved the

purchase Monday, pending delivery of up-to-date abstract and property deed records. Walker will keep the improvements, and will have 90 days after the deal is closed in which to move house and other improvements from the property. The lot is 50 by 140 feet and is located just north of other county property on Schley Street. The county also will own half interest in the fence dividing this property from that owned by F. S. Smith, 423 Schley.

In other business, the Commissioners approved the crossing of county roads with a gas line and a water line. Requesting the permission was R. C. Godwin, who asked that he be granted the right to cross a county road with a gas line beginning at the northwest corner of Section 64, Block K-5, thence west across county road to the northeast corner of the G. E. Beasley section (League 40946).

The water line would cross the road beginning at the north west corner of Section 65, Block K-5, diagonally across county road northwest to the southeast corner of the G. E. Beasley section (League 40946).

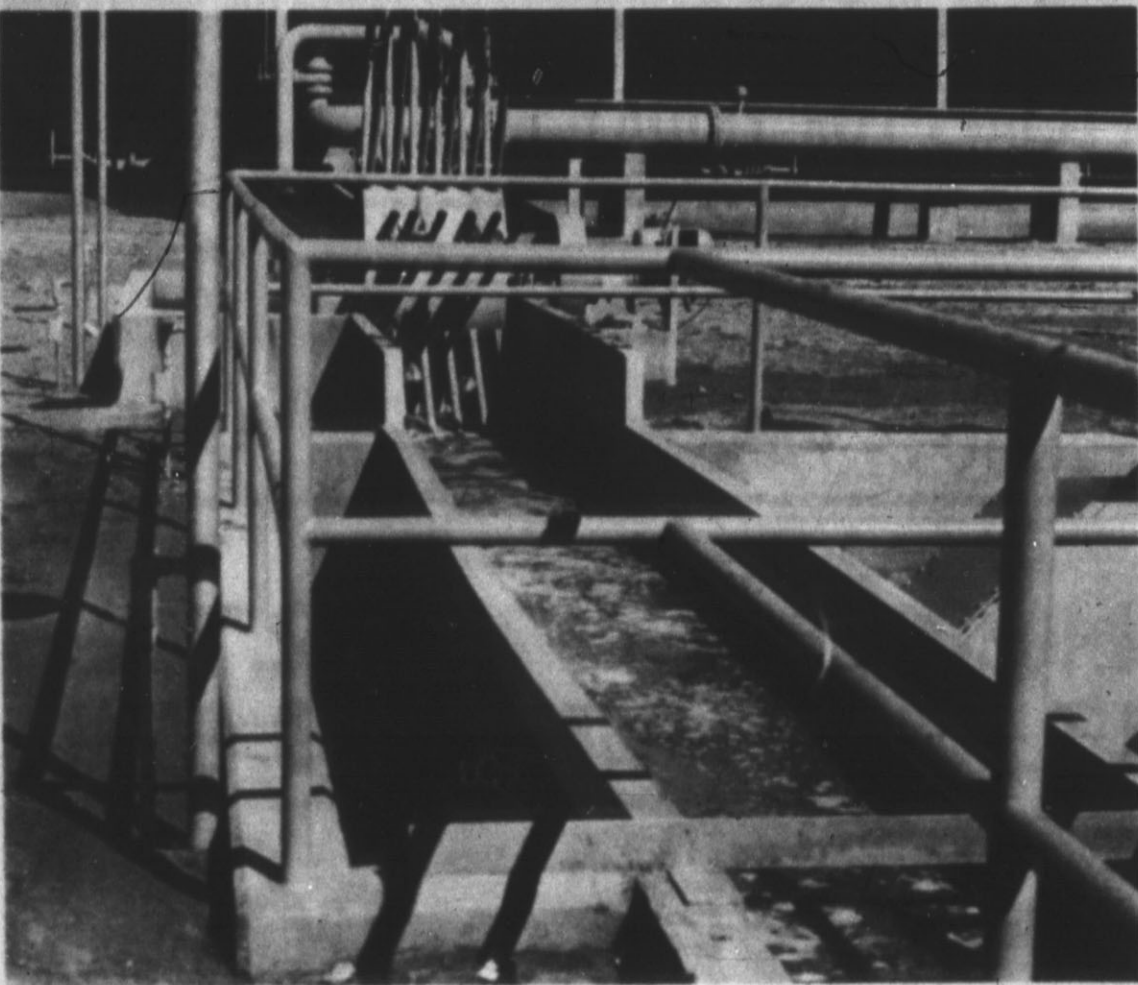

The court authorized the expenditure of approximately \$50

for Mrs. Jean Eeene in connection with the state Dress Revue program. Mrs. Eeene told the court there are now 358 4-41 club members in the county, with approximately two-thirds of that number being girls.

J. W. (Lefty) Thomas also visited with the court, expressing his appreciation for the cooperation and support during his seven years as Deaf Smith County Agricultural Agent. Thomas is leaving Oct. 15 and will be replaced by Justin McBride who will begin his duties Nov. 1.

The court also reindicted court order number 1581 concerning hours of library and other county offices. Mrs. J. J. Boydston appeared before the court, telling the group that the library had "no business" during the 5 p.m. to 6 p.m. hour. Only one person has used the library facility during this time period since it started remaining open almost a month ago, Mrs. Boydston told the court. A similar situation exists in the tax and county clerk's office, according to those officials. However, the clerk's office will remain open during the noon hour until absentee voting is completed. The tax office will also remain open during the noon hour during their rush seasons.

BEETS INTO SUGAR — This photograph shows some of the beets that have been arriving at Holly Sugar Corporation's Merrill E. Shoup Plant this week. Here the beets are being washed down the troughs as they

begin the first part of the long journey that will end with pure beet sugar. Although some sugar has been made at the plant, it has not been stored until all operations of the \$21.4-million plant are adjusted. (Brand Staff Photo)

Holly Kicks Off

Now It's Started!

Merrill E. Shoup Plant of Holly Sugar Corp. turned out the first sugar as processing began Tuesday morning after technical difficulties were corrected when the plant began to operate last Thursday.

First delivery of beets began last Wednesday, with more than 15,000 tons on hand and more pouring into the plant all the time.

The beets will be hauled to the plant from 8 a.m. to 5 p.m., five days a week, while the actual processing will continue 24 hours a day, seven days a week until all of the beets from the 27,500 acres are converted into sugar or thick juice for storage.

"Farmers have done an exceptional job and the tonnage and sugar content being very high," Dexter Lillie, district manager said Wednesday.

Sugar content is rating over 15 percent, and tonnage is near 20 tons per acre with some crops in New Mexico yielding as high as 34 tons to the acre, which is very far above average.

The crop is coming in by truck and rail from 2,500 acres in Curry County, N. M., 500 in Moore County and the balance of the 24,000 acres are grown in (Continued on page 2)

PITCH MAN — The "lady" above walks the downtown streets these days, urging people to come to town tomorrow night for a "Moonlight Madness" sale from 7 to 9 p.m. The "lady" incidentally is Clete Corliss, one of the downtown merchants promoting the project. (Brand Staff Photo)

Charge Of 'Contributing' Heavy... Brings Fine And Jail Term

Juanito Marquez Castillo, 19, and Julio Sanchez Jr., 21, were fined court cost and sentenced to serve 30 days in the county jail after they entered a plea of guilty before County Judge H. C. Williams to a charge of contributing to the delinquency of a minor.

Castillo and Sanchez, co-defendants in the case, were arrested by an officer of the Deaf Smith County sheriff's department Tuesday morning after a complaint was made that a house at 13th and Ave. F had been broken into and the parties were still in the house.

The officer testified, upon arriving at the house, he found

the defendants in the house with a 16-year-old Latin American girl. The girl told officers that she had been drinking and the youths were charged with the contributing charge.

Castillo and Sanchez told the court that they had been to a party at the Labor Camp and found the girl and took her to the house located at 13th and Ave. F, knocking the lock off the door and spending the remainder of the night in the house.

According to investigating officers, a dozen or so quart beer bottles were found about the house and the defendants, as well as the young girl, had been

drinking.

Ralph Salazar, 20, entered a plea of guilty before Judge Williams to a charge of aggravated assault and was sentenced to 12 months in the county jail.

Salazar was arrested at the Labor Camp Saturday evening by officers of the Deaf Smith County Sheriff's department, after he fired a rifle into a crowd of more than 200 person at a Labor Camp Dance.

One of the wild shots struck an innocent bystander and penetrated his leg; however the injury was not believed to be serious and the man was treated and released.

According to testimony by the investigating officer, Salazar came mad when he discovered someone had broken a window out of his car, which was parked in the Labor Camp.

He pulled out the rifle and fired at least 15 shots into the crowd at the dance.

According to officers, Salazar, was intoxicated at the time of his arrest.

All exits to the Labor Camp were sealed off until Salazar was arrested.

Fidel Ortiz was fined \$175 and cost and sentenced to eight days in the county jail after he entered a plea of guilty before Judge Williams to a charge of driving while intoxicated.

Ortiz was arrested by officers of the Highway Patrol Saturday evening after he attempted to make a turn on the road leading into the Labor Camp and left the road, smashing into a telephone pole, snapping it at the ground and damaging the truck.

Domingo Sanchez, 17, was sentenced to five days in the county jail and ordered to pay court costs after he entered a plea of guilty to a charge of theft over \$50. Sanchez took a rifle from the E-Z Way Grocery on Park Ave.

In the final action, Emiliano Lamas was fined \$150 and cost and sentenced to five days in the county jail on a DWI charge. He was arrested by county officers.

Miss Tosmah, who made it five straight stakes at Aqueduct when she won the Bekdame, was bred in Florida by Eugene Mori. He sold her to Anthony Imbesi for \$100,000.

(Continued from Page 1)
for life. Only one out of five ever switches.
This, according to the study, is the most important single influence in our elections.

"What has been the record in Deaf Smith County? Looking back at past presidential elections, the Republican candidate received 2024 local votes in 1960 to 1299 for his Democrat opponent. In 1956, the county was 1685 Republican and 1361 Democrat, and in 1952, 2468 Republican and 1006 Democrat.

"Combining the results of those elections, the Republicans compiled a total of 6,177 votes while Democrats garnered 3,666.

"It shows that local residents gave 63 percent of the total to the Republicans and 37 percent to the Democrats.

"How this compares with the returns from other counties in the State of Texas may be seen from the summaries of the last three presidential elections. They show that 52 percent of the people in the state voted Republican and 48 percent Democrat.

"The question that arises, with this year's election, is whether history will repeat itself. Will voters locally and in other sections of the country continue to maintain party loyalty or will special considerations cause a change this year?

"The study reveals that nearly three-fourths of the voters make up their minds very early in the campaign. However, about one out of ten remains undecided until just before the election — a fact which explains the last minute stumping by both sides."

Deaf Smith, Farmer and Castro counties.

"Adjustments need to be made in the machinery, and as soon as those problems are straightened out the plant should be in full swing and all operations from hauling them to the plant to bagging the sugar, should be real smooth," Lillie said.

If the present yield continues, with more than 20 tons per acre on the 27,500 acres of sugar beets to be supplied to the processing plant, more than 132,000,000 pounds of sugar could be produced at the plant this year. This figure would represent 1.3 million 100 pound bags of sugar, with original estimates by plant officials predicting one-million 100 pound bags of sugar.

(Continued from page 1)
 the indictments were returned. The one no-bill involved George W. Lewis on a charge of swindling with worthless checks. Two other cases were passed for this meeting of the grand jury.
 This session was the second for the new grand jury that was sworn in July of this year. It is composed of Mrs. S. O. Wilson, J. B. Noland, Owen Andrews, Byron Durham, W. J. Albracht, A. C. Hudson, Jack Weaver, Mrs. Wayne Higgins, Dexter Leele, Mrs. R. L. Pinnell, Mrs. Lewis Woodford and E. J. Kirksey. Kirksey was elected foreman at the opening session of the grand jury Aug. 5.

Legionnaires and Auxiliary members from the 18th Congressional District will convene in Amarillo Saturday and Sunday, for their annual Autumn convention of The American Legion, Grant Hanna, Hereford District Commander, has announced.
 Registration will open at the Herring Hotel Saturday at 1 p.m. There will be a conducted tour of the Amarillo Air Force Base at 2 p.m.
 That evening the Legion and Auxiliary will enjoy a banquet in the Crystal Ballroom of the Hotel, followed by a dance at 9 p.m. at the NCO Club at the Amarillo Air Force Base.
 Sunday at 8 a.m. registration will be resumed in the Herring Hotel Lobby.
 The joint session of the Legion and Auxiliary will convene at 9:30 a.m., with Commander Hanna calling the meeting to order. District Sergeant at Arms Demp-

sey Reeves will have charge of Colors and District Chaplain Shirley Draper will give the invocation.
 A member of Post No. 372 will give the address of welcome and response will be by Jack Flynt, Past District Commander. John E. McKelvey of Electra, Immediate Past Department Commander, will be principal speaker. The Auxiliary and Legion will hold a joint memorial service with Chaplain Draper in charge.
 Immediately following lunch the Legion and Auxiliary will hold their separate business sessions with Commander Hanna presiding over the Legion meeting. Department Vice Commander John F. Crooks of El Paso will be guest speaker at this session.
 Committee reports will be heard and a membership program for the ensuing year will be discussed.

CROP...

(Continued from page 1)

has been set as one carload of grain sorghum, plus the annual take from the CROP Trick-or-Treat program. The Trick-or-Treat program, headed by Virgil Dodson, has consistently raised a large sum for the CROP program. In fact, it's seventh in the state for funds raised, and this includes cities such as Dallas, Houston, Fort Worth, etc., the chairman told the group.
 Chairman of this year's overall CROP drive is Ira Scott, local seed dealer, and area chairmen also have been appointed. They are B. G. Cotton, Summerfield; Mrs. Floyd Cole, Frio; V. P. Walker, Frio; Bill Waldrep, Easter; Keith Duderstadt, Dawn; Lester English, Wildorado; Donald Hicks, Ford; J. V. Perrin, Simms; Clint Homfeld, Bippus; Rev. E. L. Nagle, Bippus; Mr. and Mrs. T. L. Collins, Walcott; Mrs. Ernest Brown, Garcia; Harold Bass, Bootleg; Gerald McCathern, Westway; George Olson, Wyche; Shirley Garrison, Easter; and Garland Solomon, Hereford.
 All elevators are cooperating in the program, and commodities can be donated to CROP through this method, Scott told canvass workers Wednesday.

Baltimore beat the Los Angeles Angels, 11 to 7, in their season series.

Since 1957 the number of golf courses in Japan has risen from 50 to 313.

Baptist Plan Revival Here

The Rev. John Tierney, Greenville, S. C., and the Rev. Dale Goody, Lawton, Okla., will make up the revival team for the First Baptist Church Sunday, Oct. 18 through Sunday, Oct. 25. Mr. Tierney, born in Aye, Scotland, a former businessman, school administrator and pastor, has preached in 407 churches in 38 states and Canada. He has spoken in many colleges and universities. He was introduced last year to the United States Senate by Vice-President Lyndon B. Johnson, and opened Senate in prayer.

Dale Goody, born in Lawton, Okla., 28 years ago, was educated at Hardin-Simmons University in Abilene. Mr. Goody is a member of Oklahoma Baptist's "Singing Churchmen". He has been music director for various camp and assemblies in

Auto...

riding in the back seat of the late-model station wagon and was sitting nearest the door. All of the occupants were thrown from the car.
 According to investigating patrolmen, all of occupants of the station wagon would have been fatally injured, had the station wagon rolled over after the collision.
 Aurora, perhaps most seriously of the injured in the accident, was sitting nearest the front right door.
 Funeral services were held at Silvertown this week for the 8-year old girl.
 No charges were filed in the accident and according to investigating officers, the accident would be termed unavoidable.
 Springer, driver of the truck was injured in the accident, but was not hospitalized.
 All of the occupants of the Mariscal vehicle were carried to the Deaf Smith County Hospital in a Gilliland Ambulance.
 The young girl who was killed was thrown from the vehicle, into an irrigation ditch near the road.
 Meantime, the Highway Patrol supervisor for this area, Sgt. W. E. Wells, reported that during September, 10 persons were injured and property damage of \$9530 was reported.

This brought the "rural" traffic total to 100 crashes since the first of the year. Two persons have been killed on roads in this county and 54 persons injured. Property damage for the first nine months totaled \$49,344.

The September report for area counties showed the following: Castro county, seven accidents with three injuries. Dalham county, three accidents and three persons injured. Oklahoma county, 11 accidents with six injured. Parmer county, 3 accidents, one death and nine injured. Potter county, 26 accidents and 13 injured. Randall county, 13 accidents, two killed and nine injured. Swisher county, seven accidents and seven injured.

Oklahoma and Texas, and has served in over 60 revivals and is considered an outstanding musician.

Both these men are now giving their services to full-time evangelism. The morning services will be at 10 a.m. and the evening services will be at 7:30 p.m. The nursery will be open for all services. The public is invited, says the pastor, the Rev. B. L. Davis.

Wyche HD Re-elect Officers, Hear Review of Girls' State

Wyche Home Demonstration Club heard a special report on Girls' State and renamed their slate of officers for 1965 when the club met Oct. 1 in the Community Room of First National Bank.

Mrs. Ira Ott, club program chairman for the day and member of American Legion Auxiliary, introduced Sharon Tinnin and Becky Duncanson, the organization's delegates to Girls' State, who reported on their activities during their 10 days at the Aus-

tin summer session. They pointed out the different ways in which Girls' State instructed the delegates in the duties, privileges, and rights of citizenship in the United States.

Chosen from the junior class of high school, these delegates were selected on the basis of leadership, character, courage, honesty, scholarship, cooperativeness, and physical fitness. Sharon and Becky are now seniors in Hereford High School.

Joining Mrs. C. F. Newsom,

vice-president; Mrs. H. R. Short, secretary-treasurer; Mrs. Charles Packard, council delegate; Mrs. W. P. Axe, alternate council delegate; and Mrs. Ira Ott, parliamentarian.

Mrs. Newsom presided at the business session when the club decided to sell copies of "Favorite Foods of Texas," a new cookbook, as a money-making project.

Mrs. Norman Hodges was hostess to Mrs. S. S. Williams and Mrs. G. W. Newsom, visitors; and to nine members, Mrs. C. F. Newsom, Mrs. Short and Laurel, Mrs. Ott, Mrs. Axe, Mrs. Packard, Mrs. Botkin and Jimmy Mrs. L. B. Worthan Mrs. G. W. Duncanson and Mrs. E. C. Hewitt.

Hereford Man Is Elected Head Of State ASCS Employees' Group

Faust G. Collier, Hereford, ASC office manager for Deaf Smith County, was named president of Texas Association of ASC Office Employees at the organization's annual meeting in Austin last weekend.

Another area ASC official, Charles Bragg, Lubbock, was named first vice-president. Howard C. Hysaw, Beeville, was elected second vice-president, and Earl Porter, Mineral Wells, was picked as secretary of the organization which had more than 500 county office employees in attendance. The meeting was held in the Driskill Hotel.

Deaf Smith county was runner-up in the travel trophy contest, also, having eight members attending. Hansford county had the same number attending, but the group went to the convention from a greater distance. Deaf Smith County had won the contest for the last three years.

Woodrow Jones, New Boston, now president of the National Employees, was one of the speakers. Others included Ray Fitzgerald, deputy administrator of ASCS, Washington, and Joseph M. Robertson, administrative assistant to the Secretary of Agriculture.

Collier succeeds Robert J. Persons, Rusk.

Collier also heads District 1 of the organization. Other district presidents in this area include Charles G. Bragg, Lubbock, and Louis W. Grayson, Panhandle.

The convention was held last Saturday, and concluded with a banquet and a dance. Robertson was the principal speaker at the banquet. Other speakers Saturday included Joy Flud, vice-president of the national organization; Leonard Williams, state training officer of ASCS; F. W. Blease, south central area director, ASCS; Ralph T. Price, chairman, Texas ASCS state committee and W. Lewis David, state executive director, ASCS, around

Luman Harris, new manager of the Houston Colt 45s, has coached at third base in the major leagues 14 years.

Ohio State scored 110 points last football season against 102 for the opposition. The Buckeyes had a 5-3 record.

Faust Collier

committee and W. Lewis David, state executive director, ASCS, around

Night WMS Circles Hear '65 Preview

Pinkston and Anderson Circles of night Women's Missionary Society of First Baptist Church joined for salad supper and mission study program last Thursday evening in the church dining room.

Mrs. J. O. Clark presided at the joint business session. Mrs. B. A. Reddell, secretary-treasurer, gave the financial report, and Mrs. Otis Lee gave the Calendar of Prayer.

Mrs. Sanford directed the program with an overview of the new year's work being presented by Mrs. Clyde Rayburn, Mrs. Cecil Oglesby, Miss Della Stagner, and Mrs. Sam Morgan. Mrs. J. O. Clark closed the meeting with prayer.

Those present were Mrs. Lynn

Kester, Mrs. E. W. Young, Mrs. Clarence Schulz, Mrs. Otis Lee, Mrs. Rayburn, Mrs. Roy Calvert, Mrs. Oglesby, Mrs. J. O. Clark, Mrs. Morgan, Mrs. Smith, Mrs. John Hacker, Mrs. Richard Clark, Mrs. John Payne, Mrs. McNeill, Miss Stagner, and Mrs. R. B. Hutson.

Billy Houghton drove Quick Chief to victory in the 1965 Little Brown Jug race and this year he scored with Vicar Hanover.

In Duke's opening football game 9-9 tie with South Carolina, the Blue Devils completed 10 passes, one less than SC.

Notre Dame won only two of nine football games last fall.

Moderate...

(Continued from Page 1)

Woodford is immediate past-chairman of the Deaf Smith County Democratic party and has been active in the party affairs for many years. He is presently serving as campaign chairman in Deaf Smith County for Senator Ralph Yarborough, who is seeking re-election.

"With the prosperity we are now enjoying there is no doubt that the people of this community and farming communities everywhere, will vote for the present administration over a man who has never voted for a farm program in his 11 years in the Senate.

"With the experience of President Johnson and the Democratic Administration, we know the people of the United States will be served instead of special interest groups.

"I feel that a true moderate is a man who is trying to represent all of the United States, which is imperative if we expect to have prosperity in all sections of the land, and this is exactly what Lyndon Johnson is doing," Woodford said when asked for his definition of a moderate.

"Goldwater's record in the Senate demonstrates his lack of ability to make a president of the people, which is the goal of a moderate. His voting record has been against all of the government reforms that have been for the welfare of all classes of people.

"President Lyndon Johnson took over the office of the president after the assassination of our beloved John Fitzgerald Kennedy and has demonstrated his ability and desire to make us a good and capable president," Woodford continued.

"The past Republican Administrations have been linked with and accused of some scandal within their folds as has the Johnson administration. The only solution for this is for everyone to take a more active interest in his government and assist more in the operation of his government.

"President Johnson has chosen as his running mate Hubert H. Humphrey, who has demonstrated his ability for that high office by his record in the Senate. He is eligible from the standpoint of education, ability, experience, integrity and hard work.

"Goldwater has proven to be so unstable in his decisions over the last few months that it is questionable whether he would be capable of making proper decisions in the White House and be able to stay with them.

"The election of Barry Goldwater would be the election of the John Birch Society and the Kly Klux Klan to the highest office in the land," Woodford concluded.

San Jose State split 10 football games last season and almost divided points in their games. The Spartans made 187 points to 194 for their rivals.

Conservative

(Continued from page 1)

nity and believes in the same things as the traditional liberal of Thomas Jefferson's period."

Ford, who was a candidate in 1962 for State Representative from the 91st Congressional District, an active member of the Deaf Smith County Republican Party and ardent supporter of Barry Goldwater, is always ready to explain the beliefs of a true conservative like himself.

In commenting on the Republican presidential-nominee, Ford said, "The basic quality in Barry Goldwater is honesty. I believe honesty is still a characteristic that should be a requisite for public office.

"Goldwater has for 14 years championed the idea that the free enterprise system can produce a better minimum standard of living for the United States than can the government control approach of the present Democratic Administration. I think proof of his basic philosophy lies in the fact that America has produced over one-half of the world's material goods with only seven percent of the population.

"Russia used to be an exporter of wheat," Ford continued. "If government control is so good why do they have to come to us to feed their people?"

"I think people who know Goldwater personally and even his opponents in the Senate admire him as a man. People from his state have returned him to the Senate with overwhelming

votes, even though it is a state that has two registered Democrats to every registered Republican.

"But more important than that I think a study of his record

will indicate that his position on issues over the years has stood the test of time and have been proven correct, even though he stood alone at time," Ford commented.

When asked his opinion of President Lyndon Johnson, Ford said, "The respect LBJ commands as a man is best indicated by the three-to-one ratio

against him consistently in the county in which he was born and raised and in which LBJ Ranch is located.

"In 1960, the vote in Gillespie County, home for LBJ, was 2687

for Nixon and Lodge and only 816 for Kennedy and Johnson, who was running in his own home town.

"One of the saddest aspects of Lyndon Baines Johnson's control

of the Democratic Party as a result of the assassination of John F. Kennedy, is that honest liberalism, for which there is a need in this country, has been destroyed."

School...

(Continued from Page 1)

Northwest Elementary School had arrived. Everything is now here except the sinks, Williams told the board. The equipment was purchased from Golden Light Coffee Co. and was supposed to have been installed before the first day of school.

School enrollment has leveled off, according to Superintendent Darrell Williams, dropping slightly from a September high.

Enrollment figures for senior high school and junior high were not available Tuesday night, but elementary enrollment is up approximately 195 students from the same date last year.

It is down from the September high by 42 students, however. Complete figures, including the high school and Stanton Junior High will be published just as soon as they are made available.

The next meeting of the board is scheduled for Tuesday, Oct. 20, 8 p.m. at the school administrative building. All members of the board were present for the Oct. 13 meeting.

The public is invited to attend all meetings.

Rutgers allowed three more points than it scored in football last season (145-148) while winning three of nine games.

Children With Birth Defects Jam Hospitals, 'Dimes' Chairman Says

At least half the beds in the children's hospitals of America are occupied by birth defect victims, Ralph Owens, 1965 March of Dimes Fund Drive Chairman said today.

He made this statement upon returning from a meeting of volunteer leaders in Dallas to plan the 1965 March of Dimes against birth defects.

The massive health emergency posed by the birth of 250,000 defective infants in this country each year will never be met until people realize that birth defects are shocking realities instead of pretending that they do not exist, Owens said.

multiple problems common to birth defects.

Owens contrasted the efficacy of this team approach with the previous system under which the child was shuttled back and forth between medical experts scattered throughout a city or even an entire state.

In conclusion, Owens repeated his call for intensified public involvement in the fight against birth defects. It is not just the business of the March of Dimes, he said, but "everybody's business to see to it that the sick, disabled or endangered child has a better chance in life."

Nine Fire Runs Made Last Month

Among these realities to which so many citizens shut their mind he said, are innocent children born with open spines, swollen skulls, missing limbs, facial disfigurements, and perhaps worst of all, sound bodies harboring retarded minds.

The results of widespread failure to recognize that these conditions are real and that something can be done about them are two-fold, asserted Owens: The public does not provide the necessary support to bring the full resources of medicine into the fight against birth defects. And the parents of many of these children, beset by unwarranted guilt feelings and misunderstanding, fail to seek the help that is available.

Fire department made nine runs during September, five within the city and four outside, Dudley Bayne, City Manager, reported to the county commissioners at their session Monday.

The runs made were as follows:

Sept. 5, to 1515 Park Ave.; Sept. 7, a pickup truck fire three miles west of Hereford; Sept. 8, an automobile fire at Union and Ave. F.; Sept. 10, three miles north of Hereford at the W. W. Hill home; Sept. 11, 213 Western; Sept. 12, seven miles west of town, a plane crash; Sept. 15, 607 West 6, and Sept. 28, 202 Brevard.

The Foundation leader pointed out that since the entrance of the March of Dimes organization into the largely neglected field of birth defects in 1958, significant forward strides have been taken in both research and treatment.

He cited the financing by the March of Dimes of 50 treatment centers where birth defect children can, in one medical institution, receive the attention of up to a dozen specialists, trained to detect and treat the

The Milwaukee Braves beat the Chicago Cubs 10 times in 18 National League meetings this year.

Babe Ruth set an American League record by pitching nine shutouts for the 1916 Boston Red Sox.

Cincinnati won its 18-game series from St. Louis, beating the Cardinals 10 times during the year.

SOURCE of POWER

It looks easy!

In no time at all this solid log is cut clean through. There's a reason. Because back of the saw is sufficient power to do the job... penetrating power. Oh, the power that could be loosed from your life and mine if we were but willing... inexhaustible power... mountains of power that could penetrate a wicked world and turn it Godward. Jesus said, "All power is given unto me." Then why not make contact with God this very day — the source of real power. He said, "Lo, I am with you always." Attend church and give Him a chance to help *rewind the mainspring of your life*. Link it up with the billion-volt-dynamo in the Power Room of The Most High.

Young Homemakers Club Study Basic Parliamentary Procedures

Mrs. Dean Bryant gave instructions on parliamentary procedures for members of Young Homemakers Home Demonstration Club at their October 8

meeting in Community Room of First National Bank. Having set forth fundamental principles required for carrying forward business of an ordinary organization, Mrs. Bryant then demonstrated procedures and held a practice period. Members reviewed calling a meeting to order, reading minutes, approving and correcting them, addressing the chair, gaining recognition, making and seconding motions.

Mrs. Charles Brown sparked club interest with her reading the fortune of each member. Roll call was answered by opinions of the poll tax. Mrs. LeRoy Burgess was hostess for the day to Mrs. Lloyd Smith, Mrs. Roy Evans, Mrs. Ed Richards, Mrs. Dean Bryant, Mrs. Charles Bryant, Mrs. Rayburn Strange, and Mrs. Tom Crawford, a visitor.

HDA Profiles — No. 4

Mrs. Parsons Leads In Long HD Service

If a time-chart record of community service were required, some people, like Mrs. Grady Parsons, would have a real task. Her 35-year membership in Home Demonstration club work has left little time for thinking about much less counting, up the jobs undertaken or work accomplished in that span of years.

Currently serving her second consecutive term as president of Cultural Home Demonstration Club, Mrs. Parsons' activities span Donley, Armstrong, and Deaf Smith counties. From school girl membership in Donley county through active years with home demonstration clubs, she came to Deaf Smith County in 1943.

She was a member of North Hereford Home Demonstration Club until increased membership required formation of a new club. A charter member of Cultural Home Demonstration Club, August 21, 1948, and she has continued as an active member of that club.

Listing Mrs. Parsons' major activities is like making a catalog of club plans and procedures. She has held all offices on club level; has served as member of county council recreation committee; has attended one state THDA convention and nine or more district THDA meetings; has given demonstrations in cake-making and other phases of cookery, canning, sewing, and pressure cooker gauging; has tested pressure cooker gauges for others.

Enthusiastic about special club projects, Mrs. Parsons, according to her co-workers, has given her time, great energy, and unswerving effort to achieving club goals — whether for the "eye bank" last year (collecting old eyeglasses for the Lions Club), or for this year's project of helping Girls' Town, U.S.A., Whiteface.

Participating leadership has marked her endeavors for Girls'

Town, from making tablecloths and draperies, through collecting, cleaning, sorting, packing and delivering several carloads of clothing and miscellaneous items donated for the girls and furnishings for the buildings. She, with her club membership, did not overlook other necessary phases in the girls' lives — from good grooming (haircuts and permanents) to obtaining necessary aid conditions, which the women hope to secure and have installed by summer, 1965. Mrs. Parsons' interest in Girls' Town her Sunday School class reports, led to the "adoption" by the class of one of the girls (age 13) to supply her personal needs, have her in their homes for vacations, and help her have a share in home and family life.

Another aspect of her work appears in the helping with 4-H shows and dress revues; assisting in judging in both county fair and out-of-county 4-H style shows; teaching 4-H girls sewing and helping them with their sewing projects. She encouraged 4-H work by attending 4-H demonstration teams' practice sessions.

Is Mrs. Parsons a homemaker? She has made a full-time career of that applied science and art since she and Grady Parsons were married in 1922. They make their home at 1008 Grand Ave., where their daughter, Mrs. Ella Mae Childers, anaesthetist at the local hospital, and her two teen-age sons — Joe Harold and Jimmy Ernest — complete the household.

The Parsons' son, Jack, his wife and children (Andy, 7, and Jan, 4) live in Amarillo. The boys' interest in pony league, basketball, football, horses and dogs, Mrs. Parsons muses, has compelled her to broaden her scope in keeping abreast of the times.

Then the family, too, gave added emphasis to her participating as a devoted member of the First Baptist Church. In her Sunday School class, she has

served as president, secretary, and group captain; in Women's Missionary Union, as circle and social chairman. She has worked in vacation Bible school and with the "Sunbeams".

As a hobby, she raised a garden for canning a variety of vegetables for family use. "It would be summertime," she observed, "if I didn't can some." A more extended hobby included the painting of the Parsons' house — inside and outside — refinishing a dining suite and rocking chair for living room.

Reviewing her home demonstration club experiences, Mrs. Parsons counts among her most important skills those learned and used in home sewing, all of which she passed on to her daughter. From simple sewing to complex tailoring, she says, she gained confidence in her work and enthusiasm for producing the finished garment — from choice of quality material, through construction, fitting, and final stitches and touches.

With forward look, Mrs. Parsons moves with satisfaction from lessons learned and efforts

accomplished within her veteran career as Home Demonstration club member, and especially as president and faithful sustaining member of Cultural Club.

Next profile: Mrs. C. F. Newson.

GIBSON'S DISCOUNT CENTER...

Where Everything In The Store Is Discount Priced Everyday, Not Just A Few Adv. Specials

111 Park WATCH FOR OUR GRAND OPENING

when you need your phone you can count on it

A freckle-faced miss invites a playmate over . . . Dad tracks down a hard-to-find gadget for the workshop . . . Mom gets a recipe from a friend. Whatever the need, people take it for granted their phone will work. What else that you use so often is so dependable?

Making telephones so reliable takes complex equipment, technical improvements and, above all, carefully trained telephone people.

The payoff for these things comes when you pick up the receiver and your phone works, and works well. Our goal is telephone service that continues to grow in dependability, convenience and personal value.

Sandi Says...

By Sandi Thomas

"Ray, 'ray' we won the homecoming game with Lovington, N. M. by a score of 24 to 16!! It was really a great game, boys! There were several college kids home but I can't name 'em all so I won't even name a few. The junior high band marched during the half and did a real good job. Congratulations are on hand for Barbara Langley who was crowned homecoming queen at the pep rally last Friday. George Muse and Frank Cain were her escorts. Terry Hill was the escort for Nancy Tyler, senior attendant; Gene Drummond for Gayle Newell, junior attendant; Billy Frank for Janis Elliot, sophomore attendant; and Jimmy Childers for Patsy Smith, freshman attendant. You looked real nice, girls (and boys)!!

Last Friday, HHS Student Council sponsored a parade for the classes and organizations to enter. There was a judging in which the float with the homecoming queen and her attendants won. The junior and senior class cars tied for second place with their decorated convertibles. The FHA car won third. Gary Don Roberson and Kenny Justice drove the car that pulled the float.
Phillip Sciumbato chauffeured Mrs. Buck, senior class sponsor and Ernest Flood, senior president. Mike Paschel and Denise King drove the junior car while Virgil Barber, Randy Tooley, and yours truly rode. The FFHA car pulled a football player (Retha Kelley) in a wagon. The two home ec student teachers drove while Cindy Loerwald and Carolyn Boynton rode.
Other organizations represented by cars were the freshmen, FFA, the foreign exchange students, Whiteface Staff, H-Y, Tri-Hi-Y, FNA, Young Democrats, Young Republicans, FTA, Tostianos, NIES, DE, Key Club, FFA, the sophomores, Student Council, and the cheerleaders. The band led the procession. Later at the pep rally at the football field, the queen was crowned.

At the bonfire last Thursday night the sophomores brought in the most wood. The juniors were second; seniors, third; and the freshmen, last. The cheerleaders made big HHS letters that burned-while everyone sang the school song.
The class officers for the year were introduced in a high school assembly last Thursday. Ed Skypala, president of the High Plains Eye Bank, was the guest speaker.
Annual staff will be selling annuals for \$4 'til November 3. They have chosen their cover and dedication pages and have sent off the first 16 pages for publication. The editor is Barbara Langley and assistant editor is Cynthia Leasure.
Linda Rickman was chosen FFA Sweetheart at a meeting Monday, Oct. 5.
The new Youth Council for the Avenue Baptist Church is Johnny Brownlow, president; Phyllis Williams, vice-president and pianist; Linda Rickman, secretary and song leader; Billy Joe Walls, program chairman; and Dannie Kemp, social chairman.

Tuesday, Oct. 6, the Stanton Dogies defeated Plainview in both games. The seventh grade won by a score of 32 to 12, and the eighth grade ended with 25 to 12.
After the game last Friday, Judy Summers had a bunch of the kids over to her house for eats, games and chattering. Those there were Roddy Alford, Lonnie Coker, Sheridan Selver, Jerry McOathern, Nancy Martin, Michiyo Waskal, Virgil Barber, Randy Hopson, Arvell Williams, Carol Coffey, Carl Myers, Jimmy Cooper, Carolyn Boynton, Gary Payne, Linda Price, Peggy Allred, Ronnie Lance, Patty Roach, Steve Thornton, Jack Aiken and Becky Maxwell.
The HHS band will March at the WT homecoming next Saturday night.
NHS is having a salad supper on October 26 to welcome the new members. This informal initiation will take place at 6:30 p.m. at the Community Center.
The Community Center will be open tomorrow night for free dancing from 8:30 to 11:00.

Camp Fires Welcome New Girls, Picnic

So-An-Ge-Ta-Ha Camp Fire Group elected new officers for the first term when the girls met Oct. 1 at the Camp Fire Hut.

Debbie Angelo was named president; Sue Robinson, vice-president; Lori Hopson, secretary; and Debbie Lee, reporter. Mrs. Nathan Hopson and Mrs. Roy Grubbs continue as group leaders.

Presiding, Debbie Angelo recognized seven new members to the group: Cathy Thomas, Grace Vargas, Betty Durham, Yolanda Alanis, Becky Flowers, Hermelinda Gonzalez, Debbie Angelo, and Kay Clearman.

With the help of Mrs. Roy Grubbs, assistant group leader, the girls worked on a song for the Camp Fire city-wide hot-nanny Friday night, Oct. 16.

At their special ceremony last Thursday at the Camp Fire Hut, all new members of the group were honored. For new members particular details of Camp Fire — its symbols, honors, hand signs, etc. — were explained and illustrated. Nancy Gripp, student assistant from the High School Horizon Club, was in charge of the ceremonial.

The special three-year awards to be added to the girls' ceremonial jackets were presented by Mrs. Nathan Hopson, group leader, to Vickie Ruland, Jeanne Coffin, Sandy Fields, Holly Young, Connie Matthews, Angela Grubbs, Lori Hopson, and Sue Robinson.

Refreshments were served by Vickie Keenan, Debbie Lee, Jeanne Coffin, and Angela Grubbs to Miss Gripp, Mrs. Grubbs, Mrs. Hopson, to the new members as honorees, and to Pam Adams, Sandy Fields, Lori Hopson, Connie Matthews, Vickie Ruland, Holly Young, and Sue Robinson.

Progressive Picnic

Cuntina and Wa-Cun-Yo, junior high Camp Fire, had a progressive picnic and games that took them to five different homes Saturday afternoon, Sept. 26.

Meeting at the home of Mrs. Lewis Lea, one of the Camp

Fire leaders, 405 Ave. I, the girls were served appetizers by Cynthia Lea. Then at the home of Prissy Crume, they were served potato salad and baked beans with barbecued hamburgers served at the home of Debbie Boardman, and dessert of home made ice cream and cookies served at the home of Susie Gooch. The girls then went to the home of Debbie Gholson for

games of volley ball.

Visitors from Amarillo for the occasion were Women's Air Force Representatives Gladys Denison, Ruby Vargo, and Sylvia Fitzer. All were assistant leaders at Camp Fire camp last summer.

Those attending this progressive picnic were Deana London, Debbie Gholson, Debra Boardman, Kathy Jobe, Mary Sue Wood, Mary Sue Neff, Prissy Crume, Cynthia Lea, Mrs. Lewis Lea, leader, and assistant leader Mrs. Baxter London. Also Valerie Denney, Patsy

Daniels, Becky Bell, Jeanne Gore, Ginger Gholson, Pamela Miller, Lanny Buck, Mary Sue Gooch, and Mrs. John M. Gooch, leader.

Blue Bird Fly-Up

In a Fly-Up of Sept. 25 Mrs. Frank Short's group of Blue Birds (fourth grade from Northwest Elementary School) flew up from Blue Birds t Camp Fire girls.

The girls' mothers were guests and assisted in the changing of the Blue Birds' costumes into those for the Camp Fire Girls.

After the ceremonial the girls served coffee and doughnuts to their mothers and to Elise Allen, Nancy Brink, Valerie Chisholm, Sally Dingers, Mary Jane Harper, Debbie Hoover, Kathy Muse, and Sharlene Powell.

Sandi Says

(Continued from page 13)

Slim jims and levis will be acceptable.

Last Sunday members of the First Methodist and Wesley Methodist churches went to Friona for a sub-district meeting. They listened to a program presented by the Baptist preacher who had just returned from spending two years in Europe. He spoke about Germany and the need for Christianity in Europe. Refreshments and re-

creation followed the program. Those who attended were Randy Tooley, Janis Dean, Jimmy Bell, Racheal and Paul and Marilyn and Lois Arnpriester, Cheryl and Mike Solomon, Carol Clearman, and Sharon Garrison.

Last weekend, Vicky Gordon went to the Oklahoma Military Academy at Clearmore to see Greg Johnson. Saturday afternoon they went to a sock hop and that night to a formal military ball. Sunday they went to church and Vicky watched the military parade Sunday afternoon.

ENLISTMENT PARTY — Avenue Baptist Junior Girls' Auxiliary are shown here at their party for new and prospective members recently. Sharing in the girls' playlet, party, and fun are pictured here (left to right) on front row: Patricia Krueger, Darla Flowers, Lila Griego, and Jan Marler; Second Row: Linda Collins Mrs. Dick Thompson, outgoing counselor, Donna Kay Digby, and Becky Flowers; and standing at back, Mrs. J. E. Jackson, incoming counselor. Not shown are Shirley Ruth Anders, GA member, and Jackie Brownlow, guest.

Enlistment Party Given by Avenue Baptist GA's

Junior Girls' Auxiliary of Avenue Baptist Church were hostesses recently at an Enlistment Party honoring new members and guests interested in joining the GA's.
 Mrs. Dick Thompson, retiring counselor, introduced guests to members and to incoming counselor, Mrs. J. E. Jackson.
 Highlight of the program was a GA Citizenship Trial presented by members: Linda Collins as Judge of the Court; Shirley Ruth Anders, Defendant;

Doña Kay Digby, First Juror; Jan Marler, Second Juror; Becky Flowers, Third Juror; and Jackie Brownlow, Fourth Juror.
 After this program presenting an introduction to some of the things the girls learn in GA, the counselors gave a brief dis-

Letter To The Editor

When the issue came up some time ago, no prayer in public school, I was, and have been, somewhat disturbed, I was surprised that such a ruling should be handed down by the Supreme Court. Feeling certain that the people of these United States a majority of them were God-fearing, peace-loving and this is a praying nation, I don't see how such an important thing as prayer anywhere would be pushed aside.

Where one person was opposed to a son attending a school where devotionals were conducted, there are others, including myself, who are concerned about children attending public school where little or no prayer is conducted.
 Now let's come home more directly. Approximately a year ago, I asked my children if there was prayer in the school system here. Having children in four schools, some said "yes" and some said "no." The superintendent of schools said he didn't favor such a bill. I asked the same question this year, 1964. The answer was: Twice a week. Now I wonder if you only need the Lord Jesus twice a week. Well I know the answer. You need Him each day, so why not take a little time out each day, thank Him for yesterday and the day.
 A few days ago I asked some

Refreshments were served from a table decorated in GA colors of green, white, and gold, and centered with a cake-replica of the GA emblem.
 Mrs. J. E. Jackson gave the opening prayer, and Mrs. Dick Thompson offered the benediction.
 Members and guests present were Donna Kay Digby, Linda Collins, Shirley Ruth Anders, Becky Flowers, Darla Flowers, Jan Marler, Jackie Brownlow, Lila Griego, and Patricia Krueger.

In Sweden, to mark the end of a long, dark winter, students in Uppsala light bonfires, throw their winter caps in the Fyrisan River and party all night.
 In Ecuador more than half a million persons use two of the dialects of Quechua, the language of the ancient Incas. In Bolivia, somewhat fewer speak Quechua and Aymara, a related language.

questions and also made some remarks concerning this matter, but hadn't thought of either party using it as a weapon during the election, but prayer is necessary whether Democrat or Republican or any other party.

This is an election that should be carefully and prayerfully considered. Whether Democrat or Republican, I say again let us ask God's guidance in making the decision and not vote for someone we won't want ourselves for personal reasons.
 I don't say force it; it should be automatic whether at home or far away. Men ought always to pray (Luke 18:1).
 Jim Scott, 204 Irving.

Clayton Speaks To Legion Auxiliary On Amendments

"Constitutional Amendments" was the Hon. Bill Clayton's subject when he addressed American Legion Auxiliary Unit 192 at their recent meeting in Rock Club House.

With detail he outlined the amendments: (1) on the permanent school fund; (2) on conservation or reclamation district and requiring review of such proposed legislation by the Texas Water Commission; and (3) on medical bill providing medical care for persons 65 or old-

er not receiving old age pension but unable to pay for needed medical services.

Clayton recommended each person's studying the proposed amendments and pros and cons as set forth in newspapers and other publications so that intelligent votes may be cast in the November election.

Mrs. Tom Draper, program chairman, introduced the speaker, State Representative from the 91st District.

Mrs. Ira Ott presided at the

business meeting when delegates were elected to the American Legion-Auxiliary 19th District Texas Convention, meeting in Amarillo Saturday and Sunday. Names were Mrs. Ott, Mrs. Carlos Vaughn, Mrs. Hazel Sparks, Mrs. Artie Frost, Mrs. LeRoy Williamson, and Mrs. Tom Draper.

Alternates will be Mrs. Mabel Wagner, Mrs. F. S. Smith, Mrs. Cecil Wilkins, Mrs. Alice Swigert, and Mrs. Ralph Smith.

Reports were given by committee chairmen: Mrs. Sparks, membership; Mrs. Wilkins, hospital; Mrs. Draper, Yearbook & program; and Mrs. Williamson, finance. The auxiliary decided that a suitable memorial would be selected in memory of the late Mrs. Bess Givan, auxiliary member. Mrs. Grant Hanna presented highlights of the Texas Department Convention in Dallas; and Mrs. Mabel Wagner, chaplain, closed the meeting with prayer.

Hostesses Mrs. Draper, and Mrs. Carl Schroeder served re-

SPEAKER — Charles F. Brannon, Secretary of Agriculture under President Truman, will be principal speaker at the Castro County Farmers Union banquet, in the grade school auditorium in Dimmitt tonight at 7:30. A native of Denver, he became well-known for his famous "Brannon Plan" for agriculture, portions of which were adopted by the national farm program. Brannon is now general counsel for the National Farmers Union, Denver. Tickets may be procured at the door.

freshments to the guest speaker, the Hon. Bill W. Clayton, and other guests: Mrs. Otto Olson, Mrs. Gaylon Bryan, Mrs. Elbert Vance, Mrs. E. C. Hewitt, Mrs. Bess Werner, Mrs. Coy Heard, Mrs. LeRoy Edwards, Mr. and Mrs. Denzil Pulliam, and Miss Clara Acker; to members of the American Legion; and to 15 auxiliary members present.

Many Jobs Available Upon Leaving HHS

Teen-agers entering job market from high school runs head on into facts like: 1. There are more teen-age job seekers now than ever before, and the number gets bigger each year. 2. Unemployment among teenagers in the work force is more than twice the national rate, and it is rising steadily. "Nearly one out of every five of today's unemployed," says Secretary of Labor Willard Wirtz.

There is a bright side of the picture. For one thing, business in general looks pretty good for the years just ahead. The steady growth of economy means more jobs in industries and other occupations for which one may be able to qualify.

Some good jobs for high school graduates are as follows:

1. Photographer: High school is usually needed, on-the-job training with commercial studio available. The outlook for this job is crowded in commercial field, but demands will be strong for technical and industrial photographers. This job pays up to \$165.

2. Carpenter: High school plus four years apprenticeship preferred, five but one may have learned on his own. Pay averages from \$100 to \$200 for journeymen and cabinetmakers.

3. Practical nurse: Licensed by exam after one-year, state approved course. Many public school systems after courses. Excellent for both fulltime and part time work pays from \$50 to \$75.

4. Beauty operator: Licensed usually by exam after cosmetology course, offered by many public, vocational and private schools. Pay runs from \$55 and up, depending on commissions, tips and type of shop.

5. Barber: Licensed by exam on graduation from six to nine-months course at state approved

barber school. Pay is from \$50 to \$150.

6. Policemen: High school is usually required. Must be 21, good physical condition, the outlook is very good, especially for those taking specialized training. Pay averages up to \$120.

7. Cashier: Business courses and typing is helpful, neatness and accuracy required. On-the-job training available. The outlook is very good, especially for women. Try retail stores, theaters, supermarkets, restaurants, hotels, advancement is limited, pays up to \$100.

8. Secretary, stenographer: A business course is helpful. Take dictation at 80 words a minute, type 40 words a minute. Competence in spelling and grammar and neatness. This is excellent for women. Opening for men in railroads, oil, trucking, and construction firms, courts, educational service. Pay averages \$75 to \$95 weekly.

9. Auto mechanic: High school course in auto repair help. Apprenticeship programs available, but most begin as helpers, station

attendants. The outlook is very good for the skilled. Pay averages from \$90 to \$130.

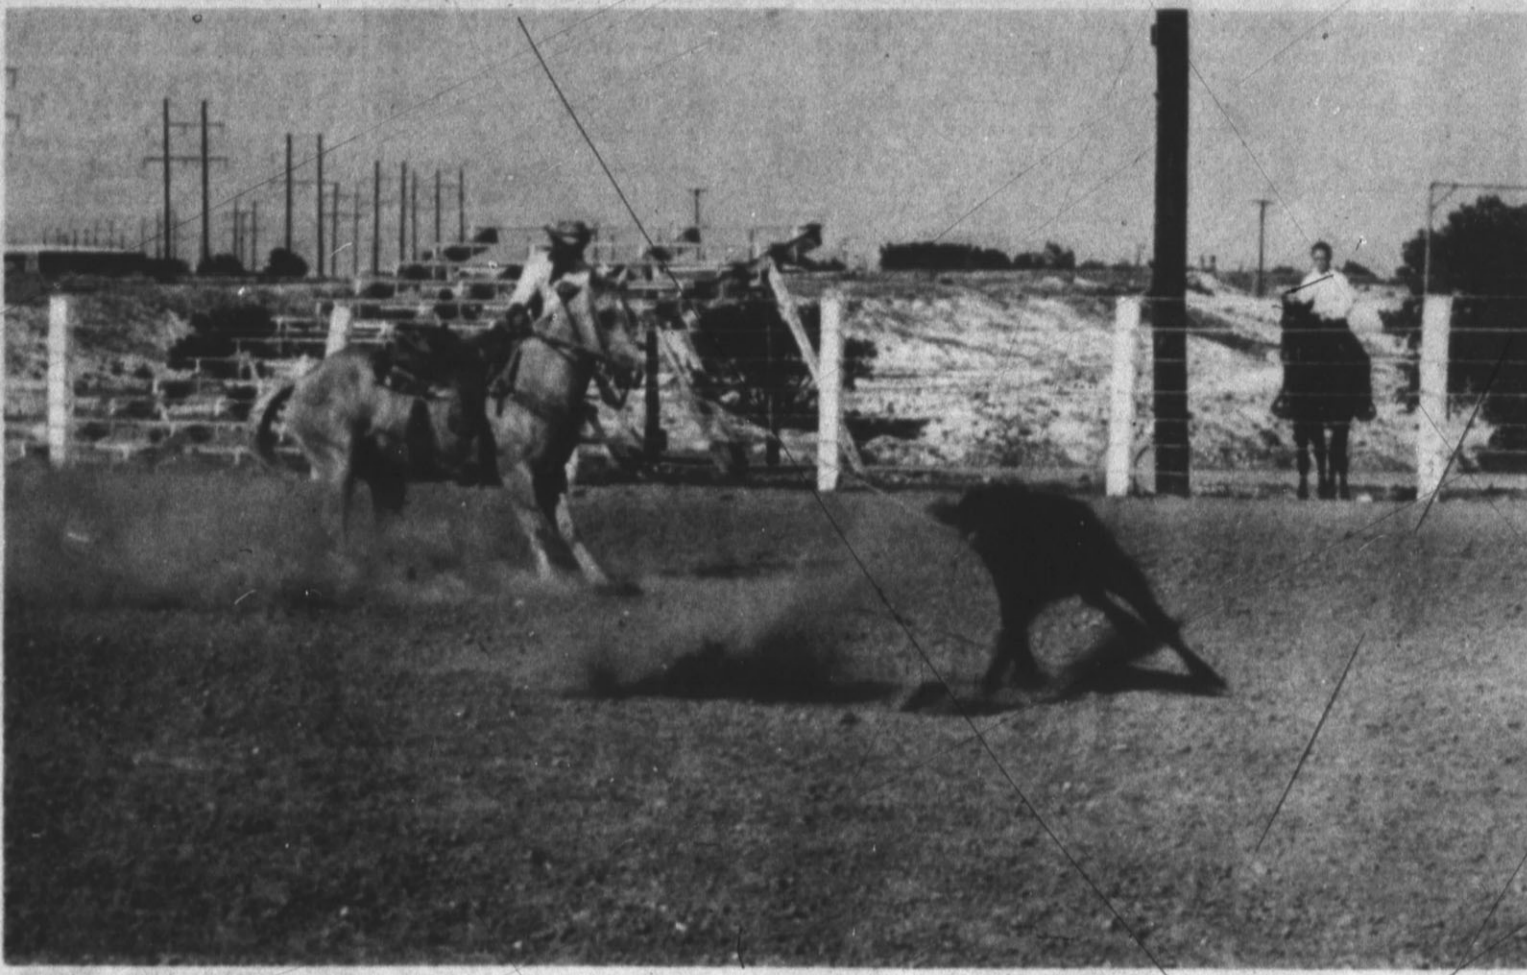

10. Purchasing agent: High school minimum with courses in business. Many rise from ranks. Very good in all kinds of business. Good prospects in hospitals with wide pay ranges.

11. Tool and die maker: High school courses in math and physics, high mechanical ability and dexterity. On-the-job training needed. The outlook is excellent, especially in space electrical machine and metal industries, pay up to \$150.

12. Plumber, pipe fitter: High school plus five years apprenticeship preferred. Some localities require license. Excellent for skilled. Pay averages from \$140 to \$200. Pay starts at about \$75 after getting regular increase.

13. Sales person: Business course helpful, neat appearance. The outlook is good because of high turnover. Advancement limited. Pay up to \$100, best in selling auto, major appliances, furniture.

(Continued on page 3)

RODEO CHAMPION — Ken Stark, student at Herford High School is shown practicing calf roping at the Herford Rodeo Arena. Ken entered several rodeos this past season and fared well in calf roping. He is a member of the American Junior Rodeo Association. (Bradly Studio Photo)

Editors' Notes:

The Reject should be out in either November or December. So far we are not for sure, because that Reject is a lot of trouble. Oh, for the uninitiated, the Reject is more or less an official gossip column. Anyone who would like to make sure a certain "something" gets into the Reject, just remember locker 14.

Annuals are on sale this week for \$4. Half of this may be paid now and the other half later. Remember, anyone who does not pay at least \$2 on his yearbook now will not get one next year.

Roddy Allred, senior, and John Perrin, junior, left Monday to go to the National FFA Convention in Kansas.

A couple of weeks ago, HHS received a letter addressed to the headmaster (Mr. Bill Michael?) in some school in Texas. Some way or another, the Whiteface now has a pen pal. Her name is Julie Page and she lives in Australia. She had tried to find a Texas pen pal for some time. It looks like she has one now. Anyone who might like to write her can get the address from one of the Whiteface staff. (She's 15).

George Muse, senior, is the FFA beau for this year. His duties are to attend special meetings. This is the first year that FFA has had a beau.

Never has homecoming been so beautiful and important as it was this year. (At least, not as long as I can remember.) Maybe the parade idea will be carried on in the homecoming next year. Barbara Langley, senior, made a wonderful and beautiful homecoming queen. The football score was not so bad, either.

A correction to this column last week: High school students moved from the junior high building to the HHS building. If we got some 1955, grade in a wrong town, it was accidentally and not intentionally done. After all, finding out where 89 people are ten years after graduation is a complicated task.

Conference Is Attended By 3 Area Youths

Texas Farm Bureau Youth Citizenship seminars are held each year with the purpose of teaching young Texans American Heritage and why youth should not go over to Communism.

This meeting was held in Huntsville during August of this year and lasted for four days. Each county in Texas sent three representatives to this meeting. Ernest Flood and Linda Pulliam were the representatives from Deaf Smith County.

Oldham County, which is also in this district, sent Dorris Horton of Adrian along with Ernest and Linda.

The main idea stressed at this meeting was to train the leaders of tomorrow. Linda Pulliam said. The representatives were picked by the Board of Directors of the Herford Farm Bureau. The main speakers at this meeting were Dr. George Benson, president of Harding College in Arkansas; Dr. Clifton Galms, vice-president of Harding College; Cleon Skouson and John Noble who spent nine and one half years in a concentration camp after World War II.

"I had a lot of fun and learned a lot about our government. I learned many things about Communism that I didn't know. We sometimes spent half a day listening to lectures," said Linda.

Herd Wallops Lovington In Homecoming Game

The determined Herford Whitefaces turned an almost disastrous first half into an exciting homecoming win Friday night on the Whiteface gridiron.

A capacity homecoming crowd saw Lovington Wildcats pick up 153 yards rushing plus ten first downs and one touchdown in the first half while Herford gained only 37 yards rushing, a minus five yards passing, and only two first downs. Lovington controlled the football practically all of the first half, and finally scored in the second quarter when Phil Harris, Lovington quarterback, scored from the two yard line. Randy Kimble galloped over for the two extra points.

The second half was a completely different story. Herford halfback, Walter Williams, who has not seen any action since

mid-season 1963, was sent into the game at the beginning of the second half. Herford promptly drove to the Lovington goal line and Williams carried the ball over from the one yard line for the touchdown. Quarterback Frank Cain carried the ball over the two point conversion. This tied the score 8-8.

Herford's tough second half defense held Lovington again and Wynn Buck capped another Herford drive by barreling over from the two yard line. Cain again followed with the two-point conversion run. Herford's astonishing defense again held as Steve Hodges, Herford halfback, quickly galloped 66 yards for another Whiteface touchdown. This was Herford's longest scoring play if the year. Lovington figured in the scor-

ing column again in the fourth quarter as Randy Kimble crossed the goal line from the one-yard line. Kimble also ran the two-point conversion.

The clincher for the Herford team came as tackle George Muse moved in on quarterback Phil Harris and forced him into the end zone for an additional two points. Muse was aided by Stan Sigman and Dick Lookingbill.

Fullback Wynn Buck led the Herford backs in rushing with 83 yards and a 5.5 yard average plus one touchdown. Halfback Steve Hodges had a total of 73 yards rushing and one touchdown. Walter Williams was next with 63 yards rushing and one touchdown. Frank Cain converted twice to add 4 points. Gene Drummond and Mike Moore also added yardage.

Herford had a total of 305 yards rushing compared to Lovington's 205. Herford had 17 first downs compared to Lovington's 12. In the second half Herford had 15 first downs, and the Whiteface defense held Lovington to two first downs.

The Herford defense was led by Terry Hill who had a total of 23 tackles. George Muse was next with 15. Sigman had 14 tackles, Larry Minks had 12. Dick Lookingbill, Gene Drummond, and Lynn Cook each had eight tackles. Steve Hodges had seven tackles while Mike Moore, Roger Owen, and Jimmie Gutierrez had six each. Sophomore Billy Frank played in his first varsity game and had a total of three tackles.

Herford has an open date next week and then opens the conference season against Canyon Oct. 23.

Ken Stark Named Vice-President Of 'Frosh' Class

Ken Stark was elected vice-president of the sophomore class and Claudia Loerwald, secretary. Gary Story was elected in the spring of last year as president. President of the freshman class is Jan Miller, Donald Hopson is vice-president and secretary is Patsy Smith.

Elections of officers were held Monday Oct. 5 in homerooms. The preceding Thursday, nominations were made by the classes.

Also nominated for sophomore vice-president was Phillip Cain and for secretary was Charlotte Hill. Of the freshman class, Terry Albracht, President; Jimmy Childers, vice-president; and Jean Keith, secretary.

The students had to have a "C" average in all their classes and must have had a good citizenship record to be eligible for nomination.

Parade Is Main Highlight Of Homecoming

The highlight of Homecoming activities was a parade and pep rally Friday afternoon. Every organization in high school was represented by a beautiful car, which was decorated to the limit.

Each car had representatives of their club riding in it, and in the cars of the different classes rode the officers of that class. About 20 cars left from the high school at 1:40 and made their way in a long procession down Main Street, and then to the football field.

Upon arrival at the field, the parade went around the field twice; the band playing, horns honking, and people cheering. Then cheerleaders led the student body in several vigorous yells, and the football queen was crowned.

The 1964-65 football queen was Barbara Langley. Attendants were Patsy Smith, freshman class; Janice Eliot, sophomore class; Gayle Newell, junior class; and Nancy Tyler, senior class.

A contest was held to determine the prettiest car. There were many beautiful cars, but out of all of these, the football queen took first place; the Junior and senior tied for second; and the FFA won third.

These cars were displayed at the game, as they paraded around the field before the opening kickoff.

Whiteface 'B' Slams Farwell

The Whiteface B Team continued its winning streak with a 50-0 victory over Farwell last Thursday night. It was a better game than the score might indicate. Herford led only 8-0 at half time. The second score was made with 3:05 left in the third quarter. So it was a big fourth quarter for the Whitefaces.

Farwell received the ball on the opening kick-off but was held by an alert Whiteface defense. The ball went back and forth until the second quarter. Farwell punted and Herford took the ball on their own 26. Gary Victor and Gary Tucker carried the ball to the Farwell 16. Victor passed to Bill Watts at the 5 and Victor went over on another try. A pass from Victor to Mike Davis added the two points. When the second quarter ended the score stood: Herford 3, Farwell 0.

The Whitefaces took the opening kickoff of the second half on their own 41. Gary Tucker moved nearly 40 yards in 4 carries to the Farwell 19. Farwell intercepted a Herford pass but could not move and quick kicked to the Whitefaces to their 47. Tucker picked up 17, Keith Henderson 2, Tucker 20, and Tucker again for 14 and the tally. The conversion attempt was no good.

Herford had 19 first downs to 4 for Farwell and a total of 301 yards to 21 for the visitors. Gary Tucker had 149 yards in 18 tries. Bill Watts had 12 tackles, Mike Davis, and Bob Gentry each had 9, and Wayne Miller and Charles Brewton had 7 each.

Mike Davis scored 16 points, Bill Watts 14, and Gary Victor had 6.

This week, the Whiteface "B" team meets the Nazareth Swifts varsity on the Whiteface gridiron. The "B" team now stands with 3 wins and 1 loss.

David Hill Fares Well In Roping

As far as calf-roping goes, the pride of Herford might well be David Hill, HHS senior. Last Summer he was matched twice against James Calloway, a top calf-roper from Bovina. David lost the first match but was able to win the belt buckle several weeks later. David's fastest time in tiedown roping, 11.9 seconds, was at this second match.

David started roping about four years ago. As far back as he could remember he had always wanted to rodeo and roping was his favorite rodeo event. He practices every chance he gets using three quarter horses. Spicer Gripp, a top rodeo cowboy from Herford, has helped him to develop his roping ability. David commented, "There is nothing hard to roping but you have to like it and work at it."

David, an AJRA member, entered over 15 rodeos last summer. He has won six belt buckles, about 11 trophies, and over \$300, all except five trophies being won last summer. He is planning to enter two rodeos this winter—one at Lubbock at the end of this month, and one at the coliseum in Amarillo next January.

AJRA, which stands for American Junior Rodeo Association, is an organization for rodeo cowboys and cowgirls under the age of 20. Rodeos approved by this association give the winners such awards as scholarships, saddles, buckles, gift certificates, and money. "You meet some great kids and life-long friends at these rodeos," stated David.

Tiedown roping and double muggin are David's favorite types of roping. He likes them because "They're both a lot of fun; but double muggin takes teamwork and you've got to know your partner."

Herford Freshmen Capture Win Against Tulia Hornets, 26-6

The Herford Freshmen struck for touchdowns the first two times they had the ball last Thursday in their game against Tulia. Herford won by a score of 26 to 6.

In the first quarter, Tony Malouf, fullback, led the Herford Freshmen to an early touchdown on their second offensive play after Tulia had fumbled the ball to them. The attempt for extra points failed.

Tulia seemed to be unable to hold onto the ball as they fumbled again to Herford and halfback Gary Goodin carried it over the goal line. Malouf ran the extra points.

Goodin once more carried the ball across the goal line in the middle of the second quarter. The half ended with a score of 20 to 0.

Tulia took charge of the ball in the third quarter with new fire. For the first time, they

"The horses always come first because they're your means of support when you're on the road," comments David. He buys his mounts already trained; a good one costs about \$1000.

David plans to go to a roping school in three weeks. Sponsored by Buttons Howard at Portales, N. M., the school will be open every weekend for about four or five weeks. David will be roping with two college cowboys from Portales.

David plans to go to college at Levelland or Wichita Falls and try to get on the rodeo team. He wants to rodeo after college and maintain a ranch on the sideline. He is undecided as to whether to stay on the road and make rodeo a full-time living as of yet.

Scholarships Are Aids To Many Students

Scholarships are the most recognized means of financial aid to students desiring a higher education. A scholarship aids a student financially as well as encourages him to excel in the field or fields in which he was awarded the scholarship.

School records of the student is important, but financial need is increasingly becoming a basic requirement. "There are not enough scholarships to go around, but there are many financial aid programs to take care of the needs of all students wishing to go to college," states Robert Thompson. Thompson added, "Lack of funds is no longer an excuse for failure to get a college education."

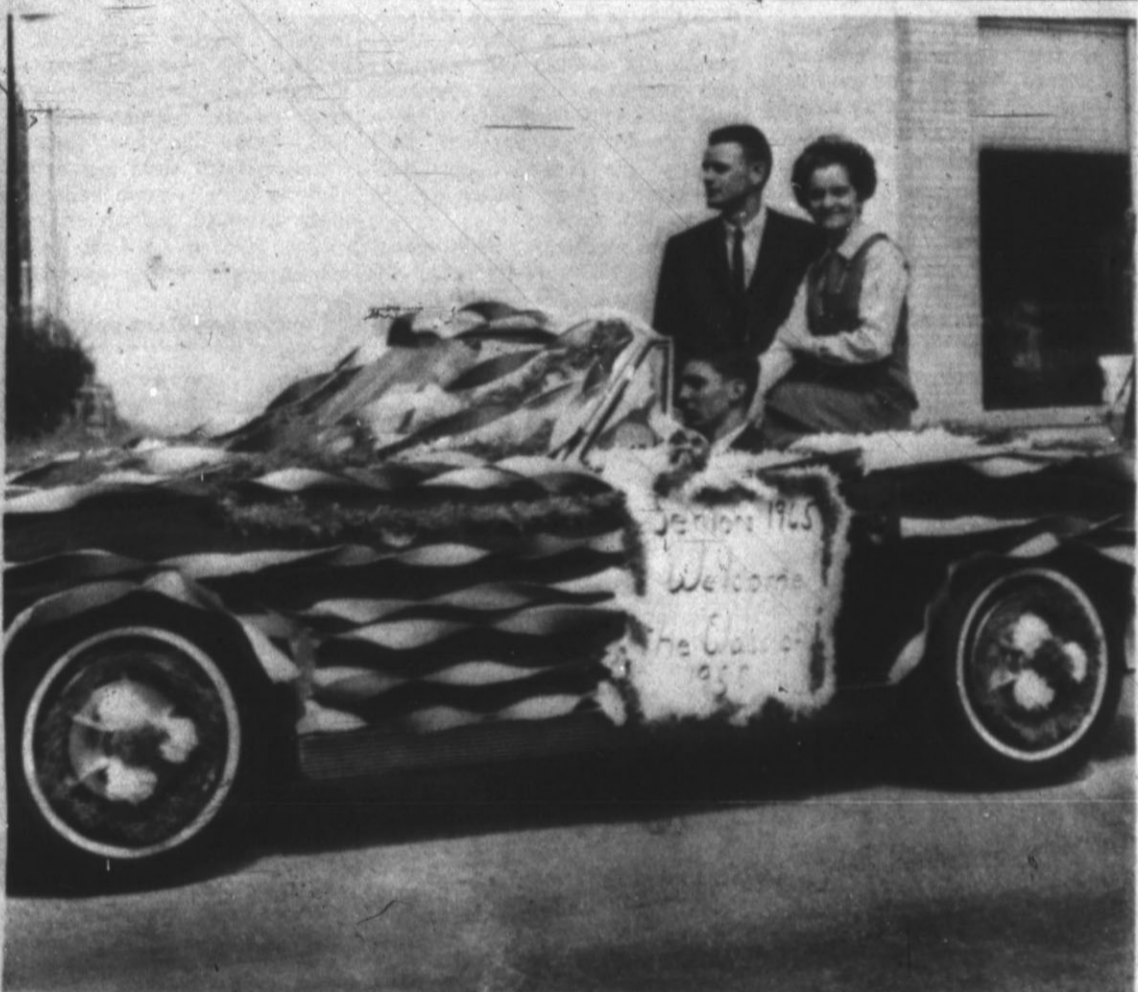

Scholarships are automatically awarded to the valedictorian and salutatorian. The valedictorian is entitled to a \$100 scholarship to any state supported college in Texas and many church colleges follow the same practice. Other scholarships are awarded to the students who meet the requirements of need coupled with ability.

Scholarships range in value from \$75 to \$1000. The amount of the scholarship is determined by the organization awarding it. Among the local organizations who present scholarships annually are the Lions Club, the Credit Union, Kiwanis Club, American Legion Auxiliary, Herford Medical Auxiliary, Rotary Club and Class room Teachers' Association. The Tri-H-Y and Key Club occasionally award scholarships, also.

Any graduating senior may apply for a scholarship. Applications for local scholarships should be made any time after mid-term. Information for applying for out-of-town scholarships is available in the counselor's office.

YOUNG DEMOCRATS' OFFICERS — Young Democrats, 40 members strong, have elected their officers. Shown here, they are, left to right, Nancy Gripp, secretary-treasurer; Don Jackson, president; and Virgil Barber and Bobby Jackson, vice-presidents. (Brand Staff Photo)

EASTER NEWS

Iowa Vistor Feeted At Party Held At Easter

By Ruby Stone

Mrs. Harland Frye honored Mr. Frye's mother, Mrs. Harry Frye, Davenport, Iowa, with a morning coffee in her home Friday.

The following were signed a plate which was given to the honoree to be hung in her home: Pat Newsome, Joreen Frye, Traci Andrea Frye, Kim and Kirk, Verna Frye and Hilton, Linda Frye, Ann Carthel, Mildred Welch, Ruby Stone, Johnnie Boothe, S. T. Walton, Bula Dixon and Anna Burnett.

Easter Club Oct. 8 with nine members present at the home of Mrs. Trent Downing. Those attending were Mrs. Henry Flood, Mrs. Fred Walton, Mrs. Leo Hall, Mrs. W. O. Markley, Mrs. John Burnett, Mrs. W. A. Epperson and the hostess.

Officers for the coming year were elected. Mrs. Dale Maxwell will be president; Mrs. Trent Downing, vice-president; Mrs. Leo Hall; Ruby Stone, reporter; Mrs. W. A. Markley, finance chairman, and Mrs. W. A. Epperson, flower chairman.

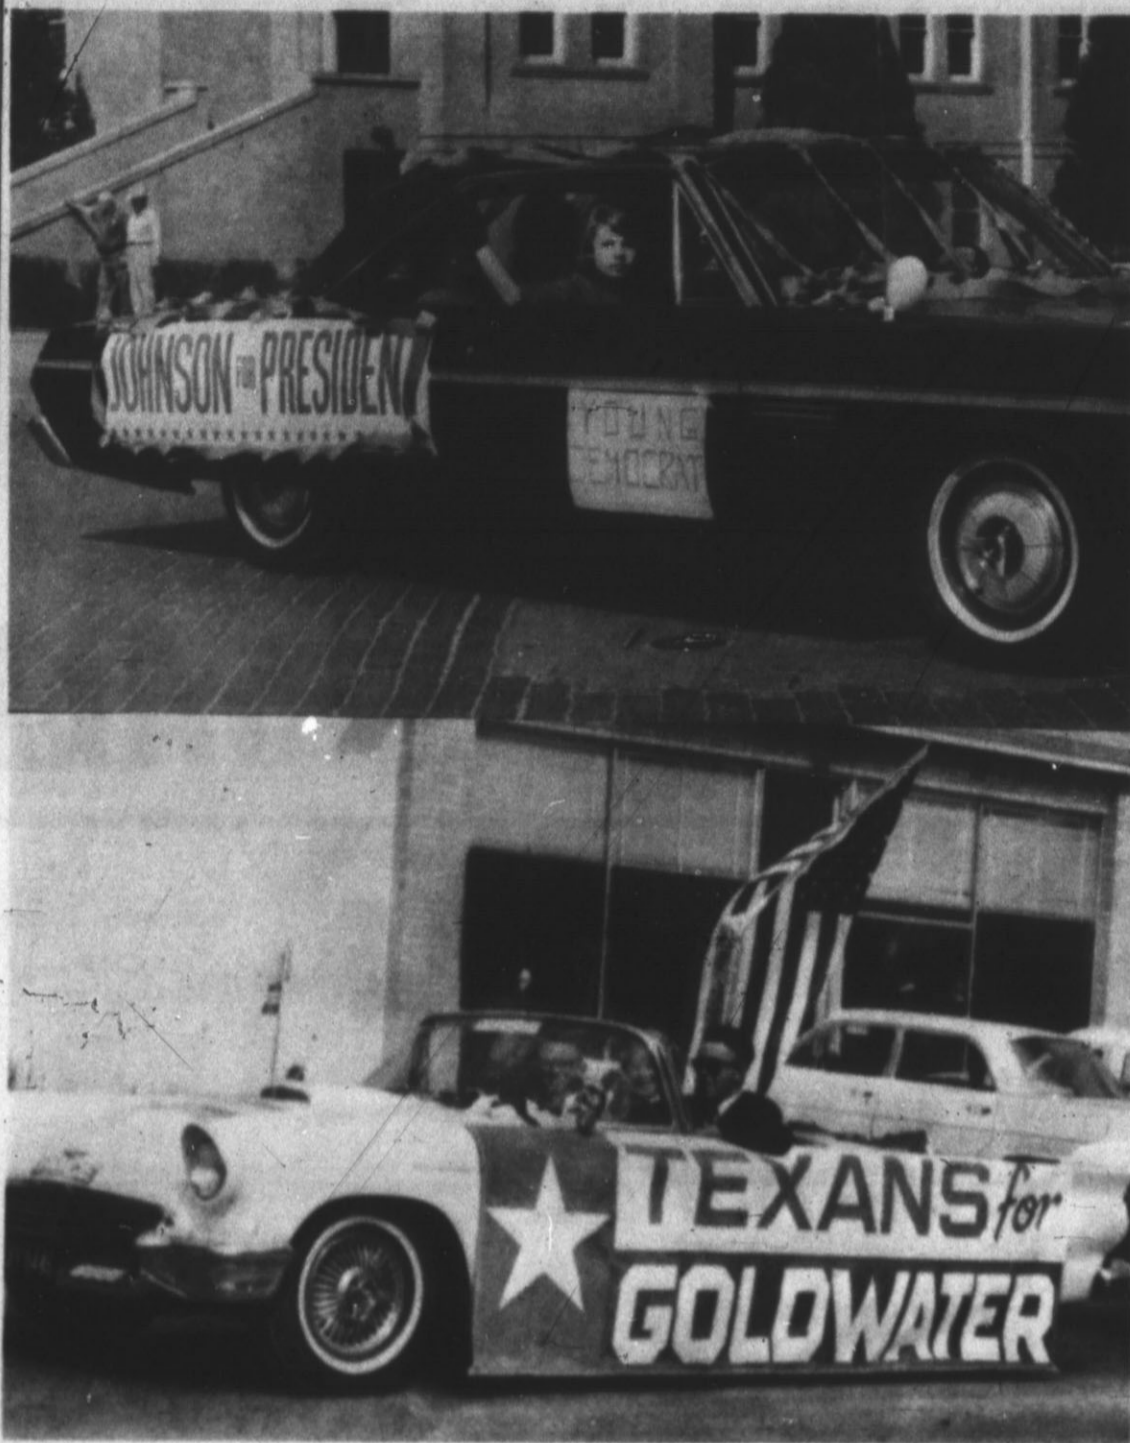

Mr. and Mrs. W. O. Markley and children visited Mr. and Mrs. E. R. Barber and daughters in Dimmitt Sunday evening. Mr. and Mrs. Jim Brooks visited in the home of the Fred Waltons Sunday.

Dinner guests in the W. A. Epperson home Sunday were Joe and Glenda Pryor, Texas Tech, Lubbock; Mr. and Mrs. Eldon Howell and Kelle, Hereford; and Mr. and Mrs. Trent Downing and Laura.

Mr. and Mrs. Charles Land and children of the Easter community recently moved to Dimmitt. Mr. Land is associated with Easter Machine and Welding shop.

Mrs. Dale Maxwell attended a painting class in Hereford Thursday.

Mr. and Mrs. Trent Downing

POLITICS, TOO — Both Young Democrats and Teen-Age Republicans were on the ball in homecoming activities here Friday. Shown here is the Democrats' entry (top) and the Republicans' entry (bottom). (Brand Staff Photo)

and Mr. and Mrs. Eldon Howell attended the South Plains fair in Lubbock last week.

The Chicago White Sox took advantage of the Boston Red Sox this season, beating the Sox 14 times in 18 games.

REP. ROGERS WRITES

Rogers Notes Newspaper Week, Praises U. S. Press

You will be reading this newsletter during National Newspaper Week, the week set aside each year for Americans to honor the great service they are rendered by our free press. Our newspapers do indeed serve us well; they inform, they entertain, they stimulate thought, they make an essential contribution to the democratic processes of our Republic. They help shape the development of their communities and generally do their best to stand firmly on the side of progress, justice, and morality, accepting responsibility the obligations freedom imposes.

Freedom of the press is one of the most basic of American rights guaranteed by the Constitution. The First Amendment states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof or abridging the freedom of speech, or of the press. . . . From the early days of American history the press has been attacked and criticized for alleged short comings, but the fact remains it is a great bulwark of freedom.

The foundations of press freedom were laid early. One of the significant events was the trial for libel, in 1755, of a New York printer, John Peter Zenger, who was accused of vilifying the tyrannical royal Governor,

William Cosby. Zenger's lawyer was the elder Alexander Hamilton who summed up the printer's case for the jury in these words: "The question before the court and you gentlemen of the jury is not of small or private concern; it is not the cause of the poor printer, nor of New York alone; No! It may, in its consequence, affect every freeman that lives under a British government on the main of America. It is the best cause. It is the cause of liberty. . . . the liberty both of exposing and opposing arbitrary power by speaking and writing truth." In a great triumph for liberty, the jury acquitted Zenger. The Zenger trial through the years to follow was to have major influence on the feeling of the colonists as to the importance of press freedom and the general concept of liberty.

What is the right of the press? More than two centuries ago, the immortal English jurist Sir William Blackstone defined press freedom as "in laying no previous restraints upon publication, and not in freedom from censure for criminal matter when published. Every free man has an undoubted right to lay what sentiments he pleases before the public; . . . but if he publishes what is improper, mischievous, or illegal, he must take the consequences of his own temer-

ity." These thoughts generally apply today.

Virtually all American presidents have been subjected to scornful and bitter criticism from some segments of the press. Stung by a succession of biting personal attacks, Thomas Jefferson said of the press of his day: "I deplore the putrid state into which our newspapers have passed, and the malignity, and the mendacious spirit of those who write them. . . . these ordures are rapidly depraving the public taste." But then, in the next breath, Jefferson said: "It is, however, an evil for which there is no remedy, our liberty depends on the freedom of the press and that cannot be limited without being lost." A century later, Theodore Roosevelt was to say:

"We have all of us suffered from the liberty of the press, but we have to take the good with the bad."

Based on my own experience, I would certainly concur with this observation by a noted Washington correspondent whose expression recently appeared in a national business magazine: "Not every reporter in the land can be portrayed as a pillar of detachment. The objective truth is an elusive quarry and one man's set of facts is another man's list of prejudices. Still, it

ONE HALF GALLON LIQUID

Dependably fresh, consistently good . . . you know it's so if it's Cloverlake Homogenized Milk. Cloverlake Milk is produced locally, then carefully, thoughtfully processed and packaged by people who take pride in offering you the finest dairy products found anywhere. They may be a little old fashioned with their constant concern, but we think you'll appreciate the difference it makes. You're assured of quality control from the cow to the carton when you buy Cloverlake. TRY IT!

Cloverlake

Rep. Rogers

 can be maintained with assurance that the standards of integrity among men who communicate the news are as high as they are in more exalted professions."
 In the Texas Panhandle, we are fortunate to have an excellent selection of daily and weekly newspapers doing their best to serve their readers and their communities. On this occasion of National Newspaper Week, I salute the men and women—the reporters and editors in the newsroom, the advertising people, the printers and the pressmen, and the carrier boys—who are doing their best in the service of the Nation's newspapers and our free press.
WALTER ROGERS
 MEMBER OF CONGRESS
 18TH DISTRICT OF TEXAS

Legal Notice

No. 1752
 IN RE: THE ESTATE OF DONALD W. STEELE, DECEASED IN THE COUNTY COURT OF DEAF SMITH COUNTY, TEXAS. NOTICE OF APPOINTMENT. NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF DONALD W. STEELE:
 Notice is hereby given that original Letters Testamentary upon the Estate of Donald W. Steele were issued to me, the undersigned, on the 5th day of October, 1964, in the proceeding indicated below my signature hereto, which is still pending, and that I now hold such letters. All persons having claims against said Estate, which is being administered, in the County below named are hereby required to present the same to me respectively, at the address below given, before suit upon same are barred by general statute of limitation, before such estate is closed and within the time prescribed by law. My residence and post office address are P. O. Box 473, Hereford, County of Deaf Smith, State of Texas. DATED this 5th day of October, 1964.
 Noren Steele, Executrix of the Estate of Donald W. Steele, No. 1752, in the County Court of Deaf Smith County, Texas

Legion Juniors Hear Program On Indians

Lisa Williamson presented a discussion of Indians at the Saturday meeting of Junior American Legion Auxiliary.
 Debbie McCutcheon was hostess in the home of her parents, Mr. and Mrs. John I. McCutcheon, 616 Ave. K. Cynthia Hanna served as acting secretary.
 Club supervisor, Mrs. Ira Ott, suggested that the club make table decorations for the coming Thanksgiving Dinner.
 Members present were Betty and Jamie Durham, Joette and Cynthia Hanna, May Kay Wagner, and Lisa Williamson, and Junior auxiliary director, Mrs. Ott.

Maryland football coach Tom Nugent is a native of Lawrence, Mass. He was a star athlete at Ithaca College.

The British government plans to set aside an acre of the historic meadow at Runnymede, to the late President John F. Kennedy. A simple block monument will stand on the green field where the Magna Carta was promulgated in 121.

The 28-day fall racing meeting at Baltimore's Pimlico course runs from Nov. 13 through Dec. 15.
