#### BOY SCOUTS SELL AUTO SIGNS ADVER-TISING HORSEORD

One of the finest and cheapest ad vertising schemes for Hereford devised in some time, and at the same time a plendid way in which to assist the Boy Scouts in raising funds for their annual hike and encampment has re-cently been worked out by the Chamber of Commerce. One hundred pairs of enameled auto signs, with white back ground and the word "Hereford" in red have been purchased and turn-ed over to the Scouts for sale to the car owners of this community. One sign goes on the front and one on the rear of each car. The signs are neat and durable and can be seen for some distance. They are slotted so as to fit

ensily on any car.

Homer Wilkinson, treasurer of the Chamber of Commerce, has charge of the signs which are to be sold by the Scouts in the immediate future. All proceeds from the sale of these little advertisers will go for the benefit of the Scouts, who are working hard to raise the necessary funds for their summer's outing.
