

Branding Time
By Speedy Nieman

That feller on Tierra Blanca Creek says half of the people of the world wonder how the other half were able to get such easy jobs.

We can't remember a year when the weather has played such havoc with crops and roads all around the area. The sugar beet harvest here lingered on and on, and cotton farmers are still ginning around the South Plains. We heard that a gin east of Lubbock has this sign out front: "We will be closed on Easter Sunday".

And, everywhere we've traveled lately, the streets and highways shown signs of the prolonged wet and cold spells of weather. The plentiful amount of moisture, however, makes things look great for next year if farmers can get into their fields soon!

If at first you don't succeed, do it the way she told you to.

Add an honorable mention of the All South Plains team to the basketball awards reaped by Herd standouts Keith Kitchens and Dan Vander Zee. It's nice to know that big Dan will be back next year!

And, speaking of sports, Hereford will host both a baseball tournament and a track meet this weekend. Deaf Smith County Chamber of Commerce is sponsoring both events, and you'll find details in today's issue.

Deaf Smith County is having trouble arranging for its gasoline and diesel purchases for the coming year, and it could be a problem that will be felt by all motorists in the near future.

It doesn't seem likely that gasoline will cost \$1 a gallon, as has been predicted in some sources, but the possibility of a real shortage is becoming more of a reality. In visiting with oil company officials, we find that some of them see a real problem in the next year and think it may be three years before the situation levels out.

It's a complicated problem. From what we've been able to learn, it appears government controls have discouraged the oil industry from expanding production, thereby causing a shortage. There appears to be plenty of oil in the ground, but companies say they can't afford to go get it.

Second In A Series
Drug, Alcohol Abuse Maladjustment Symptom

BY LORI HOPSON
Staff Writer
(Editor's Note: This is the second in a series of articles dealing the problem of drug abuse as seen by those most closely involved with the problem or those who have suffered because of it. Mr. Mr. Line, as a former county attorney, spent some 12 years dealing with the problems of both juveniles and adults.)
"I have had no experience

with drug abuse as such," said local attorney J. Edward Line in a recent interview, "though I do have some ideas about it. I would agree with those who say that drug abuse or alcohol abuse is a symptom of a maladjustment in the life style of a young person or adult."
Line continued to say that there is no single cause of the drug problem, and that it can be found pretty well throughout our whole society.
"There is one problem that

we have in our society that I think contributes to drug abuse and other behavioral problems," he said. "That is, that we have a group of youngsters in our society that do not seem to be performers—or do not seem to be productive—they may not have talents of one kind or another that are used by the school system or are used by society in general."
"They are not participants. They don't have the talent to make, say, a poster, or contribute in the band or by singing or in any of a number of ways. It just seems to me that our social structure for young people is such that if they aren't performers, they find difficulty in relating to other young people."
He added that it seems society in general does not encourage this group to be a part of the activities that are provided for young people in the community and school.
"Consequently, I have the

feeling that behavioral problems can sometimes arise by these young people searching for ways of relating and expressing themselves. They have no opportunity to do so as things are set up."
"Now, sometimes drug abuse and alcohol abuse arise from our failure as adults to incorporate these young people into useful activities."
Line continued to say that this group tries to find meaning and to relate with other groups in

sometimes dangerous ways. "I sometimes think we don't provide motivation—we're inclined to let them find their own ways of expression. If both adults and young people could be more sensitive to the needs of those who have no obvious talents; perhaps they need more encouragement, both at home and from those who deal with young people publicly."
"I realize you can't force a youngster to be a part of what's

going on, and yet I think we could do some things that would motivate and make them want to be a participant."
He added that young people desire to be included, and yet are being ignored, when they try to find ways of expressing themselves.
"We run the risk of them finding the wrong ways of being accounted for and being noticed. These are symptoms of

Fuel Bidding Off Due To Shortage

Problems in the oil industry have apparently eliminated competitive bidding for the county's business on gasoline and diesel fuels, it was learned Monday by Deaf Smith County Commissioners.
The court was to open oil and gas bids during the regular meeting Monday, but there

were no bids offered. Not only that, but it appears the county will have difficulty in purchasing gasoline and diesel from any company because of shortages and government price controls.
Texaco had the contract on the fuels the past year but Deward Roberson, Texaco

jobber, appeared at the commission meeting Monday to explain that his company could not submit a bid or supply the county this year due to shortages.
Commissioners found, in checking with other oil companies here, that they could not take on new customers due to the allocations. Commissioner Earl Holt said Tuesday that it appears the county's only solution "will be to look for surplus amounts at different companies."
The court was to study the problem further, but all discussion pointed to the fact that the county may be fortunate to get the required fuels at regular retail prices.

DESTRUCTIVE WIND—After the welcomed moisture received in the Hereford area last week, Mother Nature changed her mood and sent in a strong wind this week. The wind, which arrived in town Tuesday, averaged between 40 to 45 miles per hour, with gusts up to 60 m.p.h. Fences were blown down throughout town and a tall tree, towering over a two-story house was up-rooted by the strong force. A mobile home in the south part of town received damage when the roof was torn off and strewn about the ground. Although the mobile home was occupied, no injuries were reported.

Winds Cause Damage Here

Injuries and heavy damages to some structures were reported in Hereford Tuesday as a result of the high-velocity windstorm that raked through the Panhandle area.
The roof of a trailer house, a fence and several large signs were victims of the wind Tuesday.
Two women were injured in separate incidents when they

School Agenda Varies Widely

Notice of approval for a comprehensive special education program, an update on the building programs and the re-election of teachers highlighted the regular meeting Tuesday of the Hereford Independent School District board of trustees.

The board also heard a follow-up report on the repair work necessitated by a fire at the high school in January and:

- Approved the textbooks as recommended by the textbook committee.
 - Approved a request for use of the football stadium by the Kiwanis Club for a benefit intrasquad scrimmage with West Texas State University teams.
 - Heard a report on the basketball receipts for the past home-game season, and
 - Amended the budget, making minor changes in redistributing some funds.
- Herb Brasher, architect in charge of the building program, reviewed with the board the latest plans on the high school library, renovation work at Stanton Junior High and the addition to Shirley Elementary school.

Commissioners had a short agenda Monday, hearing a request from the Hereford Merry Mixers square dance club for use of the Bull Barn, and discussing road matters with County Road Supt. Chuck Eppler. Bills were approved as well as routine reports.

Three representatives of the Merry Mixers appeared at the meeting to request use of the Bull Barn for a square dance "graduation party" in May. Commissioners approved the request subject to confirmation of the date in May.
The fire report for February showed a total of 18 fire calls—11 in the city and 7 in the county.

Ron Zimmerman

Correction

Ron (Not Don) Files

The Hereford Brand made an error in making the announcement that Don Zimmerman had filed for the school board election.

His son, Dr. Ron Zimmerman, has filed for this position.

When contacted about this, Dr. Zimmerman said, "I guess if I had to be confused with someone else, I can think of no one I would rather it be than my father—especially in this area of community service."

"As a citizen of this community since 1948, I have seen not only an increase in population, but great economic development with new industries and businesses. I believe that it is imperative that we achieve the highest education standards possible for our children while at the same time maintaining a reasonable approach to the expenditures of these programs that will be fair to our present citizens and attractive to potential new citizens and industries."

Dr. Zimmerman is 34 years old and has been a resident of Hereford since 1948, excluding the time served in the Army Reserve and four years of college, graduating with a chemistry degree from West Texas State University, and four years of dental school at the University of Texas, Dental Branch, graduating in 1965 with a doctor of dental surgery degree.

He resides at 113 Hickory with his wife, Dorothy, and three children; Zann, 12, Dana, 6, and Ronald Glenn, 3. His parents are Mr. and Mrs. Don Zimmerman.

He is a member of the American Dental Association, Texas Dental Association, and Panhandle District Dental Society. He is a member of Deaf Smith County Chamber of Commerce, a deacon and trustee of the First Christian Church.

Absentee Balloting Announced

Absentee voting in the city election began Wednesday and is scheduled to get underway Monday for the school board election.

Persons planning on being out of town on the day of the elections should vote absentee. The voting in the school board election will be at the school tax office at 321 Sampson and for the city election it will be at city hall.

Voting can be done Monday through Friday, 8 a.m. to 5 p.m., excluding the noon hour. Voting for the school board election will be from Monday through April 4 and in the city election from Wednesday to March 30.

Ed Loerwald and Clark Andrews, incumbents in the school races, have drawn opposition from Danny Martin and Ron Zimmerman.

James Hull and Paul Abalos provide the only contested race on the city scene as they seek election in the place formerly held by Lynton Allred. H.A. Cavness and Mayor Jim Sears are unopposed in the city election.

The city election will be held April 3 and the school election April 7.

Bond Set At \$20,000

Man Held In Robbery

Reymundo Murillo, 20, of 311 W. Second St., remains in Deaf Smith County jail under \$20,000 bond on charges of armed robbery in connection with the robbery and shooting at Daphne's Grocery Store, Saturday night.
Murillo was arrested shortly after the robbery in Deaf Smith General Hospital, where he was being visited by his sick child. Police recovered the stolen money and a gun believed to be the one used in the shooting.

Murillo gave a voluntary statement admitting to armed robbery and the shooting of Lester Arnold Funk, store employe. Funk died at 1:33 a.m. Tuesday in Deaf Smith General Hospital of a gunshot wound in the stomach.
Murillo appeared before Judge Jim Neil, corporate court judge, who set the \$20,000 bond for armed robbery.
According to Hereford Police Department, the robbery and shooting took place around 9 p.m. Saturday at the grocery

store located at 340 W. First St. Police received a call that a man had been injured. When they arrived at the store, they found Funk lying on the floor. Funk was conscious and gave a description of the suspect, which led to Murillo's arrest.
Since the death of Funk, charges against Murillo were expected to be changed from armed robbery to murder.
However, Glen Nelson, Deaf Smith County Justice of the Peace, said that he doubted a

change would be made. "The reason I doubt charges will be changed from armed robbery to murder is the sentence assessed in such charges. The minimum penalty for murder is two years in a state penitentiary, while the minimum sentence for armed robbery stands at five years," Judge Nelson stated.
Funeral services for Funk, who was born May 14, 1913 at Glengrove, Iowa, will be at 10
(See "Man" Page 2)

Spelling Bee Scheduled To Kick Off Here Today

The 1973 Deaf Smith County Spelling Bee will be held today and tomorrow with 14 elementary students and four junior high students competing for top honors.
Winners in the Senior Division Spelling Bee will go on to compete in the Regional Bee held April 28 in Amarillo and co-sponsored by the Amarillo Globe-News and West Texas State University.
Winners in the junior division bee will be special guests of the sponsors on Bee Day in Amarillo. Unless they hold a dual title, they will not spell.
Students entered in the county bee, junior division, are

Dalia DeLaCruz, first place and Magdalena Ayala, runner-up, Central Elementary School; Tammy Fischbacher, first place and Rose Mary Arzola, runner-up, Aikman; Karen Trice, first place and Joni Webb, runner-up, Northwest; Debbie Byers, first place and Tonya Holbrook, runner-up, Bluebonnet; Cara Williams, first place and Bobby Griego, runner-up, Shirley; Donna Sims, first place and Shaunie Durham, runner-up, Tierra Blanca and Mary Koozer, first place and David LaFleur, runner-up, St. Anthony's.
Students competing in the Senior Division Bee are Billy

Bayne, first place and Danny La Plata. Husemann, runner-up, Stanton H.C. Williams, Deaf Smith and Tony Albracht, first place County Judge is director of this and Becky Friemel, runner-up, year's bee.

Drugs, Alcohol.....

(Continued From Page One)

an unsatisfactory life style. Such things are a basic expression of unhappiness. Young people who deal with this problem are trying to fill a vacancy in their lives—their needs just haven't been met—both by adults and other young people.

Line stressed the fact that all drug abuse and alcohol abuse does not stem from this group of 'non-performers', but that this is one group where problems do arise, and where something could be done to assist and encourage improvement.

"It is also a fact of life that those who are busy and contributing are happier than those who are not contributing or are not given an opportunity to contribute.

"I don't think it's a conscious indifference by the school or by adults, but simply on outgrowth of our system."

Line said that the problem locally is not unique to the area, and that he suspected that whatever local problems there are may be said to be characteristic of other communities as well.

"What would help more than anything would be a comprehensive effort on the part of young people themselves to be less exclusive and be more willing to accept contributions and help from those on the perimeter," he said.

"Adults are limited in what they can do to help, but they can provide more community programs designed to include a broader scope of young people."

Line added that perhaps society is providing only for those who have abundant talents, rather than for those who might have capabilities, but whose talents are not so obvious.

"Sometimes you get the feeling," he said, "that the community is providing for those who have an obvious talent—such as a football player or a singer. It is something we ought to think about and study."

"It seems when we do have activities, we get the same group of young people. We need to get others involved, who are not usually participants."

Line continued to give some ideas on what might be done to help the situation, and assist young people in becoming involved and in expressing themselves.

"I'd like to see a YMCA for example, that would include a broad scope of activities to include youngsters who are not presently participating in civic and school activities," he said.

"I think many young people's attitudes are a reflection of adult attitudes," he continued.

"If we want to encourage our young people to be more excited about such things as ecology, and keeping our city clean, and the promotion of our Anglo and Mexican-American relationships, we adults ought to be more enthusiastic so that our attitudes would be an encouragement for your young people to take pride in our school and city and be willing to participate."

"In some respects, it is the attitude of young people to be 'cool,' as they say. It seems to me we need more enthusiasm and exuberance. We need to share ourselves with others more both as adults and youngsters, in the problems of race relations as well as our community problems."

"I think the drug abuse and alcohol abuse problems would decline with the rise in a substitute of a different life style for those who would find stimulation in these things," he concluded.

"I think the drug abuse and alcohol abuse problems would decline with the rise in a substitute of a different life style for those who would find stimulation in these things," he concluded.

were knocked down by the winds that were reported well past tornado force at times.

The first accident occurred around 12:30 p.m. Tuesday when Mrs. Edna Lemons stepped out of her house at 405 Blevins and a gust of wind caught the door, throwing her to the ground.

She was taken to Deaf Smith General Hospital where she was reported in satisfactory condition Wednesday, suffering from a probable spinal injury, a contusion and injury to the right knee.

In a similar incident, Mrs. Ruth Roberson was injured around 6 p.m. the same day at her home at 214 Ave. D. She was taken to Deaf Smith General Hospital where she is reported in good condition.

a veteran of service in the army of Mexico.

Funeral services will be conducted at 2 p.m. today in St. Anthony's Catholic Church, and burial in St. Anthony's Cemetery will be directed by Gilliland-Watson Funeral Home.

THE FAMILY LAWYER

Fire engines roar up to a house across the street, and you hurry over to watch the excitement. If a newspaper photographer snaps your picture and you wind up on the front page of a local newspaper, has your "right of privacy" been violated?

The law's answer is no. Even though the right of privacy has expanded in recent years, it does not override the freedom of the press to report legitimate news. As a spectator at a public event, you were part of the news. All the photographer did was to record what anyone who was there could have seen anyhow.

Some people are born newsworthy, some achieve newsworthiness, and some have newsworthiness thrust upon them. But, one and all, they are subject to the constitutional right of the press to report what goes on in the community.

Even if a person specifically forbids publicity, he does not thereby become immune.

In one case, the irate father in a custody fight ordered reporters to "lay off" the story. But the story appeared anyhow—with pictures. The man claimed invasion of his privacy, but a court decided that he had no legal kick coming.

"There are times," said the court, "when one, willingly or not, becomes an actor in an occurrence of public interest. When this takes place, he emerges from his seclusion, and it is not an invasion of privacy to publish his photograph with an account of such occurrence."

On the other hand, an item of information does not automatically become newsworthy just because a newspaper sees fit to print it. For example:

A newspaper published a notice by a hardware dealer, complaining about a certain customer's unpaid bill. This time, when the customer sued the newspaper for invasion of his privacy, he won a judgment. The court said that in any fair sense, this private debt was simply none of the public's business.

4-H'ers Enter Dimmitt Contest

Members of Happy Helpers 4-H club wound up their February activities with a tasting bee for their parents in the Easter community building, and went on Mar. 10 to enter the baking and food show in Dimmitt.

Entering were Sonya Markley and Annette Thomason, with main dishes, Kyleene Berends and Ramonda Young with desserts and Tammie Berends with breads. Each girl also entered the cinnamon roll and muffin division. Their class on nutrition was taught by Mary Berends.

Also attending the class were Sandy and Terri Harkins, Amy Tieman and Pat Salazar.

At the same time, the boys in the group had a woodworking class, taught by Earl Berends. The group learned about tools and safety and made 4-H napkin holders and sanding blocks. Attending the class were Robby Dobbins, Royce Thomason and Terry Lewis.

The group also initiated three new members at the end of February. They were Terry Lewis, Pat Salazar and Willy Salazar.

Men who believe in preparedness always keep physically fit.

Area School Leaders Attend Meeting Here

Patsy Duncan...TSTA President.

BY KATHY WINDGARD
Staff Writer
Approximately 100 school administrative personnel from the top 25 counties in Texas attended the Spring Meeting of the Panhandle School Leaders Association held Saturday in Hereford.

Patsy Duncan, president of Texas State Teachers Association, was guest speaker, speaking on the 1972 Legislative Program of TSTA.

Mrs. Duncan pointed out that the number one educational priority facing the 61st Texas Legislature is the federal court order declaring the Texas system of public school financing unconstitutional and requiring its revision by the end of 1972.

Mrs. Duncan explained that TSTA's program that "levels up" to the standards of

the better-quality school programs now operating, rather than "leveling down" to those of lesser quality. It proposes to incorporate a portion of local funds now spent for enrichment into the compensatory program with districts paying in proportion to the percentage of the state's taxable property values within their boundaries. All districts would have this "comprehensive program," with the state paying the difference between a district's local fund assignment and the total cost.

Other proposals of TSTA explained by Mrs. Duncan

Credit Union Meets Monday

The 36th annual stockholders meeting of the Hereford Texas Federal Credit Union will be held Monday at 7:30 p.m. in the high school auditorium.

The 5,900-member association encourages all members to attend the meeting and to bring their families and guests.

Door prizes will be given away, new officers will be elected and a 1972 progress report will be given. Door prizes to be given away are a portable tv, two 10-speed bicycles, an eight-track tape player and many other smaller prizes.

The Kwanis Club will conduct an all-out drive Friday and Saturday to sell quality blind-made products to residents and local businesses, according to an announcement made today by Betty Owen, chairman of the drive.

The articles are all manufactured by blind workers in the lighthouses for the blind which are located throughout the state of Texas. The Kwanis Club's earnings from this sale will be used for local youth projects.

The entire membership of the Kwanis Club has been organized to supply friends and neighbors with this quality merchandise delivered right to their homes. Every household can use some type of household cleaning aid and every item will help some blind person to help himself, Owen said.

Sales of blind-made products held by the Kwanis Club in previous years have been most successful and Owen expressed his confidence in another successful sale this year.

A Youth Weekend Evangelism program will be conducted at the Hereford Temple Baptist Church with Dan Shaeffer and Johnie Price, Jr. participating in activities.

Shaeffer, a native of Paris, Tex. has served as music and educational director at Ross Baptist Church, Okmawa; minister of music and youth, Pleasant Valley Baptist Church

included a Central and Supportive Staff Bill; Professional Contract Bill; Professional Consultation Bill; Duty Free Lunch Period Bill; Privileged Communication Bill; Tuition Rate Change Bill; Fiscal Year Change Bill; Bill for Delay of Implementation of the Quarter System and a Teacher Retirement Board Bill.

Mrs. Duncan stated that TSTA takes the position to continue the longstanding principle that no public funds be used for the support of non-public schools.

After the joint meeting, the group adjourned for sectional meetings for superintendents, elementary principals and supervisors, secondary principals, business managers and counselor and guidance personnel.

Visitor With Son In Hereford Dies

William Foster Warren, 61, of Mesquite, who had been in Hereford about three weeks visiting his son, Edward Warren of 1900 Elvins, died early Tuesday morning in Deaf Smith General Hospital after a short illness.

Funeral services were to be arranged at Henderson Funeral Home in Lubbock, with burial at that city. Local arrangements were by Gilliland-Watson Funeral Home.

Mrs. Warren was a farm

face loss of limb

Cattle thieves in the West African Republic of Guinea (Conakry) are liable to have limbs cut off after being tried by "People's Courts."

Radio Conakry, monitored in Portuguese Guinea, reported that one thief had his right arm cut off in front of a cheering crowd of 3,000.

Todd Installed At Meeting

Ray Todd, principal at Bluebonnet Elementary School, was installed as chairman of the elementary principals at the recent meeting of the Panhandle School Leaders Association held in Hereford.

Todd will assume duties as soon as the current school year ends.

As chairman of the elementary principals group, Todd will serve on the state board of the Texas State Teachers Association from District 16. He will also preside over meetings of the group during the three yearly sessions.

Todd served as vice president of the group last year.

It's very easy to give up, but it takes real grit to keep up.

4-H Girls Place In Dimmitt Show

Members of the Summerfield 4-H club entered the Dimmitt Bake and Food show Mar. 10, with ten girls entered.

Brenda Brown placed third in the muffin division, and Vickie Christie, Renee and Le Ann Dobbs, Beverly Edwards, Kelly, Stephanie and Barbara Foster and Starla Tindall all

entered both the cinnamon roll and muffin divisions, placing third in muffins and first in cinnamon rolls.

Le Ann Dobbs received a second place award in the main dish division, as did Breanda and Sandra Brown. Vickie Christie placed first. Renee Dobbs and Kelly

Foster placed first in vegetables and fruits, and Kelly was also in the top three in the section. Starla Tindall received a blue ribbon and Stephanie Foster also received a first place ribbon. Beverly Edwards placed first in beverages, and was also named to the top three in the division, and Barbara Foster placed second in the division.

Walker Named To Top List

Cadet Joseph P. Walker, son of Mr. and Mrs. J. Howard Walker of 121 Beach St., Hereford, has been named to the Superintendent's List at the U.S. Air Force Academy.

Cadet Walker, a member of the class of 1972, was selected for his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver star and wreath designating the honor accorded him by the academy superintendent.

He has also been selected for the position of flight commander with the rank of cadet captain.

The cadet will be commissioned a second lieutenant and awarded a U.S. degree upon his graduation from the academy.

He is a 1960 graduate of Hereford High School.

AARP Will Hear Talk About Wills

How wills are made and how they are handled in probate court, is the subject for a program to be given in the Hereford Chapter, American Association of Retired Persons, at the March meeting in Community Center.

The meeting will begin at 9:30 p.m. Thursday, and all interested persons are invited. Bill Detlak Sr., president, announces.

Membership in the association is open to area residents over retirement age or nearing that age. Programs on various subjects of interest to the members are heard at the meetings on the third Thursday of each month, and time is also given to informal visiting and other social activities.

Jubilee Is Topic

Dale Young, general chairman of the Hereford, Texas Diamond Jubilee Celebration Committee, was guest speaker for Hereford Rotary Club's Monday noon luncheon meeting.

The celebration committee, a non-profit organization, has joined with Rogers Company, a Fostoria, Ohio based firm dealing with civic celebrations. Young explained that although Hereford doesn't celebrate its 75th anniversary until Sept. 1, the celebration will begin on August 25, climaxing on the actual anniversary date.

Young briefly outlined the proposed celebration schedule, offered by a representative of Rogers. It includes a large parade to begin the activities with a "Then and Now" theme. Also included in the proposed schedule is an industry day, a ladies day, youth day and agriculture day.

Young said that money for the event will be raised by \$1 membership shares.

Young urged all Rotarians present to attend a community meeting, with a representative from the Rogers Company, to be held March 26.

Dale Young...Rotary speaker.

Camp Fire Group Conducts Meet

Committee reports highlighted a monthly meeting of the Hereford Camp Fire Council directors Monday night at the Camp Fire Hut, with Ted Panciera presiding.

A lengthy discussion followed a recommendation from the camping committee that one of the organization's buses be repaired at a cost of almost \$700. The board voted against the proposal, on a split vote, and Panciera asked the committee to study the matter and bring another recommendation to the next meeting.

Heleen Langley, chairman of

volunteer development, reported on a Zone 36 meeting she attended in Lubbock recently. She outlined some of the goals and objectives of the national Camp Fire organization for the coming year.

Jan Garrett presented a proposed calendar of activities for the new year, and it was approved by the board. Hershel Black, finance chairman, reported that the United Way hoped to pay 75 per cent of the amount budgeted for Camp Fire Girls. This would cut the total to \$7,825.

IMA DEE SINGERS—These three girls, all members of the La Plata Little Sister FHA Chapter, have been selected to sing with the Ima Dee Singers at the Area 1, Future Homemakers of America Convention to be held Saturday in Lubbock. They are, from left to right, Cheryl Arney, Rachel McGilvary and Ann Zetsche.

Little Sisters To Sing

Three La Plata students, all ninth grade members of La Plata Little Sister FHA Chapter, have been selected to sing with the Ima Dee Singers at the Area 1, Future Homemakers of America convention, Saturday in Lubbock.

The girls, Cheryl Arney, Rachel McGilvary and Ann Zetsche, were chosen by Jimmy Brink, La Plata choir director.

Along with the three girls chosen to sing, 35 members from the La Plata Little Sister Chapter and the La Plata HERO Chapter will attend the convention. Mrs. M.T.

Hair Styles Shown Club

Styling of wigs and hairpieces was demonstrated on the program of Valeda Study Club Tuesday evening by Mrs. Hugh Clearman, who discussed choice of hair styles to suit appearance and personality. The meeting was in the home of Mrs. Howard Birdwell. Mrs. Lawrence Ruther served refreshments to a guest, Jane Dudley, and 12 members.

Burelsmith is Little Sister sponsor and Mrs. Leo Witkowski is HERO Chapter advisor. Also attending the convention will be 13 members of the Hereford High School Big Sister Chapter, accompanied by Mrs. Frank Prowell, and 27 girls from the Stanton Little Sister Chapter, accompanied by Mrs.

Dean Bradley and 14 members of the Stanton HERO Chapter, accompanied by Mrs. Gene Barkowsky.

Mrs. Jim Culpepper of the Hereford Chapter of the Young Homemakers of Texas and president of Area 1 Young Homemakers, will be one of several guest speakers at the convention.

THEY NEVER NEED IRONING

here's a house paint that actually...

IT'S PITTSBURGH PAINTS SUN PROOF Latex HOUSE PAINT

Your house stretches and shrinks with variations in temperature and humidity. It's this expansion and contraction that most often causes house paint to work loose, crack and peel. The flexibility of Sun-Proof Latex House Paint enables it to resist the stress and strain that ruptures an otherwise sound paint film. It resists cracking, peeling and flaking. Come in today for a free color chart.

Club Hears Physician

Acupuncture, an ancient healing art practiced in the Orient and recently gaining public interest from demonstrations given to American notables visiting in China, was the subject of a talk by Dr. Duffy McBrayer to Young Mothers Study Club Tuesday evening.

Dr. McBrayer told of attention being given now by American physicians to experiments with the practice of inserting thin needles in specified points of the human body to achieve anesthesia. The meeting was at the home of Mrs. Travis McPherson, with Mrs. Robert Devin as co-hostess.

A new member, Mrs. Buddy Edwards, was voted into the club by the 10 members present.

City Misses Winners At Beef Booth

Juicy beef roasts given as prizes at the Hereford CowBelles' recipe booth at Sugarland Mall Saturday were won by Nerissa Willis, daughter of Mr. and Mrs. Paul Willis, 128 Greenwood, and Luanne Kindsfather, daughter of the Henry Kindsfathers, 112 Douglas.

Operated by the beef promotion committee of the CowBelle, the booth was set up in the mall during the Preview of Spring Sports Show held by merchants there. Mrs. Reece Lawson, committee chairman, was in charge.

Recipe folders, Beef For All Occasions, and bumper stickers proclaiming Beef-America's Favorite, were distributed from the booth. All visitors were invited to register for the drawing in which the boneless butt roasts were given.

Workers in the booth with Mrs. Lawson were Mmes. Dick Coupe, James Bullard, Ray Bates, Ray Stewart, Leroy Johnson, W.S. Reinauer, and Sam Bradford.

Adrian 4-H'ers Hold Meetings

Two groups of the Caprock 4-H Club of Adrian met recently, with the first and second year girls meeting in the James Bearden home, and the senior 4-H girls meeting in the Adrian School building.

Mrs. Bearden supervised as the younger girls cooked several dishes and worked on their year's record books.

Members present were Tina Bearden, Sharia Webb, Diana Jacobson, Diana Morales and Rhonda Parker.

The senior girls prepared for the food and bake shows to be held March 24 in Vega, conducted scientific experience and worked on record books.

Senior girls present were Lee Ann Warren, Sherry Blankenship, Sandra Webb, Cherry Betts and Sherri Webb.

FLAVORFUL PRIZES—Two boneless butt beef roasts were prizes in a drawing held by Hereford CowBelles Saturday, both won by lucky Hereford misses. Mrs. Reece Lawson, beef promotion chairman who was in charge of the event, presents her prize to Luanne Kindsfather, top photo, while Mrs. Sam Bradford hands Nerissa Willis the other award.

Official Is Lodge Guest

A school of instruction was conducted by Jimmie Penner of Dimmitt, district deputy in the Rebekah Lodge, for members of the Hereford lodge Tuesday evening in a meeting at the IOOF Hall.

Mrs. Clarence Beauford was hostess for the meeting, and served refreshments in the social period which followed the deputy's instruction. Connie Ivy of Dimmitt was another visitor and there were 19 members present.

Artist-Teacher Speaks To AAUW

His philosophy of art as a part of everyday life, with a value in psychotherapy which should be recognized in public schools, was the keynote of Dr. Emilio Caballero's talk Tuesday evening to the Hereford Branch, American Association of University Women.

The speaker, chairman of West Texas State University art department, is known as a teacher as well as an artist whose work has been displayed in Texas and other states.

He was introduced by Mrs. Earl Holt, cultural area representative in the AAUW here, for the program in Deaf Smith County Historical Museum.

Art should be employed from

primary grades upward in a school system as a means of personal self-expression for the pupils, Dr. Caballero said, and emphasized, "New needs for art are all around us."

He advocates a program of art psychotherapy in his department at WTSU, saying that it would be of benefit to mental health.

Art as a revelation of mental disquiet was the theme of a film shown by Dr. Caballero, on the life and work of the noted impressionist painter Vincent Van Gogh.

In a brief business period, delegates were elected to a state divisional convention April 6 and 7 at San Antonio. They are Mrs. Colby Conkright, branch president, Mrs. Reuben McGilvray and Mrs. Gene Huntsinger.

After the program, members and guests toured the museum informally.

Guests welcomed by the 45 members were Mrs. Caballero, Mmes. John Gilliland, Don Hue, Robert Josseland, R.W. Eades, Ansel McDowell, Howard Gault and J.R. Allison.

Initiation

Welfare programs of the Order of Eastern Star in Texas were explained by Mrs. Charlie Noland, a member of the builders-in-tomorrow committee, as speaker to Hereford OES Chapter Tuesday evening in the Masonic Hall.

She told of the endowment fund, home for the aged, scholarship and loan fund and cancer research.

Initiation of Mr. and Mrs. Gene Brock, Mr. and Mrs. Wayne White was conducted at the meeting. Plans were discussed for a district school to be held here April 18 and 19. Invitations were read to friendship night programs at Dalhart, Dimmitt and Floydada.

Comedy Slated For Senior Production

"Up The Down Staircase", the rollicking, full-length comedy has been picked for this year's senior play, to be presented in the high school auditorium.

The play is set in a class room in Calvin Coolidge High School, New York City. The story evolves around a new teacher, Sylvia Barrett (played by Carolyn Langley) just out of college and still a little wet behind the ears. She has just received this new teaching position in one of the perplexing sections of New York. This situation provides one of this century's funniest comedies.

The play is in three acts and has a cast of 12 men and 18 women all from the HHS senior class. Wayne Hodgson, speech

and drama teacher, will direct the play with the help of Mrs. Hodgson, English teacher at Stanton.

Receiving roles in the play are David Duvall as the high school principal, and Nancy Brink and Mike Mayberry as other members of the faculty.

Members of the school staff are James Davis, Debbie Hoover, Debbie Smith, Georgette Malouf and Steve Nieman.

Also, Meredith Wilcox, Leslie Breeding, Susie Hickman, Shalyn Sisson, Sharon Powell, Danny Harris, Wayne Moton and Bill Carrothers.

Others in the play are Joni Charest, Becky Suarez, Sheila Lea and Libby Word.

Interests Vary For Mrs. Buck

Mountain climbing, big game hunting (not really), the usual, growing flowers, cooking different kinds of food, learning new things, thinking new thoughts, jogging and teaching school keeps Mrs. Billee M. Buck busy.

Mrs. Buck has been teaching at Hereford High School for 20 years after attending East Texas State University at Commerce. She attended a number of high schools because her father was a partner in a chain of department stores in West Texas.

"I've gone to school in Littlefield, Morton and probably some I've forgotten," remarked Mrs. Buck.

Since being in Hereford, she has taught English, mostly social studies and even biology. Mrs. Buck had a double major in social studies and English while attending college.

"I really didn't go to college to pursue a career, just thought it was a good place to be at the time. I ended up taking all kinds

of subjects but finally took the necessary hours for a teaching certificate," stated Mrs. Buck. Mrs. Buck is married to W.W. Buck, a real estate broker. They met when Buck came to visit his family between college and going into the service during World War II. The Bucks have been married for 28 years and have two children. Their son, Wynn, finished his graduate work at the University of Texas and is now in real estate and investments in San Antonio. A daughter, Lanny, is a senior in Interior Design at Texas Tech in Lubbock.

Mrs. Buck likes to read all kinds of things, mainly articles about current events. She also likes music that her son and daughter listen to when they are home. Her favorite sport is football, mainly because her husband and son both played and she likes the atmosphere of the crowds and bands.

Mrs. Buck has been a senior class coordinator for 18 years. "During that time I was so close to seniors that I certainly felt a void in my life on graduation night. Classes were smaller then and we had a very personal relationship. Now I'm a homeroom sponsor and really don't know the seniors too well," explained Mrs. Buck. "I couldn't have been with students over a span of 20 years without loving them. There have been some changes, but that's as it should be. Now students have a real challenge and adventure to learn to live with change and still become the kind of people they want to be."

Key Club Project

During the last few weeks, a project that had been planned for quite some time has gotten underway. For several weeks

the Key Club, working along with the Kiwanis have undertaken several jobs to raise money for the new sign placed in front of the school.

Some of these jobs were raising and hiring out to different locations for slave days. The sign cost approximately \$2,000 and is located on the southwestern corner of the school grounds.

The sign is supported by two large poles buried in the ground, and is a marker of the Key Club's achievements during the 1971-73 school years. The sign is partially finished except for the brick base which is to be placed along the bottom.

Lynette Barefield

Sophomore Named To Honor Group

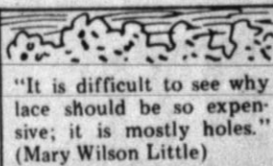

Dorothy D'Lynn Davison, a sophomore at Hereford High and an active student has just become a new member of the National Honor Society. Out of some 300 sophomore students, 5 per cent were chosen to the NHS.

D'Lynn is an extremely busy student and is included in many different clubs and organizations. One of her main hobbies is tennis. She also enjoys people and working with them.

D'Lynn enjoys speech and outside activities and is a member of extempore speaking and forensics, both of which are contest speaking classes. She plays drums for the Hereford High School band and participates in one of the school's intramural basketball teams.

D'Lynn entered a contest recently, sponsored by the Rural Electric Association. The theme title is "What Can I Do For The Future Of The High Plains."

D'Lynn enjoys the outdoors and being able to help others.

"It is difficult to see why lace should be so expensive; it is mostly holes." (Mary Wilson Little)

THANK YOU!

We would like to take this means of expressing our sincere appreciation to the many friends in Hereford and the area who attended our open house at South Hills Manor in Dimmitt. The response was even greater than anticipated, and it gave us a warm and grateful feeling which will always be remembered. We are now open and welcome visitors at any time.

Mr. and Mrs. Virgil Justice

Twirlers Help To Spark HHS Spirit

The HHS twirlers have helped initiate a rousing school spirit during the '73 basketball and '72 football season.

Gene O'Rear, twirler's sponsor, remarked the twirlers would not have any more planned performances for the year.

The twirlers have attended all pep rallies, football games, and home basketball games during the school year.

The twirlers for this year are seniors, Sandy Caison, Pat Green, Carolyn Langley, Sheila Lea, Cheryl Smith, and Renee Walden. Juniors are Teri Reinauer and Denise Strange and the sophomore twirler is Vicki Payne.

Terry Stephens, a twirling instructor from Texas Tech University, taught the HHS twirlers the qualities and techniques of being a good twirler.

During marching contest in

October of last year, Teri Reinauer and Pat Green entered in the regional twirling solo and each received a 1 rating for their solos.

During tryouts last spring, the twirlers were selected by a group of five judges who were Mrs. Austin Rose, their former twirling sponsor, Ben Gollehon,

Gene O'Rear, Randy Vaughn, and a twirling instructor from Texas Tech.

In order to purchase their costumes, the twirlers began earning money by painting fences, holding rummage sales, selling stationary and hoeing sugar beets. The total amount earned was \$712.88.

VICA To Compete In District VI Contests

"Real good training and real good experience. Many of the vocational students have not had a chance to compete in school competition and this gives them a chance," remarked Alvin Smith of ICT. He was referring to the District VI VICA contest at Amarillo College, March 23-24.

Mrs. Vanna Belle Thurlow commented by saying "I think it's great. It teaches these students how to compete and its also a place to gather ideas." She commented as she thought it affected the students of all the VICA divisions which are electrical trades, building trades, auto mechanics, cosmetology and industrial co-operative training.

What's it about? The contest covers all events from building houses to styling hair. The contest is going to be rather large, because the expected number of students will be between 600 and 700.

Some of the students and projects entered from ICT are Dirk Powers with a overhauled engine, one entry in the speaking division where the student will talk about the "World of Work" and several speed contestants who will be doing their specialized job as fast as they can and as best they can.

Entries from cosmetology include three hairstylists, 10 selected students who will work on manequin hair, one job application entrant where a person will apply for a job, one

prepared speech contestant and three notebooks about cosmetology.

Building trades is entering two speakers, Ray Pesina and Joe Garcia; three speech skills, Jesse Tjerina, Frank Chavez and Elijo Garcia. Entrants from electrical trades and auto mechanics are unknown at this date.

Predicting the district outcome was Rex Manley who said, "We're going to have somebody at state." The reason he said this was because the people who win at district go to state competition. Another reason was Manley has been to state for 10 years in a row—and he plans to make this an addition to his record.

In eager anticipation, Mrs. Thurlow also stated, "We're going to bring home the bacon."

Hot Rodders

One of the newer organizations in Hereford High is the Hot Rod Club, designed to give people a better idea of what drag racing is actually meant to be. When it is mentioned to many in the community, they think of street racing, which is the image 'Hot Rod Club' is trying to change.

The president of Amarillo Dragway, Earnie Walker has started organizing competition between schools with the first meet being held tomorrow.

Wayne White is sponsor of the HHS Hot Rod Club

Questions and Answers

Q. Are restaurants subject to mandatory price controls?
A. Yes. Food service operations, such as restaurants, delicatessens, caterers and vending machines are subject to mandatory controls if they derive 20 per cent or more of \$50 million or more of their annual sales or revenues from the sale of food. However, these firms are not subject to the prenotification rules.
Q. What about food sales by

companies which derive less than 20 per cent and less than \$50 million in sales and revenues from food sales-are they exempt?
A. No. They are covered by the same voluntary, self-administered standards applicable to most of the rest of the economy.

Q. Are repurification, voluntary compliance and compromise settlements agreed to before January 11, 1973, still in effect?
A. Yes. Prices subject to a Price Commission decision and order must conform to the decision and order.

Q. Are rollback orders which were to become effective after January 10, 1973, or which were to continue in effect after that date still effective?
A. Yes. Prices subject to a Price Commission decision and order must conform to the decision and order.

Q. How is construction treated in Phase III and what rules apply to it?
A. Construction is treated in basically the same way in Phase III as in Phase II. On the wage side, the Construction Industry Stabilization Committee will continue to review collective bargaining agreements in the construction industry. Non-union wage settlements will be reviewed by the Pay Division of the Cost of Living Council. On the price side, final payments under any construction contract on which any part of the work is performed by workers whose wages are subject to review shall be renegotiated to fairly reflect the amount of any reduction in scheduled wage and salary increments ordered under the program.

Manufacturers of construction materials, for example lumber producers or cement producers, are not considered part of the construction industry. They are in the sector subject to voluntary self-administered wage and price standards. They may be subject to the reporting and recordkeeping requirements of Phase III, depending upon the size of their annual sales or revenues.

Q. Are the wages of employees in the food transportation sector covered by the special rules applicable to the food industry?
A. Yes. If they are employed by a manufacturer, service organization, wholesaler or retailer which is covered by the mandatory price controls

STATE CAPITAL Highlights AND Sidelights
by Bill Boykin
TEXAS PRESS ASSOCIATION

AUSTIN, TEX.—Top legislators have settled down to the budget-writing job which will decide whether lawmakers—and the taxpayers—will be confronted with a tax bill this year.

Gov. Dolph Briscoe said new taxation must be avoided—for the second legislative session in 20 years—and offered a budget which would require no new revenue.

Further, the Briscoe budget would leave \$300 million in unobligated funds on the table to meet unforeseen court developments in the public school finance case and uncertainties of welfare spending requirements.

Briscoe's no-new-tax proposals met generally favorable reaction from legislative leaders and rank-and-file legislators, although some differed with him on specifics.

The governor delivered to a joint session of the House and Senate a \$9.6 billion biennial appropriation recommendation—\$391.6 million above the present level of general revenue outlays and federal revenue-sharing income.

Even with the addition and the holding back of \$300 million, Briscoe was \$174.1 million under former Gov. Preston Smith's last budget draft for 1974-1975, and \$91.6 million below the Legislative Budget Board's recommendations.

He recommended \$240.3 million more for education; an \$111.3 million increase for the state departments and agencies; \$29 million more for public health, hospitals, mental retardation and youth institutions and \$11 million more for the courts and legislature.

While governors' budget recommendations are generally ignored, Briscoe's were promised careful review, although House and Senate appropriations bill drafters had already concluded their hearings when he offered his set of figures.

brother's car, on which he was working, was struck by an uninsured driver.

Lower courts should be reversed in holding that a Corsicana district judge is qualified to hold his office although he has not practiced law or been a judge for four years before election. The High Court itself refused to decide.

APPOINTMENTS—Governor Briscoe named Frank G. Evans II of Houston associate justice of the First Court of Civil Appeals, to succeed Tom F. Coleman who resigned. The Senate promptly confirmed Evans, who was a Briscoe campaign aide.

Briscoe reappointed Brig. Gen. Willie L. Scott of Austin and Col. Belisario D.J. Flores of San Antonio as assistant adjutants general for the Army and Air National Guard, respectively.

LEASE SALE NETS \$7.4 MILLION—An oil and gas lease sale on state-owned lands—largest since 1966—brought the state \$7,451,278 in bonus payments for the permanent school fund.

Land Commissioner Bob Armstrong said renewed interest in oil and gas production on state lands is due largely to increased demands for energy fuels.

A total of 113,737 acres were leased at an average per acre price of \$65.51.

For the first time in recent years, the highest bid was over one million dollars. Houston Oil and Minerals Corporation bid \$1.5 million for 394 acres in a Galveston County submerged tract.

CONSTITUTIONAL REVISION BEGINS—The 37-member State Constitutional Revision Commission held its first meeting Saturday after legislators failed to register enough protests to block appointments.

The Commission was bombarded with criticism because its ranks did not include more women, blacks, Mexican-Americans and youth. Several areas of the state also felt they were insufficiently represented on the blue ribbon body.

First task of the Commission will be selection of a staff, choosing quarters and dividing into subcommittees to split up work which must be completed by November. The Legislature will convene as a Constitutional Convention next January, and a 10-member legislative committee has been authorized to plan that historic session.

POLLUTION HEARINGS SET—Hearings are scheduled in Houston, Dallas and San Antonio April 4 to consider state controls on autos and trucks in the drive against air pollution.

Texas Air Control Board will conduct the hearings and weigh advisability of transportation controls to meet national ambient air standards. Further hearings may be held.

SHORT SNORTS
Too few poor are receiving any benefits from millions of dollars spent on welfare, a House interim committee reported.

Texas Water Rights Commission reaffirmed its position that the plan for navigation of the Trinity River is feasible.

Justices of the peace and constable served notice they plan to "zap" a proposed constitutional amendment to overhaul the court system... and abolish their jobs.

Hunting and fishing license fees would be increased under a bill given House committee approval.

Governor Briscoe will present awards to five outstanding Texas manufacturers at the fourth annual Governor's Industrial Expansion Awards Conference here May 10.

New state banks are being sought at Sierra Blanca and Irving.

Revenue from cigarette taxes decreased from \$17.1 million in 1972 to \$16.8 million last month.

Girls' Athletics Is Big Question

Hereford High School has recently been deliberating the idea of whether or not to have girls' athletics at school. This question is to be answered in the coming years by students, parents and school board members of Hereford. The UIL, which sets the rules for sports and other activities, have not set the rules for a girls' athletic program as complete as for boys in class 4A.

The boys can participate in football, basketball, golf, tennis and track programs, whereas the only programs girls are allowed to participate in are tennis and volleyball. In class 3A, basketball and track have been available to girls for a number of years.

There is presently an intramural program at HHS for girls, in which basketball is the top sport. This shown by an enrollment of 15 basketball teams. This also shows that the girls are really enthusiastic and sincere in their desire for more sports.

When asking students about their feelings toward the possibility of girls' sports, one student commented "girls should compete only with girls, and boys with boys—that is the way it should be."

There are problems facing the addition of girls' sports as viewed by Fred Upshaw, offensive football coach, in a recent interview.

"It would mean new facilities and a larger coaching staff." Also, a teacher expressed her views by saying that it would be good for the girls to have an extra curricular activity that would give them a chance to compete and develop a sense of responsibility.

Mrs. Charlotte Laughlin, physical education and volleyball coach, commented that it would be costly. A schedule would have to be drawn up which would not interfere with other activities, and the girls interest would have to begin in the junior high schools.

It will take time, money, effort and greater interest throughout the city to become a worthwhile project so everyone can benefit from it.

Council Named To District Post

Spring Student Council activities included Georgette Malouf and Debbie Hoover attending the Texas Association of Spring Student Councils Convention, February 24 in Amarillo.

During the convention, Hereford High School Student Council was elected secretary-treasurer of District I. This district included all schools located in the Texas Panhandle. The duty of secretary-treasurer is to keep complete records of the meetings, the budget, and also assumes the responsibility of sending newsletters to all the towns in this district, and to make arrangements for the conventions.

Hereford High School served as vice-president for District I during the 1972-73 school year.

Spring elections in the local student council will be held March 21 to determine a new president and vice-president for the coming year. These students who will be elected will attend the Texas Association of Student Councils State Convention to be held in Austin, March 29-31.

The local student council is responsible for activities such as Western Day, set for March 16, and Slave Day, which will be held in April.

Student Council will sponsor a reception for National Honor Society students and their parents. This reception will include installation of new members, and will be held March 15, in the High School cafeteria after the student council assembly.

Home Turnover Boom Expected

During this year's postwar months we will probably see the greatest movement of people and companies—generating the greatest volume of home sales—in recent decades.

As our country shifts gears from military to civilian enterprises, many jobs will become non-existent. Others will be created. This will trigger a mounting number of family transplants across the country.

Most directly affected by cutbacks are firms relying on government contracts for their financial mainstay. University research laboratories and other "research and development" groups oriented to military needs are in for a major shakeup. Many personnel will be transferred or terminated.

On the other hand, many new peace-oriented jobs are budding. In fact, in the general good business climate we are experiencing this year we very likely will create more new jobs than lose old ones.

The growth of peace production items will cause major expansion of some firms, resulting in added personnel, establishment of new branch plants and new mergers.

All such action ripples, in the wake of the Vietnam ceasefire, will cause a record turnover in home ownership during the remaining months of 1973. It will also stimulate development of new commercial and industrial properties.

One type of service organization that is booming from the new real estate activity is the nationwide realtor referral network. Several such organizations, formed to serve relocating personnel on a long-distance basis, are reporting sharply increasing activity. Executives of the major realtor referral organizations are now anticipating a 20 to 40 per cent increase in referrals (families seeking homes in a faraway community) this year over last year.

Of course, with increasing business comes intensified competition. To keep up with, or ahead of, competitors, the realtor network organizations are streamlining their operations, creating more efficient methods and facilities. The use of computers and video tape, for example, are being utilized increasingly to quickly match families with their "most ideal" home in their new community.

Forensics Places In Abilene Contests

The Hereford High School forensics team traveled to Hardin-Simons University at Abilene last week and participated in 10 events. Involved were boys and girls divisions in persuasive speaking, informative speaking, poetry, prose reading and debate.

Twenty Hereford students participated in the contests and four of these advanced to semifinals. James Davis advanced in persuasive speaking, Gordon Gearn in poetry reading, Rhea Ann Wesson in poetry reading and Jamie McAndrews in prose reading.

Five students advancing to finals were Nancy Brink, fourth in prose reading; Paula Haug, fourth in informative speaking; D'Lynn Davison and La Juana Matcett, third in debate; and Denise Strange, second in persuasive speaking.

This was the last overnight tournament of the year but one of the best performance-wise. Sponsors on the tournament were Mr. and Mrs. Wayne Hodgson.

Q. Are savings and loan associations permitted to become part owners of the new home developments which they finance?
A. Yes. In fact, a few savings and loan associations require "a piece of the action" as a condition of financing certain developments.

A current proposal being considered by the Federal Home Loan Bank Board would permit savings and loan "service corporations" to directly acquire land for development. This is vigorously opposed by the National Association of Home Builders and other real estate groups who believe it would create unfair competition.

Hereford Chamber To Host Relays

The 6th annual Deaf Smith County Chamber of Commerce Invitational Relays is scheduled in Hereford Saturday with six schools vying for honors in the big school division and 18 teams competing in Division 2. New champions will be

named in both divisions, since Palo Duro is not returning this year. The Dons edged Hereford for the meet title last year in Division 1, while the Palo Duro JV took the Division 2 crown. In 1971, the winners were Coronado and Vega.

Preliminaries get underway at 9:30 a.m. in the field events of both divisions. Running events start at 10 a.m. Finals will begin at 1:30 p.m. in the field events, and 2 p.m. in the running events, according to meet director Don Cumpton.

Presentation of trophies is scheduled for 4:15 p.m.

Competing in Division 1 will be Lubbock Coronado, Plainview, Clovis, Amarillo High, Muleshoe, and the host Hereford team. Coronado, Amarillo and Hereford are expected to battle for the championship.

The Division 2 field is a strong one this year with 18 teams entered. They include the junior varsity teams from the six schools in the upper division, as well as the Monterey and Dunbar JV's, Olton, Vega, Stratford, Boys Ranch, Panhandle, Dalhart, Texline, Adrian, Nazareth, and Lazbuddie.

With good weather conditions, some of the records could fall in both divisions. Panhandle has a strong team in the small-school division, with several individuals as possible record breakers. Lee Millican has vaulted 12-8 this season, and the record here is 11-6. Kylon Wright has a 20-6 effort in the 1-long jump, which betters the local meet record.

In the upper class, Hereford's Luther Mays could crack the 880 mark of 2:00.3. He ran a 2:00.7 last week at Graham. Roy Prado of Coronado is also a top half-miler. Hereford and Amarillo have recorded times of 3:29.6 and 3:29.8 in the mile relay, and the record here is 3:25.2.

Mike King of Amarillo has vaulted an even 13 feet this year, and he'll be shooting at the record of 13-4 which was set here in 1968. Hereford's Joe Coleman has the best high jump effort in the area with a 6-3, but the record here is 6-5, set last year by Palo Duro's Williams.

The meet was called the Hereford Relays until last year, when the sports committee of Deaf Smith County Chamber of Commerce took over sponsorship. Officials of Saturday's relays include Cumpton as director, Larry Dippel, referee; Keith Munnerlyn, announcer; Tom Simons, scorer; Johnny Cardinal, starter; Pat Hughes, recorder; Fred Upshaw, clerk. Timers will include Larry Wartes, Gerald Payne, Calvin Goodin, Mack Tubb, Jake Webb and Bill Lane. Other sports committee members will serve as judges for the field events. Hereford High cheerleaders will make the awards presentations.

WHITEFACE TRACK TEAM—The Deaf Smith County Chamber of Commerce Invitational Track Meet is scheduled Saturday at Whiteface Stadium, and the host Hereford team is pictured above. Members of the team, both varsity and junior varsity: front row—Bobby Fields, Kent Hollingsworth, Barry Allen, Jay Williams, Paul Rudd, Terry Yearby, Darrell Hutton, Ronny Ohlig, Julio Gonzales, Mike Munnerlyn; second row—James Waits, Doug Charest, Kevin Malone, David

Crume, Marvin Harris, Clifford Fangman, David Varner, Joe Coleman, Win Short; third row—Johnny Adams, Randy Alexander, Joe Sheffy, Charles High, Terry Champ, Wesley High, Jimmy Henson, Alvin Ellerd, Barry McNutt, Walter Olson, Kenny Brown; top row—Coach Don Cumpton, James Harris, Danny Harris, Luther Mays, Willie Glass, Larry McNutt, Steve Nieman, Jim Marsh, James Higgins, Coach Wendell Robinson, Nat pictured is Coach Dempsey Alexander.

Baseball Tourney Included In Meet

As part of a big sports weekend in Hereford, the Deaf Smith County Chamber of Commerce will sponsor a schoolboy baseball tournament Thursday through Saturday with seven teams competing for honors. A two-division track meet is also scheduled Saturday.

The baseball tourney field will include Dumas, Levelland, Pampa, Borger, Canyon, Big Spring, and the host Hereford team. Three games are scheduled each day, with the consolation, third-place and championship games to be

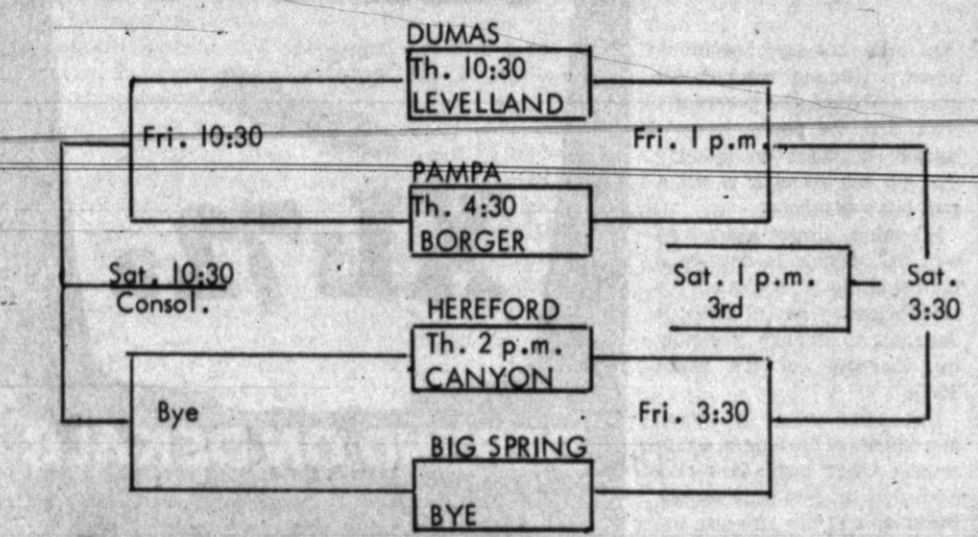

played Saturday. The tourney gets underway at 10:30 a.m. Thursday with Dumas taking on Levelland. Hereford meets Canyon at 2 p.m., and Pampa faces Borger at 4:30. Big Spring drew a bye in the first round of action.

Second-round games on Friday are set for 10:30 a.m., and 1 and 3:30 p.m. The same time schedule is set for Saturday.

Coach Aaron Bourland's Whitefaces had an 0-4 record prior to a scheduled game at Amarillo Tuesday. The Whiteface coach was hoping to get a victory on the books before

going into tourney action Thursday. Three of the four defeats came by the margin of a single run. Bad weather has hampered practice sessions, and three games were rained out last week.

Probable starters for the Whitefaces in the first tournament game include Dwayne Davison, catcher; Steve Loerwald or Ricky Locke, first base; Terry Poindexter, second base; David Loerwald, shortstop; Wallace Hill, third base; Twig Rose, left field; Ricky Peters, center; Carey Black, right; and Loerwald or Locke as pitchers.

Baseballers Slap Sandies

Twig Rose touched Amarillo High pitchers for three hits in leading the way for the Whitefaces' first win of the season, a 9-5 victory Tuesday amid gusting winds in Amarillo.

Rose picked up three singles, Terry Poindexter added two singles and Carey Black chipped in a double to lift Ricky Locke to his first win of the season. The win evened Locke's record at 1-1 for the year and provided the Herd with a 1-4 season mark.

The Whitefaces now entertain visiting schools in the tournament here this weekend. (See related story).

Locke gave up only eight hits in holding the host team. Three of the runs by the Sandies came in the third inning on a home run.

Hereford's biggest frame was the second when they pushed five runs across to take a lead they never gave up. In that inning, Wallace Hill and Duane Davison came up with singles and Locke was put aboard via a base on balls.

Poindexter followed with a single that bounced over the centerfielder's head that scored all four men.

Immediately after that series of batters, Steve Loerwald was hit by a pitched ball then back-to-back singles by Ricky Peters and Rose brought him home.

The Whitefaces collected 12 hits against Amarillo pitchers.

Hereford added a single run in the fourth, two more in the sixth and a final one in the seventh.

Amarillo had one in the second, the three in the third then one more in the sixth.

Coach Aaron Bourland said his team "probably played as well as they have all year. We are beginning to hit the ball a lot better and we are not making as many mistakes."

Linksters In Fifth

The Hereford High School golf team finished in fifth place with a score of 335 in the district golf match held March 9 in Snyder.

The next match will be held Friday in Lubbock.

Top team was Monterey with 306 followed by Plainview with 315; Snyder with 317 and Lubbock High with 333. Coronado of Lubbock was in last place with 340.

Trap Shoot Set

There will be a trap shoot Sunday at 1 p.m., sponsored by the Hereford Gun Club.

The shoot will be held at the shooting range near the airport and ammunition will be available. Members of the gun club invite anyone out that would like to participate in the shoot.

Individual scores for Hereford were Keith Kitchens, 76; O.H. Seamands, 83; John Martin, 86; Shane Lockhart, 86; Mike Mayberry, 88; Tom Conway, 91; John Jorde, 94; Joe Priddy, 95; Bill Carrothers, 97 and Jim McNeely, 97.

Whitefaces Fourth At Possum Kingdom

The Hereford Whiteface track team finished in fourth place against a strong field of AAAA teams in the Possum Kingdom Relays at Graham Saturday, with high jumper Joe Coleman gathering the only first-place medal.

Tommy Cumpston took his second place in the 110-meter hurdles, Graham hoping to improve under conditions, but the Whitefaces ran into cool, windy weather again and also encountered some strong competition.

Fort Worth Dunbar won the team title with 114 points, followed by F.W. Western Hills with 94, F.W. Terrell with 60, and Hereford with 56. Trailing Hereford were F.W. Arlington Heights, F.W. Poly Tech, Mineral Wells, Cleburne, F.W. Bell, Dallas Trinity, and Dallas

Carter. Seymour won the Division 1 crown, and host Graham took the Division 2 title.

A strong wind hampered the runners, and the sun made only a brief appearance Saturday morning. A light shower fell on the meet Saturday afternoon.

James Harris led the point production for the Whitefaces with 11 1/2 points from a third in the high hurdles, a tie for third in the long jump, and a lap on the mile relay. Coleman got 10 points for his winning high jump of 6-2.

Other third places came from Luther Mays in the 880 with a 2:00.7 clocking, and Jim Marsh in the discus with a heave of 143-2 1/2 feet. The sprint relay team of Johnny Adams, Steve Nieman, Barry McNutt and Terry Champ took fourth place with a 44.1 second time. Other fourths came from Charles High in the 120-yard high hurdles (15.1), and David Varner in the shot put (50-10).

Jim Henson was fifth in the mile run with a 4:48.8 time, and Danny Harris was fifth in the long jump with a 18-9 leap. Marvin Harris was sixth in the shot put, and the mile relay team came in sixth with a 3:35 clocking.

James Harris opened with a 54.9 on the mile relay, followed by Luther Mays (53.5), Steve Nieman (52.7), and Terry Champ (53.9). Western Hills won the event with a 3:29.4 time. Hereford failed to qualify anyone in the 100, 200 and 440 dashes, or in the 330 intermediate hurdles.

All residents of the county are invited to use the library free of charge. For reference material or to check out books for home reading, adults and children may call at the library in the courthouse, reached by the south door at ground level.

TREVAYNE
By Jonathan Ryder
Who controls the government of the United States? The Pentagon? A General Motors? An IT&T? The Mafia? It becomes Andrew Trevayne's job to find out. He is picked for the assignment because he is extraordinary enough for it. His aerospace company made him a millionaire by the time he was thirty-five.

He left it to become undersecretary of state. Now he is head of one of the biggest foundations in the country. He is not only a self-made man, he is a true independent. No one can reach him. Or so it is thought.

But this is a job unlike any other. For he is to investigate the companies under contract to the defense department: what they are getting and why. Before he is even approved by the senate, Trevayne has ample proof that there are those who don't want him on the job; heroin is planted at a party his daughter attends; his son is framed in a hit-and-run accident; his wife is found drugged, nude, in a hotel bedroom.

And when he decides to concentrate his investigation on Genesee Industries, he finds himself bucking a company that is a law unto itself. For Genesee's power reaches not only to the Pentagon but to the courts, to labor, to congress—and to the White House. It is ruled by the elite, but it uses the Mafia to keep the country where it wants it.

Here is a novel as fresh and as frightening as today's headlines, a brutally realistic and fascinating picture of what the military-industrial complex really means.

THE WINNER
By Borden Deal
John Bookman, a loser more than once, has now become a winner. Having reached his great ambition, the governor's chair and the power it symbolized, he discovers quickly that his achievement is not a goal but a beginning.

His mind, almost against its own will, begins to develop a far-reaching program, a revolutionary racial concept designed to change radically the character of the whole South.

But, as ever in great movements of the human spirit, counter forces begin to work—confusion and hesitation among Bookman's family, friends and political associates and the active hatred of unknown individuals who would do anything to destroy "the great venture."

HELICOPTER LANDING
A French Embassy spokesman in Dar es Salaam claimed the record for a highest helicopter landing for a French Alouette which landed recently on Mount Kilimanjaro at 19,565 feet.

Annual HHS Rodeo Set

Hereford High School Rodeo Club will host its third annual rodeo this weekend, with performances at 7:30 p.m. Friday and Saturday and a 2 p.m. matinee Saturday at the Hereford Riders Club Arena.

A dance featuring the Sun-downers will be held at the Little Bull Barn following the Saturday evening performance.

Approximately 40 schools from the Tri-State area will be participating with a total of 574 members.

Boys' events will include bareback riding, calf roping, ribbon roping, team roping, bull riding and chute dogging, and girls' events will be barrel racing, pole bending, goat tying and steer riding. The all-around cowboy and cowgirl will be awarded a saddle, with buckles awarded to the first, second and third place winners in each division.

In total points accumulated in previous rodeos, the Hereford High School girls' team is rated second with 39 points and the boys' team is rated third with 47 1/2 points. Mary Shipp of Hereford is in second place standing with 33 points for the all-around cowgirl award and Mike Arnold of Hereford is in fourth place standing for the all-around cowboy award.

More Americans are around these days

The Census Bureau estimates that America had a population of 210,194,312 going into 1973, representing a net gain during 1972 of 1,500,000, compared with gains of 2,000,000 in 1971 and 2,200,000 in 1970.

The record gain for any year was 3,100,000 in 1956.

Debt Load Here \$1,520 A Family

In Deaf Smith County, to what degree does installment credit affect consumer spending for goods and services? How much of a debt load are local families carrying at the present time?

The findings are that they have added considerably to their installment debt during the past year and, paradoxical as it may seem, local merchants are very happy about it.

It means that consumers are once again in the market place in force. The increase in their purchases of automobiles, washing machines, air conditioners, furniture and other durables is indicated by the additional amount of debt they have been taking on.

In explanation of the general upswing, the National Association of Credit Management points out that while the fears of the consumer may not have disappeared completely, the news regarding the economic upswing generally is beginning to bolster his confidence. As a result, he is spending more freely.

Recipe Is From England

BY SUE COLEMAN
Women's Editor

AUTHENTICALLY ENGLISH. A recipe for a pretty and delicious dessert called Trifle was given to Mrs. Neal Foster by a former neighbor in Portales, who came to this country from England.

It is a modern adaptation of the old fashioned dessert which was popular in early America as well as in the mother country. Instead of the slow process of making and cooling gelatine mixture and custard, today's short-cut mixes are used.

Mrs. Foster, wife of the pastor of Summerfield Baptist Church, says she likes to make the dessert for special occasions, arranging its layers in a glass dish so they show their varying colors. Here is her imported recipe:

ENGLISH TRIFLE

1 large pkg. strawberry Jello

1 large pkg. vanilla pudding mix
1 pkg. frozen strawberries
1 layer of cake
Whipped cream
Chopped nuts
Bananas
Use juice from fruit as part of liquid to make Jello. Pour mixture over cut-up cake that has been placed in bottom of bowl. Make pudding by package directions and set aside to cool.

Put strawberries over Jello in bowl and let set. Slice bananas and place in layer over strawberries. Pour pudding over bananas and let all cool in refrigerator.
Whip cream and top the layers, sprinkling nuts on the cream.

Instant pudding mix may be used for this recipe, Mrs. Neal has found, and if desired a layer of butterscotch pudding may be spread over the vanilla, before adding cream and nuts.

THE MISTRESS OF THE BAPTIST parsonage at

Summerfield likes to cook and to try new recipes, as she likes to try new handcrafts and new sewing methods. She learned these and other homemaking skills from her mother when she was Ravenna Waide, growing up at Portales.

Now she is teaching her three daughters, both in the home and in the new Summerfield 4-H Club, which she serves as an adult leader.

"My mother was a 4-H leader and I was a member from the age of nine to 17," she says. "The club meant so much to me that I'm happy to work with it and give my daughters the opportunity I had; they are much interested, and the two older girls have won county awards so I'm well repaid."

THE FOSTER'S DAUGHTERS are Kelly, almost 13, Stephanie, 11, and Barbara, 10.

Youth work in the church is Mrs. Foster's favorite. Like most pastors' wives, she is called upon in numerous capacities and enjoys it all. The Fosters also believe they should reach beyond their own church and take part in other community activities.

In addition to the 4-H Club work, Mrs. Foster is active in Summerfield Study Club and had some credits. He held pastorates at several small churches near Portales while he attended school, then moved across the Texas line to Longview Church near Muleshoe.

NOW HE IS TO RECEIVE a bachelors degree this spring and has been accepted for Men Amis Club, which have members chiefly from Summerfield community.

BEFORE THEY MOVED THERE last June, Rev. Foster had been interim pastor of the church, driving to it from Amarillo.

Portales is the home town of both the Fosters and they were married there. They were in Colorado Springs, where he was with a mobile home firm, when he entered the ministry.

They decided to go "back home" so he could complete studies at Eastern New Mexico University where he already graduate study to follow. Mrs. Foster also was an ENMU student for a time, and plans for more college work when her homemaking duties permit.

Making her own clothes, as she has done since she was in her teens, and sewing for her daughters, keeps alive her interest in dress design. She makes pencil sketches, mostly of dresses, in spare moments—"when I'm watching television my hands must have something to do!" Old churches often are sketched, too.

She has not tried painting, using her artistic bent instead in flower arranging, decoupage and similar crafts. Lately she became interested in decorating cakes and has joined others with that hobby in the Sweet And Fancy Decorating Club.

Mrs. Neal Foster
...she made the tree from bare branch

Shower Honoring Greta Short

A shower honoring Miss Greta Stephanie Short, bride-elect of Danny Joe Locke, was given Tuesday evening in the Reddy Room of Southwestern Public Service.

In the receiving line, along with Miss Short, was her mother, Mrs. Peggy Fitzgerald; the prospective bridegroom's mother, Mrs. Joe Locke; the bride-elect's grandmother, Mrs. Ben Conklin

and her great-grandmother, Mrs. George Parker; and Mrs. R. A. McNeese, Locke's grandmother.

Inviting guests to register was Barbie Brown, while Teresa Leon and Tracy Hopson served refreshments from a table laid with a lace cloth. The cake was bridal decorated in yellow and white, the bride's colors.

Hostesses for the shower were Mmes. Al Lee, Max Leon, Bill Cheek, Hugh Blakey, J. R. Oglesby, Flake Barber, Bill Bookout, Pat Robinson.

Also Mmes. Calvin Goodin, Tommy Murphree, Ronnie Traylor, Charlie Williams and Miss Ann Warrick.

Look Who's New

Mr. and Mrs. Jerry D. Maupin are the parents of a son, Jered Lee, born March 10. He weighed 6 lbs. 15 1/2 oz.

Mr. and Mrs. Gerald Burns Jr. are the parents of a daughter, Candy Rose, born March 10. She weighed 7 lbs. 10 oz.

Hawaiian Theme Picked

Hawaiian Adventure will be the theme of the area meeting of Beta Sigma Phi members here Oct. 13 and 14, it was decided by

the City BSP Council at its March meeting Monday evening in Hereford State Bank Hospitality Room.

Visitors from chapters of the sorority from over the Panhandle will convene here, and sessions are scheduled at Community Center. Each local chapter suggested a convention theme, and from these the council made its selection.

It was decided to hold the annual Founders Day dinner April 30 at K-Bobs Restaurant. The council is host for this dinner, celebrating the birthday of the organization.

Mrs. Joe Story was appointed to serve as treasurer the remainder of this term after the resignation of Mrs. Bill Kendall. Mrs. Jim Cramer presided at the session and others present were Mmes. Kenneth Ruland, Lee Kendall, Davie Sorrells, Howard Gore, Robert Devin, Clyde Whitaker, Bobby Jones, Kenneth Wylie, Robert Williams, Harold Beauchamp and Fred Mulkey Jr.

Films Are Screened In Lone Star Club

A contribution from Lone Star Study Club to the American Cancer Society's fund drive was voted by members after they saw films from the Cancer Society on their program Tuesday afternoon in the home of Mrs. John N. Jacobsen Jr.

Mrs. Alex Schroeter and a nurse, Phyllis Cornelius, represented Deaf Smith County Chapter of the society to show the films concerning the importance of regular physical examinations for early detection of cancer symptoms.

Mrs. Cornelius commented on the films and answered questions. Mrs. Gaston Baer was program chairman for the day, who arranged for the guests' appearance.

FLEET SCUTTLED
On Nov. 27, 1942, officers of the French fleet at Toulon scuttled a major part of the fleet to prevent it from falling to the Nazi forces.

MARSHALL APPOINTED
President Truman named Gen. George C. Marshall his special representative to China on Nov. 27, 1945.

Also present were Mmes. Jim Bookout, Dale Tinnin, John Moore, R.G. Blue, Henry Vaughn, J.J. Durham, M.H. Wiseman, W.S. Fluitt, W.O. McCutcheon, S.S. Williams, J.C. Williams, H.E. Henslee, G.W. Newsom, Ed Warren, C.D. Kelton, Ray Suit, C.O. Phillips and Jim Higgins.

Small Talk

BY SUE COLEMAN
Women's Editor

BY THE CALENDAR spring won't be here until the middle of next week, but winter is finally breaking up, that's certain. Not only by the latest rip-roaring sandstorm, a sure sign, can you tell it's really spring—even though we are pretty sure to get another hard freeze or two.

Lots of green is the best indication of spring, and it's showing up after the winter seige that even kept the wheat nipped back.

Riding around over the western Panhandle Sunday, up through Vega and Channing to Dumas and back by Amarillo and Wildorado, it was nice to rest winter-weary eyes on the many shades of green in wheatfields. Early weeds are beginning to show, too, much later than they usually do here. Looks like a fine spring for the wildflowers, if it ever stops freezing long enough to let them open.

WHETHER OR NOT LIFE begins at 40, Wilma Bryan says birthdays get better after that mark. And she adds that she won't say how far after 40. Anyway, she had a birthday last week and it got thoroughly celebrated.

There was a family dinner with a cake and such trimmings, and members of the Newcomers Club had another cake in her honor at the style show she directed for them.

Then she was surprised by girls of Dandy Doers 4-H Club Friday at the last of a series of cooking lessons she has been giving for them. They had baked her a cake themselves, and served it with ice cream. In the class were Carol Eddy, Regina Bryan, Connie Villarreal, Roberta Weaver, Gwen Thomas, Karen Evans and Kerrie Hackert.

ONE OF THE PRETTIEST I've seen of the hand-crocheted capes which are so fashionable this season was worn by Mary

Roark downtown this week. It was sort of a poncho type, but was slit to give her hands more freedom than is usually found in either a cape or a poncho.

She said an aunt, past 80 years old, made it for her and had crocheted numerous others for various relatives. The generous lady had suffered a broken hip and couldn't walk for a long time, but just kept crocheting. Sounds like the kind of person you'd like to meet, doesn't she?

AN INITIATE IN WEST TEXAS State University chapter of Psi Chi, national honor society for psychology majors, is Nan McBrayer, 1203 Park Ave., who is a junior at WT.

Psi Chi was organized in 1928 under sponsorship of the American Psychological Association to recognize scholarship in its field. The WTSU chapter was established in 1971.

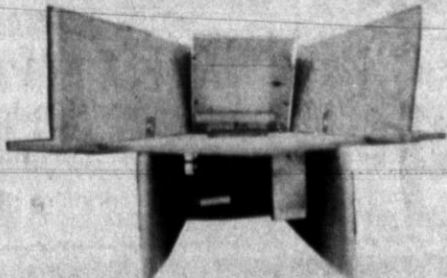

Salad Lunch Served Club

A salad luncheon was served for the Past Matrons Club of Hereford Order of Eastern Star, at a meeting Monday in the REA Medallion Room. Shamrocks decorated the table in St. Patrick's Day motif.

Mrs. J.B. Noland presided and appointed Mmes. Bill Hutson, G.P. Worthan and H.L. Hershey as a committee to nominate officers for next year. Also present were Mmes. John Heard, Deward Roberson, O.R. Sanders, A.L. Manjeot, Tom Draper, Evadne Cox and the present worthy matron, Mrs. Arthur Clark.

LEND AN EAR
Listen to all the troubles of others and your own troubles will vanish into nothingness.

A BETTER RAT TRAP

"CATCHES THEM ALL AND ALIVE"

Back in my younger days I did a lot of trapping. People never understood why my luck was so good. Even back then I was experimenting on a better trap to catch wild game. The reason for this, taking up where I left off: A rat bit a little boy back in Bowling Green, Ky., and it took him a long time to get well. So I started building different kinds of traps. I made a total of 17 different models. I then took these traps to the barn, field, house and the bush, and each time I changed the design until I found the one they liked the best. Finally I came up with the Nogin Pillow and the Magnetic Drop, which the barn rats fell for by the pounds. This Magnetic Trap can be designed to catch any animal on earth, although it has never been tried beyond the Timber Wolf. My name is Bill Taylor, I am the designer of this trap and it is in the patent office in Dallas, Texas at present. I will sell interest in this trap for \$50,000 and I will demonstrate any place at any time.

PLEASE WRITE: **BILL TAYLOR**
P.O. BOX 1461 HEREFORD, TEXAS 79045

We're proud our seeds have earned the trust of farmers like these...

Frank Christ recorded an outstanding yield of 9120 pounds on 97 acres of Pioneer brand 828. With good moisture and fertility, 828 can be champion yielder like it was for Kenneth Christie, Summerfield, Texas.

Lon Woodburn harvested 201 bu. of corn from Pioneer brand 3369A. A consistently high yielder for grain or silage, 3369A can do well for you like it did for Lon Woodburn, Star Route, Hereford, Texas.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

For the North Plains we recommend these sorghum, corn and forage varieties...

- Pioneer brand 8417—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.
- Pioneer brand 820—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.
- Pioneer brand 846—excellent drought resistance—MDM resistant—medium maturity—our most popular sorghum variety.
- Pioneer brand 3369A—champion-class corn favorite—tolerant to northern and southern blight—good ear retention—heavy grain yielder.
- Pioneer brand 3306—most popular corn hybrid on the High Plains—tall with outstanding stalks and ear retention—good yielder on dry or wet land.
- Pioneer brand 988—sorghum sudangrass hybrid for pasture, greenchop, hay or haylage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all...

Awards Given In Camp Fire Banquet

"A Coming Of Age" was the theme at the recent annual father-daughter banquet honoring Hereford camp fire girls and their fathers. Camp Fire Girls and Blue Birds received awards for various service projects and activities completed within the past year at the banquet held in the Bull Barn.

Awards for candy sales, membership awards, and others for service projects and accomplishments in the Camp Fire Girls organization were presented by the girls to their fellow members in the program, which was based on the "coming of age" theme.

Before the presentation of awards, each group of girls from Blue Birds, (Camp Fire's youngest group) to seniors in high school, gave a short presentation of the banquet's theme.

The Blue Birds started off the program with "Let's Begin", presenting songs and the blue bird wish. They were followed by Camp Fire Girls with "The Real Thing", a presentation of the desires and aims of the beginning Camp Fire Girl.

Discovery Club, comprised of junior high girls, gave the Torch Bearer's Desire, and "These are a few of my favorite things," in the "New Discoveries" portion of the program. They were followed by Horizon Club girls with "Just Beyond", a presentation which included the Lord's Prayer.

"I shall Not Stand Still" was presented by a group of the senior girls, and all Camp Fire girls joined in the finale of the program, which had the theme, "Each Camp Fire Lights Anew".

Highest award in Camp Fire Girls, the Wo-He-Lo Medallion, was presented to seniors Cheryl Smith, Libby Work, Pam Lindsey, Sheila Lea, Carolyn Langley, Nancy Brink, Susie Hickman, Debbie Smith and Linda Collins.

Ten-year membership awards were presented to Deanne Allen, Debbie Smith, Glenda Baum, Judith Scott, Carla Murphey, Pam Garrison, Becky London and Denise Strange. Receiving seven-year awards were Francis Burrus, Rose Dupnik, Ernestine High, Helen Ann Lesly, Hilda Garza, Romona Boldon, Sabra Hacker, Darryl Thomas, Stacy Lea, Donna Brynat, Laurie Higgins and Laura Clark.

Others receiving seven-year awards were Bonnie Day, Cindy Barrett, Micki Merritt, Frankie Wells, Melinda Gonzales, Annette Gooch, Carolyn High, Linda Mendez, Renee Inman, Elizabeth Phillips and Sandra Finley.

Mrs. Lewis Lea received a special award for her ten years of service as a Camp Fire leader.

Awards were given to Blue Birds and Camp Fire Girls for achievement in the organization's annual Candy Sale, with awards going to girls selling as many as 24 boxes or more.

Shelley Richie, Nerissa Willis and Hope Arellano were Blue Birds receiving awards for selling 100 boxes. Michelle Connally, Melanie Peeler, Livinia Bone, Carol Hinojosa, Dianna Moreno, Amanda Tijerina, Tereasa Carr, Laurie O'Rand, Peggy Miller, Cristi Tyler and Sandra Davis

received awards for sale of 48 boxes in the Blue Bird group.

Also Sandra Corrado, Berna Gamez, Glenda Rusher, Rita Collins and Marcia Crowley.

Blue Birds selling 24 boxes were Shannon Evers, Melodi Moore, Holly McNeese, Pennie Bane, Julie Touchstone, Suzanne Hulse, Una Hamby, Connie Walterscheid, Melissa Brewer, Elaine Reinart, Carla Baxter, Beverly House, Sherri Ellis, Carrie Block, Eva Jonsson, Susie Gilliland, Tina Watson, BBrenda Lindsey, Barlene Stovall, Kathy Feland, Juanita Bryan, Jan Burns, Tracy Adams, Michelle Axe, Dinah Short, Sandy Evers, Kerri Cardinal, Linda Sermeno, and Becky Guerrero.

Dawn Residents Get Designation

The Dawn Community Association has recently received a charitable designation from the Internal Revenue Service, according to Wallace Shelton, Jr., president of the association.
 "The charitable designation means that when anyone contributes to the association, they can deduct the amount from their taxes," Shelton said.
 "We are starting our own fire department now, with a truck being given by the county commissioners and other equipment being donated by S.L. Garrison et al to George F. Forney et ux, two tracts and parcels situated in Deaf Smith Co.
MARRIAGE LICENSE
 Delio Almanzan and Mary R. Ramirez, March 9.

members of the Dawn community," Shelton stated.
 "The largest project planned by the association is the raising of funds to construct a community building. Plans for the construction of a building to house the fire station with kitchen and restroom facilities and stage area, are now in the making.
 Various clubs in the dawn community have been using the old school building for their meetings. The Dawn Lions Club, Dawn Home Demonstration Club and Dawn Music Club will have several fund raising events with proceeds going to the construction of the building.
 "Hopefully in two years we will have enough money—an estimated \$25,000—to begin construction of the building," Shelton said.

NOTICE TO ALL PERSONS HAVING CLAIMS AGAINST THE ESTATE OF C.C. ACKER, DECEASED

Notice is hereby given that original Letters Testamentary upon the Estate of C.C. Acker, Deceased, were issued to me, the undersigned, on the 12th day of March, 1973, in the proceeding indicated below my signature hereto, which is still pending, and that I now hold such Letters. All persons having claims against said estate, which is being administered in the County of Deaf Smith, are hereby required to present the same to me, respectively, at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by law. My residence and mailing address is 3116 W. 27th, Apt. 214, Amarillo, Texas 79106, being in the County of Potter, State of Texas.

DATED this 12th day of March, 1973.
 Mary Ann Acker Carroll, Independent
 Executrix of the Estate of C.C. Acker, No. 2353 in the County Court of Deaf Smith County, Texas

Legal Notice

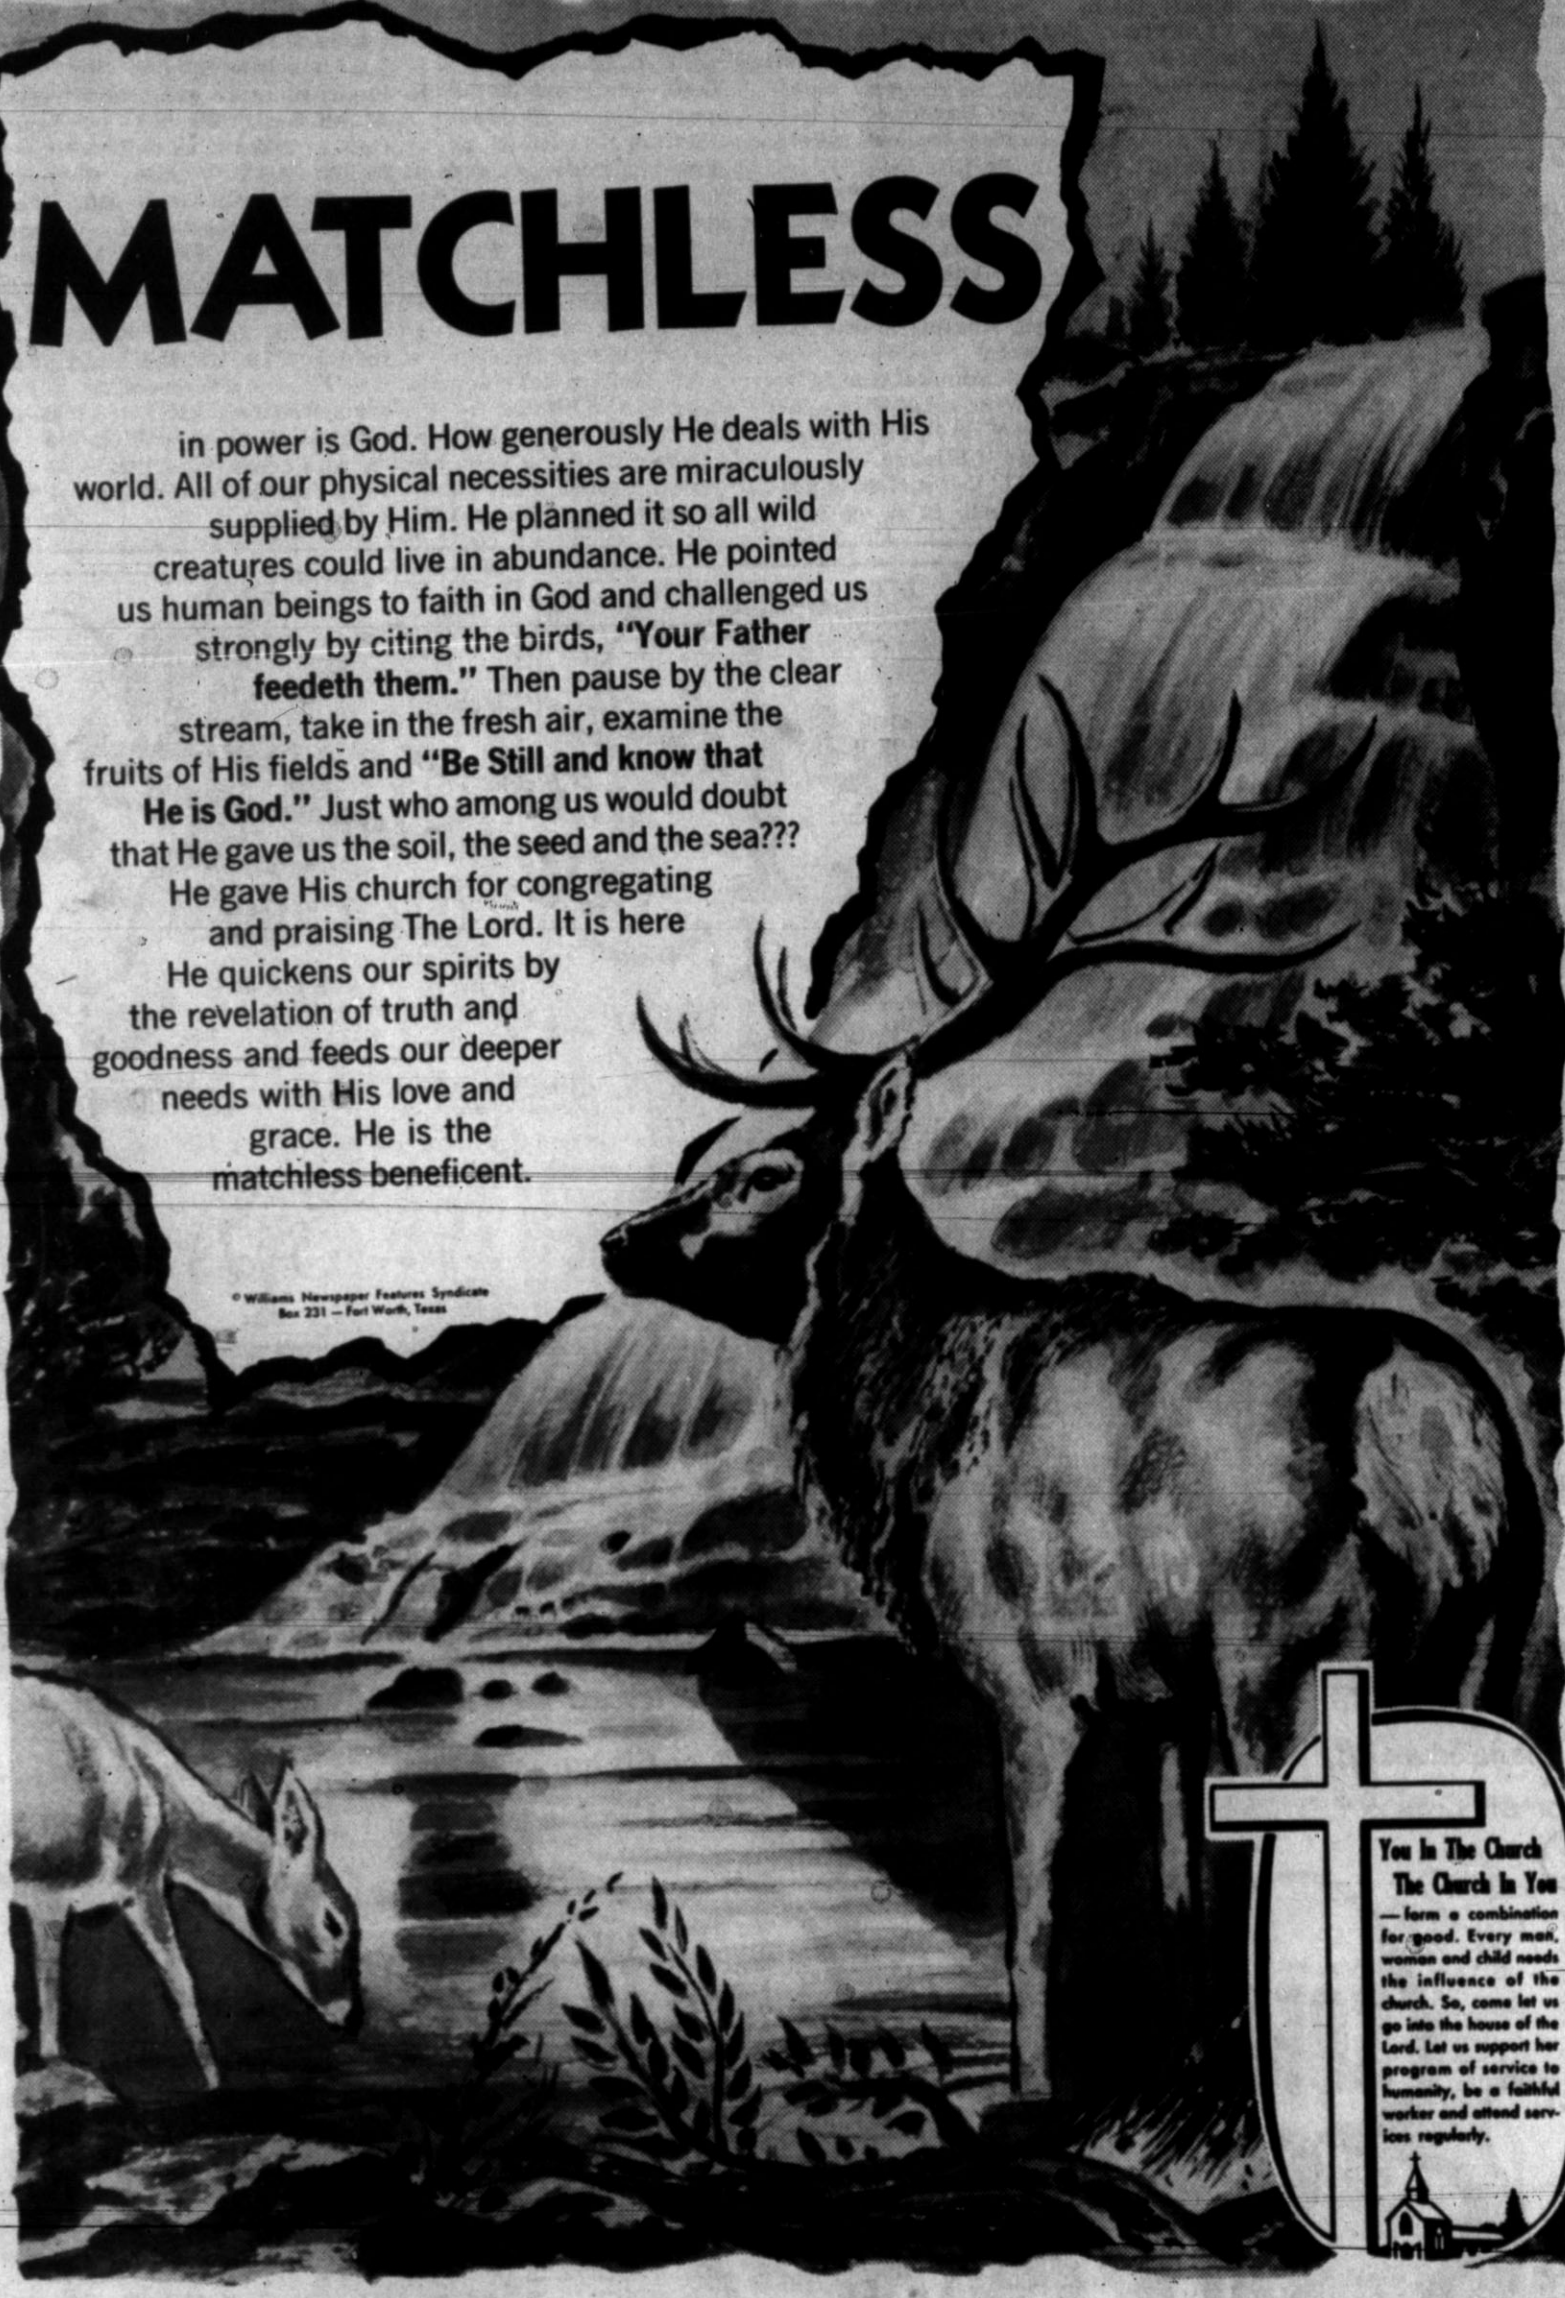

Notice is hereby given by the Parks and Wildlife Department that a public hearing will be held at 10 A.M. on March 26, 1973 at the County Courthouse at Hereford for the purpose of gathering information concerning proposed hunting, fishing and trapping regulations for Deaf Smith County.

As the result of action by the Texas Legislature, the Texas Parks and Wildlife Commission is responsible for the setting of seasons, bag limits, and means and methods of taking the wildlife resources in Deaf Smith County. All interested persons are urged to attend and comment upon the proposed regulations.

For God So Loved The World

MATCHLESS

in power is God. How generously He deals with His world. All of our physical necessities are miraculously supplied by Him. He planned it so all wild creatures could live in abundance. He pointed us human beings to faith in God and challenged us strongly by citing the birds, "Your Father feedeth them." Then pause by the clear stream, take in the fresh air, examine the fruits of His fields and "Be Still and know that He is God." Just who among us would doubt that He gave us the soil, the seed and the sea?? He gave His church for congregating and praising The Lord. It is here He quickens our spirits by the revelation of truth and goodness and feeds our deeper needs with His love and grace. He is the matchless beneficent.

Youth Award Is Made As Youth Protests Studied

An annual award to a young Hereford musician was the chief item of business for Music Study Club Monday afternoon, while program interest centered in young America's protest music of the early 1960's.

Kathy Emerson was announced as winner of the club's \$100 scholarship this year as Mrs. Wayne Thomas reported action of the scholarship committee. Miss Emerson is a clarinetist and a Hereford High School senior, who plans to attend West Texas State University for study with a minor in music.

She will be invited to perform on the club program when Student Day is observed at the next meeting, April 9, in the home of Mrs. D.W. Palmer.

Representation at the state convention of Texas Federation of Music Clubs, with a member appearing on program, and club assistance at some local events this spring were planned also, at the meeting in Mrs. W.T. Carmichael's home with Mmes. Bill Bradley and C.J. Mountz as co-hostesses.

It was announced that Mrs. Wesley Gulley, a club member, will sing for the TFMC convention to be held in Fort Worth next Wednesday and Thursday, and will serve as

representative artist from First District as well as her club's delegate.

Mrs. Palmer will also go from the Hereford club to the convention.

A pianist from the club Mrs. J.C. McCracken, will play for a style show at Kings Manor April 4 at the request of the sponsoring organization, Church Women United. Also, the club has been asked to supply background music for a style show for CowBelle's Club members Tuesday.

Members volunteered for duty in furnishing transportation for Kings Manor residents for shopping trips each Tuesday and Thursday in April.

Mrs. A.J. Schroeter introduced the program on popular American music of the 60's which departed from the once-prevalent theme of love to protest political, social and sexual customs and reveal the antipathy of some young Americans for American institutions.

She cited the influence of popular singers with serious things to say, such as Joan Baez, Bob Dylan and even Elvis Presley and the Beatles, often with songs presenting politicians or policemen as

"villians" and the poor as "heroes".

Mrs. Schroeter also sketched the career of William Marsh, composer of the official state song, Texas Our Texas, to introduce a group of songs by Texas composers sung by the club chorus with Mrs. Joe Hacker as accompanist.

In addition to the state song the group included Invocation (Smith) and Prayer (Gulon). Songs from the "protest" period made up the remainder of the program. Mmes. Buddy Peeler and Lynton Allred sang Which Way America and Blowin' In The Wind.

Mrs. Allred presented as a solo, I Don't Know How To Love Him, and joined Mrs. Mack Cansler to sing What The World Needs Now. A solo by Mrs. Allen Cansler was MacArthur Park. Mrs. Thomas played all the accompaniments.

The final number was by the club chorus, I'd Like To Teach The World To Sing. The entire group sang the National Federation of Music Clubs' hymn of the month, O Sacred Head (Bach), with Mrs. Schroeter as pianist.

Present, in addition to those already mentioned, were Mmes. W.E. Dameron, Tom Burdett, Paul Lyons, Bill Devers, Ellis Coombes, Joe Reinauer Sr., Steve Clements, Wes Fisher, Dale Young, J.R. Allison, T.W. Roberson and S.O. Wilson and Miss Frances Dameron.

Calendar Of Events

Seminar For Women Set

Business women interested in a seminar to be held at the Yum-Yum Tree Restaurant at Canyon Saturday, sponsored by the National Secretaries Association are invited to attend the session along with members of the association.

Three speakers will be featured on the program, on as many topics. Dr. Albert R. Mitchell, professor of accounting at West Texas State University, will conduct the session on The Federal Tax Scene and You.

A WTSU history professor, Dr. Charles R. Townsend, has the topic, What Then Is The American, This New Man? Sharon Brown of the woman's service department of First National Bank of Amarillo, is speaker on Operations In Banking And Business.

The seminar is scheduled from 8:30 a.m. to 1:45 p.m. Saturday, with lunch to be served at noon. The registration fee, which includes lunch, is \$6, or for students \$3.

Club Convention Duties Planned

A share in hostess duties for the spring convention of Top of Texas District, Texas Federation of Women's Clubs, falls to Pioneer Study Club this year, and members planned Tuesday to make favors for one of the luncheons.

The convention will be held in Canyon April 6 and 7. Federated clubs of Hereford will assist in entertaining delegates and visitors from over the Panhandle.

Miss Roberta Campbell, Pioneer Club president, attended a planning session at Canyon Friday and gave a report on it to members.

club's annual build sales. Members voted to conduct the sale again to raise funds and also help beautify the city.

Club project of the month was payment of dues in Deaf Smith County Historical Society; Mrs. Werner received these dues from the members present.

Others at the luncheon were Mmes. John Winder, Henry Neely, R. L. Wilson, Frank Ball, P. B. Sowell, L. H. Lookingbill Sr., Mary Siegler, Allen Bell, A. L. Manjeot, J. V. Pickens, Herman Ford, Ted Panciera, Henry Hastings and H. E. Miller.

SATURDAY NIGHT LIVE ENTERTAINMENT

The CAISON HOUSE
Hwy. 60 & 385

The March luncheon was at Hereford Country Club with Mmes. Ray L. Johnson, Paul Rudd and Bess Werner as hostesses. They decorated tables with spring flowers and emblems of St. Patrick's Day.

A visual tour of Washington, D. C. was presented in slides for the program. Mrs. William Wimberley, a club member, commented on views pictured during a visit she made to the capital city.

She was assisted by her son, Bill, who operated the projector showing scenes in less familiar spots in Washington as well as the government buildings, monuments and parks which are better known.

Mrs. Tandy Legg introduced the program with brief sketches of background information on the site of national government.

The American's Creed, a statement which won a competition in the house of representatives early in this century, was recited by Mrs. W. C. Hromas as a preface to the program. The invocation was by Mrs. Wirt Phillips.

Among committee reports was one by Mrs. Ralph McCullough on final results of the

Sheriff Speaker For Newcomers

Half a dozen new residents of Hereford attended for the first time a luncheon of the Newcomers' Club Tuesday at Community Center, where Sheriff Travis McPherson was the speaker.

Introduced as new members were Mrs. Otis Johnson, who came to Hereford from Clovis; Mrs. Earl Yocum, from Miami, Fla.; Mrs. R.E. Simpson, from Lubbock; Mrs. Roger Gregory, from Ft. Morgan, Colo.; Mrs. Homer Yocum, from Detroit, and Mrs. James Wardle from East Texas.

The Deaf Smith County sheriff discussed drug problems as they relate to this area. He stressed parental training of children while they are young, warning against the indiscriminate use of drugs as medicine for trivial ills so that children accept reliance on drugs as a normal thing. Members present signed a congratulatory card to present to Mrs. Paul Hoff, lately named County Home Demonstration Club Woman of the Year and this week selected as Good

Neighbor of the Day by radio station KPAN. Mrs. Hoff cares for member children during newcomers meetings.

A part of the meeting time, as is customary at these monthly luncheons, was spent informally to allow members and visitors to become better acquainted. The meetings are open to all women new in the community, whether or not they wish to become members.

The March business meeting of the club will be held at 7:30 p.m. today in the home of Mrs. Ron Bridges, president, at 237 Ave. B.

Community Calender

PERU DISASTER
A Brazilian Varig Boeing 707 jet crashed and burned in Lima, Peru, killing 97 people on Nov. 27, 1962.

Murder Drama Is Slated For HCP LeGrand Tabbed By Winnebago

The spring production of Hereford Community Players, Dial M For Murder, was tentatively scheduled for April 13 and 14 and readings for the cast were set for Sunday and Monday, at the monthly board meeting of the Players Monday evening.

The murder mystery, originally planned for last fall but postponed by cast dropouts, will be directed by Kay Claypool. She has announced readings for part assignments at 2:30 p.m. Sunday and 7:30 p.m. Monday in the parish house of St. Thomas Episcopal Church.

Slated for the last week in this month, the annual membership dinner of Community Players

was planned by board members. The exact date will be announced when it can be arranged at Community Center, where a catered dinner will be served.

Presentation of Dial M For Murder will follow the recent comedy, Come Blow Your Horn, one of the Players' best efforts judged by audience reaction.

Board members hope it can be staged in the same location, the building in Sugarland Mall formerly occupied by the Yardstick. Dates coincide with the annual Community Fine Arts Festival in Hereford.

Leading characters in the tense drama are four men, who may vary in age from about 25 to 50 years, and a woman about

30 years old. Other actors are also required in bit roles. Any interested resident of this area is invited to try for one of the parts.

Louis LeGrand Jr.

Louis L. LeGrand Jr., a Hereford native, has joined Winnebago Industries, Inc., as a district sales manager, it was announced by Paul F. Tubridy, general sales manager.

In his new position, LeGrand will be responsible for the overall sales of Winnebago's full line of recreational vehicles in Oklahoma and Kansas.

A graduate of West Texas State University, LeGrand holds a Bachelor of Science degree.

Before joining Winnebago, LeGrand worked as a District Sales Manager for the Buick Motor Division of General Motors.

Officers In 4-H Leaders Club Named

Officers for Deaf Smith County 4-H Club Teen Leaders were elected during a recent meeting.

Sandra Stallings was named president; Ricky Coleman vice-president; Carmela Burges reporter; Kim Simpson secretary; Shelly Scott treasurer and Kevin Douglas council delegate.

Members discussed future projects of the club and volunteers chose the projects they would work on. It was also decided that the club would meet quarterly. Chris Marnell presided.

Members present were Sam Finley, Sandie Finley, Annette Cotten, Diane Ward, Britt Hicks, Wes Strain, Randy Coleman, Tom Marnell, Frank Blackwell, Kathy Vogel, Jimmy Foster and the officers-elect, also the county 4-H directors, Joyce Shipp and Robert Devin.

Growing Gardens Is Club Subject

Mini-Gardens, in which vegetables may be grown for the home table in little space, were discussed by Mrs. U. V. Pierce as she spoke to West Hereford Extension Club Tuesday afternoon. She advised watering gardens in the morning hours.

The club met in Pioneer Gas Flame Room, with Mrs. Louis Keyser as hostess. Mrs. E. M. Cox read verses titled You Tell On Yourself, to open the program. Mrs. Roy Boyd received the hostess gift.

Others present were a guest, Mrs. Adam Flowers, and Mmes. D. R. Grimes, D. W. Allmon, Blanche Hardin, W. A. Waters, and Miss Evelyn Bell.
