One-Day UF Campaign Tuesday

\$23,632 Goal For 8 Groups

Hundreds of volunteer workers will fan out over Hereford and Deaf Smith County Tuesday for the 1960 United Fund Drive.

Goal for the one-day campaign is \$23,632.60. Area chairmen for the drive will gather at 7 a.m. Tuesday at the Jim Hill Hotel for breakfast and the official campaign kick-off. A short talk on United Fund will be given by Robert Blackburn of Amarillo, field representative for the Panhandle chapters of the American Red Cross.

Hereford Boys Hurt In Crash

Two Texas Tech students of Hereford were injured, neither seriously, in a one-car accident in Lubbock Friday morning. Injured were George Heard Jr., 20, and Donnie Renfro, 19. They were riding in a car which hit a utility pole at the corner of 34th and Ave. X in Lubbock, according to investigating officers.

Heard, who lives at 4301-B 21st St. in Lubbock, was admitted to Methodist Hospital in Lubbock following the accident. He was listed in fair condition, and was being treated for lacerations and bruises about the body Saturday morning. Renfro, who lives in Dormitory 7 on the Tech campus, was dismissed from the hospital following emergency treatment.

The accident occurred at about 7 a. m. Friday.

Eight agencies, all local in nature, are included in the budget for 1961, as outlined recently by the budget committee of the Deaf Smith County United Fund organization.

General campaign director, this year is Lloyd Pool. He announced that funds and pledge cards should be returned to Mark Woodall in the First National Bank. After closing hours, Woodall will receive solicitors' reports in the bank's community room.

"We want to urge everyone in the county to contribute Tuesday when a volunteer worker comes," Pool said. "And remember that you are giving for eight agencies at one time, not just one." Agencies which are included in the budget this year are: Little League and Pee-Wee baseball, \$1050; Pony League baseball, \$1050; Hereford Commission on Alcoholism, \$400; Salvation Army, \$2600; Boy Scout \$5700; Red Cross, \$3380; Campfire Girls, \$3002.50; and Youth Employment Service, \$150.

The budget has been lowered \$500 from its original figure since the Texas Heart Association ordered all local chapters to withdraw from United Fund appeals.

Advance gifts committee, headed by Carl McCaslin and John Douglas Pitman, has been working for the past two weeks and will report at the Tuesday (Continued on page 3)

Residents Give Building, Break Ground Monday

Groundbreaking ceremonies for Allison-Conkright Hall, an eight-unit married students apartment being made possible by three Hereford residents, will be one of the highlights of Parents' Day at Wayland Baptist College in Plainview Monday.

The apartment, the third in an area planned for 10 such units, is being made possible by J. R. Allison of Hereford, a Wayland trustee, Mrs. Allison, and her mother, Mrs. H. G. Conkright of Hereford, a long time benefactor of Wayland.

Plans call for the completion of the apartment for the fall of 1961. It will contain four one-bedroom and four two-bedroom apartments equipped with refrigerator and stove. Utility rooms also provide laundry accommodations.

Groundbreaking and dedication are scheduled for 2:30 p. m. Dedication of Goodpasture and Collier Halls, other married student apartments, will also be on the day's agenda, in addition to groundbreaking for Owen Hall, a 100-unit residence hall (Continued on page 3)

Mrs. Simpson Dies In Car Wreck; Two Others Injured

Funeral services were still pending Saturday morning for a former Hereford woman who was fatally injured in a car-truck collision in Estelline early Friday morning.

Mrs. Ellen Simpson, 33, who resided 10 miles south of Hereford, was killed while she and her husband and their four children were headed for the State Fair of Texas in Dallas at about 12:30 a. m. Friday.

Her husband, M. L. Simpson Jr., 39, and daughter, Lisa Ann,

3, were to be transferred to Deaf Smith County Hospital in Hereford Saturday afternoon. Simpson was reported in good condition and the baby girl was listed in an improved condition at Childress General Hospital Saturday morning.

The baby suffered head injuries, scalp lacerations and bruises about the body, it was reported Saturday. Simpson sustained bruises and was to remain hospitalized for further observation. X-Ray studies of injuries were made at the Childress hospital all day Friday.

The accident occurred at the junction of U. S. Highway 287 and State Highway 86 inside the city limits of Estelline, according to Highway Patrol officer W. T. Thompson of Memphis.

Officer Thompson said the Simpson car, headed east on State Highway 86, hit a truck driven by John Kembrew Jr., 34, of Amarillo, which was reportedly travelling north on U. S. 287. The car hit the middle of the truck's semi-trailer when the car pulled into the "T" intersection, the officer said.

Escaping injury were other children of the couple, Mark L., 7, Carolyn, 11, and Patti, 8, and the driver of the truck. Funeral arrangements for Mrs. Simpson are pending at Glililand Funeral Home in Hereford.

The 1959 model car driven by Simpson was demolished. The (Continued on page 3)

Annual VFW Toy Drive Underway

An intensive pre-Christmas drive for repairable toys to be given to needy children in Deaf Smith County was started this week by Veterans of Foreign Wars 4818 in Hereford.

The eighth annual drive is being started early in order to allow adequate time for toy repairs prior to distribution, which will begin on Dec. 24. Persons having any repairable toys or parts of toys are asked to take them to any of the following collection stations in Hereford: Lawrence Cleaners, Lamm Jewelry, Jones Texaco Service and the Hereford Brand.

"We need to receive the toys as soon as possible so that we will have time to make necessary repairs before Christmas," said Wayne Lawrence,

a member of the VFW toy drive committee.

On Saturday, Oct. 29, the annual toy movie will be shown in cooperation with Star Theatre management. One or more toys will admit any child to the movie.

Toys will be repaired through Dec. 24 at the VFW Hall. Requests for toys should be made to Jewell Smith, Deaf Smith County Welfare worker. Last year about 575 needy children in this county received toys through the drive.

Repairs of toys and distribution will be carried out by VFW members in Hereford. Members of the drive committee include Lloyd Olson, post commander and chairman of the drive, John Green, L. H. Lookingbill and Lawrence.

Around Town

Had a nice chat Saturday morning with B. E. McKinley of Waco, who was back visiting. He lived here in 1906 and '07, working as a "cub" carpenter. "They said a house a day was being finished here in the fall of '06," he commented. He also had some old pictures, including one of the Hereford House, the town's first hotel, which stood at the corner of Third and Main.

Five members of the Hereford Rotary club went to Amarillo Friday for the District 573 Rotary golf tourney and returned with the big, first-place trophy. They are Russell Carver, Lefty Thomas, Johnnie Sims, Joe Kerr and Bill Davis. The Hereford golfers just barely edged out Dalhart, which had won the trophy the past three years. The tourney is held at Amarillo Country Club and sponsored by the Downtown Rotary Club of Amarillo.

Whiteface Booster Club will not meet Monday because of the open football date. They will resume their meeting on Monday, Oct. 24, at 8 p. m. in the Community Center.

South Plains Maid of Cotton entry blands now are available at the Deaf Smith County Chamber of Commerce. Any girl 19-25, at least five feet five inches tall, who has never been married, was born in a cotton-producing state, does not wear glasses and now lives in Deaf Smith County, is eligible to enter. Deadline for entering is Nov. 8, with the contest slated for Nov. 21 and 22. (Continued on page 3)

Banks, Savings Groups Show Sharp Increase In Deposits

A delay in the harvest of 1960 fall crops does not seem to have had adverse effects on the economic structure of Deaf Smith County as two Hereford banks and two savings and loan institutions earlier this month reported a sharp rise in deposits.

Second Offense DWI Case Filed

Harold Wright Livesay, 37, 323 Ave. D, was charged with driving while intoxicated, second offense, after arrest Wednesday by Texas Highway Patrol unit officers in Hereford. Bond for Livesay was set at \$1,000 Wednesday by Justice Of The Peace C. B. Miles. Livesay was arrested at 2:45 p. m. Wednesday on east Highway 60. Making the arrest were Highway Patrol officers Carol Parker and Charles Skinner.

Combined deposits for the First National Bank, Hereford State Bank, Hereford Texas Federal Credit Union and Hi-Plains Savings And Loan Association were reported at \$16,938,724.13 on Oct. 3 this year. That figure is a \$1,309,636.28 increase over the \$15,629,087.90 reported by the four institutions on Oct. 6, 1959.

An even sharper increase was noted over combined deposits reported on June 15 this year. On June 15, deposits totalled \$14,945,181.34, which is \$1,993,542.79 under the recent total. Deposits are expected to continue on the increase slope as harvest of grain sorghum, one of the main crops in this small grains producing area, has barely started due to heavy rainfall earlier in the growing season.

Total assets of the four institutions increased \$1,366,266.68 (Continued on page 3)

Fine Three Men For Disturbance

Three Hereford men were fined in Corporation Court Thursday after they entered pleas of guilty to charge of disturbance.

Charged were: William D. Matthews, 37, 442 Noble St., fined \$50; Kenneth Price, 20, 125 Ave. I, fined \$35; and LeRoy Almos Harris, 23, 325 Ave. B, fined \$35.

The three were allegedly involved in an affray with three other boys, according to Hereford police. They were arrested Wednesday at about 8 p. m. at Fifth and Sampson streets, police said.

Making the arrests was Hereford police Capt. L. B. Bartlett. Presiding in court was Judge Henry Benson.

Honor Society Initiation Set For Monday

Initiation of new members to Hereford High School's National Honor Society, a scholastic organization formed here last year, will be conducted before the student body Monday morning.

The formal ceremony will begin at 10:45 a. m. in the high school auditorium. Fourteen members will be initiated after their names are revealed Monday morning.

Honor Society president Ronnie Botkin will conduct the initiation. All interested persons are invited to attend, according to co-sponsors Mrs. Roy Calvert and Miss Delores Wall, teachers at Hereford High.

United Fund Agencies Aid Thousands In This Country

BY H. A. TECK BRAND NEWS EDITOR

When you write out a check, donate cash or sign a pledge card for the United Fund, where does the money go? What is it used for? Whom does it help? It actually goes into a special account for the Deaf Smith County United Fund. It is paid out to the right participating agencies as it is needed, according to budgeted needs.

One group, the Hereford Athletic Club, this year made no request for funds since it had enough left over from previous years to operate during 1961.

Here is where and how your money is used:

American Red Cross Budget allocation for the Red Cross program in the county is \$8380. One of the strongest programs of this organization is the water safety program. During the past year 515 persons enrolled in the water safety program. More than 5000 volunteer hours have been devoted to the 1800 enrollees in the last three years.

Eight qualified instructors taught more than 300 persons first aid techniques. More than 35 persons are being taught nursing services by two qual-

ified instructors. The Red Cross assists eight women who make up the Motor Corps, serving during disasters and fires. Seven women and two juniors are enrolled in the Grey Lady program, which

Hereford High Choir At ENMU Clinic Saturday

The 61-voice Hereford High School Mixed Choir was the only choir from Texas represented at a musical festival conducted on the campus of Eastern New Mexico University in Portales, N. M. Saturday.

Under the direction of Don Moore, the singers participated in the one-day clinic with choirs from Roswell, Eunice, Clovis, Portales, Lovington, Carlsbad and Tucuman.

The clinic's choir clinician was Dr. Clayton Kriebel, director of choirs at Kansas State University. Each of the participating choirs sang under direction of Dr. Kriebel Saturday morning.

helps at the V.A. hospital and the Air Force hospital in Amarillo and maintains bookmobile service at the county hospital. Along with these and other services, the chapter maintains all the mandatory services demanded. These include Home Service, Disaster Service, and Public Information.

Only the executive secretary, Mrs. Corinne Neeley, is paid for her work in the county Red Cross. All other work is done by volunteers. Expenses include cost of sending persons to training schools. All services of the Red Cross are given free of charge.

Council on Alcoholism Formed just slightly more than one year ago, the Deaf Smith County Council of Alcoholism has been authorized \$400 by the United Fund. This group, neither wet nor dry, seeks to inform the public about alcoholism as a disease.

During the past 10 months it has given programs to 28 different groups and handed out about 4,500 pieces of literature. During the same period, attendance at the Alcoholics Anonymous meetings has risen from 5 to 8 to about 28. The council has no connection with AA, but does refer persons to it.

This summer, 12 persons from Hereford attended an annual In- (Continued on page 3)

City To Ponder Gas Rate Hike

A general rate increase for gas service in Hereford is expected to be discussed during City Commission meeting Monday night.

The Commission meets at 7:30 p. m. in the City Hall. Increase of about 10 per cent is being sought by Pioneer Natural Gas Company. The same increase is being sought by the company in other cities it serves in the area.

The company has had four rate reductions, the latest in 1940. Only general increase in rate was granted in 1951. An increase only in the minimum bill, from \$1.25 to \$1.50, was authorized in 1957.

The increase, if granted, also would boost the minimum rate from \$1.50 to \$1.65. Petition for the increase was made recently in a letter from C. I. Wall, company president, to Mayor Woodrow B. Wilson.

Pony League Baseball

This summer program for boys 13 and 14 includes four teams playing 18-game schedules during the summer. About 70 boys take part in the program, with 25 men donating their services to the program. Mothers of the players operate a concession stand. This past summer, Hereford was host for area and district Pony League tournaments, with the local team winning the area title. Restrooms were built at the park prior to the start of the first tournament.

Little League Baseball

This program was granted \$1050 by the United Fund. It provides summer recreation for about 300 boys. It includes four major league teams, six minor league teams and six Pee Wee league teams, taking in boys from 9-12 years of age. More than 50 men voluntarily give their time to the program, as do mothers of the players.

The Hereford Little League All-Stars went to the state semifinals in 1957, the state finals in 1959 and won the area crown in 1960.

Salvation Army

This group was allocated \$2,600 to carry on its program of work to those who need aid.

Operated locally by volunteer, unpaid workers, it provides financial aid for those in distress.

Ordinarily, it functions to aid those who do not qualify for aid under county welfare. It also assists in providing relief for its expenditures must be approved by two or more of its board members.

Youth Employment Service

YES has been approved for \$150 from the United Fund. This is a clearing house for those youth who want summer employment, usually temporary in nature, and those seeking persons to work.

Teen-age boys and girls make application for jobs. They are sent out as jobs are made available. The money from United Fund is used to pay telephone, printing and office help. During its two summers of operation, it has filled hundreds of job requests. Office space is given to YES by the City of Hereford.

Boy Scouts

A \$700 allocation has been approved for the Boy Scouts. Currently there are 11 Scout units in the County, including two Explorer Posts, six Scout Troops and three Cub Scout Packs.

About 600 boys are enrolled in one of the Scout programs now, out of a potential of about 1200 boys of Scout age in the County. More than 100 adults donate their time to the program, which takes in boys from nine through 18 years of age.

The County Council currently is trying to organize Scout units at Dawn and Walcott. A full-time executive for the District will arrive in Hereford about Nov. 1 to take over supervisory Scout duties.

During the past summer, many scouts attended camps at Camp Don Harrington and elsewhere. Eleven Scouts and two leaders from Hereford also attended the fifth national Scout Jamboree in Colorado.

Camp Fire Girls

This organization, approved for a budget of \$3002.50, is for girls from 7 through 18 years of age. Currently, there are 204 girls and 90 volunteer adult leaders enrolled in the program which provides training and outdoor experiences.

One of the oldest service groups in the area, Camp Fire Girls organized in Hereford in 1928 with one group of girls and one leader.

Mrs. Phillip Barkley, executive secretary, is the only paid worker in the county Camp Fire Girl organization.

This, then, shows how your donations to the United Fund are used. By affiliating with United Fund, these groups pledge themselves to submit their budgets for inspection and to conduct no other fundraising projects. They depend upon public donations to the United Fund for their continued work.

The Rev. W. L. Sims of Ennis, Tex., has assumed pastorate of the Church of God in Hereford. He succeeds the Rev. C. E. Goodman. Reverend Sims invites the public to attend the Sunday services: Sunday School at 10 a. m., morning worship at 11 a. m., and the evening service at 7:30 p. m. The Church is located at 13th and Avenue H.

Monday evening the City Commission will meet in regular session. Time is 7:30 p. m., with the group convening in the City Hall. Gas rate increase request is top item on the agenda.

County chairman of CROP (Christian Rural Overseas Program) Hugh Clearman urges everyone to turn in their commodities or fund in the near future. The county is trying to get enough to purchase a carload of rice.

The Texas CROP plans to dedicate ten carloads of rice soon to be shipped out of New Orleans for relief of starving thousands in Hong Kong. Clearman also said that the school leaders had everything organized for the annual trick-or-treat drive for CROP on Halloween, Oct. 31.

Despite the most unfavorable weather, we saw a huge throng of people downtown in Hereford Saturday. And the Appliance Fair seemed to have a good number of visitors, also.

We've said it and said it, but here it is again: Give generously Tuesday, Oct. 18, when a United Fund volunteer calls on you. Remember that the activities of eight agencies depend upon each one of us giving enough.

Football coach Bobby Williams has been working his boys hard all week. They have four more days of practice before diving into four weeks of District 1-AAA action. And the "Little Southwest Conference" looks as rugged as ever. Phillips is undefeated. Hereford has lost one. Dumas and Littlefield have lost two and Leveland has lost three. From that, just try to pick a winner. Phillips is the likely choice, but the favorite seldom wins in this district. All we can decide is that the Whitefaces have their work cut out for them for the coming four Friday nights.

Eight groups joined together symbolized by a red feather. Support them the United way and dig down deep on Tuesday!

The Hereford High Mixed Choir, under the direction of Dr. Kriebel, presented "Kyrie Eleison" by Dietrich during the morning and joined the other schools in the afternoon for a mass choir rehearsal.

A concert was scheduled to be presented Saturday evening in the new ENMU gymnasium.

Mass choir selections included: "Oh Lemuel," arranged by Wagner; "The Last Words of David" by Thompson; "Oh My Love" by Luboff; "Blessing, Glory and Wisdom" by Bach; "He Watching Over Israel" by Mendelssohn; and "Fum Fum Fum" by Hariston.

Morning sessions were held in the Music Building on the campus. The visiting clinician was a member and soloist of the Robert Shaw Choral before becoming choir director at KSU.

The Hereford High Choir left at 7:30 a. m. Saturday and was scheduled to return immediately after the evening concert.

HEREFORD'S OLDEST APPLIANCE DEALER

DON'T FLIP YOUR WIG shelling out endlessly, advises the UF clown. He urges that you give your donations the United way. Your single gift on Tuesday, Oct. 18, will help support eight local agencies during 1961. With his antics on Main Street, he will be reminding the public that you don't have to stand on your head . . . just dig down and give Tuesday to the United Fund. (Staff, Photo)

Fund...

stitute on Alcohol Studies in Austin. Last week it sponsored public appearances by the Rev. Clinton Kersey of Austin.

Pony League Baseball
This summer program for boys 13 and 14 includes four teams playing 18-game schedules during the summer. About 70 boys take part in the program, with 25 men donating their services to the program. Mothers of the players operate a concession stand. This past summer, Hereford was host for area and district Pony League tournaments, with the local team winning the area title. Restrooms were built at the park prior to the start of the first tournament.

Little League Baseball
This program was granted \$1050 by the United Fund. It provides summer recreation for about 300 boys. It includes four major league teams, six minor league teams and six Pee Wee league teams, taking in boys from 9-12 years of age.

More than 50 men voluntarily give their time to the program, as do mothers of the players. The Hereford Little League All-Stars went to the state semifinals in 1957, the state finals in 1959 and won the area crown in 1960.

Salvation Army
This group was allocated \$2,600 to carry on its program of work to those who need aid.

Operated locally by volunteer, unpaid workers, it provides financial aid for those in distress. Ordinarily, it functions to aid those who do not qualify for aid under county welfare. It also assists in providing relief for its expenditures must be approved by two or more of its board members.

Youth Employment Service
YES has been approved for \$150 from the United Fund. This is a clearing house for those youth who want summer employment, usually temporary in nature, and those seeking persons to work.

Teen-age boys and girls make application for jobs. They are sent out as jobs are made available. The money from United Fund is used to pay telephone, printing and office help. During its two summers of operation, it has filled hundreds of job requests. Office space is given to YES by the City of Hereford.

Boy Scouts
A \$7000 allocation has been approved for the Boy Scouts. Currently there are 11 Scout units in the County, including two Explorer Posts, six Scout Troops and three Cub Scout Packs.

About 600 boys are enrolled in one of the Scout programs now, out of a potential of about 1200 boys of Scout age in the County. More than 100 adults donate their time to the program, which takes in boys from nine through 18 years of age.

The County Council currently is trying to organize Scout units at Dawn and Walcott. A full-time executive for the District will arrive in Hereford about Nov. 1 to take over supervisory Scout duties.

During the past summer, many scouts attended camps at Camp Don Harrington and elsewhere. Eleven Scouts and two leaders from Hereford also attended the fifth national Scout Jamboree in Colorado.

Camp Fire Girls
This organization, approved for a budget of \$3002.50, is for girls from 7 through 18 years of age. Currently, there are 204 girls and 90 volunteer adult leaders enrolled in the program which provides training and outdoor experiences.

One of the oldest service groups in the area, Camp Fire Girls organized in Hereford in 1928 with one group of girls and one leader.

Mrs. Phillip Barkley, executive secretary, is the only paid worker in the county Camp Fire Girl organization. This, then, shows how your donations to the United Fund are used. By affiliating with United Fund, these groups pledge themselves to submit their budgets for inspection and to conduct no other fundraising projects. They depend upon public donations to the United Fund for their continued work.

The Rev. W. L. Sims of Ennis, Tex., has assumed pastorate of the Church of God in Hereford. He succeeds the Rev. C. E. Goodman. Reverend Sims invites the public to attend the Sunday services: Sunday School at 10 a. m., morning worship at 11 a. m., and the evening service at 7:30 p. m. The Church is located at 13th and Avenue H.

Monday evening the City Commission will meet in regular session. Time is 7:30 p. m., with the group convening in the City Hall. Gas rate increase request is top item on the agenda.

County chairman of CROP (Christian Rural Overseas Program) Hugh Clearman urges everyone to turn in their commodities or fund in the near future. The county is trying to get enough to purchase a carload of rice. The Texas CROP plans to dedicate ten carloads of rice soon to be shipped out of New Orleans for relief of starving thousands in Hong Kong. Clearman also held that the school leaders had everything organized for the annual trick-or-treat drive for CROP on Halloween, Oct. 31.

Despite the most unfavorable weather, we saw a huge throng of people downtown in Hereford Saturday. And the Appliance Fair seemed to have a good number of visitors, also.

We've said it and said it, but here it is again: Give generously Tuesday, Oct. 18, when a United Fund volunteer calls on you. Remember that the activities of eight agencies depend upon each one of us giving enough.

Football coach Bobby Williams has been working his boys hard all week. They have four more days of practice before diving into four weeks of District I-AAA action. And the "Little Southwest Conference" looks as rugged as ever. Phillips is undefeated, Hereford has lost one, Dumas and Littlefield have lost two and Leveland has lost three. From that, just try to pick a winner. Phillips is the likely choice, but the favorite seldom wins in this district. All we can decide is that the Whitefaces have their work cut out for them for the coming four Friday nights.

Eight groups joined together symbolized by a red feather. Support them the United way. And dig down deep on Tuesday!

Sowell, 13th Street north to city limits and from Highway 385 east to the city limits; Mrs. Ben Childers, south Highway 385 south of the underpass; worker needed from south of the creek to Austin Road.

Following individual site assignments have been made: Mrs. Henry Aycock, Deaf Smith County Hospital; Schools (adults only), all principals; Dudley Bayne, City Hall; Mrs. Corinne Neeley, Courthouse; Owen Stagner, Post Office; and Mrs. Max Stipe, Hereford Clinic.

Rural chairmen include: Mrs. Herschel Burrus, Bootleg, Messenger and Walcott; Mrs. Ira Ott, Wyche; Miss Roberta Campbell, southeast of Hereford; Tandy Legg, north Hereford; Mrs. Kenneth Rudd and Mrs. George Turrentine, Westway; Mrs. L. P. Carmichael, Progressive; worker needed at Frío; worker needed at Ward; Mrs. Donald Hicks, west Ford community; Mrs. E. A. Edward east Ford community; Mrs. Wylie Roberson, northeast of Hereford; Mrs. Ray Johnson, southeast of Hereford; Mrs. Jack Gilliland, west of Hereford city limits; Ray Polan, Dawn; Mrs. E. L. Brown, far northwest part of the county.

Pool pointed out again that persons who desire to do so may specify that all or a certain portion of their donation be given to a particular group within the United Fund organization.

automobile is owned by J. R. Simpson, 113 Star, brother of the injured man.

The semi van driven by Kembre is owned by Merchant Truck Lines, with headquarters in Abilene.

The three-year-old girl had been reported in serious condition at the Childress hospital Friday, but her condition had improved Saturday morning. Attendants reported Simpson sustained no bone fractures.

Both were taken to the Childress hospital by private automobile. The other children of the couple were examined in hospital and released.

Mrs. Simpson, the former Ellen Louise Posey, was born Feb. 23, 1927, in Hereford. Her parents are Mrs. E. B. Posey Sr. of Hereford and the late Mr. Posey.

She lived on Star Route, Dimmitt, 10 miles south of Hereford on U. S. 385. The family moved to that home recently from Hereford. She was a member of the Presbyterian Church in Dimmitt.

She was married to M. L. Simpson Jr. on Nov. 26, 1948, in Hereford. She was a lifelong resident of this area. Survivors include her husband; three daughters, Carolyn, 11, Patti, 8, and Lisa, 3; a son, Mark L., 7; her mother, Mrs. E. B. Posey Sr. of Hereford; four brothers, J. M. and Clyde (Bud) Posey of Hereford, the Rev. A. R. Posey of Big Spring and E. B. Posey Jr. of Austin; and two sisters, Mrs. Laverne McMinn of Summerfield and Mrs. Mary Roberson of Amarillo.

The Hereford High Mixed Choir, under the direction of Dr. Kriebal, presented "Kyrie Eleison" by Dietrich during the morning and joined the other schools in the afternoon for a mass choir rehearsal.

A concert was scheduled to be presented Saturday evening in the new ENMU gymnasium.

Mass choir selections included: "Oh Lemuel," arranged by Wagner; "The Last Words of David" by Thompson; "Oh My Love" by Luboff; "Blessing, Glory and Wisdom" by Bach; "He Watching Over Israel" by Mendelssohn; and "Fum Fum Fun" by Hariston.

Morning sessions were held in the Music Building on the campus. The visiting clinician was a member and soloist of the Robert Shaw Choral before becoming choir director at KSU. The Hereford High Choir left at 7:30 a. m. Saturday and was scheduled to return immediately after the evening concert.

SUMMERFIELD NEWS

Luncheon For New Officers

By MRS. KENNETH CRISTIE

Faithful Workers Class met Oct. 7 at 1 p. m. at the Summerfield Baptist Church for a luncheon. Mrs. Bob Noland, Mrs. Jamie Clearman, Mrs. Wayne Lee, Mrs. Charles Jack, and Mrs. Kenneth Christie served as hostesses.

Harvest was used as a decorating theme, with the tables adorned with flowers arranged in pumpkin shells and miniature pumpkins as place cards.

An installation of officers was held, with Mrs. Clayton Watkins presiding as installing officer. The new officers are Mrs. Charles Jacks, president; Mrs. Raymond Wiley, vice-president; Mrs. Jim Lookingbill, secretary; Mrs. Bob Noland, class monitor; Mrs. Roy Botkin, social chairman. After installing the officers, a handkerchief shower was given for Mrs. Gerald McCathern, who has transferred her membership to Westway.

Those attending were Messdames Gerald McCathern, Raymond Wiley, Cliff Almon, Charles Jacks, Wayne Lee, Bob Noland, Jim Lookingbill, Roy Botkin, Billy Bell, Billy Cotton, Ky Lawrence, Clayton Watkins, Kenneth Christie and Miss Mabel Cannon.

Mrs. Earl Lance fell one day last week and broke her foot. Guests in the home of Mr. and Mrs. Guy Walsler over the weekend were Mr. and Mrs. Duran Baker of Lubbock. Mrs. Baker is the Walsler's daughter.

Summerfield suffered quite a hail storm Wednesday afternoon. Farmers that were in the center of the hail damage were J. R. Euler, Guy Walsler, and Kenneth Christie. Bob Noland lost all his lettuce.

Mr. and Mrs. Robert Tiffany and son Bruce of Red River spent a few days in the home of Mr. and Mrs. J. R. Euler and Mr. and Mrs. Roy Euler.

Roy Euler was on jury duty last Monday at Farwell.

Mr. and Mrs. Lawrence Jackson were in Muleshoe Tuesday and Wednesday with his grandfather, who is in the hospital.

Those attending P. T. A. meeting at Central School Thursday afternoon were Messdames J. R. Euler, Kenneth Nell, Carlyle Sargent, and Betty Lookingbill.

Guests in the home of Mr. and Mrs. Kenneth Christie Sunday afternoon were Mrs. Christie's parents, Mr. and Mrs. W. J. Thomas of Hereford and her brother, Mr. and Mrs. Troy Thomas and family of Halfway.

Mr. and Mrs. J. R. Euler were in Amarillo Wednesday on business.

Mr. and Mrs. Kenneth Neil were in El Paso over the weekend.

Gerald McCathern and Kenneth were at Conchas Lake Tuesday.

Billy Mack Noland left Monday for Kansas City with the F. F. A. group.

Mr. and Mrs. L. B. Lookingbill, Mr. and Mrs. Guy Walsler and Mrs. Curry were in Dimmit Monday afternoon on business.

Guests in Mrs. Curry's home over the weekend were Mr. and Mrs. Ramon Roberson from Amarillo. Mrs. Leafy Scales of Lubbock returned with them and will spend a week with Mrs. Curry.

Mr. and Mrs. J. B. Noland were dinner guests in the home of Mr. and Mrs. Don Martin Saturday evening.

Buster Thompson took the first bale of cotton to Tri-County Gin. It weighed in at 460 pounds.

Guests in the home of Mr. and Mrs. D. L. Thompson Saturday were Mr. and Mrs. Earl Thompson of Spur.

Mr. and Mrs. Clayton Watkins and Mrs. Billy Cotton were in Amarillo on business Thursday.

OFF THE Shelf

BY H. A. TUCK
A *Twist of Sand* by Geoffrey Jenkins is a novel which could rate any of the standard adjectives: exciting, suspenseful, dramatic. It should rate as one of the year's best books. It certainly has the qualities to hold its readers for hours on end.

This is the story of former Lt. Cmdr. Geoffrey Peace, once a British Royal Navy submarine commander.

Locale of the story is a desolate strip of land on the coast of South West Africa. It is dotted with treacherous shoals and slammed by gales and freak currents. It is a twist of sand, uncharted and almost impossible to navigate.

Peace had been cashiered out of the Navy for hitting one of his seamen and for refusing to reveal the type of mission on which he had been sent.

In the years that followed, under the name of Captain Macdonald, he played his knowledge of the Skeleton Coast into a sleek, diesel-powered vessel. His First Officer was John Garland, his engineer was MacFadden. Both has been with him on the submarine Trout.

For years, Peace had secretly charted the wild Skeleton Coast and he alone could take in a vessel and get it out again. Stein, a mysterious German, used the knowledge of Peace's background and a Luger pistol to induce Peace to land him on the Skeleton Coast.

Although Stein said he was looking for a rare beetle, Peace felt there was another, hidden, motive. With Stein was a beautiful girl, Dr. Anne Nielson, a scientist.

With such strange passengers as these, and a mad former German submariner, Peace threaded his powerful ship to the Skeleton Coast and a wild climate for his life.

A *Twist of Sand* has been atop the English best-seller lists for the past few months, and rightfully so. It should do the same here.

Jenkins is a wonderful storyteller. Although he uses an extensive flash-back technique mid-way through the book, it is effective and dramatic. He has written a graphic novel of the sea, and one man who wants to conquer part of it. A *Twist of Sand* rates the highest accolades.

Brother Of Local Man Is Killed In Guam Plane Crash

Funeral services for Master Sgt. Earl H. Drerup, one of 80 persons killed in a plane crash on Mount Barrigada, Guam, Sept. 19, will be held Thursday at 10 a. m. at St. Mary's Catholic Church in Groom. Father Arnold Carlson will officiate. Sgt. Drerup has been stationed at Mellis Air Force Base in Las Vegas but was returning from six months duty in Formosa at the time of the crash.

Mr. and Mrs. G. L. Manley have just moved to Summerfield from Abernathy. They are living in the house formerly occupied by Mr. and Mrs. Bolinger. Jimmie Christie spent last Friday night with Denny Hicks of Hereford.

Mrs. Jewel Cheatham of Hereford was installing officer for the W. M. U. Thursday at the Summerfield Baptist Church.

Officers for the coming year are Mr. L. H. Lookingbill Jr., president; Mrs. J. B. Noland, vice-president; Mrs. Guy Walsler, recording secretary; Mrs. Carlyle Sargent, Program chairman; Mrs. Earl Lance, Stewardship chairman; Mrs. Billy Cotton, Community Missions; Mrs. Kenneth Neil, Mission Study Chairman; Mrs. Bean, G. A. director; Mrs. Bob Noland, Sunbeam director; Mrs. Raymond Wiley, Sunbeam counselor; Mrs. Charles Jacks, intermediate co-counselor; Mrs. Roy Botkin, co-intermediate counselor; and Mrs. Ima McMinn, Junior counselor.

FRIO NEWS

Officers Are Elected At HD Club Meeting

BY MRS. OWEN ANDREWS
Frio Home Makers Club met Tuesday in the First National Bank building in Hereford. Mrs. Earl Springer, Hereford School Nurse, discussed the work and answered questions regarding it. At the business meeting, the club voted to have a questionnaire printed so that voters in the November election could state personal ideas regarding construction of a community building. Questions will be phrased to find out if the majority of the

people in this area want to build and if so, types of construction or any suggestions they may want to offer. New club officers were elected for the year and are as follows:

Mrs. James Dobbs, president; Mrs. Harlan Barber, vice-president; Mrs. Carlton Dobbins, secretary-treasurer; Mrs. Glenn Andrews, assistant to Mrs. Dobbs; Mrs. Clark Andrews, consumer-reporter; Mrs. Floyd Cole and Mrs. Earl Harkins, social committee; Mrs. Jim Brooks, program chairman; Mrs. Frank Robbins, Mrs. E. E. Vogler, and Mrs. Ed Clark, fair committee; Mrs. Bennie Springer, co-operative buying chairman; and Mrs. Owen Andrews, club reporter.

A small tornado was seen in the community during Tuesday's rain and hailstorm. It partially destroyed a shed, scattering debris over the field and overturned an empty storage tank at the Carlton Dobbins farm.

Evidence was also seen in the maize field that it touched the ground in at least two places. It traveled on to the Rich place and destroyed some small buildings there. Several persons in the area reported having seen it.

Mr. and Mrs. George Vinson, of Milwaukee have been visiting the home of his brother, Edgar Vinson and family.

Mr. and Mrs. Robert Dobbins and Carla Sue were visiting in Dumas on Wednesday. They visited with a brother of Mrs. Dobbins, Gerald Gulley, whom she had not seen since she was a small child. He is from Topeka, Kan.

Mr. and Mrs. Lee Johnson of Seminole visited Tuesday with her mother, Mrs. H. M. Mobley, and her brother, Austin Mobley.

Visiting the Mobley's Tuesday night were relatives, Mr. and Mrs. A. J. Todd, who live near Brady. Also visiting were the Rev. and Mrs. Ellis Todd of Sundown. Rev. Todd is the Methodist pastor there. The Harold Shearharts, who live north of Hereford, were Sunday dinner guests in the home of Mr. and Mrs. Floyd Cole.

Thurman Mousner, Nanette, Johnny and Carol Mousner, visited the B. H. Baldwins, Wednesday evening.

They made recordings of messages to their son and brother, Bill Mousner and his family, who are stationed in Germany. The messages were to be added to a taped recording of Mrs. Mousner's funeral service which was held last week. Rev. Baldwin operated the recorder, which belongs to the Weldon Stephans.

Services Are Held Sunday For Former Hereford Resident

Funeral services for Mrs. Janie Lemas, 37, of Chicago, Ill., who died in a Chicago hospital Tuesday, Oct. 11, will be held Sunday at 2 p. m. at St. Joseph's Mission. Father Raymond Gillis will officiate. Mrs. Lemas, who moved to Hereford in 1950 from Littlefield, returned to live in Chicago last year.

She is survived by her husband, Casinro Lemas, of Chicago, Ill.; three sons, Arnold and Marcial, of Chicago, and Alfonso of Hereford; four brothers, and nine grandchildren. Interment will be in St. Anthony's Cemetery under the direction of Marcum-Scott Funeral Home.

ATTEND CONFERENCE

Pauline Howard, assistant treasurer of the Hereford Texas Federal Credit Union, and Dyalitha Benson, manager, left Saturday afternoon by plane from Amarillo to attend a Credit Union National Conference in Dallas, to be conducted Sunday through Wednesday. The meeting is for managers of large credit unions.

Local Crops Take Beating From Hail

BY ARGEN DRAPER
It seems that this year and this time of year is very inopportune for a hail - but our crops sure took a beating Monday night. Tuesday morning with the sun shining it looked like a perfect day was in store. I thought of Bill Harris, the goateed philosopher, saying after a bad storm, the weather always apologizes. My Mother-in-law was very philosophical about hail - she would say, "You know we must have water." Anyway we're glad some feed had been harvested and one day of cotton picking done. This week has been fine for the home agents - Monday: "Today in Hereford;" annual meeting of the County Program Building Committee; 4-H Leaders Council; Leadership Training Meeting for programs on Family Finance. Tuesday: Mothers met to organize a 4-H club; Tailoring workshop began. Wednesday - H. D. yearbook about completed and Plan of Work began-office conference also a trip to the dentist - Bippus Club met. Thursday - Plan of Work - Family Economics Sub-Committee at 10 a. m.; Money Management leaders for 4-H clubs trained at 3:00 o'clock and Farm and Home Management groups at 7:30. People are so busy but we sure appreciate their loyalty to the program. Now that built-in ranges are becoming increasingly popular, it is important that we know the most convenient and efficient placement for them. Authorities on kitchen planning give us these recommendations for installing built-in ranges. Surface units occupy the place in the kitchen plan that was formerly used for the range.

RENEWING OLD ACQUAINTANCES — Mr. and Mrs. Francis Myers visited last week in Hereford with their long-time friends, the Vern Witherspoons, whom they had not seen for over 15 years. During World War II the Witherspoons opened their home to military personnel, and Myers, who was a Corporal at the PW Camp, and his wife lived with the Witherspoons for 18 months. The Myers now reside in Medford, Mass. (Staff Photo)

Vern Witherspoons Entertain Guests

Mr. and Mrs. Francis L. Myers of Medford, Mass., visited with the Vern Witherspoons and other friends in Hereford recently. The Myers lived in Hereford from 1943 to 1945, during which time he served as a Corporal at the prisoner of war camp, and she was employed as a bookkeeper at the First National Bank.

Mr. and Mrs. Myers were married in St. Anthony's Catholic Church here, and after their marriage lived in the Witherspoons home for 18 months.

The Myers were accompanied to Hereford by his sister, Mrs. Helen Leonard and Mrs. Vennie Coyles, both of Medford.

Among others the Myers visited here were Mrs. Joe Huerkert and the John Paetzolds.

Tour Of Homes Scheduled

The Annual Tour of Homes, sponsored by the Garden Beautiful Club, is scheduled to be conducted Friday, Oct. 21, from 2 to 6 p.m. Homes to be toured are the Jimmie Gillentine home, 507 Star; Russell Carver, 201 N. Texas; Homer Newton, 103 Westhaven Drive; Jack Renfro, Harrison High-

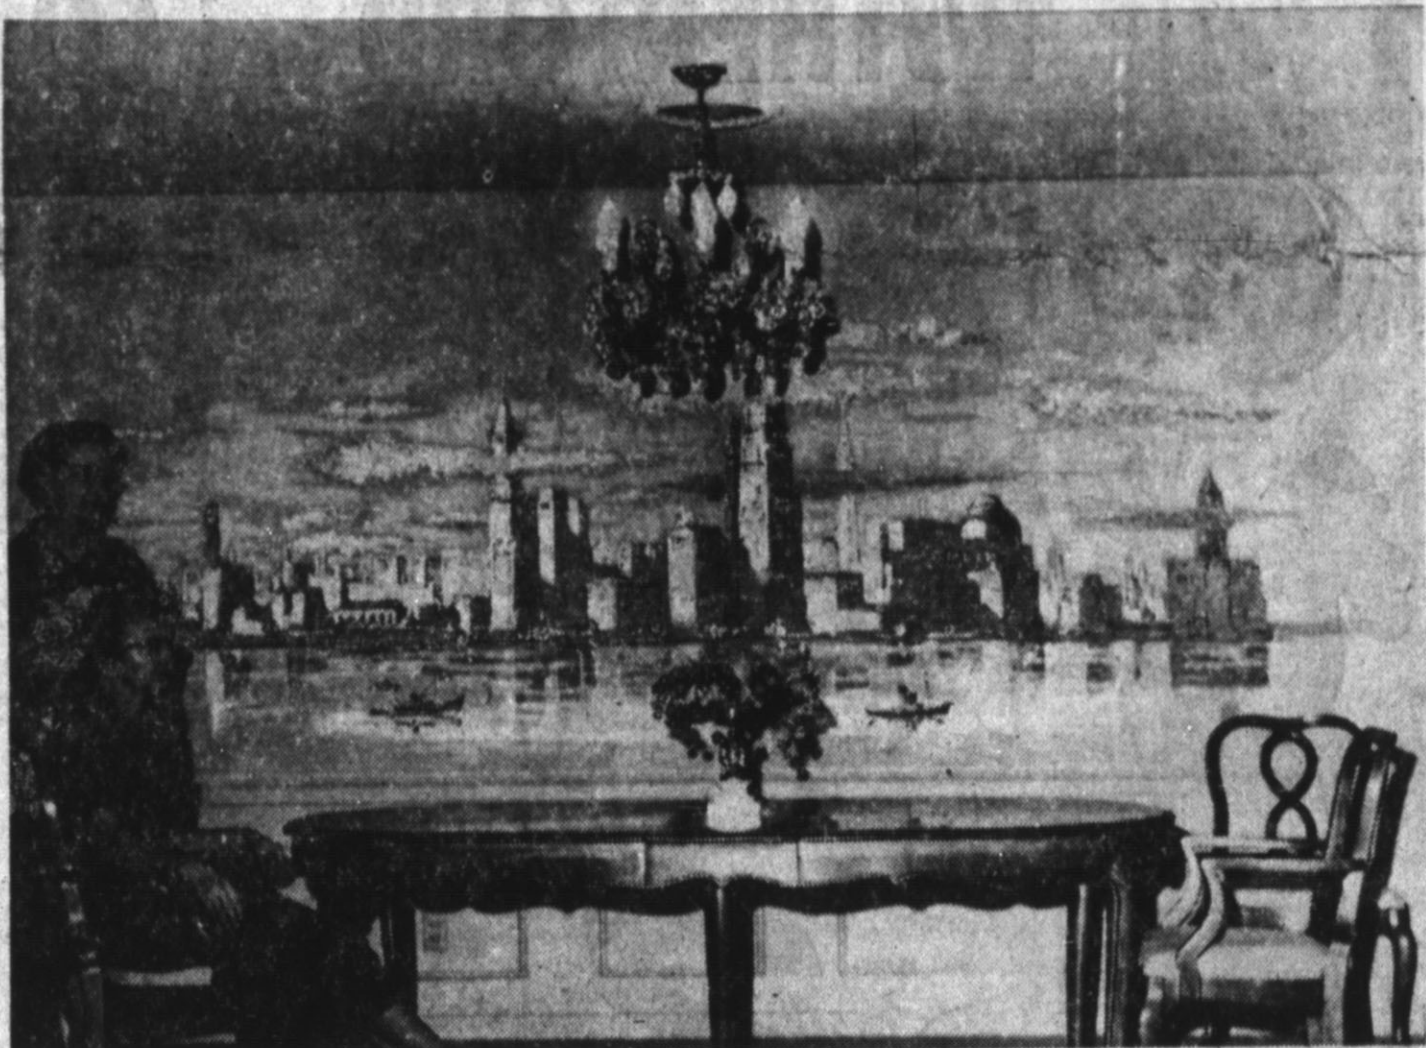

way; Dr. Roy Grubbs, 102 Rio Vista, and the Paul Coneway home, 104 Rio Vista. Complete descriptions of homes inside.

Tickets may be purchased at any of the tour homes or from any member of the Garden Beautiful Club.

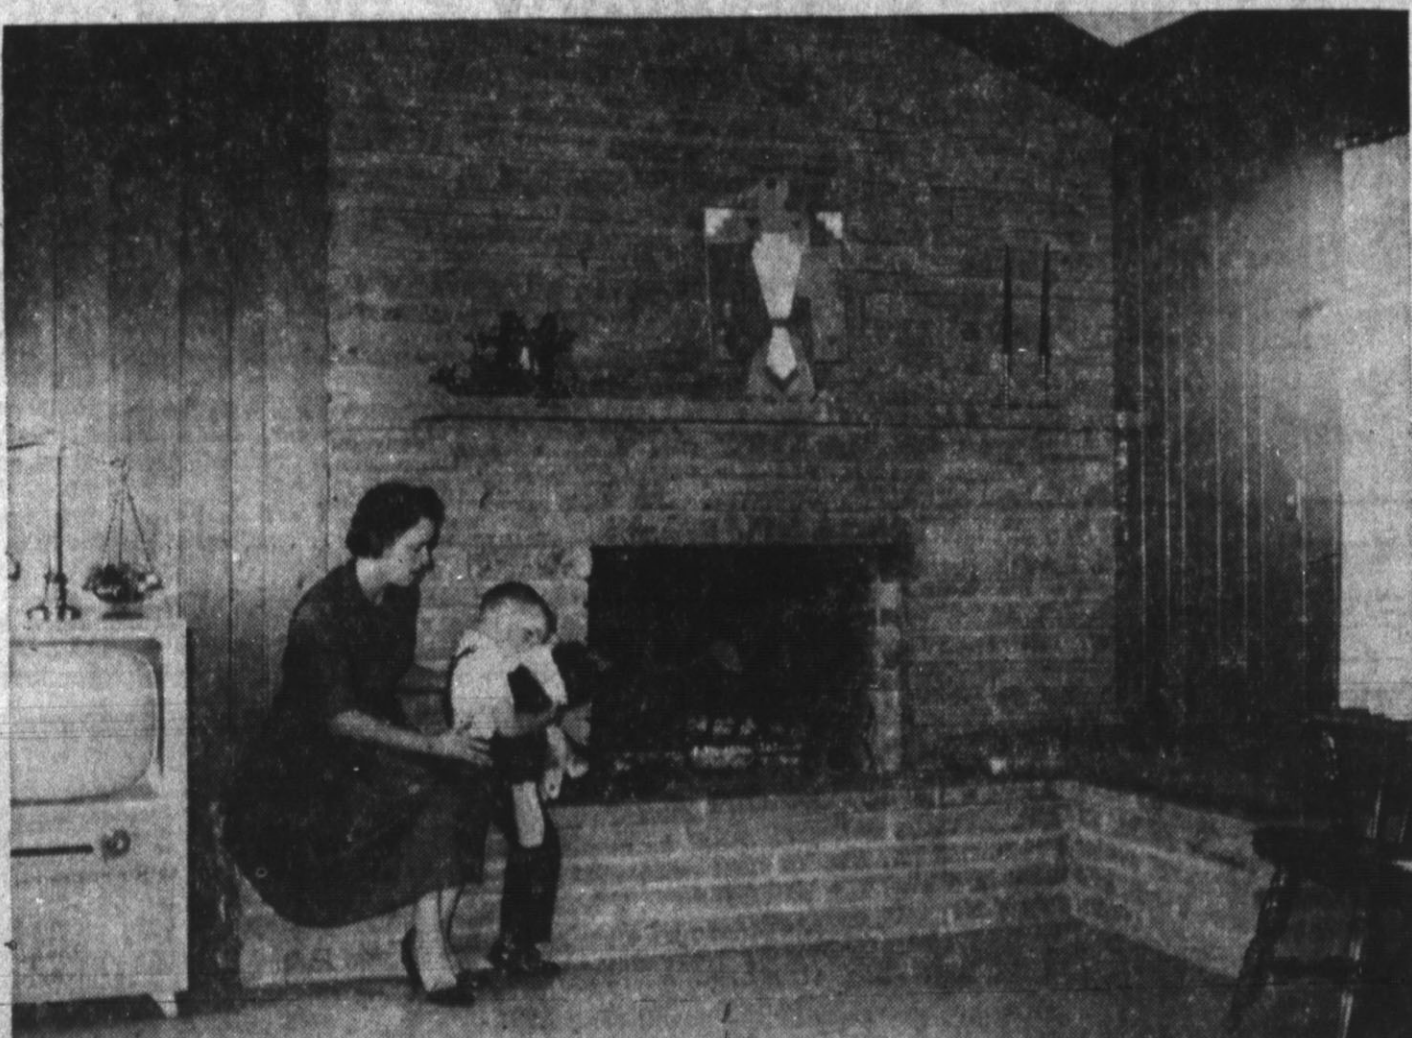

Brand Staff Photos

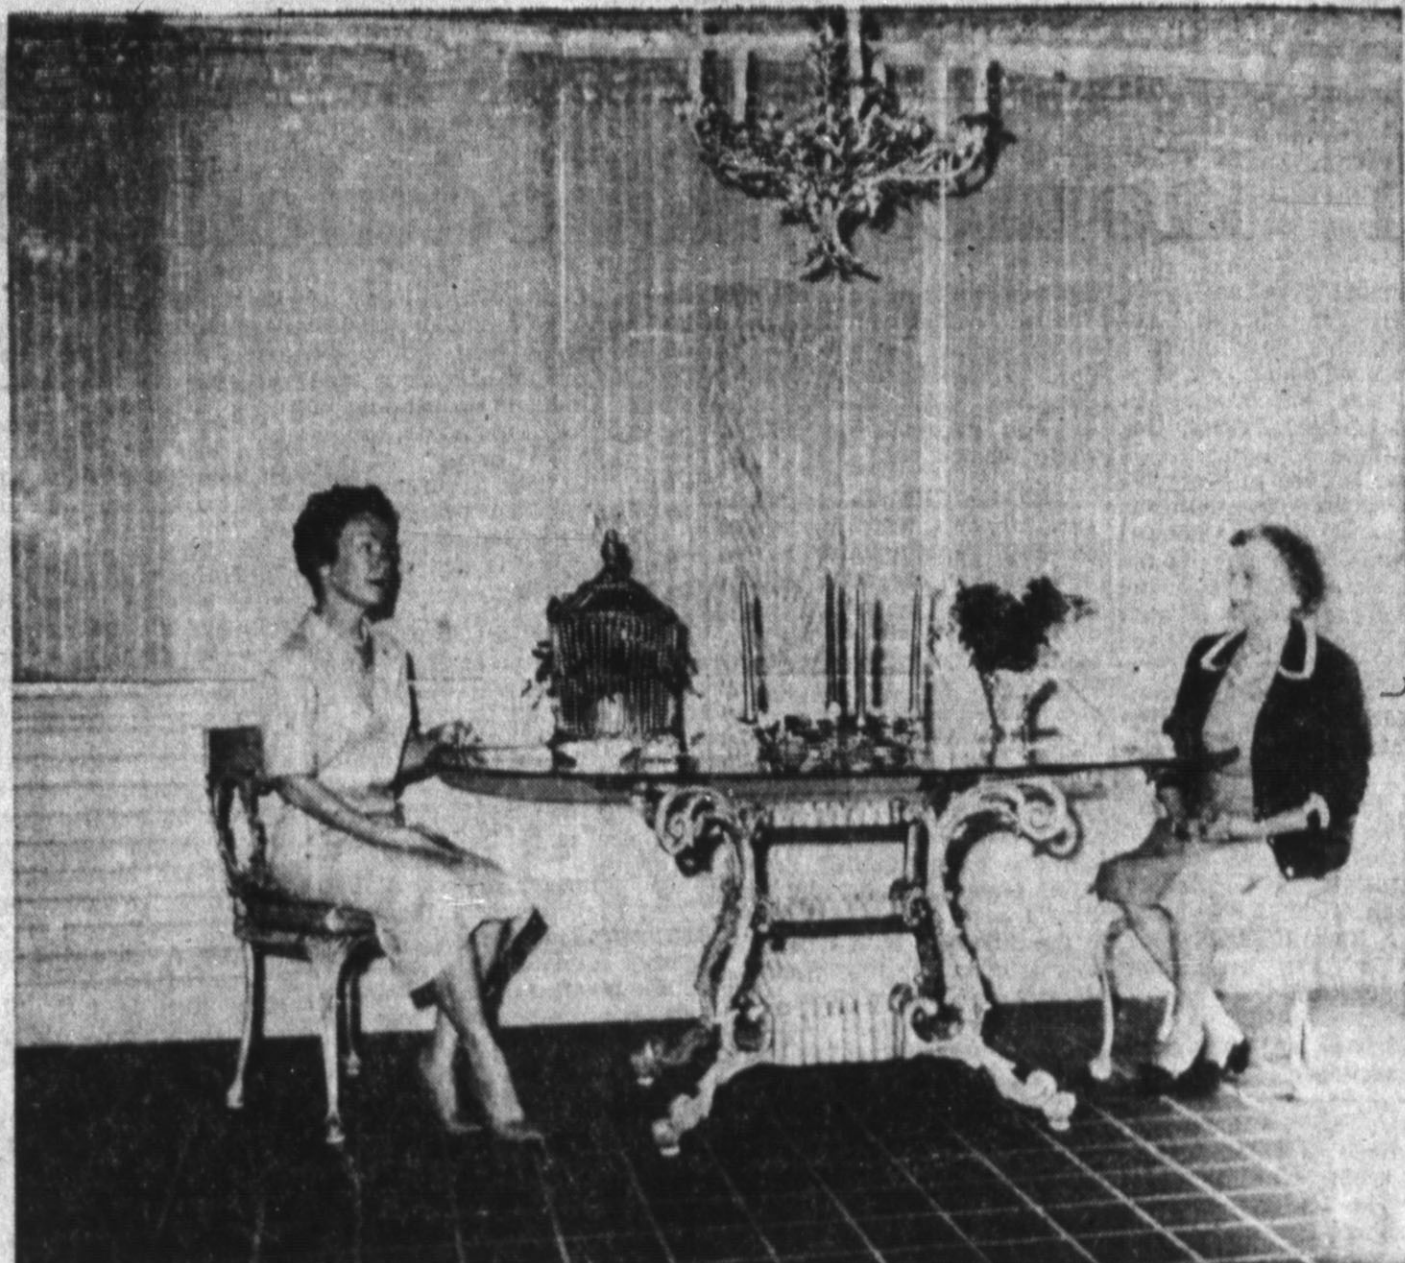

HEIRLOOM FURNITURE makes for an interesting living room in the Jimmie Gillentine home, 507 Star. Mrs. Gillentine and her daughter Sarah are shown sitting on a love seat that is about 75 years old, and thumbing through a magazine showing the special charm that can be achieved by combining the old with the new.

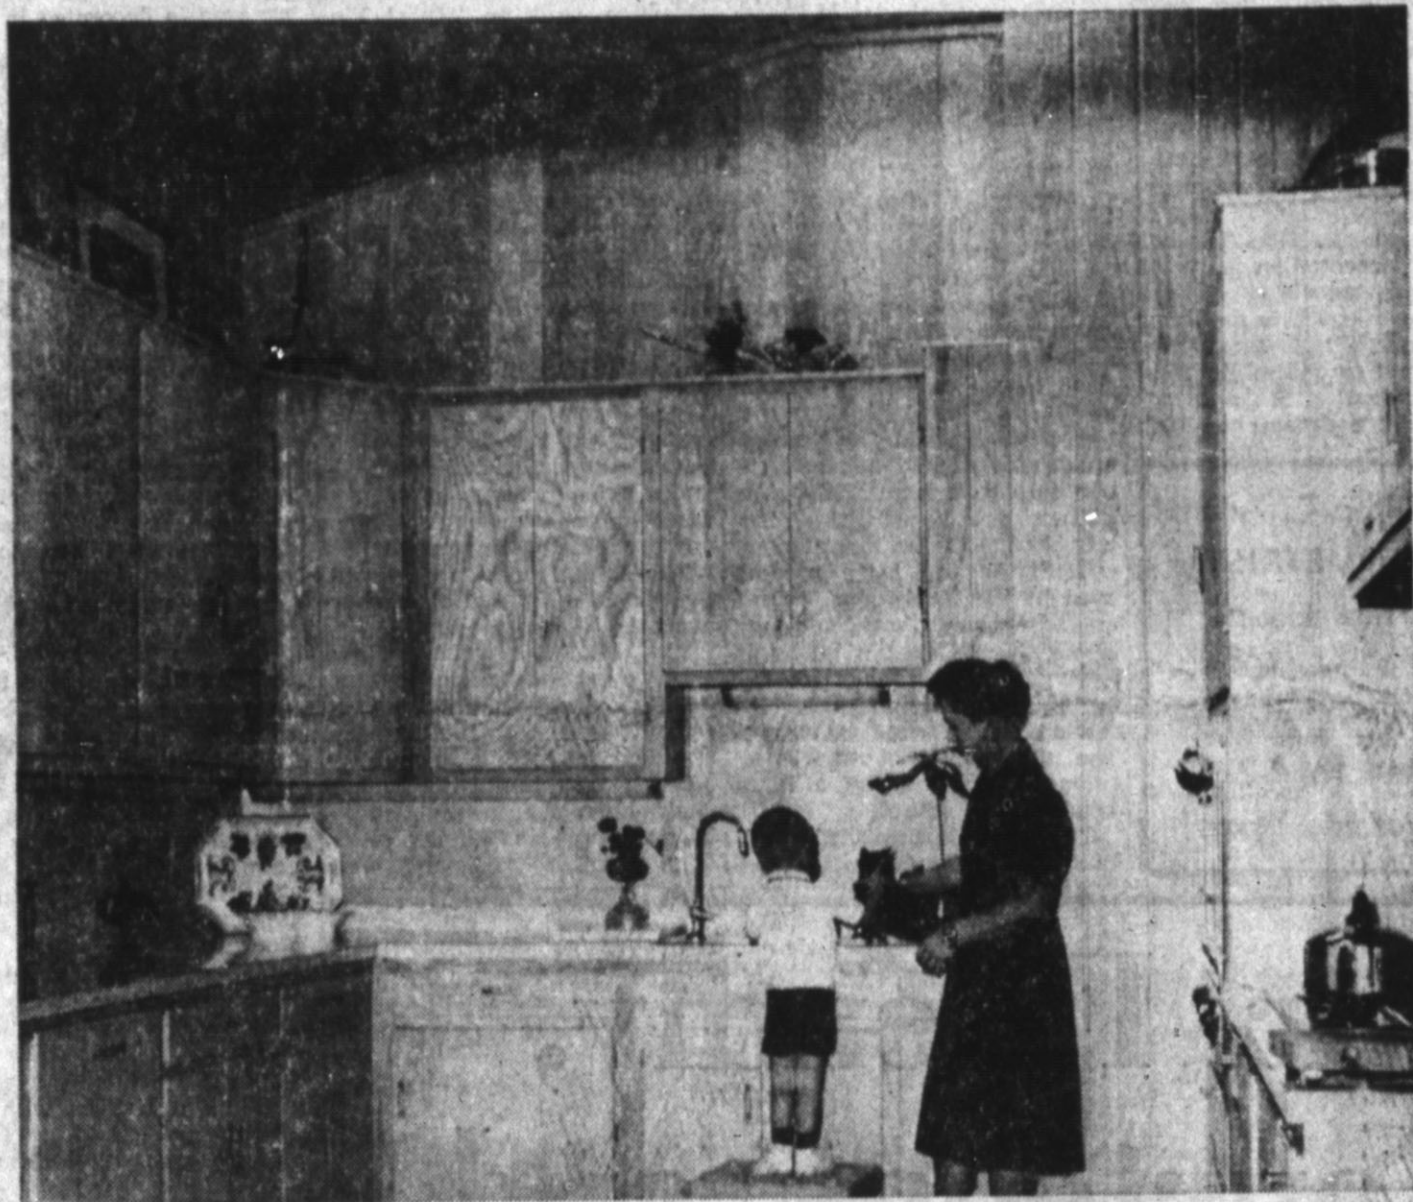

A FRENCH CITY is brought to life by this mural in the Homer Newton home, 103 Westhaven Drive. A crystal chandelier suspended above the mural adds beauty to the Newton's living room. Mrs. Charlie Noland, seated, chairman of the home, and Mrs. Newton discuss plans for the annual tour.

CENTRAL FEATURE of the den at the R. Paul Coneway's new home is this red brick fireplace, with plenty of room for lounging. The thunderbird mantel decoration adds a bright note to the decor. Mrs. Coneway and Tommy, four, enjoy a close moment together.

SUNROOM OF THE Jack Renfro home is perfect for morning coffee, with its tile floor, lacy chandelier and wrought aluminum table and chairs, done in antique white and wiped-off gold. Mrs. Renfro chats with Mrs. Jesse Stanford, chairman of the home.

ANY KITCHEN MUST be functional as well as airy and cheerful, and this spacious ashwood paneled kitchen in the home of Dr. and Mrs. Roy Grubbs, 102 Rio Vista, meets both requirements. The U-shaped arrangement is efficient, while the high ceiling provides an unusual decorator touch above the cabinets. Mrs. Grubbs and two-year-old Paul play with his new kitten.

THE RUSSELL CARVERS and 14-year-old son Randy are pictured in their new ranch-style Colonial home on North Texas Avenue. The house, designed by the Carvers, is built around the Italian imported incense burner, hanging in the corner.

Garden Beautiful's Annual Tour Of Homes Scheduled Oct. 21

The annual Tour of Homes, sponsored by the Garden Beautiful Club, this year offers a wide range of homes, all varying in styles and prices. The tour will be held Friday, Oct. 21, from 2 to 6 p. m.

The tour is open to everyone, and tickets may be purchased at any one of the tour homes: The Jimmie Gillentine home, 507 Star; Russell Carver home, 201 N. Texas; Homer Newton home, 103 Westhaven Drive; Jack Renfro home, Harrison Highway; Dr. Roy Grubbs home, 102 Rio Vista, and the Paul Coneway home, 104 Rio Vista.

Theme for this year's tour is "Romance with Flowers." Each home will have a sub-theme. Mrs. L. H. Lookingbill is chairman of the flower show and Mrs. Howard Walker is chairman of the ways and means committee.

See pictures on front page of this section.

First stop on the tour will be the Jimmie Gillentine home. This red brick home is Early American in its architecture and furnishings. Feature attraction is the living room furnishings, which are heirlooms. The furniture was a gift from Mrs. Gillentine's great grandparents to her grandparents in about 1885. The antiques include a love seat, a marble-top table, chair and four straight chairs. General color theme of the house is pink, shades of brown, and turquoise. A beige wool carpet is used throughout the house.

Drapes in the living room are white lace panels with a large flowered swag. The off-white walls are accented on the north by a large mural.

The brown couch in the living room was given to the Gillentines when they moved, by Mrs. Matt Gilliland.

The front bedroom has pink

textured walls, a pink and gold quilted cotton-satin bedspread and matching curtains, and is used by the Gillentine's teenage daughter, Sarah. The furniture in this bedroom is antique white flecked with gold.

Buzz, the Gillentine's son, enjoys his own bedroom, where he displays a sample of his hobby—a coin collection. A book shelf extends the entire length of the west wall. Furnishings of the bedroom are in fruitwood, and the brown spread and hand-blocked brown curtains carry out the color theme.

The back bedroom is furnished with fruitwood and colors are brown and beige. Coverlets are brown quilted cotton-satin. Green antique silk curtains match the ones hanging in the adjoining bath. The bath floor is a mosaic tile in shades of grey and brown. The other bath is done in pink tile with white fixtures.

The den, which serves as a family room for relaxation and watching television, is finished in amber wood paneling. Beige cotton-linen curtains cover both west windows, and a fireplace of red brick is the feature attraction of the den.

The dining and kitchen area are done in fruitwood. The cabinet top is pink formica, with pink kitchen fixtures. The floor is linoleum in shades of brown. The play room, which is a step down from the rest of the house, is connected to a two-car garage.

Theme for the home will be "Boy Meets Girl." A horticulture show will also be presented at the Gillentine home, as will a junior division show, which is sponsored by the Hereford High School third-year homemaking girls.

The Russel Carvers designed their own Ranch-Style Colonial home on Texas Avenue. The house is furnished and decorated around a gold incense burner imported from Italy. The burner, now wired for electricity, hangs in the living room.

Cotton is the main product used in the furnishings, carpet and draperies throughout the house. Mrs. Carver's hobby is sewing, and she made all the curtains for the house.

Main color theme is cream. The north wall of the living room is enhanced by a large hand-printed mural.

The house is furnished mostly in Early American. One of

the most interesting ideas of the house is a 27-foot window seat along the west wall in the den. A fireplace of antique sand blasted brick, matching that of the exterior of the house, covers the northeast corner of the room. The floor is ceramic tile and the exposed beam ceiling is accented by indirect lighting. The walls in the den are mahogany paneling.

The guest room is carpeted, with furnishings in Early American maple.

Randy, 14-year-old-son of the Carvers, uses a bedroom which carries out the Early American theme in the wall paper, birch furniture and paneling.

In the master bedroom Italian Provincial furniture highlights the room, and the blue bedspread is matched by curtains. A combination bath and dressing room, separated from the bedroom by louvered doors, is one of the Carver's favorite features of the new home. Large walk-in closets are the point of interest in this room.

The all-electric kitchen is in turquoise formica and stainless steel. Natural mahogany cabinets and paneling are used in the kitchen and dining room area.

The breakfast room is centered with a wrought-iron table with a glass top. Theme for this home will be "Third Finger, Left Hand."

The Homer Newton home is themed "Stag Party." Refreshments will be served on the patio here and Billie's Flower Shop will feature an arrangement of flowers in the bedroom.

The pink Colorado stone house is trimmed in white wrought iron.

A mural of a French city covers the west end of the living room, which is carpeted in beige.

The living room walls are textured in rose-beige and a bay window is draped with brocade French damask of the same color. Furnishings throughout are French Provincial.

The dining room is enhanced by a large crystal chandelier over the dining table.

The den, with walls, ceiling and beams of Saccar has a wood-burning fire place with a raised hearth made of pink Colorado stone. It is flanked by a book case and a planning desk. Furniture in the den is Early American. Sliding glass doors open from the den onto

the large patio, which will be decorated for the tour. Third-year homemaking girls will serve the refreshments.

Cabinets in the modern kitchen are made of hard rock maple with a fruitwood finish. It has a built-in oven and cook top.

Off the utility room, which opens into the garage, is a half bath and a small sewing room done in sandlewood and tan.

The guest rooms walls are papered blue. Drapes are Italian lace over blue taffeta, and furniture is French Provincial in antique white. The bedspread is white quilted polished cotton.

The master bedroom has cherrywood furnishings. Walls are rose-beige and drapes are beige antique satin with floral cornices. A large walk-in closet is featured here.

The bath is pink tile with bone white woodwork and pink fixtures. A mirror covers the east wall.

English Mahogany furniture and French antiques compose the interior of the Jack Renfro home on Harrison Highway.

This Southern Colonial home has a white brick exterior with double front doors bordered on either side by bay windows.

Theme for the Renfro home will be "Honeymoon In Far Away Places."

The inside of the formal living area is decorated in parchment and gold with soft accent colors. The entrance hall is papered with gold flocced design-ed paper, while the living and dining rooms on each side are painted parchment. The window for these two rooms are draped in a fabric of gold damask pattern with parchment background and sheer glass curtains.

Gold textured carpet is used for the first floor of the house and the stairway.

An interesting Georgian Mantel attracts attention in the living room. The mantel has a cream marble hearth with gold veining. Above the mantel hangs a French decorative piece, and two brass candelabra adorn the mantel.

The informal living area, one step down from the kitchen, opens onto a covered porch. Three walls are paneled with ash and the other is painted white brick to match the fireplace and hearth.

The rug from India is biscuit-color and is fringed on each end. Draperies and wing chairs are of scenic red toile.

The dining room features a Sheraton table, which is a Williamsburg reproduction, cross-banded with yew wood. The chairs are Hepplewhite style with shield backs. In the bay window is a Pembroke table and on the opposite wall are two built-in shelves with storage beneath.

The downstairs bedroom is furnished in magnolia wood. The bed spread and curtains are of white Swiss embroidery.

The downstairs bath is in yellow and white tile with a built-in dressing table. The white china bowl with a scroll design is set into a marble top and surrounded by mirrors. The hardware has unusual handles of cut crystal.

The kitchen cabinet is white formica with blue accents of old Dutch tiles. White dotted Swiss curtains banded in Irish lace hang over the kitchen windows. Mrs. Renfro designed the white cornice board above the windows and the copper hood over the stove.

One guest room upstairs is done in the Directoire style, the furniture in "heavily dis-

course. The kitchen is finished in ashwood, and the floor is quarry tile in the form of brickettes.

The master bedroom carries out the sage green theme, with the bedspread and curtains done in matching beige colors. Furniture is Provincial. A mural accents the east wall, and a bath is connected to the room.

David, 13, and Ricky, 10, share a bedroom which carries out the green theme. A bath adjoins the boys' room.

The Grubbs' daughter Angela, six, enjoys her own bedroom with a blue color theme. Cur-

tains and bedspread are accented with a butterfly print. The play room has an inlaid tile floor with the main feature being open book shelves and a desk.

Paul, the Grubbs' two-year-old son, has his own bedroom with a "Puff-A-Billy" mural on one wall. Louvered doors separate Paul's bedroom from the master bedroom.

The other bedroom, used by the Grubbs' oldest boy, Jim, 15, features his coin collection which is framed over a desk. The children have their own bath.

The hallway is designed with a mural, and tiny antique figurines decorate the wall.

"Wee ones" will be the theme of the Grubbs' home.

Contemporary in its architecture, The Paul Coneway home on Rio Vista is of red brick and is furnished with period furniture.

The home is composed of a living room, den, kitchen, dining area, two baths and three bedrooms, all done in variations of sage green. Coneway has an office in his home with windows overlooking the golf course. (Continued on page 3)

Story - Downing Vows Exchanged In Missouri

Mr. and Mrs. Joe G. Story of Hereford have announced the marriage of their daughter Sandra, to Ron Downing, son of Mr. and Mrs. Gordon Downing of Canyon.

The couple was married at 10 a. m. Friday, Oct. 7, in the First Christian Church in Pineville, Mo. The bridegroom's father, who is director of the Church of Christ Bible Chair on the West Texas State College Campus in Canyon, officiated over the double-ring ceremony.

The bridegroom sang "The Wedding Prayer" to his bride.

The bride wore a blue silk sheath dress which was highlighted by a Princess Anne collar, and matching accessories.

The suit also served as the bride's going-away dress, when the couple left on a wedding trip through the Ozarks.

The bride is a graduate of Hereford High School, and at the time of her marriage was attending WT.

The bridegroom is manager of the Sahoma Bowling Lanes in Sapulpa, Okla., where they both will attend college as junior students.

Mrs. Ron Downing nee Sandra Story

Bay View Club Hears Program About Poetry

The Bay View club met recently in the home of Mrs. Lev Benefield. The program was in two parts, the first being given by Mrs. A. M. Jones on the "Introduction to Poetry." Mrs. J. W. Kirby gave the other, "Poetry of the Bible."

Mrs. Phillip Barkley, president, presided over the business session.

Those present were Mesdames D. H. Alexander, Phillip Barkley, H. L. Benefield, Colby Conkright, C. W. Fisher, W. J. Gilliland, Jimmie Gillentine, E. W. Harrison, A. M. Jones, W. S. Kerr, J. W. Kirby, Paul Mathers, Ansel McDowell, R. B. Miller, Eugene Naugle, Carl Perrin, J. W. Spradley, H. L. Thurston and J. P. Slaton.

Garden...

(Continued from page 2) desk extends the full length of the north wall.

The living room is furnished in period furniture, with a sage green carpet. Floor-length drapes of the same color enhance the windows.

The master bedroom is furnished in French Provincial with adjoining bath and dressing room.

The redwood panel den has a fireplace of brick with a Thunderbird emblem over the mantel. A high, exposed beam ceiling and the picture windows give a very spacious look.

The den floor is coralon with massive type furniture.

The two older boys, Clint and Steve, share a bedroom which features their hobby—a gun rack. Color theme of the room is beige and green. The floor is cork in shades of brown. The room is highlighted by a built in bookshelf and desk.

Tommy, four years old, has his own room which carries out an Indian motif. The furniture is oak and the floor is brown cork.

The boys' bath is spruce green tile with fixtures in the same color. The coralon floor is trimmed in off-white.

The other bath is Tuscan (beige) with tuscan fixtures, and a coralon floor.

Off the kitchen is a half bath and a walk-in pantry.

The country-style kitchen features a snack bar with a beige formica top. The cabinets are cypress wood finished in light fruitwood.

The dining room area has a built-in china cabinet with sliding glass doors. The floor is ocellon vinyl.

"Live with the other Half," will be the theme title for this home.

Ted Williams has hit 17 home runs with the bases loaded.

Meeting Features Program On Russia

The Pioneer Study Club met recently in the N. E. Gass home for a luncheon. Mrs. Fred Barrett, Mrs. Robert E. Thompson, Mrs. Allen Bell and Mrs. J. E. Byer assisted as co-hostesses.

Tables were decorated in fall flowers. A suggestion of Halloween was carried out in the place markers, which were candy suckers dressed as ghosts. During the business meeting

the members pledged themselves to get all the votes possible in November.

The group will have their next meeting when they go to Boys Ranch Nov. 22 for a lunch. They will take apple-sauce cake for the Thanksgiving dinner.

Also during the business session the date of the Golden Age group party was changed from Oct. 20 to Oct. 31. The party will be held in the flame room.

Roll call was answered with "What I would do to preserve

American freedom." Mrs. Ray Johnson introduced Mrs. O. G. Hill who reviewed the book by John Nobles, "I Was a Slave in Russia."

This is a true book concerning the story of his life when he was in a Russian prison camp for nine and one-half years. The book stressed the fact that the Communists look upon human beings as animals. Anything pertaining to religion was forbidden, but those who believed in religion seemed to have an armor against the Com-

munists. The book also stated that Russia is a land of shortage and unrest among its people.

Those present were Mesdames Fred Barrett, Allen Bell, J. E. Byer, Burl France, N. E. Gass, Henry Hastings, O. G. Hill, W. C. Hromas, E. S. Ireland, Ray Johnson, F. M. Kester, L. H. Lookingbill, C. N. McClure, Ralph McCullough, H. E. Miller, John Patton, Wirt Phillips, Mary Seigler, Delmar Seigle, M. L. Simpson, Robert E. Thompson, C. R. Walsler.

Bess Werner, Myrtle Wright, R. L. Wilson and Miss Roberta Campbell. Mrs. Wilson was welcomed as a new member of the club.

Mrs. Bess Werner Gives Program On Early Day Schools

The Lone Star Study Club met recently in the home of Mrs. Jim Higgins with Mrs. L. L. Chisum as co-hostess. Mrs. Bess Werner, guest speaker, gave a portrayal of "Book Larnin" in Deaf Smith County.

Mrs. Werner told of the early schools in Deaf Smith County, and pointed out that Askren School was located northeast of Hereford, and was moved to Dawn. The Burve school was named Progressive School in the earlier years. There were 35 pupils in the school. The students Mrs. Werner taught are now scattered in many different places.

The first school in Hereford was a one-room building where Dr. George Heard's home is now located. In 1943 the schools were consolidated with 703 square miles in the Hereford Rural High School district.

ATTEND FUNERAL
Mrs. Dick Godwin returned to her home in Hereford Thursday night after attending funeral services for her uncle, D. H. Edward of Midland. Mr. Edward died Tuesday night and services were held Wednesday afternoon in Midland.

TOMATOES IN CHILI
Like tomato flavor in your chili con carne? You can add plain canned or stewed tomatoes, tomato sauce or paste or catsup.

Mrs. Werner showed the group pictures and told many interesting and informative facts concerning the early days in Deaf Smith County schools.

doctors don't even get coffee break money

Two cups of coffee and maybe a doughnut isn't unusual during a working day. But it adds up to about \$90 per year. That's more than an average family spends on doctor bills.

Hereford Fire Department Hosts Junior Marshalls

BY MRS. T. L. COLLINS
Fire Prevention Week held a special significance for Walcott school children through reading materials given them by the Hereford Fire Department. Some of this each child took home to serve as a "check" on causes of fires in the home.

On Wednesday morning these children in the lower four grade were taken to Hereford in a school bus, driven by Mrs. Eldred Brown; Bob Metcalf, Elton Davis, Denise Caraway, Kent Jack, Lupe Lopez, Joe Don Weaver, Chris Burns, Belia and Romero Garcia, Gary Coleman, Jimmy Monroe, David Brown, Roger Brown, Charles Cupell, Sherron West, Arturo Lopez, Yvonne Merrill, Denise Melton, Nadine Tice, Linda Sorrells, Frances Castillo, with their teacher Miss Paula Green.

Also Earl Brown, Jerry Tyler, Tommy Brown, Sid Henderson, Tom Timberlake, Galen Jack, Wileta Wyly, Barbara Caraway, Charlene Weaver, Meloyde Brown, Margaret Minks, Mary Alice Burrus, Roger Barnett, Charles Bass, David Base, Robert Davis, Billy Henderson, Sheldon White, Kay Kirby, Nancy Minks, Kathy Monroe, Linda Merrill, with their teacher, Mrs. T. L. Collins.

Upon arrival at the fire station, all were greeted by Clay Angelo, fire marshal, (whom many of them know as the "cayote hunter"). He called attention to the first fire truck used in Hereford (which still stands in the yard) and told how it was hand operated, using kerosene lanterns, etc. Mr. Angelo also

told them about the little white house which contains various instruments, from which he takes daily weather readings for the government. These members of the Hereford Volunteer Fire Department assisted the children with their ride on the "fire engine" through the streets of Hereford and on Highway 60, while occasionally the bell would clang or a siren would sound: Gerald Hale, driver, and J. W. Dickerson and Onias Carroll, riders on the back of the truck. Clay Angelo also rode on the truck.

Upon their return, Bill Patton gave each child a Junior Fire Marshall badge and a red plastic fire-chief hat. Both were soon in use and all were happy on their way back to Walcott School for regular school work the rest of the day.

Wednesday, Oct. 12, was also Columbus Day, and "report card" day for the Walcott students. Various facial expressions of joy and other-wise were seen. Those making nothing below an "A" were: Barbara Brown, Galen Jack, Margaret Minks, Kathy Monroe, Kay Kirby, Nancy Minks, and Sheldon White.

Mrs. Harold Bass received word on Tuesday that her mother, Mrs. Mary Whipkey of Hay, Calif., was not doing at all well, following a kidney operation there.

Mr. and Mrs. Harold Bass and Charles went to Amarillo on Wednesday afternoon, to meet her brother, Carl Dean Whipkey. Together, they left Amarillo by bus at 5 p. m. for California to be at their mother's bedside. Harold Bass

and Charles returned to the Walcott home. Third and fourth grade boys and girls read a story, "Let's Trade" which gave them an idea. On Thursday, each brought something to school which they wanted to trade. What fun they had trading "for keeps" with one another!

Several attended the Hereford-Rosewell football game and homecoming Friday night in Hereford. Among them were: Waldron Melton, Norman and Larry Minks, Tommy Ferrio, Mr. and Mrs. Hershel Burrus, Cecilia, Mary Alice, Frances Irene and James.

The West Texas-Texas Western football game in Canyon on Saturday night at Buffalo Stadium was attended by Waldron Melton and Adair, Norman Minks and Larry, and Gene Cope of Hereford.

Many Walcott people will remember the interesting PTO program presented two years ago by Miss Martha Lee Sander (accompanied by her seeing-eye dog, Rusty) from Floydada. She read a story written in braille and played several selections on the piano at that time. Everyone will be glad to know that Miss Sanders recently became the bride of F. E. Main of Palestine, where they are making their home. She has been teaching piano, voice, and organ lessons in Silverton for the past two years.

Mrs. J. M. Thomas, 81-year old mother of Mrs. Joe Rader visited here with the Raders from Sunday until Wednesday. Mrs. Thomas makes her home in Littlefield.

Bruce Neil Collins arrived on Wednesday night from Jackson, Wyo., where he has been working all summer in the Grand Teton National Park. He left there Saturday morning with it snowing in the valley. Leaves were beautiful on the trees. Bruce made stops and visits in Fort Collins, Colo., staying with Dave Nickols at CSU, in Denver. Bruce visited Chuck Youngren. He reported not even a killing frost had fallen in the area of Fort Collins yet

this year, but when he was attending CSU there last September, heavy snow piled on the trees, causing much damage.

Cecil Honsinger of Erie, Okla. 51-year-old cousin of Mrs. Jack Weaver and Mrs. Jim Stocks, was killed in a tractor accident on Friday, Oct. 7.

Funeral services for Mr. Honsinger were held Sunday in the Erie Methodist Church. Mr. and Mrs. Jack Weaver and children, Mrs. Jim Stocks, their mother, Mrs. Minnie Miles from Pampa were in attendance.

Mr. and Mrs. Phillip Miller had the Hershel Burrus family as their guests for a barbecue chicken dinner Sunday.

Mr. and Mrs. Leland Burns Vicki, Marsha and Chris ate Sunday dinner with Mr. and Mrs. Johnnie Lewis and son in Adrian.

Mr. and Mrs. Santos Lopez have a new baby son, Tommy, born in Deaf Smith County Hospital on Friday, Oct. 7. Tommy is the new little brother to Arthro and Lupe, students in Walcott school.

Mr. and Mrs. Melvin Henderson and sons were Sunday dinner guests in the home of Mr. Geese in large flocks continue to fly southward with their loud calls. They fly directly over the Walcott School grounds.

Diane Kirby, daughter of Mr. and Mrs. Don Kirby, was a patient in Northwest Texas Hospital in Amarillo, all last week. She was under the care of Dr. Ellis, a brain specialist, who stated that Diana was having brain seizures. She came home on Saturday afternoon.

Mr. and Mrs. Don Kirby, Diane and Larry, accompanied by Mrs. Wayne Carthel, drove to Hot Springs, N. M., on Tuesday. Diane will receive further treatment there.

Guests Sunday afternoon in the home of Mr. and Mrs. Harold Bass and Charles were Mr. and Mrs. Obed Caraway and children. Mr. and Mrs. Shirley Smith and Shirley Lynn of Friona.

Miss Mary Dufur of Hereford and Kay Scott, both freshmen students at WTSC,

visited in the home of Mr. and Mrs. Cliff Johnson and Wayne on Sunday.

Mrs. Charlie Burk took her mother, Mrs. Florence Miles, to the hospital in Friona on Sunday night where she stayed until Monday evening.

Miss Paula Green, Miss Shirley Bourquin, and Mr. and Mrs. T. L. Collins attended the Deaf Smith County Texas State Teachers Association meeting in the Hereford High School auditorium on Monday evening. They heard Mrs. Mary Alexander, president of TSTA, of Palestine, outline a proposed legislative program which would give more opportunities to Texas children in their educational activities.

Dark, fast moving clouds and severe lightning appeared close as this group drove home. Returning, they drove through some heavy downpour. Only .03 of an inch of rain fell at Walcott.

Several Walcott families attended the Hereford Country Club Open House held on Sunday afternoon. These included Mr. and Mrs. Glenn Burrus, Kathryn and Elizabeth, and Mr. and Mrs. Jim Monroe, Paul, Tom and Thornton.

NEW PARENTS

Mr. and Mrs. Robert H. Crozier are the parents of a daughter, Mary Leanne, born in Friona Sept. 23. The mother is the former Jackie Wright of Hereford. Grandparents are the Jack Wrights of Hereford and Mr. and Mrs. Clyde Crozier of San Antonio.

Open Letter From Exchange Student

(Editor's Note: Mari Niinisto of Hahkama, Salo, Finland, was one of two exchange students to Hereford High School during the 1959-60 term. The following letter was submitted to the Brand for publication by Mrs. J. J. Durham, home economics teacher at Hereford High. Miss Niinisto's stay here was partially sponsored by the FHA Chapter at Hereford High.)

Dear Hereford people:

It certainly seems like a dream when I think of last year when I got to be with you in Hereford. At times it is too unreal for me to believe it; at times something that I see or hear brings back fond memories and it is as if there were not an ocean and a continent between Finland and Texas. I could just drop by and visit with you. A while ago I heard Norman Luboff Choir sing cowboy songs on radio, and that sure enough made me homesick for Texas once again!

My folks and schoolmates are really enthusiastic to hear about you all and what it is like in Texas and the United States. They can make just as hard questions as you could, and I am incapable of answering all of them, but I am really enjoying doing it and I hope they enjoy listening to me because I really learned to like talking over there. It is lots of fun to talk about people like you because there is so much to tell, and nearly everything is positive (negative side must not be forgotten for the sake of credibility!) I do want to talk and act so that I won't be a disgrace to you and your good will and trust in American Field Service program and in me. Also I believe that there is much that we Finns can learn from you and I hope I can do something about letting the rest of us know about those good things too. Some of those things are hard work, good humor day-in-day-out, and helping the neighbor whenever help is needed.

Most of my time is now occupied by school work, and how ever much I wish I could write letters to all of you whom I know and whom I would like to keep as my friends and hear

from. I just don't seem to get around to it. But I would still like to hear from you. My address is Hahkama, Salo, Finland, and bless your heart if you drop me a letter, a line or two (if you ever have time! American rush is worse than Finnish rush and it's one of the negative things! Bless your heart anyway!)

I am taking English, Finnish literature, Swedish, Latin, German, Math, history, psychology, church history and P. E. at school this year. This sounds horrible, but we have a weekly schedule and not all the subjects every day. Besides, I have had these subjects for two years, and this year is reviewing for the most part. In March we have hard final examinations, when all we have learned in these three years is weighed. My senior year over there is not counted as credit, because the subjects are so different. But in many ways going to school over there helps me, to mention only English (even if the American accent I proudly acquired does not appeal to my English teacher!), which helps me very much.

If I were a poet I could write a poem to praise you wonderful people who do such wonderful things as taking foreign students to your care, but since I am not, I just say: thank you! May you have success! And don't forget to visit Finland when you come over to Europe! You are most cordially welcome!

With best wishes,
Mari Niinisto

Stanton Frosh Lose First; B Team Stopped By Dimmitt

BY WAIN MILLER
BRAND SPORTS WRITER

After remaining undefeated for the first five games of the season, the Stanton Frosh were finally felled at the hands of the Levelland Lobos by the score of 36-0, in a game played at Whiteface field Thursday night.

Levelland halfback Wayne Burton managed to slip through the faltering Stanton defense to score three of the Lobos' five touchdowns, and launched passes which were good for the other two.

The Lobos were stopped on their own 30 on the opening kick-off. Levelland drove through five first downs to the Herd's 23, where they faced a fourth and 20 situation. Wayne Burton completed a pass to Lobo end Vic Simpson, who stood waiting in the end zone, for the first of the five t. d.'s. Quarterback Dave McCan fed to Burton who twisted over for the two extra points.

The Dogies' kick return was stopped short on the 29. The Dogies gained one first before Jim Haney was forced to punt from his 46. Levelland, in turn, was forced to return the favor as they faced a third and

27, after receiving two 15 yard penalties.

Haney returned the punt to the Lobo 47 before he was stopped for the first time in foreign territory. On their first down, the Lobos covered a backfield bobble to set up their second marker.

Dave McCan bulled his way through the middle for ten and a first, then Burton, who had shifted to quarterback, completed one to halfback McCan good for 48 yards and six more points. The Lobos failed for the two extra on a fumble, leaving the score at 14-0.

Hereford received the pigskin on the 16 and racked up a first down before punting from their own 35. After momentarily fumbling the ball, quarterback Burton was downed on his own 17.

Halfback Dave McCan saw daylight and travelled 28 yards before he was topped on the 45 by Dogies Earl Jackson and Richard Patton. Two first downs later, Burton twisted the remaining 11 yards to score. His try for two more was good to end the first half's scoring at 22-0, with Levelland going away.

The second half opened with

Haney being stopped on the kick-off at the 20 yard line. Back Eugene Green took over to rack up two quick firsts, moving the ball to the 46. Levelland received 15 for unnecessary roughness, then Dogie quarterback Higgins fired one to end Ronnie Duncan which was good for 11 yards and a first and ten on the Lobo 29, as the Dogies were on the move.

Haney completed a lofty pass to Eugene Green, who proceeded to the 11 before being topped. This time, Haney fired one to the end zone, where Lobo Dave McCan snatched the ball out of the air and raced back out to his 33.

Levelland moved the ball 40 yards in three plays, but the Dogie defense buckled down and the Lobos failed to make a fourth and ten situation on the Herd's 30.

Stanton received the ball on their own 24, early in the fourth quarter. They faced a third and 16 on their 17, when Eugene Green took off and made 35 yards to the Lobo 48, before speedy Wayne Burton raced in to make the tackle.

Levelland drew 15 yards to move the ball to the 35. Four downs later, Haney was forced to punt, and the Lobos were stopped on the 35 by J. Carter and Eugene Green.

The Lobos picked up three firsts, before Burton took off from the 24 to score, and followed through with two extra.

Hereford was held after three first downs, and forced to punt from their 39 on the fourth. Levelland returned the punt to the 43, where Burton broke loose again and ended the game scoring at 36-0, with only 30 seconds left.

The Dogies picked up seven first downs, and completed four out of 12 passes, while the Lobos racked up 12 firsts and completed four out of eight passes. Levelland drew 80 yards in penalties while the Dogies drew only 45 yards.

In other football action Thursday night, the Dimmitt B team, with the help of a few varsity club members, downed the Hereford Bees 26-0, in a scrimmage held at Alkman school.

Hereford Couple Plans Wedding In November

Mrs. Leatrice Sparks, 125 Ave. J, is announcing the engagement and approaching marriage of her daughter, De Anne, to George Davis, son of Mr. and Mrs. Leonard Davis, 338 E. Second.

The couple plan to be married Nov. 25 at 6 p. m. in the Temple Baptist Church.

The future bride is a graduate of Hereford High School, and attended Wayland Baptist College in Plainview the past year.

The prospective bridegroom is also a graduate of Hereford High School, and attended Arlington State. He is presently employed at Hereford Hardware.

The couple plan to remain in Hereford after their marriage.

Miss DeAnne Sparks

Men's Clothing Is Subject of Meet

Mrs. Vern Witherspoon's home was the meeting place of the West Hereford Home Demonstration Club Tuesday. President, Miss Evelyn Bell, opened the meeting by reading a poem. Subject of the program was "Altering men's clothing."

Each member participated in a round-table discussion concerning the subject.

The nominating committee reported on the new officers for the coming year. They are Miss Evelyn Bell, president; Mennie Vaughn, vice-president; Blanche Mosely, secretary; Alice Bradley, treasurer; Jewel

Awtrey, council delegate, and Artie Frost, reporter.

The hostess gave a report, and the gift of the evening went to Mrs. Ida Mae Vaughn. The meeting was then adjourned and refreshments were served to the following members: Mesdames Verna Schroeter, Blanche Mosley, Alice Cox, Jewel Awtrey, Alice Bradley, Ida Mae Vaughn, Mennie Vaughn, Jessie Cook, Artie Frost, and the hostess, Mrs. Vern Witherspoon.

The next meeting is set for Oct. 24 in the home of Mable Vaughn.

Stanton Splits With Levelland

BY WAIN MILLER
BRAND SPORTS WRITER

Stanton Junior High split with Levelland as the Seventh grade won to the tune of 22-0, while the Eighth graders were defeated by the score of 18-6.

The Levelland Lobos offered little resistance as they handed the Seventh Grade Dogies their sixth victory in the first of the two games played at Levelland Tuesday night.

Two of the Dogies' three markers came on tosses from quarterback Steve Hodges to end Mike Moore, while the third came to climax a long drive taking the Dogies almost the entire length of the gridiron, to

end that game's scoring at 22-0.

The eighth grade game proved to be more of a contest, as both teams remained scoreless at the end of the first half. With only two minutes remaining in the game, the score stood at 6-6, as both defense squads were hard to budge.

Levelland gained the lead as the result of a recovered fumble with only a few seconds remaining, to hand the Dogies their third loss of the season with the scoreboard reading 18-6 as the final whistle sounded.

After six outings, the Eighth grade's record stands at two wins, three losses, and one tie.

Politics Discussion Highlights Meeting

The home of Mrs. Liston Wilson was the meeting place for the La Plata Study Club recently. An interesting panel discussion was conducted, concerning politics.

The Rev. Joel Treadwell acted as moderator with Jack Bradley and Kenneth Rudd on the panel for the Republican party, and Louis Woodford and Joe Cowan of Dimmitt representing the Democrats.

Each group gave a talk on the historical background of the two parties and then discussed the current platform of each party.

A question and answer period followed with club members directing interrogations at the individual members of the panel.

Refreshments were served to Mesdames Louis Woodford, N. D. Bartlett, A. J. Schroeter, Frank Prowell, Urlin Streu, Don Little, Bill Thompson, Jack Brown, Jay Boston, Buddy Hutson, Raymond White, C. L. Chisum, Elmer Kimball, John Madison, Leroy Aven, Ansel McDowell, Lloyd McGee and the hostess, Mrs. Wilson.

Luigi Pirandello, author of "Six Characters In Search of an Author," died in 1936.

With fall colors. Following the meal the group played 42.

Following the meeting the group adjourned to the Community Center, where they planted a peony garden, which is the club project for this year.

"The Dimensions of the Future Are You." The meeting opened in the Dumas high school with registration followed by an informal coffee in the foyer of the building.

Immediately following, 15 initiates from the various chapters received formal initiation vows. After the ceremony, a general assembly and introduction of special guests was held.

The welcome address was given by Mrs. Eula Vick, president of Gamma Xi of Dumas. The response was given by Mrs. Sibyl Turner, president of the Pampa Beta Delta. The members then divided into groups for the informal discussion of the theme for the day.

A buffet luncheon was ser-

ved by the Gamma Xi Chapter of Dumas in the school cafeteria. Following the luncheon, reports were heard from the various study and discussion groups, and the attendance award was made.

The attendance award is based on a number of members in a chapter, number of those attending from each chapter, and number of miles driven. The Delta Xi chapter of Hereford won the attendance award and will receive a gavel.

Chapters represented at the Dumas meeting were Beta Delta, Pampa, Delta Xi, Hereford, Gamma Theta, Perryton, Gamma Xi, Dumas, and Pi, Zeta Zeta Delta, Zeta Epsilon, and Zeta Zeta, all of Amarillo.

School Bus Violations Point Up Tremendous Chance For Accident

Each year residents of this area are faced with an appeal to carefully observe state traffic laws in connection with operation of area school buses.

The Hereford Rural High School District now operates 21 buses, hauling approximately 871 students each day and covering a total daily distance of 1,616 miles.

Violations, according to bus drivers, are 100 percent on the area level. In other words, we apparently care less about our own children than do visitors from New Mexico, Oklahoma and other states.

The figure is astronomical, along with the fact that we have never had any major bus catastrophe. Certainly, it behooves each of us to make a serious effort to keep our record as good as possible.

Texas law specifies that a driver approaching a stopped school bus from either direction must come to a complete stop, then proceed with caution at a speed not to exceed 10-miles-per-hour.

To many people this will probably seem unnecessary and foolish. To some person who ignores the warning and runs over one of his neighbor's children, or one of his own, it would make all the sense in the world.

It's an old saying about "locking the stable after the horse is stolen," but we can't think of any place where it might apply more aptly than in observance of Texas Highway Laws regulating the passing of school buses.

One Good Way To Not Have Ulcers

Gone from the scene of rural America are the old family practitioner, the general merchant store, Sunday singing bees, the newspaper editor who most often collected for subscriptions in eggs, and the ever-welcome circuit riding preacher.

There were reasons, to be sure, and though sometimes cold and calculating these generally were sound and practical. Things are a lot more business-like these days, and none of us would want to turn back but, occasionally, we do miss that bit of humanity and sentiment which the "good old" days generated.

Deaf Smith County residents rejoiced recently for instance, with Rev. and Mrs. Eugene Naugle, when a Westway delegation presented the pastor with a new automobile.

Such an expression of appreciation, especially these days, comes as the result of devotion to one's calling and to one's efforts well beyond the call of duty.

The people of America are pretty much the same as always, but many of us have changed the way we do things. Recent generations past went through life with fewer ulcers and left us a fairly good basis upon which to establish the space age of today.

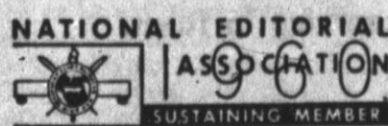

Nationally, internationally, and individually, teachings found in the Golden Rule, if followed, can do more toward solving problems of the world than any ideology or "ism" we have ever heard.

The POWER of FAITH by Howard Brödia

Through their own utterances it is evident that faith strengthened the lives of the men numbered among our greatest presidents.

"Father, so frame this heart of mine, that I may ever delight to live according to thy will . . .", George Washington.

"Without the assistance of that Divine Being . . . I cannot succeed. With that assistance, I cannot fail.", Abraham Lincoln.

"The bible does not teach us to shirk difficulties but to overcome them.", Theodore Roosevelt.

"I ascribe to Bible study the help and strength which I have had from God to pass in peace through deeper trials . . . A soul that has been refreshed and made happy early in the morning meets the service, the trials and the temptations of the day with a power far different from that of one that has had no spiritual preparation.", Woodrow Wilson.

Country Club Is Community Asset

Hundreds of people Sunday went through and inspected Hereford's new Country Club. Generally, the place got an enthusiastic vote of approval.

The club, though not necessarily lavish, is definitely "first class." It compares favorably with structures in Amarillo and Lubbock, and unquestionably stands out above most small town country clubs.

The circumstance is well in keeping with other community improvements, including schools, hotel, community center, churches and the proposed home for the aged.

A country club, though operated through membership, at the same time more or less falls into the category of public property in view of the fact that it provides a fountainhead for social activities and numerous community developments.

Unquestionably, the new Country Club can contribute much to the community. Having operated so long without a club of this sort, it appears that people will find some difficulty in adapting the new facilities to their everyday lives.

All in all, the transition will take a bit of doing, but the fact that the building and grounds are adequate and sound should contribute much toward speeding up the process.

Children Yipe At High Costs

When children complain about the increasing costs of popcicles, they are doing more about the high cost of living than their parents, who literally take advanced costs as a matter of fact.

Three barefoot youngsters recently wandered into the office of Gov. Ross Barnett at Jackson, Miss., and demanded that he do something about the high cost of popcicles, which they said had been increased from five cents to six cents.

It is probably true that adults would like to see some action, without federal controls that would result in a more equitable distribution of costs.

But, perhaps, little children by their example shall lead us to organize and do something about the increased costs of living.

Old-Fashioned Cooking Revived In Recipe Book

BY MRS. R. L. CRISWELL

Do you have fun reading recipes? It is or is it queer that we in America are troubled more with overweight than any other continent in the world.

There is the old fashioned turnip 'salat', and how long has it been since you heard some one call it that? Hush Puppies and 'Pot Dodgers'.

of balls of cornmeal, cooked on top of a pot of turnip 'salat', and are very delicious.

Most of these recipes are taken from a book called Old Salem Cookery, and it is by Elizabeth Hedgecock Sparks.

There is a Sit-In-The-Sun cake!

This recipe is very interesting as the mixture is placed in the sun for 2 hours or until

bubbles form on top. Here is the recipe:

Cream 1/2 pound of butter with 1/2 pound of sugar. Add 2 egg yolks and mix well.

Cover and place in the hot sun for 2 hours or until bubbles form on the top. Bake.

I like this one. Break Cake It is called, as it is broken as you break bread.

Here is a German recipe. Himmel Futter, translated as Heavenly Food.

Here is an unusual pie, Yum Yum Pie. 1 1/2 cups flour, two tablespoons shortening, 1 teaspoon salt, 1 cup sugar and 2 teaspoons baking powder and milk.

Mix ingredients and add just enough milk to make a soft batter; pour into a baking dish. Over the batter sprinkle 2 cups of blackberries or peaches or blueberries, apples or apple-sauce, cover generously with the sugar and dot with butter.

Bake at 400 degrees for 25 minutes. Increase heat to 450 degrees to brown the top if necessary the last 10 minutes.

This is a wonderful blessing also in the book. It has great appeal.

"We humble thank Thee Lord our God, For all Thy gifts on us bestowed.

And pray Thee graciously to give The food by which we daily live."

The BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher on his bindweed farm covers a wide range of ideas this week his letter indicates.

The way it looks to me, the United Nations is an organization of disunited leaders, but what I started out to say was I was sitting around with a bunch of people out here the other afternoon discussing politics.

At any rate, the question came up — which man can handle the world situation, Nixon or Kennedy?

One of the men, who has four kids, eight installment payments a month, and a 10-year-old tractor, said: "I don't know, both of em I guess, at least both of em claim they can, each one better than the other, but even if either of them can handle the world situation, I don't believe either one of them is equal to the job of handling my situation."

The trouble is, he went on, his budget is in worse shape than Washington's, without near the resources.

"All it take to raise the debt ceiling for Washington is an act of Congress," he said, "but it takes an act of a banker to raise mine, and bankers don't have to run for re-election. Kennedy or Nixon might talk Congress into voting more money, but they wouldn't have much luck with my banker. Maybe Nixon or Kennedy can solve the education problem for the country as a whole, but I'm still gonna be faced with the bills for my boy in college. Maybe they can bring our defenses up to date, but I don't believe they could do much with my 10-year-old tractor."

I tried to explain to him that there are some things he's supposed to do for himself, but he had me there. Where does it say so in the platform?" he asked.

I couldn't answer him, so I took the natural step a man takes when he's cornered. I asked him what he thought we ought to do about Castro.

The only thing he could suggest was that if we kept on firing off test missiles, maybe doubled up on them, maybe one of them would go in the wrong direction and the problem of Castro would be eliminated. I don't think this is a good idea.

Yours faithfully, J. A.

Hereford Grid Statistics Impressive For Five Games

With an open date after five non-conference games, the Hereford Whitefaces have compiled substantial statistics to go with their three wins, one loss and one tie.

You Hear Strange Things About Catholics

Yes, you do hear some strange things about Catholics.

You hear it said that Catholics believe all non-Catholics are headed for hell . . . that they believe non-Catholic marriages are invalid.

Some think Catholics believe the Pope is God . . . that he can do no wrong . . . that they owe him civil allegiance and that he should have the political power to rule America.

It is said that Catholics want religious freedom only for themselves . . . that they oppose public schools and separation of Church and State as evils which should be destroyed.

The claim is made that Catholics pay the priest for forgiveness of their sins . . . that they must buy their departed relatives and friends out of Purgatory . . . that they adore statues . . . are forbidden to read the bible . . . use medals, candles and holy water as sure-fire protection against loss of a job, lightning or being hit by an automobile.

But what is worse, some say, Catholics corrupt the true teachings of Jesus Christ with the addition of pagan superstitions and practices that are nothing less than the inventions of the devil.

If all these things or any of them were true, it would be a pity. For at least one out of every four Americans is a Catholic and it would be a national tragedy if one-fourth of all Americans entertained such erroneous ideas.

If you have heard and believe any of these false claims, and want the truth, we will gladly send you a free pamphlet explaining the true teachings of the Catholic Church. This free literature will be sent with the compliments of the Knights of Columbus of this area.

Next week, the Whitefaces will start four weeks of competition in the rugged 1-AAA District.

All-State guard and line-backer Edwin Thomas leads the impressive defensive record of the Herd. He has chalked up 90 tackles and assists during the first five games, double the next total.

And just last week was one of the Hereford backs able to pass the scoring total compiled by fullback Eddie Skypala in the first one and a half games.

Junior halfback Mack Cansler now has a total of 30 points, scored on five touchdowns. Skypala, who will return to action next week after being out with a broken collarbone, is the second best scorer with 28 points on four touchdowns and two successful runs for extra points.

Halfback-fullback Curtis Ritchie has 22 points on three TDs and a pair of running conversions. Halfback Dennis Hodges has eight points, and Lee Kimball has six and Clyde Whitaker has one for a kicked conversion.

This is the way the team stands on tackles and assists for five games: Edwin Thomas 90; James Gentry 45; Lee Dimball 31; Jim Pavlicek 24; Eugene Baldwin 24; Jerry Clark 22; Mack Cansler 19; Wendell Wilson 19; Clyde Whitaker 18; Wesley Pearch 17; Curtis Ritchie 16; Butch Walterscheid 16; Dick Plank 13; Donny Lesley 12; and Leon Vogler 12.

Cansler has the only pass interception for the team, grabbing a Dimmitt aerial and running it back 52 yards. He also has returned eight punts for an average of 16 yards per try. His best punt return was a 65-yard touchdown jaunt against Canyon.

Ritchie has averaged 19 yards on his punt returns, including a 34-yarder against Dimmitt.

Clyde Whitaker is taking honors on kick-off returns, with an average of 19 yards per try. Cansler and Hodges are close behind.

Quarterback Jim Collier has completed five of 13 passes for 96 yards and one touchdown. On the receiving end, Hodges has grabbed four for 38 yards. Cansler caught one for 46 yards and the longest pass play of the season and Kimball caught one for 17 yards and a touchdown.

Cansler also heads the rushing department with an average of 6.5 yards per carry. Hodges is second with 5.1 and Ritchie has 4.6 per carry, as well as the longest carry, 62 yards.

In the punting department, Cansler has kicked 15 of the team's 17 punts for an average of 34 yards. His best punt was

a 56-yard quick kick against Dimmitt.

Hereford opponents have returned the 17 punts a total of only 17 yards, an average of just one yard per try. The following are complete

statistics for the first five Hereford games:

Chaplain Of Texas House Praises Council On Efforts

Chaplain of the Texas House of Representatives, the Rev. Clinton Kersey of Austin, told Hereford Rotary Club members Monday that an alcoholic needs the help of the general public in achieving sobriety.

The Rev. Kersey came to Hereford under sponsorship of the Deaf Smith County Council on Alcoholism. His stay in Hereford opened Sunday and continued through Tuesday.

"There is no better thing you can do than to help restore an alcoholic to his rightful place in society," he said.

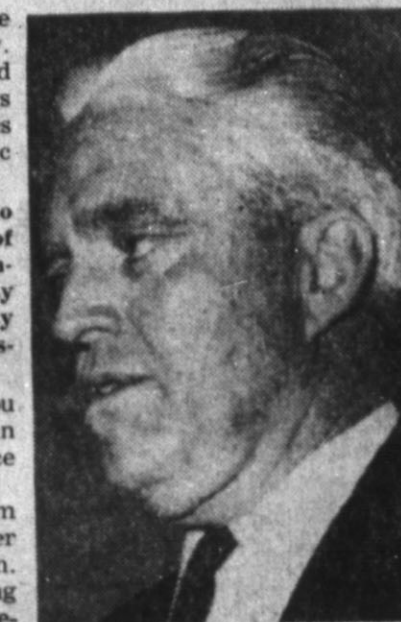

He explained that alcoholism today is the nation's number three public health problem. "What we do today in helping the alcoholic on his road to recovery will have a very definite effect on our society in 1975," he said.

He praised the County Council on Alcoholism, which was formed last year, and praised the Rotarians for backing the group in its work.

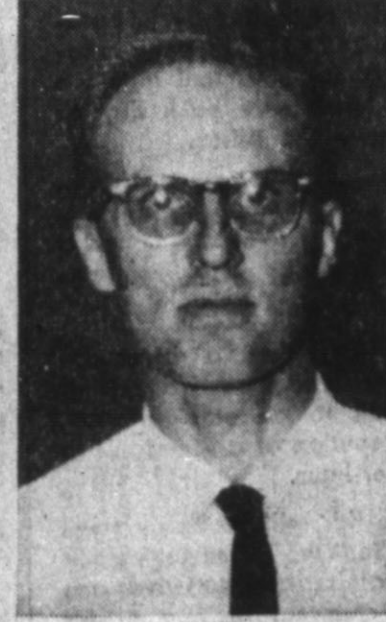

Three years ago, he commented, Texas had only six councils on alcoholism. Today, 30 councils have been formed in the state.

"Alcoholism is a huge problem because the alcoholic is sick to the point where he is often unable to help himself," the Rev. Kersey explained.

A native of Bridgeport, Tex., Rev. Kersey attended Decatur Baptist College and Southwestern Baptist Seminary. He served

as a member of the House of Representatives for two terms and was pastor of churches in Wise and Parker counties. He now is directing a survey in cooperation with the Travis County Juvenile Court in relationship of problem drinking and juvenile delinquency.

He also is serving as pastor of the Harris Memorial Baptist Church in Austin.

Introduced as a new member of the Rotary Club was Guy Williams of Hereford, who was introduced by Rotarian H. A. Tuck. Visiting Rotarians at the Monday noon meeting were Buddy Taylor of Canyon, Al Leach of Borger and Harry Schultz of Dalhart. Glendon Sanders of Hereford was a guest.

Beauty At Home

BY LYNN CARTER

Q. How does a girl determine what is correct and most flattering length of her eyebrows?

A. She can do this by placing a pencil from the flare of her nostril up to the outer corner of her eye. Any hairs that grow beyond this point should be eliminated - - and if the hairs do not grow that far out, fill in with eyebrow pencil. Otherwise, pencil only the hairs.

Q. What kind of hairdress will help modify an elongated type of facial outline?

A. A girl with a long face should allow for enough hair to curl or dip over the side of her

forehead, and enough at the sides to add width to the sides of her face. She also should have hair falling down below her jawline. In other words, her long face needs complete framing to create the wanted contour.

Q. How can I keep my arms and shoulders white and smooth looking, so that I'll look nicer when I wear my formal gowns?

A. Very good for this are starch and cold-water treatments. Rub a paste of these ingredients on the arm; and shoulders, let dry for at least a half-hour, then rinse off.

Slight Damage By Hail Is Reported By Farmers

By MRS. HAROLD RUDD
"How much rain did you get and did you get any hail?" were main questions asked by people of each other Tuesday morning. Some received quite a lot of rain and some received some hail, while others received only a sprinkle Monday night. Rain reports are as follows: .8 at the O. G. Hill Ranch, .85 and some hail at the R. L. Wilson; one inch at Waymon Etheredge, .7 at Charles Owen and some hail in their fields, .9 at W. W. Thomas; only a trace at Paul Corbetts, one and one-half inches at R. M. Mason's, small hail but did not think there was much damage; .7 at Jerry Landers; 1.4 at H. G. Franklitt; hail not much damage; .75 at Frank Zinsers, Jr., hail and received some damage. The rain was very spotted and one-half inch was received by most of the farms that received any measurable amount of rain.

R. L. Wilson was lucky as he finished combining his maize Monday evening just before the rain started.

Pick your temperature in every room with ELECTRIC baseboard heating!

When you think of control — you think of electricity. That's true in the biggest factory — the most modest home. Accuracy and electricity go hand in hand.

This is the big advantage for electric heating. It's why electric baseboard heating is tailor-made for comfort.

65 is a good nighttime bedroom temperature. 72 is best for watching television in the living room. 80 takes the chill off the bathroom when it's bath or shower time. And you can have all three of these temperatures at one and the same time. That's control. That's comfort.

How do you get it? You ask your Public Service manager. He's got heating facts and figures for you.

HOW THE DEMOCRATIC PARTY DIED IN MICHIGAN

The Democratic nominee, in conference with Walter P. Reuther, from photo made at the candidate's Hyannisport summer home.

The mob won in Michigan. Raw, brute power. Ruthless, vicious mob violence you thought could happen only in Russia. You thought it couldn't happen here. But it has happened here—in Michigan. And in Michigan, the Democratic Party died!

A group of United Auto Workers — deeply concerned that the lust for political power shown by the leaders would thwart the union's legitimate economic purposes brought the following facts to light:

- ★ 1 -- In 1947 the President of the State CIO met secretly with some discontented Democrats. The decision was made there to seize control of the Democratic party of Michigan.
- ★ 2 -- In 1948, the CIO-PAC moved in on the grassroots level of the Democratic party. They elected a Governor. But, they did not let him get the foolish idea that he might be in control of the party.
- ★ 3 -- In 1950 the traditional Democrats made a last vain attempt to take back their party from the CIO politicians of Michigan.
- ★ 4 -- This last attempt was smashed by equipping each of the Wayne County District conventions with small squads of men ready to use force to prevent the regular Democrats from regaining power.
- ★ 5 -- Gerald Fitzgerald, Democrat National Committeeman said, 'I have just watched Socialism take over the Democratic party by Communist processes.' Mrs. Nellie Reilly, former Democrat National Convention delegate warned, 'Socialists are in complete charge of the Democratic party machinery.'

Political Ads. Paid for by Deaf Smith County Citizens For Nixon

- ★ 6 -- By 1950, the treasuries of the CIO unions were supplying about two-thirds of all the campaign costs of the statewide Democrat politicians, including Governor Williams.
- ★ 7 -- On September 23, 1950: The ADA - PAC combination brought back to Michigan the sit-down-strike methods which have been disavowed in labor disputes, and applied them to Government.
- ★ 8 -- The goon squads took over, and the gavel, that traditional symbol of orderly parliamentary procedure, was discarded for the sawed-off baseball bat.
- ★ 9 -- Delegates representing the old line Democratic elements were beaten and thrown bodily out of the halls by the shock-troop goon squads.
- ★ 10 -- By 1958, the treasury of Michigan was depleted and the state was unable to meet its payroll. This in spite of large state tax increases.
- ★ 11 -- THIS IS HOW THE DEMOCRATIC PARTY DIED IN MICHIGAN! It was replaced by something else which has retained only the name 'Democrat'. These are facts, Mr. and Mrs. America. These are facts, Mr. and Mrs. Long-time Voter in the Democratic Party!

Donald R. Richberg, one of the leaders of the New Deal, a distinguished lawyer whose professional life has been almost entirely devoted to fighting for our labor legislation, in his book, "Labor Union Monopoly (Regency \$3.50) issues this warning — a startling warning, coming from him:

"The well-advertised Marxian way to create an all-powerful Socialist state is to use labor organizations as the means of gaining economical dictatorship of the proletariat can be achieved. The recent rapid progress of such a program in the United States should warn us that the prospect of a Socialist labor government is a very real and threatening menace to the maintenance of our Constitutional form of government and our Constitutional liberties. "These evils will not be remedied until an overwhelming majority of free citizens realize that LABOR'S ECONOMIC MONOPOLY AND POLITICAL POWER ARE PREPARING THE WAY FOR COMMUNISM FAR MORE EFFECTIVELY THAN THE COMMUNISTS THEMSELVES."

Where is the Democratic party of old—It is gone. Infiltrated by the left-wingers of every shade and color. Except for the southern wing it has been made over with startling

Read the facts America and don't say you were not warned!

speed into nothing but a Socialist-Labor party.

ONE SINISTER FIGURE

One man is the dominating figure in these social-labor groups. Already, through their use, he has made himself the most powerful single individual in the Democrat Party.

That man is Walter P. Reuther.

Walter Reuther is the power in the national Democratic Party today — and for many reasons. Reasons that are powerful persuaders to many politicians — among them the fact that he has at his command millions of dollars for political use.

And no man in the American labor movement knows the methods of Russian Communism better than Walter P. Reuther.

Walter Reuther and his brother Victor actually spent 18 months in Moscow in 1933 and 1934, studying Communist techniques of propaganda and agitation. And from Moscow, in a letter glowing with praise for the communist system, they are quoted in this significant phrase:

"Carry on the fight for a Soviet America!"

And when they returned home, Walter Reuther and his brother Victor were so imbued with communism, they worked hand-in-glove with the Communists. One of their first activities was to help consolidate the Communist and Socialist youth movements into the Communist-front "American Student Union" — offering American young people trips to Russia, free. And the Reuther brothers were sponsored in this operation by none other than Celeste Strack, of the Central Committee of the Communist Party.

At a public meeting in Flint, Michigan, on March 18, 1936, Walter Reuther gave a detailed account of the Moscow episode, describing the Soviet Union with glowing enthusiasm. In this meeting a question was asked about religion in Russia. And this was Reuther's answer: "We do not believe in God."

There is much more to the Reuther story — including his role as leader of the destructive sit-down strikes in which Communists plainly played a leading role — with open defiance of the law, brazen contempt of court orders, rioting, wholesale destruction of property, and bloody violence.

There is more to the Reuther story — much more. Do you need more? Roscoe Drummond in the New York Herald Tribune summed it up in a column back in 1956, when he said, "Walter Reuther does not have to be President of the United States to be one of its most powerful citizens."

WHICH WAY, AMERICA?

The campaign for President in 1960 is not the usual contest between our old-time political parties. It is a life-and-death struggle between Vice-President Richard M. Nixon on the one hand, upholding traditional American principles, and the candidate of the Walter Reuther party, on the other hand, with what this plainly implies.

The fight is between the things that have made America great — the America you know and love—and the left-wing socialism—first cousin to Communism — imported here from Europe. Its ruthless hand is plainly visible in the Reuther Party.

And under its ruthless hand, the Democratic Party in Michigan deed!

- ★ If there is any doubt in your mind that Walter Reuther is on the verge of applying the same principles of destruction to the country that he applied in Michigan, read the Democratic platform. This platform is lamely excused, ignored, or glossed over by some Southern Democratic politicians, but it is there — because the Los Angeles Convention, controlled all the way by the Kennedy millions and those of Walter Reuther's empire, gave the party no alternative.

We Believe:

That the majority of America's voters are vitally concerned about the welfare of our nation.

That we are not ready to start adding irresponsible spending measures to the approximately \$6,000 per family in the national debt.

That we are not willing to turn over more of our payroll dollar, now amounting to \$1.00 in taxes, for every \$3.00 earned in the average family to the Bureaucrats.

That on Nov. 8 we will prove to Mr. Reuther that we are not buying his power hungry Socialism and that the government still belongs to the people!

LIKE A BOY'S TOYS, some of the airplanes which landed here Tuesday afternoon sit on the ramp at Hereford Municipal Airport. Despite very overcast skies, more than 20 ships from the 12th annual All-Texas Air Tour landed at Hereford for a 30-minute visit. (Staff Photo)

COMPLETELY OBLIVIOUS to his heritage, young Leslie Allen Mullins would rather sleep than pose as part of four generations on both sides of his family. Standing, from left, are: L. A. Mullins of Roaring Springs; Mrs. Frank Mullins, Lubbock; Mrs. C. A. Saulcy, Westway community; and Mrs. L. A. Mullins, Roaring Springs. Holding Leslie Allen is Lester Allen Mullins of Lubbock. The young man was born Sept. 23. (Personal Photo)

YOUNGSTERS BLAST OFF
 TOLEDO, Ohio (AP) — Two boys were put on probation in juvenile court after they stole chemicals from Scott High School to stock a home laboratory where they experimented in rocketry. The mother of one turned them in to police when she saw a rocket made from a detergent can swooping around her home.

PTA members painted a 42-foot map of the United States on playground pavement. The states are painted blue, yellow and pink, and names and outlines are in black. The youngsters use the map for relay races from state to state and other geography-type games.

World acreage for wheat, the leader, is 500 million acres. Rice is second and corn is third in world grain production.

SCIENTIST AT WORK
 HUNTSVILLE, Ala. (AP) — When rocket scientist Dr. Wernher von Braun built a new home here, he paved the front yard with concrete and painted it green. "He hasn't got time to bother with mowing the lawn," a friend explained.
 Mark Twain wrote that the Pony Express riders "go swinging away like a belated fragment of a storm."

 Removing Wax
 To remove wax from your hardwood floors, apply carbon tetrachloride or turpentine with a soft, clean cloth. Remove the softened wax, go over the floor with a cloth wrung out of a soap-and-water solution, then rinse. CAUTION: These two cleaning agents are inflammable!

White Kid Gloves
 White kid gloves sometimes have a tendency to turn yellowish after a few cleanings. Avoid this by adding a teaspoon of powdered borax to your cleaning fluid.

Good-bye, Insects!
 Use a tank type vacuum cleaner for getting rid of annoying insects in the house when you wish to avoid the smell and fumes of a spray. Simply aim the flexible hose and nozzle at the pests, turn on the power, and presto—they'll disappear! Empty the bag, of course, somewhere outdoors -- soon!

Bathroom Tiles
 The joints between the bathroom tiles can be cleaned and whitened with a cloth that has been dampened in kerosene. You can wrap the cloth around a pointed tool or around your own thumbnail.

Easier Opening
 For a firm, no-slip grip when opening food jars with stuck or slippery screw caps, wrap a rubber band tightly around the cap once or twice.

REMEMBER WHEN?
 BY CHARLIE SEEDS
 She was nineteen years old, the daughter of an Amsterdam Avenue butcher in New York. Her name was Gertrude Ederle. And she was the first woman ever to swim the English Channel. She battled against the tricky tides in the cold waters of the Channel for more than fourteen hours -- and she made it. Her time of 14 hours, 31 minutes, was better than any man who had crossed before her, and overnight she became America's hero. When she returned to New York she was met by an official yacht, airplanes and Fire Department band. She paraded through a gigantic ticker tape welcome, and was greeted by Mayor Walker of New York.
 Gertrude Ederle never capitalized on her sudden fame. She retired to a quiet life. For her the quiet life had a special meaning, for Gertrude's hearing had been permanently damaged by the waves.
 Remember the year? Enduring performance over the long pull wasn't reserved for swimmers in those days. A man buying a car wanted to get a lot of service out of it, and he bought from a dealer who could give him that service.
 The year was 1926.
 We're auto service specialists, with the finest mechanic and the most up-to-date equipment to give you expert service. So, whether you're in the market for a new car, or trying to get the best from your present one, through dependable service, you can rely on CHARLIE SEEDS MOTOR CO., INC. W. Hwy 60, Phone EM4-2727

Students Are Participants In Annual WT Student Day

BY MRS. R. L. PINNELL
"Student Day" on the West Texas College Campus found several of our local people participating. Coaches Don Johnson and Jih Clark took a school bus of students, sponsored by Mr. and Mrs. John T. Lewis and Johnnie. They remained for the West Texas-Texas Western game that night. Those attending were Cathy Kromer, Paula Creitz, Donna Brownlee, Coralle Fortenberry, Phyllis Peters, Marilyn Tice of Walcott, Sue Brownlee and Ina Sue Ferguson, Harvey Bronniman, Paul Jackson, Jerry Milner, Calvin Peters, Perry Grubkey, Ronald Johnson and Jimmy Alsworth.

Cub Scouts had a pack meeting this week in the home of Den Mother Mrs. John T. Lewis. Parts were assigned for the next month's program on "Fire Prevention." The Fire Department has given much valuable information in sheet form which will help each cub to inspect his own premises for fire hazards. Each cub then made his own fire hat as a craft.

Refreshments were served by Mrs. Jim Perrins to Den Mothers Mrs. A. P. Jones, Mrs. Earl Brown and Mrs. Lewis and cubs Jim Cavin, Bobby Brown, Jimmy Clark, Dwane Grubkey, Johnnie Lewis, Raymond Jones, Jim Bob Perrin, Charles Harwood and a visitor, Wayne Bronniman.

The new driver education car arrived Thursday and is a yellow Ford "6" station wagon. It will also be used on short bus routes, ball game trips, and FHA trips.

Mrs. Don Johnson reports \$250 came in from the recent FHA King Contest, in which Wayne Milner was crowned. This money will be used to purchase two new dinette sets for the new home economics department. "Thank you's" went into the mail on Monday to all supporters of

this worthy project.

The girls and their teacher have been "rolling up their sleeves" and turning out the work finishing the beautiful cabinets. Curtains are being added, also. A contest within the organization for Posture and Personality Queens will be held in the very near future.

Miss Ester Sorrenson of Plainview, Area Supervisor in Home Economics, made her visit to the school on Friday. Hats off to a real addition to our school.

Simms Study Craft Club met Thursday in the home of Mrs. Thurman Davis. After the short business session, Mrs. Jim Stocks gave a talk and demonstration on "Artificial Respiration."

"Who is to know how many lives might have been saved if a bit of basic information had been learned earlier," Mrs. Stocks said.

Members present were Mesdames Glenn Hetzler, Claude Bogle, Jim Cavin, R. L. Pinnell, James Sessions, Jim Stocks and the hostess, Mrs. Davis.

The Seventh and Eighth grades enjoyed a weiner roast at the Grady Pridmore home Friday afternoon. Mrs. Hazel Chilton, teacher, organized the game while the hosts read the meal

for Billy Perry, Ricky Grubkey, Doris Horton, Linda Pinnell, James Whaley, Myrna Zaring, Linda Pridmore, Ina Sue Ferguson, Royce and Joyce Lovelless, Diana Cordova, David Whitten, Bucky Clark, Carroll Weidner, Mike Horton, George Harwood, Jolene Betts and Bob by Livingood.

Wednesday was picture-taking day for the annual. A representative of the Autrey Studio of Amarillo did the photography work.

Mr. and Mrs. Joe Brownlee and family were in Amarillo Sunday night to visit their nephew, Johnnie Brownlee, who was involved in a motor scooter accident Friday in Berger. His left leg suffered a compound fracture. He is the son of Mr. and Mrs. W. S. Brownlee and will be remembered by many.

Mrs. Lola Perry left Sunday night for Ft. Worth to be with a daughter, Mrs. Elmer Farnis, who underwent surgery this week.

Mrs. Horace Betts accompanied Mrs. R. A. Hill of Amarillo to Ute Park, N. M.,

this week to work on the Hill's cabin. On Saturday, Horace went after her and remained until Sunday. They towed the Betts house trailer back to Adrian for the newly-weds, Ninette and Hutch Boydston, to live in this winter.

Mrs. Gene Moore and Susan were brought home Friday by her father, Nelson Seago, of Lelia Lake. Mrs. P. H. Grubkey is staying with her until she is able to be up and around.

Mr. and Mrs. Joe Ostrander and Diana of Amarillo and son, Mr. and Mrs. David Ostrander of Lubbock, visited with the James Cavins on Saturday of this week.

Cathy Garrison placed 1st on her caramel candy at the Oldham County Fair Saturday

at Vega. Cynthia Kromer accompanied her cousin, Mr. and Mrs. J. R. McClendon and Lisa, all of Lubbock, on a visit with Cynthia's parents, Mr. and Mrs. Ferris Kromer, this weekend.

On Sunday, Mr. and Mrs. F. H. King and family, Mrs. Kromer's brother and a niece, Mr. and Mrs. Levio Mazzie of Hereford, joined the family for the day.

Mrs. Horace Betts took her mother - in - law, Mrs. Stella Betts, to Wichita Falls Saturday with plans to return home on Monday.

Mr. and Mrs. Fred Brownlee of Glenrio, N. M., visited with their son, Joe, enroute to Wichita Falls to visit his sister, Mr. and Mrs. Dollie Bird, this week.

Mr. and Mrs. Hallie Gee and sons of Bovina visited Sunday with Mr. and Mrs. Cavin and family.

Mrs. A. F. Roberts visited Mrs. Treva Ruce and Teddy Sunday at Canyon. Mrs. Ruce formerly lived on the Roberts Ranch in the Simms community.

Emmitt Dorris and sons Cone, Jay and Curt of Mosquero, N. M., visited at the Bud Heaton home Sunday.

How Can I?

By Anne Ishley

Q. How can I eliminate the usual embarrassing difficulty I experience in lighting the candles on my dinner table, some of these candles stubbornly refuse to light?

A. Try this system: Light your candles about an hour beforehand and let burn for a few minutes. Then blow them out and pour three or four drops of lighter fluid over their wicks. Then later, a touch of flame, and they'll light instantly.

Q. How can I keep hard-to-remove substance from gathering on the sides of my pan when boiling sweet potatoes?

A. A half-teaspoonful of bacon drippings or other grease, added to the water in which sweet potatoes or other root vegetables are boiled will do the trick.

Q. How can I remove petroleum jelly stains from fabrics?

A. Rub with kerosene. If the stains have been allowed to remain for a long time, soak in kerosene, then rub and wash with soapsuds.

Q. How can I make gelatin dessert or salad very quickly, when time is at a premium?

A. Mix your gelatin with only enough hot water to dissolve it, then use ice water for the remaining amount of the liquid. The gelatin will set in just a few minutes. Add fruit, if you wish but be sure that it is ice cold.

Q. How can I easily slip on rubber gloves?

A. Keep a salt shaker of cornstarch handy, and sprinkle a little on the hands before putting on the gloves. Cornstarch will not cake, as talcum powder sometimes does.

Q. How can I remove water marks from furniture surfaces?

A. Rub these unsightly spots with a damp cloth on which a few drops of ammonia or spirits of camphor have been sprinkled.
