

School Tax Election Saturday, April 30

VOTERS ARE CALLED UPON TO DETERMINE THE FUTURE STATUS OF SCHOOL AFFAIRS

The voters of the Hereford Independent School District will vote next Saturday, April 30, upon the question of allowing the School Board to raise the present rate of fifty cents on the \$100 valuation in an amount not to exceed \$1.00 per hundred.

This question, touching as it does the qualification for real citizenship of every local boy and girl now growing up, is of such vital import that The Brand has endeavored to get at the real facts by a series of questions and answers propounded to the Board and the special committee appointed to aid, and reproduces them herewith:

Size of District: About 72 sections (including City of Hereford).

Present basis for valuations: 100 per cent.

Present tax rate: 50c on each \$100 valuation.

Amount raised for school purposes: \$27,500.

How much did the State give us this year? A little over \$5,000.

Do we get this every year? No, the amount from the State varies.

Does any of our tax money go to the state? No, it is all used locally.

What does it cost per pupil per year? About \$50.

What is the enrollment this year? Over 700.

Are additional pupils expected in September? Yes, about 750 are expected.

What does it cost per month to run the schools? Over \$3,000.

Are present facilities able to give first class service? No, several additional experienced teachers are needed, two additional rooms must be repaired and equipped; quite a lot of repair work must be done this summer.

Does the Board contemplate a new school building if this election carries? No, not this year. But it may be necessary to erect "shacks" as temporary quarters for the overflow.

What is the Board asking for Saturday? Authority to raise the tax limit sufficiently to meet these needed improvements, with the legal limit of \$1.00.

Will the Board assess the full \$1.00? They pledge that not one cent more than is absolutely necessary will be added to the present fifty cents.

Will the present valuations be reduced and equalized if this election carries? The Board says the valuations will be reduced and a board of equalization selected to correct injustices and inequalities in the valuations.

What is the total amount of local taxes needed to carry out the program of the Board? \$35,000, which can be secured by lowering the present valuations a half million dollars, with a 70 tax rate.

If the election fails to carry how will the school be run next fall and winter until the new tax money comes in? There will be a deficit and the schools will either have to close or the Board will have to borrow the money privately.

If the standard of scholarship is not maintained will it hurt the schools' standing with higher schools of learning? Yes, the local schools will lose credits that it has taken years to build up.

Fourteen Kansas Houses Acquired To H. H. Halsell, A New Ranchman

Barnett & Thurmond report that they have recently handled a trade whereby O. M. Shore has acquired fourteen rent houses in Kansas in exchange for some land and cattle. H. H. Halsell, who purchased the Shore Bros. ranch some time ago, was on the other end of the trade. The new land adjoins that involved in the original deal.

HELP! SOMEBODY SEND FOR DOCTOR WATSON—QUICK!

There was an election held in Deaf Smith county last Saturday. The proposition was to issue \$50,000 in bonds for roads, and a maintenance tax of fifteen cents on the \$100 valuation. Below are the figures. Comment unnecessary:

| Casualty List | |
|-------------------|-----|
| For the bonds | 100 |
| Against the bonds | 310 |
| For the tax | 148 |
| Against the tax | 265 |

SANTA FE'S TIME CHANGE CARD HAS BEEN MAILED OUT

The Santa Fe has sent out its new time card, effective May 1. There is no change in the schedules of the local passenger trains beyond the switch from Mountain to Central time beginning Sunday morning the train will arrive on Central time, as follows: No. 21, west bound, at 7:42 a. m., No. 22, east bound, at 10:55 a. m.

Three Chances to Lower Fire Rates Offered Hereford

Anderson Witherspoon, City Marshal, is back home after attending the City Fire Marshals' and Fire Chiefs' eighty-eighth annual convention of the Association, held at San Antonio, Texas, April 21 and 22.

The big news Mr. Witherspoon brings is that Hereford can secure a reduction of three cents in the insurance key rate if Fire Prevention methods are taught in the public schools next year. He understands that the books will be furnished by the Fire Underwriters without cost, and only certain grades will have to study the subject about fifteen or twenty minutes each week. The matter will be presented to the School Board at once.

Another reduction can be obtained, it is believed, through the fact that Hereford has a full-time Night Watchman, and a third reduction perhaps when the new chemical engine arrives.

Mr. Witherspoon reports a big attendance and great interest in the annual meeting of the Texas fire fighter chiefs.

Library Drive is Successful; New Officers Elected

"Library Week" and the final rally on Tag Day last Saturday almost doubled the regular readers of the Hereford Library and added \$210 to the treasury.

Sixty-three new readers purchased a year's card at \$1.50 each. The ladies and girls of the city worked hard and enthusiastically all through the week and deserve much credit for their efforts. The Library Board asks The Brand to extend their hearty thanks to the public for their liberal support. Library cards have been mailed to all who purchased them, but if any were overlooked they are asked to notify either D. F. Ashbrook or Mrs. F. T. Roloson.

The new Board for the ensuing year has been announced as follows: President, D. F. Ashbrook; Secretary, F. T. Roloson; Treasurer, W. E. Hicks; Librarian, Mrs. F. T. Roloson; Chairman of Publicity Committee, Mrs. George Garrison. Other members of the Board are Mesdames Charles Donald, R. N. Mounts, Chris Garrison, W. A. Price.

The Board divided the work into three parts, as follows: Books for Children, Mrs. Chris Garrison, chairman; Reference Books, Mrs. F. T. Roloson, chairman, with Mrs. W. A. Price and Mrs. Charles Donald assistants; Fiction, Mrs. R. N. Mounts, chairman.

ROAD AND SCHOOL TAXES DISCUSSED AT MONDAY LUNCHEON

The weekly luncheon held at the City Cafe last Monday discussed the land-slide under which the road bonds and tax were buried and its causes and effect. The matter of the pending school tax election was also threshed out and committees appointed to aid the school board in putting the facts before the people.

It was determined to hold a mass meeting of the citizens at the Court-house Thursday night, at which these facts would be presented. In the afternoon on Thursday the school children were scheduled to parade in order to advertise the meeting. Those present Monday were: Homer Fox, G. A. F. Parker, Leonard Foster, J. H. Foster, A. A. Foster, L. Gough, W. B. Stockman, E. W. Harrison, N. C. Vogde, D. F. Ashbrook, Homer Wilkinson, D. L. McDonald, W. D. Howren, W. M. Knight, C. C. Rockwell, F. H. Britain, W. E. Dameron, Seth B. Holman, George Garrison, Walter Dunlap, C. A. Skelton, Melvin Standifer, Charles Bennett, Will Hodge, B. F. Hodges, J. E. Hill and Ralph Barnett.

OLD TIME WIND IS VISITOR SUNDAY; RAIN NOW NEEDED

Last Sunday ushered in the worst day of the year, from a wind standpoint, and reminded the old timers of ten years ago. About once each year, during March or April, a bad day such as this one comes along.

The sand and dust was annoying in the extreme, but Monday morning found the sky blue and calm prevailing.

Old wheat that has jointed is needing rain, but those wheat growers who have late plantings or those who have grassed their fields state that they can go for some time yet without moisture, although all would like very much to see a couple of inches fall.

HARMAN IS OWNER OF FINE BULL

Sophie's Pops Valentine, No. 181083, a registered and pedigreed Jersey bull of the first class, has just been purchased by S. L. Harman for use in his new Jersey herd, now being formed. This aristocrat was dropped February 14, 1920. His sire was Sophie's Improver No. 159038, a winner at the National Dairy Show of 1917, and his dam, Sophie's Golden Glow, a full sister to Sophie Adora, world's champion 2-year-old, selling at auction for \$3,500.

The bull cost Mr. Harman close to \$1,000 and was purchased through J. Riley Green of Wolfe City, Texas, who recently auctioned off two carloads of registered Jerseys at Hereford. Mr. Harman expects the animal to arrive here within a few days.

The Harman Dairy herd now numbers thirty head. It will be remembered that he purchased a number of the offerings of Mr. Green at the auction, and last week brought back thirteen more head from the auction sale at Canyon. His new barn is nearing completion and will be the last word in such matters when turned over to the owner for use.

Mr. Harman is turning loose a lot of money here and is preparing for business on a scale that speaks volumes for his vision and determination.

CHAUTAQUA PROGRAM IS GIVEN OUT

Advance agents for the Redpath-Horner Chautauqua, which opens a seven day engagement at Hereford beginning on Thursday, May 19, have arrived here and talked over plans with the local committee. Advertising matter has been received and distributed and the ticket campaign will be opened shortly.

D. F. Ashbrook is chairman and J. S. Jones secretary-treasurer for the 1921 Chautauqua. The big tent will be pitched on the same grounds as last year, opposite The Brand and Star Theatre.

The program is probably the best balanced and highest class of any heretofore offered by this circuit. The play will be "Broadway Jones," said to be a scream. Musical numbers, top-notch lecturers and novelties are scattered throughout the seven days' entertainment. The program as announced, by days, follows:

FIRST DAY
Afternoon: Vierra's Hawaiians
Evening: Vierra's Hawaiians; Charles H. Plattenburg

WHEAT MEN HAVE PLAN FOR POOL

About 100 interested farmers gathered in the District courtroom Tuesday afternoon at 2:00 o'clock and heard E. M. McCracken of Pampa, Texas, A. C. Slaughter of Wakita, Okla., and J. C. Sullivan of Tulsa, Texas, explain the need for an organization of the local wheat growers to be affiliated with the National Wheat Growers' Association.

Judge L. Gough presided as chairman and introduced the visiting speakers. These gentlemen explained in detail that capital and labor are organized and can demand of the public what they desire for their wares, while the wheat men, unorganized, cannot secure what they should for their grain. They held of the rapid spread all over the country of the Wheat Growers' Association and went into details of the proposed marketing plan, pooling system, elimination of speculators and stabilizing efforts of the Association.

After the explanations, local members were called for and thirty-six from the audience gave in their names. It was stated that about 350 farmers joined the association at Pampa.

Judge Gough, Troy Womble and Will Gilbreath attended the meeting at Pampa last week and became members at that meeting. Judge Gough and Mr. Womble went to Canyon Wednesday to attend another wheat meeting at that point.

FIRE WIPES OUT 3 OLD LAND MARKS

Between three and four o'clock last Sunday morning fire broke out in the new of three frame buildings standing on the extreme southwest corner of Main street, fronting the Santa Fe tracks and, in a short space of time all three had been wiped out with their contents. The corner two-story building, known as the old Gass mercantile establishment, was one of the oldest structures in Hereford and its first big general merchandise store. It was occupied by T. H. Mace's Auto Top Shop, Mr. and Mrs. Mace, with their family, occupied a rear room and escaped with only the clothes they wore, losing everything else. The building adjoining was used by the Spencer Second Hand store. Mr. Spencer and son, Roscoe, occupied rooms in the rear and also lost all their personal effects. Both these buildings were owned by John Moseley. This third building, a small, single-story frame, was owned and occupied by Henry Hellman's shoe shop.

It is understood that Mr. Moseley carried \$2,000 insurance; Mr. Mace, \$1,500; Mr. Hellman, \$1,000, and Mr. Spencer \$500.

Night Watchman Omer Baker discovered the blaze just as it broke out and Mr. and Mrs. Mace were making their escape. He states that he was sold afterwards by a party of men coming in from the west in an automobile that they noticed a light which seemed to come from the interior of the buildings just as he came into view, but saw him approaching and left the matter in his hands. He alerted his revolver in the air as an alarm and made a run for the fire station where, with others he brought out the truck and had water on the blaze when the firemen arrived. The buildings were old and dry and burned like tinder. The new fire department worked rapidly and smoothly under direction of Chief Rockwell and did splendid work in preventing the spreading of the flames. Electric light and telephone wires leading south and west were burned and for a time portions of the town were in darkness. But this was soon remedied.

Sunday afternoon the fire department again responded to an alarm which took them outside the corporate limits on B street in North Hereford. A stack of maize on the place of J. W. Henry was blazing. Water had to be brought from a windmill nearby. It was a mean proposition to handle, but the fire boys stayed with the job. Chief Rockwell employed a piece of barbed wire and a plow to cut down the stack and get the interior fire, and plugged away until he finally stamped it out.

COLORADO MEN ARE MUCH INTERESTED ABOUT IRRIGATION

O. Fauscher, of Holyoke, Colo., and Gen. W. Kirk of Plainview, Nebraska, stopped off in Hereford Monday for a few hours. These gentlemen were en route to Clovis in a car and were much interested in the irrigation and cattle prospects of the Hereford country.

The Brand Will Become Semi-Weekly Publication Beginning Tuesday, May 3

Effective May 3, 1921, The Brand will be advanced from a weekly to a twice-a-week or semi-weekly newspaper, publication days falling on Tuesday and Friday afternoon.

Advertising rates per issue will remain unchanged. Local subscribers and those within a radius of fifty miles of Hereford, known as Zone One in the postal regulations, will continue to receive two copies of The Brand each week for the old price of \$2.00 per year, just as long as the price can possibly be maintained at that figure. Outside Zone One the price will be advanced to \$2.50 per annum on June 1, 1921, to cover increasing mailing expenses. Subscribers outside Zone One who renew their subscriptions, or advance them one year, whether they are expired or not, will get the benefit of the old rate up to June 1.

The number of pages per issue will depend entirely upon the demand for space. It will range from four pages per issue upwards.

The publishers of The Brand have an abiding faith in the future of the Hereford country, in the progressiveness of its citizens, in a sure development which is bound to come when this temporary financial depression shall have passed. We are taking this forward step because it is our policy to endeavor to GIVE THE BEST POSSIBLE SERVICE in our field. We are taking it now because we believe that in times of stress it is good business to put your best step forward and to "Carry On" with all your might. We do not expect to make any money out of the change at present. Neither do we expect to lose any. In fact, we haven't any to lose.

And we believe the people of our community will appreciate the effort we will make to give them twice-a-week news and advertising service.

To get out two papers per week, it will be necessary to arrange a schedule and stick to it. Advertisers please take notice that copy for the Tuesday edition must be in the office not later than Monday noon, and for the Friday edition not later than Thursday noon. News items will have to be in not later than Monday and Thursday afternoons, respectively.

THE SCHOOL TAX

The results of the vote on next Saturday, when the question of allowing the trustees of the Hereford Independent School Board to raise the tax limit from fifty cents to a maximum of \$1.00, means more to this county, without a doubt, than good roads or any other question to be raised in the future.

Owing to the present limit of fifty cents and the tremendously increased cost of running schools, the board is faced with the embarrassing situation of not having enough money to run through the fiscal year, even with the strictest economy and with an empanelled teaching staff. The Hereford schools need more teachers of ripe experience if the work of educating our children is properly done. And it is not right to elect a board of trustees to manage the schools and then require them to give their personal notes to provide sufficient funds with which to finish the scholastic term each year.

Conditions are hard, it's true. We can get along with bad roads if we have to. But can we afford to postpone the education of the children until better times roll around?

The Brand earnestly and sincerely hopes that the people of the district will give careful and sober thought to these conditions before they allow themselves to cast a ballot against this measure—the most important one facing them now, or at any time.

THE ROAD VOTE

Post mortems sometimes disclose causes for disaster, sometimes they do not. Blind sight is said to be safer than foresight. It would have taken a prophet of Israel to foretell the state of the vote against the road bonds and maintenance tax last Saturday, although shrewd observers were fearful of the result from the first.

A post mortem would probably show that there were two underlying causes for the result: (1) the strained financial conditions and its attendant psychological effect upon the tax question in the minds of the voters; (2) the real facts in the proposed measures were not properly put before the public.

Baseball pennants are not won by a single game and the best teams lose occasionally. Averages are what count. This first backward step for Deaf

Smith county harts, of course, but "we can't win 'em all" and roads will come when this existing depression passes.

The best way to meet this situation, in our opinion, is to carefully note the lessons of the campaign, store them away against future use, and then forget it for the present.

Spring Lake News

(Too Late for Last Week.)

The Ladies' Aid was well attended at Mrs. Earnest Jones' Thursday.

Several from Spring Lake attended the Sale near Muleshoe Thursday.

M. E. Cleavinger and son bought the Foreign Tractor at the sale.

Messrs. Yoder and Wilson went to Muleshoe this week on business.

Born—To Mr. and Mrs. Bert Abbott, a girl, April 15th.

Cecil Johnson took grain to Hereford Monday.

Dr. Miller was called to see Ira White Saturday.

Mr. Langston and family, of Plainview, visited in the home of Asa Wilson Sunday.

Mr. Eubanks and wife, Mrs. Nible of Muleshoe, and Mr. Lacy of Kansas City visited at the J. I. Phipps home Sunday.

All that attended the last day program of Mr. and Mrs. Henson's school at Sunny Side enjoyed it immensely.

Mr. and Mrs. Russel White spent the day with Ira and Ora White Sunday.

Posey Cunningham sold nine head of hogs this week.

Cleave Hamilton and family spent Sunday at Ernest Jones'.

Ernest Charley and Sam Jones have purchased a Ford truck.

The road graders are doing some fine work on the south end of Castro County.

CLEO

Preaching at Cleo Saturday and Sunday by Edd Benton, of Cone, Crosby Co., who preached (we think) as good a sermon as we ever heard at Cleo or any other place.

Mr. and Mrs. Hilliard and children, Mr. Wilson and some ladies whose names I didn't learn, were over from Talia. Grandpa Purcell of Hereford and several people from Dimmitt were

also in attendance.

Our Literary Society was well attended last Saturday night. Program and music was good. Also had two good and laughable dialogues.

While most of the people were at preaching last Saturday, about 12 o'clock, O. M. Burch's granary and garage which happened to be out east of his other improvements caught fire and were totally destroyed, but as Elmer and Ollie Dixon were at home and saw the fire, they gave the alarm by phoning and a crowd soon gathered and saved most of the grain by chopping in the side of the granary and pulling the grain out with field hoes and pouring water on the fire.

Mr. and Mrs. Galle, of Chicago, who have been visiting their son, F. H. Galle, and family of Cleo, for the past few months, returned home a few days ago.

Mr. Maud Rippey bought and moved to his place last week C. J. Terrell's steel silo. He is going to build granaries out of it.

Mr. and Mrs. Yokum, of Cleo, visited old friends and relatives at Summerfield the latter part of last week.

Still dry. Wheat is needing rain badly. Grass has about growing. Fruit is pretty well all killed, I think, in this community, but we can't expect every year to be an ideal crop year. We have had three good years in succession, so let us be thankful for the many blessings that we have received in the past and for those we receive daily.

PARROT

F. R. Metcalf is in south Texas looking after his cattle interests.

Mary Pickford as Heroine of Famous New England Story

New Edition of "Rebecca of Sunnybrook Farm" to be Shown at Star Theatre

In direct contrast to the vast number of sex and problem photoplays that are occupying the screen these days is Mary Pickford's famous picture, "Rebecca of Sunnybrook Farm," which will be on view at the Star Theatre on Saturday night, April 29.

This is easily one of Miss Pickford's best vehicles as well as one of the most popular and charming stories in all American literature. It is a tale of New England childhood, involving such familiar incidents as visitors' day at school, the home-made circus, canvassing for soap premiums, and going away to boarding school. Miss Pickford has made the role of the little heroine fairly live up on the screen.

"Rebecca of Sunnybrook Farm" is for grown-ups as well as children. For the older folks it cannot help but strike reminiscent chords, and the kiddies will be overjoyed with it. Such favorites as Eugene O'Brien and Marjorie Daw appear in the supporting cast, and Marshall Neilan directed the picture. It is an Artcraft release.

What of 1931?

When buying a tractor today you should consider, "How long will it last?" Will it run for two, three or four years and then be consigned to the scrap heap? Will the repairs after the first year soon double the original cost? Or will it be giving dependable service in 1931? These are facts you should seriously consider.

Many of the first OHPull tractors built 12 years ago are still running. Introduced in 1909 they demonstrated their dependability and economy in developing the raw prairie of Canada into the fertile wheatlands which they are today. Originally built with a two cylinder heavy duty motor, heretofore burning design, all spur gear transmission and extra large factors of safety to take care of additional strains from heavy work, many of these old OHPull are still working faithfully.

In these twelve years OHPull tractors have proved their remarkable ability to work steadily and constantly hour after hour, and day after day. They have proved their economy of upkeep—there being hundreds of cases like that of the first OHPull built, and still in use, whose owner vouchers for the fact that in twelve years his repair bills have not exceeded five cents per day.

Before you buy your tractor have us give you a list of OHPull owners in this locality. We want you to talk with them about OHPull performance.

A Good Citizen Goes to Rest
Mr. Geo. Douglas, of Dimmitt, Tex., died suddenly Thursday morning, April 24, 1931. He was only sick two hours, the morning he died, but had been ailing for some time.

Mr. Douglas was born Sept. 4, 1847, at Franklin, Ken., where his parents moved from Dublin, Ireland.

He was seventy-three years and seven months old at the time of his death.

At the age of three years he moved with his parents to Kansas City, where he lived until he was married, on Sept. 21, 1870, to Miss Casandra Boon. Unto this union, nine children were born. He is survived by his wife and six children: Mrs. Herman Eckert, of Kansas City, Mrs. Jim Carter, of Oklahoma City, Mrs. J. C. Cummins and R. O. Douglas, both of Hereford, Texas, J. D. Douglas, of Los Angeles, Calif. and Norman Douglas of Ridgeway, Mont.

Mr. Douglas moved to Dimmitt March 18, 1907, where he lived until his death.

SENATE JOINT RESOLUTION NO. 1
Proposing an amendment to Section 3, Article 6, of the Constitution of the State of Texas by providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and

permitting either the husband or the wife to pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting. Be it resolved by the Legislature of the State of Texas:

SECTION 1. That Section 2 of Article 6 of the constitution of the State of Texas be amended as hereafter to read as follows:

Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this State one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided, that electors living

in any unorganized county may vote at any election precinct in the county to which such county is attached for judicial purposes; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer such oaths that such tax receipt has been lost.

Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like manner the wife may pay the poll tax of her husband and receive the receipt therefor.

The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enforcing without the necessity of further legislation.

SECTION 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held throughout the State on the fourth Saturday in July, 1931, at which all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment of the State of Texas providing that only native born or naturalized citizens of the United States shall be qualified electors in this State, and providing that either the

husband or wife may pay the poll tax of the other and receive the receipt therefor, and permitting the Legislature to authorize absentee voting."

SEC. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and have the same published as required by the Constitution, and existing laws of the State.

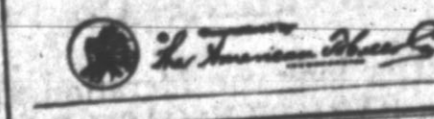

SEC. 4. That the sum of Five Thousand (\$5,000) Dollars, or so much thereof as may be necessary is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated to pay the expenses of such publication and election.

S. L. STAPLES,
Secretary of State.

ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—and work a burden? Have you suspected your kidneys? Hereford people endorse Doan's Kidney Pills. Ask your neighbor! You can rely on their statements.

Mrs. W. B. Anthony, Hereford, says: "Not so very long ago I used Doan's Kidney Pills with great results. My back ached all the time and I could hardly stoop over, and when I did such sharp, stinging pains would catch me in the small of my back. I could hardly straighten up. Every muscle in my body was sore and it hurt me to move. I was tired and worn out all the time. I also had dizzy spells and felt weak. My kidneys were weak and irregular in action and there were other symptoms of kidney trouble which were annoying. I saw Doan's Kidney Pills advertised and began using them. Three boxes of Doan's Kidney Pills cured me entirely of all the trouble." 50c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Club Gives Open Program

The Music Study Club, in its open program Monday afternoon, was hosted to a large number of the music lovers of Hereford, the event taking place at the Presbyterian Church and combining the delights of a most entertaining musical program with those of a charming social affair.

Upon their arrival, the guests were welcomed into the church annex whose atmosphere of welcome was heightened by the effective use of sprays of honeysuckle and blooming pot plants. Here delicious punch was served, the guests later being shown to the main auditorium where the program was given, ferns and flowers being here attractively combined in decoration.

The program was in charge of Mrs. Arch Collins who, with that evident knowledge of the various numbers which characterizes the skillful leader, contributed much to a better appreciation of the program.

The musical selections were chosen from those that had appeared on the year's study outline, each illustrating a musical form studied. Together, they represented a fairly complete resume of the year's work.

The program was given with but few changes, as follows:
Overture from Caliph of Bagdad—Boaldieu—Miss Tatman, Mrs. Broadwell.

"Father in Heaven," adapted to the Largo—Handel—Warhurst—Mesdames Wilkinson, Stocking, Thompson, Estes.

Prelude—Chopin—Mrs. Stanford.
Gypsy Dances—Woodman—Mesdames Fox, Guthrie, Price, Stocking, Hawkins, Broadwell.

Ballade in A flat—Chopin—Miss Williamson.

Sketch of Schubert—Mrs. Price.
Who is Sylvia?—Mrs. Mounts.

Overture from "Carmen"—Bisset—Mrs. Monday, Mrs. Wilkinson.

Dance of the Pinetree Fairies—Froman—Mrs. Norton, Mrs. Ferguson, Mrs. Dameron, Miss Lambert, Mrs. Hawkins, Mrs. Ashbrook.

Toccatto in a minor—Bach—Miss Lambert.

Development of the Opera—Mrs. Donald.

Aria—"Je la, de me voir," from "Romeo and Juliet"—Gounod—Mrs. Oberthier.

Hungarian (Rakoczy) March—Berlioz—Alder—Miss Williamson, Mrs. Parker, Mrs. Dyer.

Development of the Oratorio—Mrs. "I Know that My Redeemer Liveth," Allen.

One of the first picnic parties of the season was enjoyed Saturday at the Mooney ranch east of town, a number of school girls with their chaperones making up the jolly party.

Fishing, various outdoor sports, and a bountiful picnic luncheon combined to make a most enjoyable outing for: Misses Doris Kemp, Geraldine Harman, Lucille Hicks, Inez Clark, Zoe Womble, Benlah Lee Rutherford, Doll Megert, Margaret Gilliland, Nona Brazil, Mary Valentine, Mary Pauline Ray, Mrs. Gregory, Mrs. Ray, and Frances and Oliver Ray.

Entertained in Amarillo
Mr. and Mrs. John McLean and baby, Mr. and Mrs. A. Herbst, Mr. Bobo McLean and Miss Clara Dunlap were guests of Mr. and Mrs. B. S. Arnold of Amarillo over the week-end.

Saturday evening, they were entertained with an informal party at the Arnold home. Sunday they were joined by a number of Amarillo friends in a picnic party to the canyons, spending the day "near to nature's heart" most enjoyably and returning to Hereford Sunday evening.

Teachers Give Dinner
Expressive of the pleasure each has felt in the year's association together the teachers of Central School enjoyed a delightful dinner party Friday evening, guests of special honor being Supt. and Mrs. L. M. Fertsch.

The dinner was served at six o'clock at the pretty home of Mrs. C. S. Garrison, principal of Central School.

An attractively appointed table featured a beautiful centerpiece, formed of sprays blooming rose geranium artistically arranged. Suggestive place cards created much merriment, their clever inscriptions picturing individual characteristics or familiar events of school life. The menu, served in three courses, was most attractive and delicious.

Following the dinner, tables were paced for forty-two, the remainder of the evening being devoted to this popular pastime.

The occasion was a real delight and was enjoyed by Supt. and Mrs. Fertsch, Misses Mattie Swisher, Mahala Williamson, Lucille Brandt, Virginia Lowler, Elizabeth Corbett, Gusie Christian Helen Frebele, Mr. and Mrs. James Lpcomb, Mesdames G. A. F. Parker and C. S. Garrison.

Mrs. Potts is Club Delegate
Mrs. J. Frank Potts left Sunday morning for Wichita Falls, where she goes as delegate from the Bay View Club to the meeting of the district federation of women's clubs. She will also make her yearly report as district chairman of public health, which office she has held for the past two years.

Mrs. Potts is being urged to become a candidate before the convention for the office of district vice president. The honor comes to her entirely unsought and is due to the prominence she has attained in club circles over the district by her excellent public health work. The clubs of Hereford are unanimously supporting her candidacy and are confident of her election.

Let This Soak In
The Chautauqua This Year Will Be a Hummer

When it comes to building programs there is no argument: Charles F. Horner is the king of them all. This is the reputation he has in his own field as well as with the communities he is serving.

When Charles Horner sets himself to accomplish something unusual as he has this year, the results are spectacular. Mr. Horner has stated that the 1921 program will be his greatest to date. Therefore it will serve you well to arrange your time to see all of this.

Bay View Club

A pleasing change from the distinctly practical to the ethical and philosophical was the delightful lesson based upon the first two chapters of "Blue Bird," which formed the study for the Bay View Club on Thursday. Under the capable leadership of Mrs. Ray Barber, the lesson proved most interesting and helpful.

A sketch of Maeterlinck, by Mrs. D. C. Laird gave the important facts in the life of this great present-day dramatist and the works by which he is best known, while the play was vividly brought before the club in an excellent review by Mrs. Charles Donald.

The text of the play furnished material for a question analysis that brought out important points in the chapters studied.

Mrs. W. E. Dameron was hostess for the afternoon.

Redpath-Horner has succeeded in securing George Vierra's original Hawaiian company for the entire season. Vierra's Hawaiians are no more like the ordinary company than a grand organ is like a concert grand piano. CHEMICAL ENGINE DELIVERED HERE AFTER LONG TRIP

Hereford's new chemical fire truck arrived here Thursday afternoon, after an overland trip from Dallas. The machine was in charge of R. C. Barbee, representing the Southern Fire Apparatus Co. of Dallas.

The chemical has a capacity of fifty gallons, which can be charged in five minutes. It is painted a bright red and carries all the extra lights, axes, siren, etc.

Mr. Barbee was planning to give a demonstration of the efficiency of the machine, either Thursday afternoon late or Friday morning.

Mrs. M. J. Williams

Information has been received here that Mrs. M. J. Williams passed away April 26, at Ocean Park, Calif. Her daughter, Mrs. J. L. Swayme, and son, Charles B. Williams, were with her at the time.

Miss Mary Jane Baker was born in Alabama in 1843 and united in marriage to J. D. Williams in the early sixties. To this union were born ten children, of whom seven survive: Mrs. Maud Davis of Arkansas, Mrs. J. D. Fowler and Sam P. Williams of Heavener, Okla., Mrs. Ida Smith of Oklahoma City, Mrs. J. L. Swayme of Ocean Park, Calif., and C. B. and S. J. Williams of this city.

Funeral services will take place next Sunday at Hartford, Arkansas. S. J. Williams will accompany the remains to the last resting place.

HEREFORD WINS IN SIX INNINGS OF WIND-BLOWN GAME

Hereford and Texico-Farwell baseball teams played a hectic six inning baseball game here last Sunday afternoon, the locals winning out 11 to 6. The terrific wind and sand storm made good playing impossible. Five home runs were recorded, three for Hereford. A return game will be played at Texico Sunday week.

PROPERTY OWNER FROM MISSOURI IS VISITOR FOR DAY

H. P. Hurst and son-in-law, Harry D. Fay, of Tarkio, Mo., arrived in Hereford last Friday and left for their home the following day. Mr. Hurst owns considerable land west of this city and is highly elated over the prospect of the future of the Panhandle. Mr. Fay is a business man of Tarkio and has also had considerable experience in newspaper work.

PLAINVIEW NEEDS RAIN, TOO, STATE SOUTH PLAINS MEN

J. E. Kellehor of Plainview, a brother of W. D. Kellehor of Hereford, visited Hereford Tuesday, accompanied by L. M. Blakemore, also of Plainview. The visitors said Plainview needed some ready money just like Hereford, and that rain was also needed to insure the wheat crop.

A PAIR COYOTES KILLED NEAR TOWN AFTER SHORT HUNT

Tuesday afternoon Sheriff Purcell and family and John McLean, Wes Brady and George Karr drove out to the Brady ranch and joined Mr. Ross in a coyote hunt. Two of the pests had been located by Mr. Ross, who foned in for the party to come out. Quite an exciting hunt was enjoyed, and both animals were run down and killed within an hour and a half.

Cash Basis

TO OUR FRIENDS AND PATRONS:

After long consideration we have decided to go on a STRICTLY CASH BASIS, effective May 1, 1921.

We are taking this step owing solely to financial conditions. We like to be in position to accommodate our patrons by carrying their accounts, when we are able to do so. But present distressed financial conditions make it impossible for us to carry accounts on our books and meet our own obligations, which we must pay with CASH.

To offset the absence of credit we intend to make our PRICES SO ATTRACTIVE that you simply cannot afford to overlook them. And we will continue to make PROMPT DELIVERIES of all purchases made of us, as in the past.

We don't believe it necessary to explain further—everybody knows the fix everybody else is in. We appreciate your business and good will as much as any merchant could appreciate them, and hope you will continue to favor us with your CASH business. But please do not ask us for credit after May 1—such a request will only embarrass us both.

Respectfully yours,

More Price Reductions by Harvester Company

Entire Line of Implements Now at LOWER PRICES

In view of the recent reduction in the price of steel, we now announce lower prices for our entire line of farm machines and implements not covered by reductions previously announced.

All lower prices take effect at once

The reduction in the price of steel comes after all the material for the machines and implements we will sell this year has been provided, and will therefore have no bearing on the manufacturing costs of such machines. However, it does enable the Company to buy materials at lower prices for future manufacture, and in accordance with our announced policy we now quote those prices, the Company taking the loss on machines already finished and materials on hand.

Full information regarding our lower prices on binders, mowers, and all other harvesting, haying and corn machines, tillage implements, tractors, engines, and all other I H C farm machines can be obtained from any International Dealer.

WELL THIS WEEK

Car of machinery arrived in Panhandle last night for the Gulf Company, including pumping machinery and two 500 barrel storage tanks.

C. M. Fyren loaded the machinery out for the well this morning and states that he will have the well pumping about next Wednesday.

If the well is ok'd by the company it is expected that work will begin soon laying a pipe line into Panhandle so as to load the cars for shipping the oil. The company's engineer has already selected the route.

The Humble people have ceased off the gas in their well and hope to strike oil in a few days.

The Smith-Capers well will begin drilling again next week.

A force of men are now laying a pipe line from Gulf No. 1 to the well for fuel.

B. G. Cockrell closed a contract last Friday with Oklahoma parties who will begin working right away on a new well to be located on the Cockrell ranch just east of the Smith-Capers well. Considerable interest is being manifested in this new location.

We are expecting to announce next week another location which will be watched with unusual interest, but the contract is not altogether closed as yet. Strangers and oil men from various sections of the country are in Panhandle every day looking over the situation and several deals in oil and city property have been made during the week.

While there seems to be very little doubt in the minds of the knowing ones as to the certainty of a big oil field, yet there is some hesitancy until the Gulf well is ok'd by the company. When that announcement is made there is going to be a real boom on in both town and oil developments.—Panhandle Herald.

GRAFTERS WORKING IN DALLAM COUNTY

What appears to have been a swindling graft of no small dimensions was pulled off in this county during the past month by five smooth talking individuals who are said to have gotten off with in the neighborhood of \$10,000 of the good money of Dallam county citizens. These men operated in Texline, Dalhart and Channing and in the country around those towns, and their scheme was to sell stock in co-operative grocery stores to be located at Texline, Dalhart and Channing, where stockholders were to get groceries "at cost."

To make their "stall" good these fellows are said to have contracted for a store building at Texline for a rental of \$100 per month, and at Dalhart

ton, 120 yearlings, at \$12; A. M. Smith, 207 one-year-old steers, at \$4.50.

Some ways also brought from Earl Frye and Will Price.—Dalhart News.

An edict against the wearing of short skirts and the displaying of arms has been issued by the city magistrates of Shanghai. In future offenders will be arrested and fined.

McGEE WELL SHOT BRIDGED 200 FEET FROM BOTTOM HOLE

The "shooting of the McGee" Sunday was witnessed by many Tucumcari citizens. All day long many autos of people visited the well and saw the "shooters" pour nitro-glycerine into the long tubes and send them two at a time to the bottom of the well. When 220 quarts were placed in the bottom from 2252 to 2286, two torpedoes were dropped and the well was shot. Parts of casing and other debris were thrown high in the derrick. No oil came out except a little which was put on the nitro buckets to assist them to slip easily down the well.

Upon examination it was found that the well was bridged 200 feet from the bottom with debris and the flow of gas which was visible before the shot, was shut off. It is not known and will not be until the hole is drilled out whether there is oil or not as the bridge would completely shut off everything. The drillers tried to penetrate the bridge but it is hard and now it is thought it will be at least two weeks before the result is known.—Tucumcari News.

NEW MEXICO GETS PANHANDLE CATTLE

The 2,500 head of graded Hereford cattle bought several weeks ago by W. O. Williams of Wichita Falls and Roy Bruner of Hereford from parties in this and surrounding counties are now being delivered, and are being shipped to their pastures near Clayton, N. M. The larger part of these cattle will be shipped from Floydada and Lockney. The cattle will require about sixty cars. They will be shipped to Stratford, Texas, and driven from there to the Williams ranch, in New Mexico, which contains 183,000 acres.

The deal involves about \$112,000 and was as follows: J. P. Crawford, 900 coming yearlings, at \$30; D. D. Shipley of Floydada, 500 coming yearlings, at \$40; Chas. Saigling, 400 coming twos, at \$55; Chil Slaton, 100 yearlings, at \$37.50; Doc Burleson of Briacoe county, 140 yearlings and coming twos, at \$37.50 and \$45; Oakley McGill of Ol-

As resistless as Niagara, the electric cookery idea is sweeping the country

SCARCELY anywhere will you find any modern housewife who does not know of the wonders of electric cookery. Practically every community in the land now has electric ranges in use in its kitchens.

Our low cooking rate for electric current makes this modern method of preparing food available to you. Compared with the freedom from dirt, heat and bother of other methods, the cost of electric cookery is slight indeed.

Did you know that you could secure a Hughes Electric Range from us on very easy terms, with but a small payment down? Our payment plan enables you to use the range and derive its benefits while paying but a small sum monthly on the purchase price.

To select the range best suited to your requirements you should have a copy of our combined catalog and recipe book, "What Every Kitchen Needs." This de luxe booklet will be sent free on request. If you will call at our office we will gladly give you your copy, or if you prefer you may clip the coupon below and mail it to us, after filling in your name and address, and a copy will be sent you.

There are six vital reasons why you should own an electric range: it is modern, cool, cleanly, convenient, cooks better food and does it in a more scientific manner. We offer a really low cooking rate. If you will call at our office we shall be glad to explain the many superiorities of the Hughes Range. A postal request brings our free de luxe booklet, "What Every Kitchen Needs."

Statement

As you will notice from a glance at this poster, this is not a Clothing Out Sale preparatory to going out of business, but rather, a Clothing Out Sale preparatory to staying in business on a broader and more economical basis. We have a big stock of good, clean new and up-to-date merchandise as good as the best; it was bought right and we are going to sell it right; as you will see by referring to prices contained herein. During the 16 months we have been in business in Hereford as the firm of Hughes & Crouch we have built up a trade among the good people of this territory that we are especially proud of. Our many customers have helped us to build up our business and make it what it is by their unflinching loyalty to us and we are now going to show them our appreciation by throwing open the doors of our store for 15 days and closing out our entire stock to them, or as much thereof as they want, at prices that absolutely carry no profit above expenses. We believe they will appreciate this action upon our part, more particularly at this time when merchandise is high, produce cheap and money scarce.

NOTICE OF SPECIAL MASTER COMMISSIONER'S SALE

The District Court of the United States, for the Northern District of Texas, Am... WHEREAS on the 26th day of March, A. D. 1921, in cause No. 107 in Equity, wherein...

WHEREAS, on the 4th day of April, A. D. 1921, an order of sale issued out of said Court, directing me, the undersigned, Special Master Commissioner named in said final decree, to sell the hereinafter described property...

NOW THEREFORE, by virtue of the authority vested in me by said decree and Order of Sale, issued out of said Honorable District Court of the United States for the Northern District of Texas, at Amarillo, on April 4th, 1921, by the Clerk thereof, in the said case of Cairo A. Trimble, Plaintiff, vs. Mary L. Waller, Defendant, et al., I will proceed to sell, within the hours prescribed by law and in accordance with said decree, on the first Tuesday in May, A. D. 1921, at 10 o'clock in the forenoon of that day, at the Court House door of Deaf Smith County, Texas, in the City of Herford, Texas, the following described property, situated, lying and being in Deaf Smith County, Texas, to-wit:

First Tract: All of Survey Number One Hundred Thirty-three (133) Block N-7, Certificate Number 1344, patented to E. H. Norton, assignor of Batty, Seale & Purcell, Patent Number 43, Volume 39, containing 641.7 acres of land and described by corrected plat notes as follows, to-wit: Beginning at a pipe and stone on the NW corner of a large lot stone set on edge in a mound between two...

Second Tract: All of survey No. One Hundred Thirty-two (132), Block N-7, Certificate No. 1343, awarded to E. H. Norton, containing 652.16 acres of land, and described by corrected plat notes as follows, to-wit: Beginning at a pipe and stone on the SW corner of Survey 131 for SW corner of this survey; thence N, at 27 varas, the center of Tierra Blanca Creek, course NE at 345 varas, across said creek course NW and at 324 varas across said creek again, course E at 1906.5 varas a pipe beside a stone for NW corner of this survey; thence N, at 27 varas a pipe beside a stone on the NW corner of Survey 131 for NE corner of this survey; thence S, at 1469 varas across Tierra Blanca Creek, at 1469 varas, across F. V. & N. T. R. R. at 1695 varas the beginning; being all of said survey No. 132, except the right of way of Pease Valley & Northern Texas Railroad across SE corner of said survey;

Said property levied on this 5th day of April, 1921, as the property of Mary L. Waller, Defendant, and her husband, B. M. Ren, L. E. Stone, A. F. Luse, F. L. Luse (also called Ferris L. Luse) as in her own right and as executrix of the will of R. G. Luse, deceased, and A. C. Russell, to satisfy a judgment and...

Now therefore, be it ordered by the board of trustees of the Herford Independent School District that an election be held at the Deaf Smith County Courthouse, in the town of Herford in said Herford Independent School District on the 30th day of April, 1921, to determine whether the Board of Trustees of said District shall have the power to annually levy, assess and collect a tax upon all taxable property in said district, for the support and maintenance of public free schools in said Herford Independent School District, of and at the rate of not exceeding One (\$1.) dollar on the \$100 valuation of all taxable property in said district; such tax, if voted, to be levied and collected for the year 1921 and annually thereafter unless discontinued as provided by law.

E. T. Woodburn is hereby appointed manager of said election, and he shall select two judges and two clerks to assist him in holding the same.

None but property-taxpaying voters, who are otherwise qualified to vote in the Herford Independent School District, shall vote at this election.

Those favoring the tax shall have written or printed on their ballots the words, "For the Maintenance Tax" and those opposed to said tax shall have written or printed on their ballots, "Against the Maintenance Tax."

A copy of this order signed by the president of the Herford Independent School District that an election be held at the Deaf Smith County Courthouse, in the town of Herford in said Herford Independent School District on the 30th day of April, 1921, to determine whether the Board of Trustees of said District shall have the power to annually levy, assess and collect a tax upon all taxable property in said district, for the support and maintenance of public free schools in said Herford Independent School District, of and at the rate of not exceeding One (\$1.) dollar on the \$100 valuation of all taxable property in said district; such tax, if voted, to be levied and collected for the year 1921 and annually thereafter unless discontinued as provided by law.

The Methodist Missionary Society
 The Methodist Missionary Society for April 20 opened with hymn, "Jesus is All the World to Me," followed by a prayer by the president. The society decided to revise the role and it was done at this time.

Mrs. Ashbrook took charge of the lesson, reviewing the lesson for last week before beginning the day's study. The study was a continuation of the lesson of Jesus' life and our conception of it. The program was rendered with discussions as follows:
 Healing of The Nobleman's Son at Cana—Mrs. J. B. Jones.
 Rejection at Nazareth—Mrs. Newell.
 Sea of Galilee; Call of Peter and John—Mrs. Parker.
 Healing of the Demoniac; Casting Out of Devils—Mrs. Potts.
 Healing of Peter's Wife's Mother—Mrs. Purcell.
 Preaching Tour Through Galilee—Mrs. Price.
 Healing of the Leper—Mrs. Robinson.
 Healing of the Palsied—Mrs. Rockwell.
 Call of Matthew—Mrs. Spratt.
 Special music—Mesdames Price and Thompson.

The course of study now being followed by the Missionary Society is interesting and instructive along practical lines as well as Historical. It gives a definite knowledge of Jesus' life and teachings. It is something well worth the time and effort and those who fail to take advantage of this chance to learn beautiful Bible truths, are the losers.
 The next meeting will be a social meeting, with Mesdames Rice, Thompson, C. E. Bowers and Miss Rayzor as hostesses.

Program for May 4, 3 p. m.

Ford

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921 and how many have been sold to retail customers, in the United States.

| | Produced | Delivered to Retail Customers |
|-------------------------|----------------|-------------------------------|
| JANUARY | 29,883 | 57,508 |
| FEBRUARY | 35,883 | 63,603 |
| MARCH | 61,586 | 87,221 |
| Total Production | 127,074 | Total Retail Sales |
| | | 208,032 |

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

now have about three more weeks school. The teachers and students beginning the preparations for the Class play.

As the Friona people know or see from the oil well activities here are not. Without giving even so much as a hint of a reason, the company and drilling operations, drew a part of the casing from the hole, discharged removed the drilling crew, placed a guard at the well and vicinity of the well. They haven't peevish us, but no one seemed to care whether they "struck oil" or not and we were praying they would not. We feel that this is destined to become a great agricultural country and should be left to its own alone as such, without the aid of any oil gamble. No one has ever expected there was oil here. The Prairie Oil and Gas Co. suspended operations, but now we are all assured the bottom of the hole is just above one of the greatest oil pools of oil that has ever been tapped.

It has leaked out that the drill had struck a geological formation which is essentially the same as that covering the oil pool at Ranger. Then, why did they not go the 4,000 feet contracted for? Why was the bit lost in the hole for three months before finally recovering? Why only a few feet drilled before the tools were lost and then still there? Why did they stop work with

no apparent effort to recover those lost tools? Why a constant guard over the premises? Yes, Why? Why? The reason is apparent. The market for crude oil and oil products is dull. The monster gushers in the new field recently developed in California are now furnishing all the out-put the Standard cares to handle under existing conditions. Then why bring in more? Let it wait until the oil market picks up; until a new tariff law is passed putting oil on the protected list; until the income tax law has been repealed; until the people who own the land have become utterly indifferent and some innocent looking party has quietly leased all the land for miles around. Then things will begin to pop and sizzle about right and hundreds of derricks will be raised and as many wells be put down and gusher after gusher will be brought in from the greatest and most boundless oil deposit on the face of the globe. Note our predictions.

Friona is for a printing plant combining a newspaper and job work. First call first served, if your proposition is right.

A new store building, 40x100 feet, a new garage 50x80 feet, and a private garage 14x20 feet are among the proposed improvements for Friona in the near future.

Rev. C. M. Stevens returned to Friona last week from Clearwater, Minn., where he has been serving as pastor of the Congregational Church for the past year. He says the Plains country suits

him better than any place he has found and he has come to locate here permanently.

Kingsley's well drilling outfit last week completed two wells. One for Oscar Turner, two miles west of town, and one for A. O. Drake at the north edge of town, and on Monday began drilling a well on a half section lying north of the railroad about midway between Friona and Black. This is raw land owned by a Mr. Shipman of Illinois and leased to G. W. Davison of this place who will break the sod and farm the land. A well, a dwelling

house and all other necessary improvements to be placed there before October 1st.

20th Anniversary Celebration

20th Anniversary Celebration

Our 20th Annual Celebration Sale

Begins Saturday, April 30th and Closes Saturday, May 15th

In this 20th Annual May celebration we shall show, in a greater degree than ever before, our full appreciation to the trading public for their years of patronage. We know your desire is good merchandise at a reasonable price. The friendship and confidence of our patrons is our main capital in business.

When we came to Hereford, 20 years ago, and launched our little craft, we had a dream that gave us a vision which has ever been clear before us. This is no time for big profits in business. We should all be willing to take our loss and re-adjust things and start over. This is our theory.

During this great selling event our store will witness the sharpest and deepest cut in prices ever seen in this part of the State. "Necessity is the mother of Invention." We need cash. This great slash in prices of Furniture and Rugs is for the purpose of raising Cash. For cash, you can buy our goods at this time for less money than you ever dreamed of. This is your opportunity to save money.

**THREE ARE KILLED
TRAIN HITS AUTO**

Mr. and Mrs. J. W. Mudd and son, Will Mudd, of Chillicothe, were killed about 4:30 Tuesday afternoon when the Ford touring car in which they were riding was struck at the first crossing east of Chillicothe by the northbound through passenger train. Mrs. Mudd was instantly killed by the impact, her husband lived nearly ten minutes, and Will Mudd, who was driving the car, died after about thirty minutes. The dead persons were members of an old family well-known in both Wilbarger and Hardeman counties.

Mr. and Mrs. Mudd and their son had been out all day Tuesday on an inspection of one of Mr. Mudd's farms northeast of town and were returning home when the accident occurred.—Vernon Record.

Advertise and Keep Alive

Do you load it at the muzzle
When you want a shot or two?
Do you wind it with a watch key
Like your father used to do?
How'd you like to hop a horse car
Like you did long years ago?
Don't an auto beat an ox cart?
Well, I rather reckon so.
Do you argue that an hour glass
Beats a Waltham all to smash?
Do you use the same old system
Keepin' hooks and countin' cash?
Do you trim a goose quill neatly
When you want the ink to flow?
Don't you think there's been improve-
ment

In the last decade or so?
Tell us, are you advertising
In the same old foolish way
That your grand-dad did before you,
And persist, "it doesn't pay"?

Think the whole world knows your ad-
dress
"Cause it hasn't changed in years"?
Wouldn't the pathos of such logic
Drive a bitly goat to tears?
Is just a sign all you care for?
Hanging, lonesome and unread,
Like the words upon the tombstone
Telling folks that you are dead.
Wake up and take a tonic,
Bunch your hits and make a drive!
Run an ad and change your copy.
