Civil Air Patrol Flight Organized

A group of Hereford men met Thursday to form a local flight of the Civil Air Patrol.

Bradly, information officer of the group, said this is strictly a volunteer organization.

Around Town

It really came a cloudburst in Lubbock Friday night. Streets were full from curb to curb in many places while we were trying to creep through deep creeks at the intersections without drowning the car.

You Red Raider football fans will be happy to know that most of that horrible two-lane road between Littlefield and Anton has been torn out and that the new four-lane highway will be finished before Texas Tech plays its first game of the season.

Hereford will have four boys playing college football this fall... but none of them at Texas Tech.

A minimum of five members is required to form a flight of the C.A.P.

In the future, a Civil Air Patrol Cadet Corps will be established here, according to local officers.

TOLERANCE OF SOCIALISM

Canidate Attacks Unfair Practices In Speech Here

Tolerance towards socialism and unfair government practices formed the target for a blast from the Republican candidate for the office of Lieutenant Governor as he spoke here Wednesday.

BLASTING THE liberals and "socialists," GOP candidate for lieutenant governor O. W. "Bill" Hayes spoke in Hereford Wednesday afternoon.

Hayes declared, "There are three things that will be changed in Austin if Bill Hayes is elected."

Suspect Held Following Service Station Theft

By Gardner Collins Brand Staff Reporter

A night Hereford service station attendant suspected of committing a theft at Jones Texaco Service Station, 144 West First, was apprehended by Potter County Sheriff's deputies early Saturday morning shortly after he had checked in at an Amarillo hotel.

Suspected of committing the offense is John Tom Jennings, 34, 609 Ireland, according to Hereford Police Department.

Of the cash taken it is reported that \$241 was from the cash register and \$30 from a soft drink machine.

Dollar Day Set Tuesday After Holiday Closing

Hereford merchants take a rest on Monday, Labor Day, but their doors open Tuesday morning for the monthly Dollar Day bargain festival.

Classes get underway in earnest on Tuesday, however, St. Anthony's Catholic School opens its doors for the first time this year on Tuesday.

Wheat Program Barely Passes; Supported Here

Deaf Smith County wheat producers voted almost three-to-one in favor of the national wheat referendum held Thursday, Aug. 30, but the 1963 program passed by a bare 68 per cent on the national level.

A two-thirds approval by wheat producers was needed to put the 1963 program into effect.

The program will also set penalties for producers who grow more than their allotments.

Price supports for the 1963 crops, due to passage of the referendum, are expected to be set at approximately \$1.82 on a national average.

Producers voting in the four Agricultural Stabilization and Conservation communities in the county voted 342 for price support while 136 votes against were cast, according to Faust Collier, ASC office manager here.

He pointed out that the total number of votes cast this year in the election was approximately 100 below the vote in last year's referendum.

County Accepts Low Truck Bid At Called Meet

Low bid for a new pickup for Precinct 1 was accepted Friday at a called meeting of Deaf Smith County Commissioners.

EXPECT MORE TUESDAY

Enrollment Is Above 2900

Enrollment in Hereford Rural High School District Friday afternoon had climbed above the 1961 figure after two days of classes, with a large jump expected Tuesday.

Superintendent Paul Stevens reported about 2,909 students in classes by Friday afternoon.

This is slightly more than the 2883 counted after the first two days of school in 1961 and far above the 2528 present the second day of 1960-61 school year.

"We expect to have well over 3,000 in school by Tuesday afternoon," Stevens said. "We always have a lot of students enrolling the day after Labor Day."

Peak enrollment, which usually comes in October, is predicted to go as high as 3,300 this year.

Stevens said that after the first day, classes were generally averaging 26-28 students per classroom, which he termed good. However, the fifth and sixth grade class averages were up to 30 students each.

"If we get very many more in these two grades, we'll have to create some new sections somewhere," he predicted.

Hereford school system tries to maintain an average of 30 students or less in each classroom.

Hereford's three large elementary schools were all pushing 500 students after the first day. By Thursday afternoon, Aikman Elementary had 481 students, Central Elementary had 482 and Shirley Elementary had 496.

Northwest Elementary, with just eight classrooms, had 217 enrolled by Thursday afternoon while Dawn School reported 26 students.

There were almost 700 in Stanton Junior High, with 244 in the seventh grade, 213 in the eighth and 230 in the ninth grade.

Enrollment at high school by Thursday was higher than after the first two days last year with 472, compared with 450 after two days in 1961. Already enrolled are 214 sophomores, 130 juniors and 108 seniors.

Integrated into the Hereford school system this year are more than 50 students who were in Parkview Elementary School last fall. The high school and junior high had been integrated for some time. Last spring, students from the fourth, fifth and sixth grades at Parkview were integrated into other Hereford elementary schools when one of Parkview's two teachers resigned. The other quit this summer, so the school was closed and all students are integrated this fall.

Not included in the Hereford school system are an additional 80 or so students who attend the Walcott School or the 260 estimated who are expected to start classes Tuesday at St. Anthony's Parochial School. It is also expected that San Jose Mission School at the Labor Camp will have 30-40 students.

\$1000 Bonds Set As Youths Face Forgery Charges

Two 18-year-old Latin American youths were charged here with felony forgery offenses last week. Bonds on the youths were set at \$1000 by Justice of the Peace, C. B. Miles.

Charged with the offenses are a Uvalde youth, Enrique O. Salazar and Jerry Glenn Hernandez, who lives in the 300 block of Ave. E, according to the Deaf Smith County Sheriff's office.

Salazar was arrested on Tuesday, Aug. 28, by Uvalde law enforcement officers and returned to Hereford.

The second youth was arrested at a Deaf Smith County farm on Wednesday by the sheriff's office. Bonds were set Thursday.

Football Fans Enthused By Results Of First Scrimmage

Many rooters were on hand Friday night to get their first look at the 1962 edition of the Hereford Whitefaces in action.

And most of the onlookers had an optimistic prediction for the coming Hereford season, after they saw the Herd perform in the scrimmage against the Clovis Whitefaces.

Hereford scored twice during its five series of 12 plays, while the Whitefaces relied on an array of passes to down the Whitefaces 20-13.

With only two weeks of practice under their belts, the Hereford squad relied on a hard-hitting ground attack. Clovis had an additional week of practice, and had one scrimmage to their credit before Friday's encounter.

Both coaches and fans were generally pleased with the Herd's actions.

"We made some errors," head coach Jack Meredith commented. "But all of these can be taken care of. I think a little more experience will iron out a lot of our problems."

"The boys worked hard," he added, "and that's what we want more than anything else."

Hereford travels to Pampa Thursday for their next scrimmage. First game for the Whitefaces will be Sept. 14 at Canyon.

During the scrimmage, both teams fielded probable season starters for three series of 12 plays. Two 12-down series were completed using second units.

Hereford's ground attack accounted for 230 yards in rushing, while three completed passes netted 22 yards. Clovis was limited to only 116 yards rushing, but aerial yardage totaled 144 yards.

Defensive starters for the Whitefaces were reluctant to grant ground to Clovis during the early portion of the game.

The Whitefaces received the ball first. Two plays netted only two yards, for Clovis before their quarterback recorded a seven-yard scamper, the longest ground gainer in the series.

After one incomplete pass, Clovis connected one from quarterback to right end for 11 yards. Two tries through the middle were of no avail, and then a long aerial was intercepted by Hereford halfback Charles Kelley on the 10-yard-line.

Hereford marched 60 yards in ten plays to score its first touchdown. The Whitefaces chalked up at least five yards.

Public Invited To Open House Of Hospital Wing

Area residents may get their first "official" look at a new wing to Deaf Smith County Hospital here Sunday afternoon during a special open house.

Hospital administrator T. E. Seigler announced that the public is invited to attend the open house from 3 p. m. to 5 p. m. Sunday, Sept. 2.

Featured in the open house will be a \$63,000 wing to the hospital. The unit, which was completed only last week, includes administrative offices, a new emergency room, supply room, library and conference room, medical records office, surgical waiting room, and a lobby and waiting room.

Seigler pointed out that, with the new addition, the present service and office area can accommodate a 100-bed hospital without further enlargement.

Cost of the unit was shared by the Deaf Smith County Hospital and the county. Seigler pointed out that total indebtedness of the hospital, including cost of the new wing, is only some \$50,000.

Following opening of the new wing, the hospital will crack down on visiting regulations, Seigler stated. The ruling which prohibits visitors under 14 years of age will be enforced, at the request of the medical staff and the Board of Directors at the hospital.

Visiting hours are 2-4:30 p. m. and 7-8:30 p. m., he added.

He explained that hospital visiting regulations are for the benefit of both patients and visitors.

VIDE DRIVE and an attractive canopy highlight the exterior of a new wing at Deaf Smith County Hospital. Open House for the \$63,000 addition is scheduled for 3-5 p.m. Sunday, Sept. 2.

The wing was built primarily for more administrative area and emergency-surgical facilities. The public was invited to attend the open house.

AN ADDITION TO THE PRESS box at the new high school football field began to take shape here last week as work continued in preparation for the first home game Sept. 18. The new fieldhouse and gridiron are expected to be completed in time for the game, according to P. L. Stevens, superintendent of schools. (Staff Photo)

Country Party Held For Campfire Girls

The H-D-I Campfire Girls spent the night on Tuesday, Aug. 21, at the country home of their leader, Mrs. Robert Hickman.

The girls spent the night in the barn, cooking three meals outdoors. For activity, the group

made tile ash trays to be donated to Kings Manor. The nine girls attending the party were Diana Hickman, Robin Johnson, Becky Sumner, Sharon Livengood, Lisa Williamson, Shelley Rush, Janice Newsum, Becky Hickman, and Susie Hickman.

The girls had a swimming party during the first part of

August as another of their summer activities-for-fun.

Coach Meredith Speaks To Lions

Coach Jack Meredith was a guest speaker for the regular noon meeting of the Hereford Lions Club, Wednesday, Aug. 29, in the ballroom of the Jim Hill Hotel.

Sweet Adelines Practice Show

Hereford Sweet Adelines met for their regular meeting on Thursday evening, Aug. 30, at 7:30 p.m. in the Hereford Community Center.

The group practiced the planned program for the scheduled show at the Amarillo Community Center on Oct. 27 to benefit the youth center.

Joe Coleman helped the two quartets with their numbers to be sung at the "Bush League" Contests in Amarillo on Sept. 22 at St. Paul's Methodist Church.

The Amarillo Sweet Adelines will be guests at the next meeting, Thursday, Sept. 6, at the Community Center. Everyone interested in singing is invited to come.

Present were Mrs. Linda Kids and her guest, Mrs. Barbara Heck; Miss Jeanette Roe, Mrs. Pat Loerwald, Mrs. Cieta Weemes, Mrs. Marion Goodin, Mrs. Diana Roberson, and Mr. and Mrs. Joe Coleman.

Mrs. Diana Roberson served as hostess for the meeting.

VACATION IN NEW MEXICO
Mr. and Mrs. Cecil Braly, 510 Union, Hereford, spent eight days recently vacationing in Ruidoso, N. M. They met three of Mrs. Braly's sisters there and spent the time vacationing together.

MIDLAND VISITORS
Mrs. Jack Parker and daughter, Dee Anna, of Midland spent the past week with her husband's parents, Mr. and Mrs. Muri Parker, 520 Avenue K, Hereford, while her husband was in Dallas attending a school. They returned to Midland on Saturday, Sept. 1.

SCHOOL EMPLOYEE
Mrs. Cuby Kitchens is a new employee in the high school principal's office at Hereford High School.

The entire coaching staff of both high school and junior high school were present as guests of the club members. Cuby Kitchens introduced the speaker, who gave an informal talk on the prospects for the football team of Hereford High School. He stated that "The boys have more interest and better morale than in the past. The boys appreciate the wonderful support of the citizens and especially the support and work of the Booster Club. A total of 37 boys are out for practice. In spite of being picked next to last in the district by conference coaches, we feel that the confidence of the boys is good and they are concerned about doing a good job. They respond well to hard work."

Boss Lion Ed Skypala announced a ladies night, scheduled for Sept. 18 at the Hereford Community Center, and a district cabinet meeting, for District 2T-1, to be held in Hereford on Oct. 27 and 28.

Secretary Albert Maxwell announced the total profit of the Lions Carnival as \$2600, and that Fayrene Evans, winner of the annual scholarship, would be

Ella C. Etheredge Services Saturday

Mrs. Ella Cordella Etheredge, age 79, a resident of 307 South 25 Mile Avenue, Hereford, died on Friday, Aug. 31, at 6 a. m. in Amarillo after several months illness.

She was born March 25, 1883, in Gilmer, Tex. She came to Deaf Smith County in 1936 from Lubbock. She was a member of the Temple Baptist Church of Hereford.

She is survived by one son, R. L. Etheredge of Hereford; and one nephew, L. L. Houseworth of Aspermont.

Funeral services for Mrs. Etheredge were held Saturday morning, Sept. 1, in Rose Chapel of Gilliland Funeral Home. The Rev. William Ware, pastor of the Temple Baptist Church, officiated. He was assisted by the Rev. B. L. Davis, pastor of the First Baptist Church of Hereford.

Interment was in West Park Cemetery under the direction of Gilliland Funeral Home of Hereford.

FAMILY REACTION
PITTSBURGE (AP) — How does the family of a baseball manager react to victory and defeat?

"Our children never say a word to their father when the Pittsburgh Pirates lose a game," says Mrs. Kathleen Murtaugh.

"It was more noticeable when they were young," adds Danny Murtaugh. "When my team won they'd greet me at the door and climb all over me. When we lost, they weren't anywhere to be seen."

HEREFORD'S FIRST GRADERS found themselves in a new environment Wednesday as they got their first taste of reading, writing and arithmetic as school opened here. At the top, students in Mrs. Hazel Bruner's first grade at Northwest Elementary School raise their hands during a lesson. In another first grade section at the school (center), Mrs. Woodrow Wilson helps Barbara Bentley with a writing lesson. In deep concentration during the lesson is Gary Bartels. Total enrollment the first day of school was placed at 2871. When final figures are available, enrollment is expected to total 3300. (Staff Photos)

CLOSING IN FAST, two Clovis Wildcat tacklers and a blockade of linemen make running room scarce for Hereford halfback Arnold Powell during a scrimmage here Friday evening. Powell got loose later in the game, however, to score one of the two Whiteface touchdowns as Hereford lost 13-20 in their first outing of the season. Local fans voiced optimism towards the Hereford squad as they left the scrimmage Friday, however. (Staff Photo)

(Continued from page 1) each play, except for one incomplete pass.

Quarterback Austin Hodges fed to fullback Jim Haney in the opener for five. He then gave it to right half Arnold Powell for seven, and to left half Charles Kelley for six.

These came through the center, behind the blocking of tackles Bill Steele and Neal Lueb, guards John Kovacs and Jay Carter, center Eddie Johnson, and ends David Dowell and Eugene Green.

Switching to end runs, Hereford marched on as Haney took a pitch-out for 16 yards. He then drilled through center for four, and back around end for 21 yards. Kelly took a pitch-out to advance five more.

A reverse from Hodges to Powell to Haney moved the ball to the one-yard line, and then Haney pushed through center for the score. Bill Steele's kick for the extra point was good.

Hereford received the ball again on the 40 to complete their 12-down series. Attempting a long pass, Hodges was caught for a one-yard loss. A pass to end Eugene Green, who was out in the open, fell incomplete.

Clovis was mobbed at the line in three attempts, but a shifty quarterback picked up 17 yards on a shot through left tackle. Steele and Green broke through to throw Clovis for a two-yard loss on the next play. Dowell dropped on a Clovis fumble to put the Wildcats back on the 40. Duncan knocked down a Clovis aerial, but the Wildcats connected one for 18 yards before David Dowell toppled the end on the 35 yard line.

Hereford found the going a little slower as they gained possession for the second time. Hodges and Kelly were both clobbered at the line on the first two attempts, and then a short pass to Kelly was incomplete.

Powell broke through left tackle for 12 yards and Haney added five more before another Hereford pass failed to connect. Powell tallied 14 more on a dash around right end. He then picked up another six.

Haney pushed through center for three, but Hodges was caught as he tried to pass. Kelly made a yard as the Herd's 12-down series drew to a close with Hereford on the Clovis 20-yard line.

Clovis scored with the aid of a completed pass and a couple of long runs. An 11-yard scamper and a 13-yard run advanced the Wildcats to the 37, and then the Clovis quarterback hit right halfback to move the ball to the 14-yard line.

A six-yard gainer through the middle and a run around left end brought the Clovis tally. The boot for the extra point was wide.

Haney and Kelly moved the ball 37 yards in four carries, but then Powell was nailed for a two-yard loss and Ronnie Duncan, who came in following Kelly's foot injury, was caught for a one-yard loss.

Hereford moved to the 30 yard-line on a pass from Hodges to Dowell. Haney tromped 19 yards to the 11, but Hereford used up its 12 plays before scoring.

With the aid of a 30-yard pass, the second-string unit for Clovis advanced to the one-yard-line before its series was completed.

Hereford's second unit managed to advance only six yards during its first series of plays. A 15-yard loss and four other losses totalling six yards erased yardage picked up by halfbacks Dan Thomas and Ronnie Duncan, and fullback Larry Minks. Quarterback Frank Cain completed one pass to Duncan, which was good for two yards.

Clovis' second squad managed to move 60 yards to score during its series. The extra point kick was also good. Their effort was aided by a 40-yard pass play.

The Herd's second unit claimed more success its second try, however. Thomas tallied four, Duncan got two and then added seven yards. But a pass interception moved the Whitefaces back to the 40. Cain pushed through center for four, Thomas got two, and then scampered four more.

Halfback Gary Stagner added three. Cain picked up four, but was caught for a seven-yard loss as he attempted to pass to end the Herd's series.

A 48-yard breakthrough put Clovis in scoring range, and then three smaller gainers made it 19-7. Clovis' boot was good for the extra point.

Clovis had four plays left, in which they moved back to the 30 yard line before Arnold Powell and Bill Steele threw the Wildcats for a 17-yard loss.

On Hereford's third down, in a new series of plays, Powell angled across left end and ran 55 yards for the second Hereford marker. Steele's boot for the extra point was blocked.

Completing their series, Hereford advanced slowly, except for a 20-yard run by Haney, and a completed pass from Hodges to Dowell for 11 yards. A Hereford fumble was recovered as the scrimmage ended.

Offensive starting linemen for Hereford Friday evening were Dowell and Green at ends, Steele and Lueb at tackles, Kovacs and Carter at guards, and Johnson at center.

Starting defenders were Carter and Kovacs at ends, Lueb and Johnson at tackles, Green, Haney, and Steele as lineback-

Bidding low on the one-half-ton vehicle for the precinct was Stephens-Hudson Motor Co. The bid submitted by the firm was \$953.07 including trade-in.

Other firms bidding were Orsborn-Norwood submitting a bid of \$1000 on a Chevrolet truck and Campbell Pontiac with a bid of \$1385.91 on a GMC pickup.

Purchase of the vehicle had been anticipated for sometime by the county commissioners, according to Judge Williams.

Bids on the new pickup for the precinct were called in early since prices on the 1962 models have been lowered, he commented.

After his apprehension, Jennings was returned to Hereford by Chief of Police Marshall Padgett. The suspect was being held in the City Jail Saturday as charges were being drawn up.

Second string offensive unit included Lynn Cook and Joe Don Edelman at ends, Dick Rogers and Stan Sigman at tackles, Jimmy Kassahn and Joe Self at guards, Manuel Pacheco at center, Frank Cain at left half, Ronnie Duncan at right half, and Larry Minks at fullback.

Second defensive unit for the Whitefaces was Cook and Steve Selgier, ends; Rogers and George Muse, tackles; Kassahn, Minks, and Pacheco, linebackers; Higgins and Thomas, corners; and Gary McKee and Cain, halfbacks.

Coach Meredith pointed out that the line-up is subject to several changes before the season gets underway.

Flight officers. Officers for the local flight include Curtis Trawcek, flight commander; Benny Womble, training officer; Bill Thompson, communications and administrative services officer; the Rev. Gene Matthews, commandant of cadets and chaplain; and Bill Brady, information officer. "We are very interested in gaining members in the local Flight," Brady added. "Anyone wishing to join may get an application form from Bill Thompson at the Chamber of Commerce office, or from any of the other officers."

Pointing out that there is no military obligation in connection with the Civil Air Patrol, Brady explained that the unit is simply a volunteer civil service group similar to the Civil Defense organization.

Main purpose of the C. A. P. is to participate in air searches, rescues, and other emergencies which require the use of airplanes.

Brady also pointed out that there is currently a state-wide contest among C.A.P. units. The squadron recruiting the most new members during a certain period will be awarded an airplane for use in C.A.P. work.

"We would like to hear from all people who are interested in the C.A.P., because the Flight needs more members," Brady concluded.

ped if I am elected." Hayes stated, "is 'vote switching.' Did you know that a senator, as things now stand, can stand and vote on a bill, and later, if he changes his mind, he can go to the Senate clerk and have his vote changed. In this way, the people back home have no way of knowing how their representative voted."

"I don't think it is moral for this to be allowed to happen. But as long as the decision on a matter is not hinged on the one vote, it does happen."

"I'm tired of cream-puff, pollyanna, go-along, get-along politics," Hayes declared.

"How many Democrats have you heard speak out against anything immoral in Austin?" Hayes questioned. "I would like to see a non-partisan committee set up to do some government employee head chopping."

Displaying a poster showing unaligned U. S. military personnel serving under a United Nations flag, Hayes criticized "Washington leaders who have not done anything about this advocacy of one-worldism."

After reading a quote from the U. S. Congressional Record in which a representative suggested the District of Columbia become a U. N. protectorate, Hayes exclaimed "Whose side are we on?"

"Socialism is being stuffed down our throats," Hayes said. Reading an excerpt from an economics high school text book which declared "communism's success in America is impossible or doubtful," Hayes criticized officials who have allowed the text to be accepted.

"The Washington Pied Piper is leading us down the road to the bottomless pit of social-

ism," Hayes charged. "I don't want it and you don't want it - it's time we did something about it."

"I have heard people say this won't happen here. Hayes is an alarmist," they say. But Paul Revere was an alarmist too," Hayes quipped.

"I say that the Republican Party stands as the only blockade to socialism in this nation, and we must dedicate ourselves to this cause."

In closing, Hayes declared, "Texas will celebrate its second independence day on Nov. 6, when Republicans are elected to bring back the American way of life."

A question and answer period followed the brief talk. Speaking here Tuesday afternoon, it was the third of five appearances for the candidate during his campaign swing through the area.

Hayes was introduced by county Republican chairman Kenneth Rudd.

Jacksons Take Extended Tour

Mr. and Mrs. William E. C. Jackson of Hereford recently returned from a twelve-day trip to the Seattle World's Fair, which they won for "outstanding sales" of Farmers Union Insurances.

Jackson was one of 50 agents who won the trip in a year-long insurance sales contest sponsored by Farmers Union Insurance of Denver, Colo. Jackson placed in the top four percent of 1,200 Farmers Union agents in 20 states, according to Ray Novak, general manager of N. F. U. Insurances.

The group traveled by chartered bus from Denver to Butte, Mont., to Spokane, Wash., then down the Columbia River gorge to the Pacific Ocean at Long Beach, Wash. In Long Beach, the Jacksons spent the day sightseeing along the 26-mile beach and then went on to Seattle.

While in Seattle, they had a full three days at the Century 21 World's Fair and visited the 600-foot high Space Needle with its revolving restaurant and observation platform overlooking Puget Sound.

Other attractions at the fair included the \$9 million U. S. Science exhibit; the World of Tomorrow exhibit; numerous foreign country exhibits, and the elevated monorail which whisks visitors from downtown Seattle to the fairgrounds in 96 seconds.

On Thursday, Aug. 16, the Jacksons boarded a chartered boat, "The Carolyn M.," for a three-hour cruise to Bainbridge Island, a salmon barbeque and slides of scenic attractions of the Pacific Northwest.

On Friday, the Jacksons boarded a Puget Sound ocean liner for a three-hour cruise to Victoria, British Columbia and spent four

Sugar Hearing Set To Be Held In Washington

The informal public hearing on sugar beet acreage requests, previously announced to be held in Amarillo, have been slated for Sept. 25 in Washington, according to an announcement by the U. S. Department of Agriculture.

The hearing will begin at 10 a. m., in the auditorium of the Natural History Building of the Smithsonian Institute.

It was previously reported that hearing provided for under recent amendments to the Sugar Act was to be held in Amarillo. Hearings to be conducted are for the 1963, 1964, and 1965 crops.

The Sugar Act, as amended, directs the Secretary of Agriculture to reserve annually enough acreage for the expansion

hours touring the Canadian city and its parks and gardens.

The Jacksons left Seattle for Hereford on Saturday, Aug. 18, by way of Spokane and Butte.

of the domestic sugar beet industry.

This reserve may be accumulated from year to year, if not used. It will allow production of 65,000 tons of sugar from beets per year.

To allow sufficient lead-time for growers and sugar beet processing industry to plan erection of new facilities or expansion, the Department is asking that applications from the reserve be submitted at the September hearing.

Notice of the hearing sets forth the items of information that should be submitted with requests for acreage.

Mimeographed copies of the notice have been mailed to those indicating a direct interest in the hearings.

FOR METER SWATERS

WICHITA — Don't swat the meter.

City traffic engineer Paul Graves says, "We have more trouble with parking meters caused by persons using slugs or placing a coin in the meter and then hitting it to try to get more time."

"The funny thing about it is that most of the time they get less time."

Lullaby Shower Honors Mrs. Nix

A lullaby shower, honoring Mrs. Douglas Nix, 120 Douglas Street, Wednesday, Aug. 29, was held at the home of Mrs. Lloyd Battay, 515 Star.

The refreshment table was laid with a white lace cloth and centered with a pink and white stork and a low arrangement of artificial flowers in appropriate colors. Individual cake squares and punch were served to the guests.

Approximately forty guests registered.

Those attending were Mesdames Vivian Dunavant, O. B. Roberson, Dollie Williams, Clara Cook, Betty Wiley, Della Hutchins, Nina Kimbell, Donna Breeding; and Misses Cindy Jones, Judy Price, Glenda Hall, Wanda Jones, Judy Means, Charity West and LaVerne Kimball; all of Hereford.

Out-of-town guests attending were Mesdames Emmett Tabor, Ola Lee Jones, Mildred Richards, Mildred Davies, Pat Read and Lula White, Bovina; Mrs. Delores Carter, Amherst; Mrs. Jack Mix of Spade; Mrs. John

Byler and Judy of Amarillo; Mrs. M. F. Mix and Mrs. Wilson of Lubbock.

Hosting the party were Mrs. Lloyd Battay and Mrs. Sam Sides.

RETURN FROM TRIP

Mr. and Mrs. E. E. Fridley and Mr. and Mrs. John Jacobson Jr. and daughter Linda have returned from a one-week visit in Wichita and Hamper, Kan.

LESSENING THE RISK

NEW YORK — A three-in-one financing plan for off-Broadway productions has been launched by a group called Theater Unlimited.

A capitalization of between \$75,000 and \$100,000 is being sought. The fund would be divided among three musical projects, a procedure designed to increase investors' chance at profit.

Good seasoning trick: add celery salt, along with the usual lemon juice and Worcestershire sauce, to ice-cold tomato juice. Serve as a first course with crisp crackers and a cheese spread.

HEREFORD GIRLS, who have recently returned to their homes after spending five weeks at the Brush Ranch for Girls on the Pecos River in New Mexico, from left to right, are Penny Jones, daughter of Mr. and Mrs. George T. Jones, 122 Centre Street; Candy and Charlotte Hill, daughters of Mr. and Mrs. O. G. Hill Jr., 122 Texas Street; and Jo Frances Deavenport, daughter of Mr. and Mrs. Joe H. Deavenport, Rt. 1.

Business Letter Clinic To Start Here On Sept. 11

How to make business letters clear, concise, convincing, and courteous - how to give them the human touch - how to emphasize the reader's interests - these are just a few of the points to be covered by W. H. Butterfield during the Business Letter Clinic set for Hereford on Tuesday, Sept. 11.

Scheduled to run from 7:30 to 10 p.m., the clinic will be conducted in the Flame Room of the Pioneer Natural Gas Company. It is being sponsored by the Deaf Smith County Chamber of Commerce. The \$4.50 registration fee includes a set of twelve letter-improvement charts that cover the fundamentals of good business correspondence.

A widely-known authority on letter writing, Butterfield has written sixteen books and more than 100 magazine articles on this subject. He is also the author of the section on "Letter Writing" in World Book Encyclopedia, and formerly edited the Better Letters Service of the National Retail Credit Association.

His letter writing programs have been conducted for business and professional groups in more than 100 cities in the United States and Canada. In reviewing one of his books, Printers' Ink magazine called him "the most expert of the authorities."

The Business Letter Clinic shows how to make even rou-

tine letters build good will, how to handle delicate situations with tact, and how to use effective selling psychology by mail. Actual letters are analyzed to show why some "click" and others fail.

Butterfield has conducted the clinic five times in both Dallas and Oklahoma City, and twice in Amarillo, Lubbock, Abilene, Midland, and many other cities. He has also conducted this one-evening short course in Houston, Fort Worth, San Antonio, and many other Texas cities.

Registration for the clinic can be made with the Chamber of Commerce. The program is open to all who are interested in improving their business letters.

LUBBOCK VISITORS

Mrs. Travis Caraway and daughter, Carolyn, and Mrs. Curtis Vandiver and her daughter, Kim, all of Lubbock have been visiting in Hereford in the Jimmy Mercer home at 112 Aspen Street.

ATTEND CAMP SCOTTABLE

Two Hereford boys recently attended a one-week session at Camp Scottable near Clouderoft, N. M. They were Marty Means, son of Mr. and Mrs. Maurice Means, 517 Avenue K, and his guest, Galen Evans, son of Mr. and Mrs. Buddie Evans, 720 Avenue K. Hiking, archery, rifle practice, baseball, group singing, outdoor classes in Bible study, and the evening talent hours were among the recreations participated in during the week.

WHY CAN'T PEOPLE LEARN TO WRITE? HERE'S A SPECIAL-DELIVERY LETTER, BUT I CAN'T READ WHAT IT SAYS OR THE SIGNATURE.

WELL, IT'S FROM SOMEBODY AT THE SUNSHINE YACHT CLUB AT PALM BEACH.

ALL I CAN MAKE OUT IS "VISIT YOU" AND "\$500,000 YACHT."

BUT WHO DO WE KNOW WHO OWNS A \$500,000 YACHT?

THEY'RE COMING TO VISIT US! THEY MUST BE BIG SHOTS!

OH, DEAR! AND THE HOUSE IS A MESS! QUICK, YOU'D BETTER MOW THE LAWN.

ALSO, TRIM THE HEDGE AND KILL SOME CHICKENS FOR DINNER.

NOW FREEZE THE ICE CREAM, AND DON'T FORGET TO GET A HAIRCUT AND A NEW PAIR OF SLACKS.

OKAY, OKAY.

AND I BOUGHT A NEW SPORT COAT, SHOES, TIES, AND \$12 WORTH OF FLOWERS.

HURRY AND GET DRESSED!

MERCIFUL HEAVENS! THEY'RE HERE! ANSWER THE DOOR!

MR. SWEENEY? I SUPPOSE YOU GOT MY LETTER FROM THE SUNSHINE YACHT CLUB. NOW, HERE'S OUR BROCHURE. WE SELL EVERYTHING FROM SECOND-HAND CANOES TO \$500,000 YACHTS.

THE NERVE OF YOU!

Miss Mary Katharine Panciera Becomes Bride Of Charles Edward Everitt Jr. In Ceremony

MRS. CHARLES EDWARD EVERITT JR.
nee Miss Mary Katharine Panciera
(Ray Wagner Photo-Amarillo)

Miss Mary Katharine Panciera, daughter of Mr. and Mrs. Theodore A. Panciera, 125 Centre Street, Hereford, and Charles Edward Everitt Jr., son of Mr. and Mrs. Charles Edward Everitt Sr. of Monroe, La., exchanged wedding vows at three o'clock in the afternoon, Sunday, Aug. 26, in the sanctuary of the First Christian Church in Plainview, the former home of the bride and her parents.

The Rev. Arthur Digby Jr., pastor of the First Christian Church of Plainview, read the double ring ceremony before the altar that was backed by red velvet draperies and a large basket arrangement of white chrysanthemums. The altar was flanked by spiral candelabra of votive lights. The choir rails, pulpit and lectern were banked with plumose and emerald fern, accented with votive lights. The pews were marked with white satin bows.

Mrs. Inez Ferrell served as organist for Miss Randee Taylor, vocalist, both of Plainview. Miss Taylor sang "Because," "Whither Thou Goest" and "The Lord's Prayer." Before the ceremony Mrs. Ferrell played "Jesu, Joy of Man's Desiring" by Bach, "Ave Maria" by Bach-Gounod, "I Love Thee" by Grieg, "Intermezzo" by Mascagni, and "Romance" by Rubenstein. As the bridal party entered the church, the organist played the "Bridal Chorus" from Lohengrin. During the ceremony, she presented "Clair De Lune" by Debussy, "Wedding March" from a "Midsummer Night's Dream" by Mendelssohn was played as the bridal party left the church.

Miss Gail Panciera of Here-

ford attended her sister as maiden of honor. Miss Judith Mathis of Amarillo served the bride as maid of honor. She wore an identical dress to those of the bridesmaids, in a deeper shade of blue, with matching shoes and carried a colonial bouquet of white fugil and feathered mums. Bridesmaids were Misses Lee Blocker of Hereford, Nancy Elizabeth Bell of Plainview, Dian Huff of Pampa and Sylvia Ferguson of Plainview. They wore dresses of silk organza and lace in heaven blue, fashioned with fitted bodices and bouffant belled skirts and dyed-to-match shoes. Their headpieces, created by Mrs. John Blocker of Hereford, were circles of heaven blue tulle with open crowns edged in velvet and caught at the back with tiny velvet bows. The attendants carried colonial bouquets of blue fugil and white feathered mums, tied with ribbons to match their dresses.

Neil Hess of Amarillo attended the groom as best man. Serving as ushers and groomsmen were Leon Krupp of Amarillo, Hank Hughes of White Deer, Gary Wertenberger of Hereford, Bob Wright of Amarillo and Guy Smith of Amarillo.

Mrs. Panciera, mother of the bride, wore a peacock blue sheath dress of pure silk lace and peau, fashioned with a fitted bodice and draped skirt, matching shoes and a small pillbox hat of white corde and iridescent sequins. Her corsage was a white cymbidium orchid. The groom's mother, Mrs. Everitt, wore an ice-blue silk organza over taffeta gown, fashioned with a scooped neckline, sleeveless fitted bodice, and a

semi-belled skirt with inverted pleats. Her full length ice-blue silk organza matching coat featured a large collar. Her shoes and bag were of ice-blue. Her Dior blue felt hat, with open crown, was covered with Hackle feathers and had a matching veil and velvet bow. Her corsage was a cymbidium orchid.

The bride, given in marriage by her father, was dressed in a formal wedding gown of white silk organza and Alencon lace, fashioned with a fitted bodice, Sabrina neckline, and long fitted tapered sleeves extending to petal points over her hands. The bouffant skirt was applied with motifs of the Alencon. (Continued on page 8)

Glenda Fuhrmann Presents Recital

Mrs. Glenn Snyder will present Miss Glenda Fuhrmann of Hereford in a piano recital on Sunday, Sept. 2, at 3 o'clock in the Educational Building of the First Baptist Church. The public is invited to attend.

Miss Fuhrmann has studied with Mrs. Snyder the past year. Her former teacher was Mrs. George McLean, who now lives in New Orleans, La. Miss Fuhrmann received a Superior rating in the Music Festival in Hereford this year, and received a National membership in the National Guild of Piano Teachers' Auditions held in Dimmitt.

Mrs. John Sims is her teacher for the organ, and Miss Fuhrmann has been organist

for the First Methodist Church since January. She has taught piano during the summer, and presented her pupils in a recital on Friday evening, Aug. 31.

Miss Fuhrmann will attend the University of Texas this fall, majoring in music.

The recital program will include: "Two-part Invention No. 8" by J. S. Bach; "Sonata in C" by Handel; "Bonn Sonata No. 1" by Beethoven; "Minuet" by Schubert; "Reverie" by Debussy; "Consolation No. 2" by Liszt; "To A Water Lily" by MacDowell; and "Concerto in D Major" by J. C. Bach. Mrs. Snyder will play the second piano part in the "Concerto in D Major".

Hobo Party Honors Kappa Iota Guests

Mrs. Howard Gore, president of the Kappa Iota Ritual of Jewels Chapter of Hereford Beta Sigma Phi, welcomed the guests to the "Day of Beginning" on Tuesday evening, Aug. 28, in the main club-room at the Hereford Community Center.

Guests and members were introduced. Games were played and the "Hobo" bundles, brought by the girls, were

drawn for by numbers with each girl modeling the costume found inside the bundle. Mrs. Larry Summers won the prize for the best costume that had been designed by Mrs. Glenn Wilson.

Refreshments were served from a table covered with a patchwork quilt with a "Hobo" centerpiece. Members of the executive board served as hostesses.

Members present were Mesdames Glenn Wilson, Doc Carter, Howard Gore, Gene Cope, Larry Summers and Bob Fillpot.

Guests attending the party were Miss Paula Wright, Miss Jo Ivie, Mrs. C. D. Fitzgerald Jr., Mrs. Joe Neely, Mrs. Bill Dickson, Mrs. Preston Hagans, Mrs. Ted Fangman, Mrs. Ralph Starr, Mrs. Pat Ferguson and Mrs. Jack Mitchell.

Elks Honor Ladies With Steak Dinner

Hereford Elks and their ladies met at the Western Wheel Inn for a steak dinner on Tuesday evening, Aug. 28, in the Japanese Dining Room.

The tables were decorated with arrangements of pink roses and orchid asters, interspersed with Elk emblems and miniature American and Texas flags.

Special guests for the meeting were Mr. and Mrs. W. Barger, Mr. and Mrs. T. C. McLean, and Mrs. H. Barger, all of Lubbock; Mr. and Mrs. Allen Rigler, new Elks District Deputy, of Plainview; and Mr. and Mrs. Pote Powell, outgoing Elks District Deputy, of Amarillo. Other guests were from Black, Friona and Dimmitt. One hundred seventeen people attended the affair.

Every Elk is requested to be present for an important business meeting in the Elks building, 131 East Second Street, Hereford, on Tuesday evening, Sept. 4.

Institution of the Elks and Does Lodge will be held in Hereford on Sept. 11 in the Jim Hill Hotel.

Annual Ricketts Reunion Held On Sunday, Aug. 26

The annual family reunion for the Ira Ricketts family was held on Sunday, Aug. 26, in the Oddfellows and Rebekahs Hall in Hereford. The occasion also marked the fifty-sixth wedding anniversary observance for Mr. and Mrs. Ira Ricketts of Hereford.

Those attending the reunion from Hereford were Mr. and Mrs. Clyde W. Russell; Mr. and Mrs. Joe Neely, Michael and Melody; Mr. and Mrs. Albert Ricketts and Jamie; Mr. and Mrs. Fred Mercer Jr.; Mr. and Mrs. C. D. Fitzgerald Jr.; and Mr. and Mrs. Ira Ricketts, honorees.

Out-of-town relatives attending were Mr. and Mrs. Archie Dougherty, Jane, Bill and Neill; Mr. and Mrs. Noel Dougherty, Dennis, Dru, Laurie and Wade; Mr. and Mrs. Don Treas, Kobe, Amy and Kevin; Mr. and Mrs. C. W. Daniel, Wayne, Roxana and Mark; Mrs. W. A. Dougherty and Mrs. Dolores Kibbe; all

of Clovis, N. M.; Mr. and Mrs. Willie Dougherty, Darrell, Bret and Todd, of Albuquerque, N. M.; Mr. and Mrs. David Dougherty and Donna of Bard, N. M.; Mr. and Mrs. Don Kresge, Ellen and Amy, of Melrose, N. M.; Mrs. Mary Ella Ricketts, Ralph and Fred, of Fortales, N. M.; little Miss Julia Costen of Eunice, N. M.; Mr. and Mrs. Forrest Ricketts, Ja-

net, Jeff, Sara and Celia, of Tulia; Mr. and Mrs. David Johnson, Peggy, Nancy, Steve, Joel and Donnie, of Dalhart; Mr. and Mrs. Jim Hall, Danny and Jimmy, of Dalhart; Mr. and Mrs. Howard Higgins, Donna, Sandra, Carolyn and Johnnie Sue, of Texline; B. R. Anderson and Marsha Bruns of Borger; Mr. and Mrs. Jim Carter of Canyon; Mr. and

Mrs. Dee Garvin of Silvertown; Mr. and Mrs. Alfred Hughes of Abernathy; Ernest Hughes of Abernathy; Mr. and Mrs. Wendell Hughes and four children of Abernathy; and Mr. and Mrs. Dene Bridges and four sons of Lqbbcock.

A total of 101 people attended the reunion. This is the largest number attending for several years. All but five of the couple's 27 grandchildren were in attendance and all but five of the 36 great-grandchildren were present. Three of the couple's five remaining children were present.

Sharon Linda Cox To Wed Don Dutton

Mr. and Mrs. W. E. Cox, 210 Western, Hereford, are announcing the engagement and approaching marriage of their daughter, Sharon Linda, to Don Wayne Dutton, son of Mr. and Mrs. W. P. Dutton, Rt. 5, Hereford.

Wedding vows will be exchanged in the Temple Baptist Church of Hereford on Sunday, Sept. 9, at 3 o'clock in the afternoon.

MR. AND MRS. W. M. STEWART (Personal Photo)

Mel Stewarts Celebrate 50th Wedding Anniversary

Mr. and Mrs. W. M. Stewart of Vega were honored recently with a reception in their home in celebration of their fiftieth wedding anniversary.

Hosts for the occasion were their children, Mr. and Mrs. Gene C. Sandro and son, Stewart, of San Carlos, Calif., and Mr. and Mrs. Donald Hicks and son, Mark, of Rt. 4, Hereford.

The Stewart home was decorated with flowers received from many friends throughout the area in honor of the celebration. The refreshment table was laid with a white lace cloth, centered with an arrangement of yellow mums and

greenery. Miniature wedding cakes, trimmed with white icing were served to the guests. Punch was served from a crystal punch bowl. The names of the honorees, "Carrie and Mel", were imprinted in gold on the white napkins.

Assisting in the house party were Mrs. Lillian Green, Mr. and Mrs. Wiley Roberson, Hereford; Mrs. W. G. Fly of Amarillo; Mrs. George Paschel, Mrs. Charles Crouch and Mrs. Marie Godwin, Vega. Mrs. Godwin played organ selections throughout the afternoon.

Many friends from the Vega, Hereford, and Amarillo areas

signed the guest register, paying tribute to the honored couple. A special guest was Mrs. Stewart's sister, Mrs. John Kovatsch of Denver, Colo.

The Mel Stewarts were married in 1912 and have farmed and ranched in the Ford Community since that time. They moved to Vega in 1952 and have taken an active part in civic affairs of the community. Both are members of the First Methodist Church, where they are active members.

The couple are also long-time members of the Hereford Riders Club, in which they are active participants.

Dalhart Couple Wed In Hereford

Miss Glenda Blansit and Larry Rice of Amarillo, and both formerly of Dalhart, were married on Saturday evening, Aug. 25, at 7:30 o'clock in Hereford at a pretty and impressive ceremony. Mrs. Irene Blansit, mother of the bride, Mrs. Stroud Haney and Miss Suzy Bedford, all of Dalhart, were present for the wedding. The bridegroom is the son of Mrs. Gertrude Rice of Amarillo.

The vows were pledged at the parsonage of the Methodist Church of Hereford with the Rev. H. L. Thurston officiating. Rev. Thurston was pastor of the Central Methodist Church in Dalhart for several years.

The place of the ceremony in the living room was marked by a large basket arrangement of white mums.

The bride wore a white linen sheath dress with lace bodice and a small white hat with a small veil. Her accessories were of white and her corsage was a single white orchid.

Mr. and Mrs. Weinert Farr of Shamrock attended the couple. The Farris and the newlyweds attended Dalhart High School together and following graduation Larry Rice and Weinert Farr attended Texas A&M. Mrs. Farr was wearing a blue embroidered cotton frock, white hat and white accessories. Her corsage was of white carnations.

An informal reception followed the ceremony.

Mrs. Thurston laid the refreshment table with a white lace cloth and crystal appointments. The table was centered with white flowers. Punch was served with the wedding cake. Later, the young couple left on a wedding trip to New Mexico mountain resorts.

They will live in Amarillo at 1915 South Tyler. The bridegroom is with Merriman's Food and the bride is an employee of the Security Abstract and Title Company.

The bridegroom has also attended Amarillo College.

La Madre Members Host Summer Picnic

A family picnic for members of the La Madre Mia Study Club and their families of Hereford marked one of the summer activities for the active club members.

Guests and members gathered at 3 p. m. on Sunday afternoon, Aug. 26, in Dameron Park. Croquet and baseball were played until supper time. Picnic suppers were spread together. The picnic adjourned at 6 p. m.

Present were Mrs. Joe Brooks and sons, Kelly and Mark; Messrs. and Mesdames Buddy Pickens, Jackie and Roger; Joe Locke and children, Danny, Rickey and Teresa; John Smith and children, Diane and Debbie; Joe Henry and daughter, Melissa; Eugene Sparks and sons, Jerry, Terry and Johnny; and Mr. and Mrs. Bobby Owen and daughters, Becky, Brenda and Barbara.

WORKMEN WERE PUTTING the finishing touches on the new addition of Deaf Smith County Hospital this week as an open house was held Sunday from 3 p. m. to 5 p. m. The new addition includes a covered entrance-way, lobby and waiting room, medical records office,

administrative offices, conference room and library, waiting room for families of surgical patients, and emergency room. Cost of the \$63,000 wing was shared by the hospital and the county. (Staff Photo)

Hereford Major Accepts Safety Award For Unit

Major Harold Dennis of Hereford has been awarded the Seventh Army Aviation Safety Award on behalf of his unit, the 59th Transportation Company, which preserved an accident free flying record for 30 months. Major Dennis commands the 59th, a light helicopter company of the 54th Transportation Battalion. The award was made at Heidelberg by Lt. Gen. Selvin D. Smith, Seventh Army

Chief of Staff. After the ceremony, Major Dennis led his company to the field near Baumholder, Germany, for support and transport of 8th Infantry Division soldiers who were undergoing combat training. Some of the largest airlifts ever seen in Europe were highlights of this training.

Major Dennis is the son of Mrs. Cathrine Dennis of Hereford, and is married to the former Peggy Lou McNeill of Amarillo. He entered the Army in 1944, and saw action in five campaigns in the Second World War in Germany. He is a Senior Army Aviator, and arrived in Europe to begin his present tour on May 29, 1961.

The 54th Transportation Battalion has the mission of support of NATO forces in Germany. It was the Army Aviation unit which sent helicopters and rescue crews to the flooded city of Hamburg this spring. Its headquarters are in Hanau, 10 miles east of Frankfurt, one of Germany's major cities, and its units are located in the Main River Valley, one of the most scenic areas in the country.

IN NEW HOME
Mr. and Mrs. Jack Rogers and family, formerly of Hereford, have recently moved to their new home on West Maple Street in Dimmitt.

MOVED TO WELLINGTON
Mr. and Mrs. Jim Underwood and family of Hereford have moved to Wellington, their former home before coming to Hereford.

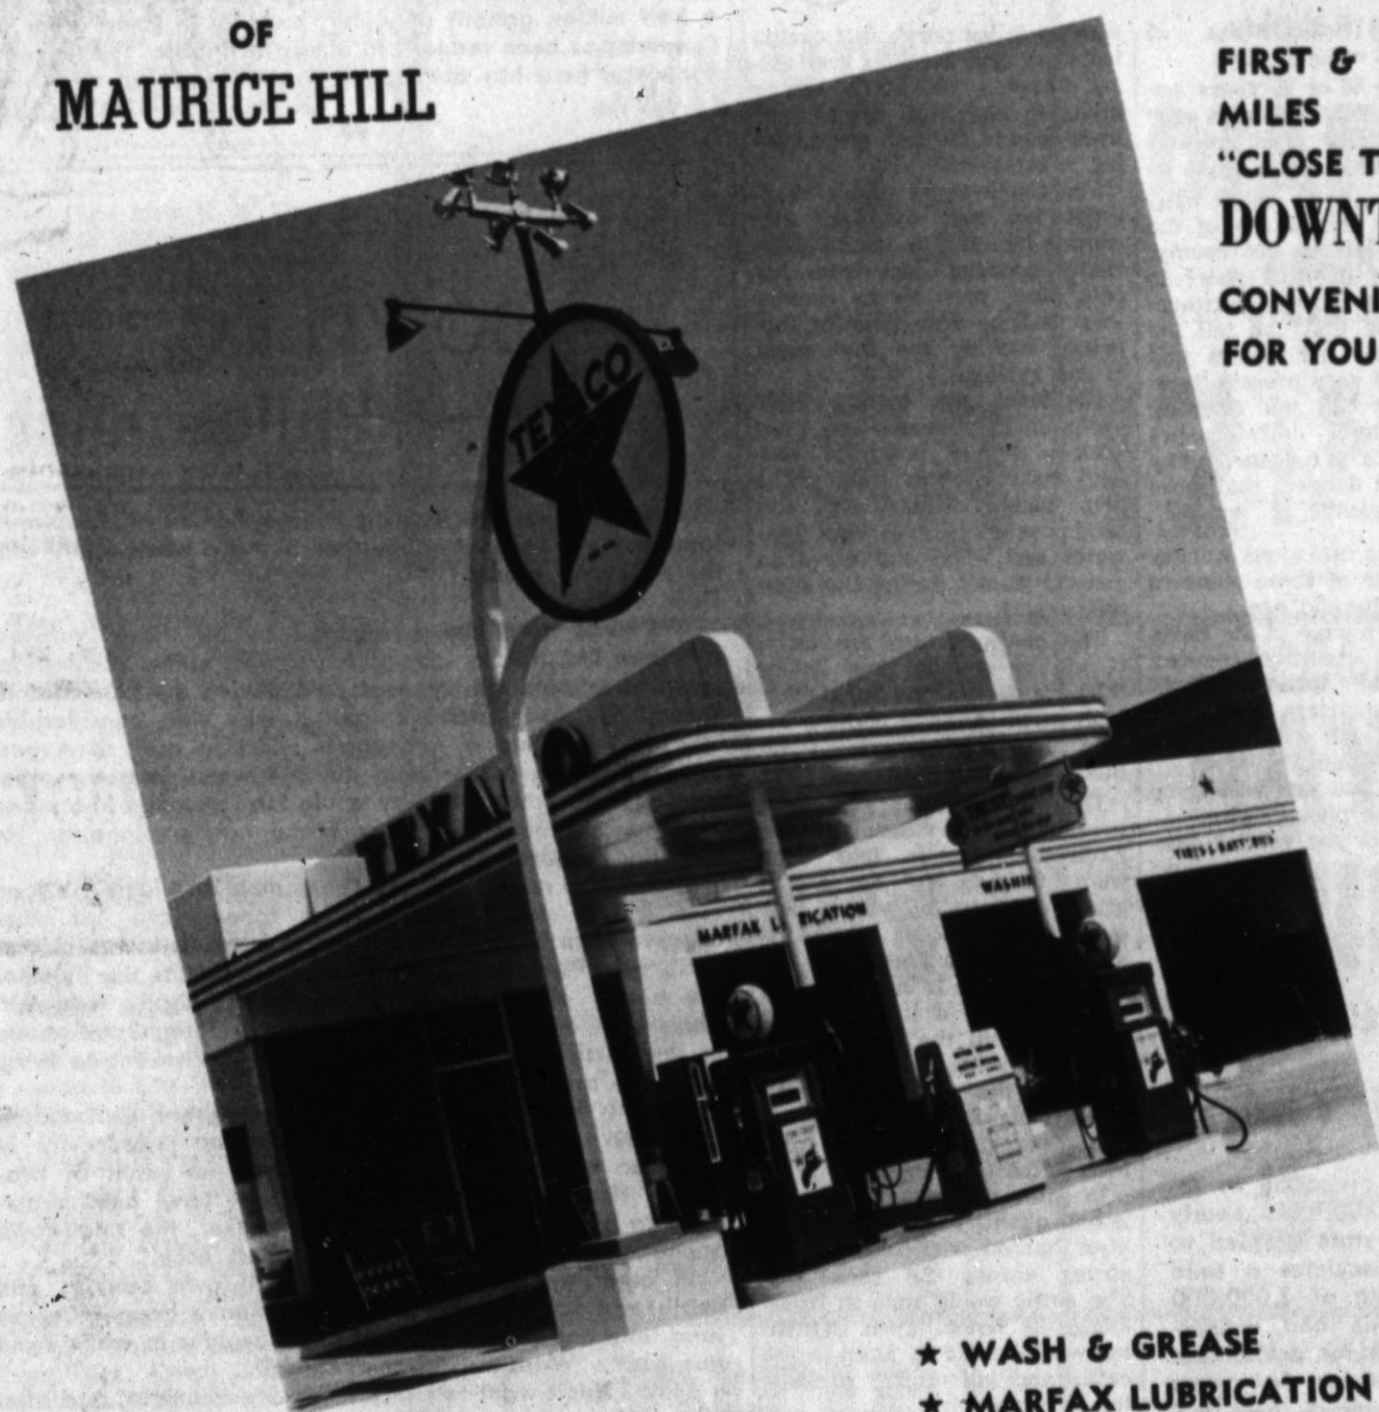

ATTEND WMU CIRCLE
Mrs. Homer Thomas and Mrs. Jessie Thomas, mother and grandmother of Mrs. Elbert Smith of Bethel, near Dimmitt, both of Hereford, attended the meeting of the Abbott Circle of the W.M.U. recently in the home of Mrs. Elbert Smith.

IN HOSPITAL
Larry Arango of Hereford is a patient in Parmer County Community Hospital in Friona.

Deaf Smith County Hospital Ranks With Best In Facilities And Service

One of our finest assets — not excluding its cattle, its water and its many crops — is Deaf Smith County's outstanding hospital. An open house today (Sunday, Sept. 2) will allow the public to see the fine, new addition to the hospital plant.

One of the most remarkable points about the addition is that it is being financed out of hospital revenue and county warrants, thus eliminating the need for a public bond issue. Cost of the \$63,000 project was

shared about equally by the county and the hospital.

The new facilities are primarily for administration, including a large lobby, records room, admission office, business office and administrator's office, along with a library-conference room, which will also be available for still another public meeting room for organizations.

The project also includes a room where relatives of surgical or emergency room patients may wait, a second operating room and a new emergency room.

With these now in use, the hospital staff can become still more efficient and provide better care with less congestion and better control over visitors.

If Hereford and the county grow in the next few years as they should, the hospital will be crowded.

Hospital officials already are making plans for the future. They designed the new addition to care administratively for 100 patients, about double the present capacity. The other facilities — laboratory, operating rooms, kitchen, lounges and such — already are designed to care for this projected load.

Deaf Smith County Hospital is one of two or three county-owned hospitals in the state which has full accreditation nationally. To the layman, this doesn't mean too much. But it means a great deal to the standing of the hospital when appraised by those interested in locating business or industry in the community. It also assures the residents of this county that they are able to get the finest hospital care when it becomes needed. The hospital also cares for many patients from outside the county who appreciate the fine staff and facilities here.

Through the years, the Deaf Smith County Hospital board of directors have done a good job with almost no recognition. Meeting on their own time without pay or other recompense, they have devoted countless hours to the goal of providing the best in hospital care at the least possible cost to either patient or taxpayer.

And there have been fewer changes on the hospital board than almost any governing body in the county. They have provided a strong continuity through the years. Carl Perrin, president; J. T. Gilbreath Jr., vice president; Ed Loerwald, secretary-treasurer; Wayne Thomas, Ira Scott and Dr. A. T. Mims, members, have more recently carried the load and rendered an outstanding service to the county.

To them, to hospital manager T. E. Siegler, the hospital staff and employees go the credit for operating a much-needed service for all of us in the most efficient manner, thus adding much to the privilege of being a Deaf Smith County resident.

School Doors Swing Open

The 1962-63 school term got officially underway this week and, despite the protest of vacationing small-fry, indications point to an outstanding year in Deaf Smith schools.

Any change is tough, especially one which shifts from play to work, and most of us, too, made similar youthful complaints back in our school days. On the other hand, the United States is the only nation in the world which offers a universal high school education to its youngsters. Even such countries as England, Germany, France seldom make a complete high school education available to the masses; instead, many youngsters are shifted into technical schools, while the more adept may complete high school and pre-college curricula. Numerous other countries, needless to say, offer very little in the way of schooling, which is often available only to those with sufficient funds to be provided on a personal basis.

Seen from this standpoint, the average American boy and girl should honestly shout with joy at the opportunity which is offered them. In the present space age, a high school education has become a definite necessity, rather than a luxury. Membership in some unions is now contingent on a high school education, and we can see the situation becoming more a rule than an exception.

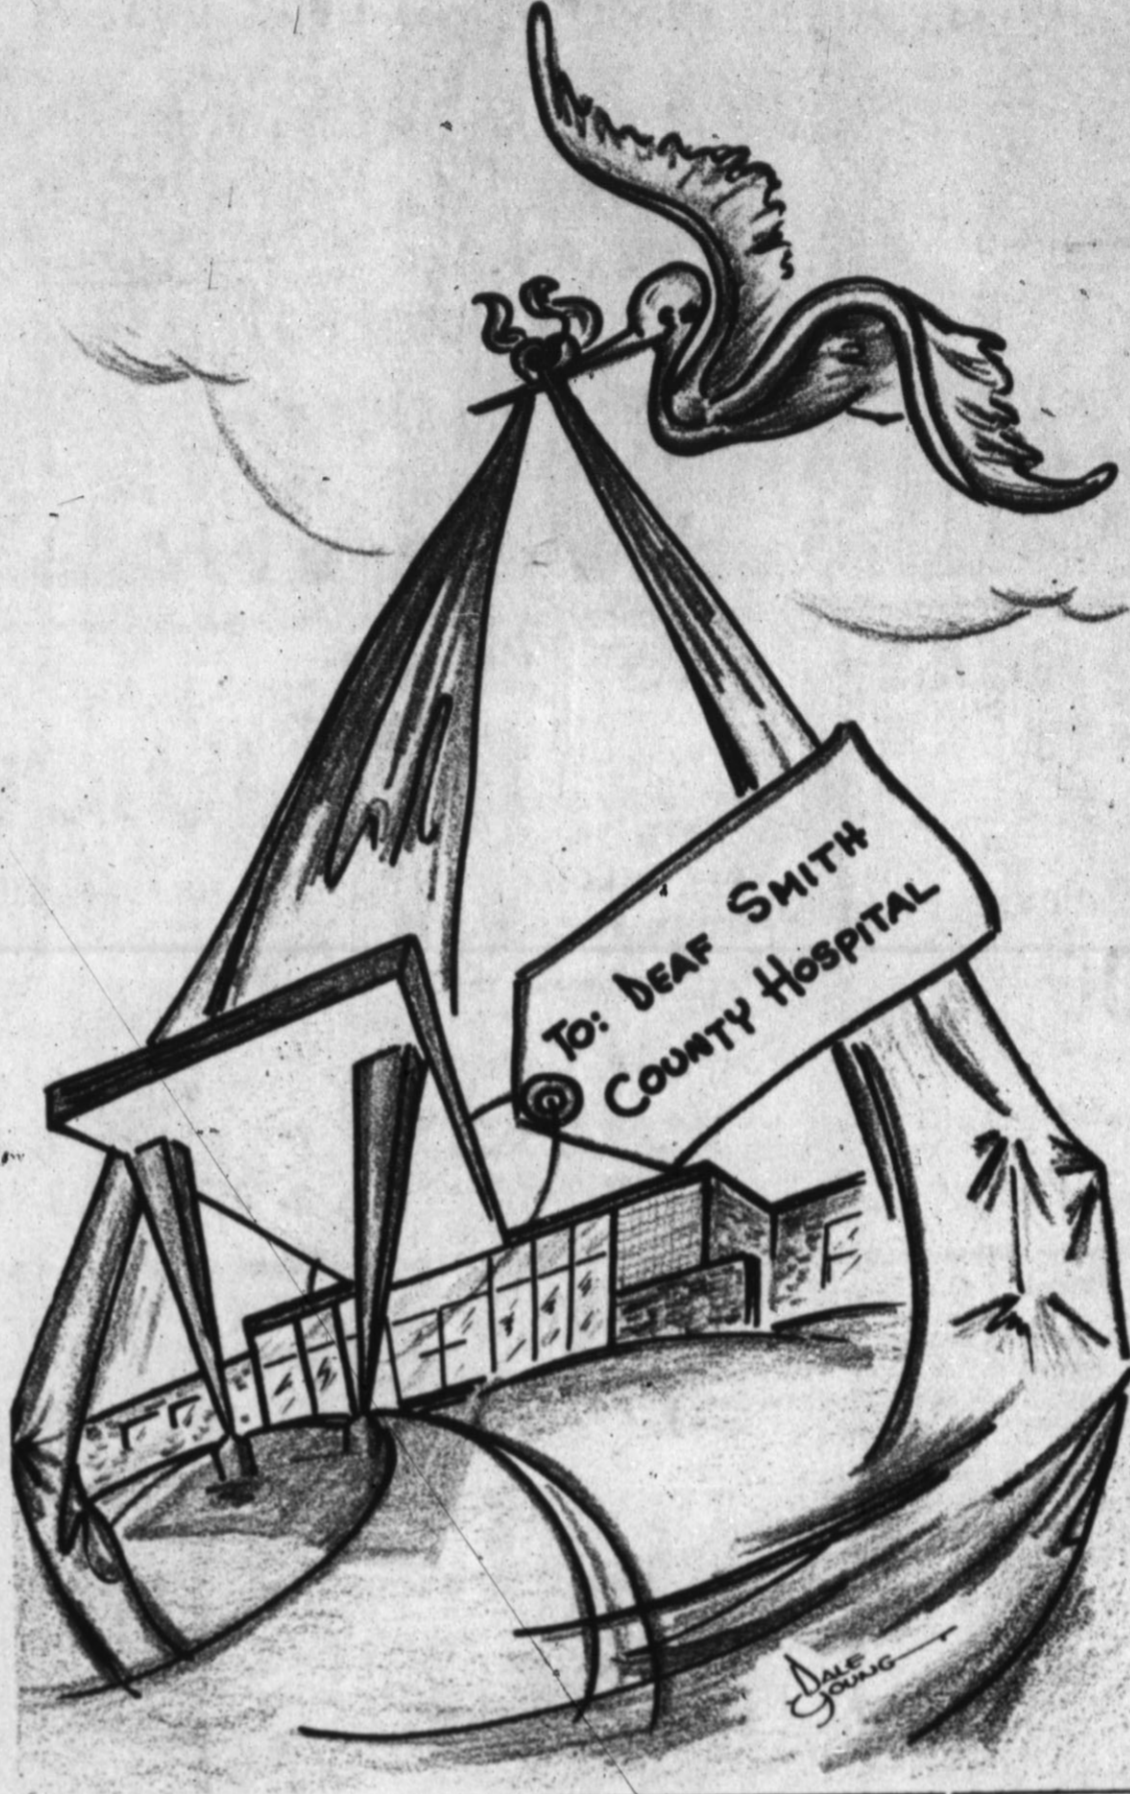

And should the world change even half as much in the next 50 years as in the last, it is likely that college degrees may well become as common as high school diplomas of today.

We know it is tough. We know very few of the youngsters actually mean what they say when school opens, but we still never hear the complaint that we do not cringe a bit — and think how fortunate the youngsters of Deaf Smith County should consider themselves to have available the standard of education which the community offers without cost or obligation to the student.

The past year saw thousands of people die of gas. A few inhaled it, a few more lit it, but most of them just stepped on it." —S. E. Mekeel, Ovid (N. Y.) Gazette and Independent.

Psychiatrists say it's not good for a man to keep too much to himself. The Department of Internal Revenue says the same thing.

"New Addition To Family"

Deaf Smith County Has Proud Pioneer Heritage

By Mrs. R. L. Criswell

Deaf Smith County has a heritage to be proud of and one that we, the people of this area, should be working to preserve and pass on to future generations.

The fact that Deaf Smith County Courthouse has been awarded a plaque by the State Historical Survey Committee is only one more reason to strive to make the old way of life known to future citizens of the county.

A part of the county took part in giving Texas one of the most beautiful courthouses in the United States. I believe it is second only to the National Capitol.

Why shouldn't Deaf Smith County residents be proud? And, why shouldn't there be a building in which to show some of the articles early day pioneers used in their every day lives?

In order that the rigors of pioneer life may not be forgotten, consider a trip to one of the old ranch headquarters in

the county. It was not a 35 mile or a 45 minute drive. But, some 80 or 90 years ago it was a day's drive in any wheeled vehicle then in service and almost a day's trip on horseback.

There are only a few of the old timers left in the county, and time is growing short to preserve the pioneer heritage. These people that can tell the stories of the early days will say they led very prosaic lives.

But, they can tell amazing stories of almost daily brushes with death and the many hazards and dangers that were taken for granted.

These tales make one wonder how so many of these pioneers lived to a ripe old age.

The picture page in the Hereford Brand recently showing the Escabado — former XIX division headquarters — makes one think of the early days in Deaf Smith County.

What did you see when you looked at the photographs? Let me tell you what I saw. I did not see an old stone house

50 YEARS AGO

State Will Take Back Part Of Capitol Grant

Austin, Tex. — The state of Texas is preparing to reclaim a tract of land valued at \$18,000,000. As nearly every Texan knows, many years ago the state granted to John V. Farwell of Chicago and his associates a solid tract of land in the Panhandle, consisting of 3,000,000 acres in exchange for the state capital. The land, twenty-five years ago, was regarded as worthless for agricultural or even for grazing purposes. Only in the last few years has man demonstrated that crops can be raised there and increased values to \$25 per acre. Several months ago when engineers were making a resurvey of the boundary line between Texas and New Mexico they made the discovery that the land embraced in the capital land grant, as it is called, is much in excess of 3,000,000 acres. Excess land will be reclaimed by the state.

25 YEARS AGO

Contractors on the rural electrification lines for the Hereford project will open their offices here Monday, Aug. 30, it was announced by H. V. Hennen, local REA project supervisor, who said that work orders on Deaf Smith project, 47, have already been mailed from Washington. The contractors plan to secure the building just south of the City Hall, which was previously occupied by Lawrence Womble. The building will serve as a warehouse in connection with general offices. Actual digging of holes is also scheduled to get under way next week, as soon as contractors have completed local arrangements and hired men for work. J. E. Morgan and Son, El Paso, hold the line contract at \$89,636.75, and have indicated their intention of rushing the 80 miles of line to completion.

HIGHWAY PATROL TO OPEN OFFICE

Carroll Parker will become Parmer County's first resident highway patrolman Sept. 1 when the State Highway Patrol opens an office on the second floor of the County Courthouse. Parker, 28, will be in charge of covering accidents for the entire county, as well as general patrolling, although units from Dimmitt and Hereford will still help where necessary. A native of Lubbock, Parker has been a law enforcement officer for more than six years. He has been with the Hereford Highway Patrol office for the past two and a half years. Prior to that, he was with the force in Lubbock for more than three years.

DIVERS CHALLENGE SALT HOLE

Sunday afternoon four scuba divers attempted to reach the bottom of the Estelline Salt Hole. As those before them have failed, they also failed to find the source of the salt water stream. The divers reached a depth of 140 feet. At a depth of 15 feet, the mouth of the hole starts. This part is about 20 feet in diameter and narrows somewhat on the way down. At a depth of 75 feet, there is a tunnel that slopes downward at a 45 degree angle. This tunnel is much narrower than the larger vertical tunnel and goes on for an undetermined depth. There is a cracked four cylinder Model "T" engine block at the mouth of the second tunnel, the divers explained. The Army Engineers still remain in charge of the spring but they have abandoned the project of capping the spring until early in 1963.

TV CABLE COST PLACED AT \$50,000

For the exception of some outlying areas, Cable TV of Clarendon will have their cable system complete by this weekend, according to a report from Jim Barrett, local manager of the new business. Some 50 customers have already tied on to the cable as the line passed their locality and servicing to any customer desiring to be connected with the cable will start this weekend, Barrett added. The local cable TV system is being completed here at a cost of approximately \$50,000. The giant antenna at the west edge of Clarendon is 287 feet. Several miles of cable have been strung over town with amplifiers being placed at regular intervals along the line.

GLIDER PILOT MAKES UNSCHEDULED LANDING

Ben Greene of Elizabethtown, N. C., made an unscheduled stop west of Friona Monday when he was forced to land his glider in the road in front of the Louis Welch farm, eight miles west and one north of town. Greene, who pursues gliding as a hobby, had set out on Odessa with his "declared goal" to have been Spearman, which would have been 345 miles, a new American gliding record. But weather conditions became unfavorable, and Greene was forced to set his craft down near Friona, and seek the record another day. The North Carolinian explained that he was spending his vacation in Odessa "because of the excellent soaring conditions in this part of the country."

VOLUNTARY WATER RATIONING ASKED

The voluntary rationing of water by Quanah residents was requested this week by Mayor Sam Breedlove. For the first time in ten years, Quanah faces a critical water shortage. Although the city has storage facilities for two and a half million gallons of water, pressure in some areas of Quanah has been reduced to almost a dribble. The demand for water here has outstripped supply by about one-third.

QUANAH TRIBUNE - CHIEF

THE BOOTLEG Philosopher

(Editor's note: The Bootleg Philosopher on his bindweed farm has gotten hold of another big city newspaper, with the following results.)

Dear editor:

If I lived in a city surrounded by all those unsolved problems like traffic, lack of tax money, crime, congestion, crowded schools, parking, etc., I'd devote my time too, to solving the farm problem, and it was with considerable interest I ran into a newspaper, a puff of August wind turned up out here on this bindweed farm the other day with an article in it by a big city columnist discussing the farm problem. He has a brand new explanation for the farm surplus.

Now up to now, I've been contending all along the farm surplus was due to the fact us farmers are just more capable than say for example the space scientists. Everybody from President Kennedy on down admits the Russians are ahead of us in space, just as everybody from Mr. Khrushchev on down admits us American farmers are ahead of the Russians in food production. I don't want to brag, but there are the facts.

But this big city columnist has a different explanation altogether. According to him, "all this productivity in American agriculture is not necessarily the result of progress." He claims that "federal policies have been drawing into agriculture the small-town banker, the small-town doctor and everybody else after a fast buck."

In other words, it's all those small-town bankers and small-town doctors and lawyers who have bought up the farm land and produced the surplus in order to make some fast bucks. Wasn't us farmers at all.

Now I don't want to criticize this city columnist, and after all, you've got to remember that one of the most inviting things about the farm problem is that anybody can offer a solution to it, safe in the knowledge that nobody else has found the right answer either, but what I'd like to know is where are all these bankers and doctors and lawyers who are making all those fast bucks by farming?

Now I know some bankers and doctors and lawyers who own some land, but it has been my opinion that all of them together haven't added over two inches to the mile-high surplus, and as for making any money, fast bucks or slow ones, I'm afraid that city columnist hasn't had an opportunity to examine their farm ledgers. And I notice very few of them are giving up their jobs in town to really go whole-hog after those fast bucks out in the country.

Another nice thing about the farm problem is that it puts city columnists in the same class with country columnists when it comes to finding a solution, and if I lived in a big city with all those city problems closing in on me, I'd attack the farm problem myself at least twice a week and sometimes on Sunday.

Yours faithfully,
J. A.

TRIGGER-HAPPY LAD AT 3

WAYNESBORO, Va. (AP)—Jimmy Carter Sinclair is growing up with a bang—literally. He's a card-carrying member of the National Rifle Association and he's only 3.

Though his trusty 22-caliber rifle is nearly as big as he, Jimmy shot 71x100 from the prone position and 39x100 from the sitting position in the invitational shoot sponsored by the Shenandoah Valley Rifle and Pistol Club.

True, Jimmy was allowed a few liberties with the rules. Since he can hardly lift the rifle, he was permitted to rest it on a nail while sighting. And his father, Carter Sinclair, had to cock the hammer on the bolt-action rifle. Jimmy isn't strong enough.

Jimmy's interest in shooting sprang from his curiosity about the medals for marksmanship his father won in recent years. Papa began taking him to watch industrial league competition when the boy was only 18 months, Sinclair says:

"In no time at all, he would cry if I didn't take him in my lap when I was cleaning my guns. Then, when he wasn't even two years old, he started firing himself, pulling the trigger as I held the gun."

Sinclair takes elaborate safety precautions. "When Jimmy's firing, my equipment is at home," he says. "When no one is firing, we keep everything locked up. There's no playing with 'the real thing' at home—he gets a toy gun and is happy as a lark."

Jimmy has a 15-month-old brother who already is showing interest in guns—but in a different way. Little Dickie chews on the butts of toy rifles when he finds them lying around.

She Tends Family - He Probes Space

IOWA CITY, Iowa (AP)—Perched high on a hill in a wooded area overlooking Iowa City is the James Van Allen residence. While the privacy is real, the occupants are far from anonymous. Dr. Van Allen is head of the physics department at the University

of Iowa and a pioneer in the field of space study. General coordinator of family activities, of her husband's working demands and of a busy social schedule is Mrs. James Van Allen.

This summer there are 25 scientists and their families from all over the country spending eight weeks in Iowa City. They are participating in the National Academy of Sciences space science summer studies.

Planned Welcome
"I wrote notes to all the people who were coming," Mrs. Van Allen says. "I organized a sponsor program so that every visiting family would have a Iowa City family to welcome them."

Mrs. Van Allen has assisted in the organization and planning of social events for the visiting families. She enjoys her frequent entertaining of visiting scientists and government officials. "These are really interesting people with fascinating ideas. Dinner parties are conducive to the type of talking men like to do," she says.

Mrs. Van Allen said "our home life hasn't changed a bit" when asked about the effect of Dr. Van Allen's international renown. "I assume the responsibility for the family and my husband is very grateful."

Has Five Children
The Van Allen children are Cynthia 15, Margo 13, Sarah 9, Thomas 6, and Peter, 2.

"The children hear very little about their father's work and, of course, don't know what's being said on the outside. We don't stress it at all. The only time they've recently seen a Van Allen news picture was when John Glenn was photographed with Daddy. They were all excited about Colonel Glenn," she says. "The kids are as interested as any kids in the space program."

The former Abigail Halsey grew up in Cincinnati and attended Mt. Holyoke College. She joined her family in Chicago, where they had recently moved. A friend told her about

"some superb secret work in Washington, D. C. This sounded terribly intriguing and we decided to go."

Dr. Van Allen was stationed in the Pacific at the time. "We didn't meet until a year later, when we were both working in the Johns Hopkins university applied physics laboratory."

Probably Will Stay
The Van Allens were married Oct. 13, 1945 in the "church founded in 1640 by my forebears" at Southampton, Long Island.

They lived in Washington until 1951, when Dr. Van Allen accepted his present position as head of the SU1 physics department. "I always thought we'd be leaving. But now we've passed the 10 year mark, so I guess we'll stay."

The Van Allens still vacation every summer at Southampton. "My husband is home a lot more in the summertime now than he once was. He used to chase all over the world doing research. But now he sends a satellite for the information he wants."

Invited to White House
Mrs. Van Allen occasionally travels with Dr. Van Allen. Her few trips have been for very special occasions. They were guests at the state dinner given Feb. 4, 1958, in the White House by President and Mrs. Eisenhower. "It was for military personnel and scientists. Although the dinner had previously been planned, it took place four days after the Explorer I was successfully orbited. We received a real quick invitation by wire."

The Van Allens also attended an anniversary dinner in Washington a year after the orbiting.

Mrs. Van Allen seemed to sum up her total outlook when she said, "I keep up with my husband's work and activities. I'm always interested. But there are other things, too."

PROBLEM SOLVED
EGGERTSVILLE, N. Y. (AP)—The Rev. John L. Kinzel, pastor of St. Paul's Lutheran Church here, has solved the problem of how to get people to sit up front in church. The solution: Air condition only half the church—the front half. The method worked out effectively when an air conditioning system was only partially installed one Sunday, but the pastor has decided to go ahead and install the rear portion, too.

TV FOR YOUNGSTERS
NASHVILLE, Tenn. (AP)—The Methodist church has released for local church and community use a series of 13 filmed television dramas designed to help youngsters, 9 to 11 years old, develop deeper religious insight. The series, called "Breakthru," deals with such topics as the use of talents, God as creator, basic honesty, personal injustice, prejudice and death.

Robert E Lee Wins This Time

DAYTON, Ohio (AP)—Grant surrenders to Robert E. Lee! It's not garbled history. It's the latest development in a story-book romance with historical overtones.

Gay Elizabeth Grant, a slim 19-year-old blonde, has made known her betrothal to Robert E. Lee of Washington, D. C. He's a direct descendant—nobody knows how far removed—of the famous Southern general.

Lee, 20, explained that he and Miss Grant are under pressure to hold their September wedding at Appomattox, where Gen. Lee surrendered to Gen. Ulysses Grant.

But this surrender ceremony will take place in a church in suburban Oakwood.

What's the favorite subject of discussion for this Grant and Lee? You guessed it—the Civil War.

Residents Take Final Vacations

By Brenda Deaton
School may be starting soon, but it's evident that vacation time is not yet over in our community. Mr. and Mrs. Dick Rocky have returned home after a two weeks vacation at Yellowstone National Park and the World's Fair in Seattle. Miss Diane Gibson vacationed in Houston, Tex. recently. Diane met her parents in Fort Worth where they visited with Mrs. Gibson's mother. Diane and Royal Gibson also toured Six Flags Over Texas with Ronnie and Nancy Morin of Houston. Mr. and Mrs. Nazworth and Billy Ray have returned home after vacationing in and around Tulsa, Okla. with friends. Miss Veveca Welch spent last week with her grandparents. Mr. and Mrs. W. H. Welch last week. Recent visitors in the T. J. Presley home were her sister, Mrs. Beatrice Brady of Clinton, Okla., and Mrs. Edward Rose of Channing. Mr. and Mrs. John Benger, Mr. and Mrs. Noel Benger, and Mr. and Mrs. Johnnie Benger were supper guests in the home

of Mr. and Mrs. Loyde Brewer recently. Recent visitors in the Johnnie Benger home were Mr. and Mrs. Clifton McMillan and boys. Mr. McMillan is Mrs. Benger's brother. Mr. and Mrs. Noel Benger and Eddie left last week for their home in San Jose, Calif., after spending two weeks visiting relatives in Black and Friona. Mrs. John Benger attended the Conference on Improvement of Reading held recently in Canyon. Recent guests in the Ellis Tatum home were their daughter and her children, Mrs. Jerry Houlette, Debbie and Mary Beth of Dumas. Miss Marsha Deaton visited with the L. L. Deatons recently. Also guests in the Deaton home were Mr. and Mrs. Sherman Jones and Lee Don along with Mrs. Jones' mother from Amarillo, also Misses Glenna and Veatrice Crow of Hereford. Congratulations to Mr. and Mrs. Byri Fish on the arrival of their new son, Robert Thomas. Robert weighed eight pounds, two and one-half ounces.

Farmers To Study Tailwater Waste

As a result of waste notices and petitions for injunction being served in Farmer, Castro and Deaf Smith Counties by the High Plains Underground Water Conservation District, a group of 50 to 60 irrigation farmers in Farmer County organized a Citizens' Committee to assist the district in finding solutions to problems of waste that plague some Southern High Plains farmers.

The Citizens' Committee is agreed that irrigation "tailwater" should be used to grow crops rather than run into bar-ditches or playa lakes and from there evaporate or be used by weeds.

T. I. Burleson of the Hub Community, an irrigation farmer, has been selected as chairman of the Citizens' Committee. Burleson states, "We want to work with the Water District. They realize that we're busy with our crops right now and recommend that after we're through harvesting this fall, we decide what needs to be done on each farm to avoid having runoff water and then do something about it."

Waste of irrigation water has long been the unwanted companion of many farmers. Solutions to this problem have not always been so apparent as have been the results of waste. Tom McFarland, water district manager, has stated that the district is prepared to cooperate in every way possible in alleviating waste problems, and that the district's staff is ready and willing to work with anyone in finding an answer to his individual problem.

One reason for establishing the High Plains Water District was to inform the people concerning the amount of ground water available and what's happening to it. The district is doing this. Reports show that the water level is declining gradually, but steadily. Decline of the water table should be of great concern to everyone, and it may be, but unless this concern leads to better use of both rain water and ground water by individuals, then the district's efforts are for naught. The tragedy of this entire waste situation on the Southern High Plains lies buried in the statement a wise old gentleman made many years ago, "We'll never miss the water until the well goes dry." When this occurs, it's too late.

VACATION IN NEW MEXICO
Mr. and Mrs. Glen Nelson and son, Glen, of Hereford returned to their home Saturday evening, Aug. 25, after a week's vacation spent camping and sightseeing in New Mexico. Points visited were Las Vegas, Tres Ritos, Taos, Santa Fe, Albuquerque, and Los Alamos, where they visited with Mr. and Mrs. Roger Corbett and Mr. and Mrs. Pat Corbett and sons, David and Jim, all former residents of Hereford.

VISIT DAUGHTER
Mrs. Edna McClure and Mrs. Juanita White, Larry and Sharon, of Littlefield, visited recently in Hereford with their daughter and sister, Mrs. Betty Cowell, and boys. Terry Cowell went home with Mrs. McClure to spend a few days.

FLOWER GIRL
Miss Stephanie Bryant of Hereford was flowergirl at the wedding of Miss Judy Bryant to William Jeter Hunter recently in the First Baptist Church in Amherst.

Deaf Smith County Farmer To Be Honored At Dinner

A dinner honoring Floyd Cole, a Deaf Smith County farmer and recipient of the 1962 Ford Almanac Farm Efficiency Award for grain sorghum production, has been set with invitations sent out by the Ford Motor Company.

The dinner honoring the 34-year old farmer will be held in the Hereford Community Center on Thursday, Sept. 6.

A feature of the program will be the presentation of a \$2000 grant by the Ford Motor Company Fund to a non-profit educational project in Texas chosen by Cole.

Serving as master of ceremonies during the program will be Earnest Langley. Also participating in the program will be representatives of the organization receiving the grant and company officials.

In a letter announcing the dinner for the grain sorghum producer, Howard C. Tuttle, coordinator, Ford Farm Efficiency Award Committee, wrote:

"He (Cole) is representative of the kind of farmer of which all America can be proud, and we at Ford consider it a privilege to pay our respects to him through the conduct of this dinner."

Cole was notified of his selection for the award in December of last year. Basis of the award was the production of grain sorghum in 1960.

The nomination of the Deaf Smith County farmer for the grain sorghum efficiency award was prepared by Lefty Thomas, county agent, with the help of Cole and his wife.

Selection of the winner of the national award was based on high-yield and high-profit goals established by the Ford Almanac with the advice of state college agricultural specialists.

In meeting the production goals for grain sorghum, Cole produced 111 bushels or 6216 pounds of grain per acre in 1960. His production was 11 bushels above the set goal.

He figured the cost of producing the grain at 73 cent per hundred pounds and his profit at 87 cents per hundred pounds.

To produce the top yields, Cole used a hybrid grain sorghum. He listed the land in 40-inch rows and planted two rows on each seed bed at a seeding rate of 12 pounds per acre.

The sorghum was fertilized with 175 pounds of anhydrous ammonia per acre before planting.

Cost figures for producing the milo were set by Cole at \$3 an acre for plowing, \$10 an acre for irrigation and \$7.50 per acre for harvesting and hauling.

Cole, his wife and four children live on a farm about eight miles southwest of Hereford. He and his family moved to Deaf Smith County in 1947 from Duncan, Okla.

FLOYD COLE, winner of the 1962 Ford Almanac Farm Efficiency Award, is to be honored here with a dinner at the Hereford Community Center on Thursday, Sept. 6. Cole was named for the award in December for production of grain sorghum. The national award is sponsored by the Ford Motor Company.

Motor Vehicle Safety Stickers Now Available

Col. Homer Garrison Jr., director of the Texas Department of Public Safety, announced today a new-type motor vehicle inspection sticker is now available for the new inspection year beginning Sept. 1.

"The only thing new about the inspection this year is the sticker itself," he said. "This new sticker is a dry mount decal which we believe will adhere regardless of weather conditions and one which has been used very successfully in other states."

More than five million vehicles registered in the state are required by law to be inspected at one of the 5,000 official inspection stations between this date and April 16, 1963. Owners of vehicles not displaying the current inspection sticker after that date will be in violation of the law.

Garrison urged motorists to get their vehicles inspected as early as possible, and pointed out:

"With hard summer driving coming to an end, fall is an excellent time to have vehicles safety checked in preparation for the winter months."

In announcing the new inspection period, the public safety director said the Vehicle Inspection Program in Texas has proved itself to be a valuable tool in reducing accidents on Texas streets and highways.

Plans Announced For Field Day At Research Center

The annual field days at the High Plains Research Foundation have been area wide projects. Civic and farm organizations in the area have assisted each year in conducting the annual affair.

The Sixth Annual Field Day at Halfway will continue this cooperation when over 2,500 visitors arrive on Friday, Sept. 14. They will be greeted by representatives of chambers of commerce of Olton, Tulla, Lockney, Floydada, and Hale Center.

Plainview Rotary, Optomists, Kawinas, Junior Chamber of Commerce, and American Business Clubs will be represented on the greeters committee from 1 p.m. to 5 p.m. Charlie Young, Manager of the Plainview Chamber of Commerce will head the greeters committee.

The Sixth Annual barbeque at 5:30 p.m. is the gift of Goodpasture Grain Company of Brownfield and the Hale County State Bank of Plainview. The Lions Clubs of Plainview, Olton, Hart, Dimmitt, Tulla, Lockney, Hale Center and Cotton Center will take turns serving the barbeque and fish dinner.

con lace. The skirt swept into the chapel train. Her dainty forward pillbox tiara was of Alencon lace, trimmed with tiny seed pearls. Attached to the crown was a bouffant veil of pure silk imported illusion. Her bouquet was a white orchid, showered with roses and stephanotis, which she carried atop a white seed pearl Bible, borrowed for the occasion from one of her bridesmaids, Miss Sylvia Ferguson. For something old she wore an heirloom pin, belonging to her maternal great-grandmother, the late Mrs. William Dick of Sherman. For something new she wore a single strand of pearls, a gift from the groom. She wore a blue garter and a penny in her shoe to complete the traditional wedding symbols.

A reception was held in the church parlor immediately following the ceremony. The bride's table was covered with a white Normandy lace cloth belonging to Mrs. Lewis Kiker of Plainview. The centerpiece was fashioned from the bridesmaid's bouquets. A silver wedding knife, engraved with the initials of the bride and the groom, was used to cut the three-tiered colonnade cake. White wedding punch was served with an antique silver punch ladle belonging to Mrs. F. W. Clinkscapes of Plainview. Appointments were of silver and crystal. Mrs. Dale Scott of Hereford registered the guests. Other members of the house party included Mesdames M. A. Dunn, F. W. Clinkscapes, Dan McNaughton, P. L. Ferguson, Leland Terrell, Louis Cummings, Freddie Lanford, R. M. Carter, T. M. Chesser, Garland Wolfington, Manuel Ayers, all of Plainview; Mrs. Leon Krupp of Amarillo and Mrs. Walter Weir of Monroe, La. Immediately following the reception, the bride and groom left for a trip to Santa Fe, N. M. The bride wore an aqua silk shantung suit complemented with black and white accessories. Her corsage was the orchid lifted from her bridal bouquet. After Aug. 30, the couple will be at home at 1410 West 20th Street, Amarillo.

The bride is a graduate of Plainview High School, class of 1961, and attended West Texas State College last year, where she was active in the drama and music departments. She had major roles in several college productions and was a member of both the concert choir and the traveling choir. She plans to enroll in Amarillo College for the fall semester.

The groom attended St. Vincent's Academy and St. John's High School in Shreveport, La., before moving to Monroe in his senior year, where he graduated from Neville High School. He attended Northeast Louisiana State College in Monroe before joining the Air Force in January, 1958. He is presently enrolled in Amarillo College and plans to continue his education there. He is employed in the office of the Ryder Truck Rental Company in Amarillo.

Attending the wedding from Hereford were Messrs. and Mesdames Dale Scott, John Blocker, Dave Allen; Mesdames Robert Veigel, W. E. Dameron, Ivan Block, J. C. Williams; Misses Carola Scott, Lee Blocker, Fanelda Williams; and Gary Wertenberger.

Other out-of-town guests included Richard Locke of San Antonio; Guy Panciera, Misses Wanda Jo, Kathleen and Guy Ann Panciera, all of Phoenix, Ariz.; Mr. and Mrs. Charles E. Everitt Sr., Miss Faye Monson, and Mrs. Walter Weir, all of Monroe, La.; Bill Everitt and Mrs. George Ankele, both of Fort Worth.

Also Miss Lucille Finley of Baton Rouge, La.; Miss Lanelle Blanton of Dimmitt; Miss Dian Huff of Pampa; Gary Tydings of Hobbs, N. M.; Dwayne L. Smith of Canyon; and Hank Hughes of White Deer.

Attending from Amarillo were Messrs. and Mesdames Neil Hess, Leon Krupp and Mike Prosser; Misses Kay Krupp and Lisa Prosser; Mesdames Robert Spennore, Olin Prescott, Robert F. O'Keefe, Erle Mathis, Marion Golden; Miss Judi Mathis; Bobby and Ricky Golden; Messrs. Morgan Redmond, Dan Butz, Harry Gilstrap III, Bob Wright and Guy W. Smith.

Sleeping Like Sardines?
Eight out of ten couples still try to sleep on a standard double bed mattress. Yet, for most people, this size is as old fashioned as high button shoes—it's just too small to give them the room they need for proper rest.

Super Size Beautyrest is the answer. The unique construction of this mattress assures two people of single-bed comfort in a double bed ... because the springs are separate, work independently, won't sag. Even the heaviest husband can't disturb his wife's sleep.

Let the sardines sleep like sardines. But why don't you visit our bedding department and look at a Super Size Beautyrest. Take your choice of firm or extra firm ... tufted or quilted ... and get the size that fits your needs.

Iron Curtain Women Have Drab Life

EDITOR'S NOTE: The wife of no perfume to make all men within smelling distance drop everything and make love to you. There is only hard work. Your quota to be fulfilled. Your bread to be earned. Your housework to be done. Your children to be taken and picked up from the day nursery. And no magic breakfast foods that will lighten the day's work. Often there isn't much breakfast at all.

By BETTY O'REGAN

BUCHAREST, Romania (AP) — Life has no glamor behind the Iron Curtain. There's no Madison Avenue hoopla. It makes things awfully dull.

Day Nurseries Necessary
Life for a woman under communism is dull and monotonous. There is little to brighten it. Little to dream about.

There are no pills to make you happy. There is no drink to elevate you to high society. There is

In Romania, Hungary, Poland, Czechoslovakia, Bulgaria, East Germany — most women work at jobs to supplement their hus-

bands' incomes. If you work and have children, they must go into a day nursery, where the first Communist indoctrination takes place.

Can you look forward to making your two or three rooms a little different than the neighbors'? No, because they only have one or two types of easy chairs at the state store. Even if you have saved up the cash, everybody else has the same.

No Uplifting Advertising
There is no advertising in communism to make it seem that success and happiness and heaven are around the corner.

Calm Pervades
A Polish magazine has admitted: "Petty bourgeois prudery is king." No one seems to care in communism whether you get your man or not. You can buy all kinds of perfume. They are called "Lilac," "Lavender," "Carnation." And they smell like lilac, lavender and carnation.

There is no perfume that approaches "My Guilt," or "Chase Me," or "Ooh, La, La" to help out the shy comrade on a warm, sultry night when you both have escaped the political meetings down at the old hydroelectric plant.

But — all this aside — there is a sort of calm caused by no advertising and newspapers that never touch on the exciting or depressing aspects of life.

For instance, airplanes in the East never appear to crash. Planes do crash. But they always are Western capitalistic planes. Eastern planes never.

Epidemics are rarely mentioned. Women say they only hear about them when somebody else's children around the corner have died.

And rarely a crime story in the paper. Is there crime? You can't tell — unless it is economic or political or against the state.

Not Even Obits
Then it is generally a severe case where there is public warning to take notice and toe the party line.

journal is always positive — and positively boring.

"All you read is the success of the government — even though you know prices have gone up and there are queues and food is shorter than usual," another woman said.

There isn't even a regular obituary column in the newspapers to relieve the tediousness. Seemingly nobody ever dies in the Communist paradise except the party big shots.

NEW APARTMENT HOUSES blossom in front of a steel plant at Hunedoara in Romanian Transylvania. This is typical of many new towns that have sprung up in Romania in recent years.

TYPICAL ROMANIAN SMALL-TOWN WORKERS wait at a provincial railroad station for a visit by Nikita Khrushchev.

Musial and Arcaro Reared Smart Boys

SONS OF GREATS: Dick Musial, left, and Bobby Arcaro, sons of two of America's greatest athletes, head for class at Notre Dame. Dick was a sprinter; Bobby is out for rugby.

By FRANK ECK
AP Newsfeatures Sports Editor

Follow in the footsteps of their famous fathers? There's not a chance Dick Musial and Bobby Arcaro ever will try. Both are Notre Dame students, and athletes.

Dick Musial, the son of the St. Louis Cardinals illustrious Stan the Man, competed in sprints with the Irish track team last year and made his 12th point for a monogram in the team's final meet.

Dick, an officer in the ROTC, has passed track this spring. Too busy. He graduates in June.

Bobby Arcaro (Edward Robert) is a big boy so it's impossible for him ever to try what his dad Eddie Arcaro accomplished.

Papa Eddie, 46, retired recently with 4,779 winners in a 31-year Hall of Fame career. Recognized as the world's greatest jockey, Eddie reined mounts to \$30,039,543 in purses and now works for American Totalizer, the odds board people.

Son Bobby, 15-foot-7 and 145 pounds, has rugby, a new sport at Notre Dame, as his outlet. He is a freshman playing a position called "stand off."

Golf Is Gustin's Love

By FRANK ECK
AP Newsfeatures Sports Editor

NEWTOWN SQUARE, Pa. (AP) — Seldom does anyone write about Jon Gustin. You only hear about the winners. Jon has been on four three years without ever winning. Thrice he was second, but no cigar.

In the first six months this year, the handsome 30-year-old Gustin earned \$7,500 on the 1962 PGA golf tour. He hasn't a nickel to show for it. That's the way Jon Gustin wants it.

When Jon picks up a PGA check — about a dozen this year — he mails it to Loma Frakes, head pro at the Philadelphia Country Club. Frakes and several well-to-do club members at the Gladwyne course are backing the native of Irvine, Ky., who makes his home in Birmingham, Ala. The Frakes group sends Gustin about \$250 a week.

They are just about breaking even, which isn't bad, backing a nonwinner. Last Christmas they gave Jon a \$500 bonus. One of the club members asked Frakes: "Is that enough?"

"I toured three winters in Cal-

ifornia and didn't win a quarter," says Gustin. "But I'll play better this winter."

"People see me hit a ball on the practice tee and they think I'm the greatest player in the world. Sometimes I can't take the club back from the ball. It's strictly psychological."

Gustin talked with a few golfing psychiatrists, but they never got him on a couch because they were Philadelphia CC members and thought Jon was spoofing.

"I don't have a worry in the world," says Gustin. "I'm single and my only worry is how well I play. I'm not playing for the dollar but for satisfaction. I haven't won a tournament but I'm improving. Ball hitting is 25 per cent and I'm hitting it well. Bob Jones put it at 15 per cent."

Gustin is only one of the many nonwinners on tour. Gary Player

Plays for Satisfaction

She's a Rep.

YAKIMA, Wash. (AP) — A woman who was a British war bride may go to the Washington state legislature.

Mrs. E. Donald Lynch, a doctor's wife, can already call herself State Rep. Lynch, appointed to fill a vacancy in the 14th District delegation, she must nevertheless run for election this fall before the legislature convenes next January.

As an adopted daughter of the United States, Mrs. Lynch, a Republican, believes she has civic duties and responsibilities. A letter from her father when she left England emphasized these.

"First, remember you are going to a great country, one that has done much for the world at large," he wrote.

"You have it within your power to be a great ambassador for this country; by careful thoughts and actions you can contribute much to the good of the two countries."

At 18, she rang doorbells in East London, supporting the candidacy of a Conservative Party candidate.

The fruits of labor — under America's free enterprise system — are many.

Among them are greater productivity — better pay — the world's highest standard of living.

And these benefits go beyond the individual — make his community a better place in which to live. Americans have more time for their families and community service. More money, too, to give greater support — by free choice — to the religious and cultural institutions of our home towns. And greater productivity keeps our economy — and our nation — strong.

Slave labor has security. American labor has opportunity — and freedom.

C OF C SCOUT

'Deaf' Smith Says

TO: The Spirit of Sam Houston FROM: The Spirit of Scout Erastus "Deaf" Smith

SUBJECT: Scouting Report on My Chamber of Commerce My Chamber of Commerce is called upon to provide many services, Sam, and many of them are little known to the general public.

It was found, though, that some firms that are not Credit Bureau subscribers were not receiving the warnings. The Chamber then made up a list of some 35 firms not now on the Credit Bureau's warning system and extended the service to them through the courtesy and cooperation of the Credit Bureau.

The system works in this way. When it is discovered that a hot checker, shoplifter, or unregistered and unknown solicitor is operating in the business area the bureau is informed. They immediately put the warning system into motion.

The Credit Bureau has a list of eight names that they call among which is the Chamber of Commerce. Each of the eight people called has the name of another firm to which they are to relay the information and they, in turn, relay the information to a third, and so on until the last person on each list is notified.

The Chamber of Commerce, when it is notified, has a list of five names which it calls and this list is extended also so that the business community can be alerted within a very short time if each firm, when notified, immediately relays the information.

This has been a very effective way of preventing losses and has resulted in one arrest. It is not designed though as a policing system but as a preventive system.

Another service the Chamber is called upon to render is assistance to people needing a place to live. There is hardly a day goes by that a family does not come into the office seeking rent property.

The Chamber office attempts to list all rent property that is made known to it. However, it does not compete with the real estate people for the Chamber makes no charge for its services. It is provided only as a service to the public.

As Hereford continues to grow in the months ahead, the demand for rental units will increase. The completion of Charlie Seeds new apartment building will help to take the pressure off the rental housing situation a great deal. But, there will be a continued need for such units. Many people who will later own their own homes prefer to rent when they first move to town so that they may learn the city and decide which area they wish to make their permanent residence in.

Rumors continue to circulate, some of them pretty wild, about things that are about to happen industry-wise here in our area. About all that can be factually reported now is that all negotiations with known industrial prospects are proceeding satisfactorily. To hitches that have come up, solutions have been found or are in the process of being resolved.

That is my report for this week, Sam.

Friday Services For C. L. Hefley

Funeral services for Chester Leslie Hefley, 80, a former resident of Crosbyton, and half-brother of Mrs. Will Caraway of Hereford, were held at 2 p. m. Friday, Aug. 31, at the Crosbyton First Baptist Church with the Rev. Otis Testerman officiating.

Hefley died at 11:15 a. m. Tuesday, Aug. 28, at his home in Artesia, N. M. Burial was in the Crosbyton Cemetery under the direction of King Funeral Home.

Moving to Crosbyton in 1913, Hefley operated a shoe store until 1938, when he moved to Artesia. He retired in 1960. He was a native of Stephens County.

Survivors include his wife, Emma; four sons, Milton Hefley, Crosbyton, J. C. Hefley of Artesia, Roy Hefley of Fort Worth, and Elbert Hefley of Long Beach, Calif.; a half-brother, Frank Bargsley, Rancho; and a half-sister, Mrs. Will Caraway of Hereford; nine grandchildren and nine great-grandchildren.

NOT EVEN BASS HORNS bother these drummers as they concentrate on a peppy march rhythm. Members of the Hereford High School Band, they began rehearsals early for the coming football marching season. First appearance for the band, and also the Hereford Whitefaces, will be Sept. 14 at Canyon. (Staff Photo)

DANCERS FROM ASIA

NEW YORK (AP) — Three Oriental dance companies are to make their first tours of the United States during the fall and winter under sponsorship of the Asia Society.

The culture exhibit begins with the Phakavall troupe from Thailand, which will travel the continent from mid-September through December. In October, Sangeeta Madras arrives with a display of rhythmic specialties of southern India.

Another artistic tradition is represented by the Bharatiya Kala Kendra group, scheduled to arrive here from New Delhi in January.

WATCH THE SKINS

BLACKSBURG, Va. (AP) — Sam Horner, a 205-pound back, says watch out for the Washington Redskins this season in the National Football League. Horner, who will be playing his third season with the Skins, says experience, several trades and confidence in the new system installed last year by Coach Bill McPeak are the big reasons why he thinks the Redskins will be tough to beat. The big back has been studying here at Virginia Polytechnic Institute to prepare himself for veterinary medicine.

TO THE PEOPLE OF OUR COMMUNITY

You are cordially invited to visit your hospital on Sunday, September 2, between the hours of 3:00 P. M. and 5:00 P. M. to inspect the new addition now almost completed. We hope you will share our pride in this latest attempt to provide facilities so that we can better serve the health needs of our people.

The main entrance and lobby are now located on the south side of the hospital (third street) and new parking facilities for visitors are also located on Third Street. We ask that all visitors use this parking space and enter and exit from the hospital through this main entrance.

We also want to call attention to the fact that starting Sunday we will enforce visiting hours and the rule regarding children visiting in the hospital. We would like to explain why these rules were made and why they will be enforced.

Our doctors, our board and our employees all realize that our first responsibility is to our patients. They are the reason we are here. Bed rest and quiet is an important part of our efforts to help them regain their health. Too many visitors staying too long is harmful. Visitors who insist on visiting during treatment, baths or meals or during time prescribed for quiet and sleep definitely hinder the patient's effort to get well. Remember too that we have patients other than the one you might want to visit that would be disturbed by noise and confusion and they too are our responsibility.

If you should come to the hospital to visit during off-hours, the hospital is providing note cards on which you may write any message you like and we will see that it is delivered to the patient. In that manner the patient will know you are thinking of him and he will also not be disturbed at a time when he should be resting.

Our visiting hours will be:

- 10:00 A. M. to 11:00 A. M.
3:00 P. M. to 5:00 P. M.
7:00 P. M. to 8:00 P. M.

NO CHILDREN UNDER 14 PERMITTED AT ANY TIME

In times of crisis certainly we will not keep children from seeing loved ones critically ill. When this is the case please contact someone in the office or the Director of Nurses who will arrange for the visit. Keeping children from visiting is our effort to keep YOUR CHILD from being exposed to infectious or contagious diseases that might be in the hospital at the time.

This is your hospital and exists for the benefit of your friends and family. You can help us help them by abiding by the above regulations.
