

The Hereford Brand

TUESDAYS—TWICE-A-WEEK—FRIDAYS

23RD YEAR, NO. 47.

HEREFORD, DEAF SMITH COUNTY, TEXAS, TUESDAY, JULY 3, 1923.

There will be presented in this column from time to time editorial expressions or signed contributions from the public concerning matters of pressing public moment. Where these articles are signed they will be, of course, the individual views of the person signing them. Where they are unsigned they will be the editorial point of view of The Brand.

Below Mr. Gilliland expresses his personal viewpoint of the constitutional amendment covering the highways of the state which the people will vote upon soon.

FROM THE PEOPLE

How Shall We Vote on The Constitutional Amendment?

In the June 26th issue of the Hereford Brand, on page three, appears a notice by the Secretary of State of an election to be held on the fourth Saturday in July, 1923, for the purpose of voting on a joint resolution passed by the legislature of Texas proposing an amendment to article 8 of the Constitution of the State of Texas, relative to a State system of public highways and taxation and revenues, for the purpose of acquiring and constructing these highways and maintaining them. I AM AGAINST THIS AMENDMENT, AND IT IS MY OPINION THAT WHEN THE VOTERS OF NORTH AND WEST TEXAS READ THIS PROPOSED AMENDMENT AND ANALYZE IT EACH AND ALL OF THEM WILL, OR SHOULD BE AGAINST IT.

Personally, I am heartily in favor of good roads throughout the State and am perfectly willing to be taxed to construct and maintain them, but not in the way this amendment authorizes.

In the first place, North and West Texas are already paying more than their just part of the State taxes to maintain State government and State Institutions, and if this amendment is adopted, it will at least furnish an opportunity to compel us to, in addition to the unjust portion of the State taxes, we are now paying, construct and maintain highways through the SLACKER COUNTIES, about which we have read so much during the past year. From the way we have been taxed in the past, and our tax money sent into what is known as slacker counties WHERE THE BIGGEST VOTE IS, I believe I will be justified in predicting, that if this amendment is adopted by the vote of the people, we will in addition to sending to those counties enforced charitable donations in the form of tax money as we are doing now, place an additional burden on us to build, equip and maintain public roads for them; and how many of these highways do the voters of North and West Texas suspect will be constructed in their sections during the next twenty-five years?

This may be crossing a bridge before we get to it, but my observation has been that a man, community, or country that doesn't learn something from the past and, with the knowledge of it, determine the probabilities of the future is usually caught in the trap.

If the proposed amendment had no other vice in it than the one I refer to above I could not support this amendment, but those fade into pale insignificance when you consider the following provision in the proposed amendment: "When said system shall have been designated and taken over for the State as provided in Section A hereof, THE LEGISLATURE IS AUTHORIZED TO MAKE PROVISION FOR THE EQUITABLE COMPENSATION TO SUCH COUNTIES FOR THE VALUE OF SUCH IMPROVEMENTS AS HAVE BEEN THEREFORE CONSTRUCTED BY THE COUNTIES IN THE STATE." That provision was evidently placed in this proposed amendment by the representatives of the people in those Counties who have FLOATED THOUSANDS AND MILLIONS OF DOLLARS WORTH OF BONDS AND HAVE WASTEFULLY EXPENDED THE MONEY IN CONSTRUCTING ROADS THROUGH THEIR COUNTIES AT AN ENORMOUS AND EXTRAVAGANT COST, and of course was placed in this proposed amendment in order that those Counties may sell to the people of the entire State, to be paid for by taxing the people of the State, whether benefitted or not, bad investments they have made injudiciously.

You will note this striking provision, "THE LEGISLATURE IS AUTHORIZED TO MAKE PROVISION FOR THE EQUITABLE COMPENSATION TO SUCH COUNTIES FOR THE VALUE OF SUCH IMPROVEMENTS AS HAVE BEEN HERETOFORE CONSTRUCTED BY THE COUNTIES IN THE STATE." How much do you suppose the North and West Texas Senators and Representatives in the legislature will have to say when it comes to making the provisions for this "equitable compensation"? Before the legislature has ever met, I have concluded in my mind the Representatives and Senators from those Counties who wrote this provision in this resolution and who desire to unload these "white elephants" on the people of Texas, and they will be in the majority, will be all who have anything to say about it. Of course our Senators and Representatives can make a noise about it and probably will, but they haven't enough votes, and the steam roller will be used on them in the usual immodest way. It is my honest, candid, humble opinion that the voter in the Panhandle who does not go out on that day and vote against this amendment will lose a splendid opportunity to render a real service to this section of the country.

CARL GILLILAND.

Mayor Knight Calls on Citizens of Hereford to Comply With the Ordinance Governing Weed Nuisance

TO THE PEOPLE OF HEREFORD:

The recent rains have been abundant and the weeds are awful. They seem to be ranker than ever before. These weeds are not only unsightly but are positively ugly. They are obnoxious in every way. They are unsanitary. Mosquitoes breed under them and in this way constitute a menace to health. They detract from the general neat and pleasing appearance of the town and provoke adverse criticism and sneering remarks from visitors. Some work and a little money will rid us of these pests. Concerted effort on the part of the citizens of the community will work wonders and accomplish the desired results.

The ordinances make it the duty of property owners to cut the weeds from their premises and the abutting streets and alleys. Other cities vigorously enforce such ordinances. Why should not we?

I therefore suggest and request that all property owners and all tenants immediately cut the weeds from their premises and abutting streets and alleys. If those living in every block would organize and work together in this enterprise, the town could be cleared of these unsightly weeds in a short time.

Yours for a weedless town,

WM. M. KNIGHT, Mayor.

Progressive Had Big Sing-song and Dinner Sunday

The sing and big basket dinner at Progressive last Sunday, July 1, was a decided success. President John F. Taylor and secretary Bridges of Clovis of the Plateau Singing Convention, were present and aided in forming an association for Deaf Smith County. The out-of-town representatives were Mr. and Mrs. J. G. Hufstetter of Dimmitt, Mr. and Mrs. S. J. Taylor and family of Castro count and quite a large number from Hereford enjoyed the day. The officers elected were as follows: Mrs. R. Higgins, president; C. P. Galley, vice president; Mrs. C. C. Bowman secretary. A set of by-laws were adopted and the Deaf Smith Association was united to the Plateau Convention to work in unison with the original organization. The next county sing will be held at Askren school the first Sunday in September.

Hereford Golf Club Will Resume Tournament Play

The recent heavy rains and high water over portions of the links caused an interruption of the hole tournament in progress by the Hereford Golf Club, and the contest has lagged in consequence. However, with the return to normal conditions of weather the game has been resumed and soon the play-off for the championship will be in sight.

In flight one only two matches remain to be played, that between Jim Black and Mac Pitman. The winner of this match will take on Albert Herbst for the championship of that division, as Herbst eliminated W. R. Stockman Monday by a score of 83 to 80.

In flight two only Brack Williams and P. W. Price remain, and in flight three the winner of the Oberthaler, Sharp match will play Gano Hastings.

It is hoped to see one match in each flight played off on the Fourth of July and the three flight champions determined by the end of the week. Handicaps will then be arranged and the grand championship of the club determined.

Miss Elizabeth Black to Study in Cleveland, Ohio

Miss Elizabeth Black, accompanied by little Mary Louise Henry, left Hereford Saturday morning. Mary Louise has been visiting in the home of her grandparents, Mr. and Mrs. W. S. Williams, and will stop off at her home in Kansas City. Miss Black will go to Chicago and there meet her teacher, Miss Harriett Bacon McDonald. Together they will go to Cleveland, Ohio, where Miss Black will study music for the summer months.

Mr. and Mrs. Omer Baker Leave for Nice Vacation

Mr. and Mrs. Omer Baker and family left Hereford overland early Tuesday morning for Hartford, Greenwood and Ft. Smith, Arkansas, the old home of the Bakers. Mr. Baker says they would be absent about ten days and Mrs. Arthur Davis will have charge of the hotel in their absence.

Between 500 and 600 Cars Through Here Each Month

The tourist register at the Magnolia Filling Station shows that just 100 through cars utilized that station for supplies during the month of June. This number cannot be more than a third, more probably nearer a fourth, of the total number of tourists who stopped in Hereford during the month. A conservative estimate of the average amount of money spent by each car in a town is \$5.00. Multiply that by a conservative 500 and the total gives some idea of what good roads and the South West Trail mean to Hereford.

Mr. and Mrs. G. A. Harris Leave for California

Mr. and Mrs. G. A. Harris and family left Hereford Monday morning for Los Angeles and other points along the coast for about three weeks' vacation. Mr. Harris is section foreman for the Santa Fe on the Hereford section. H. L. Brislin is acting as foreman of the section crew while Mr. Harris is away.

Mrs. B. Franks and Son To Visit Pacific Coast

Mrs. B. Franks and her son, R. E. Alban, are planning to leave Thursday morning for Los Angeles, Calif., where they will visit for a month or so with Mrs. Alban's two other sons who reside in that city.

WORKING ON APPROACH TO BRIDGE NOW

COUNTY AND CITY CO-OPERATING FOR PUBLIC GOOD

ONE SPAN ADDED

Sixteen Feet Added to Original Estimate For The Bridge

The commissioners' court has been in session Monday and Tuesday looking into the details of the building of the bridge across the Tierra Blanca at the foot of Main street. Bids for the contract work of building the approaches on both sides of the structure were advertised for and bids opened by the court Tuesday. However, all bids were rejected as they were all too high, in the opinion of the court. The advertisement for bids has again been inserted in The Brand, and another effort will be made soon to let this end of the contract work and have the entire work under way.

At a joint session of the county and city commissioners last Friday night a tentative financial and working agreement was reached whereby the city will pay a certain proportion of the expense of the north approach to the bridge and will also erect the guard railing that will be necessary. It was also agreed between the commissioners that the partnership street running east from 25-Mile Avenue and along the north side of the high school should be graded and put in passable shape by the city alone. However, since that time it appears that the work will cost more than the court thought it ought to cost and therefore another agreement will have to be reached between the County and City.

The temporary bridge and crossing east of the old bridge is now in fair shape and foreman Chapman of the Austin Bridge Co. is rapidly getting rid of the old structure in preparation for the new. The court announced Monday that since the contract was let they have decided to add another sixteen foot span to the bridge to insure safety in case of high rises in the river and they now feel safe in saying that the bridge will be able to handle any volume of water that may be expected to come down the Tierra Blanca.

Rex Tynes Takes Family For Trip to Mountains

Mr. and Mrs. Rex Tynes and children were planning to leave in their car early Tuesday morning for a month's camping trip in the mountains of Colorado. It is their intention to go to Denver first and afterwards decide additional camping spots.

R. A. Long, pharmacist of Clarendon, formerly a druggist at Plainview, arrived the latter part of last week and will take Mr. Tynes' place at the City Drug Store during the latter's absence. This will be Mr. Tynes' first real vacation in fifteen years, and he is preparing to make the most of it.

Laundry Closes; Beavers Bros. to Occupy Building

The Brand regrets to announce that the Hereford Laundry was closed with last week's business and the machinery will be shipped to Electra, Texas, where Mr. Broadwell has established another plant. The front 100 feet of the roomy laundry building has been rented to Beavers Bros. Garage who will move in as soon as Mr. Broadwell can make space for them. The power plant in the rear of the building will not be removed at present.

Mr. Broadwell states that his investment here was too heavy for the patronage received and that the oil field at Electra furnishes a busy prospect for the laundry business. He intends to send his sons, Phillip and David, to Electra to handle the work there while he will go down occasionally and keep an eye on the enterprise.

Quiet Fourth of July is Promised Here Wednesday

All indications pointed to a quiet Fourth of July this year. There was no special program of any kind arranged and a large proportion of the population appeared to be getting ready for a grand fishing spree. Poles and lines and tackle was being overhauled Monday and Tuesday. Quite a number planned to visit other places and the stores will be closed with the exception of the filling stations. Some of the old time cowboys were thinking of going to the Dalhart Roundup while a few merchants indicated their intention of taking in the celebration at Grady, N. M.

W. S. Williams Remembers Brand With Peaches

The Brand force was just beginning to wonder if the old time custom of asking the editor to sample the first fruits and vegetables has passed forever in this community when W. S. Williams kept the record straight Monday with a sack of delicious peaches from his yard. The name of the peach is unknown but its a fact that they don't raise them nicer or sweeter flavored.

John R. Edwards Goes To Abilene for Health

Mr. and Mrs. Jno. R. Edwards will leave Thursday for Abilene, Texas, for a temporary stay. Mr. Edwards, who is deputy county clerk, has been ordered to a lower altitude for a time by his physician on account of high blood pressure. He hopes to be able to resume his duties here by next term of court.

Iowa Lady and Daughter Here Visiting Relatives

Mrs. J. F. Lust and daughter, Dorothy, of Lennox, Iowa, reached Hereford Saturday morning. Mrs. Lust is visiting in the homes of her children, Vern, Earl and Loyal Lust, and a daughter, Mrs. Leona Stiles, of the Bethel district. Mrs. Lust will remain here for the summer.

HOSPITAL IS TALKED OVER AT LUNCHEON

HEREFORD'S QUESTION MARK IS AGAIN TACKLED

NEW COMMITTEE

To Thresh it Out Thoroughly and Then Make a Recommendation

The sanitarian problem was again called up at the luncheon of the business men at the City Cafe Monday and practically the entire program was devoted to a frank discussion of the question that has puzzled the residents of this country for several years.

There were men of varying professions, varying politics, varying business interests, varying religious views and varying degree of public-spiritedness present but if there was one who believed Hereford should not have adequate hospital facilities he did not make his presence known. Nearly everyone at the table expressed himself as favoring such facilities, the question at issue is how to secure such an institution and what kind of an institution is most required.

Quite a number expressed themselves as desiring the court to take over the present sanitarium, with perhaps a small additional amount necessary to make the plant more habitable and efficient. A few favored a separate new building and location. Still others thought of a real modern brick of which the country could be proud, although admitting the apparent impossibility of realizing such a dream at present. The discussion included the present debts, obligations, equipment, service being rendered, etc., and what was the best thing to present to the people for their consideration.

All agreed that something had to be done soon; the present situation cannot continue indefinitely and the community is obligated legally and morally to put the sanitarium on a business-like and efficient basis.

It was finally agreed to appoint a committee to thoroughly thresh out the problem from every angle and report back next Monday with a complete summary that the citizens can more easily digest and decide upon. President Wilkinson appointed: Mayor Knight, D. F. Ashbrook, Geo. L. Moore, E. W. Harrison and L. Baskin on this committee.

The secretary reported that negotiations with gin men were in progress but nothing definite was available at this time to report. Attention was called to the fact that the woolly cut worms had begun to appear on shade trees and grape vines in this vicinity and that close attention will probably be necessary, together with spraying, to stop this pest's ravages.

A resolution of thanks was adopted to L. P. Landrum of the Hereford Nursery for a bucketful of delicious early peaches which he had sent down to the Cafe for the luncheon. The peaches provoked much favorable comment for their size and flavor. Mr. Landrum extended a cordial invitation to every business man in town, or any other, to visit his nursery this week and see one of the most splendid exhibitions of what the Plains country can do in the fruit line ever exhibited before and, incidentally, to study his methods of cultivation and care of the trees which have been bearing steadily for years.

Next Monday the luncheon will be held at the Corlora Hotel and besides the report of the hospital committee it is hoped to be able to present something definite about the cotton gin.

Church of Christ Revival Service Starts on July 15

The Church of Christ of this city will start a revival service in the church office July 15 and run about two weeks. Bro. J. W. McKinney of Stanton will preach for the gospel meetings and J. G. Hufstetter of Dimmitt will lead the song services.

Amarillo and Hereford Gun Clubs Will Compete

The Amarillo News has been carrying stories of late about a dual meet between the Amarillo and Hereford gun club shooters, but the local men are not informed about such a date. It is presumed Amarillo desired a shoot on July 4, but so many of the Hereford members will be away that this will be impossible. Arrangements will probably be made to entertain the Amarillo sportsmen here in the immediate future.

ALL SUBSCRIPTIONS STRICTLY IN ADVANCE

Floyd county, starting last Thursday. Mr. Bagwell will be gone several days. Mrs. Glen Smith returned from Lucia, New Mexico, where she has been visiting about two weeks.

The most of our men and boys enjoyed a fine swim Sunday afternoon in the lake near J. C. Williams's home. The lake at one time this summer was reported to have ten feet of water in it. It is now about eight feet deep and affords excellent swimming.

Leland Smith had the misfortune to get the forefinger of his right hand cut in a lister last week. Dr. Miller took him to Plainview, where the injured member was amputated a little below the first joint. Although this was quite painful, we are glad it wasn't more serious.

Mr. and Mrs. J. Z. Smith and Mr. and Mrs. Glen Smith had Sunday dinner with Mrs. Glen Smith's sister, Mrs. Bob Miller of Dimmitt.

The Rothwell boys and Leland Smith made a business trip to Hereford Saturday.

Mr. and Mrs. J. C. Williams left the first of the week for Plainview to visit Mrs. Williams's mother, who has been sick for some time.

There has been a lot of talk lately about Bethel having a ball team to play Saturday afternoons through the summer. The team hasn't been organized yet, but most of the men and boys have promised to play and there are plenty for a good team. We are looking forward to some good games this summer, as most of the neighboring communities have teams and we ought to have some match games.

NAZARETH

Math Gerber and family and Mr. and Mrs. Mike Gerber were in Amarillo Friday.

John Sneider left Friday for Okla., where he will visit with relatives and friends.

Hubert Braddock and Paul Kern were in Amarillo Thursday.

Dr. Miller took Ralph Huseman to Amarillo Saturday, where he was operated on for appendicitis.

Mr. and Mrs. Joe Guggemos and Mr. and Mrs. B. H. Kleman were in Dimmitt Sunday.

Mrs. Frank Schulte had her tonsils removed Friday at the Amarillo Sanitarium. Mr. and Mrs. Conrad Schulte accompanied her.

John Albracht was in Tulla on business Saturday.

Mr. and Mrs. Ted Dirks had dinner with the John Lange family Sunday.

Miss Cecelia Huseman spent the week with Mrs. Ther.

Frank Wilhelm and daughter, Rose, and Miss Katie Shaw were in Amarillo Monday.

Edward McCormick was in Tulla Friday.

ARNEY—BLUE RIDGE

Mrs. M. T. Bailey made a business trip to Happy Monday and to Hereford Tuesday.

Mrs. M. A. Brooks was a caller at the home of her mother, Mrs. J. P. Hutson, and also at the home of Mr. and Mrs. C. E. Burks last Wednesday.

Mr. and Mrs. Regna were callers at the home of Mr. and Mrs. M. T. Bailey Wednesday morning.

J. E. Davis began to harvest his grain crop Wednesday.

The two Mr. Stuarts and Mr. Slayton are helping J. E. Davis this week in the harvest field.

S. J. Taylor and daughter, Lorena, were in Hereford Wednesday on business.

Last Sunday night quite a crowd gathered at the home of Mr. and Mrs. Slayton for a little community singing. Everyone present enjoyed the evening very much.

Mr. and Mrs. Regna and Mrs. M. T. Bailey made a business trip to Hereford Wednesday. While there they had quite a "cherry picking." They came home rather late so the next day was spent in canning their cherries.

Marquis Burks made a business trip

to the home of Mr. and Mrs. Ford Wednesday morning.

Mr. and Mrs. Jim Graham were shopping in Hereford one day last week.

Miss Willie Todd, daughter of Mr. and Mrs. Will Todd was in Tulla Sunday.

Mrs. Lee Hutson and daughter, Mabel, and Mr. and Mrs. J. P. Hutson were in Happy last Tuesday shopping.

Mrs. Minnie Brooks made a business trip to Canyon last Tuesday.

Tommy and Grace Hogge visited their friends, Ruby and Enna Morris, last Saturday.

Mrs. Lee Hutson and daughters, Mabel, Leota, Opal and Juanita and Mrs. Hutson's mother, Mrs. Blackburn, all visited at the home of Mr. and Mrs. E. C. Burks Wednesday afternoon.

Charlie Hogge and his brother, Ben, of Happy made a business trip to Dimmitt Wednesday.

Floyd Fortner was transacting business in Happy Wednesday.

Mrs. Mabel Perkill visited her grandmother, Mrs. J. P. Hutson, Thursday morning.

Mr. and Mrs. M. A. Brooks were shopping in Amarillo last Friday.

Mrs. S. J. Taylor and daughter, Lorena, visited at the home of Mr. and Mrs. L. G. Hutson Thursday.

JOEL

Have you ever seen the weeds grow any faster than they have the past two weeks?

The boys of the neighborhood are enjoying the lake for a swimming pool. We hope there will be no sad accident to mar their pleasure as there has been reported from some of the lakes filled from the recent rains.

Mrs. Walter London and little son were not well the first of the week, but are better now.

Mr. and Mrs. Lester Galley spent Sunday evening in Ed Botts' home.

There was no Sunday School July 1 at the Askren school as we accepted the invitation to be with the Progressive school and help and enjoy the singing.

There was a neighborhood party at Lewis Smith's Wednesday night, it being Mr. Smith's birthday and complimentary to Mr. Smith's niece, Miss Anna Jensen, of Michigan, who is here visiting. All report a pleasant time. At a late hour cake and ice cream were served.

Mr. and Mrs. Geo. Conklin and the C. P. Galley family enjoyed ice cream and a social hour in the Lee Conkln home Sunday evening.

The O. L. Sharp family enjoyed one of Mrs. L. A. Smith's Sunday dinners last Sunday.

The Ray Hershey crew is making hay while the sun shines. He is pulling up his alfalfa.

Good Job Printing at The Brand.

HOUSE JOINT RESOLUTION NO. 16

Proposing an amendment to Article 8, of the Constitution of the State of Texas, which relates to taxation and revenues, by adding thereto a new section to be known as Section 9a, directing the Legislature to provide for the construction, operation and maintenance, under State control, of a State system of public highways; providing for an election for the ratification or rejection of amendment herein proposed, and making an appropriation to defray the expenses of said election.

Be it resolved by the Legislature of the State of Texas:

SECTION 1. That there be submitted to the people of Texas, for ratification or rejection at a special election provided for herein an amendment to Article 8, of the Constitution of the State of Texas, amending said Article 8, of the Constitution of the State of Texas by adding thereto a new section to be known as Section 9a, which shall read as follows:

SECTION 9a. The Legislature is authorized and directed to provide for the creation, establishment, construction, maintenance and repair of a system of improved highways throughout the State to be under the control of the State; and in order that the State may provide the means, revenues and instrumentalities the establishment and maintenance of such system of highways, the Legislature is empowered to levy and cause to be collected specific excise and ad valorem taxes, in addition of those permitted for other purposes in the Constitution, but such an ad valorem tax shall be imposed only for the purpose of retiring the bonds authorized by vote of the people of this State as provided for hereinafter in this Section.

When said system shall have been designated and taken over for the State as provided in Section A hereof, the Legislature is authorized to make provision for the equitable compensation to such counties for the value of such improvements as have been theretofore constructed by the Counties in the State.

Provided, also that save for the State highway system, in all other respects, Counties shall have the right to build, construct and maintain roads, turnpikes, and bridges within their respective boundaries and the Constitutional provisions relating thereto are not qualified.

Why don't you go to Church?

Hail Insurance

ified or repealed by reason hereof.

The Legislature, at any Regular or Special Session, is authorized and directed to pass and enact all appropriate legislation necessary to carry out and effectuate the purpose and intent of these Articles.

SEC. 2. The Governor of the State is hereby directed to cause to be issued his necessary proclamation for an election to be held on the fourth Saturday in July, 1923, at which election this amendment shall be submitted to the qualified electors of this State for adoption or rejection and shall make the publication required by the Constitution and Laws of the State. Said election shall be held under and in accordance with the General Election Laws of the State, and the ballots for said election shall have printed or written thereon in plain letters the following words:

"OFFICIAL BALLOT": "For the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways." "Against the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways."

Those voters who favor such amendment shall erase by marking a line through the words "Against the Amend-

ment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways." Those who oppose such amendment shall erase by marking a line through them, the words, "For the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways." And the result of the election shall be published and declared according to the majority of the votes cast in such election.

SEC. 3. The sum of Five Thousand Dollars or so much thereof as may be necessary is hereby appropriated out of any funds in the treasury not otherwise appropriated for the purpose of paying the necessary expenses of the proclamation and publication of this amendment and the election to be held hereunder.

Robs Calomel of Nausea and Danger

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs".

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs". Calomel has been generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its uses. In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—(Adv.)

John Beal Sneed Shot Twice With Shotgun Monday

John Beal Sneed, who has figured in some of the most noted killings and shootings in Texas, was shot twice with a shotgun and seriously wounded by C. B. Berry at Paducah in Cottle County, at 12:30 o'clock Monday noon, according to telephone information received in Amarillo yesterday. Berry was placed in custody and released on bond of \$3,000.

Sneed was taken to Quanah shortly after the shooting, and telephone information received by The News late last night was that he had been taken to a doctor's office for x-ray examination. Information from both Paducah and Quanah was that the injuries are not considered fatal.

Examination at Quanah showed that Sneed had been shot in the left hand, on the back and one buck shot passed through the abdomen. Sneed was able to talk and physicians said that he believed he was not badly hurt.

Berry was shot and slightly wounded last February by Sneed at Paducah. In December Berry had shot and killed Wood Barton, son-in-law of Sneed. This killing had resulted, it is understood, over a dispute in regard to the settlement of a cotton crop.

Sneed had just driven to Paducah and was getting ready to have his automobile filled with gasoline when he was shot. The shot took effect in 15 to 20 places in his body from the head to the knees, physicians stated.

Berry's Presence Unknown
 Since Berry had been shot last winter, he had not been around Paducah and it had been believed that he was in Quanah, Wichita Falls and other places. His presence in Paducah was unknown until the shooting took place. Berry was in hiding in a little brick building across the street, adjoining the First National Bank. Immediately after Sneed drove up, Berry is said to have turned the gun on him.

Berry has not been tried yet on a charge of killing Barton, nor has Sneed had a trial on a charge of shooting Berry.—Amarillo News.

Motor Boat is Ordered For Lake at Panhandle

Can you hardly believe it? A motor boat for the Panhandle Country! Sounds fishy, we'll admit, but it's true nevertheless. A club of young folks have one ordered to go upon and ply the waters of what is known as the Weatherly Lake on the Gray farm some nine miles southeast of Panhandle. This lake easily covers a section (640 acres) of land and is some 15 feet deep in places. Burbank and Edison have nothing on the Panhandle of Texas in developing wonders, where we of the two score years and more were once taught by our geographies was located the largest desert of the United States and now it's motor boats, oil and gas wells, if you please!—Panhandle Herald.

Cub Wolf Caught by Boys In Canyon Last Week

Homer Hood and Cecil Brown captured a cub wolf Saturday on the C. F. Walker place in the west part of town. The boys saw another cub, but it got away while they were capturing this one.

The pup is about the size of a jack rabbit. The boys got it so confused that it was easy to corner. One of them held its head down with a stick while the other one went to Mr. Walker's house for a rope. The pup has long, sharp teeth which are dangerous if one gets too familiar with the animal, but the boys handled him without getting hurt.—Randall Co. News.

NEGROES ABOUT GILMER THINK NEW FIRE SIREN IS GABRIEL'S TRUMPET

Gilmer, Texas.—The new fire siren installed on the roof of the Telephone Exchange building, was given a test and its loud, weird wailing was heard as far away from Gilmer as eight miles. Some amusing stories were told about what happened in the country around Gilmer when the siren was sounded. Many of the negroes here had not read about the new siren, and when they heard it concluded it was

Gabriel's trumpet sounding for the day of judgment, and as it was about milking time, many a bucket of milk was thrown away in the effort of the milkers to reach the house and huddle around with other members of the family awaiting the final end.

Fishing and Outing Party off for San Angelo

A fishing and outing party consisting of Mr. and Mrs. W. O. Fox, Homer Fox, Mr. and Mrs. Clifford Acker, Mr. and Mrs. G. S. Webber and son, Glenn Noble, and Mr. and Mrs. T. M. Key left overland Tuesday morning for San Angelo and the Concho river. They expect to be gone about a week and ten days. Mesdames Webber and Key are sisters of W. O. Doug and Homer Fox and are here visiting during the summer months.

Infant Billie Gantt is Sent to Pecos for Burial

Billie E. Gantt, aged about eight months, son of Mr. and Mrs. J. F. Gantt passed away Monday afternoon at 3:30 at the home of relatives, Mr. and Mrs. Arthur Haberer near Dimmitt. Mrs. Gantt and son, Billie, of Pecos, Texas, were visiting in the Haberer home when he became ill about a week ago. The remains, accompanied by Mrs. Gantt, were shipped to Pecos Tuesday morning for interment. Mesdames Haberer and Gantt are sisters.

Mrs. W. F. West and Son Back From California

Mrs. W. F. West and son, Jack, came in Monday evening from a month's vacation trip to California, where Mrs. West's sister was visited at San Diego. They were met at Amarillo by Mr. and Mrs. Carl Cockrell and Miss Grace Lucas and brought home overland. Mrs. West says she had a glorious time and that California is a beautiful place.

Picnic Supper Excursion To Creek Last Friday

Mesdames Alvin Thompson and H. H. Hawkins chaperoned a party of young people to the creek last Friday evening on a picnic supper excursion. The party consisted of Misses Irene Hutton, Ona Hammer, Bobbie Aston, Mildred Zoeller, Ella Alkman and Messrs. Wallace Cox, C. L. Armstrong, Hall and Lama Beavers.

J. B. McCord is Enjoying Visit From Relatives

Mr. and Mrs. R. D. McCord of Camden, Tenn., reached Hereford the latter part of last week and are visiting in the home of their nephew, J. B. McCord, and family. Mr. McCord was in Hereford about three years ago and expressed his delight to get back to the Plains country.

Our Deposits are guaranteed by the State Bank Guaranty Fund of Texas

Who owns the Santa Fe?

Not a few persons, but many thousands, are stockholders in this great railway. All have a voice in its management. The number of stockholders living in states traversed by the Santa Fe is steadily increasing.

Every railroad has two classes of people interested in its financial structure—viz., the stockholders and the bondholders. In the minds of many, both classes are considered as owners. As a matter of fact, only the holders of the stock are owners. The bondholders are loaners of money, the bonds representing a mortgage on the property to insure payment of money loaned.

The Stockholders of the Santa Fe are, therefore, the owners of the road. Each share has an equal voice in all meetings of the Company. At the annual meeting vacancies in the Board of Directors are filled and such other business transacted as requires action by the stockholders.

Number of Stockholders

There were on December 31st last 64,643 stockholders, of which 29,820 were men, 29,235 women, and the balance made up of firms, estates, and institutions, among the latter being—

- 122 insurance companies;
- 108 educational institutions;
- 93 religious organizations;
- 89 hospitals and charitable bodies.

Average Holding

The average holding of stock was only 55.4 shares per name, but the holdings run from one share upwards—

- 14,583 held 5 shares or less;
- 26,335 held from 6 to 20 shares;
- 12,938 held from 21 to 50 shares;
- 6,378 held from 51 to 100 shares;
- Only 4,409 held over 100 shares.

Two Classes of Stock

There are two classes of stock, viz., Preferred and Common, there being outstanding on December 31st last—

- 1,241,737 shares of Preferred Stock;
- 2,270,525 shares of Common Stock;
- Total—3,512,262 shares of both.

Dividend Payments

The Preferred Stock is limited to 5% dividends. The balance of the earnings of the Company is available for Common Stock dividends. Dividends on the Preferred Stock have been paid for 25 years and for 23 years these have not been below 5%. Dividends on the Common began in 1901 and have not been below 6% since 1909. Something has been added to surplus each year since the reorganization of the company January 1, 1896.

Local Stockholders

The number of stockholders in the states traversed by the Santa Fe is steadily increasing. In 1910 there were 1792 in those states, while in 1922 the number had grown to 7831.

The Bondholders

While our bondholders have no share in the ownership or management of the property their importance is fully recognized. The Santa Fe had outstanding December 31, 1922, in round figures \$287,000,000 of bonds. These are owned:

- Insurance Companies..... \$ 78,042,000
- Savings Banks..... 18,707,000
- Charitable Institutions..... 9,781,000
- Corporations..... 51,339,000
- Individuals..... 129,196,000

The total number of bondholders is about 32,000.

Thinking of millions is all right—but the thing that brings results—is the saving of 25 and 50 cent pieces in a savings account in this bank.

The Western National Bank

The Laundry

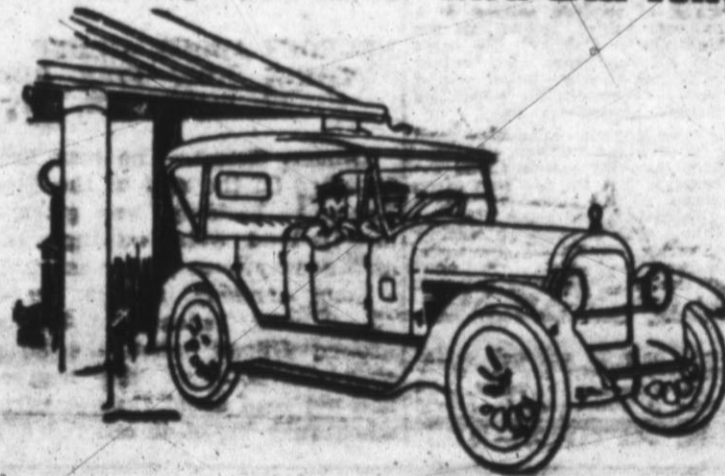

Since we have no laundry now we suggest that you investigate the Electric Washer—its practical value—what it will do for you. Many will be surprised to know that their neighbors have been doing their washing for years very satisfactorily with electric machines. You can get the same results without any drudgery and have your clothes done just as you want them—without damage—and you don't have to count the clothes in and out to see that you have all of them. Any child can turn out big washings electrically. Put the drudgery on the electric Company.
