Storm Sewer Construction Bids Tabled By Commission

A storm sewer project was delayed as the City Commission meeting in regular session here Monday moved to table the two bids received as construction costs were described as being too high.

The recommendation for tabling both bids was made by Dudley Bayne, city manager, as he reported to the commissioners. Bids had been opened earlier Monday by the city manager, Mayor Ray Cowser, and the city engineer.

Purpose of the proposed project was to construct a storm sewer south from the Santa Fe railroad right-of-way to Tierra Blanca Creek.

Bayne had requested action on the project at the first City Commission in July. He told commissioners that erosion caused by heavy rains was endangering the city's 1,000,000-gallon underground water storage facility at the McKinley Street Station.

Heavy rains during the latter part of the month have continued to erode the banks of the ditch.

At the July meeting, the commissioners were told that 600 feet of 72-inch concrete pipe was needed for the project. Cost was estimated at approximately \$17,000.

(Funds earmarked for the sanitary sewer project were to extend sewer lines to the Benefield Corner area. The proposed line would handle expansion of the city in that direction. However, the property is, beyond the city limits and expansion is not needed at the present time.)

In reporting on the bidding at the Monday meeting, Bayne told commissioners that bids were "out of line" with construction and labor costs described as "too high."

He proposed that the bidding on the project be tabled and the city advertise for bids again at a later date. A motion was made and was unanimously approved.

It was proposed that the drainage ditch be rip-rapped with concrete sidewalk and curbing that had been dug up during street expansion.

Appearing before the Commission to present a plaque in recognition for the city's pedestrian accident record were Sam Morgan, and Guy Lawrence, president of the Panhandle Automobile Association.

The five-year achievement plaque, the second awarded to the city, was accepted by Mayor Cowser.

OF LIFE IN AMERICA

Dream Becomes A Reality For South African Student

By Wain Miller Brand Staff Reporter A petite 18-year-old student's dream of life in America became a reality for her as she arrived here early Tuesday to begin her stay as an exchange student in the home of Mr. and Mrs. Leroy Aven and daughter, Carolyn.

Miss Heather Gordon of Johannesburg, Union of South Africa, has twice before glimpsed life in the United States during brief visits, but this week she begins a ten-

month sample of the American way. She is the first of two exchange students to arrive in Hereford for a year of study as an American Field Service exchange student.

Frank Hergert of Sulzbach-Rosenberg Germany is slated to arrive here Monday to begin his stay in the home of Mr. and Mrs. Elmer Kimball and family.

Miss Gordon's visions of America, as she obtained them from various American magazines, have so far proven true. She says, "I'm going to love it here."

Heather received confirmation that she had been selected as an exchange student only about one month ago. Since that time, she had time to exchange letters with her American family, the Avens, only once.

Tuesday, her first day in Hereford, was spent in "getting acquainted" with Mr. and Mrs. Aven and Carolyn, as well as numerous others who came by to welcome Heather.

She explained that after she learned that her application had been accepted, most of her time was devoted to preparing for the ten-thousand mile journey.

Last week she flew from Johannesburg to Frankfurt, Germany. After a one-day stopover, she flew to New York, and then on to Amarillo. She arrived

at the Amarillo Municipal Airport about 12:15 a.m. Tuesday.

"I haven't seen much of Texas yet," Heather admitted. "On the way home from Amarillo my eyes were open, but my mind was drifting to the days ahead. And no one had to ask me twice if I was ready to go to bed!"

"I didn't know quite what to expect when I got here, and really I was a little scared," she admitted. "But I don't feel at all out of place. My family here has already made me feel at home, and I know the Field Service put me in a wonderful situation."

Harvest Festival Queen Places In Beauty Contest

Hereford Harvest Festival Queen for 1962, Miss Dyann Duvall, earned third runner-up position in the Texas finals of the "Miss World" beauty pageant held Saturday in Amarillo.

Competing with beauties from throughout the Panhandle and as far away as Houston and El Paso, Miss Duvall was named third-place finalist in the contest after appearing in bathing suit and evening gown competition Saturday in the Vic Mon-Motor Hotel in Amarillo.

Crowned as "Miss Texas" in the event was Miss Sharon Dickson, 21, "Miss Amarillo". Second-place beauty was Miss Frances Jones, 17, Miss Panhandle.

As a result of taking the third place honor in the contest, Miss Duvall received some \$40 in gifts plus a portrait from an Amarillo studio.

The 17-year-old daughter of Mr. and Mrs. M. G. Duvall of 318 Star, Dyann earned the right to compete in the "Miss World" event after being crowned Hereford Harvest Festival Queen last month.

Again appearing as "Miss Hereford", Dyann will enter the "Miss Wheatheart of the Nation" contest slated for August 18 in Perryton.

Judy Bradley Douglas, last year's Harvest Festival Queen, and currently "Miss Wheatheart of the Nation", will crown the winner of the Perryton contest.

AT CORPUS CHRISTI

State Meeting Set By Electric Coops

Some 700 rural electric leaders of Texas will meet in Corpus Christi Thursday and Friday, Aug. 9-10, to prepare to meet "The Changing Challenge" facing rural electrification.

This is the theme for the 22nd annual meeting of the Texas Electric Cooperatives, Inc., as representatives from 88 cooperatives from throughout the state gather.

Highlights of the convention will include the crowning of Miss Texas Rural Electrification. Among contestants for the title will be Miss Burleson of Friona; "Miss Deaf Smith County Electric Coop."

Also taking part in the program during the annual meeting will be Earnest Langley of Hereford, chairman of Texas Electric Cooperatives at-large.

Attorney for the Deaf Smith County Electric Cooperative, Langley will preside at the annual attorney's breakfast Friday in Corpus Christi. He will be completing his second year as chairman.

Featured speakers at the convention include Democratic nominees for governor and lieutenant governor, John Connally of Fort Worth and Preston Smith of Lubbock.

Other program highlights include talks by many state and national Rural Electrification officials as well as state representatives.

Miss Burleson, who was crowned Miss Deaf Smith County Electric Coop., in April, will compete with Miss Shirley Stafford of Roaring Springs, and Miss Tonda Curry of Frenship for the title of Miss Texas Rural Electrification. (Continued on page 3)

Hereford Pilot's Trial Begins In Amarillo Court

Trial of the 36-year-old Hereford man was set to begin in U. S. District Court at Amarillo on Wednesday Aug. 8. He had been charged with the interstate transportation of a stolen aircraft.

Bobby Glen Hill, a Deaf Smith County farmer, is alleged to have taken a private aircraft in Las Cruces, N. M., in March, 1961. Allegations stated he flew the aircraft to Hereford.

Hill has pleaded innocent to charges as he was arraigned Tuesday before Judge Joseph B. Dooley in Amarillo.

Brucellosis Test Final Meeting Set

The final meeting on the Brucellosis control program is slated for Thursday at 8 p.m. in the Boy Scout room of the Hereford Community Center with Dr. R. H. Miller Jr., discussing final arrangement for the testing program.

Dr. Miller will supervise the testing program set to begin in the county Monday, Aug. 13. He is the supervisor of the state-federal control team which will be set up at the little Bull Barn.

The meeting Thursday will deal primarily with what each herd owner is required to do," said Dr. Miller. "Also, the technical aspects of the program will be discussed."

He pointed out that the initial testing schedule for the Deaf Smith County area will also be announced during the meeting. All interested persons and cattle owners are urged to attend the meeting, he commented.

The program aimed at controlling Brucellosis (Bang's disease) in the county is scheduled to take approximately four weeks. During the period all dairy cattle and all confined registered cattle will be tested. Tests will also be made of 20

ASC Committee Sets Deadlines For Nominations

Deadline for nominations of committeemen to the Agricultural Stabilization and Conservation County Committee has been set for Friday, Aug. 24, according to an announcement by Faust Collier, office manager.

Eligible members may be nominated for the county committee if their names are submitted by petitions signed by 10 or more eligible voters, said Collier.

Balloting will be done by mail with the ballots to be furnished at a later date, he declared. All ballots must be returned to the ASCS office by Sept. 14.

Names of persons nominated by petition will be included in the slate of committeemen to be (Continued on page 3)

Bowling Association Sets Winter League Competition

Hereford's winter bowling leagues open competition September 4 with many changes in store for this year's bowlers, it was announced this week.

Meeting Monday night in the Hereford Community Center, members of the Hereford Bowling Association of the American Bowling Congress voted on regulation's governing the coming league season.

Current plans call for three men's leagues, and possibly a fourth. Major change in the year's schedule is the fact that only one league will bowl nightly at Sunset Lanes.

In the past, two leagues have competed each night with one league bowling early in the evening and the other group afterwards.

The men's bowling association also voted to establish three

leagues consisting of 16 teams. These teams will be required to have a roster of five bowlers this year, changing from the four-man squads of the past.

For the first time a church bowling league is being organized for regular American Bowling Congress competition at Sunset Lanes. The Rev. Fred Beversdorff, who is organizing the league, announced that eight church teams have already been formed. Eight more teams are needed

Accidents Cause Heavy Damage; Injures Resident

Two major wrecks occurring over the weekend were responsible for heavy damage to three vehicles and the injury of a Hereford man, according to the Hereford Police Department.

The most serious of the two accidents occurred about 2:13 a.m. Sunday as a pickup, driven by James Newsom Roberts, 43, 239 Star, hit the corner post of a carport and slammed into a tree.

According to the police department report concerning the accident, Roberts was headed south on Ave. A. Instead of turning, the pickup went straight ahead and down the driveway of a home on the opposite side of the street.

The vehicle is reported to have struck a support post and then crashed into the tree. The residence belonged to Mrs. Glenn Snyder and is located at 110 West Ninth.

Damage to the late model pickup was estimated at \$900 by the investigating officers. It was estimated that \$45 in damages had been done to the carport.

Following the accident, Roberts was taken to Deaf Smith County Hospital where he was treated and released, according to a hospital spokesman.

The other major accident occurred about 9:30 p.m. Saturday as a 1956 model two-door sedan, driven by Santos F. Robles, 18, Uvalde, struck another 1956 model sedan, driven by Domingo Bernes, 53, 107 Ave. E, in the rear.

According to the investigation report, the accident occurred eight feet west of the city limits sign on U. S. Highway 60, West.

Damage to both vehicles was estimated at \$300 by the investigating officer.

Around Town

The "drought" of last week has not only continued, but it has turned into something of a heat wave as the area sweltered in 90-degree plus temperatures. Really, we haven't had summer to speak of, but the temperatures are really making up for the cool weather of June and July. Some reports have circulated saying the thermometer has passed the century mark, but the highest official reading so far has been 88 degrees. Anyway, it seemed like a 100 or better.

The first of Hereford's American Field Service exchange students, Heather Gordon, arrived here Monday from Johannesburg, Union of South Africa. From what we hear, the petite 18-year-old student is ready for school to start so she can learn more of the American way of life. The second student in the program, Frank Hergert of Sulzbach-Rosenberg, Germany, is scheduled to arrive here Monday. We would like to take this opportunity to welcome Miss Gordon to our community and hope that she enjoys her 10-month stay in Hereford.

LET'S COOK SOMETHING!

Dinners For Two Exciting Variable And Delicious

Mrs. Vance Robinson, or Zell as her friends call her, is a young married woman, making a home for two. She serves dinners for two, making them just as exciting, varied and delicious as those for a larger number. Vance, a farmer, wants good square meals when he comes home hungry. He finds an attractive table set and his meals hot and ready for him.

RICE DISH
 1/2 stick butter
 Chives or green onions
 Sauté chives or onions in butter in a skillet. Add 1 cup of raw rice.

Mix together:
 3 cups chicken broth or beef broth

Lot of cheese
 1 little green pepper
 1 small stewed chicken (or you may substitute 1 1/2 pounds of hamburger meat already cooked with the butter and chives). Add salt and pepper. Bake in a casserole at 350 degrees for one hour or until the rice is done.

You may add a little pimiento if you wish.

SPAGHETTI
 1 1/2 pounds hamburger meat and 2 onions.
 Add:
 1 can tomato soup
 1 can cream of mushroom soup
 1 can whole mushrooms
 1/2 can tomato sauce or paste
 Simmer for about 45 minutes to one hour, stirring occasionally.
 Cook spaghetti.

TUNA AND MACARONI CHEESE LOAF
 Sauce:
 Mix 1 and 2/3 cup (large can) of undiluted Carnation milk with 1 tablespoon prepared horseradish and 1 teaspoon dry mustard in a saucepan. Simmer to

just below boiling point (2 minutes). Add two cups of grated process American cheese. Stir over low heat until the cheese melts (1 minute).

Casserole:
 Mix 2 beaten eggs, 1/4 cup diced green pepper, 1/4 cup diced pimiento, 2 tablespoons grated onion, 2 cups well-drained flaked tuna, 1 cup soft bread crumbs, 2 cups well-drained cooked macaroni, 1/2 teaspoon salt together in a bowl. Blend cheese sauce with macaroni mixture. Place in a paper-lined loaf pan (9 x 5 x 3). Bake in a moderate oven at 350 degrees for 25 to 30 minutes. Turn out on platter and remove paper. Slice loaf and serve at once or chill and serve cold. Makes 8 to 10 servings.

QUICK PIE
 1 cup sugar

Commission members authorized the Chief of Police to hire two additional personnel for the department to patrol the park. It also directed the levying of stiff fines.

In considering the petition by Durward Hamby for the rezoning of his property at 125 Ave. B, commissioners upheld the decision of the Zoning Commission. The zoning body had turned down the request.

Hamby had requested that the property be rezoned from "B" residential to "C" residential which allows the construction of multi-family residences. He appeared at the City Commission to outline his request.

A plat submitted by Chris Jacobsen was given tentative approval by the commissioners. The propose subdivision will open up the south half of block 25 of the Welsh Addition on Center and Douglas Streets.

Commissioners also approved the installation of street lighting for Ranger Drive since it is 75 per cent complete and the installing of a light at the intersection of South Texas and Lake.

It was pointed out at the close of the meeting that the city in the near future will have to construct a sewer lift station for the western section of Hereford.

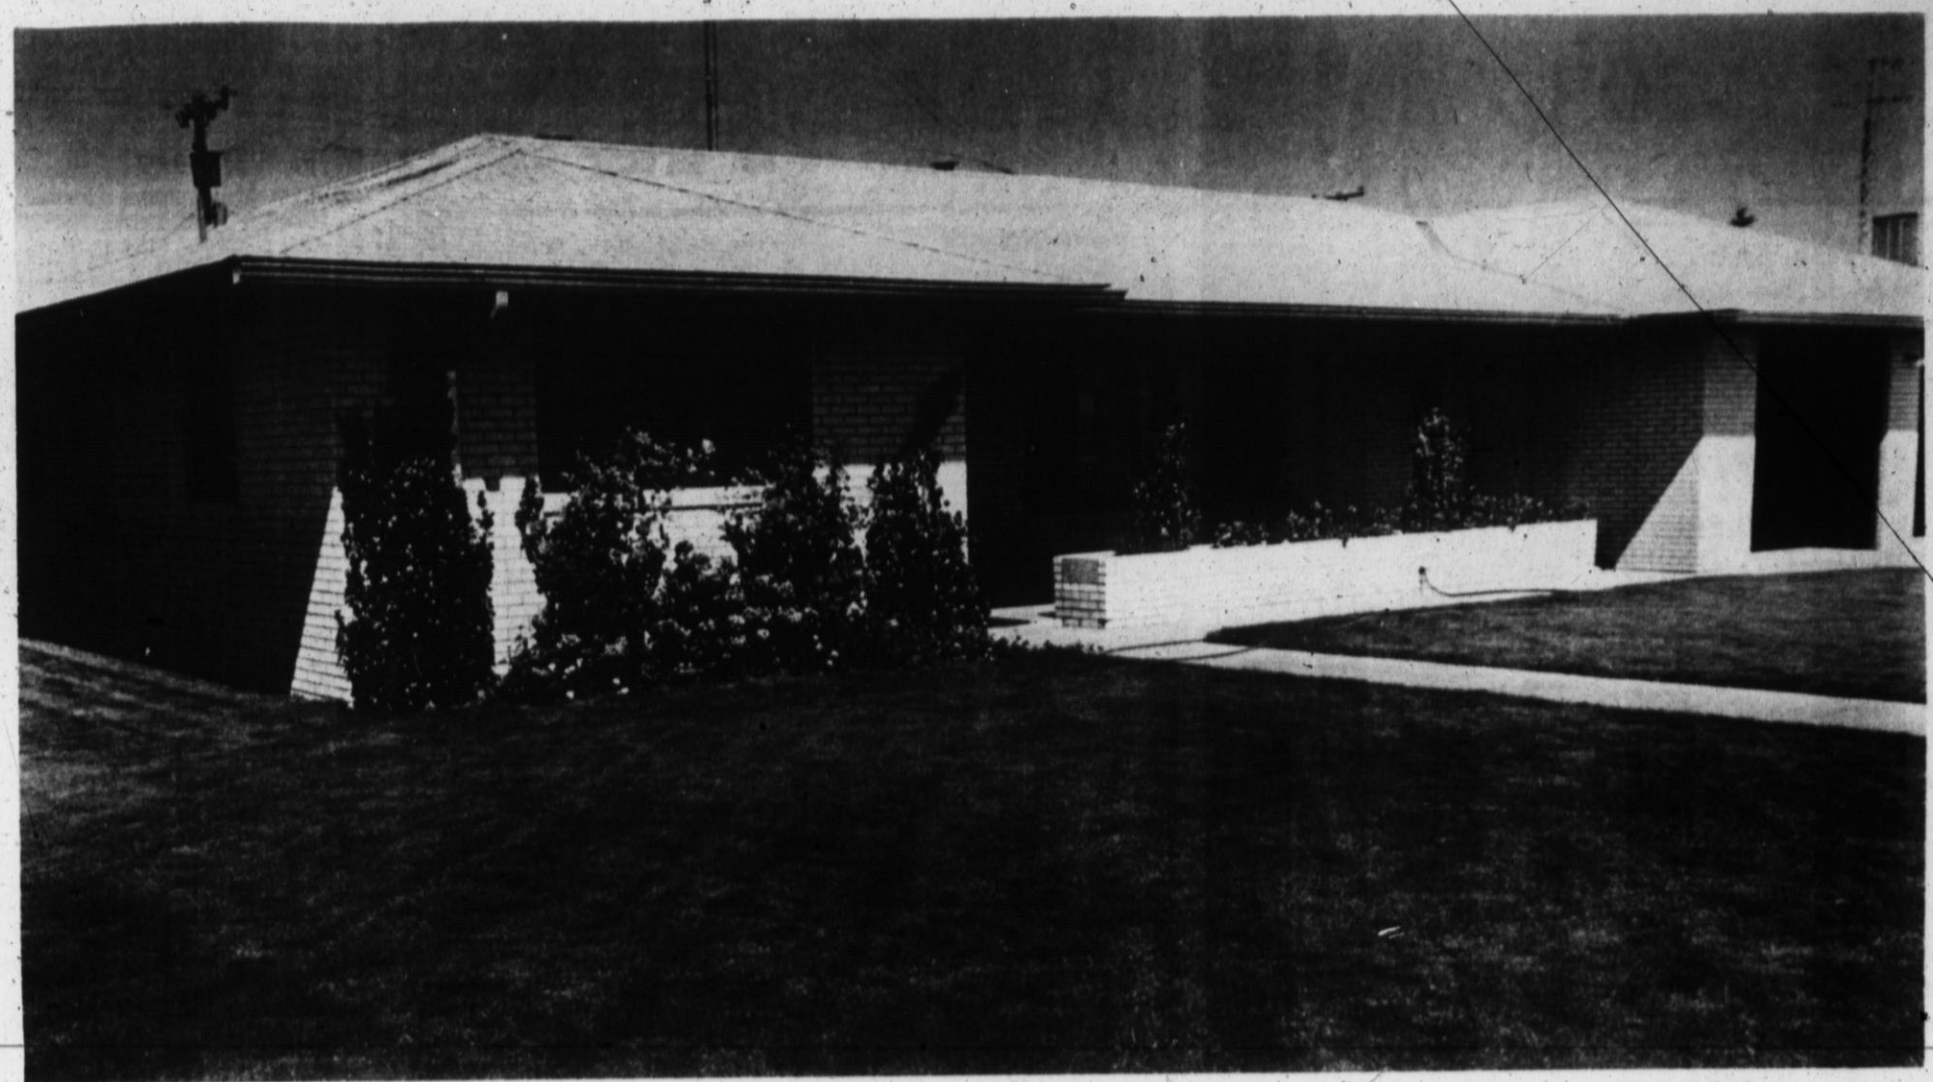

Bayne reported to the Commission that a new subdivision is planned along Harrison Highway. Construction in the area will require the installation of a lift station.

TRADE CARS?

AUGUST is a good time to get reduced price on current year models.

And CREDIT UNION is a good place to get your loan.

If you wish to check on values, stop by Hereford Texas Federal Credit Union for information quoted by N. A. D. A., the National Guide on values of used cars, trucks and farm machinery. They will be glad to show you detailed information on your loan and explain the advantages of borrowing from your Credit Union.

Africa, too," she explained. "Living 10,000 miles away from the state which is supposed to be the biggest and the best, I got the impression that Texas was dry and dusty."

"I expected to see lots of cattle and cowboys, with Indians peeping around the bush," she joked. "And, there are supposed to be lots of hills. Anyway, that's the impression you get from the western movies."

"When we got to New York I was warned about the Texas drawl," she stated, "but before I left home my friends cautioned me not to come back with an American accent."

"I'm anxious to 'Americanize' myself as quickly as possible, though," she confessed.

"I've been told all sorts of things about the United States and your schools, and I'm anxious to see if they're true. I'm probably one of the few students who will be looking forward to the day when school starts."

"I've never had so much fun meeting so many people," she exclaimed. "Meeting all of the 450 students at Hereford High School is a pleasure which has been reserved for three more weeks." During the few days which

Miss Gordon has spent in the United States, she has already been introduced to many American customs. "I'm looking forward to getting a dose of your American custom, the hamburger!"

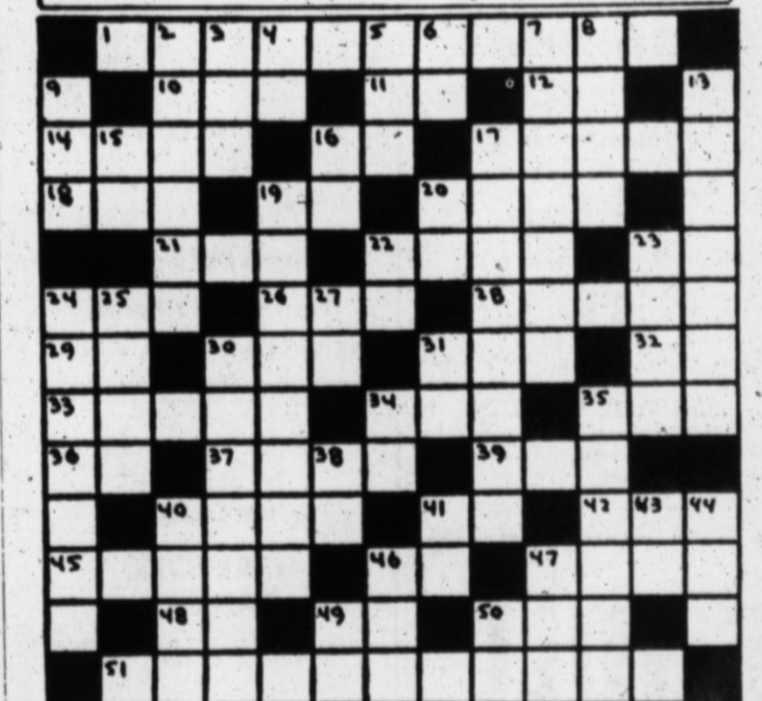

But Heather faces her 10-month stay here with some anxiety, especially after catching her first glimpse of a locust and hearing his sounds. "Insects and I don't get along," she explained.

"Do you have snakes here?" she later asked in a hushed voice. After being somewhat reassured by the answer to her question, she decided, "This is going to be a wonderful year."

ATTEND MEET
Mrs. Joe Coleman and Mrs. Harold Loerwald of Hereford left Friday, Aug. 3, for Denver, Colo., to attend a "Sweet Adelines" meeting of Region 8 members in that city. They attended various meetings during the day, Aug. 4. In the evening they were guests at the SPEBSQSA show given in the Red Rocks Amphitheatre, sponsored by the Denver Barbershop Chapter every summer to raise money for a children's hospital. People attending the show numbered 7,200. They returned to their home on Sunday, Aug. 5.

Ox Emmons visited in Hereford briefly this week, enroute to Lake Conchas, but said he saw very few people he still knew. He was also talking at great length how much Hereford had grown. Ox was "ag" teacher here some 20 years ago, and probably a lot of his students are now successful farmers. He is located at Breckenridge, Texas, where he teaches, coaches and operates a feed store on the side. I remember one football banquet, where the boys chipped in and bought Ox a box of cigars. John Estes was to make the presentation and, in the wind up, both he and Ox were shedding crocodile tears, and crying like babies — while everyone else in the room was laughing like mad.

Like most other visitors these days, Ox says this country is just now coming in to its own. I have talked with several outsiders in recent days who predict that Hereford will be 20,000 by the 1970 census.

Mr. and Mrs. Vance Crume took turns at taking their girls to Campfire camp this year, and it happened that Vance went first. Next week Mrs. Crume answered the first "mail call" and was a little bit surprised to receive a letter from Vance. She opened it, and took out one of those cards printed all over in boxcar letters: "KEEP SMILING". Naturally, Abie displayed it to all of the counselors, and reports that they got a real charge out of the correspondence. To fully appreciate the message, you have to have attended at least one of these camps.

R. G. Peeler says he read the piece about Dr. Edwards in The Brand, and he suggests

that a 1-or-2-cent donation be placed on each sack or crate of vegetables to operate a fund. Peeler also suggests that perhaps the local merchants might want to match the proceeds from this source. The idea sounds equitable, but it leaves out a lot of people, who probably benefit in rising land prices more than any one else in the area. Anyway, it is an idea — and is worth consideration. All of us who live in this country do have considerable responsibility.

Now that Little League and Pony League are pretty well wrapped up for the season, a lot of parents are finding the TV re-runs and Billie Sol news a poor substitute for fresh air.

Personally, I think they are running these bathing beauty contests into the ground. Everybody, it seems, is sponsoring a beauty contest of some sort — and it is hard to keep up with the titles. On the other hand, maybe I just don't appreciate them so much as in my younger days. It is funny how people change their views. A lot of folks who used to do the "Charleston" two or three times a week now sit around and complain about the "Twist".

Got to talking with Jack Bradley the other morning, and learned that he has an interest in a trailer manufacturing firm in Oregon. He says the business is changing sharply; that they have a contract on pre-fab motels made from placing trailer units together. All in all, it is quite interesting, but I made up my mind 10 years ago not to be surprised at anything Jack comes up with. I don't know of a man who has more

irons in the fire than Bradley.

I notice where the C-C Agriculture Committee is going to hold a Golden Triangle "Salad Bowl on Display" Sept. 29, and I think this is real good. They will have just about everything grown in the three counties. I do wish they would go one step further, however, and have a big Tri-County dinner, serving nothing produced outside of the area. This would mean no coffee or tea, but surely someone could come up with a fruit punch substitute. Salt could be salvaged with a bit of effort, I feel sure — and most everything else should come pretty easy.

In addition, they could have 25 or 30 kinds of potatoes: French fries, mashed, potato salad, and a lot of other ways. Mrs. O. E. Sherman used to have a tremendous garden, and she came closer to serving a complete Deaf Smith County grown meal than any place I ever ate. What's more, she turned out some of the best meals I ever ate. One of those meals where the table was so loaded, it really did groan.

I have been trying to promote this deal for 25 years, and if they ever do get around to it, it will be just my luck not to get invited. Which reminds me of Slim Wester, who was sitting in his boat out on Buffalo about half asleep and, "Wham!", a long comes an old boy and his girlfriend and plows right through the side of Slim's boat. Slim can get all worked up over nothing at all and — with justice on his side — he is really blowing and going. He says he will go all of the way to the Supreme Court, if necessary.

A lot of folks are really touchy about their boats. You can run down a man's wife, his automobile — even talk about his bald head — but you'd better not say anything about his boat or his dog.

ATTEND SHOWER
Mr. and Mrs. O. B. Hoover, Carolyn, Chalones and Laynette, and Mrs. G. E. Nelson, all of Newlin, Tex., attended a shower recently at Dawn for Carolyn Hoover who was married to Robert Allen Miller of the Dawn community on Saturday, Aug. 4.

Baptists Conducting Negro Bible School

Negro Bible School began Monday evening, Aug. 6, at 8:30 p.m. at the First Baptist Church in Hereford for a period of two weeks, Aug. 6-17, with an enrollment of 125. A bus picks up the children each evening and returns them to their homes at the conclusion of the school session at 9 p.m. The Rev. Whitten and the Rev. C. W. Allen, ministers, are the adult leaders for the school.

Miss Mary Manesse and Miss Gene Freeman, negro summer missionaries, assisted by two "Invincibles" from the state Bible school work of the Baptist churches, Misses Brenda Gregory and Lilly Whitworth, all of Dallas, are conducting the school. They are guests in the home of Mrs. O. G. Hill Sr. for the two-week period.

Mrs. R. L. Criswell, Mrs. Erika Durham, and Misses Diane Wilson, Nancy Axe, Jana Cole, Marilyn Legg, Glenna Gandy, Joy Wiman and Jane Autin, of Hereford are assisting with the daily classes.

Members of the Baptist Women's Missionary Union are furnishing refreshments each day. The faculty will meet on Sunday afternoon, Aug. 12, at 3:30 p.m. at the First Baptist Church.

Special commencement exercises are slated for Friday, Aug. 17, at 8 p.m.

VISIT MORRISONS
Visiting in the Edwin Morrison home in Hereford on Monday and Tuesday, July 30 and 31, were Mrs. Morrison's brother, Mr. and Mrs. Thomas Frost and family of Rankin, Tex. Saturday and Sunday, Aug. 5 and 6, Mrs. Morrison's sisters, Mr. and Mrs. Odys Tadlock of Stephenville and Mr. and Mrs. Frank Gibson and daughters, Patricia and Sue, of Quanah, visited with the family. A friend, Miss Carylon Liggett of Quanah was also a visitor.

RETURNS TO CALIFORNIA
Miss Carolyn Sue Sandage of Sacramento, Calif., left Saturday after spending a month in Hereford in the home of her aunt and cousin, Mrs. Barrett Sowell and daughter, Lynn, Mrs. J. E. Turner and other relatives, all of Hereford.

STAG PARTY

WICHITA — A newspaper carrier, Stanley W. Brown, 17, and his dog, Midnight, were startled by a crash and tinkling glass as they made their rounds early one morning.

Brown stared at the "broken window of the office of Charles F. Curry & Co., and could see a young stag deer bounding around inside, jumping upon and over desks and chairs.

Stanley ran to call police. Midnight ran home.

Several attempts to capture the deer were unsuccessful. Finally it leaped out the window and hasn't been seen since.

Hereford Ponies Shut Out 7-0 By Bartlesville Team

A hard-hitting Bartlesville team shut out Hereford's Pony League All-Stars 7-0 in the finals of the Sectional Tournament held Saturday in Childress for the sectional crown and a trip to Lubbock.

The Bartlesville team put together nine hits, including two home runs, to score the victory. Hereford batters connected for only three hits.

Winning pitcher was Bruce Bennett, who started for Bartlesville, and the loss was credited to Steve Hodges, who pitched four innings for the Hereford team.

Three runs were scored in the third inning for Bartlesville after both teams had battled for two and a half scoreless innings. Both had threatened, but were unable to score.

Derrance Hoey, second baseman, led off with a double and moved to third on a sacrifice by Bennett. With two out, Pat Robbins hit a single to right field scoring Hoey.

Robbins scored as Bill Williams connected for the first of two home runs during the game. With the bases clear, Wayne Pope grounded out to first.

In the top of the fourth, Guerrero took a third strike for the first out. Jim Allison hit a single, stole second, and was caught going to third on a single by Mike Watts.

Kenny Justice made it first on a fielder's choice as an unsuccessful attempt was made to force Watts at second. Watts was later picked off at third for the final out.

In the bottom of the fourth, Allan Chissoe, first baseman, connected with the first pitch by Hodges for a home run making the score 4-0.

Hodges was relieved by Guerrero and sent to shortstop. Allison was moved to third.

Don King connected for a single and stole second. With one out, King moved to third on a single by Hoey and scored on an overthrow. Hoey moved to third on the throw.

Another run scored in the inning as Took Cramer hit a single scoring the runner at third. The next batter drew a walk. Bill Williams went down swinging for the third out.

In the fifth inning for Hereford, it was three up, three down as Mike Moore grounded out, Gary Payne flied out, and Duvall popped up to the second baseman.

For Bartlesville, in the bottom of the fifth, Wayne Pope struck out and Chissoe doubled.

King looked at a called third strike, but went down to first as the ball got away from Hereford catcher.

Chissoe, who had moved to third on the error, scored on a sacrifice grounder making the score 7-0. Bartlesville left two men on, King at third and Hoey at second, as Steve Cole went down swinging.

It was three up, three down for both teams in the sixth and seventh innings.

Getting one hit each for Hereford were Duvall, Allison and Mike Watts.

For Bartlesville, Hoey and Chissoe took top hitting honors. Hoey scored two runs on two singles and a double with three times at bat. Chissoe, who was also up three times, scored two runs on two doubles and a home run. Also hitting a homer was Williams.

Hodges was charged with the loss by allowing four runs to score on five hits. He picked up five strike outs during the game. Guerrero hurling in relief picked up six strike outs, gave up three hits and three runs scored.

Bartlesville's three pitchers only allowed Hereford three hits during the game. Starter Bruce Bennett picked up five, Took Cramer, none, and Steve Cole, one.

Also credited to the Bartlesville team is a double play which ended a Hereford threat in the second inning.

LONG-LOST RING RETURNED
MADISONVILLE, Ky. — While digging in the garden, a housewife turned up a gold ring with the date 1915 and the initials "S. S." engraved on it.

She checked a high school annual for that year and found the name of Sam Sights.

A call to his widow disclosed that it was Sights' ring, which his widow lost while playing in the snow in 1920.

Hereford Workers Host Family Picnic

The Bull Barn was the scene of the July 30th meeting of the Hereford Workers 4-H Club for a picnic.

The picnic was held as a celebration of the closing of the year's club work and fellowship. Special guests were Miss Loreta Fowler and Miss Veradell Andrews. The Glenn Neil family were also special guests. Their daughter, Kay, is planning to become a member of the club in the fall.

Each mother of the members brought food for her family. After the meal, gifts were presented to Mrs. M. J. Koelzer, the leader, by the club girls. While the parents visited, games were played by the children.

Attending the picnic were Mr. and Mrs. M. J. Koelzer and family, Mr. and Mrs. Dennis Sims and family, Mr. and Mrs. Ray Wilhelm and family, Mr. and Mrs. Gene Brownlow and family, Mrs. Dolce Nivens and children, Mrs. Fran Battenfield and children, Mr. and Mrs. Glenn Neill and family, Miss Loreta Fowler and Miss Veradell Andrews.

Funeral Rites Held In Olton

Last rites for Mrs. Eddy Thommarson, 67, of Olton, sister of Mrs. Clarence Layman of Hereford, were conducted at 2:30 p.m. Tuesday, Aug. 7, at the Hopewell Baptist Church near Olton with the Rev. James Pope of Lubbock and R. D. Thommarson of Bula officiating. Burial was in the Olton Cemetery under the direction of Lemons Funeral Home of Plainview.

Mrs. Thommarson, a resident of Olton since 1930, died Sunday night at Lubbock Methodist Hospital. She was a member of the Olton First Baptist Church.

Surviving are her husband; a daughter, Mrs. A. V. Wood of Lubbock; a son, John E. Thommarson of Albuquerque, N. M.; six brothers, S. P. James, San Angelo; Pat James, Memphis, Tenn.; Sam James, Amarillo; John James, Turkey; H. O. R. C. James, Seymour; and Lonzo James, Monterey, Calif.; three sisters, Mrs. T. K. Wall of Seymour; Mrs. Earl Warren of Abilene; and Mrs. Clarence Layman of Hereford; and three grandchildren.

Show Includes Local Artists

Two Hereford women, Mrs. Verna Lyons and Mrs. Mary Helen Askew, both active members of the Hereford Art Guild, were included in the Texas Fine Arts Association show held in Amarillo on Sunday, Aug. 5. Their paintings were shown among the 133 paintings from 21 regions of Texas for competition for inclusion in the association's circuit exhibition.

Mrs. Lyons won an honorable mention in the show.

DAMAGE TO A 1952 MODEL SEDAN was placed at \$350 following an accident Thurs., Aug. 2 about 8:15 p.m. near the intersection of Park Ave. and U. S. Highway 60, east. The driver, Airman Joseph Trano Jr., was taken to Deaf Smith County Hospital for emergency treatment and released.

The accident is reported to have occurred as the east-bound vehicle struck the median in the center of the highway and slammed into the rear of a diesel truck-tractor combination. (Staff Photo)

IN TEXAS, NEW MEXICO

Sterile Flies Released For Screwworm Disposal

Although plans for the Southwest Screwworm Eradication Program do not call for release of sterile flies in Deaf Smith county at this time, Colby Conkwright, county chairman of the Southwest Animal Health Research Foundation, pointed out that livestock producers already have benefited from fly release in South Texas and the real payoff will come with final eradication.

Flies are now being released within a 60,000 square mile area in Texas plus a 7,000 square mile area in southern New Mexico. This is below a line that runs from Del Rio northeast to Coleman, east to Comanche and southeast to Port O'Connor.

Producers funds are being used for eradication of this pest that has cost Texas Producers \$100 million a year and not for a temporary control program, Conkwright said.

"In order to free Texas of screwworms, cold weather must do the job outside the overwintering area of Texas and a concentrated release of sterile flies must do the job within the overwintering area, completed with the artificial barrier made up of sterile fly release astride the U. S.-Mexican border, and control of animal movement."

"Once screwworms have been eradicated from the overwintering area and the winter kills them back below this line, there will be no spread into Deaf Smith County," he added. "Eradication will come cheaper and quicker through this plan of operation."

"Although screwworms have spread over a large area of Texas, livestock producers have experienced fewer cases this year due, in a large part, to the work done in South Texas. Our livestock producers are already doing well."

FATHER DIES IN MICHIGAN

Mrs. Leroy Williamson of the Ford community left Tuesday evening, Aug. 7, to attend funeral services for her father, E. Earl Ruffe, in Grand Rapids, Mich. He died suddenly late Monday evening, Aug. 6.

AT ROTARY MEETING

Speaker Outlines Laubach Method To Teach Reading

"In my opinion, we have the answer to the world problem," said Hilliard Griffin, executive director of World Literacy Evangelism, Inc., as he spoke at the noon meeting of the Hereford Rotary Club Monday outlining the need to teach the illiterate peoples of the world how to read.

The answer to the world problem, he commented, is not bombs and armaments which only increase world tension, but a people to people relationship getting down to the grassroots needs.

He pointed out that the desperate need of these people in the underdeveloped countries of the world is to learn to read. "In the hungry belt of the world in Asia and South America," Griffin said, "I have often heard that two-thirds go to bed hungry each night."

"When the statistics are analyzed," he continued, "it is these people who are hungry who are the illiterates."

"The whole world is closed to them, even the Bible," he declared.

He told the group that the day has "long passed when we can live in isolation. It is impossible to draw a line around ourselves and say that we are not concerned with what is going on in the rest of the world."

"These illiterates have been oppressed, bruised and held down by the hands of the world," he continued.

As an example, he cited the comments made following a discussion on literacy in Brazil. Griffin commented that one of the large landowners said he was not for the program at all.

"If I let you come in and teach the people how to read, the landowner said, 'Hilliard commented, 'the whole world will be open for them. Then they will not be satisfied with the 15 cents a day wages.'"

The number one problem is how to do something for the

illiterate nations, said the executive director after explaining Communist tactics in spreading "the big lie."

"We have to do two things: profess Christ, and halt the push by the Reds seeking world domination," he declared.

He told the group that the place to begin helping is at the point of the simplest need and that is, they want to learn to read.

In discussing the needs of the illiterate peoples, Hilliard told of the program developed by Dr. Frank C. Laubach and his work in 101 countries.

Learning to read, he said, has unlocked knowledge and the Bible to many who were once illiterate. As they learned to read, information on teaching others to read, and literature on Christ was provided.

"We must give these people a moral concept in Christ in order to teach them how to do good with the knowledge that has been opened to them, Griffin declared.

Such a program as "each one teach one" is an open door for the Church, he said. "In our favor is the rising tide of nationalism and the surge in the breast of the underprivileged to be better than they are."

He pointed out that the program was non-denominational since people and the Christian Churches do not disagree on the need to teach people how to read.

As Griffin spoke, he told of plans by the organization to launch "Operation Breakthrough" in either Liberia or Nigeria with highly trained teams using the "each one teach one" theory.

"We expect in a year's time to show the government of the country a success," he stated, "and open the door for the Church."

Such a program, Griffin commented, is the most sane, most sensible and most logical solution to world problems and the Cold War.

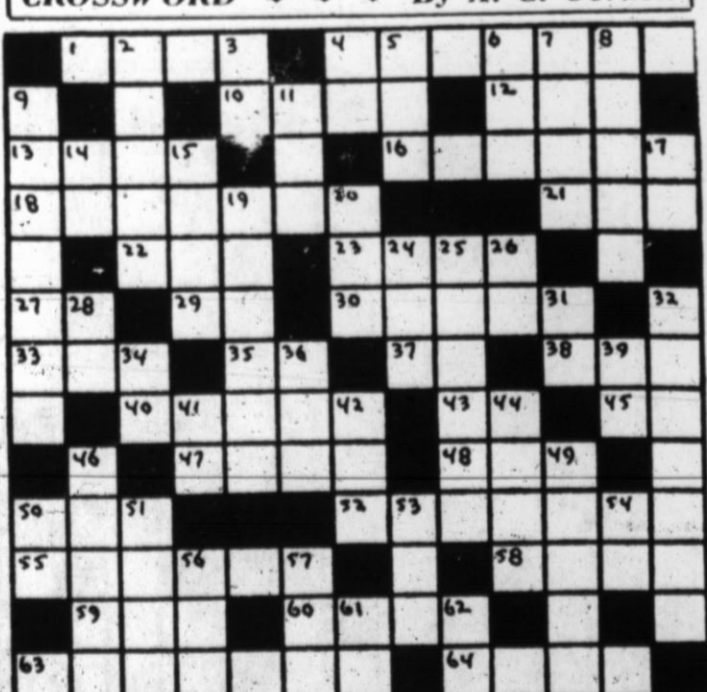

He concluded his talk by telling the Rotarians that a Company of Compassion is being organized in Hereford to solicit funds for the support of one man during the campaign for a year.

"This is the answer and the door is open," he said, "Now we need people who will stand with us."

Griffin will be in Hereford for a week outlining the program of the foundation. He spoke first at a meeting held Saturday, Aug. 4. Sunday he spoke at the First Methodist and First Baptist Churches.

Tuesday Griffin was slated to speak at a public meeting in the Hereford Community Center. He also spoke at Presbyterian

WESTWAY NEWS

Visiting, Vacations, Weed Fighting Highlight Week

By Mrs. Harold Rudd
Visiting, short vacations, and fighting the prolific growth of weeds have been the highlights of the lives of the residents of the community. The large amounts of rain received last week have caused everything to grow very rapidly, especially the weeds. Farmers and their families have been using hoes, mowers, shredders, plows and spray to rid themselves of the weeds.

Several families from out of town attended the services at the Westway Baptist Church before attending the reunion at the Community House on Sunday, July 29.

Mr. and Mrs. C. C. Griffin of Pampa were here to spend last weekend with her sister, Mr. and Mrs. Paul Rudd.

Mrs. Benton Bolin was honored with a pink and blue shower in the home of Mrs. Joe Wagoner recently. Assisting with hostess duties were Mrs. J. D. Owens, Mrs. Paul Rudd, Mrs. G. C. Merritt, Mrs. R. W. Mitchell, Mrs. Buck Green and Mrs. C. A. Sauley.

Approximately twenty-six other women attended. Several, who were unable to attend, sent gifts.

Two days later Mrs. Bolin presented a baby boy into this world. His name is Jeffrey Todd and he weighed 6 pounds and 13 ounces. Maternal grandparents are Mr. and Mrs. W. W. Thomas, paternal grandparents are Mr. and Mrs. Lincoln Bolin, and great-grandparents are Mr. and Mrs. Herbert Owens, all of this community.

Buzzy Kaul was in Cheyenne to participate in the rodeo. From there he is following a rodeo circuit through Nebraska, Kansas and Missouri.

Mrs. Merlin Kaul was a dinner guest of the Rev. and Mrs. V. H. Miller in Clovis recently. On her return trip home, she visited in the Jack McCracken home in Bovina.

Mr. and Mrs. Tom Carlisle and family of Kress spent last Sunday with Mr. and Mrs. Herbert Owens.

Ralph Morrison was honored with a birthday dinner in the home of his parents, Mr. and Mrs. J. C. Morrison, recently. Among those present were Mr. and Mrs. Jim Thomas and family, Mr. and Mrs. Don Heddins and girls of Hereford, Wallace Woolsey of Hereford, Judith Morrison, hosts, and honoree.

Mr. and Mrs. Harold Head and family returned last week from a trip to South Dakota. There they visited Mr. and Mrs. Grady Wilson Jr. and family and Mr. and Mrs. Larry Wilson and family at Faith.

Mr. and Mrs. Rob Groves, Angela and Robbie, were in Canyon for the rodeo last weekend. Angela placed third in the Calf Scramble Saturday. She received a western shirt and \$1.00 as her prize.

Mr. and Mrs. Ben L. Thomas were in Lohn, Tex., on Thursday and Friday. Their children, Sandy, Dusty and Ginger visited in Post with relatives.

On Saturday the Thomas family attended the Horse Show in Friona.

Mrs. Kenneth Rudd, Teresa, Susan, Paul and Jean, left Monday to go to Andrews to visit her parents, Mr. and Mrs. W. A. Sims. They also visited with Mr. and Mrs. Neil Sims and son at Odessa. They then attended family reunion on Sunday in Odessa and returned home Monday.

Mr. and Mrs. Harold Rudd, Lynn, Patsy, Cheryl and Kit, left Monday morning from Tres Ritos. They also toured Toas

and drove through Red River on their way home.

On Wednesday evening they visited with Mr. and Mrs. G. W. Wells Jr., of Sacramento, Cal., in the home of Mr. and Mrs. R. A. Wells in Hereford.

Mr. and Mrs. Gerald McCathern, Mike and Kathy, and Mr. and Mrs. Kenneth Christie and family of Summerfield have been to Platoro, Colo., on a fishing trip. They returned by Taos and were home Wednesday.

The McCathern family and Rudd family met in Taos while touring the art galleries there.

Mr. and Mrs. Kyle James and Ellen Kelly of Amarillo visited in the home of Mr. and Mrs. W. G. Ponder Sunday afternoon.

Mr. and Mrs. Leon Worthington, Pat and David of Fresno, Calif., spent last week with his sister, Mr. and Mrs. E. D. Sawyer.

Nita Hanson of Kress is spending this week with Mr. and Mrs. Don Douglas.

Mrs. W. F. Ponder was in San Angelo last week to attend the Jehovah's Witness Assembly for three days.

Mr. and Mrs. Ed Ussery and family of Victoria spent Friday and Saturday with his sister, Mrs. W. W. Thomas.

On Sunday Mr. and Mrs. B. H. Thomas Jr., and family of Shallowater visited with the W. W. Thomas family.

Jeanne Thomas returned to Shallowater for a visit this week.

Mr. and Mrs. S. T. Loerwald and family of Hereford and Mr. and Mrs. Paul Zinser visited in the home of Mr. and Mrs. Frank Zinser Jr. Sunday afternoon.

Mr. and Mrs. Darrell Dirks and family of Frio ate dinner with Mr. and Mrs. Homer Rudd Sunday.

Mrs. Argen Draper is teaching a basic dressmaking course to some of the women of the H. D. club. They met at the Community House Friday and again on Monday.

Garth Thomas of Atlanta, Ga., and Mrs. B. H. Thomas of Shallowater were here to visit with W. W. Thomas while he was in the hospital.

Mary Kaye Kershen is home from San Antonio for a visit with her parents, Mr. and Mrs. Andrew Kershen. She will return Sunday and report for work at Brookes Medical Center.

Mr. and Mrs. Bill Stengel, Mr. and Mrs. A. C. Stengel and Mr. and Mrs. Andrew Kershen attended the Bezner-Kalka wedding in Hereford Wednesday.

Mr. and Mrs. Andrew Kershen and family plan to leave Thursday for Scott City, Kan., to visit her mother, Mrs. Tresa Eder. They will visit other relatives in Marienthal also.

Dennis Seel of Canyon is spending this week with his grandparents, Mr. and Mrs. Joe Wagoner.

Mr. and Mrs. R. A. Wells were hosts for the Wells Family Reunion in their home on Sunday, July 29. Among those enjoying the good food and visiting were Mr. and Mrs. G. W. Wells Jr., Sacramento, Calif.; Mr. and Mrs. E. C. Mackie; Mr. and Mrs. J. V. Wells and Laura; Mr. and Mrs. Dennis Stafford, Terrie, Sherrie, Tony, and Teresa, all of Pampa, and Mr. and Mrs. Harold Rudd, Lynn, Patsy, Cheryl, and Kit.

MID 1800's AND EARLY 1900's combined for a delightful evening of entertainment Thursday evening in the Hereford Community Center. Members of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., and members of the Hereford Square Dance Club exchanged exhibitions of their talents. "The Golden Spread Singers," top, directed by Joe Coleman of Hereford, sang a few numbers popular during the

early 1900's, before the square dancers danced to tunes that were popular during the mid 1800's. "The Pioneers" men's quartet from Amarillo also sang, as well as the "Sweet Adeline" women's quartet. The impromptu program resulted after both the singers and square dancers met in different portions of the Community Center on Thursday. The square dancers then invited the singers over for a visit. Post Office Sets Mr. Sam Stamp Release Date

Design of the Sam Rayburn stamp was unveiled by the Post Office Department today in a ceremony attended by Mr. Sam's old friend, Vice President Lyndon B. Johnson.

Speaker of the House John W. McCormack was also present to honor the memory of his predecessor in the chair.

Postmaster General J. Edward Day showed the model of the distinctive 4 cent commemorative postage stamp that is tribute to the Texan who served as speaker of the U. S. House of Representatives 17 years — twice longer than any other man in history. He was "Mr. Sam" to some 3,000 congressmen he saw come and go over the years.

The stamp will first be placed on sale Sep. 16 in Mr. Sam's home town, Bonham, Tex., on the 22nd anniversary of his election to the speakership. He had served continuously in Congress

since 1913 until his death, at 79, Nov. 16, 1961.

On the day of Mr. Rayburn's death, the Citizens' Stamp Advisory Committee was meeting and immediately approved issuance of a Rayburn stamp. Postmaster General Day made the announcement in a New York speech the following evening.

In the multi-color, vertical stamp, Sam Rayburn stands impressively before the Capitol dome. Graduated tones of brown and blue give the stamp a three-dimensional effect.

Portrait and vignette are by Charles A. Brooks, and lettering and numeral by William R. Burnell.

Collectors desiring first day cancellations of the Sam Rayburn stamp may send addressed envelopes, together with remittance to cover the cost of stamps to be affixed, to the Postmaster, Bonham, Tex. Each envelope must be marked, in pencil, in the upper right corner indicating the number of stamps to be affixed (singles, pairs, blocks, etc.). Requests for first day covers should not be sent to the Philatelic Sales Agency, Washington, D. C.

An enclosure of medium weight should be placed in each envelope and the flap either turned in or sealed. The outside envelope to the Postmaster should be clearly marked "First Day Covers Rayburn Stamp."

Collectors are cautioned that orders for first day covers must not include requests for uncanceled stamps. Cover requests must be postmarked not later than September 16, 1962.

ATTEND REUNION

Mr. and Mrs. Oscar Wylie and two children of Hereford attended a reunion of the W. O. Wylie family on Sunday, July 29, in the Providence community near Lockney. The event also marked the 49th wedding anniversary of Mr. and Mrs. W. O. Wylie.

Green Thumb Artists Add Beauty To City

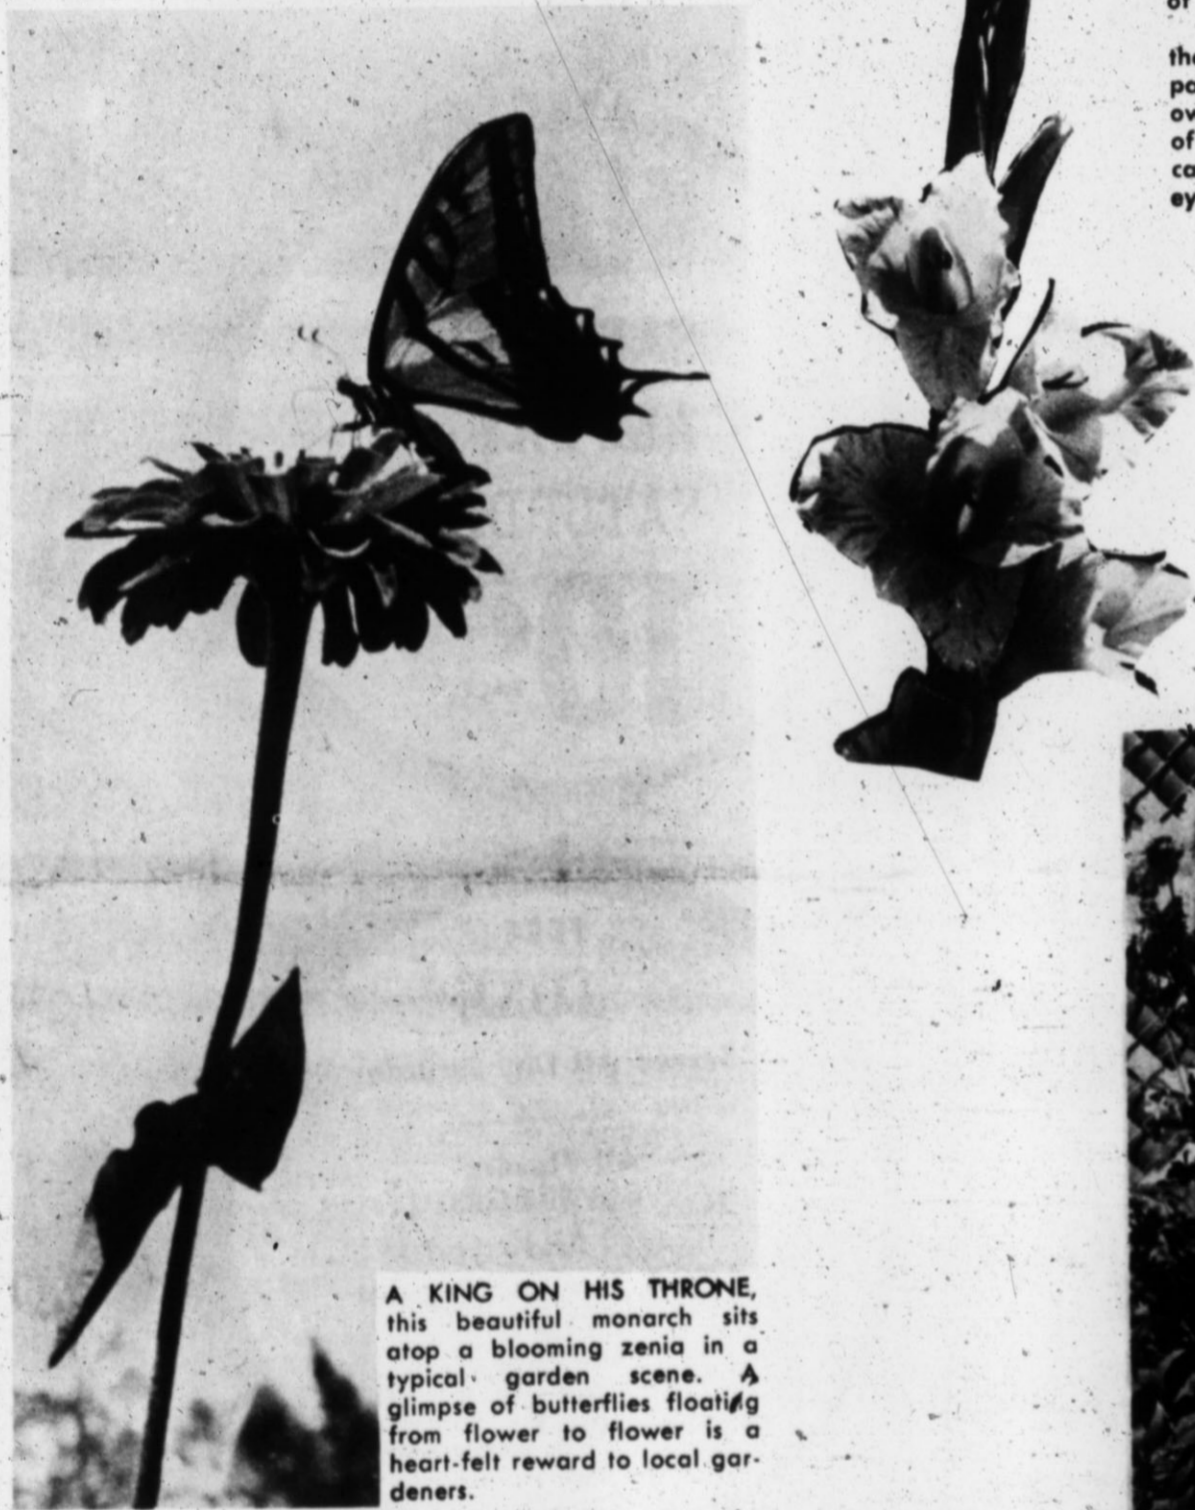

HUNDREDS OF KINDS, colors, and types of flowers decorate the yard of Mrs. Will S. Kerr of 1103 Park Ave. Mrs. Kerr has planned the garden so that various flowers have been in constant bloom since early spring, and more will blossom in the fall.

Throughout the city of Hereford gardeners have been busy this summer as they care for flowers and shrubs, making Hereford a beautiful place in which to live. Although this is perhaps a time when many flowers have already gone out of season and others have not yet begun to bloom, still there are dazzling displays of color in all portions of town.

Pictured here are some of the gardens which reflect the patience on the part of their owners. Among the hundreds of gardens in bloom, these caught the photographer's eye.

A WARM WELCOME, and a flowery one, is extended by this beautiful setting at the home of Mr. and Mrs. G. K. Horton of 407 Witherspoon.

A KING ON HIS THRONE, this beautiful monarch sits atop a blooming zenia in a typical garden scene. A glimpse of butterflies floating from flower to flower is a heart-felt reward to local gardeners.

GIANT DIHALAS of many colors tower over the head of Mrs. S. L. Walsler of 102 North Texas.

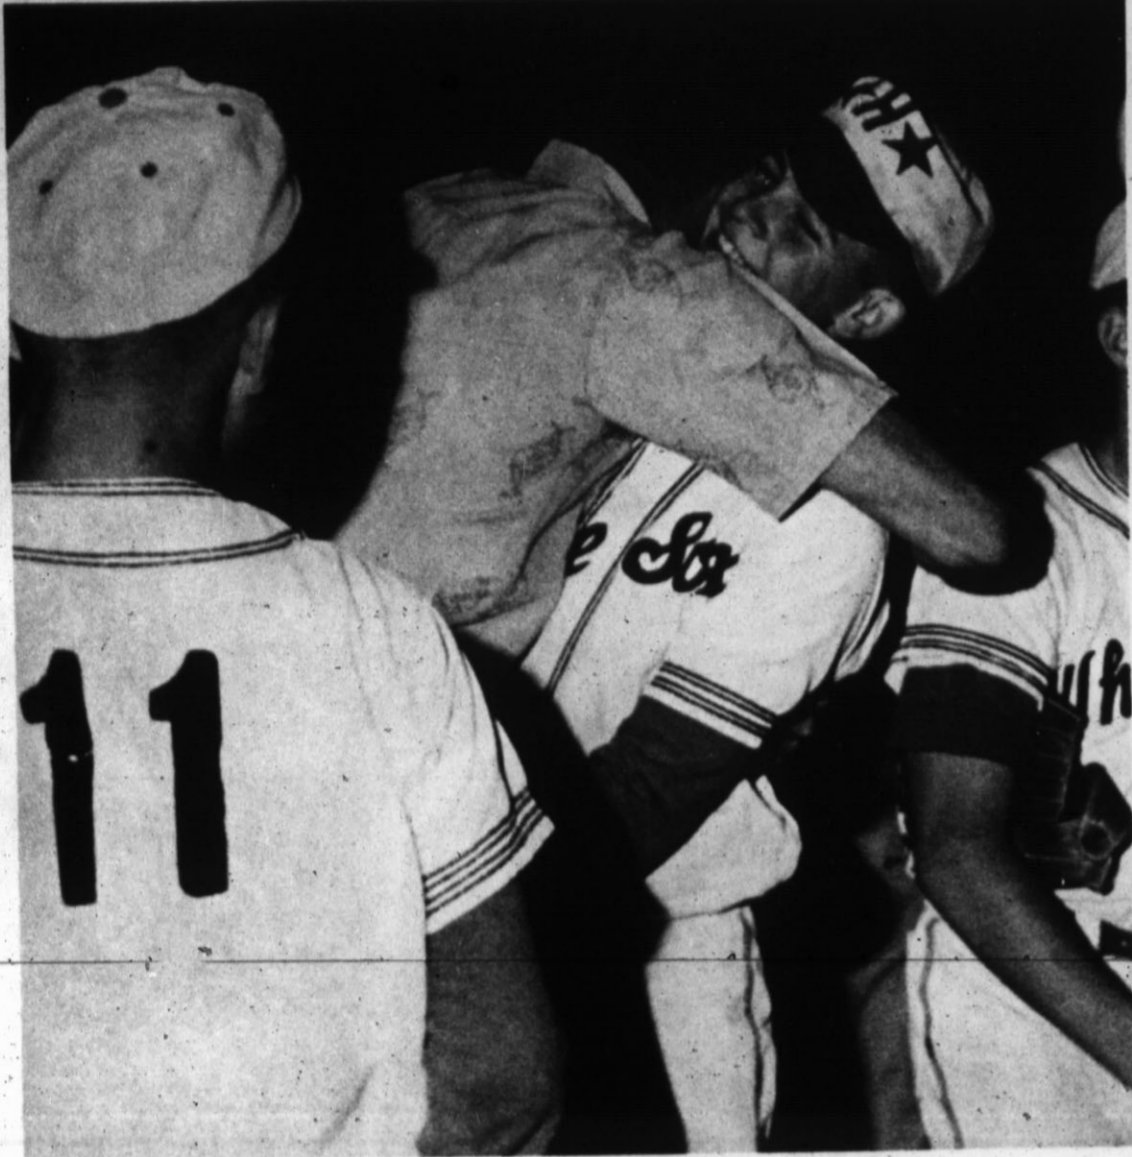

DAZZLING COLOR in a well-planned front yard greet visitors at 504 East Sixth. One of the few gardens where all flowers are in bloom at the present time, the green thumb artistry was planned by Mrs. Ora Nunnally.

JAILHOUSE SERENADE
BIRMINGHAM, Ala. (AP) — Desk Sgt. H. B. Walker thought he had seen everything in his years at the police station. But he added something new to the list when a petite young woman with a violin case walked in one Sunday afternoon and asked: "Could I play my violin in the ladies rest room?" "I don't suppose anyone would object," Walker said. "I've got to play in the symphony orchestra this afternoon, and I need to practice," the woman explained.

EXPLICIT DIRECTIONS
BIRMINGHAM, Ala. (AP) — Who painted the yellow marks on the streets? It was a big job

— arrows and v-shaped marks at intervals up one street and down another. The city didn't do it. Neither did the State Highway Department. But Rod Vincent, a teenager, had the answer. "My brother did," he said. "He wanted to make sure the substitutes on his paper route knew where to throw the papers while he was away." Each v-mark points to a subscriber.

DOGGONE GOOD PUPIL
TUSCALOOSA, Ala. (AP) — Freddie, a dog of dubious descent, was assigned a desk just like any other pupil when he began following his young master, Kenneth Fisher, to school. When school was out, Freddie received a report card. It noted that he was a "true, faithful and quiet pupil" and "always follows rules and regulations." And it said he passed the sixth grade.

WHO'S PRESIDENT?
ATHENS, Ala. (AP) — When Mrs. Henry Kennedy leaves a message for someone to call her, she frequently adds: "If you forget the name, just think of the name of the President." Then one night her husband answered the telephone and a voice asked: "May I speak with Mrs. Roosevelt?"

Summer Workshop Interest Is High

By Argen Draper
The summer workshops are going along fine as persons who are enrolled are quite interested in learning all that they can and in completing the course. I appreciate the cooperation that I'm getting and feel that this has been quite a successful summer.

The Farm Bureau Beauty Contest at Muleshoe was nice and along with the contest there was a fashion show of garments made from cotton bagging. These garments were backed as well as lined. Backing on a garment is firm material that is cut exactly like the pattern and is stay stitch-

ed to the garment piece before the pieces are put together. Lining is cut exactly by the pattern and the complete garment is made. Along with this the merchants sponsored a style show of cotton garments. This inspired me for our September program on The Woman of Fashion in Cotton. The program at Muleshoe was sponsored by the women's organization of the Farm Bureau. The school reunion at Wellington was fine with a large crowd. Some of those former students of the class of '30 are looking old. When you return your check sheet for special interest programs please sign your name as I don't know everyone's writing.

Mrs. Gene Weems ask for a recipe for home made ice cream. This recipe came from Mildred Lewis originally. This is delicious ice cream.

Vanilla Ice Cream
3 cups milk, scalded
Mix together:
1 tablespoon flour
1 cup sugar
1/4 teaspoon salt
Put into large bowl of mixer:
3 eggs

Beat on No. 4 speed about 1 minute. Add flour and sugar mixture and beat until blended. Slowly add scalded milk while beating on No. 10 speed. Put in top of double boiler and cook over boiling water, beating constantly on No. 2 speed. Cook until mixture begins to thicken. Cool.

Add:
1 tablespoon vanilla
3 cups cream heavy or light or enough milk to fill freezer 3/4 full

Pour mixture into freezer container filling not more than 3/4 full. Freeze according to freezer. Makes 2 quarts. This is Mary Williamson's sherbet. It also is a delicious recipe.

We-Three-Ice's
Juice of 3 oranges and 3 lemons
3 mashed bananas
3 cups water
3 cups sugar
If made in refrigerator let freeze until mushy then stir in 1 cup cream.
If made in freezer mix all the ingredients at once.

There are still plenty of Food Preservation bulletins in the office. Just call and we'll mail them to you.

ATTEND WEDDING
Mrs. B. E. Richardson and children, Kara and Janis, of Hereford attended the wedding of Judith Ann Dawson and Gerald Wayne Neill recently in Tullia in the First Baptist Church in Tullia.

Auto Wrecked; Driver Escapes Serious Injury

A Cannon Air Force Base airman escaped serious injury here Thursday, Aug. 2, when the automobile he was driving was totally demolished as it struck the rear of a diesel truck-tractor combination.

The accident occurred about 8:15 p.m. near the intersection of Park Ave. and U.S. Highway 60, east.

According to the Hereford Police Department investigation report, the 1952 model sedan,

VISIT CHILDREN

Mr. and Mrs. O. G. Smith of Hereford will leave Monday for a trip to Olympia, Wash., and the Seattle World's Fair. They will visit their son, Otis Smith, in Olympia. Returning by way of Phoenix, Ariz., they will see their daughter, Treva Rae Hester. The Smiths will be home in about two weeks.

FOUND A PLACE TO LIVE

ELK FALLS, Kan. — Ray Jones of near Elk Falls went out to start his tractor which had been idle for some time.

He found a nest containing four tiny mocking birds set up between the radiator and the fan.

Jones decided to do some other chores and let the tractor remain idle until his guests left.

At its peak of activity, about 40,000 men were at work on the Panama Canal at one time.

driven by Joseph Trano Jr., was headed east toward Canyon.

The vehicle apparently hit the concrete median in the divided highway, then slammed into the rear of the trailer. Driver of the truck-trailer was Wayne M. Kauble, 39, of Scottsbluff, Neb. Trano was taken to Deaf Smith County Hospital following the accident for emergency treatment. He was treated and released.

Damage to the vehicle, belonging to Airman Ed Quibis also of Cannon Air Force Base, was estimated at \$350, a total loss. Damage to the truck was placed at \$200.

Trano stated he was driving the car to Amarillo to pick up Quibis at the airport.

Applications For Sewing Classes Being Accepted

Applications for late-summer sewing courses are now being accepted. Mrs. Frank Prowell announced Friday. Mrs. Prowell, homemaker teacher at Hereford High School, said that courses in tailoring, drapery and beginning sewing will be taught if the demand warrants. The tailoring and drapery classes will be for adults, while anyone wishing to learn basic sewing procedures may enroll in the beginners' course, she said.

Those wishing to enroll may come to the high school or contact Mrs. Prowell. Mrs. Prowell has just completed a course in rapid sewing construction methods at Texas Women's University in Denton.

Is It Clear to YOU?

Do you find it hard to read? Is its language too out of date? Have you imagined it contradicts its self? Are you of the opinion God's love for us is a paradox? Do you think if God really loved us He would let us be sick, experience pain and suffer death? Is the Bible actually hard for you to understand? If your answer is "yes," then you should enroll in Sunday School, start going to church regularly and join the band of honest, serious seekers after God's own will in your life; the true interpretation of His word. To the believer the Bible makes sense, it is easy to understand and in it there are no contradictions. It is really the Book of Life.

You In The Church The Church In You
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Honor Highway Engineer; Land Insurance Studied

By Vern Sanford
 Lt. Gov. Culp Krueger, democratic nominee John Connally and dozens of other state officials and prominent Texans turned out at the monthly meeting of the State Highway Commission to pay tribute to State Highway Engineer Dewitt C. Greer on his 35th anniversary with the highway department.

Commissioners Herb Petry Jr. of Carrizo Springs, Hal Woodward of Coleman and Charles F. Hawn of Athens were among those making complimentary speeches.

Hawn stated that he had known Greer ever since the highway engineer began his career in Athens.

His and Greer's association is unique, said Hawn, since he was the groom and Greer the bride when the two took part in a "womanless wedding" in Athens about 40 years ago.

VETERANS' INSURANCE PLANNED
 Land Commissioner Jerry Sadler announced that the Veterans' Land Board had concluded preliminary arrangements to provide group creditors life insurance for some 30,000 veterans who have purchased land under the state's \$200,000,000 program.

Great American Reserve Life Insurance Company of Dallas will be the insurer if the Texas Insurance Commission approves the plan.

Sadler said the plan is to guarantee full ownership of land to a veteran's widow or heirs at modest annual premiums.

Land board will send details to veterans included in the program when it is fully authorized.

BIG SCHOOLS "COOL"
 Mass air conditioning programs at the University of Texas and Texas A&M College will account for seven per cent of the \$28,767,006 of state funds earmarked for construction in the year starting September 1.

MONEY TO AIR CONDITION OLD CLASSROOM AND LAB BUILDINGS ON THE AUSTIN AND COLLEGE STATION CAMPUSES COMES OUT OF REVENUE FROM UNIVERSITY PERMANENT FUND INVESTMENTS, AS DOES ALL THE \$15,588,683 TO BE USED FOR NEW BUILDINGS, RENOVATION AND ADDITIONS AT THE TWO SCHOOLS NEXT YEAR.

Air conditioning projects at the University include the chemical engineering building; Garrison Hall; Sutton Hall; and T. U. Taylor Hall engineering building.

A&M plans to air condition its agricultural building; animal industries building; biological sciences building; chemical building; engineering building; Francis Hall; and physics buildings.

DANIEL NAMES APPOINTEES
 Gov. Price Daniel named new board members for three of the state's 19 colleges and universities.

ENNIS FAVORS OF STEPHENVILLE, A FORMER STATE REPRESENTATIVE, WAS NAMED TO THE BOARD OF REGENTS OF TEXAS WOMAN'S UNIVERSITY; AND JACK HUGHES OF ABILENE TO THE BOARD OF REGENTS OF MIDWESTERN UNIVERSITY.

Charles D. Mathews of Dallas will succeed Jim Lindsey of Midland as a director of Texas Technological College.

Governor Daniel also appointed Rep. J. W. Moore of Ballinger and Claude K. Robinson of Vernon to the interim house committee to study salt water pollution to the soil and surface water of Texas.

STATE LAUNCHES RAMP PROJECT
 Texas Highway Commission has approved a \$113,000 program to build 25 public boat ramps throughout the state.

Money is surplus from boat registration fees collected under the Texas Water Safety Act.

Each boat ramp project also will include a parking area, access road, incinerator, landscaping, etc.

Sites were selected on the basis of the water area to be served and the number of registration fees paid in the area.

In the 1963 water sports season, ramps will be ready at: Lake Tawakoni, Lake Bridgeport; Possum Kingdom State Park; Oak Creek Reservoir; the San Jacinto River; Clear Lake; Dickinson Bayou; and the San Bernard River.

Also Tres Palacios Creek; Turtle Creek; Indianola Roadside Park; Medina Lake; Copano Bay; the Nueces River; Corpus Christi Bay; Garza-Little Elm Reservoir; Prewitt's Lake; Caddo Lake State Park; Murvaul Reservoir; Pone Island Bayou; the Neches River; Taylor's Bayou; Arroyo Colorado; Llano Grande Lake and Lake Leon.

WATER WORRIES
 Joe Carter of Sherman, H. A. Beckwith of Eagle Pass and Otha Dent of Littlefield, have been worried about the future source of water for small communities.

"The big metropolitan areas can see after themselves," said Judge Dent, "while many smaller cities find themselves with a decreasing source of ground water. We've come to the point where we wonder if we should shift from focus on larger communities to smaller communities."

Commissioners talked about a guidance plan with the State Water Development Board and the State Soil Conservation Board. They agreed that many crossroads communities don't know what their water situation is, and some that know they're running low don't know where to turn for a new supply.

Reluctance to spend \$2,000 to \$3,000 for a hydrology (water resources) study prevents many smaller communities from taking steps to insure water supplies for their people.

SHORT SNORTS
 Attorney Cooper K. Ragan of Houston is the new chairman of the Texas Civil War Centennial Commission. He took the chair from Walter Long of Austin, who will stay on the commission, as will newly appointed Frank LaRue of Athens.

Attendance is up at the state's 46 public parks. A State Parks Board survey showed 979,264 visited state parks in May, compared to 894,992 visitors in June of 1961.

NO DENVER DOLLARS
 DENVER — The U. S. Mint in Denver stamped out more coins in the fiscal year ending June 30 than ever before — 2,546,634,142 of them.

This was 430 million more than in the 1960-61 fiscal year. Pennies, nickels, dimes, quarters and half dollars were minted during the year. But no silver dollars.

EXIT THE FREE TABLE
 GASTONIA, N. C. — "Free Picnic Table," read the road sign beside U. S. 29 near here.

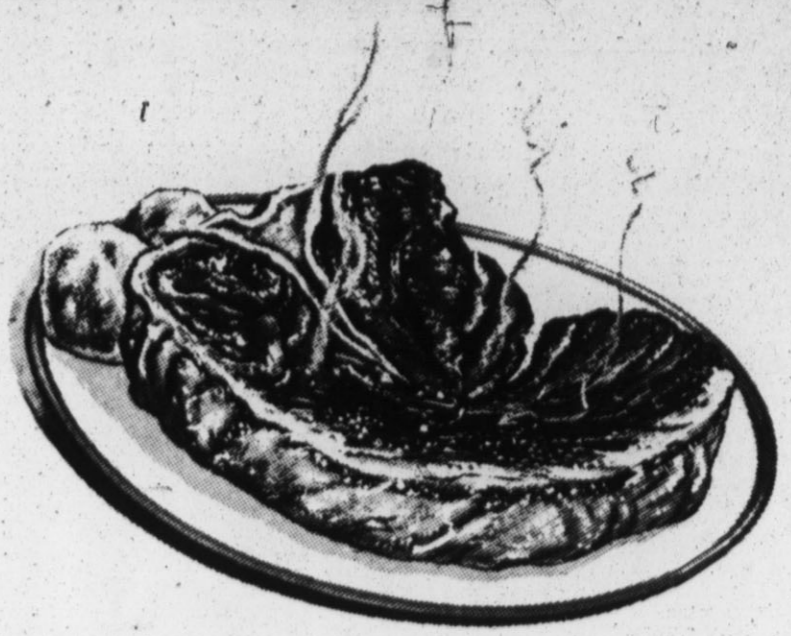

Somebody took it literally, Gaston County Rural Police reported, and hauled off the table during the night.

When a recipe calls for 4 cups (1 quart) sliced pared apples, buy 1½ pounds — usually 6 medium size.

REP. ROGERS WRITES

Mr. K's Threats Proved False By Soviet Failures

TO THE PEOPLE OF THE 18TH DISTRICT:

Mr. Khrushchev was reported to have said to the capitalistic world, "we will bury you." He is also reported to have said that, "in a few years we will catch up and overtake the United States in per capita production of meat and milk."

In my opinion, his first alleged statement is as utterly falacious as the second. No doubt he and other Soviets feel that these accomplishments can be achieved, but it would seem that the complete failure to carry out their agricultural threats would definitely convince them of the complete absurdity of even the thought of "burying" anyone other than themselves.

The Soviet Union has not overtaken this country in per capita milk and meat production or anything else. The fact is that it is daily falling behind. This is evidenced by the recent cost increase in Russian food products — an action which is supposed to channel more funds into their space activities (another area in which the Soviet is fast falling behind) and, at the same time, reduce the consumption of agricultural products that are in scarcity.

The Soviet population is growing at the rate of 3 1/2 to 4 million a year. However, in comparison with other countries this increase in population is not a major problem insofar as available land for production is concerned. In many countries there is much less than one acre of arable land to each individual. In fact, the ratio of arable land to population in the whole of Asia is less than an acre per person. This explains some of the trails and tribulations faced by the Chinese Communists on this problem.

In the Soviet Union there are 220 million people who

arable land facilities of at least over 500 million arable acres. Hence, the ratio of land to population in Russia more than doubles that of Asia and several times the ratio of many other countries. So the problem is not the lack of land.

It is climatic conditions and the lack of "know-how". It is the latter that caused Khrushchev to suggest to his people that they follow the leadership of the free world in farming methods and in expanding their agricultural production. However, it is going to take more than words from Mr. K. to meet this problem in the USSR.

For instance, the Soviets do not have the tractors and other farm implements with which to effectively farm the land. They do not have the fertilizers, herbicides and fungicides which modern technology in the U. S. has developed.

In January of 1962, the records reflect that the U S A had 4 times as many tractors as the USSR; more than twice as many grain combines, almost 3 times the silage harvesters; 4 times the number of trucks; more than 12 times the number of tractor trailers, and almost 4 times the number of tractor drawn ploughs. Another interesting factor is that Soviet agricultural consumption of electricity in 1959 was less than 1/3 of that in the United States.

On the state farms with thousands of head of cattle, not more than 1/4 of the cows are machine-milked in the Soviet Union. It might also be pointed out that many of the machines above referred to are inoperable much of the time due to poor workmanship and poor maintenance and care as well as a serious lack of spare parts.

The Soviets have apparently failed miserably in proper usage of chemical fertilizers which could have measurably increased the yield per acre as it has in the U. S. They have been highly unsuccessful in the use of herbicides to control weeds, pests and diseases, both in crops and animals. Their irrigation activities have fallen far behind those in the free world and especially in the U. S. Most of the irrigation has been confined to cotton grow-

ing areas in the Asiatic portions of their Country. At the present time, they are moving forward on restoring an irrigation program that was dropped several years ago, but it will be some time before the fruits of that activity can be realized.

There is much more that could be said on this subject that I am sure would be of interest but space will not permit. However, I would not conclude this newsletter without pointing out one of the primary reasons for our extreme success in agriculture and the Soviet's dismal failure. Soviet agriculture is socialized in collective and state farms. United States agriculture, on the other hand, is predominately family owned and operated.

The Soviet situation is further aggravated by the fact that the tenure, the initiative and the power of decision of Soviet farm managers is seriously curtailed by constant interference and harassment of the Party — state bureaucracy — also the requirements by the central government as to crop patterns and production "norms".

There are other impediments in the path of the Russian farmer, from the type of machinery he is required to use to crops he must plant. It would seem that the total lack of accomplishment would prove to the people of Russia that Communism won't work.

In fact, they have a perfect example in the agricultural picture. The farmers are allowed to operate some plots on their own and to own a very few animals. The plots represent less than 4 per cent of the sown acreage, yet this private sector accounted in 1959 for nearly half of the total meat and milk output, more than 80 per cent of the eggs; 46 per cent of the green vegetables and over 60 per cent of the potato production. The peasant has to depend upon his private "acre and cow" for 38 per cent of his income.

All of which reminds me of the story of the Agricultural Commissar who was checking the satellite countries for production. He asked one farm manager: "How is potato production?" to which the farm

The Hereford Brand, Hereford, Texas, Thurs., August 9, 1962

manager replied: "The piles of potatoes reach almost to Heaven". The Commissar angrily commented: "You know there is no Heaven", to which the farm manager responded: "Yes, I know, and there are no potatoes!"

ON NEW CHEVROLETS

TO PLEASE EVERYBODY

(WELL... ALMOST EVERYBODY) CHEVROLET

Even the most persnickety luxury-lover couldn't ask for very much more than a Jet-smooth Chevrolet (like that Impala Sport Coupe at the top). Yet it's all yours for a Chevrolet price. (And you know how low that is.)

Here's the best thing that's happened to make money go further since budgets—the lively low-cost Chevy II. It's got all kinds of room. And comes in 11 models, too—like the Nova 2-Door Sedan (second from top).

Want a roomy family car and a sporty driver's car for one low price? The rear-engine Corvair Monza (e.g., that Club Coupe, third from top) plays both roles to the hilt. Care to join the club—and get a buy, to boot?

LOOKS CAN BE DECEIVING as Hereford batter Gene Duvall was safe on this play in the first inning of Wednesday's Pony League sectional game with Littlefield. The throw pulled Littlefield first baseman James Black off the sack. Duvall scored the first of three quick runs in the first inning as Hereford held on to win 3-2 in Childress. (Staff Photo)

Dub Reeves Named Shriner Of Month

"Shriner of the Month" of the Khiva Shrine Temple for June was announced as Dub Reeves of Hereford. Reeves, who is currently serving a one-year term as president of the Oasis Shrine Club, received the honor as a result of his work on the annual Crippled Children's Clinic and other civic projects.

The award is presented monthly to one of the some 5,000 members in the 38-county area included in the Khiva Shrine Temple. A yearly award is given to one of the 12 monthly recipients of the honor.

As president of the Oasis Shrine Club, which includes members from Deaf Smith, Castro, and Parmer Counties, Reeves has led in the organizing of the Oasis Shrine Club Children's Clinic and other club projects.

He was named, along with Dr. L. B. Barnett of Hereford, to serve as the Khiva Temple's official representative in negotiations concerning the possible establishment of a Shrine Hospital in the area.

His selection was also based on work in the community. Reeves is currently serving his fourth term as Fire Chief of the Hereford Volunteer Fire Department. He is also second vice president of the Panhandle Firemen and Fire Marshals Association, serving a 40-county area.

In the past Reeves has held all elective offices of the Hereford Lions Club, served as president of the Retail Merchants' Committee of the Chamber of Commerce, and as president of the Junior Chamber of Commerce.

Named as "Shriner of the Year" in 1961 after receiving the "Shriner of the Month" award was Dr. L. B. Barnett of Hereford.

Baptist Slate Youth Campaign

Local Baptist churches are participating in a week-long youth-led campaign sponsored by churches of the Amarillo Baptist Association. To be held Aug. 19-25, the meeting is scheduled for the Amarillo Municipal Auditorium.

In preparation for the youth-led crusade, Baptist young people have attended a series of study courses at local churches.

VISITOR FROM DIMMITT

Miss LaNelle Blanton of Dimmitt was a visitor in Hereford on Sunday, Aug. 5, in the home of Mr. and Mrs. O. Wertenberger.

THE WELL-KNOWN FACE

MEMPHIS (AP) — A political candidate with headquarters in a hotel found himself short of cash. So, standing beneath the huge photographs that display his likeness all over the lobby, he asked a clerk if he could cash a check.

"Why yes," said the clerk, examining his signature. "Do you have any identification?"

Judgement Set Against Firm

A judgment of \$100 was entered on June 27 against the Miller Seed Co., Inc., of Hereford, in the U. S. District Court for the Northern District of Texas, for violation of the Federal Seed Act, the U. S. Department of Agriculture reported last week.

The violation involved 152 bags of pearl millet seed shipped from Hereford to Montgomery, Ala., about May 14, 1960. Labels on the bags said the seed had a germination of 80 per cent but the seed was found to have a germination of 62 per cent when tested in July, 1960.

The State of Alabama cooperated with the USDA's Agricultural Marketing Service in the investigation of this violation.

QUIP FOLLOWS BIRD

LOUISVILLE (AP) — A bird flew in and out of the pulpit of the Harvey Browne Memorial Presbyterian Church just as a guest minister was being introduced.

The minister, Dr. Albert C. Winn, a professor of doctrinal theology, entered the pulpit and commented:

"There was one bird here; now there's another. He left when he was introduced as a professor of theology."

DUB REEVES

MEMBER OF BRIDAL PARTY

Mrs. James Stayton of Hereford was a member of the bridal party for the wedding of Miss Emily Ward and James Miller Hill Jr. of Tullia, held recently in the First Baptist Church in Tullia. Attending the wedding from Hereford were Mr. and Mrs. Markham Waddill and daughter, Karen.

BIDDER'S BONANZA

AUGUST 6 THROUGH 11

Just imagine! A treasure trove that includes new and used farm and utility equipment, grandfather's clock, maybe even grandmother's rocker... any of it yours for the price of a winning sealed bid. Starting Monday, August 6th, we're taking sealed bids on many items in our stock of new and used tractors and equipment... a real opportunity to get your machinery needs at a bargain price. And "Bidder's Bonanza" is a two-way street! You and your neighbors are invited to bring any useful item (one per family) and put it up for bids. If you like, a percentage of the sale of your equipment or household items can be set aside for a local club, church, school or charity of your choice.

Opening of Bids... Saturday, August 11, with refreshments for the entire family. Don't miss this day above all!
