Ask Bids On Radio Alert System For City Firemen

Peeler Placed On Wheat-Grain Advisory Group

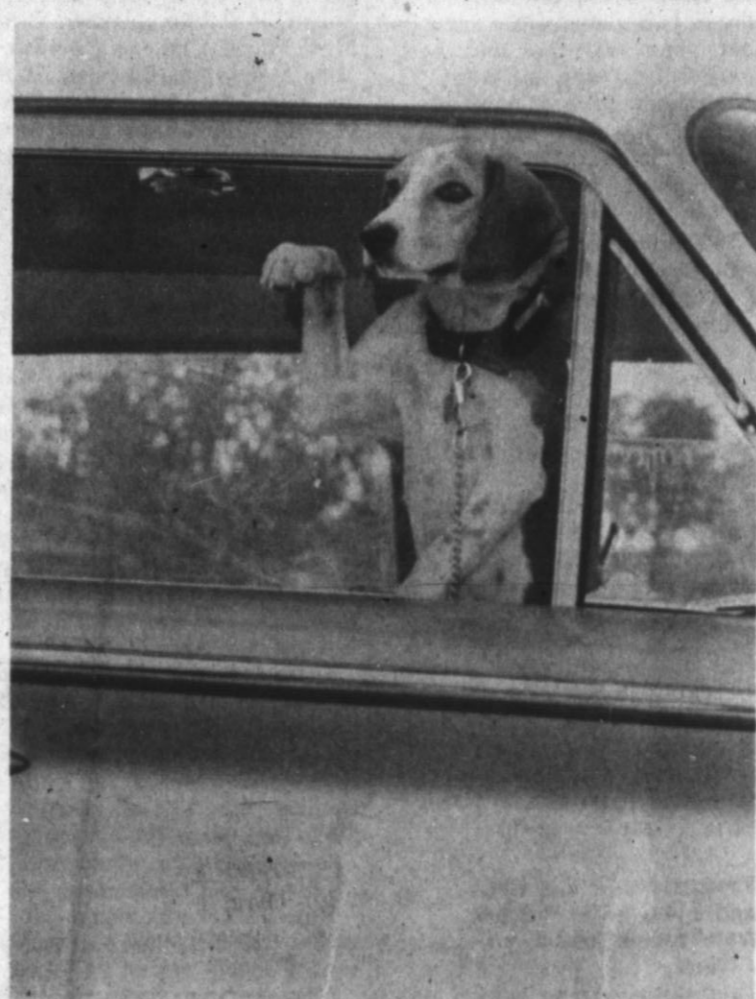

R. G. Peeler of Hereford, legislative vice president of the Grain Sorghum Producers Association, has been named by Secretary of Agriculture Orville Freeman to a 32-man Wheat-Feed Grain Advisory Committee.

First meeting of the group was held Tuesday and Wednesday in Washington, D. C. The Committee's chief purpose is to have guidance and recommendations to the USDA for a long-range grain program.

Over-all committee chairman is Fred Heinkel of Columbia, Mo., president of the Missouri Farmers Association. The Feed grain sub-committee of the group is headed by Fred Ludwig of Laurens, Iowa, director of Iowa Farmers Grain Dealers Association, while the wheat sub-committee is headed by Anson Horning of Larned, Kan., president of the Kansas Association of Wheat Growers. Other committee members represent a cross section of producers, users, trade, farm organizations and consumers.

Peeler's appointment is heralded by sorghum groups as an indication of the growing recognition of the importance of grain sorghum in the nation's farm picture.

Peeler will report on the first committee meeting when directors of the Grain Sorghum Producers Association meet Sept. 29 at Texas Tech.

"HOPE THEY BUY some dog food," wishes this fellow as he mournfully waits for his humans. It may be a dog's life, but at least he doesn't have to carry the packages out to the car. It's possible he's just a canny canine who pleads that his dogs bark when he walks too much. Either way it makes a pitiful picture.

(Staff Photo by Wain Miller)

Decision to buy an electronic alerting system for members of the volunteer fire department headlined action at Monday's meeting of the Hereford City Commission.

Bids have been asked on about \$4,000 worth of equipment for the new system.

The system will include a separate radio transmitter and antenna. Connected with this will be a push-button tone generator.

Upon receiving notice of a fire, the marshal pushes a button which starts a high-pitched tone on a receiver located at each fireman's home. The tone is continuous for five seconds, followed by an intermittent tone for five seconds. This, the report indicates, will wake any sound sleeper.

After a ten-second tone, the dispatcher announces the location of the fire over the radio. This message is received by each fireman, who then reports to his duty station, either the fire department or directly to the fire.

Fire Chief Dub Reeves and Assistant Chief Gerald Hale were on hand to explain the system to the Commission.

Reeves said the receivers were completely silent until activated by a tone signal. A few of the receivers will be "two-tone" units.

By pushing a different button, the dispatcher can alert only those key firemen equipped with the two-tone units.

The receiver units are plugged into house current.

About 30 of the one-tone receivers are planned, with about 10 of the two-tone receivers. The latter would be placed in the key firemen's places of business so they could be alerted during the day.

Although the receivers, about 5 x 11 1/2 x 9 1/2 inches, may be carried from place to place, they probably will be left in the firemen's homes. Reeves said that the siren would be used from 8 a.m. until 6 p.m. with the tone receivers used during the evening and night hours.

This system, he said, is approved by the state fire commission and would result in the fire insurance key rate for Hereford being dropped on a cent. With the key rate out from 22 cents to 21 cents, the savings on insurance premiums on the estimated \$10,000,000 fire insurance in force for Hereford would pay for the units in four years.

The units are unaffected by weather conditions and have a receiving range of about ten miles. Six departments in Texas now have the units and are very happy with them, Reeves said.

Reeves told the group that the board had gotten a law passed requiring that all fire departments conduct their radio transmissions on separate channels from police radios. This will be mandatory no later than 1963.

In other action, the Commission appointed Dr. Roy Grubbs as city health officer, replacing Dr. L. A. Beyer, who has left Hereford.

Charlie Seeds was named to the golf course committee, replacing Dale Tinnin, who sees term expired. Remaining on the committee are D. C. McWhorter and John Douglas Pittman.

A bill from McMorris and Company of Amarillo for \$3500 on appraisal work was approved. City Manager Dudley Bayne said the appraisal work added about \$20,000 in valuations to the city tax rolls.

Gas lights on one residential block in northwest Hereford were accepted by the city. The city will pay \$1.30 per month for each light, with the gas company providing maintenance and absorbing cost of installation. The lights were installed last year on a trial basis.

Commissioners also made a check of city bills for August, resuming a practice which was dropped about three years ago.

Commissioners were told that the city's liability insurance would not pay the claim of Mrs. Reese Lawson of Clovis, N.M., for damage to her car from an asphalt emulsion on Dairy Road. The incident occurred on July 12. Mrs. Lawson wrote the Commission seeking \$25 to have her car cleaned. Commissioners authorized payment of the cost of having the car cleaned, not to exceed \$25.

Man Charged In Simple Assault

Cosmo Velasquez, 33, was arrested Sunday at his residence, McGee Gin Barracks, and charged with simple assault on his wife.

Velasquez pleaded not guilty to the charge, and Justice of the Peace E. E. Miles set bond at \$400. Date for a trial had not been set Wednesday morning.

FINAL TOUCHES of the new four-lane road to be finished up this week. Traffic will be kept on one side for another week before it is turned loose on the new road. (Staff Photo)

Dangerous Mules May Kick When They Play On Friday

Overconfidence can be dangerous and Hereford football coach Jack Meredith has been warning against it all week...

The Whitefaces will play host to the Muleshoe Mules here Friday at 8 p.m. The Mules have lost both their games this year, but both were close games that could easily have gone the other way.

Around Town

Don't know of any time when it has rained any harder here than it did Tuesday afternoon. It came down almost in sheets, and the sun was trying to come through the clouds during the peak of the downpour.

O. G. Hill Jr. took another honor with his cutting horses, this time at the Tri-State Fair. Showdown Nick won the junior quarterhorse cutting contest with trainer Gayle Borland aboard.

After an inactive summer, the Hereford Duplicate Bridge Club will start meeting again Thursday, Sept. 21, at the Community Center. Starting time is 7:30 p.m. and the public is invited to attend.

First of the new car showings are slated for this week. The 1962 Pontiac and Oldsmobile models will be on display. Pontiac will show at Campbell Hotel while the Olds will be at Orsborn - Norwood Chevrolet.

Mayor Ray Cowser and Chamber President C. Palmer Norton are supposed to be in Canyon Saturday for a special day of activity. Representatives of about 50 Panhandle and West Texas towns will tour the West Texas State College campus, be guests at a dinner and then attend the West Texas - Brigham Young football game.

Despite a severe frost, J. O. Lee, 220 Avenue H, brought in some peaches that weighed 13 1/2 ounces. His seven-year-old tree produced about eight bushels last year, but this year concentrated on size and not yield. He only got about 1 1/2 bushels, but thinks he might start a peach orchard in Hereford since they grow so well here.

All ex-students of West Texas State are urged to attend a (Continued on page 2)

And the Herd well remember its 1960 tilt with the Mules. Hereford had won two straight and looked forward to an easy victory over the Mules. But Muleshoe wasn't awed. It battled Hereford from start to finish and the dismayed Whitefaces had to come from behind to gain an 8-8 tie.

In two outings, the Mules have lost 6-12 to Clovis and 0-6 to Littlefield. The Mules have a big, tough line and a pair of outstanding backs. Their attack is balanced between ground and aerial attacks, with what could be an explosive mixture of the two.

Hereford will be trying for its fourth win of the season, after winning three by low scores. Tentative starters for Muleshoe include: Dixon Ray, 170, left end; Jerry Wright, 192, left tackle; Wayne Malone, 170, left guard; Bob White, 190, center;

Grand Jury In Meet Wednesday

The 69th District Grand Jury met Wednesday in the District Court room of the County Court House in Hereford.

This Grand Jury was picked in July, and will operate until January, when the Grand Jury Commission will select a new panel of jurors.

Members of the Grand Jury are D. C. Kinsey, Mrs. Carl Wimberley, Ray Suit, Charles Hoover, Mrs. H. C. Williams, Mary E. Fraser, Leroy Aven, Mark Woodall, Bill Waldrep, B. E. Roberson, C. Palmer Norton and William L. Bradley.

The Grand Jury Commission includes Robert Veigel, W. H. Andrews, Jack Higgins, Mrs. Clarence Morrison and Mrs. L. J. Straffus.

WT Quarterback Knows Football, And Proves It

West Texas State College quarterback John David Bryant knows his football. Coach Joe Kerbel has agreed with that since taking over at WT. And the Hereford Brand adds its stamp of approval this week by naming Bryant winner of the first week of its football contest.

Of the 83 entries, only Bryant picked 17 winners. This gave him first place money for the week and a narrow lead in the ten-week race for Cotton Bowl tickets.

Dale Blakney was awarded second place on the basis of his 16 picks and the closest guess on the tie-breakers. In third place with 16 was Jack McCracken of Bovina.

Prize money will be mailed to out-of-town winners. Hereford residents who win may collect their prize money by coming by the Brand office.

Nelson Shipman, 190, right guard; Jerry Howard, 190, right tackle; and Francis Creamer, 155, right end.

Backs probably will be Billy Gilbreath, 155, quarterback; Jerry Gilbreath, 145, left half; Jerry Splawn, 150, right half; and Garry Pierce, 145, fullback.

The Gilbreath boys are expected to be the most dangerous of the Muleshoe runners. Billy Gilbreath is an accurate passer, concentrating primarily on short yardage aeriels.

Using a split-T offense, the Mules run the ends frequently.

Coach Meredith said this week that he probably will have Freddie Martin working at one of the tackle spots in an effort to strengthen the interior line. Martin, a husky senior, had been expected to start as fullback but suffered a broken hand and hasn't gotten into a game yet.

Other minor shifts in the line also are planned by Meredith after reviewing film on last week's narrow Hereford victory over Dimmitt.

Generator Taken From Car In One Of 2 Burglaries

Two burglaries were investigated by Hereford police early this week. Tom Carroll, Friona, and Bill Hampton, Hereford, reported the offenses.

Carroll, an employee of Cooper's Market, said that the generator was stolen from his 1951 Duick while it was parked on the lot at the grocery store, sometime between 7 a.m. and 6 p.m. Monday.

Hampton's Humble Station was burglarized sometime between early Saturday morning and 9:30 a.m. Monday. Hampton reported Monday morning that five or six dollars was taken from a coin-operated soft drink machine at the station.

Stewart Johnson of the Hereford Police Department investigated both reports.

Federation Of Women's Clubs Sets Schedule

Mrs. Elmer Patterson, president of Deaf Smith County Federation of Women's Clubs, announced this week that there will be an important board meeting in the Flame Room of the Pioneer Natural Gas Building on Sept. 30 at 3 p.m. All board members are urged to attend.

Other meetings scheduled for the year are: Nov. 30: Regular luncheon meeting at 1 p.m. at the Community Center. Mrs. R. L. Wilson is chairman for the program on Texas Heritage and hostess clubs will be Lone Star Study Club, La Plata Study Club, Farm and Ranch, West Hereford Home Demonstration and Garden Beautiful.

Jan. 29: Board Meeting in the Flame Room at 3 p.m.

Jan. 30: Regular Luncheon at 1 p.m. at Community Center. Program on Conservation with Mrs. George Turrentine in charge. Hostess Clubs: Music Study Club, El Nino Study Club, Business and Professional Women's Club, Bud to Blossom Garden Club and North Hereford Home Demonstration Club.

April 22: 4:30 p.m. Board Meeting Flame Room.

April 30: Regular luncheon meeting at 1 p.m. at Community Center.

(Continued on page 2)

AT TRI-STATE FAIR

County Products Take 36 Ribbons

County products entries won 36 ribbons during competition at the Tri-State Fair in Amarillo according to county agent Lefty Thomas. There were 103 exhibits entered from Deaf Smith County.

Thomas said this was the largest number of ribbons the county had won in a number of years.

Included in the winners were nine first places, eight seconds, eight thirds and eleven fourths. Thomas expressed his thanks to those who brought in agricultural products for the county booth, particularly the 4-H Club leaders who assisted club members in locating and preparing exhibits.

A number of persons, he said, have expressed an interest in having a county-wide products show here immediately before the Tri-State Fair in order to get more and better entries.

Winners from Deaf Smith County include: Tommy Betzen, fourth, head grain; Joyce Bezner, fourth, hot peppers; Steve Hoffman, third, other varieties of peppers; Mrs. Bill Wimberley, first, pop corn;

Gary Royal, third, oats; Jim Shearhart, fourth, oats; Dick Plank, fourth, rye; Steve Hoffman, first, turnips; Mary Ann Hoffman, third, turnips; Jim Shearheart, second, barley; Dick Plank, third, barley; Donna Coker, first, carrots;

Dick Plank, second, carrots; Steve Hoffman, fourth, carrots; Julie Luscano, second, radishes; Tommy Betzen, first, red hybrid (Horizon) grain sorghum;

Field Tour Friday On Grain Sorghums, Grass Varieties

A special field tour will be held here Friday, Sept. 22, for all persons interested in grain sorghums, grass varieties and sweet sorghums.

The tour will leave the County Courthouse at 1:30 p.m. for an intensive three-hour look at two area farms.

First stop will be at the Lester English farm, located about nine miles northeast of Hereford.

There Dr. Kenneth Porter of the Bushland Experiment Station will have charge of a grain sorghum variety demonstration. On display will be some of the

better grain sorghums under irrigation.

Varieties will include sorghums from WAC Seed, Scott Seed, Miller Seed, Pfister, Agrow, Lindsey and DeKalb.

Dr. Porter will discuss grain sorghum varieties and production in the Panhandle area.

Refreshments will be served at the end of the stop under the direction of Jim Wiman for Gifford - Hill Western.

The caravan then will go west to the George Warner farm, four miles west of Sumnerfield. Tour members there will see

native grasses which are irrigated and grazed by cattle. The sweet sorghum experiment being carried on in cooperation with the U. S. Department of Agriculture's station at Beltsville, Md., will be a highlight of this stop.

Also slated for demonstration and viewing will be a number of cool season grasses.

The tour is scheduled to be finished by 4:30 p.m. County Agent Lefty Thomas said anyone interested in grain sorghum, grasses or sweet sorghum was invited to join the tour.

TAX OFFICES have been working overtime this month, trying to get statements out before Oct. 1. Mrs. Weldon Stephan finds that concentration is a must as she works in the county tax office. The county and school tax offices have been swamped with late work because of the property valuation program, but the city managed to get its statements finished on time. (Staff Photo)

AIRMEN Phillip A. Wolcott, left, and Marlin A. Wolcott, grandsons of Mrs. William H. Craig, 229 Avenue E, have completed their initial course of Air Force basic military training at Lackland AFB, Tex. Graduates of General H. H. Arnold High School in Wiesbaden, Germany, both airmen have been reassigned to Lowry AFB, Colo., where they will be entered in the weapons fusing systems specialist technical training course. (AF Photos)

H. D. CHATTER

County Program On Peace Garden Projects

BY ARGEN DRAPER
The club women of Deaf Smith County had a county-wide program Sept. 4 on International Peace Garden, which is located between North Dakota and Canada. Since the meeting Lorene Newman, asst. county librarian, found an article in Sunset, the magazine of western living, for May, 1960. This article is about an International Peace Garden in Salt Lake City. It says there are only three Peace Gardens in the world.

Something very interesting about this garden in Salt Lake City is a plot designated to several foreign countries and these plots contain plants from these countries. You might like to read this article.

Here is something of interest to all Texas gardeners. A new bulletin, "Greenhouses - For Texas Gardeners," has just been released by the Agricultural Extension Service of Texas A&M College.

The publication discusses such things as locations, size and

types, methods of construction, choice of materials and methods of heating. Also discussed are the important subjects of insect and disease control and the use of artificial light.

A special section of the bulletin on greenhouses gives a growing guide, which lists names of plants, planting dates and time of blooming. We will have these bulletins in the office in a few days.

For Small Amounts of Kraut

In making only a small quantity of sauerkraut, use sterilized quart glass-top jars. Pack into the jars, sprinkling salt over it as the jar is being filled. Use a wooden spoon for the packing. Use two level teaspoonsful of salt to each quart of cabbage with a pad of boiled cheesecloth and insert two wooden strips endwise so that they catch under the neck of the jar and hold the cabbage under the brine. Place lid on jar loosely. Do not use metal lids or zinc caps.

Set jars in an enamel flat pan to catch the juice which may overflow. Try to keep at an even temperature between 55 degrees F. to 70 degrees F. If scum forms, remove the cheesecloth and replace with a freshly boiled one. If the brine level goes below the top of the packed material, add new 2 1/2 percent brine (2 tablespoons salt to 1 quart water) promptly. Otherwise the exposed material may spoil.

When bubbles of gas no longer appear (one to two weeks depending on temperature) remove the cheesecloth and wooden strips. Add enough boiling brine to fill the jars to within 1/2 inch of the top. Press the kraut down firmly with a spoon to release any trapped gas bubbles. Wipe the tops of the jars dry and adjust lids according to the types of jars used. Be sure that the gas bubbles have stopped before you seal the jars or the jars may explode.

Process quart jars in a simmering water bath (185 degrees F.) for 20 minutes. Cool jars rapidly by plunging the filled hot jars into a large container of lukewarm water (120 degrees F.) Place this container under a faucet and let cold water run continuously and slowly into the container until the product in the jar is cold. Cold flowing water must not strike the jars. If a cool, dark, and well-ventilated storage space is available and the kraut is held only a short time, processing is not imperative. Instead, the jars of kraut may be filled to overflowing with additional brine to exclude air, sealed and stored temporarily.

meeting of the Ex-Students Association on the campus at 3 p.m. Sunday, Sept. 24.

An organizational meeting of mothers of Blue Birds and mothers of second grade girls interested in joining Blue will be at 9:30 a.m. Monday, Sept. 25, at the Community Center. Mothers of third and fourth grade girls wishing to join an established group also are urged to attend. Then, all girls interested in joining Camp Fire group are asked to meet at the Community Center on Monday, Sept. 25, at 4 p.m.

We'll be disappointed if old Whiteface Field isn't bulging at the seams Friday night when the Herd takes on Muleshoe. These two clubs really scrapped last year and the 1961 battle shouldn't be any different. The Whitefaces have a good record so far and your support can make a lot of difference in how they play.

Hereford's B team will be in Borger Thursday night for its weekly outing. The Bulls pups should be at least a match for the young Whitefaces.

If course, if you don't have enough football by Saturday, just trot over to Canyon and watch the Bulls in their opener against Brigham Young. Joe Kerbel recruited a lot of fine junior college players to shore up his squad and reports indicate that he will have a scrappy, exciting ball club to watch. Hereford's John David Bryant is expected to be used mainly on defense, but can step in as offensive quarterback if necessary.

Football fill the air. And some go to the fair. While others just stay home and learn. That three queens beat a pair!

CARD OF THANKS

We want to offer our thanks to those who extended so many kindnesses to us during our recent sorrow. We appreciate what Dr. Willis did, and the nice food sent in and the many other tokens of sympathy. The relatives of Mrs. Kate Caldwell

The Guildford Cathedral, begun in 1936, is the first Anglican cathedral to be built on a new site in the Surrey area of England since the Middle Ages.

Funeral Pending For Mr. Weigl

Funeral arrangements are pending at Gilliland Funeral Home for Michael Weigl, 81, McAllister, N. M., farmer and native of Austria - Hungary, who died at 2:30 p.m. Wednesday in Deaf Smith County Hospital in Hereford after an extended illness. Burial is tentatively set at Tucumcari N. M. cemetery.

Mr. Weigl was born Sept. 28, 1890, and came to the United States when he was 16. He homesteaded at McAllister in 1907, and was married to Miss Nellie Muller Aug. 31, 1918, at Tucumcari.

Survivors include his wife, of the home; three sons, George and Robert, both of McAllister, and Michael of Gallup, N. M.; five daughters, Mrs. Gertrude Davis of Gallup, Mrs. Elizabeth Sturm of Broken Arrow, Okla., Mrs. Marie Cline of Hereford, Mrs. Magdalena Slape of El Paso, and Mrs. Katherine Sturm of Benton, Ark.; one sister, Mrs. Elizabeth Walsh of El Reno, Okla.; and 13 grandchildren.

Lester Kelly, Former Resident, Succumbs Tuesday

Lester Orville Kelly, formerly of Hereford, died at his home in Spring Lake, at 3:15 p.m. Tuesday, apparently of a heart attack.

He was born June 16, 1914, in Sweetwater, Okla., and moved to Spring Lake in 1933 from Hereford. He also had lived in Bovina.

Survivors are his wife, Leta; two daughters, Beverly and Billie Kaye, all of the home; a brother, Lonnie Kelly of Bovina; four sisters, Mrs. Odie White of Bovina, Mrs. C. E. Gatlin of Meridian, Mrs. R. W. Smith of Healdsburg, Cal., and Mrs. E. A. Males of Calelo, Cal.

Funeral arrangements will be under the direction of the Parsons Funeral Home at Otton.

COOKING 'IN BUNCHES' is the best way, particularly during the football season, at the Cuby Kitchens household. Bobbie Kitchens has learned that players, neighbors, and friends often drop by unexpectedly. But most important, of course, are the appetites of Karen, Kelly and Keith, who thrive on their mother's cooking. (Staff Photo)

LET'S COOK SOMETHING!

Coach's Wife Learns To Cook 'In Bunches'

Mrs. Cuby (Bobbie) Kitchens has learned that the best way to cook for her coach husband and three active children is "in bunches." It seems that "some of the boys" or "some of the neighbors" are forever dropping in and it pays to have something in the larder. One of Mrs. Kitchens' favorites is this recipe for

BROWNIES

2 cups sugar
4 eggs
1 cup flour
1/2 tsp. salt
1 tsp. vanilla
1/2 lb. butter
1 cup pecans
Cream sugar and eggs. Add flour, salt, vanilla and pecans. Melt butter and add last. Bake at 250 degrees for approximately 1 hour.
If you're expecting "unexpected" company, try this **Chicken Creme Pie**—Boil a 3 to 4 lb. large broiler or hen until tender.

Cook in a small amount of fat, 1 large onion and 1 3-ounce can green chili peppers. Cook until onions are done but not brown. Add 2 cups tomato juice. Melt 2 cups cheese in 2 cups coffee-cream.

Quarter 18 tortillas and fry to make tostados. Cool the tomato and cheese mixture and mix together with the onions and chili peppers. Cut chicken in small pieces; put layers of tostados, chicken and cheese filling in large casserole and bake until hot clear through. Serve hot.

Avacado Sajad
2 pkgs. lime jello
2 cups hot water
2 avocados (mashed)
1 large and 1 small pkg. cream cheese

American taxpayer. Barber says.

2 cups celery
1 small can pimiento
1 green pepper
1 onion
1 cup salad dressing
salt and pepper to taste
Dissolve lime jello in hot water and let thicken. Add other ingredients and congeal. Serve on lettuce leaves with salad dressing.

From Behind The Lockers

By Whiteface Staff

As we try to bring you life behind the lockers at H. H. S., we would like to say that this is presented primarily for humor and entertainment and no malice is intended.

How many pages was the theme you wrote on stealing cookies, Mr. Hart's home room students?

Joyce West: Where were you on the morning of Monday, September 11?

Jerry Curtisinger seems to be helping Mrs. Williams, the English IV teacher, quite a lot lately.

We would suggest Bill Steele not snore so loudly in his book-keeping class.

The loud noises in assembly, September 11, didn't seem to bother Mickey Stevens and Fred Martin's naps at all.

Carol — Better watch what you say on the telephone. Remember the party line!

Who were the two good looking football boys who kept late hours Friday night after the Canyon game? Did you have a hard time staying awake in Tulla?

Coach Todd enjoys making early entrances in pep rally.

Mickey — What was the matter when you frightened the coaches after the Canyon game?

on lettuce leaves with salad dressing.

Pound Cake

1 3/4 cups sugar
5 eggs
2 sticks oleo
2 cups flour
2 tbsps. lemon extract
Mix all ingredients thoroughly and bake for 45 minutes in medium oven.

New Duchess Spice Cake

Bake in 2 9" layer pans or 1 13 x 9 oblong pan.
Sift together:
1 cup sugar
1 tsp. soda
1 1/2 tsp. cinnamon
3/4 tsp. nutmeg
3/4 tsp. cloves
1 tsp. salt
Add:

1 cup brown sugar
2/3 cup soft shortening
1 cup buttermilk
Beat 2 minutes, then add 3 eggs. Pour into prepared pans, bake until cake tests done. Cool. Finish with White Butter Frosting. Should be baked in moderate oven — 350 degrees. Bake layers 30 to 35 minutes; bake in oblong pan, 45 minutes.

Audni — Are you always finding your lost shoes in windows? Ask Jimmy.

Eldon Howell — What were you doing out at 4 Sunday morning?

Joe Mack — What's this about you hiding behind Joe Shultz? It's a mystery to us how Sandra Wester lost her shoes on top of the school.

Mack — What's so interesting about Ideal Boy?

Joyce and Jan seem to have a hard time trying not to rip their pants at cheerleading practice.

Inquire at Joy Story's house for any lost objects!
BEAT MULESHOE!

Peanut Butter Cake
Sift together:
2 1/2 cups flour
1 1/2 cups sugar
3 tsp. baking powder
1 tsp. salt
Add:
1/3 cup soft shortening
1/3 cup peanut butter
1 cup milk
Beat 2 minutes; add 2 eggs and beat 2 minutes longer. Bake, cool and ice.

Mock Duck

Use 5 lb. shoulder of lamb from forequarter, with foreleg on. Cut off 4" neck knee to form head and neck of duck. Have shoulder boned and sew it in shape of body of duck, leaving hollow for stuffing. The

foreleg should stand up to give effect of neck and head. Split leg bone 1" to form mouth. Use bits of bone for eyes. Remove a few stitches and fill hollow with stuffing. Re-sew. Rub with fat. Roast. Serve hot surrounded with small molds of mint or cranberry jelly on orange slices.

Pot-Roast

Roll a 4 to 5 lb. beef chuck in seasoned flour. Brown in hot fat. Then spread with 8 to 10 small onions 8 to 10 medium carrots 8 to 10 celery stalks 8 to 10 peeled potatoes 1/2 tsp. salt
Remove meat and vegetables to hot platter. Thicken juice for gravy. Serve hot.

IDEAL GIRL

Wolf On The Prowl

By Whiteface Staff

"Joy Story's hair is always in place," said wolf Joe Shultz. He was walking through the woods one Sunday afternoon and along came one of the most pigeon-toed girls, Kay Semands, he'd ever seen. Following her, Dianne Robinson came with pointed elbows. The wolf was so petrified that he just stood there staring.

After these girls had passed he heard the biggest noise ever, of course it was Joyce Ann Johnson. She and Jenny Holt,

who is provoking, were discussing how absent-minded Suzanne Langley is.

While the wolf was trying to believe all he saw and heard, along came a beautiful girl, Joyce West. After getting over that shock he started walking and came upon another cute girl, Judy Fowlkes, who was crying. He stopped to find out what she was crying about, and found out that Jerre Noland was very stubborn. After he got her to stop crying he started walking again.

While strolling along he came upon a friendly person, Jan Reese, and they started discussing how bashful Bonnie Sparkman is. While they were talking Sammie Tisdale came up with the best tale to be heard. Then along came the best dressed girl, Janet Patterson, with

the most ambitious one, Patti Skypala.

All of a sudden, out of nowhere, an acrobat, Toni Parker, came out turning cartwheels. Sharon Hill, who is old-fashioned, was scolding her for not being ladylike. The adolescent, Nancy Edwards, thought this was quite humorous.

The wolf couldn't take any more of this so he started to leave. As he was leaving who should he meet? None other than the flirtiest girl in the woods, Royce Ann Gilliland. At this he took off at a run and ran right into Kay Lemons, who has nice manners. In all the woods the best personality is Jerre Noland the wolf decided.

"Next Sunday I'm staying home where I won't meet any of these girls," the wolf announced.

BEAT MULESHOE!

TAX SAVING HONOLULU — The mirror-like shine on the aluminum skins of the big Military Air Transport Service planes flying out of Hawaii is for go, not show — and it saves tax dollars.

Lt. Col. William E. Barber Jr., maintenance chief of the 1502nd Air Transport Wing at Hickam Air Force Base here, says wax polishing the planes makes them fly faster and saves fuel.

Barber says a highly glossed C118 (military version of the DC6) makes the round trip between Hickam and Japan an hour faster than a similar aircraft without the shine.

"That one hour saves 370 gallons of high-test, expensive aviation fuel," he says. The waxing reduces drag, or air resistance, on fuselage surfaces.

Reckoned in dollars, the 7,400 gallons of fuel saved on 20 trips means a saving of \$1,369 to the

SAMMY LESLY of Hereford was sworn in recently after enlisting in the United States Army. After basic training at Camp Carson, Colo., Lesly will enter paratroop training at Fort Benning, Ga. Swearing in was conducted by lieutenant Wright at the Amarillo recruiting center. (U. S. Army Photo)

Scouts Start Work On Badge In Railroading

Wayne Lawrence, Scout Master of Troop 50 in Hereford, along with six boys from Troop 50, will attend a Railroad Merit Badge course for Scouts Sept. 21, Sept. 28, and Oct. 5.

Those boys attending from Troop 50 are Mike Harvey, Tyler Thompson, Bruce Miller, Charles Barnard, Robert Higgins and Dan Taylor.

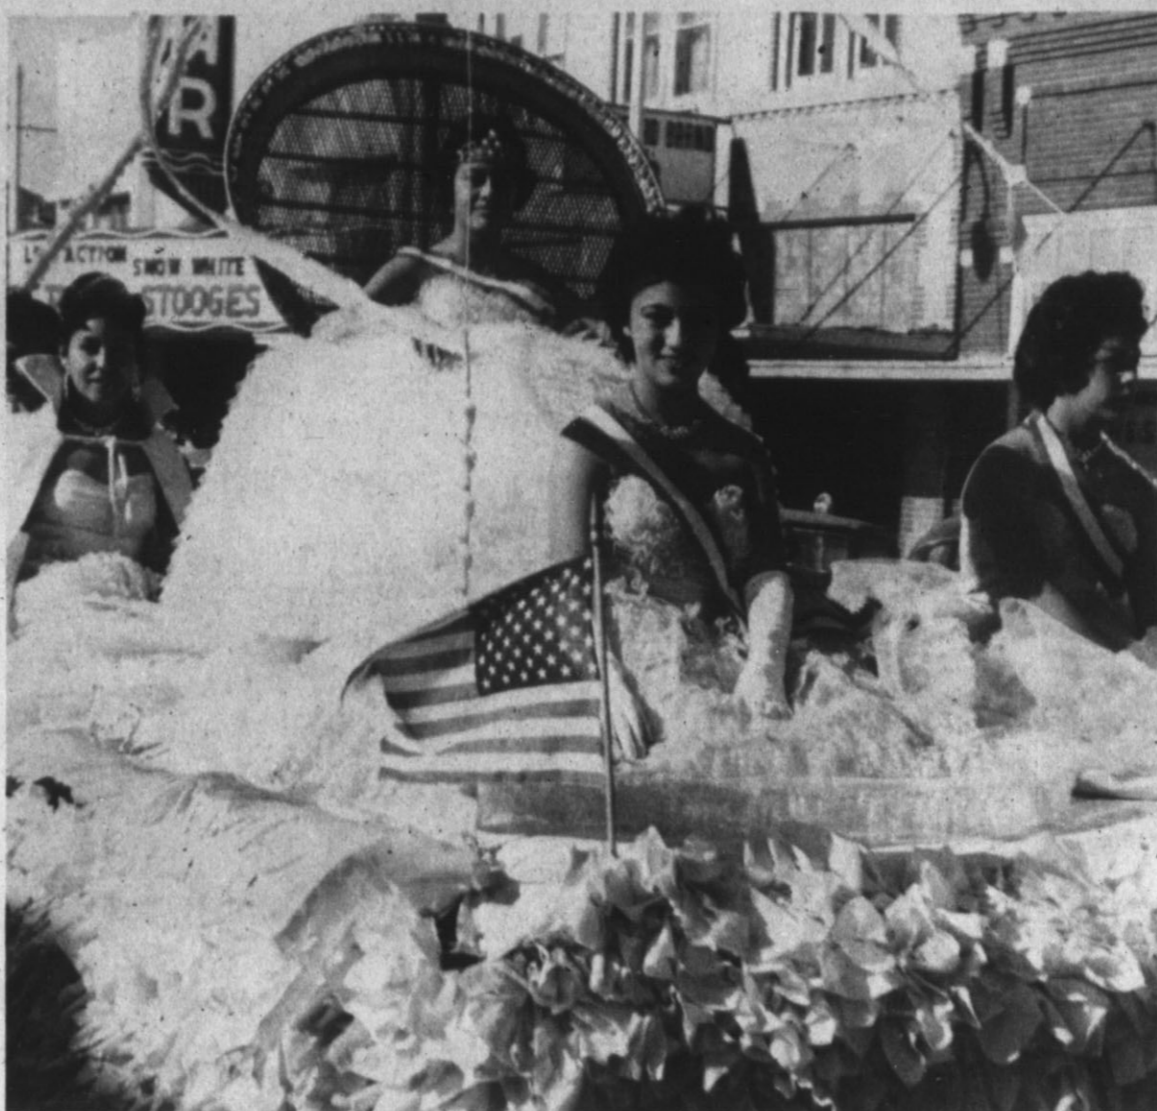

The Railroad Merit Badge Course is in cooperation with the Llano Estacado Council, Boy Scouts of America, and the Santa Fe Railway.

Some 20 Scouts and their leaders from the Panhandle are enrolled, including troops from Borger, Canyon, Dumas and Hereford.

The three two-hour sessions will be held in Amarillo in the auditorium of the Santa Fe general office building. Eighteen Santa Fe officials and technical staff will comprise the faculty and act as counselors for the scouts.

The course will deal with requirements for the Railroad Merit Badge, using slides, films, actual railroad equipment, component parts and the Santa Fe men's vast store of railroad knowledge.

On Oct. 7 there will be a field trip to Clovis, N. M. and return from Amarillo for those Scouts who wish to go. While at Clovis, the Scouts will be given a sack lunch and a tour of Clovis Santa Fe facilities, including shops, motive power, rolling stock, and traffic control system dispatching machines. This merit badge course marks only the second time this type of thing has been done for the Railroad Merit Badge. The Santa Fe conducted the first last year at Topeka, Kan. This will be a "first" for the troops comprising the Llano Estacado Council.

ADDING COLOR to the Mexican Independence Day Parade here Saturday, Sept. 16, are from left to right, Mary Marquine, Carola Martinez, Stella Maldonado and Paula DeLeon. (Staff Photo)

Seventh Grade Ties Canyon In 8-8 Thriller

After winning their season opener, the Stanton seventh grade Dogies tied Canyon 8-8 at Canyon Tuesday night. Stanton will take on Dalhart in their third game of the season here Saturday at 10 a.m.

With the Dogies making a first and goal on the one-yard line in the last play of the game, time ran out before Stanton could score to break the 8-8 tie.

Both teams' scores came in the first quarter. The remainder of the game turned out to be a defensive battle, with Stanton mounting a drive in the last few minutes which led them to the one before time ran out.

Breaking the ice in the first quarter, Dogie quarterback Jimmie Allison threw a pass which advanced Stanton 22 yards to the three yard stripe before end Gary Story was upended.

Allison drove through the middle for the payoff play, putting Stanton ahead. His try for two extra also succeeded as Hereford scored their last time with only a few minutes elapsed in the game.

Canyon soon tied it up. Canyon fielded a squad which out-sized Stanton, but the Dogies came through to tie and almost win their second game this year.

Late in the fourth quarter, the offensive efforts of Stanton became airborne. Completing three straight passes for three firsts, quarterback Allison advanced Stanton near a payoff before the clock ended the drive.

Allison fired one to fullback Billy Watts, who moved 40 yards downfield for a Dogie first-and-ten. On the next play, Allison connected again, this time to left end Larry Noland who racked up 20 more.

Again succeeding with an aerial to Watts, Stanton moved to the yard line for the third straight first in as many plays. The

Walcott PTO Gets Started On Work For 1961-62 Year

BY MRS. S. N. THWEATT

Walcott P. T. O. met Friday, Sept. 14, at 8 p.m. in the Walcott School Auditorium for its first meeting of the 1961-62 school term, under the direction of its new officers: Mrs. Jim Monroe, president; Mrs. Bruce Coleman, vice president; and Mrs. Melvin Henderson, secretary.

The meeting was called to order by the president, Mrs. Monroe, and minutes of the May 19 meeting were read by Mrs. J. V. Perrin, in absence of secretary, Mrs. Henderson.

The treasurer, Mrs. Lela n d Burns, gave the financial report of \$698.62 balance for the beginning of the year. Members of the finance committee are Mrs. Leland Burns, Mrs. Earnest Brown and Mrs. Waldron Melton.

The yearbook committee is Mrs. Harold Bass and Mrs. Bill White.

Mrs. Buel Monroe is kitchen chairman, and any one having a yearbook, will notice that each program includes who is to work in the kitchen.

Mr. and Mrs. DeShazo, the cook and bookkeeper were introduced and welcomed by the president.

Mrs. T. L. Collins resigned as a reporter and Mrs. S. N. Thweatt was elected to take her place.

Thomas Collins announced that the Hereford schools would close Monday for the Tri-State Fair. But Walcott would let any child wishing to attend the fair another day be excused from school that day.

Mrs. Glenn Burrus stated that Mrs. Sam Long of Hereford would come to Walcott and teach piano lessons, provided she had four or five students. Any one interested could contact Mrs. Long at EM 4-0381.

Reports were that the dishwasher had been installed and was in use. The P. T. O. agreed to pay \$600 on the washer.

A motion was made and carried that there would not be any Halloween Carnival. There will be a box supper Oct. 20, which is the next P. T. O. meeting. It will be in the form of

a Halloween Party, and everyone will wear costumes, or pay a penalty. The box supper will be a full meal inside the box, and everyone is invited to come and bring a box and a friend.

The program chairman, Mrs. Bruce Coleman, introduced the co-chairman of Civil Defense, County Judge Don Zimmerman of Hereford, who gave the following program, "Life Insurance Against National Disaster 'Do It Yourself.'" He said that a 16 x 200 foot concrete shelter with a six-inch thick top would cost \$9,500. This would be without any furnishings. He also stated that anyone would have to remain underground for as long as two weeks to be out of danger, after the bomb had exploded. Being in a basement, a person would have 90 per cent protection. The Hereford area would be in the path of radiation from either Clovis or Amarillo.

Zimmerman told of Red Cross and First aid training, and said that if the people of the Community wanted the training, he would arrange for an instructor to come and give the training. The talk was ended by Zimmerman saying, "What are we going to do about it?"

Readers, you notice the heading of this column has been changed. The letters, "G. W. M. B. L." are Garcia, Walcott, Messenger, and Boot Leg, since your reporter has all four communities. Hoping no one will be confused.

Bruce Collins returned Monday for his college work in Ft. Collins, Colo.

Mr. and Mrs. S. N. Thweatt made a business trip to San Jon, N. M., Sunday afternoon.

Mrs. Bill White has been on the ill list the past week, having the flu. She is showing improvement.

Nancy Burns spent Friday night with Linda Merrill.

Mr. and Mrs. S. N. Thweatt and Carl Hagan attended the Maize Days in Friona Friday. Mrs. Thweatt visited with Mrs. Busby, mother of Mrs. Bruce Coleman.

Mrs. Elton Sorrells, Linda, Debbie and David, visited Mrs. H. D. Buse Thursday after school.

Mrs. Alta Wylly of Friona attended the Walcott P. T. O. Friday. She was visiting her son Elton and family.

Mr. and Mrs. Herschel Burrus and family have moved into Hereford, but they were out at Walcott Friday evening for P. T. O.

Guests in the N. A. Brown home Sunday were, Mr. and Mrs. Ray Potts and daughter Betty, and W. L. Potts, all of Rosedale, N. M.

Mr. and Mrs. T. J. Broxton and family of White Deer, Mr. and Mrs. J. V. Mulhair of Clovis, and Mr. and Mrs. S. B. Pullia of Portales, N. M., were all guests of Mr. and Mrs. Earnest Brown Sunday.

Mr. and Mrs. J. A. Madole of Clovis, visited Mr. and Mrs. N. A. Brown last Wednesday.

TELEPHONE TALK

by Gene Adkisson, Manager

TELEPHONE SERVICE NEAR NORMAL AFTER HURRICANE CARLA STRIKES

Hurricane Carla has come and gone; and I know we were all glad to see her go. Even though we were not directly affected here in Hereford, I'd like to tell you a little of what she did to telephone service on the Gulf Coast and what Southwestern Bell did about it. It's an interesting and dramatic story.

As Carla faded northward after her terrible blow at the Gulf Coast, she left behind:

- damage totalling \$6 1/2 million to telephone facilities
- 144,000 telephones knocked out along a 500-mile stretch of coastal front and inland points
- miles of telephone lines and poles flattened in a twisted maze of wire and splintered wood
- 15 Southwestern Bell exchanges completely isolated, including Freeport, Bay City, and El Campo, along with 28 other communities.

Telephone people were ready for the emergency. Before the winds and rains had subsided, Southwestern Bell had men and equipment rolling to the disaster area to restore crippled telephone service.

An army of 5,400 telephone men from many cities and states was hastily assembled in the Galveston-Corpus Christi-Victoria area. More than 900 came from points in North Texas, Oklahoma, Arkansas, Kansas and Missouri.

EQUIPMENT FLOWN IN

At the same time, the company flew emergency generating equipment for electric power into the storm area from many places in our five-state territory. From other cities in North Texas, special mobile radio trucks converged on the stricken area to help bridge the gap left by the silenced telephones, relay emergency messages, and maintain contact with the "outside world."

These joined forces with the men, trucks, and other emergency equipment which Southwestern Bell already had sent into the area as a precautionary measure when hurricane warnings were first issued.

OPERATORS FROM WEST TEXAS

While repair crews began the work of restoration, 150 telephone operators from Lubbock, Amarillo, Abilene and other West Texas points were sent to Houston and other storm-hit cities to help handle the tremendous volume of long distance calls . . . many of them vital messages from police, public health, civil defense, and other agencies.

With skill, determination, and co-ordinated teamwork, Southwestern Bell people worked 'round the clock until all circuits were restored and all telephones back in service (where the condition of homes and businesses permitted). Telephone service in the disaster area is now back to normal. It was a tremendous job, carried out under trying conditions at top speed.

When Hurricane Carla struck, telephone people "came through" 100 per cent in the emergency. Southwestern Bell's "telephone team" of men and women again demonstrated their ability to meet the challenge of the storm in the highest traditions of "The Spirit of Service."

Call by number. It's twice as fast.

Ninth Graders Play Dalhart

Coach Alex Glass stated Tuesday that the ninth grade Stanton Dogies were in good shape for the game which will be played at Dalhart Thursday afternoon.

After trying their season opener and losing to Dimmitt, the freshmen have had a good week of workouts, and are ready to play football for the first time this year, according to the Dogie coach.

With a late start in practices, and a relatively inexperienced squad, the Dogies had trouble getting on their feet in the first two games.

"This week we're ready to win one," stated coach Glass. The freshmen will go to Canyon Sept. 28, and will not play at home until Oct. 10, when Stanton will take on Levelland in their second conference game.

Look Who's New

Mr. and Mrs. Rubin Rodriguez are the parents of a girl born September 17 at 1:57 a.m. She weighed 7 pounds, 12 1/2 ounces.

Mr. and Mrs. Johnnie Camarillo are the parents of a boy born September 20 at 5:45 a.m. He weighed 6 pounds, 1 1/2 ounces.

SPOON COLLECTION

MORRISTOWN, N. J. — James A. Crotty has collected over 1,000 spoons in the last 14 years, each with a history.

One commemorates the coronation of William and Mary in England in 1689, another is a rare French spoon made in 1412, the year Joan of Arc was born, and a third was made in Arabia in 1313.

Asked which is his favorite spoon, Crotty replied: "That is easy — the one I eat with."

There are 31 known planetary satellites in the solar system, including the earth's moon.

FOR SECOND WIN

Eighth Graders Defeat Canyon

Sparked by a well-coordinated defense, the Stanton eighth graders defeated Canyon 14-6 at Canyon Tuesday night. After downing Dimmitt 22-6 in the season opener last week, the Dogies won their second game of the season Tuesday.

Looking for their third straight win, the Dogies will host Dalhart here Saturday at 10 a.m. at Whiteface field. After winning the Golden Sprocket Conference title last season as seventh graders, the Dogies are beginning what has the makings of an even more successful season, according

to eighth grade coach Jerry Don George.

With Canyon sporting an oversized and heavier squad, the Dogies put on a defensive stand that awed the big Canyon backfield. Led by left end Mike Moore, Stanton defense teamed up to stop and set the Canyon offensive drives back on their ears.

Canyon dealt the Dogies their only defeat last year with virtually the same team. Stanton lost to the big Eagles 32-0 in their only defeat. Boasting a well-balanced line with a speedy backfield, Stanton's Dogies

seem ready for another championship season.

A whole host of anxious Dogies grabbed a midfield Canyon fumble Tuesday night, to set up the Dogies' first score in the first quarter. Moving the ball into Eagle territory on short gainers, Stanton's score came on a pass from quarterback Robbie Owens to ace end Mike Moore.

Moore hauled in the aerial, and scampered the remaining 22 yards to paydirt. Right half Robbie Lemons carried around end for the two extra to put Stanton ahead 8-0 early in the first quarter.

After trading hands twice, the pigskin found itself being tossed from Owens to Moore again in the second quarter. This time Moore covered 55 yards of Eagle-cluttered gridiron to set the Dogie score up six notches again. The try for two extra failed, but the Dogies led 14-0 at the half.

Dogie defensive forces for-

med an unbreakable barrier to Canyon efforts again in the third quarter as fans saw eight minutes of scoreless gridiron antics. Canyon's lonely score came on a 20-yard pass play with three minutes remaining in the game.

Coach George was very well pleased with the entire squad following the Canyon tilt. With the defensive line working smoothly together as a team, Mike Moore and Jimmy Gutierrez sparked their efforts.

Guards Gene Drummond and Estacio Casarez received their share of praise from the Dogie coach also. At tackles were Randy Tooley and Gutierrez. Doing an outstanding job in his first football game, Walter Williams held down the defensive center slot.

Jack Ferguson and standout Mike Moore occupied the end positions for Stanton.

Stanton will play at home Saturday morning, and will then take off until Oct. 3, when the

HAWAII UNDERSOLD

HONOLULU (AP) — Hawaii, one of the world's largest producers of pineapple, is being undersold at home by pineapple from Formosa.

A No. 2 can of sliced Formosan smooth cayenne pineapple, the same variety that grows in Hawaii, sells in local stores for 23 cents. The same size can of Hawaiian pineapple sells for 37 cents.

The Pine Review, publication of the pineapple companies of Hawaii, said Formosan farm and cannery workers get 30 cents a day, compared with \$12 a day plus fringe benefits for Hawaiian plantation workers.

The publication said Formosan cannery workers operate Australian-made slicers bought with U. S. foreign aid dollars. Formosa ships pineapple to

the east coast of the United States for \$28 a ton while Hawaii must pay \$34.16 a ton to the same destination, it said.

For shipments to Europe, Formosa pays \$25 a ton, Hawaii pays \$35, the publication said.

PARKING WOES

DES MOINES, Iowa (AP) — A vacant parking space on a downtown street isn't exactly the proper place to take a nap, even if the time is paid for. That is the view of Patrolman Tony Mihalovich. And he made it stick.

A man put his time in the meter, spread out some newspapers and had just settled down for 60 winks when Tony came along. Tony lifted the hat from the man's head, and inquired about his well-being. The man said he was just fine—only tired.

Daniel Stresses Safety At Schools

Governor Price Daniel said recently he had appealed to the superintendents and principals of all Texas public schools to stress traffic safety in as many classes as possible during the fourth annual Texas School Traffic Safety Week, Sept. 18-22, 1961.

"Again in 1960," the Governor pointed out, "520 young Texans in this age group died in Texas traffic, nearly 24 per cent of the state's total traffic toll. These were among the brightest and most vital of all Texas citizens. Now they are lost to their families and their state and their nation."

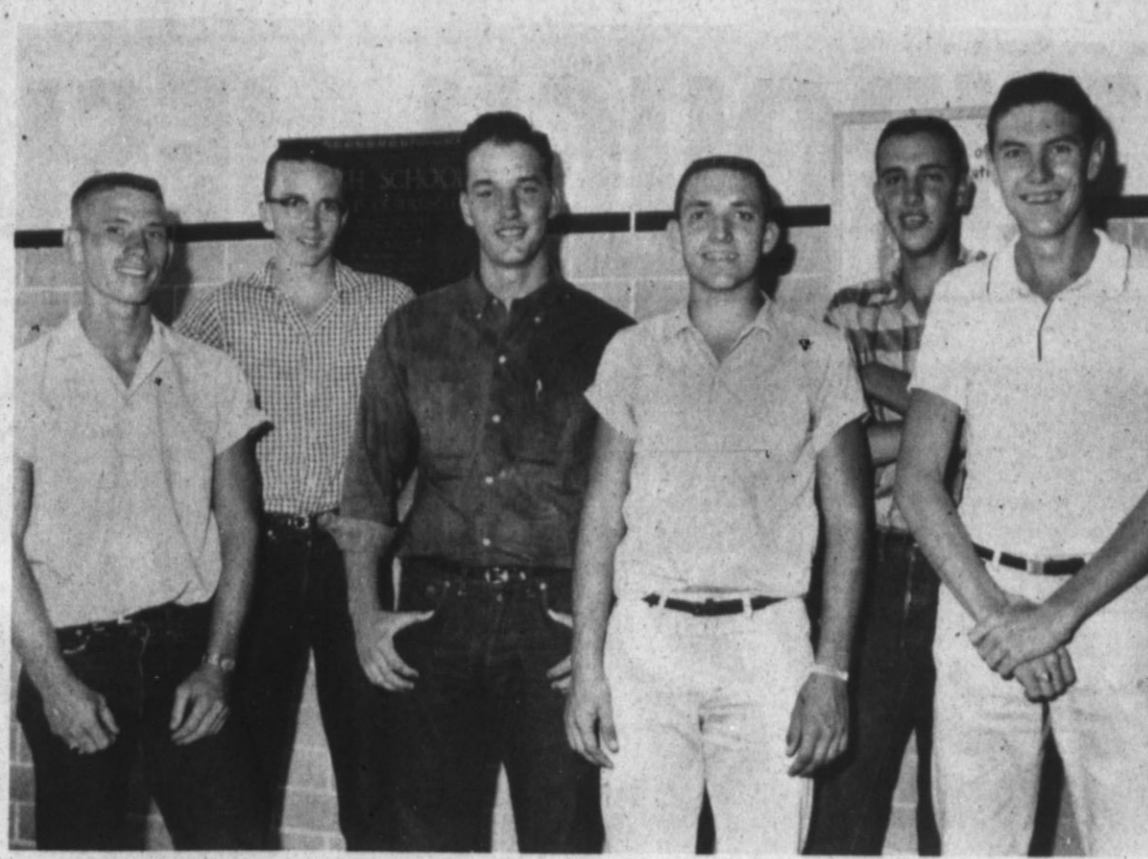

"Of these, 410 were boys, and 110 were girls, and 248 of the boys were drivers." This high death rate on the part of boy drivers is, of course, the reason for the unusually high insurance rates on this group of drivers.

Another 140 boys were passengers who died in car crashes. To avoid this loss of males, some girls suggest that the girls drive on dates.

They give as their reason that too many boys drive with only one hand. They further explain that a girl would drive with both hands on the wheel. Other suggestions were to take driver education courses in school and to "stay home" on major holidays.

Safety around Hereford High School has been helped by the well-organized parking lots, and the way the student body helps in observing these rules. Principal L. B. Russell says, "If the students continue like they have been doing everything will be fine."

Mr. Bob Wilson, head of local (Continued on page 8)

Hi-Y OFFICERS for the coming year are, left to right: Dickey Bob Mason, sergeant-at-arms; Larry Hair, treasurer; Bill Miller, chaplain; Joe Shultz, vice-president; Charles Mims, secretary; and Walker Parris, president. There are 17 members in Hi-Y this year. Lul plans are to increase the membership to 30. Mr. Harvey Penner is Hi-Y sponsor.

Hi-Y Club Begins New Year With Plans To Enlarge Soon

Hi-Y is a voluntary club program for boys in the 10, 11, and 12 grades of high schools. It is sponsored by the Y. M. C. A. and its name is a combination of the term, "high school YMCA." The Hi-Y movement is international in scope, Christian in emphasis, international in character, and democratic in practice.

The Hi-Y statement of purpose is, "To create, maintain, and extend throughout school and community high standards of Christian character. The four goals of Hi-Y are clean speech, clean sportsmanship, clean living, and clean scholarship."

The Hi-Y club welcomes into its membership any student who accepts its purpose and is willing to work with others in carrying it out. It encourages members to band together in a definite cause calling for high scholarship, physical health, moral worth and unselfish service. It does not ask: "What church do

you attend? What is your nationality? or What is the color of your skin?" Neither does it limit its membership to those who are in the "B" or above scholastic grouping.

As early as 1876, the Young Men's Christian Association sponsored a program for boys in the high school at Ann Arbor, Mich. In 1885 under the direction of D. F. Shirk of Chapman, Kan., the first high school YMCA that has had a continu-

ous history was formed. Its purpose was "the religious, social and physical development of young men." The name Hi-Y was begun in Massachusetts. It was then used in Ohio and gradually became the accepted terminology throughout the country.

By 1913 the Hi-Y movement was so widespread that further steps were taken to unify and strengthen its outreach. In 1922 (Continued on page 8)

Party Planned For All Teens

Looking for something new to do?

Then come on over to the big party after the ball game here Friday night.

All junior high and high school students are invited to attend the party immediately following the football game Friday night at the Avenue Baptist Church.

Games and skits will be presented. It doesn't cost a thing, so be there! Refreshments will be served.

Everybody is welcome. There will be lots of stags, too, so come on to the party, gang!

Senior Personality

"I enjoy reading Biblical fiction," says Judi Price. "Reading is always interesting and you get new ideas from books." Judi is the 17-year-old daughter of Mr. and Mrs. LeRoy Price, 100 Beach.

If you've ever been around Judi you know that "smart-alecks" are her pet peeves. She likes people with a bright personality and who are interesting enough to carry on an intelligent conversation.

At school Judi is in the mixed choir. She is also secretary of her homeroom.

At college she is going to major in Literature or English. Judi would like to teach these subjects in high school since they are her favorites.

"Underclassmen, study hard, but not so hard that you can't have fun in H. H. S.," says Judi. She really likes the school and is going to miss it, she says.

Hereford High School welcomes Sandra Campbell back to Hereford after she has spent the last three years living in Alamosa, Colo. While in Alamosa, Sandra received many hon-

Sandra Campbell

ors in high school. Sandie is the 17-year-old daughter of Mr. and Mrs. Martin Campbell. After graduating this year, she plans to attend college at Lubbock Christian or West Texas State in Canyon.

Her ambition is to attend airline hostess school and later become an airline hostess, provided Cuba stops hi-jacking airliners first.

She is a member of the Big Domino Band this year. She enjoys band because she loves music so much. She comes from a musical family.

Sandra is in Distributive Education and works at a local dry-goods store as a bookkeeper.

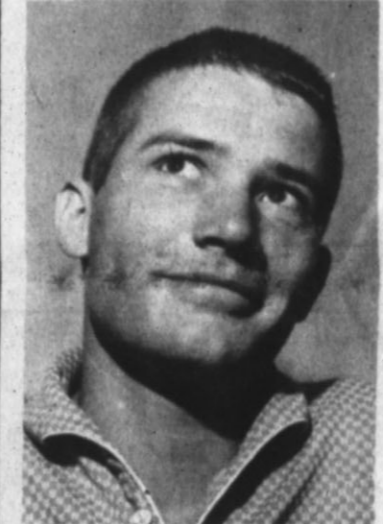

"I have never been so embarrassed as I was when I tore my slim-jims on a band trip," admits Sandra.

"Work hard now so you will have more time for your senior year," Sandra advises underclassmen.

BEAT MULESHOE!

Senior Personality

A familiar face around school this year is that of Stan Kropff. He is the 19-year-old son

Stan Kropff

of Mr. and Mrs. Carl Kropff. He was born June 9, 1942, in Hereford. He stands six feet tall and is known by everyone.

Stan is a sports enthusiast. He enjoys watching football, basketball and baseball; but gets his exercise on a tennis court.

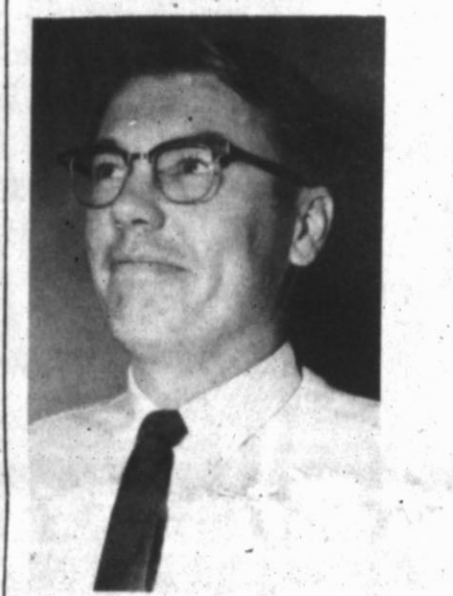

During summer months Stan spends his time working at Kropff Implement in Canyon, an establishment owned by his father. In his spare time Stan enjoys several hobbies. His favorite is most unusual: killing bumble bees with a badminton racket. This sometimes proves to be expensive because he has broken several badminton rackets in the process.

After completing high school Stan plans to attend the University of Texas or North Texas, majoring in business administration.

When asked about his most embarrassing moment Stan decided he had better not tell that one!

Whitefaces Doomed Dimmitt; To Meet Meek Muleshoe Mules

After a near-upset, the Hereford Whitefaces will be trying for their fourth straight win when the Muleshoe Mules come to Whiteface Field Friday night. With the aid of lady luck, the Whitefaces edged past the underrated Dimmitt Bobcats last week.

Slipping from their performances during the first two games the Herd showed some weak spots at Dimmitt. Previously picked by many to win in a runaway, the Whitefaces were only able to defeat Dimmitt 14-8.

Although the Bobcats were admittedly hitting hard and playing on their home field, Hereford was plagued with a fumble offense at times while the line was not up to its usual par.

Statistically Hereford had the right to win but Hereford claimed a very narrow margin in rushing and first downs. Dimmitt operated smoothly and was in easy range of paydirt almost as often as the Whitefaces.

Taking advantage of the Dimmitt decision to kick-off first, Mack Cansler hauled in the pigskin and had crossed that final stripe almost before the dismayed Bobcats knew what they were up against. Arnold Powell tacked on two more points for Hereford when the game was only 13 seconds old.

After a see-saw battle with each team punting twice, Dimmitt finally scored to climax a 67-yard drive late in the second quarter. The try for two extra was good and the game was even at the half.

Both Hereford and Dimmitt moved near the goal stripe in the third quarter. The Herd drive was ended abruptly with a fumble, while hopes of Dimmitt taking the lead died on a fourth-and-too-many.

try.

Sophomore Eugene Green pounced upon a Bobcat bobble in the fourth period to set up the second much-needed Whiteface score.

Quarterback Joe Mack Hale tossed a good one to Mack Cansler, who promptly put the Herd near the goal, with Hale plunging over. Dimmitt's desperate try to take the lead failed, and Hereford held onto the ball the remainder of the game.

Again picked to win, this time over Muleshoe, the Herd will

play at home Friday. Undeafed and with only eight points against them, Hereford will be after its fourth win.

A class AA squad, the Mules faced Hereford in almost the same circumstances last year. Overconfident Hereford was set back on its ears as the stubborn Mules paid little heed to what anybody said. Muleshoe surprised the Herd with a 38 score last year.

As far as district competitors are concerned, the Whitefaces still have plenty of worries with

Phillips and Dumas, along with Levelland this year. Although Dumas lost to Borger last week, reports indicate that Hereford will have little chance to hold the Demons — they will just have to out score them.

Levelland is also racking up its share of non-district wins, and represents probably the second threat to Hereford district title hopes.

Phillips sits in almost the same bracket, and will be even tougher than usual against the (Continued on page 8)

Eldon Howell

Senior Personality

Eldon Howell is the 17-year-old son of Mr. and Mrs. Ray Howell. He was born Feb. 12, 1944, in Lubbock, Tex. He lived in Lubbock until he was one and a half years old and then moved to Hereford. He has lived here since that time. He lives at 149 Sunset.

His favorite hobby is hot-rodding. He has a sleek red and white 1956 Chevrolet. Under the hood he has a 1961 Corvette engine with four-speed transmission. It's pretty warm!

Besides cars he has played football for three years in H. H. S. Eldon has lettered one year on the varsity but is not able to play this year. His favorite event in his football career is when Hereford beat Phillips last year.

After graduation Eldon plans to attend North Texas State College at Denton.

Among Eldon's favorites are: Food-spaghetti; music-rock 'n' roll or western, and as far as girls, his favorite is D. R.

Eldon likes the kids in H.H.S. and enjoys being around them in school. That is some of the kids, as his pet peeve is dumb freshmen girls.

His advice to underclassmen: "Get an I. D. card."

BEAT MULESHOE!

Library Assistant Is Not Life Of Ease And Leisure

"Oh! to be a librarian! Such a life of ease. Just think, all they have to do is sit there and check out a book or two now and then and get their homework. Boy, what an easy credit!" So think some of the misinformed students of Hereford High School of the life of their assistant librarians.

How did they get that impression? Perhaps they only notice the librarians when they check out a book. If you want to get

a real idea of that "easy" life, peek into the "conference room" in the corner of the library sometime.

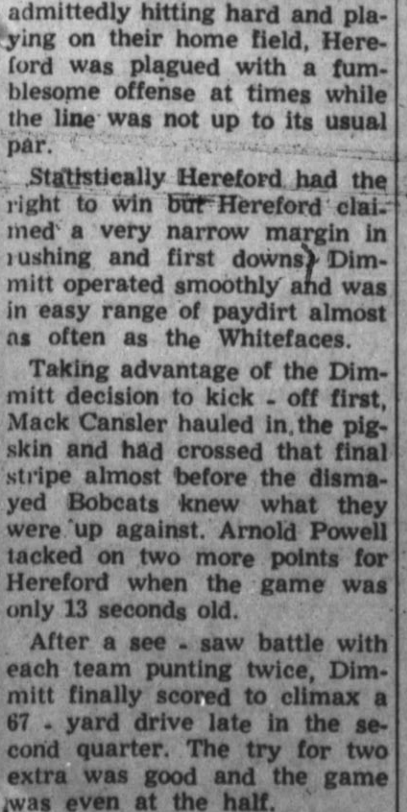

What you see there may surprise, or even shock you. Those hard-working girls may be elbow-deep in the paste pot, laboriously trying to reinsert the loose leaves of a book in the right order, when the numbers have come off as a result of "dog earring." Or, perhaps, "reading the shelves." This is the task assigned to a girl who can count since she must see that every book on the shelves is in order, volume by volume, according to the author

number on the spine.

The students can do the library a great service by cooperating with the rules and using a little common sense. This would be appreciated. Students help themselves, too, by having a more efficient library at their service.

Well, that is the life of an assistant librarian of Hereford High School "de-glamorized." The work is not easy, and much diligent effort is put into it, but — and you're right — librarians love every minute of it!

There was a called meeting (Continued on page 8)

FOOTBALL IS NOT AS ROUGH as everybody thinks it is, discovered the Hereford High School cheerleaders. The girls staged a brief exhibition during halftime at the 8-team game last week. From left to right, head cheerleader Toni Parker prepares

to make an All-American catch as Joyce Ann Johnson, Joy Story, and Jan Reese admire her hilarious style. At right, Joyce West thinks the pass that she tossed is "cute." (Whiteface Photo)

Suzanne Langley

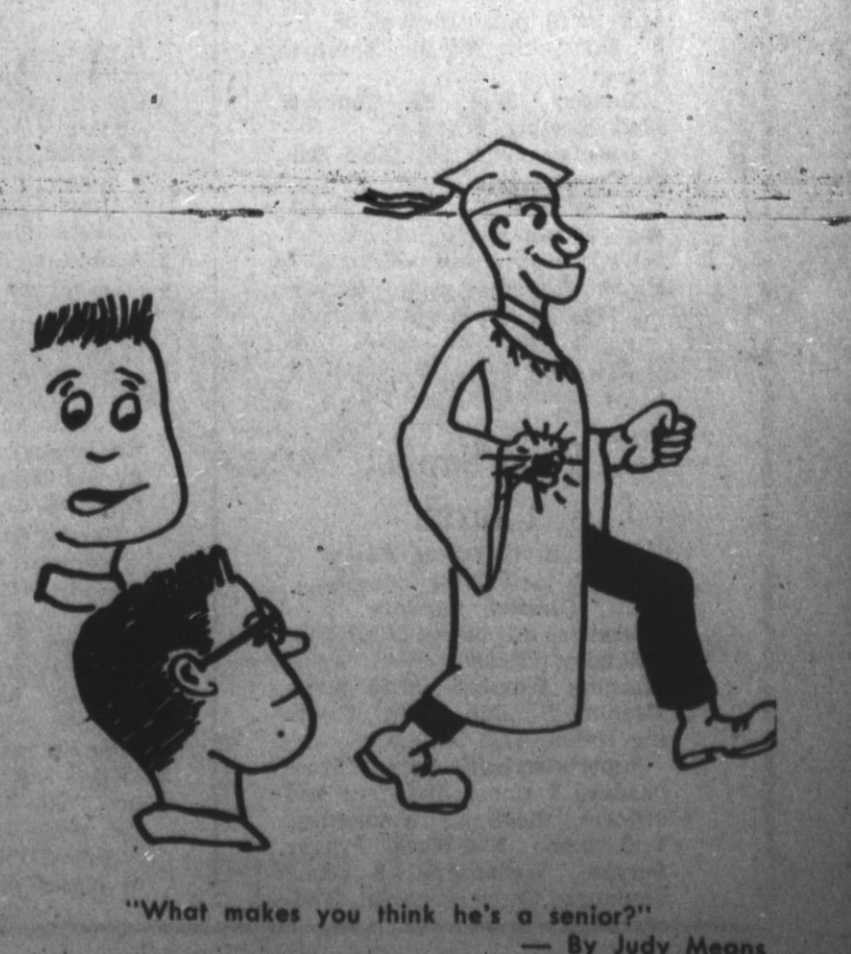

Senior Personality

"People who have a pessimistic attitude toward everything and everybody is my pet peeve" says Suzanne Langley. "I enjoy being around people who are friendly and fun to be with."

She is the 17-year-old daughter of Mr. and Mrs. Earnest Langley of 502 Star.

One of Suzanne's many hobbies is playing the piano. She has taken eight years of music lessons and enjoys playing all (Continued on page 8)

If it be Possible

LET THIS CUP PASS FROM ME Matthew 26:39

Even the Son of God could not always have His way. The cup did not pass. He drank it in calm, deliberate and majestic mood. God did not take away the cup but He did stand by in loving sympathy. In drinking that bitter cup Jesus became the Saviour of the world. God gave Him strength for the heroic deed and through His suffering He became perfect. You and I hold back and cry the same prayer. We tremble at the ordeal ahead and our faith shrinks when we know we must suffer the fate... lift the heavy load. But suffering seasons God's children and links them to Him for high adventure and noble service through His church.

Burial Monday For Self Infant

Last rites for Jimmie Mark Self, infant son of Mr. and Mrs. Charles Self of Hereford, were held at the West Park Cemetery here at 3 p.m. Monday.
 The Rev. B. H. Baldwin, pas-

Stengel Infant Rites Held Here

Robert Stengel, infant son of Mr. and Mrs. J. W. Stengel, died Sunday night in the Friona Hospital. Funeral services were conducted Tuesday at 11 a.m. from St. Anthony's Catholic Church, Hereford, with Claborne Funeral Home in charge.
 Robert, born July 24, 1961, was a victim of spinal meningitis. He is survived by his parents, one brother, Richard, three sisters, Carla, Donna and Bette, and by his maternal grandparents, Mr. and Mrs. Felix Urbanczyk; and the paternal grandparents, Mr. and Mrs. J. E. Stengel, all of Hereford.

CARD OF THANKS

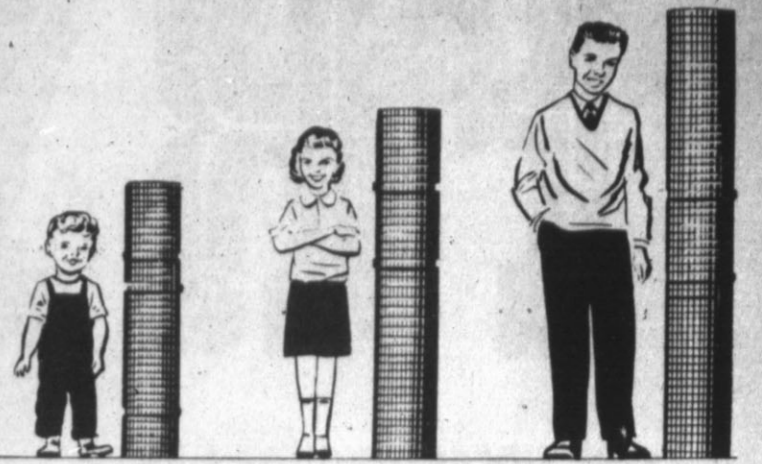

To the doctors and nurses and to our friends and relatives, we would like to express our sincere gratitude for their kindness and sympathy during the recent illness and death of our husband and father, J. T. McClain.

Mrs. Vinita McClain And Family

Domingo, 10 de la manana, escuela dominical, a las 11:30 predicacion.

tor of the Frio Baptist Church, officiated at the services. Arrangements were under the direction of Gilliland Funeral Home of Hereford.

Survivors include the parents; and the grandparents, Mr. and Mrs. Aubrey Self of Hereford, and Mr. and Mrs. K. H. Cox of Lazbuddie.

SURE, YOU CAN!

It doesn't take a lot of money to keep the savings set aside for your children's future growing along with the children. Just deposit those dollars in a bank savings account with us. It does take a little determination to save regularly. Make next payday the day you start depositing regularly at our bank!

thinking of friends who've moved away?

WHY NOT PHONE THEM? SO FAST AND THRIFTY WITH DIRECT DISTANCE DIALING

Now, reach out-of-town friends in less than a minute with Direct Distance Dialing. Talk longer for less because DDD calls go through at low station-to-station rates (one third less than person-to-person calls). Why not call them right now? They'll enjoy it and so will you.

HERE'S HOW TO CALL: First, dial the area code number of the city you want . . . then, dial the telephone number you wish to reach, just like a local call. If you don't know the number, the operator will connect you with Information in the city you're calling.

Direct Distance Dialing • It's easy. It's fast. It's fun. Try it.

When a car is this beautiful, you know Pontiac built it!

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One-Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here!

REP. WALTER ROGERS WRITES

Bill Would Hit Those Who Hide Behind Basic Rights

TO THE PEOPLE OF THE 18TH DISTRICT:

Every American is deeply and jealously proud of his freedoms as guaranteed under the Constitution and the Bill of Rights. These freedoms are so much more than those enjoyed by the nationals of other countries, even though they have been somewhat reduced in recent years. We would all fight to the death for them. However, I feel sometimes that we overlook the fact that such rights could be one of our vulnerable points if not properly exercised.

I have reference to the fact that these same rights are available to those who would destroy this country and our concept of government, even though they enjoy U. S. citizenship.

These rights are also available in large degree to the nationals of other countries, many of whom are not dedicated to the best interests and welfare of our nation. These rights, if misused and abused by our enemies who have access to them, can be formidable weapons and we must be very careful to see that this does not happen.

A good example is the flagrant use of the "fifth amendment." This is the amendment to the national constitution,

SHIRLEYS TO OKLAHOMA

Mr. and Mrs. Lewis Shirley left Monday for Ardmore, Okla., where they will make their home. Shirley will be associated with the Chevrolet people in Ardmore.

CANYON STUDENT HOME

Miss Nancy Kay Panciera, daughter of Mr. and Mrs. Ted Panciera, was home this weekend from Canyon where she is attending West Texas State College.

MRS. BENSON TO DALLAS

Mrs. Dyalitha Benson, Hereford credit union leader, will attend the joint board meetings of the Texas Credit Union League and the Members Mutual Insurance Company in Dallas Friday and Saturday, Sept. 22 and 23 at the Sheraton - Dallas Hotel. Mrs. Benson is on the board of the Texas Credit Union League.

which, in simple terms, provides that a man cannot be forced to testify against himself. The source of this amendment was no doubt the torture chambers of England and other countries so fresh in the minds of those who founded this country and wrote the Constitution.

This amendment, the primary purpose of which was to protect the innocent, has been badly misused and abused hundreds of times in recent years by those who would delight in seeing our government topple. It is available to those same as it is available to all other people in this country.

Many more examples could be pointed out where the enemies of this country have reversed our constitutional guarantees and rights and used them to promote their own causes and to try to do injury to us. This is a very serious problem and one

that must be dealt with in the next several years. It is my feeling that the first thing that must be done is to provide a means whereby loyal, patriotic Americans can be identified; a means whereby those who falsely assume this role may be punished. This is not an easy task. It is one that will require many exhaustive hours of research and much effort to effectuate the desired results.

As a beginning, in my work on the problem, I have introduced a bill, H. R. 9066. Several weeks ago I wrote a newsletter

YOUNG HAM

CHATHAM, N. J. — Curtis Spritzlar learned how to contact other ham radio operators before he could read.

And no one was too surprised when Curt, one of the youngest hams in the nation, received his amateur radio license at the age of 7. His brothers Stephen, 14, and Tamper, 12, are both hams.

Even the boys' parents, Mr. and Mrs. Ivan W. Spritzlar, are beginning to catch on. They say they have to in order to "intercept those messages at the dinner table."

Frederic August Bartholdi not only created the Statue of Liberty, the sculptor also pledged his personal fortune to defray construction expenses.

in which I stated that I was in the process of preparing such a measure. This has been completed and the measure has been introduced. There were a great number of problems associated with preparing this bill, and although it does not solve all of the difficulties, it will be a measurable step in the right direction. The bill is entitled "A bill to require loyalty declarations from employees of government suppliers and from labor organizations representing the employees of such suppliers."

Since the government of the United States spends approximately \$80 billion every year, it does business with every conceivable segment of the economy. Hence, loyalty declarations from all of these people could provide the nucleus upon which a de-

fense against traitors and those attempting to damage or destroy our government could be built.

I can think of many reasons why a person supporting ideologies of government contrary to ours would not want to be identified. I can think of no reason why a true, loyal, patriotic citizen of this country would not welcome the opportunity to cry

Legal Notice

NOTICE TO BIDDERS
The City of Hereford will accept sealed bids on the following described equipment at the office of the City Manager not later than 7:30 P. M. on the 2nd day of October, 1961.

The equipment will consist of a radio tone alerting system for the transmission of both tone and voice and of approximately 35 portable monitoring units for 110 volt operation. Bidders to give full specifications, unit prices and delivery schedule.

The City of Hereford reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the City. Other information regarding the equipment may be received from the City Manager.

Burial Here For Former Resident

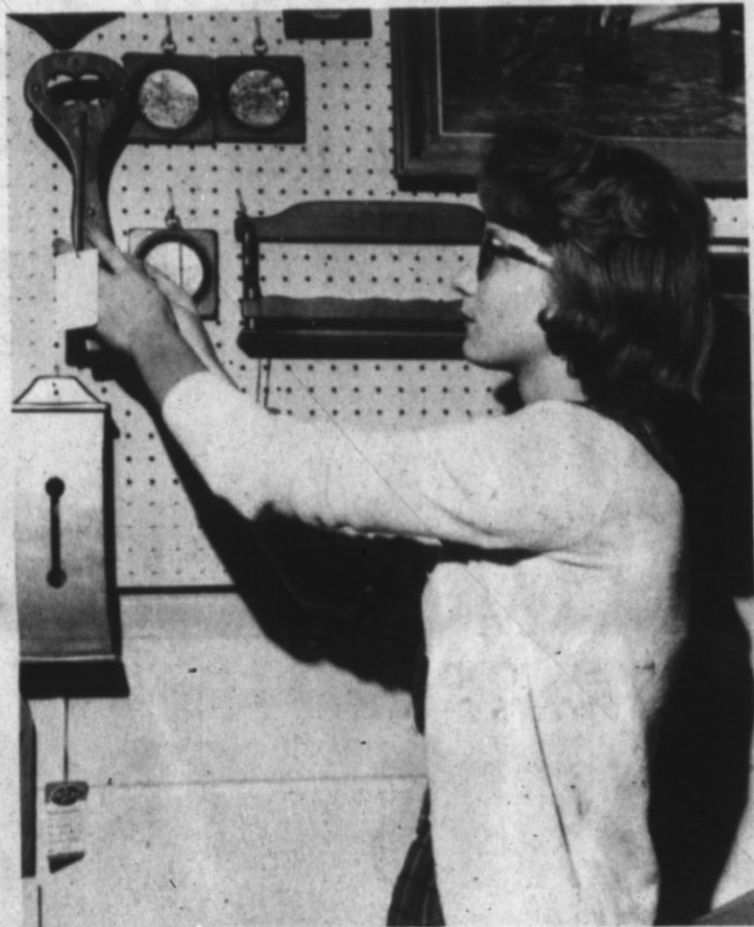

Funeral services for Wyndel Thurmond, 33, of Citrus Heights, Cal., were held at 2:30 p.m. Wednesday at the West Park Cemetery in Hereford with the Rev. B. L. Davis, pastor of the First Baptist Church here officiating.

Funeral arrangements and burial were under the direction of the Gilliland Funeral Home.

After a lengthy illness, Mr. Thurmond died Thursday at Roseville, Cal. He was born in Hereford, but moved to Higgins when he was 10 years old. He was a graduate of Higgins High School, and attended Amarillo Junior College and West Texas State College.

Mr. Thurmond was a civil engineer.

Survivors include: his wife, Tracy Ann, of the home; one son, Richard Taylor Thurmond of the home; three brothers, Taylor, of Gage, Okla.; Tob and W. F. Thurmond, both of Los Angeles; a twin sister, Mrs. Lyndel Barnwell of Sacramento, Cal.; and five other sisters, Mrs. Ora Mae Carl and Mrs. Pete Caldwell, both of Hereford, Mrs. Margie Childre of San Diego, Cal., Mrs. Leah Robertson of San Francisco, and Mrs. Frank Carder of Amarillo.

D. E. SPOTLIGHT — Dianne Schmucker, 16, is working at McGee Furniture under the Distributive Education program at Hereford High School. She is a junior student, in her first year of D. E. training, and is the daughter of Mr. and Mrs. Alvin Schmucker. Her duties include keeping books, writing receipts, answering the telephone and waiting on customers. She plans to attend college and major in some field of science, but has not decided which college it will be. (Staff Photo)
