Around Town

Weather chopped the number of planes in the All-Texas Air Tour to a handful.

There will be a Young Republican organizational meeting here on Friday, Oct. 13.

County Commissioners met Monday in regular session. They talked with a group interested in having a concrete dip installed across a county road.

The World Series wound up (Continued on page 6).

Trustees Ask Citizens For Future School Needs Study

Hereford school trustees took another long, hard look at current and anticipated enrollment figures during their meeting Tuesday night.

They finally decided to ask all the clubs and organizations in and around Hereford to make their own investigations and suggestions about future school growth.

Superintendent Paul Stevens reported that the total school enrollment, as of Monday, was 3,004, with 1832 in elementary schools, 717 in junior high and 455 in high school.

Stevens said that the board needed to study its building needs for the next two years and longer in the near future.

HEREFORD'S OFFICIAL town flower, the Peace Rose, is admired by Joyce McNeese. As if proud of the honor, Peace Roses here this year are blooming larger and lovelier than ever.

IN FIELD CROPS, HOME IMPROVEMENT

Dick Plank And Caroline Brumley Win Statewide Four-H Club Honors

Two well known Deaf Smith County 4-H Club members, Dick Plank and Caroline Brumley, are going to Chicago and the nation's number one 4-H meeting in late November.

Dick is the 1961 field crops winner and Caroline the home improvement winner.

Donor for the field crops program is Arcadian Products Department, Allied Chemical Corporation, New York City, and The Sears-Roebuck Foundation of Chicago for the home improvement program.

The programs are among the many handled through the National 4-H Service Committee of Chicago and supervised in the counties by extension agents and adult 4-H leaders.

Dick is the son of Mr. and Mrs. Earl Plank, Route 1, Hereford, and has been a member of the Dawn Boys 4-H Club for the past seven years.

His major crops have been wheat, grain sorghums and cotton. He has tried vegetables but found the old standbys more to his liking and profitable.

\$1,000 Bond On Hot Check Case

Felony charges for swindling with a worthless check were filed here Friday against Richard Whitson, 23, Hereford.

District Scout Leaders Named

Leaders of the Tierra Blanca Boy Scout District were re-elected during a meeting here Tuesday at noon.

Named to serve for the next 12 months were: Orpha Clack, chairman; Don Zimmerman, vice chairman; Charles Duvall, vice chairman; Dan Ethridge, Friona, vice chairman; and Jimmy Halliburton, Vega, vice chairman.

Members at large include Clee Meharg, Dr. M. C. Adams, J. H. Sears and Joel Hodges.

Committee chairmen re-elected for the year are: W. B. Wilson and Loren Creitz, finance; Bruce Miller, Ray Cowser and Eric Rushing, organization and extension; Paul Conaway, camping and activities; Paul Harvey, advancement; and Dr. A. T. Mims, health and safety.

Radio Officer For CD Seeks Ham Operators

R. L. Ethridge had been appointed Radio Officer for the Hereford-Deaf Smith County Civil Defense organization.

Identified by the call letters W5QOV, Ethridge is trying to find the names and addresses of all licensed amateur radio operators in the county.

He can be reached at his home, EM 4-0121, after 5 p.m. In order to qualify for the radio national CD program, the help of all licensed radio amateurs will be needed.

It is hoped that when funds become available, the Civil Defense organization will have the equipment necessary to take care of any emergency, either local or national, Ethridge said.

In addition to his outstanding crop record, Dick ranks as one of the state's top junior 4-H leaders. His selection as vice chairman of the state council is evidence of his ability.

FOR C. R. O. P. DRIVE

'Trick Or Treat' Elects Officers

Out to uphold their reputation as leaders in the annual drive to raise funds for the Christian Rural Overseas Program, students from Stanton Junior High and Hereford High Schools met Monday to plan the annual Halloween Trick or Treat Drive to be held Tuesday Oct. 31.

Student officers of the drive set a goal of \$1500 to be collected during the campaign Halloween night in Hereford.

Hereford youngsters have consistently collected more funds than any other town in the United States in the same population group, and last year collected \$1457 to set a new record for the fund-raising campaign.

CROP is a nationwide drive to collect funds to aid underdeveloped areas of the world. Food is shipped to depressed areas with the funds collected during the effort.

Janny Loerwald Tops Guessers In Grid Contest

Danny Loerwald, 715 Blevins, came in all by himself in the Brand's fourth week football contest. He came up with 16 winners, the only entrant to guess that many winners correctly.

Ralph Price took second in the scoring honors with 15 and the best guesses on the tie-breakers. He lives on Route Three, Friona. In third place, also with 15, was Roger Owen, 118 Leach.

Also guessing 15 winners were Leron Satterwhite, 422 Avenue I, and Marshall Wilson, 807 Irving.

records and his mother has been an adult leader for many years. His father has contributed much to 4-H work in the county.

Caroline, the new state home improvement champion, is the daughter of Homer and the late Mrs. Homer Brumley of Hereford. She is a student in the local high school and has been a 4-H member for six years.

Trustees signed the tax roll for the Hereford Rural High School District. The roll shows a total property valuation of \$44,289,943, with an actual tax levy of \$686,502.99.

Officers were elected Monday to lead junior and senior high school students in the Halloween drive. Last year 350 students participated in the Trick or Treat collection, instead of trick- or - treating in the accustomed manner.

Dick Plank was elected as president of the high school CROP committee, with Beverly Boyer named vice president. Other

Jaycees Host Regional Work Forum Sunday

The Hereford Junior Chamber of Commerce will be the host club for a Region I Jaycee Work Forum which will be held at the Jim Hill Hotel on Sunday, Oct. 15.

About 60 out-of-town Jaycees are expected to attend the meeting from clubs in the Northern Panhandle.

State officers to attend the work forum include Gene Hollars, Pampa, state vice president; Sherman Stockton, Amarillo, national director; A. J. Carubbe, Pampa, state chairman of records and recognition; Ken Peoples, Amarillo, state subcommittee chairman for public relations.

The program includes a dance Saturday at 8 p.m. at the Jaycee Clubhouse and golf at the Hereford Country Club on Sunday morning.

Sunday dinner will be served to the visiting Jaycees at the hotel at 12:30. The business meeting will begin at 1:30 p.m. Work forums are held to discuss procedures and projects of the Junior Chamber of Commerce as well as problems which clubs may have.

Outline Campaign Plans For County's United Fund Drive

Campaign chairman Henry Sears outlined plans for the fifth annual Deaf Smith County United Fund drive during a meeting of key workers Monday afternoon.

\$500 Bond Set On DWI Charge

Hershel C. Martin, 52, Earth, was charged with driving while intoxicated, first offense, in the Deaf Smith County Court on Monday.

Bond in the misdemeanor case was set at \$500 by County Judge Don Zimmerman. Martin was released Monday when his bond was made.

The Earth, Tex., man was arrested by the Vega Highway Patrol Unit about seven miles north of Hereford on Highway 385 early Friday evening.

year of all years, we must meet our goal," he declared. Sears explained that the UF drive the past two years has failed to meet its goal and that it probably will be dropped by member agencies if it does not succeed this year.

Goal for 1962 operations is \$26,440, a substantial increase over the past two years, he said.

The 1961 campaign will be designed to last two full weeks starting Oct. 16 and concluding on Oct. 28.

"This year, we plan to conduct our drive through business and occupational groups and will call on homes only for those persons not contacted elsewhere," he said.

Sears also outlined a plan for Hereford businessmen to visit various communities in the county during the two weeks to actively solicit rural residents for help on the United Fund.

He explained that the United Fund agencies help all residents of the county, either directly or indirectly, and that they should be given an opportunity to support it.

Plans for the drive have been worked out by UF president J. W. Robinson and vice president Mark Woodall, Sears announced.

Eight local agencies have been approved for inclusion in the 1962 budget. Included are: American Red Cross, \$8383, plus a special assessment of \$1440 for aid to victims of Hurricane Carla; Boy Scouts, \$6100; Camp Fire Girls, \$2975; Salvation Army, \$2600; Little League, \$1050; Pony League, \$1050; Hereford Athletic Club, \$600; and Deaf Smith County Council on Alcoholism, \$500.

Remainder of the goal will be used for campaign expenses and contingency fund, which has been depleted the past two years.

Sears said that the goal this (Continued on page 6)

Amarillo Man Hurt In Wreck Near Hereford

An Amarillo man, Richard Lebow, was injured Monday afternoon when the rented truck he was driving overturned three miles west of Hereford.

The 32-year-old man was treated at Deaf Smith County Hospital before being released Tuesday morning. He had some facial lacerations. Physicians also were concerned that he might have had complications from head and back injuries received in a wreck near Friona three weeks ago.

The rented 1960 panel truck, loaded with new furniture, was extensively damaged and the contents were a total loss.

The truck apparently overturned after going off the road and then slipping back onto the road. The accident occurred just about two miles from Lebow's destination, the farm home of his brother, Jesse Lebow.

Officers and other witnesses said that Jesse rushed to the accident scene and pulled his brother from the wreckage, taking him to the farm house. From there he was taken to the hospital by Gilliland ambulance. Highway Patrolman Charles Skinner investigated the accident.

A RENTED TRUCK and its load of new furniture were badly smashed Monday afternoon three miles west of Hereford. The driver, Richard Lebow of Amarillo, received only minor injuries when the truck overturned. Damage to the truck was estimated at more than \$1,500. (Staff Photo)

### Funeral Services For H. A. Duncan Held Tuesday

Funeral services for Herbert Ashley Duncan, 64, 107 W. 8th, who died here Sunday, were conducted Tuesday, Oct. 10, at 2 p.m. at the Rose Chapel of the Gilliland Funeral Home.

The services were conducted by Mr. Kenneth Wilson, pastor, Church of Christ, Vega. Burial followed in the West Park Cemetery under the direction of the Gilliland Funeral Home.

Duncan was born in Mt. Pleasant, Tex., on July 17, 1897. He married the former Miss Addie Stephenson of Sweetwater, on Dec. 13, 1920.

He had worked for the U. S. Corps of Engineers as a civil engineer. After the end of World War II, he went back into the newspaper business.

Before moving to the Texas Panhandle, Duncan owned and published his own newspaper at one time. He and his family moved to Hereford in 1950 from Bridgeport, Neb., where he was working as a linotype operator.

Besides working for the Hereford Brand, Duncan has worked for other West Texas newspapers at Sweetwater, Brownfield, and Littlefield. He was employed by the Muleshoe Journal until September, 1960, when he suffered a heart attack. Since then he had been in semi-retirement.

Survivors include his wife, Addie; two sons, Richard and Dr. Edwin E. Duncan, Frederick, Okla.; a daughter, Martha Carroll; three sisters, Mrs. Loy McClintock, Mt. Pleasant; Mrs. Rita Marie Elliott, Henderson; Mrs. Marian Bardwell, Hermiston, Ore., and three grandchildren.

Pallbearers were Maxey

### Dedicate Dorm Named After Local Residents

Dedication of a new building named after three Hereford residents will be part of the day-long activities held Oct. 23 during Wayland Baptist College's annual "Parents Day" on the campus in Plainview.

Allison - Konkright Hall will be dedicated at 2:30 p.m. Thursday, Oct. 23. The eight - unit apartment building for married students is named after Mr. and Mrs. J. H. Allison and Mrs. H. G. Konkright of Hereford, who donated the building.

During Parents Day activities at Wayland College, parents will have the opportunity to meet faculty members at the school and to tour the campus facilities. A western theme has been chosen for the event.

Dowd, Chub Pinckert, Howard Godwin, Leon Denton, Cawthon Bryant and Dick Walker.

### Proper Procedure Topic At Meeting

The Sadie Lee Oliver 4-H Club met Friday, Oct. 6, in the home of Teresa Rudd, with Janice Head as presiding officer. Mrs. Harold Rudd presented the procedure. She stressed the duties of the president, vice president and the secretary - treasurer. The proper method of making a motion was studied and then practiced by the girls.

Refreshments were served from a table carrying out the Halloween theme and colors. After the meeting, the girls had a recreation period of playing games outdoors.

Members attending the meeting were Lynn Rudd, Janice Turrentine, Sharon Bartels, Judy Bartels, Janice Head, Judith Morrison, Deborah Jesko, Rebecca Jesko, Karen Jesko; new members, Carol Turrentine and Rhonda Borland; and visitors, Patsy Rudd, Susan Rudd, Mrs. Paul Rudd, and Mrs. Kenneth Rudd.

### JOKE ON THIEVES

MIAMI — Shoplifters don't worry the operators of a couple of liquor and tobacco stores at Miami International Airport.

All the stock is fake. The real articles are under bond in a warehouse for purchase tax-free by travelers leaving the country.

"We miss a few of the fakes every day, mostly cigarettes," says William Taylor, one of the store operators. "We don't care. The companies that distribute the merchandise give us the fakes."

### VISITS

Miss Jacque Susan Sohengen has been visiting her grandmother, Mrs. R. L. Criswell, for the past week. She is the daughter of Mr. and Mrs. Charles Sohengen of Denver City.

CAMP SWEENEY ACTIVITIES are discussed by Jaycees Larry Kaul, left, Dale Barkley, club president, right, and Edward Phelps, camp public relations director, center. Phelps spoke to the group at noon Tuesday about

the activities and the program of the camp for diabetic children. Camp Sweeney is located near Gainesville, Tex., and is one of the largest rehabilitation centers for children in the world. (Staff Photo)

## Jaycees Hear Talk On State Project

Edward H. Phelps, guest speaker at the Tuesday noon Jaycee meeting, spoke on the operation of Camp Sweeney, a diabetic health center near Gainesville, Tex.

Phelps is director of public relations of the camp for diabetic boys and girls from 6 to 16. The camp is a non-profit charitable institution and is one of the state Jaycee projects.

In his talk, Phelps explained the camp program of health and rehabilitation. He told the group that at Camp Sweeney the children are trained how to care for themselves and to lead a normal, happy life.

A film showing activities and life in the camp was used to illustrate the talk. Group activities are used to teach the diabetic children what they can and cannot do.

The film pointed out that the program includes such sports as boating, water skiing, swimming and horseback riding. Hand crafts and hobbies also are stressed as part of the daily program.

"Each child at the camp learns his own personal danger signals," said Phelps. "He is observed 24 hours a day."

The staff during the summer includes 33 employees, he said. One counselor is there for four children plus three doctors and three registered nurses on 24-hour duty. A fourth doctor is often on standby duty.

Two dietitians are also employed to prepare meals for the campers, he continued.

The meeting closed with a question and answer session after the end of the film.

## Organize New Four-H Club

A new boys Four-H group was organized Monday at the Hereford Community Center. Younger members of the Hereford Boys 4-H Club, the boys formed a separate group with Mrs. Karroll Higgins serving as sponsor.

"Eager Beavers" was chosen as the name for the new organization which will meet the second and fourth Mondays of each month in the members' homes.

Officers elected during the first meeting were James Short, president; Paul Drager, vice president; Lyndon Reiger, secretary treasurer; and Edward D. Hammit, reporter. These officers were installed in a candlelight ceremony following Monday's election.

Others officers appointed Monday were Steven Olson, parliamentarian; Tom McGowan, drill leader; Don Bill Hair and Donald Vasek, recreation directors; and Jimmy Haile, song leader.

Their second touchdown of the night came on a 52 yard run early in the final period. Recovering a fumble deep in Stanton territory, the Lobos managed another score with only 50 seconds remaining. On a first down play with only eight seconds remaining, Levelland managed their final tally.

## Seventh, Eighth Defeat Levelland

Stanton Junior High School's seventh and eighth grade Dogies both racked up wins over Levelland here Tuesday afternoon. It was the second conference win for the eighth graders, while it was the first conference tilt for the seventh grade Dogies.

Stanton's seventh walloped the young Lobos 30-6. Leading only 8-6 at the half, the Dogies came back to rack up 33 points in the second half. Last week the seventh graders won over Littlefield in a non-conference game here.

Winning their second conference game of the season, the Stanton eighth graders defeated Levelland 29-22 here Tuesday night. The Dogies downed Estacado of Plainview 22-0 in the conference opener here last week.

Both teams will travel to Littlefield next Tuesday to try the junior Wildcats in a conference bout.

In the eighth grade game Wynn Buck hauled in the opening kickoff and dashed 85 yards unhampered to score a quick touchdown for Stanton. Jimmy Gutierrez rounded right end for the two extra.

After recovering a fumble on the 12 yard line, the Lobos promptly scored on their first play from scrimmage, but failed to tie things up with a conversion.

Randy Tooley claimed a fumble for the Dogies on the 45 yard stripe to set up Stanton's second score. Quarterback Roger Owen passed to end Mike Moore who scampered the remaining 45 yards for the second Hereford score. Gutierrez made the extra points and Stanton led 16-6 during the third quarter.

Dogie quarterback Steve Hodges leaped to intercept a pass early in the second period bringing it back 20 yards to the 20 before being snowed under. Jimmy Gutierrez powered into the clear on the next play to score again for the Dogies.

After the pigskin changed hands twice, Jimmy Gutierrez raced 92 yards on a second down roll - out for the fourth Stanton marker. His kick was good making it 29-6 late in the third period.

Levelland got things rolling their way in the fourth quarter as they racked up 14 fast points.

### 'SPASH NET'

CAPE CANAVERAL, Fla. (AP) — An electronic "splash net" located in the South Atlantic provides precise information on impact accuracies of Atlas and Titan missiles fired over 5,000 mile ranges from Cape Canaveral.

The splash net, developed by Bell Telephone Laboratories, consists of six hydrophones, or underwater sound receivers, installed on the ocean floor and joined by cable to a shore station on Ascension.

The hydrophones, spread over a 64 square-mile area, detect the noise of a nose cone when it strikes the water. Computers at the shore station immediately determine how far the cone landed from each hydrophone. This reveals the distance; the cone hit from its target, usually the center of the net.

## DeLuna Sentenced On Assault Charge

Juan DeLuna, 32, Mexican, was fined \$50 plus court costs and sentenced to 30 days in jail Monday for aggravated assault by County Judge Don Zimmerman.

DeLuna was arrested early Sunday morning on the Harvey Brock farm, northeast of Hereford by Deputy Sheriff Ed Roberson.

officers for the campaign are Troy Don, Moore, secretary-treasurer; Mickey Bonesio, map chairman; Royce Ann Gilliland, publicity chairman; Mickey Stephens, food chairman; and Roger Albracht, arrangements chairman.

Gary Don Roberson was named president of the junior high committee. Other officers are Jo Ann Ferguson, vice president; Peggy Neff, secretary-treasurer; and Barbara Langley, publicity chairman.

CROP participants collected \$1457.51 in Hereford during last year's effort, while 125 students solicited \$1,332.68 in the 1959 Trick or Treat campaign. Almost 200 students gathered \$1,254 in a porch-light drive in 1958.

In charge of the drive is Virgil Dodson, who praised the students for their cooperation in the past, which led Hereford to be known as one of the most generous cities in the United States.

Youth in over 215 Texas towns alone participate in the annual good-will project, as well as cities throughout the United States.

er and father. Her brother has married and, as she puts it, "Father and I are now going it alone."

In her home improvement work, Caroline has had a great deal to do with giving the Brumley home a real face lifting. It all started in 1959 when the house was repainted. She selected a soft gray with white trim. Next the yard was improved and outdoor furniture added. A wood burning fireplace was added and as Caroline puts it—"I really had a painting fit this summer." She redid the living room, painted the hall, her father's bedroom, two bath rooms, the kitchen and utility room. She removed linoleum and laid asphalt tile blocks in one bath and the utility room and made new curtains for both. Closets over the house were rebuilt and enlarged, a new heating and air conditioning unit installed because the old heater had smoked and was responsible for the repainting of the interior of the house. Her bedroom was redone last year.

Caroline received help from her home demonstration agent, Mrs. Earl Plank, her adult leader and from magazines and Extension Service publications. She said that some of the 4-H programs had inspired her to tackle the job. She says that 4-H has been guiding influence on her life and that she will be a better person because of her participation as a member.

Like her fellow member, Dick, she has found time to take an active part in 4-H, church, school and community affairs. In 1960 she was a member of a second place vegetable production and marketing demonstration team in Texas. She has held many offices in her local club and has served as a delegate to the county council. She is a talented musician and likes to help others.

The Boston rocker with its high spoked back, curved seat and floral trim once was so popular in America that it was called "the chair that rocks the nation."

Aikman School PTA will meet Thursday, Oct. 12, at 7:30 p. m. in the school cafeteria. "Aikman School Policies" will be the program topic, with principal D. C. Martin and superintendent Paul Stevens moderating.

Central School PTA also will meet at 7:30 p. m. Thursday. County Judge Don Zimmerman will talk on the importance of Civil Defense.

There will be a Cub Scout leaders' basic training course here Oct. 16, 17 and 18. The classes will be 9:30-11 a. m. each day in the Community Center.

"Pop Standish is starting his second class in bowling on Tuesday, Oct. 17, at 9:30 a. m. These classes are for women who want to learn to bowl or to improve their bowling and include free instruction and bowling. You may call EM 4-1560 for reservations.

We've spent much of our free time the past week getting a Cub Scout Pack going again after a summer of inactivity. Biggest problem we have encountered is getting leaders for these boys. All the parents want their sons in a Scouting program, but all too few of

them want to help. Right now we have just about enough leaders, but are having to turn down a few boys because we don't have any place to put them and no leaders willing to take over. This problem, unfortunately, is encountered in almost all youth work, including Camp Fire, Sunday Schools and 4-H work.

Maybe we haven't been around enough lately, but it seems that our neighborhood has gotten mighty tame the past few weeks. Guess we'll have to venture up to the other end of the block and see what is going on up there. Surely Ted Panclera or Don Little is involved with something out of the ordinary. Even our turtle, Glen, has been carried off to school for an education so we don't even get a ripple out of him.

Hereford's variety football team doesn't play this week, but there will be a couple of good games here Thursday evening. The ninth grade and B teams will play Levelland here Thursday, which should be of some consolation to devoted fans.

Cub Scouts work hard for awards. But, unknowingly, give a reward to their leaders that is greater by becoming good men a bit later.

# Greet Two Exchange Students

## Gillian McArthur Is Scottish Lass

**BY DELORES PRICE**  
**Whiteface Reporter**  
A wee bit of Scottish flavoring has been added to the students of Hereford High School in the form of Gillian McArthur. Gillian is one of two foreign exchange students brought to the United States by the American Field Service. She lives north of Hereford with her American family, Mr. and Mrs. A. B. Higgins, Janice, Luanne, Robert and Mike.

In Edinburgh, Scotland, her hometown consisting of one-half million people, Gillian belongs to a church drama club. She plays the piano and the snare drum. This particular Scottish lass is very athletic as she loves swimming and hiking.

Gillian is one of the four students from her town to come

## Senior Personality

"My most exciting moment was when I was elected annual queen candidate," says Judy Means, 17-year-old daughter of Mr. and Mrs. M.L. Means. Judy moved from Amarillo during her freshman year and now lives at 517 Avenue K.

Drawing scenic pictures is one of Judy's most enjoyable hobbies, but she has many more such as reading biographies,

Judy Means

swimming, listening to the radio and watching football and basketball games.

Judy says that her favorite subjects are art and English. She recalls one of her most embarrassing moments was when she fell out of her chair in class.

After graduation Judy plans to go to Arlington State College and major in art.

"Take advantage of your high school years, because they can be a lot of fun," is Judy's advice to underclassmen.

WIN DISTRICT!!

to the United States. They were in turn only a small portion of the 837 students that came from the various European countries.

Gillian said about all she did in order to come to the United States was to fill out application blanks and wait, wait, wait.

The most exciting thing about her trip to the United States was the tour around New York City. She said she saw the lights of New York long before she saw the "Lady of Liberty" in the harbor.

Gillian is the proud possessor of a medal presented to her by the Duke of Edinburgh, the husband of Queen Elizabeth. It was presented to her after she passed a certain number of requirements in domestic work and other things she was not familiar with doing. It is based around the development of a well-rounded personality.

Gillian took the following subjects in Scotland during her last two years of school: English, French, history, geography, domestic or homemaking, arithmetic, and art.

Gillian explained that these subjects are taken over an entire week but students might have English and French on Monday and that would be the only day of the week one would have these subjects.

Her tests are graded by adding up the correct points instead of subtracting the incorrect points from a given number. In Scotland, tests similar to our term exams are given in November, February, and June.

She speaks English and French. She is presently taking Spanish because they do not teach this language in her country.

She would like for everyone to know that the people in Scotland speak English and do not speak a foreign language as many people seem to think.

Gillian believes the students in public schools in Scotland dress much as Americans. Gillian attended a semi-public school and the girls wore uniforms.

Gillian wore white collar blouses, maroon and white diagonally striped ties, navy flared skirts, maroon and white berets or caps, and stockings with black shoes. She believes the girls dress more formally in Scotland because they wear slacks only to sporting events.

As to dating in her country, Gillian says, "we do not begin dating in my country as early as the teenagers in America do because we do not start dating until we are 16 or 17 years of age. We do not have chaperones as many people think."

"The couples go to dances and movies usually and, if we

ENJOYING AN AMERICAN pastime are Hereford High School's foreign exchange students Gillian McArthur and Peter Lantz. Gillian comes to America from Edinburgh, Scotland. She is staying with the A. B. ## Peter Lantz Discovers Pop Test And Football

**BY PATSY LIVESAY**  
**Whiteface Reporter**  
Bobby sox and pop tests have not made too big a hit with one Hereford High School student, while friendly teachers and football games find a top spot in the list of things Peter Lantz would like to export back to Sweden.

Peter arrived in America last August to begin a year of schooling at Hereford High School through the foreign exchange student program sponsored by the American Field Service and locally through the Future Homemakers of America.

Peter hails from Toby, Sweden, which is only six miles from Stockholm. Blond hair and a tall build are some of his more distinguishing trademarks, as well as his pleasant Swedish accent.

Peter is 17 years old and comes from a family of five. His father is vice-president of a trucking firm while his mother is a housewife. Peter has one brother, 15, and a sister, five.

While Peter is in America his new parents will be Dr. and Mrs. A. T. Mims, Peter says.

"Charlie and Edward have proven to be pretty good brothers."

"No pop tests for me," states Peter. "In Sweden we take three tests a semester with each lasting four hours. There is never a pop test given and we don't have as much homework to do."

The schools are co-educational and the courses to be taken are picked for Swedish students. Peter went to school from 8:20 a.m. to 3:15 p.m. every day. After nine years of schooling, students are allowed to quit, but most teenagers continue in their education. Classes are 40 minutes long and are attended six days out of every week.

## IDEAL BOY

### All-Out Search For Way-Out Dreamboat!

Janice Hagans has been looking everywhere for the ideal boy. She finally decided to take a trip to Mars to see if there were any there.

On the way up, she met the efficient Captain Ronnie Duncan and his crew; ambitious, Ronnie Gray; brainy, Bill Miller; and helpful, Dick Plank.

She was worried as to whether they would make it or not, because a meteor hit their ship, but optimist Steve Conway assured her everything would be all right with talented Glen Nelson aboard, although pessimistic Drew Ker-shen kept her on edge.

They had to make a crash landing, but everything was under control when the courteous Charles Kelly and friendly Butch McCaslin met her at the Space Port.

She was greeted with the smile of Jim Barnett on a big "wanted" poster. The voice of Wayne Edwards came to her over the loud speaker:

"You have now landed on Mars. Your first guide will be likeable Troy Don Moore. He will be followed by Dicky Bob Mason, the guide with the personality."

The first stop featured the athletic Butch Watersheid of America in a great feat of power. She thought to herself, "These Martians remind me of boys at home. Why, there's one that walks just like Jerry Curtsinger but has feet like Dick Combs."

"They all dress nice like David Block and are so neat, just like Billy Hill," she thought.

"There goes one with hair just like Tim Gallagher and eyes like Danny Cates. What a combination!"

The next stop was at a performance which featured the witty David Dowell of Russia and the scatter-brained Charles Mims of Cuba. The performance was continuously interrupted by the noisy Mike Ferguson, who (oddly enough) had a nose like Arnold Powell. Gay John Pavlicek tried hopelessly to keep order with the silly Joel Loyal around.

Janice decided to return to earth. She wasn't doing any good in Mars, and she knew there were always handsome boys like John Buck and versatile ones like Walker Parris at home.

The better half of one of the more steady couples in HHS is Dan William McDowell. He has a very outstanding personality and sense of humor.

Dan was born in Wellington, on Sept. 24, 1944. He and his parents, Mr. and Mrs. Ansel McDowell, moved to Hereford when Dan was nine. He was in the third grade. Since then he has made many friends who regard him highly.

while five other of his favorites are: teacher, Mr. Patter-son; color, red; movie, Fanny; girl, Joy; book, Gone With the Wind. Those five favorites rate highly with Dan but most of all he enjoys baseball. Dan has every right to like this sport because he is very accomplished in it.

He is the only four year letterman in baseball that has ever been through HHS. He is the last one that will be a four year letterman because the freshmen aren't in high school anymore. This past year Dan hit an outstanding .333 while hitting two home runs, three triples, and four doubles. Baseball is Dan's favorite sport but he

## Miss Sue Ward Finds School Enjoyable Here

"I think the faculty and student body of Hereford High School are very friendly, and as a new teacher, I feel very much at home," says Miss Sue Ward, shorthand and office practice teacher of HHS.

Miss Ward was graduated from Amarillo High School in 1957 and from West Texas State College in Canyon. She received a Bachelor of Business Administration degree. While in college she was president of Chi Omega and also an outstanding senior club member. She was vice-president of Phi Gamma Nu, and a member of Pi Omega Pi. She was elected campus sweetheart in 1958.

Miss Ward, born in Olveste, Okla., has two brothers. Her mother teaches the third grade at Olsen Park School in Amarillo. Her father works with the missile branch at Amarillo Air Force Base.

Miss Ward believes her parents have had the most effect on her life so far because as she says, "They raised me."

Miss Ward said, "I think that the school spirit is excellent and is better than in any school I have ever attended before."

## Whitefaces Eye District Crown With Best Record In Five Years

Following an almost uncontested 32-0 win over the outclassed Olton Mustangs here last Friday night, the Hereford Whitefaces will take this week off in order to prepare for the grueling district race. Hereford travels to Levelland Friday, Oct. 20, for the District I-AAA opener.

With five wins and one loss credited to the Whitefaces so far, the Herd enters district competition with its best record in five years.

With eyes on the District crown, Hereford's "rehabilitated" Whitefaces note four dark clouds skating across the sky... and it's no time

for a picnic! Although the Herd claims an impressive record in non-conference play, other district contenders also claim near-spotless marks for their efforts.

## Senior Personality

"My favorite pastime is writing letters to Japan to Pat," says Beverly Boyer, a cute, blond-haired senior. She is the 17-year-old daughter of Mr. and Mrs. Cecil Boyer of 127 Avenue K.

Beverly is very well liked by all the kids at Hereford High School for her good naturedness and pleasant personality. She is president of Tri-Hi-Y which is only one of her many activities. One of the club's projects for this year is to help with the Civil Defense program in Hereford. Beverly is president of band and plays first chair clarinet. She is vice-president of Red Cross and a member of Future Nurses.

In Rainbow she is Grand Officer which is a junior committee member of the state. Last year she was Worthy Advisor. Beverly works as assistant librarian at the County Library every day after school. She enjoys her work very much.

Beverly likes the teachers, school spirit and the school as a whole this year. She has no dislikes except for her pet peeve which is unfriendly people and those who won't participate in school spirit.

When asked about her most exciting moment she replies, "I don't have one as yet but just wait until April and I'll really be excited." That's the month

All four District I-AAA teams have suffered at least one defeat. Littlefield, Levelland, Phillips, and Dumas have fallen at the hands of larger schools. The Whitefaces have taken on class AA teams so far, except in the season opener against

### Pert Pup Gives Up

Pluto, who is Jesse Joe Wright, has found a bone hidden in the garbage pail: Looking all around to be sure no one saw him, he picked it up and started looking for a place to bury it.

He was just going under the porch when Linda Reed came prying by. This took his mind off the bone and he started after her when Jan Reese came up and started flirting.

Pluto finally remembered his precious bone and took out to bury it again. This time he went over to the hedge and started digging. No sooner had he got started, than chatter-box Sandra Hodges came up telling some gossip she had heard. It took some doing to get away from Sandra, but he finally managed it.

Pluto then went behind the garage to think of another good hiding place for his precious

## Senior Personality

One of our senior personalities this week is a pert little miss named Joyce Ann Johnson. She is the 17-year-old daughter of Mr. and Mrs. D. R. Johnson of 117 Centre.

She is widely known at school for her bright personality and her unpredictable remarks which everyone enjoys so much. Joyce Ann is a member of Tri-Hi-Y and Theatricals. Her main job during the plays is to work and help the members of the cast in their make-up and also any other job that needs to be done before the play begins. She is also in the Mixed Choir and enjoys it very much.

Joyce Ann has the honor of being cheerleader this year at HHS. Everyone thinks that all five of the "Yellers" for this year are doing a wonderful job in promoting lots of school spirit. Joyce Ann says, "One of the best things about being cheerleader is that you can eat all you want without gaining weight."

When asked what she did in her spare time she replied, "I don't have any spare time because of studying physics and practicing for pep rallies." She did say though that her favorite pastime was fussing with Wendel.

Joyce Ann's favorite food is spaghetti and black-eyed peas served together in the same meal.

Her pet peeve is pessimistic people. She likes friendly people who aren't hypocrites. This year at school Joyce Ann likes all the teachers and classes and

## Key Club Activities Are Described For New Year

One of Hereford High School's newer clubs is the Key Club of America. Key Club was established just last year but it has accomplished many projects. Some of those were painting the bleachers in the football stadium and marking off and painting the lines for the school parking lot.

The Hereford High School Key Club is expecting a very

busy year. The club has four meetings a month. The first and third Thursdays will be night meetings at the community center.

Some of their many projects for this year include: a church pilgrimage, in which every person in Hereford is urged to meet at one of several different spots and all walk to church together as a show of faith; a

leadership conference in which officers and sponsors of all the Hereford High School clubs will meet and exchange ideas concerning projects and leadership; the club will take on the job of selling candy and drinks at the basketball games; they also expect to have a series of interesting guest speakers.

The international theme of the Key Club this year is "Complacency." All of the clubs in the United States will try to reintroduce the American people to the future of our country. The Hereford High School Key Club will put on assemblies and hang posters about the school. In doing this they hope not only to interest the students in the future of America, but through the students they also hope to interest their parents.

This year's club will have about 60 members. This number will include 27 new members. These members were selected on the basis of their willingness to work, their citizenship, and their scholarship.

In addition to these qualifications they must be approved by the school principal and the club's board of directors. The board of directors is made up of the officers of the club and a representative of each class. The officers of the Key Club are: Drew Kershen, president; David Dowell, vice-president; Austin Hodges, secretary; Joe Mack Hale, treasurer; and sponsor, Mr. Robert Thompson. Nancy Edwards was elected club sweetheart.

### Whitefaces...

(Continued from page 1)

It's the score that counts in football—and Phillips and Dumas have consistently racked up high-scoring games. Level-land will probably be picked over the Whitefaces in the district opener, while Littlefield represents another possible stumbling block for Hereford's climb to the district crown.

With Hereford taking on the Lobos on foreign grounds, the Whitefaces could be stumped while contending with the powerful Level-land squad.

Whiteface coach Jack Meredith has no plans for making use of open date as a time of rest for the Herd. Strenuous workouts will probably become even more so this week in an attempt to prepare for the district opener.

Whiteface sports editors Jerry Curtsinger and Virgil Strang recently interviewed Whiteface backfield coach Ray Todd, who gave a brief outline of the Herd's opponents:

#### LEVELLAND

Level-land's Lobos pose one of the biggest threats to Hereford's high aims, according to Coach Todd. Level-land, in keeping with its past tradition, will make things plenty rough for the Herd, especially since the Whitefaces will be visiting the Lobos.

"With 100 per cent cooperation from the boys, the Whitefaces stand a good chance to bring back a victory from Level-land," stated Coach Todd. Bill Steele, Whiteface lineman who was injured at Roswell, should be back in action in time for the game.

#### PHILLIPS

After last year's astonishing upset by the Whitefaces, the

Phillips Blackhawks will have double cause to be out for the Whitefaces with fire in their eyes in the second conference tilt. Phillips has tallied impressively high scores in non-conference tilts.

#### DUMAS

Ranked within the top ten in Texas AAA football, the mighty Dumas Demons, defending district champs, are considered the Herd's toughest opponent by Coach Todd. Contender for all-state quarterback, Mike Boxwell will lead an aggressively charging squad of Demons against the underdog Whitefaces. Dumas sports one of the highest-scoring records in Panhandle football this season.

#### LITTLEFIELD

Also rebuilding after being riddled with "graduationitis" last season, the surprising Littlefield Wildcats remained the only undefeated team in District 1-AAA until they ran up against mighty Sweetwater last Friday night. Picked before the season began to end up in the district football cellar, the Wildcats now share third spot on the list with the Whitefaces.

One great difference in Swedish and American schools is that there are no pep rallies or cheerleaders to lead the teams to victory. Athletic teams aren't supported by the schools in any fashion and not many people attend the games.

"One day I would like to play football," admits Peter; "it's a fascinating game to watch. Football isn't played in Sweden. We do have other sports to take its place though. For instance the national sport is soccer. Ice hockey and hand ball are favorites of the people, too."

"Girls—if you ever go to Sweden and want a date, take plenty of money and a car," advises Peter. "You must have good looks with a charming personality. The girls in Sweden don't have many dates, but when they do they're more than glad to pay for their way."

One reason why dates are scarce is that cars are too expensive to drive and the boys do very little driving. The Swedish evening is spent similarly to ours.

Movies, restaurants, and dances are some of the places that Swedes go on dates. While Americans come home between 11 and 12 o'clock from dates, Swedish students come in a 12 to one o'clock, according to Peter.

**The Art of Living**

*The Way You Live*

is a TV picture of your ideals. Living is the finest of all the fine arts. Far better to know how to live, than to know how to paint, sing, write or sculpture. Is your soul nourished by God's word at church on Sunday, or is it starved on the Sunday newspaper, the golf course or a fishing trip? You can't drift into the art of good living... you must think about it. As one thinks in his heart so is he. Every man should think soberly. Let him that thinks he stands, take heed lest he fall. Whatever things are honorable, just, pure, of good report... think on these things. You have but one life to live... live it wisely. You can't live without God, the Bible, prayer, the church. These are the palette and brush in the art of right living. Go to your church and you will find them.

### Review Given By Mrs. Lance

Summerfield Study Club met Thursday, Oct. 5, at the home of Mrs. J. C. Clearman with Mrs. R. B. Baker serving as co-hostess.

Announcement of the entertainment planned for the husbands on Nov. 2 was made. Mrs. K. W. Neill played a piano selection, "I Love to Tell the Story."

Mrs. Earl Lance gave a review of the book, "Let My Heart Be Broken" by Richard Gehrman. This is a deeply inspirational and deep story of World Vision one of America's most vital missionary organizations, and of its dedicated and restless founder, Dr. Bob Pierce.

Dr. Pierce reflects the true missionary spirit in his constant prayer: "Let my heart be broken with the things that break the heart of God."

Richard Gehrman accompanied Dr. Pierce on a global tour, and this book tells how, through the work of a tireless little American woman in the World Vision organization, pathetic lepers in Formosa find new purpose in life; how communistic infiltration has marked every Hong Kong missionary for death when the Reds take the city; how maniacal war criminals in Japan marched to their execution, singing hymns after their lives had been touched by a colorful British woman missionary known as "Sensel," and how devoted doctors, nurses, teachers, and preachers venture with faith into places of disease and great danger.

Members present were Mesdames Lee Curry, J. R. Euler, Ray Johnson, Earl Lance, R. H. Lookingbill, K. W. Neill, J. B. Noland, Mack Noland, R. E. Lance Jr., Guy Walser, J. C. Clearman, R. B. Baker, and one visitor, Mrs. Smith.

### TV Caravan Here Saturday

In order to promote friendship, the "KFDA Caravan" will be in Hereford Saturday, Oct. 14. Newsmen from the television station, accompanied by "Miss New Mexico" will land by helicopter in front of the First National Bank Building at 9:30 a.m.

Joe Gaston, Ralph Wayne, Jim Pratt, and Doug Rains of the station's news department will be here. Officials of the station stated that they would like to give more news coverage to the Hereford area if interested persons would give advance notice to the news department of local events.

### Wyche HD Club Meets Thursday

Meeting for their regular business session, the Wyche Home Demonstration Club met Thursday in the home of Mrs. Ira Ott. Mrs. Ott, club president, presided at the meeting.

Mrs. C. F. Newsom, program leader, introduced Mrs. George L. Olson, Mrs. Norman Hodges, and Mrs. W. P. Axe who presented a program about blind corners, safety on the farm, and safety in the home.  
Foods and nutrition was selected as the theme of the club's new year book program. Citizenship had previously been selected as a program.

The next club meeting will be held in the home of Mrs. E. C. Hewitt on Oct. 19.

A program on health is to be presented by Mrs. J. V. Pickens, Mrs. Ross White, and Mrs. Charles Packard.

Those present at the meeting Thursday were Mesdames C. F. Newsom, George L. Olson, H. L. Ward, Charles Packard, E. C. Hewitt, W. P. Axe, Norman Hodges, C. R. Dameron, Mrs. H. R. Short, a new member, and Mrs. L. H. Finch, a visitor.

### Hereford Graduate Wins Scholarship

Nona Marie Strange, daughter of Mr. and Mrs. Clarence Strange of 203 Bennett in Hereford, was awarded a \$250 student journalism scholarship at the University of Texas last week.

One of eight journalism majors at the University's school of journalism receiving the Jesse H. Jones scholarship, she is assistant editor of the school newspaper "The Texan." She is a junior at the college and a member of the national women's journalism sorority, Theta Sigma Phi.  
Also a recipient of the scholarship was Sue Mueck of Lockhart, who served as an intern at the Brand in 1960.

North Hereford Home Demonstration Club met at the home of Mrs. Clinton Ward on Thursday, Oct. 5. The program was given by Mrs. Otto Olsen and Mrs. Clyde Smithers. Mrs. Olsen read an article on what parents are doing to children's feet by letting them wear non-fitting shoes. Children's feet outgrow their shoes in three months and Mrs. Smithers gave a demonstration of the pedicure, using the necessary cosmetics and a message.

Committee reports were read and plans were made for the family Thanksgiving supper, which will be held at the Bull Barn on Nov. 14.

Refreshments of punch, sandwiches and cake were served to Mrs. Otto Massie, Mrs. Martin Wagner, Mrs. Marcella Hoffman, Mrs. Mary Gooch, Mrs. Mary Bodkin, Mrs. C. L. Whitehead, Mrs. Dorothy Klein, Mrs. Martha Finch, Mrs. Otto Olsen, Mrs. R. A. Fullwood, Mrs. O. C. Williams, Mrs. Belle Williams A. A. Hare, Mrs. Clyde Smithers, Mrs. Alice Nevins, Mrs. Nell Hodges, and Miss Roberta Campbell. Also attending was one visitor, Mrs. Bonnie Brandt.

The next meeting will be at the home of Mrs. Belle Williams on Oct. 19.

### In Memory of Ellen Posey Simpson

We had a neighbor, in our neighborhood Who rejoiced in singing whenever she could, She had the voice of an Angel and her heart was of gold And she checked up on all of us, in numbers untold. A pie to my house or a cake to another, A cherry "Hello", to a friend or a brother, There was always a smile and a wave of her hand When a fellow felt like he was bogged in the sand. She was one of God's children, and carried his word She sang in his house like an echoing bird, Though we could see our house's from a short distance I miss my phone ringing, with that certain insistence, For be it morning or noon or four times a day We enjoyed the message as it sailed on its way. We had many a coffee, and chances to chat On trivial matters of this and that, With this thing happening day after day Our friendship matured and grew that way. She loved her family and loved her home She liked to have company, and not be alone. Then she left my house, that night about nine, We had finished some work and she was feeling fine, For she was starting, she thought, on a short vacation. As we stepped to the porch, beneath our flood light, Her parting words were, "SAY A PRAYER FOR US TONIGHT", She left me standing there, as she drove away — To become a flower in the Lord's Bouquet.

## Mrs. Charles Davenport Honored At Baby Shower

BY DONNA THOMPSON  
Mrs. Charles Davenport, wife of the Rev. Charles Davenport, pastor of the Dawn Baptist Church, was honored with a Pink and Blue Shower at the church last week.

Gifts and a money tree were presented to the honoree. Refreshments were cake and coffee, with little storks for plate favors. Games were played before Mrs. Davenport opened her gifts.

Hostesses were Mrs. W. H. Gentry, Mrs. Edgar Lemons, Mrs. Walter Lemons, Mrs. Clifford Stewart, Mrs. Glen Tucek, Mrs. Walt Beavers, and Mrs. Carl Wimberley.

The R. T. Stewart family gave a Sunday School party last Friday night, serving a stew supper, preceded. All community members of the church were invited to attend.

Mr. and Mrs. J. B. Caraway gave a Mexican supper Saturday night. Those present were Mr. and Mrs. Robert Ogelsby and family from Canyon, the R. T. Stewart family and the H. R. Stewarts.

Mr. and Mrs. H. V. McCabe visited in Conaway recently. Jim McCabe, who suffered a broken leg six weeks ago, had the cast removed last Friday. He is recovering nicely.

### Book Review Is Given Thursday

The Bayview Study Club met Thursday, Oct. 5, at 3 p.m. in the home of Mrs. Will Kerr for the regular meeting. Mrs. Jimmy Gillentine, president, presided at the meeting.

Mrs. D. H. Alexander presented the program, with an interesting review of the book "Good-bye to a River" by John Graves. The story covers a three week trip down the Brazos river, combining interesting and fierce stories about real people cloaked in fiction.

Mrs. Alexander showed a chart of the river colling and looping into the mountains. The setting of the story is in the post oak land where the author was born and raised.

The author, John Graves, is now a professor of creative writing at Texas Christian University.

Members attending were Mesdames D. H. Alexander, Phillip Barkley, Richard Barnard, Colby Conkright, Howard Gault, W. J. Gilliland, Jimmy Gillentine, A. M. Jones, Paul Mathers, Ansel McDowell, John McLean, R. B. Miller, J. W. Kirby, Eugene Naugle, Carl Perrin, and the hostess, Mrs. Will Kerr.

Mr. and Mrs. H. V. McCabe attended a painting party at the Black Club House last Thursday.

Mr. and Mrs. David Thompson were hosts to Mrs. Thompson's mother and her two sisters from Littlefield recently. Also present was a friend of the family, C. W. Pittman of Littlefield. Mrs. Thompson's 15-year-old sister, Diane, was a semifinalist in the Miss Teen - Age America contest. The family

The Plains are abuzz with the prospect of next season's plantings of Paymaster's newly announced hybrid sorghums—*The Indians*.

Seedmen were introduced recently to this complete line of closed-pedigree seeds developed by Paymaster Seed Farms at Plainview; these seeds are now released for sale on the Plains and elsewhere throughout the sorghum belt. Farmers are expressing keen interest in them.

- **Five New Combine-Type Sorghum Hybrids.** These five Indians—Ute, Comanche, Apache, Kiowa and Cheyenne—have been bred, tested, developed and processed to give farmers a wide variety of performance choice. Each is adapted to special needs, soils, climates and maturity rates.
- **Sweet Sioux.** This is a sorgho x Sudangrass hybrid that provides an innovation in performance; increases in forage yields and grazing value up to 70% have been recorded in field tests.
- **Crop Guard.** This is the "workhorse" of the new line—a sterile seed that grows tall to protect young, tender vegetation from winds, and grows a useful forage crop as an added benefit.
- **And Cotton Planting Seeds, Too!** Paymaster's long-time research program in the development of cotton seeds has produced outstanding varieties—Paymaster "88-90" and Paymaster "101-A" and "54-B." Ask about them.

REP. WALTER ROGERS WRITES

# Change Diplomatic Corps To Combat Red Ideology

To The People of the 18th District:

The major conflict between the two primary ideologies concerned with the government of man, to wit, democracy on the one hand against communism on the other, began during the lifetime of most of us. It has continued unabated, has reached some high points and some low points, but the chasm between these two ideologies has never been bridged, even temporarily.

The actual conflict began in the month of October, 1917, with the October Revolution. It was at that time the word "Bolshevik" first found common use. It was used with reference to the mobs that stormed the Petrograd Winter Palace which

housed the alleged parliamentary government of Alexander Kerensky. Kerensky and Prince Lvov had taken over in March of 1917, the date on which the Czarist government had collapsed.

Our embassy in Russia had confidently advised our government that the collapse of the Czarist regime and the rise to power of enlightened new leaders such as Prince Lvov and Alexander Kerensky would open the door to democratizing Russian institutions along the lines of our Constitutional form of government. Subsequent events proved that our embassy at that time was looking only at the surface and had little, if any, knowledge of what was going on beneath that surface. The explosion came only a few months later as history now records. Alexander Kerensky managed to flee the Petrograd Winter Palace in a caravan allegedly led by a car and chauffeur commandeered from the American Embassy.

It was at that time that Lenin and Trotsky took over, and the gulf between our philosophies of the government of man and the philosophies now being pursued in the Soviet Union joined in the battle for the minds of men. It was at that time that

Red Russia threatened to lead the war against the Kaiser's Germany — a time just as we had gotten into it. It was at that time that Lenin and Trotsky threatened to substitute for the war of nations, a war of classes to be pursued and activated both without and within the confines of other countries, including America. These were the elements that resulted in a total breakdown in the relations between Russia and America — two peoples who had been friendly and cordial for more than a century, although situated on opposite sides of the globe.

It must also be remembered that this was the time when the United States, a relatively young nation, found itself as the newcomer in great power politics. Many historians have argued that our country was unduly handicapped because of the manner in which we had been choosing our representatives to foreign countries. It is their contention that the choice was from the ranks of deserving campaign contributors, political pensioners, an occasional hungry intellectual seeking a paid — for existence overseas, or a ne'er-do-well playboy able to finance his own activities as a representative of this country.

I think that history will record that there were a number of instances which would confirm these allegations. Whether or not that practice and its limited continuation in subsequent years is the basic cause of the continuing mutual fears and suspicions between the government of this country and the USSR, is debatable. However, I would point out to those who are seeking a whipping boy for the strained relations that have persistently existed, that the makeup of the ambassadors would have made little difference.

The cold bare fact is that the gulf between the two ideologies of governments involved cannot be bridged diplomatically or otherwise so long as the enslavement of the mind and body of man continues as one of the pillars of the communist philosophy, or so long as freedom and dignity of the individual remain a pillar supporting the form of government to which we subscribe. Perhaps a number of rough spots could have been avoided had our diplomatic policies been in the hands of seasoned, experienced and educated diplomats.

Certainly, we should make every effort to know and understand what is going on in the rest of the world and to try to assign to the trouble spots men of great experience and knowledge in international matters. In order to do this, it will be necessary to cease the assignment to foreign posts of men qualified only by their friendship with the administration in power in this country. We should begin now to build a diplomatic corps that will be open to all citizens of this country willing and able to qualify themselves to serve in that capacity. Legislation is presently pending that would commence this operation,

WHICH CAR WAS attacked by a mob of spirited Hereford High School students? Actually the same car, it appears somewhat worse for wear following three days of abuse with a sledge hammer. A perfectly good body before being attacked Wednesday morning, the body representing the Oil

ton Mustangs was the basis of a Key Club project last week at Hereford High. Students bought swings at the car with 10-pound sledge hammers. The car body was donated by Dearing Wrecking Co. (Staff Photos)

and I sincerely hope it passes. Whatever may be done, we must recognize that this conflict that began in October, 1917, will continue until the USSR abandons its policies of enslavement or this country abandons the guarantee of freedom spelled out in the Constitution, the latter of which will never occur.

### Argen Draper Presents Program

The Hereford Child Study Club met Thursday, Oct. 5, at 8 p.m. in the home of Mrs. G. S. Wheeler for the regular club meeting.

Mrs. Ed Wilson Jr., president, presided at the meeting. Mrs. L. L. Garrison introduced the speaker, Mrs. Argen Draper, who gave an interesting and informative discussion on picture framing.

She stressed the relationship between the picture and the wall, stating that the frame should compliment the picture, and should be matched to the nearest in-between tones in the overall color scheme.

She said that some pictures need mats to enhance them but care should be taken in choosing the right mat and tone for the picture to be framed.

Mrs. Draper pointed out how one can make and finish outstanding frames at a great saving by using many old frames found in attics and other places of storage. At the conclusion of the program, Mrs. Draper was presented a gift of appreciation

for the program. Those attending the meeting were Mesdames L. L. Garrison, Reuben Knox, George Springer, Maurice Tannahill, Ed Wilson Jr., G. S. Wheeler, Tom Draper, and Miss Gladys Setliff.

"Women seldom buy shoes that fit properly and their shoes wear out in a crazy pattern," he said.

AUSTIN HIGHLIGHTS

Committee Appointed To Determine Legislative Council Study Topics

BY VERN SANFORD
AUSTIN — Three members of the House of Representatives and two state senators were named by Sen. Bruce A. Reagan of Corpus Christi as a Subject Matter Committee to determine which of 25 suggested interim studies shall be made by the Texas Legislative Council.

Coordination of Health and Welfare Services of the State. Space Utilization by Institutions of Higher Education. Election Code Revision. Non-constitutional Duties of the Attorney General. Opinion Authority of the Attorney General. Laws Relating to Wild Life Resources of the State. Teacher Certification. Laws Based on Population Classification. State Hospitals and Special Schools. Health, Accident and Hospitalization Insurance Claims. The Judicial System of Texas. Laws Governing Acquisition and Sale of State Owned Lands. The State's Public Higher Education System. Regulation of the Insurance Industry. Ad Valorem Tax Laws. Telephone Utility Regulations. Texas Utility Regulations. Discrimination in Employment Because of Age. Branding of Cattle and Registration of Brands. Reciprocity Practices of Texas Examining and Licensing Boards. Purchasing Practices and Procedures by the State and its Political Subdivisions. Recordation of Mineral Interests. Mentally Ill Children. Rate Making Powers of the Railroad Commission.

Mass Transportation in Major Metropolitan Areas of Texas. FM Road Building Plan. State Highway Chairman Herbert Petry Jr. of Carrizo Springs completed one major assignment for Gov. Price Daniel, but has a tougher one ahead. Petry and Daniel worked out agreement with the Texas County Judges and Commissioners Association under which the farm-to-market road building program will be modified, along lines long advocated by the Texas Good Roads Association and the Highway Commission. But now the plan has to be sold to the powerful Texas Farm Bureau at its convention in Galveston November 13-15. Governor Daniel vetoed the \$15,000,000 appropriation for farm-to-market road construction from general revenue for the year starting next September 1, saying it was time to settle the question of rural road maintenance. He got together a committee of road-minded people. County Judges and Commissioners agreed to this plan — pay for about \$17,000,000 of the present \$18,000,000 cost of maintaining rural roads out of the \$50,000,000 now going to FM road construction. They also agreed to build a total of 50,000 miles of FM roads, instead of the 35,000 miles now set as unofficial goal. Present mileage — 34,000.

instead of a national seashore area. Sadler, a member of the committee, did not get word about the meeting and was not present. State Parks Board Chairman J. Carter King of Albany, said the whole appropriation of the board for the next two years would not scratch the surface of making Padre into a state seashore area. King is worried about the 74 presently designated state parks. Daniel asked the study committee to have a recommendation ready in time for the winter special session of the Legislature to take policy action on the state vs. federal issue. Daniel feels Padre should be dedicated as a public area, by one means or another. Orphans' Ranch. Orphans at the Corsicana State Home got a 4,180-acre ranch on the Lampasas River under a Supreme Court decision on the will of the late Mrs. Parrie Haynes of Bell County. Other heirs contested, but the court turned the ranch to the Texas Youth Council, which runs the orphan's home. Atty. Gen. Will Wilson, who handled the defense of the will, said there is talk of making the ranch an outdoor branch of the Corsicana school. Where to go. Big events of Texas communities during the winter and the spring months are advertised in the State Highway Department's "Texas Calendar of Events," just out. Folder listing fairs, rodeos, dozens of other events is available free from the Travel Division of the Highway Department as a part of its travel promotion work. Insurance Claims Rise. Insurance spokesmen estimate that \$5,000,000 already has been paid out on windstorm insurance policies. Rate of payment of claims will reach 20,000 a week soon, William J. Harding, coordinator of the Texas Joint Loss Catastrophe Plan, said. Harding, speaking for fire and casualty insurance companies, said much misinformation has been given out on insurance coverage. He declared that policies are being interpreted after Carla just as they always have — that damage from wave wash or flooding has never been covered by Texas standard insurance policies. Club Taxes. First month of collections of the new tax on private clubs by the Texas Liquor Control Board saw the tax take total \$414,612. Tax is about \$2 per member, so indicated membership of the 472 licensed clubs is 207,306. Veterans and fraternal clubs are
