Public Hearing On County Budget Set For Thursday

Public hearing on the 1962 budget for Deaf Smith County will be held at 11 a.m. Thursday, Sept. 14.

The hearing will be held in the Commissioners' Courtroom and every citizen is urged to attend.

Set up for total expenditures of \$855,251.70, the budget for 1962 is not appreciably changed from the current year.

However, the tax rate will be in for a drastic change. Following a complete property valuation program, the County Commission last week announced that it had sliced both valuation and rate for the 1962 tax year.

Valuation for tax purposes will be at 17 1/2 per cent of actual value, instead of 25 per cent which had been in effect. In addition, the applied rate will be \$1.62 per \$100 of assessed, taxable value instead of \$1.72 which is now applied.

The difference is attributed to the valuation study, which resulted in changed valuations. The 1962 budget is set up on a valuation tax roll of \$28,400,000, a \$200,000 increase over 1961 and more than \$3,000,000 higher than tax roll valuation in 1960.

County's share of the \$1.62 collected will be \$1.20 instead of the \$1.30 collected previously. The remaining 42 cents is collected for the state.

Omitting the 42 cents which will be collected for the state, the tax levy shows several items reduced within the budget, while the general fund share will be increased.

The jury fund is slated for .025 cents next year, compared with .03 in 1960 and .025 in 1961; the Road and Bridge Fund will be cut to .20 cents, compared

with .30 cents in 1960 and .20 in 1961; The Road and Bridge War-rant Fund will be .045 cents, as in 1961, with nothing allocated in 1960; the General Fund is set at .54 cents for 1962, as in 1961, while it was .37 cents in 1960.

The General Improvement Fund, which was .03 in 1960, is dropped to nothing; the Hospital Maintenance Fund will be .035 cents as in 1961, while it was .05 cents in 1960; The Hospital Interest and Sinking Fund was .02 cents in 1960 raised to .05 in 1961 and will be down to zero in 1962.

The Permanent Improvement Fund will be .015 in 1962, while it was .01 cents in 1961 and .02 cents in 1960; the Jail Interest and Sinking Fund will be .06 cents, as in 1961, while it was .08 cents in 1960.

The Courthouse Interest and Sinking Fund will be .03 cents in 1962 as in 1961, while it was .05 cents in 1960.

This makes a total of 95 cents for each year. To this is added .07 cents for Right Of Way Interest and Sinking Fund. This is the same as 1961, but lower than the 10 cents in 1960.

Allocation for the HI Plans (Continued on page 2)

A HELICOPTER in the garage isn't unusual around the Jim Underwood home. Jim is now about finished with this whirlybird, his second one. Total cost for the machine is about \$200, plus a lot of devoted labor.

Jim Underwood Is Building Second Working Helicopter

BY WAIN MILLER BRAND STAFF REPORTER Jim Underwood comes to Hereford bringing with him what could lead to the start of a new fad for Hereford's fun-seeking hobbyists.

After this one is finished, in a couple of weeks, he plans to build a larger model to carry two persons instead of one. (Staff Photo)

Around Town

Complaints were frequent Wednesday morning as a real cold snap hit the Panhandle. Although we missed out on most of the rain that Miss Carla provided in the area, we didn't miss out on a plunging temperature. But it really is nice to know that we don't have to contend with hurricanes. Even tornadoes aren't so vicious and about all you have to do after a good sandstorm is just sweep. But the idea of trying to clean up a house that has been under several feet of water is appalling to me. I'll take the high country any time over the coastal areas. The waves on Buffalo Lake or Conchas Dam get plenty high for me.

few dollars, and a little work, and if one has the ingenuity of Jim Underwood, a helicopter is obtained. A hobby that dates back to his early interest in flying, Underwood is presently in the process of building his second whirlybird. No toy, this home-made flying windmill will cruise along at speeds of as high as 75 miles per hour, and at a "bird's eye" vantage of as high as 12,500 feet.

Construction of Jim's first helicopter began about two years ago, after he and a friend at Wellington ordered plans for the miniature copter from the Benson Aircraft Co. Four months of spare-time labor later, the machine was ready for its first flight.

Beginning the project on his living room floor, Underwood was finally forced to move the assembly line to the garage as the bird began to take shape. "My wife didn't mind my working on it," he states. His family consists of his wife, a son who is in the Navy, and Connie, his 16-year-old daughter who is a sophomore at Hereford High School.

At the onset of the project, Jim recalls his daughter coming home from school dismayed one day. When he asked her what was the matter, she replied, "The kids at school don't believe me when I tell them you are building a helicopter."

Not exactly the type of thing found in everyone's garage, he admits, but it "is really a lot

Amarillo Youth Dies After Horse Falls On Him Here

An Amarillo youth, 17-year-old Jerry Elliott, was killed here late Monday night during a rodeo practice session. He died shortly after the horse he was riding jumped a fence and fell on top of the boy.

What was to have been the last ride of the night at the Hereford Riders Club arena ended in tragedy when Elliott's mount came out of the

chutes, circled back and jumped over a pipe fence. Witnesses said Elliott fell from the horse as it stumbled after clearing the fence. The horse then fell on the boy, crushing his face and head. About half of the 35 or 40 persons present saw the accident and rushed to the youth. Gilliland Funeral Home's ambulance rushed the boy to Deaf Smith County Hospital about 11 p.m. He was pronounced dead about 1:15 p.m. by the attending physician.

The victim was one of eight Amarillo youths who had ridden over to participate in a regular Monday night of riding and roping. The arena has been leased from the Hereford Riders Club for this purpose by a group interested in amateur rodeoing.

Among those who had come from Amarillo was the victim's brother, 18-year-old Sammy Elliott.

Other riders said that the horse Elliott was riding was a "just an old sorrel horse" and was designated neither by name nor number. Although ridden earlier during the night, the horse was said to be unpredictable in its actions. Most generally, riders said, it came out of the chutes, circled back to the gate and then straightened out down the arena, bucking as it went.

During the ill-fated ride, the horse never did buck, witnesses declared.

The victim's companions said that it was the third Monday night that he had accompanied them to Hereford and that he was an inexperienced rider.

Funeral services have been scheduled for 2 p.m. Thursday, Sept. 14, at Sanborn Baptist Church in Amarillo. The Rev. Nolan Rucker, pastor, and the Rev. John Gilbert, pastor of the Industrial City Baptist Church

Many Fiesta Events Set By Latin-Americans

Mexican Independence Day will be celebrated in Hereford Saturday, Sept. 16, with a parade and the final dance at the Bull Barn.

The parade will feature a float with the Latin American Fiesta Queen and her court, the Hereford High School White-face Band, the Hereford Riders Club and other units. Parade time will be 4 p.m. Saturday. It will proceed at Dameron Park and form south down Main Street to Highway 60.

The celebration will come to a grand climax Saturday night when the last of three big dances will be held. Other dances will be held on Thursday and Friday nights. The band, known as the "El Sombrero," is coming to Hereford for the Fiesta from Monterey, Mexico. The

Whitefaces To Try Dimmitt On Friday

Hereford will face the tough Dimmitt Bobcats Friday night in a rough non-conference contest. Game time is 8 p.m. on the Dimmitt field.

Coach Jack Meredith has been working hard to get his Whitefaces up for the contest. Dimmitt will be seeking revenge for last year's 28-0 licking at the hands of the Herd. Meredith has warned his charges that, despite the loss of fabulous Junior Coffey, the Bobcats have a better-balanced club and one that is more aggressive throughout all phases of the game.

Tickets for the tilt will be on sale in the Hereford High School principal's office until noon Friday. However, none of the tickets are for reserved seats, so it will be on a first-come, first-served basis at the stadium. With big Virgil Kuykendall

Library Has New Schedule

New hours of operation have been announced for the Deaf Smith County Library, effective immediately.

Mondays through Fridays, the library will be open from 9 a.m. until noon and from 1 p.m. until 5 p.m. On Saturdays, the library will be open from 9 a.m. until noon, according to Mrs. Marie Boydston, librarian.

Other offices of the county will be closed on Saturdays, but the library will remain open in order that students may do necessary research.

Police Probe Three Weekend Burglaries Here

Burglaries at Stanton Junior High School, Alkman School, and Causey's White House Fruit Market were investigated by the Hereford Police Department during the weekend.

Stanton Junior High School was burglarized sometime between Saturday afternoon, and 6 a.m. Monday. The building was entered through an unlocked window.

After entering the building, the burglar or burglars broke a glass in the door leading to the north office, and opened the door by reaching the lock through the broken glass. All three of the offices were gone through.

According to Stewart Johnson, investigating officer, a metal change box was taken from one of the file cabinets, but the exact amount of money it contained was not known.

Alkman School was burglarized sometime between 6 p.m. Saturday, and 7:48 p.m. Sunday. Entrance was gained by breaking a glass in the east door.

Pete Cole, investigating officer, said nothing was found missing at the time of investigation, but that several desks had been opened and ransacked.

Causey's White House Fruit Market was also burglarized during the weekend. Sometime between 6 p.m. Saturday, and 7 a.m. Monday, the north window on the east side of the building was pried open.

According to A. A. Bagwell, investigating officer, 13 cartons of cigarettes and some purchase tickets, belonging to Marion Causey, were taken.

Dragged By Car, Woman Escapes Serious Injury

A Friona woman was in good condition after being dragged and then thrown by her car near Hereford Tuesday afternoon.

Mrs. J. R. Wall of Route 3, Friona, was driving west on U. S. Highway 60 one-half mile east of Hereford when she dozed at the wheel. Her husband was asleep in the front seat.

The 1965 model car she was driving veered off the road and hit a wooden guard post. The left front door flew open and Mrs. Wall was half-thrown from the car as it dragged her along the edge of the highway head-down, her leg trapped in the door.

About 100 feet after impact, Mrs. Wall fell from the vehicle. The car was stopped by her husband after it rolled an additional 250 feet down the side of the road.

Investigating officer was Highway Patrolman Gilbert Ray of Dimmitt. He estimated damage to the Wall vehicle would total \$250.

Attending physicians said Wednesday morning that Mrs. Wall was in good condition at Deaf Smith County Hospital. She was taken to the hospital by Gilliland ambulance about 3:30 p.m.

Phillips Heads Drive For Boys Ranch Pumper

Boys Ranch is going to have a new fire station. Earl Phillips of Hereford, who is the chairman of the fund raising committee, said that at the 55th Semi-Annual meeting of the Panhandle Firemen's Association, held in Amarillo Sept. 9, plans were made to raise the funds that are necessary.

Phillips, along with the other members of his committee, R. A. Massey of Dumas, J. T. Wilkenson of Canadian, and Thomas Clayton of Memphis, are heading a drive to raise \$12,500 to buy the fire truck needed at Boys Ranch.

Fire Departments in the 38 counties which make up the Panhandle Firemen's Association are raising this money through donations, and various methods.

(Continued on page 2)

\$100 And Seven Days For DWI

Robert Vernon Davis, 806 S. Texas, Hereford, was arrested at 5 p.m. Monday and charged with driving while intoxicated, first offense. Davis was picked up at 340 W. 3rd by Sheriff's Deputy Ed Roberson. Court Judge Don Zimmerman set the fine at \$100 plus court costs, and seven days in jail. The trial was held Tuesday.

Trustees Hear Report On Crowded School Condition

An extensive report on current enrollment and classroom conditions highlighted a meeting of the Hereford Rural High School board of trustees Tuesday night.

Superintendent Paul Stevens reported that facilities were nearing the critical stage and that the board would need to look seriously at its various buildings in the near future. He reported that enrollment Monday afternoon was 3,024, compared with 2,849 the same day of 1960. Of these 1859 are in elementary schools, compared with 1711; 705 are in junior high, compared with 649; and 460 are in high school, compared with 466.

Elementary schools, after some shuffling, are in pretty good shape on class average, he said, although the sixth grade at Northwest Elementary is still crowded. He said that a multi-purpose room in that

school could be divided with temporary partitions if necessary.

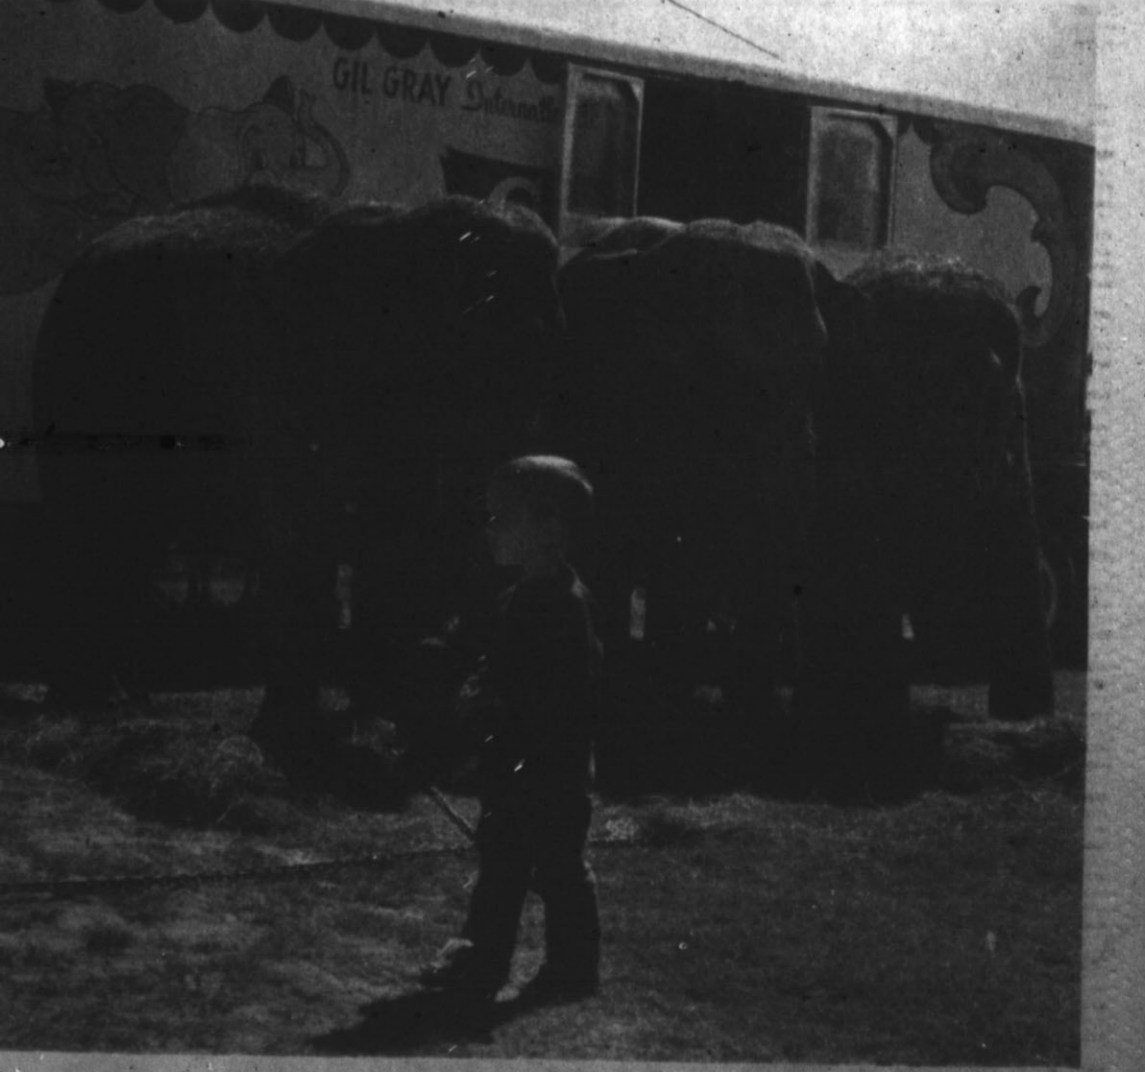

The only vacant room is at Central School he reported. There is enough furniture to take care of one more classroom. Of the total enrollment, Stevens said 57 were enrolled at the beginning of the school year, since the first state money has not arrived and tax payments haven't started coming in.

Virgil Dodson and Abe Davis appeared on behalf of the Hereford Migrant Ministry. They explained that the group was trying to aid the migrant workers who come to Hereford in the summer. They offered their facilities at the Labor Camp and any other assistance possible to help educate the workers. Dodson said an estimated 7,000 migrant workers were in Hereford this summer and that more and more of them are remain-

ing here all year. Sidney Woodridge of Lubbock talked with the board about the services of the company for which he works, Rauscher, Pierce & Co., Inc., of Dallas. The company, he said, was a bond company that worked with many school districts in this area.

"We aren't here to promote any bond issue," Woodridge said. "We are just here to introduce our company and our services. If it becomes necessary to have a bond issue for your school, we would like to represent you."

Trustees talked about \$14,000 which is owed McMorris and Company of Amarillo for property valuation appraisal work in the school district. The balance is due on Nov. 1, 1961, with three one-year warrants suggested to pay the bill. Trustees decided to withhold action until the October board

A CIRCUS JUST CAN'T come to town without small boys flocking to get a close look at the animals and watch the trapeze being built high into the air. And when the Shrine Circus arrived in Hereford Wednesday morning, the small boys were on hand. Marshall Formby, young son of Mr. and Mrs. Clint Formby, temporarily ignored the trio of elephants while looking in vain for the clowns. (Staff Photo by Peppy Blocker)

Wertemberger Views Other Shrine Dramas For Canyon

Erin Wertemberger studies drama material collected (Staff Photo)

Originally just a dream of a few people, and now only one year, much work, and 7000 miles later, "symphonic drama" is to be a reality.

Erin Wertemberger of Hereford, a member of the Panhandle Heritage Foundation, has recently returned from an extensive tour of the Southeastern United States, where he and three other people viewed a writer's creation which has skyrocketed into one of the biggest things since television.

Exactly one year ago, as a result of an article in a national magazine, the idea was formed in the mind of one Canyon woman. That idea is now about to become one of the Panhandle's most promising tourist attractions.

Although a dramatic production is not usually considered a tourist attraction, Wertemberger visited many remote communities which had upped their annual tourist accommodations from zero per year to three to four thousand visitors per night as a result of their symphonic dramas.

Paul Green, one of the nation's more successful contemporary writers, is presently writing a script for the special purpose of relating the Panhandle's colorful history. This script is soon to be presented in a theater designed especially for the presentation. The theater will be built in Palo Duro Canyon, possibly before next summer, according to Wertemberger.

Wertemberger accompanied Dr. and Mrs. W. A. Moore and their son on a 7000-mile tour of all eight of the present "symphonic dramas" playing in the United States.

During their trip, the foursome visited for three days with Paul Green, the Pulitzer Prize-winning author from North Carolina. Green is the originator of "symphonic drama." These dramas are actually historically-based plays, incorporating music, comedy, and moving drama in one of the newest and fastest growing forms of entertainment.

Mr. Green, whose symphonic dramas have enjoyed runs of as long as 19 seasons to consistent sell-out crowds, has agreed to write a script depicting the history of the Panhandle area.

Wertemberger reports that the Heritage Foundation has already contracted an architect to design a theater for the play's production. If all goes well, the production should open next summer.

The cast will consist of paid local actors, and will feature a symphony orchestra to accompany the play. Open try-outs

will be held for actors from throughout the Panhandle.

According to Wertemberger, much interest has been aroused about the forthcoming attraction. Members of the Panhandle Heritage Foundation include prominent citizens of Canyon and Amarillo, as well as other Panhandle towns. The foundation was formed with the dream of a symphonic drama for Palo Duro Canyon, but the group surprised itself by getting so much support and cooperation from area residents.

With the opening of the drama within the near future, the program has already advanced to the ticket-selling stage.

Dr. W. A. Moore, director of the Branding Iron Theater at West Texas, has been picked to direct the production. Mrs. Margaret Harper of Canyon is president of the foundation and originator of the idea of a symphonic drama to echo from the walls of Palo Duro.

Panhandle area residents who are interested in the progress of the group are invited to attend a meeting Sunday, Sept. 17, in Canyon's Branding Iron Theater. During the meeting, plans for the production will be discussed, and a business meeting will be held to determine major details of the project.

Eventually the drama could lead to the improvement of facilities at Palo Duro, and bring about a growing tourist trade for the area, as has been the case in the eight other such productions in the United States.

Panhandle Heritage Foundation members point with pride to an editorial which appeared in the Houston Post which states in part, "The Panhandle's forthcoming symphonic drama is likely to publicize that region and its past glories and present attractions as nothing else has done in generations. It will set an example which other portions of the state with interesting histories might well follow."

Wertemberger reports that many people have already expressed their interest in the production. In visits and letters with people from other portions of the state, people are saying, "Now, why didn't we think of that?"

Others are anxious to see how the drama progresses. Foundation members are quite confident that the symphonic drama will be an overwhelming success, especially after the recent tour which revealed the progress of other similar productions.

Not only a huge step forward culturally, the play is forecasted by Foundation members as being one of the biggest attractions of the Panhandle in the future.

Underwood sold his first helicopter to his brother. Later he began the machine which is now nearing completion. Stating that he would be happy to display his creation to local flight enthusiasts, he expects to have his second bird finished within a month.

"The hardest part of building the helicopter is the main rotor," he said. "The rotor is about ten feet long. It is constructed of plywood which is reinforced with a metal shank on top."

At present, the rotor is the main thing he lacks having his machine completed. It is still at Wellington where his partner is constructing the bird is putting the finishing touches on it. Judge Horton of Wellington did most of the wood work while making the parts, as Underwood has hand-made the metal frame from parts of a wrecked aircraft.

Resembling the old autogyro in flight principle, the craft has one motor - drive propeller which moves the aircraft forward, while the free-wheeling horizontal main rotor serves as a wing to keep the craft aloft.

One of the safest forms of aircraft, the self-spinning rotor cannot possibly let the copter "fall," because it is designed in such a way that if the motor were to die, the blade would actually rotate faster, allowing the bird to make a perfectly gentle landing.

Quite inexpensive to build considering the usefulness of the finished product, Underwood reports that a person could easily construct such a whirlybird for less than \$100 complete with motor.

Few tools are required, as most of the framework merely consists of straight metal braces and plywood. The most tedious part of the operation is the construction of the rotor blade; however Underwood feels that the complete machine could be finished in two or three weeks of steady work.

Enumerating the costs and materials of the helicopter, Jim thinks the pleasure he has had with the two birds is well worth the time and money spent. Plywood, gas tank, motor, and other materials only totaled about \$80.

With this investment, he has come up with a helicopter that will cruise at 60 miles per hour, climb at the rate of 950 feet per minute, and fly as slowly as seven miles per hour for take off and landing. A strip of only 300 feet is required to take off airplane-style in the modified whirlybird.

Enthusiastic best describes this love for flying and his helicopter ventures, Jim was a fighter pilot during the war. "I grew up around flying," he states. "My dad ran an airport when I was a child, and I guess I have always liked flying."

Like go-karts, hula hoops, and custom cars, miniature helicopter building and flying could become another fad, now that modern design has moved it within the reach of the average man or boy.

"I would be glad to help anyone around here who is interested in building one of these things," he offers. "I think it would be a lot of fun for some of the boys to try their luck at building a helicopter."

Something to work on in his spare time, Jim's helicopter should be seen darting about the sky in the near future. Although he plans to keep this machine, he has already begun figuring on a two-seated aircraft similar to the one he is now finishing.

Phillips...

(Continued from page 1)
Dub Reeves of Hereford was elected to one of the offices in the Panhandle Firemen's Association. The officers are: Cliff Delaney of Dalhart, president;

Paul Sublett of Shamrock, first vice president; Dub Reeves of Hereford, second vice president; V. E. Hefner of Chillicothe, secretary - treasurer; and Glen Phillips of Amarillo, assistant secretary.

The Hereford Volunteer Fire Department has pledged to give \$500 toward the purchase of the fire engine, and is trying to raise the money through donations. They ask anyone who wishes to contribute to this project, to leave them at the Hereford Brand office, or to contact any Hereford Volunteer Fireman.

Mr. and Mrs. V. E. Hefner of Chillicothe have donated \$9,000 for the building needed for the fire station at Boy's Ranch and the Lubbock Fire Department has donated a small booster pump truck. A fire truck is the only thing needed to complete this project.

Several residents of Hereford were present at the Sept. 9 meeting. They are: Mr. and Mrs. Dub Reeves, Mr. and Mrs. Gerald Hale, Mr. and Mrs. Bill Howard, Mr. and Mrs. Tuck Loerwald, Mr. and Mrs. Bob Spaulding, Mr. and Mrs. J. W. Dickerson, Mr. and Mrs. W. O. Witherspoon, Mr. and Mrs. Earl Phillips, Mr. and Mrs. Bill Drummond, Mr. and Mrs. Max Stipe and Rev. Joel Treadwell. Gerald Hale and Tuck Loerwald, members of the Hereford Fire Department's water polo team, won second

Underground Water Conservation District is stable at .05 cents, but the Road District Interest and Sinking Fund, at .20 cents in 1960, has been lowered to .13 for 1961 and 1962.

Judge Zimmerman emphasized that the budget was being set up to take care of all necessary and foreseeable expenses. He pointed out that normal replacement items are included in the budget estimate.

He added that if items are not included in the budget, they will not be purchased by the county. "If it's a worthwhile thing, we'll be glad to include it in our next budget," he said. "But the law requires that we budget our operations and live within the framework of the budget... We intend to do this."

volunteered to pick up any donations which might be made. If you would like to make a donation, call the county Red Cross office.

Meeting Wednesday morning the Deaf Smith County Chamber of Commerce named Curt Roach, J. T. Sims, Don Zimmerman, R. G. Peeler and Jimmie Gilentine as nominating committee for new directors.

Hereford football mothers will organize at a meeting on Tuesday, Sept. 19. The meeting will be held in the Community Center, starting at 7:30 p.m. All mothers of varsity and B team players are urged to attend.

Tickets for the Hereford-Dimmitt football game will be on sale in the high school principal's office until noon Friday. Athletic director C. K. Kitchens said that there are no reserved seats on Hereford's side of the field, so you should plan on going early to get a place to sit.

The CC's trade promotion committee will meet at 10 a.m. Thursday, Sept. 14, in the Jim Hill Hotel ballroom. Tris Coffin of Amarillo will be guest speaker. He is manager of the Amarillo Better Business Bureau and will talk on "Retailers and the Better Business Bureau," using case histories on rackets used in this area. Coffee and doughnuts will be served.

And the Chamber's beautification committee is scheduled to meet at noon Thursday, Sept. 14, at the Hereford Country Club. Topic for the luncheon meeting will be outlining plans for fall and winter.

The newly organized Hereford Real Estate Board will have a luncheon meeting at the Country Club at noon on Friday, Sept. 15.

Our Miss Carla was really a honey. But, like all girls, cost a ton of money. Folks down south said she was "the most". But I'm just glad she stayed on the coast.

AUSTIN HIGHLIGHTS

Radioactive Fallout And Shelters Are Under Study

AUSTIN — Radioactive fallout is under close scrutiny at Texas' two testing stations in Austin and El Paso.

Resumption of nuclear testing by the Soviet Union brought on the 24-hour-a-day shift atop the State Health Department building in Austin where sampling devices, working like vacuum cleaners, pull jet streams of air through a filter to measure fallout.

During the four year nuclear test ban, radioactivity got progressively lower. Before the tests were stopped, engineers said it was 50 to 100 times higher. They expect results of Russian shots to begin showing up here within the next few days.

Bees Squeeze Past Tulia's Bees, 18 To 14

In their first game of the season, the Hereford Whiteface B team defeated Tulia 18-14 at Tulia Saturday morning in scrimmage. Coached by Coby Kitchens, the Bees will play at Whiteface field Thursday night beginning at 8 p.m. when the Dimmitt "B" team comes to town.

With two of the Herd's scores coming to climax slow but steady drives, one touchdown came as quarterback Austin Hodges completed a pass to halfback Charles Kelly which was good for 40 yards.

Fullback Arnold Powell scored from two yards out, while Austin Hodges accounted for the other tally with a five-yard plunge.

Sophomore Neal Lueb was the defensive standout during the scrimmage, according to coach Kitchens. During the scrimmage, regulation rules were used, except there were no kick-offs or punts.

Suffering from a shortage of players, the Bees are using members of the varsity squad, and cannot play a regular game. However Coach Kitchens stated that the Bees may be able to hold a standard game against the young Bobcats Thursday night.

Sophomores would then replace juniors Hodges, Powell, and Kelly in the "backfield" lineup. Calling signals will be Jim Higgins at quarterback, Mike Ferguson and Ronnie Duncan will be at halfback posts and Eddie Johnson will fill the fullback slot.

Other starters for the Bees will be Bill Hill, left end; Carlton Richardson, right end; Steve Patton, left tackle; Neal Lueb, right tackle; John Kovacs, left guard; J. Carter, right guard; and Manuel Pacheco, at center.

EYE OPENING GIFT
WINSTON - SALEM, N. C. The North Carolina Eye Bank for Restoring Sight Inc., has received more than 2,000 pledges of eyes to be used in corneal transplants.

More than 7,500 wills are on file with the eye bank. Seventy-one eyes passed through the bank in 1959-60. Forty-two of these were used in transplants and 29 in research.

The Pueblo Indians flourished for centuries and reached a high state of culture before mysteriously vanishing 700 years ago.

West of the U. S. Army Engineers at Fort Worth, who has been assigned to survey, will work in coordination with the State Civil Defense and Disaster Relief Division and local civil defense officials.

Survey is part of a national program to locate possible fallout shelter space in existing buildings, tunnels and other protected areas.

Poultry Industry in Trouble
Texas Agriculture Commissioner John C. White organized a conference of southern Agriculture Commissioners in Atlanta, Ga., to "seek ways and means to help save the poultry industry."

White said they will attempt to find ways to relieve the current "disastrous poultry prices" which are at the lowest point in the history of commercial broiler production.

This is not just a local situation in Texas," White said. "The entire national broiler industry is suffering from a price depression."

He reported poultry prices dropped in the past week to as low as 10.5 cents per pound, or as much as five cents below cost for many producers.

Meanwhile, the Attorney General's Department is studying the record of a special court of inquiry to determine if anti-trust violations are involved in the price decline.

Witnesses testified the trouble is overproduction. Actually the overproduction is not in Texas but in the 21 other broiler producing states.

Phil Friberg, manager of the Western Hatcheries in Gonzales, said 50 per cent of Texas' broiler producers will be out of business if something doesn't happen.

Atty. Gen. Will Wilson wants to determine if "there is any effort to price the Texas poultry producer out of business."

Padre Island Study Ordered
Governor Daniel has taken up Land Commissioner Jerry Sadler's recommendation that a feasibility study be made to determine whether Padre Island beaches should be turned into a state park area.

Sadler said the Governor agreed to appoint a statewide committee with instructions to report quickly. The long, slender island, a potential playground paradise, has been the center of controversy since it was proposed that a large portion of it be turned over to the federal government for a national park area.

Loan Companies Cleared of Anti-Trust Charge
A civil anti-trust suit alleging 31 loan companies conspired to push punitive small loan laws through the Texas Legislature has been dismissed by Federal Judge Ben Rice Jr. in Austin.

Suit, filed by J. L. House Jr. who operates a small loan business in Waco and other cities, charged that large Texas and out-of-state loan companies conspired to secure enactment of laws that would "destroy the small loan business of the plaintiff and all others similarly situated."

Judge Rice held the allegations did not show sufficient cause against the defendant companies to warrant a court trial.

Oil Prices Hit
Governor Daniel joined independent producers in plea for action to stem the tide of falling Texas crude oil prices.

"In view of rising equipment and operating costs, crude purchasers should be thinking of some price increase," he said. "Domestic crude oil is long overdue for more realistic prices

Independent Producers and Royalty owners Association, James F. West, said a personal appeal is being made to the heads of purchasing companies "in hope that common sense will assert itself."

Paper Backs in School?
State Board of Education has launched a study into the question of how much could be saved by using paper-back books in schools, and whether it would be worth it.

"We can't say what the savings will be until the study is made," State Education Commissioner J.W. Edgar said, "but it appears the initial savings will be considerable." He pointed out the principal cost of some books is what's inside, rather than the materials used.

Board authorized the Texas Education Agency to start by asking bids on both soft cover and hard cover editions of one textbook — Vocal Music for seventh and eighth grades. It also

authorized the agency to have a qualified laboratory test the wearability of paper backs against hard covers and submit findings.

Democrat Turns Republican
Jack Cox of Breckenridge, former member of the Texas House of Representatives who ran as a democrat for Governor in 1960, announced he is enlisting in the Republican Party "as a buck private."

"I can no longer support nor be a part of the Democratic Party under its present leadership and political platforms," he said. "And I shall immediately exercise my constitutional privilege of pledging my efforts and dedicating whatever abilities I may have to assist the Republican Party in its fight to restore constitutional government."

He said he will gladly serve the party of his new choice "in any capacity, no matter how small."

But he left the door open to run for Governor again. He polled some 620,000 votes in a two-man race that Governor Daniel won with 909,000 votes in 1960.

Road Maintenance Funds Needed
State Highway Commission is asking more flexibility in use of funds for maintenance of Farm-to-Market roads.

Problem today is adequate maintenance, improvement and reconstruction of roads already built. Therefore, a portion of the total F-M earmarked funds must be spent for maintenance.

Governor Daniel vetoed the earmarked construction funds for the second year of the new biennium as a step in this direction. The Highway Department expects legislation to be introduced at the coming special session to finish the job.

SHORT SNORTS
About a nickel a day — that's what tax experts figure the new sales tax will cost the aver-

age Texan whose income is figured in the three- to four-thousand-dollar bracket.

State Treasurer Jesse James reports a slump of \$37,746 in August sales of cigarette tax stamps.

H. S. (Hank) Brown, president of the Texas AFL-CIO, predicts the Texas sales tax "will retire more legislators than ever before in history." He predicted "Texas will not take this tax."

State draft quota for October, calling for 911 men, is 201 less than September call. State Sel-

ective Service Director Morris Schwartz reports 6,002 men will be given pre-induction examinations in October.

"School Traffic Safety Week" has been designed as September 18-22 by Governor Daniel, who appeals for "vigorous traffic safety programs" throughout the state.

Labor Day weekend was the safest in Texas since 1946 with only 19 fatalities recorded by Department of Public Safety against expected 30. There were 17 for comparable period in 1946.

Is Domino Unhappy Over You?

Whiteface Home Sports New Spirit

WHAT'S NEW?
There are many new things around Hereford High School this year, when one gets to looking around. Many that are not so obvious, but mostly things that are new every school year— or are they?

With many veterans back for their second or third year of Hereford High, there are 170 "new" sophomores eagerly scrambling about the campus. Then there are the 149 seniors who are in Hereford High School for their long-awaited last year. Add this to the 142 juniors, and get a total of 461 students in H. H. S. this year.

Two of these students are especially welcomed to the campus. To Gillian McArthur of Edinburg, Scotland, and to Peter Lantz of Lahall, Stockholm, Sweden, the Whiteface extends a hearty Texas-sized welcome. Gillian and Peter are the exchange students who are attending school here at H. H. S. in order to learn what America really is.

There are many other students who have moved to Hereford and are attending high school here for the first time, to whom the Whiteface also says, "glad to have you."

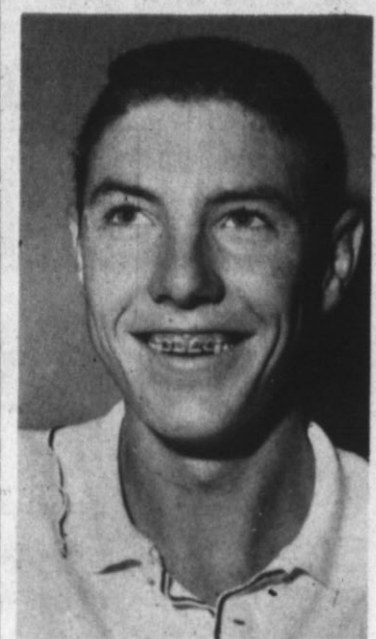

Then there is the new top man around Whiteface land this year. L. B. Russell is his name; principal of Hereford High School is his trade. Mr. Russell was principal of Shirley Elementary School previously.

Most noticeable and most welcomed are the so-called "new" fighting Whitefaces. Already showing their new-found strength, the Whitefaces of 1961 appear to be out shopping for another relatively scarce item for Hereford—a district football crown. The last championship for the Whitefaces came in 1945, and is beginning to tarnish a bit.

Under new direction, the Whitefaces claim to have many surprises in store for Hereford football fans, along with spectators from Dumas, Phillips, Levelland and Littlefield. With head coach Jack Meredith at the controls of the 1961 Whiteface special, it's a non-stop run from here to who knows where.

Updated through modern fas-

tion design, those flashy new maroon and white uniforms of (Continued on page 6)

Walker Parris

A Senior Personality

One of the outstanding Seniors of 1961-62 is Walker Parris. He is 6'2" and is a well-known and well-liked sight in the halls of H. H. S. Out of school he is known in a white Chevy.

Walker was born in Lubbock, Tex., on Dec. 24, 1943. His parents are Mr. and Mrs. O. W. Parris of the Frio community. He is president of Hi-Y and is second Vice President of this region. Walker has high hopes for Hi-Y this year.

Walker's a football enthusiast from way back. He lettered on the varsity three years before receiving a neck injury last season.

One of his hobbies is showing the girls a good time. But even though he is well pursued by the girls of H. H. S., his favorite is Suzanne Langley. When asked what he does on dates, he merely replied, "I'll never tell." Walker thinks the new faculty of H. H. S. is great and doesn't have any dislikes.

His summer was one that most of us would like. All he did was loaf.

After graduation he plans to attend college and major in music. Walker ought to do very well because as everyone knows he's the singer with the Frio Trio. The students in H. H. S. know how well they play in assemblies.

Walker's advice to underclassmen is "Be good and have fun, but if you have to make a choice, have fun!"
BEAT DIMMITT!!

BIG DOMINO CLIMBED down from his usual perch above the trophy case at HHS last week to take a survey of the home of the Whitefaces. The famous Whiteface bull and mascot, Domino is roaming the classes and activities of HHS to check up on his

school's spirit this new school year. He reports to Big Domino Band drum major Curtis Crowell that results of his survey indicate the situation is in fair shape, but has room for improvement. (Whiteface Photo)

Domino Surveys Alma Mater

Unnoticed and all but forgotten, he slipped through the halls of HHS. Faster than a speeding bullet, and quieter than the Canyon fans following last Friday's upset, he sneaked about Hereford High School on official business during the first weeks of this new school year.

Considering that he was a championship bull, he was doing better than most bulls could do by keeping his presence a secret to almost everyone.

Big Domino, who usually sits contentedly above the first floor trophy case at Hereford High School, slipped from his perch

in order to run an errand for the head Whiteface who has already gone to join the last round-up.

Only one person was alert enough to meet up with Domino, he just happened to be a Whiteface reporter, and so this lucky soul held an impromptu press conference with the notorious HHS mascot of some years ago.

It seems that the Head Whiteface up in the sky ordered Big Domino to do a little checking up on his old "Alma Mater." Domino related that he had heard some displeasing rumors (Continued on page 6)

Nancy Edwards

A Senior Personality

One of the better attractions running around the halls is Nancy Edwards. She is the 17-year-old daughter of Mr. and Mrs. Calvin Edwards, who reside at 518 Star Street.

Nancy was born in Hereford on Nov. 8, 1943. She has lived in Hereford all her life.

Her favorite hobby is boys, but she also enjoys sewing and painting. Her favorite sport is basketball.

Nancy is a member of Tri-Hi-Y, Thespians, and F. H. A. She takes a very active part in these clubs and other school activities.

Her most embarrassing moment was when Nancy was in Dallas with some girl friends. They had just finished riding the roller coaster, so naturally when it was over Nancy jumped out of the car. Just as she did her horse supporter broke. By the way things seemed, she had a little trouble keeping her nose up!

Nancy's future plans include (Continued on page 6)

Staff Plans For Better Whiteface

"In the interest of the students" has been chosen as the theme for the coming year of the Whiteface. Official publication of Hereford High School, the Whiteface will attempt to present a paper that will be both beneficial and interesting to the students of Hereford High School.

The earnest desire of the Whiteface staff is to represent and serve the entire student body in all its activities and functions, and to promote HHS in every way possible.

Sponsoring the Whiteface this year will be Mr. Earl Smith. Mr. Smith comes to Hereford from Friona, where he was sponsor of the prize winning Friona Chief school newspaper. Under his leadership last year, the Friona paper outclassed the Whiteface in Journalism contests at Canyon.

Last term's Whiteface was the recipient of the Distinguished Merit Award in High School Journalism. This award is the highest honor given to high school newspapers by the Texas Interscholastic League, and was presented to the Whiteface the day before school was out last year.

Not content to stand on past laurels, the Whiteface plans many changes this year in order to make a more enjoyable school paper for Hereford High students.

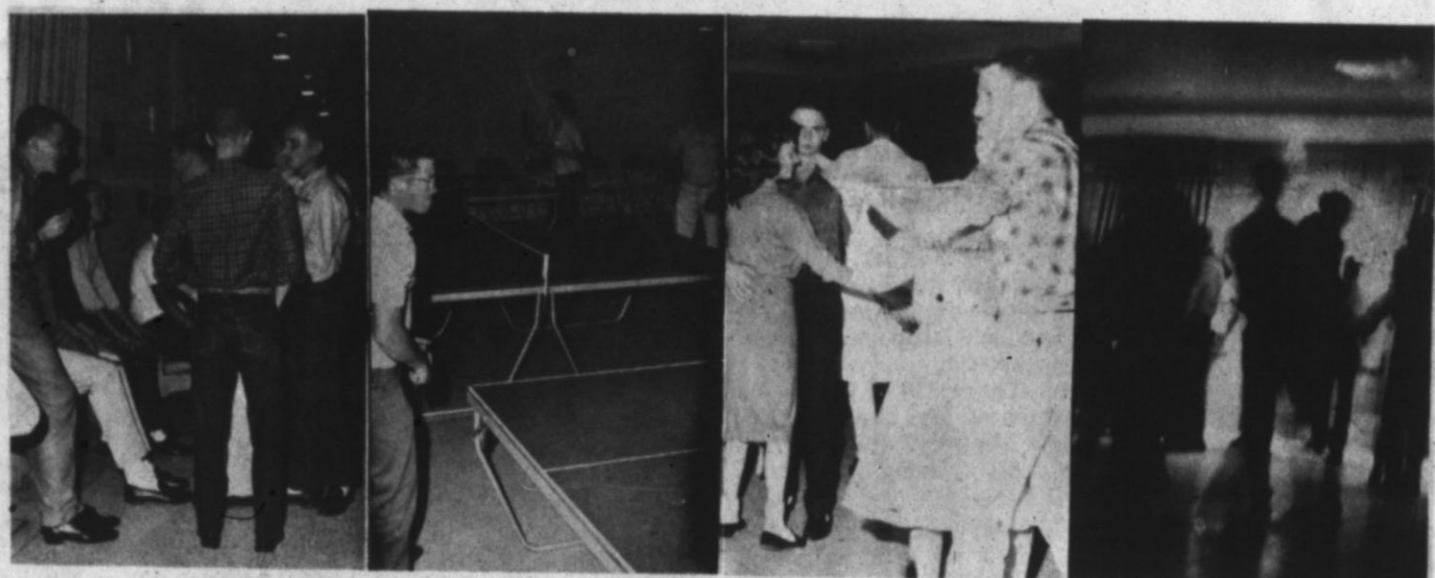

Meeting for the first time Sept. 5 in a cramped room and under confused circumstances, (Continued on page 6)

Section Two

CELEBRATING VICTORY are students of Hereford High School following the Canyon tilt here Friday night. Sponsored by separate classes of Hereford High School, a party will be held following each home game of the Whitefaces this year. Approximately 200 teen-agers at-

tended the first party of the year, which was held at the Hereford Community Center. With something for everyone to do, there is ping pong, dancing and just plain having a good time. (Whiteface Photos)

Whitefaces Find New Strength In Team Rebuilt By Meredith

Winning their second football game of the year, the determined Hereford Whitefaces romped over Canyon's previously high-flying Eagles to the tune of 19-0 before a packed stadium of some 4500 fans.

After a scoreless first half of hard-hitting gridiron antics, the Whitefaces broke loose in the third quarter. Canyon had been picked over the Herd by most of the big-time sports writers, but Hereford had other ideas concerning the outcome of Friday's game.

In a repeat performance of the Brownfield season opener, the Whitefaces paid little heed to sports prognosticators as they blanked both squads.

Hereford will travel to Dimmitt Friday night to take on the Bobcats, and the Whitefaces are picked to take this one in stride for a change. Hereford defeated Dimmitt 28-0 in last year's battle against the Bobcats and the big Junior Coffey. With the Bobcats' main asset off playing football for Washington this season, the Whitefaces should have little difficulty overcoming the Bobcats at Dimmitt.

Said to be a rebuilt team, the Whitefaces are operating this season with only four starters back from the '60 edition of the Whitefaces, which won four, lost the same, and ended up with one tie.

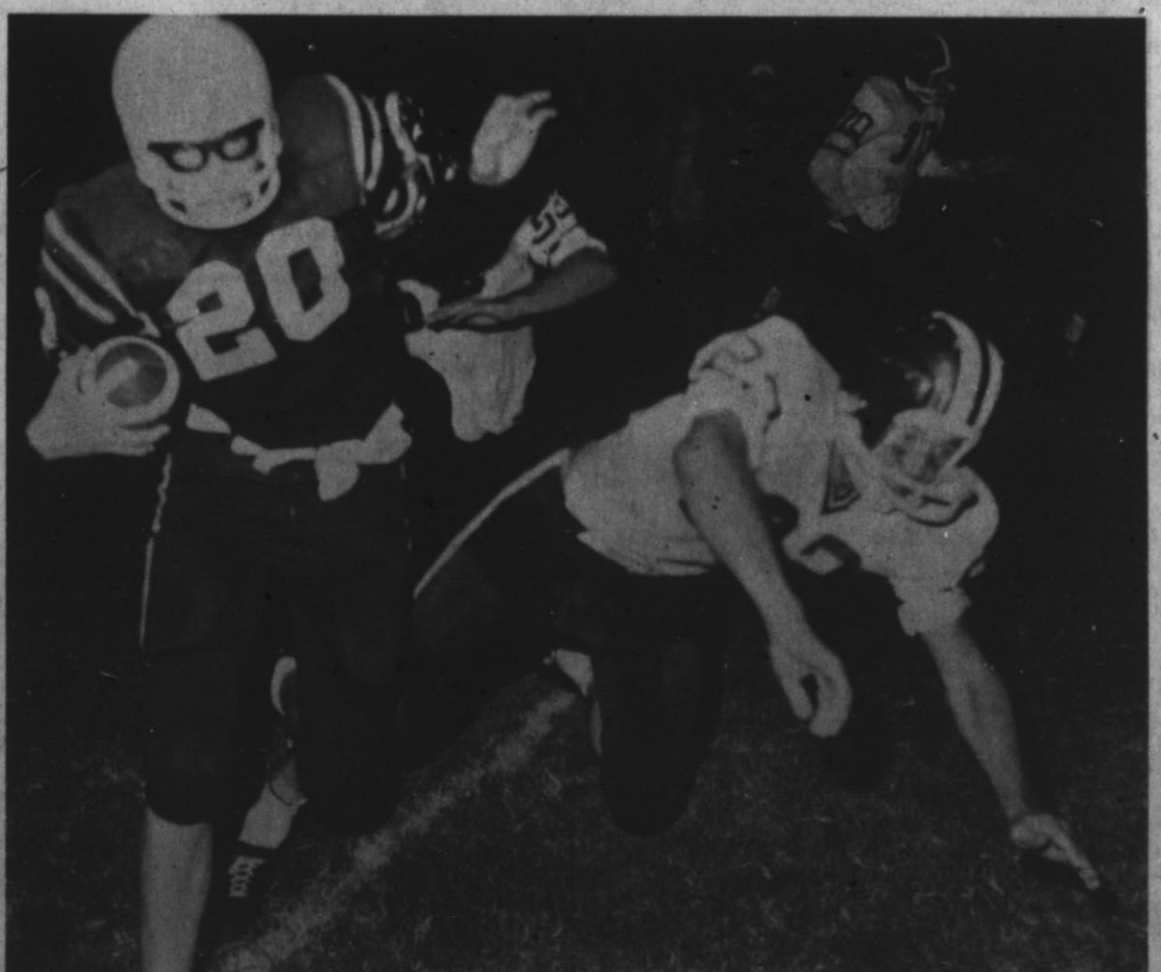

With head coach Jack Meredith coming to the rescue, his rebuilding efforts seem to have passed the test. The fighting Hereford Whitefaces, with nine lettermen back from last sea-

son out of the 34 boys on the squad, are proving to be holding their own.

Holding Canyon and Brown-

field scoreless speaks well of the Herd's brick-wall type defense. Running up against such opposition as Teddy How-

ell's pinpoint passing for the Brownfield Cubs, and the high-scoring antics of the (Continued on page 6)

EVADING HEREFORD'S MACK CANSLER is Canyon Eagle quarterback Davis Price (20) as he picks up six yards on a roll out around right end Friday night. Picked as an underdog in the non-district duel the Whitefaces came back after a scoreless first half to defeat Canyon 19-0. Halfback Cansler scored twice for the Herd on break-away runs of 75 and 61 yards, while also playing heads up defense as he intercepted a pass to put Hereford in scoring position again. (Staff Photo)

Sophomores In Class Meeting

The Sophomore class had a meeting with Mr. Phillips and sophomore teachers Thursday morning, Sept. 7, in the high school auditorium. This being the first year in Hereford High, Mr. Phillips explained to the sophomores the purposes of the home rooms.

Home room is a 30-minute period of the morning in which students may use to study. On some mornings during the home room period, there are assemblies or pep rallies. The individual home room has a program one morning a week on guides in vocations, education, social problems or any other interesting topics. Each home room elects a president, vice-president, secretary, and treasurer to serve during the year as home room officers.

The election of home room officers will probably be held some time this week. Steve Coneway is president of the Sophomore class, the vice-president and secretary of the classes will be elected later. Jay Carter will represent the Sophomores as secretary of the Student Council.
BEAT DIMMITT!!

From Behind The Lockers

John Buck didn't want to have his picture taken for Student Council because he forgot to do his hair the night before.

Three unidentified popular Junior girls are on the prowl for boy friends. Anyone interested please inquire at Mr. Hinkley's fifth period English III class. Only one requirement— (Continued on page 6)

Miss Collard Finds Bowling Enjoyable

Miss Jean Collard, who teaches physical education at Hereford High School, is our teacher of the week. She was graduated from North Texas State College in May, 1961, with a Bachelor of Science degree in physical education and six hours of graduate work.

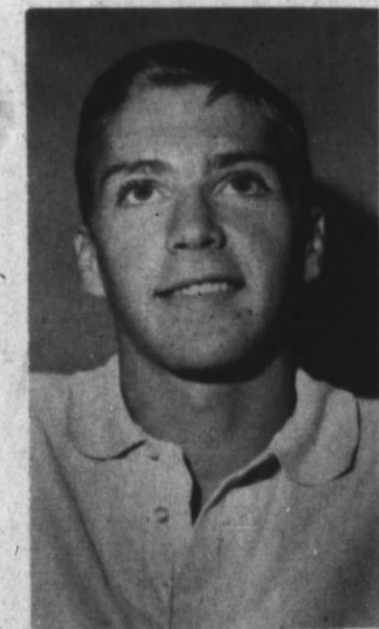

Miss Collard enjoys going to all sports events in this area and bowling. Last year while attending North Texas, she won first in singles, all-events in bowling. Her partner and she took first in doubles at tournaments at North Texas, the University of Texas, and Sam Houston State Teachers College. Also, at the women's state tournament in San Antonio, the pair took similar honors along with a state championship in doubles. It comes as no surprise that you can usually find her at the bowling alley during her spare time.

As for her opinion of Hereford High School, she says, "I think Hereford High School is one of the most friendly schools I have seen. I am especially impressed by the orderly conduct by the students as a whole. Also, I feel there is a much more closer relationship between students and teachers than there was when I was in school. I am firmly for a good student-teacher relationship because the teacher will be able to understand the student better."

Miss Collard's advice to seniors is to get the best by doing all they are capable of doing in everything they confront in school. She believes that getting what is offered in high school will enable each student to get a start on an education in life whether it be a chosen professional field, housewife, or laborer.
BEAT DIMMITT!!

MISS JEAN COLLARD is the new girls' physical education teacher at Hereford High School. She was graduated from North Texas State College last May, where she was noted for her ability with the kimpkins. Winning many singles and doubles championships in college competition, she still spends much of her time participating in one of the many sports which she enjoys, bowling. (Whiteface Photo)

John Buck

A Senior Personality

John Buck, whose hobby is chasing girls, is our first Senior to be interviewed this year. John is the 17-year-old son of Mr. and Mrs. M. R. Buck, 116 Ranger Drive. He was born Jan. 17, 1944, in Kansas City, Mo.

John is a member of the Key Club and President of the Student Council. He has lettered three years in baseball and regards it as his favorite sport.

Part of his summer was spent working for Bill Waldrep, manager of Community Grain at Easter. The rest was spent in Philadelphia at a Key Club International Convention and in Abilene for a state-wide Student Council Workshop. At the end of the summer John worked as lifeguard at the Country Club.

"Everytime I open my mouth, I am embarrassed," admits John.

During John's Junior year, nothing was good, but this year there isn't anything bad.

"Have fun and to Bill Hill and Mike Furgason beware!" is John's advice to underclassmen.

After graduation he plans to study law and be a bachelor lawyer unless something (or someone) comes along.
BEAT DIMMITT!!

Students Start Trek To College Campuses

Cars, buses and trains started their annual pilgrimage to colleges and universities far and near this week. Joining in the quest for higher learning will be a large number of students from Hereford and Deaf Smith County. Many students, with a mixture of excitement and apprehension, will be going to college for the first time. Others will be returning after a summer at home, eager to renew campus friendships, enter new classes and participate in the many extracurricular events which characterize college life.

Despite an intensive effort, the Brand probably has missed information about some students from this area who will be going to college. If so, please call the Brand office and we will be happy to use the information.

Bill Johnson, 21 - year - old son of Mr. and Mrs. Cliff Johnson, Westway. Bill is a senior majoring in animal husbandry.

Edwin Thomas, 18 - year - old son of Mr. and Mrs. Henry Thomas, 322 Ave. J. Edwin is a freshman majoring in chemical engineering.

Gary Guseman, 18 - year - old son of Mr. and Mrs. C. T. Guseman, 503 E. Fifth. Gary is a sophomore majoring in animal husbandry.

Godfrey Baldwin, 21 - year - old son of the Rev. and Mrs. B. H. Baldwin, Frio. Godfrey is a senior majoring in sociology.

Judy McGee, 19 - year - old daughter of Mr. and Mrs. Taft McGee, 209 Ave. D. Judy is a sophomore majoring in elementary education.

Ronald Anderson, 19 - year - old son of Mr. and Mrs. Glen Anderson, 115 Ave. I. Ronald is a sophomore majoring in math.

Wheeler Sears, 22 - year - old son of Mr. and Mrs. Henry Sears, 145 N. Texas. Wheeler is a senior majoring in math.

Gene Meacham, 19 - year - old son of Mr. and Mrs. Harold Meacham, 1007 Grand. Gene is a sophomore majoring in physics.

Mary Kay Panciera, 18 - year - old daughter of Mr. and Mrs. Ted Panciera, 517 Ave. J. Mary Kay is a freshman majoring in drama.

Steve Slagle, 21 - year - old son of Mrs. Harry McCauley, 111 Ave. F. Steve is a junior majoring in business.

Jim Curtsinger, 21 - year - old son of Mr. and Mrs. E. W. Curtsinger, 501 West Third St. Jim is a senior majoring in accounting.

Jonna Lee Blocker, 19 - year - old daughter of Mr. and Mrs. John Blocker, 808 Western. Jonna Lee is a sophomore majoring in speech.

Ann Lance, 18 - year - old daughter of Mr. and Mrs. Earl Lance, Westway. Ann will be a freshman majoring in secretarial science.

Eddie Skypala, 18 - year - old son of Mr. and Mrs. Ed Skypala, 510 N. McKinley. Eddie is a freshman in pre - law courses.

Mary Lois Coker, 18 - year - old daughter of Mr. and Mrs. Kenneth Coker, 119 Sunset Dr. Mary Lois is a freshman majoring in elementary education.

Jimmy Fowlkes, 19 - year - old son of Mrs. Lorraine Fowlkes, Harrison Highway. Jimmy is a sophomore taking pre-medical courses.

Jane Pool, 19 - year - old daughter of Mr. and Mrs. Johnny Pool, East Highway 60. Jane is a sophomore majoring in elementary education.

Eugene Baldwin, 18 - year - old son of the Rev. and Mrs. B. H. Baldwin, Frio. Eugene is a freshman and will be majoring in math.

Kay Cole, 19 - year - old daughter of Mr. and Mrs. Thurmon Cole, 309 Ave. J. Kay is a freshman majoring in secretarial science.

Ron Corbett, 20 - year - old son of Mr. and Mrs. Paul Corbett, Westway. Ron is a junior majoring in biology.

Don Jackson, 20 - year - old son of Mr. and Mrs. Clinton Jackson, 807 N. Main. Don is a junior majoring in government.

John David Bryant, 21 - year - old son of Mr. and Mrs. Caw-

thion Bryant, 312 Star St. John David is a senior majoring in business.

Glenda Allison, 19 - year - old daughter of Mr. and Mrs. Carl Allison, 101 Douglas. Glenda is a sophomore majoring in elementary education.

Phyllis Goetsch, 21 - year - old daughter of Mr. and Mrs. W. H. Goetsch, 808 W. First St. Phyllis is a senior majoring in business education.

Terrill Hodges, 21 - year - old son of Mr. and Mrs. Norman Hodges, Route 3. Terrill is a senior majoring in business management.

Dale Carter, 20 - year - old son of Mrs. L. F. Carter, 113 Catalpa. Dale is a junior majoring in business administration.

Jerry Hodges, 19 - year - old son of Mr. and Mrs. Walter Hodges, Frio. Jerry is a sophomore majoring in business.

Allen Cansler, 19 - year - old son of Mr. and Mrs. Zearl Cansler, Route 3. Allen is a sophomore taking pre - law courses.

Verena Parker, 19 - year - old daughter of Mrs. Dorothy Parker, 107 Catalpa. Verena is a sophomore majoring in business administration.

Lynn Thompson, 17 - year - old daughter of Mr. and Mrs. Robert Thompson, 403 Union. Lynn is a freshman majoring in psychology.

Erin Wertinberger, 20 - year - old son of Mr. and Mrs. O. Wertinberger, 513 Ave. J. Erin is a junior majoring in speech.

Gary Wertinberger, 19 - year - old son of Mr. and Mrs. O. Wertinberger, 513 Ave. J. Gary is a sophomore majoring in speech.

Sharon Farmer, 18 - year - old daughter of Mr. and Mrs. Frank Farmer, 408 Douglas. Sharon is a freshman majoring in elementary education.

Ray Sefcik, 22 - year - old son of Mr. and Mrs. R. C. Sefcik, Denver City. Ray is a senior majoring in physical education.

Glenda Allison, 19 - year - old daughter of Mr. and Mrs. Carl Allison, 101 Douglas. Glenda is a sophomore majoring in elementary education.

Phyllis Goetsch, 21 - year - old daughter of Mr. and Mrs. W. H. Goetsch, 808 W. First St. Phyllis is a senior majoring in business education.

Terrill Hodges, 21 - year - old son of Mr. and Mrs. Norman Hodges, Route 3. Terrill is a senior majoring in business management.

Dale Carter, 20 - year - old son of Mrs. L. F. Carter, 113 Catalpa. Dale is a junior majoring in business administration.

PLANNING A BACK-TO-SCHOOL COLLEGE WARDROBE is not an easy job thinks Dwayne Fryar as he tries a sport jacket on for size. Dwayne's problems were not helped by the three young ladies who seemed to have definite ideas about the matter . . . all different. The girls are, from left: Joy Wiman, Sylvia Wiman and Deanna Kriehauser. All four students are attending ENMU at Portales. (Staff Photo)

REMEMBER HOW GREAT CIGARETTES USED TO TASTE? LUCKIES STILL DO

LUCKIES DON'T SKIMP

They're so round, so firm, so fully packed—so free and easy on the draw. They're fully packed with fine tobacco. They're firmer than any other regular cigarette. And Luckies smoke longer. THAT'S WHY THEY TASTE SO GREAT.

Get Texas-size taste ★ Get Luckies today!

Now you can call Long Distance faster, easier

Use **AREA CODE NUMBERS** on all out-of-town calls

Direct Distance Dialing gives you the fastest, most convenient Long Distance service available today.

With DDD, Hereford telephone users can dial direct to almost any point in the country—in a matter of seconds.

There are times, though, when some Long Distance calls must still be placed with an operator—such as collect calls, person-to-person calls or credit card calls.

Now there is an easy, faster way to place calls that must be handled by an operator. It's simply this:

Tell the Long Distance operator the Area Code for the city you are calling and the distant number. It's not necessary to give her the name of the called city or state.

How to call: Suppose you want to phone KL 5-3677 in Birmingham, Alabama. A check of your telephone directory shows the Area Code Number for Birmingham, Alabama, is 205.

- After you have the Code Number, then:
1. Dial "Operator" for Long Distance.
 2. Tell her: "Area Code 205 KL 5-3677." (No need to mention Birmingham.)
 3. When the operator asks, tell her the number you're calling from.

For handy reference, include the Area Codes in your list of Long Distance telephone numbers. The Blue Book has a special column for listing Area Codes beside the numbers. If you don't have a copy, just call the telephone business office. No charge, of course.

the Academic and God

The Great Teacher once said, when the fig tree buds it is spring. We might add, when the youngsters go back to school, it is fall. What a challenge back-to-school brings. It is time to learn more about math, and science, and citizenship, and God. How necessary to our American way of life are these basic requirements in our educational system. Our curriculum must include some precepts of Jesus if we are to have sufficient moral and spiritual stamina to endure. It has been said, education without a knowledge of God is dangerous. Our teachers, our preachers, and all loyal Americans should see to it that our basic education be broad enough to include both the academic and God. Of course our youngsters should be loyal to their colors, to their school, but they should also be faithful subjects of the Great God. They should worship in church every week.

Lee Finishes Naval School

Airman apprentice, USN, Alfred R. Lee, was graduated Aug. 18 from the Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn. Lee is the son of Mr. and Mrs. Marion C. Lee of Route 1, Hereford. The two-week course included instruction in naval aviation history, flight theory, nomenclature, aircraft designations and handling, fuels, power plants, accessory equipment, survival tactics, first aid, swimming, parachute jump techniques and fire control. Graduates of this two-week course are advanced to one of the many technical schools at the center.

Leaders Council Meets Monday

Members of the County 4-H Leaders Council met in the County Courthouse Monday night. Dick Plank, council president, presided at the meeting. The six persons who attended the 4-H Leadership Training Lab at Lake Brownwood in August gave reports on the camp. Jim Higgins gave a report on the Range Management Camp which he attended in July. Plank reported on the Texas 4-H Council meeting at which he was elected vice president. Larry Hill was elected chairman of publicity for the Council, with Catherine Smith named to assist him. Those who attended were Larry Hill, Dick Plank, Joanne Carlson, Barbara Barrett, Sharon Bezner, Caroline Brumley, Janis Higgins, Kathryn James, Gillian McArthur, Jim Higgins, Mrs. Earl Plank, Miss Loreta Fowler and J. W. Thomas.

P. T. A. To Hold First Meeting

Central School P. T. A. will hold its first meeting of the current school year on Thursday, Sept. 14, at 8 p.m. Following a short program, to be held in the school gymnasium, the parents will visit their children's classroom and meet the teachers. All parents are urged to attend this first meeting, so that they can become acquainted with the teachers at the beginning of the school year. Refreshments will be served to the parents in the children's "suooz auooz". The children will remain in the gymnasium for games and refreshments.

Staff...

(Continued from page 1) 26 students met to form the 1961-62 Whiteface staff. Serving as co-editors of the Whiteface this year will be Jan Reese and Wain Miller. Other officials for the paper include Kay Lemons, student activities director; Linda Martin, society editor; and Donna Rogers, co-ordinator. The entire Whiteface staff will be announced later. With very limited time and an early news deadline, The Whiteface will need co-operation from all concerned with activities at Hereford High to publish a successful newspaper. All constructive criticism and contributions to Whiteface publications will be gratefully received.

Senior...

(Continued from page 1) college and probably wedding bells. She likes the new administration but dislikes the cafeteria. This past summer she went swimming, loafed around, ate, slept, and had a blast. Her personal advice to underclassmen is "Take advantage of your high school days and have a great time!"

Home...

(Continued from page 1) The Big Domino band are real standouts. Sporting those colorful suits around, people will really sit up and take notice when the spirited Big Domino band swings into the picture at a football game or elsewhere. As footballs, autumn, and a spirited march fill the air, a new spirit begins to fill the halls of Hereford High. There is the promise of new and better things to come in "the home of the Whitefaces." As students begin to get into the swing of things around Hereford High, it is high time to swing into the spirit of Hereford High School's fighting Whitefaces.

Stop and think for a moment of the many things that go to make up Hereford High School — the students, faculty, and most of all... the traditional Whiteface spirit. Remember these ingredients of H. H. S. the next time the Big Dominos break into song and Toni, Jan, Joy, Joyce Ann, and Joyce begin to lead, "Hail Hereford High School, hats off to you..." It will put a new and pride-filled meaning into the dear old Alma Mater.

CARD OF THANKS
To all who helped us during the illness and death of our dear brother and uncle, we wish to express our appreciation and gratitude.

REUTENS FROM TRIP
Mrs. Bess Givan returned home Monday after a two-week visit with relatives in Shelleyville, Mo.

VISIT BEYERS
Dr. and Mrs. W. Harold Hicks are visiting in the home of her parents, Mr. and Mrs. Joe Beyers. Dr. Hicks is the pastor of the Pulaski Heights Baptist Church in Little Rock, Ark. They arrived Thursday and will be here for about a week.

Whitefaces...

(Continued from page 1) Eagle's speedy Harry Lisle, Hereford finds itself without a black mark on its record, scorewise. Pass defense appeared to be the Herd's biggest headache in the opening game, but this was ironed out to a great extent by last Friday as the Herd's pass defense along with the able aid of everywhere - at - once sophomore halfback Charles Kelly is improving.

From...

(Continued from page 1) must be tall, dark, and handsome. Also someone in the same English class must think there are ducks in there. They keep blowing their duck call. Judy Kreigshauer made a smashing success at the bowling alley Sept. 4 when she fell flat on her "face." Dennis Rickman's old football jacket is wearing out and he can't get a new one. We should all pitch in and buy him a new one.

Domino...

(Continued from page 1) about the school — one even went so far as to say that the Whiteface spirit was not what it had been "back in the good old days." Well!! Certainly this could not be true, Domino had protested. But at any rate, after a little apology to the Head Whiteface, he got out his clipboard and pencil and began to take a survey of the situation.

Domino...

(Continued from page 1) It happened that this was Friday morning, and a pep rally was just getting underway. What luck, he thought, this will prove whether or not HHS got the old spirit. A peppy march rang through the empty hall as Domino crept down from his perch and slipped to the door of the gym. First thing to come to his eye were the cheerleaders as they led in a rousing yell from the over 400 students who packed the seats. No doubt about it, they've got that spirit, wrote Domino. And then, to his surprise, Toni announced that the "Big Domino" band would play.

Domino...

(Continued from page 1) Imagine how the surprised bull felt when he learned that the band was named after him. How he did hope that the "Domino" band would have that spirit. And as the band burst into a spirited march, Domino was overcome with pride as he realized that his namesake really did have that spirit. He made another notation on his clipboard. Just wait until the Whitefaces up at the last Round Up hear about this — boy, will they ever be surprised, he thought. Anxious to prove how wrong all those stories about HHS had been, Domino waited until another yell was raising the roof.

From...

(Continued from page 1) Coach Brooks is afraid he'll be discovered by talent agents if he takes off his cool-ray sun shades. We love that new hair color! Eh, Suzy!!! What kind of accident did Sandra Campbell have that she had to wear her band pants home from the Brownfield game? It has come to our attention that a few pictures taken on the trip to Corpus Christi last year are still pretty interesting. Diedra, next time make sure your bathing suit is fastened before you fall into the pool. Wonder why the flag pole at Aikman seems to be leaning one way, football boys? Miss Ward has a pretty good reason for liking the early lunch period. Nancy Edwards and Jan Reese seem to be doing fine in fifth period Mechanical Drawing.

Domino...

(Continued from page 1) Edward Allison — What were you doing out on the North Road about 12:30 the night of Sept. 3? Ruth Ann — Are you trying to gain weight? Butch Walterschied is giving professional lessons in catching a football in his spare time. Did Eldon Howell ever give Stan Kropp's P. E. shorts back to him?

Domino...

(Continued from page 1) this season in the race for the district crown. Termed as a rebuilt team by many, the Herd has overcome many of the difficulties anticipated before the season got underway. However, all is not as rosy as it may seem, as the Whitefaces have few reserves to back up their main string's power. Injuries could put the Whitefaces in a pretty sad shape.

Domino...

(Continued from page 1) Finding a fullback to replace Eddie Skypala is the Herd's main problem at the present. With senior Fred Martin unable to play so far because of an injury received in pre-season practice, big sophomore Jim Haney and senior Arnold Powell are filling the slot. As far as halfbacks are concerned, Hereford has two of the best in the Panhandle in Mack Cansler and Dennis Hodges. Cansler carried for 252 of the Herd's 278 yards rushing against Canyon, while the evasive Dennis Hodges proved his ability as a workhorse in the Brownfield game. In comparison with past years, the Hereford Whitefaces have one of their best opportunities ever in district competition. Reports from Littlefield, Leveland, Dumas, and Phillips camps indicate that the district race will be one of the closest in recent years. Usually placed on the bottom of the list, the Herd is rating one of the top spots

Domino...

(Continued from page 1) BEAT DIMMITT!!

Domino...

(Continued from page 1) and then he zipped through the gym and out the door on the other side. Suddenly — Domino stopped still in his tracks. How could this be true?? He shipped back and ventured another peek into the gym. Horrors!! It was actually happening in HHS. Dismayed, Domino sadly wrote in his little book, "Sorry to report that there were boys, and even a few girls, who actually WERE NOT YELLING during a cheer." Broken-hearted at the thought of some students who did not have the treasured Whiteface spirit, Domino could not get the courage to go back and tell Head Whiteface that part of those rumors were true. So Domino sat down to watch the rest of the pep rally.

Domino...

(Continued from page 1) A bit of hope came back into his eyes as Domino thought, "I'll bet those students just didn't know those yells! They are bound to have at least a little spirit." And then, Domino saw the students stand as "his" band began to play, and as the cheerleaders began to sing, "Hail Hereford High School, hats off to you. Ever you'll find us, loyal, and true. Firm and undaunted always we'll be. Hail to the School we love, here's a toast to thee..."

Domino...

(Continued from page 1) Chills ran down the bull's spine, as he heard the grand music and really felt that most of the students, at least, did have that spirit. A tear rolled down his cheek, however, as he noticed many that were not even singing the school song. Again he wrote in that some are not singing our dear alma mater. But surely, boss, it's just because they do not know it. Don't think badly of them, they will learn it, I promise.

Domino...

(Continued from page 1) Then Domino began to pick out the different groups. There were the sophomores. They were eager enough, but too bashful to show the right kind of spirit. And then there were the

Domino...

(Continued from page 1) juniors, who were too busy worrying about their "steady" or their plane-G test to yell. And sadly enough, over there in one group he saw the seniors, who were supposed to be setting an example for the underclassmen. Apparently they thought they were too old to yell or something. If they didn't have that spirit, who would? Domino was pleased with the majority of the HHS students. But those that don't have the spirit of the school, what will Head Whiteface think about them?

Domino...

(Continued from page 1) Domino decided that he wouldn't rush things. He told the reporter that he would wait a few days before making his final re-

Domino...

(Continued from page 1) port to the boss, and maybe things would get better. Maybe those few students would get that spirit and he would be right after all!

Domino...

Stanton Eighth Tackles Dimmitt
 Coach Jerry Don George's Stanton Eighth Grade Dogs unveil their new team and new season here Thursday night at 7:30 p.m. as they take on Dimmitt in the season opener.
 Playing last season on the Golden Spread Conference championship seventh grade Stanton squad, the eighth graders possess high hopes and a good chance of repeating the performance in the eighth grade bracket.

Also vying for the Golden Spread Conference crown will be Littlefield, Levelland, and two Plainview schools, Coronado and Estacado. The eighth graders have slated eight games this season.
 Named as probable starters by Coach George last week were halfbacks Robbie Lemons and Steve Hodges; fullback Wynn Buck; and quarterback Roger Owen.
 Linemen for Tuesday will be Mike Harvey, center; Gene Drummond, right guard; Estacio Casarez, left guard; Jimmie Gutierrez, right tackle; Ed Mills, left tackle; Mike Moore, left end; and Jack Ferguson, right end.

CHALLENGE
 DURHAM, N. C. — A city policeman was writing a parking ticket when a pretty girl flounced up and pouted:
 "Oh, officer, you aren't going to write me a ticket, are you?"
 The officer continued writing and she persisted.
 "Please, you know I just forgot all about what time it was."
 "Oh, all right," the officer relented, putting away his pencil and tearing up the ticket gallantly. The girl turned abruptly and stifling a giggle, walked away.
 "Just a minute," he said. "Aren't you going to move the car?"
 "Oh, it isn't mine," she replied. "I just wanted to see if I could do it."

Frosh And Tulia Play To 6-6 Tie

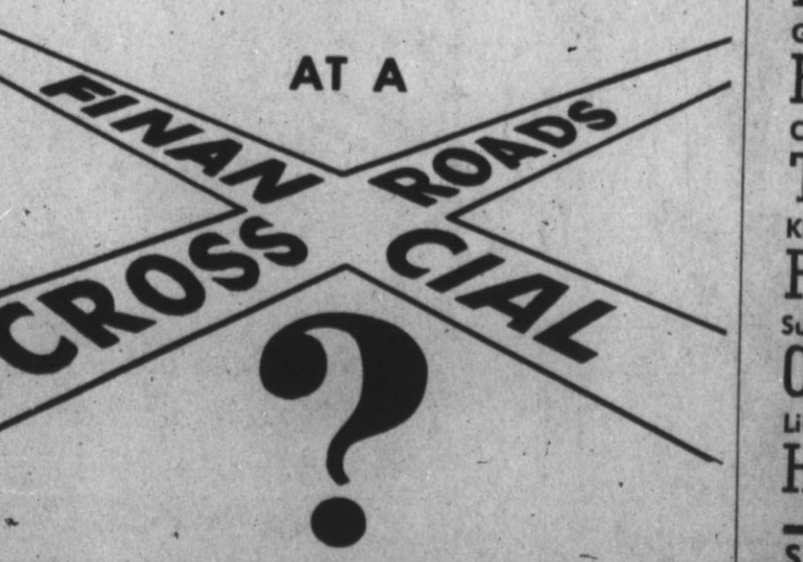

With only seven days of practice, the Stanton Junior High freshmen Dogies were only able to run up a 6-6 tie as they journeyed to Tulia last Thursday night. Although moving the ball well, both teams suffered from mistakes at crucial times.
 Scoring their only touchdown in the second quarter, the Dogies were within 20 yards of paydirt three times during the game, their first of the season. Stanton will host Dimmitt in their first home game of the season at Whiteface field here Thursday night at 6 p.m. As eighth graders last season, the Dogies suffered a 14-0 loss to the young Bobcats in the season opener.

Jane Pool Hosts Afternoon Party
 Miss Jane Pool entertained Thursday afternoon with a back-to-college party at her home. Punch and cookies were served to the following guests: Jeanette Rayburn, Lois Christman, Sandy Roberson, Sonnie Childers, Sue Minor, Beth Lemons, Doris Willoughby, Twyla Springer, Ann Wingert, Jonna Lee Blocker, Joan Rogers, Glenda Allison and La Nell Short.

Seventh Graders Play Dimmitt
 Untried in junior high school competition, the seventh grade Stanton Dogies will host the Dimmitt seventh graders Tuesday at 6 p.m. in Whiteface stadium.
 With their only football experience coming from spring training and grade school p.e. training, the seventh graders have only had two weeks of practice thus far this season, but will be ready and raring to play football by Tuesday night.
 Coached by Archie Souter, the seventh grade Stanton Dogies of last season were Golden Spread Conference champions, completing the season with five wins, two losses, and one tie. Competing with Levelland, Littlefield, and Coronado and Estacado of Plainview, the Dogies were undefeated in conference play.

L'Allegra Club Holds First Meet
 Holding their first meeting of the active club year, the L'Allegra Study Club met in the home of Mrs. Bill Dameron Thursday, Sept. 7.
 After a short business meeting, Mrs. Joe Lyons gave a program on parliamentary procedure. She read the L'Allegra Constitution and by-laws, after which an open discussion was held concerning club procedures.
 Following adjournment of the meeting, refreshments were served.

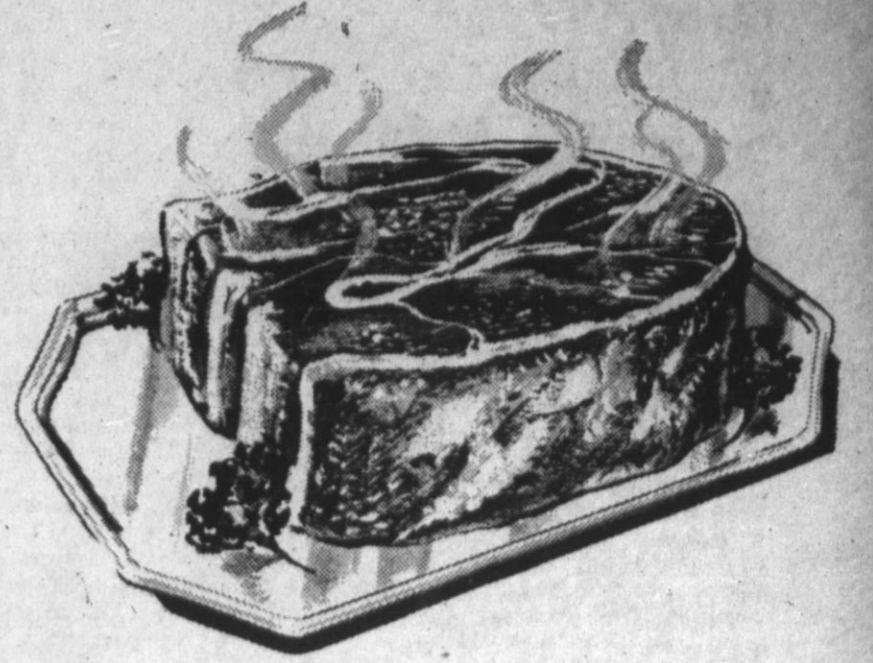

Perhaps our long experience with local farmers' money problems can be useful in helping you choose the more profitable or the more economical road. Come in and talk, any time!

BEAUTY SPOT OF THE MONTH for September is the lovely front yard of Mr. and Mrs. W. J. Thomas, shown at their home, 109 Centre. Honorable mention was given to Mr. and Mrs. Ernie Flippo, 137 Sunset, for their well-kept yard and striking flower box arrangement of red and white petunias. Honorable mention also went to Mr. and Mrs. Ed Jesko, 105 Westhaven Drive, for their rose garden at the front of their home. (Staff Photo)

The setting for Robert Louis Stevenson's "Treasure Island" was the Isle of Pines off the coast of Cuba.
