(Staff Photo)

Touch And Go On Maize Harvest

With the 1961 Deaf Smith County maize harvest just beginning to trickle into county storage facilities, a touch and go situation has developed due to the weather. Early fall temperatures have dropped to just above the freezing mark in the county. A light frost was reported Tuesday in Hereford as the temperature dropped to 35 degrees.

Hereford Tackles Olton In Homecoming Game Friday

With two key players not likely to start Friday night, Hereford may have its hands full in the last non-conference game of the season. The game also marks Homecoming for all H. H. S. exes. Halfback Dennis Hodges has missed contact work this week because of a bruised hip and tackle Bill Steele is on crutches recovering from a sprained foot.

Olton, on the other hand, has had two weeks to get ready for this game and probably has installed some new plays just for the Herd.

Two Injured In Collision Here Saturday Night

A near head-on collision at the intersection of First Street and Blevins early Saturday evening sent an Arizona woman and her son to the Deaf Smith County Hospital.

Injured in the accident was Mrs. Francis Ashcraft, 25, Coolidge, Ariz., and her 18-month-old son, William H. Ashcraft. The accident occurred as a 1953 two door sedan driven by Linda Lee Hart, 16, 506 Star, was attempting to make a left turn at the intersection on to Blevins.

The other car, a 1961 American-made compact driven by Alvin R. Ashcraft, Dover AFB Del., was traveling west on First Street when it collided with the Hart automobile.

Both drivers in the accident escaped injury. Damage to the automobiles was heavy. Damages to the Hart vehicle were estimated at \$150 and at \$300 to the Ashcraft automobile by Hereford police officers.

Tickets were also given to both drivers. Miss Hart was ticketed for negligent collision by failure to grant right of way. Ashcraft received a ticket for speeding.

Another of the Ashcraft's two small children, a three-month-old girl was also in the car, but was not injured.

The boy was treated and released from the Deaf Smith County Hospital soon after the accident. Mrs. Ashcraft, however, was treated for internal chest injuries. She was released Monday.

The Mustangs have an outstanding backfield this year, built around the experience and finesse of quarterback Johnny Schenck, a 140-pound fireball.

Playing behind him on the split T are halfback Gary Johnson, who hits hard; halfback James Loveless, termed a "real good back"; and fullback Charlie Burrus, who has good speed and is the workhorse of the backfield.

Johnson is a 155-pound senior. (Continued on page 6)

Lesly Returned To SCD Board

Luther Lesly was re-elected for a third five-year term as supervisor of Zone 3 of the Tierra Blanca Soil Conservation District at a meeting Tuesday, in the Hereford Community Center.

Lesly has served two previous terms and has been chairman of the Board of Directors for the soil conservation district. Main speaker of the evening was Faust Collier, manager of the local ASC office. Collier spoke to the group of approximately 25 members of the zone on the new wheat program.

After his talk, he answered questions on the wheat program and the various other programs affecting agriculture in the county.

Zone 3 of the Tierra Blanca S.C.D. includes the area south of Farm-to-market 1412 to a line four miles north of Hereford and east of FM 1412 in the Walcott community to a line five miles east of Highway 385.

District supervisors serve the landowners of Deaf Smith County by promoting soil and water conservation. They also participate in the protection and improvement of the land.

Other supervisors serving in the Tierra Blanca district are Ira Scott, Hardy Benson, Carl Wimberley and Eldred Brown.

Committee Lays Tentative Plans For Texas Tour

Aviation Committee members met Monday at the Hereford County Chamber of Commerce to plan activities for the hour-long stop here of the 13th Annual All Texas Air-Tour on Oct. 10.

The stop will be the first time that Hereford has been one of the major stops on the yearly tour. On other tours, the Hereford stop was mainly for refueling and a coffee break.

A noon luncheon is planned for the Hereford County guests at 1 p.m. at the Country Club with the committee as the hosts. Transportation is being arranged by the committee and approximately 25 cars will be needed to transport the 125 persons from the airport to the Country Club and back.

Ground and refueling crews are also being organized to service and refuel the 50 planes expected.

Tentative plans call for a greeting by Ray Cowsert, Hereford mayor, and by C. Palmer Norton, president of the Chamber of Commerce. The committee hopes to provide tour members with souvenirs of the Hereford visit and information on Deaf Smith County.

The tour will officially start at Temple on Oct. 7. Thirty-four stops are scheduled during the week-long flight with overnight stops at Harlingen, Sonora, Carlsbad, N. M., Plainview, Denton, Lufkin, and Galveston. The final stop of the tour will be at Austin on Oct. 17.

Registrations have been received from 16 states and Mexico, as well as the many Texas pilots who participate in the event each year, according to Asa Burroughs, tour director.

The purpose of the annual tour is to point out the safety of mass movement, the utility (Continued on page 6)

A good harvest equal to the one in 1960 is predicted this year even though acreage has dropped about 25 percent under the government's grain sorghum program. Freezing temperatures during the harvest season would not cut the expected amount of grain. However, considerable damage would be done to the quality of the grain still in the fields.

Even though elevators in the county have been receiving grain for the past two to four weeks, what has come in was described as "must a trickle."

Much of the maize in the fields now needs from two to three weeks of good weather to reach maturity, according to one Hereford elevator owner. Acreage-wise this year's yield will be heavy, but due to cuts in acreage, he continued, receipts from the crop will be reduced because of the acreage cut.

Under the government program, at least 25 percent drop in acreage is expected from the 170,000 acre average for 1959-60, according to Faust Collier, manager of the ASC office here.

But, grain elevator operators are predicting that area farmers will raise more milo per acre than a year ago. Estimates on the yields from dryland and irrigated lands are not available yet, because, as one elevator owner explained, it is just too early to tell.

"We haven't even scratched to surface yet," he continued, "and won't until October 10th or 15th."

Prices in the area are described as good in comparison with the market with \$1.50 per hundred pounds being paid generally. The price is said to be better than it has been and is somewhat higher than prices paid last year.

Moisture content of the grain already brought in for storage is reported to run from about 12 percent to too wet to measure. However, the average is running between 13 and 15 percent. Storage facilities within the county are adequate to handle the harvest, say grain elevator owners and Collier.

\$150 And 3 Days Given Amarillo Man After DWI

A 47-year-old Amarillo man, charged with driving while intoxicated, first offense, Friday, was fined \$150 and 3 days plus three days in jail by Deaf Smith County Judge Don Zimmerman.

Russell Grant Jump was arrested here by city police officer Al Bagwell in the 100 block of East 1st Street.

Jump entered a plea of guilty during his trial Monday in the County Court.

Man Narrowly Misses Death In Truck-Train Collision

An Electra man missed death by inches Tuesday morning when the cab of the truck he was driving was slammed by a freight train.

The accident occurred at the Santa Fe crossing on the east city limits of Hereford about 7:15 a.m. Injured in the crash was Harold Leonard Owens of Electra, 27.

Highway Lighting Start Installing

U. S. Highway 60 inside Hereford soon will be brightly lighted with mercury vapor lamps.

Work started this week to install 90 of these lamps, each with a rating of 20,000 lumens, between the east and west city limits.

Clee Menarg, local manager of Southwestern Public Service Company, said that the total cost of the project will be about \$13,000.

Of the total project, 23 have been installed on the north side of the highway near the west city limits. An additional 27 will be installed on the north side. Final part of the work will be installation of 40 lamps on the south side of the street.

Due to a lack of space, lights on the south side will not be installed until the present overhead telephone cables are put into underground conduits.

Frank Farmer, manager of the Hereford office of Southwestern Bell Telephone Co., said that work was starting simultaneously at Canyon and Hereford to put telephone lines underground. He said that the project will be completed in about 30-60 days.

Lights which are being installed are similar to those which brighten up 25 Mile Avenue and Park Avenue inside Hereford.

Southwestern Public Service Co. installs and maintains the lights, billing the city only for the cost of the electricity used.

Wiman Tops List In Grid Contest

Jim K. Wiman of Hereford stood alone this week atop the list of entrants in the Brand's annual football contest. Wiman picked 18 winners to take first place.

Nine persons had 17 correct choices. Winning on the basis of the tie-breakers were Dennis Lomas, who was second, and Bobby Shelton, who took third.

Also hitting 17 winners were: Mrs. Pat Voyles, Harlon Voyles, W.H. Kitchens, Bobbie Kitchens, Larry Kaul, O. C. Curtsinger and Dale Blakney.

Around Town

Threat of a killing frost seems to be uppermost in the minds of many, supplanting even the World Series in conversation. Out flying for a time Tuesday, it was apparent that much of the maize just isn't quite ready to cut yet. A freeze wouldn't ruin either the maize or the cotton, but would sharply reduce the quality of the crops.

and the World Series brought on a frightening thought that we are going to have to go further afield to find a television set, particularly if we want to watch the games in color. Urllin Streu decided it was just too much bother keeping us out of his place during the play-offs and so just sold out and went home to watch. Ansel McDowell and Dub Reeves have good sets, but it gets a bit crowded; besides, it is too easy to be seen from outside. Maybe if we petition Jimmy Roberts or Stan Knox, we can get a secluded spot from which to watch. There may be a lack of interest because it seems quite likely that the Yankee power will overwhelm the Reds, but that's what a lot of folks said last year.

Boots and Cattle Club, a square dance group, will meet at 8 p.m. Saturday, Oct. 7, in the Progressive school building. Persons interested in learning to square dance are asked to attend, since a class will be started if there is enough demand.

Whiteface Booster Club will sponsor a meal for the Hereford (Continued on page 6)

SEEKING MORE INFORMATION

City Defers Purchase Of Fire Alert System Units

Purchase of a fire alarm alerting system for the Hereford Fire Department was tabled for further study at the regular Monday meeting of the City Commission after bids had been received.

Bids for the equipment were received from Plectron, Southwestern Bell Telephone Co., Panhandle Electric Co., Amarillo, and the Motorola Co., Amarillo.

The alerting system will consist of a base station with a lone generator and 35 receivers installed in the homes and busi-

nesses of volunteer firemen. When a fire is reported, a tone signal will be broadcast to alert the firemen followed by information on the location of the fire. The units will be portable and run by household current.

If the tone alerting system is used, the siren will be used during the day between 8 a.m. and 6 p.m. with the radio alerting system in operation the rest of the evening and night.

The units are not affected by weather conditions and have a

range of 10 to 15 miles. The bid from Panhandle Electric Co. was \$170 per set for the 35 sets need plus the additional cost of an antenna for a General Electric receiver. An alternate unit would cost \$144 with an outside antenna.

Motorola's bid was \$135 per receiver for a total of \$4,725. This would include an outside antenna.

The bid on the Plectron equipment was \$107.50 per set for five two-tone sets and \$97.50 (Continued on page 6)

A HEAVY DIESEL truck was totally demolished Tuesday morning when it collided with a Santa Fe freight train at the east city limits of Hereford. Truck driver Leonard Owens of Electra was injured, but probably escaped death because of the heavy load of maize he was pulling. (Staff Photo)

Stress More Understanding Of Alcoholism At Council Meeting

The Deaf Smith County Council on Alcoholism met for breakfast Wednesday at 7 a.m. in the Jim Hill Hotel.

The Rev. Joel Treadwell presided over the meeting for the chairman, Mr. Frances Hardwick.

Announcement was made of a District Planning Meeting being held at Abilene sometime the first part of October.

Plans were discussed on the continuation of "education on alcoholism." The dates, Nov. 26-Dec. 3, were set aside as Alcoholism Information Week. Arrangements are being made for some outstanding speakers to be here that week.

The slogan for this year is "The Other Side of the Story." The first two years' effort of the Council is being directed

toward informing the public on alcoholism. Something must be done toward a more general scope and recognition for the public on alcoholism, it was decided.

As an example — a person can be put in the hospital for a complete recovery and rehabilitation, then come out ready to live a normal life. However, if his home and the atmosphere around him haven't changed to one of knowledge, understanding and acceptance of the basic facts of his illness, then the chances are slim for the person to regain complete recovery. In other words, this person is coming back to live in the same infectious atmosphere that was at the bottom of his problems in the first place.

Also, it was discussed and emphasized that the public must

know and understand that the council is neither wet nor dry, cannot and will not, take issue with either side. The purpose of the council is prevention through education and information. It serves also as a referral for treatment for the suffering alcoholic, be it clinical, hospital, or working with Alcoholics Anonymous.

The council urges that all community organizations, church, service, social and study groups use the speakers bureau of the council and the programs they have prepared to the fullest advantage.

Clubs or groups wishing a program on alcoholism are asked

to contact Mrs. O. G. Hill Sr. for information, speakers and program subjects.

A reminder was made of the forthcoming Top-O-Texas AA Roundup, to be held Oct. 13-14-15 in Amarillo. It will be held at the National Guard Armory with three big days of outstanding programs planned. The public is invited to attend.

Those present at the breakfast were Lowell Sharpe, vice chairman, Mrs. O. G. Hill Sr., Mrs. Esther Springer, Jewell Smith, Mrs. Lois Rutter, Paul Stevens, Charles Frye, Charles Duvall, J. C. Reese, the Rev. B. L. Davis, the Rev. Joel Treadwell and Bill Hardwick.

County Council Names Committees

The Deaf Smith County Home Demonstration Council met recently in the county court room. Mrs. George Turrentine, chairman, presided at the meeting with nine clubs represented.

Five of the clubs represented had 100 per cent attendance. The club collect was read in unison for the opening exercise. Minutes were read and approved. Committee reports were given. The education committee reported that a nice group was present to hear the county budget read. A report was given of the coming activities in the near future which include the appearance of the Deaf Smith County Chorus on Cotton John's TV program, Oct. 21. The old and new reporters will meet at 2:30 p.m. Oct. 9, in the Community Room of the First National Bank. The council officers and committee chairmen are invited to the County Build-

ing Program Oct. 9 at 10 a.m. Committees for the Federated Clubs Tea, to be held Oct. 12, were appointed. Table Committee includes Mesdames Ira Ott, chairman; Clinton Ward, C. F. Newsom, J. B. Caraway, J. G. Gandy, and Lois Dyer; Decorations: Mesdames R. L. Wilson, chairman; P. L. Carmichael and Taft McGee; Table Service Committee: Mesdames Alice Cox, chairman; E. C. Hammett, G. V. Hall, H. L. Hershey, O. L. Williams, and Elmer Northcutt; Hospitality: Mesdames Earl Hart, chairman; Bess Werner, and B. F. Markham; Music Committee: Mesdames Charles Brothers, chairman, and Richard Clark.

Officers elected for the coming year are Mrs. George Turrentine, chairman; Mrs. A. E. Hodges, vice chairman; Mrs. E. C. Hammett, recording secretary; Mrs. O. L. Williams, corresponding secretary; Mrs. J. G. Gandy, treasurer, and Mrs. Taft McGee, parliamentarian.

John Fielders Honored With A Housewarming

Mr. and Mrs. John Fielder were honored on Thursday evening, Sept. 28, with a housewarming in their new home on Western Street. A bedspread was presented to them.

The social hour was enjoyed by Messrs. and Mesdames Fred Mulkey, Dwain Worley, Melvin Lomenick, Ben Plummer, Buck Rose, Muri Parker, Clyde Rayburn, Cecil Oglesby, Messrs. Wayne Roberts and David McDonald, and the honorees.

ENROLLED IN ACADEMY

Randy Carver, son of Mr. and Mrs. Russell E. Carver of this city, is enrolled at the Missouri Military Academy for the fall term. An ROTC military program, intramural athletics, and other activities including ham radio and journalism are coordinated in the school's training.

B&PW Has Salad Supper Meeting

The Hereford Business and Professional Women's Club met in the Flame Room of the Pioneer Natural Gas Company on Monday, Oct. 2, at 7 p.m. for a salad supper preceding their regular meeting.

Organize New Church Sunday

About 150 persons attended organizational services of the New Zion Baptist Church in the Hereford Community Center Sunday, Oct. 1.

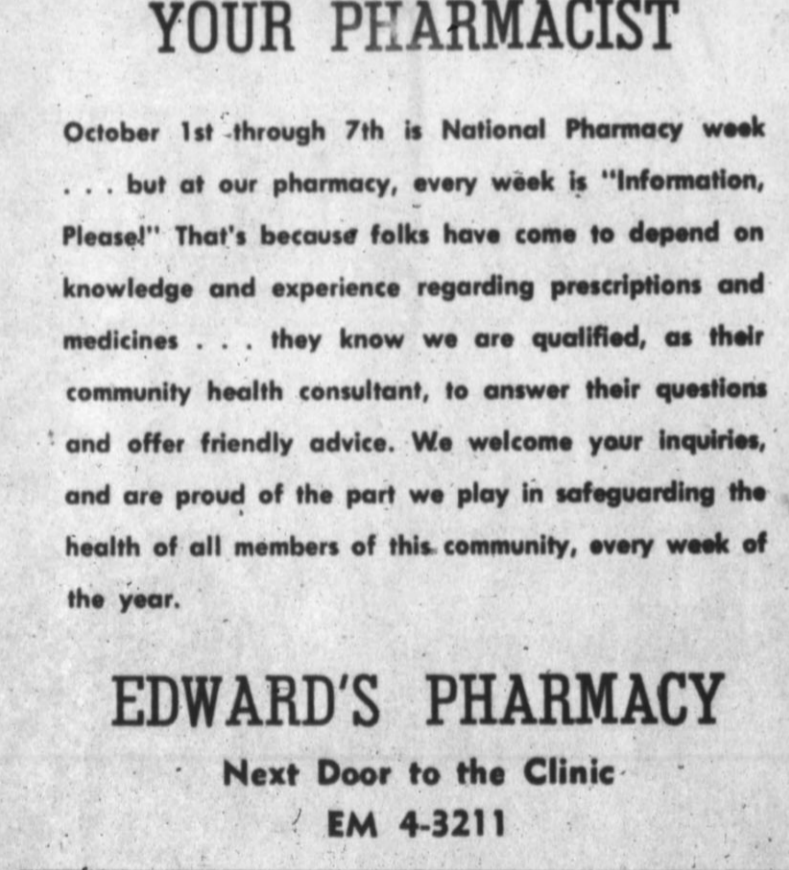

Members of churches in Fort Worth, Lubbock and Friona were present for the meeting.

Officiating at the service was the Rev. W. A. Prescott of Fort Worth. The Reverend Dunn, pastor of the New Hope Baptist Church in Lubbock, was guest speaker.

Pastor for the newly organized church will be the Rev. L. V. Mays of Hereford.

Beginning next Sunday, the church will meet in the Community Center, with Sunday School classes at 10 a.m. and worship services at 11 a.m.

ATTEND FLOWER SCHOOL
Mesdames R. L. Wilson, R. W. Mitchell, M. T. Rutter, Glyn Bilbrey and A. L. Manjeet are attending flower school one in Amarillo this week. Mrs. Manjeet is general chairman of the show.

Ask the Man Who Knows...

YOUR PHARMACIST

October 1st through 7th is National Pharmacy week... but at our pharmacy, every week is "Information, Please!" That's because folks have come to depend on knowledge and experience regarding prescriptions and medicines... they know we are qualified, as their community health consultant, to answer their questions and offer friendly advice. We welcome your inquiries, and are proud of the part we play in safeguarding the health of all members of this community, every week of the year.

School Board Studied By La Madre Mia

"Are You Familiar With Your School Board?" was the topic of discussion at the regular meeting of La Madre Mia Study Club Thursday evening in the Community Room of the Hereford State Bank.

Mrs. Joe Henry presented the program and introduced club members to the individual school board members by giving a background of each man.

She included qualifications for club members to attend the open school board meetings. She further stressed that "We should pat the school board on the back for their achievements, as that is the only way the members receive."

Mrs. John Smith, club president, presided at the business session at which time reports from the standing committees were heard. The club voted to have a rummage sale on Oct. 7.

A reminder was made to bring gifts for the children that the club sponsors, at the next meeting, Oct. 12. Delegates will contact other clubs and extend an invitation to attend the Guest Day Tea to be held Oct. 26 at the Popular Store.

Mrs. Leon Billington, hostess, served refreshments to Mesdames Joe Brooks, James Brownlow, Lee Drake, Charles Frye, Ben Gollehon, R. V. Hale, Joe Henry, Dean Herring, Joe Locke, G. C. Merritt, Harold Morton, Bobby Owen, Richard Pickens, John Smith, Eugene Sparks, Harlan Voyles, and Joe Hacker.

Boy Scouts Have Weekend Trip To New Mexico

Hereford Boy Scout Troop 50 made a weekend trip to Roswell and Carlsbad, N. M. Leaving here Friday afternoon, they saw the Hereford-Roswell football game Friday night, then spent the night at Walker Air Force Base, Roswell.

On Saturday morning, they toured the flight line for a close look at B-52 bombers and KC-197 tanker planes. That afternoon the Scouts went through Carlsbad Caverns, spending the night in Carlsbad. They returned home Sunday afternoon.

Scoutmaster Wayne Lawrence was assisted by Albert Maxwell and Dick Barnard during the trip. Scouts attending were Dan Taylor, Mike Harvey, Robert Higgins, Mike Higgins, James Frost, Donald Maxwell, Charles Barnard, Gary Paetzold, Joe Walker, Tyler Thompson, Gary Don Robertson and David Evans.

AUNT DIES
Mrs. Glen Nelson received word Wednesday morning of the sudden death of her aunt, Mrs. Bertha Elkins of Gainesville, on Oct. 3. Mrs. Elkins was a recent visitor in the Nelson home. Mrs. Elkins has several friends living in Hereford.

ATTEND SERVICE
Mr. and Mrs. Don Crooks of Hereford attended the funeral of John French, who was killed in an automobile accident, Saturday, Sept. 30. Services were held Monday in Denver City. Mr. French was a schoolmate of Mr. Crooks, Mr. and Mrs. Ray Sefcik, and Tom Bowers of Hereford.

SISTER VISITS
Mrs. Anna Sumner and daughter Sharon of Tacoma, Wash., are visiting in the home of Mr. and Mrs. M. W. Sumner for

Hereford... Around...

per set for the remaining 30 units. Cost of the tone generator was set at \$109.50.

Motorola bid \$660 on a 60-watt base station and \$99.50 for the antenna. Panhandle Electric's bid on the base station was \$652 and \$78 for the antenna.

Plectron did not bid on the base station. The bid by the Southwestern Bell Telephone Co. was for the installation of telephone equipment. The installation of the equipment was set at \$245 and \$231.50 a month for rent by the bid.

In other business handled during the meeting, City Commissioners passed two zoning ordinances changing "B" residential property to "D" business classification. Properties rezoned were the D. W. Finlan property located on the north and south sides of Vogelee Street at the intersection of 25 Mile Ave., and the Wayne Carthel property on the east side of 25 Mile Ave.

Notification was received that the Gulf Oil Co. is terminating the lease on the service station used by the city.

Ralph McCullough questioned the taxes set on property belonging to him. Commission members felt they could not review the evaluation set by the Tax Equalization Board since McCullough had been notified of the board's action.

ford football team after Friday night's game with Oilton. You can buy as many tickets as you like, either at Hereford Bakery or McDowell Drug, but the first ticket you buy must be for a player. The

said Tuesday that Steele probably would not be able to play at all, while Hodges might see limited action.

On offense, Darrell Garrett probably will take over the right tackle spot, while Joe Shultz will move over on defense with sophomore Eugene Green working the center of the line.

Junior Charles Kelly, used mostly on defense up to now, is expected to get the starting nod for halfback and probably will alternate with sophomore Jim Haney at the halfback spot.

Football queen Kathy Boston, sophomore daughter of Mr. and Mrs. Jay Boston, will be presented during Homecoming activities just before the game. Her attendants are Toni Parker, senior daughter of Mrs. Dorothy Parker, and Joyce West, senior daughter of Mr. and Mrs. Clinton West.

Mrs. I. H. Willoughby, 910 Union, won a \$1,000 milk stove Sunday in Amarillo. It was given as a door prize during a meeting of Admiral dealers.

Cub Scout Pack 51 will have its first meeting of the year Thursday, Oct. 5, at 7:30 p.m. in Aikman School cafeteria. All members of the pack, plus boys 8, 9 and 10 who wish to join are invited to attend. Parents also are urged to be present.

Hereford... Around...

meal will be served at the Triple N Cafeteria after the game.

Booster Club president Ed Skypala also announced that films of the Roswell game and the Oilton game will be shown Monday at 8 p.m. during the meeting at the Hereford Community Center.

Llano Estacado Boy Scout Council has been given 18 watches by an Amarillo jeweler. In this district, the Cub selling the most tickets to the annual Circus next April will get a watch. And the Scout who recruits and enrolls the most boys will get a watch. The Scouts have until Dec. 14 to do their recruiting.

New members of Campfire and Blue Bird groups who wish may try-out for the Bluebird-Campfire Choir from 3-5 p.m. Thursday or Friday in the Community Center.

The Hereford Brand, Hereford, Texas, Thurs., October 5, 1961

We got a letter from a pleased citizen this week, praising the police department for its fast work in corralling some pigs which were tearing up gardens and flower beds in the neighborhood. The citizen was particularly anxious to find out the name of the uniformed cowboy who was corralling some of the porkers with a rope.

Trade Promotion Association of the Chamber is scheduled to meet at 10 a.m. Thursday.

It's World Series time again. A time of agony and pleasure for men.

Ford introduces for 1962 two distinguished new series: Galaxie & Galaxie/500

Enduring elegance... with the power to please

With Thunderbird styling... Galaxie '62 has the timeless distinction and talent for travel of the Thunderbird that inspired it. Every quick quiet mile whispers: here is a new standard of quality. And every luxurious detail confirms it. This is the car that introduces twice-a-year maintenance. Routine service is reduced to 30,000 miles on many items such as major lubrications, twice a year or 6,000 miles on the rest. We suggest you see the new Galaxie and Galaxie/500 (shown above) for yourself. We are confident you will agree: it's pointless to pay more - or settle for less.

Galaxie by Ford
Its silence whispers quality

Now... twice-a-year maintenance reduces service to a minimum!

LET'S COOK SOMETHING!

Never A Dull Moment In The John Warren Family

Mr. and Mrs. John Warren and their five children live at 403 Blevins in Hereford. The children are Thelma Jean, 8, Dwain Edward, 7, Eddie Lynn, 5, Rose Marie (Rosie), 3, and John Jr. (Bud), 1 year, 10 months.

The home is a center of activity with never a dull moment. Two of the children, Thelma Jean and Dwain attend St. Anthony's School. Eddie, Rosie, and Bud remain at home to help with the household chores and to attend to the very important activity of play. The children are being taught to work and play together.

Each child has a specific responsibility each day with work goals. Sharing, working, and playing together makes a closely knit family circle. The parents have endless patience in teaching and training the children. The "little Warrens" are well disciplined, well mannered, and a joy to know.

Mrs. Warren (Regina) is a full time homemaker, still finding the time to be a good com-

panion to her husband. The Warrens entertain frequently and work faithfully with church activities. The amazing fact about them is their sincere friendship and thoughtfulness about the sick, either among family or friends. A dish of food, a word of cheer, or a visit during a time of sorrow is an everyday occurrence with this family.

Mrs. Warren is an excellent mother, good home manager, and has wonderful cooperation from her husband, John.

The John Warrens are members of St. Anthony's Catholic Church and will celebrate their tenth wedding anniversary on Oct. 30.

With cooler weather in the offing, Mrs. Warren has planned this menu to be served soon. These foods are some of the family favorites.

- Tuna Spaghetti Casserole
- Cinnamon yams Cocktail pickles
- Cornbread
- Apple Brown Betty
- Coffee
- Tuna Spaghetti
- 1 can tuna fish, drained

3 tablespoons oil, tuna or salad oil

1/2 cup chopped onion

1 clove garlic, chopped (optional)

2 tablespoons minced green peppers or parsley

1 cup tomato paste or juice

salt, pepper and chili pepper to taste

one 8-ounce package of spaghetti, cooked

Prepare spaghetti as directed on the package. Use tuna oil and salad oil, if more oil is needed. Brown in a skillet the chopped onion and peppers. Add tuna, tomato juice or paste, salt, pepper, and chili pepper.

Place the prepared spaghetti in the bottom of a greased baking dish. Place strips of cheese on the top. Green peas may be added to the mixture if desired. Bake in a moderate oven for about 10 minutes, just long enough for the cheese to melt and turn brown. Makes 6 to 8 servings.

Cinnamon Yams

3/4 cup sugar

1/2 cup red cinnamon candies

WATCHING THEIR MOTHER cook is always exciting for the five children in the John Warren family. From left are Mrs. Warren, Dwain, Thelma Jean, Bud, Eddie and Rosie. (Staff Photo)

1/2 cup water

2 tablespoons butter

8 medium yams, cooked and peeled

1 teaspoon salt

1/2 teaspoon cinnamon

1/2 cup shredded coconut

Combine sugar, candies, and water and boil 2 or 3 minutes or until candies are dissolved. Stir frequently. Spread butter over bottom of oblong baking dish, 11 1/2 by 7 1/2 by 1 1/2 inches. Place halved yams or sweet potatoes in dish. Sprinkle with salt and cinnamon. Cover with syrup. Bake in moderate oven (350 degrees) for 20 to 30 minutes, basting often with syrup in baking dish. Sprinkle with coconut the last 10 minutes of baking. Makes 8 to 10 servings.

Cocktail Pickles

7 pounds of cucumbers, sliced about 1/4 inch (do not peel)

2 gallons of water

2 cups household lime

Add lime to the water. Place cucumbers in the solution. Allow to soak for 24 hours. Take out and wash well. Put in clear

cold water for 3 hours.

Prepare the following:

1 teaspoon whole allspice

8 cups vinegar

9 cups sugar

1 teaspoon celery seed

1 teaspoon salt

Prepare this cold and let stand until dissolved. Pour over cucumbers and let stand overnight. The next morning, bring to a boil, the liquid and pickles. Boil slowly for 25 minutes. Can and seal.

Cornbread

1 cup all purpose flour

2 1/2 teaspoons of baking powder

1 cup corn meal

1 1/4 cups of milk

1 teaspoon salt

1 tablespoon sugar

1 egg, beaten

4 tablespoons shortening

Sift together the dry ingredients. Mix well. Combine egg, milk and cooled melted shortening. Pour into floured mixture and mix well. Pour into greased 8 inch square pan. Bake in oven, 425 degrees, for 30 minutes. Takes 6 to 8 servings.

Apple Brown Betty

1/3 cup sugar

1/2 teaspoon cinnamon

2 cups fine, graham crackers or dry crumbs

4 tart apples, pared and sliced

3 tablespoons melted table fat

Mix sugar, cinnamon, and the salt. Put a layer of crumbs in a greased baking dish. Cover with a layer of apples. Sprinkle with the sugar mixture.

Continue until all the ingredients are used. Have a layer of crumbs on the top. Pour melted fat over the crumbs. Cover the dish.

Bake in moderate oven, 375 degrees, for 40 minutes. Remove the cover the last 10 minutes of baking to brown the top. Makes 4 servings.

The children are always hungry after school and play so Mrs. Warren keeps the cookie jar well filled with oatmeal cookies made from a special recipe from grandmother's cookbook.

Oatmeal Cookies (Grandma's Special)

1 cup sugar

2 eggs

1 teaspoon cinnamon

1/2 teaspoon cloves

1 teaspoon nutmeg

2 cups flour

1 teaspoon baking powder

1 cup lard or butter

1 teaspoon of soda in sweet milk

4 tablespoons of sweet milk

pinch of salt

2 cups of dry oats

1 cup of chopped raisins, if desired

Mix well. Drop from a teaspoon on a greased cookie sheet. Bake in a moderate oven, 350 degrees, for 10 to 15 minutes. Makes approximately 4 dozen cookies.

Homecoming Activities Take Spotlight Thursday And Friday

Maribeth Gilliland
D. E. Club Sweetheart
(Whiteface Photo)

D. E. Club Elects Officers For Year

Campaigning was fast and furious as the Distributive Education Club held its annual elections Monday night in the home of Mr. Kenneth Hart, D. E. Coordinator.

Complete with election speeches and small-scale bribery, the electioneering reached a climax as candidates were literally willing to give people the shirt off their backs — and even their pants — in order to gain votes.

With club president Harold Anderson presiding, officers for the 1961-62 club year were named.

Elected to serve as vice-president of the club was Ronald Long. Nicky Bradford was named

Toni Parker
Senior Personality

Antoinette (Toni) Lee Parker is one of our more attractive sights in H. H. S. She is the daughter of Mrs. Dorothy Parker. They reside at 107 Catalpa Street. Toni was born July 13, 1944, and is now 17. She has lived here in Hereford all her life.

She is a 5'5", 112-pound girl loaded with talent. Toni is the head cheerleader at H. H. S. She is very good at this job as Hereford had a very impressive record this year. Toni feels that being head cheerleader is her highest honor. Although it is a very fine honor, she has had many more. When she was a junior, she was D. E. Sweetheart. She also was the freshman football queen.

Her two favorite hobbies are eating and dancing.

Toni's pet peeve is people who don't give their best in pep rallies. Also she doesn't like people who chew their gum hard and loud. But all-in-all, Toni is one of the most pleasant persons to be around in H. H. S. because of her warm smile and radiant personality.

Miss Parker has been in various clubs during her days in H. H. S. Some of these clubs are as follows: D. E., F. H. A., and F. T. A. Last summer she worked, went to cheerleading school, and had loads of fun. As you can tell, Toni is a very active girl.

Toni said, "My most embarrassing moment was when I crawled under the desk thinking it was Sammie Tisdale when it was my Boss!"

(Continued on page 6)

Fall is in the air, football on the mind, and Homecoming 1961 is next Friday night in Hereford, as the determined Hereford Whitefaces host Olton's mighty Mustangs.

Thursday and Friday will highlight the week's activities as annual homecoming events will be in full swing both days. With a huge bonfire Thursday night and pep rally Friday morning, the Herd should be fired with that winning spirit by game time Friday night.

Highlighting Homecoming activities will be the coronation of the 1961 Football Queen during ceremonies Friday.

Homecoming events will get started off with a bang at the huge bonfire slated for Thursday night. Firing up the football spirit, the fire will be set at 7:30 p.m. Thursday night. Exact location of the blaze had not been announced at press time.

Friday morning's usual pep rally will not be so usual this week, as the cheerleaders

have some special surprises up their sleeves for the homecoming rally.

As a tribute to the fighting Whitefaces, the Hereford Booster Club will treat the entire football squad to a dinner following the game Friday night. All members of the team and their dates will be honored at the affair. Anyone desiring to attend the supper may purchase tickets from Booster Club members.

Also on tap after the homecoming game, the annual Homecoming Party will be held at the Community Center. All Hereford High School students are urged to attend, as well as students from Olton.

In charge of homecoming events this year will be the cheerleaders and the "Round-Up" staff. Plans had not been completed for the week's activities Monday.

BEAT OLTON!

Behind The Lockers

The cheerleaders and faculty this year are doing a wonderful job of boosting school spirit. The pep rally last Friday before the Muleshoe game was the best one since the basketball teams of '58 and '59 went to the state tournament.

Judy Shulte had a very embarrassing moment when Clifton Corley walked into her apparently empty American History Class. Better be careful, Judy!!

Mary and Martha - Better watch out, girls. I'd hate for you and your little yellow and white bug to get D. D. T'ed.

People kept losing their marbles in the junior and senior tests. There were also other dangerous objects such as jaw-breakers, B. B.s, and pencils flying around.

Jimmy Kassahn - I hope you were finally able to write your name in the tests, I'd hate for you to get the machine mixed (Continued on page 6)

IDEAL BOY

Search For Boy Leads To Africa

Have you ever been to Africa? Well, Janet Patterson has. Some of the sights are quite unbelievable: all different kinds, patterns and shapes of animals.

For instance when Janet got off the boat at Africa, she heard a bull frog with a voice like Arnold Powell. He was jumping along watching a silly water bug; John Bob Drake, when up came a talkative beetle Jimmy Kassahn, acting as scatter brained as Edward Allison.

Janet found an ambitious mosquito, Drew Kershen, and a helpful turtle, Mack Canisler. Next she met a lion with manners like Marcus Jacobsen and a courteous elephant, Mickey Stevens, who picked up her trunks and carried them to camp. While on the path to camp she met a nosy monkey, Joe Shultz, who came swinging down and got her little red hat. Then he pitched the hat over to likeable chimpanzee, Jerry Curtsinger. The game of pitch kept up for some time until the talented giraffe Walker Parris got it for her.

Further down the path the biggest handsome ape, Jerry Joe Curtsinger, walked up with cross eyed Butch McCaslin, and best dressed ant eater, Dan McDowell, who were followed by a gay black panther, Joe Mack Hale. She turned around and started to run when she fell over pigeon-toed antelope, Dennis Hodges. While all this was happening, bow-legged laughing hyena, Charles Kelly, had been laughing so hard, he was crying.

When she finally arrived at camp, she was told there would be company for supper; a gorilla with hair like Lynton Allred; an efficient leopard, Bill Miller; a brainy lizard, John Buck; and (Continued on page 6)

Homerooms Select Officers For Year

Homeroom officers for the coming year were elected at HHS last week. Whiteface editor Jan Reese ran into some surprising "characters" who managed to get themselves into offices when she started compiling a list of the officers who had been elected.

Floyd Stivers is running Mr. Pinner's homeroom now with Roy Lee Hobbs helping him. If any money is missing Jay Boynton is the guilty party.

Coach Williams has a nice quiet group: Earl Jackson, president; Richard Patton, vice-president; and Gloria Covington, secretary.

Wonder how much trouble Mrs. Williams is having with Randy Dowell. She's got John Buck to help her out though. If he gets her in any trouble Nancy Edwards can always write them a resignation.

Mrs. Prowell doesn't seem to have many tough characters to deal with, Terry Anderson is serving the class as president; Donna Rogers, vice-president; and DeFores Price, secretary.

Coach Todd has a bright (?) crew. Mickey Bonesio is the big chief with Jan Reese as veep, and that intellectual kid Dennis Rickman as secretary.

Maybe Kay Coffman is finally teaching Miss Collard how to play speedball. If any assistance is needed, Patricia Houle will be glad to give help.

Mr. Holt's homeroom seems to be well under control as Ronnie Duncan is president; J. Carter, vice-president; and Larry Hill, secretary.

Sharon Buckelew, secretary of Mr. Hinkley's homeroom, surely has some tough boys to deal with as Ronnie Gray is president and Arnold Powell vice-president.

Miss Mackey's homeroom is overrun with girls! Jan Story president; Louise Axe, vice-president; and Nelda Botkin, secretary.

Dick Combs is trying to teach Coach Meredith some new football plays. Judy Shulte seems to be coming soon so watch out for fiery juniors.

The sophomore class gave its vote of confidence to Miss Ruth Ann Allison in the first election. Ruth Ann is the daughter of Mr. and Mrs. J. R. Allison, 113 Texas Avenue. She feels it would be a great honor for her class if she is Annual Queen. She thinks her class deserves the honor because it is a "great bunch of kids" and works hard. This will be the sophomores' first year against two classes with experience.

A 'Bone-a-fide' Document: Profitable Skull-Duggery

BY MARTHA PONDER
Whiteface Feature Writer

Biology and brownie points are required of a student for graduation. The following discourse may be of benefit in acquiring an easier credit in that forbidden subject, and the brownie points needed therein to keep from being flunked.

Vertebrates are a species of animal life so classified because they have a spinal column composed of separate, but interlocking bones called vertebrae.

It is located in the back or dorsal side of said animals; in the instance of man, even though they are often spineless creatures, that is in an upright position. They are meant to be the most perfect group of animals in existence, and in most instances other than man, this is true.

They have a highly specialized brain system at the top of the spine. This means that the brain rests at the top of the spine, and we rest on the other. The brain is protected by a skull often thick, so that this delicate organ is not so easily injured.

to watch the Three Stooges to be convinced. In appearance the skull resembles a coconut, even to the hair of the outside, and the hollow inside in some individuals.

Of all vertebrates, man is the most intelligent (?). The first of this species is said to be George Washington — that is first in war, first in peace, and first in the hearts of his countrymen. But since George married a widow, it could not be true that he was before all other men.

Since man is supposed to be superior to the lower vertebrates, many of them serve him as food, some as beasts of burden (and if you don't believe some beasts, like cats, are burdens, I can testify otherwise. Sparrows are "birds," too), and some are tortured beyond words as pets for young children. We are, therefore, in a position to compare ourselves briefly with them. This follows immediately.

All vertebrates have these characteristics: a skeletal system on the inside of the body, therefore called an endoskeleton, made up of the

bones and cartilages. This framework supports the body and keeps it from having accidents. For example, it keeps the ankle between your calf and your foot. Otherwise your calf would be eating your corn.

The spinal cord, or the main nerve center located along the spinal column, the brain, and all the rest of the body nerves make up the nervous system. Today, in this nerve-racking age, many people — including myself — have very nervous systems.

Eyes, ears, and nostrils, as well as eyelids and teeth, either natural or artificial, are present in most forms. A vocal system, one of the major systems in a woman, is also included.

Another characteristic of this class is that there are only two pairs of limbs — unless you want to count the six-legged horse; it has forelegs in front and two behind. A majority of familiar vertebrates are divided into five classes: the pisces (fish); amphibia (for frogs, toads, salamanders); (Continued on page 6)

SCORE ONE WIN for Kathy Boston, who has been selected 1961 Football Queen. The Queen and her attendants Toni Parker, left, and Joyce West, right, were announced Monday afternoon by members of the Hereford Whitefaces football squad. These girls will rule over the Homecoming Game here Friday night, which pits Hereford against the Olton Mustangs. (Staff Photo)

Sophomore Class Plans Bar-B-Q

The sophomore class's money making project for the Annual Queen contest will be a barbecued chicken supper on Oct. 6. This the night of a home game, so everyone is invited to come. The fans from Olton are also being invited. The students of the class are selling tickets that cost 75 cents for children and one dollar and 25 cents for adults.

For anyone who doesn't want chicken, macaroni and cheese will be served. Along with the meat will be mashed potatoes, corn, tossed salad, and tea, milk, or coffee. Homemade pie will be sold for 15 cents a BIG piece. These pies will be brought by sophomore students and should be good.

Please buy tickets early because the homerooms are having a contest to see who can sell the most. The winner will get two free tickets.

It will begin at 5:30 p.m. and will be over at 7:30. This will give time to get to the game.

Each of the classes has a candidate for annual queen. Sophomore candidate is Ruth Ann Allison.

Hereford, Texas, Thurs., October 5, 1961 Section Two

Name Annual Queen Candidates In Hereford High School Vote

LONG LIVE THE QUEEN! This is the theme as the classes begin work for their newly elected candidates in the Annual Queen Race. The Queen will be crowned Nov. 17, Stunt Night. Much work and many troublesome hours lie ahead for students and candidates alike. Classes have chosen candidates this year they will be fighting and working for in the coming weeks.

From the senior class comes Miss Juny Means, daughter of Mr. and Mrs. M. L. Means, 517 Avenue K. She was chosen in a run-off election over Miss Judy Fowlkes.

In response to the questions, why she would like to be Annual Queen and why she feels her class should win, Judy says she would like to represent the senior class as queen because it has worked so hard in the past, and she feels sure the class members will show their usual enthusiasm this year.

When she heard she was senior candidate Judy said, "I just couldn't believe it. I felt like I would go through the ceiling." Be looking for the senior project November 10.

Jenny Holt is the junior candidate for the queen race. Jenny is the daughter of Mr. and Mrs. Earl Holt. She was victorious in a run-off election over Jerre Noland. Being annual queen is her desire — so that her class will be rewarded for the faith they have put in her. She feels her classmates will work hard in the coming weeks.

When asked how she felt when she learned she was junior candidate, Jenny said, "I was happy and thought it was wonderful. I just wondered if someone stuffed the ballot box." The junior project will

be coming soon so watch out for fiery juniors.

The sophomore class gave its vote of confidence to Miss Ruth Ann Allison in the first election. Ruth Ann is the daughter of Mr. and Mrs. J. R. Allison, 113 Texas Avenue. She feels it would be a great honor for her class if she is Annual Queen. She thinks her class deserves the honor because it is a "great bunch of kids" and works hard. This will be the sophomores' first year against two classes with experience.

"I was shaking," was her (Continued on page 6)

ROUND-UP QUEEN candidates for the 1961-62 edition of the Hereford High School annual are pictured above. At top is Judy Means, representing the senior class in the Annual Queen race. Jenny Holt, shown at bottom left, was selected by the junior class last week as a contestant for the honor. The sophomore class picked Ruth Ann Allison, at right, as its contender for the crown. The Annual Queen and her court will be crowned during ceremonies Nov. 17 at "Stunt Night." Proceeds from the annual queen race are used to help finance the "Round-Up." (Staff Photos)

CHOOSE ANY

Church

... to help you grow a better man out of your boy. Regardless of the Faith of the particular church you choose to help you... your child will have more Faith if he is raised in the church. Of course the 'punk' will deny this but we have the assurance of a great God, that His Word and His Church will help to build great men; dependable men; men who can be trusted.

Then parents, say as Jesus said to you, "Take My Hand." And once your child takes hold... lead him straight to church. God has led both old and young alike to very high places. He can do it again. We can be conquerors if Divine strength and wisdom flows in upon our souls. Then let us abide in the will of God, obey His inviting voice and march like soldiers to victory.

D. E. SPOTLIGHT — Judy Fowlkes, 17, daughter of Mrs. Lorraine Fowlkes, is working at Helen's under the Distributive Education program offered at Hereford High School. Judy plans to attend college when she finishes high school. She is a senior student, and is in her first year of D. E. training. Her duties at Helen's include straightening the stock, marking and stocking merchandise and selling merchandise. (Staff Photo)

JIM HANEY, Hereford halfback, barely lost this pass off his fingertips Friday night in the game with Roswell. Late in the fourth quarter, it appears that Haney is attempting a little basketball strategy and is trying to dribble the football down the field. (Staff Photo)

West Hereford HD Club Meets With Mrs. Cox

The West Hereford H. D. Club met in the home of Mrs. Alice Cox on Sept. 26 at 2:30 p.m. The meeting was opened with a poem, "The Dollar and the Cent," read by Miss Evelyn Bell, president. Roll call was answered with "What club work has meant to me and my family."

Mrs. Argen Draper gave the program on extension service and the county building program. Mrs. Draper discussed home management and the availability of a home management course in the local high school for boys and girls. Mrs. Draper urged members to use the bulletins available at her office.

Miss Bell conducted the business meeting. The nominating committee's slate of officers was elected as follows: Mrs. Verna Schroeder, president; Blanche Moseley, vice president; Mrs. Artie Frost, secretary; Mrs. Mary Waters, treasurer; Mrs. Alice Bradley, reporter; and Mrs. Pearl Gass,

council delegate. The hostess gift was won by Mrs. Argen Draper. Refreshments were served to Mesdames Mary Waters, Alice Cox, Artie Frost, Verna Schroeder, Grace Witherspoon, Myrtle Witherspoon, Edna Anders, Evelyn Bell, Mable Vaughn, Edna Bowe, Ruth Carthel, Terice Shirley, Vida Jacobsen, Blanche Moseley, Argen Draper, and one visitor, Mrs. Robert Wesson.

The next meeting will be in the home of Mrs. Mable Vaughn, Oct. 10, at 2:30 p.m.

Missionaries returning from China in 1739 introduced the soybean to France.

Civil Defense Program For Valeda Club

The Valeda Study Club met on Tuesday, Sept. 26, in the Flame Room of Poliner Natural Gas Company, with Mrs. Robert Spaulding as hostess.

The meeting was opened with the members replying to the question "How have I prepared my family for home emergencies?"

Mrs. Charles Hoover introduced the guest speaker, Don Zimmerman, Judge Zimmerman spoke on Civil Defense. He said in any organized society there are a few upon whose shoulders fall the responsibility of the safety of the majority. Preparation is a "do it yourself life insurance plan." The lives of ourselves, our children, and our neighbors, depend on how well we do this job. Preparation for a local disaster helps in preparation for a National disaster. Judge Zimmerman explained the Civil Defense and disaster organization in Hereford.

Those present at the meeting were Mesdames Don Baugous, Charles Bell, Bill Bradley, Gid Brown, Wendell Burdine, Hugh Clearman, Charles Hoover, Gerald McCaskill, George Ritter, and Robert Spaulding.

Stayton Family Holds Reunion

A family reunion was held Sunday, Sept. 24, in the home of Mr. and Mrs. L. F. Stayton, 305 Jowell, Hereford. Fifty-two persons attended.

Those attending from Hereford were Mr. and Mrs. James Stayton, Mr. and Mrs. Bill Turner and children, Mr. and Mrs. Joe Thursby and sons, Mr. and Mrs. Commie Smith and children, Mr. and Mrs. Charles Stayton and children, Mrs. Ouida Wray and children, Miss Berniece Denney, Miss Loretta Cole, and Miss Leona Stayton.

Out of town relatives were Mr. and Mrs. Billie Joe Evans and children of Dumas, Mrs. Mary Jo Abernathy and Cathy and Mrs. Lorene Sessums of Amarillo, Mr. and Mrs. Billie Ray Stayton and children and Mr. and Mrs. R. I. Stayton of Blair, Oklahoma. Also attending were the parents and a sister of Mrs. L. F. Stayton; Mr. and Mrs. L. B. Kamezind and Pauline of Dimmitt.

Now CHEVROLET A New World of Worth from Chevrolet

New Impala 4-Door Sedan—notice the rakish new roof line

Rich new styling with Jet-smooth ride '62 CHEVROLET

Think of just about everything you ever wanted in a car—and darned if this one doesn't have it! A road-gentling Jet-smooth ride. New choice of V8 skedaddle. Slim-roof styling in all sedans. The sportiest sport coupe you've seen. Beauty that stays beautiful—right down to new rust-resisting front fender underskirts. There's more than ever to please you in '62 from America's No. 1 people-pleaser!

This one can easily leave you asking, "How did Chevrolet do it?" It's that good—as you can see in the lean and clean lines, in the rich interiors and in the way it goes.

There's a new choice of V8 vim and vigor ranging all the way from a standard 283-cubic-inch sizzler to two 409-cubic-inch powerhouses.* There's a happy choice of four trusty transmissions. And there's that '62 Jet-smooth ride with a supple Full Coil spring at each wheel to take the starch out of the orneriest roads. Then to keep things nice and quiet

for you, we've lavished well over 700 sound insulators and cushioners on the new '62 Chevrolet.

Some package already, isn't it! But there are more goodies galore. Standard-equipment heater and defroster. A Grand Canyon of a trunk. Magic-Mirror finish. And, well, we could write a book about it all. Matter of fact, your Chevrolet dealer's got it all down on paper. Get a full fill-in from him now—and a personally guided tour of the car that's taken the high cost-out of feeling luxurious—new '62 Jet-smooth Chevrolet.

*Optional at extra cost

New Biscayne 4-Door 6-Passenger Station Wagon—lots of room and zoom

New Bel Air 2-Door Sedan—with beautifully crafted Body by Fisher

"What a Big Job They Gave ME!"

"Perhaps my bark will scare burglars away, or sound the alarm in case of fire, but—the family ought to know that the safest place to keep their valuables is in a safe deposit box at the bank!"

Rent one from us at low cost.

We'll please you, and there are no "curves" to it. Get the habit of driving in regularly. When we KNOW your car we can give you better service.

OFFICIALS FROM Deaf Smith County were among those who attended the 1th annual Attorney General's conference on law enforcement in Austin recently. Attorney General Will Wilson, center, is shown with County Judge and Mrs. D. D. Zimmerman, left, and County Attorney and Mrs. Ed Line.

C of C Speakers Outline Budget At Rotary Club

C. Palmer Norton, president of the Deaf Smith County Chamber of Commerce, and Bill

Thompson, chamber manager, outlined the reasons for the increased Chamber of Commerce budget at the regular Monday noon meeting of the Hereford Rotary Club.

Palmer stressed the fact that to do the proper job for the community, it was necessary to have more funds available

for work projects proposed during the coming year.

The new budget proposed by the Board of Directors calls for the spending of \$35,000 during the year. Half of the budget will be allocated for work projects. The remainder will be used to cover administrative expenses.

During his talk, Palmer pointed out that the chamber is striving to promote agriculture in the county as well as industry and business.

Projects included in the budget call for the promotion of agriculture, livestock, industrial, development, aviation, beautification, tourist and convention, retail trade development, and legislative action.

"In setting the budget," Thompson told the group, "the Board of Directors recognized that this is the largest for any community under 10,000 population. They also recognized that Hereford is different from the others."

To raise the necessary funds, he said, the minimum dues of the Chamber have been doubled. The committee also evaluated the membership on the basis of how much each business has at stake. The Chamber has already gained \$4,000 over what was pledged, Thompson reported, from less than 10 percent of the membership.

"If this is projected out," he continued, "the money for the proposed budget will be raised." "We are attempting," he concluded, "to make the Chamber of Commerce an active, vital force in the community."

Norton, who spoke first, was introduced by Bruce Fink, pro-

Household Scrapbook

Homemade Glue

A good, harmless, odorless, and stainless glue can be made at home just by soaking some plain cooking tapioca in water. Especially good is this glue for the very young child who likes to taste everything he uses.

Conditioning Brushes

New paint brushes can be conditioned for more effective and for longer life if you'll soak them in linseed oil for about 12 hours. Your brush will handle much more easily, and will clean more easily, too, in the future.

Sticky Iron

A sticky iron can be made to operate smoothly again if it is run back and forth while hot over a paper on which salt has been sprinkled.

ENAMELED Woodwork

To clean spots on enameled woodwork, don't use soap, soda, etc., but remove fingermarks and dirt with a cloth dampened with alcohol, and then wash quickly with clear water — and the surface will remain bright. Equal parts of milk and water, with a little kerosene added, is fine for cleaning white painted woodwork.

gram chairman of the Hereford Rotary Club.

The earliest reference to coal in the United States is found on a map prepared by the Joliet and Marquette expedition to the Mississippi River in 1673.

New Officers Installed For St. Anthony's Guild

Installation ceremonies for the new officers of St. Anthony's Guild were held on Thursday evening, Sept. 28.

Mrs. Arnold Husmann conducted the installation ceremony using the theme of the Christopher Movement — "you can change the world by lighting just one little candle in the darkness."

Mrs. Arhart Reinhart received

a lighted candle from the conductress as a symbol of her office as president and leader. The following officers accepted their duties by lighting their candles from the president's candle; Mrs. Henry Wilhelm, vice president; Mrs. Gene Loerwald, secretary; Mrs. Norbert Skypala, treasurer; Mrs. W. J. Albracht, parliamentarian; Mrs. Conrad Urbanczyk, reporter; and the Rev. Angelus Delahunt, moderator. The new officers then lit the candles of the members.

Mrs. Husmann ended the installation with these words, "Now with the light of our devotion to God's will and His work before us, the spirit of St. Anthony's Guild is aflame with a bright light. Let us pray that God will bless us and our work."

Mrs. Ed Dziuk was presented a gift as a token of appreciation for her efforts as president for the past two years.

Mrs. Henry Wilhelm distributed the new yearbooks and gave a brief review of programs and events for the coming year.

Mrs. Ed Dziuk won the hos-

tes's gift.

Mrs. W. J. Albracht, Mrs. Jim Pavlicek, Mrs. Harold Kriegerhauser, and Miss Theresa Koelzer served refreshments to the guests, Mrs. Ted Dakhill, Mrs. Mary Green, and Brother Cletus, and the members, Mesdames Gene Loerwald, Agnes Hellman, Lester Wagner, Matt Jesko, Leon Vinton, Arnold Betzen, Steve Meiwes, Cornelius Drerup, Frank Annen, Henry Wilhelm, Ed Dziuk, M. J. Koelzer, Ed Paetzold, Ed Loerwald,

Leo Hoffman, Elbert Vance, Arhart Reinhart, S. T. Loerwald, Andrew Kershen, Mable Wagner, Marvin Diller, Joe Paetzold, John Gallagher, John Albracht, Ray Wilhelm, Arnold Husmann, and the Rev. Angelus Delahunt, S. A.

How Can I?

By Anne Ashley

Q. Can you give me some tips for the neat ironing of tucks?

A. To keep them neat and flat, iron them until they are absolutely dry — otherwise, they will pucker and look wavy. Vertical tucks should be pulled taut and ironed lengthwise, while horizontal tucks should be ironed by starting off the top and working to the bottom.

Q. How can I prevent the dyes in old stained woodwork from showing when I paint over it?

A. You can avoid this trouble if you'll first apply a coat of aluminum housepaint over the woodwork.

Q. How can I improvise some starch for some garments that require just a little stiffening?

A. Try using the water in which some rice has been boiled.

Q. How can I reduce the spattering and smoking of the fat when boiling meats?

A. After preheating the broiler, pour in just enough cold water to cover the bottom of the broiler pan. This will not interfere with the browning or crisping of the meat, will lessen the spattering, and will make the ultimate cleaning of the broiler much easier.

Q. How can I eliminate the

VISIT GRANDMOTHER

Mr. and Mrs. Dale Young and children visited in Lubbock Saturday with his grandmother, Mrs. R. L. James of Ralls, who is a patient in St. Mary's Hospital.

necessity of a touch-up painting job after putting in some new window panes?

A. By working some paint that matches the sash color in your putty.

Q. How can I remove the unpleasant burnt taste from milk that has been slightly scorched?

A. By placing the pan of milk in some cold water, and adding a pinch of salt to the milk.

Now you can call Long Distance faster, easier

Use AREA CODE NUMBERS

on all out-of-town calls

Direct Distance Dialing gives you the fastest, most convenient Long Distance service available today.

With DDD, Hereford telephone users can dial direct to almost any point in the country — in a matter of seconds.

There are times, though, when some Long Distance calls must still be placed with an operator — such as collect calls, person-to-person calls or credit card calls.

Now there is an easy, faster way to place calls that must be handled by an operator. It's simply this:

Tell the Long Distance operator the Area Code for the city you are calling and the distant number. It's not necessary to give her the name of the called city or state.

How to call: Suppose you want to phone KL 5-3677 in Birmingham, Alabama. A check of your telephone directory shows the Area Code Number for Birmingham, Alabama, is 205.

After you have the Code Number, then:

1. Dial "Operator" for Long Distance.
2. Tell her: "Area Code 205 KL 5-3677." (No need to mention Birmingham.)
3. When the operator asks, tell her the number you're calling from.

For handy reference, include the Area Codes in your list of Long Distance telephone numbers. The Blue Book has a special column for listing Area Codes beside the numbers. If you don't have a copy, just call the telephone business office. No charge, of course.

Call by number... it's twice as fast

REP. WALTER ROGERS WRITES

District Of Columbia Not Given School Funds Sought

TO THE PEOPLE OF THE 18th congressional district: It seems that the House of Representatives of the United States Congress adjourned on a sour note with both the United States Senate and the District of Columbia. The House seems to be in equal bad repute with both.

Newspaper accounts here, both news stories and editorials, refer to the House adjournment activities as a "sleazy maneuver," "Arbitrariness," "stubborn insensitivity to the national welfare," "double crossed the Senate," "writing offensive provisions into catch-all appropriations bills," "legislation by trickery," etc.

One editorial says, "It was stubborn insensitivity to the national welfare on the part of the House that killed the aid to education bill, cut deeply into the foreign aid program and doomed vital legislation for the District of Columbia." The offensive provisions charged to have been written into an appropriations bill by the House, no doubt, refers to some language put into the bill by the House which prevented some additional back door spending.

The vital legislation for the District of Columbia referred to was a District of Columbia tax bill increasing the sales tax in the District of Columbia, among other things. One of the

other things that was so abhorrent to the House was the inclusion in the bill of an amendment which would have permitted the District of Columbia to have participated in the funds originally appropriated to aid school districts which were unduly burdened by Federal installations. This is commonly called the impacted school areas bill.

The amendment to which I refer which was included in the District tax bill would have meant that the District of Columbia would have profited to the tune of about \$5 million out of the Federal Treasury. The District of Columbia, because of the great amount of Federal property within its confines and not subject to taxation, receives an annual grant each year in lieu of Federal taxes.

This year it will receive approximately \$30 million. It originally came to the Congress with a request for approximately \$36 million. This request was, of course, reduced by the House, as it should have been. The grant annually made to the District of Columbia takes into consideration all of the circumstances involved, including the school children. The Federal government does not make such a grant to other cities. It does make grants to other cities in limited amounts because of impacted conditions in schools created by the children of Federal employees working in installations and projects that are not on the tax rolls.

The House knew that if the District of Columbia was included in the impacted areas legislation and also given the annual Federal grant, it would be a case of doing indirectly what the House had refused to do directly, that is, pay to the District of Columbia the sum of approximately \$36 million. This matter was presented to

the House on two separate occasions. On the first occasion, by a Roll Call vote, the House refused to accept such an amendment by a vote of 142 to 159. Four days later the matter was again brought before the House and on another Roll Call vote, the proposition lost to the tune of 173 nays to 97 yeas. It was an excellent example of a gimmick to by-pass the Appropriations Committee and the appropriations procedures of the House.

Many of the advocates of Federal aid to education supported the amendment and argued that it would be a breakthrough into the field of Federal aid to education. This argument did not help the cause of those trying to insert the amendment, because it will be remembered the Federal aid to education bill failed in the House earlier in the year.

The Congress came in for some bitter criticism on other measures concerning the District of Columbia. One of these had to do with the fact that the Senate had voted \$2,550,000 in connection with the National Capital Transportation Agency. A conference between the House and Senate resulted in this amount being cut to \$1,085,000. We were also criticized because the House refused to yield concerning disqualification requirements having to do with benefits for the unemployed. The result was the bill is still pending.

Another item drawing criticism was the failure of the House to go along with certain proposals designed to "improve" the urban renewal and redevelopment procedures. The House was taken to task not only in the newspapers but also on television and radio, and was accused of being irresponsible for failure to do things for the District of Columbia.

I bring you this story because I think the people all over the country should know that the House or Representatives, in my opinion, has proved the strength of representative government. The Members of the House, elected for two-year terms so they would and could remain close to the people, have by their action in these matters proven that the "voice of the people" is still being heard in loud and clear tones in the Nation's Capital.

18TH DISTRICT OF TEXAS

VISIT PARENTS
Mr. and Mrs. Carrol Gene Bartley and children of Lubbock, were weekend visitors in the home of her parents, Mr. and Mrs. L. T. White.

DAMAGED PORTIONS of the Westway Store are shown following an explosion which rocked the structure Friday afternoon. Canned goods and other merchandise spilled onto the ground as debris was thrown over a wide area. Considered a total loss,

the building was destroyed almost beyond recognition although no fire resulted from the explosion. Cause of the blast was thought to be a faulty butane line in the basement. (Staff Photo)

Victory Class Meets Thursday

The Victory Sunday School Class of the Avenue Baptist Church met in the Flame Room of Pioneer Natural Gas Company Thursday, Sept. 28.

The president, Mrs. Betty Hagar, called the meeting to order with the opening prayer by Mrs. Fannie Townsend, newly elected teacher of the class.

Officers for the coming year were elected as follows: Rosie Wall, president; Nan West, vice president; Charlene Gotcher, third vice president; Betty Hagar, recording secretary; Nancy Duncan, treasurer; Margie Kemp, reporter; Edra Baxter, assistant reporter; Erma Rickman, class minister; Mary Southward and Maxine Coleman, group captains; Wilma Bryan and Billie McDowell, social chairmen; and Peggy Jo Hardy, secretary.

The yearbook chairman, Wilma Bryan, discussed the scheduled events for the coming year. Mrs. Pearl Boyer is the mother of the year.

Names were drawn for secret pals. The friendship circle was formed at the close of the meeting with closing prayer by Margie Kemp.

HAS SURGERY

Jonnie Lee Walker, two-year old daughter of Mr. and Mrs. Will Walker, 209 Catalpa, had orthopedic bone surgery at St. Anthony's Hospital in Amarillo on Friday, Sept. 29. She was scheduled to be released this week.

ATTENDS CONVENTION

Reverend Gilbert Davis Jr.

attended the International Convention of Christian Churches (Disciples of Christ) in Kansas City, Sept. 28 through Oct. 4. Reverend Davis is chairman of the Texas Delegation to the Committee on Recommendations.

In good years, the catch of Dungeness crab off the coast of northern California exceeds eight million pounds.

Billy Jackson At Naval Air Station

Serving on the West Coast at the Naval Air Station, Alameda, Cal., is Billy B. Jackson, hospital corpsman first class, USN, son of Mr. and Mrs. Robert R. Jackson of 441 Miles Ave., Hereford.

The station, known as the "Aviation Gateway to the Pacific" is homeport for several of the Pacific Fleet's aircraft carriers.

SEE GAME, DAUGHTER

Mr. and Mrs. Jim Wiman and family attended the football game in Roswell Friday night, and then visited in Portales with their daughters, Sylvia and Joy, who attend Eastern New Mexico University. The Wimans returned home Saturday afternoon.

VISITS DAUGHTER

(Continued from page 1) up!! Sharon - I hope you will get your American History report straightened out before the end of the year. I understand you also have a hard time trying to read signs on doors! Why is it some people like to be with their cousins? There was a lot of peaceful quietness Monday in Mrs. Buck's sixth period Civics class, thanks to Glen Nelson. Elva Leen Martin - Why are you always running out of gas? I have been asked to please ask the person who owns the red and white '61 Chevrolet to put better tasting "goodies" in his car for certain seniors. Is it going to be a habit for Lynton Allred and Judy Rowland to change chairs in their English class?

Joy Story

Senior Personality

By Whiteface Staff

Joe Mack put up quite a bit of fuss when they tried to take his picture in Journalism for Senior Personalities. He had to go into his own private room. He's so modest!! Several of the boys have decided that they want to take up a collection to buy the cheerleaders socks to wear with their tennis shoes. When I told them it was the style, they threatened to start wearing their shoes without socks. I want to see that, it would really be a sight!! The F. F. A. Chapter certainly did select a beautiful and talented sweetheart, for this year. Congratulations to Joyce West, the new sweetheart! Charles Mims has a new hobby of riding on top of Mickey Bonesio's car. Wonder how the band students' conference with Mr. Gollehon came out last Wednesday after the test? Who is the new girl I've seen you with several nights, Eldon? Fred Martin has been doing very nicely on his English tests - thanks to Austin Hodges. The sophomores either have a very dull class or just aren't interested in letting the rest of the school know any news that goes on in their class. They're MUM about all the news. Joy Story's hay fever certainly did worry Mrs. Williams, especially when Joy missed an English test. Mack Canler is having a hard time convincing everyone he is very free and happy. Lynton Allred and Dennis Hodges enjoy surprising Joyce West and Nancy Edwards by buying their lunches for them. **BEAT OLTON!!**

Everything has gone great at this year, it is even better than my freshman year, and I didn't think it could be beat," says Joy Story, daughter of Mr. and Mrs. Joe Story. The Story family moved from Plainview when Joy was five years old and they are now living west of town on Harrison Highway. One of Joy's most enjoyable hobbies is swimming. She spent most of the summer learning to perform her most perfect dive - the swan dive. Her pride and joy is her black thoroughbred stallion named Trigger. She took riding lessons for five years for no other accomplishment than learning to saddle Trigger. She hasn't given up hope, though, because she plans to take more lessons in the future so she can learn how to ride her horse. Joy likes to bring in the new year by putting puzzles together.

Joy has made quite a successful hit in H. H. S. She has served as Student Council secretary and as vice - president of the Student Council. She takes an active part in Tri - Hi - Y, Thespians, and F. H. A. Joy is a cheerleader this year and says, "It is just wonderful."

As Joy recalls, one of her most embarrassing moments was one night at 12:30 when she distracted the driver's attention and nearly caused him to hit a telephone pole. Joy plans to go to Hawaii after graduation to take hula dancing lessons, return home and open up a hula dancing school. As busy as this cute little senior is, it is a wonder she has any spare time, but somehow she manages to help Dan with his tap dancing lessons. Joy says that her most exciting moment was when she had unexpected company on a date three weeks ago. "My four years of high school has been more enjoyable than I ever thought possible," said Joy. **BEAT OLTON!!**

for over a year, that is another theory disproved. **BEAT OLTON!!**

Home...

(Continued from page 1) quite capable of helping with the football players' names. John Fowlkes, president of Mrs. Neill's homeroom is in a place of envy. Pegene Cox is his right hand lady, while Janice Hagans makes sure everything is kept up to date. Joe Shultz is "ruling the roost" in Mr. Alvin Smith's class. The rest of the flock includes Edward Allison, vice - president, and Virgil Kukendall, secretary. President Eugene Green in charge of Mrs. Madison's homeroom with Billy Hill as his assistant and Kathryn Barnard to keep up the books. David Block is going to have a pretty tough time teaching judo to Mr. Hudson. It's doubtful that Tim Gallagher will be of much help but Jackie Andrews can always phone for help if any serious injuries occur. Joe Smith seems to have a group of good seniors with Eddie Gallagher, president; Butch McCaslin, vice - president; and Judy Price, secretary. Dickie Slaughter seems to like cookies best of all in Mrs. Hart's homeroom. If there's any left Sammie Tisdale will finish them off. Sounds like a pretty good crew and here's wishing you lots of success in keeping those teachers in line! **BEAT OLTON!!**

Name...

(Continued from page 1) reply to her feelings when she learned she would run in this year's Annual Queen race. The sophomores are having a Bar - B - Q Oct. 6. The money raised in the different projects will go toward the expense of this year's Round up. This everyone to work for their class as well as the whole school. The class which raises the most money through its fundraising project will automatically win the race. Queen candidates receive one vote for each cent collected in the drive. Climax to the queen contest will come Nov. 17 when the Annual Queen is crowned during "Stunt Night." All proceeds raised in the queen race and from the sale of tickets for Stunt Night will be used to help pay for publication of the 1961-62 "Round Up."

Stunt Night will be sponsored by the annual staff. All clubs and organizations at HHS are invited to enter stunts in the program. Anyone desiring to participate in the program may contact Mrs. Viola Chisholm, annual staff sponsor. Tickets for Stunt Night will be sold by annual staff members, beginning within the next few weeks. **BEAT OLTON!!**

shark with the physique of Butch Waltershead. However, Janet would probably have stayed longer, but in the beautiful blue water she was bitten on the right leg by a neat water moccasin, Troy Don Moore; and on the left arm by an alligator named Eldon Howell. This is why she had to return to the states. Other than this, she really did enjoy her trip to Africa. **BEAT OLTON!!**

Search...

(Continued from page 1) a jungle fly with eyes like Austin Hodges. The next morning when Janet went swimming, she saw a hippopotamus with a smile like Mack Canler and a walk like Clifton Corley. Under the water there was versatile seahorse, Virgil Strange; and the wittest crocodile, Randy Dowell; and a

A Bone...

(Continued from page 1) ders); reptilian (snakes, turtles, lizards); aves (for birds); and mamalia (the mouse family, horses, families of dogs and cats and mankind.)

Often there is conflict between the members of the same class. For instance, between the long famous quarrelers, the cat and dog, there is a fight to the bitter end. The other day my dog was chasing my cat and he bit her end.

Fish are fresh - water or marine vertebrates. They have a bone or cartilage skeleton, have limbs in the form of fins, and are usually covered with scales except on the head and fins, and breathe by means of gills. The body is streamlined for the least water resistance. This is an excellent provision since the fish must live in water most of the time.

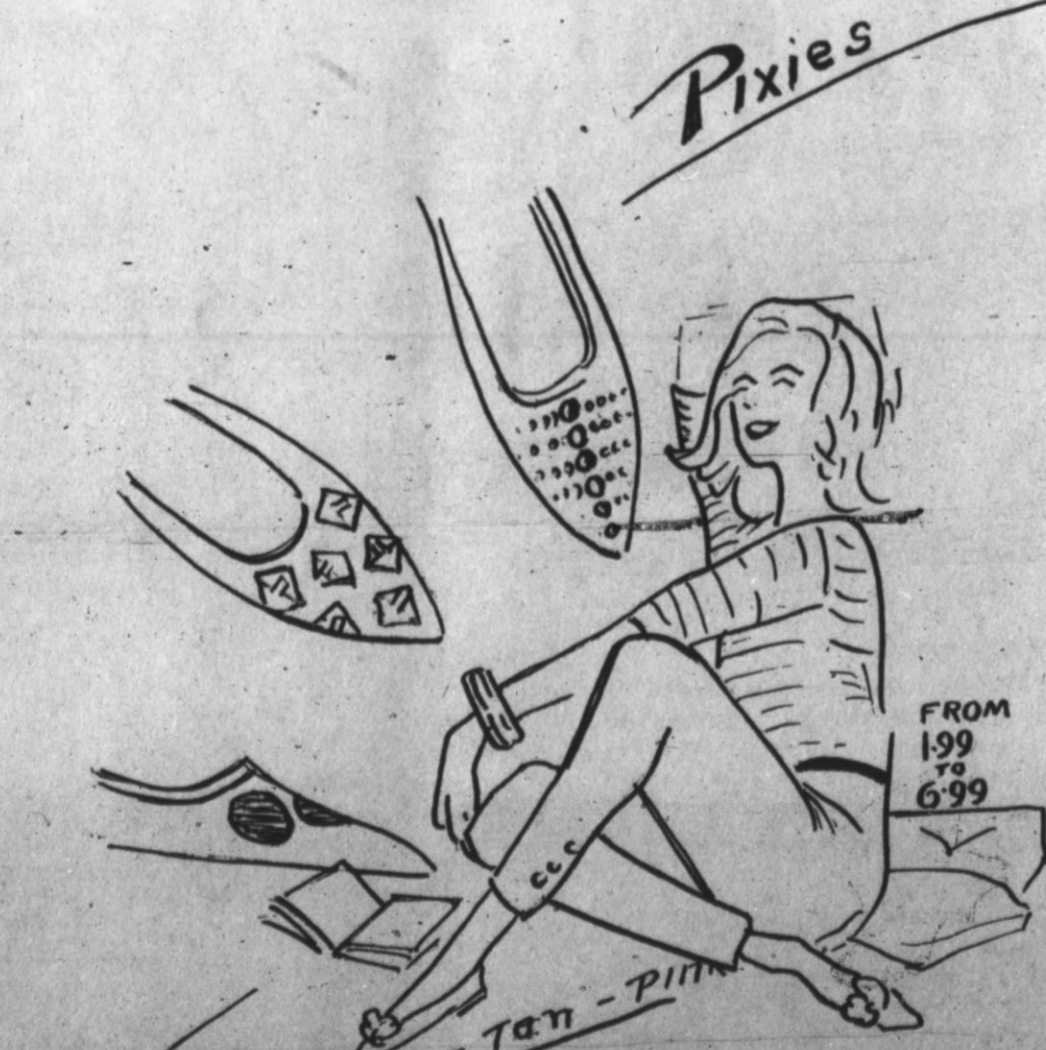

The head is father pointed, protected by "plates" (but that is beside the point), and is attached to the trunk. Since there is no neck, this is fortunate. For the same reason, it is doubtful that fish neck as some humans do.

For a final note (aren't you glad it's final?), a cemetery man once told me that fish was brain food. Since I tried eating fish

AUSTIN HIGHLIGHTS

Clear Obstacles On State's Biggest Water Undertaking

AUSTIN — Final legal details were bulldozed from the path of the biggest state water project in Texas history. Reason—to pave the way for groundbreaking ceremonies Thursday near the site of Toledo Bend Reservoir on the Sabine River.

State Board of Water Engineers, Texas Water Development Board and the Attorney General's office worked overtime in order to approve the project — from engineering, fiscal and legal standpoints.

Sabine River Authorities in both Texas and Louisiana are 50-50 partners in the Toledo Bend Dam to be constructed near Newton, Texas. It may cost as much as \$60,000,000. Original estimate, back in 1957, was \$54,000,000.

No federal aid was sought. Louisiana put up \$15,000,000 in tax money. Texas is lending the SRA of Texas \$15,000,000. Rest will be borrowed from private investors.

This giant hydroelectric project will provide power for utility companies in Texas and Louisiana to market. It will supply Calcasieu Parish, La., and Orange County, Tex., with water for domestic and municipal use, irrigation and industries.

LOST LAND?

Land Commissioner Jerry Sad-

See Your Druggist for wonderful new comfort for false teeth

CUSHION FOR FALSE TEETH

No more messy, sticky, old-fashioned pastes, powders or pads. Each application of plastic Cushion for False Teeth ends loose denture troubles for weeks at a time. Easy to use, sanitary, multi-medicated to help heal sore gums. Eat "waxed foods" with comfort and confidence—no food particles under plate—no "denture breath". Talk, laugh—even sneeze—your plate stays comfortably in place!

4 to 6 months supply \$1.39 IN THE GREEN AND WHITE POLAR

ler dropped a bombshell in the laps of the Austin City Council. In checking records at the Land Office, where all Texas land titles originate, he found no evidence of a partner or sale of Lots 6 and 7 of Block 185 of the original City of Austin.

Sadler referred the matter to the Attorney General, noting that these two lots hold one of Austin's water plants. Capitol ways were quick to ask if Sadler was trying to cut the city's water off.

State Deficit Grows

Texas is still waiting for the full impact of the new sales tax. Meanwhile, the deficit in the general revenue fund increases. Latest report shows a hike in the fund - shortage of \$20,500,000 in a period of 11 days.

With the mailing of first installment on this year's state aid to the school districts, the new total deficit is \$76,811,173 according to State Treasurer Jesse James.

First sales tax payments from retailers are due October 31.

Stepped - Up Check on Unemployment Claims

Texas Employment Commission is hiring additional investigators to look into unemployment compensation claims to ascertain that only those entitled to it receive it.

Commissioner J. J. Piekler, Employers' representative on the three - member commission, reports that eight or nine new probes are being tried by authorization of U. S. Department of Labor to study claims.

New investigators will be assigned to the larger employment district offices throughout Texas.

Commissioner J. E. Lyles, Employees' representative, said "too many people are receiving benefits from this program through misrepresentation, honest or otherwise."

Driver Training - Fewer Accidents

Governor Daniel reports "major progress in reducing involvement in fatal accidents through the steady expansion of driver education classes in Texas public schools."

Driver education students are having 21 per cent fewer accidents.

Since 1957 a total of 265,028 students, in the 15 to 24 age bracket, have completed driver education courses, an increase of 80,091 or 43.2 per cent, over the preceding four - year period.

State Job Classification Legal

Atty. Gen. Will Wilson has ruled that the new state job classification program is constitutional.

Question was submitted by State Comptroller Robert S. Calvert.

Opinion held that the graduated pay schedule for state employees is legal because the Legislature has authority to use this method of classifying workers.

New system provides for pay raises on the basis of seniority.

Carla's Aftermath

"Carla the Hurricane" has long since left Texas, but her mark remains.

Governor Daniel modified his remarks about insurance adjustors by saying that most companies were paying claims fairly.

But a Chicago insurance executive came to Texas and blasted both Governor Daniel and Sen. Ralph Yarborough for remarks about fine print in insurance policies.

Speaker James Turman sent his general investigating committee probing along the Gulf Coast, intent on recommending a new windstorm insurance law and one governing the handling of claims.

Texas public trusts and foundations have contributed \$255,000 to aid hurricane victims, and fund - raising appeals under the Red Cross are under way across Texas.

As usual, warm - hearted Texans are chipping in to help those hit hardest by Carla.

Governor-For-A-Day

Many senators get to be governor - for - a - day. But Sen. Bruce Reagan of Corpus Christi got a bigger break.

While Governor Daniel was attending the Southern Governor's Conference, of which he is chairman, Reagan was acting governor for a full week. He even issued some clemencies.

Reagan made the most news however, by publicly disagreeing with Daniel. He said he saw no need for another special session of the Legislature.

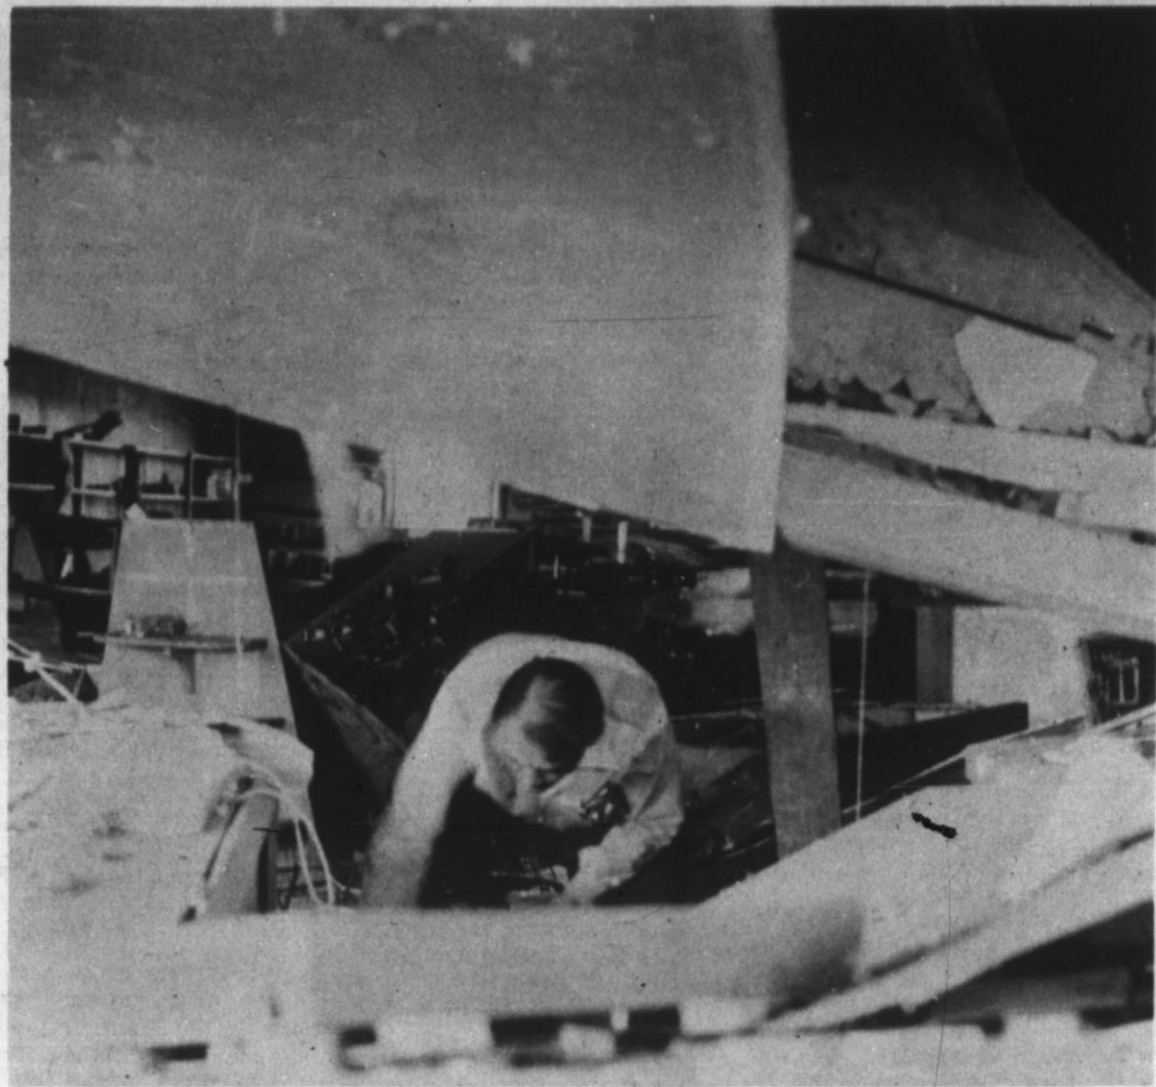

Proclamations issued by Reagan included one designating "Port of Corpus Christi Day" and a series of three praising Del Mar College, Texas College of Arts & Industries, and the University of Corpus Christi.

GOES ALL OUT

CINCINNATI (AP) — When it was suggested that Bob Purkey take it easy in the second All-Star game in Boston he replied:

"When I'm out there pitching I give it everything I've got. I can't ease up. You get hurt easier when you ease up than when you go all out."

Purkey gave up a home run to Rocky Colavito on a change up curve in the 1-1 rained out nine - inning test.

SEARCHING IN VAIN for a purse which was covered by rubble resulting from a blast at the Westway Store Friday afternoon is a member of the Hereford Volunteer Fire Department. Totally destroyed by the explosion resulting from an accumulation of bu-

tane in the basement, the store building was shattered almost beyond recognition. All counters in the grocery store were toppled as a result of the tremendous blast. (Staff Photo)

Gooch Infant Buried Saturday

Funeral services for Ronald Dale Gooch, infant son of Mr. and Mrs. Kenneth Gooch of Hereford, were conducted at 2 p.m. Saturday in the Rose Chapel of Gilliland Funeral Home.

Officiating was the Rev. Robert Lacey of Amarillo. Interment was at West Park Cemetery under the direction of Gilliland.

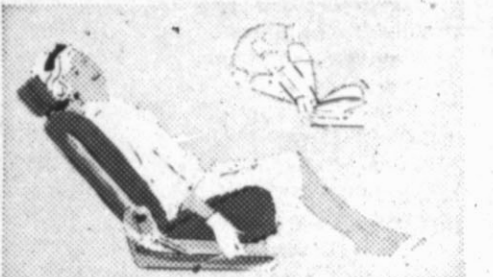

The infant died at 11:55 a.m. Friday in Deaf Smith County Hospital. He was born Sept. 27. Surviving besides the parents are one brother, Donald, and a sister, Sharon, both of the home; and the grandparents, Mr. and Mrs. M. C. Gooch, and Mrs. Grace Walker, all of Plainview.

There are more health insuring organizations operating in Texas than any other state. These include 379 insurance companies, two Blue Cross - Blue Shield and Medical Society plans and 14 other insuring plans.

Tandem master cylinders, one for front brakes, one for rear. Standard.

New Road Command Suspension
New springs, new control arms, new outer ball joints, new steering case. Rambler Classic, Ambassador V-8.

New 33,000-Mile Lubrication
Most Rambler models require lubrication only every 3 years or 33,000 miles, whichever occurs first.*

New 2-Year Engine Coolant
Dowgard Full-Fill Coolant protects cooling systems. (Low cost.) 24-month, or 24,000-mile warranty.*

New 4,000-Mile Oil Change
Now go twice as long between normal engine oil changes. Oil filters standard.

New Battery Guarantee Doubled
If battery fails within 2 years, or 24,000 miles, it will be replaced without charge.*

New Best Rustproofing
Deep-Dip rustproofing up to the roof, zinc-clad below-door body panels.

New E-Stick No-Clutch-Pedal Transmission
No-clutch driving at a fraction of usual cost. Stick-shift economy. American.

New Wider Track Wheels
Classic and Ambassador have widest track of any compact. New stability.

Announcing Rambler for '62!

New Style! New Savings! New Safety!
New Lower Prices on Most Models!

1962 Rambler Classic Six, the all-purpose compact.

102 Ways New and Better...
Take a Discovery Drive and See

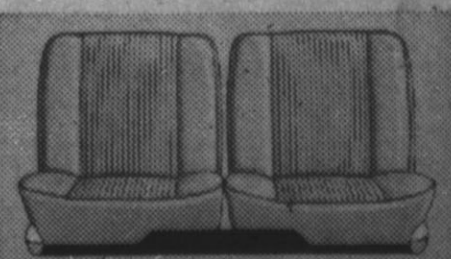

Come discover how you share Rambler's progress! Discover new beauty in cars more useful, more livable, more service-free. Cars that resist rust, stay new longer, cost less. Discover new performance, handling, cornering, ride. Interiors that rival \$6,000 cars. Discover much more car for your money!

New Gas-Saving Automatic Transmission
New Flash-O-Matic for 6 cylinder cars. Near standard shift economy. Optional.

New 27% More Road Clearance
27% more road clearance in the '62 Rambler Classic and Ambassador V-8. 19% more in Rambler American.

New Improved Ceramic-Armored Muffler
If Ceramic-Armored muffler or tailpipe rusts out (collision damage excepted), a Rambler dealer will replace it free as long as original buyer owns his Rambler.

*NOTE: Warranties apply to new 1962 Ramblers purchased from an authorized Rambler dealer. If battery fails or coolant leaks during first 2 years or 24,000 miles, whichever occurs first (misuse, negligence, or accident excepted), either will be replaced without charge by going to a Rambler dealer.

New Airliner Reclining Bucket Seats
Nothing surpasses them at any price. Five positions. Double-thick foam.

1962 Rambler American Convertible, automatic top standard.
