See No Unemployment In Deaf Smith County

Unemployment seems to be no problem for Hereford and Deaf Smith County, as only one person has filed for extended compensation benefits under a new program which became effective in Texas more than a month ago.

Since April 12, the Hereford office of Texas Employment Commission has been ready to accept claims for workers who have exhausted their unemployment insurance benefits after June 30, 1960, and who may be eligible to file for extended benefits.

The program, known as the Temporary Extended Unemployment Compensation Act, became federal law on April 8, J. R. Patterson, manager of the local TEC office at Hereford, said.

Although the law has been in effect four weeks, only one person has filed for the extended benefits in this county. The application was filed Tuesday this week.

Patterson said unemployment has decreased more than 50 per cent in the past 30 days, and he estimated that there are less than 100 unemployed persons in this area.

After June 15, the start of wheat harvest, unemployment will decrease even more. Patterson said. Jobs are usually plentiful from June 15 through Thanksgiving, he added.

The state employment agency representative said there were less unemployed during the recent winter than any winter in the past five years the office has been open. The Hereford office was opened May 15, 1956, to cover Hereford, Friona and Dimmitt areas.

In 1960, 2187 people received (Continued on page 2)

American Legion Baseball Slated

After a lapse of several years, Hereford will field an American Legion baseball team.

American Legion post commander Grant Hanna announced that try-outs for the team will start at 5:30 p.m. Monday, May 15, at the high school diamond.

All boys who attended school in Hereford prior to March 5 and who were born on or after Jan. 1, 1943, are eligible to try for the team.

The try-outs will continue for four days. Coach of the team will be Harlon Voyles, assistant high school coach. Another coach still is needed, Voyles said.

Until a district meeting is held, no definite information will be available on schedules or which teams will be included in the round robin.

Johnny Haney has served as temporary chairman of the local organization during the past few weeks. He said that permanent officers were to be elected next month.

Hereford will field a single team, with a maximum of 16 players.

Last year, the district included three teams from Amarillo and one each from Borger, Pampa, Childress, Shamrock, Hedley and Nazareth.

Various businesses and individuals in Hereford have donated funds for the purchase of uniforms and equipment.

"We think that American Legion ball is important," Haney said, "It fills the gap that now exists between our Pony League program and the high school baseball team."

It will be for boys 15 to 18 years of age, subject to the Jan. 1, 1943, birthday.

The team probably will start playing as soon as school is finished, Haney said.

Boys need bring only gloves, caps and shoes to practice. All other equipment will be furnished. Caps will be included in the new uniforms, which are scheduled to arrive here soon.

Games played in Hereford probably will be scheduled for Saturday and Sunday afternoons on the high school diamond, Haney said. Night games will be played on the road where fields are lighted.

Lions Announce Reopening Card For Wrestling

An extra-special card, featuring the North American Heavyweight Championship, will reopen Hereford Lions Club wrestling season in Deaf Smith County Bull Barn Saturday night.

Lions Club wrestling committee chairman Earnest Langley said wrestling promoter Doc Sarpolis of Amarillo is cooperating in the reopening by providing one of the outstanding matches in Hereford since a heavyweight championship match in 1958.

The triple-feature card will begin in the County Bull Barn at 8:30 p.m. Saturday, May 13. Main event is the championship match for the North American heavyweight title which currently is held by Dory Funk of Umberger. Challenger for the title is The Alaskan, a 6' 5", 290-pound grappler. It will be a two out of three falls, one-hour bout.

Lady wrestlers Barbara Baker and Kay Noble will be matched in a two out of three falls, 45 minute semi-final bout. First event will be a special 20 minute match between the 475-pound Arkansas hillbilly, Haystack Muldoon, against George Grant, outstanding newcomer to the Hereford area.

To promote attendance for the reopening, tickets are being offered at half price if bought in advance sale before 6 p.m. Saturday. Tickets may be purchased at various Hereford businesses and stores designated by window signs.

Because of poor attendance during winter months, the Lions will sponsor wrestling during fall, spring and summer months only, Langley said.

Langley pointed out that Saturday (Continued on page 2)

Bike Parade Set Saturday

Several hundred young cyclists are expected to compete Saturday in the annual Hereford Optimist Club bicycle parade.

Safety Week in Hereford. Chairman Wilbur Evanson announced that cash prizes will be given Saturday morning in two age groups.

All entrants are asked to be at the Hereford Community Center parking lot by 9 a.m. Saturday, May 13. Three judges will select the best-decorated bikes and award prizes to their owners.

The parade will leave the parking lot at 9:30 a.m. for a trip through the downtown area. The parade will go east on Park Avenue to Schley, south to Third, west to Main, north to Sixth, east to Schley, north to Park and back to the Community Center.

The Hereford Police Department will provide an official escort for the parade, Evanson said.

One judging group will be for cyclists eight years of age and younger. The other group will be for those nine years of age and older. Prizes for each group will be \$5 for first,

\$3 for second and \$2 for third. Optimists started Tuesday afternoon with four days of bicycle inspection and testing at Hereford schools. On the first afternoon, 67 bicycles and their owners were tested at Aikman Elementary School.

Schedule for the remainder of the week includes: Shirley Elementary on Wednesday; Central Elementary on Thursday;

and Northwest Elementary and St. Anthony's Parochial School on Friday.

Bicycles are inspected for safety features, such as lights, fenders, handle bar grips, brakes and reflectors. Optimists go over the bikes, then test their riders for knowledge of safety rules and ability to ride the bicycles well under varying conditions.

Around Town

Ever find yourself caught up in one of those weeks which seemingly has but five days and ten days of work that needs to be done? That's where we've been so far, and the week is just half gone. Thank goodness the grass has not started to grow yet...

County Judge Don Zimmerman, who also is county schools superintendent, announced that parents who plan to send their children this fall to a school outside the district in which they live must make application for scholastic transfers before June 1. Applications must be filed with the county superintendent.

Hereford's Junior Chamber of Commerce will start painting house numbers on curbs in front of homes as a fund-raising project. They will begin working Monday night in the vicinity of the County Hospital. The house numbers will be painted with yellow luminous paint. Jaycees will ask for contributions while the numbers are being painted.

Streu Hardware this week was notified that it had won second place, and \$15 cash, for a window display.

Little League mothers have made plans for a bake sale to be held on Wednesday, May 31. It will start at 9 a.m. at Cooper's Market, Piggy Wiggy and Safeway, lasting until everything is sold.

Bud To Blossom Garden Club will present its annual flower show at the Community Center on Friday, May 12. The public is invited to attend from 3 until 7 p.m. Theme for this year's (Continued on page 2)

Hereford Bows To Levelland 5-3 In Final District Game

Mental errors were a major factor Tuesday as the Hereford Whitefaces faltered in the clutch. They lost a 5-3 game to the Levelland Lobos on the road and with it a share of the district title.

Dumas, by virtue of its 11-0 victory over Levelland Saturday and a narrow win at home over the Herd, backed into the conference championship with a 3-1 record. Hereford ended up in second place with a 2-2 mark, while Levelland was 1-3.

Hereford lost its chance to share in the title and force a play-off in the first inning.

Levelland was relaxed as the game started, while the Hereford players were tense and nervous despite their experience.

The Lobos scored two runs

in the first on a pair of singles and some help from the Herd. Gary McMillan opened by slapping out a single. He was erased at second as Don Turnbow got on by fielder's choice.

Jimmy Miller singled and Turnbow scored from third on a passed ball when no one covered the plate.

Jimmy Harris walked, Miller stole third and the double steal

worked as Harris roared into second while the cut-off play to the plate failed to click and Miller scored.

In the first half of the inning Hereford's Greg Combs walked and got to third where he died. It was more of the same in the second as Charlie Burrus singled. He later moved to third on a passed ball as Ron-

(Continued on page 2)

School Asks Band Uniform Bids During Busy Meeting

Hereford Rural High School Tuesday night approved a motion to ask for bids for purchase of new high school band uniforms.

In other business on the lengthy meeting agenda, the trustees voted in favor of providing a pre-school program for non-English speaking students, approved paving of a parking area at Dawn School and made assignments for two teachers for the 1961-62 term.

Band director Ben R. Gollehon appeared before the trustees with a request that they consider purchase of a maroon and white band uniform which he showed to the board.

Gollehon explained that each uniform would cost about \$80 if 100 uniforms were purchased. He explained that 51 uniforms would be needed during the fall semester if the board approved the purchase, and that about 100 would be needed in three years.

Showing a sample uniform, Gollehon said it is tailored for freer arm movement than the present uniforms and that it has the appearance of a true maroon and white in a football stadium.

The uniform features a large "H" on the front of the coat.

The trustees approved a motion that the school district enter a pre-school program for non-English speaking students this summer.

Superintendent of Hereford schools Paul Stevens said Dimmitt and Friona entered the program last year and had good results.

The program in Hereford would require hiring of two teachers for the summer months, which would be the only expense the district would have in providing the program. The district would pay the teachers 20 per cent of their salaries, and the remaining 80 per cent would be paid by the state if the program were instituted.

Stevens said he would investigate possibilities of using the social center near Hereford Labor Camp for a classroom

for the 12-week term. Its proximity to the Labor Camp would cut down on problems of transportation.

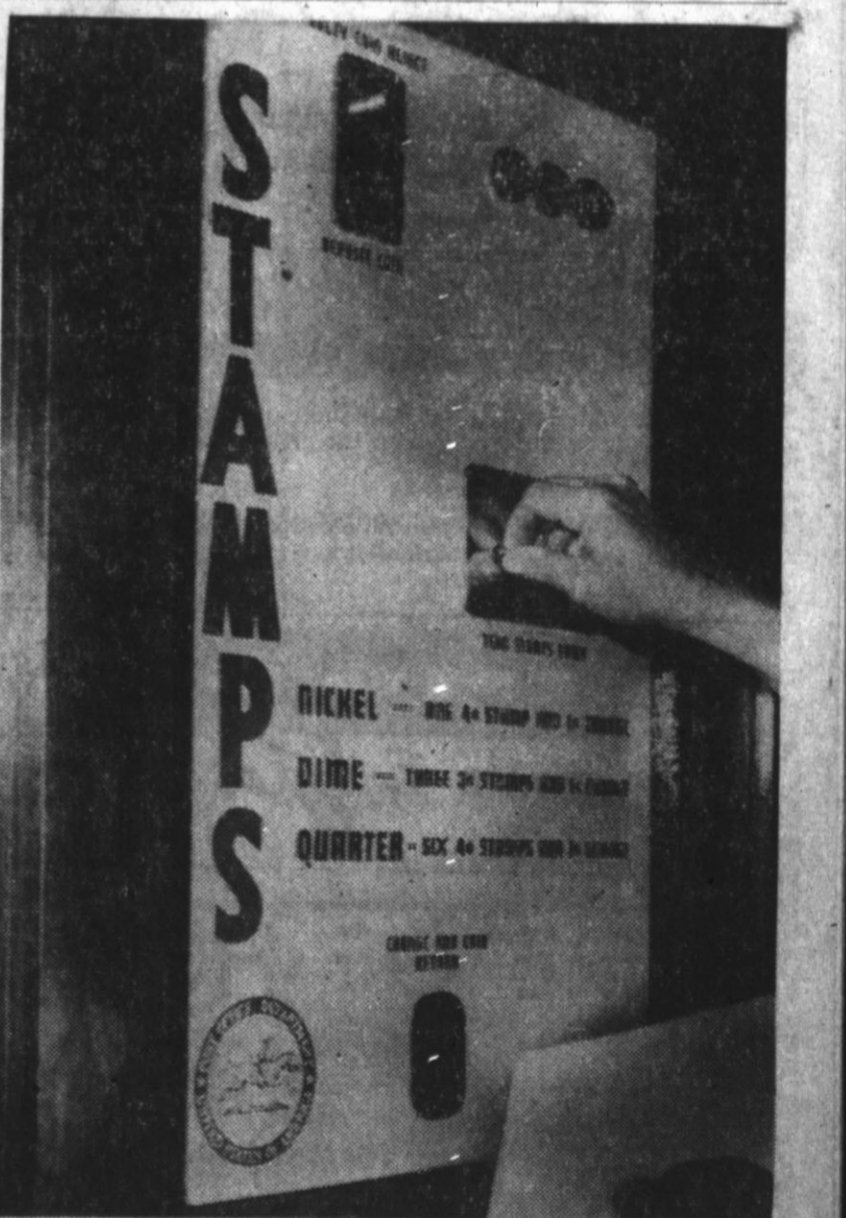

If the program could be held in Hereford, he further explained, it would prepare the majority of pre-school children for the first grade.

The board approved paving a parking area in front of Dawn School. The parking area at the present time is dirt and is a problem in wet seasons, it was pointed out by Stevens.

Joe Brooks was hired to the coaching staff and as a classroom teacher at Hereford High. He was recommended by football coach Jack Meredith and athletic director C. By Kitchens.

Miss Ruth Hutton, currently a student teacher at Stanton Junior High, was hired as a special education teacher at the school for the 1961-62 term. She is a senior at West Texas State College, and is scheduled to graduate this month.

The trustees also approved purchase of overhead heaters (Continued on page 2)

It never sleeps (Staff Photo)

24-Hour Stamp Service Non-Profit Operation

For the convenience of the public, Hereford Post Office has installed an electric stamp vendor which will be available on a non-profit, 24-hour basis. If a nickel is dropped in the machine, one will receive a four-cent stamp and cent change; with a dime, one will receive three three-cent stamps and one cent change; and a quarter will issue six four-cent stamps and one cent change. The electronic "Stampmas-

ter" is located to the right of mail deposit slots in the lobby of the post office. Post office clerk Elmer Patterson said the machines are being installed in post offices where the volume of business justifies the convenience. A three-cent and four-cent stamps equal an air mail stamp, Patterson said. The vendor was installed in the post office as a 24-hour service last week.

Hereford...

(Continued from page 1)
nie Botkin walked, but neither runner could score.

The Herd put runners on first and second in the third but couldn't score again.

In the fourth, Levelland added a pair of runs as they took a 4-0 lead. Ronnie Simpson singled and scored on a stolen base and two errors. Hargrove walked and hurler Jim Collier was moved to shortstop for Hereford as Drew Kershner came in. Hargrove took third on an error and a stolen base and trotted in on McMillan's single.

Hereford broke into the scoring column in the fifth with three runs. Drew Kershner, Whiteface relief hurler, got on by error and Greg Combs walked. With two out, Charlie Thomas slammed a home run over left center.

For a time, it looked like Hereford might go ahead as Burrus walked and went to third on a stolen base and a wild pitch. But a strike out put out the fire.

In the sixth came Hereford's most frustrating moment. Edwin Thomas singled and got to third on an error and a stolen base. But three strike-outs killed Hereford's chances.

Lefthander Ross Joplin came to the plate in the last of the sixth in a pinch-hitter role. And he played it well as he lofted a high fly just over the 288-foot barrier in right center field for Levelland's last score.

With two out in the seventh,

Charlie Thomas singled but another strike-out ended Hereford's season on a low note.

Hereford was charged with four errors, while Levelland made three.

Jim Collier was charged with the loss. He pitched three innings and gave up four runs on three hits, walked seven and struck out two. Drew Kershner, in relief, allowed one run on two hits, struck out three and walked none.

David Schmidley took credit for the victory. He worked the entire game, allowing three runs on five hits, walking five and striking out eight.

Not present were Ruby Crawford, third vice president; and Jerry Murphy, treasurer. (Staff Photo)

nagers for their husbands, they are urged to attend. The courses will start at 8 p.m. and will be taught by Carl G. Anderson Jr., Texas A&M.

REPORT

We are most happy that American Legion baseball is being revived in Hereford. It should fill quite a need for graduates of the Pony League program who aren't ready to play on the high school team. But, from the number of boys available, Hereford is likely to need more than one team of 16 players. The program should expand within the next few years to at least three teams.

Blue Bird Fly-Up ceremony is scheduled for the Campfire Hut on Monday, May 15, at 7:30 p.m.

Hereford athletic director Cuby Kitchens, glumly decided that Tuesday just wasn't his day. He got a ticket on the way to Levelland, much to the amusement of the baseball players who were on the bus. He later got lost trying to find the ball park and then sank to the bottom when the tent collapsed. A gift cigar after the game did help a little... but not too much.

With the last sports competition finished for the school this year, it might be time for reflection. It was really a bad year for Whiteface athletic teams, despite a pair of second place finishes. The baseball and basketball teams finished second behind Dumas, while the football, track, golf and tennis squads edged up in last place. Only the football team's fine victory over Phillips kept the year from complete disaster.

Streamers flying, don't be late for the bike parade; the date is Saturday with prizes and all. Just be careful, don't take a fall.

SHEEP CALM HORSES - NEW YORK (AP) - Goats, roosters, dogs and cats have been companions for the thoroughbred but in South Africa two trainers have discovered that sheep have a calming effect on horses.

Fleur, a high strung Cape Town horse, and Exultant, a Johannesburg horse, have been sleeping and eating with sheep as companions, reports the South African Wool Board.

The Wa-o-ki-ya Campfire girls held a tea for their mothers May 8, at the Pioneer Gas Co.

Those present were the supervisor, Mrs. Williamson, the leader, Mrs. S. L. Garrison, her daughters, Pam and Sharon, Mrs. Brisindine and Diane, Mrs. E. R. Robinson and daughter, Jean, Mrs. Hugh Clearman and daughters, Mrs. W. L. Davis Jr. and daughters, Mrs. J. Merideth and daughters, Mrs. O. G. Hill Jr. and daughters and Connie Martinez.

Refreshments were served and a program was given. Cooking certificates were given to each girl.

Mrs. Phillip Barkley was a special guest and presented the girls with three-year badges.

Sims, Thompson At CC Meeting

Representing the Deaf Smith County Chamber of Commerce at the convention of the West Texas Chamber of Commerce Wednesday through Friday are John Sims and Bill Thompson. The convention, held this year in Mineral Wells, will feature a program including a debate between Hank Brown, State President of the American Federation of Labor-CIO, and Frater Seelgson, rancher and former member of the legislature who was vice-chairman of the Texas Tax Study Commission in 1958-59. Subject of the debate will be "Solutions to Texas' Financial Problems."

"Today's Challenge - Tomorrow's Heritage" will be the subject of the talk to be given by the Honorable Harold W. Handley, former Governor of Indiana, at the annual dinner Thursday night, Eugene F. Rinta, Executive Director of the Council of State Chambers of Commerce with offices in Washington, D. C., will declare that "Federal Expenditures Can Be Reduced" in the lead-off session Friday morning. Tom Anderson, Editor and Publisher of Farm and Ranch Magazine of Nashville, Tennessee, titles his session "Straight Talk."

The final session will be addressed by Dr. James H. Jauncey, Minister, the First Christian Church of El Paso and formerly a scientist at the White Sands Proving Ground. His subject will be "Return to Economic Freedom." Sims and Thompson will also attend a special breakfast meeting for Chamber presidents and Managers. Sims, treasurer of the Deaf Smith County Chamber of Commerce, attend in the absence of Pa-

jobs through the Hereford office, Patterson said, 835 on non-farm jobs and 1352 on farm jobs. There is a gradual increase in employment every year, he explained.

On the first day the extended benefits law went into effect, Littlefield had six applicants. For a long period, Deaf Smith County was the only county in the state which had no applicant.

"If a worker thinks he may be eligible for additional benefits, he should come in and file a claim," Patterson said. "It is important, however, that prospective claimants bear in mind that they must have exhausted all benefit rights under

for the high school industrial arts building, which was damaged by fire which started near a floor furnace last week.

A letter of resignation submitted to the board by Mrs. Charlotte M. Calvert, a teacher at Hereford High for the past 14 years, was accepted by the trustees "with regret."

Her resignation becomes effective May 31.

In other business, the board approved a \$25-per-month mileage allowance for Mrs. Margaret Aven, special education coordinator in Hereford schools. Stevens explained that Mrs. Aven travelled from school to school on an average of 120 miles a week.

Mer Norton, Thompson will attend a special session of the Program of Work committee Wednesday night as the vice-chairman of the Community Services Committee.

Lions...

(Continued from page 1)
Friday night wrestling is the Lions Club's largest fund-raising project, and that most of the money received in the project goes into community-building programs.

He said the Lions have pledged \$7500 toward the golden age home for Hereford and that the pledge must be completed in three years. He added that the Lions have installed

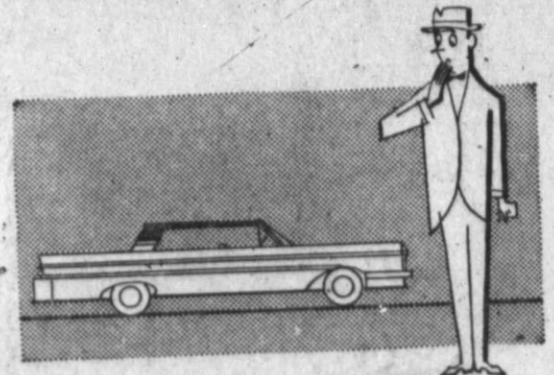

any unemployment insurance law, must still be unemployed, available for work and able to meet the eligibility requirements under the compensation act."

chers, rest rooms and a concession stand for the Bull Barn at a cost of about \$23,000.

Other Lions-projects, he said, have included: contribution of a scoreboard at the high school football field; \$4500 for playground equipment at Dameron Park; donation of a blood spectrometer and \$500 toward a children's wing at Deaf Smith County Hospital; maintained a foreign exchange student for the past two years;

Helped Future Homemakers of America at Hereford High maintain an exchange student; donations to the Lions Camp for Crippled Children at Kerrville; and for more than 10 years, have made a monthly contribution to Boys Ranch.

REP. WALTER ROGERS WRITES

Appraisal Of Employees In Department Of State

TO THE PEOPLE OF THE 18TH DISTRICT:

This newsletter is being written immediately after I have finished dictating a House Resolution, which will be introduced in the House of Representatives before most of you receive this letter. The following is a copy of the Resolution:

"Resolved, That there is hereby created a Select Committee to be composed of nine Members of the House of Representatives to be appointed by the Speaker, one of whom he shall designate as Chairman. Any vacancy occurring in the membership of the Committee shall be filled in the same manner in which the original appointment was made.

"Sec. 1 (a) The Committee, acting as a whole or by Subcommittee, is authorized and directed (1) to investigate the personnel of the Department of State of the United States of America; (2) to investigate the practices and procedures of choosing personnel in all divisions of the Department of State; (3) to investigate the methods, practices, and procedures in assigning personnel for both routine and special work or assignments; (4) to investigate the background and capabilities of all personnel with relation to the particular duties and assignments of the individual; (5) to investigate

any and all personnel, whether directly assigned to or employed by the Department of State of the United States of America who have duties or assignments directly or indirectly connected with the operations of the Department of State in any manner whatsoever; (6) and to formulate recommendations concerning future adherence to or future changes in the methods, practices, procedures, and policies with relation to the staffing of the Department of State and any agencies, bureaus, boards, or other components of the Federal government associated with the fulfillment of the duties of the Department of State.

"(b) As used in this Resolution, the term 'personnel' includes any and all persons whatsoever associated with, employed by, or in any manner connected with the Department of State of the United States of America in the operations of that Department, whether domestic or foreign, and such term shall and does include any and all foreign nationals as well as citizens of the United States.

"Sec. 2. For the purpose of carrying out this Resolution the Committee or any Subcommittee thereof authorized by the Committee to hold hearings is authorized to sit and act during the present Congress at such times and places within the

United States, its territories and possessions and the Commonwealth of Puerto Rico and any foreign country, whether the House is in session, has recessed, or has adjourned, to hold such hearings and to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents as it deems necessary; except that any Subcommittee thereof may sit in the District of Columbia unless special leave to sit shall have been obtained from the House. Subpenas may be issued over the signature of the Chairman of the Committee or of any member of the Committee designated by him and may be served by any person designated by such Chairman or member.

"Sec. 3. The Committee shall report to the House (or to the Clerk of the House if the House is not in session) as soon as practicable during the present Congress the results of its investigation, together with the recommendations called for by Section 1 and such other recommendations as it deems advisable."

I am sure that many of you will agree with me that it is long past time for a full and complete investigation and appraisal of the employees of the Department of State, the Department of State or its counterpart in any government is a fertile field for the activities of the enemies of a country.

The danger has measurably increased in the past few years. This should point up the vital need of our Department of State being staffed by none other than loyal and capable patriots of this country.

It is not the purpose of this Resolution to reflect on any person whatsoever, but it is the purpose of the Resolution to provide the representatives of the people of this country with full information as to whether or not any employees of the Department of State — past, present, and future — might willingly or unwillingly aid or abet those who subscribe to ideologies in conflict with ours. The sensitive nature of this Department of the government requires that there be no question as to the absolute loyalty and abilities of every individual associated with it.

I had hoped that the prior Administration would have instituted some program or some procedure to bring about the result sought in this Resolution. The "agonizing reappraisal" so often referred to by the late John Foster Dulles should, in my opinion, have been applied to the personnel of the State Department. The new Administration has made no indications that a different procedure will be followed now.

Hence, it is my feeling that Congress should step in and exercise its two major powers: investigation and legislation. The investigation anticipated by this Resolution would provide the means and the knowledge upon which to base legislation to guide the future staffing of the State Department, and it would certainly be the best means of uncovering any suspect activities, if such are present.

Advice to me from the security agencies of the Federal government indicates that these organizations are watching very

Church Group Honors Hereford Man's Mother

Mrs. T. D. Wiman of Roscoe, mother of Jim Wiman, of Hereford, has been selected 1961 Texas Baptist Mother of the Year, it was announced Tuesday.

Mrs. Wiman, 86, was selected for the honor "for her influence in leading her 13 children and 37 grandchildren to be dedicated Christians."

The mother of the local resident was named for the award by a special committee of the Baptist general convention of Texas, the "Baptist Standard" and the state Baptist newspaper in Dallas.

Her sons, all deacons of their churches, include: Jim of Hereford, Harris of Kansas City, Kan.; T. D. Jr. of Snyder; Ernest and Talmadge of Roscoe and John of Snyder.

Her daughters are Mrs. Gladys Wade of Kenwell; Mrs. Patsie Keeth of Aztec, N. M.; Mrs. Mary Davenport of Snyder; Mrs. Millie Blackshare of Del Rio; Mrs. Nora Smith of Clinton, Okla.; Mrs. Margaret Adams of Terrell; and Miss Ruth Wiman of Roscoe.

Ford Four-H Club Meets

Ford 4-H Club of Deaf Smith County held their regular meeting on April 17 with Joel Williamson presiding. Margaret Salinas lead the singing of "America" and "We're on the 4-H Trail." Kim Williamson led the 4-H Club ritual. Minutes were read and roll called by Joyce Bezner.

Present were Joel Williamson, Gloria Salinas, Margaret Salinas, Margaret Salinas, Juanita Salinas, Judy Jackson, Pat Edwards, Joyce Bezner, David Tate, Joan Pickens, Birch West and Sharon West.

A film about the cooperatives was shown. The film explained how the cooperative helps the farmer.

Next meeting is scheduled to be held at the Alvis Jolly home. During the 4-H Club eliminations Birch West and Kim Williamson won blue ribbons in Junior Division Electricity; Margaret and Gloria Salinas

Hereford Workers See Plain Breads

Hereford Workers 4-H Club recently met in the home of Ruth and Vicky Koelzer. Luann Kendall, vice president, called the meeting to order in the absence of the president, Mary Ellen Robinson, secretary, called the roll and read the minutes.

A demonstration of Plain Bread Muffins was given by Miss Loreta Fowler.

Those attending were Glenda Sims, Luann Kendall, Ginger Gholson, Patsy McCutcheon, Mary Ellen Robinson, Nan Johnson, Miss Fowler, Mrs. Koelzer and Ruth and Vicky Koelzer.

Next meeting will be held on April 20 at the home of Babs and Ginger Gholson.

close and doing a splendid job with relation to the possible infiltration of subversives into our government. Nonetheless, I feel that this is a matter which should be thoroughly and exhaustively investigated by the people themselves, through their representatives, to insure that every safeguard is being employed and to provide a means in the future.

WALTER ROGERS
MEMBER OF CONGRESS
18TH DISTRICT OF TEXAS

Results Seen From Landscape Committee

BY ARGEN DRAPER
Already there are results seen from the Windbreak-Landscape committee's work. I see some new yard lights out east of town. Leta Kaul saw the diagrams of the suggested plantings for entrances and is inspired to plant around the sign at their home in the Westway community.

You can still order Arizona Cypress through the Soil Conservation District. Get your orders in to Blue Turpen for the trees. Call us or call the Soil Conservation Office for details.

Days will soon be warm and you want more time for fun with family and friends. Use quick tricks for family meals.

Buy quick-and-easy foods — prepared mixes, meats, fish and chicken that are pan-ready, quick-fix fruits and vegetables. Build a quick meal around canned ham, luncheon meats or canned corned beef or fish. Add a crisp salad, an in-season vegetable and your meal is made. For quick desserts, there are fresh fruits, ice creams, puddings and cakes made from easy mixes.

Planning ahead pays off... keep your shelves well-stocked to save trips to the market. Plan simple meals that require a minimum of preparation. Prepare some of the dinner or supper dishes in the cool of the morning.

"GOOD MEALS EVERY DAY" — a colorful bulletin written by extension foods and nutrition specialists — gives menu ideas for all seasons — and lots of recipes, too.

We now have sufficient (we hope) copies of the Quick Meal bulletin, too. Those of you who want this for the onion demonstration or simply for your use can obtain them from the office.

Interfacing can help give a more professional look to your home sewing. It gives additional body to fabric and is a "must" with many pattern designs. The secret is in knowing where to use it and what kind of interfacing to use.

Interfacing is most likely to be needed at edges where buttons and buttonholes are to be placed. Collars, cuffs and pocket flaps often need interfacing to give them body and the crisp, perky look that adds style to a garment. Peplums, yokes and the lower portion of

fitted jackets also are in need of some additional body for a professional look.

Skirt waistbands may need a single thickness of interfacing to prevent unsightly stretching, rolling or wrinkling.

There is no hard and fast rule to follow in the selection of interfacing fabric. It should blend in weight and texture with the outer fabric to give the amount of stiffness or softness desired.

If you expect to wash the garment be sure to choose an interfacing that is washable. For the quick drying synthetics, use an interfacing that has similar properties so that all sections of the garment will dry equally fast.

Directions for selecting, preparing and properly attaching interfacings are given in the publication MP-260, "INTERFACING IT." Copies are available in the office.

At the home demonstration clubs this month, we are showing some of the new interfacings. Also, part of the program is on putting in a zipper by hand.

An apple a day may keep the doctor away, but it takes an orange a day — or its equivalent — to provide the vitamin C recommended for maintaining good nutrition, according to extension foods and nutrition specialists.

A food consumption survey carried out by the U. S. Department of Agriculture showed that among more than 6,000 U. S. families whose food purchases were studied over a week's time, one in four was not receiving recommended quantities of vitamin C.

Citrus fruits are rich enough in vitamin C to yield a day's supply in one average serving such as a whole orange or a half grapefruit. Potatoes, tomatoes, peppers, Brussels sprouts and cabbage, as well as greens such as spinach, mustard and turnip tops also contain vitamin C. However, more than one average serving of these other foods is needed to provide enough of the vitamin daily.

Vitamin C is not stored in the body, remind the specialists. That's why you need to include it in your diet on a regular day-to-day basis.

Last Thursday and Friday we were at a district meeting where the whole time was devoted to nutrition.

Pat Clark recommends the following recipe:

- RHUBARB MERINGUE PIE
- 3 cups diced rhubarb
- 1/4 cups of sugar
- 1/4 teaspoon salt
- 2 tablespoons water
- 1 1/2 tablespoons cornstarch
- 1 tablespoon lemon juice
- 4 eggs, separated
- Combine rhubarb, 1 cup of the sugar, salt and water in a

saucepan; place over low heat and let come to a boil.

Dissolve cornstarch in 3 tablespoons of cold water and add to rhubarb mixture. Cook, stirring constantly, until clear and thickened.

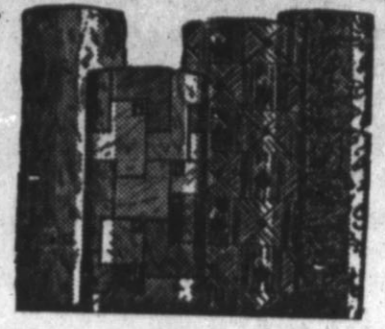

Beat egg yolks slightly; stir a little of the rhubarb mixture into them; stir into the

rhubarb mixture. Cool. Beat 2 egg whites until stiff but not dry; fold into rhubarb mixture.

Pour into baked shell. Top with meringue made from the other 2 egg whites and the remaining sugar. Bake in moderate oven (325 de. F.) about 15 minutes or until lightly browned.

TELEPHONE TALK

by Gene Adkisson, Manager

TELEPHONES OF THE FUTURE

The other day I was having lunch with some friends and we got to talking about how much the telephone has changed in the last few years. We talked about the latest one — the Princess, the first compact phone.

This conversation reminded me of some of the ideas for new kinds of telephones and communications services we're working on now. Some of these ideas will never leave the drawing board. Others will fall by the wayside during the test stage. And some, of course, will be successful — and will eventually be available for your use.

For instance, there's the "dial-in-hand" phone. It has the dial in the receiver. You lift the receiver, hold it in your hand, and dial. The dial lights up when you lift the receiver, too.

Or, how about a picturephone? This telephone of the future will transmit pictures as well as sound, so people will be able to see each other as they talk on the phone. The picturephone has been successfully tested, but it will be quite a while before it is available for widespread public use.

But here's a new phone you may have in the not-too-distant future. It's a small new wall phone called the Slimphone. The Slimphone is trim, not much wider than a Princess phone. It should come in handy for the kitchen and other rooms because it doesn't take up much space.

These are just a few — a sampling — of new kinds of telephones and telephone services we're working on for the future. But even today we enjoy telephone services most of us never dreamed possible just 10 years ago.

CAN YOU GUESS WHAT IT IS?

Like to work riddles? Here's one that ought to be easy.

What is it that's found in almost every home, store, business office, church, school and public building? It helps you find things, people and services. It's ready to help you any time — night or day — every day of the week.

I'd be mighty surprised if you didn't know it was the Yellow Pages of your telephone directory. Studies show that nine out of ten people reach for the Yellow Page directory when they're ready to buy. How about you?

SQUIRRELS LOSE, CUSTOMERS WIN

For some unknown reason, squirrels like to gnaw on telephone cables. Their chewing puts holes in the cable's outer covering and lets moisture get inside. This, in turn, interferes with your telephone service.

To protect phone cables, we cover them with metal shields or wrap them with steel tape. We are also experimenting with a fiberglass coating which is painted on the cables.

The squirrels don't like this, but it keeps our cables from being damaged and helps keep your telephone service dependable.

Call by number. It's twice as fast.

HEREFORD SHOE STORE

(Rouse's Shoes)

BY JIMMIE GILLENTE
When she gives someone her address, Mrs. J. V. Perrin says she occasionally gets mixed up herself. Here's the way it goes:

"We have a Westway telephone number, our address is Adrian; we live in the Walcott community, but our high school, church and county seat are in Hereford."

The Perrins actually live 38 miles from Hereford and 27 miles from Adrian, and I guess quite a few other Walcott residents find themselves in the same boat. It also emphasizes the fact that Deaf Smith is the fifth largest county in Texas.

The band and choir members appear to have had the time of their lives on the recent Corpus Christi contest trek, although most of them spent the better part of Sunday catching up on their sleep. The travelers who really deserve more

County Winners Take Honors In District 4-H

Deaf Smith County was well represented at the District Elimination Contest April 29 at W.T.S.C. campus in Canyon.

The following were winners in the contests: Steven and Kevin McAndrews of the Dawn Boys 4-H Club, method demonstration in Beef Cattle business, Junior division; Ellen McGowen of the Willing Workers 4-H Club, dairy foods demonstration in Junior Individual; Gary Richardson and Douglas May from the Dawn Boys 4-H Club, field cross team demonstration in Junior division;

Joyce Bezner from the Ford 4-H Club, public speaking in Junior girls competition; Joel Williamson from the Ford 4-H Club, public speaking in Junior boys competition; Stephen Hoffman from the Dawn 4-H Club, soil, water and range conservation demonstration, Junior, individual.

Pam Winget and Paula Waldrep from the Willing Workers 4-H Club, Junior team; and Nahey Smith and Randy Hopson from the Willing Workers 4-H Club, vegetable team demonstration in production and marketing.

The winners in the Senior division contests will be going to Round-up, which is the State elimination contests in June. Round-up is at College Station on the campus of Texas A and M.

Those who will be going are Larry Minks and John Perrin of the Walcott 4-H Club, method demonstration in beef cattle business; Dick Plank and Larry Hill of the Dawn Boys 4-H Club, 4-H team method demonstration in farmer co-op activities; Sharon Bezner from Ford 4-H Club in girls public speaking and Jim Higgins from the Hereford Boys 4-H Club, individual soil and water range conservation demonstration.

Have you read the classifieds?

than honorable mention, however, are those intrepid sponsors, who probably found out the true meaning of the term "swing shift." The group included Ben Gollehon, Mr. and Mrs. Don Moore, Mrs. Jim Garner, and Howard Richey — and their reports are glowing in behalf of the conduct and general deportment of the youngsters.

Back in town is Mrs. Maude Montford, who was telling me that she has been in Las Vegas, Nev., visiting with her daughter for several months. She says she liked the town

quite a lot, and enjoyed living there. She agrees, too, with those who complain that the Las Vegas natives seem to have their nights and days confused.

Any event short of sensational attracts very little attention these days, which is somewhat of a contrast to 50 years ago when folks gathered at the depot each day to watch the train arrive and depart. I remember when the first diesel engine pulled 100 freight cars through Hereford back around 1939. The event attracted some 500 people, and was the talk of the town. Now, the only comment you hear is when the big trains cause windows to rattle—

and sometimes the remarks are none too complimentary. What with people in outer space, I guess it just naturally takes a lot more doing to attract public interest. Anyway, I seldom hear people talking about the Kennedy-Nixon debates anymore.

Bill Hutson says I am wrong again. He says the boys on the post office windows always thank the customer — even when the guy buys only a 1-cent stamp. Bill admits, though, that the boys sometimes wonder what a fellow can do with a 1-cent stamp. We decided they are probably collector's items.

Urin Sixgu has either reformed, or become intensely interested in his courtroom picture deal. He never heckles me anymore. For a long while, I thought he was mad about something — or maybe he had just learned to appreciate my talents and jovial nature — but I have decided that he is merely too busy with his yard work and speech making. Meanwhile, I think both of us have enjoyed the rest.

Fertilizer producers report a neat jump in national sales, which they attribute to the new farm program. Growers of corn, cotton, soy beans and many other crops expect to take the 20 percent acreage cut — and

make up the difference with increased production. This system, you might say, started in our own area on grain sorghums. It is highly applicable to this area, chiefly because we also have water along with the fertilizer. National observers figure that the procedure may be completely upset. Sec. Orville Freeman's plan to cut production. Already, they say, he is considering other methods.

Another interesting fact is the shift in potato production. They now figure that 45 percent of the nation's spuds are grown east of the Rockies; this means a shift of some 20 percent from the mid-west. The eastern states still account for around one-third of the national supply.

Considering that school will be out in a couple of weeks, things

appear to be exceptionally quiet. However, this is not the exciting event it once was, probably because "aid to education" no longer means helping the kids with their home work.

Father-Daughter Banquets For Campfire, Bluebirds

The Hereford Campfire Girls and Blue Birds entertained their fathers with separate banquets recently. Two hundred and twenty girls and fathers met at the Hereford Community Center for the Camp Fire Banquet.

The tables were decorated with teepee candles made by the girls especially for the occasion. Dr. H. A. Cavness, president of the board of directors of the Hereford Camp Fire Council, served as master of ceremonies. The Frio Trio furnished music during dinner.

The Blue Birds and their fathers held their banquet at the high school cafeteria. Two hundred and fifty people attended. Neil Cooper, vice-president of the board of directors, was master of ceremonies. The tables at this event were decorated with paper blue birds and Indian teepees.

After the dinner, the Blue Birds joined the Camp Fire Girls at the Community Center for a joint program. The Camp Fire and Blue Bird choir, under the direction of Mrs. Ed Line, furnished the program. Mrs. L. G. Hutson was accompanist for the choir.

Mrs. Earnest Langley, program chairman, was in charge of all banquet arrangements.

Campfire groups and leaders attending were Tan-Da, Mrs. Bill Cargo and Mrs. Ronald Babione; Da-Kon Ya, Mrs. Wilbur Gibson and Mrs. Ruth Dirks; Wa-O-Ki-Ya, Mrs. S. L. Garrison; Ta-Wa Si, Mrs. Virgil Marsh and Mrs. Cecil Hart; Shat-U-Aya, Mrs. Arthur Stoy and

MRS. BILL DAMERON, leader of Sunshine Blue Birds, led round singing at the recent Father-Daughter banquet given by members of that organization. Approximately 250 persons attended the affair, held in the Hereford High School cafeteria.

Mrs. George Springer; Nateena, Mrs. Carl Stapp and Mrs. Vance Crume; Lola, Mrs. Leonard Williams; O-E-La-A-Ya, Mrs. Trini Gamez and Mrs. Rose Valdez.

Also attending the Campfire Banquet were the Happy Blue Birds, under the leadership of Mrs. Ervin Robinson Jr. and Mrs. Walter London Jr. This group represents all four grade schools and will fly up into the Campfire program this next week.

Blue Bird groups and their leaders attending the Blue Bird banquet were Gay Blue Birds, Mrs. Gayle Borland, Mrs. Bill Waldrep and Mrs. J. N.

Ward; Active Blue Birds, Mrs. Carl Hollingsworth and Mrs. Delmo Williams; Pretty Blue Birds, Mrs. Bob Doughman and Mrs. Kenneth Hart; Helpful Blue Birds, Mrs. Glenn Wilson; Sunshine Blue Birds, Mrs. Bill Dameron and Mrs. Florence Traweck; Twinkling Blue Birds, Mrs. Neil Cooper and Mrs. A. E. Hodges; and the Firefly Blue Birds, under the leadership of Mrs. Don Sanders and Mrs. Don Little.

Look Who's New!

Mr. and Mrs. Jackie Rhodes are the parents of a girl born May 8 at 1 a.m. and weighing 7 pounds, 3 ounces.

Mr. and Mrs. Earnest Naegle are the parents of a girl born May 9 at 9 a.m. She weighed 6 pounds.

Mr. and Mrs. Joe Rodriguez are the parents of a boy born May 9 at 11:52 a.m. He weighed 7 pounds and 1/2 ounce.

NAMED REPRESENTATIVE

James Brogdon of Hereford has been selected to represent the art department of Oklahoma State University's Arts and Sciences Student Council. The Council is composed of one student representative from each department within the college and a faculty advisor.

FRIO NEWS

Community Represented At Civil Defense Meet

BY MRS. OWEN ANDREWS

On Friday evening the community was well represented at a Civil Defense program at the Community room of the First National Bank in Hereford. A film and other material furnished by Civil Defense Mobilization agencies were used by Mrs. Harlan Barber, Mrs. Owen Andrews, Frank Robbins and Floyd Cole to present the program. Pie and coffee were served by the ladies at the close.

Frio Home Makers Club met Monday afternoon in the home of Mrs. Harlan Barber. A guest, Mrs. Don Steele of Hereford, gave a program on "Good Grooming." She gave a lively and humorous discussion comparing the virtues of "Mrs. Glamorous" with "Mrs. Drab." She emphasized good posture, good manners and charm at home and away from home and noted that plan and forethought help a woman to achieve these accomplishments.

Present for the meeting were Mrs. Bill Williams, Clark Andrews, Frank Robbins, James Dobbs, Glenn Andrews, Carlton Dobbins, Henry Brooks, David Hutchins, Jim Brooks, Earnest Harder, Henry Andrews, G. L. Manley, Miss Alma Andrews, the guest and hostess.

Attending a family reunion at the community center in the Plainview Park on Sunday were Mr. and Mrs. T. L. Sparkman, Mrs. J. E. Warrick, J. E. Warrick Jr., Mr. and Mrs. Bill Warrick and sons, Mr. and Mrs. A. T. Jones, Mr. and Mrs. Earl Springer and Mrs. Annie Springer, all from this area and Hereford.

Mr. and Mrs. Clark Andrews and children had Sunday dinner with Mr. and Mrs. Clark Dobbs in the Westway community.

Bonnie Sparkman accompanied the Sneads, their daughter, Carol, and Thomas Coffman, to Abilene last weekend when they were seeing about college for Miss Snead and Coffman.

Visiting Mr. and Mrs. Clark Andrews Sunday afternoon were Mr. and Mrs. Don Spain and children of Olton, Andrews and Spain became acquainted last fall when they were in a group making a trip to St. Louis to a feed dealers convention.

Gary White of Amarillo spent a few days the first of the week with his cousins, Rocky and Kirk Andrews.

Mr. and Mrs. D. O. Benson of Hereford and Mr. and Mrs. Jim Brooks spent the weekend visiting the home of a nephew, Mr. and Mrs. Don McClennen

at Seminole. Having Sunday dinner with Mrs. H. M. Mobley were Mr. and Mrs. Carl Miller, Jana, Cheryl and Beverley Cole.

Having Sunday dinner with Mr. and Mrs. Henry Dobbs were Mr. and Mrs. Lloyd Shultz and Mr. and Mrs. David Yandell.

Larry Dobbs visited and had Sunday dinner with the B. H. Baldwins and Eugene.

VISIT BELEN

Mr. and Mrs. J. M. Langford of Hereford went to Belen, N. M., last weekend. They visited an old mission and some of the other interesting places there.

Have you read the classifieds?

Giants Beat Yankees, 4-2, In Little League Opening

Andy Channer limited the Yankees to a pair of hits Monday night as the Giants won the Little League season opener 4-2. Gene Drummond's third inning home run with two aboard provided the margin of victory.

Prior to the first game of the year, all major and minor league players and coaches were introduced to a large crowd at Little League Park.

Then the Giants gave indication that the major league will be stronger and better balanced than in previous years as they rallied for the decision.

In the top of the first, the Yankees tallied two runs, Gene Duval got on by fielder's choice, Danny Lester singled Jimmy Allison sacrificed and Danny Baize singled to drive in the two runs.

That was all the scoring until the last of the third. Ron-

ald Ott got on by fielder's choice for the Giants. Charlie Brewton walked and Gene Drummond pounded one out of the park over the center field fence. Robert Wagner singled and scored on two errors and a fielder's choice.

After the first inning, the Yankees did not have a hit. The Giants added a pair of singles in the fourth but were unable to score.

Channer went the distance for the Giants to take the victory. He gave up two runs on two hits, walked three and struck out six.

Felix Albiar started for the Yankees and was charged with the loss. He gave up four runs on two hits, walked four and struck out four. Danny Lester came on in relief and worked two innings. He gave up no runs on two hits, struck out

one and walked none. The Yankees were charged with three errors and the Giants with none.

Hereford High Junior - Senior Banquet Set May

BAND AND CHOIR members were visitors at San Antonio. After an eight-hour visit in San Antonio and Corpus Christi, last Tuesday evening, May 2, with the annual Parent-Son Banquet. Following the supper, served in the high school cafeteria, Edward Allison led in prayer. Honorary members introduced by Ken Walsor were Mr. Hugh Clearman and Mr. Jack Gilliland. Honorary degrees were presented to Mr. Clint Formby and Mr. Raymond White.

Wrapped in shrouds of utmost secrecy, plans for the annual Junior-Senior Banquet remain as "classified" information. Only a few know the theme of the gala affair, to be held next Saturday, May 13, in the high school cafeteria.

Curiosity rises among the Senior class members as Juniors are attempting to keep the details of the traditional feast a secret, to be revealed only as guests arrive at the cafeteria at 8 p.m. Saturday.

Setting and theme of the banquet will not be known until the doors are opened. The theme for the affair varies each year. Last year's dinner was set in a night-club atmosphere, and the year before, "Dixieland" was the setting. No one will reveal what will occupy the spotlight in this year's event.

Menu, speakers, and decorations for the party are also being withheld, in hopes that the banquet will be a "surprise" for the guests, according to Mrs. Viola Chisholm, Junior class advisor, who is in charge of the affair.

In a preliminary count taken last week, 258 Hereford High School students planned to attend the banquet in honor of the graduating class of 1961. Also attending will be faculty members and program guests, whose names also are top-secret.

As a "farewell send-off," the Junior class annually gives the banquet in honor of the graduating Seniors. All members of both classes are urged to attend, with or without dates.

Mrs. Chisholm stated that more students are bringing dat-

es to the affair than in the past; however, students are by no means required to have dates to attend the banquet. Juniors pick a boy and girl

of the Senior class each year, who, in the eyes of the Juniors, are the most representative of the graduating class. The couple is presented a gift from

the underclassmen. This two-some is elected by the Juniors in secret ballot, and only Mrs. Chisholm knows who the couple will be, which is another big

secret not to be long-awaited banquet. "Saturday will be a day for all Juniors." (Continued on

The WHITEFACE

Hereford, Texas, Thursday, May 11, 1961

Official Publication of Hereford High School Hereford, Texas

TEACHER OF THE WEEK for this week is Mr. Virgil Young. He teaches chemistry and physics at Hereford High School. Mr. Young is a graduate of Texas A & M College and Southwestern Baptist Theological Seminary. (Brand Staff Photo)

Slate Dead Week At Hereford High

Stop! Stay home! Study!?? Next week Week."

As of 7:40 a. m. next Monday morning, remain only 3720 minutes of class, or nine days, until Hereford High School dismisses eagerly for summer vacation.

Shortly before this comes the drudgery of final exams. In honor of the occasion, May 11 unofficially been declared "Dead Week," according to Mr. Bill Stanford, principal.

In fancied hopes that students will take advantage of the opportunity and STUDY, no school activities are slated during the week.

Seniors have only until Thursday and Friday, 18-19, to "cram" for semester tests. Juniors and sophomores can relax until May 23-24 for final exams.

As its name implies, "Dead Week" is set a period in which there will be no night life for sponsored activities. Studying should be the the week as Hereford High School students opportunity to transform "Dead Week" into a "saver."

Final Exams Coming Soon Start Soon

With the end of the school term comes the time to take final examinations. This period will soon face most Hereford High School students as final tests begin next week.

Seniors will take final examinations on May 18-19, next Thursday and Friday. Juniors and sophomores will take tests on May 24-25.

All students will be required to take semester tests, except those who have been granted exemptions in individual classes.

To become exempt, seniors must have at least a "B" average for the two nine-week periods. A "C" the first nine weeks and a "B" the second may be considered a "B" average.

Sophomores and juniors must make an "A" average to be granted exemptions. Grades of "B" the first and "A" the second nine weeks is sufficient for exemptions.

All students must have an "E" in citizenship during the last period and at least an "S" for the first nine weeks to become exempt in any class.

Chemistry Given Tuesday

To provide an opportunity for the student to learn what he has accomplished in the field of chemistry, a standardized chemistry test was given Tuesday at Hereford High School.

Prepared by the University of South Florida, the test is to help students determine whether or not to plan to take chemistry in college.

The 80-minute test is given to all chemistry students according to Mr. Robinson, school counselor. The request of several students, and Mr. V. chemistry instructor.

AWARDS PRESENTED

Future Farmers Honor Parents With A Banquet

Hereford High School Future Farmers honored their parents Tuesday evening, May 2, with the annual Parent-Son Banquet. Following the supper, served in the high school cafeteria, Edward Allison led in prayer. Honorary members introduced by Ken Walsor were Mr. Hugh Clearman and Mr. Jack Gilliland. Honorary degrees were presented to Mr. Clint Formby and Mr. Raymond White.

Judy Bradley, F. F. A. sweetheart, presented F. F. A. Foundation awards to Leon Vogler in farm electrification; Edward Allison in soil and water management; Ken Walsor in public speaking; Ronnie Duncan, Star Greenhand, and Don Dutton, Chapter Star Farmer.

Certificates of merit, also presented by Miss Bradley, went to the following: for leadership: Ken Walsor, Eddie Gallagher, Joe Shultz, Alton Johnson, Billy Miller, H. S. Fuller, Dan Wall, Edward Allison, Darrell Garrett and Scott Martin; for livestock production: Joe Shultz, Edward Allison and Larry Carlson; for judging: Don Dutton, Jerry Johnson and Bill Miller; and for crop production: Ken Walsor, Billy Miller, Jerry Johnson, Lee Kimball, Joe Frank Huckert, Bill Noland and Charles Vasek.

Judging teams which placed in the Area I contest also were presented with Certificates of Merit. They were as follows:

Awards To Be Given May 16

Hereford High School's annual Awards Assembly will be held Tuesday, May 16, during activity period. During the half-hour long assembly, recognition and special awards will be presented to students in various organizations.

Trophies, certificates and honors earned by the different groups and clubs of the school will be announced. Included will be the achievements of the speech, music, agriculture and journalism departments of Hereford High School.

According to Mr. Bill Stanford, principal, the affair is held annually to give recognition to those outstanding students, who might not otherwise be so honored publicly.

grass judging: Larry Hair, Terry Teaschner and Troy Gandy; crops judging: Joel Lytal, David Reinauer and James Corbett; poultry judging: Ronnie Duncan, David Block and Steve Coneway; and farm skill demonstration: Gary Royal, David Sorrells and Scott Ramsey.

Boys receiving Chapter Farmer Degree Pins were the following: James Burrus, Troy Gandy, Larry Hair, Gerald

Harder, Bob Huckert, Jackie Lee, Joe Don Noland, Raymond Skypala, Pat Smith, Floyd Stivers, Terry Teaschner and Clifton Corley. Presenting the entertainment for the evening was the Trio Trio, who sang several numbers.

Ideal Girl

It's hard to find an ideal girl but Grady Persons likes Joyce West's eyes, Mary Albrae's hair, Suzanne Higgins' hands, Sandra Moore's walk and Diane Clearman's smile.

He thinks that Judy Fowlkes is cute, Lavonne Thompson is intelligent, Heidi Rutishauer is talented, Beverly Boyer is mannerly, Audni Miller is energetic and Kay Lemons is likeable.

To Grady, Kathryn McClain is ambitious, Martha Wiltshire is shy, Margaret Feriek is neat and Caroline Brumley is daring. He thinks that Jackie Nunley is very silly and Linda Edwards is happy. Janie McBroom is Grady's ideal of a girl who is lots of fun while Mar-Gwen Lackey is the best-dressed girl he knows.

Ideal Boy

Sharon Bezner set out to find the ideal boy, but it seems that she couldn't find one just like she wanted so she decided that the ideal boy should have eyes like Roger Albracht's, hair like Jerry Moss's, and hands like Joe Frank Huckert's.

He would have to be as handsome as Eldon Howell, as cute as Jimmy Barnett, and be as intelligent as Erik Okseter. Wayne Hastings has the most ideal walk and it seems that John Buck is the most energetic, while Jimmy Reinauer is ambitious.

As for a smile, Sharon thinks (Continued on page 2)

Mrs. Gripp Is Student Teacher

Mrs. Spencer Gripp has been co-orking as a student teacher with Mr. Burney McClurkin for the past nine weeks at Hereford High.

Mrs. Gripp lives south of Hereford in the Frio Community. She has a daughter, Nancy, who is 13 and a son, Kim, who is seven. She will finish West Texas State College at the end of the summer term and will receive her B. S. degree.

Mrs. Gripp has been teaching three classes of speech, one class of radio and one class of world history.

She was born in Panhandle and graduated from high school there. She started in college at Texas Tech for one semester and then went to W.T.S.C. two years to finish. Mrs. Gripp entered college again last summer.

She likes to read plays and historical novels. Mrs. Gripp also likes to play bridge for relaxation. She has enjoyed being in Hereford High School very much, and appreciates the co-operations of the teachers and the students.

MRS. SPICER GRIPP is a student teacher from West Texas State College. She is now teaching speech, drama and history at Hereford High School.

Question Of The Week

- "What are your plans for the summer?"
- Bonnie Sparkman — Sleep late and have lots of fun.
- Sharon Hill — Go to modeling school, be a youth counselor at camp and make some clothes for next year.
- Geneva Logan — I'm going to Arizona.
- Sue Thomas — Go to Colorado for a weekend and spend the rest of the summer at home.
- Austin Hodges — Work all summer.
- Bill Steele — Work and take a vacation in Detroit.
- Judy Rowland — Work and have fun. Also go to Iowa.
- Judy Means — Sit home and try to do everything that I thought of doing while in school.
- H. S. Fuller — Goof off and do some work.
- Randy Dowell — Get as far away from school as I can.
- Clyde Whitaker — Go on wheat harvest.
- Diane Clearman — If I can't work, loaf. If I can't loaf, work.
- Nicky Bradford — To get some things straightened out and be happy. Also to work and do a lot of loafing.

TEACHER OF THE WEEK

Instructor Has Several Hobbies

Building layouts for model railroads, painting in oils, and reading are among the several and varied hobbies of Mr. Raymond Virgil Young, chemistry and physics teacher at Hereford High School.

Mr. Young has seven or eight locomotives and several cars with which he works during his spare time. He has worked with model railroads for five or six years and finds it a relaxing pastime.

Exchange Students Present Assembly

Erik Okseter and Heidi Rutishauer, exchange students at Hereford High, presented the assembly on May 2.

Erik told of the fun had by the 1961 exchange students on board the boat to the United States. He explained the difference in the dating habits of Norwegian boys and the boys in the United States. He also told that he expected Texas to be full of cowboys and gun-fights.

Heidi discussed the high schools, called gymnasiums, in her country. The school day is much longer there than here and the students ride trains, bicycles, or walk as cars are very scarce, she pointed out.

In about two months Heidi and Erik will go home. Both say they will miss Hereford and all the fun they've had, but that they'll be glad to get back home.

Include Concert In All-School Exhibit

Exhibits depicting activities carried on at Hereford High School, along with a joint band and choir concert, will highlight the annual All-School Exhibit to be held Monday May 15.

Displays of projects made by various organizations and classes of the school will open the evening's activities, beginning at 7 p.m. in the high school gymnasium.

A concert featuring popular music will be given by the high school band, mixed choir and girls' choir. Music "on the lighter side" will be featured.

Arrangements from "South Pacific" will combine the choir and band to highlight the concert. The concert will begin at 7:45 p.m. in the auditorium.

After the concert, the exhibits will remain open. Shop, science, English, commercial and journalism classes are planning displays for the affair. Any class or school organization may participate in the event to be held Friday.

Visitors will be shown some of the accomplishments of the different exhibitors throughout the school year.

Hereford...

(Continued from page 1)
Mrs. Chisholm, "as they transfer from the cafeteria into the proper setting. Juniors are converting the cafeteria into a completely different atmosphere with the elaborate decorations. "Planning and preparing the banquet is a lot of work," she

continued, "but we think that everyone will enjoy it."
In charge of planning the affair is a committee composed of representatives from each Junior home room. Mrs. Chisholm heads the group as Junior class co-ordinator. Class president Dennis Hodges serves as chairman of the planning group.
Serving on the committee pre-

paring the banquet are Nancy Edwards, Kay Lemons, Judy Fowlkes, Donna Rogers, Judy Roland and Virgil Strange. These each head committees to prepare the many various details for Saturday.
According to Mrs. Chisholm, the Junior-Senior Banquet is traditionally the last school-sponsored social event of the school year, aside from the Senior party.
Curious Seniors, and some uninformed Juniors, are being forced to wait until Saturday night to find out what to expect at the 1961 edition of the Junior-Senior Banquet. Until then, keep guessing!

OFF THE Shelf

BY H. A. TUCK
A Texan At Bay by Paul Crume should be interesting reading for anyone in the West Texas area. The author, of course, is a front page columnist for the Dallas Morning News and well-known in this part of the state.

Crume came to Farwell and Lariat during his childhood after living in the Ozarks. Most of his book is concerned with the land he remembers so fondly.
Personally, I wish Crume had confined himself with an entire book on each of the many subjects he touches. About the time he gets the reader interested in something, he drops it and starts on something else.
In style, he is quite similar to H. Allen Smith, who also flits from subject to subject, rather like a belated bee.
Crume writes with deftness and humor, even when he is being serious. He tells the less enlightened part of the world about fishing for tarantulas, learning to smoke by experiments with corn silk, coffee grounds and buggy whip, and catching wild burros.

FUN ON THE BEACH was the order of the day when Hereford High School band and choir members visited in Corpus Christi for Buccaneer Days last week. The Hereford delegation is shown on the shores of Mustang

Island, across from Corpus Christi. Both groups of local music students performed in the annual celebration at the Gulf city. (Brand Staff Photo)

Ideal Boy...

(Continued from page 1)
Joe Hersley has the nicest one. Ronnie Gray has the best personality and John Bob Drake, the best physique. Kenneth Betzen takes top honors as being the most talented.
It seems that Don Warrick is most fun, Gary Tannahill the most mannerly, Jimmy Dziuk the shyest, Johnny Welty the most likeable, Bobby Jackson the neatest and Virgil Kuykendall the most daring.
As for being silly David Sellers takes the cake. Richard Culp is so happy and Butch McCaslin is the best dressed.
Best all around is Ken Walker.

Instructor...

(Continued from page 1)
dents are above the average," states this versatile young man. However, none of his experiences as a high school teacher really stand out, except "an explosion, which I'd just as soon forget," he comments with a smile.
Among his favorites are the color, red, movie, "The Green Years," and any food, "except liver."

NIGHT SHIFT
FORT MORGAN, Colo. — Fort Morgan's city dog catcher has shifted his working hours from day to night.
Police Chief Dan Dorn says he received very few complaints of dogs running loose during the day, but hounds galore were running all over the city at night.

Two Big Tournaments Set On Local Links This Month

About 25 professionals will be on the John Pitman Municipal Golf Course in Hereford Monday, May 22, to participate in a one day, pro-member Pro-Am with local amateurs, both men and lady golfers.
The event is a low ball affair, with local men and lady amateurs receiving full handicaps for the event. Starting times for the event will be published in the Brand next week and mailed to visiting professionals.
Team prize money will be \$500, with amateurs receiving merchandise prizes and professionals receiving cash.
The third annual "Golf Begins At Forty" tournament will be held on the local links May 26-27-28. Golfers must be 40 years of age or older, and no qualifying rounds will be played. Pairings will be placed in flights by handicap.
At the present time, only 25 Hereford, Friona and Dimmitt golfers have registered in the Pro-Am, according to Hereford golf pro Bud Posey. To complete the local list, at least 35 more players are needed. All golfers planning to enter should register at the pro shop by Sunday night, May 14.
Entry deadline in the "Golf Begins At Forty" tournament is 6 p.m., Thursday, May 25.

A buffet dinner for all contestants and wives will be held at 7:30 p.m., Thursday, May 25.
Professionals planning to enter the Pro-Am include: Joe Houck of Borger, Vern Farquhar of Amarillo, Johnny Austin of Amarillo, Warren Cantrell of Amarillo, Elwyn Stobaugh of Amarillo, Geoffrey Smith of Amarillo, Billy Delk of Amarillo, Air Force Base, Burt Watkins of Pampa, Bob Hickson of Dumas, Ray Hardy of Muleshoe; John Biddy of Levelland, Ralph Coker of Tulia, Dude Kincaid of Clovis, N. M., Cal Garrett of Lubbock, Frank Baker of Lubbock, Jim Terry of Seminole, Horace Moore of Plainview and Bud Posey of Hereford.
Posey has urged that all golfers planning to participate sign up as soon as possible. Early or late starting times requests will be granted, the host pro said, and starting times will commence at 8:30 a.m. and continue until 2 p.m., golf-

fers starting at 10-minute intervals.
Team pot will include: first place, \$50 each; second place, \$40 each; third place, \$25 each; and fourth place, \$10 each.
Individual pro pot is: first place, \$100; second place, \$80; third place, \$60; fourth place, \$35; and fifth place, \$25.
Murrell Tripp of Lubbock is defending champion in the "Golf Begins At Forty" tournament. Tripp has won the title the past two years.
Schedule for the three-day tournament includes:
Friday, May 26 — 8 a.m., first round matches in all flights 1:30 p.m.; second round matches in all flights. Both nine-hole rounds.
Saturday, May 27 — 9 a.m., semifinals in all flights and consolation flights. Eighteen holes.
Sunday, May 28 — 9 a.m., final matches in all flights and consolation flights. Eighteen holes.
J. E. Robinson Jr. of Hereford is tournament manager.

DOWPON... Kills Johnson & Water Grass

Problem grasses choke out crops, reduce yields, make extra cultivating work! Clean up your fields with Dowpon. It's more economical... more effective... kills grasses, roots and all... reduces regrowth problems. Will not injure grazing livestock if accidentally eaten. Apply in spring or fall before planting, or as a selective spray, or as spot treatment on certain crops.

Patterson Chemical Co. HEREFORD, TEXAS

The climate couldn't be better for buying a new JET-SMOOTH CHEVROLET

(and that's the car more people are buying!)
The wish-I-had-a-Chevy season's here! Summer's in sight. Horizons are brightening. Vacation plans are percolating. It's the most rewarding time of the year to stop by and talk buy with your Chevrolet dealer. ■ And why not do more than just talk? Take a Jet-smooth Chevy out on the road. That wonderfully gentle ride you'll feel is what we're so proud of. (Full Coil suspension and a chassisful of other road tamers are responsible). Inspect the advantages of the finely built Body by Fisher (none can match it in Chevrolet's field). Look over the full selection of models and compare the prices (18 Six and V8 Jet-smooth Chevies are priced below comparable competitive models). ■ So now you know why more people are buying Chevies than any other make. Just one other thing—check the sweet trade-in allowance your Chevrolet dealer can offer you now. See how easy it is to blossom out in a new Chevrolet!

See the new Chevrolets at your local authorized Chevrolet dealer's One-Stop Shopping Center

ORSBORN-NORWOOD CHEVROLET

2nd At Schley Hereford Phone EM 4-2160

And like his column, it is best taken in small amounts, where each gentle barb can be savored and enjoyed. This isn't a book to be read or absorbed in one night, for much of the flavor is lost by gulping.
Even those who don't know Crume personally will feel a kinship as they read his words about our nation's space probes, a battle with middle-age bulge and cutworms and cars.
A Texan At Bay is filled with his wit and mellow charm that make it worthy of more than local charm. It covers a bit of Americana that has been mostly neglected.
An autographed copy is available for you to check out from the Deaf Smith County Library... And Hereford and Deaf Smith County get mentioned a couple of times, which should add a fillip of enjoyment.

NOSTALGIC CONTESTS
GREENVILLE; Ohio — The Darke County Steam Threshers Assn., Inc., gets together each year to hold contests in sawing, threshing and baling for the big steam engines used a half-century ago.
In one contest, a board is laid across a railroad tie. Drivers edge their engines on the board, trying to reach a center of balance so that the board — acting as a teeter-totter — does not tip to either side.

SIGN CONFUSION
DES MOINES — A new sign in the Polk County Juvenile Court office has police officers scratching their heads.
The sign says: "Officers, have your parents here at 9:30 a.m."
Court officials explain the sign means police officers handling juvenile cases should have the parents of the children accompany the youngsters to hearings.

BEAR EAT SIGNS
SKYLAND, Va. — A Shenandoah National Park visitor suggested to rangers that the park's bears should be educated so they could read a sign saying: "Please don't eat the signs." The bears have been eating the park service signs, even when they're soaked in crocodile. Barbed wire around the edges helps but rangers fear people will tear their clothing or stick a finger on the bars.

Announcing The Newest Developments In HYBRIDS

SCOTT 500

Here is a short-stalked, red grain hybrid with great yield potential and wonderful stand ability. Stalk height is about 12 inches shorter than RS 610. Red Grain (darker than RS 610 grain) on very large medium-dry heads. About same maturity as TX 660 and outstanding in ability to stand and to yield. Adapted to dryland or irrigation. 110 days to mature.

SCOTT 450

An early grain hybrid of about the same maturity as RS 610. It is very similar to Scott 500 (above) but earliness makes this an outstanding hybrid for areas needing this factor. Red grain, large heads, high yield and shorter stalks make Scott 450 a highly desirable early grain hybrid. 95 days to mature (12 to 18 shorter than 610).

A GREAT PAIR OF TRUE COMBINE HEIGHT HYBRIDS.

Leading Texas and RS Hybrids — all grown on our own farms — processed in our own plant, winter grown in Mexico.

RS 590 TX 601 RS 608

Her Day

—Mother's Day. The world voted a day in her honor and Heaven was glad. It is a meager tribute that we should pause once a year...the second Sunday in May...to do her honor. She gave you life and love but what have you given her? Life will not change her love nor will death conquer it. *She is the soaring cloud of radiant rapture that lifts us to new attempts and the strength we need to see us through.* Her God would be pleased to see her in church this Mother's Day...won't you take her to God's House?

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

 Wednesday prayer services are held at 7:30 p.m.

NIGHT AND DAY
 COLUMBIA, S. C. — John Knight and Clifford Day are brothers-in-law and officers in the same Army Reserve unit here.

How Can I?

By Anne Ashley
 Q. What suggestions have you to make regarding the wall-papering of a house?

A. If using wallpaper throughout the house, relate one room to the other, including the hallways. It is confusing to the eye when each room is papered in a color and design that has no relationship to the others. A good decorator strives for harmony in color and design throughout the house. The blending of neutral colors is conducive to eye-ease and relaxation, besides being decoratively pleasing.

Q. How can I remove the odor from my fingers after having peeled onions?

A. Rub the fingers well with some crushed parsley. Also, after you have eaten onions, you can clear your breath nicely by chewing on a spring of parsley.

Q. How can I remove rust from copper articles?

A. This will usually yield to liquid ammonia. Polish well afterward with a good copper polish.

Q. How can I clean floor matting?

A. Sweep with a soft brush or clean with a vacuum cleaner. Once weekly, after it has been cleaned, roll it up so that the floor underneath can be cleaned — which is important because of the dirt that sifts through the matting. Occasionally wipe the matting with a damp cloth wrung out of water containing one or two teaspoons of ammonia. Don't soak the matting, or you may get a musty smell.

AUSTIN HIGHLIGHTS

Every Minute Precious As Session Nears End

BY VERN SANFORD
AUSTIN — From here on, the Legislature must make every minute count if it is to wind up essential business before the regular session ends on May 29.

Despite the dwindling time, filibusters, postponements and disagreements have slowed progress on tax-raising and other "must" legislation.

The House passed 2 per cent sales tax faces two ultimatums. Gov. Price Daniel said he could not allow it to become law unless the total money-raising program puts more of the tax burden on business and less on individuals. Sen. Henry B. Gonzalez of San Antonio said he would filibuster against the sales tax if it came up in the

Senate. State Comptroller Robert S. Calvert estimated the House sales tax bill would raise in excess of \$150,000,000 a year. This is higher than other estimates and would provide enough or nearly enough to meet estimated revenue needs. Calvert, by law, has the final and official say-so on tax yield estimates.

Governor Daniel's veto threat chilled earlier optimism about an early wrap-up of money problems and turned House members to thinking again in terms of compromise and "package bills."

SPENDING CONFEREES — A ten-man conference committee is at work ironing out the differences between House and

Senate versions of the general appropriations bill.

House bill would cost about \$16,000,000 more than the Senate's. Committee's task of striking a balance between the two is expected to take three weeks.

Senate members of this important committee are Senators Ray Roberts of McKinney, A. M. Aikin Jr. of Paris, Crawford Martin of Hillsboro, Grady Hazlewood of Amarillo and Wardlow Lane of Center.

House members are Representatives James Cotton of Weatherford, Bill Hollowell of Grand Saline, E. H. Dewey of Bryan, J. W. Buchanan of Dumas and Malcolm McGregor of El Paso.

TEACHER PAY PUSHED — Advocates of higher teacher

salaries are pushing to get their bill in position for quick final action once the money-raising and general appropriations measures are out of the way.

House Appropriations Committee approved and sent to the floor a bill that would provide the full \$800 a year salary increase sought by teachers.

Goal is to get a pay raise bill passed in both houses, then send it to a conference committee to work out differences. Then at the strategic moment, it would be ready for final adoption by both houses.

TRAINING METHODS SCORED — House members are pressing for speedy action for a measure that would require less emphasis on "how" and more emphasis on "what" in public school teacher training.

Rep. Henry C. Grover of Houston, a teacher on leave, is sponsor of the bill that would reduce required education (teaching method) courses from 24 semester hours to 12 for junior and senior high teachers. For grade school teachers the maximum would be reduced from a possible 60 to 24 semester hours.

One supporter observed that the late Albert Einstein would not have been eligible to teach mathematics in a Texas high school. House voted to instruct the Education Committee to report on the bill immediately.

RE-DISTRICTING HITS BUMP — Senate efforts to pass a senatorial re-districting bill were postponed by Sen. J. P. Fuller's filibustering opposition.

Senator Fuller of Port Arthur opposes the proposed measure because it would continue to combine Orange County with Jefferson (Beaumont, Port Arthur) to form his district. Jefferson County alone has more than enough voters to be a one-county district, says Fuller, and Orange

would rather be in another district with counties of the same size.

Pressure to force agreement on a re-districting bill will be very strong since, if the Legislature fails to act, a non-Legislative Board will take over.

GLOOMY REPORTS — While lawmakers struggled to find new taxes, the news about present taxes was bad all over.

State Treasurer Jesse James reported that Texans apparently are not smoking and drinking like they used to, causing a million dollar slump in tobacco and liquor taxes in April. Revenue dropped from \$8,689,855 in March to \$7,362,176 in April.

Motor fuel tax revenue was also off, according to State Highway Engineer DeWitt Greer. A 3 1/2 per cent drop during the past eight months cost the state \$3,000,000.

Meanwhile, in the Third Court of Civil Appeals, the state lost in an effort to collect a state sales tax on component parts of radio sets, such as hi-fi tuners. Court said the law is not clear.

LOAN DISPUTE FLARES — Words were hot, but the issues unclear, as Senate committee hearings on a small loan bill stretched out.

Critics of the House-passed bill fell into at least two factions: (1) those who felt the interest rates (up to 40 per cent on the smallest loans) were too high and (2) those who felt over-all charges should be higher for loans of \$100 and less.

Meanwhile, Atty. Gen. Will Wilson issued a statement blasting "powerful out-of-state loan sharks" trying to "bottle up" regulation. Senate Committee invited him to appear and discuss the matter with them.

MORE "NEATNIKS" NEEDED — Amid its \$7,000,000 a year job of gathering up mountains of litter from public roadsides, the Texas Highway Department issued a plea to Texas motorists.

Please don't use the highway as a trash can, said the Department; be a "neatnik" and save on state costs.

Most of the litterbugs, says the Department, are home grown not out-of-state visitors.

ACTION AND REACTION —

After thousands of college students took a long, riotous weekend in Galveston, the Senate called on the Higher Education Commission to look into why the students weren't at their books.

In the opposite wing of the Capitol, the House passed two measures concerning the Gulf Coast area.

One would authorize the state to turn over 88.5 miles of Padre Island to the federal government for national park development. Other is a proposed constitutional amendment that would give city and county governments authority to regulate traffic and sanitation on adjacent state-owned beaches.

A state agency, such as the Highway Department, would be authorized to set flexible speed limits, according to road condi-

tions, under another proposal for constitutional change given House approval.

House also passed a proposed constitutional amendment removing the present \$47,000,000 a year ceiling on state welfare spending. Change would allow Legislature to appropriate for welfare as needed, up to the amount that would be matched federally.

Sixteen-year-olds accused of very serious crimes could be tried as adults rather than in juvenile court under a House-passed bill. Present minimum age for adult handling is 17 for boys, 18 for girls.

Running for one state office while holding another would be barred under a proposed constitutional amendment given preliminary House approval.

All proposed amendments have to be approved by a people in the 1962 general election before becoming effective.

SHORT SNORTS

A group of steel importing

firms are seeking court action to stop the State Highway Department's ban of use of foreign made products in state highway projects. Suit was filed in a Travis County district court.

Construction contracts let during March in Texas set a record for that month of the year, reports the University Bureau of Business Research. Economists did not expect the peak to hold, but held hope that the renewed vigor meant the end of the building slump.

Texas' unemployment picture also brightened during March. Total number employed rose to 3,387,300, and unemployment declined by 28,100. But the number of jobless persons was still higher than for the same month last year, said the Texas Employment Commission.

Rep. W. T. Oliver of Port Neches has announced he is a candidate for Speaker of the House in the next Legislature. Oliver is generally regarded as a conservative.

How Can I?

Q. Is there any way I can restore paint that has hardened in its can?

A. Try pouring an inch of turpentine or mineral spirits on top of the paint, allowing this to remain a few days, then stirring with a stick until the paint is soft and ready to use again.

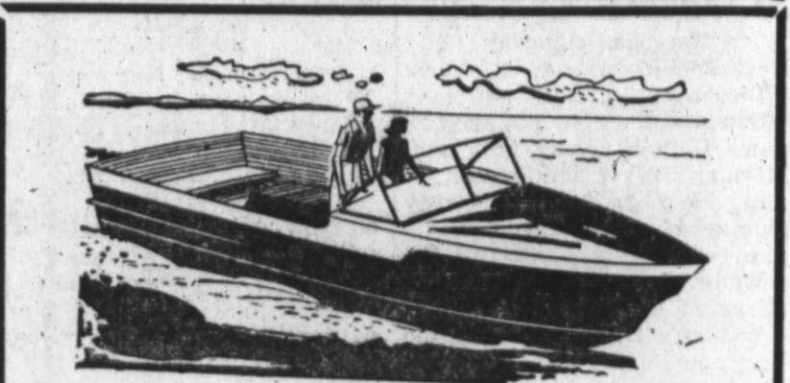

Q. What is an easy way to cope with tar and oil spots on the finish of my car?

A. Rub over them with linseed oil.

Q. How can I improvise a good wax for my linoleum?

A. Here's an easy and fast way of doing it: Simply add a handful of starch to your washing water, and when your floor has dried — presto, it will have a gloss almost as high as if it had been hand-polished!

If you are putting aside MONEY for your car's old age - STOP!

Put your money where it will do the most good...in a new FORD

STOP spending money on your car's old age.

SWAP now for a '61 Ford. Sales are up and your Ford Dealer is in a position to pay top dollar for your trade-in... which should cover the down payment.

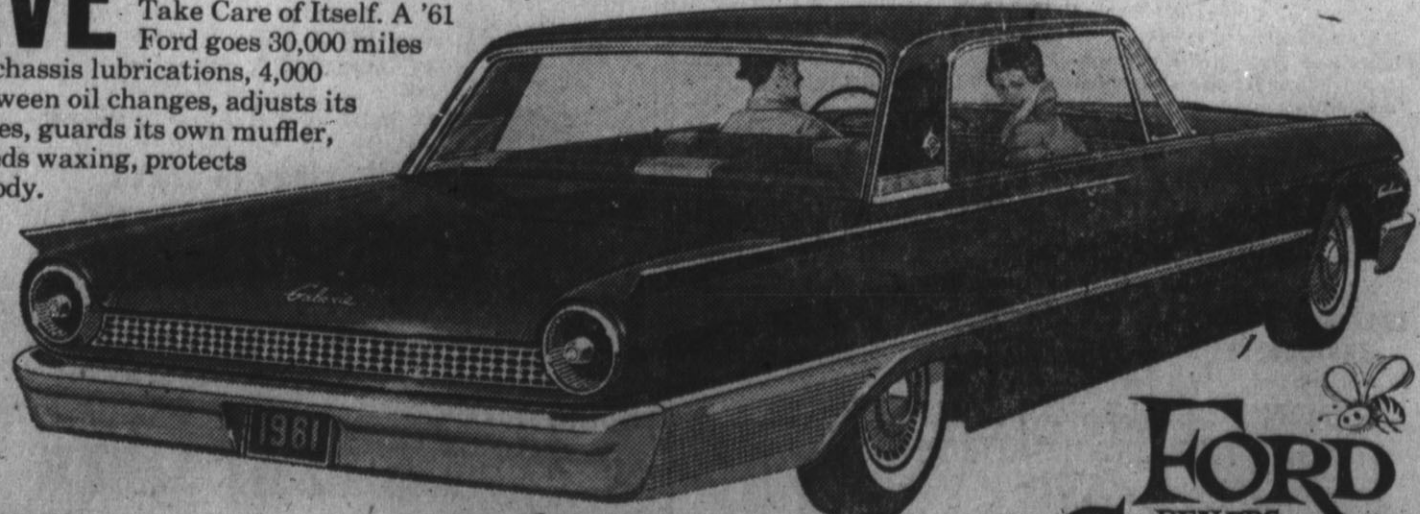

SAVE with the car that's Beautifully Built to Take Care of Itself. A '61 Ford goes 30,000 miles

between chassis lubrications, 4,000 miles between oil changes, adjusts its own brakes, guards its own muffler, never needs waxing, protects its own body.

Before you buy a '61 car, be sure it is a '61! That means a car as care-free and capable as the '61 Ford... the car that's beautifully built to take care of itself—the car that was deliberately built to back up its long-term warranty!

STOP... SWAP... SAVE... today at your Ford Dealer's. Enjoy a full summer in a beautifully built '61 Ford.

*Each part of '61 Ford, except tires, is dealer warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance services and routine replacement of machine wear items such as filters and ignition parts.

Legal Notice

NOTICE OF HEARING ON CITY PAVING ASSESSMENTS THE CITY OF HEREFORD DEAF SMITH COUNTY, TEXAS

NOTICE is hereby given to all abutting property owners and persons interested in the properties on the hereinafter mentioned streets, that on the 1st day of May, 1961, B.R. McMorris and Associates, Engineers, have filed with the City of Hereford, Texas, the estimated amounts per front foot proposed to be assessed against the owner or owners of abutting property and such property on each street to be paved by the City of Hereford, as well as the total cost of the improvements on each street or portion thereof, and that the same has been duly approved by the City Commission, and that the same was ordered filed and shall remain on file with the City Secretary in the City Hall in Hereford, Texas, as well as all of the plans and specifications pertaining to all of such proposed improvements; and that any and all property owners and persons interested therein within the City of Hereford and elsewhere may inspect the same; and further, that the City of Hereford, by a resolution duly adopted by the City Commission, has fixed the 19th day of May, 1961, at 7:30 o'clock p.m. in the City Hall in Hereford, Deaf Smith County, Texas, as the time and place for all of such owners and persons interested in such paving and in such properties to appear and make objections thereto, if any there be, and to contest the amounts of the proposed assessments, the lien and liability thereof, the special benefits to the abutting property and owners thereof by means of the improvements for which assessments are to be levied, the accuracy, sufficiency, regularity, and validity of the proceedings and the contract in connection with such improvements and proposed assessments, if it is so desired; and this notice is given as is provided in Section 9 of Article 1105b of the Revised Civil Statutes of the State of Texas, in that the City proposes to

levy such costs against the respective properties as are shown in said proposed paving assessments as so filed by said City Engineers with said City of Hereford.

Said streets to be paved and the cost of the improvements on such portions thereof with the amount per front foot proposed to be assessed for such improvements against abutting property and the owners thereof of each such portion, as follows:

UNIT 1-A - GRAND AVENUE from the East property line of 25-Mile Avenue to the East property line of Avenue A, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$5,538.31.

UNIT 1-B - GRAND AVENUE from the East property line of Avenue A to the East property line of Avenue B, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$5,582.70.

UNIT 1-C - GRAND AVENUE from the East property line of Avenue B to the East property line of Avenue C, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$5,335.27.

ers thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$5,582.70.

UNIT 1-D - GRAND AVENUE from the East property line of Avenue C to the East property line of Avenue D, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$4,203.71.

UNIT 1-E - GRAND AVENUE from the East property line of Avenue D to the East property line of Avenue E, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$5,841.23.

UNIT 1-F - GRAND AVENUE from the East property line of Avenue E to the East property line of Avenue F, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$5,335.27.

UNIT 1-G - GRAND AVENUE from the West property line of Avenue G to the East property line of Avenue H, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$3,481.09.

UNIT 1-H - GRAND AVENUE from the East property line of Avenue H to the West property line of Avenue I, width of 44 feet, 1 1/2-inch hot-mix surface course on six-inch flexible base; the amount per front foot proposed to be assessed against abutting property and the owners thereof for improvements exclusive of curb and gutter is \$2.019; the amount per front foot proposed to be assessed against abutting property and the owners thereof for curb and gutter is \$1.731; the total amount per front foot proposed to be assessed against the abutting property and the owners thereof is \$3.750; the estimated cost of the improvements is \$4,696.70.

Walcott School Previews Classes For 1961-62 Term

BY MRS. T. L. COLLINS
 "Promotion for a Day" was held at Walcott School Friday. These children were present for their first full day of formal school: Kerry Hall, Brenda Cupell, Sharon White, James Tice, Tommie Nance, Gerald Marnell, David Owens, Willis Dugan and Girmencino Rivera.

Each grade moved up one to have the present first graders become second, etc. Thus each classroom had one group of boys and girls that were new for the day. In Miss Paula Green's first and second grades there were 23 pupils. Mrs.

T. L. Collins had 23 in her third and fourth grades. Miss Shirley Bourquin had 20 in the fifth and sixth, Thomas L. Collins had 13 in the seventh and eighth grades. Thus Walcott School now has these 79 students for potentials of the 1961-62 school year. Each has had a sample of what is expected of him in the next grade.

These present eighth grade pupils rode the high school bus into Hereford Friday to attend Stanton Junior High for that day: Elizabeth Burrus, Vicki Burns, Diane Jack, Marilyn Tice, Nancy Tyler, James Barnett, Don Barnett, Damon Dav-

is, Larry Minks and Jimmy Roberts.

These above mentioned people invite you to be present for their eighth grade graduation exercises to be held Tuesday night, May 23, in the Walcott School auditorium. Deaf Smith County Judge Don Zimmerman will be their speaker for the evening.

Mr. and Mrs. Joe Rader have purchased a home in Hereford at 206 Grand. The business transaction was completed Saturday. They will be moving soon after school closes. They have ten acres of ground leased near Hereford which they will farm.

a hot dog round-up roasting winners in the back yard. Mrs. Eldred Brown and Mrs. J. V. Perrin were hostesses to a 42 party held in Walcott School auditorium Friday night.

Suzanne Loerwald

Hereford Students Named President Of Student Council

Atchison, Kans. — Miss Suzanne Loerwald, daughter of Mr. and Mrs. Ed Loerwald, 224 Star St., Hereford, has been elected president of Mount St. Scholastica College Student Council for the coming year. Graduated from Hereford High School, Miss Loerwald enrolled at Mount St. Scholastica College in 1958. With an English major, music and elementary education minors, she is the editor of the "Mount Mirror," the bi-weekly newspaper of the college, and a member of the Student Council.

The Student Council president-elect is also president of the campus Confraternity of Christian Doctrine and has been active in the Iurialism program of the National Federation of Catholic College Students. She has been a member of the Schola Cantorum and has represented the college at several congresses and conventions.

VISIT FOR WORTH

Mr. and Mrs. D. H. Alexander have returned from Fort Worth where they visited their son, Burl and family. They were accompanied by their daughter, Mrs. Ruth Hudson of Seagraves.

The Raders spent the weekend in Hereford visiting with their daughter, Mr. and Mrs. J. M. Payne, Darla and Larry. Mr. and Mrs. Stanley Sanders, Mike, Carla and Carol came Saturday to visit his sister, Mr. and Mrs. Melvin Henderson and boys. They returned home on Sunday afternoon.

Mr. and Mrs. Thomas L. Collins visited friends; Mr. and Mrs. M. S. Downing, in Canyon Saturday afternoon.

Mr. and Mrs. Jih Purefield and Bill from Amarillo had Sunday dinner and visited in the home of Mr. and Mrs. Leeland Burns and family.

Mr. and Mrs. Virgil Watson moved to Amarillo Thursday. Jimmy Roberts, their grandson, is staying with Mr. and Mrs. H. D. Buse and boys, so he can complete the eighth grade here.

Mrs. J. F. Ward had Sunday dinner in the T. L. Collins home.

Miss Paula Green and Miss Shirley Bourquin drove to Summerfield after church Sunday. They visited a cousin of Miss Bourquin's, Mr. and Mrs. Joe Moody, Lana and Ricky.

Marsha and Vicki Burns went home with Adair Melton Friday afternoon. That night they attended the revival at the Westway Baptist Church. Afterwards they went with the Junior Sunday School class to Hereford where they rode the go-carts and went bowling. Saturday morning they again went to services at Westway and afterward the young people had

Mr. and Mrs. Thurman Davers, Damon, Thomas, Roberto, Ed and Mike Bean enjoyed a picnic outing in Palo Duro Park Sunday.

Mr. and Mrs. Waldron Melton, Adair, Denise and Zena Bolin of Westway attended the art show of Mrs. Earl Plank's production in the Community Center at Hereford Sunday afternoon.

Danny Owens was five years old Saturday. His parents, Mr. and Mrs. John Owens, had these Dameron Ranch people in for

birthday cake and ice cream: Mr. and Mrs. Thomas Feiro and Rena, Waldron Melton, Adair and Denise and Mr. and Mrs. Norman Minks, Nancy, Margaret and Larry.

The last Walcott P. T. O. meeting of the year will be held Friday night, May 19. Bring community pictures to show and cookies to serve for refreshments. New officers will be elected.

The annual Walcott "last of school" community picnic will be held again this year in Da-

meron Park at Hereford during the noon hour Sunday, May 21. Each is to bring food for his own family. Those former Walcott residents who still live in this area are welcome to

be present. Mr. and Mrs. J. V. Perrin, Mr. and Mrs. Harold Bass and Mr. and Mrs. LeRoy Cupell are in charge of arrangements this year.

SPRAY DOWPON

Get effective control of Johnson, Bermuda, para and other problem grasses with Dowpon*. Sprayed on the grass leaves, Dowpon kills roots too.

Use Dowpon for:
