60TH YEAR — NO. 27

Hereford, Texas, Thursday, July 6, 1961

Price 10c Per Copy

MOST PEOPLE do a "double take" when they see Johnny Lee Frazier, 13, 120 Bradley, and his pet together. For what might be a kitten or a puppy turns out to be a baby skunk. It is one of four found recently and deodorized by a veterinarian. One of the small animals died, but the other three are doing well and living up to the claim that skunks, when properly prepared, make excellent pets. (Staff Photo)

Migrant Workers Arriving For Peak Vegetable Harvest

From 4,000 to 5,000 migrant workers are in the Deaf Smith County area this week as harvest on the 1961 crop of onions gets back into top gear. Potato harvest should get underway later this week and speed up through next week...

Two Of Three Stolen Vehicles Are Recovered

Two of three vehicles stolen in the city recently were recovered at Hereford Labor Camp Monday afternoon. The two vehicles, a 1951 model car and a 1951 model pickup truck, were discovered at about 1 p.m. Monday...

Deposits Up By \$4 Million Over Last Year Total

A prosperous year is in the making, as indicated by combined deposits for two Hereford banks and two savings and loan institutions at close of business June 30. Statements of conditions reported by the four institutions totaled \$18,769,329.05...

Ethridge Takes Crown For Hereford Golf Tournament

John Ethridge took a 5 and 4 win over Wimpy Walker Tuesday afternoon to capture the championship flight of the annual Hereford City Golf Tournament. The two Dimmitt golfers were scheduled to have played their final match next Sunday...

Around Town

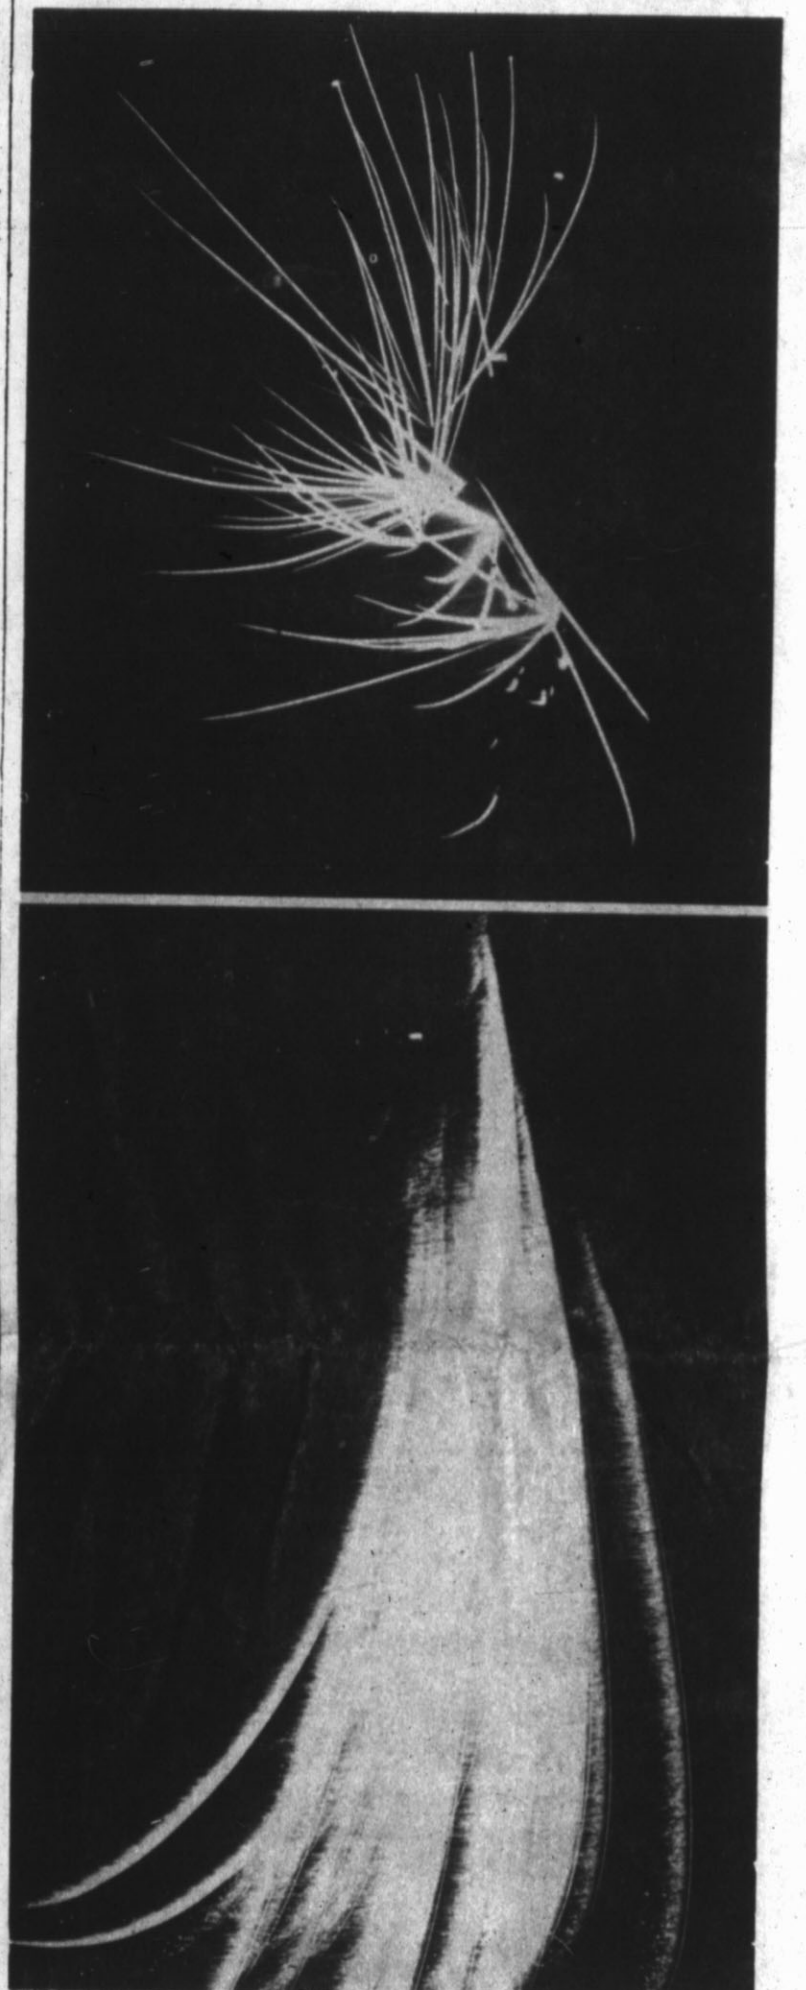

Independence Day has passed again and, very fortunately, Deaf Smith County did not have a single highway mishap with any injuries or fatalities. Several residents on our street had their flags flying for the Fourth...

Tool Box Stolen From Resident

Hereford police Wednesday morning continued investigation in the theft of a box of tools from a parked pickup truck in the city over the weekend. The box of tools, owned by Thomas W. Inman, 427 Ave. J...

King's Manor Office Opens On Local Retirement Home

The Rev. Don Davidson, administrator for planning of a golden age home in Hereford, will be in the city much of this month. His purpose will be to secure information on how much of the complete home to consider in the first phase of construction...

BRILLIANT BURSTS of fireworks light up the night skies above Hereford Tuesday. Hundreds gathered to watch the display fired off by the Hereford Country Club...

Lebanese Publisher Considers All Americans As His Brothers

Dakhil manages to keep in contact with his many friends throughout the world. He accomplishes this in part through his paper, "Sada Janoub," which he sends free of charge to subscribers all over the globe. Before founding his paper in 1936, Dakhil was a teacher in the capital city, Beirut...

TRANSLATING ARABIC INTO ENGLISH is Ted Dakhil of Hereford, at right, Dakhil served as translator for his brother, Rad Dakhil, from Lebanon when he spoke at the Rotary Club luncheon Monday. (Staff Photo)

Vegetable Dump And Water Well Are City Topics

Culled vegetables taken to the city dump ground and need for another water well next year were primary topics of discussion at Monday night's City Commission meeting. Same system as was used last year will be in effect in regard to cull vegetables, the commission decided...

Season Ends As Baseball Teams Ready For Meets

Baseball in Hereford is drawing to a climax with Little League, Pony League and American Legion teams preparing for play-offs. Little League officials met Wednesday night to select 15 all-star players to represent Hereford in the district play-off...

Newest telephone convenience is a farm inter-com system complete with loudspeaker. It seems to have a lot of advantages and could save some steps. But it's getting to where you can't hide anywhere...

All former residents are reminded of the Progressive (Continued on page 2)

Lebanese...

(Continued from Page 1)
 The Lebanese want to play a large part in the fight for freedom, Dakhlil proudly proclaims. The country forms a cornerstone of the free world in the Middle East.
 The leaders of the country look to the United States for guidance in world affairs, the publisher points out. There are at least 300,000 people of Lebanese origin now living in the United States, he explained. This fact accounts for another reason why the U. S. and Lebanon have binding ties.
 During World War II at least 500 soldiers fought in the U. S. Army from the tiny town of Merdyoun, where Dakhlil lives. A former U. S. congressman from Los Angeles, George Abu-Kssen, is of Lebanese descent.
 Communism is outlawed in Lebanon but infiltration attempts are constantly at work in the country. Some of the poorer people are somewhat influenced by the doctrines of Communism, Dakhlil believes.
 "We are a nation that believes in God," Dakhlil points out in explaining the denial of Communism in his country. "The Communists would have us give up our God and we have refused to do it."
 Unlike the other Arab nations, Lebanon is primarily Christian with the Moslem religion in the minority. Dakhlil stands firm in

the belief that religion has kept the Lebanese free from Communism.
 The press in Lebanon is free from government restraint. They observe libel laws similar to those in the United States. Dakhlil publishes his paper in Arabic but there are many papers printed in French and English.
 There are no large daily papers in Lebanon as we know them in the United States. A large paper there is one of 18 to 22 pages. The country does not have the advertising necessary to support a large paper, Dakhlil explains.
 Presently, approximately 1,500,000 people inhabit the 3,475 square miles of Lebanon.
 There are three large universities in Beirut. The American University of Beirut is one of the largest schools in the world. There are also French and Arabic universities in the capital city.
 Women in Lebanon have the same freedoms as those in the U. S. They vote, run for public office and hold various types of jobs. After marriage, few of Lebanese women continue to work outside of the home.
 Lebanon has a representative government, which is conducted much like that of the U. S. However, the Lebanese have only one house, a representative house of 99 men elected by the people.
 The representative house

chooses the president of the country and the various ministers. The president serves a six year term but can be impeached by the house.
 The ministers have duties similar to those of the U. S. cabinet. They assist the president in the executive branch and remain in office as long as the house endorses them.
 At present General Fouad Chehab is president of Lebanon. He is a descendant of a large family that governed the country 200 years ago, according to Dakhlil. The president can serve only one term under the present constitution.
 Dakhlil publishes his paper in Beirut, a modern, cosmopolitan city of 700,000 people. The city attracts tourists from all over the world for its beauty and mild climate. Lebanon is called the "Switzerland of the Middle East," Dakhlil comments.
 Farming and industry account for the chief income of the nation. Unlike many of its neighboring countries, Lebanon has no oil production. Constant drilling and exploration for petroleum is being undertaken.
 Dakhlil and his wife have seven children, five girls and two boys. His family did not accompany him on his trip to the United States.
 He will leave Hereford this week and go to other towns in Texas where friends and relatives live. He plans to visit

Dr. Franklin D. Jones

Medical School Graduate Visits

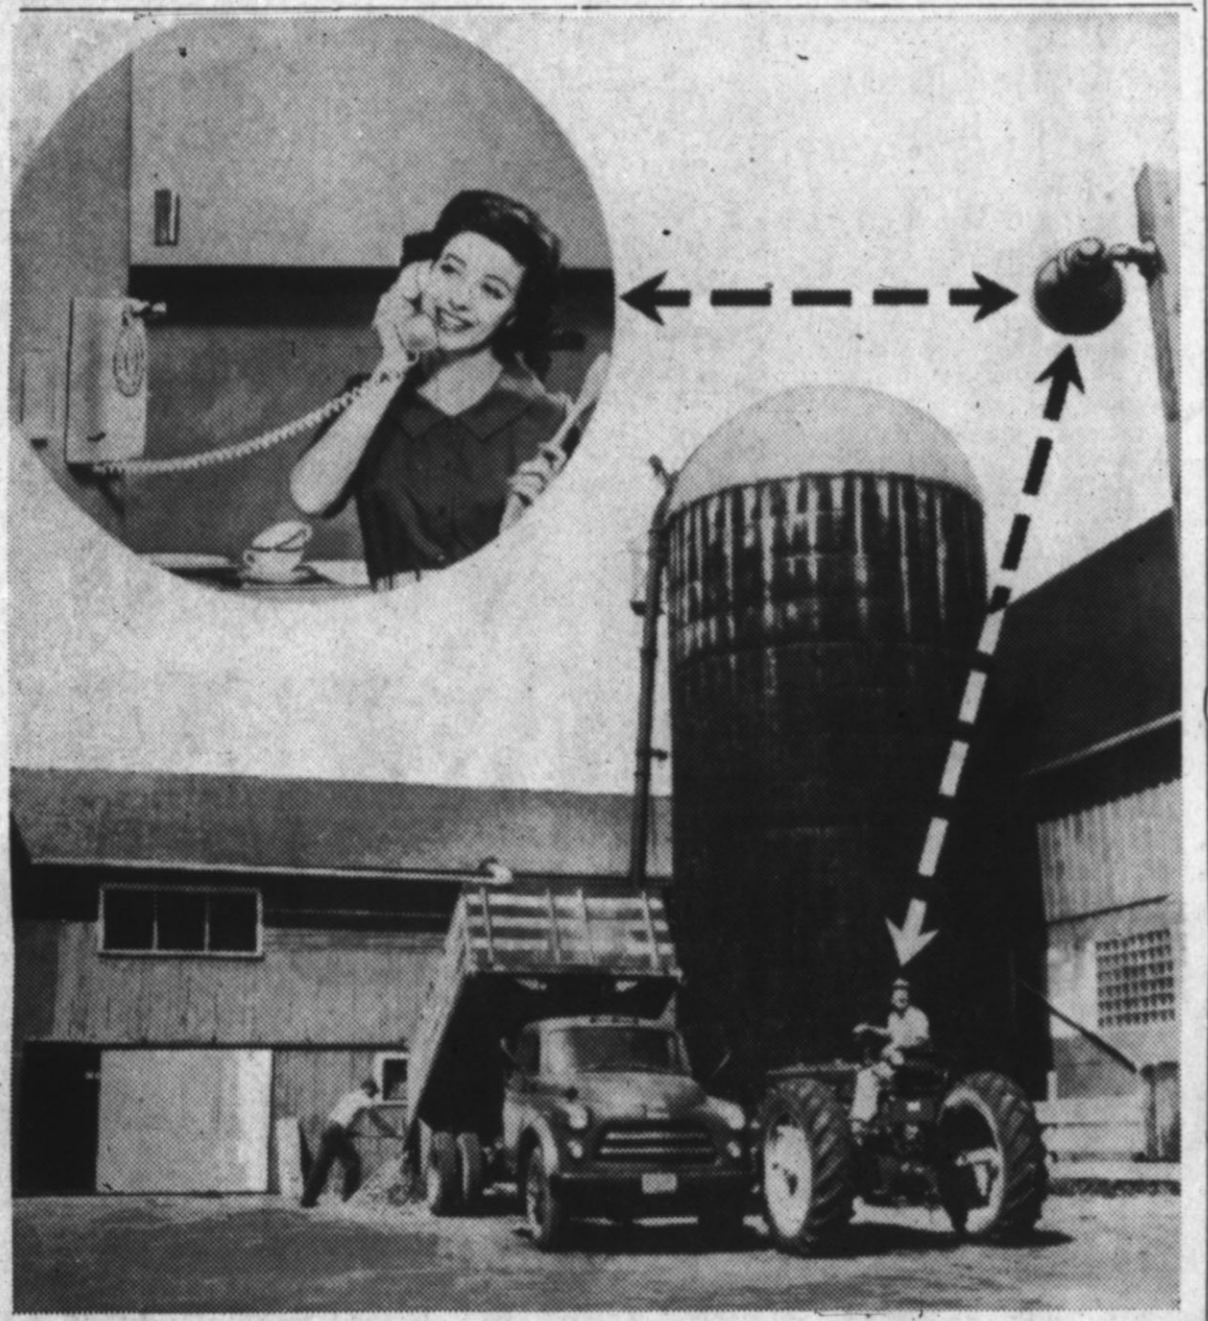

Dr. and Mrs. Franklin Del Jones and son are visiting his parents, Mr. and Mrs. Oren Jones of Hereford, Jones has recently completed requirements for a medical degree from Southwestern Medical School in Dallas.
 A 1954 graduate of Hereford High School, Jones will begin internship at Ireland Army Hospital in Fort Knox, Ky., this week.
 Jones is married to the for-

Around...

(Continued from Page 1)
 Community Reunion, which will be held Sunday, July 9, at the Hereford Community Center. Doors will open at 10 a.m. A basket lunch is scheduled for noon, followed by a short program and a lot of visiting.
 If you are interested in the proposed historical theatre project for Palo Duro Park, you are invited to attend a meeting on Sunday. The meeting will be held at 3 p.m. in the Branding Iron Theatre in the West Texas State College Fine Arts building in Canyon. Robert Nail, writer-producer of the Fandangle which run for many years at Albany, Tex., will be the speaker. His topic will be "Recruits and Rewards in Outdoor Spectaculars."
 Final games are scheduled this week for local Little League, Pony League and American Legion baseball teams. In Little League action, the Cardinals play the Yankees on Thursday while the Dodgers take on the Giants Friday. In Pony League, the Thursday game matches the White Sox and the Red Sox, while the Indians

tangle with the Tigers on Friday. On Saturday afternoon at 2:30 p.m. the American Legion team will play its last district game at Nazareth. On Sunday, they will host the team from Tucumcari in a non-district tilt. Gametime Sunday is 2 p.m. at the high school field.
 In the Army we were trained To duck bullets or get maimed, But left untutored about sky-rockets That might try to get in your pocket!
Kings...
 (Continued from Page 1)
 It was decided to locate the home in Hereford last year after the community offered a suitable building site, plus \$100,000 cash toward building costs.
 Local residents who are members of the governing board of trustees for the home include C. Palmer Norton, Dyalithia Benson, J. C. McCracken, Earnest Langley and the Rev. Herschel Thurston.
 Davidson said response to the part-time office here would be one determining factor in when to start construction of the home and how large to make the first unit.
 The first winter weather observations were made on Mt. Washington, N. H., in 1870.

ATE WITH THE JURY
 BUFFALO, N. Y. (AP) - Jim Peelle, athletic director at the University of Buffalo, missed an athletic banquet at that institution for the first time in 26 years, but they had to lock him up to keep him away.
 Peelle was serving on an Erie County court jury deliberating an insurance fraud case, and was held overnight with other jurors when they could not reach a verdict.
MONKEY IN A SULKY
 BATAVIA, N. Y. (AP) - Harness horse driver Mike Metcalf has a pet monkey, Suste, who rides with him when he's working out horses at the Batavia Downs track.
NEW TRACK OWNERS
 FREEHOLD, N. J. (AP) - New owners are operating the harness racing plant here. Fred Fatzler of Maplewood, N. J., sold his interests in March to Bernard and Harold Sampson of Milwaukee and Bernard Kahn and Fred Landau of New York. John D. Cronin of Short Hills, N. J., is still the track's executive vice president.

NEWEST FARM TOOL, the Farm Interphone, makes it possible to communicate easily with distant locations. One feature is outdoor loudspeaker-microphone which permits conversations between house and farmyard.

NEW FARM INTERPHONE CAN SAVE YOU TIME, STEPS AND MONEY

The new Farm Interphone combines conventional telephone service with an inter-communications system for the farm, chicken ranch, or dairy farm.
 By making it possible for you to talk to and from distant farm locations, Interphone can save you steps and valuable time.
 The basic Interphone package consists of a master telephone in the house, an extension phone in the barn, milk shed or other farm building, and a two-way long-range loudspeaker outdoors. You can add additional extension phones and outdoor speakers to fit your individual needs.
 Phones are equipped with special loudspeaker-microphone units that enable you to talk on the inter-communications system without removing the receiver from the hook.
 The Farm Interphone can save you many times its cost by helping you make the most of your time.
 It's easy to use. The cost is low. And equipment is maintained in perfect working order at no additional cost.

If you'd like to know more about the Farm Interphone, call your telephone business office. We'll help you plan the system that best fits YOUR needs.

SOUTHWESTERN BELL TELEPHONE COMPANY
 Call by number — it's twice as fast

several more states before flying to South America. After visits in that country he will return to Lebanon in time for Christmas.
 "May God bless the United States and aid her in being victorious over all enemies," Dakhlil says.

Season...

(Continued from Page 1)
 headquarters in Pennsylvania.
 The Hereford Little League all-stars, 11 and 12 years old, won the district title last season and were defeated in the Area finals in a single elimination tournament.
 A Little League Mothers' game is not definite. The Yankees are leading the Little League standings.
 Earl Stagner, Pony League president, announced that play-offs for Pony League will begin July 20 and Hereford drew a first round bye.
 The Pony League all-star team, to be announced Friday at the Indians - Tigers game, will play the winner of the Littlefield - Anton game. The time and place of the contest is not certain.
 The 15 member all-star team will play a double elimination tournament. Hereford won district in Pony League last season and lost in Area competition. The White Sox are leading in Pony League.
 Hereford's American Legion team has earned a berth in the district playoffs at Borger July 11, 12 and 13.
 Hereford has a 5-2 record in American Legion play, both defeats coming from league leading Tascosa.
 In the district tournament Tascosa and Hereford will represent the southern half of District 18 against the first two teams in the northern half. The tournament will be double elimination. Coach Harlon Voyles announced.
 This is the initial season for American Legion play in Hereford. They play the final conference game Saturday, July 8, in Nazareth at 2:30 p.m. A non-conference game with Tucumcari will be played in Hereford at 7 p.m. Sunday, July 9.

Vegetable...

(Continued from Page 1)
 be dug in Veteran's Park, where the city has water rights. The well would be tied into the existing distribution system. He said that two new vegetable sheds had increased the demand for water this summer. He also said that many new home owners were asking for two-inch water meters instead of the present one-inch meters which are installed.
 Cost for the new well would be \$7-8,000, plus cost of the pipe to transport water to the existing system.
 Commissioners said they would allocate funds in the 1962 budget to pay for the well.
 Southwestern Bell Telephone Company's franchise to operate in Hereford was extended for ten years after third and final reading.
 Two zoning changes, recommended by the city zoning commission, were approved by the city commission. One changes a 20-foot strip behind Safeway supermarket from a B (two-family) residential to a D restricted zone (local retail).
 The other changes a piece of property on 25 Mile Avenue from a C (multi-family) residential to a D restricted. Both requests were submitted by James Bradley.

Mrs. 'Soapy' Views Africa

BY MARTHA COLE
WASHINGTON (AP) — Here's the way Nancy Williams sees America's role in the emergence of the new African nations: "We should be as helpful as possible without interfering."
Mrs. Williams reached her conclusion on her own personal tour of 16 African nations this spring while her husband, G. Mennen Williams, made the official tour as the Undersecretary of State for African Affairs.

"You have to be careful about interfering," she cautions. For instance, she said, American women visiting a hospital in the Congo might see all that is needed to be done and want to plunge in and do it. And the Congolese will be wary or suspicious, she says, "If it looks as if you're going to run things."
Mrs. Williams' memories are vivid:

"She remembers the people of the Congo as the 'same warm-hearted type, with fat healthy babies, that we have seen in other parts of Africa."
She remembers the patience with which the people of Kenya stood in line in the hot sun to vote in a national election. "There were two separate lines," she says. "One for men and one for women, so that the men could not force their wives to vote as they wanted them to vote."
During the tour, Mrs. Williams struck out on her own, visiting villages, hospitals and orphanages and talking with the women. She kept her own notes. Mrs. Williams is a tall, energetic blonde, a graduate social worker, a volunteer Red Cross nurse's aide and a longtime worker in the nursing service in her home state of Michigan, which her husband served as governor.

She paid particular attention to the health problem in Africa. What the people over there need, she says, is a basic health program, the problem is so big. The first child she saw in Uganda appeared to be burned badly. "The skin appeared blistered, peeling, scarred and full of edema so that touching him actually left a finger print," she says. "It is amazing to believe that this is caused by poor diet, particularly lack of protein."
They are fine healthy babies, she says, until they are taken off mothers' milk and put on a diet of a sort of meal and tea.

Mrs. Williams wrote of her trip in letters back home. They were published in the Lansing, Mich., State Journal. She found Nigerian women very active, more educated than women in the other countries. "There are countless clubs and women's meetings (in Nigeria), and they are a force politically."
She found intense interest in education throughout Africa, and wrote:

"I sometimes feel ashamed that our American children do not appreciate their opportunities and I wish they could see the eagerness in these people to whom education has been denied."
The need for educating women is great, Mrs. Williams says. "The opposition to this comes in part from their own men who are accustomed to having the women stay home to do all the work. This is quite a fantastic situation as the women are really like beasts of burden in many areas and the man supervises from the sidelines."
In Tanganyika the wife of the chief minister was so determined to get an education, she walked three miles each day to Maryknoll sisters and begged to be taught."

The constant problem in Mogadiscio, Somalia, she wrote, is water, which was brought in by trucks. "Obviously it is never wasted, and I almost felt guilty when I took a bath."
The Williamses bought mementoes of native craft from each country and are finding places for ivory carvings and masks in their new home in the Georgetown section of Washington. Mrs. Williams has been dividing her time between Washington and Lansing, where daughters Nancy, 17, and Wendy, 15, are in school. Son Gery, 19, is in college.

Mrs. Williams bought five new sheath dresses of assorted colors at \$11.98 each to augment her wardrobe for the African trip.
One of the first things she did when she returned was "get my clothes in order" for another trip when it came. "So I could take off at the drop of a hat."

Hereford Redbirds Fly Past Childress Here Sunday, 9-3

The high-flying Hereford Redbirds slammed 13 hits against Childress to win a conference tilt 9-3. Richard Casas went the route on the mound for Hereford, giving up six hits and striking out six batters.

David Lipscomb

Program Given By Audiologist At Lions Meet

David Lipscomb, audiologist for Amarillo Regional Hearing and Speech Foundation, presented the program at the noon meeting of Hereford Lions Club last Wednesday in the ballroom of Jim Hill Hotel.

Lipscomb, a faculty member at West Texas State College in Canyon, showed a movie in connection with his program. The movie showed ways that children with hearing and speech handicaps are trained to help overcome their difficulties.

The Foundation, the speaker said, has three main purposes: to provide diagnostic services, to serve as a pre-school training center, and to provide speech correction training for the hard of hearing.

Nationally, Lipscomb said, one of every 10 individuals has a hearing problem. "This is something that is with us," he explained. He added that the Lions Club has made a high impact by supporting the Foundation.

Outdoor Theater Group To Meet

The constitution for the Symphonic Drama project will be presented for consideration at a meeting Sunday, July 9, in the Branding Iron Theater on the campus of West Texas State College at 3 p.m.

Robert Nail, writer-producer of FANDANGLE, the outdoor show which has run for many years in Albany, Tex., will discuss "Recruits and Rewards in Outdoor Spectaculars."

Mrs. Ples Harper, president of Symphonic Drama, reports that Paul Green has agreed to see that a suitable script is provided to depict the history and drama of the Panhandle area. She further said that one reason the canyons are so suited for a project of this kind is because the people of the area are closer to the past because the past is closer to the surface in the canyons than in almost anywhere in the United States.

At the present time Mr. Green has not decided upon a period of time to be depicted in the drama. He is doing a great deal of research and will gladly listen to suggestions.

The project will be financed by a Founder's Week ticket sale. During this week there will be at least five festival nights when tickets will sell for

against Childress to win a conference tilt 9-3. Richard Casas went the route on the mound for Hereford, giving up six hits and striking out six batters.

Casas collected his third win of the season against no losses. The hurling ace had a good day at the plate also with a double and two singles in three official times at bat.

Teddy Barnes was the losing pitcher. He struck out four batters and failed to give up a

NEW HAZARD
CLEVELAND, Tenn. — Piano tuner Richard Burger, 25, discovered a new hazard for his profession when a golf ball exploded in his face. Burger found the ball in an upright piano he was repairing. It blew up when he lifted it. Burger, who said he had no idea how long the ball had been in the piano, was treated at a hospital for face and eye injuries.

as much as one hundred dollars. A sell-out of these Founder's Week tickets could finance the project and later the average ticket price would be about \$2.50.

Everyone who invests \$12.50 or more will be a charter member of the Association and will be listed as one of the Pioneer supporters of the plan.

base on balls. The Redbirds made three errors in the Sunday game as compared with nine miscues made in the Tascosa contest Friday which the local nine dropped 6-5.

Hereford jumped to a 1-0 lead in the third inning when they scored three runs on three hits. Casas led off with a double and Ronnie Nelson followed with a single. Nelson got on first after an infield error, scoring Casas and Duncan.

Centerfielder Jack Petty blasted a timely double to score Barnes and Hamm. Wayne Havens followed with a two-bagger to push Petty across with the third run.

Leading 5-3 in the bottom of the fifth, the Redbirds tallied two runs on two hits. Dan McDowell tripled and scored on Hale's single. Rightfielder Jim Hamm promptly blasted another triple to send Hale home.

Joe Mack Hale singled to score Nelson and Barnes bore down to strike out the next man and retire the side.

While holding the Childress team scoreless, the Hereford

nine edged further ahead in their half of the fourth. Johnny Willoughby, second baseman, doubled, stole third and scored on Casas' single.

Three hits and two Hereford errors enabled Childress to break into the scoring column in the top of the fifth. Barnes got on after an outfield error. Jim Hamm, first baseman, singled and advanced on an error.

Centerfielder Jack Petty blasted a timely double to score Barnes and Hamm. Wayne Havens followed with a two-bagger to push Petty across with the third run.

Leading 5-3 in the bottom of the fifth, the Redbirds tallied two runs on two hits. Dan McDowell tripled and scored on Hale's single. Rightfielder Jim Hamm promptly blasted another triple to send Hale home.

Haney was tagged out at the plate on Willoughby's infield grounder. Willoughby was

stranded on third base as Childress retired the side.

The only Childress hit in the last four frames came in the top of the sixth when pitcher Barnes singled with two outs. A fly ball was successfully handled by the Redbird second baseman to retire the side. Childress was unable to score during the remainder of the game.

Nelson scored his third run of the game in the sixth as he got to first on an error and scored on Loerwald's double.

The Redbirds added a final tally in the eighth as Mickey Stevens singled, stole second and scored on Duncan's single.

Havens was a standout at the plate for Childress with two doubles in three official times at bat. In addition to Casas' three hits, Duncan, Loerwald, and Hale had two hits each.

Nazareth provides Hereford's final conference competition on Saturday, July 8, at 2:30 p.m. in Nazareth.

E. W. Soloman Family Visits

Visitors in Hereford recently included Mr. and Mrs. E. W. Soloman Jr. and their two-year-old son, Matthew. They have returned to their home in Wurtsboro, N. Y., after visiting here with his mother, Mrs. E. W. Soloman Sr.; his brother, Garland Soloman and family; and his sister, Mrs. Bill Stanford and family.

Soloman is pastor of the Dutch Reformed Church in America at Wurtsboro. He is a graduate of Hereford High School, and of Bob Jones University in Greenville, S. C. He attended Asbury Seminary in Wilmore, Ky., for one year.

Soloman now is a senior at the Biblical Seminary in New York City. Besides his pastoral duties, he has worked for several summers at Jubilee Ranch, a Christian camp.

Mrs. Soloman will accompany her son and family home to spend the summer with them in New York.

MRS. CHARLES FILLPOT IS THE FORMER Miss Pat Hollenstein. The 1960 graduate of Hereford High School is now living with her husband in Amarillo, where they were married on March 24. (Personal Photo)

Jack Rogers On Dallas Opera's Regional Group

Jack Rogers of Hereford has been named regional representative of the Dallas Civic Opera Guild.

William Reed II, vice president and chairman of the regional committee, made the announcement in Dallas last week.

Rogers will act as liaison for the Guild and disseminate information about the Dallas Civic Opera's 1961 season. He will make arrangements for speakers from the DCO's roster of personalities - to address interested groups in the Hereford area, such meetings requiring a minimum of 30 persons in attendance.

"We are honored that a person of Mr. Rogers' standing will be representing our great Southwest civic institution in the Hereford area," Reed said upon receiving Rogers' acceptance as regional representative.

Of the DCO's two season subscription plans, the Series "B" offers out-of-town audience members the opportunity to see a performance of each of the three scheduled operas on successive weekends.

This series offers "La Boheme," starring Italian soprano Ilva Ligabue, on Sunday matinee, November 5; French diva Denise Duval in her American debut in "Thais" on Sunday matinee, November 12, and the return of Australian prima donna Joan Sutherland in "Lucia di Lammermoor" on Saturday evening, November 18.

HORSE AND BUGGY BOOTLEGGERS

CLEVELAND, Tenn. (AP)—Most Tennessee moonshiners deliver their illicit wares in cars with plenty of horsepower so they can outrun police in a pinch. But in Ellis Harris' case, he had the horsepower and police had the pinch. Harris was arrested on charges of delivering bootleg liquor in a horse and wagon.

LET'S COOK SOMETHING!

Stuffed Squash Among Many Tasty Dishes From Lebanon

(Editor's Note: This article was prepared by Mrs. James McAndrews, who has coordinated activities between the County Program Planning Council and the Hereford school dietitian. During the school year, new foods from other countries are introduced to the students in this manner.)

Lebanon is a country of the middle East which, in physical character, resembles our neighboring state of New Mexico. It is "high mountain country" and these mountains are responsible in many ways for the culture of the Lebanese people.

Lebanon was one of the first countries visited by the Apostles and they have retained their Christian beliefs to this day, although the surrounding countries of Egypt and Syria, once Christian, are now Mohammedan. They have clung to their culture in many ways so that they are truly unique in their part of the world.

Not the least of the ways in which this is shown is by their use of various ingredients to make up a most varied and healthful and delicious diet.

SANUBAR is the Arabic name for pine nuts. Many of us are familiar with these delicious little seeds, having tasted them in New Mexico where they are known as pinon nuts. LABAN is known to us as yogurt. BURGAL, a vital ingredient of many dishes, is whole wheat, boiled, dried and then ground. One of the recipes which follows is an adaptation of a Lebanese salad, utilizing the ground wheat cereal produced in Deaf Smith County.

Mrs. Ted Dakil, a native of Lebanon and the mother of three young children, offered a wide selection of Lebanese recipes. We have selected those which are easily prepared, authentic in tone and made up of ingredients which are in abundance at this time of year.

The first recipe is called KUSHA MIESHEE (Stuffed Squash). The small yellow summer squash are piled bushel high in the stores and fruit markets and this recipe is a fine way to make use of this vegetable.

Scrub and clean 10 small squash. Remove neck and hollow out base until thin, smooth shell is formed. (It should look like a little boat.) Rinse. Wash 1/2 cup raw rice and mix with 1/4 cup butter and 2 cups finely cubed beef. (NOT hamburger. A good meat to dice is minute steak. It is easy to cut in small cubes and that is what this recipe demands.) Season with 1 tsp. salt, 1/4 tsp. each of pepper and cinnamon. Loosely stuff each squash about 3/4 full. Crumple foil on the bottom of a pan to keep the bottom of the squash from burning. Place squash on top. Add one No. 303 can of tomatoes and 1 small can of tomato sauce. Fill the pan almost to the top with water. Cover and bring to a boil. Lower heat and simmer one and one quarter hours. Lift out squash and drain; serve dry with tomato sauce on the side.

If this is to serve as your main dish, the following salad would be very good with it. It is the one in which the wheat cereal produced by the Arrowhead Mills is used.

Soak 1/2 cup wheat cereal for about two and one-half hours or until tender. While soaking prepare the following vegetables: tomatoes, green peppers, celery, green onions, radishes, cucumbers and parsley. Add just enough lettuce to serve as another ingredient, but don't let it dominate this salad as in a tossed green salad. As a dressing, make a French type dressing of oil and lemon juice. Mrs. Dakil said the oil SHOULD be olive oil if at all possible. To the dressing add salt, pepper and some crumbled dry mint

COFFEE COOLER
LITTLE ROCK, Ark. (AP)—Dr. Roy W. Carlson, a physicist and engineer, says your coffee will cool faster if you let it stand a few minutes before adding cream.

Dr. Carlson says this is why:
1. Before the cream is added, the coffee is cooling from a higher temperature and hence faster.

2. The coffee is darker in color without the cream and therefore radiates heat faster.

3. Adding the cream, with its fat molecules, slows the evaporation of the water in the coffee.

Dr. Carlson, whose home is Berkeley, Calif., was here as a consulting engineer.

He has a hobby of applying physics to everyday life—for example, how to cool coffee faster.

MRS. TED DAKIL, WHO MOVED to Hereford in January of this year, shares an unusual squash treat with her brother, George Razook of San Paulo, Brazil. Razook, an outstanding building contractor,

is spending a few weeks in Hereford with the Dakils. These natives of Lebanon are contributing many interesting ideas to our community. (Staff Photo)

leaves, or if you have the fresh ones in your garden so much the better. Chill her chopped vegetables until ready to serve and then toss with the dressing. At the last moment, squeeze all the water out of the soaked wheat and sprinkle it over the salad. This gives the salad a very good flavor and a different texture. Our children liked it very much. When one considers the vitamins added to a salad in such a simple manner, we are inclined to think, why didn't we do this before?

This next recipe is a first cousin to an old American favorite. We are all fond of cucumbers with onions and sour cream. The calories in this dish are quite formidable, but is — SO GOOD! This recipe is just as

good, but because yogurt is substituted for sour cream even the person on a diet can eat it in good conscience.

SALAD WITH LABAN: Peel two cucumbers and cut them into rounds. Pound 1 clove of garlic with salt, adding to it some dry mint leaves. Add 1 pint laban (yogurt) to this garlic and mix well. Add the cucumber and serve. If you do not care for garlic, onions could be substituted.

The last recipe is one using okra, a most popular vegetable at this time of the year. The okra is cooked without chopping or breaking so it has a different texture than many of our dishes using this vegetable.

OKRA WITH OLIVE OIL
Wash and cut stems of 3 lbs. of okra. Fry in olive oil until they are medium brown and lift them from pan. Then fry onions in the oil until they are a golden brown. Add powdered garlic or garlic salt to taste. Put the okra and 1 No. 2 can of tomato juice with about three cups of water in a pan and add pepper and a little more salt. Cook about twenty minutes until the liquid is slightly thick.

The above recipes should serve to vary your summer menu and none of them are so very different that they would be unappealing to your family, but they all do have some distinction that helps us to feel we are still traveling around the world by way of the dinner table.

"MISTY" RUNS OFF WITH FAMILY MEDAL;

Two children with a pony each make a doubly appealing story, especially since it is based on Marguerite Henry's classic and on true incidents in an American rural community—the island of Chicoteague off the coast of Virginia. Each spring the wild ponies on a neighboring island are rounded up by the Volunteer Fire Department and the foals sold at auction. How Paul (David Ladd) and his sister (Pam Smith) find a way through spunk and hard work to buy Misty and her mother, Phantom, is humorously and affectionately told. (1961 C. Post)

A RACING TREND
LOUISVILLE, Ky. (AP)—The practice of giving race horses two names is gaining in popularity, if the Kentucky Derby is any indication.
The last five winners, including Carry Back, have had double names. Before the string started with Iron Leige in 1957, the count was 43 winners with one name, 37 with two (including Macbeth II in 1888 and Typhoon II in 1897.) and two with three. The winners with three names were Alan-a-dale in 1902 and Clyde Van Dusen in 1929.

WESTWAY NEWS

Wheat Harvesting Ends, Vegetable Work Starts

by MRS. GEORGE ZETZSCHE
Wheat harvesting in the community is practically completed and the farmers with vegetables are busy harvesting and getting ready to harvest the onions and potatoes.

Visiting in the Rob Groves home Sunday a week ago were Mrs. Groves' parents, Mr. and Mrs. Vance Johnson and Judith, Groves' mother, Mrs. Paul Groves, of Stinnett, Mr. and Mrs. Jack Wilson of Canyon and Mr. and Mrs. V. J. Duncan, Jr. of Lubbock.

Mr. and Mrs. Jere Lawrence, Jay and Kyle of Sweetwater and Mr. and Mrs. U. S. Aken of Friona visited Wednesday in the Roland Hairgrove home. Mrs. Lawrence and Mrs. Hairgrove are sisters and the Aken's are their parents.

Mr. and Mrs. Vernon Wilson, Wesley, Rodney and Mike of Pampa spent the weekend in the home of Wilson's parents, the E. L. Wilsons. Rodney and Mike stayed for a longer visit with their grandparents. The Glen Wilson family and Edana and Joan Hopson, of Hereford, were also dinner guests in the R. L. Wilson home, Sunday.

Ann and Cay Zetzsche spent Monday and Tuesday visiting their grandparents, the Owen Andrews, in the Frio community.

Mr. and Mrs. Earl DeHart and Mrs. DeHart's parents, Mr. and Mrs. Walter E. Robinson, and her brother and his wife, Mr. and Mrs. Glen Robinson, were in Olustree, Okla. Sunday to attend the Golden Wedding anniversary celebration of Mrs. DeHart's aunt and uncle, Mr. and Mrs. W. A. Moreau.

Mesdames Louie Olson, P.M. Houser, Paul Corbett, Pat Robinson, Edri DeHart, J. T. Richardson, Clinton Jackson and Ralph Packard met Tuesday morning in the home of Mrs. George Parker to help her celebrate her birthday.

Mrs. L. W. Norvell visited Friday morning with Mrs. T. L. Bryant in Hereford.

Mr. and Mrs. Bob Mulharen and family of Amarillo visited Sunday with Mrs. Mulharen's

uncle, John Kalka. Mr. and Mrs. Emmitt Marcum and son of Hominy Okla., visited from Saturday until Wednesday in the home of Marcum's sister, the Everett McIntoshes.

Mr. and Mrs. J. B. Zetzsche of Bowie visited Wednesday afternoon and Thursday in the home of their son and family, the George Zetzsches.

Mr. and Mrs. George Terry and Mr. and Mrs. Bruce Terry of Hereford were at the Kenneth DeHart home Sunday evening for a hamburger and ice cream supper.

Mr. and Mrs. L. W. Norvell, accompanied by Mr. and Mrs. Melvin Howard and Ronda, Mr. and Mrs. J. A. Norvell and Becky Hall of Vega, attended funeral services in Anton Tuesday morning for B. L. Jackson.

Joyce Cooper accompanied the Emmitt Johnsons to the rodeo in Hereford recently.

Mr. and Mrs. Bud McIntosh and family of Santa Ana, Cal., left for their home Thursday after spending two weeks visiting in the home of McIntoshes parents, the Everett McIntoshes.

Mr. and Mrs. Bill Roberts, Kathy, Jerry and Sue Gail visited Sunday, Father's Day, in the home of Mrs. Roberts' parents, Mr. and Mrs. A. J. Smyth, in Hart. Jerry Roberts went with Mrs. Roberts' brother and his family, the A. F. Smyths, to their home in Olton to visit a few days while Martha and Sarah Smyth, daughters of the A. F. Smyths returned with the Roberts to visit.

Roberts' mother, Mrs. Buena Roberts of Plainview, visited Saturday afternoon with the Bill Roberts' family.

Sunday the A. F. Smyths brought Jerry home and their daughters returned home with them. Also visiting in the Roberts' home Sunday were Mr. and Mrs. Lloyd Rector and family of Friona.

Sue Gail Roberts went home with the A. F. Smyth family Sunday and stayed until her mother went for her Friday. Kathy Roberts went Friday to visit with her aunt, Miss Kathryn

Smyth, in Lubbock and plans to visit until Tuesday.

The W. C. Meharg family and James Braly of Hereford and the W. G. Frank family were at Buffalo Lake Sunday where they had a picnic lunch and they water skied during the afternoon.

Mr. and Mrs. W. E. Combs of Plainview and Don Combs and daughter, Lu Ann of Munday, spent Tuesday in the Elmer Combs home. They visited Wednesday with the Cliff Combs family.

Mr. and Mrs. Raymond Bearden of Plains spent the weekend in the Everett McIntosh home.

Tilford Norvell went to Vega Tuesday afternoon to spend several days with the Melvin Howard family.

Mr. and Mrs. George Zetzsche, Ann and Cay and Mr. and Mrs. Herb Schmidt and Tommy visited Sunday afternoon in the home of Mr. and Mrs. Leonard Schmidt, Brent and Sheryl near Dawn.

About 11 members of the Rural Home Variety Club met for a salad luncheon Thursday in the home of Mrs. Jack Williams.

Mr. and Mrs. Elmer Combs and Eugene Combs spent last weekend in Plainview visiting with Mr. Elmer Combs' parents, Mr. and Mrs. W. E. Combs, and with Mrs. Combs' father, Bert O'Conner. Mrs. Eugene Combs accompanied her father, Johnnie Townsend of Hereford, to Winters to get Mrs. Townsend who has been visiting there. They met the Combs in Plainview Sunday afternoon and Mrs. Combs returned home with her husband and the El-

FOR ATHLETE'S FOOT
Use instant-drying T-4-L for 3 to 5 days. Watch fresh, healthy skin replace the infection. Ease aching, swelling, prespiring in the 66 joints of the feet by bathing them with T-4-L twice daily. If not surprised and pleased, your 48c back from any drug Store.

WESTERN HATS AND CLOTHES were donned by these two foreign exchange students during their Hereford visit. Pictured at the picnic are Miss Katrin Schreve from Germany, left, and Miss Antoinette Vanriet from the Netherlands. Both were guests in the Jack Renfro home. (Staff Photo)

OOPSI WHO KICKED WHO? Two foreign exchange students clash in their efforts to kick a soccer ball. The male members of the visiting group squared off in a soccer match in the high school yard after eating lunch. (Staff Photo)

mer Combs. Mrs. Grady Cates and Shirley June of Hereford and Mr. and Mrs. Cliff Combs and Dwa in were in Happy Sunday to visit with Mrs. Combs' brother and his wife, Mr. and Mrs. Sammy Cates. Mrs. Alice Cooper and Joyce and John Kalka moved last week into their new home which is located just west of the house in which they were living.

HONOR ROLL
Miss Linda Hair, daughter of Mr. and Mrs. W. R. Hair of Hereford, was named to the Hardin - Simmons University honor roll.

Fifty - seven made the honor roll with a grade point average of 3.58 or better out of a possible 4 points.

Miss Hair was valedictorian of the 1959 Hereford High School graduating class.

UT HONOR
Earl Duwayne Wallace of Hereford was one of 88 students of the University of Texas College of Pharmacy to be named to the spring semester honor roll.

MUSIC CLUB MEETS
The Harmony Music club met in the home of Mrs. Henry Kinsfather on Monday. The group heard a paper on European composers read by Mrs. Henry Turner. Several members gave piano selections. Attending the meeting were Mesdames Henry Turner, U. V. Pierce, Sam Long, Albert Fickerts, Frank Ford, Joe Curtin-ger and Kinsfather.

4-H WORKSHOP
The Caprock 4-H Club met in Adrian School for a sewing workshop last week. Junior leader, Glenda Hornfeld conducted a beginning class with Kathy Garrison and Gay Belle Brothers attending.

Mrs. C. F. Hornfeld and Mrs. R. M. Grulhkey are conducting a class for two older members, Rita Speed and Gale Grulhkey.

STATELY PRANK
DES MOINES - "For sale" signs appeared on the lawn of a stately residence here but state officials said it was only a prank. The Governor's Mansion, they said, is definitely not for sale.

ETERNAL LIFE THROUGH JESUS CHRIST

Say "I'm Sorry"

... then bridle your tongue and have a reconciliation. How foolish, how petty, are attitudes which wreck affection and devotion. Hasty words, misunderstanding, false pride, do great harm. Have you been at odds with a friend, one you love, with anybody? That is a delicate and difficult situation. The wedding ceremony is not enough. Even love is inadequate. *There must be mutual effort and determined purpose.* By their very nature men and women are different. They never see eye-to-eye. But God gave us the institution of marriage and He will help break barriers which separate us when we seek His will. Then, marriage will succeed and each will be proud of the other *just because you are so different.* A forgiving spirit and a love gift will symbolize your penitence... go to church together. It will help you to say, "I'm Sorry."

You In The Church
The Church in You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker and attend services regularly.

REP. WALTER ROGERS WRITES

Resolution Requests Group To Study Sugar Problems

TO THE PEOPLE OF THE 18TH DISTRICT:

Last week I introduced H. Res. 364. This Resolution calls for the creation of a Select Committee of nine Members of the House of Representatives to conduct an investigation of the sugar problem.

I had hoped that this would not be necessary, but after patiently watching blocking tactics after blocking tactics employed by the sugar interests who now have a strangle hold on this part of our economy, I concluded that the American people were going to be robbed of the facts and the American farmer of his right to produce sugar unless exceptional action was resorted to.

Obtaining passage of this Resolution will be no small task. The present powerful sugar interests will resort to every possible device to continue their control of this lucrative business. Although the American farmer can produce more than enough sugar to meet the demands of this country, these sugar interests are so powerful that they are forcing the importation of 45 percent of our domestic needs, or approximately 4.5 million tons. At five cents a pound, that would amount to \$450 million, which explains the jealousy with which this control is guarded.

Until this year, Cuba was providing approximately three million tons, of the approximate value of \$300 million. This was taken away from Cuba, but the sugar interests in control blocked the assignment of any of it to the American farmers; farmers who have been bitterly assailed as recipients of Federal subsidies, yet who are denied by law the right and the opportunity to produce a product which can be produced in abundance. The requirement that this country import 45 percent

of a product that can be produced in abundance by loyal, patriotic American citizens, cannot be justified.

The American people have been misled to believe that the sugar problem is somewhat akin to the Einstein theory, thermo-nuclear energy, or cancer research, insofar as complexities are involved. The sugar interests would lead you to believe that it is a problem of such vast complications that it can only be understood by a scientist. I would warn you that the only science involved in the sugar problem is the science of a few monopolists lining their pockets with gold at the expense of the American farmer.

As I said, obtaining passage of H. Res. 364 will not be a simple task. But I would venture the prediction that if this Resolution is passed and the full facts surrounding the sugar transactions during the past several years are made public, it will produce a rather sordid picture.

VISITORS

The tourist season is in full bloom in the Nation's Capital, and seems to grow more each day. On June 27th the record for visitors at the White House was broken. On that day, 13,595 people walked through the President's home. I am sure that records have been broken at many other places of interest here in Washington, but very few of them keep registers or counts. The automobiles on the streets and highways reflect license plates from all of the 50 states, and many foreign countries. The need for extreme care on the part of those familiar with Washington driving is most important at this time of year. Washington is not an easy city in which to drive under ordinary circumstances.

A visitor who gets caught in the rush hour traffic would do well to pull in somewhere and wait out the danger. Many visitors who have been here before come back by plane or by train and do their travelling by taxicab. Many come by chartered bus and leave all of the headaches and worries to the driver. We had a most pleasant surprise when a busload of Lions (International, that is) who had attended a convention at Atlantic City came back through Washington and called us. We had a wonderful visit with a great bunch, whose names are as follows:

Mr. and Mrs. John Kidwell of Stratford; Mr. and Mrs. Steve Messenger of Friona; Mr. and Mrs. Orby A. Hensley, Mr. and Mrs. W. H. Boyston, Mr. and Mrs. John Vantine, and Mr. Isham R. Bynum of Amarillo; Mr. and Mrs. W. O. Shelton of Hereford; Dr. and Mrs. Floyd Ulrich of White Deer; Mr. and Mrs. Ralph Thomas, Henry L. Kinnison and Mr. and Mrs. Joe Tooley of Pampa; Mr. and Mrs. John J. Archer of Lufkin; Mr. and Mrs. Henry L. Kuhrt and Mr. and Mrs. Howard B. Long of Phillips; and Mr. and Mrs. R. C. Moore of Borger.

Other visitors last week included: Mr. A. R. Watson, Mrs. W. L. Pearson, Mr. and Mrs. Gerald D. Brown and their children Gerald and Priscilla, all from Amarillo; Mrs. Wayne Hutchison and her son John of Spearman; and Mr. and Mrs. E. E. Gerhardt from Borger, with their children Janice, Robert, and Catherine.

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

No other wagon can match Ford's features (or popularity!)

There's a whole wagonload of Ford features that only America's station wagon specialists can bring you. First, there's more room. Ford's extended load deck is the longest and widest in its field. The tailgate opening is seven inches wider than last year, too. There's more convenience. You can have an electrically controlled roll-down rear window in any Ford wagon. . . it's standard in all Country Squires and 9-Passenger Country Sedans. In their field, only Ford wagons

have all seats facing forward. There's more distinction. The Country Squire (shown above) is the one and only wagon in its field with body panels that look like mahogany, wear like steel. There are more savings, too. Ford's Ranch Wagon is America's lowest-priced,* full-size wagon. And like all Fords, every Ford wagon is built to be more service-free: goes 30,000 miles between chassis lubrications, 4,000 miles between oil changes, brakes ad-

just automatically, mufflers are made to last three times as long as ordinary mufflers, and the finish never needs waxing. STOP putting off that station wagon you've always wanted. SWAP for a '61 Ford wagon now while your Ford Dealer's celebrating record-breaking sales. SAVE with the wagon America loves most . . . made by FORD . . . America's station wagon specialists for 32 years!

*Based on a comparison of manufacturers' suggested retail delivered prices

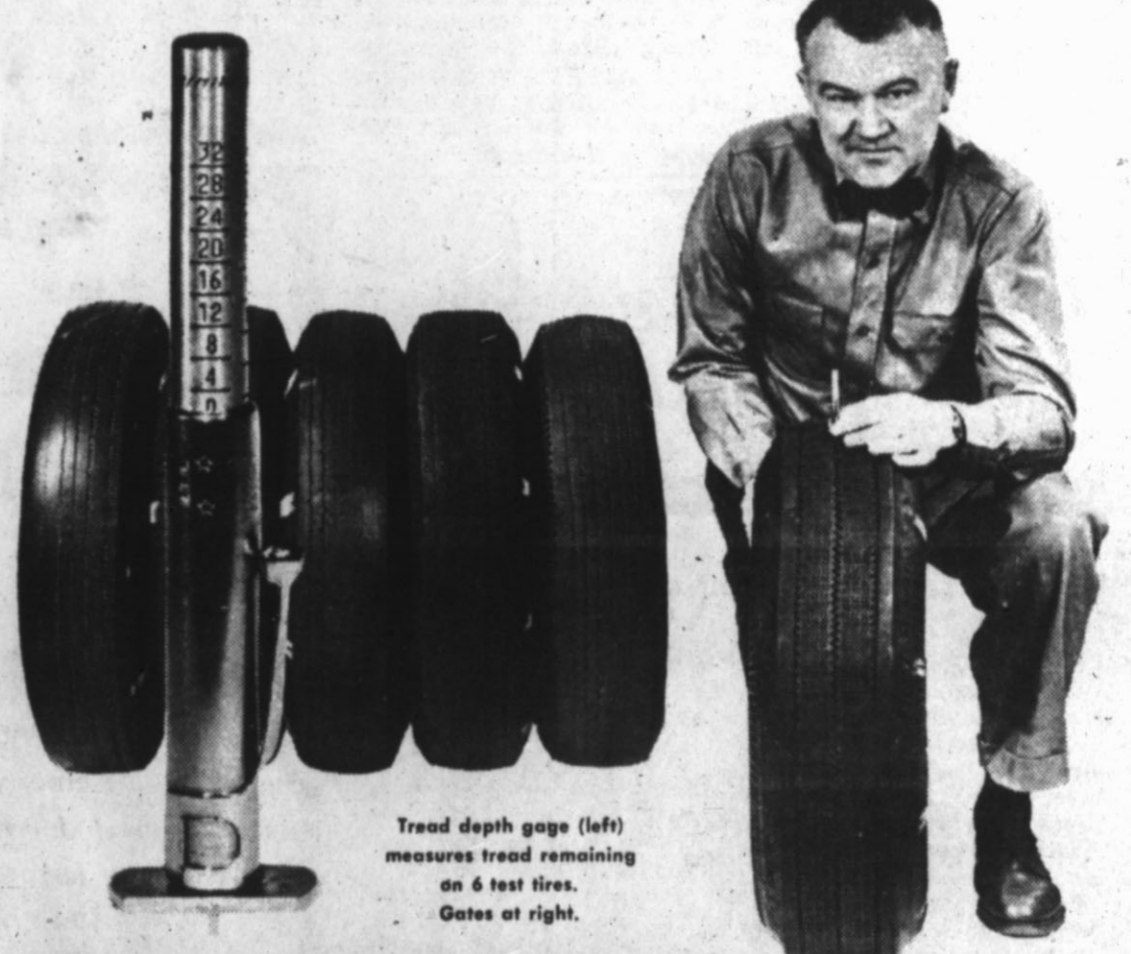

Today is the day to STOP...SWAP...SAVE

PROOF!

Gates revolutionary Low Profile Tire outwears 5 other leading brands... cuts mileage costs 25%

These six leading 1st line tires were run the same miles on the same cars by an independent test fleet.* Only Gates Air-Float Deluxe Tire still had 25% to 30% more miles of tread left at the end of the test! All together 10 million miles of road tests prove Gates nylon goes as far for 75¢ as other tires go for \$1—a clear saving to you of 25% of your tire dollars.

Here's why this tire gives you bonus miles: Low profile design is more nearly the running shape of a tire. That reduces sidewall flexing and heat build-up; reduces tread scuffing, lengthens tire life.

*South Texas Tire Test Fleet, Inc.

SPECIAL:

Gates 50th Anniversary Offer for Limited Time...

FREE REPLACEMENT GUARANTEE!

Under this guarantee, never before offered on a 1st line tire, you get a new tire free if this super-strong Air-Float Deluxe fails in any way during 1st year or during 1st 50% of tread depth. This special, extra guarantee covers blowouts, bruises, rim-cuts, etc. If tire should fail AFTER 1st year or 1st half of tread depth you get a new tire with full credit for unused mileage based on Gates Standard Suggested Exchange Price Schedule.

Safe tires at a Saving!

New Building Will Offer Lesson In Texas History

BY VERN SANFORD
AUSTIN — Within a few weeks the tourists and school children who flock to Austin will be able to get a lesson in Texas history by visiting the most beautiful of all the new buildings on the state capitol grounds.

It is the State Library and Archives Building, now nearing completion on a site directly east of the Capitol. For many years history-minded Texans decried the fact that the priceless early documents of the state had no real home. Finally these documents were moved from a mouldy basement to a Quonset hut. There many feared for their safety.

Now, the new edifice provides the state's historic documents with a magnificent home. In addition there are quarters for the State Library and the General Land Office.

More interesting to the visitor will be the way in which Texas history is dramatized in the architectural decor of the building. On each side of the entrance are six large flagpoles. From them will fly the flags of the nations which have ruled Texas — France, Spain, Mexico, the Republic of Texas, the Confederate States of America and the United States.

Embedded in the stone of the front are bright-colored mosaic shields. These also represent the same six nations. Smaller bronze emblems decorate the heavy metal doors at the front. Across the back of the structure, even larger shields, bearing the six nations' seals in colored ceramics, are mounted on the face of the building.

Pink granite, the "official" stone for state buildings, is used for the entire exterior. Carved in the granite across the left front are these words:

"The People of Texas do now constitute a free, sovereign and independent republic and . . .

we fearlessly and confidently commit the issue to the decision of the Supreme Arbitrer of the destinies of nations." (Texas Declaration of Independence, 1836)

On the right front side is carved: "All political power is inherent in the people and all free governments are founded on their authority and instituted for their benefit." (First Constitution of Texas, 1845.)

Although the building has four floors, there are seven "stack floors" where the building is divided for storage of books and documents.

One end of the main floor will be devoted to the library. There you will find a charge desk and a large reading room.

Another large room will house the archives. In it there will be large work rooms where researchers may look at old papers.

Land Office. To be on the third and fourth floors, will have a separate entrance at the south end of the building. (Building faces west.)

First floor lobby, like the Capitol rotunda, will be a Texas showcase. In its terrazzo floor is the familiar wreath and star emblem of Texas. Main walls are polished granite and upper wall is sandstone. Above the center of the area is a huge, spectacular oval light fixture of red, white and blue colored glass in a sunburst design with a border of 50 stars.

Museum cases, recessed and lighted, are built into the walls around the lobby. Opposite the lobby entrance is a large bronze screen with 15 blocks on which are wrought designs that present a panorama of Texas development. There's an Indian with tomahawk, branding irons, dueling pistols, the first Capitol (a small frame house), an early locomotive, and a windmill on the prairie. Last block shows a gushing oil well.

Building of the State Library and Archives Building was authorized by the Legislature in 1957 with an appropriation of \$2,500,000. Project has been carried through by the State Building Commission for which E. E. McAdams is chairman and Gov. Price Daniel and Atty. Gen. Will Wilson are members. Admiral H. R. Nieman is director of the Building Commission.

State Archives Building is the fourth of the new edifices erected since the building program began in 1957. It is neither the largest nor the most expensive, but because of the historical designs, it is attracting the most attention. Those who have had an advance peek believe that it will, as intended, be a fitting residence for the heritage of Texas' 125 years.

TOLEDO BEND DAM STUDIED — Texas Water Development Board has given tentative approval to a \$15,000,000 state

loan for the building of a \$60,000,000 Toledo Bend Dam on the Sabine River.

The dam will create the largest man-made lake in the south and supply water and power for residents of both Southeast Texas and Louisiana.

One of the first obstacles to be faced is obtaining a permit from the State Board of Water Engineers. In this, the Sabine River Authority is opposed by the owners of timberland which would be flooded by the reservoir.

Louisiana will be a partner in the project, if it materializes. Louisiana voters already have approved a \$15,000,000 loan to meet its share of the cost.

END OF AN ERA — One of the most colorful and controversial names passed from the scene with the death of Mrs. Miriam A. Ferguson.

Though she preferred house-keeping and flower raising, Mrs. Ferguson was the first and only woman governor of Texas. Also one of the only two women governors ever to be elected in the nation.

Beginning of the "Ferguson era" was in 1914 when her husband, Jim Ferguson, was elected governor, as the champion of the Texas tenant farmer. He was re-elected in 1916 but im-

peached in 1917.

In 1924 Mrs. Ferguson ran for governor, with the announced purpose of clearing her husband's name. She was elected in 1924, defeated for re-election in 1926, but won another term in 1932.

With her to the last was the nickname she disliked — "Ma." Her husband (who died in 1944) was known as "Pa" or "Farmer Jim."

RATE INCREASE EXPLAINED — Texans who are irked at the prospect of an auto insurance rate increase should take note that they've had a year's reprieve since the increase was indicated, says the Insurance Board chairman.

Claim costs indicated that a rate increase was justified last year, says Chairman Tom Ferguson, but the Board postponed making it because the safe driving plan had just gone into effect.

In that 12-month interval, said Ferguson, drivers actually have paid \$20,000,000 less in insurance premiums than cost figures show they should have. As a consequence, he said, companies absorbed a \$20,000,000 deficit.

LAST ROUND — Legislators waxed both heated and hopeful in the last round of public hearings before the committee appointed by Governor Daniel to

study all tax plans and suggest a compromise.

Committee, mostly made up of board chairmen of state agencies, is to select ideas or merge them into a recommendation to be offered at its final meeting July 6 and 7. Special session to enact a tax plan begins July 10.

Rep. Reed Quilliam of Lubbock said he felt the people should see clearly what their choices are — a sales tax, income tax or sharp reduction in state services.

Rep. Charles N. Wilson of Trinity and Maco Stewart of Galveston suggested a plan that would combine a 2 per cent general sales tax, with exemptions, and a 6 per cent corporation profits tax.

Sen. Grady Hazlewood of Amarillo apparently favored a sales tax. He told the committee

he thought the governor had been asleep, Rip Van Winkle fashion, since 1939 when Governor Daniel, then a House member, was one of the "Immortal 56" who blocked a sales tax. Hazlewood pointed out that the state has had a population explosion and an 800 per cent increase in cost of government since then.

BUS INQUIRY POSTPONED — An Austin court of inquiry into the prices being paid by the state for school buses has been postponed until July 10.

Atty Gen. Will Wilson called for the inquiry, noting that Texas paid from 10 to 25 per cent more for buses than

some other states. Judge granted the postponement on the defendants' statement that they had not had the required 10-day interval between the issuance of the subpoenas and convening of the inquiry.

GUARDS NEEDED — O. B. Ellis, general manager of the Texas Department of Corrections, reports that the prison system is in urgent need of officers.

Physically fit men 21 to 55 years of age are desired. They must have a 10th grade education at the minimum.

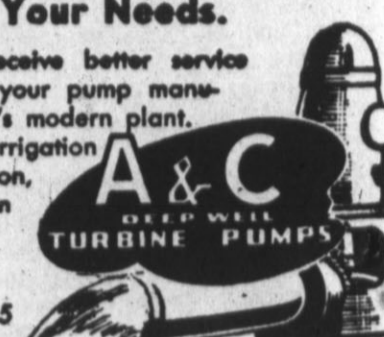

J. N. Crawford Jr., at the Huntsville prison, is in charge of hiring.

College Station Group Visits Here On Friday

BY ARGEN DRAPER
Friday of last week was spent in the office with four staff members from College Station. Those who were here included Mrs. Gladys Martin, State Home Demonstration Agent; V. G. Young, State Agricultural Agent; Miss Edith Lois Wilson, District Agent; and W. W. Grisham Jr., District Agent.

All the counties in Texas are being appraised. Two were visited last year and five were appraised in June. The counties appraised were chosen by drawing names. Most of the appraisal was on the work of the County Program Building Committee and its sub-committees.

Mrs. Earl Plank, chairman of the County Program Building Committee, gave a very effective report on the work of the overall committee. Mrs. Dyalitha Benson, chairman of the Family Economic Sub-Committee, gave a report on the committee's work.

The appraisal committee was as interested in the method of the committee functions as it was in the results. Young was very impressed with the letter which the Executive Committee had sent to the committee members. He asked that a copy be sent to his office.

The appraisal committee felt that program building is going forward in Deaf Smith County and accomplishing a great deal. The agents were grateful to these ladies for taking time to come over to the meeting.

Any committee chairman could have done a good job on reporting on activities as the sub-committees are very active. The other chairmen in the county are: Mrs. George Turrentine, Clothing; Mrs. Bess Werner, Foods and Health; Mrs. Lottie Wertemberger, Safety; and Mrs. L. B. Barnett, Windbreak and Landscape.

The leaders in Deaf Smith County are simply tops. Mrs. R. W. Thuet and Mrs. Henry Kinsey gave the slide fastener demonstration at the last meeting of the sewing group. Mrs. Dale Young said that the slide fastener went into her dress perfectly. Those who completed the sewing workshop are: Mrs. V. D. Powell, Mrs. Hilrey Aven, Diana Robinson, Mrs. Tommy Carnahan, Mrs. Jimmy Carnahan, Mrs. Dale Young, Mrs. Lester Sims, Mrs. E. W. Cawthon, Mrs. Bob Philpot, and Mrs. Norman Moore.

Stubble Mulching Practice On Dryland Is Beneficial

Stubble mulching is rapidly becoming one of the most important dryland practices, according to Don Newman of the Hereford Soil Conservation Service office.

This important practice offers an economical and effective method for controlling erosion and dryland part of the Tierra Blanca Soil Conservation District. Stubble mulching means keeping as much plant residue as possible on the soil surface for water erosion. Each farming operation is performed with that objective in mind.

A surface residue established by stubble mulching serves as a water spreading device, intercepts and disperses part of the force of falling raindrops, reduces the surface ve-

locity of the wind, and aids in holding snow on the surface against the force of the wind.

Keeping a residue on the surface presents some problems not encountered when the stubble is worked with a one-way plow. Several years ago the main complaint of stubble mulching was that the heavy residue and weeds made field working conditions difficult. Today, implements have been specifically designed for working in stubble and for weed control.

Large sweeps with coulters in front offers one of the best methods of applying stubble mulching. J. V. Perrin, who farms five miles west of Simms, used 30-inch sweeps on his wheat stubble last year with very good results.

Cost-sharing assistance is available through the ASC office

Mary Ellen Seamands

Hereford Girl Plans To Take European Tour

Miss Mary Ellen Seamands, 147 N. Texas, Hereford, will be part of Loretto Heights College's second annual European tour.

The Hereford girl, together with 30 others, will sail from New York July 21 on the SS AMERICA. Their six-week tour will take them to ten countries, including Ireland, Wales, England, Holland, Germany, Switzerland, Austria, Italy, Monaco and France.

Among the highlights of the trip will be a visit to Blarney Castle, a tour of the Shakespeare Country of England, visits to Buckingham Palace and the Houses of Parliament, a boat trip up the Rhine River, a swim in the Mediterranean, and many more historic sites in Paris, Rome, Lourdes and Versailles.

Loretto Heights College, Denver, Colo., offers three hours of college credit for the course conducted by two faculty members. The credit may be earned in history, humanities or English Literature. The student will take an exam at the end of the trip and keep a notebook

for carrying out stubble mulching. According to the ASC office, if the wheat was grazed this past winter, it could be very hard and a chiseling operation to loosen the soil may be necessary for the first operation. Use sweep type implements for the next operations to be eligible to earn the \$1.25 per acre cost-sharing assistance.

"Stubble mulching is one of the best controls for wind erosion. It makes no difference whether you farm 100 acres or 10,000 — when your land starts blowing across the road, you're taking a loss you can't afford," Newman declared.

HEARING AID FOR FISH

ST. LOUIS (AP) — Larry Totsch, police dispatcher in suburban Overland, draws raised eyebrows when he tells it but he claims this fish story is true: Larry was vacationing this summer with his brother, Chester, who lives in Foley, Ala.

While deep-sea fishing, a woman on the boat hooked a 35-pound mackerel. It struggled so fiercely that she moved to hand the line to one of the men and it wrapped around Chester.

His hearing aid was knocked into the sea and, as it hit the water, another mackerel snapped it up.

The Mobile Hearing Aid Center has posted a \$25 reward for anyone catching a mackerel with a hearing aid inside it.

which the college is furnishing bound with tailor-made guidebook perfectly adapted to the European sites the group will visit.

Mary Ellen, who is enrolled in the nursing program, will return to the Denver campus on Sept. 12. She will fly home from Paris on Aug. 27.

West Hereford HD Club Has Birthday Party

The West Hereford Home Demonstration Club held its annual birthday luncheon in the home of Evelyn Bell recently. After the luncheon Evelyn Bell, the president, opened the meeting with a poem, "To A Real Friend."

Members answered roll call with "how I include enriched

foods in my diet, something new in medicine, mistakes I've made in dieting and a tragedy of a fat diet."

Mrs. Blanch Mosley introduced the guest speaker, Mrs. Argen Draper. Mrs. Draper gave a program on Health Diets and Diabetes. She told how a person would act upon contracting diabetes and the treatment of the disease.

Mrs. Jewel Awtry gave the council report.

The minutes of the last meeting were read by Mrs. Blanch Mosley.

The recreation committee is

to plan an outing for the club members and their families.

The hostess gift was won by Mrs. Jewel Awtry. Secret pal gifts were exchanged.

The next meeting will be Sept. 12 in the home of Mrs. Alice Brady.

Members present were Alice Cox, Ida Vaughn, Mable Vaughn, Minnie Vaughn, Mary Brady, Edna Bove, Mrs. Gass, Grace Witherspoon, Mary Waters, Blanch Mosley, Jewel Awtry, Edna Anders, Lola Lee, Myrtle Witherspoon, Mrs. Shirley, Mrs. Vlda Jacobsen, Artie Frost, Mrs. Carthel, Verna Schroeder and the hostess, Evelyn Bell.

CLASSES FOR DIETERS

SAN MARCOS, Calif. (AP) — The Palomar College District board of directors has come to the aid of citizens whose physical dimensions have gotten out of hand.

The board approved a new adult evening course entitled "Physical Education for Mature Men."

What the course actually amounts to is dieting and exercising for the "flabby and forty set," says Dr. John Dunn, college president. But no credit can be earned, says Dunn except possibly from admiring wives or jealous business associates.

LIQUID ASSETS

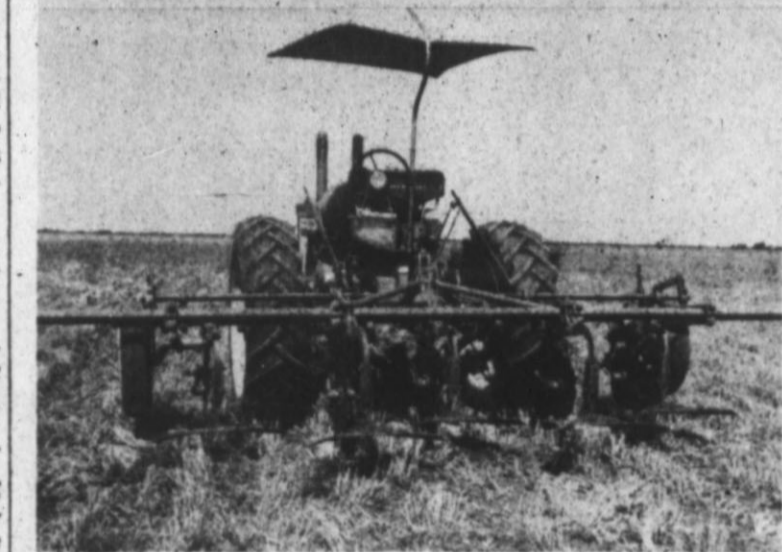

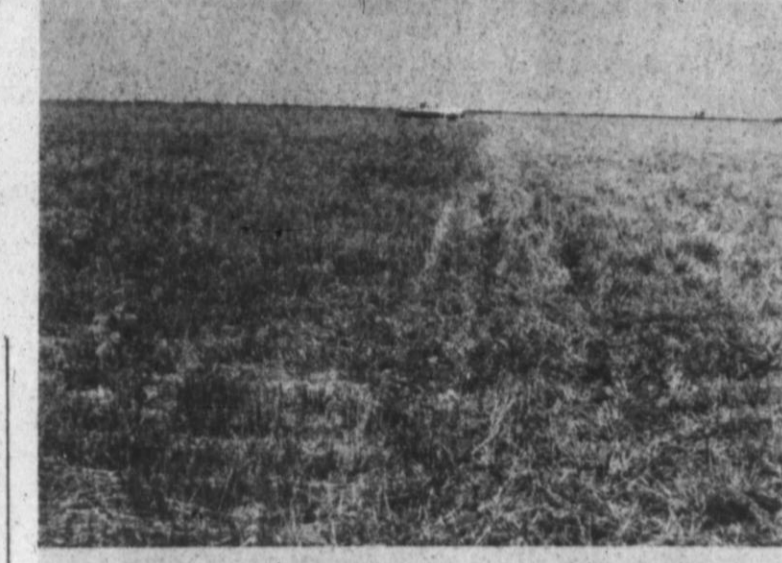

Because of the liquid nature of bank investments, there is nothing as liquid as a bank savings account (except, of course, a checking account or cash).

To safeguard your money where it will grow and, at the same time, be handy when needed, deposit your dollars in a bank savings account with us.

J. V. PERRIN JR. shows a close-up of the 30-inch sweeps with coulters used on his father's dryland wheat pasture 3.5 miles northwest of Hereford. Lower photo, Perrin shows how sweeps cut roots of pigweed and lovegrass below the surface, a particular benefit from stubble mulching.

A SWEEP TYPE PLOW was effective in killing pigweeds and annual lovegrass. Contrast shows that nearly all of the stubble was left on the surface of the swept field at right. Lower photo shows how five 30-inch sweeps are mounted with disc coulters to prevent residue from dragging or balling up.

Ask your dealer about a real cool extra-cost option—Chevrolet air conditioning.

Impala Convertible
Wonderful way to take advantage of the weather—and your dealer's summer savings.

Summertime - and the savin' is easy!

It'll pay you plenty to pad over to your Chevrolet dealer's One-Stop Shopping Center and get in on all the excitement there. Because Jet-smooth Chevrolets are outselling every other make of car, he's able to turn on the savings like nobody else in town. Have him fit you with an elegant Impala, a popular Bel Air or a budget-wise Biscayne. Or maybe with one of those six sweet-going, cargo-craving Chevy wagons. Just bring along your desire to own a lot of car at an easy-to-own price. Chevy and your Chevrolet dealer will look after the rest nicely, thank you. **Jet-smooth Chevrolet**

Chevy Corvair Monza Club Coupe

Save-a-bundle buys on Corvairs, too! The climate couldn't be better for getting into one of these agile Chevy Corvairs. For the time's come to save a bundle on the car that's a bundle of fun. Yessirree, juicy July buys on the Monzas with their family-style sports-car spirit . . . on the nimble, nickel-nursing Corvair 500's and 700's . . . on the 6-passenger Lakewoods with their winning, wagonly ways . . . and, of course, on those able-bodied Greenbrier Sports Wagons that give you up to twice the space of regular wagons. Need more be said? Your Chevrolet dealer is the man to talk to.

See the new Chevrolets at your local authorized Chevrolet dealer's One-Stop Shopping Center.
