CATTLE GRAZE ON MAIZE stubble during the bitterest weather so far this winter. Farmers and ranchers were warned of the cold wave which sent temperatures tumbling below the zero mark soon enough to bring calves and lambs in from the range. It is reported that livestock in the area are not suffering from the cold. But, a few lambs and calves could possibly be lost due to the below-normal temperatures. (Staff Photo)

Frigid, Man, Frigid!

A Real Slam-Bang Blizzard Finishes With Three Below

The worst winter weather so far this year slammed into the Texas Panhandle and Deaf Smith County with strong, chilling winds, snow and sub-zero temperatures this week. After a brief warm-up from the "surprise" winter storm which hit the area a week ago, the new cold wave blew into the county late Monday afternoon.

By Tuesday morning temperatures had fallen as low as six degrees. The high temperature recorded officially for the day reached a bare 11 degrees.

County Accepts Bid On Vehicle

County Commissioners bought a 1962 car Monday to replace a 1960 model in the sheriff's department, which was wrecked last week.

The court accepted the low bid of \$2289.10 from McCullough Motor Company for a 1962 four-door Plymouth Savoy. The bid price was for a car with 230-horsepower engine.

Charlie Seeds Motor Company bid \$2364.08 for a 1962 Ford Galaxie four-door with 235-horsepower engine and Campbell Pontiac bid \$2695.88 for a 1962 Pontiac Catalina four-door with 267-horsepower engine.

All are net prices, since the wrecked car will be sold separately.

The 1960 Ford being replaced was extensively damaged last week when it was hit while Deputy Kenneth Maxwell was out of it in a traffic accident at their wreck.

The new car will be delivered in about three weeks.

Vernon York of Amarillo and Pete Steiner of Amarillo, district high officials, visited with the court about free school land needed for a farm-to-market road right-of-way. The strip, about 100 feet wide and 13 miles long, is currently on unused county road right-of-way. The state permanent school fund rejected a bid of \$1 and filing fee costs from the county.

The court authorized York to submit for the county a bid of \$5 per acre, explaining that the narrow strip was too small to be of any more value.

Attorney Ray Cowser visited with the court about some money owned the county for culverts and road work. Cowser turned in a check from one party, but explained that it was doubtful whether he could collect the remainder. The court told Cowser to use his own judgment in the matter.

A representative of Blue Cross hospitalization visited with the court about insurance coverage for temporary county employees.

Ted Panclera of Hereford talked with the court about purchasing of tires for county equipment. He stated that he would bill the county only for the net amount purchased, without waiting for credit returns. This, he said, would save a lot of paper work for the county.

Wednesday the low temperatures tumbled below the zero mark with a bottom of minus three degrees officially recorded here. Reports of even lower temperatures were scattered throughout the county.

The wind-whipped snow brought by the bitter weather ranged from an inch to three inches across the county with drifts piling up to two feet. A total of .09 of an inch of moisture was recorded.

Livestock in the area do not seem to have suffered a great deal during the bitter weather. Most ranchers are said to have had enough advance warning to bring calves and lambs in off the range.

"This dry cold weather," said one rancher, "doesn't hurt the livestock too much. It is, however, harder on young calves and lambs. A few may be lost."

Most of the ranchers and farmers are feeding from stocks on hand. Cattle are also being turned out to graze on maize stubble.

Most streets and roads throughout the county were covered with a thin glaze of ice from a freezing mist which began falling after the front hit the area.

As conditions became worse during the day Tuesday, the public schools were dismissed in Hereford at 11 a.m. However, they were opened again Wednesday.

Roads and highways throughout the county were described as being "all right, but with ice and snow in spots" by the Deaf Smith County Sheriff's Office early Wednesday morning.

Conditions of the roads had improved over the situation developing during the snow when the Department of Public Safety here called conditions hazardous.

No serious trouble with telephone service and electric power was reported Wednesday by any of the four service companies - Southwestern Bell Telephone Co., West Texas Rural Telephone Co-op, Southwestern Public Service, and Deaf Smith County Electric Co-op - during the bitter, near blizzard weather.

AT CITY MEETING

Close Street For Hospital Addition; Review Budget

City Commissioners meeting in a lengthy session here Monday night approved a petition by the Deaf Smith County Hospital Board asking for the closing of the 300 block of Gough Street.

A planned expansion of the hospital would extend across the street now being used as the hospital parking area.

In granting the petition, the Commissioners also granted a permanent and lasting 10-foot wide easement to Pioneer Natural Gas Co. for its gas line serving the area.

The easement is along the west boundary line of the city-owned Hospital Park and extends some 300 feet from Park Ave. to Third St.

In other action, the Commission turned down a request by N. D. Bartlett for gas lights along a new street and in a new subdivision in West Haven.

The purchase of approximately an acre of land adjoining city property in the northwest section of the city was again considered by the City Commission.

Friona Youths Fined \$25 For Hubcap Thefts

Two 17 1/2-year-old Friona youths drew \$25 dollar fines plus court costs Tuesday after being charged with the theft of hubcaps here. Charges were brought against the pair by the Hereford Police Department.

The two teenagers were tried for the misdemeanor offense in County Court, Judge H. C. Williams presiding.

Trial of the two was a result of the "get tough" policy concerning the theft of hubcaps announced earlier by Chief of Police Henry Aycock.

In his announcement of the policy, Aycock said that persons charged with stealing hubcaps or other auto accessories would be taken to court and tried.

"As long as the offenses are occurring," he commented Monday, "we are going to keep sending offenders to court for trial."

(Continued on page 2)

L. B. Russell offered to sell the property and irrigation well for \$3500. However, commissioners felt that a previous offer of \$2500 was a fair price for the land and well.

The land under-consideration adjoins the city property on which the overhead water tower is located.

A zoning recommendation on the property of C. M. McClure at the intersection of Ave. A and Park Ave. was approved by the Commission. The petition submitted by McClure asked that the property be changed from "C" to "D" retail commercial.

The city also agreed to purchase four citizens band radios for Water Department pickups at the Monday night session. The four radios - one for a base station at the City Hall and three for the department's pickups - will be purchased from Bryant Bros.

Cost of the radios will be at \$150 each. The sale price includes antennas and cables for the sets plus an outside antenna for the base station.

After finishing the routine business of the meeting, Dudley Bayne, city manager, presented the proposed budget for the city during the next fiscal year, May 1, 1962 to April 30, 1963.

Commissioners will study the budget again at the next meeting. (Continued on page 2)

Four Votes Cast In County Water Board Election

Both candidates in the High Plains Underground Water Conservation District election were approved Tuesday in a tiny turnout.

Clinton Jackson, 807 Miles, was approved for re-election as county commissioner from commissioner's precinct three. There were four votes for Jackson and none against.

Also elected by four votes, with no opposition, was nominee Billy B. Moore of Wildorado, who was seeking the commissioner post for commissioner's precinct four. He was elected to fill the post vacated by Jack Higgins.

Bill Messick was elected on Judge for the vote, held Tuesday during a minor blizzard in the county. Both men elected will serve three-year terms.

Board Studies Bus Routes, Back Taxes

Discussion of delinquent tax collection methods and bus routes took up much of a school board meeting Sunday afternoon.

The meeting was moved forward by the board because of a conflict for its regular Tuesday night meeting. It lasted more than three hours.

Trustees reviewed a list of delinquent school tax payers and discussed a number of ways in which such taxes might be collected. At present, a Hereford attorney is filing some suits and some judgments against delinquent tax accounts, but the board felt the action was not completely satisfactory. However, no other action was decided upon by the board members.

They also discussed methods of attracting more school bus drivers and of paying them. They agreed that there was now a widespread difference in the pay for miles driven, since those drivers with the most seniority drive the shorter routes. Again, no action was taken pending further study.

Three Hereford men - Ted Royal, Johnny Haney and Earl Stagner, appeared to ask that the school aid them in getting lights on the high school baseball field.

They said they could like to organize a Colt Baseball League in this area for boys 15 and 16 years of age. Tentative league would include a team each from Friona and Dimmitt and two teams from Hereford.

There is a need for such a league, they said, to provide baseball for graduates of Pony League baseball who are not ready to play American Legion baseball. The American Legion team has a limit of 16 players, who may be 15 to 18 years of age.

Stagner said it was estimated that a complete lighting job for the present high school baseball program would be \$4,000 to \$5,000. He said that he would like to have the school co-finance the project with the public and said that it would be of benefit in providing better high school baseball players.

Superintendent Paul Stevens told the board that the Texas Interscholastic League was seriously thinking about making

high school baseball a summer sport, in which case lights could be used.

The board instructed Stevens to look into the cost of such a project. (Continued on page 2)

Key Club Will Aid MOD With Concession Fund

The Hereford High School Key Club will donate to the March of Dimes its receipts from concession stand sales of popcorn and candy during the Hereford-Phillips basketball game here Friday night.

Key Club members decided at a meeting Tuesday to donate a sales receipts instead of having a sock hop as was tentatively planned.

Members of the club have also agreed to help in the sales of some 1000 silver dollars to raise funds for the campaign.

Goal of the March of Dimes drive here is set at \$3000 and the campaign to raise the funds is slated to continue through January, according to Henry Aycock, Deaf Smith County campaign director.

The selling of the silver is one of the special promotions of the campaign in the county this year. The coins are being sold for two dollars each.

Eight campaign workers are selling the silver dollars throughout the county. They are Elsie Buecker; Mrs. L.B. Lookingbill, Summerfield; Mrs. Carl Wimberly, Dawn; Mrs. Ira Ott, Wyche; Mrs. Clarence Morrison, Westway; Joe Kerr, and R. L. Layman.

Also planned during the March of Dimes drive is a coffee day. As yet no date has been set.

In an appeal to all county residents last week, the campaign director pointed out that the National Foundation needs contributions to finance the widening attacks on crippling diseases.

The ultimate goal is to prevent these crippling diseases - polio, birth defects and arthritis - and the accelerated re-told the board that the Texas Interscholastic League was seriously thinking about making

Hereford Opens Conference Cage Battles Here Friday

Phillips, a team which plays its best against good competition, will be in Hereford Friday to open the District 1-AAA cage wars.

Ruling the roost as defending champions and favored to repeat are the Dumas Demons, who will play the two South

Plains members of the district this weekend.

In pre-season polls, Dumas and Hereford were picked to battle it out again for the conference crown. But Hereford's so-so record would give Dumas a decided edge as play begins.

The Blackhawks from Phillips will come into Whiteface gym with a 4-15 record. Coach Bob Moore's charges have played some good games against some of the larger schools, while faltering badly against some of the smaller teams.

They lost to Tascosa, 25-43; to Tulia, 55-63; to Pampa twice, 51-52 and 56-75; to Perryton, 40-51; to White Deer, 26-55; to

Canyon twice, 54-68 and 51-52; to Amarillo High, Gruver, and San Angelo. They have beaten Spearman and Stinnett, among others.

Lack of tall players is Phillips' biggest problem. Three starters are back from last year's team, which fashioned a 15-10 record. But all of them are small for AAA teams.

Jackie Gray is a 5-10 guard, Kenny Hunt is a 5-10 forward, and Phillip Johnson is a 5-8 guard.

Two others returning lettermen are Robert Richardson, 6-1; and Keith Aderholt, 5-7. Tallest player on the Hawk roster is 6-2 Bill Grace.

Kenny Hunt is the top scorer for the Blackhawks, averaging about 15 points per game. Against the Palo Duro Dons, Hunt whipped in 29 points. Behind Hunt in the scoring, usually, is Jackie Gray.

Hereford's record, at least on the face of the matter, doesn't look much better with six wins and ten losses. But seven of Hereford's losses have been to AAAA schools, two to AAA schools and one to a AA school.

Around Town

When it gets cold enough - like minus three here Wednesday - you will do most anything to stay warm. But how we wish that our old school letter sweater had been hidden away. Now, we are quite proud of where we went to school, but so many folks don't understand. They say the block "I" must stand for insane, illiterate, ignorant or inefficient. Since cold weather interferes with our ripping - retort equipment, we just grin and nod our heads. For all who wondered, (and many who didn't) we once attended New Mexico Military Institute over in Roswell. Now, it is supposed to be a pretty wealthy school, but it isn't. If they had had enough money, they would have provided sweaters with a superimposed "NMMI" on it instead of just the single "I."

Advance ticket sales for the annual Chamber of Commerce banquet are really outstanding, with 203 tickets already purchased. Deadline for members to reserve tickets is Feb. 5. The banquet will be Feb. 8 with Cajun-humorist Justin Wilson the guest speaker. Wilson's stories are sweeping the country now and his appearance here should "garante" a capacity crowd.

Hereford's sixth annual Golden Gloves tournament has been postponed. It was to have been held in the Bull Barn on Thursday, Friday and Saturday, but conflicts made it impossible. (Continued on page 2)

JOHN L. BYRNE of Amarillo, Internal Revenue Service worker, talked to the Farm and Ranch management group here Monday night. His topic was built around problems faced on income taxes by area agriculture and answers to questions about specific difficulties encountered. (Staff Photo)

\$1000-Bond Set In Forgery Case

Herbert J. Morgan, 33, of Hereford was charged with forgery here Wednesday and bond was set at \$1000 in Justice of the Peace Court, C. B. Miles presiding.

The man was arrested at a local tourist court Sunday by Deaf Smith County Sheriff Lowell Sharp.

Name Cooper Head Of Campfire Group

Neil Cooper was elected president of the Hereford Camp Fire Council during the annual meeting Monday night.

Other officers elected for one-year terms include Vance Crume, vice president; Mrs. Mildred Fuhrmann, secretary; and Mark Woodall, treasurer.

Meeting at the Camp Fire Hut, officers, directors and chairmen of committees heard and made optimistic and enthusiastic reports on operations during the past year. Presiding was outgoing president, Dr. H. A. Cavness, who has served for the past two years.

Candy sales and summer camp at Ceta Glen were acclaimed as successes, while special thanks went to Mrs. Ed Fine for her work with the Blue Bird and Camp Fire Choir.

Executive secretary Mrs. Phillip Barkley reported that

four new second grade groups, one new third grade group and one fifth grade group had been formed during the past few months.

She reported that 13 Blue Bird groups included 188 girls and 58 adult leaders, 10 Camp Fire groups with 94 girls and 43 adults. There also is a new Horizon Club for high school-age girls.

Altogether, there are 295 girls in the program, with 106 adult leaders and 22 board members.

Elected to serve three-year terms on the board were Vance Crume, Irving Alexander, Eugene Noel, Charles Bell, Billye Buck, Wynn Buck, Gerald Hale, John McCutcheon and Mrs. R. E. Glenn.

Mrs. Thelma Marsh will serve on the board during the coming year as a representative of the (Continued on page 2)

Around...

(Continued from page 1) Sponsors are going to try to get another date, but are uncertain right now.

Chamber's aviation committee will meet Thursday, Jan. 11, at 7:30 p.m. in the First National Bank community room. O. G. "Pete" Mindeu, commanding officer of the Amarillo Composite Squadron of the Civil Air Patrol, and other members of his unit will be on hand to discuss the purpose and organization of the CAP. All pilots and others interested are invited to attend.

More than 400 advance entries have been received for the annual Junior Livestock Show, sponsored by the Hereford Rotary Club. The show will be held Jan. 18, 19 and 20 in the Bull Barn and Little Bull Barn. The advance entries are slightly more than those received for the 1961 show.

An area wide meeting on farm labor problems will be held Friday, Jan. 12, at 7:30 p.m. in the Bailey County courthouse, Muleshoe. It will be a joint meeting of several farm labor associations in Deaf Smith, Castro, Lamb, Bailey, Hale, Farmer and Swisher counties. Several different speakers will be on hand to discuss farm labor problems and possible solutions. All interested persons are invited to attend.

Hereford Volunteer Firemen will meet in the fire hall at 7:30 p.m. Thursday, Jan. 11, to elect officers for the coming year. Chief Dub Reeves, who has been unsuccessful in his efforts to get his pay doubled or be provided with a Cadillac station wagon as Chief's car, is expected to preside. (Reeves furnishes his own car and draws no pay for being chief.)

Monday, Jan. 15, is the last day for farmers and ranchers to file their estimated federal income tax return for 1961, unless they plan to file a final return on or before Feb. 15.

We were no little startled to find a small joke on the front page of our Internal Revenue booklet. But our feeling of amusement is expected to last no longer than the first of many mistakes in figuring our return.

Ken Clearman of Summerfield, is playing on the varsity basketball squad at Eastern New Mexico University, Portales, after two years on the cage squad at Howard Junior College. One of the steadiest players from Hereford's state finalist squad of 1959, Ken is still playing good, steady ball at Eastern, we are told.

Central School PTA meeting, scheduled for Thursday, has been postponed. Time of the delayed meeting will be announced later.

Wednesday was the day we dreaded; No matter how we coaxed or petted The car wouldn't start; a matter dreadful And that, we muttered, was a mite treful.

Hereford's defense has improved immeasurably during the past two weeks and rebounding also has picked up, as the Herd's court fortunes might take a turn for the better against more equal competition.

The Whitefaces will have a "sandwich" schedule with two games at home - Phillips Jan. 12 and Littlefield Jan. 16 - followed by four on the road and two more at home. Road games include Dumas, Jan. 23; Levelland Jan. 26; Phillips, Jan. 30; and Littlefield, Feb. 6. Final home games are Levelland, Feb. 9, and Dumas, Feb. 13.

Dumas will help start district play, taking on the Lobos at Levelland Friday and the Wildcats at Littlefield on Saturday.

Board... (Continued from page 1) a project and report back at the next regular meeting. Stevens, in his usual enrollment report, stated that 2,905 students were in Hereford public schools on Jan. 3, which is about 73 less than in December, but about 150 higher than for the first of January in 1961. This, he said, was higher than had been anticipated.

Next regular meeting of the board was announced for 6 p.m. on Tuesday, Feb. 13.

Close... (Continued from page 1) A public hearing is scheduled at the first regular commission meeting in February. Major spending in the proposed budget will be in increasing the capital investments of the city and establishing an operating reserve. No tax increase will be required by the city to meet the expenditures called for in the proposed budget, Bayne told the commissioners.

Look Who's New

Mr. and Mrs. Frank Gilbertson are the parents of a girl born Jan. 5 at 2 p.m. She weighed 9 pounds and 1/2 ounce.

Mr. and Mrs. Larry L. White are the parents of a boy born Jan. 6 at 4:39 a.m. He weighed 7 pounds and 2 1/4 ounces.

Mr. and Mrs. Jimmy Whitaker are the parents of a girl born Jan. 6 at 5:14 a.m. She weighed 7 pounds and 7 ounces.

Mr. and Mrs. Adolph A. Knabe are the parents of a boy born Jan. 6 at 6:06 a.m. He weighed 8 pounds, 9 1/2 ounces.

Mr. and Mrs. Delbert Ruland are the parents of a boy born Jan. 7 at 1:24 p.m. He weighed 6 pounds and 14 1/2 ounces.

Former Resident Buried Tuesday

Funeral services were held for S. R. Rosson, 64, resident of Sweetwater, on Tuesday, Jan. 9, in the First Methodist Church of that city.

Mr. and Mrs. Rosson were visiting in the home of their daughter in Harlingen, Tex.; where he had fallen and broken his neck. He was taken to the veteran's hospital in San Antonio for treatment. He died there on Saturday, Jan. 6. He was totally blind.

Mr. Rosson came to Hereford from the Plainview area. He operated the Buchanan and Rosson Implement Company, International Harvester dealership, for many years. They sold the firm to Wayne and Raylan Evans and moved to Kerrville. At the time of his death, the couple lived in Sweetwater. Mr. Rosson was active in many community activities while in Hereford. He served on the school board for several years and was a member of the Lions Club.

He is survived by his wife, daughter, Mrs. Tom Sibson of Harlingen; and two grandchildren.

Former Resident Severely Burned In Oil Explosion

Leo Getman of Dumas, who moved from Hereford only three months ago, was severely burned in an explosion early Friday afternoon. Hospital officials said he was burned from his knees up when diesel oil which he was using blew up.

The explosion occurred at the Getman and Sons gravel pit about 20 miles northeast of Dumas. He was trying to thaw frozen sand by pouring diesel oil into a sand loader when the oil ignited.

His clothes were burned off. He jumped into a sand pit where two cousins, who were working near by, put out the fire with their hands. Both suffered burns on their hands.

The Unmoveables HUNTINGTON, W. Va. - Couples at the Marshall University fraternity dance knew there were sheriff's deputies in the crowd.

And they knew the deputies weren't there to watch the dancers.

Because the Sigma Alpha Epsilon dance was the fourth public appearance of The Unmoveables, an orchestra made up of inmates of the county jail.

Free Throws Give Dimmitt Ten-Point Win Over Herd

In the final non-district game for the Whitefaces, Hereford saw a rash of personal fouls called which sent the Herd to a 65-55 loss at Dimmitt Saturday night.

Closing out non-conference play with a record of six wins and ten losses, the Herd enters District 1-AAA competition here Friday night. Riding on a record of four wins and a number of "almost-wins," the Phillips Blackhawks come to Hereford at 8 p.m. Friday in the loop opener.

Tuesday the Herd will play host to the Littlefield Wildcats, who also had a mark of four wins before entering the Seagraves tourney during the weekend.

Dennis Hodges sparked the Herd's scoring once again, getting 20 points from the floor and two at the free throw line. Mack Cansler also rated double figures with 12 points.

Defenses for the Whitefaces also sparkled during the game, as Jerry Curtsinger, Randy Dowell, Dwight McGee, and Jim Haney kept the Bobcats outside, while blocking a number of shots and collecting a majority of the rebounds.

Defensive efforts were slackened after the first half, however, after the Whitefaces were charged with 16 fouls during the first portion of the game, while Dimmitt had only four.

Four starters for the Herd left the game via the foul route in the fourth quarter, while the Whitefaces were cited for 29 fouls during the game. Dimmitt drew only 16, with the majority coming in the rough final round.

It was the second meeting this season between the Whitefaces and the Dimmitt Bobcats. In their first encounter, the Herd took a 58-40 win on the home court.

Dimmitt pumped a rousing total of 33 points at the free throw line. Jim Rateliff got 18 and

Michael Calvert 20 for the Bobcats, while Kelton Cates and Dwight Cathy also scored double figures. Cates netted 10 charity tosses and totaled 12, while Cathy got nine one-pointers and one from the floor for 11. Hereford drilled in 20 field goals, however, while the Bobcats managed only 16.

Field goals by Mack Cansler and Dennis Hodges placed the Herd in an early lead, before Calvert finally broke the ice for Dimmitt with six minutes left in the first period.

Jim Haney and Dwight McGee also sank two-pointers to keep the Herd in the lead at 14-12 after the first quarter.

Calvert and Cates made successful contributions from the free throw line to push the Bobcats out front 18-14 with only 50 seconds elapsed in the second quarter.

Defensive moves by the Whitefaces kept the Bobcats outside, and Dimmitt was forced to rely on free throws to maintain the lead.

In a match which kept the roof bouncing on the Dimmitt gym, Mickey Stevens and Hodges hit to tie the score at 18-18, and Hodges connected again to make it 20-18 after Cates made free throws for Dimmitt.

Four straight points from the free throw line put the Bobcats in the lead again. This time the Dimmitt squad added field goals to insure the margin, which they kept the remainder of the game.

McGee connected once and then Cansler netted two straight from the floor as the Herd closed the first half, facing a 28-32 deficit.

Dimmitt added only two points to their advantage during the third round. Hodges and Dowell tallied the Herd's only field goals during the round, while McGee and Haney hit one-pointers.

Facing a 39-45 hole, the Whitefaces made a last-quarter stab

at the win, but once again saw the free throw line spell defeat. Play got rough on both sides, however.

Jim Haney drew his fifth foul with only 53 seconds remaining, while Curtsinger was ruled off for the same reason with 10 seconds to go and Dennis Hodges left with only two seconds to play.

Curtsinger and Stevens tossed in markers to threaten the Bobcats as Hereford trailed only 45-56 with 4:10 left in the game. Dimmitt's Dwight Cathy drew ten straight chances at the free throw line, as he was fouled first by Haney, three times straight by Hodges, and then again by Haney. Thus the Bobcats pulled away to a 57-45 lead with 2:33 left to play in the game.

Curtsinger and Stevens added free throws for the Herd, plus a long one by Dennis Hodges, but the Whitefaces still trailed 51-59 late in the quarter.

Action on the court got fast and furious as Haney, Curtsinger, Dimmitt's Gene Bradley,

and Hodges fouled out in quick succession.

CARD OF THANKS

We wish to take this means of thanking all those who have helped in so many ways during the long illness of Mrs. R. A. Freeman and her extended stay in Deaf Smith County Hospital. Our special thanks to the doctors, nurses, and hospital staff and to the ladies who sat with her. Also for the flowers, cards and visits.

We wish, too, to thank all who had a part in helping us celebrate our 60th Wedding Anniversary on Christmas Day. As we leave for an indefinite stay with our daughter in Cali-

Herd Edged 50-45 By Dimmitt Bees

A third quarter challenge was finally subdued by the Dimmitt Bobcat B-team there Saturday as they defeated the Hereford Whitefaces by 45-50.

Arslow start found the Herd trailing 19-24 at the half, but the Whitefaces came to within only one point of the Bobcats at the end of the third period with a 33-34 mark. Dimmitt tallied 16 points in the final round, however, to pull back out front.

Eugene Green netted 14, Austin Hodges 12, and David Dowell 10, to take scoring honors for the Whitefaces. Roy Battles and James Cowell each got 15 for the Bobcats.

Dowell netted four and Hodges three as the Herd trudged to a 11-7 first quarter deficit.

fornia, we pray that the Lord's richest blessings will be on each of you.

Sincerely,
Mr. and Mrs. R. A. Freeman and family

The Real Spirit Of Christmas Studied

The Christian Women's Fellowship of the First Christian Church met in the home of Mrs. Ivan Block at 9:30 a.m., Dec. 20, for the Christmas meeting. Mesdames A. N. Hopson, Cord Hammock and Gordon Elliott assisted as hostesses.

Mrs. Jane Dameron presented the program on "The Commercialism of Christmas and the Celebration of Christmas in the Home." She stressed the careful selection of Christmas activities. She urged the prevention of the pressures of preparation and shopping; not letting these pressures crowd the Christmas activities. She urged the prevention of the pressures of preparation and shopping; not letting these pressures crowd the Christmas spirit out of the heart, Mrs. Dameron said.

She concluded her talk with the reading of a poem called, "The Real Spirit of Christmas."

Mrs. Louis Woodford read the Christmas story from St. Luke. Mrs. Gilbert Davis Jr. presided at the formal refreshment table. The members brought children's gifts for the labor

camp Christmas party at the House of Friends. Approximately 30 women attended the coffee. Mrs. Zuma Davis of Fort Worth was a special guest.

Father Of Mrs. Joe Easley Dies Jan. 2

Alfred Cameron, 64, of Fredericksburg, Tex., father of Mrs. Joe Easley of Hereford, died on Tuesday, Jan. 2. Funeral services were held in the Fredericksburg Lutheran Church on Thursday, Jan. 4.

He was a life-long resident of Fredericksburg and was an executive officer of the First National Bank of that city. Burial was in the Fredericksburg Cemetery.

Mr. and Mrs. Joe Easley and Mr. and Mrs. Oscar Easley of Hereford returned Jan. 8, after attending the funeral services.

CARD OF THANKS

We wish to express our sincere thanks to everyone for the kind words of sympathy, prayers, food, flowers, visits and other expressions of concern for us in our time of sorrow. May God bless each of you.

The Family of Charles Vasek Jr.

WESTWAY NEWS

Schedule Two Agricultural Films At Social, Jan. 13

BY MRS. HAROLD RUDD

There will be two agricultural films shown at the Community Social on Saturday, Jan. 13, at 7:30 p.m. at the Community House. Everyone is cordially invited to attend. Each family is to bring cookies.

Mr. and Mrs. Earl Scott of Kennewick, Wash., arrived Saturday to visit with Mr. and Mrs. Joe Wagoner and family. The Scotts are former residents of Westway. On Sunday, the Wagoners and Scotts visited with Mr. and Mrs. C. A. Sauley in Hereford. They also visited with Mr. and Mrs. Paul Rudd that evening. That night the group attended a Watch Night party at the home of Mr. and Mrs. John David Owen in the Waco community.

Mr. and Mrs. J. C. Morrison and Judith spent the weekend with Mr. and Mrs. Raymond Morrison at Bonham.

John Kalka, Mrs. Alice Cooper and Joyce visited with Mrs. Frances Mazurek and Kenneth in Amarillo on Monday. Then they visited with his nephew, Mr. and Mrs. Carroll Kalka and children north of Amarillo. From there they went to White Deer to visit another nephew, Mr. and Mrs. Dallas Wyatt.

On Sunday Mr. and Mrs. Clayton Walls of Pampa visited with her sister, Mrs. Alice Cooper.

Donna Elliott of Hereford spent Sunday with Joyce Cooper.

Mr. and Mrs. Glenn Wilson and children were hosts for the family dinner on Christmas day. Mr. and Mrs. R. L. Wilson of Hereford, Nathan Wilson of Baylor University at Waco, Mr. and Mrs. Vernon Wilson, Rodney, Mike and Wesley of Pampa and Mr. and Mrs. Ray Hakom, Terry and Roy of Lubbock were guests.

Mr. and Mrs. Buel Monroe and children moved to the house on the P. B. Sowell farm on Friday.

Mr. and Mrs. Harold Head and family ate supper with Mr. and Mrs. A. A. Head in Hereford Monday evening. They had visited with Mrs. Leo Ohlig and children earlier that afternoon.

The Westway Home Demonstration Club will have the first meeting of the new year on Thursday, Jan. 11, at 2:30 in the home of Mrs. Paul Rudd. Mrs. C. A. Sauley will present the program on "Safety Belts."

Mr. and Mrs. Everett McIntosh spent Christmas day with their children. Mr. and Mrs. James Harris and children and Mrs. Florence Solomon, in Amarillo at the Harris home.

On Sunday, Mr. and Mrs. McIntosh visited with Mr. and Mrs. R. R. Bearden in Plains. Mr. and Mrs. H. C. Kenney and Mr. and Mrs. Phil Frederickson and son of Merced, Cal., Mr. and Mrs. David Williams and son of Amarillo, Mr. and Mrs. Bill Combs and Mr. and Mrs. Benton Bolin, all of Hereford, were guests in the home of Mr. and Mrs. W. W. Thomas on Christmas Day.

The next day Mr. and Mrs. Thomas took the Kennys to Amarillo and visited with the Williams family there. The Kennys then left for their home in California.

On New Year's Day Mr. and Mrs. Thomas, Bud and Jeanne, Mr. and Mrs. Bill Combs and Mr. and Mrs. Benton Bolin went to Shallowater to visit Mr. and Mrs. B. H. Thomas. Mr. and Mrs. B. H. Thomas Jr. and family also were there.

David Seal of Canyon came last Friday morning to get Vickie and Dennis, who had spent the week with their grandparents, Mr. and Mrs. Joe Wagoner.

Mr. and Mrs. Bob Kerschen and children of Albuquerque, N. M., visited with Mr. and Mrs. Frank Zinser Jr. Sunday afternoon.

Mr. and Mrs. Kerschen and children ate supper with her brother, Mr. and Mrs. Jimmie Jesko, on Friday night. They also visited with other relatives in the area while here.

On Sunday morning the Zinser family visited with Mr. and Mrs. S. T. Loerwald in Hereford. Mrs. M. C. Kaul, Mrs. Joe Wagoner, Mrs. Harold Head and Mrs. Frank Zinser Jr. were among the hostesses for a wedding shower for Mrs. Berl Taylor, nee Sandra Frank, Saturday afternoon in the home of Mrs. Roger Brumley of Hereford. Mrs. W. G. Frank was in the receiving line with her daughter.

Berl and Sandra were married on Dec. 15 in Amarillo and are residing at 803 Maryland in Amarillo.

Ross Joe Landers visited with Mr. and Mrs. W. B. Nunley in Hereford Sunday afternoon.

Last Thursday Mrs. Guy Lawrence, R. M. Gunn and Mrs. Benny Cooper and Chris all of Hereford visited with Mrs. Joe Landers.

The Westway Baptist Church held a Watch Night Service on Sunday evening at the Church. Rev. Evans of Amarillo filled the pulpit for the evening. An evening filled with song service, an enjoyable meal and waiting for the New Year to come in was enjoyed by the large crowd present. Mrs. Evans, Mr. and Mrs. Don Evans and baby of Amarillo, Mr. and Mrs. Merl Brown and baby of Amarillo, Mr. and Mrs. Traveek of Lubbock, Don Smith and his sister of Cotton Center were among the guests present.

Mr. and Mrs. Joe Reinauer, Joe Jr., Jim, Bob, and Art had their family Christmas early and then went to Oklahoma City to visit with relatives. While there they attended the shop Christmas party at Reinauer Bros. Motor Company.

Joe Jr. left here on New Year's day to return to Oklahoma State University at Stillwater.

Mr. and Mrs. Grady Cates of Hereford visited with their daughter, Mrs. Cliff Combs.

The Cates had just returned from a trip to Messa, Oregon, where they attended the funeral of his mother, Mrs. Mary Cates. Mrs. Cates had been visiting with her son and grandchildren here and had just returned home just before her death.

Mr. and Mrs. Cliff Combs and Dewaine spent the weekend with her brother, Mr. and Mrs. Sammie Cates in Happy.

Mr. and Mrs. Bill Stengel and family visited with her parents,

Mr. and Mrs. Felix Urbanczyk, Sunday.

That night they visited with Mr. and Mrs. Airhart Reinart. On Monday, the Stengel family went to the home of his parents, Mr. and Mrs. J. E. Stengel, in Hereford. Mr. and Mrs. A. C. Stengel and family and Mr. and Mrs. Ike Marnell and family were there also.

Mr. and Mrs. Bill Bolin of Lubbock spent Monday with his parents, Mr. and Mrs. Lincoln Bolin.

Herbert Owens was in Clovis on Tuesday on business.

Mr. and Mrs. J. M. Dawson of Hereford spent New Year's Day with Mr. and Mrs. Buck Green.

At this writing large, beautiful snowflakes are falling. There is a light covering of snow over an already wet ground. It has rained, sleeted and is now snowing. We need the moisture to settle the dirt which has blown all day.

BY JIMMIE GILLETTE

People like to argue about which is the smartest, the dog or the horse — and you can get lots of different opinions on the subject. Well, I would like to put in a good word for the birds. They are the only ones I know with enough sense to head south when it gets cold. Horses will crowd up around the fences and freeze to death like cattle, and I doubt if very many dogs would survive without human assistance, but most of the birds come through in pretty good shape.

Danny Deaver says some people don't know when they are well off, either. He was out in

Phoenix early in the week, basking in the sun and picking oranges, but decided to come back home and get over a small cold he had picked up. About the time he arrived, so did the snow and cold weather. He was also telling me that he had heard from "Potato Joe" Ballinger, the daddy of Hereford's vast truck farming industry; he says that Joe is not feeling too well these days.

You can also get a lot of conversation about cattle these days, especially from the guys who have to go out early and feed them. C. E. Leasure Jr., says he can be sitting around a fire and start shivering, just at the remembrance of the chore.

Onias Carroll Receives Credit For Plant Work

An official State Health Department citation was awarded this week to Onias Carroll, superintendent of the Hereford municipal water department, for proficiency in water plant management.

The certificates of competency credit recipients with having demonstrated "Skill and knowledge" of water treatment plant management and an understanding of the public health importance of the work.

Under the State Health Department's operator certification program, operators are carefully examined on their technical ability and on their knowledge of their work's influence on community health. Each must pass a written test to qualify for certification.

Very few people fully realize how many cattle we have in this area. I noticed a Chamber of Commerce listing area income from the 1959 census. It showed \$16,400,000 from total crops, and \$7,729,000 from livestock. We are now feeding a lot more cattle than we had in 1959. These days, the livestock income would probably run well over one-third of the total. Palmer Norton was telling me that the county now has 25,000 head of cattle on full feed, and since the lots turn more than twice a year, the figure will probably run well above 60,000 head annually. Add to this some 15,000 head on farms — and you've got quite a figure.

As an important part of XIT, this area pretty well started off as a cattle country, and the critters will likely play an important part in our economy forever.

Clint Formby estimates around 1,000 visitors tromped through Station KPAN's new quarters Sunday, and everyone connected with the station is most happy to have hosted so many people. Like I said before, we have a good station and some of the finest people in the world operating it, and even if they are competitors, we are proud of them and of the job which they are doing for the community.

Meanwhile, things are pretty quiet and I guess those old boys who gathered up so much firewood are the happiest ones I know. I hate to brag, but several of them say they did all of this work on the basis of my weather predictions, and now they are warm and happy. Anyway, no one has been challenging me during the past two or three days, and I am glad. After all, there's nothing like satisfied customers. We'll have some more, too. I am furthermore predicting more dusts than a usual for late February and March. If anyone figures out a way to combat them, please let me know.

Newt Harding stopped me the other morning when the weather was below zero, and said he was busy running carrots. They had a warehouse full, it seems, and are just now clearing them out. He says that there are lots of them still in the ground, but seems to think that the present freeze probably got them. Prices currently are pretty slow, which probably accounts for the situation. I ate some carrot cake not long ago, and thought it was real fine until I found out what it was. If

REP. WALTER ROGERS WRITES

U.S. Must Take New Look At Foreign Relations Field

TO THE PEOPLE OF THE 18TH DISTRICT:

Much of the criticism that has been directed against the Department of State since the formation of our country has been generated by the lack of information available to the general public on many of its activities and operations.

Some have argued that the State Department as an entity considers itself separate and apart, and in some instances over and above, the other departments of government whether legislative, executive, or judicial. That it occupies the position of royalty in the framework of our government, is before sacrosanct and should be above suspicion.

This criticism has not been unjustified, and a complete and searching look into the workings of that department is long past due.

This is not to say that every individual associated with the State Department is under a cloud of suspicion. However, unless more information is given to the public generally and a different attitude is assumed by those who staff the State Department, clouds of suspicion will begin to gather and the resulting storm will not be a pleasant one.

Everyone realizes that the State Department is involved in international affairs and is dealing in most sensitive issues with other sovereignties. There are many areas in which secrecy is absolutely necessary in serving the best interests of this country.

They realize that many of the countries with which relations are constant do not have freedom of speech, freedom of the press, or a representative form of government.

They realize that quick changes in policy can be made by those governments and that such policies will be made to our detriment unless a certain degree of secrecy is maintained in handling our international affairs. However, this does not mean that a purple curtain should be drawn around the operations of the department of State to hide from the people all of its activities and its operations.

The Department of State of the United States of America is supposed to reflect this country. It should be the showcase of America in advertising in other countries what we in this country are what we believe in and what we stand for.

This cannot be accomplished if a large majority of those

who enter this service must have a stereotyped background of an Ivy League college education and the ability to adopt a British accent in order to pierce the purple curtain.

It has long been my feeling that there has been too little of the "Main Street" of America in our foreign service.

Relatively speaking, we are a new and a young country, less than 200 years old. We are considered novices in the field of diplomacy by many other countries.

Frankly, I do not care what the other countries think. I do not believe that the practices and formulas adopted and utilized by those other countries in the past should constitute a diplomatic yardstick which must be strictly adhered to. It is time for this country to take a new look in the international relations field and the place to begin is with the State Department.

It was with this thought in mind that several of us Members of the Congress introduced a resolution a number of years back providing for a study to be conducted to determine ways and means of expanding and modernizing the foreign service of the United States.

It was our thought that the doors to the foreign service division, as well as other divisions of the State Department should be opened to the brilliant young men and women all over this country.

It was our thought that there was a possibility for the creation of a foreign service academy similar to the academies maintained for the Army, Navy, and the Air Force.

It was our thought that it was time in the history of America to draw back the purple curtain. This resolution has been introduced by me at the session of Congress, and I sincerely hope that action on it or a similar piece of legislation will be forthcoming this session.

In addition, I have also introduced a resolution for an investigation of six principal matters: mainly, (1) to investigate the personnel of the Department of State of the United States of America; (2) to investigate the practices and procedures of choosing personnel in all divisions of the Department of State; (3) to investigate the methods, practices, and procedures in assigning personnel for both routine and special work or assignments; (4) to investigate the background and capabilities

of all personnel with relation to the particular duties and assignments of the individual; (5) to investigate any and all personnel, whether directly assigned to or employed by the Department of State of the United States of America who have duties or assignments directly or indirectly connected with the operations of the Department of State in any manner whatsoever; and (6) to formulate recommendations concerning future adherence to or future changes in the methods, practices, procedures, and policies with relation to the staffing of the Department of State and any agencies, bureaus, boards or other components of the Federal Government associated with the fulfillment of duties of the Department of State.

If the purpose of these two resolutions can be carried out, it is my firm belief that the solution of many of the problems presently creating criticism, and also in maintaining the primary concept of self-government.

I never do eat any spinach cake, I am sure it will be under the same circumstances — and I do hope no one tells me about it. I'll still take Mrs. Witherspoon's vinegar pie. I thought it would be terrible, but it turned out to be quite a delicacy.

Probably not many people will remember Hoot, but he was one of the fastest guns Hollywood ever put on celluloid, and I wouldn't even try to guess how many "bad men" he rounded up. He is probably still doing it on the late, late shows, but this was the first time I had heard of him in 20 years of more.

Francis Hardwick and W. B. Wilson come nearer dressing for the weather than any two men I know. When it's cold, they wear caps with earflaps. I also saw Bill Bradley buying one of these caps the other day. Most men, on the other hand, will go along with their regular hats, and let their ears get cold.

I also notice where California predicts that the state will have the greatest population of any in the U. S. A. in late 1962. They expect to pass New York on precisely Dec. 21, and are making plans for a big state-wide whoopee to celebrate the occasion, according to the Governor.

I hear a lot of discussion about General Walker and his talk in Amarillo. Some people think he has the answer, while others figure he is just another name-caller. I notice that he is scheduled to speak in San Antonio at the Texas Press Association this month, along with Robert S. Calvert, who will talk about the new Texas sales tax.

Notice where Hoot Gibson, age 60, went into a hospital the other day for an operation.

Homemade Breads Make Meals More Appetizing

"What hymns are sung, what praises said . . . for homemade miracles of bread?" Even the poets have been moved by this essential part of every meal. Breads are the appetite-makers of any meal, as well as the basic food.

A simple breakfast becomes a cheery "Good Morning" eye-opener if the fruit and cereal are accompanied by light, hot wonders from the oven. And even the most sumptuous feast is incomplete without its own special bread to draw out the full flavor of the entire spread.

Good cooks are known the world over by the bread they make and, therefore, have produced varieties of the staff of life to enhance foods of their particular lands.

Here's your chance to pick-up your breakfasts, lunches and dinners and bring that "man in your life" running to the table every time. Breathes there a man with nose so dead . . . that he isn't drawn to the kitchen by the mouth-watering aroma of home-made breads?

BOSTON BROWN BREAD
2 1/2 cups sour milk
1 cup molasses
1 teaspoon soda
1/2 cup raisins
1 cup yellow corn meal
2 cups graham flour
1 teaspoon salt
1/2 cup pecans

Sift dry ingredients into mixing bowl, add sour milk and molasses, mixing well. Then add nut meats and raisins and mix. Pour into top of greased double boiler and steam for three hours. Then place in the oven for 1/2 hour at 325 degrees and brown. Delicious with baked beans.

YORKSHIRE PUDDING
1 cup milk
2 eggs
1/2 teaspoon salt
1 cup flour
1/2 teaspoon baking powder
Beat eggs and add other ingredients. Put one tablespoon of beef drippings or shortening in the pan to melt. When hot, pour pudding batter in and bake from 20 minutes to 1/2 hour (usually 20 minutes) in a fairly hot oven. Serve with roast beef and baked potatoes.

GRAHAM MUFFINS
16 graham crackers
2 tablespoons sugar
1/2 teaspoon salt
2 tablespoons butter
1/2 cup milk
1 egg
2 teaspoons baking powder
1/2 cup raisins
1/2 cup nuts
Roll crackers. Add sugar, heat milk. Pour over the cracker mixture. Add the egg, baking powder, raisins and nuts. Bake in a hot oven (425 degrees) for 20 to 25 minutes. Makes 12 muffins.

TADUSA (Deluxe Fried Mush)
1 quart of milk
1/2 teaspoon salt
4 tablespoons of sugar
1/2 cup of Farina or Cream of Wheat
1 teaspoon almond extract
1 teaspoon vanilla extract
1 egg
Add the salt and sugar to the milk and bring to the boiling point. Add slowly the Farina or Cream of Wheat, stirring constantly. Reduce the heat and cook about 5 minutes, or until thick. Take off the stove and add the extracts and the egg. Mix well and then put mixture into an oiled dish and let it set and cool.
Cut into diamond-shaped pieces, dip in beaten egg and roll in bread crumbs. Fry in oil and a little butter until nice and brown on all sides. Delicious!

JOHNNY CAKE
1 cup corn meal
1 cup flour
1 teaspoon soda
1 teaspoon salt
1/2 cup sugar
1/4 cup molasses
1 teaspoon melted shortening
1 cup sour milk or buttermilk
Bake 30 minutes (approximately) in a 375 degree oven.
Mississippi Hush Puppies
1/2 cup flour
1 1/2 cups corn meal
1 tablespoon sugar
3/4 cup milk
2 teaspoons baking powder
Salt

1 egg, beaten
Grated onion
Mix together and drop by one teaspoon at a time into the hot fat. Cook until brown. Good with vegetables or cook in the same fat as you do fish.

Three-Hour Roll
3 cups flour
2 tablespoons sugar
1/2 teaspoon salt
1/2 cup shortening
1 cake yeast
1/2 cup lukewarm water
Milk
1 egg, beaten light
Sift flour, sugar and salt together, cut in the shortening. Dissolve the yeast in lukewarm water, add beaten egg and then fill the cup with milk. Beat this into the flour mixture and let stand for 2 hours. Knead and roll out into rolls and let stand for one hour more. Bake in a 400 degree oven for about 20 minutes.

Hollywood Rolls
2 yeast cakes in 1/2 cup warm water
2 eggs
4 tablespoons sugar
4 cups unsifted flour
1 teaspoon salt
Mix together and let rise one hour.

Use a floured paper and roll one inch thick. Use 1/2 cup melted and whipped butter. Butter the dough and roll, doing this four times; last-time butter the top and roll in a twist of short pieces.

Let rise an hour or longer. Bake in a medium oven until done. They just melt in your mouth.

Corn Meal Dinner Rolls
Good corn meal flavor in soft, crisp crust.

1 package of active dry yeast or 1 cake of compressed yeast
1/4 cup water
1 cup butter or margarine
1/4 cup shortening
1/2 cup sugar
1 tablespoon salt
2 cups scalded milk
2 beaten eggs
1 1/2 cups corn meal, yellow
4 1/2 cups enriched flour
Soften active dry yeast in 1 cup of warm water; compressed yeast in 1/2 cup lukewarm water. Add butter, shortening, sugar and salt to the scalded milk. Cool to lukewarm. Add three cups flour, yeast mixture and eggs. Beat until smooth. Mix in the corn meal and 4 1/2 cups flour. Knead 10 minutes. Place in a greased bowl, turning to grease the surface; cover. Let rise until double (about 1 1/2 hours.) Punch down; shape in small balls (about the size of walnuts). Place 2 balls in each greased muffin cup. Brush with melted butter or margarine; cover and let rise till double (about one hour). Bake in a 375 degree oven for 15 minutes. Makes three dozen rolls.

FRAN'S BREAD
2 cups boiling water
1/2 cup lard
1/2 cup sugar
1 tablespoon salt
Mix and let cool. Add:
2 beaten eggs
2 cakes of yeast that has been melted in 1/2 cup warm water with 1 teaspoon sugar
Mix well. Ten add:
8 cups flour, 2 cups at a time
Cover with a towel and let rise triple in size. Then knead down slightly, let rise again triple in size, knead slightly again and shape into three loaves. Bake one hour in a 350 degree oven.

EGG TWIST BREAD
Dissolve a 2 ounce cake of yeast in 1/3 cup of lukewarm water into which a teaspoon of sugar has been added.
Into a large bowl put:
Little less than 1 cup sugar
2 tablespoons salt
1/4 pound of butter or margarine
Add 2 cups of scalded milk and stir well.
When the mixture is lukewarm, add the yeast mixture and mix well.
Add 2 or 3 beaten eggs and a little brandy flavoring (about 1 teaspoon), if desired.
Add gradually 8 to 10 cups of flour, only enough flour until the dough does not stick to the bowl and hands. Knead dough on floured surface for 10 minutes. Place in a greased bowl over. Let stand about 1 1/2 to 2 hours, until doubled in bulk.
Punch down and divide into 6 braids. Use a little water at the ends to make the braids stick. Let rise until light, an hour or so and then spread the beaten egg over the entire surface of the loaf or loaves. Sprinkle with poppy seeds.
One large loaf; bake in a 325 degree oven for approximately 45 minutes.
Individual loaves, 3 or 4; bake in a 350 degree oven for approximately 45 minutes.
Cut into small hollow when done, just thump it.
For one large loaf, divide the dough into 6 portions. Braid 3 and twist the remaining 2 and

place on the top of the braided 3. Use a little water at the ends to make it stick.
For individual loaves, divide the dough into 3 portions for each loaf pan.

SQUASH MUFFINS
Cream together 3 tablespoons of shortening, 2 tablespoons of sugar and 1/2 teaspoon of salt. Add 1 well beaten egg and 1/2 cup of squash (Hubbard), or frozen squash. Sift 2 cups of flour with 4 teaspoons baking powder and add to the egg and sugar mixture, alternately with 1 cup of milk. Turn into well greased muffin tins. Bake in a hot oven.

This is a most welcome change from the usual muffin. Very golden in color and just melts in your mouth. They are especially delicious served with poultry.

OATCAKES
1 cup oatmeal
1/2 cup self-rising flour
2 ounces of melted butter or roast drippings
Pinch of salt
Eggcupful of boiling water
Mix dry ingredients. Add melted fat and mix to a stiff dough with boiling water. Turn out, knead well and press into a round using oatmeal. Roll out thin, keeping the edges neat and cut into 8. Bake in a slow oven until crisp.

LIMPA (Swedish Rye Bread)
1 quart of lukewarm water
4 cups of rye flour
2/3 cup of molasses
2 cakes of yeast
1/2 cup brown sugar
2 tablespoons salt
2 tablespoons shortening
Rind of one medium orange, grated
8 cups of white flour (approximately)
Dissolve yeast in 1/2 cup of the water with 2 teaspoons sugar. Put rye flour and salt in a bowl. Gradually add the water, then the yeast. Beat well and let rise till double. Add molasses, brown sugar, shortening and orange rind. Beat well. Gradually add the white flour. When too stiff to stir put on a board and knead stiff with the balance of the white flour.
Put in a greased bowl and allow to rise double. Divide dough into four loaves. Allow to remain on the board for 15 to 20 minutes. Shape and put in greased pans and let rise.
Bake for approximately 45 minutes in a 375 degree oven. Butter top of the crust. Remove from the pan. Cool before storing.

SCOTTISH OAT BREAD
4 cups standard oatmeal (not rolled oats)
4 tablespoons shortening, half of which should be butter
3/4 teaspoon baking powder
Pinch of salt
Mix this thoroughly, adding slowly enough milk to make a fairly soft dough. Roll quite thin on a lightly floured board; cut in squares or strips, and brown lightly in a hot oven.
Delicious when simply spread with butter. "Extra special" when served with cheese or cold meats, particularly ham.
This recipe came to Nova Scotia hundreds of years ago with the early settlers from the Highlands of Scotland. It was served at an afternoon tea to

Her Majesty Queen Elizabeth of England, when she was Princess, on the occasion of her visit to Halifax in November, 1951.

Sadie Lee Oliver 4-H Club Meets

The Sadie Lee Oliver 4-H Club met in the Westway Community House on Friday afternoon, Jan. 5, for the regular meeting. Deborah Jesko was the presiding chairman.
At the business session, Deborah Jesko was elected the new reporter.
Mrs. Joe Wagoner presented the program on "What to Wear With What and Where." She told the girls not to try growing up too fast by wearing clothes too old for them. She urged them to begin with the lower heeled shoes first, in wearing heeled shoes.
A resume was given of clothing to wear to slumber, formal and informal parties, and sports events. Being wise in purchasing clothing on a limited budget was stressed.
Those present were Deborah Jesko, Rebecca Jesko, Karen Jesko, Janice Turrentine, Carol Turrentine, Janie Green, Lynn Rudd, Teresa Rudd, Judith Morrison, Mrs. Joe Wagoner, Mrs. George Turrentine and Mrs. Harold Rudd.

Rites For Sister Of Local Resident

She was the widow of James C. Vaughn and had lived in Amarillo since 1925, coming here from Mount Vernon, Tex. Mr. Vaughn died in 1952.
Mrs. Vaughn was born Oct. 21, 1892, in Cooper, Tex., and was a member of the West Amarillo Christian Church.
She is survived by a son, Charles D. Vaughn of Clovis, N. M.; a sister, Mrs. Virgie Rayley of Amarillo; six brothers, John Dawson of Hereford, Frank Dawson of Borger, Jim Dawson of Bishop, Cal., Bill Dawson of Childress, Jack Dawson of New Deal and Pete Dawson.

Attend Family Dinner

Mr. and Mrs. Phillip Acker and Miss Clara Acker, all of Hereford, and Mr. and Mrs. Henry Kuper and family of Summerfield were present for the Acker family Christmas dinner in the Nazareth Legion Hall on Dec. 25.

Host Holiday Guests

Guests in the home of Mrs. Jane Dameron for the holidays were her daughter, Mr. and Mrs. C. C. Nolen, Lisa and Cindy, of Austin, her sister, Mrs. J. E. Beyer Jr. of Hutchinson, Kan., and her sister-in-law, Mrs. Clyde Gregg of Borger.

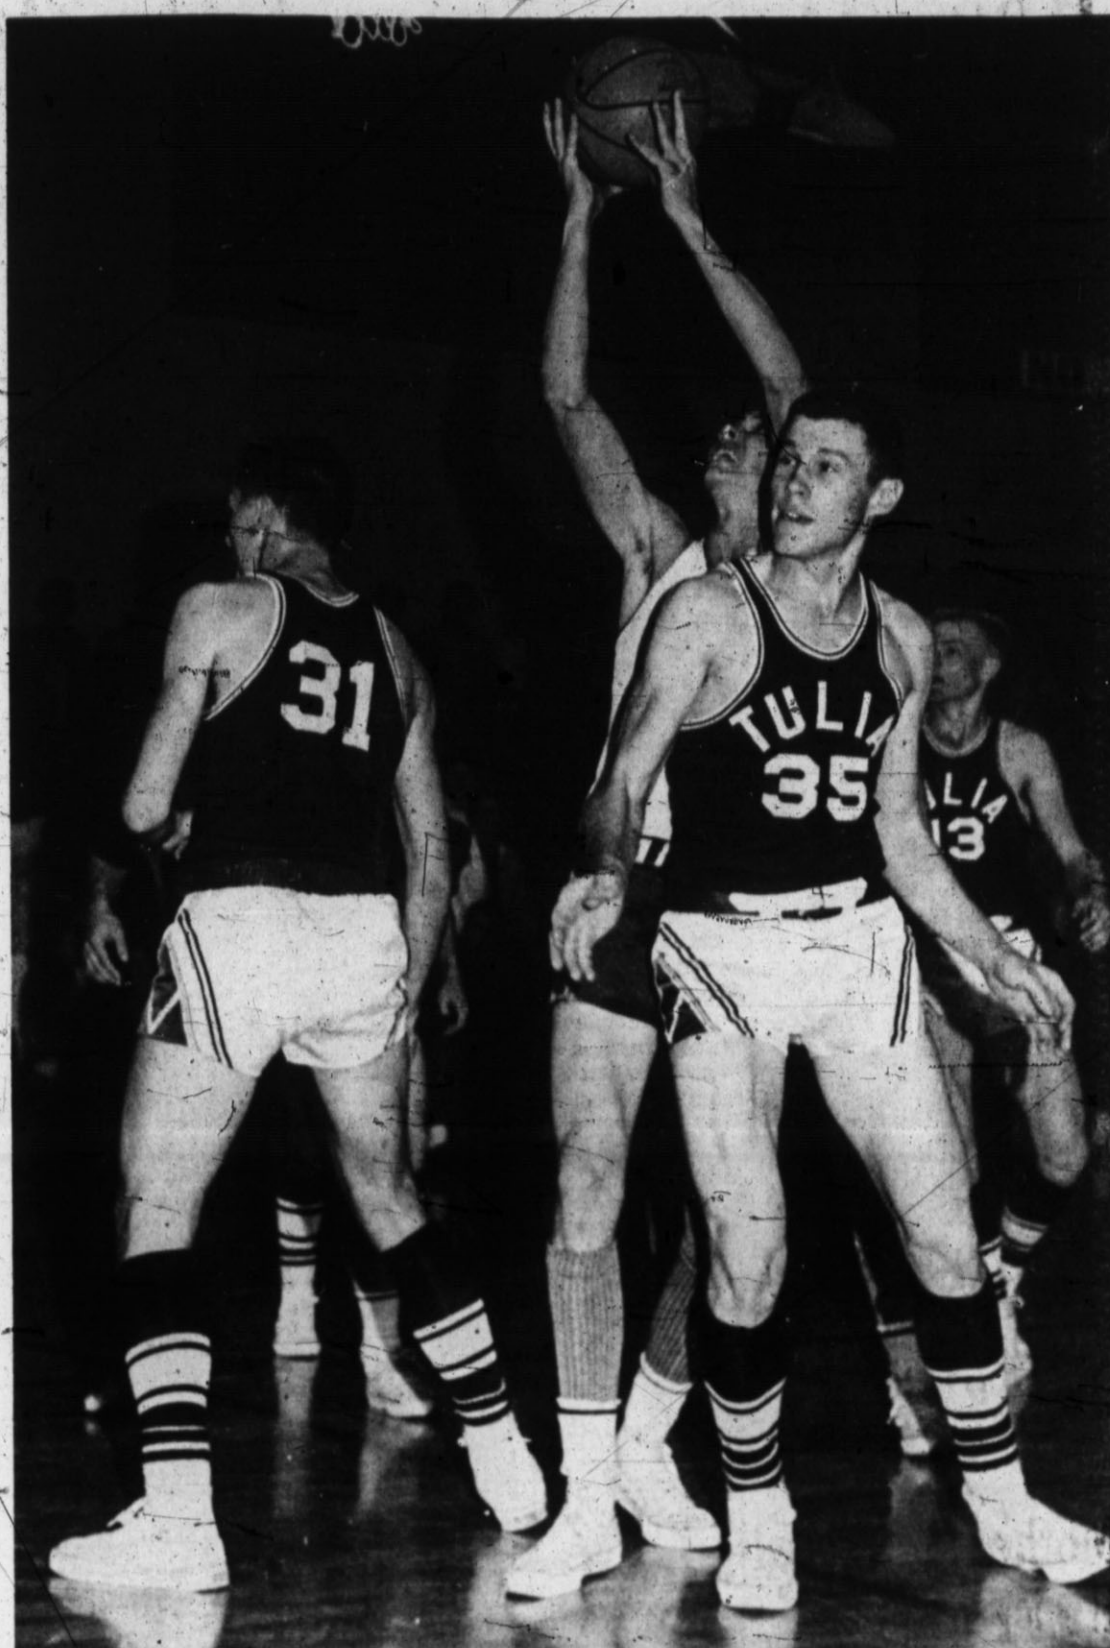

Resina Participates In Field Training

Army PFC Desi Resina Jr., whose parents live at 508 S. W. Fourth St., Dimmitt, Tex., recently participated with other personnel from the eighth Infantry Division's 83rd Artillery in Frigid Fires II, a five-day field training exercise in Germany.

Resina, a medical specialist in the artillery's 5th Howitzer Battalion in Baumholder, entered the Army in August, 1960, and received basic combat training at Fort Riley, Kan. He arrived overseas last February.

The 19-year-old soldier is a 1960 graduate of Dimmitt High School.

APPARENTLY WONDERING WHERE THE ball is, two Tulia defenders seem to ignore Jerry Curtisinger as he goes up for a two-pointer against the Hornets here Friday. The two Tulia players who seem to be helping Curtisinger make the basket are Jerry Sarchet (31) and Frank Hooper (35). After a first half where the lead-seesawed back and forth, the Whitefaces defeated the Hornets 65 to 49. (Staff Photo)

School Of Missions To Begin Jan. 14

A school of missions in the First Christian Church of Hereford will begin on Sunday evening, Jan. 14, with Dr. Lena Edwards as the speaker. Virgil Dodson will assist with the program. A Mexican supper will be held in the fellowship hall of the church. A story, "Silver Pesos for Carlos," will be told, and a film, "A Puppy for Jose," will be shown.
Wednesday evening, Jan. 17, Dr. Jans C. Ma of Canyon will

be the missionary speaker about China. Mrs. Betty Mercer will tell the story, "Brother's One, Two and Three." Coffee and fortune cookies will be served.

Frank Pickett, missionary to Paraguay, will be the speaker at morning church services on Sunday, Jan. 21.

On the following Wednesday evening, Jan. 24, George Kykendall of Lubbock will speak and show his own film, made while he was a missionary to India, called "Visiting Friends In India."

On Jan. 28, at the Sunday morning services, Mrs. O. J. Goulter of Enid, Okla., a former missionary to China and the Philippines, will speak about her experiences in the mission field and as a prisoner of the Chinese Reds.

Children of the church will present, in costume, the world pageant of missions, with the singing of songs, on Sunday evening, Jan. 28. Mrs. Ray Cawser will use display booths to show items of interest concerning the countries, about which the missionaries are speaking, in the school of missions.
The public is cordially invited to attend each session of the school.

Bees Defeat Tulia Hornets; Enter District Play Friday

Hereford Bees defeated the young Tulia Hornets the second time this season with a 55-47 win here Friday night. After a scheduled game at Dimmitt Saturday, the Bees tangle with the Phillips Blackhawks in the District opener here Friday, Jan. 12.

Eugene Green netted 16 points to pace the Bees in scoring, while Bill Hill hit for eight. In his first game with the Bees this year, junior Ronnie Welty also hit for eight points.

The Herd moved out to a 14-9 first quarter lead, while Green and David Dowell paced scoring. Holding the stunned Hornets to only six points in the second quarter, the Whitefaces held a 22-15 halftime lead.

Tulia threatened only once during the game. Welty hit a field goal with only ten seconds gone in the second half, but then the Hornets poured in seven straight points to tie things up with five minutes left in the third round.

One free throw by Green, two by David Dowell, and a free throw and field goal by Austin Hodges later, the Herd was out front again, leading 31-24 with three minutes left.

This time the Herd's lead remained unchallenged, as Mike Ferguson, Neal Lueb, and Earl Jackson joined the third quarter scoring campaign. After ripping the cords for 18 points during the third quarter, the Whitefaces led 40-30.

Hill, Green, Earl Jackson, and Neal Lueb tallied in the final round as the Herd closed out the game with a 55-47 point quarter.

AN INDICATION

Stanton's Rampage Includes Littlefield

If performance of the seventh graders is any indication of what Hereford High School basketball will be in four or five years, the Herd is looking good.

Stanton seventh graders remain undefeated and almost uncontested after nine games. The Dogies, coached by Archie Souter, racked up a 46-17 win over the young Littlefield Wildcats there Thursday night.

In other recent conference action, the Dogies defeated Leveland 40-9 and 40-4, with everyone on the team seeing lots of action. The Dogies just could not hold the score down, no matter what strategy was used.

After jumping to a 19-7 lead during the first quarter, the Dogies settled back with an eight-point second quarter, and then added ten points each in the third and fourth quarter.

All 15 Dogie players were fielding in varying quantities in a sincere effort to hold the score down, but Stanton took a 46-17 win.

'Ace' Curtsinger Accused Of Bloody Knife Slaying

Jerry (Ace) Curtsinger was arraigned on a charge of murder in the first degree, and appeared before criminal court in a mock murder trial in Mrs. Buck's civics class last week.

Charged with the knifing of a fellow student, Marcus Jacobsen, the brutal killing occurred Wednesday about 2 p.m. Jacobsen's body was discovered by Suzy Woodford when she was returning to class from an errand in the office.

Beside the body which was found near room 203 was the

murder weapon, a dagger. An investigation by sheriff Edward (Ralf) Allison proved it to be the cause of death.

Curtsinger was arrested and indicted when he reported to class late, and could not give a satisfactory alibi when the murder took place.

A nine-member jury was impaneled and State Prosecutor, Bill "Hamilton" Miller began to gather state's evidence immediately. Donna Rogers came to the aid of the defendant and represented his interests.

Court convened on Thursday, Jan. 4, with Judge Darrell Garrett presiding. As witness es were sworn in by Bailiff Judy Price, some amazing discoveries came to light. Few knew, before the testimony of Glen (Bill) Nelson, that a well-organized gambling syndicate was being operated in school.

Thus the motive for the murder was provided: On the morning before the murder, Curtsinger had suffered heavy gambling losses to Jacobsen. Further, Lynton "Curly" Allred testified that at noon the

day before, he had heard the defendant state that he had something against the victim and was planning to "remove" him.

Also testifying for the state, Mrs. Olean B. Leggitt and Loretta Higging placed the defendant near the murder scene.

For the defense, Mr. Phillips and Mr. Russell, as well as Nancy Edwards (an office girl) and Coach Kitchens swore that Curtsinger was in the office getting a tardy slip at approximately the same time as the

DE - Radio Day Plans Announced

Feb. 20 has been announced as the date of the Distributive Education Club's annual "Radio Day," according to Kenneth Hart, D. E. coordinator.

Each year the club has charge of a day - long program over radio station KPAN, compliments of Clint-Formby, station manager. The program is the club's yearly fund-raising project.

Students have charge of selling ads, and preparing the program. All school organizations will be contacted within the near future concerning appearing on the Radio Day program.

All D. E. students help prepare and present the program. Three announcers will be chosen from club members to broadcast the program.

Senior Personality

Dennis Rickman is a very familiar sight in H. H. S., especially when walking in the halls with a big blue-eyed girl named Gloria Dameron.

Dennis is the son of Mr. and Mrs. Floyd Rickman of Route 3, Austin Road. He was born Aug. 4, 1944.

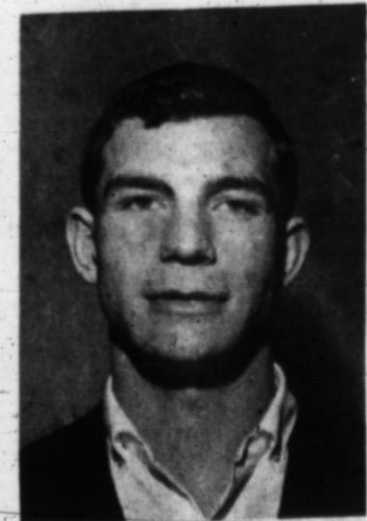

Some of his favorites are: Color, blue; food, shrimp; book, "For Whom The Bell Tolls"; song, "It's All In The Game"; show, "Magnificent Seven"; teacher, Mr. Hinkley; subject, mechanical drawing; and naturally, his favorite pastime is, being with Gloria.

His most embarrassing moment was when he lost the receipts of people who paid class dues.

Dennis's pet peeve is people who keep bothering someone about a mistake they made one time.

When Dennis graduates, he wants to go to Ranger Junior College where he wants to play

Friday night at 8 p.m. everything goes on the line for the Hereford Whitefaces, when the Phillips-Blackhawks come to the Hereford gym for the first game in District 1-AAA action this year.

The Whitefaces have racked up a record of six wins and ten losses in non-district play, while the Blackhawks have a record of four wins. Phillips has come out of first of the season slump. The Blackhawks were only one point behind the Canyon Eagles Tuesday, in a typical 51-52 loss.

Tuesday the Herd will play host to the Littlefield Wildcats, who also had four wins before entering the Seagraves Tourney over the weekend. The Wildcats have downed Olton, Seagraves, and Morton.

Once again the mighty Dumas Demons sit atop the heap

Herd Wins During Loss

It's hard to turn the other cheek, and it's even harder to be a good sport when everything is against you. Members of the Hereford Whiteface basketball team have done both, and are to be congratulated.

Someone once said, "The only thing wrong with being a good sport is that one has to lose to prove it." Well, maybe this statement isn't altogether true, but it does point up a fact.

Fans who attended a recent basketball game that the Whitefaces played out of town will bear out this statement. With every reason to give up or quit and go away mad, the team members and the coaches conducted themselves in a very admirable manner, one bearing out the Hereford Whitefaces' tradition of god sportsmanship, fair play, and putting forth a sincere effort to bring honor to Hereford High School.

Even though the Whitefaces were defeated according to the score, team members and the coaching staff were the victors in another and more important sense. For this, Hereford High School says "thanks" to the Whitefaces.

We Are Members Of 'The Cool Generation'

BY WAIN-MILLER WHITEFACE EDITOR

"No one can say that the American youth is going to hell. He's not. But he is a pampered hothouse plant and likes it that way. The beatnik is a rarity; the delinquent is a minority."

Thus begins a recent article in "The Saturday Evening Post" written by two of the nation's foremost statisticians — Dr. George Gallup and Evan Hill.

When the two ran-out of national elections to predict or political trends, to sample with their famous national Gallup Poll, they turned their attention to today's younger generation in America's high schools and colleges.

After interviewing thousands of students in schools across the nation, they catalogued, defined, sized up, and analyzed the younger generation, arriv-

ing at an interesting picture of students just like Hereford High School students.

The majority of "us" don't know beans from butter milk about communism, according to the 10-page article. We can't tell the difference between a Democrat and a Republican. We think teachers have the highest morals of all adults, and Hollywood actors the lowest.

As far as romance goes, the majority want to go steady, but very few do. A parked car affords the younger generation "privacy."

American youth is very religious, but cheating in school is the rule — not the exception, according to the poll.

We are television-addicts who prefer thrillers, comedies, and westerns, in that order.

Today's high school and college students have a "conservative" taste in music and dancing. The favorite dance

step for young men is the popular waltz, while the girls go for cha-cha the most, contrary to the popular belief among adults that rock-'n'-roll is the popular pastime.

"On the other hand," says the article, "listening to rock-'n'-roll music is first-choice for both sexes at the high school sophomore level and first or second choice with high school seniors."

Today's younger generation has a "tolerant attitude about the use of alcohol. Most approve of 'moderate' or 'social drinking.' They are somewhat contradictory on their smoking habits," says the report.

American youngsters are fairly close to their parents, and have about the same moral standing. Most teenagers say they will rear their children about the same way they themselves have been raised — with the same taboos, and tolerances.

And get this — "One of the nocturnal habits of American youth is drag racing — or 'dragging.' In their own or their parents' cars they assemble on a lonely road on warm, clear nights, often after a movie or a drive-in theater. Sometimes they drink beer."

"At road's edge a teenage girl leaps in the glare of high-beam headlights, and at this starting signal they roar down the road, two, or three, or four abreast, exhilarated with speeds sometimes faster than 100 miles an hour. Sometimes they race in second gear. A degree of involuntary-rooster strutting is banished. A teenage boy reports, 'We don't drag much when the girls aren't around to watch.' (??) We have many interesting customs, among them being the taboo against wearing certain clothes on certain days. Youth is not very adventurous.

ous. We think a trip to the moon would be fine — for someone else. According to the article, we had rather read about it later.

When we do read, it is most often the newspaper, with an occasional book thrown in for good measure (or good grades.)

We have little concern and even less knowledge about politics. Most teenagers, except those in the deep South, are not opposed to integration.

"The nation has produced a generation of stay-at-homes," is found near the end of the lengthy article.

We are a "generation with no war to fight, frontier to conquer, or depression to overcome. Therefore we sit idly as the world turns, waiting for some unknown happening. 'Goals?' said a California girl in the story, 'we have no goals. Our parents achieved

them all for us." This is said to reflect the general feeling of all American teenagers.

"How did youth become so cautious? So self-satisfied, secure, and unambitious? And are they really so much different from the youth of yesterday?" asked the authors.

Youth themselves point out that they are different from their parents, and they don't hesitate to tell the authors why. "We're pampered," said one girl.

"How many of our youth will want to be — or can be — extraordinary?" asks the article. A teen-ager answers, "All we need is motive; then you'll see."

For an extremely interesting and informative picture of today's younger generation — the students in Hereford High School — I personally suggest reading the article which is packed with statistics concerning us and our habits, recording an

accurate picture of America's youth.

"Youth — The Cool Generation" is found in the Dec. 23-Dec. 30 issue of "The Saturday Evening Post."

I wonder about the closing paragraph:

"In the meantime, American parents candidly admit they are spoiling and pampering the younger generation. They admit it, cluck their tongues and keep on pampering."

Does this article really describe Hereford High School students? Members of The Whiteface staff would like to know what readers think of "American youth — the cool generation." Anyone wishing to comment on the article is invited to express his views in writing and give them to any staff member. We would like to find out if Hereford High School students are really "cool."

 Brenda spends her spare time trying to keep her cat "Tuffy the Misfit," and her dog "Tuffy" out of trouble. She is very active in many clubs such as Tri-Hi-Y, Future Nurses and National Honor Society.

After graduation, Brenda wants to go to Hardin, Simmons and get a degree. Then she wants to teach in an elementary school.

One of the most industrious and friendly students around Hereford High School is Brenda Beasley. She is the daughter of Mr. and Mrs. Howard Beasley. She was born in Salinas, Cal., Jan. 23, 1944. Brenda has some very definite likes and dislikes. Her favorites are color, brown; book, Time of Peace; movie, "Gone With The Wind," and food, chicken fried steak. She does not like liver, people who talk too loud, and studying certain subjects.

Brenda's most embarrassing moment came when she fell into grease-pit on the way to Corpus Christi last year with the band.

There are very few things that bother Brenda, but people who snore and pull covers seem to get on her nerves. His most exciting moment since he has never been embarrassed, was the surprised looks of the faces of the sophomores and juniors when the senior ring finally came.

His favorite color is red, while his favorite food is seafood. He has an intellectual taste for literature, his favorite book being Elmer Gantry. He also enjoys the more serious and thought provoking movies, his favorite being "Rogers' Rangers."

His favorite pastime is going out with the boys. This seems to be most helpful in his practicing with a certain quartet. His hobby is simply going out.

Grady has decided to become a medical doctor. After graduation he plans to attend West Texas, Texas Tech, or the University. His main goal in life is to stay eligible as long as possible.

Grady is a member of the choir, and takes an active part in anything that will help get him out of home room.

His advice to underclassmen is, "When you become a senior, don't take anything from sophomore brothers or sisters." Grady has been a student in H. H. S. since last year. Before that he lived in Plainview and Washington.

A blue-eyed, brown haired girl about 5'2" and 17 years of age was seen about three weeks ago running around the hall's asking, "When will the senior rings be in?" When they failed to come in at the proper time, Wilma Higgins received her greatest disappointment.

She was born in Dimmitt July 5, 1944 to Mr. and Mrs. W. L. Higgins. In 1945 they and her two sisters moved to Hereford.

Wilma enjoys life and likes all things bright and happy. This is the reason that yellow is her favorite color, because it is bright and sunny.

Her favorite song is "You Don't Know What You've Got Until You Lose It." She likes all things bright and happy any book, but her favorite movie is "Summer Place," food, hamburger and teachers, Miss Ward and Earl Smith.

Wilma is a member of the F. H. A. and works on the Whiteface staff. Her favorite pastime and hobby is riding around and listening to the radio, because she always sees lots of people and she likes music.

 Throughout the trial, Judge Garrett kept court order with his "rubber hatchet" gavel, including whacking Prosecutor Miller several times for sitting on the judge's bench. He also warned Mrs. Buck of the penalties for "contempt of court" when she suggested he dispose of his chewing gum.

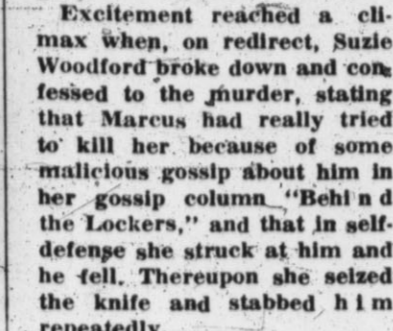

Excitement reached a climax when, on redirect, Suzie Woodford broke down and confessed to the murder, stating that Marcus had really tried to kill her because of some malicious gossip about him in her gossip column, "Behold the Lockers," and that in self-defense she struck at him and he fell. Thereupon she seized the knife and stabbed him repeatedly.

After Judge Garrett restored order, state's witness, an eminent psychologist, Dr. Wald on Scott, reported that Miss Woodford had long been a patient of his (she is known for her emotional instability), and that she often suffered hallucinations. Thus her testimony was overruled, and the case proceeded.

The defense attorney, Miss S. Rogers, and Prosecuting Attorney Miller gave their summations and arguments for their own cases to the jury. The jury then retired to the jury room across the hall (clinic) to deliberate on a verdict.

After some fifteen minutes, they returned, and Martha Ponder as foreman reported that a decision could not be reached for they were deadlocked.

A mistrial was declared because of the "hung jury" and court was adjourned. Thus the innocence or guilt of the accused, Jerry "Ace" Curtin, was not determined and the case may be re-opened at a later date.

Because she likes people, her ambition is to travel anywhere she can get, see all the beautiful scenery, and meet a lot of people. Wilma decided that Hawaii would be the best place to go, because it is a melting pot of people of all nations and there should be plenty of excitement.

Wilma stated that getting her senior ring was the greatest thing that happened this year. Her most embarrassing moment, she decided she wouldn't discuss, "People who think they are a lot better than others is my pet peeve," declared Wilma.

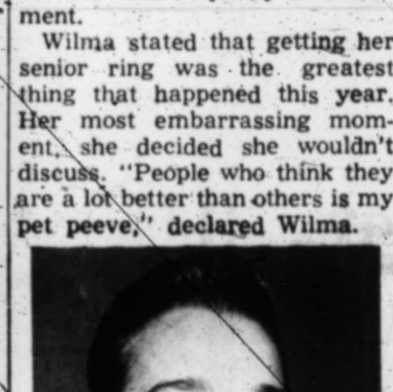

Bill Miller's favorite pastime is hunting with his Great Danes. He enjoys playing pool, but more than anything he likes to eat. His favorite food is chocolate. He was so impressed with the tragic story of the Jews, that Exodus is both his favorite book and favorite movie. Blue is his favorite color.

Bill has had many honors in high school, but the most exciting to him was when his team won State in F. F. A. chapter conducting. Among his other honors, he was chosen mayor of Hereford for student government day.

Bill has been using his four years in H. H. S. to improve his mind and prepare himself for his lifetime job of being a bum. As to his plans after graduation, he simply says "Heck, I don't know."

He is a member of the mixed choir and is also a member of a certain quartet. He takes an active part in F. F. A., as well as many other clubs.

Bill says this to underclassmen, "Be careful and don't get in Mrs. Williams' English class."

losses (mostly to AAAA squads, the Demons are naturally picked to take the District crown.

All this has been said in order to prove a point — the Whitefaces are going to need all the support they can get, both at home and away.

Attendance at the last three Hereford games has skyrocketed, along with gametime spirit. With this, it might be noted the Herd has played its best in the last three games, two here with Dimmitt and Tula, and one at Dimmitt.

If nothing else, this would tend to prove that support makes a difference in the team's performance.

Typical action for the Demons include a 75-50 romp over Tula and a 47-27 win at Canyon. Dumas just by only three points to the undefeated Borger Bulldogs, and won over the Pampa Harvesters.

Levelland also holds four wins, including a win over highly-rated Lamesa.

Hereford opens loop play with two games here, and then hits the road for games at Dumas, Levelland, Phillips, and Littlefield. The Herd closes the season at home with games against Levelland and Dumas.

As usual in this district, Dumas is picked to sweep the 1-AAA slate, with Hereford, Levelland, and Littlefield left in a neck-and-neck-and-neck battle for second place honors.

Coach Gaby Kitchens and the Herd may have other ideas in mind, however. Hereford stands a good chance of getting to a final winner-take-all tilt when Dumas comes to Hereford in the last game of the season.

Not to count chickens before they hatch, though, the Whitefaces will have more than plenty to worry about between now and then. Levelland has shown its stuff, while defeating Lamesa, to whom the Herd took a 65-52 fall. The Lobos lost by only seven points to Palo Duro, which has also defeated the Herd twice.

Littlefield was scheduled to play at Canyon Tuesday, in the only game with a mutual opponent, so it is hard to compare the Wildcats.

Remember Phillips — the town that used to give the Herd all the trouble in football? Well, they are giving the Herd more than its share of competition again, this time in basketball. The Blackhaws have a very misleading record of four and '2.

Starting out the new year right by making New Year's resolutions are the following people:

Diane Wilson resolves to be sweeter to her mother while Delores Collard says she is going to be stricter with her physical education classes.

The yearbook staff resolves to meet at least one dead-line on time.

Linda Martin's resolution is to pay attention in biology class and learn important things like carving crayfish, worms, and frogs.

Linda Hart resolves to control her temper while Delores Leffel is going to be sure and finish her last days of school.

Martha Ponder resolves solemnly to flunk so she can have two senior rings.

Earl Smith is very serious when he declares he will not eat spinach at all this year. I wonder how long they will last.

Governor Gives Legislature His Proposals On Problems

BY VERN SANFORD

Talk of ending the special session of the Legislature on its opening day turned out to be just talk.

When the lawmakers got to town at Gov. Price Daniel's call, little support could be gathered by Sen. George Parkhouse of Dallas and Rep. Charles Ballman of Borger, for immediate adjournment.

So, the show is on — and already moving at a fast pace. Governor Daniel immediately laid out his proposals for solving some long-standing problems. Included were the following:

BANK ESCHEAT: Here a compromise with bankers was sought, under which banks would advertise locally each year for the owners of accounts which had as much as \$25 in them and which had been inactive for seven years. Balances under \$25 would be sent to the State Treasury which would seek the owners, and if they appear, pay them from a \$100,000 revolving fund which would be kept in the Treasury for that purpose. Rep. Charles E. Hughes of Sherman, who has worked for 10 years to get laws to enforce the escheat laws, felt that ground had finally been found on which the state and the banks could agree.

RURAL ROADS: Governor Daniel's veto last summer of the \$15,000,000 appropriation for farm-to-market road construction during the year starting next Sept. 1 was designed to bring another long discussion to a head. It did. Where \$60,000,000 was available in 1961 (\$50,000,000 in state taxes and \$10,000,000 in federal aid) for construction and improvement of rural roads, Daniel proposed that only about \$42,500,000 be used next year. The other \$17,500,000 would be used to maintain the rural roads.

Daniel got agreement from the Texas County Judges and Commissioners Association and from the Texas Farm Bureau. But some rural legislators think this is too big a cut all at once, and are talking about the Daniel proposal as the "maximum."

INTEREST RATES: Daniel made no specific recommendations to the lawmakers on interest rates and loan regulation, except to say that the rates proposed by the Texas Legislative Council were too high.

Here there is tremendous difference of opinion among legislators over two issues.

First question is — "what is a small loan?"

Some think interest ceilings should be held to 10 per cent on all loans over \$500 while others think higher rates should be allowed up to \$3,000, to include the auto loan category.

Latest proposal would regulate rates up to \$1,500 or \$1,000, thus hold interest to a 10 per cent maximum on all loans over that amount.

This issue will be hard fought and many legislators do not expect it to be settled when the 30-day session is over.

TOURIST ADVERTISING: Daniel urged a \$300,000 appropriation for advertising Texas to tourists. Proposal is backed by numerous organizations who feel that the investment will pay big dividends to the state, especially since the state now has a sales tax.

JUVENILE PAROLE: Last year the start was made on a system of state-paid parole officers to supervise boys and girls released from the juvenile schools. But money was

not available.

VISIT FAMILY: Mr. and Mrs. Eddie Hoffman and family of Hereford, and Mr. and Mrs. Leonard Bartels and family of Summerfield were guests in the home of Mr. and Mrs. Ed Drerup and family of Nazareth on Christmas Day.

NAZARETH VISITORS: Mr. and Mrs. James Fangman and family and Mr. and Mrs. Anthony Paschel, all of Hereford, were guests for Christmas Day in the home of Mr. and Mrs. David Acker of Nazareth.

FRIENDS VISIT: Mr. and Mrs. Marvin Winget of Fort Worth were visitors for several days in the home of their friends, Mr. and Mrs. R. G. Blue of Hereford, during the holidays.

LEAVE FOR NEW HOME: Mr. and Mrs. Robert A. Freeman of 125 Sunset Drive, Hereford, left Thursday, Jan. 4 to live with their daughter Mrs. Lillie Mae Vaughn in Downey Cal.

HOLIDAY GUESTS: Dr. and Mrs. J. M. Nichols of Fort Worth were holiday guests in the home of Mr. and Mrs. Bill Dameron and family.

provided to pay only six men, including a state director.

Daniel asked for 17 more parole officers. Most legislators agreed on the need, but worried about where to get the money. One thing is certain — this Legislature won't raise taxes again — not this year.

It is an unusual Legislature in another respect. It has two Republican members.

Kenneth Kohler of Amarillo

took office first, so he is being called the "minority leader" of the House. His GOP colleague from Texas City, George Korkmas, makes it the largest Republican membership in the Legislature since back in the 1870s, when there were many Republicans in office in Texas, including a governor.

Candidates Are Becoming Active
Politics is perk'ing up! Former

House Speaker Waggoner Carr is at the rail and ready to run for Attorney General. Actually the Lubbock attorney, a Democrat, has been quietly campaigning for the office for several months.

Austin Attorney Walter Koch is an announced candidate for Associate Justice of the Court of Civil Appeals, Third Judicial District.

Judge William A. Morrison of Cameron has announced for reelection to the Court of Criminal Appeals, on which he has served for 11 years. District Judge Otis Dunagan of Tyler has announced against him.

Reciprocal Privileges
Texas Game & Fish Commission has decided to revive efforts to get reciprocal fishing privileges on the border rivers and lakes.

Neither the Texans on Lake Texoma nor the Louisianans on Lake Caddo can tell where the state line is. Sometimes they get fined by the other state's game wardens for not having a fishing license.

Time and time again negotiations have been begun, only to have the idea shelved when officers were changed and the new ones didn't pick up the ball.

This time, Chairman Frank Wood of Wichita Falls will go to Oklahoma, to start talks there. Henry LeBlanc, president of the Sportsmen's Clubs of Texas, will try to get things rolling in his position as Southwest director of the National Wildlife Federation.

Industry Board Picks Clark
Texas has an industry-seeking agency the Texas Industrial

Commission.

It got a new director in Harry W. Clark, who has been head of industrial development for the Texas & Pacific Railway Co. He replaces Walter Dickerson.

Commission decided to center its efforts on coordinating and complementing work of community industry seekers. Also to serve as an information center for facts on industry and its needs. And to help advertise Texas nationwide. Legislature provided them \$55,000 for these purposes last year.

Aired Up Bread
Agriculture Commissioner John White sent word to all bakeries that the "ballooned loaf" of bread is illegal under the state law.

White said this new "oversized" loaf has appeared in sev-

eral parts of the state.

It actually weighs a pound. But if filled with air it bakes into a loaf the same size as the pound and a half loaf. Weight is printed in small type, so shoppers find it hard to tell the difference.

The state's grocery policeman said if bakers don't cooperate by stopping the practice he'll stop them.

Back to the Black
State revenues will begin to pull into balance this month, as the first full quarter of returns on the new sales tax reached Comptroller Robert S. Calvert.

Since the new law took effect, only \$22,000,000 has come in, and it just about held things even on the state deficit of \$75,000,000 or so.

Quarterly payments by stores, on sales for the last three

months of 1961, are due Jan. 31. They should total about \$45,000,000, less the \$11,000,000 merchants paid in advance in November and thus got a 3 per cent discount.

But it will be summer of 1962 before the new sales tax wipes out the deficit, if all goes as predicted.

One effect of the sales tax has been to get stores located so they will pay the "store tax" which has been in effect many years.

A year ago at this time, only 81,109 stores had paid this tax. This year, 116,393 have paid it.

It all came about when stores were required to get permits as collectors of the new sales tax. Comptroller Calvert cross-checked their names, and collected the "store tax" from them while he was at it.

"LORD, HELP ME"

... she cried. But it was too late. A duty had been shirked... a responsibility neglected... a damage done. Grief is evident. She overlooked an opportunity and a life was lost. Life? What is it? St. James said, "Life is a vapor that appears only for a little while." *Every worthwhile life spends its self serving others.* Every good life has a vital glow... it lends meaning to many little deeds that is determined by a few great decisions. Then don't procrastinate. Don't have to repent in anguish for neglecting God, His church or a friend. Be a faithful church-goer, a dependable community citizen, and a booster of all good things. Then, *whatsoever you ask in His name shall be given.*

You In The Church
The Church In You — form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.

Wall Completes 6 Months Active Duty Training

Army National Guard Pvt. Charles R. Wall, whose wife, Patricia, lives at 432 Avenue J, recently completed the final phase of six months active duty military training under the Reserve Forces Act program at Fort Bliss, Tex.

Wall was trained in the duties and responsibilities of an artillery crewman. He is scheduled to spend the remainder of his military service with Battery B of the 5th Battalion, an Army National Guard unit in Clovis, N. M.

Wall, son of Mr. and Mrs. Rancey J. Wall, Route 3, Friona, attended Hereford High School.

NEW GOSPEL STATIONS

NEW YORK 10 - Construction of two 100,000 watt transmitters to beam Christian programs to most of Africa, the Middle East and southern India is under way, reports the Radio, Visual and Mass Communication Committee of the National Council of Churches. More than a billion people, many of whom have never heard the Christian message, will be in range of the "Voice of the Gospel" stations, when completed in 1963.

HAND OF THE ALMIGHTY

NEW YORK 10 - Mrs. Fred Jaggie, a member of the supreme court of Ghana, told a Presbyterian meeting here: "We have arrived at the place the Almighty is shaking up all the nations, asking, 'Man, where is your brother?'"

During the last five years in Ohio, 213 persons have been killed and more than 7,000 injured while operating or riding on farm tractors.

OFF THE Shelf

BY H. A. TUCK

Through the centuries, men have probed into the subconscious mind for deeply hidden powers or secrets.

In a brilliant book by Dr. Andrija Puharich, one such probe is explored with startling results. **The Sacred Mushroom, Key to the Door of Eternity** is not a title to excite spine-readers browsing through the library.

But once started, this book cannot be left alone or easily forgotten.

Dr. Puharich is one of America's foremost authorities on parapsychology and extra-sensory perception. Unfortunately, his own reputation in the field is well-hidden and further research is necessary to determine the truth of such a man, so much like "science-fiction" does it sound.

Dr. Puharich was startled to find himself recalled into the Army. He was even more astounded to find that his commission had been held up for some time. Once it was restored, he was nothing more than a "sick" call doctor, diagnosing minor ills and treating small illnesses.

That is, until his commanding officer casually mentioned that he would like to see Puharich do some research on ESP (extra-sensory perception) and a possible drug that might heighten such senses.

His research did little until he received a letter from a friend in New York who wanted Puharich to meet a young Dutch sculptor, who did odd things while in a trance.

He met the man, Harry Stone, and felt that he was not trying to fool anyone. At times, Stone would spontaneously go into a trance, sometimes speaking ancient Egyptian words and/or drawing Egyptian hieroglyphics.

Gradually, there emerged a pattern as Stone's subconscious tried to impart knowledge of an ancient mushroom cult, through which the mind or spirit could be unlocked from the body.

Through hypnosis and age regression (remember Bridey Murphy?), it was established that Stone apparently had no knowledge of ancient Egyptian history or culture which would account for his actions during a trance. Through age regression, Stone related some details of a "former-life" as a German during the 19th Century and a great deal about a "former life" as a nobleman in Egypt.

Peter Hurkos, another young Dutchman, joined the group. Hurkos is described as a "sensitive," that is one who could relate details from handling an object. He could, at times, describe a picture he could not see just by handling it. But, when handed an envelope containing some material about Stone, he got impressions from Egypt and even felt compelled to draw some crude pictographs or hieroglyphics, although there was nothing in the information about Egypt or Stone's trances.

nor did he, at that time, know Stone experienced such trances. Hurkos occasionally predicted events which would transpire later, and was proved right. But one of Stone's friends, not subject to visions or trances, had one vision in which she predicted where the mysterious "golden mushroom" might be found near Puharich's laboratory. It was found there and subsequently many others were found in the area, and elsewhere within driving distance.

Puharich was enthused to find a man in New York who had been studying mushrooms and who had done research among a sacred mushroom cult of Indians in Mexico. They used a different variety of the same "golden mushroom" and apparently got the same results.

The author then delves deeply into the root words of his study and finds some startling similarities in them.

He also explores several possibilities and outlines future experiments which might be necessary for more conclusive results.

In the first of five Appendices, Puharich describes scores made by sensitives to extrasensory perception through carefully controlled conditions. In other explanatory notes, he further describes in detail some of the interpretations of hieroglyphics done by Stone.

This is one of the most eerie books I have read. It makes the more conventional mystery thriller seem like a fairy tale of goodness and light.

Puharich is convinced that he has uncovered a long-hidden secret of a sacred mushroom rite in ancient Egypt. It would be difficult for even the more hardened skeptic to doubt his findings or his deductions after reading this book.

This book is on the non-fiction shelf at the Deaf Smith County library. But, unless you like cold chills running through your body, don't read this book in a dark house, alone and late at night.
