Chamber Banquet Set Thursday

Several Contests In Local Politics

Chairmen of county political parties this week made their final lists of candidates for county, district and state offices.

Around Town

A felony indictment case transferred to Hereford on a change of venue from Oldham County has been delayed, according to Sheriff Lowell Sharp.

The discussion on regulated rates for irrigation gas sales has died down slightly, but undoubtedly will be revived again when the Legislature returns to action.

O. Wertenberger of Hereford left for Ohio this week, after receiving word of the death of his sister.

We would like to commend Denzil Pulliam for his work as chairman of the Citizens' Study Committee which investigated school operations here.

Gilbert Lamb, radio-station manager in Muleshoe, will be guest speaker at 7 p.m. Sunday, Feb. 11, at the First Baptist Church of Hereford.

Central PTA will meet on Saturday, Feb. 10, at 7:30 p.m. for a Family Night.

There will be a number of contested elections, both in the Democratic primary and in the general election. Republicans in this district have no more than one candidate in any of the races.

With Jesse Osborn of Muleshoe not seeking re-election as State Representative of the 91st District, there are four in the race: Bill Clayton, Springlake Democrat; B. M. Nelson, Dimmit Democrat; W. T. Bill Miller, Muleshoe Democrat; and J. Frank Ford Jr., Hereford Republican.

Andy Rogers of Childress, Democratic state Senator for the 30th District is opposed by Robert Kluk, Littlefield Democrat, and John D. Zahn, Republican from Fairwell.

On the local scene: Justice of the Peace C. B. Berry Miles is opposed by Jim Neill, Both are Democrats; County Treasurer Verma Hodges is opposed by Lois Rutter, with both running as Democrats.

Otto Massie is not seeking another term as County Commissioner, Precinct Two. This post is sought by Austin C. Rose Jr. and Marcus Latham, both Democrats, and Robert Betzen, Republican.

R. Donald Hicks, Commissioner from Precinct Four, is opposed by another Democrat, Glenn B. Allred.

All other district and county posts which are up for election are sought without opposition by the Democrats now in office.

County Democratic Chairman Louis H. Woodford, seeking re-election, announced the following candidates for Democratic Precinct Chairman: John Douglas Pitman, Precinct 1; Bill Gentry, Precinct 2; Jack Weaver, Precinct 3; J. V. Perrin, Precinct 4; Tommy Carnahan.

An Air Force deserter said to be stationed in Alabama was apprehended here Monday and turned over to Air Force authorities at Amarillo Air Force Base.

The 23-year-old man was picked up on a fugitive notice issued by the Federal Bureau of Investigation. He had been employed for the past several weeks at a local service station and a cafe.

FBI agents had traced the man to this area. He was picked up by Henry Aycock, chief of police.

MEMBERS OF A citizens' committee studying Hereford public schools hears Kendall Williams, school business manager, talk about transportation accounting systems during a meeting of the group Monday. The committee adopted reports from four sub-committees and will submit them to the board of trustees for consideration Tuesday. (Staff Photo)

Committee Approves Many Suggestions For Schools

A long list of suggestions and recommendations were approved almost without question by a special Citizens' Study Committee of the Hereford Public School system Monday night.

Committee chairmen read their findings and evaluations of four major groupings of the school system during a meeting in the high school cafeteria.

A few of the items were discussed briefly before unanimous adoption and recommendation of the findings to the school board.

The committee also urged that no competitive athletics be permitted in elementary school and that athletics in the seventh and eighth grades be de-emphasized.

Also cited was the need for better equipment in some of the laboratories in high school.

Urged strongly was more vocational training in junior and senior high school, along with public school music starting at the first grade level.

It also was recommended that conversational Spanish classes be taught on an experimental basis, beginning in the third grade.

Extra teachers were asked during the early part of the school year to help alleviate overcrowded conditions in the lower grades.

A difference in opinion was passed on to the board as to division between elementary school, junior high and senior high.

The sub-committee which studied the elementary schools recommended that the board consider a "5-3-4" system, with first through fifth grades in the elementary schools, sixth through eighth in the junior high and ninth through twelfth grades in high school.

This was opposite from the junior high study group, which favored a "6-2-4" system, with the first six grades in elementary schools, seventh and eighth in junior high and ninth through twelfth in high school.

Both sub-committees agreed (Continued on page 2)

Award, Speech Two Highlights

Largest of all such affairs in the Southwest, the annual Deaf Smith County Chamber of Commerce banquet will be held Thursday, Feb. 8. Slated to begin at 7:30 p.m., the annual meeting will bulge the walls of the Hereford High School gymnasium.

One of two major attractions will be the announcement of Citizen of the Year for 1961 award recipient. This year's selection will be announced by Cleo Meharg, president of the Hereford Lions Club.

Other high point will be appearance of Justin Wilson, famed Cajun story-teller and humorist.

More than 850 persons are expected to be on hand, according to Chamber manager Bill Thompson.

This will be the 16th year for the presentation of the Outstanding Citizen of the Year award.

Previously honored have been: Wayne Evans, 1946; Dub Reeves, 1947; W. E. Dameron, 1948; Dr. L. B. Barnett, 1949; Lyle Blanton, 1950; Henry Sears, 1951; Father Raymond Gillis, 1952; S. O. Wilson, 1953; Earl Phillips, 1954; D. C. Kinsey, 1955; Della Stagner, 1956; Argen Draper, 1957; Don Zimmerman, 1958; Wayne Lawrence, 1959; and Faye Plank, 1960. A special award also was given one year to Dr. George W. Heard.

Master of ceremonies will be newly-installed Chamber president Clint Formby, who has promised a streamlined banquet format, with adjournment in not more than two hours.

The Rev. Herschel Thurston, pastor of the First Methodist Church of Hereford, will give the entertainment.

Mrs. John T. Sims will provide organ dinner music. Special musical entertainment will be given by the Deaf Smiths, a new men's quartet. Included in the group are Ben Gollehon, Bill Penn, Wesley Hopp and Don Moore. They will sing three numbers.

Outgoing Chamber president C. Palmer Norton will make brief remarks and Formby will present plaques to Chamber directors whose terms have expired.

Mrs. Dyathia Benson will make presentations to first, second and third place winners in the thrift essay contest. They will receive cash awards.

Fourth grade finalists are Patricia Cooper, Kerri Lynn Dameron and Wayne Schilling; fifth grade finalists are Jane Witkowski, Cynthia Rogers and Cindy Cavness; finalist from the sixth grade are Stephen Jenko, Larry Patzold and Sherri Marsh.

A safety consultant turned (Continued on page 2)

Drive Started To Control Dog Problem In City

A drive to end the number of dogs roaming city streets without proper tags and no rabies vaccination was begun this week as a man was assigned full-time to animal control, announced Henry Aycock, chief of police.

All dogs in the city must have city tags and be vaccinated. Any dog caught without the vaccination tags or creating a nuisance will be impounded, he continued.

Tags may be secured at City Hall. Owners must furnish a description of the animal and present a certificate from a veterinarian proving the dog has received the shots.

Dogs caught by the animal control officer will be kept for several days before being destroyed, Aycock said.

During the first day of the drive, ten dogs were impounded by the control officer. The drive will be continued on the accelerated basis for the remainder of the month.

City Okays Budget, Makes Change In Zoning On 385

City Commissioners in a lengthy session held Monday night approved a proposed budget calling for the expenditure of almost \$600,000 for the next fiscal year and ended a zoning issue which has been before the Commission for the past several months.

The budget passed by the Commission calls for increases in the salaries of city employees, increased capital improvements, and the establishment of an operating reserve.

Baseball Slate Announced For Hereford High

A slate of at least 18 games and possibly more has been announced by Hereford baseball coach Willie Williams.

First game is slated for March 9 in Hereford against Pampa Harvesters.

Hereford will tangle with all three Amarillo schools, Pampa and Borger in a rugged pre-conference schedule. It is likely that other games will be slated against Nazareth and probably other schools during the season.

A strong group of lettermen will provide the core of the team but will be aided by an outstanding group of sophomores joining the squad.

Assisting Williams in coaching duties after the basketball season is completed will be Cuby Kitchens.

As in the past, the District 1-AAA diamond race will be a three-team affair, with Dumas, Hereford and Levelland (Continued on page 2)

Arrest Couple In Liquor Case

Fifteen cases of quart bottles of beer and a car were impounded and a Latin American couple were arrested here Saturday on charges of illegally transporting liquor.

Arrested and charged with offense were Elias Perry Flores 26, of Hereford, and a woman companion, Margaret T. Lucero 34, 122 Main St.

Mrs. Lucero pleaded guilty to the charge in County Court, Judge H. C. Williams presiding, and drew a fine of \$100 and court costs. She was also sentenced to 30 days in the county jail.

Flores pleaded not guilty on the similar charge and bond was set at \$1000.

He was also charged with carrying a prohibited weapon when a tire chain with a tape handle was found in the automobile. Flores pleaded guilty to the charge and drew a sentence of 30 days plus court costs.

It is reported that the couple bought the cases of quarts to the south of Hereford and allegedly transported them into the county for resale.

The state liquor control law states that possession of more than one quart of liquor or a case of 12-ounce cans of beer is "prima facie evidence for possession for sale". The burden of proof rests on the person charged.

LITTLEFIELD STALLS

Herd Drops Wildcats, 99-58, Hosts Levelland On Friday

Littlefield's Wildcats did one thing right Tuesday evening... they executed a stall that blunted Hereford's attack during the final three minutes and kept the Whitefaces from scoring 100 points.

Other than that, Littlefield was almost helpless as Hereford won 99-58 and used its reserves freely throughout the game.

The victory kept Hereford in contention for a share of the district 1-AAA title. Dumas clinched at least a tie Tuesday by defeating Phillips 61-53 in Dumas.

But there is a major hurdle before Hereford faces the Demons. And that is the up-and-down Levelland cage crew. The Lobos are out of contention with just two wins and four losses. But they can be dangerous as proved by their defeat of the Demons, 50-45, in the opening game of district play.

Levelland is paced by David Schmidley and Rocky Hill. First game here Friday night will match Hereford and Levelland B teams at 6:15 with the varsity game beginning at 8 p.m.

Hereford Man Draws Sentence For Hot Check

A 52-year-old Hereford man was sentenced to five days in jail and \$27.45 court costs in Deaf Smith County, Judge H. C. Williams presiding, for misdemeanor swindling with a worthless check.

Arrested on the charge was William Howard May, 52, 402 Mabie. The arrest was made on Wednesday, Feb. 1, by Ed Roberson, deputy sheriff.

Four fouls were called against Hereford and one against Littlefield during the period but the Wildcats missed their first three free throws before (Continued on page 2)

STUDYING THE CITY BUDGET proposed for the fiscal year beginning May 1 and ending April 30, 1963 are Mr. and Mrs. Ted Higgins, 202 Sunset Drive. Ten citizens were present for the hearing held during the regular City Commission meeting held Monday, Commissioners approved the \$599,705 budget with only one minor revision. (Staff Photo)

# Baseball...

(Continued from Page 1) completing. Phillips does not have a baseball team and Littlefield prefers to play in another league outside the Texas Interscholastic League framework.

Heading the list of lettermen and squadmen from last year's team are outfielder Dan McDowell and shortstop Ken Loerwald. Other regulars include pitcher Drew Kershner, pitcher-catcher Mickey Stevens, infielder John Willoughby, infielder

John Buck, first baseman Joe Mack Hale, pitcher Gary Kendrick and outfielder Glen Nelson. Among the sophomores are a pair of pitchers who performed well with the American Legion team last year. They are Richard Casas, who also plays infield, and Jim Haney, who plays in the outfield.

A pair of hard-hitting sophomores, Gayland Otis and Ronnie Duncan, also are expected to add strength to the roster.

In addition to these, there are a number of other candidates now out for the team. First game of the season, with Pampa here, might be a doubleheader. It is slated for Friday and schools will be closed for a regional teachers' meeting.

Schedule at this time includes:

- Mar. 9 - Pampa here dblehr.
- 13 - Amarillo-High there
- 17 - Pampa there
- 20 - Palo Duro there
- 24 - Tascosa there dblehr.
- 27 - Borger there
- 31 - Amarillo here dblehr.
- April 3 - Dumas there\*
- 10 - Levelland here\*
- 13 - Dumas here\*
- 20 - Levelland there\*
- 24 - Dumas here\*
- May 1 - Levelland there\*
- 5 - Dumas there\*
- 11 - Levelland here\*

\*Indicates District 1-AAA game

## Award...

(Continued from Page 1) humorist could aptly describe Justin Wilson, whose trademarks are his cane and mustache. The Louisiana-born speaker was educated at LSU and started out telling stories about his Cajun friends during safety lectures.

It wasn't long before he was getting requests to speak at clubs and conventions. This mushroomed until he now schedules some 200 speeches a year. This is in addition to his widespread work as a safety consultant for a number of private companies in several states.

During the past several months, his records have been notable hits. They are recordings of actual addresses and a refreshing relief from the current trend of "sick" comedians. Caterer for the meal Thursday evening will be Walter Jettson of Forth Worth.

## Parish Council Views Europe At Afternoon Tea

The Parish Council of Catholic Women is sponsoring a Silver Tea Sunday, Feb. 11, from 3-5 p.m. in the Saint Anthony's School auditorium.

There will be entertainment for the children in one of the school rooms and everyone is welcome.

Mrs. W. E. Damerton will be the guest speaker and will illustrate her talk with colored slides of her European tour. She was a delegate from the Christian Church to a world convention last summer in Scotland.

Her pre-convention tour included Rome and the Vatican City, as well as many other places.

## Stanton Squads Host Tourney

Stanton Junior High School seventh and eighth grade Dogies will host the second annual Hereford Tournament here Friday and Saturday.

Squads from Tullia, Dimmitt, Canyon, Clivis, and Hereford will compete in the two-day tournament. Action gets underway at 10 a.m. Friday as Canyon and Marshall Junior High of Clivis tangle.

Hereford eighth graders will meet Dimmitt at 11:30 a.m. Friday in the Stanton Junior High gymnasium. Seventh graders see their first action at 2:50 p.m. Friday as Stanton takes on Tullia.

Hereford will meet Tullia in the second round of the seventh grade division at 7:30 p.m. Friday.

Eighth grade Dogies will meet Marshall of Clivis at 6 p.m. Friday in their second round. Finals for the tourney will commence at 8:30 p.m. Saturday. Trophies will be awarded immediately after the finals, and an all-tourney men's squad for both the seventh and eighth grades will be announced.

## Committee...

(Continued from Page 1) that ninth graders should be included in high school, since their classes are governed by high school rules. They differed on what grades should be included in junior high. The elementary group felt that moving the sixth grade to junior high would provide stronger training for that class and help alleviate crowded conditions in the various elementary schools.

On the other hand, the junior high school study group felt that the sixth graders were not ready to be included in the junior high program and that having only two classes in junior high would help solve a problem of overcrowding.

A number of other recommendations, ranging from special reading classes to better cafeteria service, were made by the various study groups.

As a public service, the Brand is carrying complete texts of the reports. This issue includes reports from the Latin-American and Elementary sub-committees. The Sunday Brand will carry reports on Junior High and High School findings and recommendations.

## Several...

(Continued from Page 1) Precinct 6; H. H. Miller; Precinct 7; Glenn Burrus, Precinct 8; Elmo Hall, Precinct 9; and Bill Massie, Precinct 11.

There is no candidate for the chairman of Precinct 10. County Republican Chairman Kenneth Rudd also is seeking re-election. Only precinct chairman seeking election is Wes Owen for Precinct 11.

With the filing deadline less than a month away, only one candidate has filed for City Commission. Bill Howard announced for Place 3. No one else has filed for Place 4. The present Commissioners, Troy Moore for Place 3 and Dr. R. E. Wills for Place 4, have not announced whether they will seek re-election.

Both school trustees whose terms expire have filed for re-election. They are Dr. L. B. Barnett and Ivan Block. Only other candidate is Leroy K. Williamson.

**BIG SHARE TO MISSIONS**  
KANSAS CITY, Mo. (AP) — More than 80 per cent of the 1962 budget of the Church of the Nazarene will go for world missions. Out of the total of \$3,391,168, \$2,189,497 will go to foreign missions, \$458,035 to home missions and \$65,000 for overseas broadcasts.

## City...

(Continued from page 1) ness slated for the area rather than the rezoning.

Previous statements to the Commission, Lipscomb had indicated he planned to build a drive-in cafe on the lots.

Main objections cited by the residents where that they believe it would turn the block "into a race track", decrease the value of property and "invite vandalism."

The group remarked that they were not opposed to business in the area and were for anything that would upgrade the community.

During the discussion, the point was brought out that deed restrictions had been removed from the property along 25 Mile Ave. in a petition signed by all property owners.

The petition removing the restriction read almost the same as the zoning ordinance for "D" commercial property it was pointed out in listing acceptable businesses. Drive-ins were not listed.

It was learned Tuesday that Lipscomb had decided not to build the drive-in due to the restrictions in the deeds for the property.

An amendment to the ordinance setting trash collection was approved by the Commission with a new rate schedule for grocery stores adopted.

It was felt by the members that charges made to store owners were in some cases too high with others being too low. The rate charged is based on the number of square feet in the business.

The city, it was pointed out, was also losing money on the previous rates schedule.

Rates approved by the Commission are 0-1499 square feet, \$2.50; 1500-1999 square ft., \$3.50; 2000-2999 square feet, \$4.50; 3000-3999 square feet, \$5.50; 4000-5999, \$6.50; over 6000, \$7.50.

Additional dumpsters to handle trash from large grocery stores also call for a rate of \$40.

Commission members also approved a request by high school students for the construction of a stockade type fence around the patio at the Hereford Community Center.

In the request, the students told commissioners they had raised \$300 for project and asked the city for the remaining \$300 for the fence. A contract was signed with Santa Fe for the right-of-way for the new water line recently installed by the city under the tracks. An easement was also granted to Betty Rice for the installation of a sewer line from her property to the city main.

## Around...

(Continued from Page 1) Refreshments will be served.

Mr. and Mrs. J. G. Fortenberry will be honored by their children with a 50th wedding anniversary reception Sunday, Feb. 11. It will be held at the Bippus Community House, 14 miles north and 25 miles west of Hereford, from 1 until 4:30 p.m. All friends of the couple are invited to attend.

George Graham, former Hereford schools superintendent, has been named acting president of Hardin-Simmons University in Abilene. Graham, the school's executive vice president, was named this week after the resignation of the president, Dr. Evan A. Reiff, because of ill health.

If you weren't aware of the Chamber of Commerce Banquet Thursday night, you just haven't been in Hereford long. One of the town's most outstanding affairs, it will start at 7:30 p.m. Some of the physical arrangements have been changed in order that more hall space will be available.

After four games on the road Hereford basketballers return home for their final two games. They will host Levelland Friday at 8 p.m. and then take on the Dumas Demons next Tuesday, Feb. 15.

A relatively new resident of this county, four years or so, came stumbling into the office Wednesday afternoon exclaiming: "I thought the dust didn't blow until March." Little does she know of the Panhandle.

It may be blowing instead of fair, Whipping hair-do's into a mess But I have a secret joy, I must confess: It's a time when I enjoy having little hair!

Have you read the classifieds?

## Herd...

(Continued from page 1) hitting one.

Hereford had a commanding 28-11 lead as the first period with the referee holding the ball out of bounds as time ran out.

Reserves started the second period and gave up enough points so the Wildcats got within 12 markers. That didn't stand up, however, as Cansler and Curtsinger pushed through free throws to widen the gap.

By halftime it was 52-26. Curtsinger whipped in seven points as the third period opened while Littlefield was limited to a single field goal. During the last four minutes of the third quarter, Littlefield managed just four free throws, all by Grover Pigrum.

Hereford, at that point, was coasting along with a 76-41 lead.

The fourth period was enlivened only by Hereford's efforts to hit a hundred points, having given up any possibility of holding the score to reasonable proportions.

Mack Cansler, driving and faking, tallied nine points to cap his finest effort of the year. A rash of nine foul calls against the Herd didn't make much difference as the Wildcats made nine of 16 attempts from the charity line.

Hereford fans, and not a few from Littlefield, looked on with amazement as Littlefield went into a stall with about three minutes left in the game. The Whitefaces then were leading 93-55.

Cansler hit a pair of free shots which were matched by Littlefield. Then Eugene Green scored a field goal and Littlefield got its final free throw.

With ten seconds remaining, Cansler hit a driving crisp shot that gave Hereford its final points. As the clock showed three seconds left, Dwight McGee was fouled. With a one-and-one situation, he missed on his first shot and Hereford was still trying to tip in the rebound when the game ended.

Mack Cansler paced the Hereford scoring leaders with 25 points, including five of six free throw attempts. Jerry Curtsinger came through with 21 points, Dennis Hodges had 14 and Randy Dowell got 10.

Grover Pigrum and Larry Wood shared high honors for Littlefield with 19 each.

Hereford's point output was well-distributed as the Herd got 28 in the first period, 23 in the second, 24 in the third and 23 in the fourth. Littlefield got 11, 15, 15, and 17.

REP. WALTER ROGERS WRITES

# Urge De-Urbanization For Exploding Growth Trends

**TO THE PEOPLE OF THE 18th DISTRICT:**  
 Much has been said and written about the problems and difficulties of the urban population. It has been repeatedly pointed out in economic reports that the decrease in our farm population means that there is a corresponding increase in the city areas. I believe it is now estimated that 70 per cent of our population resides in the urban or metropolitan areas of the country. This trend has been obvious for years to statisticians, but its physical impact on the economy of the county and on the political makeup of the country is just now beginning to be felt.  
 It is an assumed fact of human nature that a great many of man's problems are caused by over-congestion. The social ills

of the past were primarily the result of over-crowding in Eastern cities.  
 It provided a fertile field for the exploitation of Man by Man on an economic basis. It was the breeding place for crime that subsequently developed into national and international syndicates of crime. It created innumerable other problems associated with the greed of man.  
 As the population continues to increase at the rate of some three-plus million per year (an increase which will in itself increase), the problems become accordingly greater. The migration from the rural areas into the metropolitan areas has not ceased but, in fact, appears to be increasing.  
 Only recently it was estimated that by 1980 our population will

have increased by 65 million people. This will mean that we will have some 240 million people in the United States. Yet, in 1950 the experts estimated that by 1975 we would have 175 million people. They also estimated that it would be almost impossible to feed that many people. It shows how wrong experts can be.  
 The fact is that the migration from the farms to the cities is caused by the increasing difficulties encountered by farmers in making a living, especially small farmers trying to operate

family-sized farms. It is presently estimated that although the population will increase to some 24 million by 1980, 50 million less acres will be required to feed the population. Some argue that the farmer has advanced technologically so fast and so well that he has virtually put himself out of business. Be that as it may, the more rural people who move into the cities, together with the natural increases in the populations of the cities, the more social problems we are going to be faced with in this country, and the more and greater the demands for legislation to solve them.

It will necessarily follow that the demands for such legislation will be to the Federal Congress in most instances, rather than the State Legislatures. The reason being that most States under taking to meet the problems posed by this great influx of the population to the metropolitan areas are now bankrupt or on

the verge of it. They do not have tax sources from which to acquire the funds to meet the demands. Most of their taxing powers have already been stretched to the breaking point. Hence, these cities are turning more and more to the Federal government, as a number of them have done in the past, and as others will do in the future.

The end result will be complete centralization of the government of this country. It will mean the ultimate destruction of the dual sovereignty form of government and could well do much damage to the basic separation of powers theory.  
 Several years ago a group of us in the Congress undertook to place a "dispersal amendment" on authorization and appropriation bills for defense expenditures. This would have set up machinery for expenditures by the Federal government to be spread out through the country

and contribute to the dispersing of the population. This amendment was repeatedly defeated because of the greater number of Representatives from the areas designated as industrial areas of the nation.  
 Had the amendment passed I feel that the people of those areas, or perhaps their children, would have been much better served. Although it may have been necessary for them to have been removed from one geographical location to another geographical location within the U. S. it could be assumed that this would have been to their benefit rather than their detriment. Certainly it would have avoided the declaration of many of these areas as distressed areas, to be the recipients of negotiated contracts to keep employment up, and Federal welfare grants.

the problems of health, of social justice, of freedom from exploitation, of crime, and create an opportunity for the freedom which many of the people have never tasted. They might like it.

NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR CONSTRUCTING PERMANENT IMPROVEMENTS AND ADDITIONS TO THE DEAF SMITH COUNTY HOSPITAL AT HEREFORD, TEXAS, AND TO ISSUE TIME WARRANTS NOT TO EXCEED \$30,000 IN PAYMENT OF ALL OR A PORTION OF THE COST THEREOF.

SEALED PROPOSALS addressed to the Commissioners' Court of Deaf Smith County, Texas, will be received until 10:00 o'clock A.M. on the 16th day of February, 1962, at the office of the County Judge of Deaf Smith County in the Court-house at Hereford, Texas, for furnishing all labor and materials and performing all work in connection with constructing permanent improvements and additions to the Deaf Smith County Hospital at Hereford, Texas, in accordance with plans and specifications now on file in the office of the County Judge of Deaf Smith County, Texas, where they may be examined without charge.

ALL BIDDERS must submit cashier's or certified check issued by a bank satisfactory to the Commissioners' Court, or a proposal bond given by a reliable surety company authorized to do business in the State of Texas, payable without recourse to the order of H. C. WILLIAMS, County Judge, in an amount not less than 5% of the amount of the proposal or bid as a guarantee that the bidder will enter into contract and execute performance and payment bonds within ten days after notice of awarding contract to him. Bids without required check or proposal bond will not be considered, and bids must be submitted on the forms provided.

The SUCCESSFUL BIDDER will be required to furnish a Performance and a Payment Bond, each in the amount of the contract, written by a responsible Surety Company authorized to do business in the State of Texas, and satisfactory to the Commissioners' Court, as required by Article 5160, V.A.T.C.S., as amended by H.B. 344, passed by the 56th Legislature, Regular Session, 1959.

BIDDERS are expected to inspect the site of the work and to inform themselves regarding all local conditions.

ATTENTION OF BIDDERS is directed to the provisions of Article 5159a, Revised Civil Statutes of 1925, as amended, requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of public works. PLANS SPECIFICATIONS and contract documents may be obtained from the offices of OSCAR A. SCHILLING, Architect, Amarillo, Texas, upon deposit of \$10.00, which sum shall be returned upon receipt of a bona fide bid and the plans and specifications in good condition, provided the plans and specifications are returned within ten days after the bid opening. If plans and specifications are not returned to the Architect within the time stated above, and if no bona fide is submitted the entire deposit will be retained.

NOTICE IS HEREBY FURTHER GIVEN that it is the intention of the Commissioners' Court of Deaf Smith County to pay all or a portion of the contract price by the issuance and delivery to the proper contractor or contractors interest bearing time warrants of Deaf Smith County, Texas, the principal and interest of which are to be payable from ad valorem taxes to be levied out of the County's Permanent Improvement Fund, such warrants to bear interest at a rate of not to exceed FOUR AND ONE-HALF PER CENTUM (4 1/2%) per annum, payable annually or semi-annually, and to be issued in the principal sum of not to exceed THIRTY THOUSAND DOLLARS (\$30,000), payable serially, the maximum maturity date to be not later than December 31, 1973, and the successful contractor or contractors shall receive such warrants in installments based upon periodic estimates approved by the Commissioners' Court.

THE DIFFERENCE, if any, between the amount of the lump sum contract price entered into with the successful bidder and the amount of interest bearing time warrants to be issued and delivered to the successful bidder (which shall not exceed the principal amount of \$30,000) will be paid by the County in cash.

THE COUNTY has made arrangements for the contractor to dispose of such warrants herein mentioned at par value thereof, and all bidders shall be governed accordingly.

NO BID may be withdrawn after scheduled closing time for receipt of bids, for at least thirty (30) days.

THE COUNTY reserves the right to reject any or all bids and to award the contract to the bidder or bidders, who, in the opinion of the Commissioners' Court, offers the proposal to the best interest of the County, and

### 9 Finalists In Essay Contest Are Revealed

Nine Hereford grade school students have been named as finalists in a Thrift Essay Contest sponsored by local banks and savings associations.

Part of a nation-wide event, the local contest drew 226 entries from fourth, fifth, and sixth grade students in all city grade schools.

Cash prizes will be awarded to winners in each of three divisions, and the finalists will attend the annual Chamber of Commerce banquet. First place essays in each grade division will be submitted to the national Thrift Essay Contest.

Finalists in the fourth grade division are Patricia Cooper, daughter of Mr. and Mrs. Nell Cooper and student at Central under Mrs. C. R. Higgins; Kerri Lynn Dameron, daughter of Mr. and Mrs. Bill Dameron and student at Aikman under Mrs. Joseph Rojek; and Wayne Schilling, son of Mr. and Mrs. E. C. Schilling and student at St. Anthony's under Sister Amabile.

Finalists in the fifth-grade classification are Jane Witkowski, daughter of Mr. and Mrs. Leo Witkowski and student of Sister Wendelena at St. Anthony's; Cynthia Rogers, daughter of Mr. and Mrs. Jack Rogers and student of Sister Wendelena at St. Anthony's; and Cindy Cavness, daughter of Dr. and Mrs. H. A. Cavness and student at Aikman under Mrs. Madeline Bell.

Named as finalists in the sixth grade division are Stephen Jesko, son of Mr. and Mrs. Johnny Jesko and student of Sister Mary Imelda at St. Anthony's; Larry Paetzold, son of Mr. and Mrs. Edwards Paetzold and student of Sister Mary Imelda at St. Anthony's; and Sherri Marsh, daughter of Mr. and Mrs. Virgil Marsh and student of Mrs. Ellen Bryant at Aikman.

Essays were judged by local judges. Sponsors of the contest are the First National Bank, Hi-Plains Savings and Loan Association, Hereford State Bank, and Hereford Texas Federal Credit Union.

First place winners will receive \$25, second place \$15, and third will be awarded \$10.

### 'Color Your Shoes' Is Topic Of Meet

Members of the Hereford Child Study Club met on Thursday evening, Feb. 1, at 8 p.m. in the country home of Mrs. S. L. Garrison.

The program was given by Mrs. Martha Sullivan, Junior High School home economics teacher, on "Cover Your Shoes". She said, "Most any shoe in good condition can be covered in satin, wool, cotton or almost any material to match an ensemble."

Announcement was made of the Valentine party to be held on Feb. 15 in the Community Room of the First National Bank. The club president, Mrs. Tommy Braddy, conducted the business session. The members voted to change the club name from Hereford Child Study Club to Hereford Study Club, effective immediately. The recommendation for the name change had presented in a previous meeting.

Those present for the meeting were Mesdames Virgil Walker, Merlin Kaul, Art Stoy, Marvin Knox, George Springer, Ed Wilson, S. L. Garrison, Reuben Knox, Maurice Tannahill, Tommy Braddy and Martha Sullivan, the guest speaker.

to waive formalities. H. C. Williams County Judge, Deaf Smith County, Texas

# Mavericks Are Corralled At Western Day

Ughl Chief War Cloud, who goes by the handle of Dan Taylor on his visits off the reservation, and one of his top braves, Alfred Davis, were quite amazed when they ran across this horseless carriage during

If a stranger had happened into Hereford High School Friday, he would certainly have questioned modern methods of education. It was the school's first "Western Day," sponsored by the student council.

Cowboys, cowgirls, and Indians became the order of the day as Hereford High turned into a wild-west frontier atmosphere and the local citizenry was an assortment of cowpokes and sherriff's posses.

Two assemblies, one a rodeo and the other an awards presentation, were the highlights of a very enjoyable day at school. The rodeo on Friday morning attracted almost all of the area inhabitants. Thrills and spills of the "World-Championship tow-sack ride" in both the boys and girls division started the program off in a side-splitting manner.

A trip down "main street" would have revealed such things as "Dot's Barber Shop," owned and operated by Mrs. Dorothea Prowell's homeroom. Here any "decent" cowboy could get a haircut, shave, shoe shine, and bath for less than a dollar.

A little further down the "street" was the town jail. Keeping law and order in town, (and a few undestrables out of town) were Mar-

shall L. B. Russell, principal, and his deputy, Bill Phillips. Just around the corner and across the street a tired cowboy could cool off in Smiley Smith's Museum and Casino. To prove this was a quiet little town, there were only two "shootins" here all day. Of course a little of this kind of excitement was necessary to stimulate business for "Numbers" Joe Smith, the bartender and museum keeper.

Way down at the end of "Main Street" was the town cemetery. This was the private property of Mrs. Gene Williams, and she proudly proclaimed, she would be the last one to let a good man down. Having been an English teacher back East, she also specialized in epitaphs. The marshal had scattered "wanted" posters all up and down main street, and for some odd reason they had a peculiar resemblance to the faculty.

The first of what may well be an annual event got off to a "rip-snortin'" good start as Marshall Scat Russell and his deputy Bill Phillips officially opened the "Western Day" ceremonies by declaring the local school open for customers.

Shortly thereafter came a never-ending parade of wild-west characters answering every description. There were cowboys, cowgirls, frontier women, homesteaders, bar tenders, barbers, and gamblers.

It's hard to visualize any formal education taking place in such an environment - but surprisingly enough, the normal routine of school work was hardly interrupted. Every now and then everything stopped for a funeral procession or the stage coach races and occasionally the "marshall" would show some "city dude" through town.

Thanks in untold measure goes out to the faculty for their part in making this a very successful day. The entire faculty joined in, and most came dressed in true western style. Some of the senior students did question the ulterior motives of Mrs. Gene Williams when she came dressed as the local undertaker, however.

The most common remark heard from the student body during the course of the day went something like this: "We couldn't have done it without the help of the teachers." or "I guess teachers are human after all."

Not only did the faculty join in the dress and spirit of the day, but some went so far as to turn their classrooms into such things as cemeteries, jail houses, barber shops, museums and casinos, and someone reported a soda shop off on some side street.

Students were also praised by practically every member of the faculty on the way they carried out the spirit and theme of "Western Day". No unruly incidents or out-of-place actions were reported by anyone, and most teachers expressed the opinion that the students really behaved like young men and women, even though they seemed to be having the time of their lives.

Many seemed to feel that this event, more than any other of the year, served to unite the faculty and student body through a feeling of mutual respect and appreciation. During the rodeo held Friday morning, the large crowd watched with laughter as Jay Boynton won the men's division of the sack rider's event and Peggy Neff hopped to first place in the girls' event.

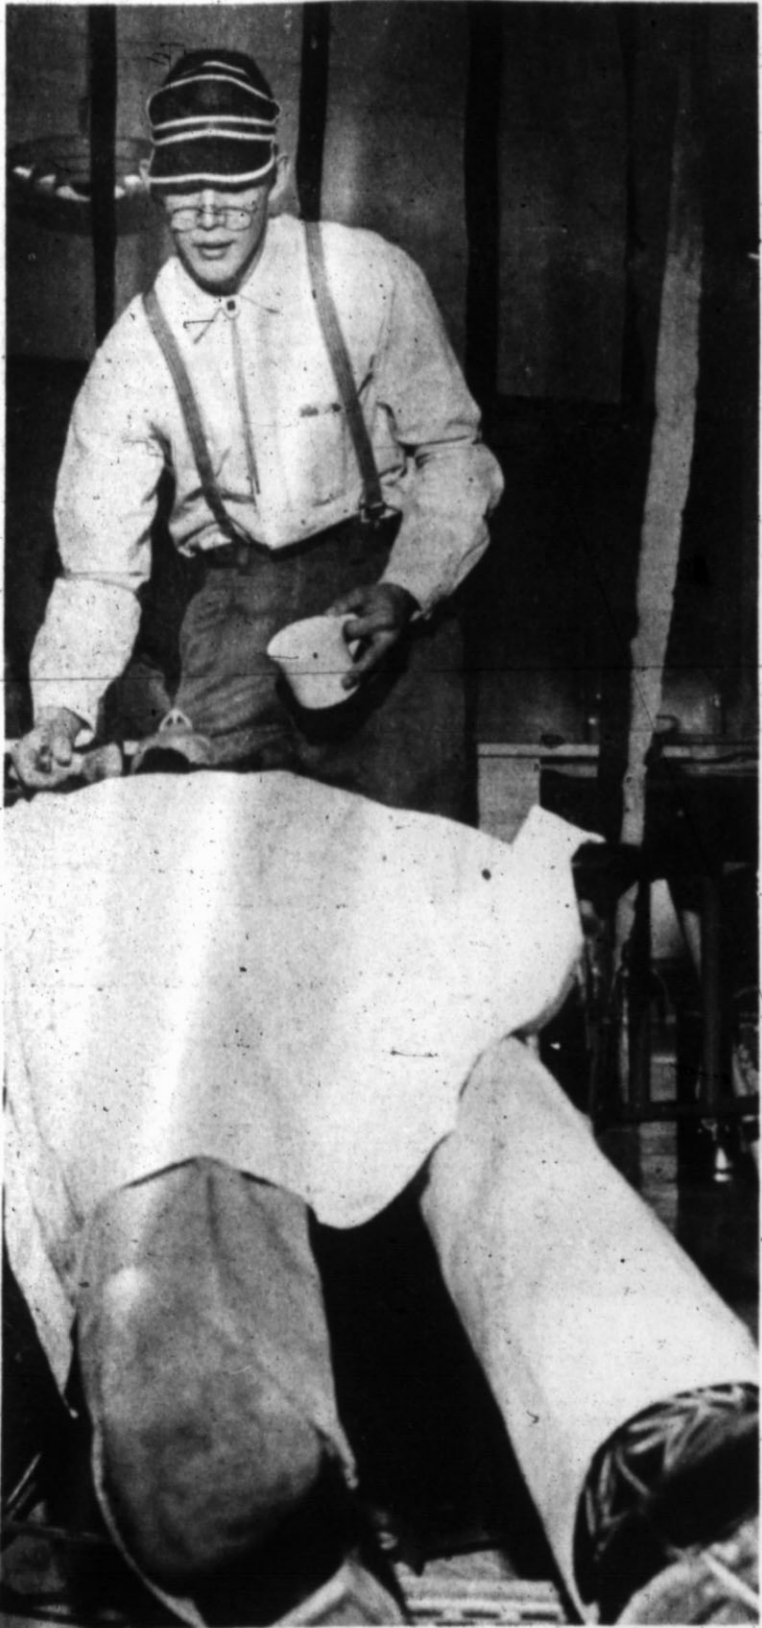

Teachers James Hinkley and Earl Smith won the ping-pong race for the faculty. Named as the "best all-around cowboy and cowgirl" for their eating ability were Judy Guinn and Mike Ferguson.

"Western Day" at Hereford High School. The 1903 Oldsmobile Currey brought Troy Don Moore, a more modernized cowpuncher, to the event.

## The WHITE FACE

Official Publication  
Of  
Hereford High School  
Hereford, Texas

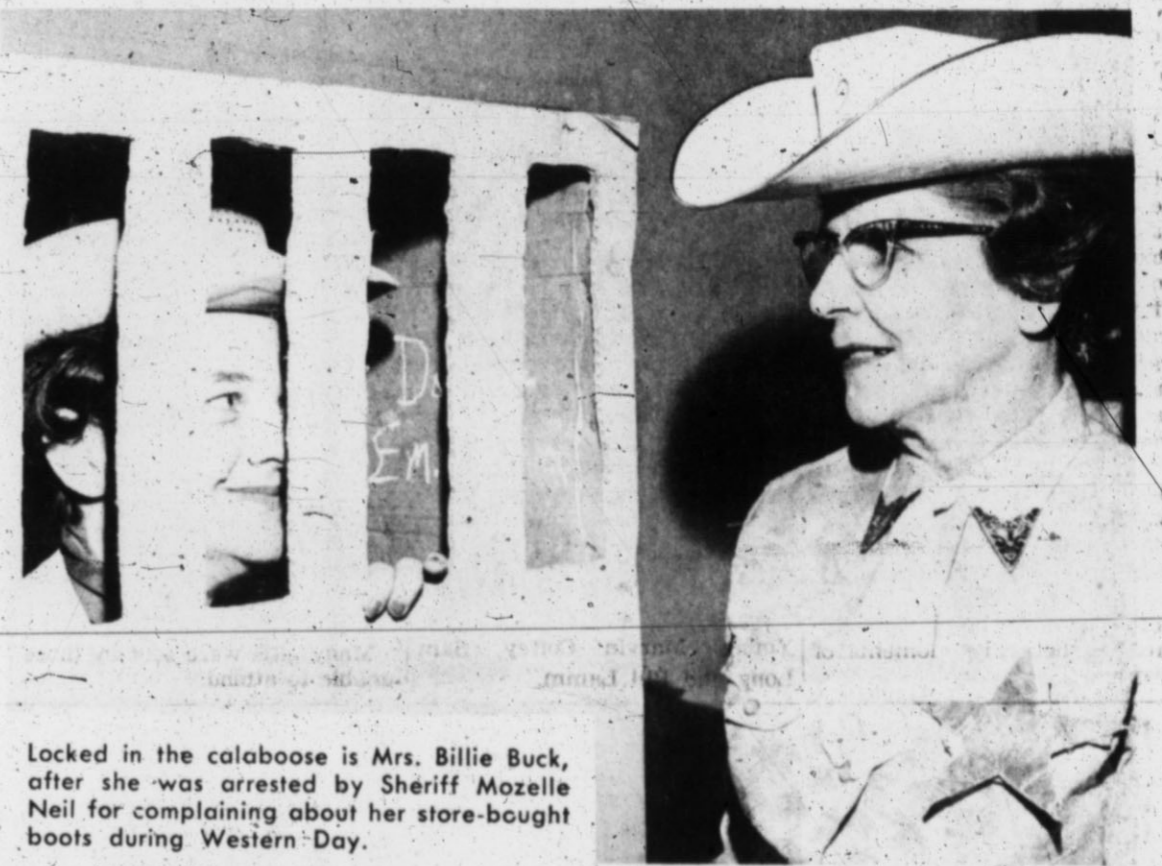

PAGE SIX The Hereford Brand, Hereford, Texas, Thursday, Feb. 8, 1962

A man could sure stretch out and relax in "Dot's Barber Shop" down on Main Street during Western Day. Principal L. B. Russel enjoys a shave from Charles Kelly, who served as combination barber, card dealer, and postmaster, during the first Western Day sponsored by the student Council at high school.

A very humorous trio made its first appearance during an assembly at Hereford High School's Western Day last Friday. The Frio Trio added a couple of vocalists and came up with Lynton Allred, Walker Parris, and Jerry Curtsinger, from left.

Locked in the calaboose is Mrs. Billie Buck, after she was arrested by Sheriff Mozelle Neil for complaining about her store-bought boots during Western Day.

Awards were presented to the students and teachers appearing in the best costumes during Western Day. At bottom left is Darrel Sparks, who appeared as television's Hoss Cartwright. Complete with stiff leg, Jenny Holt was honored for her impersonation of "Gunsmoke's" Chester. Winning awards for being best-dressed for the occasion were Dan Taylor, Linda Reed, Jerre Bea Noland, Charles Kelly, and Mrs. Kendall Williams. Not shown is Earl Smith.

Fresh outta' the saddle, a group of cowpokes examine the display in Joe Smith's museum. Cowboys are Eddie Gallagher, Billy Bolinger, Butch Walterscheid, Carl McCaslin, and Joe Schultz, from left. Many rooms were decorated extensively during the high school Western Day.

ADDING A TOUCH of glamour to the 11th annual edition of "Swanee", Eastern New Mexico University's variety show, will be these six lovely coeds. They are, from left: Jerilyn Burns, Alamogordo; Myrtice Conn, Glavis; Nedra Paschal, Roswell; Valeria

Jones, Hobbs; Deanna Kriegshausler, Hereford; and Sandra Ozmount, Roswell; The show started Wednesday and will continue through Saturday, Feb. 10, at the University Theatre. (ENMU Photo)

# Rotarians Hear Challenge To Think, Work, And Act

The challenge to study, to think, and then to act on political issues through present political parties was issued to members of the Hereford Rotary Club at the regular noon meeting Monday by Bob Mills, an Amarillo businessman.

Mills issued the challenge to the club as he spoke out against the "nearly complete and very dangerous chaos in our country" caused by the many small groups fighting communism and socialism.

In issuing the challenge, Mills urged the group to study the issues and look at both sides of

the question, then, to think clearly.

"There must be a balance in the government," he commented. "It is harmful to have a radical right or left in power when the advocates become fanatics."

He urged the members of the club to act through the parties of their choice from the precinct level to county, state and national levels after studying the issues.

Parties are the means he commented, and good government is the end.

While speaking, Mills pointed out that he was more afraid of creeping socialism than communism, saying that a person could fight communists but not the creeping socialism.

"We are going to have to act, act, act and act on the grass roots level. That is the only way," he stated.

It is popular, he continued, to let George do it. But, today there are too many Georges wearing too many different hats.

In discussing the free society versus the communal society, he used the Plymouth Rock Colony to illustrate his point on why a socialist society will not work.

The society was originally bas-

ed on the communal system which did not work, he stated. Capt. John Smith started the free enterprise system and the colony survived.

In defining communism and socialism, he said there is really no difference between the two - both lead to the same thing. Only the methods are different. Socialism advocates change through propaganda and economic reform while communists advocate change through force.

"What worries me more," he commented, "is that there are too many groups fighting communism but each is going its own way. They do not include all of the people and all are fighting on a different basis."

These groups have focused attention on the problem, but are operating like isolated islands, he continued.

Mills labeled the operation of these groups in this manner as "dangerous."

In commenting on the actions of group, he said, "Whispering groups scare me."

He cited as an example a reported list containing the names of five men. The list alleged that each was a communist.

As the names were spread, the list grew to 22 names, he

continued. The Federal Bureau of Investigation after an investigation established that the list did not exist.

"This type of insidious propaganda is in the manner of the Nazis and communists," he stated. "Whispers are dangerous, very dangerous, and are tearing us apart."

"It is getting worse than the Salem witch hunts," he commented.

To work against communism and socialism now threatening the county, he told the group that the system had already been set up. This system is the present political practice.

If the leaders are wrong, he said, change them by due process of law. If the political parties are wrong, get in the party and work to change them.

In closing, Mills stated that today the threat is from apathy, hysteria and expanding government.

forms of government only last 200 years, he commented.

"The United States has only 20 some odd years to go," he concluded, "but, I would like to see us get another 200-year lease."

Introducing Mills was Bruce Fink, program chairman of the local club. Mills, head of McCormick Advertising Company, is president of the Amarillo Chamber of Commerce and a past president of the Amarillo Rotary Club.

## Bud To Blossom Club Studies Yard Color

The Bud To Blossom Garden Club met on Friday afternoon, Feb. 2, in the home of Mrs. Delmo Williams.

Mrs. E. R. Kendall, the presiding officer, opened the meeting, at which time plans were discussed for the flower show to be held in May.

Mrs. Glyn Bilbrey, program chairman, introduced Mrs. E. R. Kendall, who gave the program on "Year-Round Color In The Yard", using pictures to emphasize many points of interest. The speaker stressed the planting of white flowers for night enjoyment in the garden.

Mrs. Art Manjeot was a visitor to the meeting.

Members present were Mesdames P. L. Carmichael, E. R. Kendall, R. A. Daniel, Lloyd Sharp, Glyn Bilbrey, Calvin Edwards, Sam Long, Clinton West and Delmo Williams, the hostess.

## Communist Tape Played At Meet

The Wyche Home Demonstration Club met on Thursday, Feb. 1, in the home of Mrs. C. F. Newsom.

Mrs. Charles Packard was the presiding officer for the meeting. She announced the next meeting to be held on Feb. 15 in the home of Mrs. J. V. Pickens.

The program, "War And Peace" was presented by Mrs. Argen Draper in the form of a tape recording, "Dr. Swartz' Philosophy of Communism".

Refreshments were served to Mesdames J. V. Pickens, W. P. Axe, H. L. Ward, H. R. Short, Ira Ott, Charles Packard, Ross White, Norman Hodges, George L. Olson, C. R. Damon, and the hostess, Mrs. C. F. Newsom. One visitor, Mrs. G. W. Newsom was also present.

Brown ground beef—mashing with a fork to break up—and add to those canned baked beans for a quick lunch or supper dish.

Many gifts were sent by those unable to attend.

## Pink And Blue Shower Honors Mrs. Allmon

A pink and blue shower was given in honor of Mrs. Jack Allmon Friday evening at 7 p.m.

## Ebony Magazine Features Articles On Dr. Edwards

Dr. Lena Edwards, doctor at the Hereford Labor Camp, is featured in a current issue of *Ebony*, foremost Negro magazine in this country.

Entitled "Lady Doctor to Migrant Workers" the article covers six pages and includes 25 photographs. Written by the magazine's assistant editor, the article describes an average day in the life of Dr. Edwards. It takes in her work with camp residents in pre-natal care, her activities in the hospital, her rush in the current building of a maternity hospital at the camp. It also shows Dr. Edwards in her rare moments of leisure.

Feb. 2, in the home of Mrs. Jimmie Gillentine. Other hostesses assisting Mrs. Gillentine were Mrs. Ray Frye and Mrs. Larry Paschel.

Mrs. Gillentine greeted the guests at the door and Mrs. Paschel presided in the gift room. Mrs. Frye served refreshments from the table, laid with a white linen cloth, appointed in silver. The centerpiece was a bouquet of pink and blue carnations.

Small white cakes trimmed with pink and blue flowers were served to Mesdames Albert Ricketts, L. J. Matthews, J. F. Martin, Wilbur Bell, John Anders, H. A. Tuck Jr., John Torbitz, Bill McIver, Glen Nelson, Marshall Spencer, D. W. Allmon, Lloyd McGee, Alwyn Savage, Urlin Streu, J. B. Sowell, Roy Boyer, Lovie LeGrand, Jimmie Allred, W. T. Carmichael, R. C. Anderson, Nelson McRight, Gerald Cady, E. W. Young, Marvin Coffey, Sam Long and Bill Lamm.

# ETERNAL LIFE THROUGH JESUS CHRIST

## now unto you

... little minds, I speak with whatever wisdom age has to offer. But Paul more wisely said it, "Though I speak with the tongues of angels, and have not Charity, I am become as sounding brass or a tinkling cymbal." The wise lady offers good council but youth, it seems, must learn by experience, by precept, by example. That makes it all the more important for our youth. Keep good books before them; let your word of mouth be clean; make church attendance and Christian living a 'must' at your house, for **Charity must begin at home.** And truly, we are as nothing without Charity. Then come with me to church, let us abide in the will of God, obey His voice and march to victory.

Confessions are Saturday afternoon from 4 p.m. to 5 p.m. and Saturday evening from 8 p.m. to 9 p.m.  
Mass Wednesday evening at 8 p.m.

**Book Discussed At Study Club**  
A discussion of the Pulitzer Prize winning book, "Profile In Courage", by John F. Kennedy, then the senator from Massachusetts, was presented at the Thursday meeting of the Bay View Study Club by Mesdames, W. F. Hardwick, R. B. Miller and John McLean.  
The club met in the Community Room of the First National Bank with Mrs. Phillip Barkley serving as hostess for the meeting.  
In the book are presented the stories of eight U. S. Senators belonging to the Republican, Democratic, Whig and Federalist parties.

By SUZY WOODFORD  
Hey, girls, it is nearly Valentine's Day, which means spring isn't very far behind. Spring is the time of the year when a young man's fancy lightly turns to thoughts 'girls have been thinking all year!  
To celebrate this romantic time of the year several churches have planned sweet-heart banquets. The First Baptist, the Temple Baptist, and the First Methodist all are planning to honor Cupid with fun and festivity.  
So, girls be extra sweet to those special boys and maybe you will be rewarded with a big, beautiful, box of sweets.  
There are quite a few girls including Janis Hagans, Judy Guinn, Carolyn Aven, Peggy Cox, Koni Underwood and Linda Hart that were glad to see warm weather. Nearly every day you can look out the window and see a flock of bicycles with squealing girls on them peddling by. They told me they are working to get slim, trim figures for the summer months. Good luck, girls.  
When we left Ray Seamands and Jenny Holt last week, they were skiing up a storm in Colorado and hoping for a blizzard. Well, Jenny was flying down a slope when her feet got all tangled up and she sprained her leg. Now she is hobbling up and down the hall with a bandage on her knee and answering to the name "Chester". Kay could not be outdone so she fell flat on her face and sprained her wrist. On top of this, they didn't get snowbound even for one day. I believe most of you are acquainted with Robert Thompson, who teaches Spanish and is a student counselor in high school. Well, last week in pep rally, the high school students were doing a competition yell between the girls and the boys called "Two-Bits". So when the girls yelled, "All for Hereford stand up and holler," Robert Thompson became excited and jumped up yelling loud and clear. Jiggs Hudson got a big bang out of it. But to redeem himself, Robert Thompson yelled extra loud with the boys.  
Robert Thompson's students are very fond of him and think he is a lot of fun. One reason being that last Monday his Spanish II classes took cars and went to Clovis to enjoy a steaming supper of Mexican food. I am sure their Spanish helped them know what they were getting and how to order it.  
Last Friday the people at high school, students and faculty alike, celebrated Western Day. Everyone had a roaring

Members present at the meeting were Mesdames D. H. Alexander, Phillip Barkley, Richard Barnard, Colby Conkright, Howard Gault, Jimmie Gillentine, Francis Hardwick, A. M. Jones, W. S. Kerr, John McLean, R. B. Miller, Eugene Naugle and J. W. Spradley.  
The library has decorated book shelves to look like covered wagons, while the clock looked like a cowboy's face. The office was transformed into a jail, run by Sheriff "Scat" Russell and Deputy Sheriff Bill Phillips.  
Western Day was a success and I know everyone is looking forward to another such day, again next year.  
Friday night, after Western Day, the F. F. A. and F. H. A. of Hereford High were to have a Sweetheart and Beau party to get in the mood for Valentine Day. But it was called off at the last minute because of a conflict with the Bull Barn where the party was to be held. It is rescheduled for a later date.

**THEFT IN FANTASYVILLE**  
PHOENIX, Ariz. (AP) - Sheriff's deputies are searching for a thief with a yen for fancy street names.  
Seven signs were taken from a subdivision during one night's raid. The signs read Breathless Drive, Mule Train Road, Up and Down Place, Nonchalant Avenue, Elbow Road, Easy Street and Carefree Drive.

**SHINE NOW, PAY LATER**  
TUCSON, Ariz. (AP) - Stanley Layman placed this sign in the window of his Tucson shoeshine shop:  
"Credit cards honored."

# School Study Committee Reports Findings

(Editor's note: Following are the reports of two of the four citizens' committees, approved Monday after a two-month investigation into public school affairs and needs. Reports of the four groups will be officially submitted to the board of the Hereford Rural High School District on Tuesday, Feb. 13. It is emphasized that these reports are recommendations only, and that final action remains with the school board, which asked for the studies to be made. Text of the Junior High and Senior High study committees will be published in The Sunday Brand, Feb. 11.)

**LATIN-AMERICAN STUDY COMMITTEE**

The Latin-American Study Committee wishes to make the following findings in its visits to all schools as requested by the School Board. The Committee was divided into sub-committees who visited all Hereford school buildings, by individual schools, are:

**AIKMAN SCHOOL**

Difficulties here are not as acute as the Latin-American percentage at the time of study were only 19.7%. Most of these were in the first grade. The Latin-American enrollment at Aikman is from homes of a more permanent nature and, consequently, pose fewer problems than those from migrant families. The greatest problems encountered were:

- Language barrier
- Problems traced to home environment
- Personal hygiene habits
- Disease
- Nutrition
- Shyness (These children tend to need special attention from the teachers)
- Attendance

**NORTHWEST SCHOOL**

Very few difficulties were found to exist here as there are only twenty-six (26) Latin-American students enrolled. Attendance and the problem of not speaking English were encountered at the beginning of school year, but everything is fine now.

**SHIRLEY SCHOOL**

At the time of research 44% of the enrollment was Latin-American and had run as high as 49%. Fifty (50%) percent of the first grade are Latin-Americans. There are 510 students en-

rolled in this school. A big problem here is the heavy percentage of Latin-American students, compounded by the fact that a large number of these students are migrant. Non-English speaking Latin-American students are grouped in a special class. General social problems are the same as found at the other elementary schools. One problem in particular is the child who will bring an inadequate lunch or go home and eat without having eaten, refusing free lunches because of pride.

**CENTRAL SCHOOL**

We found the largest percentage of Latin-American children enrolled in this school of any of the elementary schools - 49% of a total enrollment of 520. The same general problems were found here as the other schools except as compounded by the larger percent of Latin-American enrollment. For the past three or four years the principal, with the approval of the administration, has studied the problems and put into effect a program of grouping in the first four grades. At first, we were told, the teachers were skeptical of this system, but during the years it has been found to work with merit; and the teachers are now in accord with the system. It was necessary to set up one class for non-English speaking students. The grouping that has been done was based on the capabilities of the individual by many factors, including the Achievement Tests.

**JUNIOR HIGH SCHOOL**

Our committee found their problems similar to those of the elementary schools. The administration is doing a great deal of research and study on this problem. They are using a remedial room at present for the migrant students that have not been regular in school attendance. Here, as in Central and Shirley, due to the large percentage of Latin-American students, more classrooms and more teachers are needed.

We found in the schools that the junior high counselor and the school nurse have approximately double the pupil load as recommended by the state. St. Anthony and St. Joseph Parochial Schools were also visited to obtain on over all pic-

ture of the Latin-American problems in our community. Since these schools teach only through the elementary grades; our system is affected when these students come into our school system. The principal at St. Anthony's stated they had very few problems due to the low percentage of Latin-American enrollment. Greater problems were found at St. Joseph's due to the very heavy percentage of migrant students and the lack of school facilities.

**WE RECOMMEND:**

1. That, for the benefit of the students as a whole, we practice no segregation as to race, color or creed. Grouping according to capabilities is not to be construed as segregation.
2. A more intensive Adult Education program among Latin-American parents including the following: a. To speak at least one hour per day of English in their homes; b. Health education; c. Encouragement of more regular school attendance.
3. A system such as, or similar to, the one being used at Central School be employed in other elementary schools where a high percentage of Latin-American enrollment exists.
4. More classrooms and teachers to alleviate the special problems. We would like to see our teacher pupil load meet state requirements for minimum number of pupils per teacher, particularly in the special classes, and, if possible, special materials be made available for these groups.
5. Another school nurse and junior high counselor be added to alleviate the overload.
6. That a study be made of the feasibility of equalizing the Latin-Americans among the various elementary schools.
7. That a study be made to add vocational or other special courses needed at junior high to better equip the Latin-American student for his life's vocation as a very high percentage of these students drop out of school at the junior high level.
8. That a study be made as to the feasibility of employing part time teachers during the heavy seasonal load of transient Latin-American pupils.

We appreciate our School Administration and Faculty for the splendid cooperation given us during this study. We commend them for the way they have handled the Latin-American situation under the handicaps of the teacher shortage and limited facilities.

**ELEMENTARY SCHOOL STUDY COMMITTEE**

The Elementary School Study Committee, would like to thank the school board and the administration for the opportunity to become more familiar with the Hereford School System. We want to commend them on the above average schools and the high level of teachers in our system. For the cooperation during our visits and the wonderful support of our elementary principals, we express our appreciation. Following, you will find our recommendations. If any person is interested and would like further information, our reports are on file with the school board.

**SPECIALIZED PROGRAMS**

1. Recommendation: That public school music is of genuine importance and that, if at all possible, instruction in public school music by a qualified teacher should be given beginning in the first grade. Explanation: Public school music instruction currently begins with the fourth grade under qualified instruction.
2. Recommendation: That the first, second and third grades have supervised play and the fourth, fifth and sixth grades have equal qualified physical education instruction for both boys and girls. This committee also recommends all playground activities have faculty supervision to assure direction of the activities and safeguard the children.
3. Recommendation: (a) Teaching of Spanish in the elementary schools beginning with the third grade would be attempted on a trial basis in our system if qualified instructors are available. (b) Such instruction should be that of conversational Spanish. (c) The instruction period should be at least weekly and, if possible, semi-weekly.
4. The present system of the individual classroom teacher providing the gifted or extra bright student with additional work and opportunities of leadership development within the classroom composed of the ex-

tra bright, average and below average is most desirable and particularly is this true in a system of our size. If there is to be any separation whatsoever of the various students, it is suggested that the below average would more profitably be separated from the others, leaving the average and the extra bright together.

5. Recommendation: The present specialized educational program should be supported and enlarged as the needs of the system require.

**TRANSPORTATION**

Recommendation: That a covered storage area be provided for all buses housed on the school grounds to protect from ice and frost, and thereby assure adequate visibility and give protection from the elements.

Explanation: School buses start around 4:30 a.m. in the winter time to remove ice and frost. This would be good business as well as a safety precaution.

2. Recommendation: That the cost of extra-curricular uses of the buses be charged to the department using such transportation and the Transportation Department be reimbursed in accordance with state regulations.

Explanation: It was found by the committee that some 30,000 miles of bus transportation were used for extra-curricular activities.

3. Recommendation: A system of graduated pay scale should be instituted for the drivers, whereby the longer routes would receive a justifiable salary.
4. Recommendation: That pupil accounting for transportation purposes be figured all three ways and the school take the plan which would be most advantageous instead of using the first Monday of February.

Explanation: State aid for the transportation of school pupils is based in part on the number of students transported. The regulations allow them different systems of pupil accounting either of which is permissible. These are listed below:

- a. Average number of pupils transported last school day in each of the first five months.
- b. Average number of pupils transported last school day in each of first six-weeks periods.
- c. Number of eligible pupils transported, first Monday in February.

5. Recommendation: That frequent spot checks of drivers on their routes should be made to insure that all safety precautions are being taken.

Explanation: It was the opinion that sufficient administrative personnel is available for these checks.

6. Recommendation: That every effort should be made by the board and administration to

operate the transportation system as economically as possible.

7. Recommendation: That other vehicles owned by the district and serviced by the transportation department should be accounted against the departments using such vehicles.

It is the desire of the Transportation Committee to express their thanks to Mr. Bob Wilson, Mr. Fred Baird and Mr. Kendall Williams for their cooperation, time, effort and interest extended to the committee in making this investigation. It is their hope that this report may more fully acquaint the public with the transportation problems confronting our school district. No discrepancies or recommendations noted in this report are aimed at any individual, but with the interest that our transportation system may be improved.

**SCHOOL POLICY**

1. Recommendation: That the scheduled competitive meets in after-school physical education program be discontinued.
2. Recommendation: The urging of uniformity of the grading system in the elementary schools.

Explanation: The sub-committee on school policy felt that though the basis of arriving at grades in all elementary schools was the same in theory, in actual practice there was a wide discrepancy. They felt that an a b c in one school did not necessarily mean the same quality of work in another. This results in problems when the pupils are put in the same class in junior high from different schools.

**PHYSICAL PLANT AND EQUIPMENT**

Recommendations: The sixth grades be moved to junior high because of lack of space in all elementary schools, with the consent and supervision of the Supervisor of Elementary Education.

2. Recommendation: That an extra teacher be hired to take care of the overflow in elementary schools for the first semester.
3. Recommendation: That the suitable schools that have been planned for additional space (Northwest and Aikman) be built onto, including a room at Northwest to be a gym, cafeteria and auditorium.
4. Recommendation: That in the building program a room be provided for special testing.
5. Recommendation: That more careful attention should be given to the distribution of the labor camp buses.
6. Recommendation for Dawn School: That an investigation be made into the duplicator and the playground equipment.
7. Recommendation for Central School: That a public address system be added.
8. Recommendations for Shir-

ley School: a. That this school be furnished four new sets of reference books. b. That new cafeteria equipment, tables and benches in one unit be added. c. That the interior of the building be repaired and more storage be built.

9. Recommendations for Parkview School: a. That the fifth and sixth grades of Parkview be assimilated into other public schools as a result of a request initiated by the Parkview P.T.O. b. That this recommendation be adopted as soon as possible. c. That the area in front of the school have suitable ground covering. d. That the school be provided with outdoor playground equipment, a steel filing cabinet and provisions for Audio Visual Education.

10. Recommendations for Northwest School: a. That the school be provided with a bell and more grass for playing area. b. That four record players be purchased for the school.

H. D. CHATTER

Wide Variety Of Topics By Program Committee

By ARGEN DRAPER

This week we have had two programs that were planned by the Sub-Committee of the County Program Building Committee.

man of this group and Mrs. Homer Ridd is secretary. The Safety Committee of the County Program Building Committee met on Tuesday night.

STAR THEATRE

Thursday Friday

1 MOVIE

Mrs. John Coleman of Wellington was in Hereford Tuesday and gave us some good suggestions on the Safety contest which the Wellington Business and Professional Women's Club entered.

Too, the Executive Committee of the County Program Building Committee met Friday afternoon. A rare sight: Last Thursday morning, the three agents were in the office, all morning until noon.

Thanks to Lucille Armstrong for bringing me up to date on the Farmer's Wife Rose. Lucille had had a number of calls about this rose after the story in Farm Journal.

Mrs. J. B. Caraway drew my name at council in Mrs. Joe Wagoner's get-acquainted game. Helen Caraway sent the following recipes which was part of the game.

Her Mother's Recipe for Chicken Custard:

Boil one large hen and let it stand overnight in the broth that it is cooked in. The next day prepare your usual dressing for chicken with onions and sage and cornbread. Then make this custard: 1/2 cup chicken broth 1 quart scalded milk 3 Tablespoons flour beaten into 4 eggs.

Grease a large shallow baking dish and place a layer of chopped chicken, then a layer of dressing and then a layer of the custard. Do this alternately until all ingredients are used. Be sure to end with a layer of custard. Place this in a 375-degree oven and bake for 45 to 50 minutes.

Sunshine Meat Pie 3/4 pound hamburger meat 1 cup bread crumbs 1/2 cup milk 1 egg 1 1/2 teaspoons Worcestershire sauce

2 Tablespoons grated onion Mix all the above ingredients and place in a 9 inch pie pan that has been greased, lining the pan as if it were a crust with the meat mixture. Drain one can of corn and add one cup of well drained tomatoes, 1/2 teaspoon salt. Mix this and pour into the meat-lined pan and dot with one Tablespoon of butter and bake at 350 degrees for about 40 minutes.

Some cooks "stir" eggs they are cooking in the shell because they say this helps to center the yolks.

A SCRAMBLE FOR A LOOSE BALL saw Jerry Johnson (10). Hereford took a 57-38 Curtsinger hit the floor during action against the Phillips Blackhawks in Phillips Tuesday night. Blackhawks also trying to retrieve the ball were Jackie Gray (32) and Philip...

BUILDING SITES FOR SALE One acre or more. Utilities available. On bus and mail routes. ROBERTA CAMPBELL 1 1/2 Miles SE of Hereford B-4-6-2C

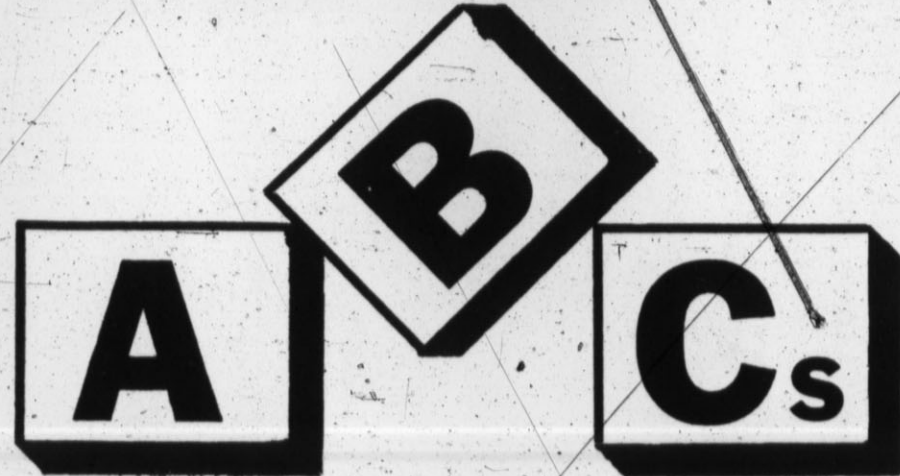

ON HER TOES NASHVILLE (AP) - An international ballet star has admitted what the non-dancer has believed all along: toe dancing can be hard on the toes. "Dancing is not really a natural thing for the body but we have to make it look natural," said Toni Lander, blond beauty who was born in Copenhagen, lives in Paris and dances with the American Ballet Theater. "Many times our legs get tired and our toes hurt." The remedy, she said, is universal: "We soak our feet. But if we don't have time to worry with them, we just grin and bear it."

DOCTOR FOUND MORE TROUBLE GRANITE CITY, Ill. (AP) - A gunshot wound may have saved Dwayne Pritchett's life. The 10-year-old lad was wounded while helping his father, Theodore Pritchett, repair a jammed revolver. A bullet entered the boy's abdomen, missed vital organs and came out his back. When a physician operated on the boy at St. Elizabeth's Hospital, he found Dwayne's appendix was badly infected and removed it. Ever add a pinch or two of basil to canned tomato soup?

EDISON OF THE LINKS DES MOINES, Iowa (AP) - An Iowa inventor is working on a golf ball that will contain a tiny transmitter beaming a pattern of "beeps" to a transistor receiver to be carried by the golfer. The "beeps" would lead the golfer to the ball.
