## City Reconsiders Monthly Gas Cost Adjustments

By DON RICHARDS  
Brand News Editor

Hereford City Commissioners Monday night decided to reconsider a request from Pioneer Natural Gas for monthly cost of gas adjustments if Pioneer can interpret two major clauses in the ordinance it is seeking.

Pioneer, which presently can make yearly adjustments in increases it pays for gas at the wellhead, is seeking the monthly adjustments for the second time in four months. The Commission turned down the same request in its October 15 meeting.

"We are back again asking for the monthly adjustments of bills to consumers," said Dale Young, manager of Pioneer Natural Gas in Hereford. "We have a different ordinance here that we are requesting that defines 'average cost of gas' that we hope you will approve."

PIONEER originally presented the request to the Commission in September and the commissioners rejected the proposal in October. At that time Young told the Commission the monthly adjustments were needed so that Pioneer could have the sufficient cash flow to bid for new gas in the field. He said the price

of gas was increasing and that Pioneer needed immediate usage of cash on hand to stay competitive with other gas companies to make sure Pioneer kept a sufficient supply of gas reserves to serve its customers.

"We are not asking for higher return of profit," Young told the Commission, "We just need to be able to pass the increased costs on to the consumer on a monthly basis instead of the present yearly basis."

HOWEVER, even with the interpretation of the "average cost of gas" by Pioneer Monday night, commissioners still questioned interpretations by the gas company.

Mayor Jim Sears said he would be satisfied if Pioneer could better interpret its amortization of "dry holes" expense and the expense of high interest the gas company has to pay.

Sears commented that he felt Pioneer presently has a figure in its budget to cover the expense of "dry holes" and

interest. He added that only the additional expense over this budget figure is all he felt should be passed on to the consumer.

"I feel this proposal could be interpreted to mean that all of Pioneer's dry hole and interest expense could be passed on," the mayor added. "I also feel there is some chance of our picking up dry hole expense for past years. If you (Young) could get us a little better interpretation on this then I think we might be able to consider it better."

Sears said he felt the commission would be ready by the next meeting (Feb. 18) to say "yes or no" if Young can get the interpretations by then.

Young said most of the cities served by Pioneer had already approved the monthly adjustment plan and that it had also been passed on to most industrial and farm accounts of Pioneers.

Right Off The Rim

Hereford's Dan VanderZee pulls a rebound right off the rim during Tuesday night's action here against the Lubbock Monterey Plainsmen. VanderZee led all scorers in the contest with 20 points. Hereford now travels to Lubbock High Friday night.

THAT feller on Tierra Blanca Creek says dogs are much like people. Usually only one is barking at anything in particular; the others are barking at him.

Overheard at the coffee shop: The new movies are all for adults only. If you aren't an adult when you go in, you sure are when you come out.

A BUSY and interesting political season looms on the local scene, with the ballot complete for county offices, but still more time for additional candidates to file for city and school posts. The county filing deadline passed Monday with another maniling for the Precinct 4 commissioner race. Andy Shuval, criminal district attorney, completed the county ballot last week when he filed for reelection. There were rumors he might draw an opponent, but he wound up unopposed.

Voters will have three contested races on the county level—those of judge and commissioners in Precincts 2 and 4. Three will vie for the judge's post; five Demos and one Republican are in the Precinct 2 race, and three are seeking the Precinct 4 post.

THE TRUCKERS' strike is another frustrating experience in a chain reaction of events that have hit the American economy in the past year. Most of us can offer no immediate solution, yet we can't understand why the government doesn't handle the situation.

We are just beginning to realize what a "credibility gap" is, because we have many doubts. We wonder if the energy crisis is real or managed, and we hear conflicting reports. We wonder about Watergate and the President's involvement, and no one gives us a clear-cut answer.

We live in a vibrant, progressive area. We think we have good representatives in Austin and Washington. The burning question may be: Can and will the "silent majority" ever get together and let its mandate be known in the nation's capital?

HEREFORD lost a good man this week. It was a shock to many friends and acquaintances to hear of the death of Worth Covington Wednesday morning. We came to know Worth through his interest in sports, seeing him at almost all football and basketball games. He was an avid supporter of Whiteface athletic programs, and an active member of the booster club for many years. We join his many friends in Hereford in mourning the loss of a fine citizen.

By SPEEDY NIEMAN  
The cold-shooting Hereford Whitefaces trailed Lubbock Monterey throughout the contest, then were victimized by the Plainsmen's "keep-away" game in the final period to absorb a 64-48 defeat here Tuesday night in the opening clash of the second round of District 4-AAAA.

Hereford's shots wouldn't fall and the Whitefaces notched only eight points in the opening quarter and in the final period. Monterey took a 15-8 lead in the

first stanza and maintained the edge most of the way.

The fired-up Plainsmen held a 49-40 advantage going into the final quarter and their ball-control tactics resulted in 11 free shots and two field goals in the closing eight minutes. The Herd lost Dan VanderZee and Dennis Noggler on personal fouls in the last period, too.

VANDERZEE was the game's top scorer with 20 points, but Mike Albiar was the only other Hereford cager in double figures with 12. Monterey had four

players in double figures, led by Matt Parsley's 14 points. Dick Clardy and Mike Anderson had 12 each for the winners, and Jackson Pace added 11.

Hereford, after tying Plainview in the first round of action, starts off the second round with an 0-1 record and a 19-9 season mark. Monterey is 17-10 for the season. In other 4-AAAA games Tuesday, Plainview edged Coronado, 53-45, and Snyder nipped Lubbock High by 81-79.

The Herd travels to Lubbock Friday to play the Westerners, hoping to get back on the victory trail and stay in contention for at least a share of the second-round title. The Herd will play here again next Tuesday, hosting the Plainview Bulldogs.

THE WHITEFACES were hampered by cold shooting and turnovers most of the way here Tuesday night. The Herd had brief spurts in the second and third periods and closed the margin, only to see Monterey pull away each time. Both teams scored 20 points in a swift-moving second quarter, and Monterey led by 35-28 at halftime.

The Herd closed to within four points early in the third quarter, but Monterey came back to take a nine-point lead, 49-40, to start the final period. Albiar hit from outside to cut the lead to seven, but Anderson retaliated from under the basket, then Noggler fouled out and Steve Thornell hit two free shots as Monterey moved out front by 55-42. Junior Morales hit a short jumper to cut the margin to 11, and Hereford still had hopes with about 5 minutes left.

Monterey got one free shot, then VanderZee got two from the charity line to make it 56-46 with only 2:39 left. From that point, Monterey upped the lead by

cashing in free shots as Hereford committed fouls trying to get the ball.

HEREFORD was charged with 20 personal fouls in the contest, while Monterey had 18. The Herd hit 14 of 19 free shots, while Monterey was 20 of 26. Monterey's height paid off under the offensive boards as they converted a number of rebounds into baskets.

Hereford won only one of the three games, as the sophomores took a close 54-51 victory over the visitors. The Herd JV was plagued by bad passes and wound up losing by 73-53.

Mike Hull led the JV scoring with 14

points, and Craig Nieman had 13 and Dave Charest 10. Mike Crim led the winning sophomore cause with 17 points, followed by Mike Foster with 9.

## Truckers Strike Felt In Hereford

The impact of the nationwide truckers' strike was felt in Hereford this week, and national wire services reported Wednesday that President Nixon's freeze of diesel prices was rejected by negotiators for the independent truckers.

As a result of the transportation stoppage, Hereford's Armour & Co. packing plant closed down this week, putting an estimated 250 without work and leaving only a skeleton crew. Top J. Hamlett, Armour plant manager, said the length of the shutdown was "very indefinite," but he hoped the plant could resume operations as soon as possible.

Truckers nationwide have been "striking" and blocking service station drives in a protest of rising diesel fuel costs. More layoffs and pending food shortages were reported in some areas as the increasingly violent strike continued.

ENERGY chief William T. Simon announced Tuesday afternoon that President Nixon had ordered diesel fuel prices frozen until the end of February, or until Congress acts to allow truckers to pass along their increased costs more quickly.

Negotiators for the truckers, however, said the drivers rejected the price freeze. They want assurances that the price freeze would remain in effect as long as necessary until Congress has acted. It was also indicated they would

not go back to work until they had immediate authority to levy an additional five per cent surcharge on shipments.

While the Armour plant closed down Monday, the Caviness Packing Co. of Hereford was still operating as usual this week. Terry Caviness reported that "our volume has not lessened yet." He added that the plant didn't sell to markets in the northeast like some larger operations. "We are selling to people with their own trucks and for shorter hauls."

THE DEAF Smith Chamber of Commerce, through its transportation committee headed by Burke Inman, appealed for help in telegrams sent to U.S. Sen. John Tower, U.S. Rep. George Mahon, State Sen. Max Sherman and State Reps. Bob Price and Bill Clayton.

Text of the telegram: "Due to the uncertainty of the availability of carrier equipment and drivers, the major beef packing plant at Hereford will cease operations on Monday, Feb. 4. This plant employs more than 350 people. Such action can be expected to have an adverse chain effect on beef production and could conceivably create a severe setback to the industry, as well as impose undue costs increases to the consumer through a false shortage of beef. While we can offer no permanent solution, the board of directors asks you to use your influence to establish negotiations to relieve the situation and to encourage the immediate return of the trucking industry to provide their vital service."

## Grand Jury Returns Indictments

A Deaf Smith County grand jury Monday indicted 10 persons for nine felony offenses and passed on the only other case before it.

Acting as a new jury in its first meeting of the session, the grand jury indicted three of the persons for burglary, one for theft by bailie, one for swindling with a worthless check, and five for driving while intoxicated (DWI) — second offense. The only other case before it was a forgery and passing

charge which the jury passed on for later consideration.

Indictments passed down by the grand jury Monday and reported by Andy Shuval, criminal district attorney, include:

—James Edward Stubbs on a charge of burglary.

—Arthur Lane Alexander, charged with DWI-2nd.

—Lee Rochester, charged with theft by bailie.

—Jessie Flores and Esidro Cervantez,

## Rose Joins Race

Austin C. Rose Jr., 48, closed out Deaf Smith County's political filings Monday when he joined the race for County Commissioner Precinct 2 as a Democrat.

AUSTIN C. ROSE JR.  
Files For Precinct 2

Monday was the filing deadline for county, district and state candidates and Rose was the only new candidate to announce on the final day.

Rose's decision to run for the Precinct 2 position puts him into the race with five other candidates. Four Democrats had already announced for the race and one local man had filed for the race in the Republican primary.

Already announced for the commissioner post, for which incumbent Marcus Latham has said he will not run, are Clinton Jackson, Grant Hanna, Bill Griffin and Joe Ziser as Democrats and LeRoy Williamson.

There were late speculations and rumors Monday that at least two other persons were considering Democratic candidacies in both the county judge race and for the position of criminal district attorney. However, Leo Witkowski, county Democratic chairman, and B.F.

Jr., both charged with burglary of a private residence.

—Donald Keith Jackson, charged with DWI-2nd.

—Hilario Federico Garcia, charged with DWI-2nd.

—Guadalupe A. Casarez, on a charge of DWI-2nd.

—Ray C. Williams, charged with DWI-2nd.

—R. M. Walker, charged with swindling with a worthless check.

# Jail Fight, Misdemeanors Keep Local Officers Busy

One prisoner was slightly injured Tuesday when a fight broke out in Deaf Smith County jail as local police and sheriff's officers stayed busy during the first of the week. Chief Sheriff's Deputy Art Burton said a fight broke out

shortly after noon Tuesday among prisoners in one cell of the county jail, but that it was quickly calmed by officers. One prisoner, identified as Buddy Galvan, was slightly injured and required medical attention, but was returned to the jail later in the afternoon.

In other action local officers were busy with two alleged felony charges and several misdemeanors.

Galvan had been arrested over the weekend by Hereford police officers and charged with assault after an incident in which Robert Guzman, 22, received a knife cut to his side. Tuesday morning David Martinez was arrested by the Sheriff's Department and also charged with assault in connection with the same case.

In other action Police arrested a Hereford man on a misdemeanor charge of making an obscene phone call; arrested six youths in two separate cases involving either use or possession of small amounts of marijuana; made nine arrests

# Flu Causing Little Trouble In Schools

Dr. Roy Hartman, Hereford schools superintendent, said Wednesday that attendance has not been greatly effected here because of seasonal flu or colds.

Several schools in the Panhandle area have reportedly closed temporarily because of flu, cold or sore throat problems, but Hartman said average daily attendance here is still close to normal.

"We did have about 100 students absent Tuesday from high school and attendance at both junior highs is just slightly below average," he said. "However, many of the grades in elementary schools have reported perfect attendance. What problem we do have is in high school and the junior highs, and even there it has been nothing serious at all."

involving either drunk charges, driving while intoxicated, or minor in possession of an alcoholic beverage.

Officers also investigated two cases of reported stolen bicycles and one reported stolen tennis racket.

# Rose Files For Commissioner

Continued From Page 1

Cain, secretary, said Rose was the only person to openly express intentions of filing or to actually pick up a filing application.

THREE persons are presently in the race for county judge as incumbent H.C. Williams faces challenges from Sam Morgan and J. Mike Ranspot.

Andy Shuval, incumbent criminal district attorney who filed for re-election Friday, drew no opponents as did incumbent 80th District Judge Archie McDonald and District Clerk Lola Faye Veazey.

County races in which incumbents will not have formal opponents include Justice of the Peace, County Clerk, County Treasurer, and County Surveyor.

The other major county race up for grabs in the county commissioner Precinct 4 position from which incumbent Donald Hicks is stepping down. Candidates in the race, all Democrats, include Luther Lesly, James Voyles and Webb Blankenship.

ROSE is a farmer in Deaf Smith County and he and his family have been farming within the county since 1936. He and his wife, Helen, who is a native of Deaf Smith County, reside on Route 4 and have two children. One son is enrolled at Texas A&M and they have a 13-year-old daughter in a junior high school in Hereford.

The following list is the candidates for which campaigns will be run and which will appear on the May 4 ballot:

District Judge — Archie McDonald.  
Crim. Dist. Atty. — Andy Shuval.  
District Clerk — Lola Faye Veazey.  
County Judge — H.C. Williams, incumbent; Sam Morgan, J. Mike Ranspot.  
County Clerk — B.F. Cain.

County Commissioner Pct. 2 — Clinton Jackson, Grant Hanna, Bill Griffin, Joe Zinser and Austin Rose Jr., all as Democrats; and LeRoy Williamson as a Republican.

County Commissioner Pct. 4 — Luther Lesly, James, Voyles, M.H. "Webb" Blankenship.

County Treasurer — Vesta Mae Nunley.

Justice of the Peace — Glen Nelson.  
County Surveyor — A.J. "Major" Schroeter.

IN OTHER action by the Commission:  
A bid of \$3,398.11 was accepted from Orval Watson Ford for a pickup for the Animal Control department of the city. Additional bids came from John Osborn Buick-Pontiac, \$3,465; Jones Motors \$3,469.67; and Johnson Chevrolet, \$3,468.91.  
—Gave final approval to a retirement procedures system for city employees. Commissioners had earlier approved the plan and were waiting on Earnest Langley, city attorney, to make a recommendation on the procedures.

—Approved a loan of \$673 at 5 per cent interest for 10 years to the Hereford Day Care Center to cover the cost of the paving of Norton Street in front of the center. The Center had been assessed the amount and representatives met with the Commission and said they were unable to pay that large an amount. After discussion, Langley recommended the 10-year loan and Commissioners accepted it. The Commission had earlier expressed that it might place a lien against the Center for the amount, but decided against setting such a precedent.

—Approved an easement to the Howard Gault Company for a drainage pipeline across city property. Easement right fee was set at \$10.

—Approved the starting of annexation procedures for two blocks in south Hereford after more than half the owners presented a petition asking to be included in the city limits.

—Heard a report from Dudley Bayne, city manager, that all right-of-way has been purchased for the widening of the intersection of U.S. 385 and Park Avenue. The construction work is expected to begin this spring by the Texas Highway Department.

—Viewed a display of dangerous drugs prepared by members of the Hereford Police Department. Officers have been conducting seminars with the display concerning the harmful effects of drugs.

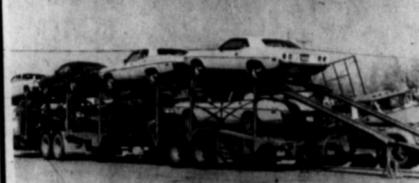

Parents who wish to transfer children from their home school district to another area for the 1974-75 scholastic year should make necessary application to the receiving district by May 1, 1974. Leon R. Graham, Texas Education Agency assistant commissioner for administration, announced Jan. 31.  
The May 1 deadline for requests will enable school districts to file summary reports with the Texas Education Agency by May 15, Graham points out.  
These reports will be reviewed by the Agency to make sure none of the transfer requests violate U.S. District Court Order 5281 issued by Judge William Wayne Justice in Tyler on April 2, 1971. Under this order, any transfer of students from one school district to another must not change the racial or ethnic balance in either the home or receiving district by more than one per cent.  
If the balance is altered by more than one per cent, the transfers will be denied, Graham adds.

## Spring Sports Calendar Being Planned At HHS

Spring Sports are now getting under way at Hereford High School according to Larry Dippel, athletic director. Newest sport to join others will be the new girls track program. The district teams were recently announced with only three divisions in the state. Classes AAAA and AAA were

combined into Conference AA with regular Classes AA and A being formed into a Conference A. All Class B schools in the state will be in Conference B. The Hereford team is coached by Sue Powell. In the district with the Hereford girls track team will be Borger, Canyon, Dumas,

Pampa, Perryton and Plainview. The date for the district meet has not been set, but the regional meets are scheduled for April 26-27 with the state meet in Austin set for May 10-11. The Boys Baseball program began with workouts Friday under the direction of Coach Aaron Bourland assisted by Jim Arthur. First game will be in Amarillo against Caprock March 1.

Thomas are presently in the Lubbock Tournament and will begin district play in Plainview April 5 with the district tourney. "We have a very good spring sports program," said Dippel. "We hope we can get good support from the people of the community for all the different areas. People can come to watch workouts and then see some good competition at the games."

## Mike Albiar Leads District In Scoring At Halfway Point

Hereford's Mike Albiar is the leading scorer in District 4-AAAA as the six teams pass the halfway point.

In statistics during the first five district games, not counting games played Tuesday night, Albiar had a total of 83 points. Second place went to Charles Quisenberry of Coronado. Dan Vander Zee, Hereford postman, was fourth on the scoring list with a total of 70 points.

Two other Hereford players made the top 20 with Dennis Noggler's 51 points placing him tied for 13th on the list. James Harris' 44 points through the five games put him 19th on the list.

Albiar, the senior guard and playmaker for Coach Barry Arnwine's Herd, got his 83 district leading points on 33 field goals and 17 free throws.

The best game for any player in the district was the Lubbock High-Coronado game in which LHS player David Rogers hit for 27 points. That game also gave Rogers the lead in most field goals for one player during a single game at 13. Quisenberry of Coronado holds the lead in most free throws during a game with 12 against Lubbock High.

The top 20 scorers in the district through the first half of District 4-AAAA play (not including Tuesday night results) are as follows:

Mike Albiar, Hereford, 33-17-83; Charles Quisenberry, Coronado, 26-22-74; J. C. Eakin, Monterey, 31-9-71; Dan Vander Zee, Hereford, 30-10-70; Larry Johns, Snyder, 29-11-69;

Eric Felton, Lubbock, 26-17-69; Welton Cobb, Snyder, 20-10-68; Johnny Davis, Plainview, 30-3-63; Tom West, Coronado, 28-7-63; Danny Huffine, Plainview, 28-5-61;

Mark Mangum, Plainview, 25-5-55; David Rogers, Lubbock, 25-4-54; Danny Marrujo, Lubbock, 24-3-51; Dennis Noggler, Hereford, 18-15-51; Pat Malone, Coronado, 21-8-50;

Mike Anderson, Monterey, 22-4-48; Dennis Brown, Coronado, 21-5-47; Chuck Harjes, Lubbock, 18-9-45; James Harris, Hereford, 20-4-44; Matt Parsley, Monterey, 15-10-40.

The statistics were compiled by Danny Andrews of Plainview.

## Stanton Splits Games With Pampa

Stanton Junior High split two games with Pampa here Monday, capturing a 47-45 victory in the 8th grade cage battle and losing a 55-45 decision in the 9th grade contest.

Stanton's 7th graders won two games the past week, defeating Canyon by 38-22 here Monday and downing La Plata in a close 28-24 game Friday.

## Booster Club Planning Sports Banquet April 22

The Whiteface Booster Club announced tentative plans Monday night to hold the annual All-Sports Banquet on April 22. Arrangements are now being made to secure a noted speaker for the event.

Coach Barry Arnwine discussed recent games and upcoming contests, pointing out that "we must keep our momentum going for the second round of district play." Filmed portions of the last two games were shown.

Assistant coach Joe Tubb discussed the defensive philosophy of the Whiteface teams, as well as outlining the use of different types of zones used in basketball action.

Booster Club president Virgil Marsh announced that next Monday night's meeting will be held in the high school auditorium. The club has been meeting in the cafeteria, but another meeting is scheduled there next week. The boosters meet at 8 p.m. each Monday.

James Mays scored 14 and Scotty Taylor hit 12 in the 9th graders' loss to Pampa. Scott Dryden tallied 7 points, and Ismael Adame and Bill Fraser added 6 and 4, respectively.

Billy Hester led the 7th graders past Canyon with a 10-point performance. Jackie Mercer had 6, while Henry Torres, Robert Graves and Antonio Garcia tallied 4 points each. Mercer led the way against La Plata with 14 points.

Kelly Kitchens sparked the 8th grader triumph with 16 points, and Greg Hennington followed with 8. Rounding out the scoring were Randy Marrs with 6, and Albert DeToro and James McDowell with 4 each.

# Police Chief Is Speaker To Club

Law enforcement in Hereford was discussed by Don Brush, chief of police, as guest speaker to La Affiliatus Estudio Club Tuesday afternoon in Mrs. George Suggs' home. The hostess was program chairman, and introduced the speaker.  
 Brush presented a general picture of crime and law enforcement in the city and explained the organization and functions of the police department. This was one of the club's series of programs titled A New Look At Our Community.  
 After Mrs. A.N. Hopson had reported on a new organization, Big Brothers-Big Sisters, members voted to help support its program here which is aimed at assisting children from broken families.  
 Announcement was made that the next meeting, Feb. 19, will be at Community Center with Della Stagner and Madeine Bell as hostesses. Place of the March 5 meeting has been changed; Mrs. Ira Ott will be hostess in her home.  
 Hundred per cent attendance was registered Tuesday. In addition to those named, Mmes. T.W. Roberson, A.B. Higgins, S.C. Ramey, Sam Morgan, B.F. Markham, W.F. Johnson, Emmitt Hale, Marlin Gilliland, A.H. Cook, Lottie Clark and Cecil Braly were present.

# 2 Members Initiated In Auxiliary

Initiation of two new members, Mrs. Bill Albright and Mrs. J.H. Holden, featured the meeting of the American Legion Auxiliary Tuesday evening in the Legion Hall.  
 Members voted to send a local girl to Girls State in the summer, an annual custom of the Auxiliary. Plans were made for representation at a zone meeting Feb. 21 at Nazareth. Support to a Texas candidate for the national presidency was voted.  
 A Valentine party to entertain Legion and Auxiliary members was planned for Feb. 13. It will begin at 8 p.m. in the Legion Hall.

# Campfire Banquet To Be Feb. 21

Preparations for the annual Father-Daughter Banquet of Hereford Campfire Girls are under way, and a schedule of program practice sessions has been announced to begin Feb. 12. The banquet will be held at 7 p.m. Feb. 21 in the County Bull Barn.  
 Wa Can Ki Ya Horizon Club members are in charge of the program, which has a theme suitable to a year marked by appearance of a comet, "I Was Born Under A Wandering Star."  
 First practice is for Horizon clubs, Tuesday at 6 p.m., followed by Discovery groups at 7 p.m. Bluebirds will practice at 3:30 p.m. Feb. 14, third grade Bluebirds at 4:15 p.m. the same day and Adventure groups at 5 p.m.  
 All these sessions will be at the Campfire Lodge, then a general practice is set at the Bull Barn at 5 p.m. Feb. 19.  
 The Campfire Leaders Association is responsible for setting up the banquet. On the seating committee are Mrs. H.L. Crim, Janet Broxson and Mrs. Charles Weatherford.

# Continuous Learning Urged

Learning as well as teaching was emphasized in a slide and tape presentation to the teachers who are members of Delta Xi Chapter of Delta Kappa Gamma at a Monday evening meeting in REC Medallion Room.

Participation in community affairs, need for an avocation and use of leisure time were other phases of the presentation. An amusing program feature was the response of members asked what they would do at a given time if the time was theirs to use.

Mmes. Richard Montgomery, Tolbert Painter and Bob Hamman and Miss Della Stagner, comprising the professional affairs committee, arranged the program.

Committee appointments for new members, Mrs. Gene Huntsinger, Phyllis Gerdson, Betty Sue Robinson and Karen Chapman, were made by Betty Mercer, president. Members were reminded of scholarships available to members of the society.

Hostesses, Mmes. J.D. Neill, Elizabeth Wills, Bill McCarley, Charles Higgins and Miss Erma Walker, served refreshments to 29 members.

74 Plymouth Duster

## Plymouth Duster. More miles per gallon than Nova, Comet, Maverick, Apollo and Ventura.

If you're concerned about gas mileage, the tests Popular Science magazine conducted should be of interest to you. The tests they conducted on '73 vehicles (and adjusted by them for 1974 models and the results of E.P.A. tests) show the "Slant Six" engine that's standard in our Duster can go farther on a gallon of gas than Maverick, Nova, Comet, Ventura and Apollo.

### ...Priced less than VW Super Bug.

The manufacturer's suggested sticker price for Plymouth Duster is actually less than Volkswagen's Super Bug. The prices, naturally, don't include comparable destination charges, state and local taxes or dealer prep charges. Even though you pay less for Duster, you get a lot more. For example, Duster has room for five inside. VW—only four. Duster's got three times the trunk space of VW. And Duster's got an electronic ignition that virtually eliminates ignition tune-ups. VW doesn't even offer one.  
 Duster gas mileage and price. Two ways we're out to win you over to Duster this year.

# Natives Aid Track Win

West Texas State won its own indoor track meet Saturday night in the WT Activities Center as the Buffs used depth to outscore Wayland Baptist and Lubbock Christian College.

Four former Hereford athletes helped the Buffs total 78 points, while Wayland finished with 61 and LCC had 25. Wayland showed surprising strength in capturing eight first places, while WTSU won seven firsts. The Buffs won the mile relay but were disqualified.

Hurdler Carl Brown won two events for the Buffs, but Wayland's John Crown took the individual spotlight with three first places.

Hereford's George Fuller took second places in the long

# Worth Covington Dies Here, Funeral Services Pend

Funeral arrangements for Charles Worth Covington, 57, of 202 Western, are pending at Gilliland-Watson Funeral Home. His death occurred early Wednesday and he was dead on arrival at a local hospital after suffering an attack at his home.

A resident of Hereford since 1938, when he came from Dallas, Mr. Covington was a veteran of U.S. Navy service during World War II. He was a member of First Baptist Church, of the Masonic Lodge for 25 years, of the Law En-

forcement Officers Association and the Whiteface Boosters Club, and served as a Boy Scout leader.

Born Feb. 13, 1916, at Temple, he married Grace Marie Bowen April 29, 1938 in Hereford. He was an accountant, employed a number of years by Griffin and Brand.

The funeral is planned at First Baptist Church with the Rev. Doug Manning, pastor, officiating. Masonic graveside services will be conducted.

The family requests that

memorials be made to the Heart Fund.

In addition to his wife, Mr. Covington is survived by a daughter and son, Gloria and Carl W. Covington, both of San

Antonio; three sisters, Louise LeFan and Mrs. A.L. Kerley of Temple and Mrs. J.H. Berger Jr. of Wickenburg, Ariz.; two brothers, O.L. and P.A., of Temple, and two grandchildren.

Adolph Just recommends that the best way to cure most diseases was to walk barefoot on wet grass. No doubt the resultant cold disguised the earlier symptoms!

# Funeral Of C. E. Leasure Conducted

Funeral services for Clarence Elijah Leasure, 73, who resided on South Main Street, were conducted Monday afternoon in Rose Chapel of Gilliland-Watson Funeral Home.

Officiating were the Rev. Herschel Thurston, retired United Methodist minister, and the Rev. Doug Manning of First Baptist Church. Burial was in Rest Lawn Memorial Garden.

Mr. Leasure, a farm owner who had lived in this area since 1929, was a native of Kansas, born July 15, 1900 at Longton. He married Sadie Forman Dec. 31, 1926, in Oklahoma City and came to Castro County from Oklahoma in 1929. He moved to Deaf Smith County about 10 years ago.

Surviving him are his wife; three sons, C.E. Jr. of Hereford, Jon of Amarillo and William of Dallas; his mother, Mrs. Mary Leasure of Enid, Okla.; a sister, Mrs. Bud Beavers of Wichita, Kan., two brothers, Robert and Ray of Oklahoma City; 10 grandchildren and one great-grandchild.

# Westgate Resident Buried At Shamrock

Funeral services for Mrs. Lillie Trostle, 91, resident of Westgate unit of Kings Manor retirement home, were conducted Wednesday afternoon in First Methodist Church of Shamrock. Local arrangements were by Gilliland-Watson Funeral Home. She died Monday at Westgate.

Mrs. Trostle, a member of a pioneer Wheeler County family, lived at Shamrock until 1968 when she moved to Bovina to reside with a daughter, Mrs. Marue Snodgrass. She was a sister of Mrs. Joe Williams of Hereford.

Born in Harrison, Ark., she went to Wheeler County when she was two years old and married T.E. Trostle in 1900. He died in 1956. Survivors include five sons, 10 grandchildren and 14 great-grandchildren.

# The Whiteface

PUBLISHED  
AS PART OF  
THE HEREFORD BRAND

Page 1

This Page Assigned, Written And Arranged By The Whiteface Staff.

Hereford, Texas, Thursday, February 7, 1974

## Bull Corner

This week the Whiteface Staff asked the opinion of HHS students on the possible impeachment of President Nixon. The House Judiciary Committee which consists of 21 Democrats and 16 Republicans are making stands to impeach Nixon on grounds of bribery and corruption of power.

The question was asked, "Do you agree that President Nixon should be impeached? If so, why?"

No, if the President was to be impeached now, the country would be thrown into a position in which a man that six months ago no one outside of his home state knew him, would be president.

Danny Collins, junior

I think that President Nixon should be impeached. So far all he does is talk, there is no action in what he does. His is not a good example on what a real good President is.

Mary Ann Liscano, junior

I think Nixon should not be impeached because the people who are trying to get him impeached are more at fault than he is. Also, this Watergate thing and the impeachment business is taking so long and is so complicated that no one is able to run the country. Nixon has done a lot of good and is sincerely trying to help the country and to run it. They are all picking at nothing. This kind of thing happens all the time.

Diane Tleman, junior

Nixon should be impeached, but for the good of the country maybe we ought to stick it out and hope someone who can control his staff becomes President in '76.

Hank Stringer, junior

Yes, I think he ought to be impeached to set an example to others who think of doing what he did.

Armando Gonzalez, senior

Yes, I agree that the President should be impeached; there are too many things that the people of the U.S. have not known about and it is unfair for a man that was elected by the people to do things not for the people but against them. If this is the case I think that the people should cry for impeachment and the sooner the better it will be for all of us living here in the U.S.

Glenda Dodson, senior

Nixon should not be impeached. There is no concrete evidence that he was truly involved in any of the charges. Only blind fools would try to impeach him now or ever.

Sue Smith, senior

I do not think he should be impeached because the government is not run by one man alone nor is his election campaign run by himself. If they want to take corruption out of the White House they would have to take everyone out and start over.

Debbie Waltersheid, junior

No, if we look back at the history of each politician you would find a pattern of criminally legal and illegal activities linked to each man from deputy dog catcher to the President. It all depends on how you and the press and news media look at it.

God help the man (Nixon) that the press doesn't like. The media will kill him with every move he makes. For instance, have you heard of anything Nixon's done right in a long time? All I ever hear about is what he has done wrong.

On the other hand have you heard about Ted Kennedy? He was guilty just charged with DWI and murder but the press dropped that story like a hot iron. Why? Because he is the darling of the press.

Let's look at this realistically. Nixon is just a man that has started out as a politician as any politician started out. He promised to get something done in return for some support.

If there is a politician that didn't start this way I'd really like to shake his hand. So the question is not really if Nixon is a criminal but if he is worse than any other politician. Probably the worst thing that Nixon has done other than any other politician is getting caught.

Cameron Clements, junior

Forensics Contest Held At HHS Last Weekend

## Twirp Week To Head Contest Spring Activities Planned For ICT

January was a busy time for members of the HHS Student Council. The past month was devoted to the planning of several upcoming activities for the second semester of school. Twirp week was first on the agenda of activities and will begin Saturday, Feb. 16 and last until Saturday, Feb. 23. During Twirp week, there will be plenty of places for girls to take their dates.

The first day, a rock concert will be held in Amarillo at the Civic Center Coliseum at 7 p.m. featuring a popular rock group from England, Deep Purple, whose songs such as "Smoke on the Water," "Lazy," and "Space Truckin'" have been

rated highly among the many popular rock songs of today.

Monday, Feb. 18, the First Baptist Church Fellowship Hall will be open for recreation, such as pool, bumper pool and ping pong. A movie "Pete 'n' Tillie" will be shown, starring Carol Burnett and Walter Matthau.

Tuesday, Feb. 19 will be a basketball game against Coronado of Lubbock at La Plata gym with the varsity game starting at 7:30 p.m.

Thursday, Feb. 21, there will be a bingo game at Community Center. Time for the bingo game was not available at press time.

Friday the 22, a dance for high school students only will be held at Community Center.

In other upcoming events, there will be a Student Council basketball game against the members of the faculty Feb. 27 at the HHS gym at 11:15 a.m. and a small fee will be required for admittance.

Slave day will not be announced until a later date. Also, plans for spring elections are in the making.

A Fifties Day will be March 23, where students will dress as students did in the late 1950's. An assembly will be held also to add to the atmosphere of the late 50's, remembering such well-known talents as Elvis Presley, King Tut and the Pharaohs, and many more stars of the 50's as impersonated by HHS students.

The Industrial Cooperative Training class of Hereford High will be sending several of its members to compete in a contest to be held Feb. 8 and 9 in Lubbock.

The students will compete in a business procedure contest and other contests concerning the work which they are doing.

Ray Barber, chairman of ICT department, commented that the students who will be competing in the business procedure contest have been practicing every morning for the past two weeks.

He also said that because of the 55 m.p.h. speed limit, they would be leaving Friday morning, spend the night at a motel, and return Saturday afternoon.

Students who will be participating in other contests are George Ramirez, competing in auto mechanics; Randy Williams, in auto body repair; Henry Cardova, in welding; Kathy Vogel, nurse's aid; Sonny Flores, auto electrician; Doris Kelly in prepared speech.

The names of the students competing in the Business Procedure Contest are not yet available.

## Forensics Meet Won By Muleshoe High

One-hundred area Hereford citizens turned out Saturday to judge in Hereford High's sixth annual Forensics Tournament.

The tournament was held by the Hereford High Forensics Club under the supervision of Wayne Hodgson, speech and drama director.

It was attended by 20 Panhandle high schools including: Forsan, Friona, Denver City, Meadow, Muleshoe "A" and "B", Boys Ranch, Dumas, Oltan, Groom, Bovina, Lubbock Christian High, Hereford, Stanton Junior High, Panhandle, Dalhart, Dimmitt, Springlake-Earth, Spearman and Leveland.

There were approximately 300 students participating, with the HHS students keeping tabs and Stanton speech and English students as time keepers.

Hodgson concluded that this was the best Hereford tournament and the only he had attended this year that was on schedule.

The students participated in

three events; debate, extemporaneous speaking and poetry and prose interpretation.

"Everything went smoothly" commented Hodgson, "The administration was very helpful for judging and just being there and the custodians were especially nice."

First place in Sweepstakes was given to Muleshoe High, under their director, Kerry Moore.

Second place was taken by Dalhart, under Bill Slagle.

In boys debate Muleshoe's team, directed by Block and Meyers, had the first place honors. In girls debate, again Muleshoe's team, Hall and Ogler took the honors.

In boys informative, D. Vela from Muleshoe took first place and in girls informative, G. Eller from Panhandle accepted honors.

In boys persuasive, D. Cooper from Spearman and in girls persuasive, G. Brown of Dumas accepted first places.

In boys poetry, Steele of Spearman and in girls poetry B.

Nickles of Muleshoe received first place awards.

In boys prose, Kevin Caddell of Dalhart and Janey Garza of Dimmitt received first places.

In duet acting, Dimmitts team of Cole and Patton earned first place with a scene from "Mice and Men" by Bernard Shaw.

One minor casualty occurred when one unidentified girl from Denver City was in duet acting when the leg of her chair slid into an open-faced electric socket on the floor. Her partner did some fast thinking and when she screamed and jumped out, he pulled the chair out of the socket, set her back in it and resumed their act.

Afterwards she admitted, "I was scared, but after I found out what happened, all I could do was laugh."

Credit for the snack bar goes to A&W Drive In.

The Forensics team was extremely proud of this tournament and the team will be traveling to Texas Tech for a tournament Feb. 15 and 16.

## HHS Volleyballers' Travel To Borger For Tournament

The HHS Girls Volleyball team went to Dumas Friday with the Varsity winning two out of three games with the scores 15-4 and 15-7.

The Junior-Varsity lost to Dumas by the score of 14-16 and 12-15.

Both teams traveled to Borger Friday night and played in the Borger Tournament in which four schools participated.

In the first match, Hereford beat Perryton 15-12 and 15-9.

The second game of the tournament was lost to Pampa with the score of 10-15 and 10-15.

The third game was lost to Borger with the score of 8-15 and 3-15.

Pampa came in first in the tournament with Borger taking second place.

The Varsity players include Evelyn Urbanczyk, Nancy Griego, Rene Self, Janette Schlabs, Irma Aguilar, Anita

Pinon, and Margaret Salazar.

The Junior Varsity players are Cheryl Arney, Diane Griego, Ruth Griego, Welma Knight, Marta Mendiaz, Vickie Munnerlyn, Lisa Patterson, Sofia Pena, Diana Baldez, and Ida Zamora.

Managers are Debbie Moore and Joan Josseland.

The next game will be tonight against Caprock, here at 6:30 p.m. in the boys gym.

## Squad On Home Courts

Tennis season has started for this year for HHS "racketeers."

The team consists of 18 members on Varsity, but only the first six on each squad make up the traveling squad, and the coach is Wayne Thomas.

The team will be traveling to Lubbock this Friday and Saturday for a tournament.

The team hosted Borger Jan. 28 for an all-afternoon event with Borger winning the overall matches.

In boys singles, Jason Zinser played Mark Stuller with Stuller taking two sets 3-6, 6-2, 6-3; Chris White played David Johnson, Johnson taking both sets 6-3, 7-6.

In pro sets Rocky Rodriguez played Joel Gonzales. Rodriguez defeated 8-3. Herby Del Toro played Puckett, Puckett winning the over all game 9-8. Dwayne Waters played Robin Knowles, Knowles defeating 8-5 game.

Marshall Formby also versus Robin Knowles, this time Formby defeats 8-3. Mark In-

mon played Gary Ofeffer, with Inmon winning 8-4.

There were three sets of boys doubles, first Zinser and White played Stuller and Stone in a pro-set with Borger defeat of 8-6.

Other doubles Rodriguez and Del Toro played Gonzales and Harry with Borger taking the game 6-3. Waters and Inmon played Shipman and Knowles with Hereford defeating 6-2.

In the girls singles, pro-sets were used, with Leesa Rose versus Kim Wood and Hood taking the 8-0. Monica Herring

played Kay Clark with Clark defeating 8-2. Dee Ann Miller played Shelly Schmitz, Schmitz winning 8-3. Susan Grimsley played Nancy Anderson, Anderson taking the game 8-2.

Jane Hoffman played Donna Engel, Engel defeating 8-0. Janet McWhorter played Julie White, White winning 8-1.

There were two girls doubles, playing pro-sets, with Miller and Rose versus Clark and Jack, Borger took the game 8-0.

Herring and Angles played against Schmitz with Borger defeating 6-1.

## FBLA Active At District Meet

Sixty-seven Future Business Leaders will be attending a district meeting at West Texas State University Activity Center.

The purpose of the district meeting is to begin working with the district organization and to become acquainted with other club members throughout the Panhandle.

Some schools will display exhibits of the projects that

their club does during the year. This way the other clubs will gain new ideas to improve their own club.

The members will form a district organization of all FBLA clubs which are new this year. All schools in the Panhandle were invited to attend this meeting. The schools that organized the meeting are McLean, Canyon and Amarillo High.

## UIL Math Class Competes

The UIL Math class went to Andrews, Tex. Jan. 25 where 50 competing schools consisting of 850 contestants also participated.

Hereford slide rule team placed second overall with Joel Fuhrman - third veteran, Barbara Garcia - fourth novice. Also participating were Mary Bartels and Ginger Newton.

Number sense team placed third, with Miss Newton - fifth veteran, Jean Barber - fourth novice. Also participating were Debbie Waltersheid and Fuhrman.

The next UIL meet will be held in Hereford Feb. 16. There will be a number sense test consisting of 100 problems to be worked mentally in 10 minutes.

The slide rule test will consist of 75 problems and are to be worked in 30 minutes.

In the contest, there are the veteran division and the novice division. The veteran is open to any high school student. The novice division is open only to those students who have not competed in a district meet or high school institutional meet before the current school year.

Number sense contestants for

Hereford will be Miss Newton, and Jim Goheen in the veterans division; Misses Barber and Waltersheid, Denise Wosnitzky and Fuhrman in the novice division.

Slide rule contestants for Hereford will be Miss Newton and Fuhrman, in veterans division with Misses Garcia and Bartels and Ginger Newton in novice division.

"Our students learn the spirit of competition and develop a skill that is with them for a lifetime" was the comment of Don Hooper, UIL Coach.

# Small Talk

By SUE COLEMAN  
Women's Editor

IT'S ABOUT TIME to clean up the accumulation of recipes in my desk and share them with people who always like to get ideas from other good cooks, especially when they know the cook and trust any recipe she recommends. Some of these are quite unusual, some more familiar but with a special twist that may be new.

**BLUEBERRY PIE**  
Mrs. J.H. Holden  
1 1/2 cups Graham cracker crumbs  
1 stick margarine  
1/2 cup powdered sugar  
Mix and press into the bottom and sides of a pie pan.  
1 eight-oz. pkg. cream cheese  
1 cup sugar  
2 eggs  
Cream well and spread on top of the crust. Bake at 350 degrees for 10 minutes. Cool and spread over the top 1 can blueberry pie mix, and over that 1 cup whipped cream.

**PUMPKIN BREAD**  
Mrs. J.A. Crofford  
Sift and measure 3 cups flour, 1 tsp. each salt, soda, cloves, nutmeg and pumpkin pie spice and 2 cups sugar. Sift all into a large bowl.  
Make a well in center and pour in 4 beaten eggs, 2 cups pumpkin, 3/4 cups liquid shortening, 1 1/2 cups chopped pecans. Stir carefully, just enough to moisten dry ingredients.

Bake in 2 large loaf pans, tube or Bundt pan at 350 degrees for an hour. Don't overbake.  
For added flavor, put 1 cup raisins in cold water and bring to a boil. Let set in hot water a few minutes; drain and add to cake. In place of nuts, 1 cup pecan meal may be used.

**SEVEN-UP CAKE**  
Mrs. Bill Warrick

**ICING**  
1/2 to 2-3 cups water  
2 lb. powdered sugar  
1 cup vegetable shortening  
2 tb. flour  
1/2 tsp each white vanilla and almond extract  
1/2 tsp. salt  
Mix in large bowl at No. 3 speed on mixer, for 10 to 15 minutes, adding water to other ingredients a small amount at a time; use just enough to make icing spread easily.

**CREAMY RICE PUDDING**  
Mrs. Bill Gilletland  
4 cups milk  
1/4 cups uncooked rice  
1/4 cup sugar  
1/2 tsp. salt  
1/2 tsp. vanilla  
Heat oven to 325 degrees. Heat milk to boiling point. Combine rice, sugar and salt in a buttered 1 1/2 quart casserole. Pour hot milk over rice, add vanilla and stir well.  
Bake 1 1/2 hours. A brown crust will form during baking; stir this in every 30 minutes during the first hour; allow the top to brown slightly in the last half-hour. Chill before serving. Serves 4 to 6.

**APRIL BRIDE-ELECT** — Miss Cherri Betts and Terry Clyde King of Adrian plan to be married April 14 in First Baptist Church at Clarendon, where she is a junior college student, it is announced by her parents, Mr. and Mrs. W.B. Betts of Adrian. King, an employe of Deaf Smith County Feedyards, is the son of Mr. and Mrs. Orville King of Childress.

## Music Club Will Stage Operetta

Kings Manor residents and their guests will hear an operetta to be presented by Music Study Club members at 2 p.m. Monday in Lamar Garden Room at the Manor. The one-act comedy with music is *Quest Of The Gypsy*, by H. Loren Clements.

Mrs. Allen Cansler is directing the production, with Mrs. John Gilliland as staging advisor. The program will be the club's annual observance of the Parade Of American Music. Assisting in the cast, Dale Young will sing the part of the gypsy man and his son, Kim Young, the country boy. Mrs. Wayne Thomas is piano accompanist and Mrs. Ed Line is tambourine accompanist. Club members to appear as

gypsy women are Mmes. Young, Lynon Allred, Ken Waiser, Joe Rogers, Mack Cansler, Tom Burdett and Paul Lyons.

In charge of the colorful costuming are Mmes. Joe Reinauer Sr., J.R. Allison and Buddy Peeler. Mmes. Joe Hacker, W.T. Carmichael, A.J. Schroeter and J.C. McCracken are on the staging committee and Mrs. Peeler is chairman of publicity.

Hostesses for the afternoon are Mmes. Steve Clements, Bill Brady, Ellis Coombes, T.W. Robertson, W.E. Dameron, Glenn Snyder, C.J. Moutz and Miss Frances Dameron. A dress rehearsal is scheduled at 2 p.m. this afternoon in the Garden Room.

## Women's Division Budget Okayed, Members Counted

A budget totaling \$1678 was approved for this year in the Women's Division of Deaf Smith Chamber of Commerce, by vote of the executive board at lunch Tuesday in Hereford Country Club.

Presented by Mrs. Joe Henry, chairman of the finance committee, expenditures are planned to include contributions to the Day Care Center, United Way, Meals on Wheels and Mental Health Mental Retardation Center. Most of the funds will be reserved to finance the year's projects as they are adopted.

Membership in the division has reached 142, Mrs. Henry reported, and this week is set aside for a campaign to enroll new members.

Those already listed before the campaign officially began are Mmes. Herschel Black, Bill Frazier, Eugene H. Hendon, Andrew Kershen, Janice Lockhart, Richard Ottesen, Owen, Leta Clevenger, Carrell Ann Simmons.

Also Mmes. Jake Webb, Dee White, Dale Young, Bill Johnson, Willodyne Brooks, Ray Seale, Beverly Larkin, Ron Welty, Dickie Gerles, Bud Snyder, Rex Easterwood and E.C. Reinauer Sr.

Bill Albright, Chamber manager, was a guest and reported on plans which affect the Women's Division. He said duties of the beautiful committee have been transferred to the Women's Division, which

will have the cooperation of the chamber's environmental committee headed by Ed Allison.

He urged use of a calendar being set up in the Chamber office in an effort to avoid duplication in scheduling community activities, and also announced that material concerning the U.S. Bicentennial observance of 1976 is being received in his office and is available for the Women's Division committee on that celebration.

A plaque citing Mrs. Rex Lee, 1973 president of the Women's Division, for her services as a Chamber director was presented by Albright.

Mrs. Joel Newman, fine arts chairman, announced March 29-31 as dates for the Community Fine Arts Festival this year, with an expanded program.

The complete list of committee chairmen and members for 1974 was presented by Mrs. O.G. Nieman, president.

Mrs. W.E. Sparks heads the public affairs committee and sub-chairman are Mrs. J.W. Robinson, education and youth;

Mrs. Joe Reinauer Sr., Tours; Mrs. Dany Martin, welcome; Mrs. O.E. Edwards, telephone; Mrs. Dean Herring, Day Care Center, Meals on Wheels, MH-MR, United Way.

Chairmen under fine arts are Mrs. John Gilliland, drama; Mrs. W.T. Carmichael, music; Mrs. Bill Albright, art.

Heads of other committees are Mrs. Calvin Gooden, decoration; Mrs. W.C. Russell, beautification; Mrs. R.C. Heelscher, constitution and by-laws; Mrs. Floyd Coleman, publicity; Mary Gibson, history and scrapbook; Mrs. Joe Reinauer, Bicentennial.

## New Leader Will Work With Club

A new leader for Merry Maidens 4-H Club, Mrs. Jerry Carr was introduced at the club's recent meeting. Mrs. Carr will replace Mrs. Bruce Terry, who is moving to Dumas.

The program was given by Mrs. Charles Riggins, a demonstration of flower arrangement.

## Couple Married At Church Altar

The marriage of Miss Mary Ann Crouch and James Jesko Jr. was solemnized in a simple ceremony Friday in First Baptist Church. The Rev. Doug Manning, pastor, conducted the late afternoon ceremony.

Parents of the couple are Mr. and Mrs. Doug Crouch, 410 Star, and Mr. and Mrs. James Jesko of South Highway 385.

Blue cushion mums and white chrysanthemums on the altar formed a background for the wedding party, which included Miss Beverly Willis as maid of honor and Phil Berend as best man.

The bride was dressed in forget-me-not blue, an empire gown of chiffon over taffeta

with long cuffed sleeves. Her flowers were white sweetheart roses, white and blue carnations and babybreath, in a nosegay.

After the ceremony the couple left of a trip to the Rio Grande area, Mrs. Jesko wearing a red and white knit pantsuit accessorized in white. They are at home at 400 Long Street.

The bride is a senior student in Hereford High School and employed by George Warner Seed Co. Jesko has attended West Texas State University after graduation from HHS in 1972.

Wedding guests included the bride's grandmother, Mrs. Nelson Crouch, of Lorenzo.

so they'll eat just enough of it to fight wheat pasture poisoning.

It's high in magnesium — to help prevent wheat pasture poisoning due to grass tetany. Low in protein — just enough to regulate consumption. And this special wheat pasture formula has all the vitamins and sequestered trace minerals needed for good health, and sugar and carbohydrates for energy.

Like all the products from T-E's complete liquid feed supplement program, T-E Liquid Wheat Pasture Supplement 16 is self-rationing, convenient, labor-saving and economical.

The 25 member club opted on craft hobbies utilizing leather, ceramics and macramé. Each participant at the Monday meet brought a craft and explained how it was created.

The Ford 4-Hers slated their next assembly for Feb. 18.

**State Arts Council Has Member Here**

Representing the women's Division of Deaf Smith County Chamber of Commerce, Mrs. Joel Newman, fine arts chairman, went to Fort Worth for the recent mid-winter meeting of the Texas Assembly of Fine Arts Council, which was formed last June in San Antonio where Mrs. Newman was also present.

The Hereford woman is one of eight voting members in the state, the only one from this region. Aim of the organization is to unite efforts of local groups which represent more than one art form, to generate interest and public awareness in all the arts throughout Texas.

David M. Beckerman of Fort Worth was elected president for the first official year. The spring meeting will be at Odessa April 19 and 20 with the fine arts committee of that city's Chamber of Commerce as host. Discussion on Community Needs will be featured.

Most cities in the Council are much larger than Hereford, Mrs. Newman says, but she has observed in the discussions that their problems in the field of arts have much in common. The Women's Division Board at its meeting this week voted to send her to the Odessa meeting.

## Job Transfers Provided Her Varied Background

By SUE COLEMAN  
Women's Editor

AS LEADER of an elementary school group in the Campfire Girl program here, Mrs. Lynn Keener feels she is repaying a debt to the adult leaders who conducted Girl Scout activities which she enjoyed as a girl.

Outdoor-loving Mrs. Keener is one of the few Hereford leaders who has no daughter of her own in a Campfire group; her only child, 16-month-old Tabitha, will not be ready to join for several years.

The energetic young matron, a Hereford resident of two and a half years, volunteered as a leader last fall because "Some of my friends work with Campfire groups and asked me to help, and I remember when I was a Girl Scout there was always trouble getting enough leaders."

SHE COMPLETED work for a degree from West Texas State University in the summer term, and decided she should invest her spare time in something worthwhile.

The group she leads is made up of third graders from Shirley School who call themselves the Little Bluebirds.

"They are a lively bunch and fun to work with," Mrs. Keener says. "The things I teach them are mostly what I learned as a child; I'm not too expert in crafts but remember some things we did in Girls Scouts or at school."

THE FORMER Linda Gosnell, Mrs. Keener was born in Pennsylvania and lived in various parts of the nation as her father's job transfers took the family to different homes. She was a student in Colorado State College when she met her husband.

He graduated there before they married and his employment with Holly Sugar Co. was another story of job transfers. They were living in California before the shift to Hereford, and the Plains country of Texas was another new experience for Linda.

"I just had to get used to the Plains," she explains. "Everywhere else I'd lived had mountains, trees or some sort of ups and downs that you don't find here."

SHE WAS happy to have the opportunity to complete college studies at nearby Canyon; her

major was biology and she wants to keep up in the field by reading and studying new developments. Reading is one of her favorite pastimes but she doesn't care for fiction as she does for a scientific magazine or a book on some phase of biology.

Her husband raises and trains English setters and she likes to go with him when the dogs are entered in field trials, even when she must carry Tabitha in a back pack in order to follow the dogs as they run. However, he likes to hunt with the setters, too, and she doesn't care for that sport.

Her parents now live in the Florida Keys, a part of the United States where she has never lived, so she especially enjoys visiting them as she did with Tabitha earlier this winter.

INTEREST in the Bluebird group meetings is also shared by the small daughter, a cheerful little girl with her mother's expressive dark eyes.

Linda Keener takes homemaking chores seriously, and when she became engaged with one more semester of

college left she promptly enrolled for classes in cooking because she knew very little of that art.

Now she counts calories for the family, and limits dessert-making which she really likes best. A recipe she found reliable is for a meat dish that uses ordinary ingredients in a different way. This makes enough to serve six or seven diners.

Janet Frye and Mrs. Wilcox... shower honoree, hostess

## Janet Frye Given Unusual Shower

Gourmet recipes and some of the essentials for compounding them were presented to a bride-to-be, Janet Frye, in an unusual shower Saturday morning when Mrs. Jack Wilcox entertained her at her home. Miss Frye and Dan Welty of Amarillo are to be married March 16 in First Baptist Church here.

Invitations in rhyme were sent for the party, explains its purpose:

"Please come to brunch honoring Janet Frye; As a new bride cooking is a hobby she'll try,

So please bring a recipe typed on this card Of the gourmet dish you hold in highest regard.

In this recipe I'm sure you will find A spice that comes in a jar of some kind.

With a recipe and a jar of spice on hand, Poor Janet still doesn't have a pan,

So do your part and help this young bride Bring a pan, a spice and the recipe you've tried."

Gift packages were presented and unwrapped for the guests to enjoy with the honoree. Brunch was served from a table centered with a basket holding an array of fresh fruit, blue and white burlap flowers. Seven cornhusk dolls carrying miniature brass pots and pans stressed the party theme.

The party honoree is the daughter of the Ray Fries. Her fiance's mother, Mrs. C.B. Welty, and Melody Welty were guests from Amarillo.

Other guests registering were Janice Maxwell, Mary Jane Kriegshauser, Debra Wilson, Wendy Warmick, Joy Daniel, Ann Rieter, Janice Galley, Rosie Purcell, Donna VanderZee, Alice Ruge, Vickie Kendall, Donna Harris, Amy Gilliland, Shawn Fry, Margaret Golden and Julie Wilcox.

## Would-Be Losers To Organize

An evening club for would-be weight losers who want the support of others in their efforts to stay on a diet, will be formed this evening if enough interested persons come to a meeting at Community Center from 7 to 8 p.m.

Several have indicated they would like such an organization to meet for an hour once a week, check weight loss, swap ideas and recipes for appetizing diet food and encourage each other to keep up plans for weight control.

They plan an entirely local organization, not affiliated with any of the national clubs of this type, and invite area residents of any age to join them.

Further information about plans may be obtained by calling Mrs. Bill Gilleland at 364-4175.

In Luke 13:23-27, Jesus describes the door of Heaven as being very narrow. He says that many will try to enter, but few will make it. In the final days, after the door is shut and locked, your knock and the knocks of the multitude will not be heard.

But unfortunately today, many of our churches have been forced to pad-lock their doors to prevent vandalism and thievery. And even then, each year, millions of dollars in damage is done. What a tragedy! The very temples God created for His people to enter to pray to confess, to worship and beg forgiveness, have to be the prey of the diabolical marauder.

*This culprit does irreparable damage to the minds, souls and bodies of women and men and he destroys unthinkable wealth and property as he roams.*

Somehow the church must transform these thugs. For once the Master locks the door against them, it may not be opened again. *How tragic to hear the Parson say, Lock The Door!*

## Report Vouches For Citrus and Poultry

Citrus continues to highlight most fruit counters this week, according to one source.

"Grapefruit and oranges of several varieties are well worth considering," Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, reported.

Strawberries are a bit more plentiful with prices generally moderate, while other fruit choices include apples, bananas and pears, the specialist said.

"Economic vegetables are cabbage, carrots, rutabagas, bulk turnips, cooking greens and celery. Prices on potatoes and dry onions are higher."

Turning to meat counters, Mrs. Clyatt noted a good supply of fryer chickens with corresponding attractive prices.

"Egg prices are higher than a year ago with Grade A, large-size eggs offering the best combination of quality and economy."

"Beef prices are slightly higher than a year ago, but most markets feature various cuts as specials, so study ads and meat counters for family preferences. Best beef values generally are chuck roasts and steaks, round steaks and roasts, ground beef, beef and calf liver."

She listed pork values as picnics, ham portions, end-cut loin roasts and chops, pork liver, shoulder roasts and steaks.

**CONSUMER WATCHWORDS:** Crisp cabbage is plentiful almost year round. Regardless of color and shape, look for heads that are solid, firm and heavy for their size. Leaves should be fresh, crisp, firmly attached to the stem and free from insect injury or bruises.

Also, buy "enriched" or "whole grain" bread and bakery goods—they cost no more. Be sure pasta products are marked "enriched," too.

Award Winning Photo By Mrs. G. Trent Downing

## Downing Photo Merits Display

An award-winning photo, taken by Mrs. G. Trent Downing, Hereford, will be on display at the Kodak Photo Gallery in New York City through March 14, as part of a major exhibit of finalists in the 1973 Kodak International Newspaper Snapshot Awards (KINSA).

Mrs. Downing, a housewife is represented by a delightful color "grab" shot of a child dozing in a hammock with her pet duck. The photo was a winner in the Amarillo Sunday

News-Globe summer snapshot contest, and as such was submitted to the international competition where it won a \$100 Special Merit Award. KINSA, sponsored annually by Eastman Kodak Company, last year drew over 285,000 entries.

"I happened to look out the kitchen window and see my daughter, Amy, age 4, asleep in the hammock with her beloved Daisy Duck," remembers Mrs. Downing, who has been taking pictures for "about 22 years."

"I could not resist the urge to capture them on film, and took several photos without ever disturbing them. The love and trust, which I think comes through on film, between pet and child is genuine."

checking the temperature for 31 days and cheering her on as she began to hatch," according to Mrs. Downing, who says the composition of the photo took care of itself.

"I think the success was in taking several different photos at different settings in order to get the lighting exactly right," she adds. "This one (her winner) was my pick."

Each week, during the almost two-month long exhibition of choice black-and-white and color photography, thousands of visitors to the Kodak Photo Gallery, 1133 Avenue of the Americas (at 43rd Street), New York City, are expected to view the camera efforts of the successful photo amateurs from throughout the United States, Canada and Mexico. The Gallery is open to the public from noon to 5 p.m. Monday and from 9:30 a.m. to 5 p.m. Tuesday through Saturday.

The Energy Crisis is becoming more and more acute, and the Texas Jaycees have deeply committed themselves to the solution of this problem and the conservation of resources. This through the project of "I Care-I Save."

Speaking from his home in Huntsville, Texas; John Thompson, President of the Texas Jaycees, announced that this project and its associated programs will be adopted and implemented in the many cities across Texas. Each Jaycee Chapter in the state will be asked to assist in conducting

projects oriented toward conserving energy and other natural resources.

Thompson said, "I believe that it will take the positive effort of every Texan in order to relieve the pressure brought about by the energy crisis." He further stated, "the energy problem should also be a warning to all of us that many other natural resources are in short supply, and the warning should tell us that we must exhaust every effort to prevent further crises in the near future."

The "I Care-I Save" projects of the Texas Jaycees are designed to bring all residents

of a community into a personal involvement with conserving energy, natural resources, and looking at pollution as a real threat to any and all communities.

State Chairman for the Texas Jaycees is Drake S. Bunday of Richardson, Tex. He is responsible for encouraging local Jaycee Chapters in par-

ticipation in the projects, and will assist chapters in each community with the projects in planning and promotion.

The Texas Jaycees are an organization of young men whose motto is "Leadership Training Through Community Development." Membership is open to all young men between the ages of 18-35.

### Coffee Triggers Heart Fund Drive

Heart Fund volunteers are invited to attend a Kick-Off Coffee at 10 a.m. Friday at Community Center as the organization prepares for its 1974 campaign.

Heart Fund workers will execute a one-day drive on Sunday, Feb. 17 when they will canvass Hereford for contributions.

Volunteers will serve as

walkers who collect funds or as block captains, who will direct groups of 8-10 walkers.

Everyone is urged to help in this needy cause and can contact Mrs. Homer Yocum (364-5845) to offer their services.

Mrs. Yocum wishes to thank the Circle K and Ideal groceries for supplying refreshments for the morning coffee.

# VICA Girls Vie As Hair Stylists

Estacado High School will be the site for the district contest in Lubbock for HHS cosmetology students in VICA Feb. 8 and 9.

The contest, sponsored by the Vocational Industrial Clubs of America, is held every year in order for students to qualify for the state meet. Other schools participating in this qualifying contest will be: Plainview, Amarillo, Levelland, Estacado, Brownfield, Lubbock High and Jessie Lee's Hair Designing Institute.

Five notebooks are to be submitted by Mary Jean Reinart, Donna Woodie, Carmen Alejandre, Sherry Anderson and Karen McPherson. Preparation of these notebooks began at the first of the school year when order of different sections of the notebooks and the contents, such as different styling procedures and pictures demonstrating different hair styles, were discussed, but much has been added the last month.

Eight manikins will also be entered by Mary Shipp, Sharon Homfield, Sue Smith, Karen McPherson, Mary Jean Reinart, Lane Rowan and Debra Nelson. The manikins will be used by students to demonstrate hair styles. They are set beforehand under direction of Mrs. Jackie Cabbiness who is the cosmetology instructor.

Four people will be entered in the skill speed event which is the styling of a live model's hair, who will be fellow classmates also at the contest. The girls entering will be: Misses Reinart, McPherson, Smith and Shipp. Models on which they will demonstrate the styles are: Debra Guynes, Ruth Fowler, Paula Reyna and Jayne Martin. The styles for the models are selected by the appearance of it on that individual.

Preparation for the contest, in general, includes: practicing on skill speed, coloring hair, selecting appropriate hair styles and working on notebooks. The purpose of the contest is not only to qualify for state but also to keep interest in VICA. It also enables the students to find out more about what is going on in other schools.

The students and sponsors will be staying at the Villa Inn in Lubbock while the contest is taking place. Sponsors include: Mrs. Marlin Woodie, Mrs. David Hutchins, Mrs. W.D. Askev, Mrs. Kenneth Homfield and Mrs. Charles Cabbiness.

# School Band Leaders Attend Convention

During the convention, commercial exhibits will be set up to show new instruments, new published music and other things to come out since the last convention. On the last day, the students who won the honors of being selected in the All State, Choir, Orchestra, and Band will meet in each division of music and give a concert to the directors.

The directors in the choir department from Hereford will be Bill Devers from La Plata, Douglas Morris from Stanton Junior High and Fred Ratcliff from high school. In the Orchestra Department Nick Nixon from High School, Royce Coatney from Stanton and Charles Jones from La Plata will be attending the convention.

Randy Vaughn from high school, Tommy Wines from Stanton, and Jim Priest from La Plata will be covering the Band Department at the forum.

# To Compete In Area DE Contest

The Hereford High School Thespians team will be going to Lubbock April 5 for an interscholastic League play contest.

The meet will be held at Lubbock Estacado High School. The director of the one act play is Rex Manley. The play they will enter is called, 'Hopes and Words and Ordinary Things.' Members of the play will compete with other 4 AAAAA schools.

Manley stated that these students have worked "night and day" to put this play into contest.

The Thespians are also doing another play called "The Prince," which they hope will be able to perform for Hereford High's student body. Students participating in the one act play contest include: Russ Odom, Donna Munnerlyn, Butch Casey, D.Lyn Davison, Debbie Lopper, Cathy Koelzer, Ladonna Bridges, Jerry House, Cameron Clements, Kim Young, Frank Smith, Bill Hardin, Sara Ricketts, Denise Strange, and Allen Ward.

# Police Sponsor Drug Education

Phil Sciombato, Hereford policeman, came to HHS on Wednesday Jan. 30 and Friday, Feb. 1 to show the film, "11 Last Minutes to Choose" and "Marijuana."

These films showed what drugs will do to users, the first one discussing overdoses and the other one showing the result of habitual drug usage.

On Friday Sciombato exhibited a small marijuana display for the students.

The film was shown to all health classes and to any other classes who wanted to watch them.

"The purpose of the films," said Sciombato, "is to get a better relationship between the policemen and the young people." He also commented that he thought the films had an impact on all the students who watched them.

He has shown the films at Stanton and La Plata Junior Highs and plans to come back to HHS during March or April for another visit with the students.

News From Austin

# More Than 300 Proposals Submitted To Con-Con

AUSTIN, Tex. — A total of 332 separate proposals have been submitted to the Constitutional Convention.

Last day for filing the recommendations for individual or wholesale revisions of the constitution brought the expected outpouring.

Each has been referred to an appropriate committee for study and processing before consideration on the convention floor.

Delegates who wish to submit proposals in the future must get permission of two-thirds of their colleagues.

Meanwhile, the convention has progressed through preliminary approval of the preamble and Bill of Rights — with no changes over the old constitution.

Next article to get floor

consideration this week will be rights and suffrage.

At least two controversial items in that article are a provision allowing a property ownership requirement for voting in bond elections and denial of voting rights to felons.

Another recommendation of the rights and suffrage committee would provide a constitutional requirement for a secret ballot. There is now no such requirement in Texas although courts have held secrecy must be maintained.

**TAX FORMULA APPROVED** — The Legislative Property Tax Committee approved a modified version of the Texas Research League's proposal to gather data for a new school finance formula.

House Speaker Price Daniel

Jr. had urged rejection of the plan, which El Paso Rep. Luther Jones charged was slanted in favor of big business.

Jones later asked Daniel to order an investigation of the Research League.

He objected to state reliance on the privately-financed League for assistance in tax studies. Seven such studies have been done by the organization since 1964.

**ELECTION RULES CHANGED** — As the Monday filing deadline for candidates neared, Secretary of State Mark White Jr. reminded of new election requirements.

He told candidates they must designate campaign managers, before they accepted any political contributions or make any election expenditures, including filing fees.

Designations of the managers must be filed with the Secretary of State for candidates seeking offices involving more than one county. County clerks receive the designations for one-county positions or those within a county.

**DREDGING POLICIES APPROVED** — The Parks and Wildlife Commission under a new regulation can cancel licenses of shell dredgers who cause siting over live oyster reefs.

Another recently-approved policy to protect coastal and inland wetlands expands control over spoil dumping from dredging.

**COURTS SPEAK** — Attorney General John Hill sought a stay of a single-member dis-

trict plan ordered by a three-judge federal court for seven Texas counties, pending appeal.

The court reversed an earlier decision to allow filing in the districts until February 18 and left the deadline at February 4. It also eliminated residency requirements in the districts for this year's election in Tarrant, Travis, Jefferson, McLennan, Nueces, El Paso and Lubbock counties.

The State Supreme Court held that, once a couple signs a sales contract on their home, they must go through with the deal.

**APPOINTMENTS** — Governor Dolph Briscoe appointed Jerry Spencer Davis of Campbell as 196th district attorney in Hunt County.

Other recent Briscoe appointments include:

Dr. J. R. Maxfield Jr. of Dallas and Dr. Ben Dubilier of Austin to the Radiation Advisory Board; W. Clyde Freeman Jr. of Bryan to the Texas State Board of Public Accountancy; Mrs. Joe DeWitty of Dallas and Dr. Harry George Henricks of Beaumont to the Governor's Energy Advisory Council.

Dr. Morris E. Bloodworth of Bryan and Dr. Harold E. Dregne of Lubbock to the State Seed and Plant Board; Alvin G. Davidson of Fredericksburg to the State Board of Public Accountancy; Edgar H. Burton of Lufkin and Jack M. Dubose of Gonzales to the Egg Marketing Advisory Board.

Gus T. Canales of Pre-

mont to Nueces River Authority; C. E. Knolle of Sandia and Byford W. Bain of San Antonio to the Dairy Advisory Board; Hayden A. Albert of Austin to the Polygraph Andrews of Houston and Richard Reyes of San Antonio to the Texas Southern University Board of Directors.

Briscoe appointed 61 to standing committees of the Interstate Oil Compact Commission for 1974.

Attorney General Hill reappointed Stuart Long of Austin to the School Land Board.

**STUDY VIA TELEPHONE** — Workers never cease in the modern world of communications. A Texas university professor conducts regular

classes via the conference telephone call. A recent class lecture on migraine headaches was heard over the telephone by 58 persons and the class lasted 2½ hours.

**SHORT SNORTS**

A consulting firm has been hired on a \$55,000 contract to help reorganize and streamline the 600-employee State Board of Insurance.

A number of state agencies have moved Austin offices to a new block-square Stephen F. Austin building north of the capitol.

Texas Water Rights Commission approved a \$55,000 bond issue for Cameron County Water Control and Improvement District 10.

State Rep. John W. Bryant, 26, is the legislature's newest member. He won a special vacancy election, and is now installed as a delegate to the Constitutional Convention.

All members of the State Board of Education must run for election this year from congressional districts, Attorney General Hill held in a recent opinion.

A special committee has been named by House Speaker Daniel to study feasibility of bringing about uniformity in ad valorem tax appraisal, assessment and collection.

Legislators are pushing for special session action to take Texas off year-around Daylight Savings Time.

Package Tours of Texas were put on the international market by Texas Tourist Development Agency and Gray Line Tours.

Air purification devices will be installed in Constitutional Convention Hall to filter away the cigar and cigarette smoke that bothers some delegates.

**Winter Hog Show**

Progress has been moving extremely well in the preparation of the Southwestern Winter Spotlight at the Hale County Agriculture Center, Plainview, on Feb. 14 and 15. Texas people have been very cooperative in planning this event.

The show will consist of 353 entries from 12 states. The entries include 127 Chester White boars, 137 Open Gilts, 11 Bred Gilts and 79 Market hogs, according to Lyle R. Alumbaugh, Executive Secretary of the Chester White Swine Record Association, Rochester, Ind.

- 3 c. wide noodles, cooked and drained
- buttered crumbs (topping)

Brown beef lightly in hot skillet; add onions, cook covered until tender but not brown. Add celery soup, mushroom soup, pimento, sour cream, mushroom pieces, salt, pepper and mix well. Fold in noodles and pour into large buttered casserole. Top with buttered crumbs. Bake at 350 degrees for 30 minutes or until hot and lightly browned.

This may sound strange, but until the 16th century, deaf people were considered intellectually deficient!

# Vegetable Conference To Focus On Potato, Onion

Potatoes and onions will be the focus of attention at the annual conference of the West Texas Vegetable Growers' Council here Feb. 12, according to Extension vegetable specialist, Dr. Roland Roberts.

Vegetable growers and shippers, together with industry, Extension and research representatives, will study all phases of production and marketing of potatoes and onions.

The affair will be at the Bull Barn, with registration at 9 a.m. Potato diseases and disease prevention, soil fertility, insect control, potato handling, shipping, merchandising and promotion all will be dealt with in detail, Roberts adds.

A program on the revolutionary device known as the "Zapper" will be presented by the Oceanography International Corporation during the one-day event. Engineering

and performance of the successful Texas A&M University mechanical onion harvester will be discussed.

At noon there will be a beef barbecue luncheon. Vegetable industry suppliers will have displays and will talk personally with growers.

Registration for all activities is \$5 per person. Students pay a reduced fee of \$2.50.

"Industry and business representatives are strongly supporting this program financially to make possible presentations by experts from other states," Roberts says.

"A few of the people who are traveling from California, Colorado and South Texas to meet with us include: Headlee Wright, a potato grower from Colorado who is president of the National Potato Promotion Board; Ernie Cornwall, central field representative, National Potato Promotion Board; Dr. Albert Paulus, Extension pathologist, California Agricultural Extension Service; Dr. William Aldred, assistant professor, Texas Agricultural Experiment Station; and Lynn Davis and Larry Vincent, of Oceanography International Corporation, College Station.

## Dry Soil Conditions Now Hampering Land Preparation

Lack of soil moisture is hampering land preparations for spring herbicide treatments, says a Lubbock based agronomist.

Land that now is being deepbroken or chiseled is causing considerable cloddy conditions, making nearly impossible the proper incorporation of preplant herbicides such as trifluralin and planavin. In fact, according to Dr. Robert B. Metzger, area specialist with the Texas Agricultural Extension Service, farmers actually may be losing money by applying these herbicides on extremely cloddy land with high amounts of plant residue.

"If the land is reasonably free of large clods, effective control can be attained," he cautions, "but one should make sure that any plant material is worked well into the soil. Considerable crop residue such as grain sorghum stubble that is left on the surface will tie up any herbicide that hits it before it gets into the soil."

Metzger advises that the spray should contact the soil for best incorporation. In many fields, he adds, plant residue is fairly heavy, limiting the operator in working it into the soil. Under these conditions, the applicator should probably increase rates of these herbicides by 25 per cent.

"In many fields, it may

Cattle Feeding Turns Down... Some Up, Some Down... Texas Poultry Value Increases.

"It came as no surprise when the Texas Crop and Livestock Reporting Service noted that cattle being fed for slaughter as of January 1 is down in both Texas and the nation.

The number of cattle on feed in Texas totaled 2,205,000, down two per cent below a year earlier, three per cent below December 1 and five per cent below October 1.

Nationwide, cattle on feed were down six per cent below a year ago.

Placements are down 21 per cent from a year ago in Texas. Feedlot operators reported intentions to market 1,150,000 cattle between now and March 31. This would be 52 per cent of the number on feed as of January 1 and would be six per cent more than the total marketed during this period a year ago.

In the state, large feedlots—those with 1,000 plus capacity—numbered 233 and held 2,158,000 cattle-on feed for slaughter. Of that number, 81 per cent reported cattle on feed, while the remainder reported their feedlots empty as of January 1. Capacity for all 233 feedlots showed a 71 per cent occupancy.

"Small" feedlots—those with less than 1,000 head—held 47,000 head.

Nationwide, there was a decrease of 15 per cent in the number of cattle and calves placed on feed October through December of last year. Anticipated marketings now through March are one per cent below those actually sold during the same period a year ago.

INVENTORY of the Texas chicken flock shows a value of \$22,120,000. Value per head is set at \$1.40, which is up 15 cents from 1972.

The December hatch of egg-type chickens in Texas is down 10 per cent from a year ago. The December hatch of broiler chicks increased five per cent from a year ago. The total poult turkey hatch for December increased seven per cent from a year ago.

Egg production in the state was six per cent above a year ago. The number of chickens on Texas farms as of December 1 (excluding commercial broilers) was 15,800,000. This is three per cent above the 1972 total. There were 3,630,000 hens and pullets of laying age, 11 per cent under the 1972 total.

TEXAS planting intentions show increases in major crops including corn, grain sorghum, cotton, and soybeans. Decreases in acreage are indicated for oats, barley, rice, and sugar beets.

An indicated corn acreage of 800,000 is up 50,000 from 1973 planting of that crop. Grain sorghum indications are that 8,500,000 acres will be planted in 1974. This compares with 8,100,000 in 1973.

Cotton acre indication for 1974 in Texas is 5,800,000; this compares with 5,400,000 acres in 1973.

Soybean acreage indications show an increase over 1973 plantings for Texas. Indications are that 500,000 acres of soybeans will be planted in the state this year.

Oat acreage in Texas in 1974 shows that the crop will be less than in 1973; barley will also be down as will rice.

A huge increase in flaxseed acreage in Texas is indicated for 1974. Acreage this year is indicated at 40,000 acres compared with only 9,000 acres in 1973.

### Optimistic Outlook Held For Future Farm Output

Agricultural research economists are optimistic about the American farmers' ability to provide the added food and fiber that's going to be needed in the next 30 years.

But they're also quick to point out that a lot of help must be developed through research to get the job done. New methods, new approaches, and new ideas are some of the tools farmers will need.

Studies indicate that capital equipment, chemicals, more intensive use of farm land, and more know-how will be available.

Provided the studies are correct and new technologies are developed by research, the Economic Research Service sees big increases coming in crop production in the next seven years. Average corn yields, for instance, are projected at 105 bushels per acre in 1980 compared to 86.8 bushels in 1971.

Sorghum grains' average yields are estimated at 64 bushels compared to 53.9 bushels, barley at 55.0 bushels compared to 45.6 bushels, wheat at 36.2 bushels compared to 33.8, oats at 62.5 bushels compared to 55.7, soybeans at 31.0 bushels compared to 27.6.

Other estimates included cotton at 510 pounds compared to 438, rice at 5,300 pounds compared to 4,630, and peanuts at 2,580 pounds compared to 2,045.

## New Strategy Devised In Cotton Pest Control

The Texas Agricultural Experiment Station, in its current campaign to help cotton farmers depend less on insecticides, has developed a system which has worked well in Southeast Texas trails.

Researchers believe that if the technique is expanded to the estimated 215,000 cotton acres in this region, it would increase output by more than 13,000

bales, reduce the amount of insecticides applied by about 1.4 million pounds, and boost producer net returns more than \$10 million.

The new strategy follows this basic pattern:

- (1) Control the boll weevil with a fall diapause program.
- (2) Control the cotton fleahopper with low insecticide dosages applied during the early fruiting phase.
- (3) End fleahopper treatments quickly to enable beneficial insects to increase enough to regulate bollworms and budworms.
- (4) Tolerate up to 15 per cent bollworm and budworm-damaged squares before insecticide treatment.
- (5) Harvest the cotton and destroy crop residues as early as possible.

On the TDC Brazos River farms, the system resulted in an insecticide decline from 12.9 pounds per acre to 6.4 pounds. Yield jumped from 229 pounds of lint to 345 pounds to the acre.

There was an estimated 50 per cent reduction in per-acre amounts of insecticides used on TDC's Trinity River farms. Yet, there was a 162-pound yield increase and a \$69 per-acre net return increase.

As a check, Stepling and yields from neighboring private farms were compared, and the increase was 25 per cent on the TDC farm.

# Post Office To Issue Robert Frost Stamp

Design of a postage stamp honoring Robert Frost, four-time winner of the Pulitzer Prize for poetry, has been announced by the U.S. Postal Service.

The 10-cent stamp will be issued March 26, the centennial of Frost's birth, at Derry, N.H. Much of his writings epitomizing New England, were done at his home on a farm nearby.

The stamp continues the American Poets Series of stamps. Previous issues honored Edgar Lee Masters, Emily Dickinson and Sidney Lanier.

The vertical stamp is from a pencil drawing of Frost by Paul Calle of Stamford, Conn. It was modeled by Frank J. Waslick and the engraving was by Arthur W. Dintaman (vignette) and Robert G. Culin Sr. (lettering). The three are with the Bureau of Engraving and Printing.

Beneath the stamp in three descending lines are: "U.S. 10c," "Robert Frost" and "American Poet." The stamp, which will be printed in black on the Cottrell press, measures 0.84 x 1.44 inches. It will be issued 50 stamps to the pane and there is one plate number.

Frost, who died at 88 in 1963, was the dean of American poets. Many critics regard him as the most widely read poet of his day. Much of his verse epitomized rural New England and its people, whom he regarded as sturdy, untouched by change. He wrote:

I'm asked if I  
Should say our stock  
was petered out,  
And this is my sincere  
reply:  
Yankees are what they

always were.  
Perhaps his most quoted line is "Good fences make good neighbors."

Frost's four Pulitzer Prizes were for "New Hampshire: A Poem with Notes and Graecenes" (1924), "Corrected Poems" (1931), "A Further Range" (1939) and "A Witness Tree" (1943).

Although the Frosts had come

to America in 1834 and for seven generations had remained within a day's walk of their lagging place near Rye, N.H. Robert Frost was born in San Francisco on March 27, 1874.

Despite his West Coast birth and a period he was to spend abroad, the son of a newspaper editor and a teacher was to prove true to his heritage — he was a New England Yankee to the core.

Frost returned East when he was about 11 and began absorbing the New England scenes he would preserve in his poetry. While in his teens, Frost recognized that he wanted to become a poet. Recognition as a poet came considerably later, however. First he was to be a bobbin boy in a textile mill, a shoemaker, a newspaper reporter, a teacher and a farmer.

Frost sold his farm in 1912 and went to England, where he

published "A Boy's Will" and received the critical praise of Ezra Pound.

An American literary magazine that for 20 years had been rejecting Frost's poetry suddenly wanted his verse. He resubmitted rejections and they were printed.

Amherst College then beckoned and Frost was to be "poet in residence" there for 20 years.

Frost was named poetry consultant to the Library of Congress in 1958 and in 1959 was named the library's Honorary Consultant in the Humanities. In 1961 he became the first poet to participate in a Presidential inaugural, reading "The Gift Outright" at the John F. Kennedy ceremony. Frost was awarded the Congressional Gold Medal in 1962.

First day cancellation requests should be sent to "Frost Stamp, Postmaster, Derry, N.H. 03038," with proper remittance and postmarked no later than March 26.

## Home Evening Plan Being Used In Prison

A very successful adaptation of the family home evening program of The Church of Jesus Christ of Latter Day Saints is proving to be a vital part of prisoner rehabilitation at Utah State Prison. The family-centered program in which selected LDS families meet regularly in the prison with inmates for Family Home Evening is now attracting the attention of sociologists and penologists around the nation.

A one-half hour color film produced by Brigham Young University Broadcast Services tells the dramatic story. The film, entitled "Four Gray Walls," has been selected as part of the "special of the week" by Public Broadcasting Service.

The film focuses on the lives of three men who have gone through prison, participated in the family home evening program, been released and found some measure of success. It portrays the inmates' attitudes toward life and prison

and examines their hopes and aspirations.

Prison Warden John Turner explains the role of a prison and how prison life can prepare inmates to return to private life outside the prison. Prison Chaplain Alan Baird, who helped institute the program at Utah State Prison, discusses the background of the rehabilitation efforts.

Chaplain Baird has since left Utah State Prison to accept an assignment to institute the family home evening program at the federal correctional institution at Fort Worth, Texas. Similar prisoner rehabilitation programs have been started in Nevada, California, Idaho and Oregon.

Brock Asks Rotarians To Get Involved With MHMR

Gene Brock, Monday asked Rotarians to "get involved" with the new local Mental Health Mental Retardation Center. Brock, who was guest speaker at the regular noon luncheon of the club, is also director of Camp Wigwam, an annual summer camp for mentally retarded children.

here to pull purse strings... I'm here to pull heart strings... Brock outlined the functions of the MHMR center which recently opened on east U.S. 60 and invited Rotarians to go by and visit with the MHMR staff and look over the new facilities. Brock said the new center is an expansion of the "Satellite School" and includes the school.

In other action at the Rotary meeting Richard Crider, manager of Hereford Feed Yard, was introduced as a new member. Crider was sponsored by Rotarian Buff Benson.

Guardsmen Needed For Texas Militia

The Texas Guard has launched Project "Guardsmen for Texas" an energetic recruiting campaign aimed at bringing the state's Guard strength to 100 percent.

General continued, "the money saved on active duty, coupled with weekend checks, often helps our young Guardsmen pay their college or vocational school expenses. And Guard checks are always a welcome addition to one's regular income."

tank drivers and airborne specialists. Individuals know the job they will be assigned before they join the Texas Guard.

The campaign's goal is to recruit 1,500 men and women into the Texas Guard. Governor Dolph Briscoe, in support of Project Guardsmen stated "A strong Guard program is an honorable way for Texas' sons and daughters to serve their state and nation. February will be a challenging month for the Texas Guard and I urge every Texan to become familiar with this vital organization."

Wholly voluntary, the Texas Guard is composed of 17,000 men and women from every walk of life. "Our Guardsmen stand ready to drop their civilian pursuits and respond whenever they're needed," General Bishop said.

Jobs in the Texas Guard include, diesel mechanics, truck drivers, electronic specialists, cooks, medical personnel, heavy equipment operators.

The Texas Guard mission is to respond either to disasters within the state, or to the President in time of national emergency.

Texas Adjutant General, Major General Thomas S. Bishop, pointed out that newcomers in the Texas Guard today earn more than \$43 a weekend.

"New Guardsmen attend basic and advanced training for approximately six months," General Bishop said, "During this time, single Guardsmen are paid more than \$325 a month. Free medical care and other service benefits are also included."

"New Guardsmen return home and attend meetings one weekend a month and two weeks each summer," the
