United Fund Approves Eight Requests; \$25,000 Goal Set

Demos Conduct Quiet Convention

Only two resolutions were passed Saturday afternoon when the County Democratic Convention was held in the Stanton Junior High School auditorium. About 40 persons were present as Louis Woodford was named permanent chairman and Mrs. O. G. Hill Sr. was chosen as secretary.

party's standard-bearer in the forthcoming General Election campaign in Texas; and "Whereas, the Democratic Party of Texas has endorsed a three-point program of (1) supporting the Party nominees, (2) supporting the State Convention Party organization through its duly elected officials; (3) supporting the Party's standard-bearer in the forthcoming General Election campaign in Texas; and

A \$25,000 goal was set for the 1962 campaign by the Board of Directors of the Deaf Smith County United Fund as representatives of the eight local agencies supported by the fund presented budget requests at a hearing held Monday in the Community Center.

Appearing at the hearing were representatives from the Deaf Smith County Red Cross Chapter, Little League, Pony League, Hereford Athletic Club, the Deaf Smith County Alcohol Information Committee, Boy Scouts, Campfire Girls and the Salvation Army. A request was also made by the American Legion Baseball team to become a member of United Fund and a \$300 request was made.

GOP Approves 42 Varied Resolutions

A strong conservative stand was taken by Deaf Smith County Republican Party at the county convention Saturday, May 12, as 42 resolutions were adopted on local, state and national issues. Two delegates to the state convention were also named during the two-hour convention. Selected as delegates were C. F. Newsom and Mrs. Curtis Traveek with 16 others named as alternates.

It also voiced an opposition to any plan or effort that would attempt to convert rural electric cooperatives into a public power system. A second resolution dealing with REA pointed out the Republican opposition to rural electric cooperatives participating in the Rural Areas Development Program. The cooperatives, according to the resolutions, (Continued on page 2)

Name Staff For Shrine Clinic

More than 80 doctors and medical specialists, from New York to Hawaii and in-between, will be in Hereford June 1 and 2 for the seventh annual Oasis Shrine Club Children's Clinic. It was announced this week.

The announcement came as members of the three-county Shrine organization started selling bumper strips to help defray costs of the clinic and an allied research program. Henry Aycock, chairman of the fund effort, said that some \$7000 is needed to offset the costs of holding the annual

clinic and to support the World Bone Research work being done by the Deaf Smith County Research Foundation. "We will not hold a circus this year, so the bumper-strips will be our only source of revenue to pay for this most important work," Aycock said. He added that solicitation of businesses in Hereford and other towns in Castro, Farmer and Deaf Smith counties would also be held during the coming week. Dub Reeves, chairman of the clinic this year, announced that about 80 doctors and medical specialists would be in Hereford on the evening of June 1 for a dinner and medical meeting at the Hereford Country Club. On June 2 is scheduled the clinic, which will encompass four large facilities here. Registration will be conducted at the Hereford Community Center with specialists seeing the children in the Hereford Medical and Surgical Clinic. Lunch will be served at the Hereford High School cafeteria for all children, parents, doctors, nurses and Shriners.

Around Town

I've offered to stand outside with no hat on if that will help it rain. There were a very few tiny sprinkles Wednesday morning, which seems like a small result from such promising-looking clouds. Just before noon, a few optimistic drivers turned on their windshield wipers... probably to show their faith and to see if the wipers still worked after being sandblasted.

Whiteface Booster Club has called a special meeting for 8 p.m. Monday, May 21, in the Hereford Community center to discuss the coming school bond election. President Ed Skypala termed it "a most important meeting". All members and others interested in schools are urged to attend. Coffee and doughnuts will be served.

Houston attorney Don Yarborough, in behalf of his run-off campaign for the Democratic nomination for governor, will arrive at the Hereford airport at 2:40 p.m. Thursday, May 17, for a 30-minute visit. The public is invited to be on hand.

His run-off opponent John Connally will be here at 3 p.m. Tuesday, May 22, for a 30-minute rally at the Jim Hill Hotel. The public is also invited to attend this meeting. Connally is to arrive on a special bus.

Young Homemakers Home Demonstration Club will sponsor a "42" party at the Bull Barn on Friday, May 18, at 7:30 p.m. They say if you don't want to play 42, you can play dominoes or "Mexican Dominos", whatever that is. There will be a small admission charge.

Spring Choir Festival for the Camp Fire and Blue Bird Choir will be held Thursday, May 17, at 7:30 p.m. in the Hereford High School auditorium. The public is invited to (Continued on page 2)

Jaycees Slate Installation On Saturday Night

Hereford Junior Chamber of Commerce officers for 1962-63 will be installed at the Jaycees' annual banquet to be held at the Country Club at 7:30 p.m. Saturday, May 19. Officers to be installed include Bruce Fink, president; Wayne Fuller, vice president; Bob Cagle, secretary; Jack Jones treasurer; and Larry Kaul, inter-club director.

New directors of the club to be installed by R. F. McDonald, Pampa, State Director of District 1-B, are Gerald Hale, Fred Ruland and Dale Barkley. Serving as master of ceremonies during the installation banquet will be Clint Formby. Guest speaker of the evening will be Harvey McEachern, Plainview, Junior Chamber of Commerce International Senator.

Future Farmers Win Area Honors

The Hereford High School Future Farmers of America won more honors in the Area I FFA convention held Saturday, May 12, in Lubbock as Gary Royal was named area Star Chapter Farmer and Charles Vasek was named area Star American Farmer. The honors are the highest that can be awarded in the chapter and area competition. Both chapter members will compete in the state meet.

Vasek, who won the top award in Area I, will also be eligible to compete in national competition if he places in the state convention. Hereford FFA chapter was also named as one of the three top chapters in the area, according to Jess Robinson, chapter sponsor, and will enter state competition for the outstanding chapter award.

A fourth honor was gained by the FFA chapter as it placed second in the chapter electric competition sponsored by Southwestern Public Service Company. A trophy and check for \$100 were presented. In the contest, Alton Johnson was rated second and received a medal for second place in the individual competition. Those attending the convention included the two delegates, Terry Teascher and Bob Huckert; Arvel Williams, entered in the public speaking contest; Joe Shultz, district nominee for state office; Royal, Vasek, Robinson and Wyatt Harman, assistant agriculture instructor.

Senior Play Is Set May 18-19

Members of the Hereford High School graduating class will present "Curtain Going Up" in their annual production here Friday and Saturday nights, May 18 and 19. A cast of 19 members will appear in the hilarious comedy about a senior class and its hampered efforts to stage a senior play.

Laziness, romance, and many other conflicts appear in the plot of "Curtain Going Up", so many in fact that the curtain almost does not go up. The senior play will be staged in the high school auditorium Friday and Saturday at 8 p.m. Proceeds from the show will be used by the class for the annual class gift and other expenses.

Directing the play is James Hinkley, Thespian sponsor. He is assisted by Mrs. Billye Buck, senior class sponsor. "Curtain Going Up", a modern comedy which will be presented with very few props or sets, weaves romance and conflict into a typical, humorous plot.

Police Warn Against Pets Without Tags

Hereford pet owners were warned this week by Henry Aycock, chief of police, that the season for rabies is beginning with the warm temperatures. He urged all pet owners in the area to have the animals vaccinated to prevent the disease and to eliminate the spread of rabies.

"There is also a city ordinance," he pointed out, "requiring the vaccination and tagging of pets." To secure the city tag, he stated, a certificate from a veterinarian must be presented at the City Hall stating that the pet has been vaccinated against rabies.

He also warned owners against allowing their pets to become a "nuisance in the neighborhood," and pointed out that the stepped-up drive in animal control is continuing. More than 100 animals have been picked up this year, he commented, and the drive will be continued due to the increasing animal population.

County Fire Contract To Remain In Effect A Year

An orderly, business-like meeting of local City and County Commissions here Monday ended with little done on changing the present contract between the two groups for county fire protection. The meeting was called after the County Commission had requested a lower rate for its fire calls in the county. The county contracts with the city to provide fire protection with the county charged on a percentage formula, according to part of the cost of operating the Hereford fire department.

County officials had questioned the costs, which are paid for the previous year. That is, the costs for Feb. 1, 1961 to Jan. 31, 1962, are payable monthly from February, 1962, through January, 1963. After some discussion, County Commissioners finally agreed to pay the costs as provided under the current contract, but said they would study the matter further before the end of the current contract.

One of the County Commissioners read costs of similar fire contracts in other counties. He said that Farmer County paid \$750 to each of the three departments in that county; Castro County paid \$50 per fire call in the county; Swisher County paid \$75 per fire, not to exceed \$1200 and furnishes one truck; Moore County pays up to \$3000 at \$75 per call; Dallam County furnishes one truck to the city; and Randall County pays \$100 per fire for about \$5000 annual cost. Randall County also owns one truck used by Canyon.

He said that the fire contract was started in 1957 at \$4000 per year. After two years, this was changed to a percentage basis. County Judge H. C. Williams asked if the city would consider a flat rate payment or a per-call rate. Mayor Ray Cowser said the city did not feel that this would be equitable and that

AT JOINT CITY-COUNTY MEET

County Fire Contract To Remain In Effect A Year

The present arrangement was the best possible. Another County Commissioner asked if the city would accept \$4000 per year and this also was turned down. Still another County Commissioner suggested that the 1961-62 charges be paid and that the county then go to a flat rate payment, but this was also turned down.

All of the County Commissioners — Don Hicks, J. T. Guinn, Otto Massie and Charley Sowell — were present along with County Judge and County Attorney Ed Line. Representing the city were Mayor Ray Cowser, Commissioners Bill Howard, Bill Davis Jr. and Dale Tinnin, along with City Attorney Earnest Langley and City Manager Dudley Bayne.

During the meeting, County Commissioners brought up the point that the city did not help with welfare costs, hospital costs or library costs. The city contended that they were prohibited in some cases from assisting by law and in other cases did not assist because they did not have any part in the operations.

However, the two groups did agree that something might be worked out to eliminate the present duplication of 24-hour police radio service, operated by the city police and the county sheriff's department independently of each other.

All agreed that the present formula used to determine fire costs was fair. One County Commissioner said that the fire cost to the county was \$3860 in 1960, \$4080 in 1961 and about \$6500 currently, when the county had budgeted only \$4000. The city officials pointed out that the number of county fires was much higher during the past 12 months than in the past and that it might have been "just a bad year".

County officials questioned some fires listed as being in the county which were actually in other counties. The city

Costly Damage From Collision

A car-pickup collision at the intersection of West First and Lee Street heavily damaged two vehicles. However, no injuries were reported, according to the Hereford Police Department. The accident, which occurred about 9 a.m. Tuesday, involved a 1962 model sedan driven by Etheredge Ward, 67, 100 S. Main, and a 1960 model pickup driven by Billy Lee Carter, 50, 416 Ave. G.

According to the police officer investigating the accident, damage to the sedan was placed at approximately \$700 with about \$500 worth of damage being done to the pickup. In the accident report the accident is said to have occurred as Ward pulled out into the intersection of West First and Lee Street after stopping for a stop sign.

As the sedan entered the intersection, the two vehicles collided causing extensive damage to the left front fenders of both. Ward was cited for failure to grant right-of-way.

County Salutes Two For Aid On Cemetery Road

Deaf Smith County Commissioners passed a special resolution of commendation to Ezra Norton and Jack Messer during their meeting Monday. The two were saluted for their work on behalf of the "Cemetery Road," and around the West Lawn Cemetery. The Court said that both had donated their time and efforts to get the road built for the least amount, giving unselfishly of their labor for the project.

Action came as the County paid off the last of the expenses on the road, which they contracted and to which they donated materials, equipment and men. Total cost of the road was about \$15,000. Other action was routine during the brief morning session. The court paid bills, talked with Mrs. Nell Hodges and Marcum Waddill about a new machine being considered for the tax office, approved a plat and paid a portion of the cost of the new hospital wing.

Approved by the group was a plat of the Western Hill Subdivision, which is planned for an area southwest of the present city limits. They paid about \$15,000 to the prime contractor for a percentage of the work completed on the small hospital wing.

During the afternoon, the county talked with City of Hereford officials about the county fire protection contract.

**JOHN DAVID BRYANT
To Receive Degree**

John David Bryant, son of Mr. and Mrs. Cawthon Bryant, 312 Star, Hereford, will receive his Bachelor of Business Administration degree in accounting on Sunday, May 20, at commencement exercises at West Texas State College at 5 p.m. in the Physical Education Auditorium in Canyon.

During his three years at West Texas State, Bryant was selected to Who's Who in American Colleges and Universities; to the Mary E. Hudspeth Honor Society; Alpha Kappa Psi, a national honor business society; Kappa Alpha Order; a member of the "T" Club; Varsity Letterman two years in football; and "Senior Class Favorite" at the college.

Bryant was recognized as a Distinguished Military Student at a six-week summer camp at Fort Hood in 1960. In military instruction on the WT campus, Bryant received the distinguished medal from Col. Edward L. Lindsey, professor of Military Science and Tactics at the college. Bryant was Lt. Colonel, Commander of Troops, of the WT R.O.T.C. unit's Battle Group. He will be commissioned as a 2nd Lt. during the graduation exercises and will enter the U. S. Army in October.

Bryant also holds one of the highest ranks in Scouting, Eagle Scout with Silver Palms and is a Brotherhood Member of the Order of the Arrow.

Venetian Way, winner of the 1960 Kentucky Derby, is credited with the fastest Derby ever run on an off track. The winner's time for the mile and one-quarter was 2:02 2/5 over a track listed as good.

One of the highlights of the school year came Wednesday morning at Hereford High when the annuals were received and passed out. There wasn't much to classes the rest of the day as students went through the book, depicted their own pictures and signed friends' books. But an annual really will mean a lot more to them in ten years when they try to remember the name of that cute, blonde or that good-looking boy.

The public is invited to attend a flower show sponsored by the Bud to Blossom Garden Club. It will be held from 3-7 p.m. Friday, May 18, in the Hereford Community Center and is free.

tion, should "confine their activities to the purposes for which they were organized."

The convention recommended that electric cooperatives cease advertising expenditures in order to save members' earnings and then use the money for service and debt retirement.

It was also recommended that board members place restrictions on the manager concerning the spending of cooperative funds, the annual meeting be held in the winter, and that members be given "more voice in management" and informed on all board action.

Opposition was also expressed concerning the building of generating plants when the needs of the cooperative could be furnished by privately-owned plants.

The fourth resolution passed concerning the REA opposed the administration's borrowing of government funds when money was available on the public market.

On local issues, the Republicans favored the creation of an airport board to manage the municipal airport and called upon City Commissioners to maintain high standards in the police department.

They were opposed to the payment of city taxes for a prolonged period without city utilities. In passing the resolution the convention delegates agreed that the city should not annex an area until it can provide service within six months. Concerning the schools, the

convention took a more-than-moderate conservative stand calling for the teaching of "the true history of our country, our Constitution, the Bill of Rights and our free enterprise system." They also called for "great care in the selection of school text and reference or outside reading material." However, a general book censorship was not favored.

In the resolution, the Republicans said: "We favor the selection of the best books and that care be used when selecting books by authors that have records with our government as giving aid to communist causes or any author down-grading our American principles of free-enterprise."

Resolutions adopted on the state level also called for economy and the setting up of a commission to study and make recommendations for increased economy.

Major opposition was voiced on a recommendation to the legislature calling for the leasing of one acre of land to each worker by the landowner.

The Republican delegates came out as being strongly opposed to any type of land reform "under any guise, state or national."

Among the resolutions adopted was a recommendation calling for an over-haul and investigation of the Department of State and a thorough investigation of the Department of Agriculture.

A resolution was also adopted for the abolishment of the Peace Corps.

Serving as permanent chairman of the County Convention was Kenneth Rudd. Other officers included Mrs. C. F. Newsom, vice chairman; Mrs. Leroy Williams, secretary, and Robert Betzen as sergeant-at-arms.

Named as alternates to the state convention were Curtis Traweck, Mrs. C. F. Newsom, Dr. Wes Owen, Mr. and Mrs. Kenneth Rudd, Mrs. Don Shipley, Mr. and Mrs. Harold Rudd, Mr. and Mrs. Homer Rudd, Mr. and Mrs. Robert Betzen, Mr. and Mrs. Stanley Vinson, Mrs. Ed Dziuk Jr., and Mr. and Mrs. Earl Plank.

Winning Demo Canidats Prepare For June Run-Off

By VERN SANFORD
Eight weary candidates who fought their ways into the finals of the democratic primaries now have June 2 as their next immediate target.

John Connally and Don Yarborough, two men who never have held an elective office, battled their way into the runoff for governor.

Gov. Price Daniel ran third and Atty. Gen. Will Wilson fourth. Marshall Formby, former chairman of the Highway Commission, was next and ex-Gen. Edwin A. Walker came in last.

It was clear that Texas democrats were ready for a change, and that they felt experience in state government was not the most important factor.

Jack Cox won the Republican primary and will take on the Democratic nominee on November 6.

Speaker Jimmy Turman of the Texas House of Representatives led five candidates in the race for lieutenant governor. State Senator Preston Smith of Lubbock faces Turman in the runoff.

Bill Hayes of Temple won the republican nomination for this important office.

The GOP will have no runoff for state office on June 2.

County Judge Woodrow Bean of El Paso and former Rep. Joe Pool of Dallas went into the runoff for Congressman-at-Large on the democratic ticket.

Former Speaker Waggoner Carr of Lubbock and Tom Beasley of Austin are in the runoff for attorney general.

No matter how the four top races come out — Texas will have an entirely new set of top state officials starting next January.

Some 114,000 Texans felt it was time to change parties and cast their ballots in the republican primary. State republican officials were "amazed and delighted" at the vote, and felt it

Services Held For Mrs. Nash

Adrian — Funeral services for Mrs. Atta Mae Nash, a native of Hall County, were held Tuesday in the First Methodist Church in Memphis. Mrs. Nash, who was 67, died at Odum Hospital in Memphis Monday morning.

The Rev. Otis Apple officiated in the services. Burial was in the Lakeview Cemetery under the direction of Spicer Funeral Home.

Mrs. Nash was born May 24, 1894, and lived in Hall County most of her life. She was a member of the Rebecca Lodge and the First Methodist Church.

Survivors include her husband, C. P. Nash; two sons, Meredith Joe of San Antonio and Mathew Lane Jr. of Adrian; a sister, Mrs. C. G. Smith, Memphis; and five grandchildren.

TEXTBOOKS BACK IN LIMELIGHT

After seven months of hot controversy in Board of Education and House Investigating committee hearings, over textbooks recommended by the 19-61 State Textbook Committee, a new cycle of interest began Friday as the newly-appointed 1962 committee held its first meeting. The committee, made up of 15 educators from various congressional districts in Texas, has the awesome task of studying every book offered by textbook publishers. Five books on each public school course due for new material will be submitted to local school boards for selection. Committeemen will study the books with the aid of some 700 advisors and readers during the

Farmers Plant For Row Crops

BY MRS. W. R. MOORE
Farmers are quite busy now planting row crops and pre-irrigating some of their maize land. Meanwhile, the potatoes and onions are doing well and promise an early harvest.

There were 73 present Sunday for services at the Palo Duro Church. The Rev. V. L. Huggins was the speaker.

Mrs. A. E. Jackson spent several days in Muleshoe last week with a brother, A. R. Floyd, who is ill in the Muleshoe Hospital.

Mr. and Mrs. David Axe and children of Texico spent the weekend in the home of his mother, Mrs. Zelma Axe.

Mrs. Mamie Cogdell spent Saturday night in the home of her brother, Roy Jones of Vega. Earl Jackson and Janie McBroom, along with a group of other boys and girls, made a trip to the Palo Duro Canyon Sunday evening.

Mr. and Mrs. John Jennings of Canyon were visitors in the home of their daughter and family, Mr. and Mrs. Bill Clevanger, on Sunday.

Mrs. Zelma Axe, Mamie Cogdell and Mrs. C. T. McBroom made a trip to Amarillo Thursday.

Mr. and Mrs. Elroy Artho and children visited in the home of Mr. and Mrs. J. L. Iribeck in Canyon on Sunday.

Mr. and Mrs. Henry McLaughlin of Amarillo and Louis McLaughlin of Azle visited in the home of Mr. and Mrs. Floyd Bailey on Sunday afternoon.

Mrs. Vinita McClain and daughters, Kathryn and Alyce, were dinner guests in the home of Miss Darolene Moore in Amarillo on Sunday.

Mr. and Mrs. W. R. Moore had all of their children home for Mother's Day. Among those present were Mr. and Mrs. Paul Myers, Mrs. K. E. Dygert, Randall and Diana, Mrs. Wilma Chun and boys, Rickie and Steven of Midland, Miss Ilena Dygert, a granddaughter from Canyon, and Mr. and Mrs. Billy L. Moore from Amarillo.

Mr. and Mrs. Wern Vandergriff visited with relatives in Canyon on Sunday.

Mr. and Mrs. A. E. Seaton attended a family reunion held in Amarillo last Sunday.

summer months. Hearings on objections from organizations and individuals are set for September.

According to adoption procedures, anyone may protest a book. But no one can defend a protested book, except the publisher. He can file a written rebuttal after applications for hearing objections are received in August.

One step toward blanket censorship was taken by the Board itself when it refused to accept Education Commis-

sioner J. W. Edgar's recommendation to readopt five high school economics texts. Some board members felt the books were anti-capitalist.

R. W. Byram of Austin ignored Rep. W. T. Dungan's request to hold action on the matter until the House Textbook Investigating Committee, which he leads, has time to evaluate the disputed books more carefully.

64 BILLION QUESTION
Officials at the Texas Highway Department started tossing statistics around like confetti as Governor Daniel proclaimed the week of May 20-26 as "Highway Week."

State Highway Engineer D. C. Greer called Highway Week "an appropriate time to pose the 64-billion-mile question," which means he's worried about meeting expected needs of Texas motorists who will travel 64 billion miles over state highways in 1970.

Today owners of Texas' five

million vehicles drive about 43 billion miles a year. Ten years ago, they traveled only 27 billion miles.

The department began paying the way for the anticipated increase this week as Highway Commissioner Herb Petry Jr. announced approval of the 1962 Farm-to-Market Road program.

A total of 1,216 miles of new FM roads will be built at a cost of \$23,500,000. Bids were received on 889 miles of highway repair which will run about \$16,700,000.

COSTLY CARELESSNESS
Highway Department figures it could build a lot more road mileage — 72 miles of farm-to-market roads or 24 miles of two-lane primary highways — if the \$2,000,000 that was spent to remove highway litter and repair vandalism damage last year was available for construction.

Motorists toss everything from beer cans, to watermelon rinds, to milk cartons and

cigarette packages along the state's 63,000-mile road system. Then the highway workers have to do the pick up job. Department officials compared this to a man throwing trash in his own yard and then paying someone else to pick it up. Damage to road signs accounted for \$385,900 of the super cleaning bill.

INDIAN CARE TAKES WAMPUM

Texas spent \$78,104 during the fiscal year ending August 31 to keep up the Alabama-Coushatta Indian Reservation at Livingston. The reservation is managed under the direction of the State Hospitals and Special Schools Board.

The advent of eight papooses during the year helped increase the number of reservation dwellers in the tribes from 572 in 1960 to 585 in 1961. It's impossible to keep an accurate count of the number of Indians who are eligible to live

on the 4,351-acre reservation, since the Alabamas and Coushattas are free to leave and return at will and many choose to live off the allotted land.

In spite of an annual legislative appropriation, the Indians are self-sustaining to a considerable degree.

LET'S COOK SOMETHING!

Nickie Helps Her Mother In Baking Chocolate Pie

Mrs. Max L. Stipe, mother of two-year-old Nicki Maxine, who assists her mother in the cooking activity each meal time, is a happy homemaker. She was a working wife for many years but now enjoys the pleasures of making a home and the company of Nicki each day.

Francis says "My mother has contributed many plain but especially good recipes to my file that have been convenient for me to use with little time to

spend in the kitchen. Chocolate is a favorite of my family, consequently chocolate pie is included with my recipes."

CHOCOLATE PIE

- 1/2 cup sugar
 - 2 tablespoons cocoa
 - 2 tablespoons cornstarch
 - 1/2 teaspoon salt
 - 3 eggs, separated
 - 1 tablespoon Wesson oil
 - 1 teaspoon vanilla
 - 1 baked pie shell
- Heat milk to scalding over low heat. Meanwhile blend dry ingredients well. Add egg yolks, beat thoroughly. Mix in small amount of scalded milk. Return to the mixture in the sauce pan and cook for 2 minutes over medium heat, stirring constantly. Stir in Wesson oil and vanilla. Cool in the pan of cold water, stirring constantly. Put into pie shell and top with meringue. Bake until brown.

LAZY GIRL'S COBBLER

- 1 cup milk
 - 1/2 cup sugar
 - 1 cup flour
 - 1 tablespoon baking powder
 - 1 teaspoon salt
 - 1/4 pound margarine
- Your favorite fruit (cooked) (about 2 1/2 cups)

Combine all ingredients except the margarine. Melt margarine in the bottom of the baking dish. Pour batter over margarine. Put fruit over the batter. (When baked the batter will come to the top forming the crust.) Bake in a moderate oven (350 degrees) for about 30 to 45 minutes.

BUTTERSCOTCH COOKIES

- 1 box brown sugar
 - 3/4 cup shortening
 - 3 eggs
 - 1 teaspoon vanilla
 - 2 teaspoons baking powder
 - 1/2 teaspoon salt
 - 3/4 cup pecans
 - 2 1/2 cups flour
 - 1 cup coconut
- Melt shortening, add sugar, and when lukewarm, beat in the eggs one at a time. Sift flour, salt, and baking powder, and add to the egg mixture. Add vanilla, chopped pecans and coconut. Pour into a large shallow pan, lined with wax paper. Bake at 350 degrees for 45 minutes. When still warm, cut into squares.

SPUD SCRAMBLE

- 6 slices bacon
- 4 medium sized potatoes, boiled and diced
- 1 small onion, finely chopped

- 4 eggs
- Salt and pepper to taste
- Dice and fry bacon slices until crisp. Pour off half the fat and add the diced, boiled potatoes and onions. Fry until lightly browned. Add eggs and season with salt and pepper. Stir gently until eggs are lightly set.

WHOLE WHEAT NUT LOAF

- 1/2 cup sugar
 - 2 tablespoons soft shortening
 - 1 egg
 - 1 1/2 cups milk
 - 1 cup sifted white flour
 - 2 cups sifted whole wheat flour
 - 3/4 teaspoons baking powder
 - 1 teaspoon salt
 - 1/2 cup of chopped walnuts
- Mix sugar, shortening and egg thoroughly. Stir in milk. Sift dry ingredients together and stir in. Blend in the nuts. Pour into a well greased loaf pan, 9 x 5 x 3". Let stand 20 minutes before baking. Heat oven to 350 degrees (moderate). Bake 60 to 70 minutes until toothpick stuck into center comes out clean. Serve warm or cold.

Note: Cut with thin, sharp knife to prevent crumbling.

FIREMEN ATTEND DEDICATION

Hereford volunteer firemen and wives attending the dedication of the fire truck at Boys Ranch Saturday, May 12, were Mr. and Mrs. Max Stipe and Nicki, Mr. and Mrs. Earl Phillips, Mr. and Mrs. Glenn Witherspoon, Mr. and Mrs. Bob Spaulding, the Rev. and Mrs. Joel Treadwell, Dub Reeves, Gerald Wilson, Jap Dickerson and Willard Witherspoon. The firemen won third place in both the pumper races and water polo contests. The cash money won was donated to Boys Ranch.

TAKING THE GUESSWORK OUT OF SEEDING

(See Planting Guide on Frontier Seed Bag)

This formula was worked out by Frontier production men and takes the guesswork out of Frontier Hybrid Grain Sorghum Production.

Follow the recommended planting rate for your area using this seeding rate.

1. Run drill (or other type planter) a short distance catching seed as it drops to the ground.
2. Determine the spacing between the seeds in inches, then
3. Multiply this by the row width, in inches.
4. Divide this into 368*, and you will arrive at the number of seeds per acre you are planting.

Example: You drop one seed every two inches - in 40 inch rows.

2 x 40 equals 80 square inches per seed

368 divided by 80 equals 4.6 lbs seed per acre.

* This "Constant" is based on the seed coverage of one pound of Frontier Seed distributed over one acre, using an average of 17,000 seeds per pound.

Each bag of Frontier has a handy planter adjustment table tailored to fit the size of seed contained in the bag.

Emergency May Be Cited For Sugar Act Extension

TO THE PEOPLE OF THE 18TH DISTRICT:

This letter is about the Sugar Act. I have written several in the past. There will probably be others before we are able to obtain the fair treatment to which the American farmer is entitled. But, in any event, the fight will continue until justice is done.

I headed the newsletter with the word "Emergency?" because this subterfuge has been used time and again to gain extensions of an unfair Sugar Act. It is another case of crying "wolf" when there is no wolf. The time could well come when there will be a wolf, and the American people will have been so drugged by false emergency cries that they may be hurt by the real emergency.

We have heard a lot about an expanded Reciprocal Trade Program. I think it would be the Sugar Act and the act well for the Congress to study that have occurred there under before formulating any new policy. Much can be learned. Proper corrections could be made that would measurably benefit the economy of this country and especially the American farmer. Much land that is now being used to grow surplus crops could be diverted to sugar beets and the entire economy would profit.

For a number of years this country has imported 45 percent of its sugar requirements. It could produce domestically within the continental United States all of the sugar it needs and have some for export. It is not proposed that this latter be done, but it is proposed that a more realistic ratio as between imports and domestic production be effected.

The Administration was supposed to have treated this problem and to have presented to the Congress new sugar legislation in the early days of this session. That proposal has not yet come to the Congress. The present Sugar Act expires on June 30th of this year.

Last year, an attempt was made by the "sugar trust" to extend the act for three years, but those of us who realize what is going on were able to block this and limit the extension to June 30th of this year. We had hoped that this would force new sugar legislation that would be fair to the American farmer. However, nothing has been done to date indicating that such action will be had. The situation is exactly as it has been in former years.

The termination date of the Sugar Act is fast approaching.

The "sugar trust" will be crying "emergency." They will demand an extension for at least another year of the present act and will attempt to force that extension through the congress. Their argument will be that unless the act is extended there will be a sugar shortage, because the sugar importers will not be able to contract far enough in advance for deliveries to reach our shores in time. This is utter nonsense. Foreign countries are clamoring to sell their great markets. If such an extension is gained without amendment to the present law, it will simply mean that a group of international bankers will again reap a rich harvest at the expense of the American farmer and the American taxpayer.

In anticipation of this move being made by the "sugar trust," I have proposed an amendment to the present act that should be adopted if the act is extended. This proposed amendment would make it possible for the President of the United States to allocate to continental domestic beet growers 750,000 tons of sugar and to continental domestic cane growers 250,000 tons of sugar, in addition to that now being produced. These sugar allocations would come out of the sugar allocations formerly held by our Communist neighbor to the south, Cuba.

You will recall that Cuba was selling to this country three million tons of sugar a year. The Congress brought about the cancellation of these imports as well as other imports from Cuba. However, the "sugar trust" was not asleep, and when they realized that we were going to cancel the Cuban allocations, they were able to have inserted in the Sugar Act a provision that the three million tons of sugar formerly purchased from Cuba must be purchased from other foreign countries. This meant that American farmers were absolutely and positively denied the right to produce one pound of sugar that we had formerly purchased from Cuba.

It has been suspected that although Cuba cannot sell sugar to this country direct, it is entirely possible that the American people may be eating some Cuban sugar. We must not underestimate the power, the influence, and the trickery of the "sugar trust." If they could make more money by transshipping Cuban sugar so that it would finally end up in this country, please do not doubt that they would do it.

And, I would point out in this

regard that the "sugar trust" is not made up solely of Americans. It is made up of a great number of foreigners who owe no allegiance to this country whatever. Please understand that I am not saying that this group is importing Cuban sugar, but I am saying that the possibility exists.

I am further saying that by proper action with regard

to the Sugar Act, discrimination against the American farmer could be stopped. We would then know that whatever additional amount of sugar was being produced by American farmers certainly was not coming from Communist Cuba.

This has been a long, hard fight, and it may continue for some time, but I have faith that in the final analysis we are going to win, whether it takes ten days or ten years.

Suzy's Chatterbox

BY SUZY WOODFORD
Saturday night the senior class of Hereford High was honored by the junior class at the traditional junior-senior banquet. It was held in the high school cafeteria, although it had been disguised until you couldn't tell it was the cafeteria.

Theme for the banquet was "Showboat 62" and, thanks to the hard work of the junior class, the cafeteria was transformed into a beautiful old riverboat.

The food was excellent and so was the service. Some of the sophomore class members blacked their faces and did a very fine job waiting on the upper classmen.

After the banquet, almost everyone went to the Community Center for a dance. The Center also was filled with magnificent decorations, designed to give the appearance of a lovely nightclub.

Both the banquet and the dance were nice and showed the results of much hard work, initiative and imagination.

All agreed that it was one of the nicest banquets Hereford High has ever seen. The junior class for 1963 is really going to have to work hard to top it!

After the banquet and dance, several slumber parties were held. Mickey Bonessio held a slumber party for about 16 boys and Dianne Robinson had a similar party for 16 girls. I don't know how much sleep these kids got, but I am sure they had lots of fun.

Glenda Furhmann had a breakfast Sunday morning for some of the senior girls, complete with pretty table decorations and wonderful food. Those attending were Joyce West, Sharon Hill, Nancy Edwards, Brenda Beasley, Shari Prowell, Avie Justice, Beverly Boyer, Mari-beth Gilliland, Suzanne Langley and Suzy Woodford.

Wesley Hopp, Stanton Junior High choir director, is a most versatile fellow. He will spend the summer working at Trail Boys Camp near Lake City, Colo. He will teach horseback riding, swimming, fishing, campercraft, archery and other outdoor sports... but not one minute of singing. He is to leave May 30 and be gone until Aug. 26.

Tri-Hi-Y had several parties last week. Thursday night the seniors were honored with a picnic at the home of Joy and Jan Story. After a meal of hamburgers, the seniors were given small gifts to take to college.

Kay Neill was given a mop to clean up any messes she might make. Joyce West was given a set of rings, in case she doesn't get any otherwise. Some of the girls were afraid Sandra Hodges' yellow car might not last too much longer, so she was given a tiny, new blue one.

New officers for 1962-63 were announced. Jan Story will be president; Suzy Higgins is vice president; Sandra Vaught, secretary; Janis Higgins, treasurer; Nelda Botkin, chaplain; Clea Kay Rutter, reporter; and Janis Higgins, historian.

Sunday afternoon, the Tri-Hi-Y girls held a Mother's Day tea for their mothers. This is an annual affair, much enjoyed by both mothers and daughters.

Friday in assembly, Peter Lantz, one of our exchange students, presented a small memorial to the school for its trophy case. It was wrapped in a rather large box, inside which were many smaller boxes.

After John Buck, student council president, had unwrapped, unwrapped and unwrapped some more, he found a small statue of Mad's Alfred E. Neumann, with this inscription, "What? Me Worry?" on it.

Peter also gave the library a subscription to Mad for one year, something I'm sure everyone will enjoy.

Peter and Gillian McArthur, the other exchange student, have been a joy for all of us to know this year. We will be missing them at Hereford High next year.

Hayes vs. Javelina. Cochise County.

Translated into layman's language, it meant simply that the jurist planned to go hunting for javelina, a wild pig, in southeastern Arizona.

PRESENTED WITH HONORARY Chapter Degrees and membership in the Hereford Future Farmers of America were Paul Stevens, at left, superintendent of schools, and E. W. Kendricks, who accepted the awards on behalf of John Orsborn of Orsborn-Norwood Chevrolet. Making the presentations was Joe Shultz. Larry Hair participated in the ceremony. More than 200 parents and F. F. A. members were on hand for the annual banquet held Thursday night in the high school cafeteria. Featured speaker for the evening was Jack Tompkins, Amarillo television farm director.

Very few people realize that it is almost time to vote again. On June 2, which is just a couple of weeks from next Saturday — we will be faced with the second primary in both parties. All of which doesn't leave a lot of time to concentrate on the steady flow of political propaganda available these days. Since Marshall Formby, my favorite candidate, was eliminated I cannot get very excited about any of the candidates for governor, and this includes Mr. Cox, the GOP nominee.

Congratulations to Bess Werner, named Monday as the Home Demonstration Woman of the Year. I had to be away and was sorry not to be able to present the Brand award, but I did think of her several times during the morning, and I know they could not have selected a more deserving member. I was telling someone about the time Mrs. Werner ran for county judge, and they seemed surprised. She didn't win, but she ran a good race. She is one of the most tireless workers I have ever known and,

CATHOLIC-PROTESTANT PRAYERS

MELBOURNE, Australia — Melbourne's Roman Catholic Archbishop Daniel Mannix and authorities of eight Protestant denominations have approved a group of prayers for use at interdenominational meetings.

Time changes everything, they say, but I could hardly believe my eyes last Monday when, driving into Clarendon, Texas, I spotted a huge elevator in pastel green color. Usually they are white — or "tattle-tale grey" — and I was so surprised that I stopped the car, took off my colored glasses and had a second look. I don't know if it is good or bad, but it sure is different. Am I behind the times, or is this new look an oddity? And will the fad spread to yellow, pink, blue and other pastel shades you see on so many stucco houses?

I notice where President Kennedy and Agriculture Secretary Orville Freeman are still intent on long range plans to shift our present surplus farms acres into hunting preserves, picnic grounds and other types of tourist traps, but Congress knocked out the idea of condemning and buying the surplus acres.

Recreation is already a big business with many farmers, especially where they can create lakes and promote fishing resorts. The trend is for everyone to move to the city, then they work like the devil to save up enough money to buy a suburban home — and get back on the farm.

Meanwhile, the Texas race for governor is waxing hot. Mr. Yarborough, the liberal labor candidate will be in Hereford

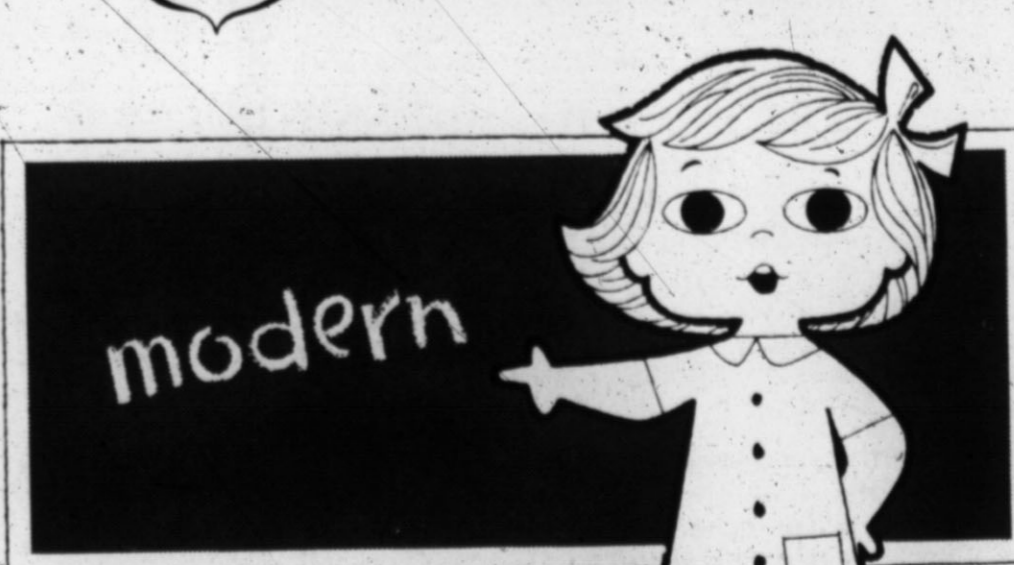

this week, and Mr. Connally is scheduled here May 22. I can't figure out the Connally stand, especially in view of his Washington connections, but he still looks a lot better to me than does Yarborough who, among other things, is too young for the post.

The school exhibits Monday were definitely outstanding, and drew a large attendance. I was most surprised at the number of students who turned out for the event. Bill Phillips said that plans call for making the exhibits an annual affair and expanding the display from year to year. This sounds like an excellent idea. For one, I did not realize some of the accomplishments which the youngsters are achieving.

Billie Sol keeps rolling along. I see where Senator Ralph Yarborough became involved this week — and even President Kennedy was drawn into the deal when he intervened to save Sec. Freeman's job. This thing is spreading wider than the vicuna coat scandal under Eisenhower, which recalls that old adage about not throwing stones if you live in a glass house.

Graduation is the big deal around Hereford these days and, if you doubt it, just ask any of the senior mothers. These gals are running their legs off — and they haven't really seen anything yet!

"Modern?" That's like when you've got Gas Air Conditioning!

"Modern" is a real hard word to explain. Like, for instance, if you were talking about the "newest" in Summer comfort — the Sun Valley Gas air conditioner. It's the "most" in Summer comfort, because the air is the "coolest," and "cleanest" and stays that way when it's "hottest" outside. You might say it's the "economical"est, too, because it uses low-cost, dependable GAS. And no moving parts in the heating or cooling cycles make it the "maintenance free"est of any unit on the market. So I guess you'd say "modern" ends everything with an "est," like the Sun Valley does.

KING-SIZED FILTER
Mama says it'll be all right for daddy to stay in the house to smoke his cigar now, thanks to Sun Valley's new twice-as-big filters.

BUDGET-SIZED ECONOMY
Mama says it's never too soon to learn the dollars and sense facts about utility bills. She says "constant efficiency" means it keeps you cool all the time, and doesn't cost any more when it gets hot.

Visiting Speaker At Church Service

By Mrs. Owen Andrews
The Rev. and Mrs. Franklin Swanner, Plainview, were guests at Frio Baptist Church Sunday. Reverend Swanner spoke at the morning worship service, about the need of Christian Education. They were guests of the Baldwins.

Visiting the Harlan Barbers Thursday night were his father, W. C. Barber; his sister, Mrs. Paul Barron and her son Paul Wayne, all of Lorraine.

Jimmy Barber of Lubbock visited his parents, the Harlan Barbers, during the weekend.

The Rev. and Mrs. B. H. Baldwin visited Friday night in the home of her sister, Miss Viola Keene, at Levelland. On Saturday, they transacted business at Lubbock and visited at Anton with their daughter, Mr. and Mrs. Ben Dean and family of Dallas. The Deans were spending part of the weekend at Anton and attended a reunion of Dean's relatives at Snyder on Sunday.

Mrs. E. F. Vogler was able to come home from the Deaf Smith County hospital Thursday, having spent a week there being treated for a broken knee cap. She expects to be able to be up and walking after a new cast is

put on the leg this week. Taking Sunday dinner with the Floyd Coles were Mrs. H. M. Mobley and Austin Mobley, Mr. and Mrs. Don Mobley and Craig, and Mr. and Mrs. D. C. Miller.

Linda, daughter of Mr. and Mrs. Homer West, accompanied her aunt and uncle, the Z. Newberry of Hale Center to Sayre, Okla., to visit her grandmother, Mrs. Maddox, during the weekend.

Mr. and Mrs. Joe Autry took their children, Jodi and Mike, to visit their grandmother, Mrs. A. N. Yandell, at Seminole on Thursday. They then visited her brother, Dan Yandell and family at Odessa, and went fishing at Red Bluff, returning home on Sunday after picking up the children, at Mrs. Yandell's.

Mr. and Mrs. Charles Sell entertained her parents, the Kenneth Coxes, at Lazbuddie and his parents, the Aubrey Sells of Hereford, on Sunday. They all had dinner at Dameron Park in Hereford.

On Sunday evening, the Charles Sells attended Baccalaureate services for the Lazbuddie graduating class. Her brother, Lynn, is a member of the class.

Merry Maidens Study Flower Arrangements

The Merry Maidens 4-H Club met on May 3 in the Community Room of the First National Bank with Joan Marnell, vice president, presiding at the meeting.

Bill Lankford was introduced by Mrs. Wilma Bryan, program leader. Lankford gave the program on "Flower Arrangement". He demonstrated five types of flower arrangements. Giving tips on how to cut fresh flowers in a way to make them keep fresh longer was a program highlight. A carnation corsage was made by the speaker. When it was completed a name was drawn and Miss Loreta Fowler was the winner.

members starting their plans for sewing and entering the revue.

Present for the meeting were Mrs. Wilma Bryan and Miss Loreta Fowler, leaders, Bill Lankford, guest speaker, and Misses Patricia Herr, Polly Martin, Kay James, Joan Marnell and Dorothy Marnell.

Highway Patrol Reports Three Local Accidents

A question and answer period followed the flower demonstration. Lankford discusses arrangements suitable for all of the rooms in the home. In answer to the question about an arrangement for graduation, a method of planning an arrangement for a special day or occasion was given by Lankford. He told the girls of several good ideas that they could use in learning the art for their own pleasure.

The business session included a discussion of the bake show and the three-day charm course scheduled soon. The dress revue was mentioned with the club

The Highway Patrol investigated three rural accidents in Deaf Smith County during the month of April according to Sergeant W. E. Wells, Patrol Supervisor of this area.

These wrecks accounted for two persons injured and an estimated property damage of \$3,325.00.

The rural traffic accident summary for Deaf Smith County from January through April of 1962 shows a total of 18 crashes. As a result of these crashes 12 persons were injured. The estimated property damage amounted to \$13,033.00.

Memorial Day weekend during this month of May will mark the beginning of the vacation season. Also, many schools will be out for summer prior to Memorial Day weekend or shortly thereafter. Residential neighborhoods which were quiet between 9:00 A.M. and 3:30 P.M. will now be alive with children. Streets and highways which lead to and from recreation areas and parks will have children and vacationers going to and fro.

The patrol supervisor pointed out that with the beginning of the vacation season it presents all of us with a stern challenge to be more alert and take special precautions to watch out for children afoot and motoring vacationers.

CARD OF THANKS

I wish to take this opportunity to thank the many, many friends and all those who were so kind and thoughtful during my stay in the hospital. For your many prayers, visits, the beautiful flowers and many cards which helped to make my stay there a pleasant one, all were so greatly appreciated and will long be remembered.

'Showboat 62' Junior-Senior Banquet Theme

Hereford, Texas, Thursday, May 17, 1962 Section Two

Dennis Rhoton and Bob Rodriguez of Eastern New Mexico University presented comedy sketches for entertainment.

John Buck and Toni Parker were named Ideal Seniors.

Hit of the show was the musical presentation about the untimely demise of a grasshopper, eaten by a turkey gobbler.

Black - faced sophomores acted as waiters.

Glenda Allison Wed Saturday

Miss Glenda Agnes Allison, daughter of Mr. and Mrs. Carl R. Allison, 101 Douglas, Hereford, and William Alfred Dyess, son of Mr. and Mrs. Roscoe Dyess of Stratford, exchanged wedding vows on Saturday afternoon at 4 o'clock, May 12, in the sanctuary of the First Methodist Church.

The Rev. Herschel L. Thurston, pastor of the First Methodist Church, read the double ring ceremony as the couple knelt on a white satin kneeling bench before an altar flanked by four wedding candelabra, filled with white wedding tapers and entwined with greenery, and two baskets of white gladiolus and greenery.

The church aisles were laid with white cloth and the family pews were marked with white satin bows.

Mrs. Bill Stanford of Plainview, organist, played traditional wedding selections and accompanied Miss Kay Spurlock of Stratford as she sang "Because", "Whither Thou Goest" and "The Lord's Prayer".

Mrs. Edwin Morrison Jr. of Hereford attended the bride as matron of honor. Mrs. Dan

Evans of Lubbock and Mrs. Jack Fulgham of Friona were bridesmaid. Bridesmaids were Miss Mary Dufur of Hereford and Miss Joan Hubbell of Canyon. All the attendants wore light pink cotton dresses fashioned with scoop necklines, cap sleeves, box-pleated skirts with over-skirts of white cotton lace. They wore matching pink shoes, short white gloves, and halo hats made of pink net. Corsages for the attendants were French colonial nosegays of pink roses.

Misses Carol Ann Massingill and Mary Lynn Massingill of Eastland, cousins of the bride, served as flower girls. They wore dresses identical to the attendants, short white gloves and white fish net starched hats, and carried baskets of pink rose petals. Candelights were Edward Allison, brother of the bride, and Ellen Dyess of Stratford, sister of the groom. She wore an identical costume to the other attendants and a pink wristlet corsage. The organist and assistants at the reception wore white pom-pom corsages.

Ernie Dyess of Stratford attended his brother as best man. Groomsmen were Henry Harrison and Richard McMinn, of Stratford; and Robert Ragsdale and Robert Spoonmore of Canyon. Ushers were Gary Stinburger of Canyon, Bill Meekley of Lubbock, and Edward Allison of Hereford, brother of the bride. Ring bearer, Charles Allison of Hereford, brother of the bride, carried the rings on a white satin pillow.

The bride, given in marriage by her father, was attired in a formal wedding gown of imported French Chantilly lace enhanced with sequins and seed pearls.

The bodice was fashioned with a scalloped neckline, long fitted sleeves tapering to petal points over the hands. The nylon tulle skirt was pleated to the bodice of lace and fell into a chapel train. The skirt was enriched with embroidered lace appliques. Her fingertip veil of

French silk illusion was attached to a tiara of seed pearls and sequins. The bridal bouquet was a white cattleya orchid with a purple throat arranged in a cascading bouquet of white roses.

Mrs. Allison, mother of the bride, was attired in a blue lace dress accented with bone acces-

sories. The groom's mother, Mrs. Dyess, was dressed in a blue ensemble with white accessories. Both mothers wore pink rose corsages.

Immediately following the ceremony the bride's parents hosted a reception in Fellowship Hall of the church. Parents of the couple and members of the bridal party formed the receiving line.

The bride's table, laid with a

white satin cloth with an overskirt of white net, sequin trimmed, was appointed in crystal and silver with the bride's bouquet forming the centerpiece. The arrangement was flanked by silver candelabra filled with twisted tapers. The three-tiered wedding cake was white with pink rosebuds as decorations and surrounded by pink roses.

Alternating at the serving table were Mrs. Ray Joe Riley of

Hart, Mrs. Durven Baker of Lubbock, Mrs. Robert Ragsdale of Canyon, and Miss Merle Rae Miller of Gorman, Presiding at the guest register was Miss Betty Scott of Hereford.

When the couple left on a short wedding trip, the bride was attired in a blue linen suit, gold shoes and purse, beige hat and gloves, and wearing the white purple-throated cattleya orchid lifted from the bridal bouquet. After May 21, Mr. and Mrs. Dyess will be at home in Canyon.

Mrs. A. G. Williamson and Donna of Plainview; Mr. and Mrs. G. W. Williamson, Jerry, Sharon, Layne and Marilyn, all of Tullia; Mr. and Mrs. Wayne White of Gorman; Mr. and Mrs. Virgil Massingill, Don, Dan, Mary Lynn and Carol Ann, all of Eastland; Miss Merle Rae Miller of Eastland; Mr. and Mrs. R. K. Brooks of Tullia; Mr. and Mrs. Ross O'Daniel, Dale and Pat, all of Tullia; Mr. and Mrs. L. W. Cherryhomes of Amarillo; Mr. and Mrs. Roscoe Dyess, Ernie and Ellen of Stratford; Miss Kay Spurlock of Stratford; Mrs. Dan Evans of Lubbock; Mrs. Jack Fulgham of Friona; Miss Joan Hubbell of Canyon; Henry Harrison and Richard McMinn of Stratford; Mr. and Mrs. Robert Ragsdale, Robert Spoonmore and Gary Stinburger of Canyon; Bill Meekley of Lubbock; Mrs. Ray Joe Riley of Hart; and Mrs. Durven Baker of Lubbock.

The bride is a 1960 graduate of Hereford High School and is a sophomore student at West Texas State College in Canyon.

Dyess is a 1958 graduate of Stratford High School. He will graduate in May from West Texas State College, receiving a Bachelor of Science degree in agriculture. He is affiliated with the Kappa Alpha Order, national social fraternity. He is president of his senior graduating class, a member of the Interfraternity council, and is legal counselor on the Student Senate. He will attend Baylor University Law school in the fall.

Out-of-town guests attending the wedding were Mr. and

Use your head when you shop for a "new-size" car

The air is filled with claims about the so-called "new-size" cars—the ones that have finally caught up with Rambler Classic's size, but with little else.

Just use your head and you'll discover sizeable differences. Slide into the front seat and you'll find much more headroom in the Rambler Classic (actually more than Cadillac). Full and ample room for six big and well-padded 6-footers.

You get better performance because Rambler is ahead in both horsepower and passing power. And any

Rambler owner will tell you how much he saves on gasoline.

Care about quality? Every Rambler has Double-Safety Brakes—of all U. S. cars, only Cadillac has a similar system. Only Rambler gives you Deep-Dip rust-proofing up to the roof. Only Rambler spares you the expense of replacing rusted-out mufflers and tailpipes—Rambler's are Ceramic-Armored.

You can get all the facts at your dealer's. His free car-comparison X-Ray Books make it easy to use your head.

Lt. Kit Carson Participates In Joint Exercise
 Lt. Kit C. Sanders, USN, son of Mr. and Mrs. O. R. Sanders of 400 West Park Ave., is serving with Attack Squadron 85, a unit taking part in Exercise Quick Kick, a joint training operation held May 7-10, at Camp Lejeune, N.C.

More than 40,000 men, 370 aircraft and 70 ships of the Army, Navy, Air Force and Marine Corps are taking part in the exercise, scheduled by the U.S. Atlantic Command.

The exercise features a full-scale amphibious assault on Onslow Beach at Camp Lejeune, backed up by airborne troops and close air support from off shore.

It is the year's major joint test of the Atlantic Command's conventional warfare capabilities.

MOTHER'S DAY VISIT
 Mr. and Mrs. Jess L. Robinson, Lee, Otis, Jess Arthur and Ira Lynn spent Mother's Day visiting in the home of her mother, Mrs. Irene Brown of Tulla. The Robinsons were joined by Mr. and Mrs. James Wilson of Dimmitt and Mr. and Mrs. Joe Bean and family of Tulla. Mrs. Wilson and Mrs. Bean are Mrs. Robinson's sisters.

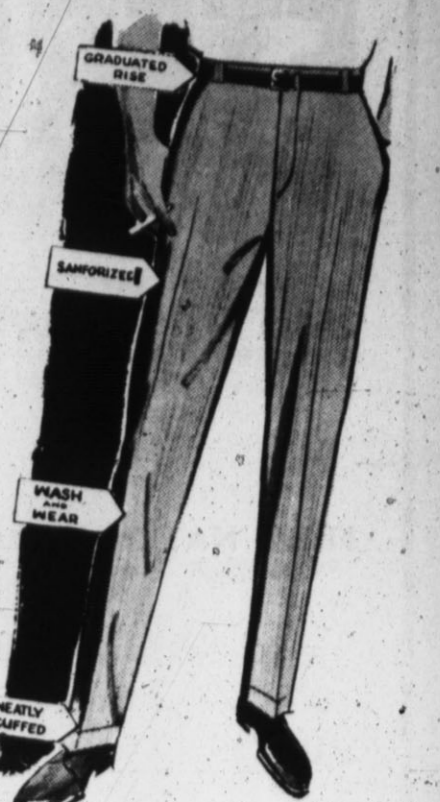

Kentucky, which lost out in regional play in the 1962 NCAA basketball tournament, was making its 13th appearance in the post-season classic. This is a record.

God's Soil

...and it's time to conserve it... time to save it! It is evident, when we witness the increased destruction of timber lands, national cover crops and wide-spread erosion, *America needs a national Save-The-Soil-Week.* It is urgent that we treat Mother Earth with greater respect and appreciation. We must give back to her as much as we take away. There's no better time than during National Save-The-Soil-Week, to come to a full realization that "The earth is the Lord's and the fullness thereof." We are stewards, appointed by God, to look after the earth He gave us. It is time to renew your faith in God and the Good Earth.

Rainfall Comes To Area, But Crops Need Moisture

By Mrs. Clark Dobbs
Part of the community received as much as an inch to an inch and a half of rain last Sunday night while the rest are still just hoping. There was no hail damage reported. Some of the wheat and other crops are shriveling up because farmers can't irrigate them fast enough.

The R. A.'s of the Westway Baptist Church held a swimming party last Friday night at Friona. Those enjoying the fun were Tommy Schmidt, Mark Bollin, Mike McCathern, W. A. Burrows, Tommy West, James Bentley, George Stewart, Dale

Schmidt, Paul Bean, and guests Davey Sorrells, Donald Tice, Nathan Wilson, James Barnett. Their sponsors for the night were Waldren Melton and Lincoln Bolin.

The Westway Baptist Church now owns a new organ. Mrs. H. E. Owens and Mrs. Lincoln Bolin purchased it and have assumed the responsibility of making the payments, but anyone wishing to make a donation to this fund may do so.

Mr. and Mrs. Paul Attig visited their daughter this week, Mr. and Mrs. Ansel Worthan and children. They are in the process of moving from York, Pa., to Deming, N.M.

The Woodrow Duttons attended her family's Taylor reunion in Anson over the week-end. They also visited with her parents, Mr. and Mrs. H. E. Taylor, and his parents, Mr. and Mrs. J. E. Dutton, while in Anson. They went to Abilene and visited other friends and relatives before returning home.

Mr. and Mrs. A. S. Smyth of Hart spent Tuesday visiting with their daughter, Mr. and Mrs. Bill Roberts and children.

P-A-G HYBRID SORGHUMS

stand up in the field...
stand out in yield!

The combination of standability and yields rates high with sorghum producers. Strong stalks, healthy roots, and bred-in resistance to lodging have earned P-A-G sorghums the reputation for being "up" when harvest time arrives. The large semi-compact heads dry quickly in the field for easy combining. High yields of plump grain will bring you top sorghum profits. I have a good supply of adapted seed and would appreciate the opportunity to serve you. Plant P-A-G hybrid sorghum.

We can supply P-A-G corn, alfalfa and clover, too!

personal extension phones

GIVE A MAN A QUIET, CONVENIENT PLACE TO TALK

Personal extension phones shut you off from household noises. Put one in your bedroom and lie down when you talk. It's great! Put one in the kitchen or dining area and you handle calls at mealtime without leaving the table. Another in your workroom or den will save you countless steps. Cost? You can have all three for just pennies a day!

Who needs extension phone service most?

- Families that make or receive five or more calls a day.
- Families with one or more members active in school, church, civic or club work.
- Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extensor phones—Princess, wall or table models in a wide range of colors—call the telephone business office, or ask any telephone serviceman.

Hot, Dry Weather Hurts Crops, Despite Irrigation

By Mrs. Harold Rudd
The weather has been very hot and dry and the farmers are irrigating as fast as the water will run through, trying to get the needed moisture to their crops. They are also very busy planting maize and finish-

ing planting their cotton. They are also busy cultivating their land which will be diverted acreage for this year.

Among the women attending the Cooking School held in Hereford High School Auditorium on Friday were Mrs. Emmitt Johnson, Mrs. Gayle Borland, Mrs. Paul Rudd, Mrs. Homer Rudd, Lynn Rudd, Mrs. Buck Green, Mrs. J. C. Morrison and Judith, Mrs. George Turrentine, Janice and Carol, Mrs. Jimmie Jesko, Deborah, Rebecca, and Karen, Mrs. D. Roberson and others.

Mr. and Mrs. Earl Waits of Hereford and Mr. and Mrs. Leonard Johnson of Black visited with Mr. and Mrs. Emmitt Johnson and family Sunday evening.

Mr. and Mrs. Harold Rudd, Lynn, Patsy, Cheryl and Kit ate dinner with Mr. and Mrs. R. A. Wells in Hereford Saturday. They visited with Mrs. Rudd's great-aunt, Mrs. Addie Henderson, of Blair, Okla. Mrs. Henderson is here visiting with the Wells for several days.

Its reliability is probably its greatest single asset

When you build a quality truck, the inclination is to run around asking users what they think of it. We do quite a bit of this.

It's a funny thing. You'd think people would talk mostly about the mechanical features of the vehicle—the good ride, its power, the double-wall construction, cab comfort, or tough tailgate.

These things get comment, of course, but they're consistently outnumbered by expressions of satisfaction with the dependability of a Chevrolet truck. Its greatest single asset seems to be the fact that it does its job well day after day without a lot of fuss or attention—and that's what impresses people the most.

Quality is the key to reliability. The next time you have to buy a truck, call your Chevrolet dealer and make your money go farther.
