

Annual Shrine Clinic All Set

Children, Shriners and doctors just naturally seem to go together. And they will be plenty of all three in Hereford this week for the Seventh Annual Oasis Shrine Children's Clinic.

Between 300 and 400 children are expected to be on hand Saturday morning when the annual free clinic starts.

But there will be plenty of action before that time.

Dr. Guy Caldwell of New Orleans, La., chairman of the Medical Advisory Committee for Shrine Hospitals, will be escorted into town Friday afternoon. He will be guest at a reception in the Jim Hill Hotel from 4:30-5:30 p.m. Friday.

At 8 p.m. Friday, the Clinic's

medical staff will be honored with a dinner at the Hereford Country Club. At that time, members of the Oasis Shrine Club will present a summary of research and other facts pointing up the advantages of locating a Shrine Hospital in Hereford.

On Saturday, a full day of activity really gets started. Shriners will get their day's assignments at a breakfast meeting in the Jim Hill Hotel from 7:30-8:30 a.m.

This will be followed by registration for the clinic at the Hereford Community Center from 9:30 until 11:30 a.m.

From 11:30; until 1:30 p.m., there will be a lunch in the

Hereford High School cafeteria for all children, their parents, doctors, nurses and Shriners. Wives of the Oasis Shrine Club members will serve as hostesses for the luncheon.

The clinic will be held from 1:30 p.m. until 4:30 p.m. in the Hereford Medical and Surgical Clinic.

This will be followed by a round-table discussion from 4:30-6 p.m. in the Hotel for all doctors and Shriners.

Saturday evening, Shriners, their wives, doctors, nurses and guests will attend a reception and dance at the Jim Hill Hotel, closing with a breakfast.

Dub Reeves, chairman of the Clinic, said that the Oasis

Shrine Club is only about \$1500 short of its \$7000 goal to support the clinic and the World Bone Research work. For the remainder of the week, Shriners will be selling the brilliant bumper strips, the only fund-raising project the Club will have during the year.

Reeves said that indications are that this will be the largest of the annual Clinics ever held. By Tuesday, more than 100 children had been pre-registered, which is about 25 more than for the same period last year.

The medical staff for the clinic includes the following:

Cardiology: Dr. Joseph R. Latson, Baylor Medical School Children's Hospital, Houston;

Dr. C. E. Hicks, Hereford; Oral Surgery: Dr. Robert V. Walker, Southwestern Medical School, Dallas; Dr. H. A. Cavness, Hereford; and Dr. Weslie B. Owen, Hereford;

Neurosurgery: Dr. Jack I. Woolf, Dallas; Dr. Tom Nash, Dallas; Dr. J. Victor Ellis, Amarillo; and Dr. Howard Cloward, Queen's Hospital, Honolulu, Hawaii;

Eye: Dr. William J. Campbell, Amarillo; and Dr. Milton Adams, Hereford;

Ear, Nose and Throat: Dr. Gaylord R. Chase, Amarillo; Dr. Louis E. Adin Jr., Dallas; and Dr. Norman Wright, Amarillo;

Laboratory: Dr. Laurance W.

Kinsell, Highland-Alameda County Hospital, Oakland, Calif.; E. L. R. Stokstad, Lederle Laboratories, Pearl River, N. Y.; and O. Z. Golden, Hereford;

Orthopedics: Dr. J. Elbert Loveless, Lubbock; Dr. Howard Eberle, Corpus Christi; and Dr. Emmett Shannon, Lubbock;

Plastic Surgery: Dr. Truman Blocker, professor of surgery, University of Texas Medical Branch, Galveston; and Dr. Wilford C. Sellman, Dallas;

Audiology and Speech: Dr. Dean Harris, Veterans Administration Hospital, Dallas;

Radiology: Dr. Jerry E. Miller, Baylor University Medical Center, Dallas; Dr. H. M. Stet-

ner, Lubbock; and Dr. Millard W. Nobles, Hereford.

Assisting in general diagnostic and clinical work will be a large number of doctors from Hereford, Amarillo, Lubbock and the Panhandle-South Plains area.

Committees set up to handle the affair include: Doctors' Transportation - J. W. Robinson and Dick Ross, co-chairmen, Lyle Blanton, Harvey Brock, Marvin Coffey, L. H. Lookingbill and Paul Lyons; Children's Transportation - Jack Brown and Frank Cogdell, co-chairmen, W. W. Gilbreath, A. C. Hudson, George Jones, Eldon Lilley, Regan Looney, Troy

Present Awards At Graduation

A standing room only crowd filled the Hereford High School Auditorium as the largest graduating class in the history of the school went through the commencement exercises here Tuesday.

Six students of the class were honored during the ceremonies as scholarships were presented and the outstanding student of the class was named.

Selected for the Outstanding Student award was Suzanne Langley, daughter of Mr. and Mrs. Earnest Langley, 502 Star.

The award, which has been presented to a graduating senior since 1932, is based on citizenship, leadership, general character, cooperation, versatility and scholarship.

Scholarships awarded during commencement were presented to Glenda Fuhrman, Hereford, Texas Federal Credit Union; Judy Fowlkes, Business and Professional Women; Kathryn McClain, Future Nurses; Lavonne Thompson, Kiwanis and Hereford Clinic, and Fayrene Evans, Lions Club.

Old Timers Gather For 39th Mid-Plains Pioneer Meet

More than 400 early residents of Deaf Smith County are expected to convene here Thursday, May 31, for the 39th Annual Mid-Plains Pioneer Day, which promises to be the largest gathering in the history of the event.

Mid-Plains Pioneer Day Association President Ezra Norton announced plans for the reunion,

stating, "We have planned very little program. As usual it will be a day reserved for visiting and reunions of old friends.

Election of officers for the Association and a basket lunch will highlight the meeting, before the afternoon of visiting gets underway.

Headquarters for the event this year will be the Hereford Community Center, according to Norton. The Overstreet Class will serve as host to the large group of local and out-of-town residents who will be on hand.

Pioneer Association officers have put forth extra effort this year in order to contact as many former residents and settlers as possible. "We're going to have a good many out-of-town folks on hand," Norton stated.

People from as far away as California have indicated they plan to be here for the celebration.

Hereford Business and Professional Women's Club will have charge of registration in the Community Center, slated to commence at 9 a.m. Thursday. Pioneer Study Club will serve coffee and doughnuts to guests as they arrive.

Annual meeting of the Mid-Plains Pioneer Day Association will be called to order at 10 a.m. by President Ezra Norton. Clint Formby, president of the Deaf Smith County Chamber of Commerce, will introduce Hereford Mayor Ray Cowser.

Mrs. Audrey Thompson will welcome all guests to the reunion. Mrs. Harvey Cash of Canyon will give the response.

In the business session Mrs. Alice Swigart, secretary-treasurer, will read the minutes of the last meeting and give the treasurer's report before the annual election of officers is held.

Following the business session, a basket lunch will be held in the Community Center. Out-of-town visitors will be guests of local residents.

Following the noon meal, all those on hand will begin their annual "gab session" recalling past events and friends. Thursday evening former members of the Overstreet Class will hold their annual reunion: Some 16-17 persons, all former students in Hereford during the years 1899-1900, are expected to be honored in the annual reunion, according to Norton.

C-C Agriculture Group Aims Toward Frozen Foods Plant

First steps were taken towards what could lead to a wider diversification of county agriculture and a "special market" for its products as plans were drawn up by the Agriculture Committee of the Chamber of

Commerce.

Initial plans for a long-range development program were described as the Agriculture committee met Monday evening. The committee adopted two resolutions and appointed three separate subcommittees for the purpose of promoting various projects, according to Agriculture Committee Chairman Frank Ford Jr.

In separate resolutions, the committee urges county farmers to conserve underground water and also recommended that farmers raise more small grain varieties.

A drive to obtain a frozen foods processing plant within the county was also launched in the meeting, as the Vegetable Diversification sub-

mittee was formed.

Tentative date and plans for "Deaf Smith County on Display" were announced. The promotion was described as a "county fair" type event. Tentative date for the exhibit was set for Sept. 29.

Grains, Forage and Legumes Promotion subcommittee was formed in order "to develop an ever-increasing special market for Deaf Smith County grains," Ford explained.

First of the resolutions passed by the Agriculture Committee of the Deaf Smith County Chamber of Commerce was as follows:

"1. Whereas Deaf Smith County agriculture is largely dependent on underground water, we urge each individual farmer to conserve this vital resource in every way possible."

Another resolution was passed urging a wider concentration upon raising small grains:

"2. We encourage the raising of small grain varieties which will help further the excellent reputation which Deaf Smith County has for quality baking grains."

With a goal of making a frozen food processing plant feasible on a year-round basis, the Vegetable Diversification Subcommittee was formed. Raymond Higginbotham was appointed chairman of the group, with Larry Kaul named assistant chairman.

This committee will also attempt to promote the local vegetable industry, both in other localities, as well as with county farmers. The committee will also offer advice concerning vegetable farming, and plans were laid for the development of test plots within the county for the purpose of determining growing capabilities.

This phase of the development program could perhaps work in the coordination with the extension service and the 4-H club projects, the committee pointed out.

"Deaf Smith County on Display", a new promotion planned by the Chamber, was announced. Ed Dziel Jr. was named chairman and Buddy Plekens assistant chairman of

Little Action At Fairly Brief County Meeting

Monday's County Commission meeting was both brief and routine. Much of the morning was spent talking with landowners along a proposed county road.

After some discussion, the landowners gave easements for the road, which will be located north of Dawn.

The group also spent some time talking with the representative of Microfilm company in Amarillo. Commissioners agreed that county records needed to be protected from fire or other loss by microfilm and are taking the matter up for further consideration.

Commissioners also agreed to tint west-exposure windows in the county tax office and sheriff's office. Total cost for the two offices will be \$252.

A revised schedule on county fire protection from the City of Hereford was approved.

Commissioners adjourned after about five hours in session.

Legion Baseball Schedule Shows Six Loop Games

Schedule for the Hereford American Legion baseball team, the Redbirds, has been announced following a district meeting in Amarillo Tuesday night.

Manager Johnny Haney said that the Redbirds would play six district games, plus two practice games, during the season.

On Saturday, June 2, Hereford will be host to the Nazareth team in a practice game that will start at 1 p.m. The district has been divided into northern and southern halves.

Included in the south half are Hereford, Canyon, Nazareth and Palo Duro of Amarillo. Playing in the north half will be Pampa, Borger, Tascosa Sheriffs, Amarillo Dusters and Gruver. The Gruver team actually will be comprised of players from Dumas, which does not have an American Legion post.

Winners and runners-up in the two halves will meet for a double elimination tournament, which is tentatively set for July

Around Town

For the seventh time in as many years, Shriners will be doing their finest work this weekend with their annual Children's Clinic. They have dug deep in their own pockets, and urged others to do likewise, in an effort to keep this activity going. But the cost and time involved seem small, indeed, if even one child can be helped, Oasis Shrine Club members have helped, not just one, but many children in the past seven years. This is the critical year, and every citizen of Hereford should make a special point to speak to a Shriner, or to one of the visiting medical people, or even to one of the parents who have come here. Hereford has a reputation for doing things a little better than many other communities. This weekend, we should go all-out to make everyone welcome who is attending or working with the annual Children's Clinic.

Brief Ballot For Second Primary Saturday, June 2

It shouldn't take very long for Democratic voters to mark their ballots in the second primary here Saturday, May 2. There are only five races listed on the ballot for the run-off and party nomination to the November General Election.

Seeking the gubernatorial nomination are Don Yarbrough of Harris County and John Connally of Tarrant County. Candidates for the Lieutenant Governor spot are James A. "Jimmy" Turman of Fannin County and Preston Smith of Lubbock County.

Running for the party's nomination as Attorney General are Tom Resvley of Travis County and Waggoner Carr of Lubbock County. Candidates for Congressman-At-Large are Joe Pool of Dallas County and Woodrow Wilson Bean of El Paso County.

In the only area contest, B. M. Nelson of Castro County and Bill Clayton of Lamb County will be battling for the party's nod to seek the office of State Representative from the 61st

Splash Hit Set As Pool Opens

Swimming pool manager Coby Kitchens will be the "splash" hit of the day as he opens the doors to the Hereford Municipal Swimming Pool Friday at 2 p.m.

A fresh coat of paint was applied last week, and the pool is ready to receive the hundreds of water lovers this summer. The pool will be open from 2-6 p.m. each weekday and 2-5 p.m. on Sunday. Kitchens announced.

Redbirds Smash Friona 19-4 Here

Hereford's American Legion team, the Redbirds, took an easy practice game from the Friona Babe Ruth team here Sunday on a windswept diamond. The Redbirds pounded out 14 hits, seven for extra bases, in winning 19-4. They will be host to Nazareth at 2 p.m. Saturday, June 2.

Ken Loerwald's three-run homer in the first gave Hereford a lead it never relinquished. John Willoughby slammed a three-run homer over the fence in the fourth. Willoughby, John Buck, Eugene Green and James Otts all got doubles and

Mickey Stevens got a triple. A trio of Hereford hurlers allowed just six hits during the game. Jim Haney started for the Redbirds and took credit for the victory. He allowed two runs on one hit, walked two and struck out five. Frank Cain allowed the other two runs on four hits, walked two and struck out three in two innings. Mickey Stevens gave up one hit, walked one and struck out four in his two innings.

Neil Floyd started for Friona and was charged with the loss. He gave up 11 runs on six hits, walked seven and struck out four. A former Hereford Little League and Pony League player, S. D. Baize came on to pitch in the third. He was touched for eight runs on eight hits, walked one and struck out six. John Willoughby had a good day at the plate as he drove in five runs with his double and homer in three trips up. Green got a double and two singles in five times and Loerwald had a single to go with his homer in four trips.

Hodges Slams 3 Homers As White Sox Win Opener

Steve Hodges' whistling bat helped spark the White Sox over the Tigers Monday night in the opening game of the Pony League season. Hodges blasted three home runs and a single to drive in seven runs as the White Sox won 17-3.

Hodges hit a homer in the first with none on, a single in the second to score one run, a homer in the third to drive in three runs, a homer in the fifth to drive in two more and walked in the sixth.

He got lots of help as the White Sox got five extra base hits and 3 singles while holding the Tigers to a pair of hits.

The White Sox held a 1-0 lead at the end of the first inning, but added six runs on three hits in the second. They picked up four more in the third, two in the fifth and four in the sixth.

Jimmy Allison, making his first Pony League start, took credit for the victory in pitching the entire game. He allowed three runs, two hits, walked nine and struck out ten.

Ed Mims started for the Tigers and was charged with the loss. He gave up 11 runs on six hits, walked five and struck out four. Lee Robinson came on in the fourth, giving up six runs on two hits while walking five and striking out five.

In addition to Hodges, Gene Duvall got a pair of singles in four trips for the White Sox. Jimmy Allison and Bill Price both hit doubles for the White Sox.

Sox. Roger Owen and Wayne Miller got the only two hits for the Tigers, and both of those were singles.

May's Club Programs On Nutrition Are Valuable

BY ARGENT DRAPER
In the Study of nutrition, the club programs in May have been on new concept of diets. It is still recommended that women plan meals by an accepted food standard. Extension Service is using the USDA's food standard-Food for Fitness.

Recipes for mayonnaise and salad dressing. These three can be used individually or combined. Homemakers can save on the grocery dollar by making dressing. Why don't you check the price of the ingredients?

MAYONNAISE

- 1 egg yolk
- 1 t. salt
- 1/2 t. mustard
- 1/4 t. paprika
- dash cayenne
- 2 Tablespoon vinegar or lemon juice
- 1 cup salad oil

Sift dry ingredients in a bowl, add egg yolk, mix and add vinegar while stirring. Beat in 3 tablespoon oil, drop at a time. When thick add lemon juice and remaining oil. Mayonnaise should be stiff enough to hold shape. Ingredients should be cold for best results.

PLAIN COOKED DRESSING

- 1/4 teaspoon salt
- 1 teaspoon mustard
- 2/3 teaspoon sugar
- Few grains cayenne
- 2 tablespoons flour
- 1 egg or 2 egg yolks, slightly beaten
- 2 tablespoons butter
- 3/4 cup milk
- 1/4 cup vinegar

Sift dry ingredients, add egg, butter, milk and vinegar very slowly. Stir and cook over boiling water until mixture begins to thicken. Strain and cool. For a thinner dressing, use one egg yolk.

Cream dressing. Omit flour and butter. Use cream in place of milk. Cook cream with mixture or cook mixture without cream, chill, and fold in cream, beat until thick but not stiff.

To make salad dressing like commercially made, combine plain cooked dressing and mayonnaise. You can make dressing that tastes the same.

ANOTHER FAVORITE DRESSING:

SOUR CREAM SALAD DRESSING

- Yield - 2 1/2 cups
- 3 tablespoons sugar
- 3 tablespoons flour
- 1 teaspoon salt
- 1/8 teaspoon white pepper
- 1/4 teaspoon paprika
- 1 teaspoon dry mustard
- 2 eggs, slightly beaten
- 1/2 cup vinegar
- 2 tablespoons butter
- 1 1/2 cups dairy sour cream

Mix dry ingredients. Add eggs to vinegar; add to dry ingredients, cook over low heat, stirring constantly until smooth and thick. Add butter; blend. Remove from heat; stir in sour cream, Chill.

DIFFERENT COSTS SAME FOOD VALUE

Family shoppers get a lot for their money when they spend their food dollars on milk and dairy products.

However, even within this group of dairy foods, it makes a difference what items are selected. Extension Service foods and nutrition specialists point out:

A recent survey on the comparative costs of milk necessary to provide 0.8 gram of calcium — the amount needed daily by a moderately active woman — was conducted by the nutrition department of Kansas State University. Here are the results:

- Fresh Whole milk, 2 4/5 cups,

15.4 cents.

Fresh skimmed milk, 2 2/3 cups, 12.6 cents.

Non-fat dry milk, 11 table-spoons to make 2 2/3 cups, 5.5 cents.

Buttermilk, 2 4/5 cups, 15.4 cents.

Evaporated milk, 1 1/3 cups, 16.2 cents.

Half-Half, 3 1/16 cups, 47.7 cents.

In regard to the purchase, here are the comparative costs, according to the survey, for cheeses.

Natural cheddar, 4 ounces, chunk, 22 cents; sliced, 29 cents; shredded, 31 cents.

Pasteurized processed-type cheese, 4.2 ounces, 20 cents.

Pasteurized cheese food, 5 ounces, 18 cents.

Cottage cheese, 1 quart, 47 cents.

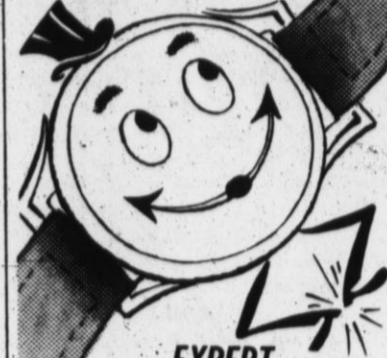

Swiss, 3 ounces, chunk, 13 cents; sliced, 16 cents.

Parmesan, 2 1/2 ounces, chunk, 15 cents; grated, 22 cents.

Although the prices are based on Kansas markets, the price differences are pretty much the same all across the country, the specialists emphasized. Home-

makers will want to look for the type of product best suited to her needs, then buy with an eye toward getting the most value for her money, they added.

Hereford never had a busier weekend than the one coming up. Pioneer Day, the Shrine Crippled Children's Clinic and the Run-off Primary headline the occasion, which comes right on the heels of graduation and closing of school. Lions Club members, in addition, are scheduled for their annual district convention in Amarillo. Needless to say, there are numerous overlaps and conflicts. George Stambaugh, for instance, absolutely must attend the Pioneer Day affair, and he is scheduled to work in the clinic; being a Lion, he cannot figure out how he will be in Hereford and Amarillo at the same time. In fact, says George, he sincerely wonders how he is going to find time to vote.

Mr. and Mrs. Worth Covington are just back from California, where they visited all of the tourist traps: Marineland, Disneyland, Knotts Berry Farm, etc. They had a swell time according to Worth, who insists that this was a belated honeymoon, since they couldn't afford it when they got married, and was the first trip that none of the children accompanied them. If you have a couple of hours, just mention it — and he will be glad to give you a complete account. P. S. — After he gets his pictures back, it will probably take longer.

Talk is cheap because the supply generally exceeds the demand.

And if you want to learn about fishing sit down sometime between Orpha Click and Slim Wester. These two fellows know more about, and catch fewer

pike than any one who consistently fishes Conchas. I got between them the other morning and did pretty well — until they started using worms and "bombers" without hooks. I believe nearly anything, but I never could figure out how they kept the worms on the lures if they had no hooks. They do go first class, though; only one time did they tell about going out and bringing in fewer than 96 fish — and Slim attributed this to the fact that Don Zimmerman and Cleo Meharg were along, "and scared off the fish."

I have a little neighbor who says it took him eight sittings to learn to skate.

The stock market is also getting a lot of attention these days. Curtis Traveek says the analysts who come up with the cause of the big break remind him of the methods Dan True uses in making weather predic-

tions. Harry Cayler insists that he isn't interested in "why" so much as "what" is going to happen. Mostly, though, it goes back to Mr. Kennedy and United States Steel. USS took a good country drubbing — and folks began losing confidence in "big business", especially in view of the fact that earnings did not justify current prices. Pretty much the same circumstance exists on today's land prices; it takes too long for the profits to retire the purchase for the price to be realistic.

Besides, a lot of people underestimate our schools and graduates. I was talking with an attractive senior girl this week, and asked what was the most important thing she learned. She paused a couple of seconds and replied: "You play it smart to get a job, but dumb to get a man".

I am personally a bit put out with the pioneers, but I do have to admit that Ezra Norton has done the best job of anyone yet

when it comes to putting on the annual Pioneer Day; Elmo Fridley says that Ezra told him to come out, or he would come after him — and he figures Ezra would do just that. My pet peeve rests on the fact that you formerly had to live here 25 years to qualify — but this is my 25th year in the county, and they tell me the time limit has been changed to 30 years. Will Harris assured me it was nothing personal, and to prove he was right, points out that no one can understand how I managed to stay 25 years . . . in the first place.

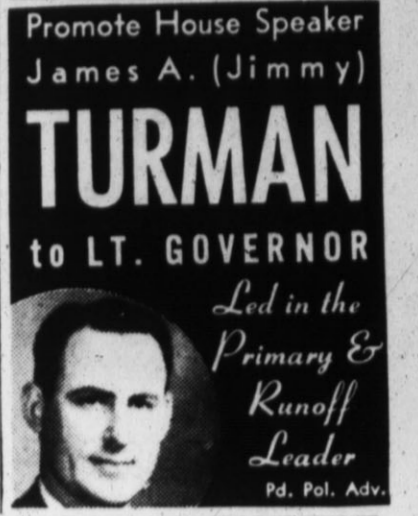

Anyway, I hope they all enjoy the day (including Will Harris), and I am sure they will. Furthermore, I plan to slip down there — and get another piece of Mrs. Vern Witherspoon's vinegar pie. I don't know of anything I like better or get less of than a vinegar pie — and I know that

Mrs. Witherspoon will be too big hearted to kick me out.

Meanwhile, if you cannot think of two or three things you need to do this weekend, you should take inventory. In all probability, you are not a very good citizen.

F. H. A. Reviews Year Of Activity

By Dorothy Frerich
On Sept. 14, 1961, the F. H. A. members elected their officers. On Sept. 21, 1961, the formal installation was held.

The Roving Reporter

Our final question this year is, "What new and interesting things have happened to you through the past school year, or what have you got out of Stanton Junior High School this year?"

DELORES KUPER
Dolores Kuper is the freshman daughter of Mr. and Mrs. Henry Kuper. She was born in Hereford. Her most embarrassing moment was when she was laying at a recital and her violin came apart while she was playing it. Her favorite food is fried chicken. Her favorite show is "Bridge Over the River Zui." Her favorite book is special Miracle.
This is her thought on this month's question, "I have learned how to sew, paint better, work algebra and how to get things in on time in world geography." She has also enjoyed the extra little privileges that the freshmen get.

GWEN CARGO
Gwen Cargo is the 13-year-old daughter of Mr. and Mrs. Bill Cargo. She is five-foot-one inch tall, blue-eyed and has brown hair. Her favorite color is blue; her favorite food is barbecued food; her favorite book is Five Run Away Together; and "Gidget Goes Hawaiian" is her favorite movie. Gwen's hobbies (Continued on page 6)

L. L. Chisum Future Teachers of America Club has had an active year. Club members number 18, all of whom are freshmen. Mrs. F. G. Collier and Mrs. Fred Mercer are the sponsors of the club.

Among club officers for the year were Joe Ella McGee, president; Vickie Inman, vice-president; David Grubbs, treasurer; Romanita Lucero, secretary; Nancy Martin, parliamentarian; and Dorothy Frerich, historian. The officers were installed at the beginning of this year in a candle-light ceremony.

The executive board and Mrs. Mercer went to Canyon early this year to attend a district meeting. At the meeting club members campaigned and heard a speaker. The club did not attend the state meeting this year.

A program was given this year by Mrs. Claude McDougal. The high school club, freshmen club, and any eighth graders who were interested, attended this meeting.

Dimmitt was host to the Delta Kappa Gamma Society's public relations meeting. Mrs. Mercer, a member of Delta Kappa Gamma, invited a number of our F.T.A. who could go to attend and be her guests. Seven members attended and enjoyed a buffet supper and a program given by the exchange students of Dimmitt.

Members of F.T.A. served as hosts and hostesses during Texas Public Schools Week. F.T.A. members reported a

Band Personalities Named In Concert

By Ann Mercer
For the last band personalities, band director Ben Gollehon has picked "the most outstanding band member of each grade." The three students each received a medal of honor at the band concert last Tuesday night, May 15.

Jack Aiken was chosen from the seventh grade. He is the son of Mr. and Mrs. John D. Aiken and lives at 216 North Texas. His favorite color is lavender and his food, fried chicken. His ambition is to become a lawyer.

He sits first chair trombone in the beginner's band. He said that the only reason he joined band was just because he wanted to. He said that the most exciting thing in band this year was the concert.

Jerry McCathern has been chosen out of the eighth grade. Jerry has been band personality once before at the beginning of the year. He is the son of Mr. and Mrs. J. E. McCathern, Jr., and lives on Route 3.

His hobby is coin and record collecting. His pet peeve is people without a sense of humor.

His favorite color is red. His favorite show is "The Alamo", and his book is The Light of Western Stars.

He sits first chair in the cornet section. He says that the most interesting thing in band this year was the solo and ensemble contest. He said he thought everyone had some kind of musical talent if he would try to develop it.

Patricia Maxwell was chosen to represent the ninth grade. She is the daughter of Mr. and Mrs. Albert Maxwell and lives at 307 Jackson Street. Her favorite color is blue and her favorite food is Mexican food. Her ambition is to become a nurse.

Her favorite show is "Gone With the Wind", and her favorite book is Trish. She sits first chair in the horn section.

The reason she joined band was because of the fun, and she likes music. Her advice to young band members is, "You'll probably have to work hard, but it's worth it for the fun and honor." She says that the most exciting thing in band this year was the special award at concert.

By Deborah Lee
Annual awards assembly was held Monday. In this assembly awards were given to outstanding students.

Choir awards were given to soloists, quartet members and sextet members. Five students, Pat Price, Joe Ella McGee, Carolyn Palmer, Bruce Miller and Tim Hoffman, were recognized for a rating of I-A plaque was also presented to the school.

Band members receiving awards were those who hold first chair positions, soloists, and ensemble members. A plaque was also presented to the school on behalf of the band. Vickie Inman and Romanita Lucero received awards for outstanding F.T.A. work. F.H.A. awards were 15 junior degrees of achievement. Speech awards were to Mike Harvey, Jacob King, and Bob Reinaur who were in the Optimist Club speech contest. The library assistants were given recognition by Mrs. Fred Mercer, who also recognized the cast and crew of the all-school play.

Dogie editor and assistant editor, Judy Crume and Gary Payne, were recognized. Boys who had displays in Canyon received shop awards. The F. H. A. Awards went to boys who had displays in Canyon and entered contests and to the "Outstanding Greenhand", who was Roddie Allred. (Continued on page 6)

Future Farmers Enter Contests During Year

By Dan Thomas
The Greenhand Chapter conducting team consists of George Muse, president; Billy Johnson, vice-president; Roddy Allred, secretary; Ronald Paetzold, member; Johnny Pool, treasurer; Robert Higgins, advisor; Lynn Cook, sentinel; Roy Kuper, member; Ted McWhorter, reporter; and Dale Minor, member. This team placed third in the Amarillo District contest.

The junior farm skill team

placed first in Amarillo District and second in the Area I contest. This team consists of Billy Conyers, Paul Drager, and Earl Drager. The F. F. A. quiz consists of Terry Hill, Gilbert Sims, and David Natzger. They were third in the Amarillo District.

Many students took part in the livestock shows. At Hereford the boys who entered steers were Dale Minor, and Dan Thomas. The boys who showed barrows are Ted McWhorter, David

Natzger, and Gil Sims. At the Amarillo Junior Livestock Show Dan Thomas placed fifth in a class of heavy Hereford steers. Ted McWhorter had the fifth-place heavyweight cross-bred barrow. Tim Gearn showed the fifth place medium spotted Poland China.

David Natzger exhibited the tenth-place heavy Hampshire. Gil Sims also showed a tenth-place heavy Hampshire. (Continued on page 6)

Byron Durham's Retirement Ends Long Teaching Career

By Linda London
Byron Durham was born in Orangeville, Tex., in 1896. He grew up in Scurry County from the age of five until his high school days in Snyder. He served in the army in World War I and had active service overseas.

He attended college at West Texas State and went from there to Texas Tech. "I did not have the desire to teach until I entered teacher's college," he said.

From Tech he went to Muleshoe for his first job of teaching mathematics and science. His teaching career has included the following places: Friona, Fort

Stockton, Oklahoma Lane in Parmer County, Liberty County, Bailey County, Dalhart, Tucumcari, New Mexico, and Hereford.

Here he has taught the fifth grade, junior high mathematics and science, and finally mathematics in junior high.

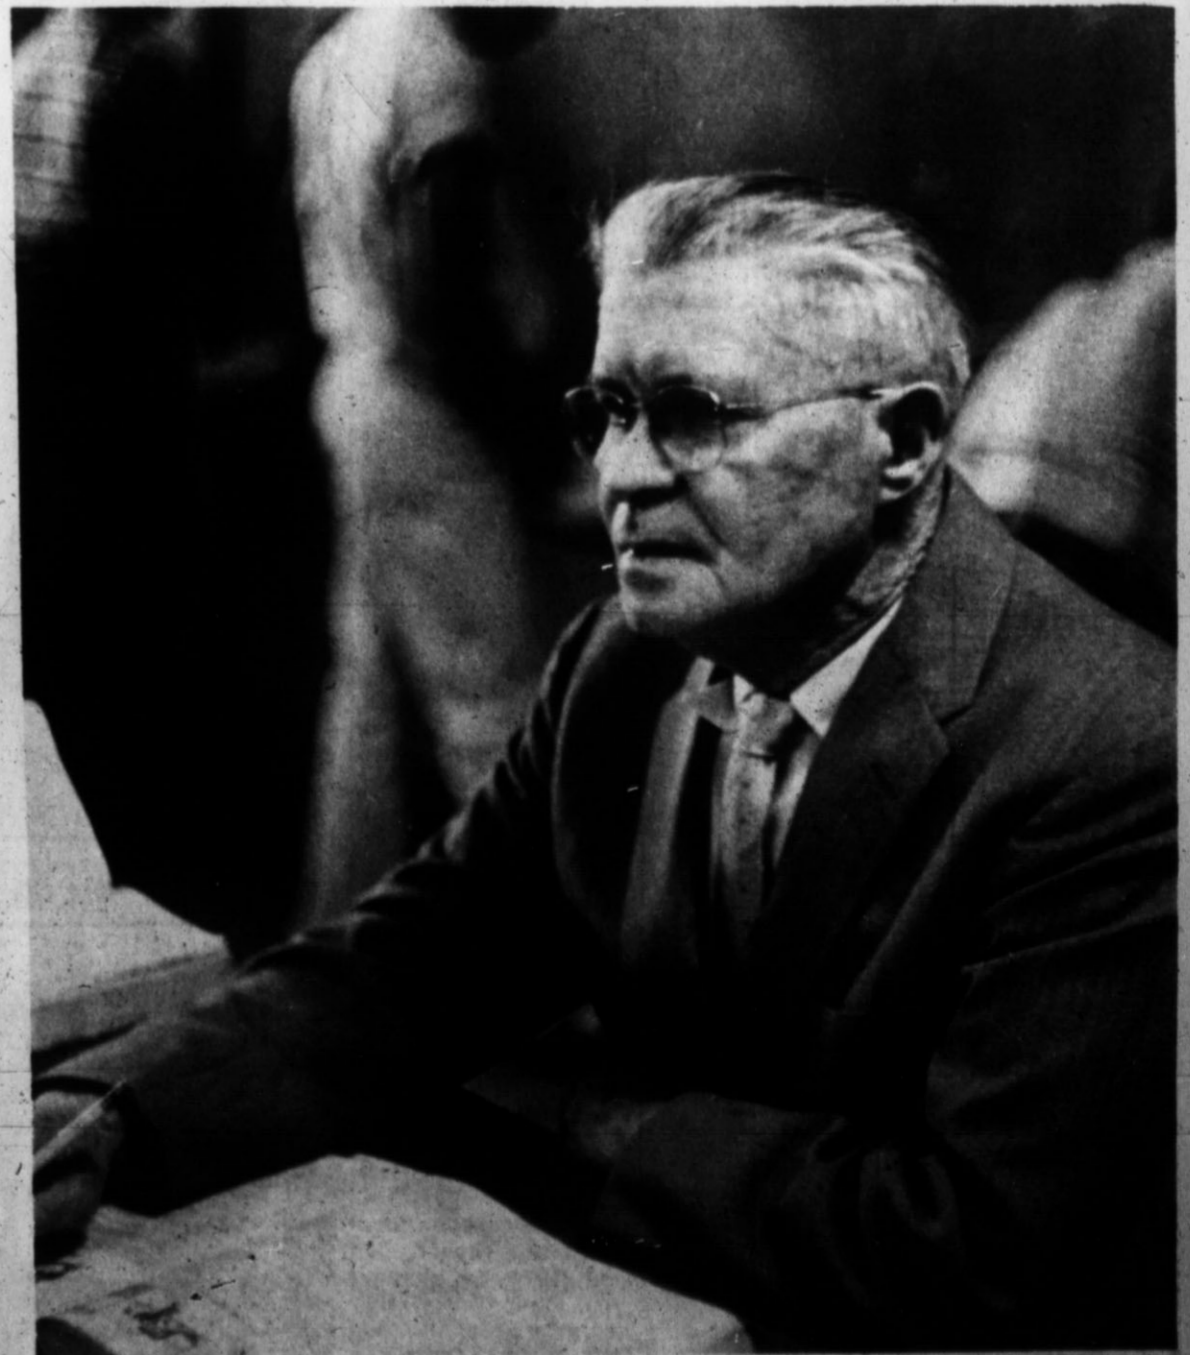

He was also principal of Shirley School. He has held principalships for a total of eighteen years. He enjoys teaching more than administrative work because he gets to see the students more often.

This summer he plans to visit his daughters and then go to California. In between times,

gardening and reading are his favorites. Durham is a member of the First Methodist Church of Hereford and enjoys doing church work and attending church activities.

Many of the students have come to know and respect Durham and will miss him.

Mrs. Eleanor Hudspeth says that he is very witty and fun to work with. Mrs. Claude Ola Brown, who has also worked with him, says that he is very congenial and enjoys working with him. All in all, he is a very faithful and dedicated man to both school and community.

BYRON DURHAM WILL RETIRE after having completed many years in the field of education in Texas and New Mexico. A mathematics teacher at Stanton, he had previously held teaching and administrative positions in many area towns. (Brand Staff Photo)

are collecting bazaar hats and singing.
In answer to our question she said that she had learned much about Texas and other subjects. She wants to be an airline stewardess or a singer.

JOYCE POARCH

Joyce Poarch is the 12-year-old daughter of Mr. and Mrs. V. H. Poarch. She is four-feet eleven-inches, blue-eyed, and has blonde hair. Her favorite color is blue; her favorite food is pork chops; her favorite book is *King of the Wind*; and "Bambi" is her favorite movie. Joyce's hobby is horseback riding. She answered the same way Gwen did to the question of the week. Joyce wants to be a professional barrel racer or a secretary.

GILBERT SIMS

Gilbert Sims is the freshman son of Mr. and Mrs. Fred G. Sims. He was born in Dimmitt. His most embarrassing moment was when Coach Glass used him for a victim to illustrate artificial respiration for a demonstration in front of the whole freshman class of Red Cross members. His favorite food is pheasant.
This is Gilbert's thought on this month's question: "I have learned that it doesn't pay to play hooky." He has learned all of his teacher's names, most of the student's names in the ninth grade class, and has acquired a considerable amount of knowledge and respect.
His favorite movie is "Charge at Feather Reef". His favorite book is *Mystery at Haunted Lodge*.

CAROLYN BOYNTON

Among our replies Carolyn Boynton said, "School has been a lot of fun this year, but I enjoyed our band trip to contests the best."

Carolyn, 14-year-old daughter of Mr. and Mrs. J. T. Boynton, lives at 404 Star. She stands 5 feet-4 inches and has blue eyes and blonde hair.

After our question was asked to Wynn Buck he stated, "My best experience was learning not to put up with girls!"

Wynn is the 14-year-old son of Mr. and Mrs. W. W. Buck of Harrison Hiway. Wynn stands 5 feet-6 inches and has brown hair and green eyes.

PHILLIP CAIN

Phillip Cain is the 13-year-old son of Mr. and Mrs. B. F. Cain and lives at 104 Elm Street.

For the first year awards were given for physical education. The outstanding girl in physical education was Doris Parsons while Anthony Mays received the award for the boys. Every boy in athletics was recognized for the sport or sports he participated in. The seventh grade presented the school with seven trophies; the eighth grade presented five trophies and the ninth grade presented four trophies to the school.

American Legion Awards went to Becky Duncan and Steve Hodges. The outstanding freshman student was Frank Cain.
Other awards were presented for office girls, reading, perfect attendance, spelling, science and Red Cross.

next major show was El Paso. Dan Thomas took his heavy-weight steer. He placed fifteenth in his class.

Crops Team members are Robert Caraway, Terry Hill, and Billy Johnson. They placed sixth in the Amarillo District. The Poultry team exhibited their skills at the West Texas State contest and raked up third place. They went on to a area where they placed third. The team consists of Roddy Allred, Robert Higgins, and John Pool. Roddy Allred was the Star Greenhand Farmer in the Amarillo District.

good time" as they helped teach in the elementary schools. Every student got to grade a few papers and to teach a subject or two that day.

Throughout the year, members helped teachers grade papers, do church work, and have given services in other ways without pay. Each hour that was spent at these services gave members a merit point. Romanita Lucero earned the greatest number of merit points and received a certificate at the annual junior high school awards assembly. Vicki Inman ran a very close second and was also awarded a certificate at this assembly.

Recently club members were invited to be the guests of the Deaf Smith County Classroom Teachers Association at their annual public relations meeting held at Aikman School. The speaker was the state president of Classroom Teachers Association.

As a finishing touch to F.T.A. year members held a coke party in the homemaking department on Wednesday morning, May 23. This was provided by Mrs. Collier.

DENVER RESIDENTS VISIT

Mr. and Mrs. Tom Howard of Denver, Colo., were Hereford visitors over the weekend. They are former residents of Hereford.

FAMILY REUNION

Glen Nelson and son, Olen, of Hereford spent Sunday, May 27, in Hollis, Okla., attending a family reunion.

Phillip's hobby is sports, and his favorites are color, red; food, fried chicken; book, *White Fang*; movie, "The Horrors of Dracula"; and song, "Good Luck Charm".

In answer to our question Phillip answered, "I have enjoyed doing and learning about football, basketball, track and other sports."

CHARLOTTE BABIONE

Charlotte Babione is the 13-year-old daughter of Mr. and Mrs. Ronald Babione who live at 303 Irving. Charlotte's hobby is record collecting, and her favorites are color, blue; food, hot dogs and potatoes; book *Eight Cousins*; movie, "A Summer Place"; and song, "Soldier Boy".

In answer to the question this month Charlotte replied, "I have enjoyed all of my classes this year, and I think all of my teachers are very nice." Charlotte is one of the Optimist Club's students of the month for May.

gan Tuesday as Joe Mack Hale, senior class president, gave the invocation. Appearing in prelude to the salutatory and valedictory addresses was the Hereford High School girls sextet.
The salutatory address followed and was given by Kathryn McClain, daughter of Mrs. Vinita McClain, Wildorado. Drew Kershner, son of Mr. and Mrs. Andrew Kershner, gave the valedictory address.
Presenting the gift in behalf

of the graduating class was Maribeth Gilliland, class secretary. As a gift, the seniors donated funds to the high school for the purchase of a portable public address system.
Presentation of awards by L. B. Russell, school principal followed.
The climax of the hour-long commencement was the presentation of diplomas to the 145 graduates. The class was certified by Paul Stevens, school superintendent, and diplomas were presented by Dr. L. B. Barnett, President, Board of Trustees of the Hereford Rural High School District.

against. Present at Thursday's meeting will be Bob Davis of Columbian Securities Company of Amarillo, bond and financial advisor for the school. Since the two-story classroom wing at the high school will immediately eliminate the present field house, the new field house likely will be built on a special contract, in order to get it finished before school starts. The remainder of the projects won't be finished until about September, 1963.

In a rather calm, sedate sort of way, Pioneer Day will start buzzing about 9 a. m. Thursday. Officers of the Mid Plains Pioneer Association are looking for a large crowd and, of course, a good time. There will be a short business meeting, election of officers, a lunch and then a full afternoon of visiting and recalling past days.

Talking with Ezra Norton, Pioneer Association president, the other day, I said that we younger residents owed a debt of gratitude to the pioneers who had the courage to settle this country. Ezra says it wasn't people like him, but his father and others who had settled this country, reminding me rather quickly that he just wasn't that old.

If you are eligible, please turn out Saturday for the second primary. Although there are only five races listed on the Democratic run-off ballot, all are important and deserve your vote. County Democrats have instructed their election officials to allow only those who voted in the first Democratic primary, or those who did not vote in the first primary, to vote.

Although Deaf Smith County apparently hasn't gotten its first load of wheat yet, it is real close. L. A. Wingham, who farms two miles north of Black, brought in a small load of Pitman Grain at Summerfield about 6:30 p. m. Tuesday. It had a 55-pound test weight with 14.5 per cent moisture content. Yield on the dryland wheat was about 18 bushels.

Mrs. Eloise McDougal reported this week that the county's Cancer Crusade has reached its goal of \$2300. She commended the people of the county for their interest and generosity. She pointed out that hospital beds, wheelchairs and surgical dressings are available for cancer patients in the county. Persons who need any of these can get them by obtaining an application blank from Mrs. McDougal.

Hereford's graduating senior girls, interested in sorority membership, are being invited to attend a Panhellenic Registration Tea on Sunday, June 3, from 3-5 p. m. at the Federated Women's Club, 2001 Wolflin, in Amarillo.

Nazareth American Legion baseball team will play in Hereford at 1 p. m. Saturday, June 2, in a practice game with the Redbirds.

Pony League schedule for the remainder of the week includes the Red Sox and White Sox on Thursday, May 31; the Tigers and the Indians on Friday, June 1; and the Indians and the Red Sox on Saturday, June 2. In the Little League majors it's the Giants and the Dodgers on Thursday and the Cardinals and the Yankees on Friday. In the AAA minors, the Braves and the Giants tangle Thursday with the Cardinals and the Dodgers playing Friday. On the AA minor slate, the Cubs and the Angels play Thursday and the Senators and Orioles tangle Friday.

POPULAR CERTIFIED HYBRID VARIETIES GROWN, STORED, & PROCESSED ON OUR CLEAN, WELL ISOLATED FARMS.

R.S. 610 (7078 x male-sterile combine Kafir) Texas 610 is a 7078 early hybrid. The large semi-dry head is very light red and medium soft in texture. Texas 610 which has shown good increases in yield over several varieties such as Redbine-60 and Martin, has proven to be one of the most popular varieties under all farming conditions.

TEXAS 660 (Caprock x male-sterile combine Kafir) Texas 660 is a medium-maturing hybrid. Texas 660 has made many outstanding yields under irrigation. Its uniform combine height and semi-dry head with the high yield potential has made it the most popular variety for irrigation.

R.S. 608 (7078 x MS Martin) A newer variety, probably the earliest of the Texas Hybrids—it has excellent combine characteristics. It out-produces Martin and matures a few days earlier. We recommend R.S. 608 especially for late planting on either irrigated or dry land.

Bus Is Unsung Hero

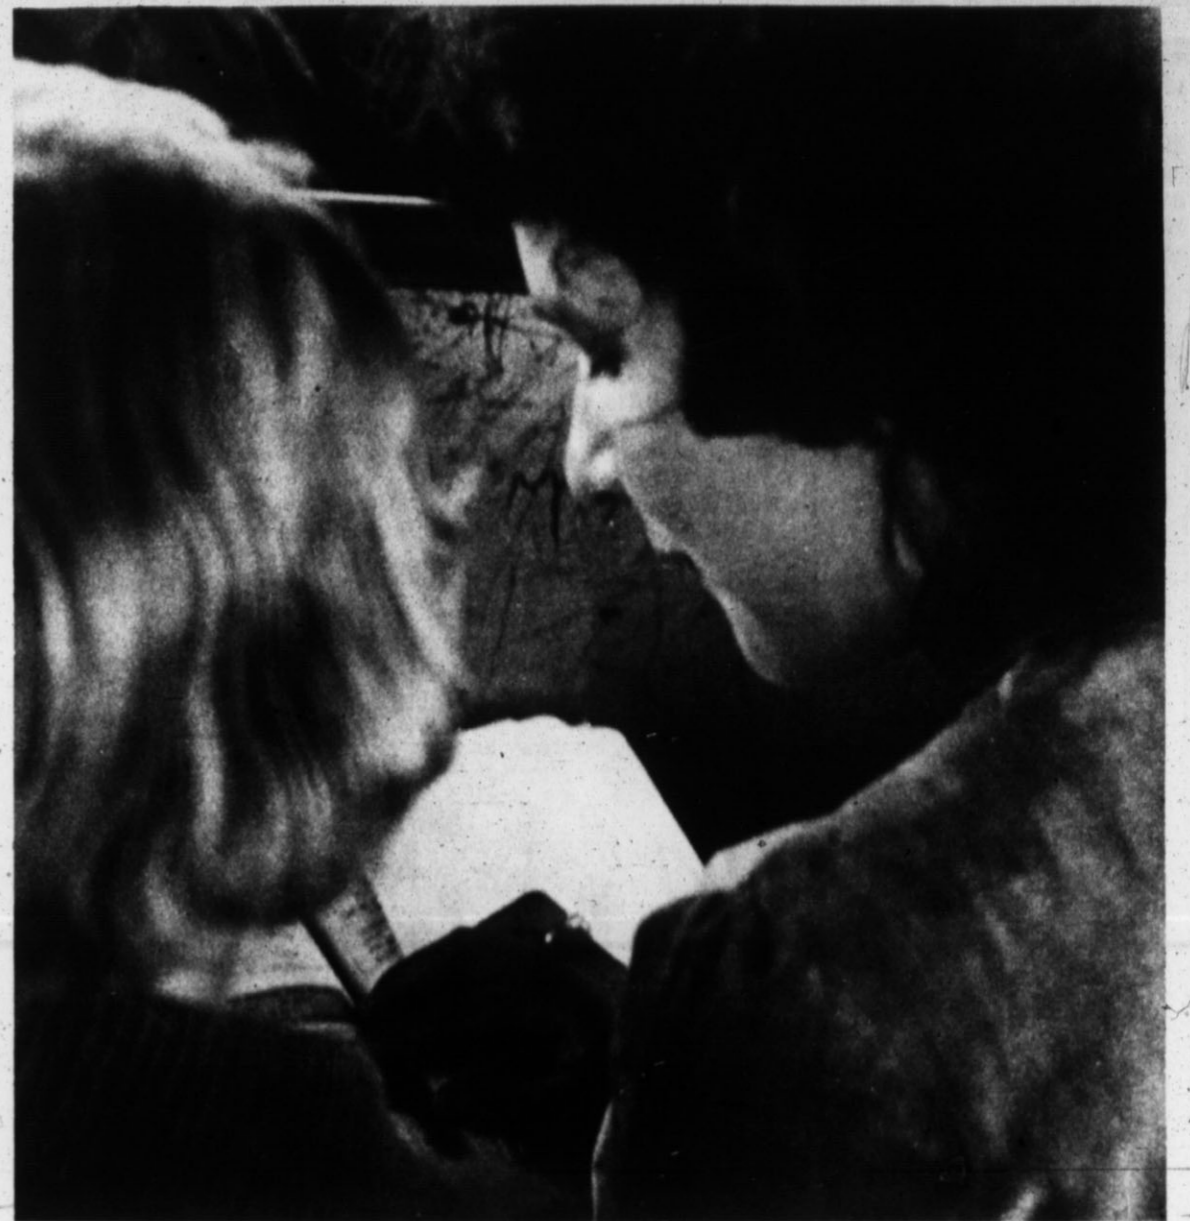

The Hereford Brand

Hereford, Texas, Thursday, May 31, 1962 Section Two

Brand Staff Photos

BOARDING THE BUS, students prepare for their final ride home of the school year as classes were dismissed for the summer holidays.

TIME FOR STUDY is always provided on the rides to and from school. Beia Gonzales helps one of the younger students with her arithmetic. "The older students help the younger ones," says Mrs. Hutson. "I think many students miss some good education by not riding the bus."

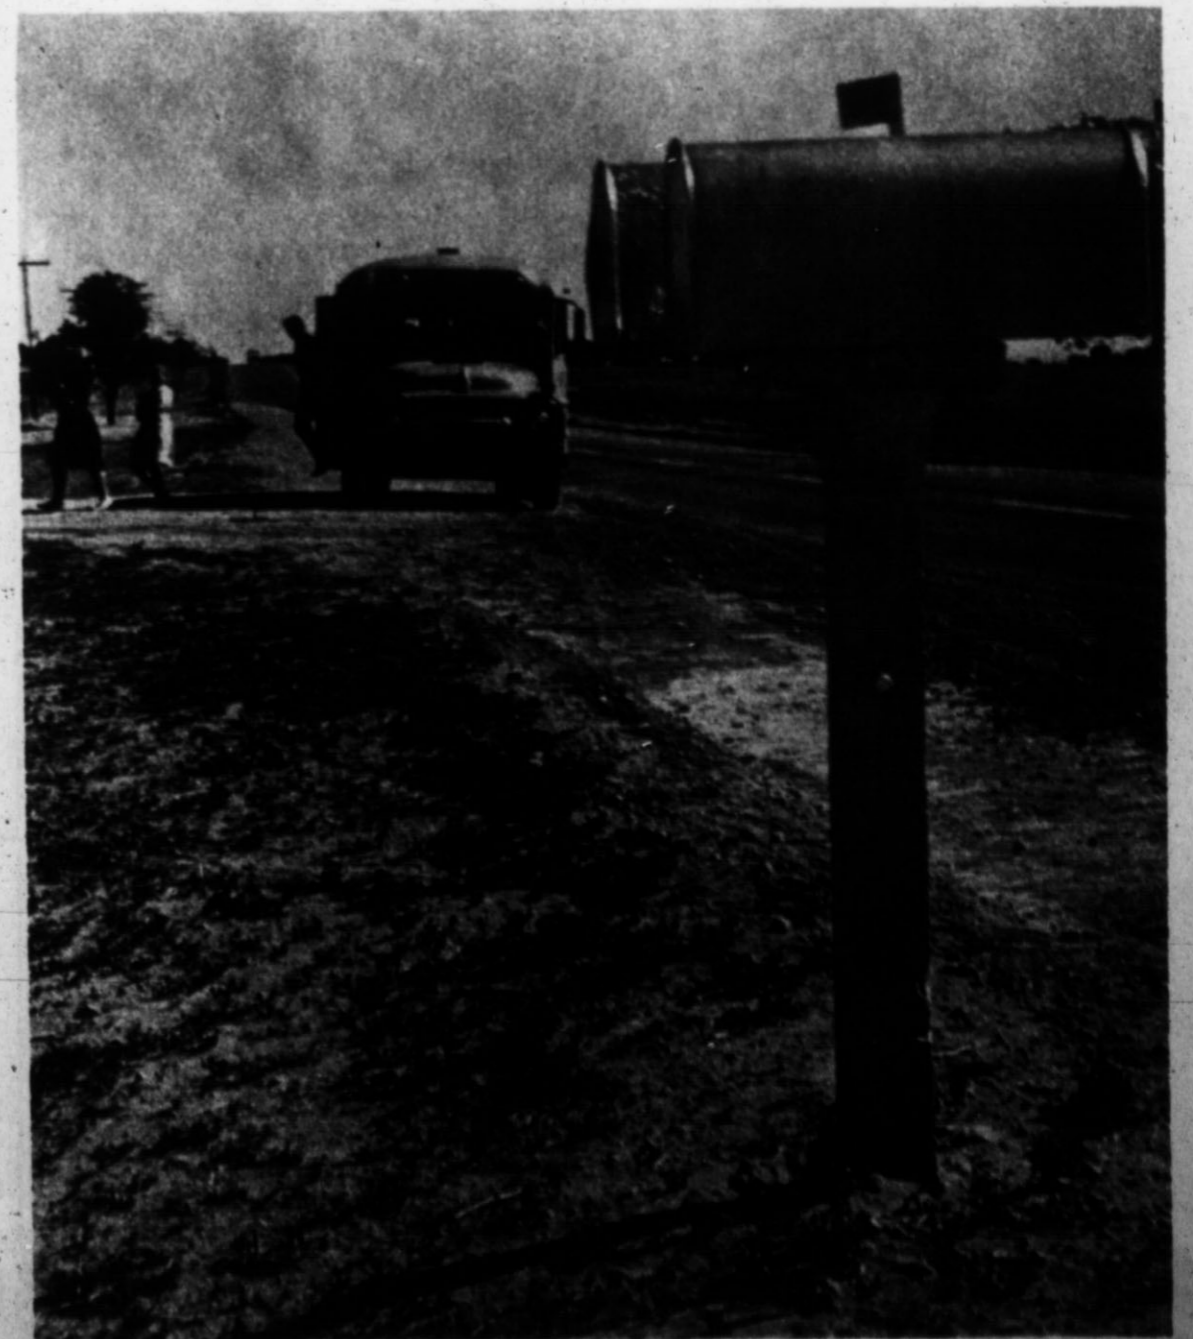

DISCUSSING THE DAY in school, Jan West visits with her driver, Mrs. Bea Hutson. "Before the year is over," says Mrs. Hutson, "we all get well-acquainted on the bus. It's just like a big happy family."

VISITING IS FUN, and students have time for plenty of this on the bus. Janis Higginbotham, left, chats with Laquita Robinson about the long-awaited summer vacation.

THERE IS ALWAYS something to talk about when four girls get together. From the left are Sylvia Fangman, Diann Fangman, Daris Fangman, and Gillian McArthur. "I counted it a privilege to have Gillian on my bus," Mrs. Hutson stated. "She is an exchange student from Scotland."

HOME FOR THE SUMMER, students leap from the bus, leaving school days and friends behind for three months. Driver of the bus, Mrs. Bea Hutson, confessed, "I'm always ready for school to start again . . . I miss those children."

REP. ROGERS WRITES:

Resolutions Seen Changes In Presidential Elections

TO THE PEOPLE OF THE 18TH DISTRICT:

Voting is the keystone of democracy. Unless one conscientiously exercises this right of franchise, a full and complete expression of the electorate is absent.

If less than a majority exercise this right, the result

of the election is not a mandate of the people, but a mandate of a majority of a minority. As has occurred on several occasions in our history, a controlled and influenced minority can wield great power. In fact, it can thwart the will of a disorganized majority.

It could be argued successfully that there are times when the best interest of the country can be served if such a minority, influenced by good, can prevent great damage and danger to an uninformed majority. All of which points up the fact that the best interests of this country will be most fully served if the electorate is informed and if the electorate votes.

In recent years, there has been much controversy as to the electoral college method of electing U. S. Presidents. As a matter of fact, during Senate

hearings this year, the observation was made by one Senator:

"Originally adopted as a compromise, the electoral college resulted from a distrust of the people and conditions of geography and communications which no longer exist. Despite its confusion and uncertainties, by sheer luck it has managed in most instances to elect a President who reasonably reflected the choice of a majority of the people. But this good fortune has lulled us into inaction after each election and the system has continued from one election to the next. Every 4 years the electoral college is a loaded pistol pointed at our system of government. Its continued existence is a game of Russian roulette. Once its antiquated procedures trigger a loaded cylinder, it may be too late for the needed corrections.

"We cannot assume that U. S. Presidents for the space age can continue to go into office in the exorbitant furnished by the electoral college."

This would indicate to some that the Senator referred to was not exactly happy with the electoral college system. However, this particular Senator has been quite controversial on several subjects.

It should be pointed out that there are 14 separate resolutions sponsored by 26 Senators which would change in some way the Constitutional method of electing the President. The Subcommittee on Constitutional Amendments of the United States Senate divided these into four basic plans: (1) direct national election, (2) the proportional system, (3) the district system, and (4) perfection of present system.

(1) Direct National Election — This proposal would completely abolish the electoral college. Under it, the President would be elected directly by nation-wide popular vote. A majority of the total popu-

lar vote would be required. This means that if any one candidate did not get a majority of all the votes cast in the first instance, a run-off election would be held between the two top aspirants. This proposal has been defeated three times in the Senate. In 1934 by a vote of 59-29; in 1950 by a vote of 63-23; and in 1956 by a vote of 66-17.

(2) Proportional System — This system would retain electoral votes but divide each State's electoral votes among the candidates in proportion to their shares of its total popular vote. Presidential electors would not be listed on the ballot. The people in each State would vote directly for candidates for President.

There are several variances on this proposal. One of these provides that a plurality of electoral votes would be sufficient for election. Another would provide for nominations by primary elections. Another would provide that the elections in each State would be regulated by its legislature but authorizes Congress by law to make or alter such regulations.

Another would require a division or proportion of a State's votes only if the minority candidate received at least 1/3 of the popular vote. Other variances include qualifications for voting, regulations of elections, provisions for the District of Columbia, and so forth.

(3) District System — The district system retains the electoral college but changes the method of choosing electors. Two electors from each State are to be elected by a plurality of the popular vote from the State at large. All further electors are to be elected from single-electors districts.

The original district system proposal did not anticipate that the electoral districts would be the same as Congressional districts. However, in recent years other proposals have been made which would require that the electoral districts correspond to the Congressional districts.

Under either system, a majority of the votes in that district would determine the winner of the electoral vote. A majority of electoral votes would be required to elect a President. Otherwise, election would be by joint session of the House and the Senate.

(4) Perfection of Present System — Under this system, the individual presidential electors would be eliminated and the people would vote directly for President and Vice President. Electoral votes in each State would be awarded automatically to the candidate winning a plurality of its popular vote.

Other resolutions have differences. Under one, only 35 per cent of the total electoral vote would be required for election. If no candidate received 35 per cent, election of both the President and Vice President would be by a majority of the House of Representatives.

The number of different types of proposals plus the lack of a firm solution to date indicate that the problem is a tough one and is continuing. Let us hope our generation will produce statesmen of stature equal to those who met the same types of challenges in another day.

AUSTIN HIGHLIGHTS

Eight Weary Men Await Results Of Saturday Vote

By VERN SANFORD

Eight tired men will set down Saturday night — but not to relax.

Probably it will be well into Sunday before four know that they have won and four know that they have lost the Democratic runoff primary for four important statewide offices.

John Connally and Don Yarbrough have battled it out for governor. James A. Turman and Preston Smith are the two tired men in the race for lieutenant governor, possibly the most important job in state government. Waggoner Carr and Tom Reavley competed for attorney general. Woodrow Bean and Joe Pool were the busy men seeking nomination for Congressman-at-large, a statewide seat in Congress which likely will be abolished within two to four years.

Following Saturday, they can rest a bit before taking up their campaigns against the Republican nominees who are expected to make the strongest bids since 1874 in the general election on November 6.

But no matter how the democratic primary and the general election turn out, Texas will have new men in the three top state offices beginning next January.

STATE AND SYMPHONIES CLASH

A new order from the State Comptroller's office struck a discordant note with supporters of Texas' 13 symphony orchestras when they were informed that their productions will no longer be considered exempt from the 10 per cent admission tax.

The Dallas Symphony society was first to be taxed. They paid \$12,999 back admission taxes under protest.

Now symphony groups in Houston, San Antonio, Abilene, Amarillo, Austin, Corpus Christi, El Paso, Fort Worth, Lubbock, San Angelo, Tyler and Wichita Falls are under surveillance of the Comptroller's staff.

Actually, no one ever told the symphonies that they were exempt from the ticket tax. But they so considered themselves under a clause in the law passed in 1936 exempting "charitable" and "educational" organizations. They never were informed otherwise.

With the advent of the new sales tax law, an enlarged staff in the State Comptroller's office was mandatory. Interpretations and rulings were necessary. One rule defined "charitable" and "educational" organizations in such a manner that collectors

started hitting the symphonies for back admissions taxes.

Sen. George Parkhouse of Dallas said he thinks exemption of symphonies and similar organizations was "the intent of the 1936 law." He has promised to support redrafting of the state amusements tax law to exempt non-profit cultural institutions.

The Dallas society's payment "under protest" may pave the way for a court decision. State Comptroller Robert S. Calvert said he'll welcome one. "Frankly, I don't know if symphonies should pay an admission tax," he admitted, "but I don't think they can be called a charity."

WATER PROGRAM ACCELERATED

Speed with which federal water projects are coming into final stages is shown by the fact that the Texas Water Commission has reviewed 17 federal projects since September 1, with two more coming up for hearing June 11.

Chief Engineer John Vandertulip said that projects already reviewed by the commission have a total first cost of \$325,366,000 of which \$192,052,000 is federal.

Those projects are up for congressional authorization or financing this year, so odds are fair that work by federal agencies in Texas will be accelerating greatly in the next two or three years.

Water Commission will hold hearings on June 11 on two U. S. Corps of Engineers' projects — Plum Creek and the Sabine-Neches Waterway improvements. The latter project, which calls for deepening of existing channels to accommodate super-tankers, totals \$20,830,000 federal cost and \$1,548,000 non-federal.

LIVESTOCK CONTROL FUNDS SUPPLEMENTED

R. G. Garrett, executive director of the Texas Animal Health Commission, notified Gov. Price Daniel that nearly \$9,000 of a \$10,000 appropriation for livestock tuberculosis control program has been spent. Remaining funds—virtually are exhausted.

So the governor approved a \$5,000 emergency grant to boost the commission's program to August 31.

Animal Health Commission now has 69 herds of cattle under quarantine due to tuberculosis. Plans call for completion of testing in 15 counties as well as additional testing in 19 more counties.

36TH COMMANDERS PROMOTED

Governor Daniel announced the promotion of the Texas' 36th Infantry Division's two top commanders. Amarillo Attorney Everett S. Simpson, commander of the division, was promoted to major general, and Ralph M. Krieger, an Abilene businessman, was named to the rank of brigadier general.

Simpson, one of Texas' most-decorated soldiers, participated in every major engagement that the 36th Division was involved in in World War II. In the same campaign, Krieger won the

Combat Infantryman's Badge, Bronze Star, and Legion of Merit.

SHORT SNORTS
Billie R. McElroy of Austin, firearms training specialist for the Texas Department of Public Safety, won the Ellihu Root medal for marksmanship for training civilian marksmen.

Texas Education Agency revealed that more than 100,000 Texans now have completed the Civil Defense "Education for Survival" course, leading the nation in adult participation in this program.

Miss Ruth LaVerne Gallman of Temple, education coordinator at Scott and White Hospital School of Nursing, was named to the State Board of Nurse Examiners.

Governor Daniel appointed C. D. Acker of Jacksonville, H. T. Latham of Stephenville and Paul D. Lindsey of Dallas to the Texas Finance Commission.

LET'S COOK SOMETHING!

'Franks', Baked Beans, Brown Bread Are Good!

Frankfurters, a universal favorite, make a quick, easy and filling main dish for summer meals. They can be prepared in many ways to eliminate excessive heat in the kitchen on hot days.

Five methods of cooking this economical meat are listed below. If these recipes are not familiar ones, they can be added to the recipe file for future use.

FRANKFURTER AND LENTIL STEW

1/2 cup dried lentils

2 cups water
1 onion, minced
1 small clove garlic, minced
1 tablespoon butter
1 pound frankfurters, sliced
1 can (19 ounces) tomatoes
1 teaspoon salt
1 bay leaf
1/2 teaspoon sugar
1 whole black pepper
1/2 teaspoon pepper

Wash lentils, and boil 2 minutes in the water. Remove from heat, and soak one hour. Simmer until tender, adding more water if necessary. Brown onion and garlic in butter. Combine with the remaining ingredients; simmer 1/2 hour. Add lentils;

heat thoroughly. Makes 4 servings.

FRANKFURTERS PAPRIKA
1 pound frankfurters, sliced thin
2 tablespoons fat
1 onion, minced
1/2 teaspoon salt
2 tablespoons paprika
1/8 teaspoon pepper
1 1/2 cups sour cream

Toast
Brown frankfurters in fat; add onion, salt, paprika, and pepper; cook slowly until onion is tender. Add sour cream, stirring constantly. Cook until heated through. Serve at once on toast. Makes 6 servings.

HOT WEINER AND VEGETABLE SALAD BOWL
1/2 pound weiners
1/2 cups thinly sliced raw potatoes
3 tablespoons minced onion
3 tablespoons minced parsley
1/2 cup cooked vegetables
1/3 cup French dressing
Dash of pepper
1/2 teaspoon celery seed
Salt

Let weiners stand in boiling water 5 minutes. Remove and cut into bite-sized pieces. Meanwhile, cook the potatoes until tender, about 10 minutes. Drain, toss with weiners and other ingredients. Arrange in salad bowl or on platter. Garnish with celery leaves or parsley and tomato wedges. Serves four.

SUPER DOGS
Place frankfurters in double boiler and steam for thirty minutes.

BATTER:
1 cup sifted flour
1 1/2 teaspoons baking powder
1 teaspoon salt
2 tablespoons sugar
2/3 cup corn meal (yellow)
1 egg, beaten
1/2 cup milk
2 tablespoons Wesson oil

Sift dry ingredients into a bowl; add corn meal and mix with dry ingredients. Add beaten egg, milk and Wesson oil and beat until smooth. Place batter in quart jar or other tall container. Place wooden sticks in the ends of the frankfurters, then dip frankfurters in batter until they are covered evenly. Drop batter covered frankfurters in deep fat 365 degrees F. until golden brown. Serve plain or with mustard or catsup. This amount of batter will coat about fifteen frankfurters.

OLD-FASHIONED BAKED BEANS
(Bake them in the oven or bury the Dutch oven in the campfire coals.)
2 cups navy beans
1/4 pound sliced salt pork
1 1/2 teaspoons salt
1/2 cup granulated or brown sugar

1/2 teaspoons dry mustard
2 tablespoons molasses
1 small onion, quartered
Wash beans; cover with water and soak overnight. Cook slowly until the skins burst or until just tender. Drain, reserving the liquid.

Place half the beans in the bean pot or Dutch oven. Bury a part of the pork in the beans; combine the remaining ingredients and add half. Add remaining beans and seasonings. Place remaining salt pork on the top. Cover with the bean liquid.

Cover and bake in a slow oven (250 degrees to 300 degrees) or bury the Dutch oven in the campfire coals for 6 to 8 hours. If necessary, add more liquid. Makes 6 to 8 servings.

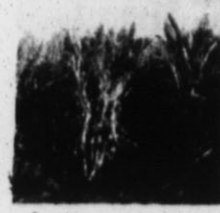

BOSTON BROWN BREAD
2 1/2 cups sour milk
1 cup molasses
1 teaspoon soda
3/4 cups raisins
1 cup yellow corn meal
2 cups graham flour
1 teaspoon salt
1/2 cups pecans

Sift dry ingredients into a mixing bowl, add sour milk and molasses, mixing well. Then

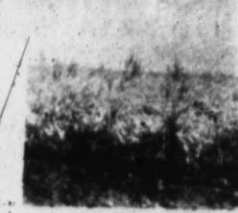

add nut meats and raisins and mix. Pour into top of a greased double boiler and steam for 3 hours. Then place in the oven for 1/2 hour at 325 degrees and brown. Delicious with baked beans.

THE REV. JAMES DUNN

Baptist Church To Hear Guest Pastor Sunday

The Rev. James M. Dunn, director of the Baptist Student Union of West Texas State College, will preach both services at the First Baptist Church on Sunday, June 6, in the absence of the Rev. B. L. Davis, pastor.

The Rev. Davis will be attending the Southern Baptist Convention being held in San Francisco, Calif.

The guest pastor is a graduate of the Fort Worth public schools. He attended Texas Wesleyan College and is a graduate of the Southwestern Baptist Theological Seminary.

The Rev. Dunn has completed residence requirements and orals toward a Doctor Theology in Christian Ethics.

He has been the director of the Baptist Student Union at Canyon since August, 1961.

ATTENDING RACES

Dr. and Mrs. H.A. Cavness and Mr. and Mrs. Charlie Seeds, all of Hereford, and Mr. and Mrs. Bill Decker of Amarillo, former Hereford residents, flew to Indianapolis Sunday, May 27, to attend the Indianapolis speed races. They will return on Thursday.

Army Promotes Hereford Officer

Major Lloyd H. Manjeot, assistant commissary officer at the United States Military Academy, was recently promoted to his present rank. He is the son of Mr. and Mrs. Arthur L. Manjeot, 122 Ave. E.

Major Manjeot graduated from Texas A & M College in 1951 with a bachelor of business administration degree, and received his master of business administration degree from the University of Alabama in 1956.

He arrived at West Point in September, 1959, and has served both in Korea and Europe. His awards and decorations include the Bronze Star, the Combat Infantryman's Badge, and the WW II Victory Ribbon.

Major and Mrs. Manjeot have two children: Beverly Gale, 5, and Lloyd H. Jr., two months. Mrs. Manjeot is the former Miss Rosemarie De Gennaro of Hoboken, N. J.

TULIA VISITOR

Mrs. Irene Brown of Tulia visited over the weekend with her daughter and family, Mr. and Mrs. Jess Robinson and boys, 515 Avenue J, Hereford.

PAMPA VISITORS

Mr. and Mrs. Albert Maxwell and family of Hereford were weekend visitors in Pampa with relatives and friends.

REVIVALS WITH ORIGINAL SETS

NEW YORK (AP) — The New York City Center, a budget-conscious theatrical enterprise, has found a fine way of saving on part of production costs.

When shows close on Broadway that seem good prospects for eventual reshewing at the Center, their sets are obtained and stored away. Because sets are usually burned after a show closes, original producers are agreeable to donating them instead to Jean Dalrymple, director of the Center's drama and light opera companies.

Settings for 14 shows have been collected, including "Kiss Me Kate" and "The Music Man." Miss Dalrymple already has made arrangements to get the "My Fair Lady" props — when and if that show ever closes.

CRONYNS IN MINNEAPOLIS

MINNEAPOLIS (AP) — Jessica Tandy and Hume Cronyn, husband and wife in private life, have signed as members of the repertory company that will launch the new Tyrone Guthrie theater here in May 1963.

The first season, running through September, is to comprise revival of four period plays, yet to be chosen by Sir Tyrone.

STANDBY PLAYS FIORELLO

NEW YORK (AP) — Sorrell Booke finally got on stage in "Fiorello," although it took a revival of the musical to turn the trick.

During the original run on Broadway, Booke was standby for 15 months to Tom Bosley in the key role. Bosley never missed a performance.

Booke got to play the part when he was chosen to take over in a limited return engagement.

PLAYING A SUSPECT

NEW YORK (AP) — Elizabeth Seal, the dancing star of "Irma La Douce," turns to mystery-comedy for national tour next season.

She will appear in "A Shot in the Dark," playing the role created on Broadway by Julie Harris. Miss Seal's husband, Zack Matalon, will be with her, portraying the attorney who suspects her of homicide.

AN ACE OF A HOLE

NEW YORK (AP) — Make a hole in one and win \$200.

That's the piece de resistance of the Queens Chamber of Commerce 22nd annual golf and field day to be held at North Hills Golf Club (June 21).

The prize is being donated by an undertaker. And the hole is the unlucky 13th where nobody has made the ace since the prize was first offered in 1959.

Blackening Shoes
By Roberta Lee
If you'd like to convert a pair of brown shoes into black shoes, first rub them with a small piece of fine sandpaper to remove all dirt and grime, then rub some liquid ammonia into them with a flannel cloth. Next apply black ink with a brush, let dry, and polish.

Dress Shields
Lukewarm water and a teaspoon of baking soda should be used for washing dress shields. Rub soap on a small brush and brush both sides of the shields. Then rinse in clear water of the same temperature.

Storing Iced Tea
After making tea for iced tea, let it cool, then pour it into a fruit jar and store in the refrigerator. This will prevent its turning cloudy.

Cure for Limp Veils
A limp and lifeless-looking veil can be cured by putting it between two pieces of waxed paper and running a moderately warm iron over it. Or, dip the veil into some beer, shake it vigorously, and lay on a towel to dry.

Stiff Batter
If your batter has become too stiff, beat an egg and add a little of this at a time until the batter is of the right consistency. Never use milk for thinning the batter, as this will usually result in a poor cake.

Rust Proof
Fill your pin cushions with steel wool, and you'll avoid dull or rusty needles and pins in the future.

Cleaning Compound
To make a good cleaning compound for painted walls, dissolve one ounce of soap flakes in 16 ounces of water, and add about three ounces of turpentine. Stir this mixture rapidly, and apply with a brush or sponge.

Lawn Fertilizing
After fertilizer has been applied to the lawn, go over the lawn with the back of a rake so as to remove the fertilizer from the leaves or blades of grass. Then wet thoroughly, so that it will get down to the roots.

Stiffened Shoes
If a pair of leather shoes have become stiff after being in the rain, soften them by first washing with warm water, then rubbing either glycerin or castor oil thoroughly into the leather.

Reviving Cut Roses
Wilted cut roses that are not TOO old can be revived by putting them into a deep container of water as hot as your hands can stand. Let them remain in the hot water until it cools—all night, if you wish, before re-arranging.

Legal Notice

CONTRACTOR'S NOTICE OF DEAF SMITH COUNTY CONSTRUCTION
Sealed bids addressed to H. C. Williams, County Judge of Deaf Smith County will be received at the office of the County Judge and/or the Commissioners' Court until the 11th day of June 1962, for furnishing all plant, labor, materials and equipment and performing all work required for the construction of approximately 6.1 miles of Single Asphalt Surface Treatment (Seal Coat) in Precinct No. 1, 3.1 miles, located within 1 1/2 miles of Hereford, Texas, and in Precinct No. 2, 3 miles located within 3 miles of Hereford, Texas.

All proposals shall be accompanied by cashier's or certified check upon a National or State Bank in the amount of 5 per cent of the total maximum bid price, payable without recourse to the Commissioner's Court of Deaf Smith County, Texas, or a bid bond in the same amount from a reliable surety company as a guarantee that the bidder will enter into a contract and execute performance bond written 10 days after notice of award of court to him.

The right is reserved as the interest of the owner may require, to reject any and all bids and to waive any informality in bids received.

Plan specifications and bidding documents may be secured from Chas. R. Sowell, Commissioner Precinct No. 1, Deaf Smith County or Otto L. Massie, Commissioner Precinct No. 2, Deaf Smith County, Texas.

Bidders shall inspect the site of the work and fully inform themselves as to all conditions and matters which can in any way affect the work or costs thereof.

THE COMMISSIONER'S COURT, DEAF SMITH COUNTY, TEXAS.

By H. C. Williams, County Judge B-21-2C

Professional cooks often like to marinate fish before it is fried in lemon juice, Worcestershire sauce, salt and pepper.
