MERCHANTS PROBABLY WILL CLOSE UP FOR DAY

CHURCH SERVICE

In Forenoon and Great Play At Theatre That Night

Thanksgiving Day, Thursday, November 30, will in all probability be observed with every store in Hereford closed. No general agreement by the merchants has been signed to close all day, but each line of merchandise is working out its own agreement. The three hardware stores have authorized The Brand to announce that they will close tightly all day Thanksgiving. The drygoods and grocery stores were working to the same end Friday, and it is understood that all other different lines of business are considering the same step.

There seems to be a general desire among the business men to lay of work on the national holiday, give everybody one day's rest from business cares, and enjoy the various programs announced for the occasion.

The regular annual Thanksgiving Citizens church service will be held at the Christian church at 10:30 a. m. The Rev. Warren Hill of the Baptist church will deliver the sermon, assisted by the other pastors of the city. The Christian choir has charge of the special music and a treat in this line is

Since the war the papers are crowded with daily stories of murder, arson, robbery, atrocities, inconceivable crimes against humanity, decency, morality, government.

In the "good old days" when the youth of the land were taught the foundation truths of this life from the family Bible at their mother's knee, a man could see his daughter go to an evening's entertainment without fear that she would be waylaid by some degenerate on the way home or would be brought home at 3:00 a, m. in some cheap sport's automobile.

In its issue of Thursday morning the Amarillo Daily News editorially scolds the fifty-odd delegates to the Panhandle-Plains Chamber of Commerce convention held at Hereford Tuesday because they tabled a resolution by a special committee calling for the discontinuance of guarantees to lyceums and chautauquas. The editorial writer believes that an overwhelming majority of the delegates favored the resolution and, therefore, implies that they lacked the courage of their convictions. He furthermore says that less than a fourth of the delegates voted on the motion to table and that there was too much "pussyfooting" at the convention. Thrift Founded the Nation

Three hundred and two years ago a band of Pilgrims cast anchor on a wild New England shore.

Scarcely had these brave pioneers settled in their new colony when the terrible winter was upon them. Only half the party survived the hardships of that winter.

Nothing daunted, those who were spared stayed on, and planted their crops. By exercising the strictest economy they were able to live and prosper. These Pilgrims learned the value of thrift us a lesson thatft. Their mthod le we would do well to follow.

Practice thrift with your spare dollars—that is the surest road to wealth.
