AROUND TOWN

SIGHTS, FACES SEEN

ABOUT THOSE PICTURES SUNDAY. Quite a few people have been asking "how we did it." The answer was simple. We just got a couple of expert cattlemen to give us their opinion of the top calves—and took the pictures Friday afternoon. Photographer Elmer Patterson worked until 11:20 Friday night getting the prints made, following which they were mounted and prepared for engraving. Deibert Kassahn picked up the pictures at 7 o'clock Saturday morning and rushed them to an Amarillo engraver, who took them on a "rush" consignment and turned them out at 11:45 Saturday. Deibert had the engravings back in Hereford by 12:30 Saturday afternoon.

When the judges announced the winners at 12:30, it was simple to pick out the right engravings. Incidentally, we got Charles Ralph Springer with his Grand Champion and Bill Kelly with his Junior Division winner, but missed Joe Dell White and his Reserve Champion, due to the fact that Joe Dell was late in entering his calf and the pictures had already been taken. The whole thing was a long shot which depended upon ability of our cattlemen friends in making their preliminary selection, and in 100 per cent cooperation of all concerned. Anyway, it worked—and we did set a record for small town newspapers.

Quite excited about the new 1949 Dodge are Walter Seed and Woodrow Ireland. The new model will go on display Friday, March 25, and is streamlined in latest vogue. Seed, who previewed the new model in Oklahoma City says the improvements are numerous and describes it as "daring new design."

Its parking meters again. On this week's bright blue Monday Ed Curtisinger was busy working over two parking meters at the corner of Main and Third Street. Someone had run into them, he explained, and the old sidewalk on that side was a shaky foundation so they were getting the ram rod treatment plus new cement. Ed reported that in the 18 months the meters had been in operation only 17 or 18 had needed repair.

Caught in the measles epidemic young Lynn Thompson daughter of Mr. and Mrs. Robert Thompson, wanted to be sure she got the sympathy she deserved and was calling on a five-year-old's version of a good publicity agent. "Mother, she inquired, "did the postman tell the Brand I had the measles?"

The Lions Club, stilled for time in Saturday's parade when their truck went on the blink and pulled over the side to view the passing parade instead of being viewed. Marilyn Barkley Sammy Lou McEllen and Margaret Barrett were a little embarrassed at being such curiosities but the seeing-eye dog, Mrs. Bob Wilson's collie wasn't bothered at all. Driver Jim Alfred was most perturbed. He gasoline truck ran out of gas. Lions Club members, loyal to the core, do not mention their difficulties—but one man did say that what that float needed was not a nurse but a mechanic.

P. S. Of course the Lions Club float would stall during a Rotary parade.

Famous A Cappella Choir Here On March 1

Praise follows every performance of the Amarillo High School A Cappella Choir, which, under the direction of Julia Dean Evans, will make a scheduled appearance here Tuesday night, March 1 at the High School Auditorium at 8 p. m.

Sponsored by the Hereford Lions Club, the choir will sing a varied selection of numbers ranging from specially-arranged novelty hits to sacred music: "Rain and the River," "Cherubim Song No. 6," "Dry Bones," "Battle Hymn of the Republic," "The Eyes of Texas," "Were You There," and "The Hallelujah Chorus" are some of the favorite numbers for which the choir has won acclaim.

First organized in 1939 by Mrs. Evans, the choir grew so rapidly from 44 members that the "Choirsters," another singing group of 125, was organized soon after. After two years, the increasing number of singing aspirants led to the inauguration of a third choir, the "Harmony Singers." At the present time there are over four hundred students in Amarillo High School, who sing on one of the eight school choruses. Mrs. Evans conducts three choirs daily, and Miss Tennie Thompson conducts five.

Sang In New York

Pinnacle of the A Cappella Choir's success story was its trip to New York City last summer, where the singers gave several performances during the Lions International Convention, and where they sang for Fred Warling who said of them "You are the best high school choir I have ever heard." Other celebrities who have praised the A Cappellans are Louis Bromfield, Lanny

Ross, the Margaret Truman company, and Julius Krug.

In order to make the New York trip, members of the choir had to sing on the streets, sponsor rummage sales, take orders for a local bottling company, and participate in many other projects which would add to the necessary \$10,000 expense money they would need. Citizens of Amarillo contributed a large part of the money, and upon the choir's return from the Big City, the Amarillo Chamber of Commerce honored them with an appreciation banquet.

For the past three years the choir has made tours of the state, traveling by bus, and presenting programs to schools, churches, and civic organizations in every part of Texas. For the past two years the group has served as demonstration choir

for the annual convention of the Texas Music Educators.

Mrs. Julia Dean Evans, who organized and directs the choir, is considered one of the best conductors in the state. Not only does she show wonderful musicianship, but she is highly commended for her ability to inspire those singing under her. Not content to rest on her laurels, Mrs. Evans spent a part of last summer studying under Peter J. Wilhousky in the Juilliard School of Music.

Sixty Make Tour

It is a tradition in the Amarillo High School choral department never to refuse admittance to any student who desires to sing. Whether a youngster's voice is good or bad, he is given a chance to take his place among one of the numerous choral (Continued on Page 3)

Derrick Up On New Wildcat Well, Drilling Starts Soon

Work on the Honolulu test well, 12 miles west, two miles north of town on the W. F. Ponder farm, continued this week with much more progress being reported. The Livermore Drilling Company, Lubbock contractors, has its 136 foot "Monkey-board" derrick already erected and has moved in most of the equipment necessary to start drilling perhaps within 10 days or two weeks.

Sturdy wooden pipe racks have been put up beside the big derrick, and the workmen's attention is now turned

to assembling the immense, steel engine sub structure. Slush pits have been dug to handle the large amount of water necessary for actual drilling.

"As soon as our engines get here, our rig will be ready to go," said H. F. Boyd, head driller for the crew, "all we are waiting on now is find out if our water well will produce enough water. If it does not, we will probably have to pipe it in from a well situated much farther away than our present set-up."

Stop Signs Posted Over Town, Fines Will Start Monday

City street crews Thursday completed installation of approximately 50 stop signs on Main thoroughfares throughout town, and Police Chief F. S. Buckalew said beginning Monday traffic officers will start cracking down on violators.

"Since the signs are new and drivers are not used to them, we have issued only warnings this week. The signs mean to stop, bring the car to a full halt—not just to hesitate or shift gears," Buckalew emphasized. "However, on Monday, the trial period is over and violators will be given a ticket."

There are no through streets, due to Main Street traffic lights, but that is the only stop on Third Street. Fourth Street has stop signs on Miles and Fifth Street on Lee.

Enter Tournament

Gilbert Carlyle and Reuben Knox, who won athletic scholarships to Amarillo College, left yesterday with the Amarillo College Badgers for Jacksonville to enter the Texas Junior College Basketball Conference playoff Friday. From Jacksonville the district champions will go to Bryan to enter the state championships playoff at Texas A&M College on March 1-2-3.

Gilbert is the son of Mr. and Mrs. L. W. Carlyle and Reuben's parents are Mr. and Mrs. Bill Knox.

Survey Work Starts On Harrison; '51' Meeting

On Feb. 10 engineers from the State Highway Department began surveying Harrison Highway, which O. P. Cowart, secretary of the Chamber of Commerce, said indicates a good opportunity that contract for paving may be let and a portion of the surfacing completed this year.

The present 80-foot right-of-way on the highway will be

widened to a 120-foot right-of-way to allow for a multiple lane should such a highway be desired any time in the future, Cowart pointed out.

Surveying of the 37-mile stretch will continue some two to six weeks, depending on the weather.

The road must be engineered first, and surveyors are at work on that project right now, Cowart said. "Then the county must let the right of way, clear and fee simple, before the paving project can be submitted to contract bids."

QUESTION of the WEEK

"Do you prefer your husband to smoke cigarettes, cigars or a pipe?"

Mrs. Glenn Snyder: "Glenn smokes all three, but I think I prefer him to smoke cigarettes because I like the odor of them better than cigar smoke. He prefers a pipe, however, I don't know just which one is cleaner—but it definitely isn't a pipe the way he handles it."

Mrs. Jack Kirksey: "I like him to smoke cigarettes because they smell better. He usually smokes cigarettes, but sometimes he smokes cigars and occasionally he smokes a pipe. He's not the world's neatest smoker but he does pretty well."

Mrs. Cecil Malone: "I prefer cigarettes, but Cecil's a pretty messy smoker. He keeps all the ash trays full, big ones and little ones. However, I really don't mind his smoking. It could be worse, supposing he decided to chew tobacco or dip snuff."

Mrs. H. E. Miller: "Ed rather he smoke cigars. They make the house smell better and they aren't so messy, because people don't smoke as many cigars as they do cigarettes. But Hershah prefers cigarettes. I guess that's because when he was a boy learning to smoke he probably couldn't afford cigars."

Mrs. Jesse Stanford: "Jesse hasn't smoked for several years although he used to smoke cigars quite often and pipes occasionally. It really didn't matter to me which one he smoked. Lately, of course, he just doesn't seem to want to smoke."

Mrs. Urlin Streu: "Urlin smokes both pipes and cigars. He looks like a thug smoking cigarettes and it's just as well because it seems to me that when we have guests who smoke cigarettes they manage to fill up all the ash trays, vases and flower pots in the house. Cigars and pipes leave fewer ashes and Urlin's a very tidy smoker."

Mrs. Bill Gutter: "Listen, as messy as he is, I don't prefer him to smoke, period. He never makes it to an ash tray with his ashes."

Mrs. Cliff Acker: "Cliff has smoked cigars so long that's the way he looks most natural, so I guess that's what I prefer him to smoke. No, I don't mind his smoking. In fact, they say when you give up smoking your appetite increases and I definitely wouldn't care for that."

Beet Growers To Gather Here

Annual meeting of sugar beet growers in the four county area will be held in the District Court Room at the Court House Monday evening, at 7:30, according to Odean Nixon, field representative. Growers from Deaf Smith, Randall, Farmer and Castro counties have been invited to attend.

H. E. Knapp, manager of the Rocky Ford factory, will present the 1949 contract and explain the general plan.

Movies of the sugar beet industry both in the United States and the European countries will be shown by George Nixon, Methodist of growing sugar beets in England, France, Sweden and Germany will be displayed.

"We urge all sugar beet growers and persons interested in the sugar beet industry to attend this meeting," Nixon said.

Highway Executives Meet Here Feb. 28

Five members of the Highway 51 executive committee will meet in Hereford Monday at 7:30 p. m. in the offices of Judge J. W. Witherspoon to discuss coordinating information from the 16 counties, from Dalhart to Sanderson, through which State Highway 51 runs.

Ultimate objective of the board will be obtaining a crossing on the Canadian River.

Present for the meeting will be Witherspoon, R. L. Thompson, of Vega; Judge L. M. West of Channing; Judge McCann of Levelland; and Judge Dent of Littlefield.

W. I. Valentine Funeral Will Be Conducted Friday

Funeral services for W. I. "Wink" Valentine, 70-year-old pioneer of Deaf Smith County, will be held Friday afternoon at 3 o'clock from the First Baptist Church in Hereford. Rev. Abb Posey of Chillicothe, Texas, will be in charge of the services.

Mr. Valentine died at 10:30 o'clock Tuesday morning in St. Anthony's Hospital Amarillo, and had been in the hospital since Saturday. Immediate cause of his death was attributed to a blood clot, but Mr. Valentine had been in ill health for the past two years.

Since his arrival here in 1907, Mr. Valentine had been active in farming and ranching and is reported to have brought the first steam plow ever used in this section. Smoke from the huge plow floated over the countryside, causing much comment in the early days.

Old timers will also recall Mr. Valentine operated a wagon-freight between Hereford and Dimmitt. He used eight huge horses, which were also the object of much comment upon arriving at each of the terminals.

He was born Oct. 23, 1878, in Colchester, Ill., 150 miles southwest of Chicago, and came to this country at the age of 32 to make his home. Starting with a 200-acre farm, Mr. Valentine was successful in building up large farm and ranch holdings, which reached a peak around 1918. He was in partnership with Henry Wilkerson in the cattle business for a number of years before Mr. Wilkerson left here in 1924.

Neighbors praise Mr. Valentine as a "friendly man" and said that his devotion to his wife and five daughters was remarkable.

Rev. Abb Posey, a favorite of Mr. Valentine since the days when Rev. Posey was a small boy, was asked to handle the funeral services as a special request of Mr. Valentine.

Survivors are Mrs. Valentine and five daughters: Mrs. Roy Thompson, Mrs. Zephia Lloyd, Mrs. Alton Fraser, Mrs. Gilbert Hooper, and Mrs. John Kelly all of Hereford; also 11 grandchildren and two great-grandchildren; one sister, Mrs. Leona McMillan, McComb, Ill.; four brothers, Robert Valentine of Carbondale, Ill., Dale Valentine of Detroit, Mich.; Frank Valentine, of Colchester, and R. C. Valentine of Vega.

Interment will be made in West Park Cemetery by Boxwell Bros. of Amarillo.

Scout Awards Presented At Monday Meet

Boy Scouts of Troop 1 held Court of Honor Monday night at the Scout Hut to present a service star, five second class awards, and five merit badges to troop members.

Jim Wilkins was awarded a three year service star, a rare award in local scouting circles. Fifteen year-old Jim joined the troop in 1946 and will soon be graduated into a Senior Scout organization.

Winning second class awards were Virgil Cocanougher, Melvin Lomenick, Johnny McKiver, Jimmy Nunnally, and Duwayne Wallace.

Assistant scoutmaster Wendall Burdine was awarded four merit badges in first aid, pathfinding, photography and safety, and was presented his Star Scout badge. By special arrangement this badge was presented by Urhn Streu, district commissioner, who was scout master when Burdine joined the troop in 1941.

Scoutmaster William R. Phillips was presented a merit badge in public health.

Some 50 scouts, guests and court of honor members were present to witness the ceremony. The court of honor was made up of the district commissioner and three members of the troop committee: Ray Coneway, Lowell Sharp, and Guy Lawrence. Coneway presided at the ceremony Lowell Sharp presented the second class awards and Guy Lawrence, the merit badges.

Former Resident Dies In Del Rio

Dr. D. K. Robinson, a practicing Hereford physician during 1929 and 1930, died in Del Rio, Monday, after an illness of about a year.

A pioneer Texas physician, Dr. Robinson was born in Mississippi, Nov. 24, 1877, and received his education there. He had practiced medicine for 50 years, 30 years of that time at Itasca, Texas.

He was a veteran of World War I, where he was a member of the

U. S. Medical Corp, a member of the First Methodist Church and the Masonic Lodge.

He is survived by three brothers, H. B. and J. E. Robinson of Claude, Elmer Robinson of Springer, N. M., and a sister, Mrs. Arch Watson of Claude.

NEW SERVICE TO POTATO GROWERS OF THE HEREFORD TERRITORY

Formaldehyde Treatment OF SEED POTATOES

Proper treatment with hot formaldehyde is the best scab control that is known. It absolutely destroys any and all scab on the tuber. That is why the Associated Growers of Hereford has invested heavily to bring this service to this territory. Our recently installed dipping tank, the most modern obtainable, will handle approximately 60 sacks of potatoes per hour. We cannot overemphasize the importance and advisability of dipping those potatoes NOW.

CUSTOM TREATING

Custom work is invited. Immediate attention is given to potatoes brought for dipping. Special loading docks and sidings are designed for your convenience and speed.

SEED POTATOES FOR SALE

We are now receiving shipments of seed potatoes, which we are treating. They are treated so that the formaldehyde covers the entire potato and stacked so they will dry evenly. Be safe, and buy treated potatoes from the Associated Growers of Hereford.

Now Is The Time to Treat Seed Potatoes

Agricultural College Recommendations insist that potatoes should be treated now. We follow the recommended formula and process from beginning to end, maintaining a 122 degree temperature of the solution, soaking uncut potatoes in the hot bath for 3 to 4 minutes, draining them and leaving them under cover for over an hour under canvas; then the sacks are set apart for quick cooling and drying. We know how! This process should be completed 3 to 4 weeks before planting, so do it now!

OBSERVES 25th ANNIVERSARY Streu Hardware History Reflects Many Changes in Community Life

Celebrating its 25th anniversary this month, Streu Hardware established in Hereford on Feb. 12, 1924, and in the ensuing quarter of a century has grown up with Hereford exchanging horse collars for electric motors and lever action washing machines for automatic washers.

The store was established by A. H. "Gus" Streu, formerly employed by Morrow Thomas Hardware of Amarillo and who bought out C. O. Lee Hardware of Hereford. Streu managed the store for 15 years until his death in 1932.

Homer Henslee, Mrs. Streu's brother-in-law, then assumed active management of the company until he sold his interest to Urlin Streu, son of the founder in February, 1945. Streu also bought the interest of his sister Helen Frances Streu.

First location of the hardware store was in the second block of Main Street between the old post office and the Piggly Wiggly grocery, but in 1927 it was moved to its present location in 1932 it was moved to the building where D and S Variety Store is now located and retained that location for nine years.

Streu and Henslee bought the present building in 1941 and in

Changing Times
"The 25 years of serving people of the Hereford community have certainly been years of progress," Streu recalled. "When Dad first opened up for business our stock was inventoried at \$1,200; it included such necessities of the day as keg type churns and Milwaukee binder repair parts and coffee grinders."

Sales lists reflect the trend of the times. The coal stove era gave way and prohibition advanced, causing a run on charred oak kegs, copper tubing and catsup bottle caps. The war years were the most difficult period for obtaining goods and priorities were major headaches of the merchants in 1940s. Streu related.

Streu Hardware sold and delivered the first oil burning heater in this territory, Urlin said. It was purchased by Alfred May of the Dawn community.

They also sold the first butane plant and range, then called "skrigas." It was installed at the Pit K. Babcock home on 25-

Patriotic Theme Marks Farm And Ranch Luncheon

A patriotic theme marked appointments for the luncheon given for Farm and Ranch Club members at the home of Mrs. Jack Weaver Thursday, February 17.

In keeping with a George Washington Birthday theme the table centerpiece was a green candle-tree with tiny green tooth pick limbs for red candy-drop cherries.

Place cards were tiny Lincoln log-cabins, fashioned from matches and served as favors for guests.

A business meeting was conducted by Mrs. Henry Melton president, after the luncheon and

Mile Avenue, now the home of J. A. Pitman.

In 1929 H. G. Conkwright bought the first Electrolux gas refrigerator in the territory from Streu hardware, according to Urlin.

Bolts Still Same
Down through the years bolts have been the best sellers among hardware stock. They maintain their demand without a change in their design or styling, as unstreamlined in 1949 as they were in 1924.

The store continues to stock articles which, although they have lost their popular demand are still asked for occasionally. Such items as wood spigots, bung peelers, sad irons, cross-cut augers, cherry seeders, apple saws, double bit axes, like horse brushes and curry combs, may yet be found on the shelves.

For a quarter of a century the hardware store has remained a family affair and all three managers have not only been interested businessmen but have participated actively in community affairs.

Services were held Friday, February 18, in Shady Grove, Texas, for Corp. Ray Thomas Brown, killed in action on September 18, 1944, while serving with the Marines on Palau Island. He was born in Shady Grove December 28, 1917.

The rites were conducted at the Scott Funeral Home with Rev. G. N. Stone and Rev. W. R. Zimmerman officiating. Burial was in the Shady Grove Cemetery.

Corp. Brown came to Hereford in 1947 and while in Hereford was employed on the Sylvester Slagle and S. J. Barclay farms. He was also employed at the Corner Drug Store. He volunteered into the service in 1941.

He is survived by an exister Mrs. John Johnson, and two brothers, Wesley and G. A. Brown of Hereford, and one brother, N. W. Brown of Canyon.

Mr. and Mrs. John Johnson and children, Wanda and Bobby Dale, Wesley and G. A. Brown and Mrs. S. J. Barclay, and children, Curtis and Ruby Faye, of Hereford and Mr. and Mrs. N. W. Brown and son, Kenneth Harold, of Canyon, attended the funeral.

his warehouse south of the highway. He's enlarged the office to 14 by 32 feet, and has added a private inner office, "a retreat," Gault declares. Work should be finished in March to clear activity before potato cutting starts in April.

Boy Scouts got cut in on 4-H show benefits last week when two calves, purchased at the auction, were turned back for resale and proceeds donated to the local Scout movement. Ben Taack, former Hereford resident now living in Wichita Falls, purchased a calf of Charles Springer and Maurice Tannahill, acting for Joe Evans, Urlin Streu, J. T. Glibbreath, Jr., T. E. Seigler, E. S. Ireland, Herman Neff, H. E. Danforth, and himself, bought young Ross Miller's calf. The scouts are \$584.90 richer.

Jim White was on Federal Land Bank business in Houston last week end and wasn't on hand to bask in the reflected glory of son, Joe Dale, when Joe won the Reserve Championship at the 4-H show. When Mr. and Mrs. White de-planed in Amarillo Sunday, however, Joe Dale was there to meet them shouting, "Hello, my calf won the prize. I'm glad you're home."

WORSHIP AT POLICE

SINGAPORE (AP)—A police station has become a "kramat," a holy place of worship for the Malays of Singapore.

Their shrine had been located some 100 yards from the Harbor Division Police Station and hundreds of pigeons would hover above the grave.

Then one night a police sergeant dreamed that a beautiful lady came to him and said her grave had been moved to the tower of the nearby police station. When morning came the pigeons had deserted the grave and were flying about the tower.

And now the Mohammedan Malays of the area visit the police station to pray for favors.

The throne of Japan was the prize in a wrestling match, in 358, between two sons of the Emperor.

The first European country to give women full suffrage was Finland, in 1906.

WHAT IT MEANS New Try At Federal Reorganization

By Clarke Beach

WASHINGTON—For 37 years one President or another has been attempting to reorganize the executive branch of the government.

Bits and pieces of the badly assembled structure have been reshaped and rearranged here and there. But no plan for a thorough reshuffling ever got to first base.

Reports on public administration won't be surprised if the present proposal by Herbert Hoover's Commission on Government Organization bogged down. Yet they have some hope that this plan will succeed.

The first president to send a reorganization plan to the congressional executioners' block was William Howard Taft. He had a commission study the matter for two years and submitted his plan in 1912.

Although Congress did nothing

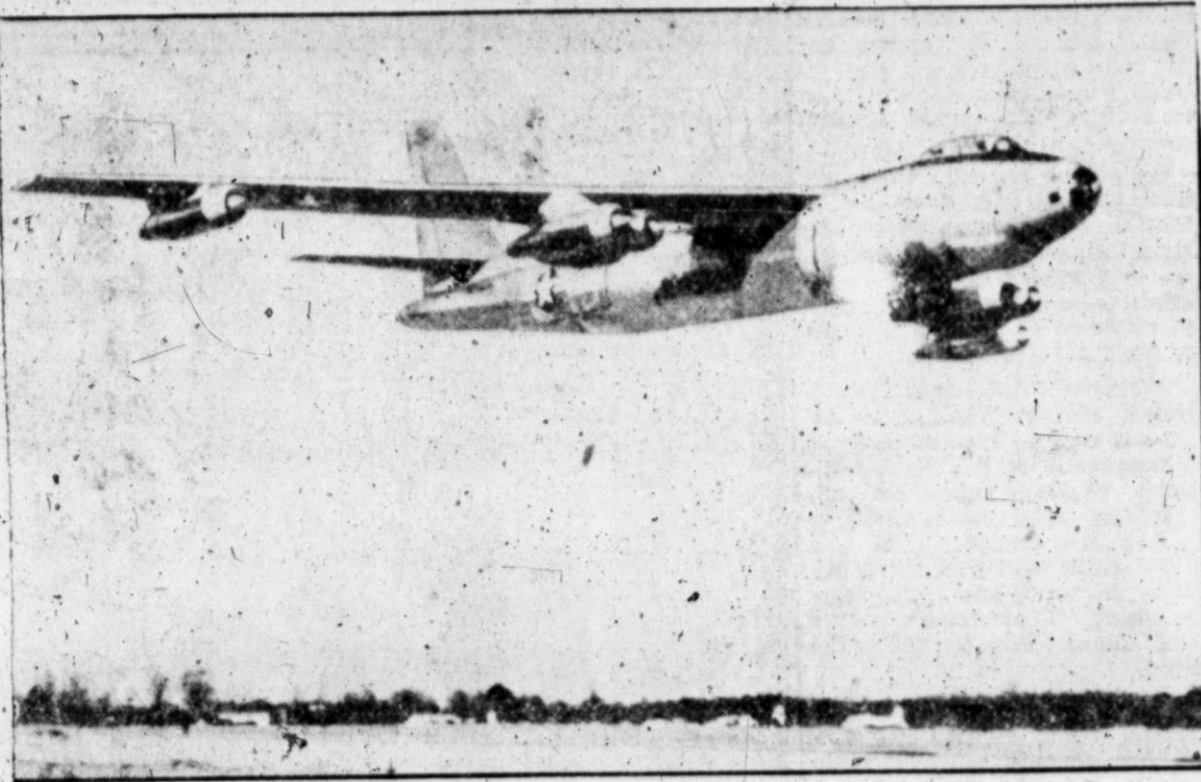

about it at the time, some of its features were adopted in later years. It gave impetus to the government pension and retirement programs. To it the Budget Bureau and the General Accounting Office owe their lives.

In 1920, as soon as the first world war was out of the way, a group of private citizens formed the National Budget Committee, made a study and submitted a reorganization proposal.

In 1923 the movement flared in a spectacular fizzle. A joint congressional committee studied the matter. The Brookings Institution submitted a plan. Then President Harding placed a reorganization program before Congress. It was sent to the joint committee and was rejected. Instead the committee recommended a plan of its own to Congress and Congress turned it down.

Herbert Hoover seems to have been the next man to give seri-

Air Force's New Speed Demon

A six-jet B-47 bomber of the U. S. Air Force buzzes Andrews Field, Md., just before landing after setting a new unofficial transcontinental speed record. The plane flew from Moses Lake, Wash., to Andrews Field in just three hours and 46 minutes.

ous consideration to the matter. When he was secretary of commerce, he made some far-reaching reorganization proposals primarily affecting his own department.

In 1932 Hoover managed to get Congress to pass the "Economy Act of 1932", which gave him authority to effect reorganization, subject to veto by either house of Congress. But he sent his plan to Congress in December 1932, a month after his defeat by Franklin D. Roosevelt. The House of Representatives promptly killed it.

President Roosevelt in his first year in office got the broadest reorganization authority ever given to a president. He could have reorganized through executive order any part of the government—no exemptions—and only legislation by both houses of Congress could have nullified his order. The bill was an amendment to the Economy Act of 1932.

Although armed with such powers, Roosevelt effected no broad reorganization. His chief reforms in 1933 and 1934 were the creation of the Farm Credit Ad-

ministration, consolidating various agricultural credit agencies; creation of the procurement division within the Treasury, the first central purchasing agency; centralizing all federal disbursing in the Treasury; and consolidating the immigration and naturalization services within the Labor Department.

Reorganization became a big issue again in 1937, when a Senate committee had the Brookings Institution make another study of the problem. Then the president appointed a Committee on Administrative Management headed by Louis Brownlow.

A reorganization act was adopted in 1939, based primarily on the Brownlow report. It gave the President temporary authority to effect reorganizations, subject to a veto by both houses of Congress within 60 days. It exempted about 20 agencies, however, from reorganization, thus making a thorough shake-up impossible.

Roosevelt promulgated two reorganization orders in 1939 and

three in 1940. Congress didn't reject any of them.

The first plan was the most far-reaching reorganization ever accomplished. It created the Executive Office of the President, the Federal Security Agency, the Federal Works Agency and the Federal Loan Agency—drawing into them units which had been scattered throughout the government.

The reorganization act expired in 1941 but was reenacted in 1945. Before the 1945 act expired last year, President Truman had submitted seven reorganization plans. Three were rejected, but one of these, establishing a permanent Federal Housing Agency, was later approved.

All of these reorganization plans did some good, and in the opinion of public administration specialists. But, they say, none of them attacked the problem on a broad front.

Hoover Commission reports so far indicate that its members feel that inefficiency and waste will not be eliminated until the whole federal system of purchasing, personnel procurement and administrative management is overhauled.

Prime Minister Backs Malaya Girls' Sport

KUALA LUMPUR (AP)—The Prime Minister of Johore has come to the support of Muslim girls who want to come out of seclusion and play a part in the sports life of Malaya.

Dato Onn Bin Jaafar, a Muslim who is also president of the United Malaya National Organization (a leading Malay politi-

cal party in the federation) urged Malay women to prepare for the time when they will play an equally important part with men in molding the future of this country.

His action came in the midst of a dispute that developed in Muslim circles after the Malay girls formed the Kuala Lumpur Malay women's hockey association and soon became the object of criticism by certain members of the U.M.N.O.

Onn said the emergence of Malay women from their seclusion was an inevitable social development. It is a sign of the times, he commented, and unfavorable criticism is only a "storm in a teacup."

Go ahead with your sports activity, he wrote one of the team members, "I am right behind you." He also donated \$50 to the team.

After being refused seats at an Anti-Slavery convention in London, Lucretia Mott and Elizabeth Cady Stanton held a women's right convention at Seneca Falls, N. Y.

Wyoming, then a territory gave woman the vote in 1869, followed by Utah the next year.

Adams To Talk For Texas At Spud Meeting

Ed Adams, named by Hereford potato growers last month as Texas delegate to a Washington conference on acreage allotments, left by plane Tuesday morning to attend the meet scheduled for Wednesday, Thursday and Friday.

Adams will be the farmer representative from the Lone Star State and state statistician, H. H. Marshall of College Station will be the government representative.

States Representatives

A similar two-man combination from each of the potato growing states will attend the meeting to be held at the Department of Agriculture. The men will work on the procedure set-up on potato acreage for 1950 season.

"We hope the farmers at the meeting will be able to present the growers' side of the question and get down to practical facts," Adams said. "We shall certainly work for the best overall arrangement to benefit both growers and consumers."

If weather conditions permit Adams will remain in Washington for a few days sight-seeing in the capitol city.

CORRECTION

Our apologies to Ronald Kershner, who we listed in the Sunday Brand as having won first prizes in the solid-color male and solid-color female divisions of the A-H Club poultry show. It has been brought to our attention that it was Ronald, not Joe Eddy Scott, as we had stated, who won the Grand Championship of the show. Ronald also won prizes for the champion solid-color male, the champion pullet, and second prize for his solid-color hen. We're sorry Ronald, and we will try to get it right if you win again next year.

Mrs. Joe Lee Alder and son Joe David left Friday morning for Rothville, Missouri, where they will visit with her brother, Leo Rudd. They arrived on Sunday, in time to help Rudd celebrate his birthday anniversary. Mrs. Alder is the daughter of Mrs. C. I. Rudd, and is employed at the Dimmitt Hospital.

\$13,500 On The Hoof

The grand champion steer of the 1949 Houston Fat Stock Show, the 1205-pound Shorthorn shown above, brought a fancy price of \$13,500 at the show. Shown with the steer are (left to right): Ralph Johnston, auction committee chairman; Glenn H. McCarthy, Houston oilman who bought the steer; W. Albert Lee, president of the show; and 20-year-old Seth Turner of Thrall, owner of the steer.

Poultry Show Proves Popular, Long List Entries And Prizes

Top honors in Hereford's first youth project Poultry Show Saturday went to Ronald Kershner, son of Andrew Kershner, whose white Jersey Giant pullet won first prize as the best solid colored female and was also named champion bird in the show. His white Jersey Giant cockrel was awarded first prize as best solid colored male to give Ronald prize awards totaling 12 dollars.

Judging was done by U. S. Mileur, Amarillo poultry expert.

First prize in each division won 75 cents, second prize 50 cents and third, fourth and fifth places won ribbon awards. In addition, the Rotary Club gave \$2.50 to first place winners in the four classifications and a five-

dollar prize to the champion bird.

Pluma Metcalf, daughter of Mr. and Mrs. Paul Metcalf, won first prize in the parti-colored male classification with her Barred Rock cockrel and Ann Dyer daughter of Mr. and Mrs. J. E. Dyer of Vega, won first prize with her Barred Rock pullet in the parti-colored female classification.

Wins Seven Ribbons

Premiums were awarded by interested poultry raisers to the contestants entering the most and best entries. Pluma Metcalf with seven entries and seven ribbons won a premium award of 50 baby chickens given by U.

H. Mileur, hatcheryman from Amarillo.

Doris Wilhelm with six entries and four ribbons won 50 baby chickens given by Jack Wright and Joyce Epting, also with six entries and four ribbons won 50 baby chickens given by Mrs. Ira Ott and Mrs. Argen Drapey. These girls were given the privilege of selecting the breed they preferred as long as they were pure bred and not from among the types cross-bred for greater production.

Other prize-winners in the show included: White Leghorn hen, Nell Walker, first place; White Leghorn pullets, Doris Wilhelm, who won first, second, third, and fourth place prizes. (Continued on Page 3)

Four 'Wanted Here' Face Other Charges

Four men wanted in Deaf Smith County, for law violations, face trial in other Texas counties when they committed similar burglary or forgery charges and must answer those charges before their penalties are completed. Sheriff J. C. Reese pointed out this week.

John P. Chagman, charged with swindling by giving a worthless check last August to A. H. Jansen, has been picked up in Lubbock and will be returned here for trial, but first will be tried in Lubbock County for a felony committed there, according to Lubbock County sheriff Grady Hawley.

Francis Bekford and Kenneth Graham, sentenced in District Court here in February, have been released to authorities in Farwell, where they will be tried for burglary of a Bovina filling station.

William E. Spights, charged in Deaf Smith with forger checks on Jim Lovitz, has been turned over to authorities in Muleshoe, where he is wanted on forger charges.

Last Wednesday deputies from the sheriff's office, S. B. Berry and Worth Covington, left to deliver a prisoner to the State Penitentiary in Huntsville. He was Jim Burnett, sentenced to two years for a forgery case.

PRATHER FAMILY REUNION

A family reunion was held Saturday night and Sunday in the home of Mr. and Mrs. Price Prather, one-half mile north-east of town. The occasion marked the first time in three years that the four Prather children were home at the same time. Since the last family gathering a daughter-in-law and two grandchildren have been added to the family. Chicken dinner was served Sunday to Mr. and Mrs. Robert Prather, of Muleshoe; Mr. and Mrs. Clyde Prather, San Antonio; Mr. and Mrs. Earl Prather and Mike, Hereford; Mr. and Mrs. Otto Gilliland, Necla and Darrell, Dimmitt.

Mrs. Jed Miller was a visitor in Amarillo Tuesday.

Two Birthday Celebrations

Two birthdays were celebrated in the home of Mr. and Mrs. William M. Gehee yesterday. Their daughter, Mrs. R. O. Stark's birthday was Feb. 22, her father's birthday was Feb. 23 and Mrs. McGehee was hostess at a joint celebration. Mr. and Mrs. Stark arrived from their home in O'Donnell early yesterday morning and other guests included Mr. and Mrs. J. W. Dines of Kress who are old friends of the family, and Mr. McGehee's sister, Mrs. L. S. Kennedy and her daughter, Mrs. Bill Yates of Olton.

Woodcocks, members of the snipe family, nest on swampy ground.

Clarence Morrison was elected president of the Deaf Smith County Farm Bureau at the re-organizational meeting held Friday evening at the Lions-Rotary Hall.

New officers were chosen and a board of directors were named from among the farmers present for the dinner meeting. Harland Caraway, vice president and Elvin Wilson, secretary-treasurer.

Board of directors elected at the meeting include, besides the officers, Frank Beiner, Zerrell, Tom as Charlie Hoover, Fred Callett, J. B. Nolan, Gayle Neal, John Paetzold, and Truett Johnson.

Kuper Is Speaker

Carl Kuper, district director of the Farm Bureau, was guest speaker for the evening, outlining activities of the organization and their plans for future projects. He emphasized the fact that Farm Bureau had endorsed the 90 per cent parity program rather than the 60-90 per cent sliding scale program.

T. E. Seigler, retiring secretary, announced the farm bureaus were open to both farmers and businessmen in the area.

Since community are dependent upon the farmer and his markets, and farmers in turn must rely on the businessmen to supply him with products this arrangement was designed to further co-operation between the two groups and to allow interested businessmen to join the organization." Seigler said.

Wayne Evans, Francis Hardwick, and O. P. Cowart spent Sunday and Monday in Dallas on business.

Reuben McGilvary, a student at Texas Tech, visited this week end in the home of his parents, Mr. and Mrs. R. C. McGilvary.

You Are Invited To See The Daring New Dodge IN OUR SHOWROOM FRIDAY, FEB. 25

Natural Beauty

The attractive front-end styling of the new Dodge Coronet features a new grille with larger rectangular openings and a single heavy horizontal bar across the center. The grille, of stainless steel construction, is finished in chrome for additional sparkle. Improved sealed-beam headlights are located 3 1/4 inches higher with 5/8 inches more span between lights to provide superior road illumination.

Functional Styling

The completely new and distinctive functional styling of the new Dodge Coronet presents a lower silhouette with graceful body and fender lines. Interior overall length, width, and height have been increased although exterior dimensions have been reduced. Front and rear seats have been moved forward to permit better cradling between the axles. The Dodge Coronet has a wheelbase of 123 1/2 inches, 4 inches longer than previous models.

Interior Roominess

This view of the more spacious rear compartment of the new Dodge Coronet shows the increased head room, leg room, and wider "knee level" seats to provide more passenger comfort. The new vent wing in the rear door supplies individual rear seat ventilation, and the wider rear window permits better rear-view visibility.

"Wonderful Turnout for Annual Banquet Chamber of Commerce February 21" heads page 1 of 1924's Feb. 22 Issue of the Hereford Brand. Guest-speakers at the banquet were President J. A. Hill, of West Texas State College, and Joe L. Pope, secretary of the Woodward, Okla. Chamber of Commerce. The story reads: "The splendid and growing unanimity and community cooperation in the Hereford country was perhaps never better exemplified than in the representative gathering on the occasion of the Annual Banquet of the Hereford Chamber of Commerce, held at the Methodist Church Thursday night. Business men, bankers, lawyers, preachers, farmers, as well as their women-folks and children Deaf Smith, Castro, Farmer and Randall counties met in a spirit of comradeship and teamwork for the good of all, and spent an evening that was enjoyable, entertaining, and strengthening." And the article relates the various parts of the program at that banquet, including a 45-minute concert by the Hereford Band directed by L. F. Borden, managers by Company E of the National Guard; songs by the Boys' Glee Club, under the direction of Miss Mattie Swisher, a solo by Mrs. Homer K. Fox, readings by Miss Nell Farmer and the Music Study Club Quartette's rendition of "several clever and original songs covering local and personal activities that caused a big laugh." Members of the quartet were Mesdames Fox and Alex Thompson and Messrs. Merrill and Beyer. Greeting the guests at the door were "George and Martha Washington, in suitable costume, represented for the occasion by Hal Beavers and Miss Pauline Halslip."

inspector, who, following a list of recommendations, stated that: "The school is to be commended for the manner in which the recommendations of the past year have been met, the enthusiastic and well-qualified corps of teachers, and the cheerful responsive co-operation of the pupils."

On the high honor roll were: Emma Jean Donald and Elmer Patterson for the eleventh grade; George Beams, Paul Patterson and Mozelle Hill for the tenth grade; Agnes Vaughn, eighth grade; Almada Witherspoon and Edgar Ireland, seventh grade; Ezell Patterson, Vera Mae Gilliam, Pearl Runton, Ellen Sites fifth grade; Frankie Mae Corn Paul Eugene Turner, Mattie Bee Richards, Dorothy McDonald, Mary Broadwell, Lucille Cherry Hopper, Deward Robinson, fifth grade; Pauline Fincher, Alifer Hughes, Marvin Knox, Alberta Davis, fourth grade; Owen Miller, Frank Wilkinson, J. W. Witherspoon, Johnnie Womble Katherine Poff, Gladys Stone low fourth.

A notice to the effect "The Community Work scheduled for Westway school house Friday Washington's Birthday, was postponed Thursday, owing to the bad weather. Announcement will be made shortly of another date to be selected for the big affair" was a front-page item.

Among the "Local Happenings" appeared "F. B. Tillotson made a business trip to Lubbock Thursday morning," "Mrs. C. P. Coakrell and two children arrived home from Cleburn, Texas the first of the week," Mr. and Mrs. Pink Gilliland arrived home Friday morning from Amarillo."

SWTHWEST FARM MARKETS Cattle Prices Down, But Steady; Sales Drop Off In Market Points

USDA—Most southwest farm products held about steady to strong during the past week, but some easy spots appeared, according to the Production and Marketing Administration, U. S. Department of Agriculture. Sorghums advanced 10 cents a hundred for the week, but other grains lost 1 to 3 cents a bushel. Hard wheat closed Monday at \$2.38 to \$2.43 in bulk carlots. Texas common points, No. 2 white corn sold around \$1.66, yellow corn \$1.52, barley \$1.44 1/2 and milo \$2.87 to \$2.72. Oats ranged from 91 1/2 to 96 1/2 cents. Warm weather in consuming centers slowed demand for rice during the past week, but prices remain unchanged. Higher feed prices reflected strength in the grain markets. Slackened demand for middle grade hay brought lower quotations. Southwest cattle prices ranged largely from 50 cents to \$2 above week earlier, although some classes showed little change. Houston moved cutter cows at \$5 Monday. Canners and cutters brought \$12 to \$16 at San Antonio, \$11 to \$16 at Fort Worth, \$3 to \$16 at Oklahoma City, and \$4 to \$15.50 at Denver. Wide fluctuations during the week left hog prices \$2 higher after Monday's trading at San

Antonio, and around 50 cents higher at most other markets. Top-butchers reached \$20.25 at San Antonio, \$20 at Fort Worth, \$20.50 at Oklahoma City, and \$21.25 at Denver. Best pigs sold around \$16 to \$16.50. Lambs gained \$1 to \$2 for the week, and ewes changed little. San Antonio bought common and medium fresh shorn lambs at \$17. Fort Worth took medium and good grades at \$21. Top slaughter lambs reached \$23.50 at Oklahoma City. Receipts of cattle, calves and hogs last week dropped well below the week before, although sheep increased. Dressed beef lamb and pork remained strong as trade opened in New York and Chicago Monday. Gains for the week ranged from \$3 to \$6. Veal and calf dropped \$1 to \$6 since last Monday, depending on weight and grade. Eggs held about steady at \$7 to \$8 cents a dozen in Denver and 40 to 45 elsewhere in the southwest for current receipts. Fryers weakened further, but other poultry changed little. Fryers brought 28 to 30 cents a pound in North Texas, 30 to 31 at New Orleans, 30 to 35 at Den-

ver, and 26 to 27 at Arkansas farms. South Texas processing plants still tried to use as much as possible of the freeze-ripened citrus fruits. Light demand at terminal markets slowed shipments. Cabbage and carrot loadings declined in quantity and quality. Topped beets and turnips found little demand. Spinach shipments increased at weaker prices. Onion and potato prices eased in Colorado. Louisiana sweet potatoes held steady. Shelled peanuts showed slight strength. Wool contracting stalled in Texas. Cotton advanced 50 cents to \$1.50 a bale for the week. Spot middling 15/16 inch closed Monday at 32.55 cents a pound at Dallas, 32.60 at New Orleans and 32.65 at Houston. **KILLS WOLVES FROM PLANE**—MOSCOW (AP)—Sergei Gorbunov killed 338 wolves with a rifle fired from an airplane. A "Tass" dispatch from Kazan said that Gorbunov, a veteran of the last war, has been having great success from a P-2 plane. Using an ordinary hunting rifle he killed 251 wolves last winter and during several flights this season he has slain another 87. The Graeco-Roman style of wrestling was not, as the name implies, used in ancient Greece or Rome, but was developed in France.

THANK YOU

FROM ROTARY

In making any post-show statement of appreciation, we hesitate to single out any person or any group to which credit can be given for the success of Saturday's show. So many valuable contributions of time, money, and ability were involved that we will list none lest we omit someone who just as wholeheartedly entered into the spirit of the show. We just say Thank You, Everyone, from the bottom of our hearts.

OUR REAL INTEREST LIES IN CARRYING ON THIS SHOW, YEAR AFTER YEAR, AS A VITAL PART OF THE COMMUNITY LIFE AND PROGRESS OF HEREFORD AND THE COUNTIES INVOLVED.

The paramount aim in conducting the 4-H Livestock Show is to add incentive to our youth, not only to raise finer livestock, but to develop a better understanding of economy, greater preparedness for the business world, and proficiency in livestock care... resulting in even a better community in which to live.

We encourage every 4-H Member to enter into next year's competition with the same vigor exercised this year. Whether yours is a blue-ribbon calf or not, you cannot lose. We'll continually be proud of the work you put out; we congratulate each of you.

LEGAL NOTICE

THE STATE OF TEXAS
COUNTY OF DEAF SMITH

To all persons interested in Blocks No. 10, 11, 12, 13, 26 and 27, all other owners of the Welsh Addition to the Town of Hereford and all adjacent owners to said Welsh Addition, Deaf Smith County, Texas, GREETING:

Notice is hereby given that W. N. Hodges, Jimmie Jones, Mrs. Helen Pipkin, Gaylord Newell, V. A. Hailey and E. U. Cook did on the 14th day of February, 1949, file in the Commissioners Court of Deaf Smith County, Texas, a petition for authority to close a portion of Centre Avenue located in the Welsh Addition to the Town of Hereford, Deaf Smith County, Texas, which portion of said street is described as follows:

Beginning at the North line of the intersection of Moreman Avenue and Centre Avenue and extending North between Blocks No. 10, 11, 27, 12, 13 and 26 to the North boundary line of said Welsh Addition.

Said petitioners allege that they are the owners of all the above described property, that said portion of Centre Avenue has never been used as a street, road or right of way and that a cancellation of the above described portion of Centre Avenue will not interfere in the established right-of-ways of any party owning any portion of such subdivision or any adjacent land owners; and

WHEREAS, the Commissioners Court has ordered a hearing to be held in the Commissioners Court Room of Deaf Smith County, Texas, at Hereford, on the 14th day of March, 1949, at ten o'clock a. m., at which time all persons interested in said Welsh Addition, or any adjacent owners thereof, may appear and contest said petition if they so desire.

Issued and given under my hand and seal of office at Hereford, Texas, on the 14th day of February, 1949.

(SEAL) R. L. THOMPSON,
County Clerk, Deaf Smith County, Texas.
By LUCILLE POSEY, Deputy.

LEGAL NOTICE

THE STATE OF TEXAS
TO: John Walter Schouten, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Deaf Smith County at the Court House thereof, in Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 4th day of April A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 7th day of December A. D. 1948, in this cause, numbered 3115 on the docket of said court and styled Margie Nell Schouten Plaintiff, vs. John Walter Schouten Defendant.

A brief statement of the nature of this suit is as follows, to wit: Being a suit for divorce based on the grounds of excess and cruel treatment; plaintiff also seeks custody of Juan-

ita Merline Schouten, the only child born to such marriage.

as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this 16th day of February A. D. 1949.

(SEAL) R. L. THOMPSON, Clerk,
District Court, Deaf Smith County, Texas.
By LUCILLE POSEY, Deputy.

CHEVROLET
is the most Beautiful BUY of all

The most Beautiful BUY for Styling

Look at this exciting new Chevrolet from any point of view—inside and outside, front, side and rear—and you'll agree it's the smartest-looking automobile of this new year. For it alone, of all low-priced cars, brings you the distinguished beauty and luxury of Body by Fisher—the body featured on highest-priced cars.

The most Beautiful BUY for Comfort

Settle into the deep, soft, form-fitting seats. Notice the extra-generous head, leg and elbowroom of the Super-Size Interior. Ride in this "car that breathes"—with an advanced heating* and ventilating system that inhales outside air and exhales stale air—giving comfort beyond compare! *(Heater and defroster units optional at extra cost.)

The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

Most sensational of all the advancements in this thrilling new Chevrolet for 1949 is the entirely new kind of driving and riding ease which it introduces into the low-priced field. New Center-Point Design—including Center-Point Steering, Center-Point Seating, lower Center of Gravity and Center-Point Rear Suspension—brings you driving and riding results heretofore found only in more expensive cars. The difference is so great—and so pleasing—that it's no exaggeration to say it is proving a revelation to all who drive or ride in this car. Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful BUY for Performance

What thrills you'll have when you drive this car! It's the only low-priced car with a Valve-in-Head engine—the engine which more and more makers of higher-priced cars are adopting—because it gives a much finer combination of performance, economy and dependability. And Chevrolet's world's champion Valve-in-Head engine holds all records for miles served and owners satisfied.

The most Beautiful BUY for Safety

Yes, you and your family will enjoy maximum safety, for Chevrolet brings you fivefold safety protection, found only in this one low-priced car: (1) New Certificate Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

Red Cross Roll Call Plans Are Released

Final organization plans for the 1949 Red Cross drive were released this week as lists of residential, business, district and special and industrial district workers were announced by Troy Moore, chairman of the drive.

Goal for the year in this county is \$5028, a decline from last year's total and a rate established before blizzard conditions in the northwestern Red Cross supplies.

Each of the five work divisions have been given a percentage of the total goal to raise. Heads of those divisions are: rural, Mrs. Argen Draper, residential, Mrs. Cecil Williams, special and industrial, Wayne Edwards, busi-
