Two Meetings Daily at Christian Church; Pool Finances

At a meeting of the pastors of the Methodist, Christian and Presbyterian churches, held Wednesday, all details for the forth-coming union revival of these three congregations were agreed upon and settled. The dates will be June 10 to 24, inclusive, and all meetings will be held in the Christian church, where the seating capacity is the largest.

Two services daily will be held, in the forenoon and at night, the three preachers alternating in the work. Messrs. Merrill and Lipscomb will also lead in the choir work of the three combined choirs and orchestras. A cordial invitation to all singers of the community, whether members of any of the churches or not, is extended to join in this revival singing.

The finances will be pooled and expenses of all three church paid out of the offerings received, any balance to be equally divided afterwards.

Any Kind Weather You Want Can Be Served, Now

Freakish and uncertain weather continues into the month of May. Thursday was an ideal one up until about and in a fiffy rain was being driven hard by the wind. It lasted only a few moments, however, and the moisture was soon gone, although a cold wind continued all night and up into the afternoon of Friday.

We are quite sincere in the belief that in the three pastors who will participate the christian people of this community will be served and edified just as much as they would be by the importation of outside talent.
