B. H. Hopkins Resigns Here; Goes To Tyler

Leading School and Civic Worker Leaves After Five Years Service In City.

B. H. Hopkins, teacher of vocational agriculture and for the past year a civic leader in Hereford, has resigned his position to accept a similar one in the public schools at Tyler. The announcement was made last Saturday. He and Mrs. Hopkins will leave about July 1.

Hopkins came to Hereford from Lowell in the fall of 1929. He has been there as agriculture teacher for four years after graduating from Texas A. & M. College.

As vocational agriculture teacher, Hopkins has brought that department of Hereford High school where it ranks with the best schools in the state. His poultry and livestock judging teams have won prizes throughout West Texas at fairs and livestock shows.

As business manager of athletics at the school he has built up the finest athletic plant that can be boasted by a Class B school in this part of the state. His latest achievement is construction of a sodded in a fine bed of Bermuda grass and enclosed in a high grade steel fence. Pipe lines for watering the grass have also been installed this spring. And all of it is paid for.

At present Hopkins is a director and vice president of the chamber of commerce. He is a member of the city parks board and past president of the Lions Club. As secretary and one of the founders of the Tri-County Poultry Association he has done a big work promoting the annual show of the organization until it is one of the biggest in the Southwest and the only one in the Panhandle recognized by the American Poultry Association.

Hopkins has been invaluable to the county agent and his organizations in handling the government's agriculture adjustment programs. Last summer when the county had no agent he handled the entire program of cotton reduction and adjustments.

During his five years here Hopkins' poultry and livestock judging teams have taken part in 25 judging competitions, their placings running from tenth to first.

In 1930 the dairy team competing at the Plainview Dairy Show, finishing seventh. In poultry at Texas Tech the team was second. The following year the dairy team jumped to first place at Plainview and second at Tech, while the poultry judges were fifth at Tech.

In 1932 the Future Farmers club won with their booth in the Tri-State Fair. The dairy team was again first at Plainview as was the poultry team. At Tech that year the livestock team was fourth, poultry team seventh and dairy team second.

A decline was registered by the dairy team at Plainview the next year, falling to tenth, while the poultry team dropped off to the fourth place. That year at Tech the livestock judges finished seventh, poultry team sixth and dairy team second. At Amarillo the dairy team was first and poultry team third.

During the past school year the dairy team took first at Amarillo and the poultry team second. The dairy team was second at Plainview while the poultry judges jumped to first. At Tech the dairy team finished fifth, the livestock team eighth and poultry group ninth.

EMPLOY CREWS ON HIGHWAY 33 WORK IN TOWN

From 20 to 40 men have been working daily for the past week on Highway 33 in the city. They are constructing curb and gutter west of Main Street this week. Pouring of concrete started Monday.

Turns are being excavated and filled with caliche at the intersections with north and south streets. When completed the entire mile will have curb and gutter and will be surfaced with oil and an asphalt topping.

Cooper Dewey, engineer in charge, reports that progress during the week has been satisfactory. This is a special relief project with labor being furnished as emergency relief and materials by the state highway department.

Men are given work according to their budgetary needs and this causes the size of the crew to vary daily.

To Increase Tax Bills On July 1

Texas' old delinquent tax law will again be in effect after June 30, and citizens who are delinquent in state and county tax bills will make a big saving in their taxes by paying on or before that date.

For three or four years emergency measures of one kind and another have been enacted to help farmers and other business interests, but the last of these laws runs out on June 30, and thereafter 10 per cent penalty and six per cent interest per year will have to be paid to clear tax claims on real estate and other property.

Various agencies, including newspapers, county collectors and officials have reminded the taxpayers of the change during recent weeks, but in many instances the matter has not made a great enough impression.

Goodyear Announces Guarantee for Year

Goodyear tires are now guaranteed for 12 months against all road hazards, announces E. S. Ireland of Ireland-Beavers Motor Co., local dealers. This guarantee gives protection against tire failure or defects, but does not cover driving on a flat tire. If a tire does not give complete service for 12 months the user can return it and get a new tire, paying only for the months of service he obtained.

This guarantee is positive and covers All-Weather and Pathfinder Goodyears, Mr. Ireland declared. For tires used in commercial service the guarantee is for six months service.

Buy 500 Cattle In Drouth Relief Drive

Renew Activity In Beauty Drive

Renewed activity marked the past week in the city beautification drive. Problems of the drive were discussed and threshed out at a meeting Monday evening at the city hall when committees reported their activities to Mrs. B. F. Guthrie, general chairman.

Cleaning up of vacant lots and other property not occupied both in the residential and business sections is one of the main problems. Citizens are urged to cut weeds and remove trash from vacant lots and owners of downtown property are asked to clean up the vacant stores.

Business houses are being asked to check on sanitary conditions with special attention to be given to odors and cleanliness. This condition, Mrs. Guthrie pointed out, is noticeable around several firms in the downtown sections.

A home beautiful contest is being sponsored by the clubs in charge of the residential sections. It is to last through July and August with a number of prizes to be given by various civic organizations. Mrs. Frank Cogdell will announce full details next week. Home owners are urged to enter.

Cooperations of the Santa Fe will be sought by the Lions Club in cleaning up of the right-of-way of the railway and beautifying property around the depot.

Rural women are cooperating to make the drive a county-wide movement. One of their projects is cleaning up and repairing around the county schools. The county and the relief office will be asked to assist in this work.

Placing of trash cans in the downtown section is another project upon which committees are working, with the aid of Mayor Charles Padlock. At present there are four of these cans. It is hoped that at least four more can be obtained and all of them painted.

Band Will Attend Clint Small Fete

Hereford's band of more than 30 pieces and a large delegation of citizens will attend the Panhandle-wide rally for Senator Clint Small in Amarillo next Monday. Ralph Smith and members of the band will be guests of the Amarillo News at the horse races there in the afternoon and at dinner in the evening, after which they will play at the rally in the auditorium and take part in parades.

Senator Small himself will take a leading part in the rally as he brings his campaign for governor to the "home folks." During Monday morning an informal reception for his friends will be held in the Amarillo Hotel. At noon he will speak to county chairmen of the Panhandle at a luncheon. Young Democrats of the Panhandle will give a victory dinner at 6:30 at which time Senator Small will speak.

The main address will be given at the city auditorium at 8:30 in the evening. Friends and supporters of Small from throughout the Panhandle will be on hand. Five other bands besides that of Hereford will attend.

Streu Will Head Lions This Year

A. H. Streu was elected president of the Hereford Lions Club for the coming year at the luncheon Wednesday. He will take office July 1. D. H. Alexander was Streu's opponent.

Harold Close nosed out Voline Downs in the race for vice president. E. E. McWilliams was chosen Lion Tamer over Alex Thompson.

After a bitter fight which required a run-off Bill Smith was favored by a rapid-fire change of sentiment to beat Jack Wayland for Tail Twister after John Patton had been eliminated on the first ballot.

Louie LeGrand and Mack Womble were elected directors from a ticket of five which included Barnard Sticks, Tom Major and Jimmy Robinson.

Relief Payroll Is Biggest Since CWA

Farmers to Sign Wheat Contracts

Wheat reduction contracts in the re-opened campaign will be ready for signing tomorrow, Jim Lipscomb, secretary of the wheat board has announced. Farmers who have these contracts and who will be in town Friday and Saturday are asked to call at the agriculture office in the court house to sign up.

Contracts for farmers living in Ward, Westway, Fairview and Hereford communities will be assigned at the office here and all farmers will be required to call at the office. For those living in other communities the community committees will handle the contracts.

Lists of the new contracts giving complete information are being published in this edition of The Brand. All farmers whose names appear herein will be required to sign the contracts, which will be reviewed and sent to Washington for payment as soon as possible.

Rosson Is Named For WTCC Board

Prentice Rosson, Hereford director in the West Texas Chamber of Commerce, has been named by President J. D. Hamlin as a member of the chamber's commission on agriculture and livestock for the fiscal year. This group is one of five commissions named to carry on the program of the chamber.

The objectives of the commission are set forth by Hamlin as follows: (1) execution of any emergency assignments having to do with agriculture and livestock industries; (2) launch live-at-home campaign in the various agricultural counties; (3) inaugurate campaign to secure one of more subsistence homesteads for each of the ten WTCC districts; (4) promote maximum competition in cotton buying; (5) organize county allotment committees for the purpose of securing maximum allotments of cotton and wheat; (6) continue cooperation on program of making cattle a basic commodity under AAA and to secure tax on imported vegetable oils; (7) determine whether processing tax penalizes the West Texas grade of cotton and if so work to reduce the tax; and (8) cooperate in securing maximum benefits for West Texas from the Farm Credit Administration.

This week's relief payroll will climb to almost \$2,000, the highest it has been since CWA days, W. W. Chilton, administrator, announced last night. This figure includes salaries of all workmen on projects and the office payroll. In the peak days of CWA the highest weekly payroll was a bit over \$4,000.

Projects upon which men are at work include sanitation, community gardens, Highway 33 in the city, high school athletic field and grounds, culverts on county roads and the cattle buying program.

Approval of the project for putting a caliche surface on the 13 miles of Highway 33 between Hereford and the Randall county line has been given by both the highway and relief departments. Chilton hopes to have sufficient men to start the work outside the city limits when the harvest season slackens.

A child welfare survey, part of a statewide project, will be started next week, Chilton said. It will be conducted much as a census with enumerators calling at all homes in the county. Details of the survey are not yet available.

More than 200 are now eligible for relief jobs and more will become eligible when harvest is over, Chilton said. Under the special relief program which got under way here last week there will be employment for every person whose condition warrants, Chilton declared.

Wheat Loan Time Extended Month

Extension of deadline on making applications for summer fallowing and winter wheat crop loans was announced last Friday. July 15 is the new closing date, says Charles W. Sherrill, of the Dallas Emergency Crop Loan Office.

More than 100 applications had been made in this county on June 15, original deadline. Miss Peggy Mitchell, at the chamber of commerce office, is taking the applications.

A movement is on foot here to have the maximum amount of the loans raised. At present no individual may borrow more than \$400 and the limit per acre fallowed or seeded is \$1. "This is not reasonable for a man who is cultivating 500 and more acres of wheat," County Judge C. W. Humble pointed out. "The maximum of \$400 will not even begin to get a crop put in for some of our large operators."

Mr. and Mrs. Carl London of Oklahoma City are visiting in the home of Boyd London this week.

Ask Applications of Cow Owners

More than 500 head of cattle have been bought in Deaf Smith county since the program started last week. Yesterday was the biggest day with more than 200 being purchased by the government in the relief program.

Buying opened last week and closed Friday when the Amarillo canning plant and stockyards were swamped with cattle. Buying began again Tuesday, and 100 head were purchased.

Of the cattle bought last week, a total of 175, 73 head were condemned and killed. Condemnations now are running around 40 per cent of the total cows purchased.

Through yesterday three cars had been shipped from Hereford with about that many more ready to go. French Thurmond is receiving the cattle at the stock pens for the relief department.

Scores of applications of cattle owners who have stock to sell are on hand at the county agent's. Others are urged to make applications so that inspectors and appraisers may call and make deals for the cattle.

Prices being paid range from \$3 to \$20 per head. It is not contemplated that stockmen sell off their best animals in this program. It is designed primarily for relief to those who have cattle on hand and are unable to feed them and affords an opportunity to cull herds and get cash benefits at the same time.

Golfers Defeat Dimmitt Outfit

Although J. M. Posey kept it a secret all last week, the Hereford golfers added another victory to their Wheat Belt Golf League record Sunday before last by licking Dimmitt's shooters on their own links.

The count was seven and three-fourths to two. J. M. shot the low score, a 95, which came in a stroke of the course record. He beat Webb in doing it. Jonathan Pitman was also hot, turning in a 99; Blanton was his victim.

Results were as follows: Bud Posey bested Gladman. A. Foster downed Dent. Jim Clark beat Gunter. Patton beat McCuan. D. Fox lost to Halls. Harry Rice beat Collins. Urlin Stren was trounced by Griffith. Alfred beat Singer. Garrett lost to Whitlow. L. Foster was spanked by Brooks. Lindt beat Hutchings. Renfro nosed out Wilson. J. H. Brooks beat Hastings. Erlona's club swingers, beaten on their own lot recently by the local par smashers, will be guests here Sunday and they have laid deep plans to ruin Hereford's perfect record, 'his said.

To Discuss Why Men Do Not Go to Church

Twenty-five Hereford business men have been asked by Rev. T. C. Willett of the Methodist church why they do not go to church. Their unsigned replies will be read at the Sunday night services and the conditions raised will be discussed.

"The men who pay the bills of the church have a right to express their opinions on its program," Mr. Willett says. "That is what they have done. Can the pastor and those responsible for the program of the church answer them? This constitutes a challenge to all who have any part in the program of the church. I wanted to know why so few men go to church and I wanted my church to know. They have told us."

Mr. Willett invites all business men who will to write their replies to the question and mail them to him, unsigned, in time to be read at the Sunday evening services.

TO PLAY DONKEY BALL GAME NEXT WEDNESDAY

Hereford's first donkey baseball game will be played next Wednesday afternoon at 5 o'clock with the Lions meeting the Firemen. Homer Fox signed up for the donkeys at noon today. The contest will be at the ball field and an admission of a quarter will be charged.

Edgar Pickett made a business trip to Amarillo Wednesday.

Miss Hostetler Goes to Library Meeting

Miss Lillie Hostetler, county librarian, attended a one-day meeting in Austin last Friday of the directors of the state library association. Dr. S. H. Condron of Canyon and Miss Hostetler represented 50 Panhandle counties at the meeting.

A library development program for Texas was planned at the conference. According to Miss Hostetler, the needs of Texas now include a strengthened state agency with larger quarters and appropriations.

The immediate objective of the Texas association is to bring books in the reach of three and a half million Texas people who now have no library service. This is to be achieved through regional

Girl Scouts to Start Free Nursery Saturday

A free nursery and waiting room for rural women and children is to be sponsored by the Hereford Girl Scouts, beginning next Saturday. It will be in the Girl Scout room on the third floor of the court house and will be open from 9 o'clock in the morning until 5:30 in the afternoon.

Scouts will be on hand to conduct the nursery while women visit and shop.

Libraries with traveling book trucks. It is believed that there must be a more rapid diffusion of knowledge to enable a larger number of persons to participate intelligently in economic and governmental cooperation.

Firemen Still Lead League

The Firemen retained their lead in the league Tuesday by licking the Odd Fellows, 7 to 5. By besting the Lions today the Midgets can go into a tie for first place. All teams still have a chance at first place for the first half, which ends with two games next week.

BY HOMER FOX

Last Thursday afternoon those fast traveling, ball busting, base running Midgets broke all the bats in town, busted all the balls, had a trail cut out around the bases that looked like a cow trail leading to a windmill, run all the Fireman's outfielders until their tongues hung out like a kid's shirt tail in a marble game, and just three minutes until 9 o'clock the game was called because it was Dow Mercer's bed time and the kids won 19 to 9.

The Firemen started right off in the first with two runs. B. Witherpoon singled, W. Witherpoon singled, Angelo popped to short, Carroll forced Bud at third, Phillips singled, scoring Witherpoon; Ronntree went out, pitch to first. The kids came back in their half and tied the score. Kerr was safe on an error at first, Close walked (new Midget), L. B. was out, third, to first. Brock tripped into left, scoring Kerr and Close. Robinson (new Midget, weight 215) popped to pitch. Kester whiffed.

The Kids made a couple more eyes

Water Polluted In Swimming Hole

Water in the swimming hole in City Park is not fit to drink and is not recommended for swimming purposes, Mayor Charles Padlock announced after an analysis made by Amarillo's city chemist.

A trace of sewage was reported and the water pronounced dangerous to drink. No infection or contagion was found. Condition of the stream is below normal because of lack of water, the creek having dried up in places on the golf course above the swimming hole.

The condition, Mayor Padlock said, is not bad enough to forbid swimming, but he issues the report for information of citizens.

In their half, Russell was out, pitch to first; Brock walked, Robinson singled, Kester was safe on a F. C.; Brock scoring on the play. Posey (another new Midget, just turning 40) singled, scoring Robinson. In their half the kids went wild. Renfro was out at first, Kerr singled, Close was safe when left dropped his fly; Russell singled, Brock dug the pitcher out of a hole with another triple into left; Robinson was safe on a F. C. Brock scoring; Kester singled, Posey whiffed, Speagle doubled, scoring Robinson and Kester; Renfro, the flathead, made the second out in this frame, but we had six

runs and feeling mighty fine. In the fifth the Firemen made one more on a triple by Witherpoon and a single by Angelo.

In their half the Midgets started a fire that the Firemen couldn't get out with the help of all the umpires. Kerr was safe on an error by first, Close singled, Russell popped to third, Brock singled, Robinson (the miracle man) singled; Witherpoon was so fired in left that he couldn't hold Kester's fly, Posey was safe on a F. C.; Speagle singled, Renfro singled. The umpire singled, the bat boy singled, Cliff ran the hook and ladder truck into deep left center; Witherpoon cooned the ladder as Kerr came to bat, but was no good—Kerr hit one a mile over him for a home run. Twelve men batted, netting nine runs.

Those fighting Firemen never know when to give up. In the sixth they made three more. Ronntree was out, pitch to first. Witherpoon was safe on an error by second, Woods whiffed, Babe Russell, playing for Corbett, singled; B. Witherpoon singled, W. Witherpoon singled, Angelo went out third to first.

But those flatheads never know when they are whipped. In the seventh they had us nervous. Carroll singled, Phillips singled for his fourth single in four times up; Ronntree singled, Witherpoon was out, pitch to first. Bob had his mind on a golf ball and dropped Woods fly. The hits were even, 15 for each side—no use in bringing in the errors and homebats—about the same as Sunday.

NOTICE TO PUBLIC

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation, which may appear in the columns of this paper, will be gladly corrected upon due notice of same being given to the editor personally at the office at 402 Main Street, Hereford, Texas.

LET'S CLEAN UP

Organizations working in the city's beautification drive report some conditions they are unable to correct. One is the presence of weeds, high grass and trash on vacant property. Another and even more obnoxious evil is result of gnatish odors emanating from some business houses in the downtown section.

It is up to the firms to correct the latter fault. In the first place it is poor business not to do it. Most people are sensitive to such odors and naturally become averse to trading with firms guilty of allowing their places to become smelly. Too, the sanitary regulations of the city require sufficient cleanliness to prevent the condition.

As to the littered vacant lots and unsightly alleys, there are also ordinances requiring that they be kept clean. Some citizens are threatening to invoke the law to get this accomplished. As Mrs. B. F. Guthrie, chairman of the beautification campaign, pointed out, the Three cents in postage and a double page mimeographed statement there ends.

Hereford is known as the cleanest town on the Plains. It would seem a matter of personal and civic pride and good business to keep it that way.

WE WILL MISS "HOP"

To say Hereford is shocked to learn B. H. Hopkins is leaving would be to put it mildly. Indeed, "Hop" has become an institution in Deaf Smith county.

Primarily he is the vocational agriculture teacher at Hereford High School where he is also director of athletics. Under his guidance the agriculture department has made an enviable record. Also under his direction the high school has built and paid for what is probably the finest athletic plant belonging to a Class B school in West Texas.

As a public-spirited citizen, "Hop" has no peer in Hereford. He is vice-president and a director of the chamber of commerce, past president and a director of the Lions Club, member of the city park board, a charter member and secretary as well as organizer of the Tri-County Poultry Association.

And with it all, "Hop" is such a swell fellow and so modest it's hard to brag on him without a feeling of self-consciousness—certainly he will discount this eulogy.

The schools and city of Tyler are fortunate in obtaining a man of B. H. Hopkins' calibre. And Hereford's loss is great.

A Republican can pretty nearly be defined as one who has to do a great deal of thinking about the New Deal of which he does not think very much.—Dallas News.

The international debts shouldn't be cancelled; neither should they be paid. How else are we going to be reminded there was once a war?—Corpus Christi Caller.

Before long airplane service across the Atlantic will make it so a woman can buy a dress in Paris, France, and wear it in Longview before the style changes.—Longview Leader.

A LONG TIME AGO IN HEREFORD

(From The Hereford Brand, June 19, 1903.)

Samples of Hereford dirt had been sent to a brick kiln in Denton and after tests was pronounced entirely suitable for making first class brick.

The Baptist church had called Rev. J. F. Elder, of Mangum, Oklahoma, as pastor.

Citizens of Ward community, ten miles north, had held a picnic at the school house, with a large number present.

George L. Muse, commissioner of Precinct, No. 4, had been in town, sitting with other members of the court as a board of equalization.

On Thursday, June 11, at Belton, occurred one of the big events of the social season when G. A. F. Parker was married to Miss Mary Louis Wilson, daughter of Mr. and Mrs. W. L. Wilson.

E. J. White and W. G. Ross, owners, were making many improvements on the Hereford Telephone Exchange.

Amarillo and Hereford second nine had played an exciting (?) game of baseball here, resulting in a score of 25 to 0. The editor

neglected to state who won the game.

The editor was ready for war because someone had expressed a doubt as to the town's ability to dig up the claimed 2000 inhabitants.

A modern, educated girl should know: How to sew, to cook, to mend, to be gentle, to dress neatly, to keep a secret, to avoid idleness, to be self-reliant, to darn stockings, to respect old age, to make good bread, to keep a house tidy, to make home happy, to control her temper, to be above gossiping, to take care of the sick, to sweep down cowboys, to take care of the baby, to take plenty of exercise, to read the very best of books, to keep clear of trashy literature, to be light-hearted and fleet-footed. When she has learned this and does not grow wings and fly away to a better land, she will make some lucky man a most excellent wife, opined ed editor.

(From The Hereford Brand, June 20, 1913.)

Paul, brother of Ralph Barnett, had written an interesting account of military operations in Mexico.

George LeGrand, Douglass Connell, Jowell Murchison, Ernest

Woodburn, Albert Murchison, Homer Wilson, Wayne Wheeler, Cecil Cook, Travis Dameron, LeRoy Richards, Willard Garrison and Jack Mounts composed two patrol groups of the Boy Scouts, under leadership of Superintendent Ben Short.

The Womble family held their annual picnic, or reunion, at the Brady ranch Friday night, Saturday and Sunday night.

Mmes. W. A. Price, E. B. Black and G. A. F. Parker were attending the annual conference of the Women's Mission Society at Seymour.

"E. B. Posey, says to tell 'em that it has been raining in Hereford and roundabouts like the berry dealer."

Mrs. Fred Millard and sister, Miss Ella Hughes had gone to Canada to join Mr. Millard who had been there several months.

Dry goods advertisements quoted silk goods at from 50 to 90 cents per yard, hose from 10 to 98 cents; calico was available at 5 cents, Indian Head domestic at 13 1/2 cents. One item seldom listed in such ads today was petticoats, and even then they were going out of date, because they were on sale at half price.

By Their Words

What Panhandle Papers Say

A woman over at Clarendon who is reported to be 109 attributes her age to the fact that she has always minded her own business. Some people in Silverton will think she paid a terrible price.—Briscoe County News.

Most newspaper offices turn out one or more magazine writers. We have at least three, or possibly more persons, on the Texas staff who probably with a little study, and brushing up could make the pulp magazines and the non-fiction feature field, but most of us are too near written out when the day is done at the office to do any good at it. It is hard to serve two masters, unless you have an exceptional amount of energy and perfect command of your time. Few newspaper writers have an easy enough time of it at the office to permit much outside writing, although

there never was a reporter alive that did not plan some day to write the Great American novel.—John McCarty, Dalhart Texan.

Many peace moves have been suggested. All have failed. We suggest that nothing would give the world a greater "community of interest" and "universality of sympathy" than the diffusion of hay fever.—Olin Hinkle, Pampa News.

State candidates for office are sending out their literature by the thousands of pieces. We take note every time an envelope comes to The Claude News office, using a Government printed envelope, and that certainly has some weight with this editor. A few cents is saved in using a Government printed envelope envelope, but the candidate will lose in many other ways. Newspaper editors will please take notice along this line when your daily mail come in from those asking for free advertising.—Claude News.

Directors of the local Tri-County Poultry Association are requested to meet at the Brand office Thursday evening at 8 o'clock for the purpose of electing officers and transacting business regarding the coming annual poultry show.

PACKARD'S NEW PLANT READY THIS WEEK

Packard Milling Company is installing two new electric motors in their new elevator this week. Mr. Danforth, manager, stated that the new plant would be ready to receive grain by the latter part of this week. The new elevator has a capacity of 50,000 bushels.

Satisfying the Most Particular

IT IS OUR WISH—AND ALSO THE REASON FOR OUR SUCCESS

We like to work for fussy people—because we're fussy, too. We demand that every shirt, every dress, every piece of linen—yes, every item that comes to us—must go out fresh and clean and perfectly ironed. If you're finicky, try us. You'll be satisfied—we guarantee it!

A LAUNDRY SERVICE FOR EVERY FAMILY

We have five laundry services—one is bound to be just what you want. Ask our deliveryman to tell you about them. You'll be surprised at the low prices.

A Ford V-8 "delivered" price is the total cost to you—no extras!

CONSIDER the facts about the Ford V-8. The delivered price is decidedly low... yet it is a big, roomy, 117 wheelbase car, with many features found ordinarily in the most expensive automobiles. It is the best Ford ever built... the most economical. This has been proved by the unbiased testimony of owners, in over 2,000,000 miles of driving. And the cost of service—if you ever need it—is modest, by any standard! Here you get a V-8 engine that responds instantly to your demands when speed means safety. You get an all-steel, welded one-piece body—durable enamel finish—beautiful upholstery—Free Action on all Four Wheels with the safety of a bulky front axle.

And your good judgment in purchasing a Ford V-8 is justified when you eventually trade it in, for Ford trade-in values are high!

were discussed by Mrs. Lois Moore: The Border Country, Edinburgh, The Trossachs. The Highland was next discussed by Mrs. Jimmie Wilson. The City of Glasgow and the West Country were discussed by Betty Ruth Miller and Mrs. Ruth Sindt talked on Scotch poems. Two Scottish songs, Auld Lang Syne and Comin' Through the Rye, were sung by the club. Delicate refreshments were served to the following members and visitors: Lois Moore, Betty Ruth Miller, Nell Culpepper, Wynel Clark, Marie Cogdell, Jimmie Wilson, Ardelle Foster, LaVerna Harman, Violette Orr, Nora Alice Daniel, Lyndell Mitchell, Genevieve Eberle, Lueta Borden, Ruth Sindt, Margaret Schroeter, Jean Streu and Miss Inez Hough.
The next meeting will be held at the home of Mrs. Wynel Clark Tuesday, July 3, at 8 p. m. with Miss Ardelle Foster as hostess.

MRS. CULPEPPER HONORED AT SHOWER

Honoring Mrs. O. H. Culpepper, a recent bride, a miscellaneous shower was given Thursday last week at the home of Mrs. A. M. Jones by Meses. B. F. Guthrie, C. H. Dyar, H. C. Van Bibber, E. R. McWilliams and Mrs. Jones. The home was beautifully decorated in garden flowers in baskets and vases in a gorgeous display of colors. A program consisting of a vocal solo by Miss Betty Jones, a toast by Miss Genevieve Eberle and a poem by Mrs. Frank Cogdell was enjoyed by a large number of guests.

Following the program, Little Clifford Vaughn, member of the bride's Sunday school class, appeared with a miniature farm wagon loaded to capacity with the many lovely gifts of silver, linen, tea sets, glassware, etc.
Punch and assorted cakes were served to about 75 guests.

Flanery-Conkright Nuptials Spoken

In a simple home wedding, Miss Dorothy Flanery last Thursday became the wife of Mr. Colby Conkright at the home of her parents, Mr. and Mrs. J. J. Flanery, in Sherman. Dr. Thomas Stone Clyde, President Emeritus of Austin College, read the ceremony.

Only a few relatives and intimate friends of the couple attended the wedding. They motored back to Hereford this week, and will make their home on the ranch, 14 miles northeast of Hereford. Mrs. Conkright has been a teacher in Hereford during the past six years. Mr. Conkright has been a resident for eight years, coming here from Kentucky.

VALENTINE-HARRIS TROTH ANNOUNCED

Engagement of Miss Billie Valentine to Mr. Melvin Harris was announced at a bridge party given Saturday afternoon by Mrs. Alton Fraser, sister of the bride-elect. Wedding date has been set for June 23.

Many lovely and timely gifts were given the honoree. High and low score prizes went to Meses Elizabeth Ireland and Betty Jones. A salad course was served to the honoree, Meses Katherine Miller, Mary Elizabeth Stanford, Betty Jones, Elaine Newell, Elizabeth Ireland, Virginia Line, Shirley Hales, Nancy Conkright, Sally Skelton, Sallie Glibreath and Ruth Marie Mount.

LITTLE MISS TRIMBLE HAS BIRTHDAY PARTY

Dorothy Nell Trimble celebrated her eleventh birthday with a party at her home Monday afternoon. She is the daughter of Mr. and Mrs. J. H. Trimble. Attending were Danny Hales, Hilton Higgins, Lois Cockrell, Betty Jo Cockrell, Vivian and Margaret Olson, George McLean, Virginia Newell, Ruddy Cawthon, Wanda Jean Reed, Donald Dee Heustee, Larry Trimble and the honoree.

GLADYS BEAVERS MARRIED IN PHOENIX

The following motored to Phoenix, Arizona, Monday morning to attend the wedding ceremony of Miss Gladys Beavers, former Hereford girl, and daughter of Rev. and Mrs. M. M. Beavers, to Hubert Freeman, to be held at Phoenix Wednesday morning. Rev. and Mrs. Beavers and daughter

Baptist Missionary Meet at Summerfield

Baptists of the Tierra Blanca Association held a school of missionary instruction at Summerfield Tuesday. Speakers of the day were Mrs. J. E. Leigh of Dallas, state corresponding secretary of the Baptist W. M. U.; Mrs. Tom Campbell of Lubbock, president of this district, and Rev. B. N. Shepherd of Clarendon, Baptist missionary of the district. Those attending from Hereford were Meses. Harry Whitechurch, R. E. McCullough, F. E. Bowe, W. L. Alexander, Cockrell, Long, Barrett Sowell, Edgar Mosley, E. W. Young, Alex Thompson, R. A. Daniels, G. W. Brumley, Parker; Meses Ruby Thompson, Thelma McMinn, Nora Alice Daniel, Mary Posey and LaVina West.

R. A. Williams of Amarillo was a business caller in Hereford Monday.

Taxes Go Up July 1

(Continued from Page 1)

pression to cause action on the part of the taxpayers. Last week the commissioners' court, being aware of this condition, caused to be published a notice explaining the change that will occur with the coming of July Response, says the tax collector, has been fair.

As an example cited to illustrate the point is the case of a taxpayer who might have a delinquency from 1924 of \$100. On or before June 30, 1934, this can be paid for \$100 (just a six per cent penalty) but after June 30 to pay off and clear up the same tax will cost \$170, not taking into consideration the statutory costs. The point is made, also, that the rule applies to all of the State of Texas, and not just to Deaf Smith county, that it is an action of the state legislature and not of the local court or other local officers.

Mr. and Mrs. Clyde Honea arrived home last Sunday from a trip to Denver, Salt Lake City, Yellowstone Park and the Grand Canyon. The Honeas were gone about three weeks and traveled in seven states.

J. R. Cone was here the first of the week on a business trip. He returned to his home in Lamesa Wednesday afternoon. Mr. Cone was formerly manager of the local S. E. Cons Grain and Seed Company several years ago.

To further prove to you that "there's nothing new under the sun" we cite you to the fact that we have been INSURING BRUNN WICK TIRES against road accidents for over four years. H. L. RICE.

GLEN SNYDER

**HERE'S ONE REASON
why long distance calls
are fast**

WITHIN its own boundaries, this company, like each of the 24 Bell System associated companies, operates its own long distance system. But A. T. & T. trunk lines (shown on map) link these 24 separate systems into a nation-wide unit, over which skilled operators can send your voice almost with the speed of a local call to the remote reaches of the country.

Such nation-wide service would be virtually impossible without equipment built to the same designs and used in the same way . . . without operators trained in the same methods . . . without, in short, a nation-wide organization behind it.

How effectively A. T. & T. meets this need is shown by the fact that today 9 out of 10 long distance calls go through while you hold the line; by the constant pushing back of the frontiers of the voice until 92 per cent of the world's telephones are now within your reach; by four reductions in long distance rates, made voluntarily in recent years.

Here you may see the workings of a fundamental Bell System policy, adopted because we believe it to be a policy that works. In an organization planned like the telephone service for the long pull, we feel that what is best for the telephone user becomes in the end the course that will bring us the sounder, more certain success.

SOUTHWESTERN BELL TELEPHONE CO.

Ford Doings

BY LA VERNE MANN

H. M. Benson and family and Mrs. Parks attended church at Vega Sunday morning.

Mr. and Mrs. W. M. Stewart and daughters were Amarillo business visitors one day last week. D. B. Mann, Laverne and Clyde Mann and Mrs. J. S. Garrett and family were among the Hereford visitors Saturday.

Thirty-one were present at Sunday school Sunday. Lily Ellen Funk of Vega was a visitor.

Miss Mildred Stewart was a supper guest of Mr. and Mrs. Joe Phipps Sunday.

Messrs. and Meses. J. L. Hight and Joe Phipps were in Amarillo on business Friday.

Melvina Stewart visited Birdine Brunson Sunday afternoon. Singing began again last Sunday evening.

LaVerne Mann spent Saturday night and Sunday with Miss Nancy Ann Garrett. Other visitors in the Garrett home were Mr. and Mrs. J. E. Hill of Hereford, Mr. and Mrs. Slade Bassett and daughter of Amarillo, and Mr. and Mrs. Dennis Bernard and Roy Crutchfield.

Mr. and Mrs. Joe Phipps and Mildred Stewart called in the Harold Wilson and T. R. Langley homes Sunday afternoon.

Visitors in the F. C. Benson home Tuesday were Meses. Joe Phipps, T. R. Langley, Meses. Mildred and Melvina Stewart and Dorothy and Norma Jo Langley.

Euna Mann spent Wednesday morning with Evelyn Benson.

F. W. Brunson and family were in Claude Thursday to attend the wedding of his sister. They returned Friday afternoon, after spending the night with relatives.

L. W. Dickinson and D. B. Mann made a business trip to Hereford Tuesday.

Mr. and Mrs. Durwood Vernon and daughter, Mr. and Mrs. Edson Funk, T. J. Jacobs and Glenn Plummer were in Hereford shopping Saturday.

Mr. and Mrs. Durwood Vernon, T. J. Jacobs and Robert Lee Orr went fishing Sunday.

T. R. Langley took Mrs. Langley to Hereford Monday to be treated for rheumatism.

Card of Thanks.

We want to thank our dear friends for their loving kindness and the beautiful flowers given during our recent bereavement caused by the passing of our beloved husband, father and grandfather. May God's blessings best upon each of you.

Mrs. Emi Bowsber,
Bonna Bowsber,
Mrs. W. T. Batchelar,
Margaret Orr and Billy.

Here and There

BY MRS. C. E. TSON

Take Produce to Carl's Gro. if Wardrobe demonstrations in the 4-H club work closed last Thursday, when the clubs held dress contests at Dimmitt, with Miss Barnes, clothing specialist of A. & M. judging. Mrs. Mack Dixon, wardrobe demonstrator, has done very creditable work and has built two clothes closets in her home at no cost, as they were made from cardboard boxes and after being papered inside and out with wall paper they were nice. She had a good report but was unable to attend the contest. Ten dresses were entered in the junior girls and these girls also had 15 bedspreads on exhibition. Mrs. Richardson won the trip to A. & M. in second year work of wardrobe demonstrators. Mrs. Fred Walters of East-er won first in the first year work. Easter club had charge of the lunch and about 80 ladies were present. Meses. W. A. Springer, W. A. Campbell and C. E. Tice were in the contest. Miss Maxine Tice also attended. Miss Clark meets with us June 27 at the home of Mrs. Mack Dixon.

D. O. Benson and family spent Sunday in the home of his brother, Haskell Benson, of Progressive. Haskell Robbins and family were Sunday visitors in the Will Henry home.

Messrs. and Meses. A. T. Jones, Elmer Jones of Frio, Jodie Benson and Miss Elsin Curry of Happy enjoyed fishing on the creek Saturday.

Mmes. J. B. Harlin and H. M. Mobley assisted Mrs. Lester Sparkman papering the Sparkman home last week. This home has recently been remodeled.

The W. W. Club met June 13 with Mrs. Annie Beauford with eight members present. Mrs. K. F. Campbell was a visitor. After the business meeting, Mrs. A. C. Hawks gave two readings. Next meeting with Mrs. Mack Dixon June 27.

Mrs. Walter Easter and Ruth of Hereford visited the J. B. Harlin home last Monday.

Miss Margaret Oglesby of Amarillo is spending a few weeks with her grandparents, Mr. and Mrs. Sidney Oglesby of Frio.

Mr. and Mrs. Deward Roberson and Mrs. M. A. Springer of Amarillo, Earl Springer, Andrew Gilliam of Wyche and Myron Jenkins spent Sunday in the W. A. Springer home.

G. L. Goard spent Sunday in the Alvis Frazier home.

Mr. and Mrs. J. N. Benson spent Sunday in the home of her parents, Mr. and Mrs. K. F. Campbell.

Miss Helen Ray Hamm spent a few days last week with Miss Virginia Mosley of Hereford.

Mr. and Mrs. Chas. King and son of Pollette spent the week end with her parents, Mr. and Mrs. J. E. Andrews.

Glenn and J. V. Campbell returned to their home in Crosbyton Wednesday. Glenn has been farming here the past few weeks.

W. F. Ashley of Vernon is here visiting the home of his daughter, Mrs. Guy Hamm.

Edgar Mosley and family enjoyed ice cream in the Guy Hamm home Thursday night.

J. E. Andrews was a Friona visitor Saturday.

Mrs. Leo Williams, Junior and Bobby Ray visited relatives in Plainview Saturday and Sunday.

Messrs. and Meses. Britt Boyd and Roy Rogers of Hereford motored to Portales Sunday to spend the day with Mr. and Mrs. W. L. Sain.

Everett Cornet lost a cow when she was struck by lightning last week.

Mr. and Mrs. J. M. Nance of Coleman were guests in the Glenn Greer home Sunday.

J. E. Andrews was a business visitor in Dimmitt Monday.

Miss Minnie Martin of Goree visited in the C. L. Goad and W. L. Tice homes last week.

Mr. and Mrs. L. A. Ray and family, W. L. Tice and family spent Sunday afternoon picnicking on the creek.

Miss Nedra Clayton spent Tuesday night with Lavina Belle Goad.

Field man, E. W. Brown and his assistant, Robert Huser, both of the Amarillo Swift & Co. division, were here Tuesday afternoon, decorating and painting the interior of the new Swift cream station located in the A. H. Elliston building on East Third Street, and managed by Roy Onstead.

Adrian-Sims Notes

BY MRS. J. M. CHAPMAN

Twenty-five were in attendance at Sims Sunday school last Sunday. Everyone is invited to attend these services.

R. A. Freeman returned Thursday from Gunter, where he was at the bedside of his father, who died June 11. He visited his daughter, Mrs. Childress, and family at Tulla on his return home.

Lola and Phylace Phillips went to Dimmitt Sunday afternoon.

A wedding was solemnized at Adrian church last Wednesday evening at 8 o'clock. Miss Mildred Linke and Manuel Lovelace were married. A large crowd attended the event. Immediately following the wedding a number of their friends went with them to the home of Mr. and Mrs. Edgar Jacobson, where they were entertained for the evening. The bride and groom have gone to Hargo and McAlester, Oklahoma, for a week's stay, after which they will make their home in Adrian.

Mrs. Nipper and children of Lefors visited in the Tom Cook home last week.

Miss Chloe Freeman of near Adrian visited with Miss Elizabeth Chapman Sunday night.

Mrs. Childress and baby of Tulla are visiting R. A. Freeman and family this week.

Mr. and Mrs. Marshall Stone have relatives visiting them this week.

Mrs. John Biggs visited her sister, Mrs. Alton Lookingbill, last Tuesday.

RIGHT NOW ... at every Orange and Black 66 shield ... you can get the greatest gasoline that Phillips has ever offered! A gasoline so outstanding that it literally towers above Government specifications.

It is not merely a Summer gasoline; it actually is a June gasoline—engineered to fit official temperature requirements as determined by U. S. Weather Bureau records.

EVERY GALLON embodies the perfected results of CONTROLLED VOLATILITY, Phillips' basic and far-reaching contribution to gasoline improvement. This scientific development squarely meets the issue of Summer motor troubles—overheating, knocking, and lost power.

Of course, Phillips 66 is high test and high anti-knock. One trial tankful will prove that you get far finer performance at less cost per mile.

Mr. and Mrs. Grady Coe and Mr. and Mrs. Steel visited in Amarillo Saturday.

Mrs. W. L. Bagwell of Zeta was a guest in the W. H. Bagwell home Wednesday and Thursday.

Rev. Henard East is holding a revival meeting in Abilene.

Mr. and Mrs. W. L. Stewart and family visited in the Harris home Sunday.

Estelle McFarland was a week end guest in the W. H. Bagwell home.

Mr. and Mrs. Martin Campbell of Plainview are here to stay during harvest.

Mr. and Mrs. Dick Frye visited relatives in Happy last week.

Mr. and Mrs. Elbert Seymour and daughter and G. W. Seymour visited in the W. H. Bagwell home Thursday and Friday.

Miss Hazel and Roland Crouch visited in Dawn one day last week.

Misses Vivian and Margaret Bowers and Louis and Syble Smith were guests in the H. H. Miller

NOTICE TO BIDDERS

The Commissioners' Court of Deaf Smith County, Texas, will receive bids at Hereford, Texas, on July 2, 1934, for the purchase of one or more 50 BBHP of approximately 20,000 weight Road Tractor.

Such bids to be made on the basis that the Bidder shall take as part payment the following second-hand equipment:

One used 75 Monarch Tractor.

It is the intention of the Commissioners' Court to issue time warrant in part payment therefor not to exceed \$4,957.10 to bear interest at 6% per annum with maximum maturity date February 15, 1935. (or, to be paid cash in thirty days.) Bidders shall attach a certified check in the amount of 5% of bid. The Court reserves a right to reject any and all bids.

Signed: C. W. HUMBLE,
County Judge.

NOTICE OF FARM ALLOTMENTS AND OF MAXIMUM ACREAGES OF WHEAT FOR 1934 UNDER CONTRACTS FOR MEMBERS OF THE WHEAT PRODUCTION CONTROL ASSOCIATION OF DEAF SMITH COUNTY, STATE OF TEXAS

Listed below are statements of the allotments which have been determined for members of the Deaf Smith County Wheat Production Control Association from total county. These allotments are to hold for the duration of the present wheat contracts, and they are the basis upon which adjustment payments are to be made. They have been determined by the County Wheat Allotment Committee after careful consideration of the application statements. Every effort has been made to have these allotments as accurate as possible. The maximum acreage which may be sown to wheat for the 1934 crop on each farm, under the reduction requirements of the contract, is also listed.

The Deaf Smith County allotment, which has been calculated from records of the United States Department of Agriculture, is 1,299,564 bushels. This total of the individual allotments, including those allotments which could have been assigned to farms which are not participating under the wheat program, must be in line with the county allotment figure. The number of nonparticipating farmers in the county is 171; the average wheat acreage for those nonparticipating farms during the base period is 26,856 acres.

Signed **J. A. PITMAN**
Chairman County Allotment Committee.
