Three Killed As Auto Hits Tree

By WAIN MILLER
Brand Staff Reporter
Three persons were killed and another injured when the station wagon in which they were riding struck a tree about seven miles south of Hereford on U. S. Highway 385 Monday afternoon.

Two Lubbock men discovered the twisted wreckage about 6:10 p.m. Monday. They found 12-year-old Kenneth Musick outside of the car. Young Kenneth is the only one of the auto's four occupants to survive the tragedy. "Get my brother out!" Kenneth said as the men approached.

Examining the remains of the 1962 station wagon, Jay Eastman and Dennis Nichols of Lubbock, found Mrs. Tony Bartos of Hereford pinned in the front seat, apparently dead at the time.

The driver, Mrs. Maudie Musick of Lubbock, was still alive. "We were afraid to move her, because she was apparently severely injured," stated Eastman. "We couldn't find the boy's brother until we moved the luggage that had covered the back seat of the station wagon. He was pinned between the seats, unconscious."

"We pulled him out," Eastman continued, "because it looked to me like he was in a state of shock." Nichols then gave the youngster artificial

respiration "until he began breathing on his own." By this time a number of passing motorists had reached the scene and a Gilliland Funeral Home ambulance had been summoned.

The boy, six-year-old, Terry Don Musick, died about 8:45 p.m. Wednesday in Deaf Smith County Hospital. His mother, the driver, Mrs. Maudie McDonald Musick, had died while being rushed to the Dimmitt hospital by a Dennis Funeral Home ambulance shortly after the crash.

TWO WOMEN and a six-year-old boy died as the result of this wreck seven miles south of Hereford Monday evening. The accident is believed to have been caused by a blow-out, after which the car went out of control and hit a large tree almost dead-center. Only survivor was a 12-year-old boy. The two women were sisters, one of them from Hereford. (Staff Photo By Wain Miller)

Kenneth Musick was listed in satisfactory condition in Deaf Smith County Hospital Wednesday morning as he suffered only lacerations and bruises from the accident.

Mrs. Musick, 30, was said to be on her way to Amarillo to pick up her husband, Hugh Musick, who had been attending the funeral of his brother (Continued on page 6)

Four Dead After Car-Train Crash

By WAIN MILLER
Brand Staff Reporter
Tragedy struck for the second time in less than 24 hours here Tuesday as a fast-moving Santa Fe passenger train sliced into a sedan, killing four Latin-Americans and leaving only one alive.

Approaching a grade crossing about 1 1/2 miles west of Hereford, the San Francisco Chief was traveling about 70 miles per hour. According to the engineer, R. S. Smith of Amarillo, the 1953 model sedan in which the victims were riding moved into the path of the train when it was only about 50 feet away.

Smith told investigating officers that the car had stopped at the crossing when the train was some 300 yards away, but then moved across the rails only seconds before the impact. The 14-car train came to a halt some 1800 feet later.

A switch engine was working nearby, on the opposite side of the car from the train and not in the line of vision. Several people either saw or heard the crash, and witnesses confirmed the engineer's account of the

tragedy. Three were killed instantly when the car was literally sliced in half. Bodies and debris from the wreckage were strewn along-side the rails for some 200 feet.

The motor rested near the track about 200 feet from the crossing, the bottom half and

frame of the vehicle some 100 feet northeast of the point of impact, and the top half of the car another 100 feet away from there. Bodies were scattered in between.

Two of the passengers in the car were rushed to Deaf Smith County Hospital by a Gilliland Funeral Home ambulance as a

crowd of hundreds of workers in nearby vegetable sheds and passing motorists, flocked to the scene. A father and his two sons were killed, along with their cousin. Another cousin remained. (Continued on page 6)

FOUR DIED in this wreck Tuesday when their car suddenly pulled across a grade crossing about a mile west of Hereford just ahead of a fast-moving Santa Fe passenger train. Killed were a father and his two sons. A cousin died later in the hospital, leaving only one survivor of the crash. (Staff Photo By Wain Miller)

Redbirds Lose Two Straight In American Legion Tourney

Hereford's Redbirds lost two straight in the District 18 American Legion baseball tournament in Amarillo. They fell to Tascosa 7-6 on Monday, then lost to Amarillo's Dusters on Tuesday, 12-6. The second loss eliminated the Hereford team, which was entered with three teams from Amarillo.

Outside of the first inning Tuesday, Hereford played the Dusters a close game. But Amarillo's six-run lead was too much to overcome.

Hereford went down in order in the first.

Six runs came in for the Dusters on a walk, a missed force play at second, a passed ball, a walk, a triple by Gilbert Coats, two more walks, a single and another walk before three were retired in order.

In the top of the fourth, Hereford finally pushed in two runs on five consecutive singles by Dan McDowell, Eugene Green, Gary Smith, Jim Haney and John Buck. Fine defensive work by the Dusters kept the score

from being higher. Amarillo picked up one run in the last of the fourth, as Sal Martinez singled, took second on an error, went to third on Coats' single and came in on a fielder's choice.

In the top of the fifth, Hereford added on two more runs. Ronny Duncan singled, stole second and took third on an error. With one out, McDowell walked and Green singled. With two away, Haney drew a walk and Buck singled in McDowell.

Bob Pitts scored for Amarillo in the fifth on a single, an error, two sacrifice bunts and a single by Larry Jasper.

A double play killed Hereford's opportunity in the sixth, but the Dusters tacked up two more runs on a walk, an error, a sacrifice and a double by Jim Berryman.

Both teams were scoreless in the sixth and Hereford failed to score in the eighth. The Dusters got their last two runs in the

eighth. First came on a home run by Sal Martinez with none on, the first homer hit in the tournament. Coats singled and scored on a walk and an error.

Last two runs for Hereford came in the ninth. Larry Minks singled and a fielder's choice (Continued on page 6)

LuAnne Higgins Named 4-H Camper

Miss LuAnne Higgins of Deaf Smith County and Carl Wright of Dawson County were announced as Texas representatives to the 1962 sessions of the American Youth Foundation Leadership Training Camp, Stony Lake, Mich.

LuAnne, 19-year-old daughter of Mr. and Mrs. A. B. Higgins, Rt. 4, Hereford, has been a member of the Willing Workers 4-H Club for 7 years, working under the leadership of Miss Loreta Fowler, assistant county extension agent.

She has experienced the usual problems in demonstrations but has excelled in cooperative teamwork, safety, recreation, leadership, public speaking, foods, clothing and yard improvement demonstration work. She has shown outstanding accomplishment in the Leadership Training Lab, as a Junior Leader of her club, and in the Talent Tour to Berkeley, Calif.

She is a sophomore honor student at Texas Tech in Lubbock. Her chosen major at school is medical technology which she considers a challenge.

In addition to the present trip to Michigan, she has re-

ceived the Gold Star honor, made the Talent Tour to Berkeley, Calif., and was chosen as Deaf Smith County 4-H Queen, all in 1960. Miss Higgins has held all offices in her 4-H club, served as secretary of the county group, and as delegate to the district meetings.

She is a talented artist and musician, is active in the First Methodist Church, in the National Freshman Honor Society for Women, and as a member of Alpha Lambda Delta.

Miss Higgins will attend the camp session, beginning July 30 and ending Aug. 12, and will receive a camp scholarship from the Wm. H. Danforth Foundation and travel expenses from United Gas, according to Floyd Lynch, state 4-H leader.

Special training is offered during the camp in Christian ideals, personal foundations and enrichments, and leadership principles and practices. Daily camp activities are divided between class work and recreation.

The American Youth Foundation camps have been held for many years and draw attendance from every part of the nation.

County Lowers Tax Rates On Two Types Of Farmland

Deaf Smith County Commissioners, meeting Monday, changed the minutes of a meeting in February to reflect a lower tax rate on some types of farm property.

Two motions were inserted into the record of the commission meeting on Feb. 26, 1962, as corrections to the original minutes.

On one, a motion was made by Commissioner R. Donald Hicks and seconded by Commissioner J. T. Guinn, to lower Class 2, 3 and 4 irrigated grassland by \$5 an acre. Commissioners Hicks, Guinn and Charley Sowell voted in favor and Commissioner Otto Massie voted against. This changes the valuation from \$45, \$35 and \$25 per acre to \$40, \$30 and \$20 per acre.

Affected by the lower rate will be about 500 sections, mostly in the east portion of the county.

The other motion, made by Guinn and seconded by Hicks, was to lower land in Zone Eight from a minus 12 per cent to a minus 9 per cent. It carried by the same vote, three in favor and one against.

This action will affect some

234 acres in the northwest portion of the county. The minus rates are applied to lands further from Hereford; that is, land adjoining the city carries a plus value, and decreases as it gets further from town by percentages which are considered in figuring tax assessments.

In other action, Homer Hamilton was approved as a public weigher in Precinct One. The Commissioners' Court gave notice that it would sit as a Board of Equalization on Monday, July 23, beginning at

1:30 p.m. in the Commission (Continued on page 6)

Saturday Final Day For Harvest Queen Entries

Ten entries for the annual Harvest Festival Queen contest have been received by contest chairman Bruce Fink. He announced that the deadline for receiving entries would be Saturday, July 14.

Those firms which already have submitted their entries include: Dean's Hair Styling, Sharon Tinnin; White's Auto Store, Kay Lemons; Borden's, Cathy Skypala; Little's, Joy Story; Lone Star Insurance Agency, Sharon Hill; Troy Moore Shamrock, Cathy Boston; Panciera Tire Company, Suzanne Langley; Deaf Smith County Electric, Dieder Thomas; Helen's Youth Shop, Judy Fowlkes; and Brady Studio, Jenny Holt.

Entries must be between 14 and 21 years of age and single. Girls or firms wishing to submit entries are asked to call Mrs. Bruce Fink, president of the Jayceeettes at EM4-2827. Members of the Jayceeettes will also be contacting the prospective entrants.

All contestants will appear on television in Amarillo on Saturday, July 21, prior to the contest in the high school auditorium at 8 p.m. Monday, July 23. Master of ceremonies for the contest will be Cotton John Smith of Amarillo with music furnished by the Charlie Bell Combo.

The Queen and two princesses will reign over the week-long Harvest Festival activities. The Queen will be crowned by Judy Bradley Douglas, 1961 Queen and 1961 Wheatheart of the Nation.

Judges for the contest will be from out of town. All of the contestants will also participate in the Festival Parade on Saturday, July 28.

Around Town

This has been a sad week in Hereford with the death of seven persons in two wrecks. The hearts of the town's residents, total strangers for the most part, have gone out in countless ways to the survivors and other relatives of the two crashes. At least two doctors worked around the clock in an effort to save the life of the youngest victim. Ministers have joined together to comfort and lend aid to the shocked friends and relatives. This is the week that we always dread ... we know will come sooner or later.

On the brighter side: the Otis Lees and the Jimmie Allreds made a trip to Seattle, Wash., early in June. When they stopped to eat in a small cafe in Prospect, Ore., they were joking with each other about remembering to get their quart thermos bottle. But, sure enough, they went off without it. About two weeks ago, Dr. Wes Owen and his family borrowed a pair of binoculars from Jimmie Allred before setting out on a about the same trip. Jimmie told Wes to check on the thermos bottle. The Owens got home this weekend ... and had the bottle. They said that the cafe folks had it washed and clean, waiting to be cleaned or mailed if they could (Continued on page 6)

Seven Arrested For Gambling

Seven Negro men were arrested here Saturday afternoon on gambling charges. The arrest was made at a residence in the 100 block of Clements St. by Sheriff's Deputy Ed Roberson.

All the men, six from Hereford and one from Dimmitt, pleaded guilty in Justice of the Peace Court and were fined \$10 and costs each, a total of \$29.50 each.

Those fined were: Willie Hilblow, Johnny Jackson, William Miller, Antonio Jackson, Jim Graham, Eugene Harrell, all of Hereford, and Henry Petties of Dimmitt.

LET'S COOK SOMETHING!

Cooking Is An Adventure For Miss Betty Hodges

Betty Hodges, 10-year-old daughter of Mr. and Mrs. Joel Hodges, 120 Centre Street, Hereford, is learning to cook this summer under the able instruction of her mother. Betty has been learning the basic cooking principles for several years but this summer has learned to make bread, cookies, and how to use prepared mixes. Making her own flower arrangements, other special decorations, table setting, and the customary duties of a gracious hostess are being learned and developed too.

She is a perfectionist in all things, making an excellent reporter for her Campfire Group with neatly written reports with full information.

Betty serves the Sunday night snack suppers that she prepares for her mother and father and brother, Steve.

TUNA BURGERS
Mix in a bowl, one 7-ounce can tuna, 1 cup chopped celery, 1/2 cup diced process yellow cheese, 1 small onion, minced, 1/2 cup mayonnaise, and salt and pepper to taste.

Split and butter 5 hamburger buns. Fill buns with tuna mixture and relish tops. Heat in paper sandwich bags on a baking sheet for 15 minutes at 350 degrees. (These can be made in the morning and left in the refrigerator. Heat just before serving.)

BANANA BREAD
1 and 1/2 cups sifted flour
2 teaspoons baking powder
1/2 teaspoon soda
1/2 teaspoon salt
1/3 cups shortening
2/3 cup sugar
2 eggs, well-beaten
1 cup mashed ripe bananas

Sift together flour, baking powder, soda and salt. Beat the shortening until creamy in a mixing bowl. Add the sugar gradually and continue beating until light and fluffy. Add eggs and beat well. Add flour mixture alternately with the bananas, a small amount at a time, beating after each addition until smooth. Turn into a well-greased bread pan (8 1/2 x 4 1/2 x 3 inches) and bake in a moderate oven (350 degrees) about one hour and 10 minutes or until the bread is done. Makes one loaf.

Variation: Add 1/2 cup coarsely chopped pecans to flour mixture.

JELLO PUNCH
Mix 1 package of strawberry jello and 1 package of cherry jello. Dissolve in 2 cups of boiling water. Add 2 cups of cool water, 1 tall can pineapple juice, 1 can of frozen lemon juice which has been diluted according to directions on the can. Sweeten to taste.

ICE BOX COOKIES
Cream 2 sticks of oleo and 2 cups of brown sugar. Add 3 small eggs. Mix thoroughly. Add sifted dry ingredients which consist of 1/2 teaspoon soda, 1/2 teaspoon cream of tartar and 3 cups of flour. Add 1/2 cup of nuts if desired. Mold into a long roll.

Wrap in waxed paper. Chill until the dough is stiff. Slice very thin, 1/8 inch, and bake on an ungreased baking sheet in a 400 degree oven. Bake until lightly browned.

This dough can be frozen. Makes about 6 dozen.

IN HOUSTON
Mr. and Mrs. Billy Jack Williams and son, Ricky Jon, left Sunday evening, July 8, by car for Houston where Ricky will undergo surgery for circulatory system repair caused by a cystic fibrosis condition. Dr. G. M. Harrison will perform the surgery this week at the Texas Crippled Children's Hospital in Houston. Ricky Jon is 10 years old and is a 4th grade student at Northwest Elementary School. The Williams family resides on Rt. 5, Hereford.

ISLAND VISITORS
Mrs. Gerald Hamilton and children from Hawaii have been visiting for the past week in the home of her husband's parents, Mr. and Mrs. Homer Hamilton, 126 North 25 Mile Avenue, Hereford. Gerald Hamilton is an ROTC instructor in Waikiki High School.

KANSAS VISITORS
Mr. and Mrs. Frank Muraski and daughter, Norene, of Kansas City, Kans., have been visiting in the home of Mr. and Mrs. E. F. Burgan and Eddie, 504 Avenue J, Hereford.

RETURN HOME
Glen Nelson Jr. and Olen Nelson returned to their home in Hereford Friday evening after a three day camping and fishing trip to Buffalo Lake.

A valiant effort by Hereford's team was lost Monday as the Tascosa squad pushed in a run in the last of the ninth to win 5-4. It was the opening game of the double-elimination tourney played at Gold Sox Park in Amarillo Monday through Wednesday.

Hereford's thriller was more than matched Monday night as the Palo Duro team made up a six-run deficit and squeezed in the winning run in the bottom of the ninth to down Amarillo's Dusters 7-6. That matched Hereford and Amarillo in a Tuesday afternoon game.

Hereford opened by picking up two walks, but a force play got the side retired with no trouble.

Tascosa put together its only two extra-base hits in the last of the first and took a lead of 3-0. Danny Gray walked, Ron Baker flied out to Larry Coff-

man at short before Jimmy Carter blasted a triple. Bill Defee followed that with a double. With two away, John Bowman walked and stole second on an error that allowed Defee to score.

John Buck singled for Hereford in the second, but was stranded. Tascosa left two aboard in the last of the inning.

Hereford picked up two runs in the third, trailing just 2-3. With one out, Ronny Duncan walked, but was forced by John Willoughby's ground ball to the shortstop. A passed ball moved him to second before Dan McDowell lined a shot to left center field that went for three bases. Eugene Green followed that with a single and went to second on Larry Coffman's walk before the side was retired.

Two Hereford runners were stranded in the fourth as was one Tascosa batter, who got on after a dropped third strike. It was more of the same in the fifth as Hereford left two on base. Tascosa was out on three outfield flies that consumed just seven pitches.

Hereford left two more runners on in the sixth, as did Tascosa.

en the ninth, but Gary Smith's ground ball to second forced the lead runner. John Buck's fast-sinking fly into right field was gobbled up and fired to first for a double play.

Ron Baker opened the ninth for Tascosa with a walk and Carter sacrificed him to second on a bunt. Bill Defee walked and John Bowman got his only hit of the game, a hard-hit single to left field that scored Baker and won the game for Tascosa.

Dan McDowell, with a triple and a single in four trips, was the only Hereford batter to get more than one hit. Jimmy Carter, with a double and a single in four times up, had the same distinction for Tascosa.

Mickey Stevens went all the way for the Redbirds, allowing five runs on five hits while walking ten and striking out six. Carter started for Tascosa. He gave up two runs on three hits, walked five and struck out five in four innings, worked the last five innings. He allowed two runs on four hits, walked four and struck out three.

Each team was charged with two errors.

Dear Editor,

In regard to the letter in the Sunday Brand regarding the displaying of our flags, I wish to state that I live on Westhaven Drive and had our flag flying on July 4th.

name. Mrs. Lester F. Wagner (Editor's Note: We are gratified that more flags were flown on the Fourth of July than Sunday's letter-writer observed. We are sorry that some neighborhoods were unjustly accused of being without Old Glory on that day. However, we would be much happier if the ratio were reversed and only 50 or so homes in Hereford did not fly the flag on Independence Day and other patriotic occasions.)

POTATO HARVEST is now in full swing in the area, with this year's crop yielding exceptionally high quality although the quantity is slightly lower than the harvest of last year. A digger operates beside sacks of potatoes which have already been picked up by laborers in the background. (Staff Photo)

THE LARIATS OF TULIA staged a brief show in downtown Hereford Monday morning, as a car caravan rolled through advertising the Swisher County Rodeo and Picnic. The affair will be held July 14-17 in Tulia. Twirling the lariats in western fashion are from the left: Diane Clower, Ann Wallace, Judy Altman, Rita Cook, and Carolyn Hasfings. (Staff Photo)

BY JIMMIE GILLENTE
Business men are generally big hearted and, despite what President Kennedy says, I have always found them to be real nice folks. They are the guys who support most of the drives with donations, and they frequently spearhead progressive community movements. To succeed, the average business man must be on his toes, take a long-range view of things and stick fairly close to the Golden Rule. Therefore, I was quite interested in some conclusions voiced by a group of coffee drinkers the other day, when it was pointed out that wheat harvest in 1962 had not made a raffle in retail sales. Vegetable harvest, on the other hand, was the chief target for most of the business men.

The thermometer at the gas company hit 101 early Tuesday afternoon, which Dale Young reports second only to a 102 degree reading last week.

It is also time to once again say "Thanks" to Red Coffin for another sack of fine Hereford cabbage. In addition to the cabbage, which is some of the best in the world, we always appreciate the fact that Red remembers us — regardless of the market.

A while back, I predicted that Pick Harman was going to have one of the nicest store fronts in the Panhandle, but now he is going a step further. He is also going to install a new sidewalk with electric heating elements to keep it cleared off come rain, snow or sleet. Pick gives credit for this new-fangled installation to Ezra Norton, who is one of the most progressive landlords in the country. Anyway, it will be something to talk about next winter, and should have full endorsement of the city mail carries.

This district, including several states, has nominated Milton Adams for a directorship in Toastmaster, International — and I hear that he has an excellent chance to get elected. It couldn't happen to a nicer fellow, and it sure would be a signal honor for the community. Just getting nominated is a tribute.

J. B. Elliston, who for 25 years has been the No. 1 booster for this area, is about to reverse himself on the qualities of our peaceful community. Burl says he was attacked either by a mountain lion or a bear — the country "ain't" what it used to be. Elliston has some mighty fine shade trees around his place at 615 Grand, which are especially nice if a fellow wants to take an afternoon nap, and this is exactly what the "Ole Cow Thief" was doing Tuesday afternoon when some fast-moving critter whizzed past and slashed his left cheek and shoulder severely. The animal was closely followed by a bulldog.

Meanwhile, I keep hearing rumors about a proposed packing plant, and the location of a concrete pipe plant in the com-

the tail of which Elliston spotted as it swished around the house.

Burl started yelling so loud that he soon attracted help, but was still a little dazed over the incident as they cleaned away the blood and applied disinfectant.

Everyone in the neighborhood says the dog was chasing a large alley cat, which landed smack on Elliston's face and "dug in" as he took off for another leap, but Elliston — a natural born real estate man — won't settle for that. He is absolutely sure that it was nothing smaller than a mountain lion, and figures it was more probable a bear, which might have escaped from a circus. By Wednesday morning he was

Tigers Nab 7th Inning Rally To Trim White Sox

Pony League Tigers roared out suddenly in the sixth and seventh innings Saturday night to defeat the White Sox 7-3. It was the final game of the season for the Pony League in Hereford.

The White Sox picked up single runs in the first, third and fifth innings, but the Tigers got a pair in the sixth and five in the seventh to win.

A double play by Jim Allison in the first enabled the White Sox to put the Tigers down in order in the first. With two out in the last half of the inning, Steve Hodges doubled and scored on an error.

One runner got on base for the Tigers in the second. But the Bengals used a double play from David Marcontell to Lee Robinson to shut off White Sox hopes. The Tigers again went down in order in the third.

Hodges then scored again in the third. He singled, stole second and came in on Allison's double.

Andy Channer's single in the fourth was the Tigers' first hit, but he was caught off first and the side was retired one-two-three, as were the White Sox in the last half.

Tigers filled the bases in the fifth, with two out, but failed to score.

Third and final run for the White Sox came in the fifth as Gene Duvall walked, stole two bases and came in on an error.

Then the Tigers stretched and roared. A walk, an error and a hit batter put Channer, Ed Mims and Steve Thornton on base with none out. Lee Robinson's single drove in both runs.

White Sox put a runner on third in the sixth but a double play from Robby Lemons to Ed Mims helped retire three in a row.

The Tigers really took advantage of the breaks in the seventh. With one out, a walk, singles by Channer and Jim Campbell, an error, two wild pitches, a passed ball and four more walks gave the Tigers five big runs.

White Sox got runners to second and third in the last of the seventh, but left them stranded.

David Marcontell got credit for the win while pitching six innings. He gave up three runs on five hits, walked five and struck out two. Ed Mims pitched-

IN PLAY
Randy Carver, son of Mr. and Mrs. Russell E. Carver of Hereford, will portray Journalist Bert Jefferson in a production of "The Man Who Came To Dinner" in Canyon Friday, July 13. The production will be held at 8:15 p.m. in the Branding Iron Theatre on the West Texas State College campus. The well-known Moss Hart-George S. Kaufman play is being produced as part of the third annual BIT High School Summer Workshop.

Former Hereford Man Assigned To Texas A & M Job

James E. Kirby on July 1 became economist-marketing and policy for the Texas Agricultural Extension Service with headquarters at College Station. He is the son of Mrs. J. W. Kirby and the brother of Doc Kirby, both of Hereford.

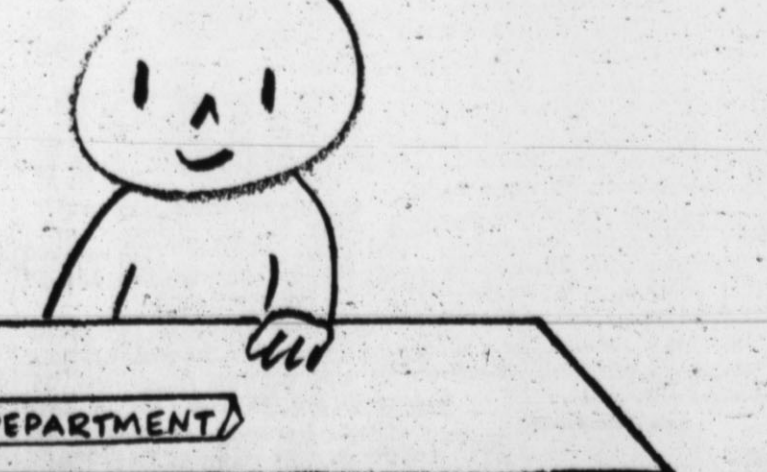

In making the announcement Extension Director John E. Hutchison said Kirby would give general leadership to the Service's educational programs in marketing and policy and would work with the county extension agents of the State on problems and programs in his field. He will also work with organizations in the same areas, Hutchison added.

The new specialist is a native of Alabama but has spent most of his life in Deaf Smith County. He is a graduate of Hereford High School; attended West Texas State College before graduating from Texas Technological College with a B. S. degree. He has completed all formal class work at Texas A & M College for a doctorate in agricultural economics and sociology. In 1960, he was a member of a team from the United States which was sent to Europe by the U. S. Department of Agriculture to study market operations under Public Law 480.

From 1940-57, Kirby operated his own farm in Deaf Smith county and specialized in steer grazing and feeding. His experience in practical agricultural programs has been very extensive, Hutchison said.

The Kirby family resides in College Station.

NOTHING TO DO EXCEPT WAIT for an ambulance as these bystanders examine the scene of a one-car tragedy late Monday afternoon. A mother, her son, and her sister were killed as the station wagon struck a tree. Another of her sons remained in satisfactory condition Wednesday

morning in Deaf Smith County Hospital. The car hit the tree after going out of control seven miles south of Hereford on U. S. Highway 385, apparently after having a blowout. (Staff Photo by Wain Miller)

A TWISTED CAR AND BATTERED TREE mark the death of three persons following a crash late Monday afternoon. Only one boy survived the accident which occurred after a tire blew out on the station wagon, causing the driver

to lose control. Killed in the crash were Mrs. Tony Bartos of Hereford, Mrs. Hugh Musick, and her son, Terry Don Musick, 6, of Lubbock. (Staff Photo by Wain Miller)

Vacations Is Topic Of Bippus HD Meet

Bippus Home Demonstration Club members met July 5 in the home of Mrs. C. F. Homfeld with Mrs. Jack Fortenberry as the presiding officer.

Mrs. Elmo Hall, program chairman, gave the afternoon program on "Vacations". She stressed the most appropriate vacations for each family, stating that "One doesn't have to go far to have a good vacation. Every family needs a vacation even if it is just for a few days."

Further meetings have been postponed until September.

Members present for the meeting were Miss Christine Fortenberry, Mesdames Jack Fortenberry, Elmo Hall, G. V. Hall, and the hostess, Mrs. C. F. Homfeld.

KANSAS VISITORS

Mr. and Mrs. B. W. Lambert of Wichita, Kan., arrived on Tuesday evening, July 3, for a short visit with Mrs. Marie Angelo and Mr. and Mrs. Clay Angelo and daughter, Debbie, all of Hereford. They returned to their home on Friday, July 6.

RETURN HOME

Mr. and Mrs. Jimmy Roberts and children have returned home after a vacation trip. Beverly and Ricky flew to Dallas and spent the week with their grandparents, while Mr. and Mrs. Roberts spent a week in Mexico City and Acapulco.

Hereford got 15 hits all singles, while the Dusters got ten hits, including a double, a triple and a homer.

The Redbirds used five pitchers during the game, while Amarillo used three.

Ranspot started but failed to retire a batter. He was charged with the loss in allowing five runs on one hit, three walks and no strike-outs. Frank Cain came on in the first and also failed to retire anyone. He gave up one run on one hit, walked two and struck out none.

Ken Loerwald put out the fire and pitched six innings. He allowed four runs on five hits, walked three and struck out four. Jim Haney pitched the seventh inning. He allowed two runs on three hits, struck out one and walked one. Mickey Stevens pitched the eighth inning. He gave up no runs, no hits, walked none and struck out one.

Gilbert Coats started for the Dusters and took credit for the win with a four and one-third inning performance. He allowed four runs on seven hits, walked three and struck out three. Bob Pitts pitched two innings. He gave up no runs, two hits, walked two and struck out one. Dusty Alexander finished the last two and two-thirds innings. He was touched for two runs on four hits, walked none and struck out three.

Duncan, McDowell, Green, Haney, Buck and Cain each had two hits for the Redbirds. Sal Martinez got a single and a homer in three times and Gilbert Coats hit a triple and two singles to pace the Dusters.

VISIT ENROUTE

Dr. and Mrs. Ansel McDowell Jr. and family visited four days in the home of his parents, Mr. and Mrs. Ansel McDowell of Hereford, enroute from Bakersfield, Calif., moving to Lubbock, where he will be a surgeon at Methodist Hospital in Lubbock.

Hereford Man Hangs Self In Lubbock Jail

A Hereford man was found dead in Lubbock Saturday night after he had committed suicide in the Lubbock County Jail.

Albert Leon Schroeder, 21, of Rt. 5, was found hanging from his belt after prisoners in the jail reported a fire in his cell about 10:45 p. m. Saturday.

Jailer Upton Nelson found the man's body hanging in the cell. The cell mattress was burning. Schroeder had been arrested only some 30 minutes before by a highway patrolman. He had been stopped for having a faulty muffler on his car.

He was placed in jail after stating that he would be unable to return to Lubbock for trial, according to the arresting highway patrolman.

Schroeder was born Jan. 14, 1941 in Lubbock, and moved to Hereford in 1944. He attended Hereford Public Schools. He was a member of the Avenue Baptist Church.

Survivors include his parents, Mr. and Mrs. Carl Schroeder of Hereford; two brothers, Carl Jr. who is in the military service, and Robert of Pampa; and a sister, Miss Anna Mae Schroeder of Hereford.

Funeral services were held Wednesday in the Avenue Baptist Church, with the Rev. Clarence Powell, pastor, officiating, assisted by the Rev. H. V. Fields, minister of the Grace Gospel Church.

Burial was in West Park Cemetery under the direction of Gilliland Funeral Home.

20 Years And A New Course Yield An Ace

It took 20 years and a strange golf course, but R. B. "Red" Harbin of Fort Worth finally made a hole-in-one Tuesday. He aced No. 8 hole of the John Pitman Municipal Golf Course in Hereford with a seven iron. The hole is 135 years long. He had been playing golf for 20 years before making his first ace.

Playing with Harbin were B. L. Cotner, J. W. Brand and J. W. Thomas, all of McAllen.

Harbin's was the third hole-in-one on the Hereford course this year.

earlier Monday. The other dead woman, Mrs. Tony Bartos, 50, was the sister of Mrs. Musick.

Cause of the accident, was thought to be a blow-out on the right front tire of the station wagon, according to investigating highway patrolman Keith Meadows of Dimmitt.

After swerving momentarily following the "blowout," the car apparently remained on the highway until brakes were applied. The station wagon then veered off to the right of the road, hitting a large elm tree at the edge of the highway shoulder.

Traveling almost 100 yards after the blowout before striking the tree, the station wagon remained upright after impact. The car was a total loss as the front bumper of the vehicle was forced, almost to the driver's seat by the impact.

Only evidence of the crash, on the tree, was the shattered bark. Officer Meadows stated that excessive speed was apparently not involved in the accident, however.

Dead as a result of the crash are Mrs. Mable Bartos, wife of Tony Bartos of Hereford, Mrs. Hugh B. Musick of Lubbock, and her son, Terry Don Musick.

Surviving the Hereford victim are her husband, Tony, of 420 Ave. I; one son, Donald E. Bartos of Waco, two grandchildren; her parents, Mr. and Mrs. W. F. McDonald of Waco, and a brother, A. J. McDonald of Waco.

Killed instantly in the grinding crash were Steven Enriquez, 39, and his two sons, Jose, 16, and Tano, 15. Their cousin, Jose Cantu Enriquez, 15, died in the emergency room of Deaf Smith County Hospital shortly after the grinding crash.

Only survivor of the tragedy is Fidel Rodriguez, 22, who was listed in satisfactory condition in Deaf Smith County Hospital Wednesday morning. He suffered a broken vertebrae, cuts and bruises.

The group had arrived in Hereford earlier Tuesday looking for work. They had come from Rock Springs, Tex. Bodies were returned to Rock Springs for funeral and burial.

Accompanying the group to Hereford on Tuesday, but not in the car at the time of the accident, were Marie Enriquez, 16, daughter of Steven Enriquez, and Beatrice Rodriguez, brother of Fidel.

As of Wednesday morning only known survivors of Steven

ball game has been changed from Saturday to Friday, July 13, at 8 p.m. in Little League Park. The change was made so that the field might be worked on, an extra day in hopes of getting a tournament here.

It seems like a funny thing to me, but Postal Department employees in Texas and Louisiana had their votes counted Monday on which of ten organizations will represent them. Final results are expected to be known about July 15. The organizations couldn't negotiate for salary increases, can't call strikes, can't interfere with merit promotion system principles. They can, however, negotiate on such matters as scheduling of vacation time, preferred work assignments, promotion procedures, job privileges and working conditions. Hereford

Postmaster Nolan Grady says it won't make any difference here, and that it is primarily for the big offices with 500 to 1000 employees, where the low man can get lost in the shuffle.

I always thought of banks and insurance companies as being "big business". But I also noted that Bill Decker, formerly of Hereford, has been named to the Small Business Advisory Council, advising the Small Business Administration. Bill, a former Hereford insurance man and investor, now is president of one bank, chairman of another, and director of Western Fire and Indemnity Co. of Lubbock. Anyhow, Bill should do a good job on this voluntary, unpaid assignment.

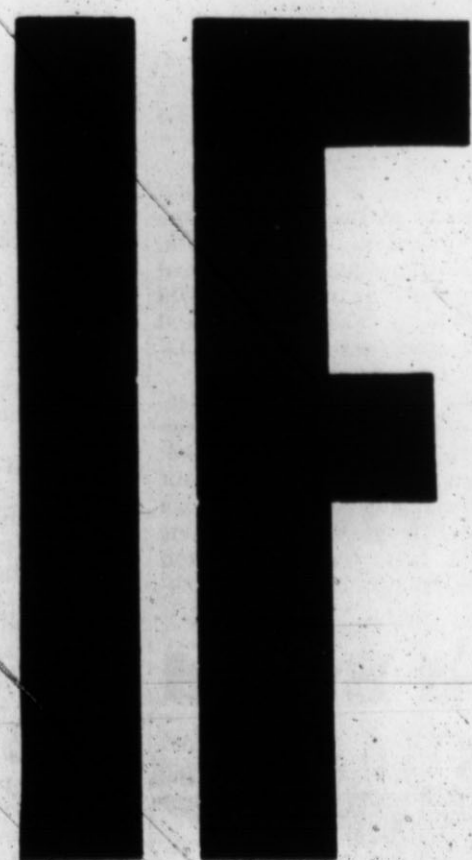

There will be a community meeting at the Westway Com-

munity Center at 8 p.m. Friday, July 13, primarily to make final plans for the traditional Westway Reunion that comes off later in the month. Some of the residents also will get their first look at the building which has been repainted and all spruced up.

And still there's nothing new on the amended Sugar Act, but it is almost a certainty now. We still expect final word by the end of the week or the first of next week.

'DRESS MORE LIKE TEXANS'

Kentuckian Lauds Values From Tourist Attractions

A Kentucky visitor was bold enough to suggest that Texans wear cowboys clothes and Stetson hats — and support the planned symphonic drama in Palo Duro Canyon — as he spoke before the Hereford Rotary Club Monday.

"You Texans have a reputation for doing things big to live up to," pointed out Paul Hadley, who spoke on behalf of the Panhandle Heritage Foundation. Present assistant to the Commissioner of the Department of Commerce and a state consultant to the tourist and travel industry in Kentucky, Hadley has acted as an advisor to two of the state's most successful symphonic dramas.

Considered an expert in the field of tourism, Hadley pointed out "natural resources, which

the 'top of Texas' has for a successful tourist industry."

He then outlined a "built-in guarantee for success in the outdoor theater for Palo Duro Canyon." He explained that a successful summer theater as planned in the canyon would mean added money in the pockets of local businessmen.

"I was shocked by what I diagnosed as a 'lack of interest' in the tourist attractions of the area," Hadley admitted. "I feel that the value of the tourist industry has not been driven home to the general public."

"Highways of the area carry a tremendous amount of tourist traffic. Most of these tourists appear to be on their way somewhere else. This is money flowing through your hands, businessman!"

"National statistics show that for each tourist car which spends one night in a community, the car's occupants will spend an average of \$32.50 before leaving. This money which is spent for food and lodging will in turn be spent by the proprietors of

the tourist businesses. The added income will therefore effect each person in the community," he stated.

Hadley then pointed out how he felt that the area could retain many of these tourist dollars by promoting tourism with the aid of symphonic drama.

"Let me first point out," he continued, "that the term 'symphonic drama' might be misleading. To me it sounds long-hair. But it is not, symphonic drama is out door theater at its best. I would almost prefer to call it something like musical comedy or musical drama. But it is not opera."

"Outside of this state, you Texans have a reputation that precedes you in every field. You are known for doing things in a big way. But I was disappointed to learn that some have hesitated with this drive by the Panhandle Heritage Foundation to establish an amphitheater in Palo Duro Canyon."

"This project has a built-in guarantee of success. I realize that you businessmen do not want to invest in a 'hair-brained scheme.' I say 'invest' because I feel that anything that is 'contributed' to the project is more accurately described as an investment."

The Kentuckian continued by outlining the things that promise success for the project.

"Your foundation has contracted the most outstanding author in his field for the project. His ability has been proven in many productions in the East."

"Secondly, the location of the amphitheater is magnificent, and there are other things that will keep the tourists in the area once they are here."

"I'll admit that I have been deeply impressed by the area. You have so many assets that have been taken for granted. I can hardly express my feelings when I saw my first Texas sunrise."

"Some consider the wide open spaces which you have as monotonous. But you cannot appreciate these until you have lived all of your life in New York City or the Kentucky hills as I have."

"These are assets of no value," Hadley declared.

"Your third guarantee is the fact that Mr. and Mrs. Moore of West Texas State have agreed to direct the productions. They have a far-reaching reputation in their field."

In concluding his "guarantee" Hadley pointed out, "In Amarillo alone there are said to be some 5,000 tourists stopping each night. This would be enough to fill the amphitheater to running over. And the symphonic drama will hold these tourists in the area for a longer stay, and will attract even more."

"Another asset is something that we pride ourselves in back home. Kentuckians take genuine pride in their southern hospitality, but after coming here I believe we could take lessons from you Texans. This is your top asset."

"For the most part, your Texas reputation has proven to be true. I have been disappointed, however, in a few things."

"Your cowboys, I have found, are quite scarce. I have met only one genuine cowpoke since I have been here. And if I were a Texan I wouldn't be caught dead without my Stetson hat."

"If I owned a filling station in Texas, I would be tempted

PAUL HADLEY, tourist consultant

to dress my attendants in cowboy outfits — maybe even six-guns. These are part of your fabulous Texas heritage and I would be proud of them."

"People who visit your state and particularly the 'top of Texas' (as Hadley prefers to call the Panhandle) expect to see such things. Don't disappoint them."

"In closing," Hadley stated, "let me urge you to support the Panhandle Heritage Foundation in its efforts. What Texan is not proud of

his heritage, and rightly so, for Texas has a fabulous history."

"The symphonic drama will tell this history in a most interesting and entertaining way," Hadley concluded. Completing his enthusiastic talk, the speaker related a poem, "The Man Who Delivers the Goods."

Hadley was introduced by Russell Carver, who pointed out something of the background of the speaker. Also visiting at the Rotary Club meeting was Mrs. Edith Eckhart, secretary of the Panhandle Heritage Foundation.

Former Resident Honored At Tea

Mrs. Glenn Brown of Tucson, Ariz., the former Miss Kay Barnard and a former resident of Hereford, was honored for a tea on Saturday afternoon, July 7, from 4:30 to 6 p.m. in the home of Mrs. Dale Tinnin, 217 Star, Hereford.

Refreshments of pink punch was served from the table laid with a pink cloth. At one end of the table was an arrangement of assorted fruit with pink as the predominant color. At the other end of the table was the guest book.

Hostesses were Mrs. Dale Tinnin and her daughter, Mrs. Charles Springer. Guests attending were Mesdames Hilton Higgins, B. Y.

Meeting Friday To Swap, Check On Cooker Gauges

By Argen Draper
Friday morning there will be a session for checking cooker gauges. It will be at the Bull Barn kitchen at 9 a. m. and will last until noon. You will be expected to help with the checking.

Also, if you have canning equipment — jars, or any other equipment, including cookers, come down and let's swap what we don't need for something we do need. I think it might be a good chance to buy a cooker or to sell one. Many times during the summer the office gets calls about things to sell. I think it will be fun to have an old-fashioned day of swapping.

There will be the latest bulletins in food preservation and pickle making so come down and get your copies.

This weekend the Arnold Hersheys were visiting in Hereford for the Progressive Community Reunion. Mrs. Hershey tells me they have about 700 turkeys and a lot of other poultry, including several hundred guineas.

After talking to Jessie Hershey, I thought of this news release from College Station that F. Z. Beanblossom sent us. It might give you some ideas and the sauce recipe is worth trying.

ing. I have eaten this on barbecue at large affairs at College Station.

TURKEY BARBECUE
Few can resist the succulent smell of golden-crisp summer turkey sizzling on the open grill or revolving on the spit. Barbecued turkey meat is excitingly new and tasty, and when cooked right it all but melts in your mouth, explains F. Z. Beanblossom, extension poultry marketing specialist.

Barbecues featuring turkey meat are easy to prepare whether for a small family picnic or a large community gathering, and any size turkey from 4 to 24 pounds can be barbecued, points out the specialist. He does recommend that the larger birds be deboned or disjointed and marinated several hours before barbecuing.

The secret to barbecuing is a slow cooking job. After the charcoal has turned a grey color, you are ready to put the turkey on the grill or spit, says Beanblossom. Place the meat on the grill bone side down, and after about 15 minutes, turn it

for the first time. Baste and allow about 10 minutes of cooking time before giving it the second turn. After the second turn, Beanblossom says to make the turns at 5 minute intervals and each time baste the meat with your favorite barbecue sauce. He recommends cooking until the desired golden-crisp color is obtained and cautions against puncturing the skin for such allows the tasty juices of the turkey to escape.

Now for that something special, Beanblossom suggests the use of a marinating sauce. He says to immerse the cut-up meat in a sauce consisting of 2 parts sauterne wine or lemon-lime fizz water, 1 part soy sauce, and 1 part peanut oil. Add lemon juice to suit the taste and garlic cloves if desired. There should be enough of the sauce to completely cover the meat. The specialist suggests leaving the meat in the marinade for at least two hours.

This same sauce, he adds, can be used in cooking whole turkeys on a spit. Just brush it frequently on the bird while it is cooking, he says.

Placing unconscious victim's hands on bank in proper fashion, she then climbs up and hauls him out.

Registration is currently underway for the American Red Cross Lifesaving and Learn to Swim courses at the Hereford Municipal Pool.

Pictured is one of the many things which students in lifesaving courses learn in their water safety training. In the "Learn to Swim" program for both beginners and those who have had previous swimming instruction, students are taught fundamentals and techniques of swimming.

American Red Cross urges all individuals to learn to swim, or learn to swim better. Only recently the value of water safety instruction was proved at the local pool.

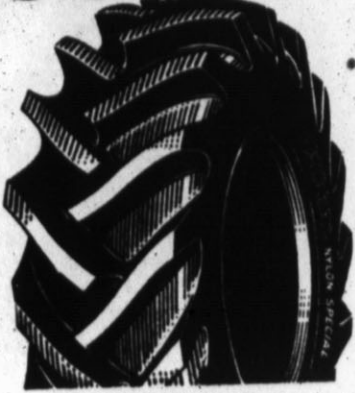

For advanced swimmers, the Red Cross offers Junior and Senior Lifesaving. There are eight qualified water safety instructors at the pool, who are registering students in lifesaving courses through Friday.

Registration for the learn to swim courses will also be held through Friday. Classes will be held July 16-27. During the first session of water safety instruction, almost 200 students were enrolled, with some 15 taking the lifesaving courses.

insurance plan" with its penalty points for traffic law violations and accidents goes out the window August 1.

State Board of Insurance bowed to legislators' demands that be greatly modified. But Board members felt it would be better to scrap the whole thing, and try to work out some other plan for later adoption.

Most Texans will find that the abandonment of the merit rating plan will cost them money. This despite the fact that insured Texas car-owners taken as a whole will pay \$10,000,000 less for car insurance in the coming year than they did this year.

However — two-thirds of the car owners — those who have been getting 20 per cent discounts because they have had no accidents or reported traffic convictions — will pay the full rates in the year ahead.

The other one-third — those who have been paying as much as 100 per cent extra because of bad driving records — will save substantially. They will pay the same rates as everyone else.

One factor in the decision to drop the plan was concern by members of the Board — and the insurance industry — over the increasing number of car owners who just were doing without insurance. Board members felt that to increase the penalties, which would have been necessary to maintain the 20 per cent discount for the "safe drivers", would drive even more people into un-insurance. This would have made the safe driving insurance plan even more out of balance statistically.

Because auto insurance rates are set by counties, and by types of cars and the age groups of drivers, it is not possible to say just what effect the rates will have. Local insurance agents soon will have the information.

SCHOOLS' ALLOTMENT CUT
State Comptroller Robert S. Calvert advised the Texas Board of Education that the Available School Fund's income for the 1962-63 school year should be \$197,058,604. The revenue is reaped from ad valorem taxes, poll taxes, interest on securities the school fund owns, motor fuel taxes, omnibus taxes and other revenue.

Board deducted \$8,737,536 to finance cost of purchasing and handling textbooks, and divided the balance between Texas' 2,387,234 children of school age.

So, the public schools will get \$78.50 per child next year; \$2 less for each than they were allotted in 1961.

While the 21-member board was on the subject of money, it passed a \$459,877,843 education budget for 1963, and offered State Education Commissioner J. W. Edgar a \$4,000 annual raise through federal funds.

Edgar "declined the honor," saying he felt his three assistants are more entitled to supplements since they are directly concerned with administering federal programs.

So, raises from \$11,000 to \$13,500 were voted for L. R. Graham, assistant commissioner of administration; Lee J. Wilborn, assistant commissioner for instruction, and M. A. Browning, assistant commissioner for vocational education.

Then the board agreed to ask the 58th Legislature to raise Edgar's salary of \$18,500 a year to \$24,000 when it convenes in January.

CREAM OF THE CROP
A preliminary glance at the Texas Education Agency's survey of 80,000 teachers revealed that the state's public schools system is getting the "cream of the crop" of high school graduates. Study chairman R. W. Byram of Austin said that new teachers came from the top 25 per cent of their graduating classes.

But the distribution of education specialists seems to be uneven: All teaching colleges in the state graduated a total of only 80 language teachers last year, and only 12 per cent of those who took mathematics education degrees plan to teach, so schools will suffer shortages in those areas.

On the other hand, there's an estimated surfeit of English and history teachers... almost all the college graduates who majored in those two subjects plan to teach.

"EXPATRIOTS" ON WAY TO DAKOTAS

Spindletop V. Spindletop and their children, Paysand and Cushie — a quartet of "geologist" prairie dogs — took a long trip to Bismark, N. D., where they'll take up residence at the Dakota Zoo.

The prairie dogs were a gift of Acting Governor Culp Krueger, who decided "to uphold the honor of Texas prairie dogs" by sending four of the best he could find after the zoo's president, Chris Daht, asked for some.

Krueger assured the zoo that "these prize prairie dogs will feel at home and will dig right in and endeavor to be worthy of their Texas heritage," in a letter claiming the animals have built-in advanced seismographic training which should help in North Dakota oilfield explorations.

to pay more and more to educate youngsters who attend the state's 32 public junior colleges, according to a report from State Auditor C. H. Cavness.

In the year ending August, 1961, they spent \$223.67 apiece on 23,150 full-time student equivalents, but the per capita cost leaped \$42.91 to an average of \$266.58 for each of 26,075 student equivalents — a total of \$6,951,000.

Although 37,175 full and part-time students are actually enrolled in the state schools, the legislature bases its appropriations on the total number of semester hours taken, divided by 15 (a full-time course load).

Biggest share of the current appropriation of almost \$7,000,000 went to San Antonio Junior College, which got \$775,750 for

its 3,323 student equivalents. Clarendon Junior College which has 113 student equivalents, was 32nd on the list with .58 per cent share of \$40,600.

"TAIN'T TRUE"
Railroad Commission Chairman William J. Murray Jr. surprised Capitol newsmen this week by issuing a denial of rumors about the East Texas Oil Field scandal before he even was asked about them.

He introduced, and then denied, a rumor that the Railroad Commission has provided the major oil companies with damageable evidence against independent operators through inclination tests, but said Attorney General Will Wilson has "changed the rules" by accepting contributions for directional tests from the big oil firms, and providing information for them.

Murray also refuted rumors that some crooked-hole operators were under his protection. He admitted that he has friends among those under investigation, but stated he'd granted no favors: "I swear that I have treated them alike — independents and majors — and will continue to do so," he added. He further stated that he has not accepted money for campaign expenses in any of the political races he's run since his 1947 appointment to the commission.

Regarding a year-long delay in investigating illegal well deviation in East Texas, Murray moaned, "Why didn't I suspect it earlier? I had too much faith in my fellow man."

BUSINESS BETTER THAN EVER
The seasonally-adjusted index of Texas business activity

rose to a new all-time high of 137.1 per cent in May, reported Dr. Francis B. May, statistician for the University of Texas' Bureau of Business Research.

High score reflects a seven per cent increase over April this year and a 12 per cent increase over May, 1961, according to Dr. May. He considers the sharp rise a potent reminder that the recovery from the 1960 recession has not yet spent its force.

Redbirds Tie For First In Decisive Weekend Victories

Hereford's American Legion Redbirds, acting more like avenging eagles, won two crucial

games here over the weekend, dropping Childress 18-4 and Palo Duro of Amarillo 26-6.

The local team entered the home stand tied with Childress for second place in the south half of District 18. It went a half-game ahead on Saturday and then trounced the league-leading Palo Duro team with an onslaught of hits to gain a tie for first place. Palo Duro and Hereford both had 6-2 records.

The wins sent Hereford into the three-day tournament in Amarillo that pitted first and second place finishers in a double-elimination meet.

In the first game, Hereford hurrier Ken Loerwald scattered six hits and went all the way in stifling heat to win.

Childress picked up two runs in the top of the first on a single and three infield errors.

But the Redbirds came back to pick up three runs and take a lead it never lost. Ronny Duncan singled, John Willoughby got on by fielder's choice that failed to get the runner. An error, a passed ball and a wild pitch let both runners in. Dan McDowell walked, stole second and came in on Larry Coffman's double. An error and a fielder's choice loaded the bases before the side was retired.

In the last of the second, Hereford picked up five more runs. With one out, Duncan walked, Willoughby doubled, McDowell singled and Eugene Green drove in three runs with a homer. Coffman singled, stole second, went to third on a ground ball and scored on a passed ball.

In the last of the third, the Redbirds added on three more runs. Jim Haney walked and, with two out, Willoughby tripled and McDowell homered.

Childress got its third run in the fourth inning on a home run by Anthony Shires. Hereford loaded the bases in the fourth, but failed to score.

Three more runs came in for

Hereford in the fifth. Willoughby walked and stole second and Coffman walked before Ken Loerwald homered.

Last run for Childress came in the sixth as Charles Mitchell homered.

But Hereford tacked four more runs on the scoreboard in the sixth. Gary Smith doubled, Willoughby singled, McDowell walked, Green singled and Coffman's ground ball drove in two runs.

Loerwald gave up six hits for four runs while walking three and striking out seven. Willoughby got a single, a double and a triple in four times up, McDowell and Coffman each had two for three and Green got two for five.

No Childress player got more than one hit.

Johnny Thornton started on the mound for Childress and pitched three innings. He was touched for 11 runs on eight hits while walking three and striking out three. Charles Mitchell pitched the last three stanzas for the losers, allowing seven runs on five hits while walking six and striking out four.

Childress also was charged with one wild pitch and four passed balls. Childress had two errors and Hereford had three.

The second game was even more lop-sided as Hereford slammed out 21 hits in a loosely-played contest.

Two errors as the game started got Palo Duro runners on base, but catcher Eugene Green fired a perfect peg to Ronny Duncan at third to catch the lead runner and enable Hereford to get the side out without a run coming in.

John Willoughby scored for Hereford in the first on an error after slamming a double.

Hereford really exploded in the second, getting seven runs on the same number of hits. John Buck and Mickey Stevens both singled before Jim Haney blasted a home run. Duncan walked, Willoughby singled as the runners moved around on two wild pitches and an error. McDowell singled and Green was hit by the pitcher. Coffman struck out but got to first on the passed ball as McDowell scored on an error. A double play by Palo Duro slowed the attack momentarily, but Buck and Stevens both singled again. A throw to second got Stevens as Palo Duro finally retired the side.

Palo Duro got its first two runs in the third. With one out, a single, two errors and another single brother in the two scores. But it was expensive as Palo Duro second sacker Jim Douglas injured his ankle. The All-State football and basketball player had hit two singles in as many trips before being hurt sliding into third base.

In the last of the third, Hereford was scoreless for the only inning of the game.

Palo Duro was retired in the fourth with no runs and the bases loaded.

Hereford added on six more runs in its part of the fourth. Coffman singled and went to second on a passed ball. With one out, Buck walked and Stevens singled. Haney walked. With two out, Willoughby and McDowell singled, and three runs scored on wild pitches.

Palo Duro got one run in the fifth on a fielder's choice, a single and two errors.

In the bottom of the fifth, Hereford made it 19-3, picking up five runs. Gary Smith and Gary Stagner walked, Mickey Stevens got on by catcher's interference and Jim Haney got on by error. Ronny Duncan walked before the first out, McDowell doubled and Green singled.

Floyd Burke homered for Hereford in the sixth, prior to a protest lodged by the Palo Duro coach on a call by umpire Jim Arney. However, the coach later indicated he would not follow-up with a formal protest.

Hereford batters finished out their day with a six-hit barrage for seven runs in the last of the sixth inning. Gary Smith singled, Gary Stagner lashed a double, Stevens singled and went to second on a wild pitch before

the first out was made. Duncan singled, Joe Coffman and Larry Minks drew walks and Green got on by fielder's choice that got Coffman at third. Larry Coffman and Smith hit back-to-back doubles to wind up the Hereford attack.

Palo Duro put together four hits for two runs in the top of the seventh. Included were doubles by Ralls and Burke and singles by Bober and Garrison.

Burke was the leading hitter for Palo Duro with a homer, a double and a single in four trips up. Mickey Stevens had the best percentage for Hereford with four singles in four trips up, three of the safeties on bunts. Willoughby and McDowell each had a double and two singles in four trips up. Larry Coffman hit two singles and a double in six times up while John Buck and Gary Smith each had two-for-two.

Palo Duro used four pitchers in a vain attempt to stem the hitting attack for Hereford. Included were Phil Bober, Dave Starker, Floyd Burke and Darrell Garrison. Collectively, they allowed 26 runs on 21 hits, walked 11 and struck out five.

Jim Haney went all the way for Hereford, allowing six runs on 12 hits while striking out two and walking three. Each team had six errors.

Whites Defeat Blues, 18-15, In Star Tilt

In a long AA Minor League All-Star game Saturday night, the Whites defeated the Blues 18-15. The Whites included players from the Senators, Orioles and Mets while the Blues were made up of players from the Cubs and the Angels.

An error allowed one White on base in the top of the first, but three strike-outs retired the side. The Blues picked up two runs in the first on four walks and a passed ball.

One walk let a White on base in the second, but two more strike-outs and a ground ball to first again kept the team from scoring.

In the last of the second, the Blues added on three more runs for a 5-0 lead. Alton Lamm singled, Steve Cavness got on by error, Kevin Young singled and Mickey Bishop got on by error. With one out, the Whites forced out a runner at third as Jim Rakestraw got on by choice. Percy Mays lined a double to left center before the side was retired.

The Whites took advantage of six walks and doubles by Ricky Adams and David Cortez to go ahead 7-5 in the third. Then the Blues came back to

pick up four more runs in their part of the third and regained the lead 9-7. They came on four walks, two errors and a single by Rakestraw.

Whites got four runs in the fourth and went ahead 11-9. A walk was followed by singles by Adams, Donald Hopson, Cortez, two more walks and two errors.

The margin narrowed by one run in the last of the fourth as Richard Sierra singled and moved around on two walks and an error.

In the top of the fifth, the Whites made five runs and widened their lead to 16-10. Greg Bainum doubled, followed by an error, a walk, a single by Cortez, a walk, interference and two more walks.

The Blues picked up three runs in the fifth as Mays singled, followed by two walks and a fielder's choice that got the lead runner. With two out, a walk and a single by Mickey Bishop picked up the last run.

Last two runs for the Whites in the sixth came on a single by David Campos, a walk and a double by Paul Hamilton.

The Blues could manage just two runs in the last of the sixth. Jim Rakestraw opened with a double, an error let another runner on but a fielder's choice got the lead runner at third. With two out, Alton Lamm and Steve Cavness put together back-to-back singles.

Ricky Adams pitched five innings for the winners, allowing 13 runs on seven hits. He struck out seven and walked 13. David Campos pitched the final inning. He allowed two runs on three hits, walked none and struck out none.

Jim Rakestraw started for the Blues. He allowed no runs and no hits, struck out five and walked one in two innings. Percy Mays, in his two innings, gave up 11 runs on five hits, walked eight and struck out four. Richard Sierra pitched the last two innings. He gave up seven runs on four hits, walked five and struck out none.

David Cortez was the leading hitter for the Whites with two singles and a double. Ricky Adams got a single and a double. Rakestraw, Percy Mays and Lamm each got two hits for the Blues, with Rakestraw and Mays slamming doubles.

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statemen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCHGOER and a daily BIBLE READER.

REP. WALTER ROGERS WRITES

Subsidies Are Old Stuff; Who Got All The Sugar?

TO THE PEOPLE OF THE 18TH DISTRICT

A review of history would reveal that the government has been engaged in the subsidy-granting business for a long, long time. In the early days of this country, between 1827 and 1866, the government granted 6,340,339 acres of public land to private interests for the purpose of encouraging canal building and river improvement; and, in addition thereto, granted free certain rights-of-way. The right-of-way, of course, were most valuable.

The government at that time also made contributions by direct appropriations, stock subscriptions, and loans to private canal companies. Between 1850 and 1871 some 183 million acres of Federal and State lands were granted to railroads. Millions upon millions of dollars have been assigned by the Federal government to ocean and air mail subsidies to foster the development of transportation in the same manner as railroads and waterways had been supported in earlier years.

The first mail subsidy was paid more than 100 years ago, in 1845. Millions of dollars have been used to subsidize the building of ships on American ways. In fact, only a few years ago \$40 million was paid in the nature of a subsidy to help construct the private luxury liner, the USS United States, that plies between this country and Europe. The total cost of that ship was \$76,800,000.

Hence, the government subsidy was more than the money invested by the private corporation. In the early days the subsidy mechanism was intended to be employed for the purpose of expanding transportation, encouraging foreign trade, fostering domestic industrial de-

velopment, and so forth. However, since the turn of the century, subsidies and subsidy-like programs have multiplied to such an extent that their impact is felt by virtually all elements in the nation's economic structure. Probably the most publicized and widely advertised of government programs seems to be the agriculture program.

However, it would be very well for those who are interested in the subsidy programs to take a look at the entire picture. The last compilation on the subject indicates government subsidies to business running well over \$1 billion per year; subsidies to labor running well over \$300 million per year; and subsidies to homeowners and tenants running some \$40 million per year.

These subsidies consist of everything from shipbuilding differential subsidies to accelerated tax amortization, to highway construction, to negotiating government contracts, to free services furnished by many of the boards and bureaus, to credit guarantys and direct loan programs, to airport grants, school lunch programs, and on and on.

It seems that there is some kind of subsidy for every segment of our economy. These subsidies have been expanded primarily due to the demands of the people who are receiving them that they be increased, plus the demands of those who are not receiving subsidies that they be included in the handout. The primary reason that they have reduced is that everyone is most anxious to have the other fellow's subsidy cut and

his own increased.

WHO GOT THE SUGAR?

As I have pointed out in previous newsletters, the sugar fight has been a long, tough and arduous one — tough and arduous because it involved money in the amount of \$500 million paid out by Americans each year for imported sugar. My father once told me that if you want to see the real color of a man's eyes, start fooling with his pocketbook. The truth of this statement was certainly proven in the sugar battle.

For more than ten years we have been fighting this battle in an effort to get more sugar produced by our own farmers. The going was slow and frustrating, because it is not easy to fight that kind of money. Nevertheless, our efforts were never relaxed and each year we made a little headway.

Actually, we have won a victory this year in that we have finally broken the rigid limitation that had been placed on domestic producers. Although we did not obtain the amount of sugar to which the American farmers are entitled, we did gain enough to open the door and make it possible for private enterprise to move in and build some more sugar mills in this country.

If these people meant what they said to me and others during this fight over the years, they will move forward quickly toward building a mill in the Panhandle.

My vote was cast against the sugar bill in its final form because, although we did gain ground as pointed out, we did not get all that we were entitled to and I shall continue my fight until that time comes. It would seem that the boys who really got the "sugar" were the lobbyists for the foreign countries. It seems that some \$500,000 has been paid out in lobbying fees by foreign countries for participating in the American

domestic sugar market. The whole situation reminded me of a story being told at the time Jack Dempsey was defending his title against the South American Louis Firpo, "The Bull of the Pampas." Tex Richter, one of the great promoters of history, was handling the bout. There was much conjecture as to who might win. Mae West, who was then in her prime as a movie actress, was asked at a news conference, "Who do you think will win the Dempsey-Firpo fight?" She replied, "Tex Richter."

C of C SCOUT 'Deaf' Smith Says

TO: The Spirit Of General Sam Houston
FROM: The Spirit Of Erastus "Deaf" Smith
SUBJECT: Scouting Report On My Chamber of Commerce

Sam, the subject of community spirit came up at a recent meeting of one of the Chamber of Commerce committees. The question was raised as to whether the spirit that built Hereford in the past still exists today. The suggestion was made that perhaps here in Hereford and in Deaf Smith County we have become "Fat cats", that we don't have to hustle for business and growth.

It is true that, measured by the standards of many towns of Hereford's size and agricultural economy, business and growth has been far above the average. According to the Texas Almanac there are 264 counties in Texas. Of these only 16 had a population in excess of 100,000 in 1960, only 13 in 1950. Of the 250 counties which had less than 100,000 population in 1950 only 90 showed an increase in 1960. In 1950 there were 95 counties with a population under 10,000 Deaf Smith being one of those. Of those, only 32 showed an increase and of those 32 my county was only exceeded in growth by Andrews and Calhoun counties, both due to oil booms.

The old spirit of "let's all get the job done" and "what can I do to help" may be submerged in the growing community that we have here; but I believe that the spirit still exists. The tremendous job that has been done over the past three years by Jimmie Witherspoon, Lee Benefield, Henry Sears, Hank Williams, Palmer Norton and many others in the field of sugar legislation is evidence enough that unselfish and persistent effort still is a characteristic of my county. It may be that we have lost contact with the people in our retail and service establishments because our businesses have grown. We have few of the old stores run by one person. We have retail clerks in our stores

who are new to our community in many cases. Perhaps the most important people in town in radiating the spirit of Deaf Smith County are the people who meet the travelling public. The service station attendants, the cafe waitresses, the hotel and motel operators are Hereford's best potential ambassadors. If they are enthused about Hereford and Deaf Smith County they can do more to insure its continued growth than any other group. Perhaps we need to do a better job in seeing to it that they know the facts about our area.

I wonder how many know the population, the elevation, the average annual rainfall, the average July or January temperature — or know where to find out? How many know what the biggest cash crops are? How many know who Deaf Smith was? How did our county get its name? These are things that tourist are interested in. A friendly, informed service station attendant, enthused with his work and his home, can sell the travelling public on our area and might even be talking to the owner of a potential industry.

And speaking of community spirit it was noted recently that there is nothing at the airport, from the Flyer's viewpoint, to identify it as belonging to Hereford. The sign at the highway entrance is for the motorist, not the flyer (at least if he is flying according to regulations). Wonder if my Chamber of Commerce or the City couldn't put a big "Hereford" on the hangar roof or on the ramp and a bulletin board type sign alongside the administration building with some facts and figures for visitors. I wonder, too, why the public telephone is such a well-hidden secret. It is carefully enclosed in a metal box on the outside of the building with no sign or any other label to indicate what might be inside. Many people of importance to our community get their first impression of us at the airport. In recent weeks a candidate for Governor, a very important industrial prospect, and other people who specifically came to

Hereford were not just passing through on their way to someplace else as they do on the highway — have landed at the Hereford Municipal Airport. I think this is a good place to put our best foot forward.

Sam, this has been more of a commentary than a scouting report on the activities of my Chamber. It is necessary to do a little evaluation of more than just the Chamber's work because that work is, to a degree, reflected in community attitudes and events.

Officers Installed By Hereford Team

The installation team of the Hereford Rebekahs, led by District Deputy President, Mrs. Ada Hollabaugh, made a trip to Dimmitt on Thursday, July 5, to install the newly elected slate of officers. The team consisted of Mesdames Ursalee Jacobsen, Alta Davis, Lydia Hopson, Naomi Murrell, Nellie Beauford, Ruby Virden, Jackie Bishop and Leona Love. Officers installed were Lucille Dollar as Noble Grand and Peggy Massengale as Vice Grand of the Dimmitt Rebekahs. Plans were made for a joint installation of officers of the Hereford Rebekahs and the Hereford Oddfellows to be held on July 9 in the Hereford I.O.O.F. Hall. A salad supper was served following the installation by members of the Dimmitt Rebekahs.
