Call \$775,000 School Election

Around Town

From some rumblings, it sounds as if the sugar beet business is about to enter its final phase. Hearings on sugar legislation will start on Tuesday, May 15, in the House Agricultural Committee with a few representatives planning to attend. The extension on the Sugar Act runs out June 30 and something will have to be done soon. Some compromises are being worked on, with aid coming now from other states.

Ford Community will have a pie supper on Saturday, May 12, starting at 8 p.m. in the Ford School. Each family is to bring a pie. Ford H. D. Club will provide coffee and soft drinks. Everyone is invited to attend.

Tryouts for the American Legion baseball team will start Monday, May 14, at the high school diamond, beginning at 6 p.m. Boys from 15 through 19 (if their 19th birthday comes before Sept. 1, 1962) are eligible. Rocky Lee will coach the team with Johnny Haney serving as manager.

We have heard a lot of nice comments about the picture Gardner Collins took of the Courthouse when it was named Beauty Spot of the Month. But you should also take a look at some of the others that were considered. Included are: Charles Hoovers, 301 Sunset; Ernie Flippus, 137 Sunset; and Roy Jewell, 809 Lee.

Pioneer Study Club will honor Mrs. Matt Gilliland at a meeting Tuesday, May 15, starting at 9:30 a.m. in the Community Center. Mrs. Gilliland is the only remaining charter member of the club. The club will honor her with a book presentation to the county library and a book for her. (Continued on page 3)

City Takes Care Of Large Agenda

In a lengthy meeting held by the City Commission here Monday, commissioners took bids on aviation gas, rejected a request to lease the Hereford Municipal Airport, and purchased 17.3 acres of land.

During the two-and-a-half hour session, Emmett Milburn also met with the Commission to discuss alleged damages resulting from the issuance of a moving permit.

Three bids on aviation gasoline were received by the Commission with the low bid of 25.73 cents per gallon for 80 octane and 27.73 cents per gallon for 100 octane gasolines from the Shamrock Oil Co. being accepted.

Also bidding for the service to the Municipal Airport were Texaco with a 27 cent per gallon bid

Juniors Honor Seniors During Annual Banquet

Almost 300 juniors and seniors at Hereford High School will attend the annual Junior-Senior Banquet in the high school cafeteria Saturday night.

Wrapped in shrouds of secrecy, the affair is given annually by the junior class to the graduating class. Theme for the banquet is kept secret until the seniors enter the doors for the affair.

Highlighting the year for both classes, the banquet is financed by the junior class. The formal affair gets underway at 7:30 p.m.

Each year outstanding members of the senior class are honored during the program. Honored guests will include school officials and outstanding members of the community.

TWO ACCIDENTS OCCURRED at the intersection of First and Main Streets within an hour of each other. The first of the series was only a minor collision but the second heavily damaged two vehicles. The 1959 two-door sedan (left) driven by Betty Carl Riddle, 32, 133 Beach, received approxi-

mately \$175 worth of damage as it was struck by the 1960 two-door sedan driven by Ruby Evelyn Byrd, 28, Arlington, Va. The Byrd vehicle received \$250 in damages. Mrs. Byrd was cited for failure to stop for a red light after the second wreck Monday. (Staff Photo)

City - County Meet Called To Discuss Fire Charges

A rift between the City of Hereford and Deaf Smith County over fire protection and payment for out-of-city calls appeared to widen as the matter came up again Monday before

the City Commission. Following the Commission's action, a special meeting between city and Deaf Smith County officials was set for the regular meeting of the Commissioners' Court on Monday, May 14.

The meeting of the two Commissions was scheduled Tuesday with the hope that the two governing groups would reach a satisfactory agreement concerning fire protection costs.

During the past two months both Commissions have made proposals and counter-proposals on the share of the cost to be paid by the county.

Initial action on the question came as the county was notified that protection costs had increased due to the jump in the number of fire calls answered outside of the city limits during 1961.

County Commissioners first expressed dissatisfaction as the costs increased approximately \$200 a month over those paid during 1961.

However, the number of calls made outside of the City Limits by the Hereford Volunteer Fire Department during the year jumped from approximately 33 per cent in 1960 to 46 per cent in 1961.

Reception Good; Foreign Signals Jam Television

Television signal reception was good in Hereford Tuesday night, but "foreign" signals kept jamming an area TV station.

The trouble kept area viewers from seeing several of their favorite programs plus the 6 p.m. news and weather broadcast from one of the Amarillo stations.

Atmospheric conditions combined to cause a "freak condition" that bounced and skipped signals into the area "jamming" the station's signal.

Normally a TV station can only be picked up within a 100 mile radius, but Hereford sets were picking up stations in Florida.

Among those received were Jacksonville, Pensacola and Gainesville, Fla., plus Charleston, S. C., and two or three others on channels 2, 3, 4 and 5.

Under the terms of the contract, it has been pointed out, the county is liable for the maintenance and depreciation of only one truck. Cost of ad-

(Continued on page 2)

Herd Plays Last Game On Friday

Hereford High will play its final game of the season here at 4 p.m. Friday, May 11, taking on the Levelland Lobos.

The Whitefaces fell to Dumas last Saturday afternoon to lose any hopes of dethroning the Demons. Dumas made it icing on the cake Tuesday by defeating Levelland 3-1. That gives Dumas a 6-2 record for the district competition, Hereford is 3-4 while Levelland is 2-5 with both its wins over Hereford.

Coach Willie Williams announced that he will start a 11 eighth of his seniors Friday, with one underclassman filling out the team. He did the reverse here Tuesday as the sophomores and juniors managed to edge past Levelland 6-5 in an eight-inning thriller.

Playing their final game for Hereford High School on Friday will be Mickey Stevens, Gary Kendrick, Drew Ker-shen, Ken Loerwald, Dan McDowell, John Buck, Joe Mack Hale and Bill Nelson.

In Tuesday's game, Hereford pounded out nine hits including six for extra bases to offset five errors. Nazareth had six singles and just three errors.

The Swifts scored first on an error, a walk and a single. In the last of the second, Hereford tied it up with a fielder's choice and a double by James Otts.

In the third, Nazareth went ahead 4-1, using two errors, two singles and a bunt to score a trio of runs.

Nazareth added on another run in the fifth on a walk and two singles.

Hereford closed the gap in its part of the fifth, marking up three runs. Eugene Green doubled before Richard Casas and Jay Boynton singled. Another double by Otts drove in the final run.

Jim Haney's home run with one out in the seventh tied the game 5-all and sent it into an extra inning. Nazareth got runners on first and third but

(Continued on page 2)

Committee Views School Expansion

More than half of the Citizens' Study Committee saw plans Monday night for expansion of Hereford Rural High School District facilities. In general, they agreed with the plans, which were shown them during a 90-minute meeting.

Trustees said they planned to call for a bond election on May 26. It would be for \$775,000, they said.

Board president, Dr. L. B. Barnett, opened the meeting with an expression of appreciation for work done by the committee during its two months of study and recommendations. "The Board took your recommendations and worked from there," he said.

Dr. Barnett pointed out that the trustees had used school census reports, birth rate and

the "Blanton Report" to project its thinking for five years. He said that it appears that school enrollment, now above 3,000, will be about 5,000 within five years.

Taking each project in order, Superintendent Paul Stevens said that the elementary committee had recommended completion of Northwest Elementary School. Included in plans for the school are an administration area, an all-purpose room with cafeteria, gymnasium and stage to handle as many as 1,000 students, 16 regular classrooms and one special classroom. Also included will be more restrooms, small library, storage, and teachers' work area.

Plans are designed, he said, so that eight more classrooms could be added at a still later date.

He said that the high school committee had recommended 12-15 additional classrooms, more laboratories, expanded vocational program and more physical education facilities.

Plans for this building include a two-story addition on the north end of the building. The first floor would include six regular classrooms. On the second floor would be a chemistry lab, a physics lab, one regular classroom and one language classroom.

Present labs, he said, would be converted into general science and biology labs. The new labs would be equipped to handle 24 students and could be expanded later to handle a total of 32 each.

South of the present gym would be a sewing lab for the homemaking department, with the present homemaking area converted into more cooking facilities.

At the east of the present gym, an addition would include physical education and health facilities for girls. This would include

Four Students Take Honors In Industrial Arts

Four high school industrial arts students took first place honors at the annual West Texas Industrial Arts Fair in Canyon over the weekend.

Competing with entries from throughout the Panhandle and as far south as Lubbock, the students combined to take second place in total points for the school.

Winning first place in Woodworking II with a maple dining table he constructed was Gary McKee. William James was awarded first place for his leather rifle scabbard in the tenth grade leatherwork division.

John Bob Drake earned first place in Crafts II with a plastic penholder set that he fashioned. Awarded the first place honor in art medal was Ken Loerwald for his work on an aluminum tray.

Hereford boys also earned three seconds and a third at the fair.

Winning second for senior leatherwork was Dickey Mason with his billfold entry. Richard Culp took second place in Crafts II with a plastic gavel which he carved on the lathe. Norris De-Vall won second place in tenth-grade leatherwork with a rifle scabbard.

Winning third place in tenth-grade leatherwork was Tim Gallagher. His entry was a picture carved in leather.

All entries were completed in industrial arts classes at Hereford High School, sponsored by Alvin Smith and Harvey Penner. Winning entries and other projects done in the classes will be on display in the annual Hereford High School All-School Exhibit, which is slated for Monday night, May 14.

Other students entering the Industrial Arts Fair at Canyon included Albert Scumbato, Stan Kropff, Neal Lueb, Jim Haney, Joe Coffman, Gary Tyler, Bud Thomas, Larry Carlson and Dan Wall.

(Continued on page 2)

As expected, members of the Hereford Rural High School District board of trustees called for a bond election on \$775,000 during its meeting Tuesday night. The election will be held on Saturday, May 26.

During a meeting with the Citizens' Study Committee Monday night, reviewing planned expansion of school facilities, the board was presented with a petition asking for the election.

The petition was checked Tuesday night and found to be in order, with 37 signers. The petition needed only 20 signatures to be valid.

Following a conference with the school's bond advisor, the board passed an order calling for the election and outlining the maximum interest rates and method of repayment. The bonds, if approved, will be payable over a period of 15 years at a rate not to exceed four per cent per year interest.

Polling places will include the school tax office and Dawn School. Robert Veigel will be presiding judge at the Hereford box, with Lisle Woodford, Nona Jewell, Mrs. Urlin Streu, Mrs. J. S. Solomon and C. Ora Cockerell as clerks.

Mrs. H. V. McCabe will be in charge of voting at Dawn, assisted by Mrs. C. C. Stewart and Mrs. Bertha Frye.

Included in the planned project is a major expansion of Northwest Elementary School, four additions to the present high school facilities and a public restroom-physical-education-field house building.

Plans approved by the board, and shown to the Citizens' Study Committee Monday night, call for the addition of 17 classrooms at Northwest Elementary School, 16 for general classes and one special classroom. Also included at Northwest would be a large multi-purpose room to be used as a cafeteria, gymnasium and auditorium. There would also be some change in the administrative facilities, plus a small library, more restrooms, storage and work area.

Included at the high school would be a two-story addition north from the present building. It would include six classrooms on the first floor, with two

(Continued on page 2)

Two Prisoners On Work Gang Make Escapes

Two Hereford men serving out fines and sentences on the county work gang disappeared within three days. The escapes were not discovered until checks were made of the prisoners as they returned to the County Jail.

Failing to return to the County Jail Saturday after claiming to be sick was Gene Oakley, 20, 208 Jewell. The man was serving out a \$219.50 fine for petty theft.

He had been charged and convicted of petty theft. The stiff sentence was handed down during his trial in County Court, Judge H. C. Williams presiding. The second man to leave the work gang disappeared Monday. He was Dub Taylor, 27, 203 Catapa. The Negro man was also discovered missing after a check of the prisoners.

Taylor had been found guilty of a misdemeanor, swindling with a worthless check offense and sentenced to 20 days in the county jail plus \$27.45 in court costs.

The Sheriff's Office was also holding the man for Levelland.

List Five More Minor Squads

An additional 100 boys started playing baseball this week after five more Minor Leagues were formed here. The AAA minors, whose their squads from those not selected earlier by Little League majors and minors.

The AAA minors will start playing Monday, May 14, after a brief practice period. They will play early evening games on a field to be laid out adjoining the present Little League field.

Little League president Rocky Lee announced the following coaches and team assignments:

Senators, coached by Gerald McCaskill, Gordon Thurman and Ernest Adams; David Adams, Danny McCaskill, Randy Clements, Louis Pacheco, David Collins, Pat Stone, Ricky Adams, Jim Thurman, Mike Stone, Tommy Bezner, Marty Childers, Jimmy Christie, Herbert Lovan, Larry Payne, Ken Laing, Donald Hops-on, and Lyndon Reiger.

Orioles, coached by Dennis Sims and Burnie Ranne; Terry Scott, Dan Hardy, Gary London, Rodney Neil, Tommy Koelzer, Bruce Barrett, Richard Barrett, Larry Mott, Anthony Scheetz, Terry Armstrong, Gary Fitzgerald, Jody Gutierrez, George Pacheco, Clayton Sims, Jackie Evans, Joe Childress, Mike Young, Gary Cole and Craig Baunum.

Angels, coached by C. E. Leasure; Larry Lomas, Steve Leasure, Andy Mays, William Nation, Joe Williams, Dwayne Warren, Mike Dawson, Howard Livesay, Carl Brown, Kevin Young, Mike Brumley, Donald Epps, Ray Leasure, Marsh Pittman, Danny West, Percy May, Dare Wiggins, Wesley Carter and Ramon Garcia.

Mets, coached by Bill Brady; Truitt Brady, Gavas Garcia, David Owens, Lee Williams, Edwin Evans, Larry Blankenship, Joe de la Vega, Brent Combs, Jerry Don Babers, Marvin Smith, Walter Olson, Lewis Aven, Mike Moreno, Edward Scott, Rudy Hamilton, Richard Meacham, Gary Riddle and Joe Bob Darden.

Cubs, coached by H. A. Tuck and Bill Nelson; Bruce Babone, Bruce Battey, Chuck Cogdell, David Debord, Wayne Wilson, Allen Brooks, John Steven Wilson, Mickey Bishop, Alton Lamm, Tony Carter, Devin Darris, Steve Cavness, Lester Mays, Thomas Scott, Terry Battey, Terry Tuck, Ken Gearn, David Campos, Jim Rakestraw and Mike Beauchamp.

GENERAL OUTLINE of King's Manor retirement home in Hereford is beginning to be seen as brick walls go up. A spokesman for Knox and Gailey, Lubbock contractors who are building the structure, said that good weather had enabled them to go ahead of schedule. After a stone "bell" is laid, bricks will be used to complete the exterior walls. (Staff Photo)

Around...

A Public Relations Classroom Teachers' meeting will be held at Altkman School Cafeteria at 7:30 p.m. Monday, May 14, with the public invited to attend. Guest speaker will be Mrs. Elizabeth Little of Corpus Christi, president of the Texas Classroom Teachers' Association. She also will install 1962-63 officers for the Hereford group.

The Bud To Blossom has extended an invitation to the public to attend its flower show on Friday, May 18, from 3-7 p.m. in the Hereford Community Center.

Sam Phillips is one of the nicest men in Hereford. He really works hard for the school and serves as scorekeeper-sta-

tistician for the football, baseball and basketball teams. Last Saturday night he wandered into the Brand office to find out how the elections were coming along. He stayed to drink a cup of coffee and ended up working a couple of hours, helping us tabulate and post the results as they came in. We really appreciate his help and invite him back again for the run-offs and for the general election.

Grand Ole Opry Show will be in Amarillo on Thursday, May 17, in the City Auditorium at 8 p.m. Proceeds will go to the Panhandle Firemen's Association to help pay for the new fire truck being donated to Boys Ranch.

By the way, that fire truck will be delivered Saturday, May 12, with about 500 firemen from

the Panhandle and South Plains going to the Ranch for the day. Dedication will be about 1:30 p.m.

All model airplane enthusiasts in the area are invited to enter a contest at Amarillo Air Force Base on Armed Forces Day, May 19, with entry deadline May 16. There will be three awards in each class: those under 16 and those 16 or older.

Texas Tech Day will be observed here on Friday, May 11.

ANOTHER DOUG MILLS
GALESBURG, Ill. (AP)—Twenty-one years ago when Culver (Coke) Mills, former University of Illinois cager, named his first child Doug after the Illinois football and basketball player who now is its athletic director, he had fond hopes his offspring could duplicate the varied athletic talents of his namesake, Doug Mills.

His hopes have been more than realized. Young Doug Mills is making sports history at Illinois. He'll be the first since Tom Haller to win letters in three major sports in one school year, provided everything goes well. He's already won his first football and basketball monograms and this spring should earn his third in baseball.

ACES AFTER 25 YEARS
WHITE SULPHUR SPRINGS, W. Va. (AP)—Emory Hutchison of Washington, D.C., scored his first hole-in-one in 25 years of golf on the 163-yard 18th hole of the Old White Course.

COACH GETS AN ACE
PHOENIX, Ariz. (AP)—Brophy Prep golfer can legitimately say their coach taught them how. While the high schoolers were easily winning a four-way match, their coach, the Rev. V. J. Doherty, was firing a hole-in-one. He was playing with the other three golf mentors.

NAMED FOR COL. HANSON
MACOMB, Ill. (AP)—Ray (Rock) Hanson's name is a namesake at Western Illinois University. He coached football, baseball and basketball in 1926, his first year at the school.

The football team is called Leathernecks after the retired Marine colonel, Hanson Field was named in his honor. Rock became his nickname because of his association with Kmetz Rockne.

GIRLS LIKE UNIFORMS
NEW YORK (AP)—Girls in Roman Catholic high schools overwhelmingly favor the wearing of school uniforms, Sister Marie William writes in the Catholic Educator. Her findings were based on studies in seven communities.

SLOWEST WINNER
LOUISVILLE, Ky. (AP)—Stone Street, who won the Kentucky Derby in 1908, is credited with running the event in the slowest winning time in its history. Stone Street covered the mile and one-quarter in 2:15 1/5.

BASEBALL?
HAMILTON, N. Y. (AP)—The most runs scored by a Colgate University baseball team came in a 31-8 victory over Bucknell in 1960. Colgate's worst defeat was 27-3, at the hands of Holy Cross in 1939.

RETURNS HOME
Ray Suit has returned to his home in Hereford after a stay at Baylor Hospital in Dallas where he underwent surgery recently.

OUT-OF-TOWN VISITOR
Dennis Brillhart of Gruver was a visitor in Hereford recently.

HEREFORD VISITOR
Mrs. T. D. Johnson of Houston is a visitor in Hereford.

at 7:30 p.m. in the Hereford Community Center. Donald Shipley, president of the Tri-County Tech Association, is inviting all exes from Deaf Smith, Parmer and Castro counties to attend.

Spring concert for Stanton Junior High and Hereford High School bands will be held Tuesday, May 15, at 7:30 p.m. in the high school auditorium. Proceeds will be used to help pay meal and lodging costs for the high school band's trip to Dallas for the Cotton Bowl parade Jan. 1, 1963.

Hereford High's last baseball game of the year is slated for Friday, May 11, at 4 p.m. on Whiteface Field.

We started coaching a Little League team this week. And freely admit the finer points are really like Greek. We can use some help, a few good adult volunteers. Otherwise, we'll have to pull fathers out... by their ears!

City...

(Continued from page 1)
The zoning regulations concerning storage for liquified petroleum gas within the city limits were also discussed. Present regulations prohibit its storage and manufacture at the present time.

The discussion has resulted from a request for a waiver from Consumer's Fuel which installed a new storage facility. Without the waiver, the firm is unable to operate the facility since the Railroad Commission will not issue a license.

It was pointed out that such installations are allowed in other cities since they are regulated by the state commission and must meet rigid specifications. Commissioners recommended that a proposal to amend the zoning ordinance be submitted at the next regular meeting for consideration.

The purchase of 17.3 acres of land along the Tierra Blanca Creek from Ed Bull for \$6000 was also considered and approved by the commissioners.

In a discussion on the City-County fire contract, it was noted that the 1962 rate was not being paid. The Commission instructed the City Attorney to notify the county that the contract would be terminated within 30 days if the terms of the agreement were not met.

A request for a rehearing on the zoning of her property by Miss Frances Dameron was denied.

County...

(Continued from page 1)
ditional equipment for the department is paid for by the City of Hereford.

As the county voiced its dissatisfaction, the City Commission asked for a firm proposal on what county officials would consider as fair payment.

The county then proposed a payment of \$3800 a year which was turned down by the city officials. In rejecting the offer, the city expressed the belief that the present contract was the fairest means of assessing costs.

In the action taken Monday at the City Commission met in regular session, the city attorney was instructed to notify the County Commission that if the amount prescribed in the contract was not paid, the contract would be terminated within 30 days.

The action came as Dudley Bayne, city manager, told Commission members present that "the County Treasurer had been instructed by a County Commissioner" to pay the 1961 rate.

It was learned Wednesday that payment of the old rate was verbally authorized by

Bayne answered that it was not.

(Under the terms of the present contract and based on the number of fire calls answered from Feb. 1, 1961 to Jan. 31, 1962, the county's share of the cost is \$6511.39, payable at \$542.62 a month. Payment last year was about \$352 a month.)

The city manager was questioned as to whether the contract was still in force and what the difference in payment was.

The contract is still in force, he told the Commissioners, and the difference in payment is approximately \$200 a month.

It was emphasized during the discussion on the question that cost was not the main consideration as far as the Commission was concerned. The "principle of the matter" was in abiding by the terms of the contract. It decided.

As a result of the meeting and the action taken Monday, the meeting of the two commissions was set to reach an agreement on fire protection costs.

Call...

(Continued from page 1)
classrooms and two laboratories on the second floor.

South of the present gymnasium would be additional home-making facilities. On the east of the gymnasium would be added a girls' physical education area, with classroom and individual dressing and shower facilities.

The present vocational agriculture building would be expanded to provide wood, metal and automotive shops and classrooms, with some changes in the

Views...

(Continued from page 1)
clude a classroom and individual dressing and shower stalls. Present girls' dressing room would be used by boys.

The present vocational building would be expanded to provide two room classrooms and two more shops, for wood working, metal working and mechanics.

The present vocational building will be altered slightly to provide better vocational agriculture facilities.

Final portion of the program would be public restrooms, physical education facilities and a field house near the present baseball diamond.

Stevens explained the board had decided to move the football bleachers and lights this summer, using money saved from the current operating budget. He said that the north wing proposed for the high school would eliminate the present wooden field house, coming within about 20 yards of the south goalpost.

He showed a sketch of each of the proposed building additions.

In answer to a question, Stevens said the board had rejected the idea of placing the restrooms and field house onto Northwest Elementary. Main reason, he said, was that the restrooms would be built from concrete block and would be cheaper construction than the additions at Northwest. Another reason, he said, was that attaching the structure would make the restrooms too far from the field and outside the fenced area of the field.

In round numbers, Northwest School would be expanded from 220 presently to room for 600. The High School, with about 450 now, would have room for about 1,000. The present high school enrollment does not include the ninth grade, which will be moved into the high school next year.

In answer to a number of questions, the following points were brought out: Administration costs at Northwest would go down, since a principal, part-time assistant principal and secretary could handle up to 1,000 students.

The ninth grade is being moved into high school for two reasons. One is because of crowded conditions at junior high. The other is because the junior high schedule is "locked" because of ninth grade requirements.

Stevens explained that the \$775,000 estimated cost includes equipment "ready to have school".

County Commissioners at the last meeting in order that fire protection for the county would continue.

The commissioners at the meeting, said R. Donald Hicks, a county commissioner, agreed verbally to pay the old rate for fire protection until a new agreement with the city could be reached.

As the subject was brought up before the City Commission, Bayne was asked if the payment received by the city was the new rate under the terms of the contract.

Bayne answered that it was not.

(Under the terms of the present contract and based on the number of fire calls answered from Feb. 1, 1961 to Jan. 31, 1962, the county's share of the cost is \$6511.39, payable at \$542.62 a month. Payment last year was about \$352 a month.)

The city manager was questioned as to whether the contract was still in force and what the difference in payment was.

The contract is still in force, he told the Commissioners, and the difference in payment is approximately \$200 a month.

It was emphasized during the discussion on the question that cost was not the main consideration as far as the Commission was concerned. The "principle of the matter" was in abiding by the terms of the contract. It decided.

As a result of the meeting and the action taken Monday, the meeting of the two commissions was set to reach an agreement on fire protection costs.

courses open to the public for tuition next year, and some method of issuing parking stickers to the high school students.

First year teachers approved for one-year contracts for the next term included: Jean Colvard, James Hickley, Charles Holt, Sue Ward, Lucille Park, Martha Olsen, Mrs. Ray Todd.

Rosemary Shook, Wesley Hopp, Mrs. Catherine Gipp, Wyatt Harman, Rose Bullard, Edna Hennigh and Ray Hennigh. A one-year contract for Wendell Maloney also was approved.

New teachers approved for contracts for the 1962-63 school year included: H. D. Yarborough, junior high teacher and coach; Donnie Blankenship, junior high teacher; Melba Michael, Central; George William Michael, assistant principal at Shirley; Phyllis Blankenship, Northwest; Mrs. Charles Bell, Shirley; and Ray Clay, principal and teacher at Dawn Schools.

Superintendent Paul Stevens reported that enrollment as of

Tuesday was 2796, compared with 2689 the same day in 1961.

The board approved a general policy drafted by the tax office for collection of delinquent school taxes. It includes Small Claims Court action on personal property, letters and court action on other back taxes.

An advanced course for high school English was tabled for additional study.

THE RIGHT MAN FOR YOUR INSURANCE NEEDS

I wish to take this opportunity to thank you folks who voted for me last Saturday.

I will always be indebted to you for your support. Many have asked what my intentions are now, as I did not make the runoff.

I am always concerned about good Government, and will work and support BILL CLAYTON in the runoff because I believe he is the best qualified to represent us in Austin.

Again, I thank you for your support.

W. T. "Bill" MILLEN

Demons Win Baseball Title With Rally In Fifth Inning

Dumas won its seventh consecutive athletic title in District 1-AAA as Hereford experienced one nightmare inning on the Demons' home field Saturday afternoon.

Hereford, after faltering in Levelland, looked like it might pull back into a tie as it picked up single runs in the first, fourth and fifth innings. But the Demons put together a rally that resulted in five runs in the fifth on four hits and two errors.

That gave Dumas a 5-2 mark and the title outright, even if they had lost at Levelland Tuesday. Hereford has a 3-4 mark in district play with the final game slated for 4 p. m. Friday, May 11, here against Levelland.

Hereford opened up like it meant business as Ronnie Duncan walked, stole two bases and came in on a fielder's choice by Eugene Green.

Dumas got runners on in the first with a walk and a single, but neither could score.

Joe Mack Hale got on by error for Hereford in the second but was stranded on third as the next two batters grounded out. Dumas' first batter in the second was hit by the pitcher, but the next three were out to retire the side.

Hereford went down in order in the third. In the last of the third, Dumas put runners on with a walk and a single, again, but still couldn't score.

Two hits gave Hereford another run and a 2-0 lead in the fourth. Green opened with a double. With one out, Buck was safe on a fielder's choice that failed to get Green. Hale singled to drive in Green.

Dumas was retired in order in the fourth.

Hereford got its final run in the fifth on two more hits and a wild pitch. John Willoughby singled with one out. Arnold Powell singled. Then Willoughby stole third and scored on a wild pitch.

Then came the last of the fifth. Joe Sanders got on as his

long fly ball was dropped and, with one out, Julian Miller got on by an error at third base. Ronnie Smith tripled into right center to score two runs. At that point, Hereford hurler Mickey Stevens was relieved by Jim Haney.

But Dennis Wylie drew a walk and Dick Rector doubled to drive in two runs. Steve Minton singled and Joe Ballard doubled to drive in Rector before the side was retired.

John Buck singled and moved to second on a wild pitch in the top of the sixth, but two strike-outs and a pop-up ended that part of the stanza for Hereford.

Dumas threatened again in the sixth on a pair of singles and a walk. But a great throw from Dan McDowell in left field to second base nipped one of the runners who tried to stretch his single into a double. The other was stranded at third as a force play got a runner at second.

Hereford's effort in the seventh to get back in the game was futile. Demon shortstop Dick Rector hauled in two flies before Powell walked. Then Rector scooped up a ground ball and relayed to second for a force that ended the game.

Mickey Stevens pitched well for four innings. He went one out into the fifth before being relieved. He allowed three runs on three hits, struck out six and walked two. He also hit one batter. Haney came in and worked one and two-thirds, allowing two runs on five hits, while walking two and striking out one.

Robert Robinette started for Dumas. He was relieved after three and one-third innings. He allowed two runs on one hit, walked two and struck out one. Joe Ballard worked the rest of the game, giving up one run on four hits, walking one and striking out five.

Ronnie Smith provided the power for Dumas with a triple and two singles in three times

at bat. Dick Rector got a single and a double in four trips. Hereford's five hits went to as many players, with Green's double the only extra-base hit for the team.

Bayview Study Club Hosts May Luncheon

Bayview Study Club members held their annual May luncheon in the home of Mrs. Lee Benefield on Thursday, May 3.

Spring flowers, with iris and tulips predominating in colors of yellow and gold, were used on luncheon tables and throughout

the house. Serving as hostesses were Mesdames Howard Gault, Frances Hardwick, Will S Kerr and Lee Benefield.

Mrs. Jimmie Gillentine conducted a short business program in which she read the new committees that had been appointed for the coming year. Included were Mesdames Dick Barnard, Eugene Naugle, Lee Benefield and Frances Hardwick, program; Mesdames Carl Perrin, Will S Kerr, D. H. Alexander and R. B. Miller, social; Mesdames Jack Gilliland and John McLean, membership; Mrs. Carl Perrin, federation; Mrs. Phillip Barkley, parliamentarian; Mrs. A. M. Jones, historian; Mrs. John McLean, reporter; Mesdames Colby

Conkwright and J. W. Spradley, phone; Mrs. Howard Gault, welfare; and Mrs. Phillip Barkley, Americanism.

Special guests attending were Mrs. E. W. Harrison, a former member, and her daughter, Mrs. J. M. Simpson of Amarillo.

Others attending were Mesdames D. H. Alexander, Phillip Barkley, Dick Barnard, Colby Conkwright, Howard Gault, Jack Gilliland, Jimmie Gillentine, Frances Hardwick, A. M. Jones, Will S Kerr, J. W. Kirby, John McLean, R. B. Miller, Carl Perrin, J. W. Spradley and J. P. Slaton.

NEW ARRIVAL

Mr. and Mrs. Anthony Paschel of Hereford are the parents of a girl born May 6 in St. Anthony's Hospital in Amarillo.

HOSPITAL PATIENT

Paul Schroeter of Hereford is a patient in St. Anthony's Hospital in Amarillo.

It is with deepest gratitude that I use this opportunity to personally thank each and every one of you who supported me in Saturday's election.

The confidence you have placed in me will always be held in sacred trust.

Probably, you already realize that the runoff primary June 2, is just a short time away.

We have a lot more work to do and with your continued support we can again come out on top. Again let me say in all sincerity and humility, "THANK YOU" for your support.

BILL CLAYTON

MAKING AUSTIN VISIT
Mrs. W. E. Dameron of Hereford left Wednesday to spend several weeks with her daughter and family, Mr. and Mrs. C. C. Nolen and children, in Austin.

According to the Florida Alcoholic Rehabilitation Program, the occurrence of blackouts, or memory lapses caused by alcohol, is an early sign of alcoholism.

The original Aqueduct race track was constructed on 23 acres of ground. The current plant covers 203 acres.

Highest winning daily double during 1961 thoroughbred racing in New York was \$920.30 for \$2. The horses were Cherylene and No Joy. They won on Aug. 31 at Belmont Park.

The Sports Car Club of America defines a sports car thusly: "A land vehicle propelled by its own means, running on at least four wheels not in a line, which must always be in contact with the ground and of which at least two must effect the steering and at least two the propulsion."

The ceremonial chamber where men of the cliff-dwelling Indian tribes gathered was called a kiva.

Bank Establishes Trust Department

J. H. Sears, president of the First National Bank of Hereford, announced Wednesday that the Board of Governors of the Federal Reserve System, Washington, D. C., has granted full trust powers to the First National Bank.

"We are very gratified that our application for trust powers received prompt approval, and we look forward eagerly to making this one of our most important banking services," Sears stated.

The letter of approval from the Federal Reserve System read, in part: "The Board of Governors of the Federal Reserve System has given consideration to your application for fiduciary powers and grants the First National Bank of Hereford authority to act, when not in contravention of State or local law, as trustee, executor, administrator, registrar of stocks and bonds, guardian of estates, assignee, receiver, committee of estates of lunatics, or in any other fiduciary capacity in which State banks, trust companies, or other corporations which come into competition with national banks are permitted to act under the Laws of the State of Texas."

Pending approval from the Federal Reserve System, the Board of Directors of the First National Bank had previously named Sears as Trust Officer of the bank, with Mark Woodall being named as Assistant Trust Officer. In addition to these two officers, three other members of the bank's board have been named to the Trust Committee. They are Dr. R. F. Willis, M. D., Owen Seaman, Hereford rancher, and John Douglas Pittman, grain dealer. In addition to their primary business interests, these three board members are active in many other area activities. The functions of the Trust Committee, as outlined by Sears, are to work closely with the trust officers in establishing policy, the acceptance and administration of trusts and trust funds and the operating of a good, sound trust department. In addition, he pointed out that they have the duty, with the full Board of Directors, in seeing that proper audits and accounting systems are provided. "We are greatly pleased," Sears stated, "that these men have agreed to serve on our Trust Committee, and we know that their wide business experience and training will prove invaluable to us."

In detailing some of his plans for the new Trust Department, Sears pointed out the study growth of Trust Departments in country banks throughout the nation, and stated that the main

reason for organizing a Trust Department in the First National Bank was the bank's desire to offer a more complete service to the bank's customers, and to the community. This is prompted, he further stated, by a basic desire to provide such service with adequate and experienced administrative personnel, competent legal counsel, adequately-maintained accounting records and documentary files, internal safeguards and audit controls, interested director supervision, and an uncompromising desire to comply with applicable laws and provisions of governing instruments and court orders.

The firm of Witherspoon, Alkin, Thomas and Langley will serve as legal counsel to the new Trust Department, and close cooperation with all area attorneys, life underwriters and accountants is anticipated.

Little League Season Gets Underway In Monday Opener

IT'S A HIT as a Little Leaguer took a ripple in the opening game Monday night. Umpire Earl Stagner gives the play a close look.

Following traditional introduction of players, Mayor Ray Cowser tossed out the first ball (which fell low and outside) of the 1962 Little League Season.

Hundreds of baseball fans were on hand for the first game of the season, which turned into a thriller complete with a grand slam homerun.

Throughout the remainder of the spring and summer, teams will battle each week night except Wednesday. Four major league and six minor teams have already been picked, with five more minor teams being formed, in order to provide summer activity for almost 300 boys.

Even the moms and dads get in on the program, serving as coaches, umpires, and helping at the concession stand. Complete with the fast-moving baseball games, Little League spells fun for both the boys and the fans during the summer season ahead.

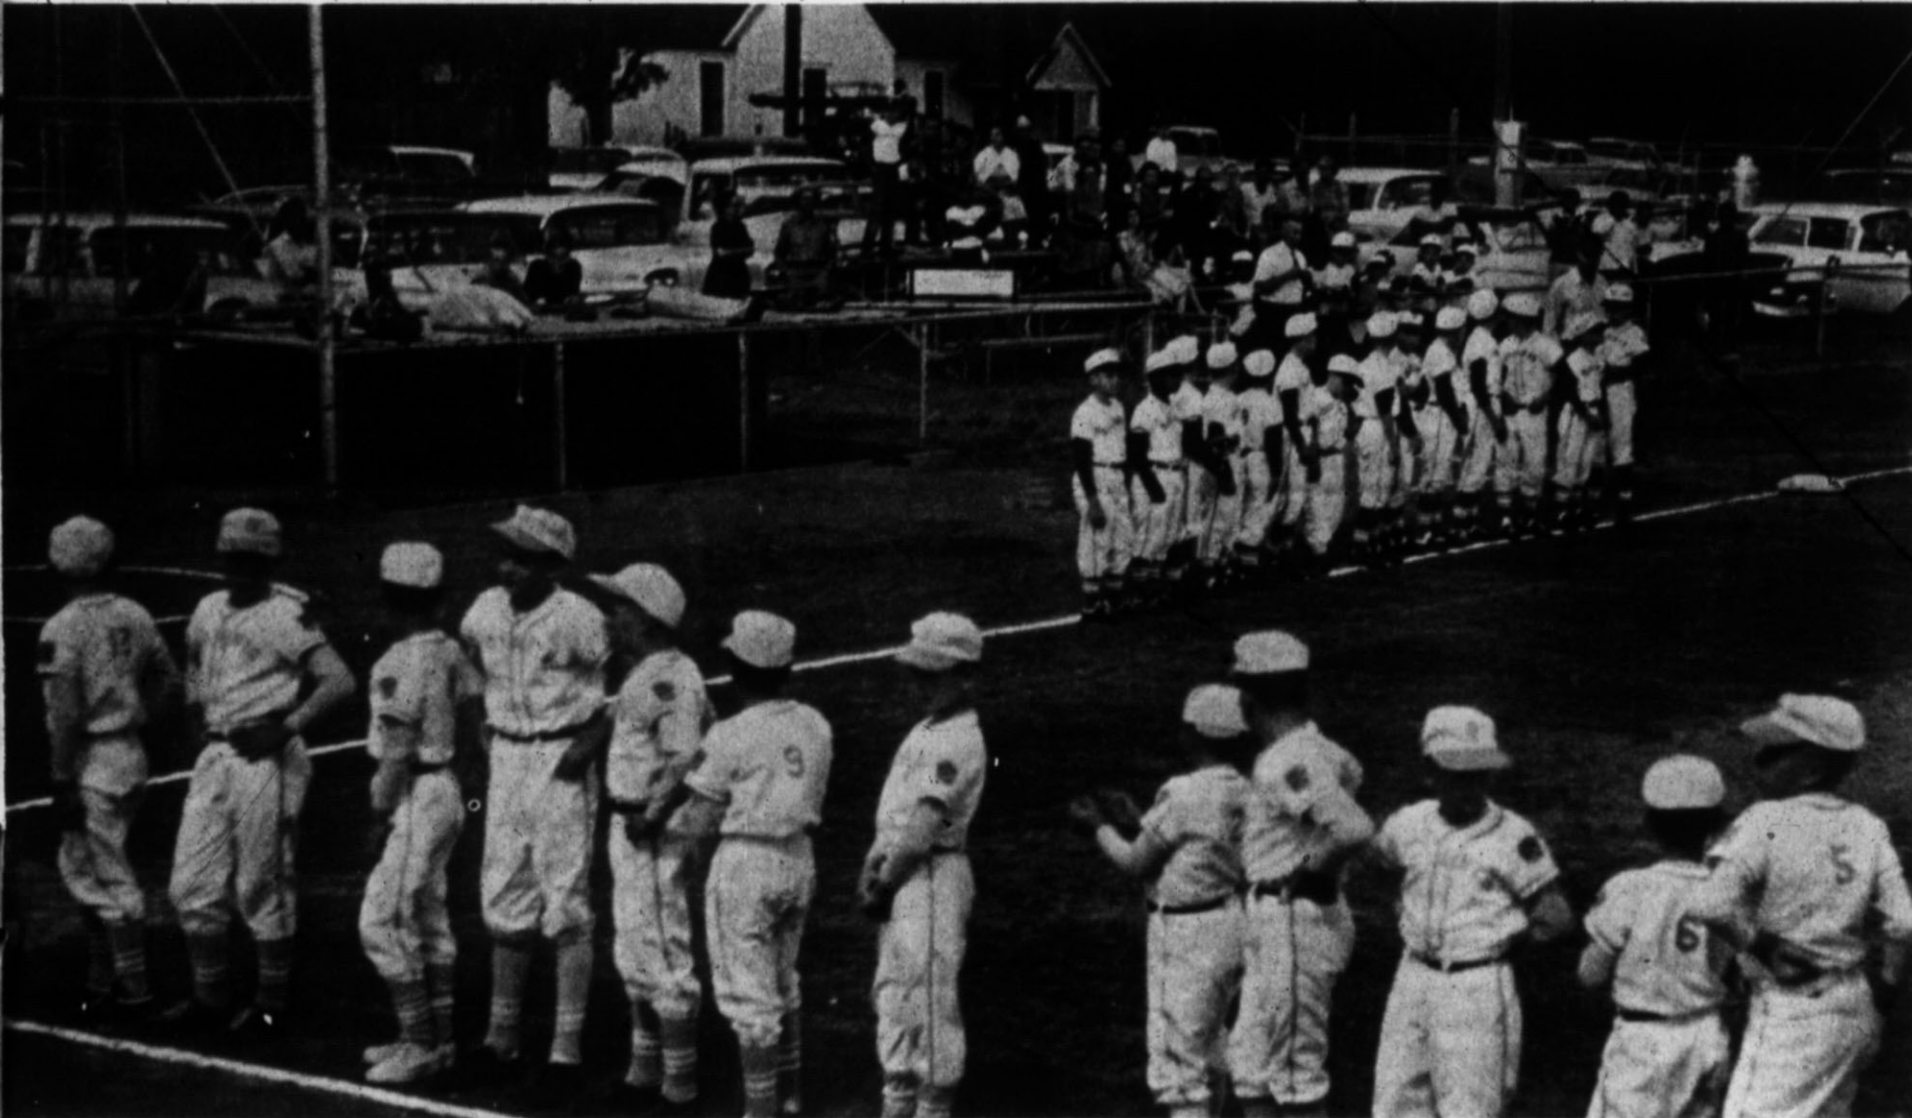

The Hereford Brand

Hereford, Texas, Thursday, March 8, 1962 Section Two

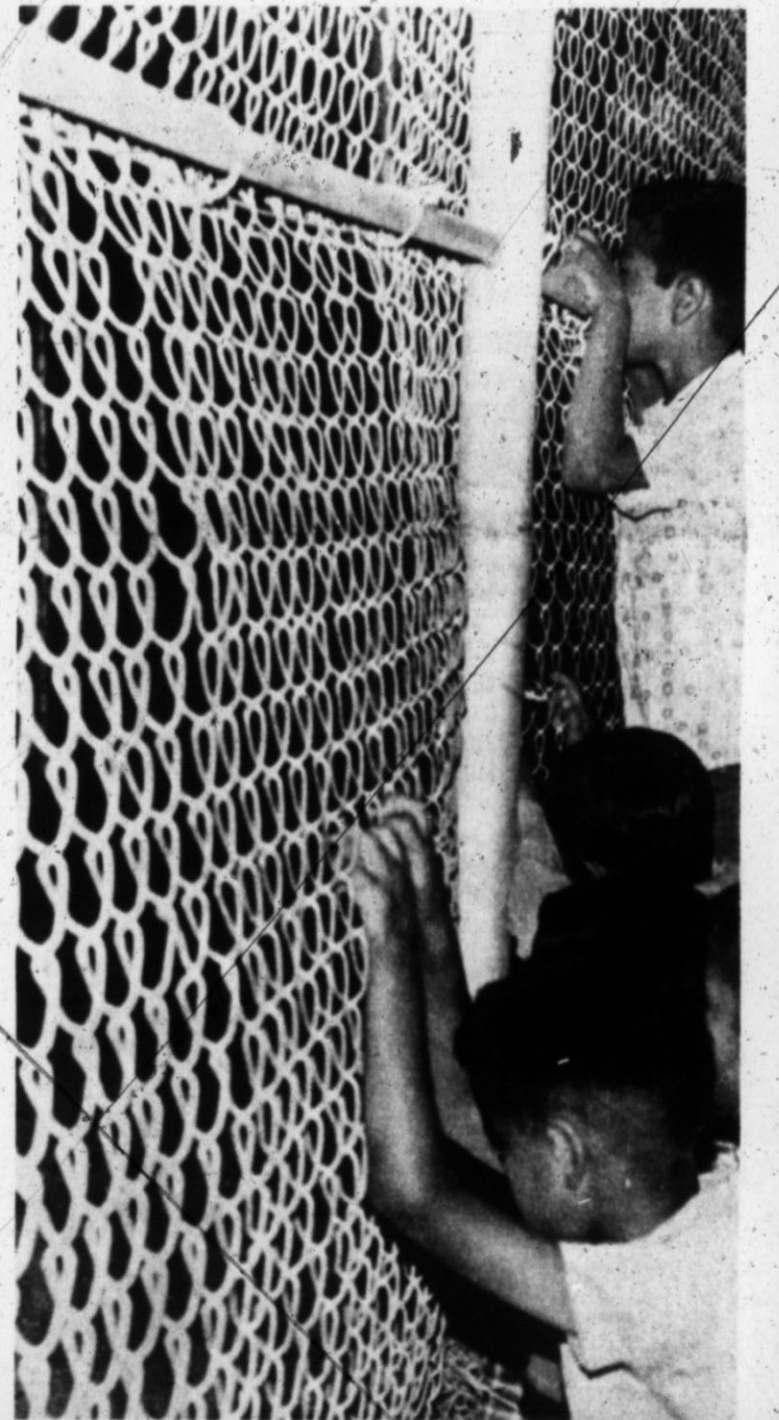

Brand Staff Photos

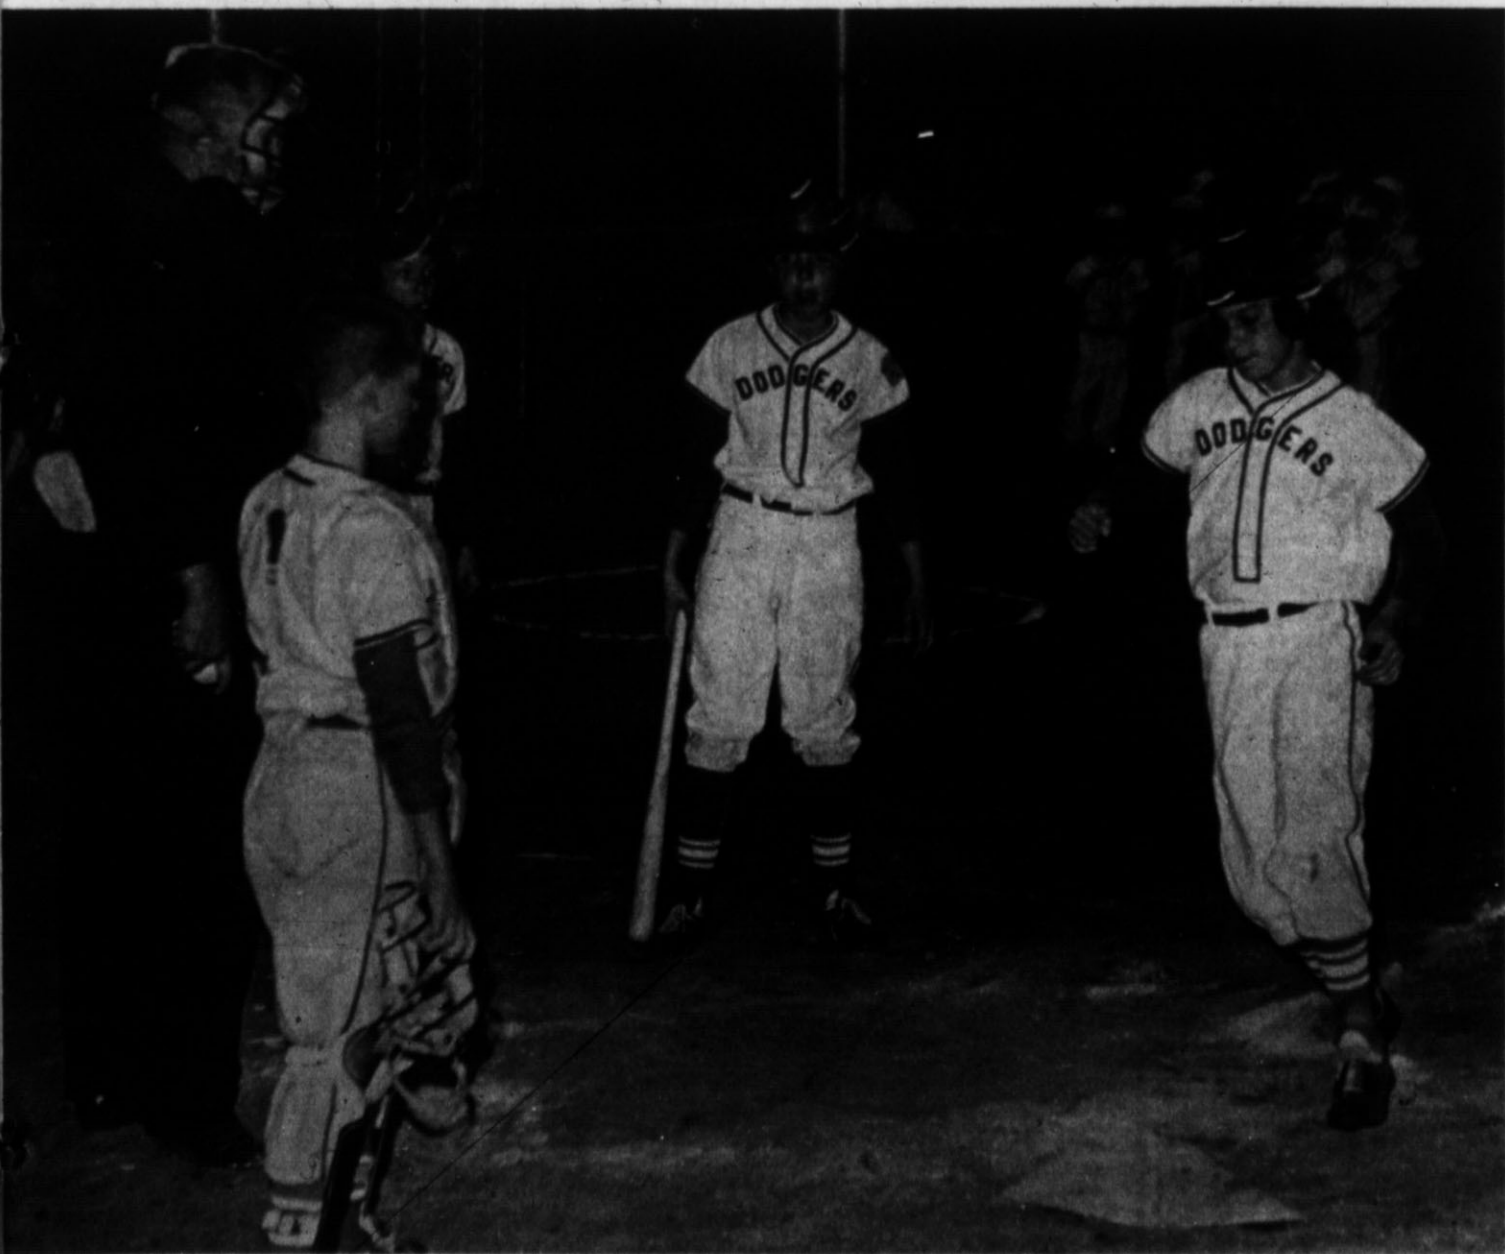

BASEBALL IS SERIOUS business for this Little Leaguer as he stands "on deck" waiting for his time at bat. Like almost 300 others, this year who will compete in the Little League program, he is provided with something to look forward to in the season ahead.

TOO YOUNG TO PLAY, but by no means not anxious, these boys look on intently during the game as older boys play.

EVEN THE MOTHERS get in on the act during Little League games as they handle the concession stands. All profits are used to help finance Little League.

AFTER BLASTING A "GRAND SLAM" homerun, Brad Johnson trots back to the plate during action here Monday night. He had the honor of hitting the first ball over the fence this season. Little League is notorious for its fast-moving action, as characterized by his homer.

LET'S COOK SOMETHING

Sandwich Loaf Ideal For Outdoor Supper

The smell of charcoal smoke in the late spring evening whets the appetite for foods cooked outside on the grill. A look in the freezer for a suit-

able meat for cooking over coals to go with the molded beet salad that is already made; a peek into the cabinet for a check on the supply of sauces and seasonings, whatever your taste buds are craving; and then the final preparations for cooking.

The "m-m-m good" heard from members of the family arriving home for supper is payment enough for the time and labor spent in preparation.

CHOO-CHOO SANDWICH LOAF
1 loaf of French bread
1/2 cup margarine or butter
1 clove of minced garlic
Tomato slices
Cheese slices
Thin slices of pressed ham
Green-pepper rings

Cut bread diagonally in 1 1/2 slices, not quite through bottom crust. Cream butter with the garlic. Spread on bread slices.

Place tomato slice, cheese slice, pressed ham slice, and green-pepper ring between the bread slices. Bake on a baking sheet in a moderate oven (350 degrees) for 20 minutes.

Or, stick skewer through the loaf lengthwise; wrap in foil; and place on the grill. Turn frequently. Heat until the cheese melts.

Cut through the bottom crust just before serving. Makes 7 to 10 servings.

MOLDED BEET SALAD

(Serves 12)

No. 2 can of "shoestring" beets
3/4 cup sugar
2 packages of lime Jello
3 hard boiled eggs, chopped
1 cup chopped celery
Small amount of onion, garlic, salt and pepper

Pour vinegar and sugar over beets and allow to stand several hours to marinate. Drain liquid off and measure. If not enough liquid to make a pint, add sufficient water to fill pint measure.

Boil 1 pint of water, add Jello, then add liquid from beets. Add onion and garlic, minced very fine, to the liquid while it is still warm. Let cool and then add beets, eggs and celery. Place in the refrigerator and harden.

FROZEN PRUNE WHIP

1/2 cup prune pulp
1/2 cup sugar
1/2 cup orange juice
1/2 pint heavy cream
Pinch salt
1 tablespoon lemon juice
1 egg white, beaten well

Combine the prune pulp, orange juice, sugar and lemon juice. Beat egg white stiff with the pinch of salt added. Whip the heavy cream and fold into the other two mixtures and freeze.
Serves 4.

PICKING UP A BALLOT as other Deaf Smith County residents marked their ballots in the Democratic Primary is Mrs. Elmer Kimball. Approximately 2800 county residents cast ballots in this county as both the Democratic and Republican parties selected candidates to compete for state offices in the November election. (Staff Photo)

DANIEL NEWS

Community Gets Rain, High Wind

By Mrs. W. R. Moore
This community received .20 inch of rain, along with high winds, on Sunday night.

Some of the wheat is headed out now, so it looks as if there will be an early harvest.

Visitors in the home of Mr. and Mrs. T. E. Price on Sunday were Mr. and Mrs. Neil Downing of Canyon, Mr. and Mrs. Allen Downing of the Joel community and Mr. and Mrs. Glenn Pearsons.

Pat Price, who has been living in Chicago the past two years, returned home Monday. Mrs. Zelma Axe visited in the home of Mr. and Mrs. Marvin Axe in Dimmitt over the weekend.

Mr. and Mrs. Carl Griffith and children, who moved into their new home recently, were honored with a housewarming Sunday afternoon by a large number of friends and neighbors.

Mrs. George Muse has just completed a new irrigation well

on her farm north of Dawn.

Mr. and Mrs. Deal Patterson of Hereford and Don Kimball called on Mr. and Mrs. A. J. Ramsey last week.

Visiting with A. J. Ramsey while he was ill were Baker Womble and Bob Shane of Dawn.

Mr. and Mrs. Floyd Bailey visited Mrs. D. L. Hickey, who is a patient in St. Anthony's Hospital in Amarillo.

Mr. and Mrs. Charlie Allen of Texas City and Mr. and Mrs. David Lee and boys of Panhandle were weekend guests in the home of Mr. and Mrs. A. J. Ramsey.

Mrs. Vinita McClain visited in the home of her daughter, Mr. and Mrs. Davis Harrell, in Amarillo on Friday.

The W. M. U. met in the home of Mrs. Loyd Coffee on Thursday. Those present were Mrs. Bill Clevanger, Mrs. Vinita McClain.

Animals raised apart from their own kind sometimes do not know what species they belong to. In a Vienna zoo, an orphaned white peacock was kept in a house with giant tortoises. For the rest of its life, the bird remained unresponsive to the charms of the peahens and saw only in the huge reptiles the object of its fancy.

Four hundred volcanoes pockmark the Indonesian archipelago.

Wyche Club Hears Talk On Freedom

Mrs. C. F. Newsom was hostess to members of the Wyche Home Demonstration Club on May 3 in her home. Mrs. Charles Packard was the presiding officer for the meeting.

The next meeting will be on May 17, Thursday, in the home of Mrs. George L. Olson for a Guest Day meeting.

Roll call was answered to the question "What Is Freedom?"

"Freedom Is Your Responsibility" was the topic of the program given by Mrs. Ira Ott. The highlight of her talk was the

comment, "Freedom is our responsibility, and freedom is my responsibility."

Members present were Mesdames Ira Ott, E. C. Hewitt, George L. Olson, J. V. Pickens, C. R. Dameron, H. L. Ward, Charles Packard, and one visitor, Mrs. Argen Draper, and the hostess, Mrs. C. F. Newsom.

BE SURE YOU GET THE BEST LUMBER - -

ASK FOR SPIB 77

What Does SPIB Mean?

These are the initials of the Southern Pine Inspection Bureau. When they appear on lumber, it means that lumber has been skillfully manufactured, properly seasoned, expertly graded and inspected . . . to give long, satisfactory economical service.

In your home improvement plans - - be sure you get the BEST lumber for future satisfaction and peace of mind. Since lumber in construction ordinarily represents less than 10% of the total cost - - yet the entire structure depends on it - - it certainly doesn't pay to skimp on quality. Let us provide you with plans, financing, and all your building materials, including KILN DRIED, inspected, and graded Southern Yellow Pine lumber from one of the world's leading quality producers.

AUSTIN HIGHLIGHTS

Enormous Deficit Reduced By Franchise Tax Payments

By Vern Sanford
By VERN SANFORD
Annual payments of corporation franchise taxes helped knock down the enormous deficit in the state's General Revenue Fund in just 12 days.

On April 24, State Treasurer Jesse James reported a deficit of \$80,341,045. Twelve days later, the overdraft was down to \$28,053,885.

James noted that the deficit was markedly lower than the \$98,000,000 peak reached a little more than a month ago. But he did not state when the next big payment will be made out of the revenue fund... which might make the deficiency soar again.

However, State Comptroller Robert S. Calvert said the state will send more than \$34,000,000 to public schools early in the summer.

IMPORTED STEEL TO BE BANNED
District Judge Herman Jones of Austin has given notice to both sides of the case of the Texas Association of Steel Importers, Inc., versus the State Highway Department that he will uphold the Highway Commission's authority to order a ban against imported steel in constructing state highways.

Steel importers challenged this authority when they brought

suit in January. A five-day trial in March ended in a hung jury.

Highway Commissioner Herb Petry Jr. testified that some imported steel was found to be "inferior", and stated that it wasn't "worth the risk."

Judge Jones concluded that the importers had failed to show the invalidity of the highway department's order. He is expected to enter judgment for the state next week.

Dinner Celebrates First Anniversary
Mr. and Mrs. John Moody, 301 South Texas, entertained guests in their home Sunday, May 6, at 1 p.m. with a dinner in honor of the first wedding anniversary of Mr. and Mrs. Archie Wayne Scott.

The dinner was highlighted with the presentation of a money tree to the honor couple and the serving of a tiered cake, decorated in spring colors. Visiting and taking pictures completed the afternoon's entertainment.

Those attending were Mr. and Mrs. E. R. Musser, Tommy Musser and Mrs. Smith, all of Lockney, family of Mrs. Archie Scott; Mr. and Mrs. G. J. Moody, Lana Sue and Rickey, J. W. Cox, Linda Scott, Waldon Scott, Ray Scott, Mr. and Mrs. Archie Wayne Scott, and the hosts, Mr. and Mrs. John Moody, all of Hereford.

COMMISSION ADOPTS TEACHER SERVICE
Texas Employment Commission has undertaken a new statewide program to answer the problem of placing teachers for the state's 2,500,000 school children.

TEC Administrator R. L. Coffman announced that the commission will run a placement service as a clearing house for applications from teachers. Also they will list vacancies.

New plan is expected to afford teachers wider selection of teaching opportunities and provide school administrators with a choice of instructors from all over the state.

Local offices of the employment commission are stocking application forms, which also may be secured from the Austin office.

WEEKEND VISITOR
Miss Glenda Allison of Canyon was a weekend visitor in the home of her parents, Mr. and Mrs. Carl R. Allison, 101 Douglas, Hereford. Glenda is a sophomore student at West Texas State College.

UT LEASES UP FOR SALE
Some 35,000 acres of oil and gas leases owned by the University of Texas will be offered for sale at a public auction in the Commodore Perry Hotel in Austin on June 26.

All of the 101 leases on West Texas land parcels, ranging from 82 to 343 acres, will be sold for a term of five years, or as long as the oil or gas on the lands is produced in paying quantities.

Big difference in this 45th public auction is that the royalty from gross production has been raised from the one-eighth charged previously to one-sixth. Land Commissioner Jerry Sadler insisted on the change since state public school lands long have been sold on a one-sixth basis.

NEW OFFICER
Jim Conkright of Hereford has been elected as vice president of Texas Tech's Block and Bridle Club, animal husbandry organization, for the coming year.

SHORT SNORTS
The New York Stock Exchange made a survey of security transactions in Texas and reported that the number of stockholders in the state zoomed from 160,000 in 1956 to 375,000 in 1961.

VISITS DAUGHTER
Mrs. Josie Busby of Friona has been visiting recently in the home of her daughter and family, Mr. and Mrs. Bruce Coleman and children.

Legal Notice

THE STATE OF TEXAS
TO: HERBERT WAYNE CLARK, Defendant, Greeting,
You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 18th day of June 1962, at or before ten o'clock A.M. before the Honorable District Court of Deaf Smith County, Texas, at the Court House of said County in Hereford, Texas.

Said Plaintiff's Petition was filed in said court, on the 29th day of January, A.D. 1961, in this cause numbered 4550 on the docket of said court and styled, Kathryn Shaw Clark as Plaintiff, vs. Herbert Wayne Clark as Defendant, who are the parties to said cause.

A brief statement of the nature of this suit is as follows, to wit:

Plaintiff is suing defendant for divorce; for custody of child of such marriage and for child support, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

STATE WINS ESCHEAT SUIT
Texas' General Revenue Fund will reap \$3,665 as a result of the state winning its first judgment under the new escheat law.

Although the judgment by the 53rd District Court at Travis County was for \$103,665, the State General Revenue Fund benefits by only \$3,665. Reason is that the first \$50,000 escheated must be kept in the treasury in case owners are located. Another \$50,000 annually must be allocated to pay for the cost of administering the program.

Funds were placed in the treasury under an old law which had no provision for disposition. But the escheat law passed in 1961 paved the way for use of the money.

Attorney General Will Wilson immediately started seeking more escheat money. He asked the U. S. Supreme Court to determine whether Texas, Pennsylvania or New Jersey has the right to escheat \$37,853 that Sun Oil Company owes to more than 1,800 people whose whereabouts are unknown.

Texas claims the money because the transactions were made here. New Jersey filed suit because Sun Oil was chartered there. Pennsylvania wants to attach it because the company headquarters in that state.

Issued and given under my hand and the Seal of said Court, at office in Hereford, Texas, this 30th day of April A. D. 1962.

Attest:
Lucille Posey, Clerk,
District Court, Deaf Smith County, Texas.
(SEAL) T-18-4C

1959, with one Texan in every 26 a shareholder.

State Highway Department is arranging with Civil Defense officials to make departmental buildings available as public fallout shelters in the event of enemy attack.

Twenty-one inspection stations were closed by the Department of Public Safety as it began a crackdown on stations suspected of improper inspection of motor vehicles.

Albert B. Fay of Houston, Republican national committeeman, asked Gov. Price Daniel to proclaim May 26 "Republican Day" in Texas.

Governor Daniel saluted the 176 livestock markets in the state and designated the week of May 7-12 "Livestock Market Week."

TOP SECRET of SUCCESS

It is really no secret, but a fact that you can see illustrated every day: The folks who land "on top" are usually successful savers, and the successful savers are usually those who keep everlastingly at it.

WE INVITE ALL OUR YOUNG FARM NEIGHBORS TO SAVE FOR THE FUTURE AT OUR BANK!

Frontier Hybrid Sorghums

GROWN BY AMERICAS LEADING PRODUCER OF HYBRID SORGHUMS EXCLUSIVELY.

Frontier Hybrid Sorghums are grown in Scott City, Kansas (an area relatively free of Johnson Grass) by Frontier Hybrids, Inc., under conditions that are ideal for hybrid sorghum seed production.

Every precaution is taken to produce seed high in germination and with strong seedling vigor. Production fields are carefully selected and planted under close supervision. Constant surveillance is maintained while seed heads are emerging, and off-type heads are removed at once. All seed is field-cured to guarantee better stands with less seed per acre.

When you plant Frontier you can be sure you are getting thoroughly tested and high producing hybrid sorghum seed that has been protected all the way!

★ FREE OF JOHNSON GRASS ★ FIELD CURED
★ CROP TESTED BEFORE DELIVERY ★ PRECISION CLEARED
★ DOUBLE TREATED AGAINST DISEASE AND INSECTS

day.

Second Sunday in May

...in America that means Mother. Every second Sunday in May is Mother's Day, one of the greatest of special days. It is a time when men, women, boys and girls take pains to do her homage, to dedicate to her—with simplicity and love, the simplest of things she wants most. Since it is her day, may the countless details and careful planning be in strict accord with her varied tastes. May we never forget life's uncertainties, disappointments and failures as we make plans to celebrate. May we forget all the foibles of men and remember her love is steadfast, sure. Who else can kiss a hurt and make it well? Who but Mother can control the Prodigal's steps? Then honor her with all you have on this Lord's Day. Lend a constant, kind and friendly hand as you take her to church. It is your Mother's Day.

First evidence that Stone Age men existed was found at Chelles, France, in 1847. Since then, the so-called Chellean Man's tools have been collected over much of Africa, Asia and southwestern Europe. A Chellean man's skull was discovered recently in East Africa in an archaeological project supported by the National Geographic Society.

The bald eagle, adopted as an emblem of the United States in 1782, is waning. Fewer than 500 pairs survive south of Canada. For years they were hunted for bounty. Now federal law protect them.

West Berlin's 8,400-acre Grunewald Park, once a royal hunting ground, provides a haven for wild boar, deer, fox and weasel - as well as hikers, picnickers and horseback riders.

The greatest recorded flood disaster occurred in 1887 when China's Yellow River overflowed killing an estimated 900,000 people.

The old National Road, reaching 609 miles from Cumberland, Md., to Vandalia, Ill., was built to link the East with the West. Finished in 1852 at a cost of \$7,000,000, it was the greatest wagon route in the nation.

 Beverly Boyer has a beautiful new engagement ring. She has had it about two weeks and I don't think she has had it off yet.
 Pat Newman, who is in the Marines, gave it to her. Beverly said it would be some time before she gets married since Pat hasn't finished his time in the Marines yet. Best wishes, Bev and Pat!
 There is a strange new bug around Hereford High. It is a tiny car called the Vespa 400. Since it is an Italian car, I thought Ronnie Gray had imported it from Italy. But I talked to Ronnie and he told me he got it right here in Hereford. The car will hold 500 pounds

Jenny was telling me what all they did. She said Saturday night she and Kay went riding around and just "goofed off". I asked her about the boys in Cordell. Jenny said she knew quite a few boys, and those she doesn't know, she tries to meet every time she visits Cordell. I surely do hope she takes me with her sometime.

Eula Lee Cave, who is in charge of the youth activity at the community center, underwent minor surgery last week. She is now home and doing fine. You can't keep a good "man" down and Eula Lee is certainly one to prove this.

She got out of the hospital Saturday afternoon. Saturday night the teenagers had a kid's day dance. Since the people attending the dance would be dressed so cute, she just could not stay away so she got up and came. We are all very glad to have her back!

The First Baptist Church held a youth rally Saturday night. Since Donna Rogers, Sara Gillettin, Brenda Beasley, and Shari Prowell expected about 300 young people to attend they worked very hard Saturday afternoon setting up chairs in the Fellowship Hall.

Instead of 300, 450 came. All their hard work was in vain. Donna was pretty disgusted about that, but she was very glad they had such a good turnout. Sunday morning the Catholic Youth Club took cars and went to Palo Duro Canyon. The group stayed all day, and came home tired, sunburned, and sore.

Lou Ann Witkowski knows what the word sore means! She tried going down a gravel slide on her feet to preserve the material in her pants. She started running and couldn't stop. Finally she got stopped, but the helpful kids she was with told her to go on so she started out again. This time the thing that stopped her was a big, fat tree. She sprained her ankle good and proper!

Lou Ann came home and soaked it and got it about normal again when the chair she was sitting in slipped and she sprained it again. Even so, she is now hobbling around quite well.

Nominees For HD Woman Of Year Run Too Close

By Argen Draper
 Well, folks, it's happened again. We have a tie for Woman of the Year. We're buzzing around getting recommendations to three more judges and hoping that we will get these by return mail. The judges have all commented that the nominees are all worthy and they wish all of them could win.

There are two new tapes which have been added to the tape library for the study of Communism. They are:
 Inside a Communist Cell by ex-counter spy Karl Prussion;
 Four Dreams of Man (Peace, Food, Freedom & Human dignity) by Dr. John Furbay.

The last program in the study of Communism to be sponsored by the American Legion Auxiliary will be May 15. It will be, "Cybernetic Warfare" by Herbert Philbrick.

There are more copies of Food for Fitness, the dietary standard which is used in planning meals. Call the office for these.

I know now first hand what the 4-H girls have been talking about. The pies that Loreta Fowler has been making in club have caused a lot of comments and all of them good. The comments are good as well as the pies are good. Loreta gave us an apple pie and a cherry pie. We will have excellent pies at the bake show I'm sure.

This is a press letter from College Station. I thought that you would be interested in it.

TEXAS AGRICULTURIST IMPORTANT CITIZEN
 College Station, May 10 — When you see someone plowing a field or tending a herd you are looking at one of the more than 226,000 Texas farm and/or ranch operators, says Tom Prater, extension farm management specialist. If this man is the average Texas operator, his annual net income is \$3,630, which is \$307 above the national average.
 "There is also a good chance that this man has some non-farm income, says Prater. In 1961, over 109,000 Texas farmers

The senior play has again been postponed but I hope for the last time. It is now going to be Friday and Saturday, May 18 and 19, at 8 p.m. in the high school auditorium.

I hope the auditorium will be filled to capacity both nights. Just eight more days of school, counting today, for the seniors.

Have you read the Classifieds?

and/or ranchmen reported that they had off-farm employment, and over 96,000 reported that their non-farm income was greater than the income derived from their farming operation.

"When this man puts his tractor away for the night he must make the switch from farm laborer to farm manager, and this is no easy feat. He has a sizable investment in his operation and if he is to realize a profit he must manipulate the factors of production carefully. One miscalculation can mean the difference between profit and loss, points out the specialist.

"He must also keep up with the latest technological developments. New methods of controlling insects and plant diseases; new fertilization practices and new management techniques are constantly coming

from researchers. The farmer must decide which of these are best applicable to his operation."

average Texas farmer. There are some above average and some below. "Where do you fit in this picture?" asks Prater.

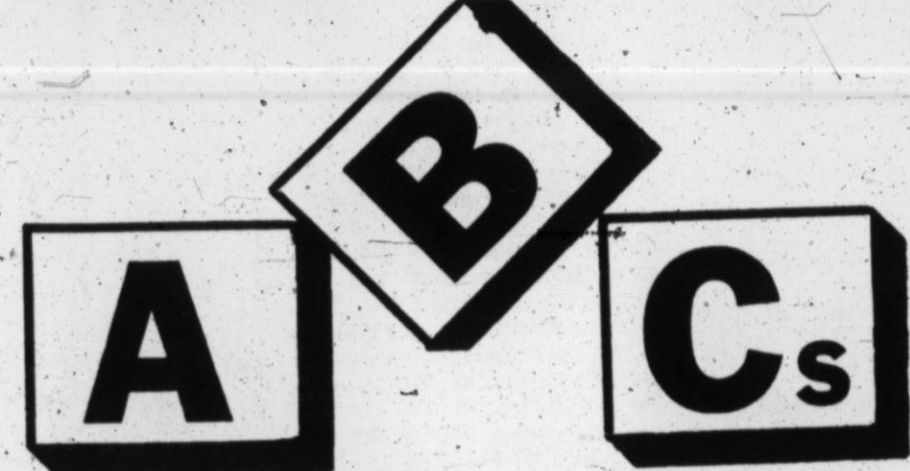

THANK YOU FRIENDS

I appreciate and am very grateful for every consideration that has been given me, not only now, but in years past.

I shall try very hard to merit the confidence you have placed in me, your county treasurer.

SINCERELY,
VELMA HODGES

PVT. JERRY C. CLARK

Hereford Man Finishes Marine Basic Training

Pvt. Jerry R. Clark, USMC, son of Mr. and Mrs. Henry C. Clark of Route 2, Hereford, completed recruit training, April 12, at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week training covers physical conditioning, the history and mission of the Marine Corps, customs and courtesies, hygiene and sanitation and basic military subjects.

The new Marines will report next to Camp Pendleton, Calif., for individual combat training.

Pvt. Robert L. Welty

Private Welty Leaves On Far East Duty Tour

Pvt. Robert L. Welty, USMC, son of Mr. and Mrs. Donald L. Welty of Hereford, went aboard the amphibious assault ship USS Valley Forge, April 16, with the Third Battalion, First Regiment of the First Marine Division, bound for a 12-month tour of duty in the Far East.

Upon arrival in the Far East, the unit will join the Third Marine Division.

The battalion recently completed an intensive six-week training cycle designed to place the men in the peak of condition and to sharpen their capabilities as a fighting unit.

RESIDENTS ATTEND CHURCH MEET

Returning home after a three-day Jehovah's Witnesses convention in Ulysses, Kan., were Mr. and Mrs. Lloyd Reddoch, pastors of the Hereford Assembly of God Church. More than 15 local residents were delegates to the assembly which drew a record crowd.

When birds sing, they aren't necessarily happy. Song establishes a bird's claim to a certain territory and warn others to stay away. It also is part of the mating performance.

Guest Speaker, Tour For Ford 4-H Club Meet

Mrs. O. G. Hill Sr., of the Hereford Garden Club, presented a program on flower arrangements to the Ford 4-H Club girls at the regular meeting held at the Hereford Community Center, Monday, May 7. After the program, each girl made an arrangement and Mrs. Hill gave them corrective criticism.

While the girls had the flower arrangement demonstration, Mrs. L. K. Williamson took the boys to the Hereford Grain Corporation where Cliff Ueckert took them on a tour of the elevator after which they returned to the Community Center and joined the girls for refreshments.

The president, Sharon Bezner, presided over the business meeting. Tommy Bezner led the singing of "We're On the 4-H Trail" and Cathy Crist led the 4-H Ritual.

Ford Club's leaders congratulated the teams and individuals who participated in the District I Contests in Canyon, April 28. Sharon Bezner will be going to the State Round-Up for the fifth consecutive time, having won first in senior girls' Public Speaking contest for the fourth time. Joyce Bezner won first place in the junior girls' Public Speaking contest while Joel Williamson paced first in the junior boys' Public Speaking contest. Joyce and Joel have won these events for the last three years. Cathy Crist and Tommy Bezner won themselves blue ribbons for their demonstration on Junior Soil and Water Conservation, Margaret and Gloria Salinas were awarded white ribbons in junior Farm and Home Safety. Joe Childress and Kim Williamson received white ribbons for their junior Electrical demonstration.

Members present were Cathy Crist, Sharon, Joyce, and Tommy Bezner, Gloria and Juanita Salinas, Joe Childress, Joel, Kim and Lisa Williamson. Visitors were Mrs. R. A. Crist and Carla, Mrs. O. G. Hill Sr., Marty Childress and Charlotte and Beth Bezner. Leaders present were Mrs. Williamson and Mrs. A. J. Bezner.

Piano Recital Slated Sunday

A spring piano recital by pupils of Mrs. Ellis Coombes will be presented to parents, interested friends and the general public at the First Baptist Church Educational Building on Sunday afternoon at 2:30 p. m., May 13.

The recital will be in celebration of Mothers' Day and of National Music Week. It will be a varied program of American classic, romantic and modern numbers presented in solos, duets and duos.

Those playing are Evelyn Packard, Beverly Taylor, Trudy Beth Hollingsworth, Cindy Wilson, Beverly Packard, Kay Lynn Ward, David Davis, Cynthia Etheredge, Cheryl Solomon, Donna Williams, Suzanne Solomon, Debra Jan Hodges, Nancy Gripp, Grace Ann Flood, Troy Gandy, Jim Owens, Sharon Garrison, Becky Higgins, Kathryn Flood, Mamie Silvertooth and Joellen Hamilton.

Guild certificates and pins will be presented at the recital.

NEW MEXICO VISITORS

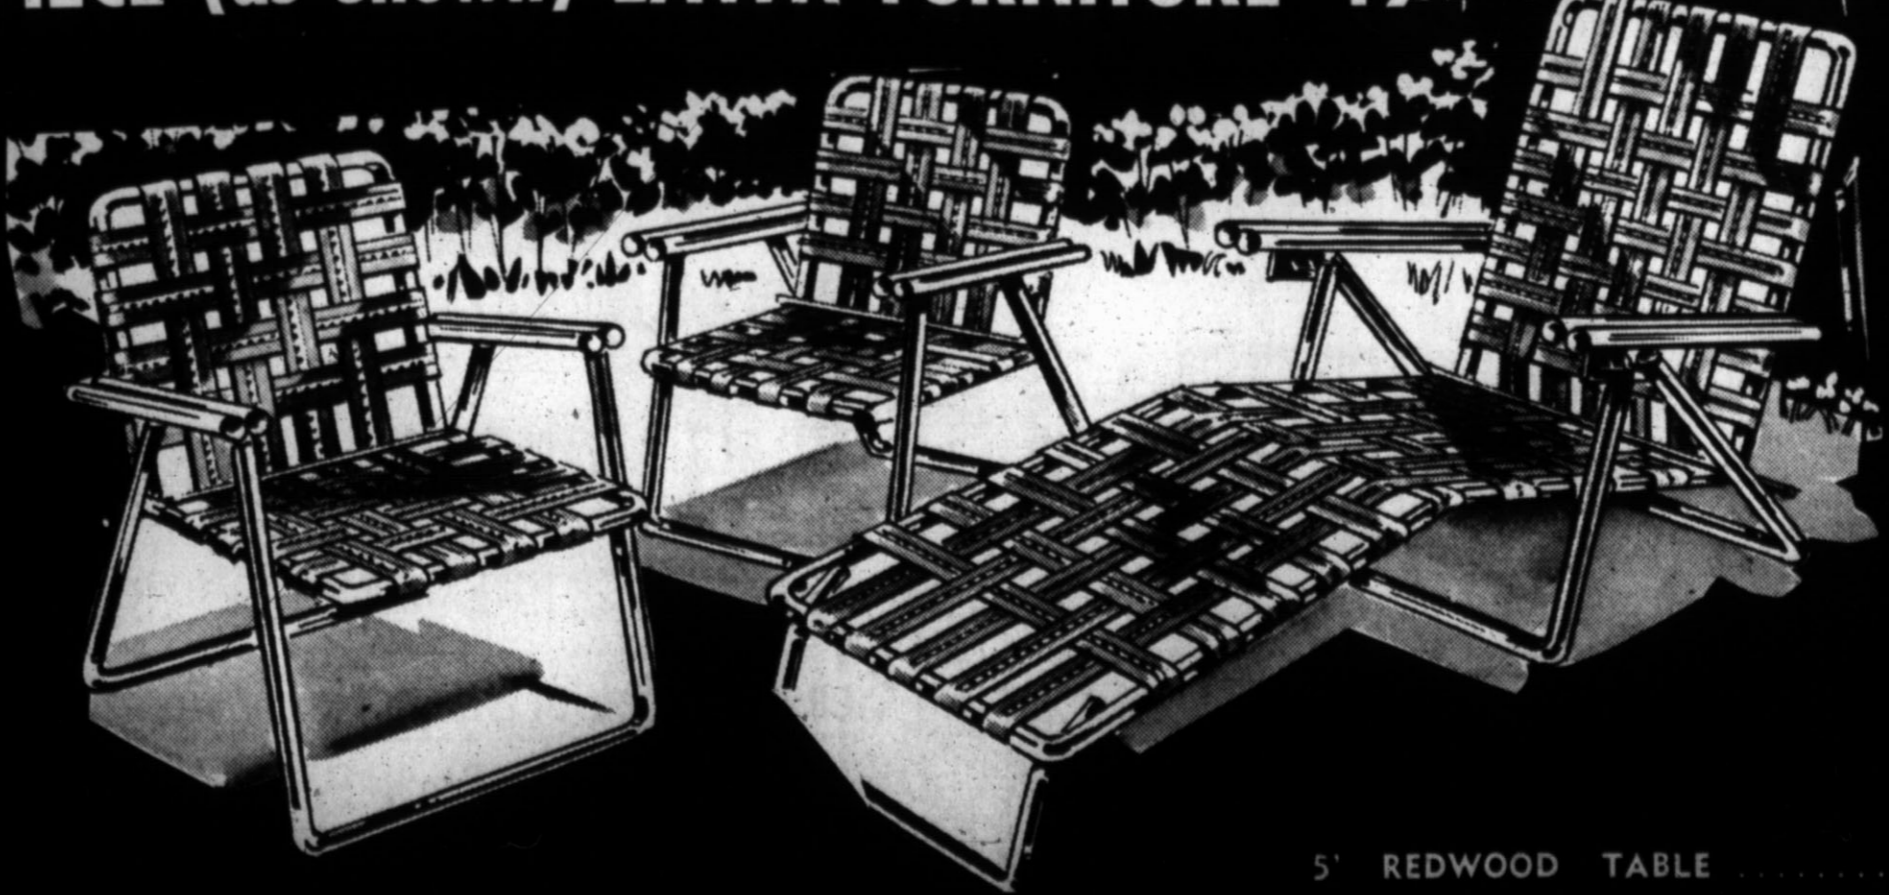

Mrs. Mary Ella Ricketts and Mrs. J. H. Hallenberger, both of Portales, N.M., were weekend visitors in the homes of friends and relatives in Hereford. They are former residents of Hereford.

Major Communications Bills Passed By Representatives

TO THE PEOPLE OF THE 18TH DISTRICT:
The House of Representatives has passed three bills this session that will have a revolutionary effect on communications, not only in this country but throughout the world. The effect in this country will not be a broad overall effect, but can go into each and every community. The first bill that was passed was the Educational TV Bill, designed to implement the television channels reserved in the public spectrum for educational broadcasting.

Subsequently, and in fact last week, a second bill was passed that will permit the full use of a part of the spectrum that has been virtually untapped. This is called the All Channel Television Receivers Bill. The goal of this bill is to provide a television system which will serve all the people, encourage local outlets, foster competition — particularly in the larger markets — and meet educational needs.

There were many suggestions as to how this could or should be done. After extensive hearings on all suggestions, it was concluded by the Committee on Interstate and Foreign Commerce that the best approach was to authorize the Federal Communications Commission to require that all television receivers shipped in interstate commerce or imported into the United States for sale or resale be equipped at the time of manufacture to receive all television channels; that is, the 70 channels in the UHF portion of the radio spectrum, as well as the 12 in the VHF portion.

The difference between VHF and UHF can be likened to the difference between a small pie (VHF) and a large pie (UHF). Due to the wide range of VHF, the license holders were quick to grab up all available frequencies, because it gave them a larger market and an opportunity to have a larger business and to make more money. As a result, UHF licenses went begging.

The FCC has allocated space in the radio spectrum sufficient for a total of 2,225 stations — 1,544 UHF stations and 681 VHF stations. Five hundred of the VHF stations are already on the air. However, only 103, or about 7 per cent, of the 1,544 UHF stations are actually on the air. If the American people are to enjoy the fullest benefits of television service, a major portion of the unassigned UHF channels must be put into operation. It was this problem that prompted the All Channel Television Receivers legislation.

There are approximately 55 million television receivers in the hands of the public; however, only about 9 million, or about 16 per cent, are capable of receiving UHF signals. The overwhelming bulk of television set production is limited to VHF receivers, and the situation is growing steadily worse. In 1953, more than 1/5 of the television receivers were equipped to receive UHF. In 1961, only about 1/20 were so equipped.

The absence of sets equipped for UHF reception simply made impossible the profitable operation of a UHF broadcasting station. In fact, 100 UHF licensees have had to go out of business. This situation was fast developing into a most serious concentration of power in all economic fields associated with television. The proper administration of this new legislation will result in the opening of many possibilities for new business and new and expanded television reception without endangering or interfering with present reception or receivers.

In fact, it will solve the problem in a much better manner than was being pursued by the FCC. Existing television sets will not be affected in any manner. I am advised by manufacturers that a converter can be

attached to an existing set for a relatively small cost to enable reception of all channels. If a person does not desire to receive UHF broadcasts, nothing need be done. He can continue to receive the present stations without interruption.

The method being pursued by the FCC would have been to separate different geographical areas so that one area would be all VHF and another would be all UHF. Had this proposal been followed through, those who found themselves in a UHF area would have had to buy a converter or a new all-channel receiver. It would also have brought much confusion and economic injury to present VHF station owners.

The third bill referred to in the communications field is probably one of the most important to pass the House of Representatives in its history. This is the Communications Satellite Act of 1962. This act not only opens the door for this country to lead the way in using outer space for communications purposes, but it does so on the free enterprise philosophy. The corporation to

be created under this act will be one in which the public will have the right and privilege to purchase stock.

It will be run like any other private free enterprise corporation in the communications carrier field. It will not be government owned or dominated. It will have the authority to create, maintain and operate communications satellite systems that will make possible the transmission of information from this country to any portion of the world in almost the flash of an eye. It will permit us to break through Iron or Bamboo Curtains with truthful and honest information without delay.

This means of communication can provide an avenue for the greatest possible service to mankind throughout the world. Proceeding to the full utilization of this new medium, by and through the application of our basic free enterprise philosophy, will give added luster to the freedom and dignity of man as recognized under our system.
