Break Ground On King's Manor

Public Is Invited To Ceremonies On Friday

Bishop Paul V. Galloway, bishop of the Northwest Texas Conference of The Methodist Church, will be in charge of the groundbreaking ceremonies when King's Manor is officially started here Friday morning.

The ceremony will be held at 10 a.m. March 23 at the site of the non-denominational retirement home for older adults. The home will be located north of Moreman street and west of 25 Mile Avenue. The public is invited to attend.

Assisting Bishop Galloway, who is from San Antonio, will be Dr. V. N. Henderson, superintendent of the Amarillo Methodist District; the Rev. Herschel Thurston, minister of the First Methodist Church of Hereford; the Rev. John V. Ferguson, minister of the Wesley Methodist Church of Hereford; and the Rev. Don R. Davidson, executive director of the home.

Also taking part in the ceremony will be C. Palmer Norton, president of the Hereford Area Foundation, which directed the local campaign drive; Earnest Langley of Hereford, a member of the home's board of directors, and William C. Young, Andrews, president of the home's board.

Construction of the first unit of the home will start immediately. Knox and Gallely of Lubbock were low bidders on the east wing of the home, with the contract signed after negotiations for \$166,103 on March 10. The first unit is to be ready for occupancy in the fall of this year.

Directors of the home recently announced that plans are being made for the construction of a nursing care unit, with building expected to start this fall. When completed, the home will have facilities for almost 150 persons.

Construction of the home will mark the end of a two-year effort, initiated in January, 1960, by the Hereford Business and Professional Women's Club.

Members of the club envisioned a retirement home in Hereford and called for representatives of other civic groups to work on the project.

Soon after, the Rev. Don Davidson, former minister of the First Methodist Church here, approached the group about locating a Methodist-sponsored golden age home here.

The two youths allegedly broke into a barn belonging to Danny Deaver and located two miles north of the city on U. S. 385.

Deaver noticed a strange car parked under a shed at the barn, as he was going to shut down an irrigation well on his place.

He succeeded in scaring the youths away and in getting the license number of the vehicle.

Upon investigation of the barn by the Deaf Smith County Sheriff's Office, two batteries, a five-gallon can of gasoline, two gallons of Prestone, a case of oil and some tools were reportedly found stacked at the door.

The ownership of the vehicle was traced to one of the youths allegedly involved. Both were arrested at their residences Tuesday.

Charges against the pair were also filed here Tuesday and bond was set.

Vocational Nurses Given Their Caps

Deaf Smith County Hospital's first class of Vocational Nurses received their caps during a special ceremony Tuesday evening in the Presbyterian Church.

Nine students in the initial VN course received their caps. Included are Mrs. Erma Bain, Miss Lema Berry, Mrs. Shirley Brown, Mrs. Lucille Flesher, Mrs. Corene Gandy, Mrs. Goldie Powell, Mrs. Charlene Rieger, Mrs. Reba Watson and Mrs. Lavern Worley.

In charge of the capping ceremony were Mrs. Joyce Wesson, R. N., director of nurses at the hospital, and Mrs. Jo Solomon, R. N., instructor-coordinator for the VN program.

The students went into training on Jan 1 and will continue through the end of the current year before being allowed to qualify for the state V. N. certifications. They work eight hours each day, with their time divided between classroom instruction and supervised work in the wards and departments of the hospital.

Processional and recessional were given by Mr. Clay Ridgeway. The Rev. Russell Winger, pastor of the Presbyterian Church, gave the invocation and benediction. Two vocal numbers were given by Joyce Wesson and Bernadette Bezner.

MRS. LUCILLE FLESHER, left, was one of the nine women receiving caps in the capping exercise held Mar. 20 at the First Presbyterian Church. The presentation of caps was made by Mrs. Joyce Wesson, R. N., Director of Nurses at Deaf Smith County Hospital. Members of the first class of the School of Vocational Nursing are Miss Lena Berry, Mesdames Erma Bain, Shirley Brown, Lucille Flesher, Lavern Worley, Corene Gandy, Goldie Powell, Charlene Rieger and Reba Watson. Around Town

Spring officially arrived about 8:35 p.m. Tuesday, almost the exact time that the wind stopped blowing so hard. Wednesday, as the first full day of Spring, was deceptively mild. But it won't last. The wind still has some tumbleweeds to toss around yet.

Curtis Traweck, chairman of the Chamber of Commerce aviation committee, has called a special meeting for Friday, March 23, at 7:30 p.m. in the Pioneer Natural Gas Company building. First item on the agenda is the formation of a Hereford Civil Air Patrol unit.

Deaf Smith County Republican Club is inviting the public to attend a covered dish supper at the Hereford Community Center at 7:30 p.m. Wednesday, March 28. All school board candidates are expected to be present for brief talks and questions. You are asked to bring enough food for your family.

Juniors Slate One-Act Play During Supper

Hereford High School's junior class will sponsor a barbecued chicken supper in the high school cafeteria Saturday from 5-8:30 p.m., in order to raise funds for the annual Junior-Senior Banquet slated next month.

Featured during the casual supper will be a presentation of "Sorry Wrong Number" by high school drama students. With a cast of six, the short one-act drama is the "hair-raising" story of a bed-ridden woman who learns of a murder plot but can do nothing to warn the victim.

The play will be presented at 7:30 p.m. in the cafeteria. The meal of barbecued chicken will be served during the hours of 5-8:30 p.m., however. Mothers of students in the junior class will prepare all the trimmings to go with the barbecued chicken.

Tickets may be obtained at the door or from any member of the junior class.

Red Cross Sets Water Courses

Plans for a water safety course, sponsored by the Deaf Smith County chapter of the American Red Cross, were announced with classes scheduled to begin on Friday, March 30.

The classes are slated to be held at the Friona Dive Inn, an indoor pool near the golf course, and will begin at 7:30 p.m.

A local Red Cross water safety instructor will teach classes for adult beginners, intermediates, swimmers and senior life guards.

All interested in taking the water safety courses may register at the local chapter headquarters by calling EM4-3761, said Oliver Streu, water safety chairman.

Classes are free but a pool charge of \$5 per person will be levied for the eight-week course. The two-hour classes are scheduled for each Friday night.

Those taking the courses must furnish their own transportation. However, car pools may be formed later.

Hiway 60 Dinner Meet Thursday

All Hereford businessmen are being invited to attend a dinner meeting Thursday evening in regard to promotion of U. S. Highway 60. The meeting will start at 7:30 p.m. March 22 with a dinner in the Jim Hill Hotel ballroom. Tickets may be obtained from the Chamber of Commerce office or at the door.

Guest speaker will be Herbert C. Schall, executive director of the Oklahoma State Chamber of Commerce, who will wind up four days of meetings along the Texas segment of U. S. Highway 60.

Also present will be Howard Buckingham of Pampa, president of the Texas branch of the U. S. Highway 60 Association.

Schall will present information to business people serving the travelling public, both directly and indirectly, in order that they

City Commission Approves Well For Present System

The possibility of adding a new water well to the city's present system was discussed and the city manager was authorized to advertise for bids for 10-inch pipe to tie the well

into the system at the regular meeting of the City Commission held Monday.

In the discussion Dudley Bayne, city manager, pointed out that the city was short of water at the Avenue C pumping station. The shortage would be even greater during the peak months of the summer.

He proposed that a well on Moreman Street, which is owned by the city but not in use, be put into operation.

"It is the opinion of the City Engineer and myself," he told the commissioners, "that this well could be tied in with the Avenue C station. The city would need approximately 3100 feet of 10-inch line for the project."

As he outlined the project, he told of the cost to the city which was well below the cost of drilling and putting a new well into operation.

Cost of the electric pumping motor was placed at approximately \$400; \$464 would be needed for a set of filter bowls and approximate cost of the needed pipe was placed at \$3870.

With the work, other materials and well accessories required to put the well into operation, the total cost would be approximately \$6841, Bayne said.

The cost of drilling a new well for the additional supply needed would be approximately \$15,000, he pointed out.

Bayne also expressed the opinion that the well at the Moreman street location may eventually cave in "if something isn't done" and could cause a problem.

Residents Filed Four Complaints Of Auto Burglary

Four complaints of burglary from an auto were registered with the Hereford Police Department as three purses and a billfold were taken from the front seats of unlocked automobiles.

Complaints filed with the department noted one theft on March 17 and 18 with two thefts reported on Monday. All occurred between 5 p.m. and 8 p.m.

Taken during the thefts were three purses and a billfold. The billfold was taken after the contents of a purse were dumped in the front seat of a car.

Two of the thefts, according to police reports, occurred in residential areas of the city. The two reported Monday happened in the 500 block of Main Street between 5 p.m. and 6 p.m.

Searches were made of the area where the thefts occurred, but only the purse and billfold taken in the residential areas were recovered by police.

Items missing following the thefts included money and credit cards.

March 31 Is Deadline For Vehicle Tags

Only slightly more than one week remains for Deaf Smith County residents to purchase vehicle license plates, county tax assessor Nell Miller reminded the public today.

By Wednesday noon, the office had sold a total of 3,085 licenses. This includes 2,104 for passenger vehicles, 366 for commercial vehicles, and 615 for farm vehicles. Mrs. Miller estimated that this total was slightly less than half the estimated number of vehicles in the county.

She emphasized that the deadline is the last day of March. State Department of Public Safety officials said they would start issuing tickets on April 1 for vehicles carrying expired license plates. The DPS also reminded motorists that the deadline for inspection of motor vehicles was April 15.

Mrs. Miller reminded county residents that they must present 1961 license receipts and vehicle title papers when applying for 1962 licenses. She said that vehicles must be registered in the owner's home counties.

Herd Tramples Palo Duro, Plays Three This Weekend

Hereford scored 14 runs in the first four innings while shutting out Palo Duro here Tuesday in near gale-force winds. After that the Whitefaces eased up as the Dons managed to score occasionally. Final score in the contest was 14-3 as Hereford won its fourth against three losses — all against AAAA teams. It was the fourth loss without a victory for the Dons. Friday Hereford will play at Plainview, with the game set

for 4 p.m. The Whitefaces nipped the Bulldogs 4-3 in the opener for both teams. On Saturday, Hereford will be in Amarillo for a doubleheader with the Tascosa Rebels. First game is slated for 2 p.m. The Rebels blasted Dumas, 19-2, in a five-inning contest Tuesday.

In Tuesday's wind-blown contest, Don pitchers just couldn't stall the Hereford bats. In all, Palo Duro used four pitchers, with none of them effective. As the game opened it looked like Hereford might have its troubles. Ronald Keeney hit the second pitch high into the air between the mound and first, where it fell for an error. Ronny James was safe on a sacrifice, but was cut down at first before the next runners fled out.

Hereford loaded the bases on two walks and a hit batter in the first, but failed to score. The first runner for the Dons again got on by error to start (Continued on page 2)

American Legion Observes Birthday

The 43rd birthday anniversary of the American Legion was celebrated by the Hereford Post and Auxiliary on Tuesday evening, Mar. 20, in the American Legion Hall. Seventy persons were present for the festivities which fea-

tured a supper including birthday cake.

Willis Hawkins of Hart, Commander of the 18th District, presented awards to Ike McCutchen, E. B. Miles and Ira Ott for obtaining the greatest number of new members. Others receiving awards for flag service were Arch Dobbins, A. H. Swigart, Ellis Coombes and Cecil Wilkins.

Grant Hanna was awarded a medal for exceeding the membership quota during his two years service as post commander. Ludwig Kovacs was presented a United States flag. He recently received his citizenship papers. Mrs. Carlos Vaughn introduced nine new Auxiliary members.

Plans for the 18th District convention were discussed. Ellis Coombes was appointed the American Legion convention chairman and Mrs. Ira Ott was appointed as Auxiliary convention chairman. The convention will be held in the Jim Hill Hotel on April 23 and 24.

Hostesses for the meeting were Mesdames Cecil Wilkins, Gertrude Neill, Ira Ott and Leroy Williamson.

Wellington Man Gets Sentence, Fine For DWI

A Wellington man was fined \$150 plus court costs and sentenced to 15 days in the county jail following his conviction for driving while intoxicated, first offense.

The stiff sentence and fine were handed down during the man's trial here Wednesday in County Court, Judge H. C. Williams presiding.

Charged with the offense was William Nation, 40. He was arrested here about 4:05 a.m. Wednesday by the Hereford Police Department officers on East First Street.

A STOLEN BASE was credited to Hereford shortstop Ken Loerwald in the fourth inning as he got the jump and beat the throw to Borger Bulldog second baseman Billy Mitchell. Loerwald went to third on a wild pitch but was stranded there, one of six Hereford players left on base as Borger proved to be too tough. With three games slated this weekend, Hereford has won four and lost three against AAAA competition. (Staff Photo)

With one out, John Buck doubled before Richard Casas and Ronnie Duncan walked. Buck scored on Joe Mack Hale's single, but Casas was out trying to come home. Duncan scored on an error at third base.

(Continued from page 1) chapter president Joe Henry announced that the chapter will attend a special Field Day in Lubbock Saturday, March 24. Slated are a tour of Lewter Feed Lots, Lubbock Experiment Station and the new Texas Tech meats lab. There will be a free barbecue at noon. All Young Farmers, and others interested in attending, are asked to meet at 7 a.m. at the Hereford High School agriculture building. Last year the Hereford club got \$25 for having the largest attendance.

Dr. Gaston Foote, pastor of the First Methodist Church of Fort Worth and a noted author and lecturer, will be guest speaker at the First Methodist Church of Hereford on Wednesday, March 28. The meeting is the annual All-Church family dinner and will start at 7 p.m.

Jo Poarch, 12-year-old daughter of Mr. and Mrs. Hoot Poarch, won third place last Saturday in the rodeo held in Shamrock during the St. Patrick's Day events. She was riding her quarterhorse, Quero Jo, for the first time in competition and was the youngest entrant in the contest.

Athletic Director Cuby Kitchens announced that the first district baseball game, at Dumas, had been moved to April 2, a Monday. It had been set for the following day but was moved to avoid a conflict with the district golf tournament, which will be held in Hereford.

A special wheat meeting will be held here at 9:30 a.m. Friday, March 23, at the Hereford Community Center. Kenneth Kendrick of Stratford, a member of the President's national agricultural advisory committee, will be the guest speaker. He will explain the 1962 program for wheat and other grains. Kendrick also is slated to speak Thursday evening at 7:30 p.m. in the Dimmitt High School auditorium.

Traditional Lions Club pancake supper will be held from 5-8 p.m. Tuesday, March 27, in the high school cafeteria, according to chairman Raymond White and Buddie Evans. Charlie Bell's combo will provide dinner music.

Jerome Erdman, Hereford branch manager, just got back from a meeting of managers of Lockwood Graders at Gering, Neb. Managers came from California, Texas, Colorado, Washington, Maine, Wisconsin, New York, Idaho and Michigan, plus one from Holland. Ironically, the far-flung delegations made it while the group from North Dakota ended up snowbound in a South Dakota farm house and missed the meeting.

Miss Phyllis Goetsch and John David Bryant, both of Hereford, were honored in presentation ceremonies for students who are listed in Who's Who in American Colleges and Universities. The ceremonies were held Sunday afternoon, Mar. 18, in the Student Union Building on the campus of West Texas State College in Canyon. The scholastic achievements, honors, activities and offices held during the college career of the student was given as each student was presented. Following the presentation a tea was given for the students, parents and friends attending the ceremonies. Attending from Hereford were Mr. and Mrs. Cawthon Bryant and Mrs. W. H. Goetsch and daughter, parents and sister of the honored students.

STUDENT PLEDGES SOCIETY Miss Lu Anne Higgins, a freshman student at Texas Tech in Lubbock, has been accepted into Alpha Lambda Delta, national scholastic society for freshman women. Membership is limited to second semester freshman who attain a 2.5 grade point average out of a possible 3.0 during their first semester of college work. Lu Anne is the daughter of Mr. and Mrs. A. B. Higgins of Hereford.

HOSPITAL PATIENT Bill Davis Jr. of Hereford is a patient in St. Anthony's Hospital in Amarillo.

Richard Casas started for Hereford and got credit for his third victory without a loss. He also helped at the plate with a single and a double driving in four runs in two times at bat. McDowell regained his batting form with a double and a triple in two official trips. Ken Loerwald banged out two official trips. Ken Loerwald banged out two singles in four times at bat. Five of Hereford's hits were for extra bases, including three doubles and two triples.

Casas pitched five innings and gave up three runs. He struck out none, walked one and hit one batter. Haney pitched one and two-thirds innings. He gave up five runs on three hits, struck out three and walked three. Kendrick pitched one-third of an inning, striking out the only batter he faced. Darrell Shew was tagged with the loss as he pitched two innings. He was charged with five runs on three hits, walked six and struck out one. Bruce Francis was next, working one inning. He was tagged for three runs on three hits, struck out two and walked none. Nordquest pitched two innings and was charged with 11 runs on six hits, walking four and striking out one. Hill pitched one inning and gave up no runs. He walked none and struck out none.

(Continued from page 1) After a short discussion of the proposal, the commissioners expressed agreement with the plan as outlined. The Commission unanimously approved a motion authorizing Bayne to advertise for bids on 10-inch pipe for the project.

An ordinance calling for the annexation of a sub-division being developed by Wayne Wallace, plus King's Manor and school property was passed by the Commission.

Since petitions were filed calling for the annexation of the area by Wayne Wallace, the Hereford Area Foundation and the Hereford Rural High School district trustees, only one reading of the ordinance was necessary for annexation.

The area annexed by Commission action Monday extends from U. S. 385 west to the north property line of the Northwest Elementary School. It extends north from Plains Avenue to the boundary lines of the three properties.

In other business, the commissioners took bids on a truckster for the John Pitman Golf Course. Bids were received from three firms with the bid from a Clovis, N. M. firm accepted.

Submitting bids were J. C. Wright, Amarillo, \$1160.73; Amarillo Cushman Sales, \$1176, and Central Auto-Electric, Clovis, \$1003.30.

The city was also authorized to advertise for bids for approximately 1400-feet of chain link fence for the Water

Department.

The fence will be put up around the department's pumping and storage facilities. Commissioners also authorized the purchase of a reel-type gang mower for the Park Department. It was pointed out during the discussion that this type of mower was safer and lasted longer than rotary type now used.

Cost of the mowers and the frames was listed at approximately \$900. Tentative approval of a plat submitted by H. L. Higgins and H. D. Bartlett was passed with approval given of a plat submitted by Sam Nunnally.

Two other plats for areas outside the city limits, but within the five-mile limit were discussed, but no action was taken. A preliminary application for insurance of city employees was signed with Charlie Bell. The Commission earlier had approved including the insurance in the budget for the fiscal year beginning May 1.

Sons Attend Last Rites For Mother

Mrs. Mable D. Kendrick, 63, of Stratford, Mo., mother of Marvin and Vernon Kendrick of Hereford, died Saturday, Mar. 10, at 11:50 p.m. in her home after a long illness.

Mrs. Kendrick was born in Falkner, Miss. in 1898. She had lived in the Stratford community for several years. She was a member of the Zion Primitive Baptist Church.

Services were held on Wednesday, Mar. 14, in the Zion Baptist Church in Springfield, Mo. Burial was in Springfield under the direction of Ayre-Goodwin Funeral Home.

She is survived by two daughters, Mrs. Jeanetta Taylor and Mrs. Jane Woodruff, both of Fordland, Mo.; eight sons, Glenn, Billy and Jackie, all of Stratford, Marvin and Vernon, both of Hereford, John of Malden, Mass., Jimmie of Red Top, Mo., and Bobby of Springfield; and by 25 grandchildren.

Also surviving are four sisters Mrs. Betty Miller of Topeka, Kan., Mrs. Era Jones of Las Vegas, N. M., Mrs. Maxey Jones of Santa Fe, N. M., and Grace Fritts of Fort Hood; and four brothers, Claude Sims of Jean, Tex., Marvin Sims of Mesa, Ariz., Bill Sims of Childress, and Jewel Sims of Amarillo.

OUT OF DISCORD

ACCORD, N. Y. (AP) — This Hudson Valley community owes its name to a former assistant postmaster general who had a sense of humor.

Residents wanted a post office but could not agree on a name for the community. They met several times to discuss the situation but finally wrote to the Post Office Department that their meeting had ended in discord.

A letter came back from Washington. "In view of your problem," it said, "we have decided to call your town Accord."

And so it is named today.

GRAVE QUESTION

BREMERTON, Wash. (AP) — North Ketsap school directors have come into possession of a dozen graves.

It dates back to some 50 years ago. The Vinland Lutheran Church congregation hacked an acre out of the wilderness for a cemetery.

Present property owners had a new survey made and discovered part of the cemetery was wrongly located. It's on school district land.

County Commissioner Henry Brown said the church is entitled to its lost graves and the deed will be changed.

Smallest unit cared for by the National Park Service is the dwelling where President Lincoln died in Washington D. C.

What with the big variation in weather, a lot of people are confused concerning the arrival of spring. The other day Slim Wester was talking about going fishing, and next morning W. B. Wilson was comfortable in a big, oversized car coat. Mrs. B. M. Wiltshire says she thinks spring is here, because we are having sandstorms; Ansel McDowell says he can prove it by one of his almanacs. They are all wrong, and I don't care what the books say. There is only one sure way to recognize the arrival of spring. When you walk into the post office some morning and hear an overture of throaty "peeps" coming from hundreds of baby chicks, you can put it down for sure that spring has arrived in all its glory.

And if you happen to be one of those moderns who never go to the post office, just ask your letter carrier. He will be

Ford 4-H Club Presents Skit At HD Meeting

Ford 4-H members held a special meeting Friday at the A. J. Bezner home to practice demonstration for the County Contests. The meeting was presided over by Sharon Bezner, the club president.

Demonstrations were practiced by Joyce and Sharon Bezner and Joel Williamson in Public Speaking; Joel Childress and Kim Williamson in Electricity; Cathy Crist and Tommy Bezner in Soil Conservation, and Gloria and Margaret Salinas in Farm and Home Safety.

Ford 4-H Club presented the program for the West Hereford Home Demonstration Club Mar. 13. Mrs. LeRoy Williamson gave a short talk on 4-H and called attention to an exhibit of 4-H materials.

She introduced the youngsters who demonstrated 4-H at work and play through a skit entitled, "It Could Be You." Those taking part were Lisa and Kim Williamson, Tommy Bezner, Cathy Crist, and Joe Childress who presented the "commercials." Joyce Bezner was Master of Ceremonies with Joel Williamson as her assistant.

Members of the West Hereford Club found themselves participants of the skit. Joel Williamson took over as "MC" to introduce Joyce Bezner who gave "Priceless Treasure". Mrs. A. J. Bezner assisted the youngsters backstage.

Biscuit Making Learned At Meet

The Willing Workers 4-H Club met Tuesday, Mar. 13, in the home of Caroline Brumley for the regular meeting.

Nancy Smith presided at the business session at which time Mrs. A. L. Miller was welcomed as the new adult leader. Miss Loreta Fowler distributed bags of light bulbs for the members to sell for their money-making project. Miss Fowler urged the club members to choose partners for the method demonstration to be held soon.

Miss Loreta Fowler, the guest speaker, was introduced by the program chairman, Ellen McGowen. Miss Fowler presented a talk and a demonstration on the making of "Sweet Milk Biscuits."

During the recreation hour, humorous "pantomimes of people we know" were done by the girls.

Miss Brumley served refreshments of Cokes and cookies to Joette Hanna, Maura McAndrews, Teresa McAndrews, Cynthia Knox, Linda Brooks, Carole Clearman, Jan Hardy, Karen Sue Cox, Randy Hopson, Ellen McGowen, Toni Beauchamp, Pam Winget, Nancy Smith, Janis Higgins, Linda Sims, Mrs. A. L. Miller, the leader, and Miss Loreta Fowler, the guest speaker.

MONDAY VISITORS

Mr. and Mrs. Sam Locke of Plainview were visitors in the home of their daughter, Mr. and Mrs. Ted Panciera and family of Hereford.

VISIT DAUGHTER

Mr. and Mrs. Lee Kent of Hereford visited recently with their daughter, Carol, who is a freshman student at Trinity University in San Antonio. Carol is majoring in elementary education.

house — but gives away donuts. Wouldn't it be more in line to give away nice steaks, and let the donut people give out donuts? He does have a nice place, though, and I am sure if it had occurred to him, Bud would have taken the other route.

Fact is, Hereford has several outstanding eating places these days. Many salesmen make a special effort to get here at meal time — and it is wonderful to live in such a progressive community.

I don't know if there is any connection, but I notice in the paper where Gid Brown has been skiing, which reminds me that I haven't seen him in a couple of weeks. There is probably no connection but, on the other hand, there might be. Skiing is definitely a sport for young folks, probably because the older people are too smart to get caught on a pair

of skis the second time. Besides, with all of this rocket travel, it doesn't hold the lure it once possessed; meanwhile I am quite glad that John Glenn made his trip at the ripe old age of 40; it sure was a boost to a lot of old folks.

If you have any old eye-glass frames around the place, give them to some member of the Lions Club; the frames are shipped to India, where they are peddled and welcome.

Lawn lovers are due some well-deserved rest this summer. They have a new wax bar impregnated with grass killer to run along sidewalk edges, eliminating tedious trimming; also plastic coatings on fertilizer to slow release of nitrogen and reduce the need for repeated applications, all of which sounds pretty good. If they keep on everyone in town will have a nice lawn as Cawthon Bryant

All you need to make laws really popular is to eliminate the work. If they can develop a grass variety which will choke out dandelions; grow only two inches in height, and flourish without water this whole thing will begin to make sense — especially if the city will do the levelling and planting.

You'd think a fellow with irrigation would be most thankful during a dust storm, but not Ralph Hastings. He says just about the time he finishes setting a tube, a strong gust of wind comes along and blows the muddy end square in his face. In fact, he and Clyde Cocanougher and C. N. McClure were giving me a bad time about my dust storm predictions. They are inclined to blame me for this wind and dust, when all I did was pre-warn them that it was coming. There will be more, too, on into April. If those three characters would do a little

weather stripping and less complaining, I figure they would have it made. The women are the ones who really have my sympathy on this dust deal.

Herschel Thurston, Methodist pastor, was visiting in Farwell recently, where the county has trimmed the courthouse trees, and says that squirrels which frequent the country trees have moved across the street to private homes, one of which is occupied by his mother-in-law. He noticed that the squirrels cut branches off the Elms, but never seem to bother the twigs and branches on walnut trees.

Bill Thompson, the C-C man, recently come up with a surprise method of exterminating cats. He parks beside the house and the cats crawl up under the hood of his car and nap. When the motor starts, the cats get

into the fan — and all nine lives vanish pretty fast. The method has drawbacks, however, especially if the youngsters happen to be around when the accident occurs; in addition, it lets the air out of Bill for the entire day.

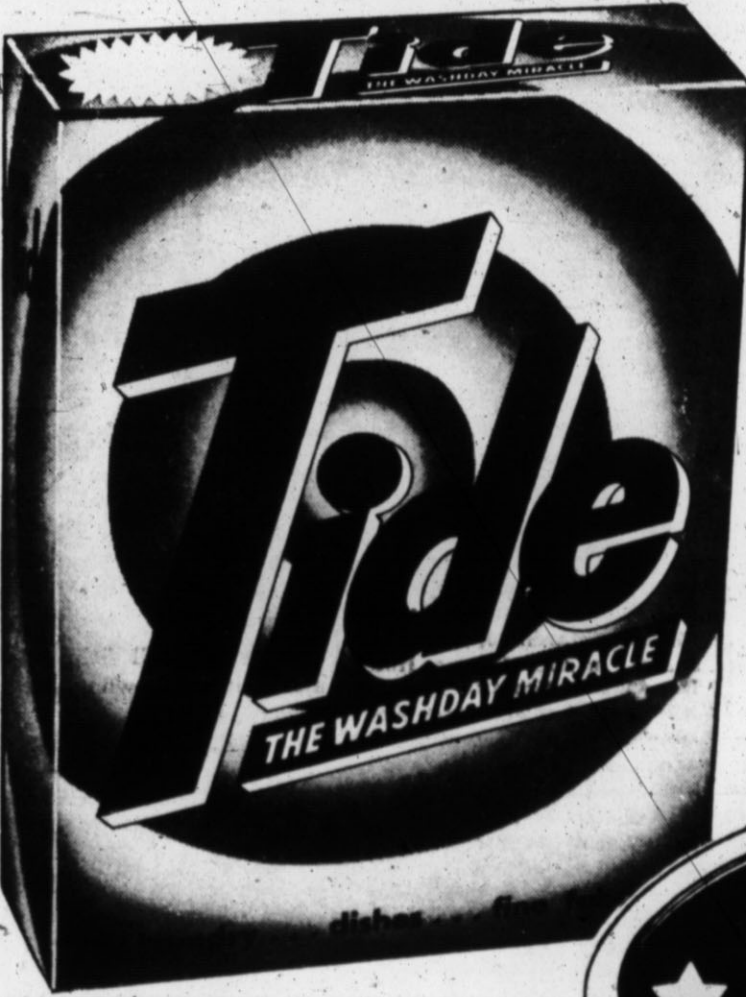

I watched part of the Jack Paar show the other night and, from the trend of things, I guess he is leaving the air soon. Millions of people will miss Paar. Although a bit sensational, he is most sincere and has developed a tremendous following; a sort of "Walter Winchell of TV" you might say. The thing I like best about Paar is the fact that he gets his guests from all walks of life. He occasionally has hobos, former dope addicts and bank robbers, along with show people and politicians. No doubt about it, Paar has carved quite a niche in American night life, and he will be definitely missed, regardless of his replacement.

MRS. ALFRED N. HOPSON, mother of four children and five grandchildren, is shown preparing Reception Salad (listed below) for the next meal. The salad is easy to prepare, delicious, and a favorite of the family. Mrs. Hopson enjoys baking cakes for her family, friends and neighbors. Mr. and

LET'S COOK SOMETHING!

'Tried And True' Recipes Are The Most Delicious

Mrs. Alfred N. Hopson is a wonderful cook, using the old "tried and true" recipes and methods of mixing. When Mrs. Hopson (Lydia) brings a cake or any other dish to a church event or any family gathering, mouths begin to water because everyone knows what is in store for them. Members of the Hopson family all recommend Lydia as one of Hereford's best cooks.

Mrs. Hopson recommends the Butterscotch Loaf for an early morning coffee.

BUTTERSCOTCH LOAF

- 2 packages of active dry yeast
- 1/2 cup warm water
- 1/2 cup orange juice
- 1/2 cup sugar
- 1 teaspoon salt
- 1/2 cup melted shortening
- 2 eggs, beaten
- 4 1/2 to 5 cups of all purpose flour
- 1/2 cup melted butter
- 1/2 cup brown sugar
- 1 teaspoon cinnamon
- 1/2 cup finely chopped pecans
- 1 (8 ounce) jar of Maraschino cherries, quartered
- Pecan halves
- Butterscotch Topping

Dissolve yeast in warm water and add orange juice, sugar, salt, shortening and eggs. Gradually blend in the flour, stirring until smooth. Shape into a ball and place in a greased bowl, cover and let rise in warm place (80 to 85 degrees) until double in bulk.

Combine butter, brown sugar, cinnamon and chopped pecans and set aside. Turn dough out onto a floured board and knead until satiny. Form dough into balls the size of walnuts. Roll each ball in brown sugar mixture and arrange in layers in a greased 9 inch tube pan. Balls should barely touch. Sprinkle each layer with cherries and pecan halves. Let rise in a warm place (80 to 85 degrees) for one hour or until double in bulk.

Bake in a moderate oven (375 degrees) for 35 to 40 minutes. Loosen from sides of pan but do not remove the loaf for four minutes. Just before serving, drizzle with Butterscotch Topping.

BUTTERSCOTCH TOPPING

- Combine 1/4 cup butter, one egg and 1/2 cup of sifted powdered sugar in a heavy saucepan and cook over low heat, stirring constantly until the mixture is thick and clear. Remove from the heat and add 1/2 teaspoon vanilla. Drizzle over the loaf.

PRUNE CAKE

- 2 1/2 cups flour, all purpose
- 1 teaspoon soda
- 1 teaspoon cinnamon
- 1/2 teaspoon cloves
- 1/2 teaspoon allspice
- 2 eggs, beaten
- 2 cups buttermilk or sour cream
- 1/2 cup butter or shortening
- 1 1/2 cups sugar
- 1 cup cooked mashed prunes

Mix sugar and shortening or butter by hand. Add eggs and beat well. Add buttermilk. Sift flour, baking soda and spices

together and add to the first mixture. Mix well by hand. Then add prunes and stir until well mixed. Put into three large layer pans that are greased and floured. Cook at 375 degrees for 30 minutes.

PRUNE ICING

Beat two eggs well. Mix 1 cup of sugar, in a saucepan or electric skillet, 1/2 cup cream or canned milk, 1/4 teaspoon salt, 2 tablespoons butter and 1 cup cooked mashed prunes. Add eggs and cook until thick. Put on cake while still warm.

RECEPTION SALAD

- 1 package lemon Jello
- 2 packages (3 ounces) cream cheese
- 1 (No. 2 1/2 can) canned pineapple and its juice
- 1 small can of pimentos
- 1/2 cup diced celery
- 1/2 pint whipping cream
- 1/8 teaspoon salt
- 2/3 cups pecans or walnuts

Bring the pineapple juice to a boil and add the Jello. When it begins to jell add the crushed pineapple, strips of pimentos, diced celery, nuts, salt and cheese. Fold in the whipped cream. Let stand until firm. For a fancier salad, dissolve one package of lemon Jello in 2 cups of boiling water. Let set until cold but not set. Pour over the set salad and let set until it jells. Cut in squares, and serve on lettuce.

PLAIN CAKE

(This cake is very good. It can be used for short cake or may be iced with your favorite icing. It can be baked in a loaf pan or in layers.)

- 2 cups sugar
- 4 eggs
- 1 teaspoon baking powder
- 1/2 teaspoon salt
- 2 cups flour

Scald 1 cup of milk add 4 tablespoons butter. Beat eggs with the electric mixer. Add sugar and continue beating. Add flour that has been sifted with the baking powder and salt, beating all the time. Add the vanilla, then add the scalded milk and butter while still very hot. Continue to beat while adding. The batter will be thin. Bake either in a loaf or layers. Serve with strawberries and whipped cream or ice with any good icing. This recipe will make 3 large or 4 small layers.

POOR MAN'S CAKE

Cook together for 20 minutes, 2 cups of raisins and 4 cups of water. Cook down to 2 cups of juice. While hot add 2 rounding tablespoons of lard or shortening and 4 teaspoons soda. Set aside to cool.

Sift together 2 cups of sugar, 4 cups flour, 2 teaspoons cinnamon, 2 teaspoons nutmeg, 1/2 teaspoon cloves, 1/2 teaspoon salt and 1 cup nut meats. Add to the first mixture and bake in a greased and floured angel food

cake pan for 45 minutes in a moderate oven. It can be iced or served plain. Other fruits may be used in place of raisins if desired.

RED DEVILS FOOD CAKE

- 1/2 cup of lard or shortening
- 2 cups sugar
- Mix well by hand. Add 1/2 cup of boiling water and stir well. Add 2 eggs and beat by hand. Add 2/3 cup of buttermilk or sour cream, 2 1/2 to 3 cups of sifted flour, pinch of salt and one teaspoon of vanilla. Mix in a separate bowl: 2 teaspoons soda, 1/2 cup of cocoa (less if preferred) and 1/2 cup of boiling water. Mix well and then add to the first mixture. Bake in three small layers or two large layer pans, well greased and floured. Bake at 375 degrees until done.

CREAMY ICING

- 2 and 1/3 cup powdered sugar
- 1/4 teaspoon salt
- 1 egg
- 2 tablespoons water
- 1/4 cup granulated sugar
- 1/2 cup shortening
- 1 teaspoon vanilla

Beat egg well with the electric mixer. Add powdered sugar and salt and beat well. Boil the sugar and water for one minute and then blend with the powdered sugar and egg. Add shortening and vanilla and beat until creamy. Put on cake while still warm.

Safer Approach To Intersections Urged By DPS

Due to the present pattern of roadways and streets, the intersection traffic problem is of great consequence. It is naturally more of a problem in urban centers than on the open highways as there are more intersections per mile in any city than would be found on the open highway.

It is not difficult to understand that intersections will always be with us. While it is true in some cases that modern streamlined freeways will be constructed in large cities and along certain principal routes, yet a very large percentage of intersections can never be physically changed.

Therefore, it is necessary that every driver learn to operate in such a manner that collisions at intersections between vehicles traveling on intersecting streets will be a thing of the past, according to the Department of Public Safety.

Some intersections are more dangerous than others and require slower approach speed. These are normally referred to as blind intersections. Some intersections of this type require a safe approach speed of 10 miles an hour, whereas there are others where the sight distance is longer due to less obstructions to vision which allow for higher safe approach speed.

For example, on an open highway where a driver can see for a good distance, it is possible to know well in advance whether a vehicle is approaching from an intersection road. Even in rural travel, however, there are obstructions such as trees, signs, woods, curves, hills and the like, which make it less possible to determine whether there is traffic on the intersecting highway.

If two vehicles collide at an intersection, it means that neither driver was traveling at a speed sufficiently slow to stop before the collision occurred. All of this adds up to one thought. Skill and judgement must be used when approaching intersections.

NUT WITH A GUN
RENSELAEER, N. Y. — Ben Handford will always remember his last half-hour as a member of the police force here.

He was set to turn in his badge at 8 p.m. He planned to take a less-dangerous job as a store manager.

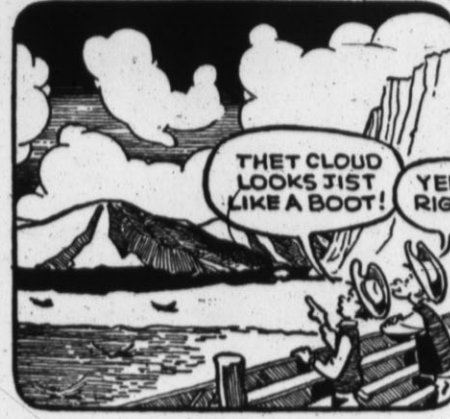

Sitting in a police car with his partner, Patrolman Thomas Poole Handford said, "Only a little while to go — we'll probably get some nut with a gun."

Twenty minutes later, they arrested a man at gunpoint after a high-speed chase. The man had a shotgun and several shells beside him on the front seat of his automobile.

Sparsely populated New Zealand has only 2,500,000 inhabitants. Its two islands are about the size of Colorado.

Herd Splits Doubleheader With Pampa, 0-1 And 14-6

Hereford lost the first game, 0-1, to Pampa there Saturday but roared back to take a lopsided, 14-6, victory over the Harvesters in the second game of the series. The victory gave Hereford a 2-1 edge over Pampa for their series this year and evened the Whitefaces' record at 3-3 before Tuesday's scheduled game with Palo Duro.

The first game was as even as you could wish as both teams had three singles and three walks.

Both teams were blanked through the first five innings. Hereford loaded the bases in the fourth inning, but failed to push in the run.

In the last of the sixth, Pampa finally got its single run. Howard Reed walked and John Arthur singled. With two out, Mike Stewart singled to left field.

Hereford pitcher Mick E Stevens cut off Dan McDowell's throw and swiped at Reed as he raced home. But the umpire ruled that the tag was missing as Pampa got the run they needed.

Hereford went down in the seventh without being able to even the score.

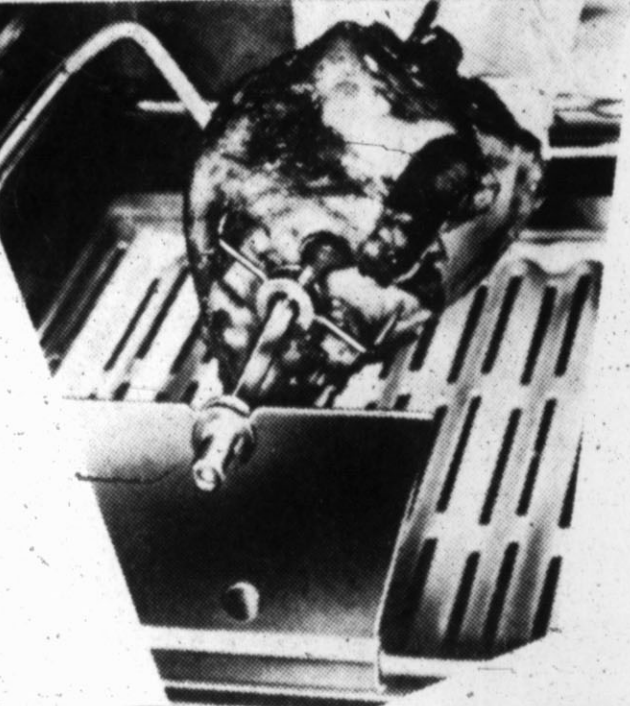

Stevens went all the way on the mound for Hereford. He allowed three singles, with one run, walked three and struck out seven.

Mike Clark pitched the entire game for Pampa to get credit for the win. He allowed a double and two singles, walked three and struck out six.

Hereford left eight stranded while Pampa had six left on base. Hereford was charged with one error in the game and Pampa with two.

But the second game was as loose as the first one was tight. The Whitefaces' opened up with five runs on just one hit and were never in trouble. Ronnie Duncan, John Willoughby, Arnold Powell and

Here's just ONE of 28 REASONS why...
YOU SHOULD COOK ON a GOLD STAR GAS RANGE.

FLAME-FLAVORED, CLOSED-DOOR BROILING — Expert chefs agree that nothing brings out the juicy goodness of meats like a live flame. And the broiler door stays closed because Gas flames consume smoke! Twenty-seven other features, including automatic rotisserie and roasting controls, are your assurance of the finest range money can buy!

TRY THIS SIMPLE TEST Hold a lighted match an inch or so above the smoke from a cigarette and see how the smoke disappears. This is the principle of smokeless Gas broiling.

And remember FLAME-FAST GAS cooks at least five times cheaper than "coil-type" cooking

WANDERING TOO FAR off first can end up badly, as Borger's Benny Jarrett discovered in the fourth inning here Friday. He found himself the victim of a smooth move from pitcher Richard Casas to first sacker Joe Mack Hale. But Borger put plenty of runners on and around to win 16-5. (Staff Photo)

went to third on Stewart's single and stole home. Pampa had runners on second and third when the side was retired.

Drew Kershen, started for Hereford and pitched five innings for the victory. He gave up five runs, struck out five, allowed seven hits and walked one in addition to hitting one batter.

Jim Haney pitched the sixth inning and gave up no runs, one hit, struck out two and walked none. Gary Kendrick pitched the last inning. He was touched for one run on two hits, walked one and struck out one.

Dee Wright started for Pampa and last just two-thirds of an inning to take the loss. He was batted for five runs on one hit, walked six and struck out one. He was relieved by Bobby Price, who went the rest of the game. Price allowed nine runs on eight hits, walked four and struck out nine.

Hereford was tagged with three errors and Pampa with six in the nightcap.

Walcott 4-H's Stage Musical Program Friday

Members of the Walcott Boys 4-H Club were featured for the program of the regular meeting of the Walcott P. T. A. Friday night at the community school.

Presenting the story of National 4-H Week, the boys also produced musical entertainment with the Walcott Barnyard Band. Vocalists were also featured during the program.

President Keith Henderson introduced the program, while program chairman John Perrin served as narrator.

Sheldon White reviewed the activities during national 4-H week before Charlie Bass took over.

Climaxing the program, members presented a "good night" skit for the parents, featuring Billie and Sid Henderson, Roger Barnett, Robert and Thomas Davis, Clyde Wylly, Sheldon White, Charlie Bass, and Gaylen Jack clad in green pajamas.

County's HD Clubs Study On Three Subjects

BY ARGEN DRAPER

The Extension Office is still trying to get these schedules worked out. The county contests are underway, the sub-committees are carrying out their plans and home demonstration clubs are having meetings on three subjects — "Making the Most of Your Food Dollar," "Freedom is Your Responsibility," and "Laundry Aids."

The Home Management Subcommittee can't tell whether to be jubilant or a little discouraged. Before a class for domestics can be completed, those taking the course get work. But of course, that is the purpose of the classes — to help women get work. We are very glad for those women to work. There are calls at the office often to employ domestic help. The committee wishes there were large classes to teach.

Sure did hate to miss the Campfire program on Saturday afternoon. I hear it was real good. There's a disadvantage in having so many schedules — I can't attend everything.

The Walcott 4-H Club gave a program for the Walcott PTO last Friday night. The girls' part included numbers that were given in the Festival last week. The boys, under the direction of Mr. Julian Perrin and Mrs. Sue White, gave clever and entertaining skits. They gave the barnyard band that they presented in the Share-the-Fun Program.

Along with our work in the county on Management, I read this recent research. This was done at the University of Tennessee and was titled: "The Relation Between Selected Women's Knowledge and Use of Consumer Credit": A Basic For Adult Education Program Planning. Here are some conclusions that emerged from the study and seem to merit further investigation:

1. Women make or participate in many decisions regarding credit use.
2. Women's knowledge about consumer credit is rather meager; they even lack knowledge of the interest they are paying for the credit being used.
3. Those with higher education levels have greater knowledge about credit.
4. Those with greater credit knowledge pay lower rates for credit they use.
5. The amount of credit that women use is greatly influenced

by their attitude toward credit use.

6. Those with little knowledge tend to hold extreme attitudes, or, to state the relationship in another way, those with extreme attitudes tend to have low levels of knowledge.

7. The majority of women want to learn about credit.

8. About half of them have no idea where to get additional information.

9. The preferred ways to get more information, for those women who do have possible sources in mind, are newspaper articles and television programs.

This follows the line that the Family Economics Subcommittee is interested in, on learning some practices in this county.

EDDIE HARRELL, newest member of the Hereford Police Department, went on duty here Friday. Harrell is a former member of the Lubbock Police Department where he served as patrolman for five and a half years. Harrell is married, and they have a son, Jay Edgar, two. The family belongs to the Baptist church. He is a former resident of Memphis. (Staff Photo)

H. D. YARBROUGH took over teaching duties at Hereford High School last week in algebra and biology to replace Earl Smith. Yarbrough also sponsors "The Whiteface" staff. He is completing his college work at West Texas State College this semester. Yarbrough previously attended Clarendon Junior College. He and his wife Phyllis and two-month-old son Craig live in Canyon at the present time.

Yarbrough Added To School Faculty

Mr. H. D. Yarbrough is the newest member of Hereford's high school faculty. He replaces Earl Smith in his duties as biology and Algebra I teacher, and as sponsor for the Journalism class. He is not too familiar with newspaper work, but he is learning along with his student journalists.

Mr. Yarbrough was reared in Claude, Tex., where his parents, Mr. and Mrs. H. C. Yarbrough, now live. He was born in Reed, Okla., however, on August 23, 1940.

While attending Clarendon Junior College for two years, Yarbrough was captain of the basketball team (his some six feet in height explains part of the reason for this.) was president of the Student Council there and graduated as salutatorian of his class.

After finishing at Clarendon Junior College he entered West Texas State where he is majoring in physical education and minoring in math. He lacks some two hours graduating as yet, so he lives in Canyon and drives to and from Hereford each school day. He, his wife, Phyllis, and two-month-old son Craig, live at 1509 9th Street there.

Yarbrough's hobbies are many and varied. His favorite is watching and playing basket-

ball, but he also enjoys hunting, and fishing - preferably in season.

He thinks that Hereford High School is very nice; the students being cooperative and helpful, and since the faculty is friendly toward him, his new job is very enjoyable for him, he says.

Domino Band Has 'Excellent' At Festival

Hereford High School's Big Domino Band received an "Excellent", or "II" rating in concert playing at the Borger Music Festival held Friday, with some 25 bands from the area competing.

The Big Domino Band ranked "III" in sight reading at the contest. The Borger Music Festival is the first in a series of musical contests that the band will enter.

Saturday some 75 soloists and ensembles from both Hereford High School and Stanton Junior High School will compete in the annual Solo and ensemble contest sponsored by the University Interscholastic League at West Texas State College in Canyon.

Hereford High School Band will then compete in contest and sight reading contest April 11 in Canyon. Stanton Junior High will enter the competition April 10.

Champions Hold Mock Ping-Pong Tourney Here

Friday, March 16, the students of Hereford High School were entertained by two professional ping-pong players. The student council has presented several Southern Assemblies this year, the latest of which was the table-tennis championships.

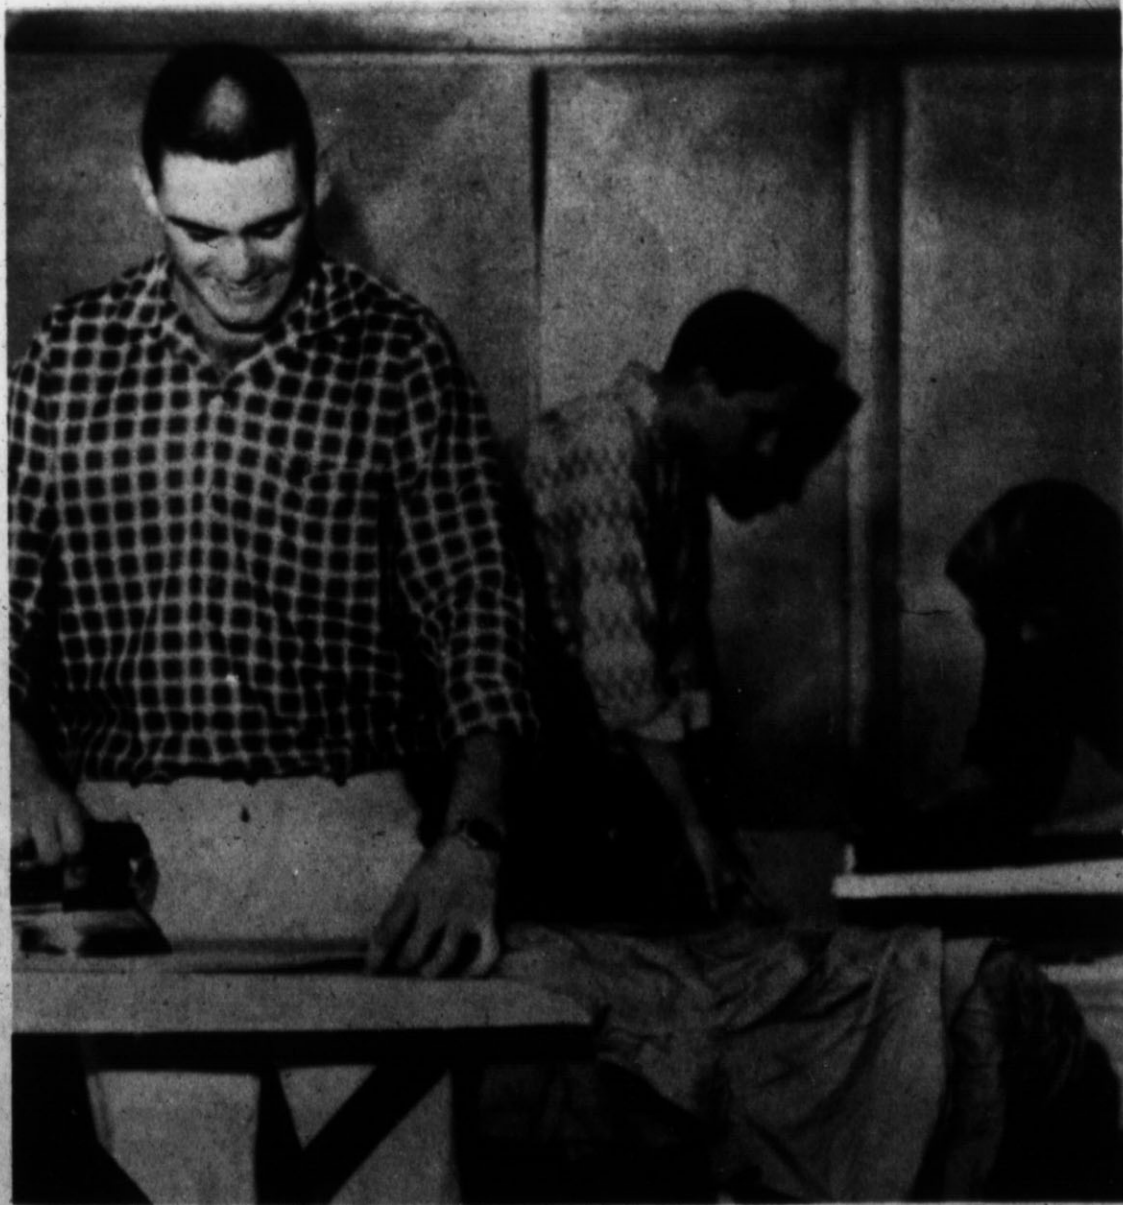

Besides showing their skill of the game, they kept the student body in stitches with their warm-up exercises. They explained the rules of the game and the fact that it takes a score of 21 points to win.

They also explained the origin of the game. It seems that while two British soldiers were in India during the rainy season, they decided to build a miniature tennis court. They used wooden paddles and small rubber balls.

The two men appearing here hold championship titles over the U. S. and Canada. During their performance they chose some students to assist them. Troy Don Moore played against the holder of the New York Championship and was victorious. Of course he had a slight handicap of 17 points. Joe Mack Hale and Butch Walterscheid played doubles with the champions. The students seemed to enjoy the performances of their own classmates as well as the professionals.

Local Youth Groups Visit New Mexico Winter Resort

By Maribeth Gilliland
Approximately 75 Hereford people went to Red River, N. M., March 9, 10, 11, to enjoy a weekend of skiing.

All the school students were out of school Friday, March 9, because of the District 9 Teachers' Meeting. This made

it very convenient to take advantage of the extra day and really "live it up."

The Methodist Youth Fellowship and the Presbyterian Youth Fellowship took off early Friday morning. The Presbyterian group went straight to Red River and looked the situation over, while the Methodist went to Taos, N. M., before going to the desired destination.

Jack Renfro had a tour planned of a few of the most interesting historical spots in Taos to show the group. When the end of the tour came, everyone wanted to stay longer but Red River was waiting and the schedule said to push on.

As they entered the resort they were greeted by the Presbyterians and several other groups that didn't come with either church.

While the Presbyterian group industriously cooked all their meals in their rooms, the Methodists made their way up to the ski lodge to eat. Afterward, everybody gathered at the lodge for a mixer. Here they met lots of people from other towns that were spending a weekend of relaxation at Red River, also.

All were eager to get up early and get out on the ski lift except three sleepy-headed girls that were with the Methodist group. I think the girls will agree that the walk from Terrace Towers to the ski lodge is quite a journey before breakfast with snow blowing in one's face.

The day's skiing proceeded about 9 when the ski shop opened. This enabled skis, shoes, tickets to the lifts, etc. to be

purchased. The snowy slopes had seen action for about 30 minutes before the casualties started pouring in the lodge. At least eight of the total number of injuries belonged to the Hereford groups. There were no broken bones, strains, and pulls.

Guinn and Neff Compose Ideal Male Companion

As Judy Guinn and Ronda Neff were trying to decide what their ideal boy would be like, this is what they came up with. First off, his hair would have to be like Dan McDowell's with eyes like Jerry Curtsinger's, hands like Austin Hodges', and a bright smile like Butch McCaslin's.

He would have to be as athletic as Joe Mack Hale, as good a sport as Mike Ferguson, intellectual as Drew Kershen, versatile as Jimmie Higgins, considerate as John Pavlicek, friendly as Arnold Powell, helpful as David Block, honest as Joe Self and funny as Joel Lytal.

Next, they decided he would have to be as cute as Walker Parris, have the physique of Butch Walterscheid, dress like Jay Boynton, and be as handsome as John Buck.

Last of all his requirements would be that he have the personality of Lynton Allred and manners of Ronnie Duncan.

For best all around they decided on none other than Judy Wiman. What a choice!

Hereford Navy Man Serving On Missile Ship

Walter E. Watson, electronics technician first class, USN, son of Mrs. Wilma Watson of 840 Blevins, is serving aboard the guided missile destroyer USS Lynde McCormick, which is participating in Exercise Pot Shot off the coast of Southern California, March 12-23.

The exercise, largest Navy training maneuver in the Pacific Fleet in nearly a year, involves more than 60 ships, many aircraft and elements of the First Marine Division and the Third Marine Air Wing.

Hereford Marine Completes Navy Aviation Course

Marine Sgt. Bobby W. Frost, son of Mr. and Mrs. J. M. Frost of 221 Ave. A, was graduated recently from the Aviation Machinist's Mate School at the Naval Air Technical Training Center, Memphis, Tenn.

The seven-week curriculum includes basic characteristics of the jet power plant, fuel systems, power plant installation procedures and safety practices. Completion of the school qualifies students for duty as a jet mechanic with the aviation branch of the Marine Corps.

SYMPOSIUM MEMBER

James W. Hinkley of Hereford, speech teacher and drama director in Hereford High School, was a member of the symposium for the Eighth Annual Drama Festival held Mar. 16-17 at Eastern New Mexico University, Portales, N. M.

ATTEND HOUSEWARMING

Mr. and Mrs. Alvin Schmucker, Bob Schmucker, Mrs. Loretta Warren and Mrs. Ozetta Wilhelm, all of Hereford, attended a housewarming recently for Mrs. Henry Schmucker in Nazareth.

School Contest Play Presented

Hereford High School's contest play, "The Sisters McIntosh" was presented on Saturday afternoon, March 17, at Eastern New Mexico University.

Nineteen schools, most of them from Texas, participated in this contest. Besides the contest, Saturday morning was filled with symposiums or discussion groups. After the symposiums, the students and faculty ate

lunch in the Eastern cafeteria. The contest plays were presented in the afternoon starting at 1:30. Hereford was the first to present its play.

The plays were judged mainly on acting and the script itself but setting and costume design also entered into the judging.

The cast for the play is as follows: Audni Miller as Tizzie McIntosh; Connie Kent as Lullie McIntosh; Walker Parris as Cousin Archie. Other members of the cast serving as crew are Kay Seamarida, Sheri Carmichael and Mickey Bonesio.

The students of Hereford High School will be able to see "The Sisters McIntosh" in assembly on March 23. In Canyon on March 27, the play will be presented before the judges at the West Texas College Auditorium. This will be done without any props. This will be the truly big event for the play and the wishes of most Hereford students ride with the cast and crew.

After skiing and sleighing all day long, the group wasn't quite as active at the mixer as the night before. Several of the injured and exausted sat around the fire place and reminisced of the activities of the day.

The room sponsors didn't have much trouble, if any, getting their various groups to turn-in early and quietly.

As everyone was piling out of bed bright and early Sunday morning, preparing for the long trip home; a large number of the skiers realized they had muscles they never knew existed.

After breakfast and a short, informal church service, everyone headed for home. The last of the cars finally arrived about 8:15. All having aching muscles and riding fatigue from traveling all day long, went home and "hit-the-sack."

Gary Tyler Is Happy Dreamer Of Glamour Girl

This week the Ideal Girl was chosen by Gary Tyler. It seems that last Tuesday night, Gary had a dream about his ideal girl, and oddly enough, she had all the ideal characteristics of the girls in Hereford High School. This lovely heroine had the ambition of Janie McBroom; the bashfulness of Suzanne Higgins, the cute qualities of Nicky, Bradford, the darling of Linda Stephan, the eyes of Judy Kreighshauser, and the flirtatiousness of Sandra Wester.

Further on in the dream, the girl materialized and bestowed upon her captivated dreamer the grace of Connie Kent, and had the lovely hair of Sharon Hill and hands like Gerry Lynn Wheeler. She was as jolly as Linda Jones, was as likeable as Jan Reese, and, like Janie Noland, and was very energetic. Her manners were perfection, as are Patsy Livesay's.

Then suddenly, it dawned upon Gary that this divine dream girl was as neat as Bonnie Sparkman, had teeth as pretty as Ruth Allison's, fingernails like Dianne Clearman, knees like Betty Scott, ears like Jenny Holt, and legs like Linda Stephan.

She then took off her shoes and, as she danced barefoot, he saw that her toes were the very essence of beauty as Terry Smith's are! Oh! and those elbows - just like Toni Parker! She talked just like Sandra Hodges, and had the very musical laugh of Dianne Clearman.

He noticed that she may have been silly like Jenny Roberts, but her intelligence (like Alice McClain's) made up for that, along with the fact that she was witty like Koni Underwood and smiled the very special smile of Kay Lemons.

But alas! Dreams, like all good things, must come to an end, but can be remembered with fondness in the future.

American Legion Zone Meeting Held In Vega

The American Legion Zone I meeting was held in Vega, Mar. 13, at the Legion Hall with Cecil Wilkins of Hereford, Zone president, presiding.

Mrs. Ira Ott of Hereford, Zone secretary, read the minutes of the previous meeting. Mrs. Rhea Smith of Amarillo told of the visit to Lubbock of Mrs. J. Howard McKay of Springfield, National President of the American Legion Auxiliary.

Mrs. Ira Ott, hospital representative, reported on a new project for the auxiliaries of the zone to furnish cut flowers each Sunday for the chapel.

Charlie Mason, division chairman of the American Legion Baseball committees, urged that each post sponsor a junior baseball team. He stated that last year here were 110 teams enrolled in the division with prospects for more this season. He

also expressed a hope that each post would sponsor contestants to enter the American Legion Oratorical contests. Anyone interested can contact a Legionaire for information.

Grant Hanna, American Legion Commander of the Hereford post, extended an invitation to all posts and auxiliaries to attend the 18th District Convention to be held in Hereford on April 28 and 29.

The next zone meeting will be held in Claude on April 10.

Those from Hereford attending the zone meeting were Messrs. and Mesdames Carlos Vaughn, H. A. Swigart, Ira Ott, Walter Frost and Cecil Wilking; Mesdames Hazel Sparks, Bill Gilleland, Gertrude Neill, Lurline Smith and Mabel Wagner; and Arch Dobbins, Grant Hanna, Marvin Kearns and Wilbur Bell.

"THE SISTERS MCINTOSH,"

one-act play entry of the Hereford High School Thespians, entered in competition at the Portales, N.M. drama festival Saturday. Of the many one-act plays entered, Muleshoe was the only school receiving a "Superior" award. The play will be entered in the District one-act play event sponsored by the Interscholastic League. Depicting the comical story of two old ladies who "trick" their nephew into believing they are crazy so he will leave the house, "The Sisters McIntosh" features Audni Miller, Walker Parris, and Connie Kent in the cast. Above are some scenes from the hilarious production. Audni Miller appears as Tizzie (in the dark dress) while Connie Kent portrays Lullie. The unsuspecting nephew, Archie, is characterized by Walker Parris.

Newsmen Quiz Candidates For Lieutenant Governor

BY VERN SANFORD
Capital newspapermen quizzed candidates for lieutenant governor at a Sigma Delta Chi dinner and found wide variety in the answers.

At a prior meeting the professional journalism society had quizzed the gubernatorial candidates.

Big news of the session was the unanimous opposition to legalizing pari-mutuel betting on horse races. Texas voters will have an opportunity to express their own views on this subject at the May 5 primaries.

Rep. V. E. "Red" Berry of San Antonio got this issue listed on both the Democratic and Republican primary ballots by presenting both political party headquarters with petitions signed by more than 200,000 persons. Petition asked the legislature to give the people an opportunity to vote on pari-mutuel betting.

Further questions to the candidates at the newsmen's dinner revealed diverse opinions on repeal of the poll tax as a prerequisite for voting. Four favored repeal; two opposed it. Senator Preston Smith and Bill Hayes were the opponents.

Candidates present at the meeting were Senators Preston Smith, Jarrard Secret, and

Crawford Martin and Robert Baker, all democrats, and Bill Hayes and Kellis Dibrell, republicans. Speaker James A. Turman, the seventh candidate, was absent.

Former Lt. Gov. Ben Ramsey moderated the discussion. He closed the session with a comment that most people underestimate the importance of the job of lieutenant governor. Because all state policy is made by the legislature, the lieutenant governor is of prime importance. He presided over the Senate, names the Senate committees, and decides which committees will handle bills. Thus he has almost absolute control over the course of legislation which is state policymaking.

POLL LISTS HIGH
It seems like there's a record number of candidates running for state and national office this year. There also appears to be a record number of potential voters.

A recent count showed 2,373,857 Texans paid poll taxes or filed for exemptions this year. That's 218,212 more eligible voters than last year.

With 15 county totals still due at the State Comptroller's office, including some big cities, the list may exceed the record-setting 2,594,254 who paid to go the polls in the 1960 presidential election.

All poll-tax payers who show up at the May 5 primaries will answer the big question: Do they want to keep the poll tax as a voting requirement?

Their answers on primary tickets of both parties should be a representative decision on the long-battle subject.

ATTORNEY GENERAL RULES
Angelina County Attorney Dan Brazil asked Attorney General Will Wilson whether a precinct chairman who is elected in a May primary can take office immediately.

He was told that even though a man becomes precinct chairman without a runoff, he must wait until the Saturday after his county runoff election before he assumes his new duties.

Attorney general also ruled that the "banking escheat" law calls for bankers to advertise for missing depositors in May of this year.

He also interpreted the criminal code to read that a jus-

tice of the peace cannot collect a \$4 trial fee if the case at hand is dismissed.

EGG STANDARDS UPGRADED
Benefits of the crackdown on egg grade violations in 1958 were reaped by Texas housewives. Number of below-quality or inedible eggs reported for the last quarter of 1961 was only 1.2 per cent.

Agriculture Commissioner John White said this incidence is "the lowest in history for Texas and probably as low a level as ever attained by any state."

When the Egg Law became effective in 1958, violations were uncovered at the rate of 16 per cent. State Department of Agriculture spent \$39,902 in fiscal 1961 to see that the law was enforced.

At a meeting of the Texas Egg Advisory board, White commended the state's egg industry for its cooperation in the egg "clean-up."

Board includes G. F. Siegel of Burton, Marvin Gilbreath of Weimar; Jack Dubose of Gonzales; T. D. Craddock of Hamilton; Tom Boothe of San Antonio; D. W. Reneau of Seguin and F. Z. Beanblossom of Texas A & M.

A HALF-MILLION MILES TO SCHOOL
Texas Education Agency clocked school bus mileage in the state's 1,483 districts. They found that 8,240 bus drivers drive almost a half-million miles daily to take 420,000 children to school.

Some West Texas school buses travel as far as 229 miles a day.

INDIAN RAID ON CAPITOL
Dressed as Ani-Waya, Latnka, Tonkawa, Neep, Caddo, Kiwa, Sotso, Po-Hebeto-Quasho and Oglewanagi Indians some 50 school children raided the Capitol.

Whopping it up for the Brenham Indian Festival to be held April 14, the youngsters danced and chanted to the beat of a giant drum for 30 minutes around the Capitol rotunda. Then they invaded Gov. Price Daniel's reception room to invite him to their April show.

Brian W. Schenk, Austin school teacher in charge of "Indian Affairs," said the children came from Dallas, Houston, Mexia, Denton, Port Arthur, San Antonio, Snyder, Lubbock and other points. They're members of an organization that's trying to preserve old Indian traditions. Some have visited tribes all over the Southwest.

TEXAS DAY AT THE FAIR
Seattle World's Fair officials have invited Governor Daniel to come to the fair on April 27. Billed as "Texas Day" the state will be saluted in a special program in which college, high school and other units can take part.

Schools that are interested in sending representatives should contact the governor's office. The Chorolettes of Lamar High School in Houston already have been booked to sing April 26-29.

SAFE AND DISCREET
WEST MEMPHIS, Ark. (AP)—A West Memphis man and his wife take separate flights when they make trips by air. They have four small children and like to spread out the risks.

Recently the wife asked a young ticket agent for two tickets to the same city on separate planes.

Legal Notice

HIGH PLAINS UNDERGROUND WATER CONSERVATION DISTRICT NO. 1 of the State of Texas, hereby gives notice of the adoption of additional rules and regulations of and for such District, and also of the changes in the numbers assigned for the designation of certain rules heretofore adopted.

Each of the changes, amendments, and additions herein referred to shall be effective on and after the 28th day of March, 1962 (which date is more than five days after the second and final publication of this notice once a week for two consecutive weeks in a newspaper of general circulation as provided by the Statutes of the State of Texas).

Additional rules adopted are:
—Rule 1 is amended by adding Section (j) reading as follows: "Open or uncovered well shall mean any artificial excavation drilled or dug for the purpose of producing water from the underground reservoir; not capped or covered as required by these rules, which is as much as ten (10) feet deep, and not less than ten (10) inches, nor more than six (6) feet in diameter."

—A new rule to be designated as Rule No. 16 is adopted and it reads as follows:

"Rule 16 OPEN WELLS TO BE CAPPED. Every owner or operator of any land within the District upon which is located any open or uncovered well is, and shall be, required to close or cap the same permanently with a covering capable of sustaining

weight of not less than four hundred (400) pounds, except when said well is in actual use by the owner or operator thereof; and no such owner or operator shall permit or allow any open or uncovered well to exist in violation of this requirement. Officers, agents, and employees of the District are authorized to serve or cause to be served written notice upon any owner or operator of a well in violation of this rule, thereby requesting such owner and/or operator to close or cap such well permanently with a covering in compliance herewith. In the event any owner or operator fails to comply with such request within ten (10) days after such written notice, any officer, agent, or employee of the District may go upon said land and close or cap said well in a manner complying with this rule and all expenditures thereby incurred shall constitute a lien upon the land where such well is located, provided, however, no such lien shall exceed the sum of One Hundred Dollars (\$100.00) for any single closing. Any officer, agent, or employee of the District, is authorized to perfect said lien by the filing of the affidavit authorized by Article 7880 - 3c B(11) as amended by acts of the 57th Legislature 1961, Chapter 493, pages

1095 and 1096, House Bill No. 692. All of the powers and authority granted in such 1961 amendment are hereby adopted by the District, and its officers, agents, and employees are hereby bestowed with all of such powers and authority.

Number designation of Rules previously adopted are changed as follows:

—Former Rule No. 17 pertaining to "Right to Inspect and Test Wells" is changed only to the extent of the number designation so that hereafter that same rule shall be designated as Rule No. 15.

—Former Rule No. 15 pertaining to "Final Orders of the Board" is changed only to the extent of the number designation so that hereafter that same rule shall be designated as Rule No. 17.

—Former Rule No. 16 pertaining to "Re-Hearing" is changed only to the extent of the number designation so that hereafter that same rule shall be designated as Rule No. 18.

—Former Rule No. 18 pertaining to "Rules Governing Protests" is changed only to the extent of the number designation so that hereafter that same rule shall be designated as Rule No. 19.

—Former Rule No. 19 pertaining to "General Rules of Procedure for Hearing" is

The Hereford Brand, Hereford, Texas, Thurs., March 22, 1962

changed only to the extent of the number designation so that hereafter that same rule shall be designated as Rule No. 20.
—Former Rule No. 20 pertaining to "General Rules" is changed only to the extent of the number designation so that hereafter that same rule shall be designated as Rule No. 21.

The full context of each of the above referred to rules and amendments as well as all other rules and regulations of this District, are on file in and available for examination at the offices of this District located at 1628 - 15th Street, Lubbock, Texas.

Week after week carefully tabulated figures published in "Automotive Market Reports" show that Chevrolet trucks are worth more in resale value.

why?

If you were a professional used truck buyer, why would you pay more for one make than another?

There may be several reasons, but among them would be:

1. A greater demand for the product

2. A more desirable product for resale

So if used Chevrolet trucks consistently bring higher prices at auctions all over the country, it means that their quality features pay off for you not only as long as you own them but also when you are ready to trade them—double-wall cabs, doors and side panels, roof insulation, select wood floors, reliable and economical engines, real rugged tailgates, a suspension system that helps prolong truck life.

See your Chevrolet dealer for a quality '62 Chevrolet Jobmaster truck.

"Automotive Market Reports" is a weekly authoritative wholesale publication which reports the average prices paid for used trucks and cars by professional buyers at auctions all over the U.S.

REPORT

The Ta-Wa-Si Group of the Campfire Girls hiked as a group to Veteran's Park recently.

Girls taking the hike were Debora Corley, Shari Dameron, Anna Garcia, Elsie Gonzales, Lynn Hale, Pam Hoffman, Kathy Miller, Sallieann Scott, Rosemary Scheetz, Mrs. Gerald Hale and Mrs. Jesse Scott.

Officers recently elected were Elsie Gonzales, president; Penny Young, vice president; Pam Hoffman, secretary; Rosemary Scheetz, treasurer, and Anna Garcia, scribe.

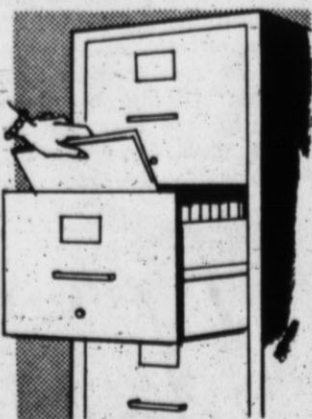

Kenneth Cole Attends Navy Control School

Kenneth D. Cole, airman apprentice, USN, son of Mrs. Johnnie Davis of 220 Mile Ave., reported recently to attend the Air Controlman School, at the Naval Combat Information Center School, Brunswick, Ga.

The CIC school trains officers and enlisted men of the Navy in the use of airborne and shipboard radar for the early warning defense system, control of high speed aircraft, and anti-submarine warfare.

"Honey," reassured the young lady, "It's all right to go on the same plane. Nobody'll know you're travelling together."

TELEPHONE TALK

by Gene Adkisson, Manager

ABOUT YOUR TELEPHONE

We know how important it is to you that the bill you receive from us for your telephone service each month is correct. And we try very hard to see that it is always right.

Most calls are billed with the help of marvelous new electronic machines. These machines help us to hold down our cost of billing — which means holding down the price you pay for telephone service. It would be almost impossible to do the whole billing job by hand.

Though our electronic machines are almost miraculous in their speed and accuracy, it is still possible, once in a while, for something to go wrong. For that reason we have dependable telephone people checking and double-checking the bills at every key point in the process.

In the telephone business, we combine machines and people for the utmost accuracy in your telephone bill. Like any other part of your telephone services we are always looking for new ways to improve it while holding down the price you pay.

PERSONNEL CHANGES

I would like to introduce Mrs. Nell Stewart who has been transferred to Hereford as chief operator for the Telephone Company. Mrs. Stewart will replace Mrs. Marie Sears who retires on April 1.

Mrs. Stewart began her telephone career as an operator in Monahans in August of 1935. She has worked in different capacities in our traffic department in Monahans, Odessa, Sweetwater, Wichita Falls and Kermit. Mrs. Stewart comes to Hereford from Kermit where she served as chief operator.

Mrs. Marie Sears began her telephone career in Hereford 36 years ago as an operator and has established an outstanding record, in that during these 36 years she has never been absent or tardy. Congratulations Mrs. Sears for such a record.

Call by number. It's twice as fast.

American Heritage Program Given By Campfire Girls

Bayview Study Club members met Thursday afternoon, Mar. 15, in the Community Room of the First National Bank with Mrs. R. B. Miller as hostess. Mrs. Phillip Barkley gave a two-part program dealing with "American Heritage". The first part was presented by Miss Judy Crume and Miss Sharon Tinnin, members of the Campfire Horizon Club. They are both working on the highest honor of torch-bearers. Judy Crume will win her rank in the Horizon Club with citizenship and Sharon Tinnin will win hers in home making. Both of the girls told of campfire activities in their work and play and of the campfire camps. In conclusion, the girls sang two songs and presented the American flag with the club members standing in salute.

In speaking on "American Heritage", Mrs. Barkley told of the influence of Communism on the nations of the world and especially in America. She stressed the need of the youth of the land to become informed and stated that she felt that

Americanism should be taught in the public schools. During the business session, Mrs. Jimmie Gillentine told of the Top of Texas District annual convention which will be held in Shamrock in April. She read a letter from the American Legion Auxiliary asking that each member of the club join the Auxiliary at 9 a.m. each day in a prayer for peace. The next meeting will be at the

Hereford Community Center on April 5 with Mrs. J. W. Kirby as hostess. Attending the meeting were Mesdames D. H. Alexander, Phillip Barkley, Colby Conkright, Howard Gault, W. J. Gilliland, Jimmie Gillentine, A. M. Jones, Francis Hardwick, W. S. Kerr, J. W. Kirby, John McLean, R. B. Miller, Eugene Naugle, Carl Perrin and J. W. Spradley.

HD Member's Role In 4-H Is Topic For Homemakers

The Community Room of the First National Bank was the place for the regular meeting of the Young Homemakers Home Demonstration Club on Tuesday, Mar. 6. The president, Mrs. Richard Clark, called the meeting to order. Mrs. Melvia Shaw called the roll that was answered by the eight members and three visitors with their ideas on ways to improve youth and adult relations, how attitudes of both adults and teenagers can both be changed, and responsibilities of parents and youth for personality development, counseling and guidance.

Mrs. Richard Clark gave an informative program on "A Home Demonstration Club Member's Role in 4-H Work."

A "thank-you" note from Mrs. Irving Alexander was read thanking the club members for their help in the Mothers March of Dimes. It was reported that a new recreation committee meeting would be held on Mar. 16. The finance committee presented several suggestions for a money-making project. The club members voted to sponsor a forty-two party in the near future.

Mrs. Kenneth DeHart gave a civil defense report and read a letter, written by President Kennedy and published in Life magazine, on "How To Survive Fallout." Mrs. Clarence Caywood gave a report on "New Foods," taken from an article in Better Homes and Gardens. Mrs. Kenneth DeHart gave a report on the HD Council meeting. Mrs. Richard Clark was elected as the club's nominee for the H. D. "Woman of the Year."

4-H Girls Are In Radio Skit

Members of the Merry Maidens 4-H Club recorded a special program for presentation at a later date during their regular meeting Wednesday. "An Ideal 4-H Member" was the title of a skit the girls recorded for presentation over radio station KPAN at a later date.

The skit featured members describing ingredients for a "4-H stew," or the things that go into making an ideal 4-H member.

Refreshments were served to Mesdames Pete Lowrie, Kenneth DeHart, Melvin Shaw, Richard Clark, Terry Brown, Roy Evans, Charles Brothers, Jim Cherry, Dean Paul, Buster Miller and the hostess, Mrs. Clarence Caywood.

Area Students Pledge Social Fraternities

Two West Texas State College freshmen from Deaf Smith County were among the 48 men students who pledged the four national social fraternities on campus during formal rush week. Pledging Kappa Alpha Order was Bobby Renfro, son of Mr. and Mrs. C. C. Renfro, 310 W. Seventh St. Ken Walsler, son of Mr. and Mrs. Guy Walsler, Summerfield, was pledged to Lambda Chi Alpha. He is an architecture major at the college.

ETERNAL LIFE THROUGH JESUS CHRIST

ZERO hour

is at hand. It is high time men discovered the rule for living which This Old Book offers . . . the Golden Rule. For almost 100 years now, it has shown me the way to live so that my dying may be a simple transition. I trust its Golden Promises and I have seen them come true. But we have real trouble in the world today. The Book says that nation shall rise against nation; that men would love pleasure rather than God; that they would turn their backs upon His church and would deny His Power. That's the way it is today. My God, let us dust off our Bibles and discover again, or for the first time, that God is the truth and the light, and that we are doomed without Him. Let us say with the Psalmist, "Thy word is a lamp unto my feet, and a light unto my path."

FRIO NEWS

Club Views Film On Cancer Signals

BY MRS. OWEN ANDREWS

Frio Home Makers Club met Tuesday in the Community Building in Hereford. Dr. Beene showed a film, "Time and Two Women", dealing with cancer. He emphasized the wisdom of yearly checkups for women under 40 and every six months for women over 40. Early diagnosis is the major weapon in the fight against cancer, was the important point of the program.

During the business meeting, announcement was made that the next meeting will be on Tuesday, March 27, at 7:30 p.m. with husbands and families also invited. An attorney has been invited to speak on "Making a Will." The meeting will be in the club room, at the Community building. The members plan to bring punch and cookies.

Attending the meeting were Mrs. Carlton Dobbins, Mrs. Joe Scott, Mrs. Clark Andrews, Mrs. Earl Harkins, Mrs. Edgar Vinson, Mrs. Floyd Cole, Mrs. Henry Dobbs, Mrs. Owen Andrews, Mrs. Buster Thomason, Mrs. Carr, Mrs. David Hutchins, Mrs. Jim Brooks, Mrs. Harlan Barber, Mrs. Owen Norris, Mrs. Leo Hall, Mrs. Bill Struve, and Mrs. Mark Shadden. Hostess for the meeting was Mrs. Clark Andrews.

Mr. and Mrs. Earl Harkins and children had Sunday dinner in the home of Mr. and Mrs. Buster Miller in Hereford.

Visiting the Harkins' Sunday afternoon were his parents, Mr. and Mrs. F. B. Harkins of Plainview, Mr. and Mrs. Gene Welch and family of Black, and Mr. and Mrs. Alton Chiddix of Plainview.

Word has been received here of the birth of a son to Mr. and Mrs. Victor Stewart Jr. of Mesa, Ariz. Mrs. Stewart is the former Betty Jones, daughter of Mr. and Mrs. Woodrow Jones of Dimmitt. The family formerly lived in this community. The baby weighed 8 pounds and 14 1/2 ounces and has been named Curtis Lee. Stewart's parents are Mr. and Mrs. Victor Stewart of Mesa.

Mr. and Mrs. Jimmy Jones, son of the Woodrow Joneses, are living at Buckeye, Ariz., where he is a construction worker.

The Rev. and Mrs. B. H. Baldwin, accompanied by his brother, the Rev. and Mrs. Milton Baldwin of Springlake, visited Thursday through Saturday in the home of their mother, Mrs. Anna Baldwin, at Albuquerque and with other relatives in the area.

Verdielle Andrews and Loreta Fowler were in a group of young people who spent the weekend skiing at Santa Fe. They report stormy weather on Saturday on the ski mountain. The weather was very cold there the past few days.

Mr. and Mrs. Harlan Barber, Jimmy and Virgil, Mr. and Mrs. Bill Williams and family visited their relatives at Lenora, Lorraine and Lubbock during the weekend. They found their aunt, who had been seriously ill, to be much improved.

Having Sunday dinner with the D. C. Millers were Mrs. H. M. Mobley, Austin Mobley, Mr. and Mrs. Lee Johnson, Mrs. Floyd Cole, Jana, Beverley and Cheryl.

Mrs. H. M. Mobley and Mrs. Lee Johnson visited Mrs. Mobley's sister, Mrs. Claude Price at Floydada Thursday.

Mr. and Mrs. David Hutchins and children spent the weekend visiting Mrs. Hutchins' parents, Mr. and Mrs. C. W. Rosson, at Muleshoe.

Mr. and Mrs. Clark Dobbs and children of Westway ate dinner Sunday, with their parents, Mr. and Mrs. Henry Dobbs and brother, Larry.

Visiting the James Dobbs home Tuesday, and Tuesday

night was Mrs. Dobbs' aunt, Mrs. May Hefner of Aurora, Colo. Mrs. Hefner had visited the Jim Cassels family in Hereford Monday and is presently visiting other relatives in Oklahoma.

The James Dobbs were guests for Sunday dinner in the home of her sister, Mr. and Mrs. Jim Cassels.

Olin Parris visited his parents, Mr. and Mrs. H. A. Parris, near Lubbock on Sunday.

Plans for the spring revival at the Frio Baptist Church are being announced. The date is April 27-May 6. Evangelist will be the Rev. Robert L. Bratcher of El Paso and Music Director will be Leon Hokett, music director of The First Baptist Church at Ralls. Bill Williams is local evangelism chairman and Mrs. Harlan Barber was elected publicity chairman.

Mrs. Olin Parris underwent surgery at the Deaf Smith County Hospital on Monday morning. She was able to return home Tuesday and is doing fine.

Walker Parris, Austin Hodges and Dennis Hodges were among young people from this area in skiing parties at Red River, N. M., last weekend.

Floyd and Bill Cole accompanied J. W. Thomas, Deaf Smith County Agent, to Abilene during the weekend. Thomas brought back calves for other club boys in the area.

Mr. and Mrs. Weldon Stephan and girls visited the Carl Lee home at Summerfield Sunday afternoon.

Mr. and Mrs. Dale Wright, and Judy of Hereford, had supper with the Weldon Stephens Tuesday night.

Cheryl Cole spent Sunday with Genie Robbins.

Alexander Wins Speech Contest At Toastmaster's

Irving Alexander, speaking on "It Takes All Kinds", won top honors in the Hereford Toastmasters Club elimination contest held during a ladies night at the Hereford Country Club on Tuesday.

The contest was held to select a member from the club to speak at the area meet held Saturday in Tulla.

Rex Lee and Kenneth Rudd tied for second place in the contest as Bruce Miller placed third. Lee spoke on "Honesty" with Rudd presenting a talk entitled "I Am A Patriot."

Miller gave a talk entitled "The Threat to Southeast Asia." Serving as toastmaster for the meeting was Ed Dzuik Jr., with M. C. Adams as the table topic chairman. The general critic was Kenneth Coker.

Other critics serving during the meeting were Dr. Milton Adams, Dr. Bob Tyler, Pete Petersen and Carl Ray.

In other business, nominations for the new officers of the club were made. Nominated for president was Dr. Adams; Virgil Dodson, educational vice president; Lee, administrative vice president; Alexander, secretary treasurer, and Ray, sergeant-at-arms.

CARD OF THANKS

"We wish to thank our neighbors, friends and relatives for their many kindnesses to our beloved husband and father during his long illness. Also thank them for the beautiful flowers, food, cards, and messages of sympathy after his passing. They shall always live in our memory."

REP. ROGERS WRITES

Two Colonial Statemen's Political Beliefs Reviewed

TO THE PEOPLE OF THE 18TH DISTRICT:

The word "politic" is defined in Webster's New Collegiate Dictionary as "of or pertaining to civil government." It has also been defined as the science of government, the rules of conduct by which men must live. History records many attempts

DO YOU REMEMBER?

"Feb. 11, 1891, Commissioner's Court, those present were Judge Dean, Commissioners Powers, Jones and Skains. On motion the Clerk was instructed to request Mr. C. J. Miner, Commissioner Prec. 4, to be on hand at the next term of Court to suggest some one to take his place as Commissioner. On motion the Court decided to have the ground floor or plan of Courthouse to be 70 Ft. square, subject however to change when plans were presented if thought proper. Also aisles 10 Ft. wide passing both ways through the building and walls 28 feet high. Contract price to include fire proof floor, painting and everything complete."

FORMBY FOR GOVERNOR A. J. (Major) Schroeter, Chairman, invites you to come by his office or KPAN office and get campaign material for mailing to friends. Contributions in helping elect this qualified and capable man as Governor will be appreciated. (Paid Pol. Adv.)

in this field of endeavor, none of which has been free of flaws. Throughout the ages, most of these attempts have resulted in dismal failure. It might be said that as a result of these dismal failures and in revolution against them, the Declaration of Independence and the Constitution of the United States were born.

At the time of the creation of our great country, one of the leading political lights of England gave us a life expectancy of not more than 50 years. Others have predicted our disintegration from year to year, from decade to decade and from century to century.

In a few short years, this country, under the Constitution, which has had relatively few amendments, will have survived for 200 years, and it is my prediction that the forecasters of doom, both of this generation and those of the past, will be as disappointed at the end of the 200-year period as each has been in the falsity of their own individual predictions.

Man lives by challenge, and it can never be said that this country and our people have failed to have a fair share of challenges. With each, we have grown stronger. Today we are faced with perhaps our greatest challenge. It, too, will be met and dispensed with as have all others to the greater glory of our nation and our people.

We must never lose faith in our own country, in our own people and in the philosophy of government written into our Constitution.

Much has been said in recent years as to the preachings and the doctrines of those who lived in the early days of our country and who fashioned many of the concepts and the philosophies which have guided us through the years. Perhaps the two leading schools of thought were represented by two great Americans who saw eye to eye on many subjects, but who were in direct conflict on others. I speak of Thomas Jefferson and Alexander Hamilton.

I thought it would be well to sum up in this newsletter a few of the beliefs of these great men as compiled by historians and presently documented in the history of this country.

On political philosophy, Jefferson believed in innate worth,

rationality, ability and equality of men regardless of education or wealth, as being capable of self-government. Hamilton on the contrary did not believe in the masses and public opinion. He was a great admirer of hereditary monarchy and of the proprietary classes.

On the question of minority rights and special interests, Jefferson vigorously defended the rights of the minority through proper application of a Bill of Rights. He placed great faith in the common people and vigorously opposed the entailing of estates and primogeniture. Hamilton is recorded as being little concerned with individual rights and subscribed to an aristocratic Senate to check popular assemblies.

Both men saw eye to eye on complete freedom of the press and its wide utilization. On the general subject of government, Jefferson believed that union was essential to the safety and prosperity of the States; that government was necessary to prevent men from injuring each other, and the less government the better. He opposed government by an elite, but wholeheartedly endorsed the proposition that it should be by and for the common people. Hamilton is reputed to have believed in a strong permanent union and a strong Federal central government to insure that union.

On the machinery of government, Jefferson believed that the President should serve not more than two terms (you will remember that this is the 22nd Amendment to the Constitution adopted in 1951). He believed in a complete separation of powers and a full application of the Bill of Rights by the judicial branch of the government as an essential means of safeguarding personal liberty. Hamilton subscribed to election of the President for life and election of Senators for life or good behavior. He believed that the power of judicial review should be exercised to declare void unconstitutional acts of State and Federal legislatures. (It might be remembered that it is this power fixed in the decision of Marbury vs. Madison by Chief Justice Marshall that is the present source of the tremendous power of the

Supreme Court.) Hamilton also believed in high property qualifications for voting. There are many other matters that are of great interest with relation to the thoughts of these two great Americans, and it would be well for those who are interested in our government to review the history of that era. It will be most revealing and will certainly point out the beginning of philosophies that were adopted after vigorous and bitter debate and argument in a country under a government of the people, by the people and for the people. It will reassure everyone that if we will proceed in accordance with the dictates of the Constitution, we need have no fear of our country disintegrating.
