# Snow Blankets Muleshoe Area Friday

## Mules Fall To Perryton In Last Game

The Muleshoe Mules ended one of their best seasons in many years with a loss to Perryton Friday afternoon.

Playing on a snow covered field, the Mules received the kickoff, but were forced to punt. Perryton received the ball

The Muleshoe High School Mighty "M" Band received a I rating at the UIL Band Contest in Lubbock Wednesday afternoon.

Most businesses will be closed on Thursday, November 23, so employees can enjoy Thanksgiving Day with their families.

Muleshoe schools will be dismissed Wednesday afternoon and will not resume till Monday due to the Thanksgiving holidays.

Mr. and Mrs. R. D. Gilliland attended funeral services Tuesday in Plainview for Mrs. Gilliland's cousin, J. L. Hamm, 81, died Sunday in Central Plains Hospital in Plainview. Services were conducted at 2 p.m. in St. John's Methodist Church in Plainview with burial in the Floydada Cemetery.

Mrs. Bob Rivers and daughter, Sandra, have returned to

on their 35 yard line and rambled for 65 yards in seven plays to make their first score of the game. Boner scored from the five yard line and with the extra point, the Perryton Rangers led the Mules, 7-0.

The Mules again received the ball and this drive was highlighted by a 20 yard pass to Joe Elizarraraz from Don Long. The Mules were again forced to punt on their 48 yard line.

The Rangers took the ball and drove 92 yards in seven plays for their second score of the game. Haberthur ran from the Muleshoe 42 yard line to score which put the Rangers in the lead 14-0.

In the second quarter, fumbles were a major factor as both teams lost the ball twice of fumbles. Highlighted during the quarter was when Perryton tried a fake field goal attempt, but were held by the Mules.

After the half, Perryton took over with a first down on their own 46 yard line and in two plays covering 54 yards, they scored to make the score 20-0.

Muleshoe drove for seven plays, four first downs, covering 77 yards completed by a 29 yard touchdown pass from Don Long to end David Faver to make the score 20-6. The two point conversion try failed.

Still in the third quarter, the Rangers wrapped up the victory when Haberthur jaunted 39 yards for another six points. The PAT attempt failed. This was the final score of the game giving Perryton the lead, 26-6.

During the fourth quarter, the Mules were only able to

RECEIVES FIRST BRAND BOOKLET... Delbert Watson, right, is shown receiving the first copy of the brand booklet from Chamber of Commerce and Agriculture President R. A. Bradley. The booklet containing 315 brands registered in this county, was recently completed by the Chamber. Watson had the original idea for the booklet. Cattle and other livestock brands are listed in the booklet along with the brand owner's name and address.

## Temperatures Stay Below Freezing Mark

A new cold front swept into the Muleshoe area Friday bringing snow, sleet and chilly temperatures to the area.

Sleet and snow began falling Friday afternoon and by night, the ground was almost covered from the sporadic snow flurries that fell throughout the afternoon.

Citizens woke up Saturday morning to a blanket of slushy snow, but melting was already in progress early in the morning.

Hazardous driving warnings were issued over the panhandle and South Plains Friday night and early Sunday morning due to icy streets and highways.

Fog and below-freezing temperatures coated automobiles with ice in Panhandle and South Plains, cutting visibility in places to a few hundred feet.

The National Weather Service reported that the wintry conditions covered 80 per cent of an area from just northeast of Pampa to Paducah and Lubbock and Clovis.

The wet snow will keep farmers out of the fields for

a few days. Farmers are just now finishing up the grain harvest and starting the cotton harvest. Fields should put a quick stop to harvesting in this area for a few days, supposed.

The weather was supposed to break by Saturday night, clearing off and bringing temperatures back above freezing. As this edition went to press Saturday morning, more snow was falling, but the temperatures were rising and the snow was melting faster than it was falling.

The Pleasant Valley 4-H Club will sponsor a Turkey Shoot Sunday, November 19, at 1 p.m. The shoot will be located an eighth of a mile west of the Muleshoe City limits on the Clovis Highway.

## PV 4-H Club Will Host Turkey Shoot

## Brand Booklet Available At Chamber Office

A complete list of brands filed in Bailey County, along with the owner's address and telephone number, has been published by the Muleshoe Chamber of Commerce and Agriculture.

The idea was originally thought of by Delbert Watson. There are 315 brands registered in the county and listed in the booklet.

The idea behind the project was that whenever ranchers in the area have stray cattle on their place, they can go to this brand booklet to find the owners name and address after identifying the brand on the cattle.

The Chamber has made up several hundred of these booklets and are now available from

## Ricky Seaton Honored By Lubbock Paper

Ricky Seaton of the Lubbock Avalanche-Journal was named Star of the Week by the Lubbock Avalanche-Journal last week for his performance in the Lubbock-Matador game last Friday night. The two teams tied 30-30.

Seaton accounted for all of Lubbock's points on scoring runs of 20, 10, 5 and 18 yards and a 73-yard kickoff return. He rushed for a total of 196 yards and had 47 yards passing.

Jaycee of the Month for September. He was elected due to his work on the Labor Day Rest Stop.

The program was brought by Alex Williams, City Councilman and Vice President of the Board for the South Plains Association of Governments.

Of the 254 Texas counties, over 200 belong to an organization such as SPAG.

In this area, SPAG covers

## Antique And Hobby Shop Opens Here

Erald's Antiques and Hobbies will be opening in Muleshoe on November 18.

Mr. and Mrs. Arnold Gross of Muleshoe will be opening the shop at their home located at 222 West 13th Street in Muleshoe.

Mrs. Arnold will have the shop open all day November 18 through November 26, and after these dates, it will only be open on evenings and weekends.

The Arnolds bought out the Lu' China Hutch (formerly Henderson's) in Plainview.

The shop will feature blank china, glass lamps, china and glass paints, hobby supplies, insulators and antiques.

15 counties of which 10 counties are members. Bailey County

Muleshoe and Bailey County belong to the organization and some of the benefits gained from SPAG was that the organization helped get aid for the new sewerage plant and that through the efforts of SPAG the local hospital has been approved for an on-the-job type training from South Plains College and possibly later on, even the same type of training from the Texas Tech Medical School.

Williams introduced the speaker, Truett Mayes, regional services officer for SPAG, from Lubbock.

He stated that there were several of these organizations across the United States and they all do basically the same thing - put some of the national government back in the hands of the local governments.

Government works best when people govern themselves and SPAG is designed to localize on local problems of its members and it serves as a mediating body between local and national governments.

Over the 15 counties, the group has help organize 15 to 20 industrial foundations.

Some of the help the organization provides includes:

1. It helps get financial aid from the national government for parks.
2. It helped to get the com-

## Community Slates Joint Thanksgiving

The Bailey County Ministerial Alliance will be sponsoring a Joint Thanksgiving Service Tuesday night, November 21, at 8 p.m. in the First Baptist Church.

Agreeing to cooperate and participate are the Lions, Rotary, Jaycees, highschool football team, high school band, the Mayor and City Council, County Judge, County Attorney, District Attorney and City Manager.

Many others will also be participating and several area churches will be represented.

Special music will be provided by the First Baptist Church Choir. Rev. Jaquez, Spanish Mission pastor, will sing.

Also on the program will be Father Robert O'Leary, Immaculate Conception Catholic Church; Rev. Jim Sanderson, Nazbodie Baptist Church; Rev. Kenneth Cole, First Christian Church; Rev. J. B. Fowler, minister of the First United Methodist Church; Rev. V. L. Huggins, minister of the Trinity Baptist Church; and H. D. Hunter, Assembly of God Church.

Rev. Doug Dubose, minister of the First Baptist Church and president of the Ministerial Alliance, will be directing the program this year.

Rev. DuBose invites and urges everyone to be present and give thanks.

COUNTY RECEIVES REFUGE CHECK... Muleshoe Wildlife Refuge manager Bert Blair, Jr., is shown as he presents County Judge Glen Williams with a check for \$1,499.12. The payment represents the county's share of revenue generated from the Muleshoe National Wildlife Refuge and is figured on the adjusted cost of the acquired lands within the refuge. This is the seventh payment to the counties under Public Law 88-523 which set up the procedure now in use for distribution of revenue from the refuge receipts. This law further specifies that funds paid to the county under its act must be used for schools and/or roads. Distribution will be made on the same percentage basis as last year between the County Road and Bridge Fund, Muleshoe Public Schools, Bula Independent School District and the Three Way Independent School District.

## County Applies For Rural Development

Bailey County submitted an application to the Texas Industrial Commission for designation as a rural area Tuesday morning at a hearing in Big Springs, Texas.

Glen King, manager of the Muleshoe Chamber of Commerce and Agriculture attended the hearing on Senate Bill No. 931 where he submitted the ap-

plication and gave oral testimony on the reasons Bailey County should be declared a rural area under this bill.

Bailey County Judge Glen Williams completed the application listing the following three areas in which the county should qualify:

1. Sustained an out-migration of population between the 1960 and 1970 Federal Censuses. This out-migration rate is -23.8 per cent.

2. Sustained a gain in population less than the average Standard Metropolitan Statistical Areas between 1960 and 1970 Federal Censuses. The average is 23.6 per cent increase. Bailey County's gain was -6.6 per cent.

3. An area in which the manufacturing employment is less than average manufacturing employment for SMSA in 1970 Censuses. The average is 25,686. Bailey County's manufacturing employment is 150. Judge Williams also attached the following letter to the application:

"Bailey County is a highly diversified farming area, is generally productive, and has great potential for future development. We produce wheat, cotton, corn maize, vegetables,

cattle, hogs, and sheep. There is a limited amount of manufacturing and other industry in the county. But the past several years has been a rapid decline in our population, school scholastics and business activities.

## SPACE Will Host Area Legislators

The South Plains Association of Chamber Executives will host a meeting with area legislators Monday, November 20, at 11 a.m. in the Lubbock Club of the First National Bank in Lubbock.

Chamber of Commerce and Agriculture manager Glen King, who is also the secretary of SPACE, and Corky Green will attend the meeting.

All area representatives have been invited to attend this get-acquainted meeting and noon luncheon.

This meeting will be in conjunction to meetings in the Permian Basin and Panhandle areas to be held in the near future.

## Food & Fiber Month Observed In Texas

"Texas Food & Fiber Abundance Month" being observed in November pays tribute to a vital Texas industry that touches the lives of all Texans.

Texas agriculture is a vast producing plant that turns out an abundance of food and fiber. The incomes of about 40 percent of all Texans are derived directly or indirectly from agriculture.

A county-by-county census of agriculture shows how important agriculture is to the economy of the state. Look at the figures:

Over \$21 billion is invested in improvements related to ag-

ricultural production. This investment produces \$3.3 billion in products annually.

In the last five years, the number of farms in Texas increased! This reversed a 40-year trend where farms decreased from a peak of nearly half a million to a low of 205,000 in 1964. Total number of farms now stands at 213,500.

With eight out of ten Texans living in cities, it is interesting to note that farms still occupy about 143 million acres out of a total of 168 million.

The average investment per

## United Fund Has Kickoff Breakfast

The Muleshoe Area United Fund had its annual kickoff breakfast Friday morning at 7 a.m. in the Corral Restaurant.

Approximately 35 people were present to hear the guest speaker, Bob Mills of Pioneer Natural Gas, Amarillo.

Mills has been head of the United Fund for the past few years in Amarillo. He is also a past campaign manager. This year Amarillo's United Fund has set a goal of \$915,000.

This year Muleshoe seems to have more rural support as most of the outlying small communities were represented at the breakfast.

Chosen to be in charge of the different areas this year were Spencer Beavers, residential area; Bill Bickel, rural area; and Kenneth Henry, businesses.

There will only be a two week campaign this year which will wind up on December 4 with a house to house campaign conducted by the volunteer workers.

There are 10 agencies within the United Fund this year. The

agencies and their budgets are the Bailey County Livestock Show, \$3,700; Boy Scouts, South Plains Council, \$2500; Salvation Army, \$2250; Girl Scouts, Caprock Council, \$1664; Babe Ruth League, \$700; Muleshoe Girl Scouts, \$650; American Red Cross, \$350; Muleshoe Senior Citizens, \$350; USO, \$250; and the 4-H Youth Leadership, \$150.

For the next two weeks, the Muleshoe and Bailey County Journals will be spotlighting the different agencies of the Muleshoe Area United Fund.

The South Plains Boy Scout Council is a participant in 13 United Funds in the 20 counties of the area. As the United Fund prepares for its annual campaign, here is the information about who does pay for Scouting.

The boy comes first, and he pays his annual national membership fee, buys his own uniform, books and equipment and pays dues into his troop treasury. He pays for these things himself, preferably earning his own money in accor-

dance with basic Scouting philosophy that each boy should learn self-reliance and thrift by paying his own way.

The Scout Unit-Cub Pack, Boy Scout Troop, or Explorer Post spends money for camping expeditions, "Good Turn" projects, badges, books, craft supplies and other materials, its sources of income are the weekly dues that boys pay, and approved money-earning efforts such as a car wash or ticket sales to the annual scout show called Scout-O-Rama. Each scout unit is generally self-supporting in this way.

The civic club or church that sponsors the Scout unit is responsible for providing an adequate meeting facility for the Troop or Pack. Generally, troops meet in existing buildings such as churches, schools, or community buildings. Thus the sponsor is responsible for the heat, lights, etc., and it agrees to provide competent, devoted, volunteer leadership who pay

## Maintain Quality of Field Stored Cotton

The problem of maintaining continuously adequate cotton supplies is not a problem peculiar to the United States. And now more than ever before, the world cotton industry is coming to recognize this fact. This is one of the conclusions drawn from the recent International Cotton Advisory Committee meeting in Managua, Nicaragua, at which delegates were in attendance from just about every nation in the world.

For many years the U.S. Government has shouldered the responsibility and assumed the cost of carrying cotton stocks at levels high enough to assure the world supply in any given year. But the U.S. Government has now stated, flatly, that it will no longer carry stocks at the high levels of the recent past.

This new U.S. position plus the wide price-supply fluctuations of the last few years has placed an inescapable spotlight on the world industry need for some manner of stabilizing both supplies and prices.

Consequently the ICAC meeting saw considerable time devoted to discussions of the problem of stocks and how they affect prices, marketing and production. On a world basis it was the consensus at the meeting that stocks equivalent to five months consumption would constitute a "reasonable" level.

From there the talk went to the difficulties in financing such stocks, the effect of carryover stocks on prices and subsequent effects on production.

According to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, who attended the meeting as a producer-advisor to the official U.S. delegation, "the deliberations were a healthy sign that the supply-price dilemma may be about to get the attention it has long deserved from both cotton consuming and

A solution to the problem was not forthcoming," Johnson said, "but it was encouraging that the problem was clearly recognized and that a few suggestions were made as to how might be faced."

Among these suggestions were the possibilities for arrangement in a "buffer stock system" for cotton, perhaps with World Bank financing, and the establishment of an international futures market.

Delegates to the meeting agreed that cotton prices must be stabilized at a level sufficient to assure adequate remuneration to growers. The "Cotton Policy Statement" issued after the meeting stated "Otherwise they will be forced to shift to other crops, and this loss of supplies could, in the long run, have repercussions on the world cotton economy."

Obviously a widely acceptable plan to stabilize cotton prices and supplies will not be easy to come by. While both cotton producing countries and cotton importing countries agree that wild price fluctuations are detrimental to all cotton interests, producing countries will be reluctant to take action which might result in a ceiling on prices and importing countries may balk at anything that might put a floor under prices.

"But if we are to have a progressive cotton industry, Johnson stated there simply must be a way to assure the price stability necessary to continued production and the stability of both prices and supplies that is the key to growth in consumption."

"And if this objective is to be reached," he concluded, "not only the U.S. but every other country with a stake in the world cotton economy will have to accept its responsibilities and meet those responsibilities with a high degree of world state-manship."

## Hadley Will Announce At Ft. Worth Rodeo

FORT WORTH - The smooth, rich voice of Tom Hadley will provide play by play action comments and scores during the 55th anniversary of the World's Original Indoor Rodeo held in conjunction with the Southwestern Exposition and Fat Stock Show Jan. 26 through Feb. 4.

"We are pleased to have been able to secure the services of this outstanding rodeo announcer," said W. R. Watt, Jr., general manager of the Stock Show and Rodeo.

With a wealth of information on both rodeo and its contestants, the Brady, Texas, resident has conducted rodeo sportscasts for more than 30 years. Reared on a ranch in Oklahoma, Hadley began riding and roping in junior rodeos when he was 10. During high school he roped and wrestled steers.

While a member of the basketball team at New Mexico A&M, he helped to form the National Interscholastic Rodeo Association. He became the IRA's first recognized college steer wrestling champion, winning the title in 1949 at the Cow Palace in San Francisco when he was a college senior.

Hadley ended his active competition role in rodeo in 1953 and began devoting full time as an announcer, both for rodeo and horse shows. He makes about 300 performances a year, traveling close to 80,000 miles.

Announcing assignments have carried Hadley across the U.S., and into Canada, Cuba and Mexico. He has served as announcer for the National Finals Rodeo in Oklahoma City, the Madison Square Garden Rodeo in New York and the rodeo in the Salt Palace in Salt Lake City, and at the American Royal Horse Show in Kansas City.

Hadley owns three ranches, at Brady, Cache, Okla., and Burns, Ore., and raises Thoroughbred and Quarter Horses. A member of the American Quarter Horse Association, he and his wife and two teen-age sons show and race their horses.

Performing the announcing duties for the Horse Show and Livestock Show during the 1973 Stock Show will be four members of the WBAP Radio news staff.

During their off hours from the radio station microphones, Brock Harris, Anthony Hennes, Woodie Meyer and Dick Yaws will keep Stock Show exhibitors and visitors informed about action in the various classes.

This loss of population, together with adverse weather conditions, depressed markets and unemployment has severely damaged our economy. However, we believe it has not bottomed out, and with some stimulation, would turn around and conditions would gradually improve.

We believe a designation for the benefits available under the Texas Industrial Development Act would be of benefit in stimulating our economy, stabilizing our population growth, and helping the general conditions in our county.

### MONTH...

Cont. from Page 1

Texas farm is approximately \$100,000. Average value per acre climbed from \$111.53 in 1964 to \$148.49 in 1969.

During the past five years, value of crops decreased from \$1.2 billion to \$1 billion, while livestock increased in value from \$1 billion to \$2.3 billion.

The Texas agricultural industry is also a vast market for items used in growing crops and livestock. Here are some figures that relate to the spending by agricultural producers:

- \$1.6 billion invested in farm equipment and machinery. Some of the major items are:
  - 282,000 tractors.
  - 227,000 trucks.
  - 192,000 automobiles.
  - 18,000 hay balers (pickup).
  - 21,000 self-propelled combines.
- Farm labor employed totaled \$227 million in wages.
- Seeds and related totaled \$57 million.
- Feeds for livestock and poultry totaled \$562 million.
- Gasoline and related totaled \$147 million.
- Agricultural chemicals totaled \$57 million.

Thus, agriculture is both a huge producer as well as consumer in a Texas economy.

Then the South Plains Council comes into the picture. The council is chartered by the National Council of the Boy Scouts of America to see to it that Scouting happens in the South Plains of Texas. The South Plains Council encompasses 20 counties and has the responsibility for providing the services for individual troops and packs and Explorer posts that they cannot provide for themselves. These services include training courses for adult leaders, the operation of Camp Post as a summer camp and year round camping facility for Scout troops; the operation of Camp Tres Ritos as a summer camp; and other activities on an area-wide basis.

Ruby Green gave a tribute to Mrs. Adams on her visit to Muleshoe.

## Take Thanksgiving Resource Inventory

COLLEGE STATION-- Thanksgiving is just what its name says it is -- or is it?

A home management authority viewed resources in Texas homes and asked families to share her findings by taking a hard look at their own homes - "Thanksgiving inventory."

Lynn Bourland, home management specialist with the Texas Agricultural Extension Service, Texas A&M University, took issue with today's "gloommakers" and directed more attention to five resources.

"Thanksgiving is a time when families pause a few hours in their busy lives to offer thanks for their many blessings."

"As you offer thanks this year, consider all the resources you have been granted -- human resources, material possessions, space, time and natural resources."

Human Resources--"The greatest resource your family has is each family member and his or her potential."

"Recall the many times each family member has given of himself to help the family reach its goals. What have the children done for the family that saved other time, energy and money? Likewise, how have the parents offered their time, energy and talents to enable the children to have and do things that might have been impossible otherwise?"

"Your family may recall other family members and friends who offered their human resources--motivation, determination, joy comfort, knowledge, or energy--to help your family make life in your home more satisfying."

Turning to material possessions, the specialist called for another inventory.

"Material possessions are the more obvious resources the family can see come and go as they're used."

"Everything the family owns, including money and all it can buy, are material resources. Make a list of all the material resources your family has received and used this year--you'll be surprised at the number."

Another resource, space, gained attention as Miss Bourland continued her report.

"Space on earth is limited, but every family has space in their home, some space around where is the sting?"

The woman visitor dashed angrily up to the beekeeper and complained, "One of your bees stung me, I want you to do something about it."

"Certainly, madam," said the beekeeper soothingly. "Just show me which bee it was and I'll have it punished."

it, and some types of community of public space available for their use.

"As your family offers thanks, express what it means to have a place to sleep, play, work and share with others."

Time is the fourth resource--"one we all have in equal amounts--24 hours a day. "Without time, other resources would be useless. Satisfaction your family receives from time depends on how you choose to use it."

"Be grateful for time to enjoy your family, time to share with others, time to work to reach family goals, and time to make your contribution to the world," she said.

Thanksgiving takes a slightly different turn with the fifth item -- natural resources.

"Today we've been alerted to the scarcity of our natural resources. We'll need to ask for wisdom in seeking ways to use them more wisely in order to conserve them and develop substitutes for them."

"With the scientific and technological efforts being exerted today natural resources unnoticed by man may be vital to our survival in the future."

Miss Bourland termed management of resources the key factor in reaching family goals once the inventory is made.

"Resources give the greatest returns when they're managed and spent--not merely used."

Mr. Beiler's daughter from Texico came to see him yesterday afternoon.

Homer Johnson went to Sudan with friends Wednesday.

Mrs. Mae Gibbs' granddaughter from Elida, N.M., came to see her Wednesday.

Mrs. Mickey Bryant visited her father, Mr. Denny, one afternoon this week.

Mrs. Epperly's daughter, Mrs. Marie Chapel, came on Wednesday afternoon for a visit with her mother.

The birthday party for November is being planned for Tuesday afternoon at 2:30 p.m. by the Esther-Dorcas Circle of the First United Methodist Church. Honored this month will be Mrs. Lois Robinson, Mrs. Lillie Wiseman, Mrs. Leota Witterding, Mrs. Sarah Harris and Mrs. Norwood. We look forward to these get-togethers and hope our friends will come and join us in these birthday celebrations.

This Sunday afternoon, November 19, the Day Room here in the Home will be the scene of a tea honoring Dr. McDaniel at the unveiling of his portrait. If you remember, a handmade quilt was given away a few months back. The proceeds of this went to pay for the oil portrait of Dr. McDaniel. It will be hung in the Day Room beside the one of the late Dr. W.F. Birdsong. We are participating a good crowd to pay tribute to Dr. "Mac", so please do plan to come.

Mrs. Hulse, Mrs. Guinn, Penny Malone and Mr. Petree all enjoyed several games of dominoes this week.

Mrs. Lena Bell Thomas visited her sister, Mrs. Neva Lloyd, Monday afternoon.

Visiting Mrs. Lewis on Monday

day afternoon were Mrs. Nieman, Mrs. Winters and Mrs. Jackson.

Mr. and Mrs. Paul Twaddell visited her mother, Mrs. Brown, Sunday and took her out to dinner. The Twaddells live in Amarillo.

Mrs. Ava Nelle Lenderson visited her mother, Mrs. Motheral, on Monday.

Mrs. Perry's daughter and son-in-law, Mr. and Mrs. Timms, came to visit her Monday.

Mrs. Strue and her daughter and son, Mrs. Hardgrove and Mr. and Mrs. Bob Boone, of Springlake all visited Mrs. Whitford Saturday and Sunday.

Miss Seales came in to see her sister and her husband, Mr. and Mrs. Williams, on Tuesday afternoon.

Mrs. Nettie Blackman had as company Saturday Lena Pettit and her daughter, Laverne Carter, and Eva Peabody of McLean; her grandchildren, Brent Blackman of Muleshoe and Marsha Douglas of Stephenville; and Mr. and Mrs. John Blackman of Bula.

Visiting Mrs. Cross Monday was Mrs. Louie Cross of Oltion.

Mr. and Mrs. Leon Lewis visited his mother, Mrs. Jessie Lewis, on Monday.

Mrs. Bonnie Haberer and Mrs. Orteg visited Mrs. Witterding Sunday afternoon.

Rev. David Hartman, pastor of the Earth First Baptist Church, and a group from the church conducted worship services and sang here at the Home Sunday afternoon. Joining in the services were Rev. Harvey and a group from the Calvary Baptist Church.

Mrs. Stovall comes often to visit "Pop" Stovall and others in the Day Room. It is so nice to have such a large, lovely room in which to receive visitors.

Mr. and Mrs. Almon Whitford visited his mother, Mrs. Whitford, Wednesday.

## Golden Anniversary Reception Honors Mr., Mrs. Brewer Gage

Approximately 300 friends and relatives registered Sunday afternoon for the Golden Wedding Reception for the Brewer Gages, which was held in the fellowship hall of the Bula Methodist Church.

Granddaughters, Sherry Salver, Marilyn Medlin, and Eva Gage, alternated at the silver coffee and punch service, and also the serving of the anniversary cake, a four tiered cake decorated with white wedding bells and wedding bands, and topped with the traditional bride and groom. Gold mints and nuts completed the refreshments which were served from a table laid with an ecru crocheted cloth over gold.

Relatives attending were all of her brothers and sisters except one who lives in California.

## Lazbuddie YH Plan Bake Sale

The Lazbuddie Young Homemakers will sponsor a bake sale on Tuesday, November 21, from 8 a.m. to 3 p.m. at the Maritt Grocery at Lazbuddie.

Proceeds from the sale will be used to carry out the club projects for the year.

## Lamb County Gold Star Winners Named

The Gold Star Girl and Boy for 1972 for Lamb County were named at the annual Lamb County 4-H Achievement Awards Banquet held recently in the Littlefield Junior High School Cafeteria. Theme for the banquet was "A New Day, A New Way".

Special speaker for the occasion was Lee R. Colgan of Lamesa, County Extension Agent from Dawson County.

The Gold Star Boy was introduced by Bobby Brunson, county extension agent for Lamb County. Brunson explained, "The Gold Star Award recognizes outstanding achievement, leadership and contribution to the County 4-H program. A 4-H member must have completed at least three years of 4-H Club work and be a senior club member. Record books are judged by a committee of out-of-county personnel".

The 1972 Gold Star Boy is Aubrey Pitts. Pitts, a member of the Pleasant Valley 4-H Club, is a student at Muleshoe High School. He is the son of Mr. and Mrs. Kirk Pitts. Pitts has two older brothers and one older sister who have won the Gold Star Award. Pitts has been a

4-H member for eight years, and has served his local club as reporter, vice president, president for two years, and county council delegate. He is now chairman of the county 4-H Council. Pitts has served as a junior leader and has carried out projects in meat animals, poultry, horse, tractor, share-the-fun, rifle and leadership.

Mrs. Lynn Bowerman, county extension agent, introduced the Gold Star Girl. She is Barbara Black, daughter of Mr. and Mrs. H. M. Black of Route 1, Sudan. Miss Black, a student at Hardin-Simmons University, has been a 4-H member for nine years completing projects in foods and nutrition, clothing, leadership, lamb, money management and home improvement. She has served as county council delegate and as secretary and reporter for the County Council. Miss Black has been a junior leader in foods and clothing. She has participated in Rally Days, 4-H Fairs, state roundup, district elimination contests, stock shows, electric camp, state leadership lab, county and district food shows, awards banquets and dress revues.

Members present were Craig Kirby, Brian Kirby, Staci Kirby, Pryncess Parkman, Wayne Parkman, Michelle Parkman, Ronnie Altman, Mitzi Altman, Ronnie Richardson, Belinda Richardson, Kristen Corkery, Patti Bowers, Shannon Sowder, Dee Sanderson, JoAnn Ray, John Warren and the new members Gladys, Glenda, Joyce, Carolyn and Frank Stroud.

Adult leaders attending were Mrs. Reuel Kirby, Mrs. Homer Richardson, Mrs. Freddie Parkman, Mrs. Wayland Altman and Mrs. Wesley Warren.

The next meeting will be a Christmas party. The date will be announced later.

**LAMB COUNTY GOLD STAR WINNERS . . .** Aubrey Pitts, left, of the Pleasant Valley 4-H Club, and Barbara Black of the Sudan 4-H Club were recent recipients of the Gold Star 4-H Awards in Lamb County. ## James Whitman Presents Art Association Program

The Muleshoe Art Association met Tuesday, November 14, at 9:30 a.m. No business was conducted. The white elephant gift, a brush cleaner kit, was won by Lillian Smith. Guest artist for the meeting was James Whitman of Clovis. Whitman recently retired from working in the Indian village at Knott's Berry Farm in California. His work was done under his Indian name, Ospana Powhapan. His past few years were spent in the general store.

Whitman and his son-in-law, Don McAlavy, of Clovis, plan to open a gallery at Portaire, five miles west of Clovis.

Whitman, who was born in Portales, N.M., studied art at the University of New Mexico in Albuquerque under the European portrait painter, Neil Hogner. He was also a commercial art student and attended the Academy of Fine Arts in Los Angeles.

Whitman's paintings are in oils and acrylics, many with hand carved frames. His earlier works reveal romance of the West with cowboys, Indians, the desert and adobe buildings.

## Local Women Initiated Into Alpha Chi

Mrs. Gerald Allison and Nelda Finley of Muleshoe are among the 123 students initiated into Alpha Chi national honor society at West Texas State University.

Membership in Alpha Chi requires upperclass standing and a minimum 2.15 average for juniors and 2.20 for seniors. Averages are based on a 3.0 scale.

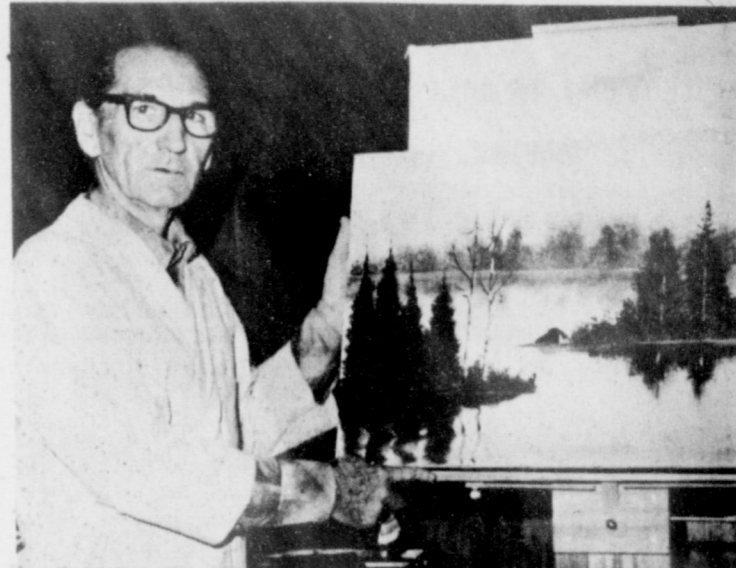

Mrs. Allison, a senior elementary education major, is the wife of Gerald Allison of Route 4, Muleshoe.

Miss Finley, a junior elementary education major, is the daughter of Mr. and Mrs. Clifton F. Finley of Muleshoe.

The purpose of education is to teach people to think.

Whitman demonstrated the velli (quick oil) technique to the Art Association by painting a mountain scene with trees and a reflection of the trees in water. Whitman donated the painting to the Art Association. Tickets were purchased on the painting at \$1 each and the painting was won by Erald Gross. Proceeds going to the Art Association were \$57.

One guest, Carrie Lee Bishop, attended the meeting. Members attending were Mattie Hicks, Louise Roark, Gladys Darsey, Ada Murrah, Jean Landers, Lillian Smith, Rene Hutson, Opal McKelvy, Carrie Juan Schuster, Juaree Smallwood, Dana Arnold, Velma Davis, Sybil Ericson, Blanche Lenderson, Beth Watson, Sandi Chitwood, Ruth Hammock, Elsie McMillan, Lucy Lewis, Rita Johnson, Hazel Nowell, Sandra Chaney, Francis Stegall, Zeffa Shaffer, Myrtle Steinbock, Erald Gross, Mildred Neeley, Mrs. James Whitman, Inez Bobo, Barbara Carpenter, and L. W. Chapman.

# Hunting Safety Emphasized

Austin, October 19:--Every hunter believes he is capable of handling his firearm properly, yet gunshot wounds were responsible for every one of the fatal hunting accidents in Texas in 1971.

"There is no excuse for carelessness in gun handling," said Lloyd Palmer, General Manager, Texas Safety Association. "Hunting accidents due to firearms can be virtually eliminated if every hunter will acquaint himself with the fundamentals of gun handling and practice these fundamentals consistently."

1. Treat every gun as though it were loaded and ready to shoot.
2. Guns carried into the home or camp should always be unloaded, taken down, or have actions open.
3. Be sure that the barrel and action are clear of obstructions.
4. Carry your gun so that you can control the direction of

the muzzle at all times--even if you stumble. Keep the safety on until you are ready to shoot.

5. Don't pull the trigger until you are sure of your target.
6. Never point a gun at anything you don't want to shoot.
7. A gun should be unloaded when it is not being used--

## Services Held Saturday For W.V. Terry

Services for W. V. "Vess" Terry, 75, were held at 2:30 p.m. Saturday in the First Methodist Church of Sudan with the Rev. Aubrey White, pastor, officiating, assisted by Joe Salem, a layman.

Entombment will be in the Resthaven Mausoleum in Lubbock with arrangements by Payne Funeral Home in Amherst.

Terry, a native of Keenes, came to Sudan in 1923. He was engaged in ranching and farm-

The owner and manager is building their business on service and expects to continue along this line. This firm has spent a great deal of time and money to provide a complete parts department and saves time that would be required in sending to the factory for parts. Their service and repair department is in charge of men thoroughly trained for their work.

When you need new farm implements or service on your present implements, always remember Griffith Equipment Co.

handling firearms.

Along with these fundamentals use common sense in the field. Always be sure of your target before pulling the trigger. Examine your safety frequently; sudden jars or brush can release the safety catch without your knowing it. When you are in the woods or close cover wear some article of bright color. NEVER shoot at a sound, to do so is an act of foolish irresponsibility. Don't take chances.

A good hunter knows his responsibilities and fulfilling these responsibilities is the most important thing about hunting. Insist that your fellow hunters follow the safety rules too. Even a near accident can ruin the pleasure of a day's hunt.

## Congratulations Mighty "M" Band!

### Band Receives I Rating In Lubbock

Congratulations to Mr. Jim Harvey and the Mighty "M" Band on making a I at the U.I.L. marching contest. This is the 4th consecutive year that the Band has achieved this honor.

THAT SPECIAL NOVEMBER DAY-NOVEMBER 15, 1972 by Kathleen Jennings  
I woke up early this morning My stomach all knotted and tight. I looked out my frosty window and saw there was no light. From the bed to the closet I groped, and pulled out THE black suit. Though it was hot and heavy I thought it was really cute! It looked sharp, that black suit. The white stripes were keen. With a furry hat and a big 'M', I'd look really mean!  
My shoes and horn were polished and ready. The countdown had begun. The test would come in a few hours: Who would be number one?  
I went to the kitchen for breakfast, But I really couldn't eat. Those butterflies were getting me--I tripped over my feet!  
Why was I nervous, you ask? Today was Marching Contest; And one more chance for us to see Which band's the very best. We convened at the band hall and loaded up our stuff. Just enough time for practice; Man! that was really rough!  
Into the bus! It was time to go! Take a last minute check: Horn, hat and overlay all loaded for the long seventy-mile trek.  
The buses were quiet--a tape played softly; Everyone's thinking band. We all concentrated on another one; A trophy in Mr. Harvey's hand.  
We arrived at our destination, Jones Stadium, AstroTurf and all. On go our overlays; on go our hats. Quietly we stand to await our call.  
On comes the loudspeaker to announce us, We're all lined up at the side. We've really got the spirit today Spirit, Determination, and Pride!  
Brent and Jeanie called us to; The drums started us on our way. Our step was high and full of pride on this Special November Day.  
The drills went well; our sound is good. The last drill brought forth a sigh. The spectators clapped and even cheered. While our finale made them cry.  
The long walk back to the band truck helped us begin to unwind. We were still in a state of shock; Ratings were now on our minds. With pressure over, anxiety exists. Now, up into the stands to await the rating announcements with the other AAA bands. All the bands have finished now, and the spectators are hushed. "AAA ratings . . ." Here they come! (The speaker won't be rushed!)  
Seminole made a I, and Levelland, too. Estacado received a three. Lamesa, Brownfield and Dunbar made II's Some were sad, others shouted with glee.  
But Muleshoe received a I rating Our pride was as high as a kite, Because Mr. Harvey, Mr. Pierce and the band really showed the Muleshoe Might!  
Jama Maritt, Miss Muleshoe, entered a solo in UIL Twirling Competition held Wednesday at Tech. Jama received a I rating on her solo, and the band is really proud of her!

### Mullettes Begin New Basketball Season

By - B B Managers  
The Varsity and Junior Varsity Mullettes came on strong Tuesday, November 14, with two great wins against Lazbuddie and Bula.  
At 5:30 p.m. the Junior Varsity Mullettes played the Lazbuddie's Varsity. At the end of the first quarter the score was 12-8, Muleshoe's favor. The Mullettes continued to come on strong holding Lazbuddie to three field goals in the second quarter. This made the half time score 28-19.  
The determined Mullettes held on to their head in the second half defeating the Lazbuddie Longhorns 44-31.  
Cindy Cason had a total of 14 points during the game; Suzan Barrett, 8 pts; Janice Killough, 2 pts; Jan Harlin, 3 pts; Sarah Patterson, 11 pts; and Terri Crane, 6 points.  
Following the "BB" team game, the Varsity Mullettes trying for their fourth straight victory played Bula's varsity. In the first quarter, Jeanie Putman scored 6 pts, Tracy Cowan had 4 pts, and Rejana Hardaway, 6 pts, making it a first quarter score of 16-11, Mullettes favor.  
Hustling in the second quarter was, again, Putman scoring 11 pts, Cowan with 4, Hardaway with 3 and the Mulette defense holding Bula with a half-time score of 34-20. Mul-

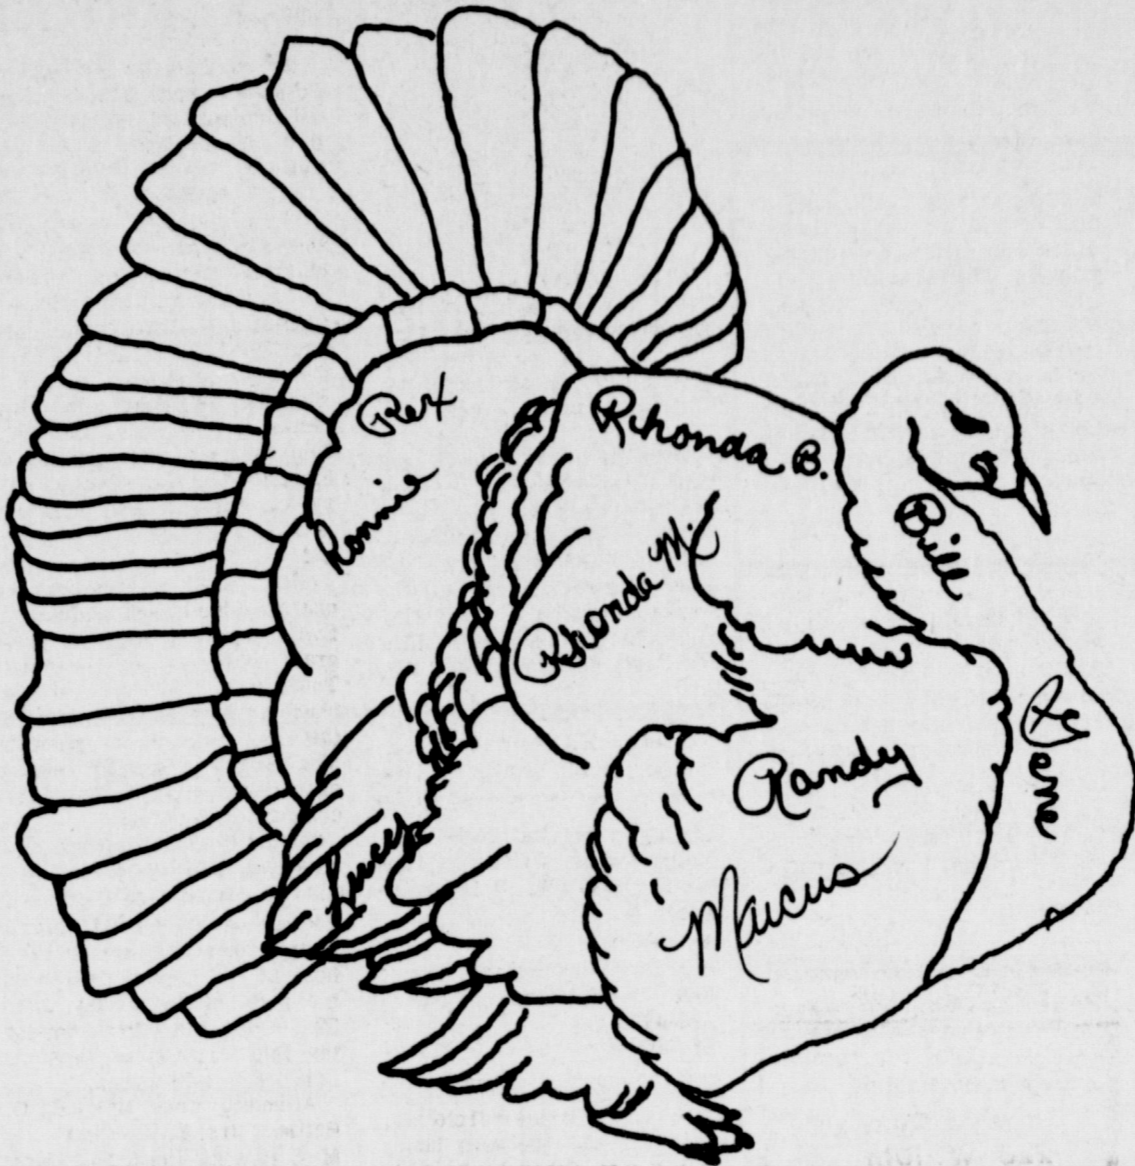

Running over Bula's Defense, the Mullettes had a total of 28 pts., in the third quarter! Putman, 8 pts, Hardaway 15 pts, Tani Murrah 3 pts, and Glenda Harlin 2 points.  
The fourth quarter was strong also with Cowan scoring 8 pts., Murrah 6 pts., and Harlin 10 pts.  
The total points for the Mullettes are Putman 23 pts., Cowan, 16 pts., Hardaway 24 pts., Murrah 9 pts., and Harlin 12 pts.  
The Mullettes won with a final score of 86-45!!

### Speech Class Orders Jackets

The Speech Contest class ordered jackets on Nov. 6. Fourteen ordered jackets and 11 ordered patches and letters. They will be delivered December 13.  
The Speech Department has been busy performing their One Act plays for various groups. The cast for "Henny Penny" and "Bremmen Town Musicians" presented their plays for the Muleshoe Elementary PTA on Monday, November 13, in the Mary DeShazo School Cafeteria.

### Coaches

There was some controversy in recent publications of area newspapers which team had the best quarterback in last Friday's game against Canyon. One paper said Muleshoe's Don Long was the best in that Don threw one touchdown pass to senior end David Faver and scored three T. D. 's on the board himself. However, Don was competing against one of the area's best quarterbacks in Ed Lair of the Canyon Eagles. Mr. Lair received just recognition for his performance against the Mules as being selected the Amarillo News Player of the Week. However, Don's performance deserves special recognition in that he not only threw one T. D. but set up another T. D. to halfback Ronnie Parker. Don had one interception to Canyon's three and accounted for over a hundred and twenty yards rushing. As a junior, Don is an exceptional field general and has a tendency to make the big plays. Along with Fred Locker, the Mule's coaches feel that there is no other team in Texas with such an effective duo of quarterbacks.

## Happy Thanksgiving

### MHS Well Represented At Perryton

This week the Mules played their last game of the season against Perryton. The Pep Squad went trailing behind the Mules to give their support. Those who were willing to express their spirit and pride in the team went if they signed up in time. Only one bus was taken. They had a good time on the bus to and from.

The busy Mighty M Band helped the spirit by attending the game.  
The loyal cheerleaders, Audrey Winn, Rhonda Bland, Debbie Glover, Glenda Harlin, Brenda St. Clair, and Brenda Weeks and Mascot Donna Grimsley were present to lead the large group of fans from Muleshoe in their all out effort to support their fighting Mighty Mules in their excellent season.

### HERO Student Of The Week

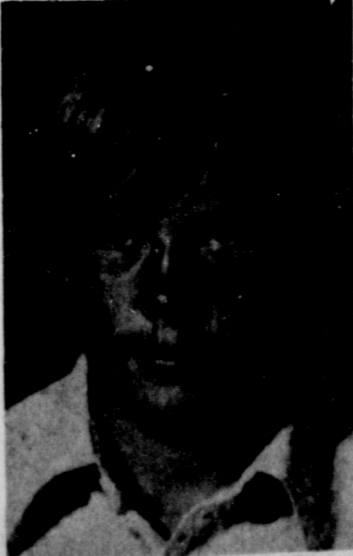

This week the HERO Chapter's featuring Lizan Gunter.  
Lizan has a brother, Terry, who is a Junior at West Texas State University and a sister, Lilly who is in the sixth grade. She works at Hensley-Russell Inc. Her responsibilities consist of checking in material and trim, and making out trim sheets and cut sheets. She also fills out wage reports and payroll.  
Lizan has many interests but she lists her main ones as livestock, horseback riding, and cooking.  
When Lizan was asked to comment on the program, she had this to say "HECE has already been a very worthwhile experience. It's a wonderful opportunity for girls wanting to work while in high school."

### Citrus Sales End Nov. 22

by Rex Black  
The opening ceremony was performed by the officers when the FFA held its regular meeting on November 6.  
It was passed to have the Littlefield District Banquet in Muleshoe November 30. The tickets will be \$2.50 per person. The deadline for buying tickets is November 21.  
Two voting delegates were appointed to vote at the Sweetheart Contest which will be held before the banquet.  
It was passed that the FFA will buy a new 16 ft. by 6 ft. wide stock trailer. The FFA will donate 25% per member to the Boy's Ranch fund.  
Citrus sales are still on. If you haven't bought your fruit yet, contact any FFA member or call the Agricultural Department. The price is \$5.75 per case for oranges or grapefruit. Deadline for ordering is November 22. The citrus will be in December 11.

It is the great end of education to raise ourselves above the vulgar.

### Letter Of Thanks

Dear Mothers,  
Just a note to express our gratitude for all you've done for us. You've always been there when we needed you. This has not been once or twice but many times.  
We hope you'll not become tired in well doing for there's still much to do. We hope the example you set for us daily will become a goal by which to pattern our lives so that someday we may do for others as you have done for us.  
Our sincere thanks to each and everyone who made our "Thanksgiving Supper" a success for we could not have done without you, our mothers.  
Sincerely,  
Your Juniors

### Adult Basic Education Classes Held

by Marcus Puente  
Monday and Tuesday nights are busy nights at Muleshoe Junior High School. These are the nights that the Adult Basic Education classes are held. Mrs. Barbara Milburn and Mrs. Ramona Pollard are the aids. Mr. Tom Jinks is volunteer-coordinator.  
Two levels are taught. Basic English classes are taught for those wishing to learn to speak English and a level that enables a student to explore History, English and Math in more depth.  
This is an excellent state-supported program that offers another opportunity to those who missed their first one.

### Thespians Best Of The Week

This week the Thespians are honoring Ricky Smallwood as "Best of MHS! Ricky is the 16 year old son of Mr. and Mrs. Joe Smallwood. He resides at 1801 Avenue G.  
The Junior is active in football, FFA, and FTA. "Truck" plays tackle for the Mighty Mules. He made the following comment concerning football: "We had a very good season this year, and we will have even a better season next year." Congratulations to an outstanding person of Muleshoe High School.

### Senior Pep Rally Held Friday, Nov. 10

A highlight of the last home game for this season was the Senior Pep Rally held Friday, Nov. 10. Charlie Vela spoke on the season and the senior cheerleaders presented the senior boys with tie tacks.  
Finally the senior class was called down and formed a 73 on the Gym floor. Donna Grimsley read a story she wrote about the Class of '73.  
The Seniors led the school in singing the school song. Seniors were nostalgic as they thought back over their high school years.  
SENIORS '73  
Rise ye men of Muleshoe High School, Rise ye men today. We'll forever stand beside you. In our high school way. Through the darkness we'll be faithful, Faithful to our school; Rise ye men of Muleshoe High School, Through eternity.  
In 1969 that song meant little to us. We were eager freshmen; Ready to conquer a new world. Everything was new and exciting. And a little frightening, too.  
During those first two years Our attitudes changed a lot. We grew up and began to face reality. We began to put personal wants aside and to see the needs of those around us.  
Finally, we were Juniors. The most exciting year yet was upon us. Getting class rings and the Jr. Sr. Banquet were climaxes. All our hard work and hours of planning had paid off.  
We have had our times of darkness, too. When we were freshmen we faced a winless football season but now we have seen our boys stick together and pull us back to the top.  
We are Seniors now. As we look back, there are many memories to treasure. We have seen friends come and go and others have taken their places. When we leave Muleshoe High School we will have left part of ourselves here.  
Yesterday is in the past and our futures are ahead of us. We will go our separate ways, a better person because of our meeting. We'll forever stand beside you, through eternity.

SENIOR PEP RALLY . . . Seniors '73 listen intently as Mule Mascot Donna Grimsley read a poem dedicated to them at the Senior Pep Rally held last Friday before the last home game.

## Bula News

By Mrs. John Blackman

Mrs. J. L. Latham, accompanied by her daughter, Mrs. Warner De Sautell of Lubbock took her mother, Mrs. Lillie Flowers to her home at Ira after a visit of several days in the Latham home. They visited with her sister, Mr. and Mrs. John Eaker and JoAnn Knox at Tahoka on the return home.

Mr. and Mrs. Bill Carter of Graham, visited her brother and wife, Mr. and Mrs. Jay House, over the weekend, Mrs. Florence House, who has been visiting for the past two weeks at the Bula Methodist parsonage with the Jay Houses, returned to Graham with the Carters.

Mr. and Mrs. E. M. Autry recently visited at Dimmitt in the home of his brother, the W. T. Autreys. Mrs. W. T. Autry was home after a stay in the hospital.

Company for the J. C. Withrows Sunday were Mr. and Mrs. Joe Price and small son, Timothy, of Olton and Jodie Withrow, sophomore student at South Plains Junior College.

To visit in the Tom Bogard home Friday thru Sunday were two of his sisters, Mrs. Lena Pettit, Mr. and Mrs. Clate Peabody and Mr. and Mrs. Wheeler Carter all of McLean. Sunday afternoon Mr. and Mrs. Ray Kennison and girls, Kim and Dusty of Olton visited with them.

Several ladies of the local Baptist Church drove to Littlefield Sunday evening and assisted members of the Parkview Church for their final gathering of the Lay Witness Mission. They took care of the nursery and helped serve and took care of cleaning of the kitchen after the evening meal. Ladies going were Mrs. Clyde Hogue, Mrs. Edd Shuts, Mrs. John Latham, Mrs. DeWitt Tiller, Mrs. Warner DeSautell, Mrs. Johnnie Hall, Mrs. Larry McCain and Janice Tiller.

Clarence Pollard of Melrose, N.M., spent the weekend visiting in homes of his brother, Mr. and Mrs. L. E. Pollard and nephews Loyd and Harry Pollard.

We are sorry to report that our friend, John Gunter, is confined in the Methodist Hospital, Lubbock for a series of x-rays and tests.

Mr. and Mrs. Danny Smith of Plainview spent Saturday night with her parents, the Ed Crums, Both are students at Wayland College.

Mr. and Mrs. C. A. Williams and Mrs. Allan Williams, and children, Melissa and Bradley, of Morton spent the day Sunday with Mrs. Williams sister, Mr. and Mrs. Lowell Walden of Earhart. Other relatives also to visit with the Waldens were the ladies' brother, Mr. and Mrs. Jack Swanner, and their daughter, Mr. and Mrs. Dewey Henry, and small daughter, Christina, of Plainview.

Mrs. P. R. Pierce was in charge of the lesson study taken from the Royal Service program book when the WMU met Tuesday at 2:30 p.m. at the church. Mrs. Richardson read the call to prayer calendar with Mrs. Black giving the opening prayer and Mrs. Sinclair offering the benediction.

During a short business meeting following the lesson, plans were made and discussed concerning the annual community Thanksgiving supper to be held at the Baptist Church on the night of Wednesday, Nov. 22. Also a Christmas box for the Buckners Orphan Home in Lubbock was discussed.

Attending were Mrs. E. O. Battles, Mrs. E. W. Black, Mrs. Rowena Richardson, Mrs. Ronnie Green, Mrs. James Sinclair, Mrs. C. A. Williams, Mrs. P. R. Pierce and Miss Vina Tugman.

Mr. and Mrs. Bill Brewer and son, Billy, spent Sunday at the home of her mother, Mrs. Bertie Clawson of Littlefield. Also two other sisters were visiting with their mother, Mr. and Mrs. Travis Webb, and son Mark, of Hobbs and Mr. and Mrs. Dave Dillard of Galveston.

Mr. and Mrs. John Blackman were lunch guests Sunday of her nephew and family, Mr. and Mrs. Calvin Harkness, and children, Sherry, Steve and Stacy of Littlefield. Also his parents, Mr. and Mrs. Weldon Harkness, of Lubbock were there.

Attending a school taught by Dr. Stewart Arnold on the book of Galatians at Wayland college in Plainview, Friday were Mrs. DeWitt Tiller, Mrs. Johnny Hall and Rev. and Mrs. Ronnie Green.

The Acteans and Girls in Action and sponsor, Elaine Hall, drove to the home of Mrs. Ben Pierce and made a visit with her and her son, Jack, on Wednesday evening. They carried her a flower arrangement as Mrs. Pierce is a shut-in.

Herbicides Residues Concern Area Farmers

Area farmers, particularly those who are interested in a rotation program with vegetables, are concerned with the problem of herbicide residues or carry over.

The High Plains Research Foundation has been conducting studies for the past six years with a new Geigy product called Igran. The 1972 program included studies on carrot, onions, peanuts, sugar beets, and small grains, following rates applied in 1971 of up to six pounds per acre. Dennis Mooney, agronomist at the Foundation, says, "I now feel that we can definitely say that residue is not a problem when used at the recommended rate with this particular herbicide."

This statement would apply to most of the commonly grown field crops on the High Plains, as 13 different crops have been tested during the last six years.

Farmers are aware that Milogard and Aatrex, two commonly used grain sorghum herbicides, have given adequate weed control, if enough material has been applied.

However, this can present problems with a rotation program if the rates used are too high. Igran, which is similar to these compounds, has provided comparable broadleaf weed control in past tests at the Foundation farm.

One of the obvious advantages of Igran is that higher rates can be used for problem weed situations without the residue carryover associated with Milogard and Aatrex.

Research is being continued this year on water grass control. Scientists have noted that a problem may exist with stunting of grain sorghum at the seedling stage. Tests at the Foundation have shown that this damage could be associated with method of herbicide application or with timing of moisture received soon after planting. The effect on yields is yet to be determined.

Complete results of water grass control and crop yields will be reported in the Foundation's 1972 Annual Research Report.

## Feeding Molded Feed Is Like Playing "Russian Roulette"

LUBBOCK . . . Have you heard of "Mycotoxins Russian Roulette"? You may not have, but chances are you're feeding that deadly game if you play molded feeds to your pigs.

According to Dr. Gene Cope, extension veterinarian, Texas Agricultural Extension Service, Amarillo, mycotoxins is a two-dollar word which means "poisoning of the host following entrance into the body of one or more toxicants produced by a mold."

While the condition has been recognized for many years, serious research was not initiated until the last decade. The problem is complex, says Dr. Cope, because the production of toxin is influenced by many factors:

- 1) The strain of fungus; not all fungus produces toxin.
- 2) The temperature at which it grows; the best environment for toxin production seems to be a period of moderately warm weather followed by a period of cool weather and a fairly high moisture content.
- 3) The length of time it grows.
- 4) Other bacterial growth associated with it.
- 5) The species of animal to which it is fed; this may be even more specific, with toxicity varying with sex and age.

Results of molded feed poisoning  
Research indicates that animals which eat feeds contaminated by mycotoxins suffer from a variety of debilitating and lethal conditions such as hemorrhaging, anemia, cancer, poor growth rate, poor feed conversion and others.

Some molds produce a toxin which elicits similar responses in sows as the hormone estrogen, points out Dr. Cope. In sows this response to the toxin may be one of swollen mammary glands and prolapse of reproductive organs.

Apparently, mycotoxins affect the reproductive system in varied ways, from completely stopping milk production, marked decrease in the vitality of new born pigs, numerous stillbirths and lowered ovulation rates to normal pregnancy and lactation. These variable results may be related to the amount of mycotoxin consumed.

Many abortions are reported in swine with no evidence of virus or bacterial infection, Dr. Cope cautions. It is possible that mycotoxins may play a role in some of these undiagnosed cases.

The best way to keep from playing "Mycotoxins Russian Roulette" is to avoid feeding molded feeds.

**TEXAS FOOD & FIBER ABUNDANCE MONTH**

This month has been designated "Food & Fiber Abundance Month" in Texas. During November--the traditional Thanksgiving season--Texans are being reminded of the blessings of abundant and nourishing food and the plentiful supply of natural fibers. All products of the land. Too often our citizens take this abundance for granted. They forget that farming & ranching is essential to their daily living.
