50th YEAR—NUMBER 3

Hereford, Deaf Smith County, Texas, Thursday, January 19, 1950

Price 5c Per Copy

In case you've been wondering Postmaster Jim Lipscomb received a telegram from Walter Myers, assistant Postmaster General in Washington, D. C., ordering the flag to be flown at half staff until after the funeral of General H. H. Arnold Thursday. Arnold will be buried in Arlington Cemetery.

Sims Community will have a Box Supper January 20 at 7:30 at the Bippus House. It will be for the benefit of the new Sims Community House now being planned. Every one is invited.

Hereford Benefit Association will hold its annual meeting at 2 o'clock Saturday afternoon in the County Courtroom.

Harold Meacham had his name left off the Honor Roll the last time Shirley School had one.

Gene Brown and Frank Burtleson are the two new employees at the Brand. Gene is assisting Ad Mgr. Bert Neelley and Frank is learning the ropes in the circulation department, preparatory to taking over when Bill Roots leaves for Ohio the first of Feb.

S. L. Powell is the new manager at Furr Food Store. He was formerly of Amarillo. His wife and son are visiting in Ft. Worth until he locates a house or apartment here.

Mayor W. E. Dameron has been in Denver this week attending the Western National Livestock Convention. His son, Bill, accompanied him. They are expected back today.

Three persons have made it a point to tell us this week that they almost saw a flying saucer. Yes, marital difficulties, and the wife almost threw a saucer... ho, ho, fellows.

Curtis Traweck and Posey Cunningham of Dimmitt are in Washington this week to protest acreage cutbacks in 1950 cotton acreage allotments in Deaf Smith and Castro counties. They are specifically asking for relief for new farmers included in the Cooley bill now ready for debate on the House floor.

All proceeds from the Lions Club sponsored Wrestling matches Saturday night will go to the March of Dimes, according to J. W. Robinson, Chairman of the Lions March of Dimes committee.

Paul Lucas made a mighty nice sign from pieces of inlaid linoleum for the Hereford Linoleum shop, one with a steer head hangs above, the other with the shop's name.

Buckalew collected fines in a tincup Tuesday afternoon from Jaywalkers, etc. for the March of Dimes Lions Club booth. Of course he wasn't the only one working there this week, but the uniform lent authority.

1285 persons have paid Poll Taxes so far. Looks like the rush will be terrific during the last couple of days.

J. J. (Scotty) Buckner is building a planning mill in his back yard.

Scouts Will Be After Jaywalkers Saturday

The Boy Scouts will be scouting for jay-walkers Saturday. A call will be set up in front of the First National Bank and all jay-walkers caught by the Scouts will be put in the jail and held until they pay off, the money going to the March of Dimes.

Police Chief F. S. Buckalew said J. C. McCracken and Leo Forrest were fined 50 cents each Tuesday for the offense which is actually against the City Ordinances of Hereford and is punishable by a fine of from one dollar to \$100.

No person is exempt, Buckalew said. "Everyone caught will sure be put in jail until he pays." He added that the move was a good safety measure as well as being for a good cause. — The March of Dimes

Five Whiteface Home Game Gross During 1949 Season Tops \$10,000

Hereford High School grossed over \$10,000 on five home games last football season. Gross gate receipts of the home games totaled \$7,225.59. Season ticket

sale was \$2,044.95 and pre-season reserve seats sales reached \$734.

Hereford High School Athletic Association is in better shape this year than at any time in recent years, according to superintendent George Graham, having had the most successful seasons (financial) in some time due, largely, to football.

By far the most profitable of the season, the Dahart football game netted \$2,211 after taxes, Graham said. Dahart was sent a check for half the gate receipts. On the road, Phillips returns were best, netting \$775.81 for Hereford. The least successful (financially) was the McLean game which earned only \$160.

A financial statement December 8, 1948 showed \$303.21 on hand. From that time to the date of the first ball game of 1949, equipment was purchased which left the Association with a beginning deficit of \$1027.00.

At the present time outstanding obligations are football banquet expenses, letter jackets for

the team, next year's equipment, track expenses, and others. Actually, school business runs from September 1 to August 31 which could make the present financial statement of the Association practically meaningless, Graham said.

The statement begins with December 8, 1948 and covers to January 10, 1950.

The Athletic Association is composed of Robert Veigel, George Graham, D. C. Martin and Dalton Criswell. Veigel is on the School Board, Martin is principal of Hereford High School.

All athletics are handled by the same fund, including football, basketball, and track. Track of course, is a liability since there is no fee charged for meets.

Basketball seldom pays its way, according to Graham.

FINANCIAL STATEMENT HEREFORD HIGH SCHOOL ATHLETIC ASSOCIATION January 10, 1950

DISBURSEMENTS:	
Expenses to games	
trans, meals, etc.	\$ 622.20

Sale of season tickets	2,044.95
Sale of shoes, etc.	804.44
Returned checks made good	21.90
Pre-Season sale reserved seats	739.00
"B" Jackets	198.16
Loan from High school activity fund	1,027.00
Deposit on trip to Craterville	399.43
Rent on concession stand	33.77
TOTAL RECEIPTS	\$15,187.28

Sims Community Building Plans Call For Water

Work will begin shortly on a 24 x 52 foot stucco recreational building for the Sims Community. Leo Gallagher said Tuesday. A committee, Roscoe Pinnell, C. H. Hammock and Webb Blankenship, has been working on the project since before the first of the year and had they gone ahead with the original plans, construction would be underway now.

Gallagher said that first plans called for the building to be built without a water system. It was decided to include the water supply with the original plans, however, and now the plans are almost complete. It will be decided at a later meeting when actual construction will begin.

The building will be used by from 40 to 50 families of the community about 30 miles northwest of Hereford. It will be located on the proposed paved farm-to-market road. It will also be used for a voting place. In the past voters had to use neighbor's places and, sometimes, some inconvenience resulted. The actual building will be on Hammock's property.

The cost will run around \$5,000 according to Gallagher. It will have its own rest-room facilities as a result of the water well. The estimated cost includes the water well.

Boys Ranch Boy Named For Trip

"Operation Hereford House" moved a step nearer this week as Chamber of Commerce secretary manager Pete Cowart signed a contract with Pioneer Airlines for the flight to leave Amarillo February 5, at 5 a. m., to land in St. Louis and Pittsburgh enroute for refueling and to set down at La Guardia Field, N. Y. 10 hours later.

That will be the end of the road for "the little Bull who went a long way," Larry Domino 3rd. He'll probably never see Texas again. But it will be the beginning of a four day visit to famous New York and Hotel Gramatan for 23 Hereford delegates and Ted Mitchell, 15-year-old Boys Ranch representative, formerly of Dumas, who was chosen as the boy to "chaperon" Larry Domino 3rd on the trip as well as being the guest of Hereford and the Hereford House.

Radio Station WPAS of New York will broadcast four 15 minute programs at 9 p. m. Feb. 6, 7, 8 and 9, the four official opening nights.

The NBC television and broadcasting show, Jim Falkenberg and Tex McCreary put on every Friday will probably plug the opening in some manner, also.

Boys Ranch boys have begun to halter break Larry Domino 3rd and will give him his first bath sometime between now and the time to leave, according to Cowart. He also said Larry's immediate dam and sire were the gift of The Deaf Smith County Registered Hereford Breeder's Association to Boys Ranch in 1948. Thirty-six registered Hereford heifers and Bright Larry Domino 3rd were given to Boys Ranch at that time.

MONEY FROM INSURANCE DIVIDEND												
My number is so far down the list it will probably be about fishing time before I get mine," W. R. "Dub" Hair said Tuesday. "I don't know how much insurance dividend I will have coming but I will probably use it for just that—fishing." <tr> <td>Blue Turpen said he is going to get in the neighborhood of \$180 and is going to apply it on building his home. "It probably won't help much but that is where it is going to go." <tr> <td>Turpen's ideas as to what to do, with insurance dividend money, is pretty well typical of all Hereford veterans and all the nation's veterans, too. <tr> <td>They all figure that money is a little harder to get now and isn't such a bad idea to sock it away in U. S. Savings Bonds or put it on a home. Very few recipients said they are going to start another installment buying spree that would resemble times when terminal leave bonds were released. <tr> <td>Bills and Bank Accounts <tr> <td>Gene Prickett is going along with most veterans. He is planning to build a home in Hereford and the money will apply on same. He said he is planning, also, to wait out high prices for a while longer. The bank account will get his money for the time being, anyway. <tr> <td>Marvin Kearns estimates his refund to be about \$400. He bases his estimate on the government-released computation figures of a 55-cent per month per thousand dollars carried refund. <tr> <td>"Medical bills will get some of it," Marvin said. "With the other I might wait and take a good vacation this summer." <tr> <td>Who gets paid first depends on the last three digits of his serial number. The smaller the digit of the last three numbers—the quicker the veteran will get his check. <tr> <td>Thus the veteran with the number 45976001 should find his check coming out this week. Number 31034999 will have to wait until the end of his group. <tr> <td>Raylan Evans said his was going back where it came from. He will apply all his dividend money on his future insurance payments. <tr> <td>Put It Back In Insurance <tr> <td>Ralph Smith, veterans' service officer, said this is the opinion of many veterans he has heard talk. He said many have carried </td></tr></td></tr></td></tr></td></tr></td></tr></td></tr></td></tr></td></tr></td></tr></td></tr></td></tr></td></tr>	Blue Turpen said he is going to get in the neighborhood of \$180 and is going to apply it on building his home. "It probably won't help much but that is where it is going to go." <tr> <td>Turpen's ideas as to what to do, with insurance dividend money, is pretty well typical of all Hereford veterans and all the nation's veterans, too. <tr> <td>They all figure that money is a little harder to get now and isn't such a bad idea to sock it away in U. Turpen's ideas as to what to do, with insurance dividend money, is pretty well typical of all Hereford veterans and all the nation's veterans, too. <tr> <td>They all figure that money is a little harder to get now and isn't such a bad idea to sock it away in U. S. Savings Bonds or put it on a home. Very few recipients said they are going to start another installment buying spree that would resemble times when terminal leave bonds were released. <tr> <td>Bills and Bank Accounts <tr> <td>Gene Prickett is going along with most veterans. He is planning to build a home in Hereford and the money will apply on same. He said he is planning, also, to wait out high prices for a while longer. The bank account will get his money for the time being, anyway. <tr> <td>Marvin Kearns estimates his refund to be about \$400. He bases his estimate on the government-released computation figures of a 55-cent per month per thousand dollars carried refund. <tr> <td>"Medical bills will get some of it," Marvin said. "With the other I might wait and take a good vacation this summer." <tr> <td>Who gets paid first depends on the last three digits of his serial number. The smaller the digit of the last three numbers—the quicker the veteran will get his check. <tr> <td>Thus the veteran with the number 45976001 should find his check coming out this week. Ralph Smith, veterans' service officer, said this is the opinion of many veterans he has heard talk. He said many have carried												

their policy for as much as ten years.

Smith added that some World War I veterans are still drawing dividends from their policies taken out some 30 years ago. He said the dividend payments are not nearly so big because only about 400,000 of 4,000,000 still have their policies still in effect.

Jim Lipscomb is one veteran of World War I who is drawing a dividend on his insurance from the 1916-18 era.

Jiggs Hartman said his money is debt-free. He doesn't know what he is going to do with it but is happy about the fact he won't have to pay it all out again.

Bill Roots is entering the University of Akron in February and entering matrimony in June. Both activities cost money so he will have no decision to make.

Stores all over the country have been offering easy credit terms to veterans who can show they will get a slice of the dividend pie. One store in a fairly large city issued "GI Credit Purchase Certificates" in the amount of each veteran's expected dividend.

No Installment Buying

But many veterans aren't interested. They will put their checks (averaging \$175) into long-term investments.

It seems to be a national opinion "No installment buying of unnecessary luxury items for me," is the idea. "My dividend goes right into the down-payment on my new home."

And the widow of a veteran (Continued on Page 3)

New Methodist Sanctuary

First Services Scheduled Sunday In New First Methodist Sanctuary

Building committee of the First Methodist Church announced Wednesday that their new \$122,000 sanctuary will be used for worship services Sunday.

Special music will be provided by the choir under the direction of Mrs. J. C. McCracken. The pastor, Rev. Don Davidson, will bring the message at the request of the Board of Stewards.

Work started on the new building in March, 1949 with C. M. Hicks, contractor. Shortage of materials held up completion of the building past original dates planned for opening the sanctuary.

The building has an oak cased curved truss ceiling, floor-panel radiant heat, modern plumbing and complete electronics. All pews are oak and have tufted cushion seats. The pulpit arrangement is formal and in oak. The Sanctuary seating capacity is 700 and the church parlor 60. The parlor is the gift of Mrs. J. F. Ward in memory of her husband and is furnished with a carpeted floor, radiant floor heat, upholstered chairs, beautiful pictures and other appropriate furniture.

Carillon Chimes were also installed in memory of Guy Winston Flanery by Mr. and Mrs. Colby Conkright.

THE WEATHER

Saturday—High 81, low 20.

Sunday—High 52, low 33.

Monday—High 58, low 18.

Tuesday—High 55, low 34.

Wednesday—High 71, low 21.

Carillon Chimes were also installed in memory of Guy Winston Flanery by Mr. and Mrs. Colby Conkright.

"Secret of Suzanne" Sunday Night Will Be Final Hereford Concert Association Program Of Season

Third and last program of the current Hereford Concert series, "The Secret of Suzanne," will be presented by three of New York's finest young singing stars Sunday night. Andrew Gaine, leading baritone of the New York City Opera company, Marie Rondahl, soprano star of NBC, and Paul Knowles, sensational young tenor, who made a smash hit with the Boston Symphony in December, will appear in the amusing operetta.

Miss Rondahl scored her first triumph when her voice, in competition with 10,000 young American singers won the coveted title, "Undiscovered Voice of America." In a nation-wide contest sponsored by the General Electric Company. With this award came radio broadcasts, and GE flew her to New York where Miss Rondahl was guest artist on a series of network programs.

After her initial appearance the Radio Daily described the artist as having "one of the finest voices to have been discovered in a decade."

Paul Knowles, tenor with "THE SECRET OF SUZANNE" company which will be seen at 8 o'clock in the High School auditorium, is a singer who is not allowed to sing.

His tour with "THE SECRET OF SUZANNE" began directly after his mid-December appearance in Boston as soloist with the Boston Symphony Orchestra where audiences and critics alike praised "A great new tenor."

But in "THE SECRET OF SUZANNE" he plays the mute servant, who doesn't even speak. However, since this uproarious, funny opera of the gay nineteen lasts only forty minutes, Mr. Knowles is given the major task of singing during the short concert preceding it.

A native of Cleveland, Paul Knowles received a great deal of his training at the Westminster Choir College in Princeton, New Jersey, where he was called upon for solo work with that organization and with the Princeton Choral Union. He has been heard in that capacity in Carnegie Hall, New York, and at the (Continued on Page 3)

March Of Dimes Makes Almost \$200 In First Two Days Drive

The first two days of the 1950 will be necessary to raise 70 per cent more money this year than was raised in 1949 in order for Texas to take care of its proper share of the financial load, Ed Stewart, state chairman has notified Raylan Evans, local chairman of the drive.

This \$5,000 goal set for the county is the largest amount ever scheduled to be raised locally in the fight against poliomyelitis, but it is needed this year to offset the tremendous financial drain which last year's nationwide epidemic sucked from foundation funds.

In the State of Texas alone, it

thickier than most of the States, had only four new cases under treatment in 1949, but eight other children, stricken in former years, were still receiving treatment last year, according to Mrs. Dyalchla Brady, county welfare officer.

To encourage contributions to aid in the battle against polio, collection boxes popped up in the business houses over town, gift folders were mailed to Hereford's tax payers. Contribution booths were set up along Main Street and school children were given their own gift envelopes to fill and return.

The money thus collected will be used to finance care of patients already stricken with the disease, (last year's national bill was 31 million dollars) and to aid in scientific research, which is currently waging a battle of experimentation to find out how polio can be prevented as well as cured. Scientists have already successfully vaccinated laboratory animals against all known polio viruses. With money to finance this research, they may soon be able to stop this insidious disease.

The Lions club was responsible for the "Lions" share of the \$191.84 collected so far. They took in \$46.23 in their booth Monday and \$67.79 Tuesday. They also contributed \$11.82 they collected in fines at the Lions Ladies night last week.

The other \$66 was from advance collections.

Jaycees Play Jaycees Basketball (?) Friday

Hereford Jaycees (All-Stars vs Amateurs) tangled Friday night in the High School gymnasium at 8 o'clock in a game benefiting the Christmas Decoration program which ended up a little over \$500 short.

Starting line-ups were not complete at presstime, but tentatively set. Earl Stagner, Doug Groom, Kenneth Neill, Stan Barrett and John Kelly starting for the blue-shirted All-Stars and probably former All-Deaf Smith county forward Ed Skypala. All-City (Center, population 61), Forward Dick Reeves, All-Wichita center Dick Lucas, and Maybe-All-something J. W. Robinson will start, coached by All-or-nothing-at-all S. A. Duckworth.

Ticket sales were reported brisk early this week, although no money had come in. If this game is a successful financial venture they plan to try it again. If it isn't they will try it again to get out of the red.

Midland C-C Manager Is Speaker For Annual Rotary Ladies Night Tuesday

Delbert Downing, manager of the Midland Chamber of Commerce, gave a highly amusing talk to Hereford Rotary Club members and their wives at the club's annual Ladies Night Tuesday evening in the Lion's Rotary hall.

Downing cited the wonderful progress science has made during the past few years but that with all of this science has done nothing towards establishing character in people. This is where Rotary International and such organizations come in, he said. They must help establish character in children of today so they will be able to meet the challenge of the world in the

years to come with a firm foundation of character.

The Wayland quartet composed of Rocky Powell of Plainview, Bill Knighton of Canyon Royce, Dowl of Dimmitt, and Hoyt Mulkey of Amarillo sang several spirituals and a few barbershop type of numbers.

J. C. McCracken, president, was toastmaster and Faust Collier, past president, introduced the speaker.

Among the guests present were Mr. and Mrs. John Jacobsen representing the Business and Professional Women and Mr. and Mrs. Lyle Blanton from the Lions Club.

Will Pay For Houses, Vacations, Etc...

My number is so far down the list it will probably be about fishing time before I get mine," W. R. "Dub" Hair said Tuesday. "I don't know how much insurance dividend I will have coming but I will probably use it for just that—fishing."

Blue Turpen said he is going to get in the neighborhood of \$180 and is going to apply it on building his home. "It probably won't help much but that is where it is going to go."

Turpen's ideas as to what to do, with insurance dividend money, is pretty well typical of all Hereford veterans and all the nation's veterans, too.

They all figure that money is a little harder to get now and isn't such a bad idea to sock it away in U. S. Savings Bonds or put it on a home. Very few recipients said they are going to start another installment buying spree that would resemble times when terminal leave bonds were released.

Bills and Bank Accounts

Gene Prickett is going along with most veterans. He is planning to build a home in Hereford and the money will apply on same. He said he is planning, also, to wait out high prices for a while longer. The bank account will get his money for the time being, anyway.

Marvin Kearns estimates his refund to be about \$400. He bases his estimate on the government-released computation figures of a 55-cent per month per thousand dollars carried refund.

"Medical bills will get some of it," Marvin said. "With the other I might wait and take a good vacation this summer."

Who gets paid first depends on the last three digits of his serial number. The smaller the digit of the last three numbers—the quicker the veteran will get his check.

Camp Fire "Discovery Unlimited" Will Be Observed January 28-29

"Discovery Unlimited" is theme of the 1950 Camp Fire Girls National Birthday project which will be observed in Hereford January 28 and 29 at the Scout Hut, according to Mrs. Joe Smith. Objects of art, old and new, will be shown.

In order for members of a group to qualify for the birthday honor show, certain requirements have been set up. Each girl must do one of the things specified under the different groups. Or they may do something of a similar order and make a written report of each one including samples of work done.

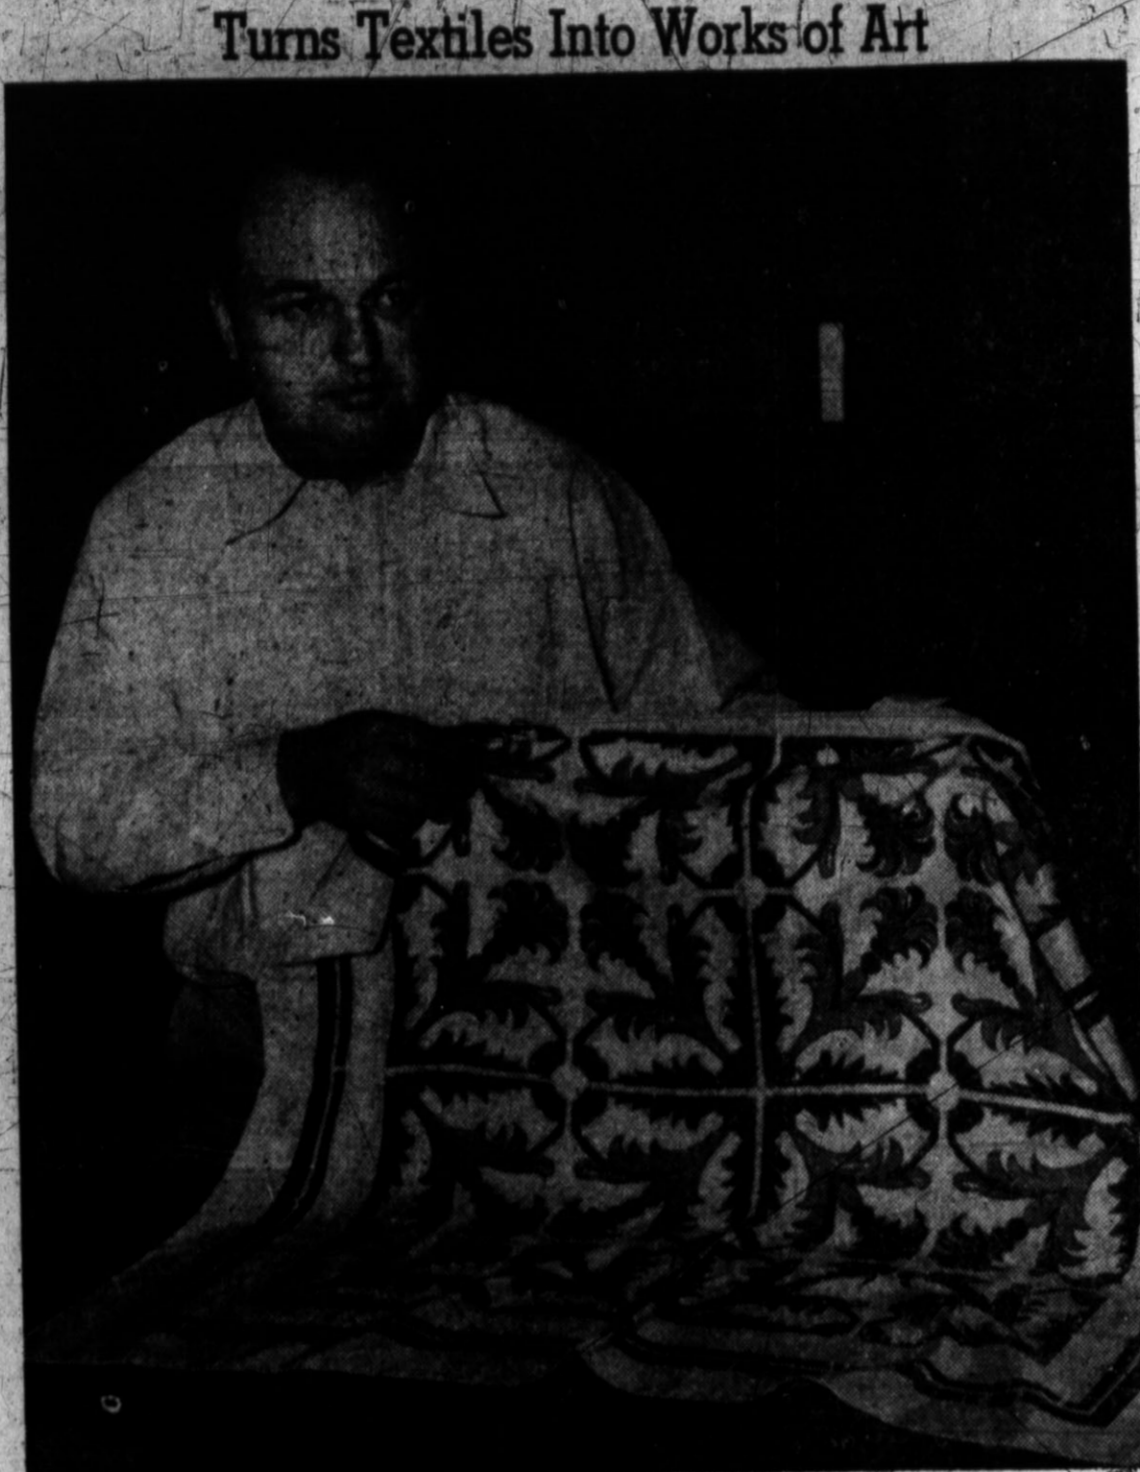

HONOR ROLL

Central School third six weeks Honor Roll: Bill Kistler, Eddie Lanell Morrison, Marlene Allred, Betty Hawkins, Patricia Smith, Frances Andrews, Sylvia Cox, Bert Cagle, Carlynn Williams, Billy Paul Knox, Gall Sterling, Charles Weems, George Davis, Sandra Caraway, Theora Cosby, Jerry Calhoun, Edwin Seroeter, Ella Marie Williams, Martha Bookout, Carroll Whitesides, Phyllis Goetsch, Linda West, Lynda Phillips, Sue Channer, Gale Blythe, Jane Bookout, Linda Brown, Mona Kay Calhoun, Nona-Marie Strange, Lawanna Lookingbill, Harold Hamby, Larry Edwards, Richard Smith, Lynda K. Noland and Betty Noland.

Barbara Burney Honored With Birthday Dinner

Miss Barbara Burney was honored with a birthday party at the Ray Conaway home Monday night given by Mr. and Mrs. Ray Conaway and Mr. and Mrs. Paul Conaway.

Following dinner the group played bridge and rummy games. Those present included the honoree, Jay McWhorter, Genevieve Eberle and Mas Pitman, Mr. and Mrs. D. C. McWhorter, Mr. and Mrs. Wolfe, Mr. and Mrs. Glenn Snyder, Mr. and Mrs. Jerry Stoltz and the host and hostess.

ROBERT H. MCKENZIE—his hobby turns textiles into works of art.

In addition to local art work, Robert McKenzie of Amarillo will show examples of his work which started out as a hobby but which is now a growing business. McKenzie turns out a dazzling array of individualized handpainted silks and has been enjoying so small amount of success at it as a business in Amarillo.

Other artistic notables will exhibit examples of their talents in the show.

Mr. and Mrs. Burt Alexander of Fort Worth have returned to their home after spending several days here with his mother, the D. H. Alexander, who underwent a major operation here last week.

Ed Jesko was in Amarillo on business Tuesday.

Calves Win Close Game From Adrian B' Squad

The Calves did a little better against their opposition than their big brother Whitefaces Saturday night in Adrian when they clipped Adrian B Squad, 29-26.

In the first half of a twin bill, Ray Graham and Kenneth Brock lead an attack that took off from a halftime tie score of 12-all, to outscore the Adrian team down to the last run. Brock got nine points along with nine more from Graham to tie for the high-score honors for the night.

Privitor dropped eight points through to lead Adrian's offense and to be second high man on the marker side.

THE STORE THAT THRIFT BUILT

Schoolboy Patrols Treated By Sheriff

Sheriff J. C. Reese, advisor of Shirely and Central Schoolboy Patrol Units, entertained the groups early this week. It was a customary treat for the groups after the first semester's work on the Patrol.

Reese said the boys were taken to a show and, afterward, inspected the county jail. They were shown identification methods used in the jail and some had their finger prints taken. They were also taken for rides in law enforcement cars. They were given an opportunity to view the communication methods utilized by the patrol cars. Several phases of law enforcement were made known to the boys.

The Patrol units of both schools were changed upon the completion of the first semester. A completely new personnel unit is in force at each school now, according to Reese.

GOOD AS NEW—Even canine friends take interest when Struppi, 3-year-old dachshund living in Berlin, clip-clops along the street. Struppi's owner, Mrs. Helene Kugel, straps on the artificial limb worn by the dog in place of the right foreleg he lost when hit by a car two years ago.

Dennis Baker Lectures At Army Reserve Monday

Homer Fox Says: DID YOU KNOW

I doubt if there is a community in this big State of ours that can boast of as many fine "large" families as Summerfield, could and can—according to its size. Most of these folks are pioneers. A lot of them have been around ever since the San Antonio built through here. Hard working, honest, and progressive, solid as a rock and the salt of the Earth, they have kept up with the times in every way, no finer folks ever lived any where.

A few years ago when Mr. and Mrs. J. L. Lookingbill had all the kids home at Summerfield, his big old rough boys and two girls, it would have been perfectly easy and almost natural to call Summerfield, "Lookingbill" (same amount of letters in it too). In 1942 J. L. Lookingbill did take over the Summerfield store and moved his family into the same building, four husky boys and one fine little girl. With a lot of hard work, accommodations and courtesies, L. B. and Eva Lookingbill with a good natured grin on their faces, made a real GO of that Summerfield store. Selling along smoothly, still with a lot of hard work, they were giving their customers the kind of service that makes them come back to trade. Then just before the holidays in December, the struck and whenever fire strikes, large or small, it is trag-

Not much of a Xmas present that one of the Lookingbills received for Xmas, when their store and home burned. But Eva and L. B. Lookingbill still have that big smile but always will have when you meet them. We know what a fire is in a store and when you double up and include the home, it is bound to be terrific. You can carry out merchandise and household goods, and to the outsider it looks like you have saved nearly everything. You have insurance, and it looks like maybe after all you won't lose so much.

Then one morning you wake up, you miss something that you wouldn't take anything for, you dig, and hunt, but you can't find it. The same thing happens the next day and the next, and this will go on for a long, long time. With Xmas it might be something of the kids. Might be something you cherish, might be something in your club work, that you wanted to keep, some picture. Maybe inside the store near the phone you have written a bunch of phone numbers on the wall, maybe an address or a bunch of addresses, some one's name that you want'd to keep. Maybe some dates of a big rain, snow storm, or sand storm, some one's birthday, the scores of some important ball games, or

INSURANCE

(Continued from Page 1)
I wrote "My husband's dividend will go into government bonds, where it will stay until our two small children need it for school."

Some veterans haven't the idea of saving their cash, though. Many have already bought furniture, personal items or have made loans on the strength of their coming landfall. They have it spent before it gets here.

But if they heed the advice of the hand that is giving the cash out—the VA—they will read on the back of the check where it says, "Save, Invest in The Future By Buying United States Savings Bonds."

Mr. and Mrs. Earl Phillips and Mr. and Mrs. A. Petersen were guests of Mr. and Mrs. Herman Ford, former Hereford residents.

Mr. and Mrs. M. O. Beck and children are visiting her mother, Mrs. John Nelson. They have recently returned from the Philippine Islands where he has been stationed with the U. S. Army, and he is waiting assignment here.

Wayne Evans attended a board of trustees meeting of Hardin-Simmons University in Abilene Tuesday and Wednesday. D. C. Kinsey made the trip with him.

Lee Cocanougher is attending the Western National Livestock convention in Denver this week.

Rheumatic Fever Attacks Early

Rheumatic fever causes more deaths than any other disease in children of school age, declared Dr. George W. Cox, State Health Officer. The first attack usually occurs in children at the age when they are in the first or second grade and teachers are most common up to the age when children are leaving high school. The insidious onset of so many cases during the school year suggests that teachers and others in daily contact with school children should be aware of early signs and symptoms which may mean acute rheumatic fever.

Dr. Cox said, "There should be more and improved examinations of school children by physicians with time enough for the first or teacher and parents to plan with the physician for any needed medical attention."

"School absence due to illness or vague disorders, if investigated, may disclose early cases of rheumatic fever. Teachers need to be alert to visible signs and symptoms suggestive of substandard health. Among these signs and symptoms which should bring children to the attention of teacher or parent are: Failure to gain weight; pallor; poor appetite; fatigue; frequent colds and sore throats; scarlet fever or any known streptococcal infection; unexplained nosebleeds; unexplained fever; pain in arms, legs and joints; unusual restlessness; history of previous rheumatic fever; behavior changes; decreasing achievements in school by a child who has previously done well."

"Children reported by the teacher as showing evidence of substandard health should be medically reviewed by the physician and needed medical care arranged for such children as soon as possible."

BIBLE COMMENT FOR JAN. 15

Church Was Built On Conversion And Fellowship

UPON the foundation of Jesus Christ the early Christian church was built by two things—conversion and fellowship.

The first great in-gathering was on the Day of Pentecost, 50 days after the Passover, when Peter preached with such power and boldness that many were moved to cry out in repentance, "What shall we do?" About three thousand were then converted and baptized. This company of believers was soon increased, for we are told that the Lord added to the church daily such as were being saved (Acts 2:47).

But someone has said that no one goes to heaven alone, and the first immediate manifestation of this new life in conversion was an intense clinging of Christians to one another in a fellowship so deep and strong that at first they held all things in common.

The real strength of the early Christian church was in the way the individual Christians, with a new sense of the worth of their own souls, loved one another. It became a byword, marking them from the world in which they lived, "See how these Christians love one another."

The Christian church today is a vast community of many churches, comprising many languages and many people of all sorts. It is an historic institution, as well as a fellowship of the sincerely devout and consecrated. People join the church from various motives, and many attend the services and support the church financially, who have never joined it at all, or professed any vital experience of conversion, such as transformed the early Christians.

It is the continuing evidence of Christ's presence and power, the deepest, finest, strongest thing in all the world. Would that there were more in that great company of sincere Christians! But let us never forget how great it is, or what that Christian fellowship means to a world in need, more in need than it is ever willing to acknowledge.

Chicken-Of-Tomorrow Coniest Rules Announced By Committee

The rules and regulations governing the 1950 Chicken-Of-Tomorrow program have been announced by the State Committee that supervises the program in Texas. F. Z. Beamblossom, extension poultry marketing specialist of Texas A. & M. College is chairman of the committee. He says there will be two divisions. One for the Juniors and one for the seniors or adults. All entries for 1950 must be postmarked before February 27 and should be sent to Beamblossom at College Station. The official entry for each participant in the program must be composed of 100 straight run chicks and no individual can enter more than one exhibit for each breed or cross-breed used. The chicks, he says, must be hatched between the dates of March 5 to 11 inclusive and those hatched before or after these dates are not eligible for entry. The chicks will be 12 weeks old when the 1950 program closes and each participant will send to a designated processing plant his entry or entries for the final judging. Birds will be judged as live birds and classified into three classes. Those birds given a blue ribbon rating will be processed for the final placings and from this group will come the champion entry. Beamblossom says suitable awards will be made in each division. Since the rules and regulations for the senior division are more complicated than for the junior division, he says, interested in continuing in the program contact their local county agent for more information or write him direct for copies of the rules. The winning entries, one to five depending upon their worthiness, will be sent to a regional exhibit the winning regional exhibits will then be entered in the national finals. Beamblossom points out that this is not a new program for it has been operating in Texas for several years and he feels that it has done much to improve the meat type chickens in Texas. He will be glad to furnish additional information to those that may be interested in the program.

(Continued from Page 1)

PAUL KNOWLES

ANDREW GALNEY

Academy of Music in Philadelphia under the batons of Toscanini, Ormandy, Stokowski, Walter and Rodzinsky.

Andrew Galney, baritone, has been guest soloist with the Denver Symphony, and has toured extensively in concert. He has also appeared frequently as guest star on James Melton's "Harvest of Stars" program. On

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germs laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must take the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

Broadway, Mr. Galney was seen last season in the leading role of "Targarnius" in Benjamin Britten's great success, "The Rape of Lucretia."

Mrs. Emma Wyer Is Buried At Dimmitt

Final rites were conducted in Dimmitt January 13 for Mrs. Emma Wyer, 72, who died January 12 in Hereford. Interment was at Dimmitt. Rev. Horace Brooks, Dimmitt Methodist Church pastor officiated and O'Killand Funeral Home of Hereford had charge of the funeral.

Mrs. Wyer was born August 9, 1877 in Illinois. She married H. J. Wyer August 22 in Bagley, Iowa. They came to Castro County from Iowa in 1908. On November 26, 1949, they came to Deaf Smith County.

Mrs. Wyer died after a lengthy illness.

Living relatives include her husband and three sons, H. J. Wyer and Harold Wyer of Muleshoe, and E. D. Wyer of Dimmitt. Two daughters, Mrs. L. V. Hennington of Hereford and Mrs. J. O. Turnbough, Los Angeles, survive, also, along with two sisters, Mrs. Alfred Scott, Muleshoe, and Mrs. A. L. Wyer of Pevna, Kansas.

Price College Drubs Whiteface Five 45-36

Price College's Cardinals drubbed the Hereford Whitefaces 45-36; at Amarillo Tuesday night in a game that saw Hereford scoring only four points in the first quarter.

Things picked up as the Herd started rolling to score 15 points to play the Cardinals on even terms in the warmed-up second quarter. Price College got six points in the first and 15 in the second period to lead, 21-19 at halftime.

It was a slow home stretch that jolted Hereford. Price College marked for 24 points in the third and fourth periods while Hereford was getting 17.

Leading the attack for the Whitefaces was Bill Kelly with eight field goals and two bonus shots, tallying 18 total points. This was the high score for both teams. De Caster got 15 points for the winners.

Mr. and Mrs. L. H. Shore returned from an extended visit down on the coast. They left here before Christmas and went by Silver, Texas to visit their daughter, Mrs. Aaron Rose and family. All then went to Vanderbilt, Texas to visit Mrs. Shore's daughter, Mrs. D. C. Laird and family, who recently moved from Hereford there.

Cost Of Caring For Deaf Smith Patients In State Hospitals And Homes Totals \$10,864

Austin, Texas—Figures that bring home the significance of the special legislative session to each county were released today by the State Board for Hospitals and Special Schools.

Commenting on them, Claud Gilmer of Rocksprings, chairman of the board, said, "The problem is not an abstract one."

He added: "It concerns every citizen: No one can say when tragedy can strike or what Texan will be the next to enter one of our institutions."

"I call your attention to the accompanying figures, and I suggest that you may want to familiarize yourself further with

the situation by discussing it with your state senator or representative."

According to the board's current records, there are 14 patients from Deaf Smith County in the state hospitals and special schools, distributed as follows: Mental hospitals . . . 3 Epileptic hospitals . . . 5 Mentally deficient hospitals . . . 2 Orphan's home . . . 4

The cost of caring for these patients for the current year is \$10,864.

Appropriations for the institutions will be the business of the State legislature, to be called in special session by Governor Allan Shivers. The last legislature's

appropriation for the operation of the hospitals and schools during the next fiscal year was vetoed by the late Governor Beauford H. Jester when it became apparent that revenues to provide for it were not available.

At the time, Governor Jester indicated that a special legislative session would be required to provide the necessary money for operation of the institutions during the second year of the current biennium.

Also to be considered by the legislature is an appropriation to expand the hospitals and schools, which are now, according to several surveys, overcrowded and inadequately

staffed. Mrs. J. J. Bugkner returned from Tucson, Arizona this week where she had been visiting relatives.

Mr. and Mrs. Jim Terry and daughter have gone to Fort Lauderdale, Florida where they will spend a month with her parents.

Mrs. A. O. Thompson is in Paris for a couple of weeks' stay with her mother, Mrs. A. E. Argo.

Mr. and Mrs. Eugene Bagwell are in Hot Springs, N. M. for a couple of weeks' vacation. They will also spend some time in El Paso while away. Their daughter, little Kathyln Bagwell, is with her grandparents in Claude while her parents are away.

Now...Just Lift a Lever and Go!

It's a New driving thrill in the 1950 Nash Ambassador!

Want to know the last word in effortless driving?

In the 1950 Nash Ambassador Hydra-Matic Drive is combined with Selecto-Lift Starting.

Simply lift a lever and go! No clutch pedal—not even a starter button! You can drive all day without shifting gears.

And here's the thrill of America's top high compression engine that uses regular gasoline—for performance and gasoline mileage new to fine cars.

Note the quietness. Airflyte design cuts through the wind with 20.7% less air drag than the average car.

Here, too, is the comfort and luxury only the Nash Ambassador can offer . . . with Airliner Reclining Seat . . . Weather Eye Conditioned Air System . . . Twin-Bed spaciousness . . . the rigidity and lasting silence of Airflyte Construction.

Yes, it's the most modern of fine cars, yet the price of a Nash Ambassador, even a Custom model regally tailored to your order—is as much as a thousand dollars less than cars of comparable size and quality cost! See your Nash dealer, and make this frank comparison yourself!

Neurocalometer examination of the spinal nerves given by Dr. Stapp locates defective nerves emitting from the spine on their way to the organs and glands of the body. Here we determine which nerves are defective, when they return to normal and other data.

Case histories published here are from the files of Dr. Le Mond Clinic in Austin. They are displayed here to show the extent and scope of Chiropractic.

AGREED

"After practicing medicine for 15 years, and spinal orthopedics for 10 years I am daily astonished at the remedial power of Chiropractic spinal adjustments as a cure of disease."
LeForest Potter, M. D.
Orthopedist, New York

SINUS TROUBLE

CASE NO. 1186: This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever, pains in right side of neck and shoulder, rheumatic pains in knees, tired back, pressure feeling in stomach, dizziness and nervousness. After going the rounds of doctors, and remedies, she finally came to a chiropractic clinic for spinal examination. After the Neurocalometer and X-rays located her trouble, spinal corrective adjustments were begun to realign and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioning body. Upon discharge, this patient reported no symptoms of any kind remained. The body retains everything necessary for health if its forces are free to work efficiently.

COLITIS

CASE NO. 35: A middle aged

woman suffered great distress from colitis. Stomach cramps and sourness were constant. Despite professional attention the condition was continually getting worse. She was advised to visit a Chiropractor and a series of spinal adjustments brought her relief. Shortly afterwards, when venturing out doors on a severe winter day, she caught cold in both knees. They became swollen and arthritis developed. She returned to her Chiropractor and further spinal adjustments were given. The arthritis cleared up and has not returned since.

HIGH BLOOD PRESSURE

CASE NO. 1894:
A grandmother, age 63, although under the constant care of her doctor for eighteen months, was gradually growing worse. She had high blood pressure, heart attacks, dizziness, nervous indigestion, gas and bloating which caused heart distress and pains, gall bladder pains and tenderness, kidney trouble and pain, swollen ankles and hands, and for each of these conditions she has been taking something different, but gradually becoming to try the Chiropractic Clinic. Spinal Neurocalometer analysis and X-rays located the causative subluxation in the spine. Adjustments corrected the misaligned vertebrae, removed the interference to innervation of the vital organs. Upon discharge this lady reported that she was free of any symptoms of illness of any kind and was doing all house work. Her own words were "I feel as though I have never been sick, I

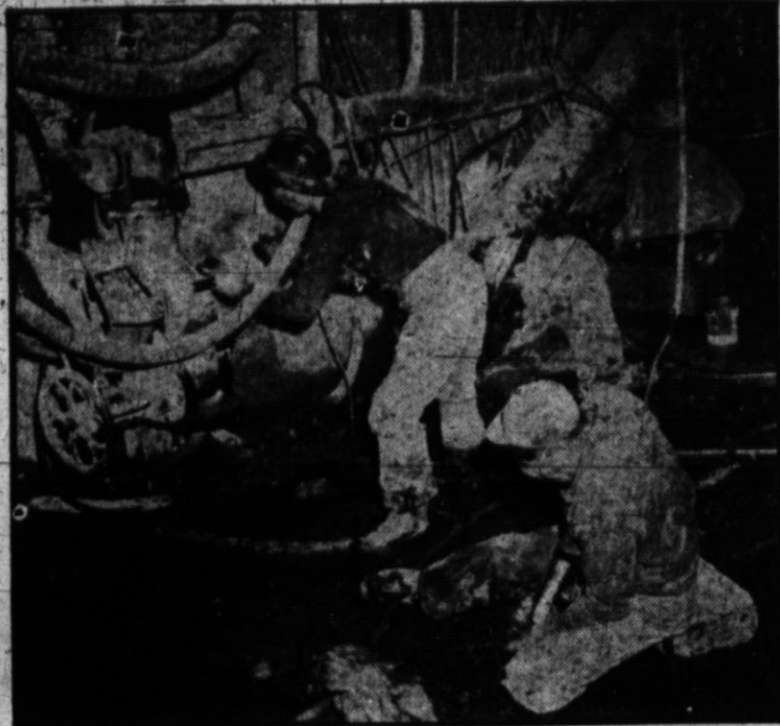

feel just grand, thanks to Chiropractic!"

CORNEAL ULCERS

CASE NO. 1589:
A girl of 3 was brought in after unsuccessful treatment for corneal (eye) ulcers, nervousness, and constipation. After a spinal Neurocalometer examination and X-rays revealed an injury of the spine causing motor nerve wave interference, she was accepted for spinal corrective adjustments. Upon discharge none of the previous symptoms were present and the child was enjoying normal health.

ASTHMA

CASE NO. 1419:
After trying for years in some of the best medical clinics to find health, a boy, age 8, was brought to the Chiropractic Clinic. His parents stated that he had suffered from Asthma all of his life; was nervous, awaking at night, crying out because of nightmares; stuttered when trying to talk, had cramps after meals; was constipated, susceptible to frequent colds and fever which confined him to bed. His mother recalled that birth was very difficult and that birth injury to neck and spine was possible. Neurocalometer and X-ray analysis of the spine disclosed a neck injury, a vertebral misalignment, causing nerve wave interference and defective energization. Corrective adjustments began to restore alignment and reduced interferences to brain-nerve waves. This boy began to gain weight, sleep soundly, and returned to normal health in a few months.

UNDERWATER REPAIR JOB—The Grand Coulee Dam, on the Columbia River, undergoes a face-lifting with the aid of a special underwater chamber that permits workmen to labor 70 feet under water. The men are making repairs to the spillway bucket of the 22-million-ton dam. The underwater chamber is lowered over the bucket and water is pumped out so that workers can go below.

HIGHLIGHTING BUICK'S exhibit at General Motors "Mid-Century Motörama" in New York's Waldorf-Astoria was the new Roadmaster 130, a six-passenger, four-door sedan. An outstanding feature of this new tourback styling with Buick pioneered Riviera line is the generous trunk area in which the tire rests in an upright position adding greatly to available luggage space. In addition to its luxurious appointments and sleek lines its beauty has been further enhanced by the greater

use of chrome in the upper part of the body and the increased use of glass. Greater safety results from increased driver vision to the rear through the wrap-around back window. The chassis has been lengthened four inches to accommodate the longer, roomier body while the over-all length of the car is less than that of the previous Roadmaster models, due to the use of Buick's exclusive combination bumper and grille front end. Dynaflow, Buick's all-oil transmission, is standard equipment on all Roadmaster models.

SCS NEWS

Plan To Help More Farmers Get Complete Conservation Program

A two-day training meeting of all Soil Conservation Service employees of Deaf Smith, Castro and Farmer Counties was held in Hereford last week. Those attending included: Bill J. Clutter, District Conservationist for the three county area; H. M. Pevehouse, O. B. Russell, Fred A. Inman, John D. Burkett and Mrs. Ethel M. Lewallyn from Hereford; Lewis Ellison, O. K. Howe, John Aldridge, Howard Hershey, Robert C. Daniel and Mrs. Eunice Benton from Dimmitt; Walter W. Smith, John Sanders, W. M. Kennedy, Walter R. Griffith and Mrs. Bessie L. Henneman from Friona.

Subjects brought out included better methods of soils work, engineering, water application, grass seeding, farm meetings, working with people, records and reports and some others. Plans were made to assist more farmers in getting complete conservation programs on their farms.

In the past two or three weeks lines for contour seeding were run for Roger Brumley; irrigation ditches were laid out for Knowles and Bordner; O. G. Hill and W. Jenkins.

Irrigation well locations were spotted for R. L. Alexander, C. D. Goldsmith and W. S. Kerr.

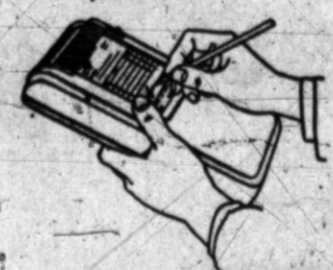

New applications for assistance in conservation work have been received from Troyce Carmichael, Harold Barclay, J. B. Brown, Harry Lookingbill and C. D. Goldsmith.

The District's heavy equipment has recently finished leveling and dirt moving work for O. G. Hill, Joe Ballinger and W. G. Russell.

meeting of Deaf Smith Wind Erosion District next Monday afternoon in the courthouse at 2 o'clock.

Deputy Goes To Arkansas To Bring Back Swindler
Deputy Sheriff S. B. Berry left Hereford Tuesday to pick up a man held by authorities in Hope, Arkansas on a Hereford charge of swindling by check, according to Sheriff J. C. Reese.

Charged with felony check swindle is Guy B. Vandergrift, arrested in Arkansas earlier this week.

Berry also arrested V. B. Dun-

can on a similar charge near Sudan Tuesday.

Both will be up before District Court January 30, Reese said.

Mr. and Mrs. T. C. Covington had several guests in their Hereford home last week end. Mrs. J. W. Covington, Turkey, Mr. and Mrs. W. T. Helbey, Dimmitt, Mr. and Mrs. G. M. Covington, and Kenny, Tulla, Tom Beeson, Olton, Mr. and Mrs. Doyce-Wynn and Paula, Olton, Mr. and Mrs. Elvis Robison, Olton and Mr. and Mrs. J. T. Moses of Olton visited in the T. C. Covington home.

Church Notes

AT THE FIRST METHODIST CHURCH all organizations are astir over the opening service in the new sanctuary to be held on Sunday. Ushers have been in special meeting to make plans to handle the attendance for the first service. The choir meets again this Thursday evening to complete music for the service. The pastor will bring the message and the subject is entitled, "We Have Built a House." Now Let us Build a Road." There will be evening meetings on Sunday at the regular time. Youth groups at 6:45 and Preaching at 7:30. Visitors are welcome to these First Day Services.

CHRISTIAN SCIENCE Services will be held Sunday morning, January 22, at 11 o'clock in the Star Theatre. The subject of the lesson-sermon is "Truth." The Golden Text is from Psalms 145: 18. "The Lord is high unto all them that call upon him, to all that call upon him in truth. All that are interested are cordially invited to attend."

THE FIRST CHRISTIAN Cabinet met Tuesday, January 10 with the following present: Virgil Dodson, chairman; A. Peterson, secretary; R. W. Ford, pastor; Mrs. Roberta Dyar, Mrs. Virgil Dodson, H. M. Thomas, Troy Moore, Ira Ricketts and Harry Seed. Plans were made for Personal Visitation Evangelism and Decision Day. Recommendations were made to the Church Membership Development Committee that there be planned a menu for Church Family Nights. The Stewardship chairman reported 75 per cent of the Church annual budget had been pledged. Woman's Council, Group I, met Wednesday with Mrs. C. R. Smith, Mrs. W. R. Black had the lesson and Mrs. Helen Pipkin presented the devotional. Group II met Wednesday, also, with Mrs. Carl Frye, Mrs. Sid Barclay

and the devotional and Mr. Virgil Dodson had the lesson.

THE FIRST BAPTIST CHURCH training union attendance was up last week but was low par. An average attendance of 150 is being sought for this month.

Tierra Blanca Association Brotherhood met Tuesday evening at Wayside Baptist Church. The Young People enjoyed Fellowship after church Sunday night in the home of Mr. and Mrs. J. B. Harlin. Dewey Nicholson was host. Those enjoying games were Ruth Pickens, Mr. and Mrs. Clinton Jackson, Bill Roots, Doyle and Ray Cox, Dallas Phillips, Karl Hutchison, Alvin Rettman and Mr. and Mrs. J. B. Harlin and the host. Refreshments were served.

IMMANUEL LUTHERAN CHURCH services next Sunday will be "Jesus' Great Miracle in Cana of Galilee" with pastor Lichtsinn in charge.

On Wednesday afternoon at 1:30 p. m. the weekly Lutheran radio program over KPAN will be devoted to questions and answers.

Sunday evening, beginning at 7:30 P. M., two educational movies will be shown at the church. The first is "Answer For Anne," telling the story of the work of the churches among the Displaced Persons in Europe. The second movie is the story about the only Protestant school for deaf children in America. This picture is in color and is entitled, "The World of Silence." It shows the story of a deaf child; from the time he becomes deaf, his entrance into the school, and finally his graduation from the school. The public is cordially invited to attend the showing of these pictures. No admission will be charged, but a free-will offering will be received for the Lutheran School For the Deaf.

Mr. and Mrs. J. B. Thompson Honored With Post-Nuptial Courtesy At Frio

Mr. and Mrs. J. B. Thompson recently wedded couple, were honored at a post-nuptial courtesy in the form of a gift party at the Frio School house Friday night. Hostesses were Mesdames; Owen Andrews, H. M. Mobley, Floyd Cole and H. D. Robbins.

An appropriate program was presented for entertainment. Mrs. Owen Andrews read an original poem "Your Book". Betty Robbins entertained with vocal music and "The Wedding" was given as a reading by Mrs. H. D. Robbins. Miss LaVada Sharnon presided at the bride's book.

When the shower was introduced the couple opened gifts from a table placed in front of a large heart done in pink and white and bearing the names "Betty and J. B." Other decorations were in keeping with the bridal theme. Refreshments were served to Messrs. and Mesdames; J. E. Andrews and Alma, T. L. Sparkman, Sr., W. H. Thompson and daughters, A. T. Jones, H. E. Lindley, D. O. Jones, Fred Walton, Earl Cole, Frank Robbins and Carol, E. H. Little and Peggy, Floyd Cole and Jana, Robert Simpson and Nellie Jo, Henry Dobbs and James, Clark and Larry, Henry Andrews and Doris Jean, E. B. Berryman, Owen Andrews and children, Rev. and Mrs. R. L. Sharnon and Lavada, Mrs. Jack Lindley, Mrs. H. F. Benson and Sherry and Ganelle, Mrs. H. M. Mobley, LaNelle and Don, Mrs.

H. D. Robbins and children, Lester and Tommy Irwin and Leroy Bowdy.

Progressive HD Club Meets In Parsons Home

Progressive HD Club held their first meeting of the New Year, with a covered dish luncheon, at the home of Mrs. T. J. Parsons, January 3rd.

Committees and officers appointed were as follows: Assistant secretary, Mrs. V. E. Dodson; Assistant reporter, Mrs. Bob Barnhart; Council alternate, Mrs. V. E. Dodson; Landscape copersators, Mrs. P. L. Carmichael, Mrs. V. E. Dodson and Mrs. Bob Barnhart; 4-H Leader, Mrs. T. J. Parsons; Legislative Leader, Mrs. Bert Coffin; Finance, Mrs. H. L. Herahey, Mrs. T. J. Parsons, Mrs. Clyde Russell; Year book, Mrs. M. T. Sparkman, Mrs. C. C. Billingslea, Mrs. P. L. Carmichael; Expansion-Education, Mrs. V. E. Dodson, Mrs. Bert Coffin, Mrs. Will Gentry; Recreation, Mrs. Bob Barnhart, Mrs. P. L. Carmichael, Mrs. Edgar Lemons; Marketing, Mrs. Leon Coffin, Mrs. C. C. Bowman, Mrs. Herman Drake; Good Cheer, Mrs. Ira Ricketts, Mrs. R. C. Weathers, Mrs. J. F. Walterscheid, Mrs. M. T. Sparkman was appointed chairman of the February monthly social. Those present were Mesdames Bert Coffin, Bob Barnhart, Leon Coffin, V. E. Dodson, Floyd Mo-

FRIO NEWS

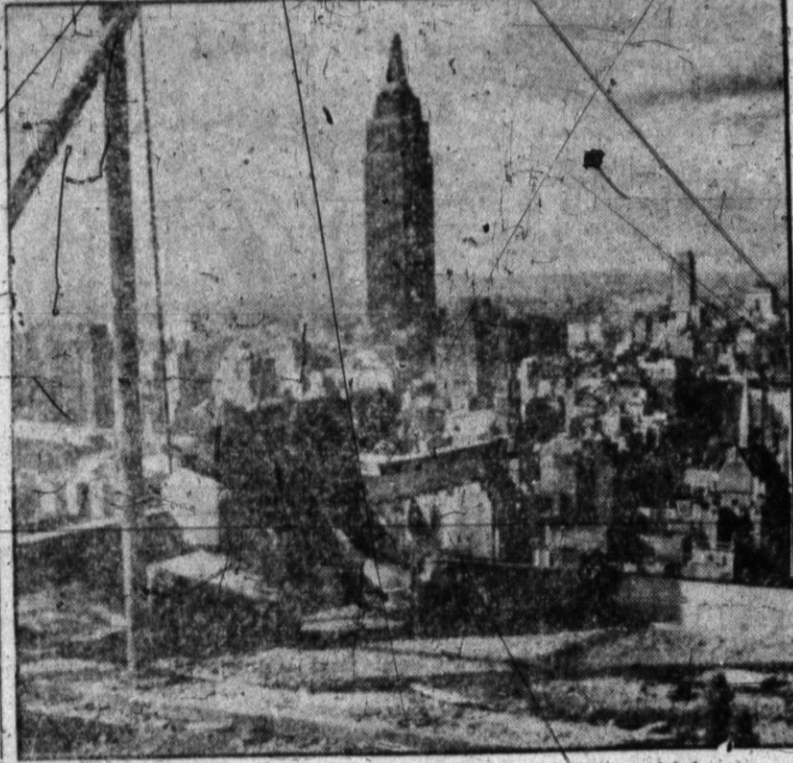

Party Honors Family Moving From Community to Tahoka Tuesday Nite

By Mrs. Owen Andrews
Brand Correspondent
On Tuesday night of last week a party at the home of Mr. and Mrs. Floyd Cole honored the David Yandella, who moved to Tahoka on Thursday. Games of "42" were enjoyed by the guests who were members of the Sunday-School Class of the Yandella. Those present were Messrs. and Mesdames E. H. Little, Frank Robbins and Carol, Leo Hall and Ramona, R. L. Simpson, T. E. Cole, J. B. Thompson, Henry Dobbs, D. F. Yandell and Misses Rose Marie Yandell, Nellie Jo Simpson, Veradelle and Frances Andrews.
Veradelle and Frances Andrews spent Tuesday night with Rose Marie Yandell.
Sunday dinner guests in the

E. H. Little home were Mr. and Mrs. Frank Robbins and Carol, Mrs. H. D. Robbins, Pat and Glenda, Misses Lyla and Betty Robbins, Larry Dobbs, Mr. and Mrs. Floyd Cole and Jana.
Mr. and Mrs. Earl Cole went to Amarillo on Sunday where Mr. Cole entered Northwest Texas Hospital for a throat operation to be performed on Monday morning. Little Miss Jana Cole spent Sunday night with her grandmother, Mrs. H. M. Mobley, as her parents, the Floyd Coles, were to go to Amarillo on Monday morning to be with his parents at the time of the operation.

Mr. and Mrs. H. E. Lindley were called to Amarillo Saturday by the serious illness of his brother, Mr. Harvey Lindley, who was stricken suddenly Friday evening. They were accompanied home by the mother of the Messrs Lindley on Saturday night and returned to Amarillo again on Sunday. Mr. Harvey Lindley formerly lived in Dallas and has visited the H. E. Lindley's here. He owned a Jiffit interest in the place which the Lindleys recently sold.
Mr. and Mrs. Markley and son, Wendell, have moved to the

place which they purchased from the Lindleys. The daughter will remain at Sweetwater, Okla. until school is out. The Markleys were out to Sunday School, Sunday.
Paul Williams, who formerly lived in this community, was visiting with old acquaintances on Friday of last week. He and family live at Wellington.
On Wednesday night, the Missionary organizations of the Baptist Church met. Regular programs were given.
Club met in the home of Mrs. Owen Andrews on Thursday. Appointment of officers, and filling the yearbooks made up most of the program. Mrs. Frank Robbins gave a talk on arrangement of pictures. The next meeting will be in the home of Mrs. Floyd Cole. Fourteen members and two visitors were present.
On Sunday afternoon, the R. L. Shannons' son, Lanzo, accompanied by Delton Gregg and Mr. Carter, came to get Rev. Shannon to go to Meadow on Wednesday, to conduct funeral services for Wayne Gregg, who was killed in an army plane crash in Georgia on Dec. 20. Rev. Shannon had known and been pastor for the family for many years.
Mr. and Mrs. Herb Schmidt were Sunday visitors in the J. E. Warrick and C. N. McCluse homes Sunday.
Sunday dinner guests in the Mobley home were Mr. and Mrs. J. B. Harlin of Hereford, Mr. and

NEW HORIZON SHAPES UP — This workman, high above Franklin D. Roosevelt Drive in New York on the 42-story UN Secretariat Building, has to himself a view which will soon be admired by world planners. The Empire State Building dominates the view.

GRIDDERS GIVE POINTERS — Frank Spaniel, left, and Leon Hart, Notre Dame football stars, present gift footballs and some tips on their use to two youngsters at the Shrine Children's Hospital in Chicago. The boys look as though they can hardly wait to put the pigskins to use.

Mrs. Raymond Mobley and Danny Kent and Joe Ed Andrews.

On Wednesday afternoon Mrs. H. M. Mobley visited Mrs. Percy Eskes at Dimmitt.

Miss Sue Berryman visited Miss Nellie Jo Simpson Sunday. On Sunday Mr. and Mrs. T. L. Sparkman, Sr., Clark and Glenn Andrews visited the home of Mr. and Mrs. Albert Summers near Hart. The W. A. Springers visited the Summers on Friday night. The Summers have been ill with "flu".

On Friday night Mr. and Mrs. J. B. Thompson were honored at a shower given at Frio. A short program, consisting of a poem by Mrs. Owen Andrews, a son, "Because," by Miss Betty Robbins, and a reading and toast to the couple by Mrs. H. D. Robbins.

The table on which the gifts were laid was covered with white and pink ruffled trimmed. A large heart outlined in pink ruffles, with the words, "J.B. and Betty" was hung on the background above the table with pink and white streamers hung downward. Refreshments of coffee, orange juice and cookies were served to a large number of the community. Hostesses were Mesdames Robbins, Andrews, Mobley and Floyd Cole and Miss Betty Robbins. Miss Lavada Shannon made and presided at the white lace and satin covered guest book. Many useful gifts were received by the couple.

Frio Home Demonstration Club On Thursday, Jan. 12, the Frio H. D. Club met in the home of Mrs. Owen Andrews for its first meeting of the new year.

Mrs. D. E. Chisholm assumed duties as president. The recreation consisted of a "Penny game" and Miss Alma Andrews won the gift. Roll call was answered with "Books I Have To Lend." A talk urging magazine pictures for illustrations was given by Mrs. Frank Robbins, on the subject of arrangements of pictures. "Attractive grouping of small pictures is much better than postage stamp fashion scattering on all the walls," Mrs. Robbins said. She also invited the women to not be afraid to use a variety of subjects, shapes and sizes of pictures, especially if they are prized by the home maker for sentimental or other reasons.
During the business session, committees were appointed and some plans made for the coming year's work. Council report was given by the delegate, Mrs. W. A. Springer. At the close of the meeting, a gift was presented by the president, Mrs. Chisholm, to the retiring president, Mrs. Owen Andrews.
Those who were present were Mesdames H. E. Lindley, D. E. Chisholm, H. F. Benson, W. A. Springer, Frank Robbins, T. L. Sparkman, Sr., Henry Andrews, Glenn Gripp, Floyd Cole, Henry Dobbs, Miss Alma Andrews, and the hostess, and Mrs. E. H. Little.

Mrs. Gene Noel and Mrs. Sam Lindley, a new member. Misses Betty Robbins, Veradelle Andrews and Mrs. H. D. Robbins were visitors.

The next meeting will be on "clothing," at the home of Mrs. Floyd Cole on Jan. 26th.

ATTEND BASKETBALL GAME

Attending the Hereford-Price College basketball game in Amarillo Tuesday night were Mrs. Doug Groom, Glenn Hopson, Mr. and Mrs. Don Little, Mr. and Mrs. Will Kerr, Mr. and Mrs. W. T. Kelly, Mr. and Mrs. Dalton Criswell, Mrs. George Graham Bryce Kelly, Ruben Knox, Gilbert Carlyle, Mr. and Mrs. Paul Mathers, Pat Sullivan, Johnny Albright, Edward Juke, Tommy Albright, Junior McGee, Conrad Clark and Nancy Cagle.

Hospital Notes

Patients discharged from hospital: Mrs. C. E. Lundry, O. B.; Edith Winfrey, med.; Michael Gallagher, T&A; Connie Urban-czyk, med.; Mrs. O. A. Rudd, med.; Jose Lopez, med.; Mrs. Ira Scott, surg.; Sandra Townsend, med.; Mrs. Laura Marsh, med.; Mrs. J. R. Johnson, surg.; Mrs. Bertha Henderson, med.; Mrs. Roy Lemmon, med.; Lloyd E. Taylor, med.; Morris Sowell, med.; Mrs. Carrol Kreig, O. B.; Mrs. Mary Acker, surg.; Jimmy Hill, med.; Sylvester Slagle, surg.; Henry Fangman, med.; Joan Southern, med.; Mrs. W. C. Lowry, surg.; Mrs. J. E. Jury, med.

Patients in hospital: Mrs. Doris L. Smith, surg.; Mrs. Fred Henry, med.; Mrs. T. H. Davidson, med.; Jake H. Carroll, ortho.; Mrs. A. G. Bell, surg.; Mrs. D. H. Alexander, surg.; Mrs. Roy Jowell, surg.; Miss Ara Lewis, med.; Larry Rickman, emerg.; Felipe Zapata, surg.; Mrs. M. E. Mahon, med.; Mrs. A. J. Peters, O. B.; Mrs. T. B. Thomas, O. B.; Mrs. W. B. Nunley, O. B.; Maxine McCathern, med.; Mrs. Lowry Molloy, med.; Mrs. Lillian Scott, surg.; Mrs. Ora Collins, O. B.; Mrs. F. W. Hill, med.
Births: Mrs. Andrew J. Peters, a daughter, Twila Gay.

Mr. and Mrs. W. D. Searcy, Carlsbad, California and formerly of Hereford visited in Hereford with her sister, Mrs. Luther Griffin and family for a week. They left for their home Friday. Both families visited with Mrs. Griffin's daughter and husband, Mr. and Mrs. Robert in Shawnee, Oklahoma last week.

Mrs. Ben Bush and Mrs. Cecil Williams left Monday for El Centro, California on a vacation trip. They will go to Ventura, Oxnard and then back through San Bernardino. They will be gone three weeks visiting relatives and vacationing.

Adrian Five Beat Hereford 36-23

Adrian was hot and Hereford chilled Saturday night as the Whiteaces bowed in their first attempt after academic dead week, 23-36 on Adrian's home court.

Hereford managed only two field goals through the tight Adrian defense in first quarter while the opposition rang up 12 points. The second quarter was even more futile as the Herd recorded only Morton's field goal and Kerr's free throw. Kerr and McBroom marked for Hereford in the first quarter—each getting two-pointer field goals.

That was the story, Adrian led, 16-7 at halftime and pulled away with seven field goals in the third quarter and three more with two free throws in the final period to win by 13 points, 26-23.

Hereford hit four field goals in the third, followed by three in the final period. Kerr got two free throws in the final quarter, also.

High scorer for Hereford was Kerr who notched seven points for the entire night's work.

High scorer for Adrian was Pinnell with a string of six field goals and two free throws. He canned three field goals in the first quarter.

and the count three and one on Bockman with Erskin pitching. That was the first kiss Lady Luck threw to the Bue.

The replay came as part of a double-header at Ebbets Field on Sept. 21. Meyer already mapped his strategy. He ordered Bockman not to swing on Erskin's first pitch. It came in high, and Bockman—who had grounded out the first time—walked to fill the bases. That was the second break for the Pirates.

That brought Stan Rojeck, the peppery ex-Dodger, to bat. And once again Behrman-felieved Erskin. The pressure on Behrman showed as he pitched carefully. Rojeck worked him for the full three and two count.

This was almost the only set-up that could bring about what actually happened. The Dodgers had to make only one more mistake. And Behrman did it.

From the Dodger dugout, Shotton gave Behrman two signs. He first pushed his right arm out straight, meaning he wanted him to throw his fast ball. Then he clinched his hands together over his stomach—meaning no windup. Everyone in the park knew what was going on. But no one knows whether Behrman got both signs. Anyway, the Dodger

Bill Miller Makes First Hole In One

Bill Miller made the first hole-in-one on the new Hereford Grass Green course Sunday afternoon.

Miller hit a seven iron to the 128 yard, par three, sixth hole and in his own words, "I expected it to be close but when we got to the green I didn't see it anywhere and started hunting around the edges. Robert Miller played the hole out and when he reached in the cup he pulled out two balls and asked me what kind I was playing? It was mine."

Number six green is hidden from the tee with only the flag showing above the crest of the hill. Miller said it was an exceptionally good shot and that he thought it probably hit short and rolled in.

Two other Millers (Hershel and son, no relation to Bill) were in the threesome.

Twenty-six-year-old Bill took up the game when the course was opened in August. He shot a 47 with the hole-in-one Sunday. His best score is a 45.

Luke (Doc) Fields and wife Burke Inman and wife and Woodrow and family returned last week from a ten day trip to Mexico City. Both families said they found Mexico and the people very friendly.

Mrs. S. L. Easley had, as a few minutes visitors, Mr. and Mrs. Jess May, Jr. and son, John, Monday afternoon. The Mays were returning to their Clovis home after visiting Mrs. May's mother, Mrs. John C. Baker in Amarillo.

FROM THE GRANDSTAND

By WILBUR MARTIN, Associated Press Staff
It would appear it's a good rule if you're ahead—bad if you're behind.

The rule virtually kills any chances of a team that is behind getting control of the ball in the last two minutes.

It was written into the rule book of course, when coaches sought some means to control deliberate fouling in the two minutes of the game by teams seeking to gain the ball.

But, say those coaches who oppose it, a team that is even one point ahead is an almost certain winner. The players can control the ball and even if they are fouled by the opposition, still get to keep it.

Gray is of the opinion that after 38 minutes of play, the team ahead is "in." Unless, of course, the ball is legitimately stolen by the other team. And in modern (Continued on Page 6)

By BOB HAMILTON

One of the most surprising things happened at the Bull Barn Saturday night that will take place in many a moon—Pierre Labelle, hit his own partner in the main event tag match, and then walked out.

The teams were originally slated as Cummings and Lopez against Labelle and Johnson. Cummings refused to tag along with Lopez so he and Labelle teamed up.

In the first fall, Cummings finally got Johnson down with an inside step over toe hold and then he went into his special Knee Thrust. Cummings used some foul tactics which Labelle didn't like. They argued but nothing came of it.

Labelle got the worst end of the second fall. Johnson and Lopez kept changing tags until they had thrown Labelle 11 times. Labelle was very groggy, so it wasn't hard for Lopez to apply the Jackknife pinning hold.

In the latter part of the third fall, Cummings herded Lopez into his own corner. He started beating Lopez with his fist until Lopez was almost unconscious. When he got tired, he tagged Labelle, but Labelle refused to enter the ring because of the way Cummings was fighting.

Cummings returned to his task of beating Lopez. Labelle got so mad that he climbed into the ring and planted his knee in Mr. Cummings's face. He then shouted I quit and walked out.

Lopez got hold of Cummings and threw him five times. He then tagged Johnson. Johnson entered the ring and threw him three times. Johnson applied the Swan Hold and Cummings gave up.

Lopez took Labelle in the first of the two preliminary bouts. Labelle was far ahead until Lopez got behind him and put the Sleeper hold on him. The Sleeper hold, if you'll remember, is the hold that bested Pat O'Dowdy last Saturday night.

Cummings and Johnson fought to a 20 minute stand in the second bout. Although Johnson was a little better than Cummings, he just couldn't throw him for the count.

Promoter Dory Detton handed out signed photographs of himself to all the kids present (and some who thought themselves young, too.)

Jim Eiland of Stanton was a guest of John Dale Kelly's Friday night.

Second Guess

By JERRY STOLTZ

The dearth of basketball news and interest, chiefly caused by lack of adequate facilities for a crowd of more than 250 or 300 at the most sends local sports enthusiasts elsewhere for something to talk about these days—

which brings us to one of the screwiest stories out of the major leagues in the past couple of years. Here's how it goes:

The Pittsburgh Pirates and Brooklyn Dodgers started a baseball game at Forbes Field in Pittsburgh and wound it up 26 days later at Ebbets Field in Brooklyn.

the pennant that the Boston Braves managed to win at the season's end.

They were playing this one "close to the vest" as every game was "crucial" about that time.

The Pirates held a slim 4-3 lead at the end of six innings of play. Then the Dodger wrecking crew went to work. They slugged the Pittsburgh team so thoroughly that most of the Pirate fans went home. When the smoke cleared, Brooklyn had jumped to a 11-6 lead.

The game dragged into the 9th inning, and the Pirates were fighting desperately to get something going. A rally. One run came over, then another, and a third. Brooklyn's lead was narrowing.

The Pirates had Frankie Gustine on third and Eddie Fitzgerald on first. But two were

away, and Dodger manager Burt Shotton called in Carl Erskin to pitch to Eddie Bockman.

Bockman, who had been on a hitting streak, worked the count to three balls and one strike. Shotton evidently thought Erskin didn't have it and called him off the mound. Hank Behrman went to the hill. Hank threw only one ball, and Bockman rolled out.

That should have ended the game, but alert thinking by Pirate manager Billy Meyer gave the Bucs new life. He protested the game because Erskin was relieved before he had retired one batter. As the rule stipulates.

Meyer's protest was upheld by National League President Ford Frick. He ordered the game replayed from the point in the ninth inning when the Buc had men on first and third, two outs

"Isn't it comfy up here?"

Ann: "Well, yes, Betty—but sitting up here in the air—"

Betty: "You'd do it, too, if your house had the drafts this house has!"

Ann: "It's not your house, my dear! What you need is a Lennox Heating System! You have no idea how nice it would be—you'd have warm air flowing gently through every room. There'd be no drafts and little temperature differences between the ceilings and floors!"

Betty: "But wouldn't temperatures change a little in between times when the furnace isn't going?"

Ann: "No, 'cause a Lennox works most all the time, gives you constant temperature. It doesn't vary more than a teeny fraction of a degree!"

Betty: "Sakes alive! Wait'll Frank gets home! No supper for him till he calls the Lennox dealer!"

DON'T WAIT FOR COLD WEATHER TO CATCH YOU UNPREPARED!

LENNOX WORLD'S LARGEST MANUFACTURERS AND ENGINEERS OF WARM AIR HEATING SYSTEMS

Long Time Ago

25 Years Ago
 Week of January 15, 1925
 At a Chamber of Commerce meeting, several men complain-

ed to George Overton that Hereford wasn't receiving enough publicity. Overton called upon J. E. Hill to state the complaint

to the diners at the CC lunch-club. Hill "poured it on" local reporters and uncovered no little lines of sarcasm. Two representatives of daily newspapers present said that the quantity and quality of publicity evidently desired would require both experience and a world of valuable time. They had their own business to attend to they said. The daily paper newsmen said that if the club was willing to pay it could get the publicity it desired.

The Martin Sisters, who once held a meeting in Hereford, wrote Mr. and Mrs. J. C. Hill that they were enroute to the Holy Land.

A. L. Biggs received an invitation to the Governor's Inaugural Ball at Austin. Mr. Biggs preserved the invitation as a curiosity as it was undoubtedly the first invitation ever issued for the inaugural ball of a woman-governor of a state.

Every citizen of the county was invited to the formal opening of Deaf Smith County Hospital January 22, 1925.

A 16-year-old bank draft, issued by a bank that ceased to exist 13 years before 1925, was presented for payment and was honored at a Hereford bank. The unique document was signed by Ocho H. Vanderman, cashier of the old First State Bank of Hereford and was dated September 25, 1908. It was drawn for the amount of \$10, in favor of Miss Nettie Davis, on the National Bank of Commerce of Kansas City. Henry Wilkinson, president of First State Bank and Trust of Hereford said the bank was indebted to Miss Davis so he paid.

The McDonald and Borden real estate firm closed a deal with a Cooke county farmer, W. Loerwald, for a half section of land.

Mrs. Sallie Gilbreath, wife of Jeff T. Gilbreath, died January 15, 1925 after a short illness.

A bit of optimism from Postmaster J. A. Wear said that the postal volume increased for 1924.

Newcomers from Oklahoma were Mr. and Mrs. W. L. Hall and family. They moved to the Eli Dunlap farm, 18 miles northwest of Hereford.

Stork special was to Mr. and Mrs. George C. Messenger, a daughter, Elsie Viola, on January 8, 1925.

Judge W. E. Dameron, retired County Judge, re-opened his law offices over the first National Bank and resumed an active law practice.

Gloria Swanson was appearing in "Her Love Story" at the Star Theatre.

Local chapter of American Red Cross of Deaf Smith County had a meeting and elected Ralph Barnett, chairman; Mrs. D. L. McDonald, vice-chairman; and B. F. Guthrie, secretary and treasurer. Mrs. G. A. F. Parker was chosen chairman of the meeting. The following were chosen for membership on the executive committee: Mesdames W. S. Williams, D. L. McDonald, W. F. Gabbert, and Messrs. Ralph Barnett, A. A. Foster, Dr. J. W. Overton and B. F. Guthrie.

With the first half the school year at a close, report cards were being issued.

It was snowing in Hereford with the ground a silent white blanket of velvet. There was no wind and the flakes of the white stuff were falling in large puffs of cotton. It was a peaceful snow.

W. H. Wade, phone 321, advertised in the Brand that he wished to sell a 4-room furnished house, two lots, fruit and a windmill and out buildings and a jersey cow and some chickens for \$2,100. He would have taken a Ford as down payment and would have taken the rest at \$25 a month.

Helping Out

Watcha doing today, said Mrs. Mrs. A. to Mrs. B. during a course of a social telephone call.

"I'm washing the baby clothes," said Mrs. B. And right there the operator cut in and said, "I'm ringing 'em."

Certified planting seed are cheapest in the long run. They have been inspected during the growing season and have been tested for purity and germination. Many noxious weeds are introduced on the farm by planting uncleaned seed.

Advice TO HUSBANDS

How To Keep Out of Trouble At Home!

Mister, if you'll remember this one thing you'll save yourself a lot of grief:

NEVER, NEVER make a purchase and fail to accept Gunn Bros. Stamps for the little wife—else you may never hear the last of it! It might even pay you to look for the store that gives these stamps before you buy.

Gunn Bros. Stamps, you know, are a pretty important consideration, for they can be redeemed for some mighty nice premiums: As a matter of fact, you may want to look into this stamp business yourself, for among the premiums is some fine hunting and fishing equipment!

COOPERATIVE SECURITY IS SOLID SECURITY

Watch any hive of bees, and you'll know why they've become a symbol of effective cooperation... It's cooperation that gives them their food, their protection and their security.

Similarly, when we want security, we find that the best security comes from grouping together with a lot of people just like ourselves...

Realization of this has created mutual life insurance, a cooperative effort to create security for ourselves and our families.

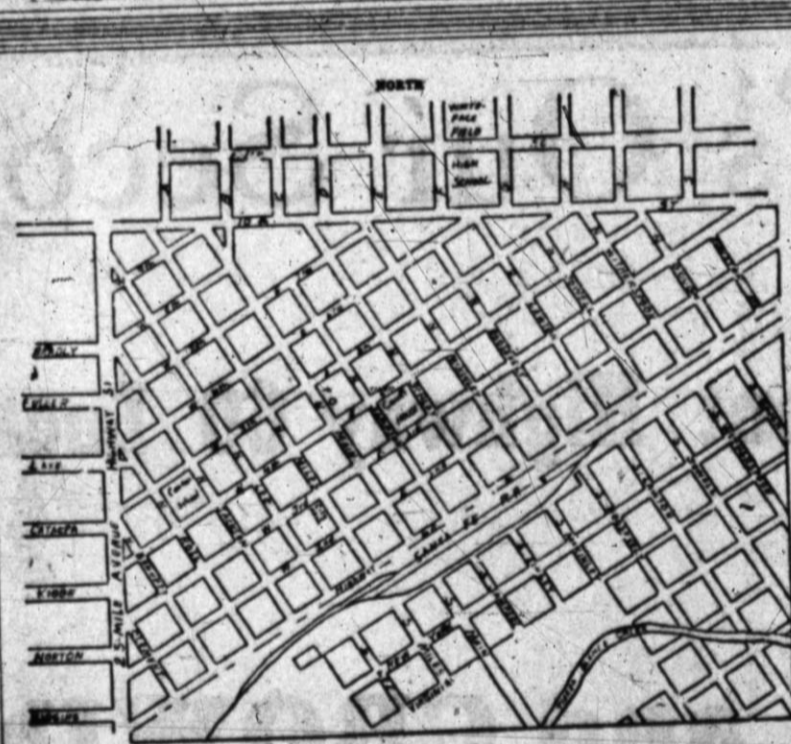

In The Equitable Society millions of families have joined together to enjoy security through cooperation... the surest, most reliable security any one can have.

It Pays To Use Clean Planting Seed To Keep Clean Of Noxious Weeds

Farmers will soon be buying seed for their spring plantings and they are urged to examine the tag that is attached to each sack of seed. This tag, according to E. A. Miller, extension agronomist of Texas A. & M. College, has printed on it some valuable information.

Seed that has been tested for mechanical purity and germination will be tagged and the percentage for each item will be given. Miller says the assurance that the seed being purchased is free from all noxious weeds is worth considerable to the farmer who has worked to keep his farm from noxious weed infestation.

He says that planting seed with a high germination test is also a big aid in fighting weeds. A thick stand of strong, vigor-

ous seedlings can compete with weed seedlings. Necessary strong seedlings help keep the weeds in check until cultivating equipment can be used. It usually is the best seed of a particular variety available and comes from fields that have been inspected during the growing season. Too, the seed has been handled properly at harvest time, has been cleaned, tested for purity and germination and properly stored.

When certified seed is used, farmers know that they are getting what they pay for and can expect to get a crop that will measure up to the claims made for the seed.

That little tag, points out Miller, is a mighty fine source of information when he buys planting seed.

It's Safe To Use BHC On Chickens

Poultrymen who use benzene hexachloride to protect their chickens from lice will find the chemical highly effective, says James A. Deer, assistant extension entomologist of Texas A. & M. College.

He says the Bureau of Animal Industry of the USDA has conducted tests that show the "musty" flavor that sometimes results in fruits and vegetables from the use of the chemical are not taken up either by the eggs laid immediately after de-lousing nor the meat of the birds that are protected by a BHC treatment.

Three groups of heavily infested chickens were freed from all trouble with lice by the simple, easy and inexpensive painting of their roosts with a suspension containing 1 percent of the gamma isomer of BHC. The treatment, say Deer, was liberal but not wasteful. Four gallons was ample to treat the roosts of more than 1,000 birds. The immediate effect was a fumigant. Not a live louse could be discovered after a period of 48 hours, but here Deer points out that chickens must roost on the painted roosts within 48 hours after the treatment if it is to be effective. The test treatment was applied in the fall and was effective all through the winter.

Deer says that on the basis of the tests made by the Bureau there is no longer any reason why poultrymen should not use BHC to rid their poultry flocks of the troublesome parasite—the chicken louse.

Fairview Club Meets With Mrs. E. W. Womble

The Fairview H. D. Club held its first meeting of the year—1950—with the new president, Mrs. E. W. Womble, Sr. Tuesday, January 10, 1950. Seven members, two guests, the county HD agent and one new member were present. After the opening exercise and roll call, a clothing demonstration was given by Mrs. Draper. The council report was read. A committee was elected to be

responsible for recreation at the monthly community meetings. Those chosen were Mrs. La Noy Tooley, Mrs. Wayne Higgins, Mrs. Joe Gill. The recommendations submitted by the radio committee of the H. D. Council were read and accepted. An invitation from the Federated Women's Clubs of the county to assist in their club house project was considered and declined.

The club voted to move the meeting time to 3:00 p. m. and also that hostesses should entertain in alphabetical order. After the yearbooks were filled out, refreshments were served to Messdames Quentin Archer, Byron Campbell, E. L. Campbell, Joe Gill, J. F. Matthews, Wayne Higgins, E. W. Shufart, La Noy Tooley, E. W. Womble, Jr., Tom Draper and the hostess, Mrs. E. W. Womble, Sr.

Former Wildorado Man Is Buried In Amarillo

Willis C. Thomas, 76, former Wildorado community resident, who lived in Amarillo for the past seven years died at 2 o'clock Saturday afternoon in Northwest Texas Hospital. He had been in ill health for some time.

Mr. and Mrs. Thomas would have observed their 50th wedding anniversary Wednesday, January 18.

He is survived by his wife, Mrs. Julia Thomas, one son, L. V. of Amarillo; three daughters, Mrs. Lora Harris and Mrs. W. A. Chap-pell of Amarillo and Mrs. L. H. Stevens of Dimmitt; a brother, A. J. Thomas of Sulphur Springs, and eight grandchildren.

Mr. Thomas was born July 14, 1873 in Hopkins County. He moved to the Wildorado community in 1928, retired and moved to Amarillo in 1942.

He was a member of the Church of Christ.

Funeral services were held at the Blackburn Shaw Funeral Home Monday afternoon at 4 o'clock. Burial was in Llano Cemetery.

Pallbearers were Elmer Mason, Luther Mason, Wilbur Chappell, Homer Thomas, Piner Stevens and Lemuel Shugart.

Mid-Term Review Of HHS Activities Brings School Calendar Up To Date

By EARLENA PHILLIPS

Just as we write about the last year — so when a semester of school is done, we do the same. Now for the events of the first semester.

The bright and shiny faces of all the seniors appeared in the Study Hall at 9:00 on September 1 to register. We have waited a long time so we could register first, now our dream came true — oh to be a Freshman again.

The Juniors were here in full force at 1:00. What a bunch — almost Seniors, they are really getting dignified.

September 2nd saw the Sophomores registering in the morning. Last but by no means least, the Freshmen. Again the halls of HHS rang with the noise that goes with school.

Tuesday, September 6 everyone was here ready to go. We spent fifteen minutes in each class and then had assembly. We were to report back Wednesday morning at 9:00 and school started in full force.

Friday, September 9, the 1949-50 Whiteface team played their first game at McLean. Although it was quite a ways from Hereford a lot of supporters were there and saw us win 18-0.

Our first home game was September 16 with Levelland. We had won again 6-0. We were undefeated, unscored on, and untied.

It seems like we were playing a game the second time when we played Sudan a week later. The score was 6-0, and we still had our record. No one will ever forget those two games.

Next Friday night we traveled

over to Friona. Even though it did start pouring down at the half, we won 20-0.

Everything was quiet. Everyone was in Amarillo taking in the Tri-State Fair. Pretty good fun.

We were out in full force the night of October 14 to see the Hereford-Stiverton clash. Score — 75-13. We were still undefeated and untied.

Saturday night saw the FFA boys and their dates on a hayride — more fun.

Crucial moment — our first District game. Several cars went to see the Hereford-Perryton game, and they weren't disappointed even if it was cold, score — 32-0.

All the next week, Dalhart week, the school spirit and everything in general was the best. The band and pep club practiced all week for the coronation. Finally that day came, La Juan White was crowned in the center of a star while "Stardust" was played. Her attendants, Colline Brown, Wanda Gunstenson, and Joan Knabe, were all very pretty. Then the game began. The best we had played — score 13-13 — Dalhart and Hereford tied for top ranks in the District.

Charles Gresham was picked as player of the week by Godsoe, Amarillo Daily News, Sports-writer. The Amarillo Times picked the Hereford Whitefaces as the "Team of the Week."

Things quieted down and the Whitefaces traveled to Canyon. We weren't so happy coming back — remember the score, Canyon 12, Hereford 6.

The Round-Up staff sponsored Stunt Night. The Senior candidate, Emmarie Turner was elected Annual Queen. Her attendants were Patsy Wilshire, Evelyn Benson and Sharon Moore. The Hi-Y stunt won first prize, with the seniors close behind and the Pep Club won third with a "Roman Football Game."

Everyone enjoyed the Christmas holidays from December 21 to January 2. Santa came and seemed to be good to everyone. Almost all the students were ready to start in again.

We weren't back too long when they started playing basketball again. The boys won over Friona. A tournament was held at Dalhart January 5th, 6th and 7th. We didn't win but Wendell Morton was chosen as All-Star.

The dreaded time was here — mid term exams! For two whole days they were given.

January the 13th brought the football banquet. A lovely banquet given by the mothers.

Now we enter the last semester of the school year 1949-50. With it comes Commencement for 85 seniors. We can safely say that the first semester has been fine, let's make the last semester much finer.

Just Say 'Thank You' That's All It Takes

She complimented my dress and my face became a burning blush. What could I say, should I say hers was pretty, too? I might just smile and change the subject.

Before I could speak, Tom congratulated me on my radio speech. My hands became clammy and my head seemed too large for my body. I was so miserable I just gave a shy nod and walked away.

Flustered beyond the thinking point I dropped my book and Bob, a boy standing near, was its retriever. This was too much, I was in a panic. I snatched the book from him and ran.

Nervous and exhausted I sat down on the school steps. I just couldn't understand why I got so excited over a mere compliment.

My speech teacher approached me and asked what could be making me look so down-hearted. I explained to her my trouble. "Why," she exclaimed, "all in the world you have to say, is 'Thank You' and smile with all sincerity."

Since that talk, I have truly learned some pointers in saying "Thank You." A card sent to a friend for the gift, he was so thoughtful to give, is always appreciated. A friend when you need it most is never forgotten.

So now, from experience, I know that all it takes is a sincere — "THANK YOU."

Diligence

Diligence really pays off, as you know if you were exempt in anything. No worry, no falling grade is the reward for diligence. Diligent people are a wonder. They not only work hard at the jobs they have now but are always willing to take on more, and they still do it all well. But still, it takes a lot of time and effort to be diligent. You must be willing to stay at home at least two nights a week and maybe give up a few social affairs doing it but then when everyone else is worrying about the tests you can go out and have your fun, then.

There are other ways of being diligent. One of them is to be attentive in class. That pays off before mid-term or final exams because you get a privilege card and maybe be high honor student at some time.

Remember that everything you do has a reward in it sometime so always do what you do well.

It has been scientifically proven through extensive research conducted by the medical school of a distinguished university that you'll "do better" if you eat an adequate breakfast.

JOHN McLEAN
this question:

I have read recently of two accident suits where the court assessed the defendants over \$151,000. What happens in cases like these if the defendant should only have \$10,000 Public Liability coverage? Where an individual's material assets are high, would you recommend extra coverage? Does it cost a great deal more?

On any insurance problem consult.

Student Opinion Poll

By JOYCE MCGEE

When asked what they thought about these questions, here's what the students of Hereford High said:

1. Should the U. S. Government outlaw the Communist party in the U. S. Yes—142; No—22; No Opinion—19.
2. If all other governments would do the same, should the U. S. place its atomic energy materials and atomic bomb "know-how" under inter-national ownership and control? Yes—63, No—100, No Opinion—32.
3. Should a World Government, to which all member nations would surrender control of their armed forces, be substituted for the United Nations at the present time? Yes—40, No—93, No Opinion—50.
4. Should the U. S. Government provide money to send qualified high school students to college who otherwise couldn't afford to go? Yes—142, No—43, No Opinion—15.
5. Do you believe that labor laws should protect individual workers in the right to join or not to join a union—to remain or not to remain union members—just as they individually wish? Yes—133, No—28, No Opinion—32.
6. Do you have the impression that most American business corporations today are making too much money, a fair amount of money, or too little money? Too much—66, too little—47, fair amount—87, No opinion—32.
7. How much out of each dollar's worth of sales do you think is a fair profit for business to

make? 4c or less—21, 10c—67, 15c—59, 25c or more—35, no opinion—12.

8. If you could begin your career in any of the following and obtain the same income at the start, which would you choose?
 - a. Government or public service—27.
 - b. Working for a large business or industrial corporation—18.
 - c. Working for a small business or industry—56.
 - d. Owning or managing your own business—56.
 - e. A profession, such as medicine, law or teaching or nursing—55.
 - f. Farming or some branch of agriculture—20.
 - g. If you were given \$5,000 to invest for the future (not to spend now) where would you put the largest amount of this money?
 - a. Real estate—17.
 - b. An insurance policy—29.
 - c. Stocks in business corporations—18.
 - d. Savings account in a bank—81.
 - e. U. S. Savings bonds—45.
 - f. No opinion—8.

Senior Who's Who

Complexion fits name. A lovely fish. Should be smart as has something to help with work. Can be seen carrying Bass when Band plays. Has manly physique. The personality described was Ray Graham.

Don Davison, son of Mrs. Wyatt Davison, enlisted in the Air Corps at Amarillo, Monday. He reports Thursday.

Southern Assembly Program

The Southern Assembly program was given by Mr. Walter Everman Tuesday. The program was on liquid air. Mr. Everman has been doing this type of work since 1934. He has worked 14 years on the road and has spent 8 years teaching science. Right now he is working on his master's degree in school administration in science. This year his wife and children are traveling through Texas in a house trailer with him.

First, he explained that liquid air boils at 312 degrees. He froze fresh cranberries by pouring liquid air over them. He demonstrated how hard they were by throwing them over the audience.

Mercury freezes at 40 degrees below 0. He put some of it in a pillbox, placed that into a glass container. Next he poured liquid air over it. Then he stuck a stick into it before it had completely frozen. When it froze, he could use it as a hammer to drive nails into a wooden block.

He dropped a piece of muslin into this liquid air. It froze immediately. It crumbled into lots of little pieces when he wadded it up. A rubber ball frozen will burst into tiny pieces too when it's thrown against a hard surface.

A little bit of kerosene was frozen around a wick by putting the liquid air on it. It burned like a regular candle when it was lit.

A regular piece of wire was frozen too. When it is frozen it

becomes a spring, but as soon as it gets warm again it gets real straight again. Metal when cold is apt to be brittle. Bend a piece of metal, freeze it, and it breaks real easy.

Mr. Everman filled a small gun with liquid air and placed a cork in the end of it. The pressure caused the cork to shoot out with a loud noise. He also ran a tiny steam engine on liquid air. The little wheels quit moving when all the air boiled itself out.

When liquid air is put in water, everything else boils out and leaves mostly just oxygen. Then a little piece of air freezes into ice.

You can place a burning stick into this liquid air and it bursts into flames. Cotton was saturated with the air and held over the fire. The fire would spit up at the cotton. When the fire was placed directly on the cotton, it exploded! Next he placed aluminum mixed with liquid air in it into a small paper container. When he dropped a spark on it, it caused a brilliant light.

He ended his program by drinking a portion of the liquid air. He breathed it out from his nose and mouth.

The enemies of the natural resilience of wool fiber are extremes of heat and cold, wringing or rubbing when the fabric is wet, and soaps which contain alkali.

Benzene hexachloride, BHC, used as a roost paint is highly effective for controlling of the gamma isomer of BHC. It kills as a fumigant and is effective for about 48 hours after it is applied.

REO GOLD COMET

POWER

Lifetime new-engine performance

Most powerful truck engine of its size ever built*

New speed, power, economy and long life are here today for all types of motor truck transportation. The startling new Reo Gold Comet engine moves payloads faster, more often, at lower cost to answer the needs of truck operators, everywhere.

Built at a cost of \$5,000,000, the new Reo Gold Comet engine brings a new level of peak efficiency, economy and power.

The Reo Gold Comet engine is truly a lifetime engine. Inexpensive replacement of cylinders, pistons and rings provides lifetime new engine performance.

Investigate Reo before you buy any truck. See your Reo dealer for demonstration and information.

BENEFIELD MOTOR CO.
Hereford, Texas

* The new Reo Gold Comet engine develops more usable horsepower and torque than any other six- or eight-cylinder gasoline truck engine of comparable displacement (331 cubic inches). See your Reo dealer for full information and demonstration.

Powered by the new Reo-built Gold Comet, Reo Model E-22 features increased driver comfort, modern styling and Reo's exclusive "More-Load" design.

WHITEFACE NEWS

"Buzz Box"

Dear fellow students:
Another of the big milestones of the year has been passed. The football banquet! Needless to say it went off wonderfully. Mr. Martin really worked for his present. Wouldn't it be awful if there had been a paper shortage?
Burl Fish, "Brutser," was truly excited. Could it have been because of his date, Bobbie Jean Drurie?
Another "Fish," Richard Tucker was proudly displaying his date, Elma Rae.
Some of the others have seen together recently were: Joan Moore and Bill Rose, Joyce McGee and Duane Walder, Randolph Thomas and Sharon Moore, Glens Finley, Darrell Janssen, Doris Jean and Alex, Janell Carter and Elmer Mitchell, Ray London and Abbie Longbottom, Betty Hamilton and Dan Gaylor, Joan McGee and Ray Graham, Jimmie Lawhorn and Dallas Twiner, Betha Joe Godfrey and Bill Bookout, "Loud" Reynolds and Bobbie Jane Slak, Kelly and Cagle, "Windy" and Sue, Fayne Knox and Bill Forbus, Betty Ramey and John Higgins, Sue Scarth and Jack Ramey, Marilyn Lewis and Alvin Shirley, Patsy Whitshire and Stanley Slagle, Jeanne Holman and George Hamilton, and IF I HAVE LEFT ANYONE OUT I AM TERRIBLY SORRY.
Hasn't it been fun exchanging cards and pictures? The Seniors are beginning to strut their stuff and, yet, get that "jump off the world" feeling.
Larry Slaughter is going to be an artist someday. He just sits in study hall and draws all the time.
We are sorry that Joan Southern is in the Hospital and hope that she recovers shortly.
I bet "Oakie" passes this term.

His big dimples would get any teacher's approval.
Milton Newell, Milton Newell, Milton Newell! Now see there you were to worry your name in the paper.
Without a worry in the world we settle down for a noisy semester of drugery and hard work and long for the ole swimmin' hole.
So long—
"Snoopy"

So You Imagine It's Fun To Be A Football Hero

"The well-dressed man of 1950 will look or feel like this, chorusing gridders as they run through blocking, tackling and passing drills in Buck Rogers helmets and gladiator body protectors every afternoon after school.
The lumbering linemen and the tiptoeing backs come upon the field at 3:30 prompt! Linemen and backs are divided into two parts and the backs throw each other to and fro.
Heart achers will back breakers prevail when it's time for blocking drills. Blocking is divided into two parts; the shoulder block or "you look like a pig, act like one," and the body block or "run up to the man as if you were going to shake his hand, and hit him as gently as you can!"
Then later, much later, comes the time when all rejoice and scrimmage! This to the intelligent outsider is the common football, but to the players it is a quick way to meet old St. Pete. They line up, comes the signal and "their off." A scrawny back approaches the hole opening just for him and a backer-up CREAMS him on the line of scrimmage.
And so folks scrimmage goes on and afterwards-windsprints end it all. And the end-well, just watch some of those bruising heroes of yours crawling towards the gym, about dark, amid moans of pain.
Why practice on hot afternoons? Why crack heads, have

Phebean Class Meets In J. B. Snead's Home
Phebean Class of the First Baptist Church was entertained recently in the home of Mrs. J. B. Snead with Mrs. R. M. Mason cohostess. Mrs. Wayne Williams gave the opening prayer. A business session was held with Mrs. Snead presiding, and as a devotional members recited favorite verses of scripture. Roll

call was answered with "Things I would like to accomplish in 1950."
Mrs. Charles Crowell was elected class president and it was decided to hold regular meetings the first Tuesday night in each month. Mrs. Ray Downey was welcomed as a new member.
Mrs. J. B. Harlin, teacher of the class, gave the concluding prayer and refreshments were served to Mesdames Dayton Chisholm, Kenneth Coker, John Whikler, Gerald Wilson, Ray Downey, J. B. Harlin, Wayne Williams, Neal Young, R. N. Yarbrough, Roger Brumley, Lloyd Sharp,

Jason Buck, C. W. Bordner, John Schneider, Franklin Miller, and the hostesses, Mrs. Orrin Sharp was a guest.
Miss Eleanor Van Valkenberg of Amarillo visited in the home of Mr. and Mrs. C. C. Acker from Saturday to Tuesday of this week. She was visiting Miss Kathryn Acker, her former room-

mate at St. Anthony's Nurses School in Amarillo and at Mt. St. Scholastica College in Atchison, Kansas.
Dale Kelly, Mr. and Mrs. Tom Melugin and sons Bobby and Billy went to Tuttle, Okla., Monday after receiving a message that Mrs. Melugin's brother-in-law was killed in a car wreck. The funeral was Wednesday.

Larry Rickman Is Severely Cut In Car Accident West Of Town

There were 61 present for Sunday School Sunday morning. Mary Kathryn Boyd and little Sue Evelyn Northcutt gave birth-day offerings. Visitors present included Mr. and Mrs. Waldron Melton and Adair, Mrs. C. A. Mantovani of Houston and Julia Darlene McBrayer of Hereford.

Mr. and Mrs. Leo Williams and boys moved recently from east of Hereford to the B. F. Cain place. The Richard Connally family has moved to the O. G. Hill place.

Mr. and Mrs. Pat Ranspot assisted by Mr. and Mrs. Irving Willoughby and Mr. Shorp entertained with a dinner at their home Wednesday night. Their guests included Mr. and Mrs. Kelly Gray, Mr. and Mrs. Elmer Combs, Mr. and Mrs. Merlin

Kaul, Mr. and Mrs. Joe Landers, Mr. and Mrs. John Townend, Miss Ara Lewis, Mrs. Ida Vaughn, Mr. and Mrs. G. C. Merritt and Mr. and Mrs. J. C. Morrison. The children present were taken for a line party to the show. Mrs. Joe Wagoner was hostess at an informal coffee at her home Friday morning. The guests played Canasta.

Those present were Mesdames Paul Rudd, Kenneth Rudd, Harold Rudd, C. A. Saulcy, Elmer Combs and Mrs. Wagoner. Mrs. J. Wagoner and Mrs. Pearl Wagoner in the Joe Wagoner home.

Dinner and Sunday afternoon guests in the home of Mr. and Mrs. Kelly Gray were Mr. and Mrs. Adolph Duckworth, Roger and Janis, Mr. and Mrs. Preach Merritt and G. C. of Hereford, Mr. and Mrs. Joe Landers and Ross Joe, Mr. and Mrs. Pat Ranspot and family, Mr. and Mrs. Merlin Kaul and boys, Ralph and Raymond Morrison and Mr. and Mrs. Gray.

Mrs. W. B. Nunley entered the hospital at Hereford Monday for treatment. Jackie Lynne and Ronald Lloyd are staying with their grand parents, Mr. and Mrs. Joe Landers.

Mr. and Mrs. Jimmie Thomas of Post announce the birth of a daughter at Deaf Smith County Hospital. She has been placed in the incubator. She is the second granddaughter of Mr. and Mrs. J. C. Morrison. Little Deedy and Danny Thomas are staying at the Morrison home.

Sandra Townsend who has been ill the past two weeks, was taken to the hospital last Thursday where she was a patient until Sunday night for virus pneumonia.

Combs homes. Visitors Sunday in the Combs home included Mr. and Mrs. Oscar Combs of Bovina and Earl Roberts of Oklahoma Lane.

Mrs. Cliff Combs returned home the last of the week from the hospital where she recently underwent surgery. Several from here attended singing at Messenger Sunday afternoon. Included was the Bernice Northcutt family, Robert and Mary Kathryn Boyd, Preach Merritt, Elmer, Clifton and Oscar Combs and Earl Roberts.

Mr. and Mrs. Bernie Northcutt and family and Mary Kathryn Boyd were visitors in the home of Bernie's father, J. H. Northcutt, in New Mexico Sunday night.

Mrs. Merlin Kaul attended a supper at the home of Prin. D. C. Marlin at Hereford Saturday night in honor of Mr. and Mrs. J. E. Moad.

Mr. and Mrs. Roy Lee Wilson will move into their new home this week. It is located about 1 1/2 mile west of their present location.

1950 Farm Census To Provide Data About Farm Operations

Not only will the 1950 Census of Agriculture to be conducted during April in Deaf Smith County obtain information about farms and farm production, but inquiries will be included about farmers. The 1950 farm census will provide statistics about the age of farm operators, the number of hours operators worked last week at farm work or chores, the years operators have farmed the same place and other information necessary to provide detailed facts about farms and farm people.

The 1950 Census of Agriculture will be taken in April as part of the Seventeenth Decennial Census of the United States. The information which farmers supply to the Census Bureau is confidential and cannot be used for taxation, investigation or regulation.

Every ten years since 1840 and every five years since 1920, the Bureau of the Census has taken a nation-wide census of agriculture. The 1950 Census of Agriculture will bring up to date the Nation's farm inventory.

The 1945 Census of Agriculture reported 5,859,169 farm operators on which more than one-third were 55 years old or older. Farm operators who owned their place had an average age of 52 years while tenants had an average age of 43 years according

SURREALIST EXHIBITS WORK—Salvator Dali, famous surrealist and mystic painter, displays his painting of the Madonna, which he showed to the Pope during a recent visit. Arriving in this country a short while ago, Dali brought four other paintings to exhibit in New York.

to the 1945 Census of Agriculture.

In 1945, 2,427,101 farmers had operated their places continuously for less than five years. Farmers who had operated their places continuously for 15 years or more in 1945 numbered 2,336,423.

Mr. and Mrs. Ralph Hastings returned home Monday from Dallas. They went to Dallas last week to be with a brother-in-law, J. T. Gilbreath, Jr., who underwent surgery in a Dallas hospital.

Government Tax Book National Best Seller

"Your Federal Income Tax," the official guide for taxpayers published by the Bureau of Internal Revenue, has established itself near the top on national best-seller lists, according to information released today. Over 200,000 copies of this 138-page tax book, which is available from the Superintendent of Documents, Government Printing Office, at 25c a copy, were sold during the first 5 weeks since publication.

This new and improved edition of "Your Federal Income Tax" covers, in a series of short articles, questions which may come up concerning tax returns: It covers the latest laws, Bureau rulings, and court decisions. Chapters have been added which cover installment sales and the important appeals procedure. Also included are facsimiles of tax forms and a detailed index.

Antonian Circle Plan Luncheon At Jesko's

The Antonian Circle of the Catholic Church met in the home of Mrs. Jimmy Jesko Thursday afternoon with Mrs. A. D. Kriegshouser serving as co-hostess.

During the short business session conducted by Mrs. Raynold Herr, a constitution and by-laws for the organization were formulated and the membership roll was completed. Plans were made for a Valentine luncheon with members of families of members as guests.

Refreshments were served to Mesdames Ted Higgins, Robert Kerschen, S. Fangman, Edward Paetzold, Raymond Paetzold, Joe Huckert, Elmer Reinart, Esidore Reinart, Alhart Reinart, Tony Hoffman, Reynold Herr, F. A. Marnell, Gerald Banner, C. A. Betzen, Leo Ohlig and Jim Clements.

SECOND GUESS

ern basketball, that doesn't happen very often. There's sure to be much anguished yelping for a change in this rule. "But we've got to have some sort of rule to control deliberate fouling," says Hayes. The new rule may nip a team's chances of getting the ball in the last two minutes of play, but probably won't slow down any of the action.

We can't imagine Texas—or Baylor—standing by with pained expressions the last two minutes of play while, say Texas A&M or Rice protects a one-point lead.

From The Grandstand

(Continued from Page 1) righthander took a full windup on his three, two pitch. It was suicide.

Bockman on first, was half-way to second with the windup. Rojek swung and smashed the ball into the pocket between third and short. Dodger third baseman Tommy Brown got en-

It over shortstop Pee Wee Reese's head into short left. And the Dodgers were sunk.

Seconds later two runs came across the plate. Bockman, the Pirate speedster, reached home with the game winning run just ahead of the throw to the plate from left field. The margin was approximately the distance he gained on Behrman's windup.

That's it, one for the record books, one for the fans to talk over during the off season and a mighty sweet victory for the Pirates, Pittsburgh 12, Brooklyn 11.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS

Free Book Tells of Home Treatment that Must Help or It Will Cost You Nothing Over three million bottles of the WILLARD TREATMENT have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Upset Stomach, Gasiness, Heartburn, Sleeplessness, etc., due to Excess Acid. GARCIA (MESSENGER) NEWS

Westway Quartette Sings Sunday On First Jan. Singing Session

By MRS. N. A. BROWN Brand Correspondent The Messenger Community Building has been named Garcia. The T. J. Poindexters and W. H. Clements visited the E. W. Curtsingers in Roswell Sunday. Mrs. Alta Wylie returned from Seagraves where she has been visiting her daughter and family for 10 days. Mr. and Mrs. F. E. Gaines of Friona, and Mr. and Mrs. Elton Wylie of Black were visitors in the Wilson Wylie home Sunday. They all attended the singing at the Garcia Community Building in the afternoon. Mr. and Mrs. Bob Wylie visited in the home of Mr. and Mrs. Elton Wylie of the Black Community last Sunday. Mr. and Mrs. Jimmie Monroe made a business trip to Phoenix, Arizona last week. Mr. and Mrs. Earl Monroe made a business trip to Hereford Friday. Mr. and Mrs. L. E. Beene and children visited in the N. A. Brown home Friday night and

Draw Furniture Plan Before Rearranging

Now that the holiday season is history, homemakers may be interested in doing a rearranging job on the furniture in the home. Time and effort can be saved on this job by doing the actually moving the furniture, say the extension management specialist of Texas A. & M. College.

They suggest grouping furniture as a good starting place. The larger pieces of furniture such as the piano, the davenport or beds can usually be arranged to follow the lines of the room. They say, if the larger pieces can be centered in suitable wall space, that it not only makes for better arrangement, but it gives you a chance to show each piece to better advantage.

They point out that the upright piano across a corner diagonally requires more floor space and gives the room a less orderly appearance. The smaller pieces and the larger chairs may however be placed at an angle, are more inviting if they aren't lined up in stiff, straight rows.

Furniture can be placed parallel to the wall without pushing it back tight against the wall. In fact, the appearance helps make a large room with limited amount of furniture look cozier.

hers and one new member, Mrs. S. N. Thweatt. Mrs. Argen Draper was present and helped fill out year books and gave a demonstration of "Beginning of Clothing Construction." She also showed the beautiful bedspread, clubs of the county gave her for Christmas. The floating prize was a pretty blue thread and needle box and was won by Mrs. W. H. Clements. Refreshments of cherry pie and coffee was enjoyed by Mesdames Roy Pruitt, L. E. Beene, Bob Wylie, W. H. Clements, T. J. Poindexter, Bertram Jack and daughter, Elmer Northcutt and daughter, S. N. Thweatt, E. Brown, Eldred Brown, Jim Monroe, Earl Monroe, Busby and the business, Mrs. L. D. Chiles.

Singing at Garcia Sunday evening was enjoyed by all present. The Westway quartette was present and gave several numbers. They were Preach Merritt, Robert Boyd, Elmer Combs and Bernie Northcutt. Also J. O. Combs and Earl Ralurts of Bovina were present and took part in singing. Mrs. Bernie Northcutt played the piano. Other visitors were Miss Mary Boyl, Mr. and Mrs. N. M. Cruse, Clifton Combs and the Northcutt children. The singing sessions are held on the first and third Sundays of each month. Everyone is invited.

There will be a "42" party Friday night, January 20, at Garcia Community Building. Everyone is invited.

Hereford Bull

By JIMMIE GILLENLINE

The JayCeas have been waging quite a campaign on this Hoover Commission business which, as you probably know, is designed to eliminate a lot of waste in government expenses and operations. Petitions and letters have been going from Hereford and some of them have received replies.

Lyndon Johnson, Senator, says: "I worked and voted for the Hoover Commission recommendations last year. I will keep my word this year." Gene Worley says: "I supported the creation of this Commission and am in thorough accord with most of its recommendations to date." Tom Connolly reports at length that he favors reductions and closes: "Let me say that I have consistently sought to improve the efficiency (and at the same time reduce the cost) of our government departments and agencies. I am deeply concerned in maintaining the economic stability of our country and in balancing the budget as soon as possible."

All of which is simply wonderful—and probably doesn't mean a thing. When these proposed cuts get close to home, the story will be different. Take, for instance, the howl people are setting up around Hereford about reducing government costs. In absolute contradiction is the fact that Hereford right this minute has a man on the ground in Washington who made the trip to represent cotton farmers of this area in an effort to get the quota increased for this territory. If they give us extra quota it will have to be lopped off someone else, who will also probably raise Cain, or extra quota will have to be added to the over-all picture, thus requiring more support prices and resulting in spending of government money.

Don't misunderstand me. I think this whole area got a raw deal on cotton quotas, but I am just trying to point out what happens when someone does try to cut down on government expenditures. The situation can be

a lot worse, too, when relatives begin to lose their jobs and the individuals start turning on the pressure.

A lot of people are interested in this trip to the Hereford House in New York, and I am one of them. I am planning to make the trip and to write some columns about it. Abe Martin even volunteered to go in my place, but I have always wanted to go to New York and this looks like a good chance. Everyone but the Bootleg Philosopher has volunteered to make the trip. Even my wife says she is going along to keep me in line, which is probably a good idea.

Another event, which I believe will be really big is the proposed C a n a s t a Tournament. Details will appear in The Sunday Brand. We figure to charge a

50c-per-person entry fee and to turn over to the March of Dimes. Canasta is sweeping the country. There will be a lot of prizes and we hope a lot of entries. We figure to draw pairings and let the opponents arrange to play their own contests in the preliminary rounds. Nobody knows much about Gapeata, so everyone should have an equal chance. In addition, it should be a big boost to the March of Dimes campaign. Check the Sunday Brand for details.

Rev. H. M. Bevers, who is the very finest old man in my acquaintance, dropped in a few days ago with a copy of "Will Rogers' Tribute to his Sister." Will Rogers was reburied as the world's greatest humorist, and the following article shows that he was also one of the world's deepest thinkers.

Will Rogers' Tribute To His Sister Today, as I write this, I am not in the Follies, the carefree Comedian who jokes about everything. I am out in Oklahoma, among my people, my Cherokee people, who don't expect a laugh for everything. I say, Back home, at the funeral of my sister, She and my other sister started in this little Western Town—Chelsea, Oklahoma—some 35 years ago. They helped build the

Methodist Church, the first church here. They have helped every movement that they knew was for the best upbuilding of their community. They have each raised a large family of boys and girls who are today a credit to their community. They have carried on the same as thousands of women have carried on in every small and Big Town in the World. They don't think they are doing anything out of the ordinary. They don't want credit. They do good simply because they don't know any other thing to do.

Death didn't scare her. It was only an episode in her life. If you live right, death is a joke to you as far as fear is concerned. After all, there is nothing in the world like home. You can roam all over the world, but after all, it's what the people at home think of you that really counts. I have just today witnessed a funeral that for real sorrow and real affection I don't think will ever be surpassed anywhere. They came in every mode of conveyance, on foot, in buggies, Horseback, Wagons, Cars and Trains, and there wasn't a Soul that came that she hadn't helped or favored at one time or another.

Some uninformed Newspapers printed: "Mrs. C. L. Lane, sister of the famous Comedian, Will Rogers." They were greatly misinformed. It's like other way

around. I am the brother of Mrs. C. L. Lane, "The Friend of Humanity." And all the honors that I could ever in my wildest dreams hope to reach, would never equal the honor paid on a little western Prairie hilltop, among her people, to Maud Lane. If they will love me like that at the finish, my life will not have been in vain.

Somewhat, this article explains why people prefer to live in towns like Hereford rather than in large cities. Do you think mobs like that of Al Capone could operate long in Hereford or Dimmitt or Friona? Yes Sir, I want to go to New York, but something tells me that I will also be mighty, mighty happy to get back home.

Mr. and Mrs. Dale Kelly and sons, John Dale and Charles, made a business trip to Stanton over the week end. They will return to Stanton Friday to attend a series of pre-nuptial parties honoring their daughter Patsy, who will become the bride of R. P. Odom, son of Mr. and Mrs. Lloyd Odom of Stanton. The couple will make their home in Stanton.

Mr. and Mrs. Tom Clay of McLean are visiting their son, T. J. Clay, and his wife and friends in Hereford.

CANASTA LESSON ONE

Scoring Is Standardized And Easy

Lesson One
Scoring has been standardized practically everywhere even in the short time in which the Argentine form of rummy has been played in our country. The chief step in this standardization was not a gradual proposition, as was the case with contract bridge in its early days, but an all-of-a-sudden happening.

It's possible some of you may recall that Robert Young, the railroad magnate, gave a huge house party in the famous Greenbrier at White Sulphur Springs, W. Va. early last summer. Among the guests playing Canasta there were some Californians who at first favored their own scoring methods. They eventually voted that the rules of the Regency club of New York were best. From that time, the eastern scoring and laws have been virtually unanimously accepted in the United States.

Throughout a game of Canasta—which is played with two double decks shuffled together, with a total of four Jokers in it and the deuces wild—it is important to know what points are allowed for various items. Hence, in coverage of the game's features through this series of six articles, the scoring will be presented now.

At the conclusion of a hand, the scoring is put down on the pad. Customarily the winning

side's score is recorded first, then the losing side's. In each case the items should be recorded in this order:

- First—Red Treys, Canastas and bonus for calling!
- Second—Deduct losses to be deducted from the board if possible, otherwise from the previous total of the side, even if so doing produces a minus.
- Third—Count the points in all melds, including Canastas.
- Fourth—Deduct any penalties assessed against either side.

The figures allowed may be grouped under these headings: Bonuses, Point Score, Points Necessary and Penalties, as follows:

Perfect Canasta (with no wild cards)	500
Mixed Canasta (limit three wild cards)	300
Red Treys, each	100
Four Red Treys, on one side	800
Calling	100
Calling with a concealed hand	200
POINT SCORE	
Jokers	50
Aces and deuces	20
Kings to eights	10
Sevens to fours	5
Black Treys	5
POINTS NECESSARY	
For First Meld	50
When score reaches 1500	90
When score reaches 3000	120
Game, no bonus for reaching game)	5,000

PENALTIES

1. Keeping a red trey in hand instead of melding is immediately 500
2. For asking partner's permission to call and then being unable to meld out 100
3. A player's drawing from the stock, seeing any other card than the top card 50
4. For taking the discard pile before exposing matched cards 80
5. Error in count of first meld—any cards exposed become penalty cards and must be discarded at the first opportunity and until you have a chance of melding correctly in subsequent draws.

When the losers have failed to make any melds, the value of the red treys is deducted from their score, also the value of the cards in their hands. This may produce a minus upon occasion. If at any time during the game one side is minus it is not necessary to have the minimum of 50 otherwise required for the first meld.

Lesson Two

Start The Game As Described Here

Have you ever tried to shuffle 105 cards? Start practicing chum if you intend to take up Canasta. This oversized deck really consists of two standard decks of 52 cards each, plus two Jokers from each deck so the combined deck has four Jokers. Incidentally, they say card

manufacturers chortle with glee whenever Canasta is mentioned. They sell twice as many cards in a deck and the decks go almost twice as fast since there are so many that it is difficult to shuffle them with as much care as you would take with one deck.

Start off just like you would in most card games if you are playing the basic four-handed Canasta. Shuffle, cut for partners, and deal, (although in the tournament you won't have to cut for partners). We'll take care of other forms of Canasta for various numbers of players other than four later on. Then deal 11 cards to each player, one at a time, dealer being the player to the right of the high cutter. The deal and play rotate to the left as in bridge or poker, not the other way around as with the South Americans.

After dealing eleven cards the dealer turns the next card face-up. It is called the up-card and places each player in his turn places his red treys, if any, on the table, face up as if melded, and each is replaced by a card taken from the top of the stock—balance of the deck is of course placed face down—so that each player has the needed eleven cards. If anybody at this stage, draws another trey, it is faced and he gets a new card.

Should the upcard be a red trey, a Joker or a deuce, it cannot be drawn and must be covered with the top card from the stock, since the discard pile is now "frozen," as will be explained later.

The players proceed to play in turn, commencing with the one at dealer's left. Each play consists of three parts—the draw, then the meld and finally the discard.

If the first player refuses to play the upcard, he draws from the stock; no other player may take the first upcard.

Most of the scoring comes from the melding of Canastas, so building them is each player's chief objective. A Canasta is any seven cards of the same rank—such as seven jacks, seven fives, etc. Jokers and deuces are wild cards and may be used to build a Canasta, but a Canasta containing one or more of those is called a "Mixed Canasta" and counts only 300 points, whereas "Perfect Canasta" made up of all cards of the same rank counts 500. No more than three wild-cards are allowed in a Mixed Canasta.

Once a deuce or Joker is used in a meld, it must remain in that meld and not be used otherwise.

Every meld must consist of three or more matching card sequences no longer being a part of this game. No meld may consist of several wild cards and just one other card; there must always be at least two real matching cards in it.

To make the first meld with either the upcard or drawing

from the stock, a player must have a total count for cards in the meld of at least 50 points. After one member of a side has melded, the minimum no longer applies. The pack may now be taken with a matching card and wild card unless the pack is "frozen."

If the upcard of the discard pile is used for the first meld, a player must have a natural pair to match the upcard. Value of the upcard may be included in the original count. Wild cards may be included in the necessary count which may be distributed through one or more melds.

It is compulsory to take the entire discard pile whenever the upcard is used.

Before a player takes the up-

card of the discard pile, he must place two or more of his cards face up on the table, or incur a penalty. If it is in his side's first meld, he must show his necessary count before taking the pile. If an error is made in taking the upcard at any time, it must be replaced and, if a meld has been started, the exposed cards are penalty cards subject to being discarded or melded at the offender's first turn to play.

All melds and red treys of one pair are placed on one side of the table near one partner, the other partner keeping score so as to divide the work. A player may not meld or add to his partner's melds except when it is his turn to play, whether from the discard pile, the stock or from

his own hand.
Details regarding building of Canastas, calling and discarding will be explained in the Sunday Brand along with other parts of the game.

RETURNS FROM CRUISE

Lt. (J. G.) Milton C. Adams, husband of Mrs. Virginia L. Adams is one of 600 naval reservists returning to New Orleans Saturday at the end of a two-week training cruise during which they visited Key West, Fla. and Cristobal, Canal Zone, according to information from the Naval District Headquarters in New Orleans.

Mr. and Mrs. J. B. Holland of Plainview were guests of Mr. and Mrs. W. R. Scheihagen recently.
