## "MEET ME AT THE COUNTY FAIR-- SEPTEMBER 13-14-15"

### TAX RATES AND VALUATIONS IN CITY, COUNTY, SCHOOL AND STATE ARE INTERESTING

Total for All Is Three Cents Per Hundred Lower Than Last Year. City Lowers Tax Rate Five Cents in Spite of Improvements, owing to Steady Growth. County Raise of Five Cents is Partly Offset by the Reduction in State Figures.

The Board of Equalization and various official bodies for the City of Hereford, County of Deaf Smith and Hereford Independent School District having completed their work of fixing valuations and tax rates for 1928, the results of their labors may be of interest to every tax payer in the county.

Tax rates were fixed as follows, with comparison with 1927:

	1927	1928
City of Hereford	\$1.40	\$1.35
County	\$ .70	\$ .75
State	\$ .67	\$ .64
School District	\$1.00	\$1.00

Totals \$3.77 \$3.74

It will be noted that in spite of the steady improvements made by the City of Hereford in the way of sewerage extensions, and other items, the city rate has been lowered five cents, as compared with last year. This has been made possible by the growth of Hereford. The county rate has increased five cents, but this is partly offset by the lowering of the state rate, three cents. The school remains the same. Making the total tax rate for city, county, state and school district three cents per \$100 lower than in 1927.

Valuation figures are not all completed, except in the School District, but a close estimate is available as follows:

For 1927: City, \$2,075,500; County, \$9,546,821; School District, \$3,020,795. For 1928 (estimated): City, \$2,375,000; County, \$9,000,000 increase; School District, \$3,244,170.

County valuations showed a slight increase of from \$50,000 to \$100,000, the exact figures not yet being determined. The city's growth caused an increase of nearly \$200,000.

In analyzing the school district, which includes seventy-two sections of land, the books in the tax collectors office show an increase in valuations in 1927 over 1926 of \$140,000, and of 1928 over 1927 of \$163,000.

In the seven common school districts in the county, only one, No. 5, had to raise its rate, and that was only five cents. This year's board of equalization for the school district lowered enough farming valuations to show a decrease of \$13,550 in this department. Last year's valuations on lands in the school district were \$1,356,710; on city valuations within the school district some decreases were made, but the natural development of the city increased the total about \$155,000. Figures showing the division in the valuations for the Hereford Independent School District for 1927 as compared with 1928 are interesting. Here they are, but it must be remembered these are for the school district only:

	1927	1928
Land Valuations	\$1,356,710	\$1,345,390
City Property	\$1,778,855	\$1,778,855
Personal Property	\$ 700,120	\$ 721,955
Total	\$3,835,685	\$3,846,195

	1928
Lands	\$1,345,390
City Property	\$1,778,855
Personal Property	\$ 721,955
Total	\$3,846,195

### J. Thos. Webb Acquires Part Whippet Agency

Announcement is made that a change in the ownership of the Whippet-Knight Motor Company of Hereford was effected September 1. L. A. Bicketta, active manager since the agency was established, has sold his interest to J. Thomas Webb. This makes the new partnership consist of Messrs. Webb and E. L. Thompson. No change in policy or otherwise is contemplated. It is understood that Bicketta has not announced his future plans.

### Gas Company Crews Start At Fast Pace

R. F. Hinchey, general manager, Mr. Rathbun, assistant treasurer, and Mr. Robbins, an employee, all of the West Texas Gas Company, with headquarters at Amarillo, spent Monday here conferring with local manager, F. W. Scovell. Announcement was made by Mr. Hinchey that ditching machines for laying the gas pipes would start westward toward Hereford and in the alleys of the city simultaneously Tuesday morning. Rapid progress had been made in the city by nightfall and continued steadily up to time of going to press. Mr. Hinchey said that gas was sure to be turned into the mains here by October 15, and if weather conditions were favorable, before that time.

The gas company is equipping its office with a full line of all kinds of gas stoves, heaters, fittings and accessories and will soon be doing an active retail business. Anderson Witherspoon, former city marshal here, is working on the installation and piping problems for the company.

### Black Sells Registered Herd To Cocker and East

Retirement from the field of the registered Hereford industry of one of Deaf Smith county's most prominent breeders and acquirers of his herd by two rising young men in this business was announced this week.

E. B. Black has sold his entire herd of registered Anxiety Fourth cattle, including some of the very finest blood ever brought to this section, to Ira Cochell and Ed East. The deal is effective at once some of the cattle to be transferred this week.

Mr. Black has sold his entire herd of registered Anxiety Fourth cattle, including some of the very finest blood ever brought to this section, to Ira Cochell and Ed East. The deal is effective at once some of the cattle to be transferred this week.

Mr. Black explains that he is retiring from the registered field, owing to the fact that he is concentrating his efforts and needs his time in his furniture business. No figures were given out in the transfer of the herd, but it is understood to be one of the largest deals of the kind ever pulled off in this section.

### W. W. Roberts Purchases Service-U-Like Station

A business change occurred on September 1 when Glenn Snyder sold his Service-U-Like Filling Station to W. W. Roberts, of Memphis, Texas. Mr. Roberts is a brother of C. L. Roberts, local manager of the Pierce Oil Co. The new owner of the Station has already moved his family here and is in active charge of the business. He is an experienced filling station operator and promises up-to-the-minute service to his patrons. He will be assisted in the work by Richard Dixon.

### WYCHE HOME IS SAVED BY UNIQUE COMBINATION, STATES HEREFORD CHIEF

Dow Mercer, fire chief, says that Mrs. J. S. Wyche owes her home to the Lord, a couple of cow boys and a flock of guineas. And Dow ought to know—he was there. It happened last Thursday afternoon when Mrs. Wyche, who lives near the school house that bears her name, was preserving. She went out on the front porch and while she was gone the fire caught fire above the kitchen range. Enter the guineas. They saw the smoke and raised a hullabaloo about it. Mrs. Wyche rushed in and summoned some cowboys from nearby, who worked heroically with buckets and wet blankets. The fire alarm was turned in and Chief Mercer, in a hurry and with no one else available, went alone in his chemical engine. He made the eight miles in nothing flat and finished the job with very little damage to the roof.

### Tierra Blanco Association To Meet In Hereford Soon

A big time in Baptist circles is promised here on September 13, 14 and 15, when the Tierra Blanco Baptist Association meets with the local congregation. The Tierra Blanco Association is composed of five counties, Deaf Smith, Randall, Swisher, Castro, and Farmer, and a big turnout is assured. An especially appealing program has been arranged and the general public is cordially invited to attend the sessions.

### "Red" Smith Offers One of Best Crops Ever Raised

W. T. (Red) Smith has the best crop in the county, say several experts who have trekked out to Joel lately and given it the "once over." That's covering a lot of territory, especially in this year of many, many good crops in Deaf Smith county. Whether the statement is correct or not, there is no doubt but that Mr. Smith has a whale of a crop, one that makes him smile every time he looks at it, and makes envious the many who have gone out to look at it.

E. R. Posey, G. A. F. Parker and W. M. Cogdell composed one party that looked it over Tuesday afternoon. They state that Mr. Smith has Indian corn that is the equal of any corn grown in the Corn Belt, besides big green, husky sorghum, maize and kafir. It is green all the way down, has not fired at all and is already swayed.

C. C. Rockwell, former manager of the Rockwell Bros. Lumber Company here, spent a few hours in the city Tuesday on business.

### Huge Crowd Turns Out For Farmer-Merchant Luncheon Monday. Farming and Dairying Stressed. Wilson and Grout Main Speakers

#### Road-Side Vegetation Is Doomed, Say Commissioners

The County Commissioners are making a determined effort to meet the demands of farmers and others that Johnson grass, cockle burrs and other growths along the road sides and in the bar pits be eliminated. Recently petitions were circulated asking the court to take some action, but the court beat them to it by arranging to put out a man with a team and mow at once. They have also purchased a pear-burning machine with which to burn off the vegetation along the sides of the road, and this was tried out Tuesday afternoon and Wednesday. After receipt of the machine, which is of small type, it was the opinion of the court that in the long run they would have to purchase a wagon with plenty of fuel capacity, and a larger burner, in order to cover the ground more rapidly.

The court is determined to abate this nuisance and will experiment with various plans until they find the right solution to the problem.

### SCHOOLS IN MIDST RUSH OF OPENING

Another Week Before Complete Figures Are Available. Early Opening Cause of Delay in Enrollment, It Is Said.

Approximate figures on city school enrollments have been obtained from Superintendent Dillehay. But the rush of starting the work has been so great that some details have not been reached and totals footed up.

The following figures show the enrollment for the current school year as compared with that of last year. Some allowance should be made for the fact that school opened earlier this year than it did last year and that figures for this year are taken two or three days earlier in the school term than they were in the first case:

	1927-8	1928-9
Eleventh grade	45	46
Tenth grade	52	47
Ninth grade	72	58
Eighth grade	71	72
Seventh grade	71	85
Sixth grade	70	61
Fifth grade	60	56
Fourth grade	55	76
Third grade	71	56
Second grade	68	75
First grade	67	64
Total high school	240	223
Total Departmental	141	146
Total first five grades	319	327
Total all grades	700	696

### Rural Schools Open Next Monday; Now At Institute

The rural schools of Deaf Smith county will open next Monday, September 10, according to County Judge Earl W. Wilson. The teachers are all at Canyon this week at Institute and Judge Wilson went over to join them for the day on Tuesday. The outlook for a most successful year is fine, said Judge Wilson, and a large enrollment and enlarged usefulness for the schools seems assured.

#### PICKWICK CHANGES TIME.

The Pickwick Stages system notified The Brand Thursday, too late to incorporate it in their ad, of certain changes in their schedule, effective September 15, 1928. The new schedule calls for stages to leave Hereford for Amarillo and East at 9:25 a. m., 10:10 p. m., and a local to Amarillo at 6:00 p. m. Stages will leave Hereford for Clovis, El Paso and West at 9:45 a. m., 9:10 p. m., with a local to Clovis at 1:05 p. m.

### BABY CAP FACTORY HAS DEVELOPED HERE FROM ONE CAP TO WHOLESALE

Very few people in Hereford know that right under their noses a novel and lucrative business, which had its inception in the search of a mother for a cap for her baby, is steadily developing until now it has reached wholesale proportions.

The business is a Baby Cap factory, turning out a brand known as Facho Caps, and is conducted by Mrs. A. E. Chamness, assisted by her daughter, Mrs. F. H. Oberthier, Jr.

The origin of the Facho Caps is unique. When Baby Fred was six months old a cap could not be found to suit, so Mrs. Chamness made a cap to fit, using her own pattern. Soon afterwards they had the baby in Amarillo and various shops there noted the cap, asked about it and requested the ladies to make some more like it for them for sale.

That was the beginning of the Facho Cap business. Today the two ladies employ an average of six women or girls daily and often more than this, in turning out the caps wholesale. They are handled by big concerns in Amarillo, Dallas, Fort Worth and nearly every town in West Texas. The caps retail for from \$1.50 to \$2.00 each and the factory now has a capacity of about five dozen a day. The demand is really heavier than Mrs. Chamness and her daughter can supply and the business continues to grow.

The caps are put out in novelty designs, in various colors such as pink, tan, white, blue, etc., in woollens and velvet, and make an instant hit with mothers wherever they are shown.

### Fort Worth Cats May Be Seen Here During the Month

Secretary Homer Fox of the Whiteface baseball team, is in receipt of a letter from Jimmy Walker, left-hander with the Fort Worth Cats, asking for a game here on September 19. The Cats will stage a barnstorming tour after the Texas League season closes. It is not known yet whether the local boys can finance such a project.

### Big Sing-Song Planned at Dawn for Coming Sunday

A Sing-Song has been set for next Sunday, September 9, at Dawn. It will be an all-day meeting, beginning at 10:00 a. m. and lasting through 10:00 p. m. Lunch will be spread at noon and all singers in this community are invited. The famous Stamps Quartette will be present, and also an excellent quartette from Amarillo.

### A. & M. Banquet-Dance Proves Big Event for the Boys

A party of nine A. & M. students and ex-students went to Amarillo last Saturday night and participated in the annual banquet and dance of the Panhandle A. & M. Club.

As is always the case when as many as two A. & M. men get together, the affair was a riot of good nature, songs, yells, enthusiasm and fun. The banquet and dance were held in the Crystal Room of the Herring Hotel, and a first class orchestra enlivened the occasion with snappy and tuneful music. The 1928 "Fish" present were solemnly instructed in what they must do and not do. It was especially impressed upon them that they were NEVER to have an opinion of their own.

The affair was hugely enjoyed by every man present. Those who were attended from Hereford were: Beryl and Gordon Witherspoon, John L. and Paul Wilson, George Beams, Jr., Oliver Ray, Jess Russell, J. C. Gilbreath and Seth B. Holman.

### ALL READY FOR ONE OF THE BEST FAIRS IN HISTORY OF COUNTY; AMUSEMENTS, TOO

Automobile Signs, Catalogue, Advertising Matter of All Kinds Ready. More Than One Thousand Ribbons Will Be Ready for Distribution. Superintendents Busy Arranging Final Details. Style Show to be Feature. Many Amusements Planned.

### Cleanup Must Be Pushed If City Is To Win

If Hereford is to win the City Beautiful contest from Canyon next week it will be necessary for every home owner, lot owner, business man, and renter to get busy at once and clean up his or her premises. The contest will close Thursday night, September 13, and the judging will be done on Friday and Saturday, September 14 and 15.

Mrs. John P. Slaton, chairman of the clean up committee, urges that every resident take a survey of his premises and clean up at once. Mrs. Slaton desires to call attention of residents of the city to the fact that the three judges have been selected by the local Chamber of Commerce and the same organization at Canyon. These judges, she points out, will not have the same biased feeling which we Hereford citizens might have. They will judge on the merits of the case. There will be personal element enter into this with them. "Races are often lost in the last lap, because we grow negligent," said the local chairwoman. "Let me insist that every resident take a last survey of his or her premises and immediately take steps to remove the objectionable features. The reputation of 'Hereford, the most beautiful city of the Plains' is at stake.

Can we count on you? Mayor Ireland is mailing out this week copies of the following appeal to every home owner in the city:

LET'S CLEAN UP FOR THE FAIR!  
Hereford, Texas, September 7, 1928.

Dear Citizens:— In order that we may make the best impression possible on the many visitors to our Fair, a general clean up has been ordered to begin immediately, and to be completed not later than Tuesday morning, September 11, and this is to urge you to co-operate to the fullest extent.

All are requested to burn everything possible on the premises, and to place all tin cans and other refuse in the alleys so that it can be hauled away by the city. The city will endeavor to secure trucks to complete its part of the cleanup before the opening day of the Fair.

In spite of the unusual growth of weeds this summer, Hereford is now more beautiful than ever before, but we lack this final effort to make it 100 per cent clean. If your premises are already clean and you have nothing to be hauled away, this is not intended for you, but you may use it to good advantage by handing it to someone who has not completed his job. This letter is being mailed out to everyone and no offense is intended, and I trust it will be received in the same spirit in which it is sent.

Respectfully,  
E. S. IRELAND, Mayor.

### Special Speaker Secured For Monday's Luncheon

Secretary Arnold announces that an unusually able speaker has been secured for next Monday's luncheon of the Chamber of Commerce, which will be held at the Methodist church. This man will deal with the possibilities of the Panhandle and is said to be good. A large turn-out is urged for the occasion.

Auto signs asking the world to 'Meet me at the Deaf Smith County Fair, September 13, 14 and 15, Hereford, Texas,' are traveling the highways of this and adjoining counties. These signs were received late Tuesday afternoon and were soon placed on the cars in and about Hereford.

Fair officials state that windshield vacuum cup signs will be received later in the week, as well as window cards, advertising the fair, and many of these will be taken to surrounding towns and communities, according to Secretary Arnold of the Chamber of Commerce.

Preparations are going ahead full blast for staging the Deaf Smith county celebration and prospects for a bigger and better fair are growing brighter each day.

General Superintendent Vogele states all department heads report great enthusiasm among the exhibitors of various departments, and an unusually large and attractive exhibition is looked for.

Efforts are being made by the entertainment committee to secure a ferris wheel, merry-go-rounds, merry mix-ups, etc., that are always popular at a celebration of this sort. Rope bearing pennant has been received by the decorative committee and will go up early next week across the main streets of the city.

Chairman Black of the booth committee, assisted by the chamber of commerce is urging every mercantile establishment in the city to secure exhibit space for their merchandise at the fair.

Unique Entertainment Features. Secretary Arnold is working on staging the Style Show for the local ready-to-wear merchants and in the same connection is putting on an Auto Show. Local dealers are expressing their willingness to stage this affair. The plan is to rope off Main Street between Third and Fourth and exclude all cars except the new cars on exhibit by the dealers.

The decorations, which will be arranged in the center of the street and extra lighting will be secured. These features should draw large crowds in the evening and will be a novel form of putting on the auto exhibit. Local dealers are urged to have entries in ship for the show to be staged Friday night, the second day of the fair.

Entries in all the ladies departments are urged to get in connection with the heads of the departments in which they wish to exhibit at once in order that their entries may be properly cared for. Community exhibits are coming along nicely, according to County Agent Dunkle, who is working with this department, and the poultry and dairy cattle department promises to be larger and better than ever before.

Merchants desiring booth space are especially urged to get in connection with the chamber of commerce office if they have not already done so, and get their space allotted in order that it may be arranged at an early date. Carpenters will be put to work several days before the fair getting all in readiness for the opening. A milking machine in operation will be featured by Robinson's dairy and the J. C. Cummins plumbing establishment.

Several concessions are yet unlet also, according to the finance committee and those desiring concessions should attend to the matter at once.

Auto caravan trips will probably be arranged for Friona, Dimmitt, and other nearby towns the last of this week and the first of next, as soon as other advertising matter has been received.

More than one thousand premium ribbons have been ordered for the occasion.

Mr. and Mrs. W. T. Gollehon, Mrs. J. M. Gollehon and Mrs. Stevens visited relatives in Bailey county Saturday.

Mr. and Mrs. J. H. Flanagan and son, Bob, Mrs. I. B. Brooks and daughter, Zonella, and Mrs. B. D. Woodlee motored to Hereford on Sunday afternoon.

Mr. and Mrs. W. T. Gollehon, Mrs. J. M. Gollehon and Mrs. Stevens visited relatives in Bailey county Saturday.

The revival conducted by Rev. Watkins, Wayland college evangelist, assisted by Rev. Derr, local pastor, and Rev. Young of Wayland, director of singing, has been much enjoyed and while results are not what all would like to have seen, yet it is felt the meeting has been a great success.

Mr. and Mrs. W. E. Upton spent Sunday at the Mack Dixon home.

Mr. and Mrs. R. T. Green and Mrs. Nettie Green attended a

birthday dinner for Mrs. Green's grand mother in Plainview last Sunday.

Mr. and Mrs. Jack Robinson and children were Sunday visitors at the J. B. Harlin home.

Mr. and Mrs. Earl Lance visited the Carlsbad Caverns over last week-end.

Frank Vetter spent Saturday and Sunday at the C. M. Bell home.

E. E. Rogers was sick last week but is better.

Mrs. Andrews and Misses Alma and Ruby and Owen spent last week visiting friends and relatives at Wellington.

Mr. and Mrs. Oscar Campbell and Miss Roxie Campbell made a trip to Muleshoe Sunday.

Mr. and Mrs. Walter Tice spent Sunday afternoon at Dimmitt visiting the Roy Landrum family.

The grading gang is grading the road just past the Friso school house.

Mr. and Mrs. C. M. Bell went to San Jon, New Mexico, Thursday to attend a birthday dinner given in honor of her mother.

Mr. and Mrs. T. L. Sparkman and children and Miss Gladys and George Jones, Mrs. G. F. Springer and Miss Tiny Lee spent last week at Childress.

Mr. and Mrs. Ethridge Walker and family of Dalhart came Sunday to spend a few days in the Andrews home.

School opened at Friso Monday with Owen Stagner and Miss Nobles of Muleshoe as teachers.

Harry Taylor made a trip to Portales and Muleshoe the latter part of the week.

Little Miss Wanda Marie came Friday to make her home with Mr. and Mrs. Henry Allman.

## Curbing the Growth of Weeds

This picture illustrates a process invented by a Hawaiian planter that may bring the weedless garden to every yard. The up-to-date crop producer applies paper to the floor of his garden, which shuts off the growth of weeds between rows and permits the real crops to obtain the full benefit of the moisture and plant food contained within the soil. Charles F. Eckart is the inventor of the unique method shown in this picture. The heavy paper is impregnated with asphalt. Among other advantages, this process eliminates the hoe.

Misses Lucile, Christine and Maxine Smith spent Saturday night and Sunday with Josephine Bennett.

Mr. and Mrs. Leo Williams went to Floydada Sunday. Jack Allman accompanied them and visited his grand parents.

There were fifty-nine present at Sunday school Sunday. Singing also was well attended both in the afternoon and evening.

E. E. Rogers was sick last week but is better.

Mrs. Andrews and Misses Alma and Ruby and Owen spent last week visiting friends and relatives at Wellington.

Mr. and Mrs. Oscar Campbell and Miss Roxie Campbell made a trip to Muleshoe Sunday.

Mr. and Mrs. Walter Tice spent Sunday afternoon at Dimmitt visiting the Roy Landrum family.

The grading gang is grading the road just past the Friso school house.

Mr. and Mrs. C. M. Bell went to San Jon, New Mexico, Thursday to attend a birthday dinner given in honor of her mother.

Mr. and Mrs. T. L. Sparkman and children and Miss Gladys and George Jones, Mrs. G. F. Springer and Miss Tiny Lee spent last week at Childress.

Mr. and Mrs. Ethridge Walker and family of Dalhart came Sunday to spend a few days in the Andrews home.

School opened at Friso Monday with Owen Stagner and Miss Nobles of Muleshoe as teachers.

Harry Taylor made a trip to Portales and Muleshoe the latter part of the week.

Little Miss Wanda Marie came Friday to make her home with Mr. and Mrs. Henry Allman.

## Easter Items

School opened Monday with an attendance of twenty-two. This shows a decrease of about seventeen from the enrollment of last year.

Mrs. Coonaugher has been called to the bedside of her sister who is ill at Whitedeer.

Mrs. L. R. Sullenger and daughter, Miss Maurine, Mrs. George Chambliss and Mrs. Laughlin of

Hot Springs, New Mexico, returned last Monday from Amarillo where they had been visiting Mrs. Sullenger's daughter. Miss Della Stagner left for Canyon Saturday to attend the Institute and will go from Canyon to Lipscomb county to resume her work in the primary department of the Plains school. Carl Frye and family visited in the Bill Smith home at Hereford Sunday. Mrs. Terrell had as her guest last week Miss Lillian Boyd who will be principal of the Easter school this year. The Home Improvement club will meet September 6 with Mrs. Joe

Stagner when the following program will be given: G. D. Calson of Wellington visited in the E. M. Allen home Thursday night. Leader: Mrs. Calson. Subject: School Problems. Roll Call: Your favorite sandwich recipe. A discussion of school lunches: Mrs. Carter. Round table discussion on "Best ways of helping our teachers." 1. In what way do they need our help most? Mrs. Bruton. 2. Co-operation: Mrs. Terrell. Piano solo: Miss Medley. Song: Maurine Sullenger, Olive Stagner and Eddie Lee Allen.

September 6, 1928.

DEAR FRIENDS:

A lady phoned yesterday and Mr. Corbett answered.

She wanted to know if she could send in her children's clothes Saturday and get them back the same day, all cleaned and pressed. He told her she could.

There's something to bear in mind. Saturday is the only day you can spare the children's school clothes.

Just call us by telephone—Number 16—and we'll give you one day service any day you say.

### Reflections

It Takes 200 Years to Grow an 18-Inch Beach Tree... yet you can cut or burn it in half an hour. Your building may represent the sacrifice and earnings of generations. How foolish for you to save an insurance premium and risk the instant loss of the money value of the labor of years! Don't try it. Consult this agency.

## What a Thrill When Your Goodies Parade!

WHAT a thrill for the housewife when course after course of the foods she has prepared in the kitchen parade onto the dining table—and family and guests lavish their praise. But how sad and how unfair, if the kitchen range doesn't do its part—and how unnecessary! For you can have a Quick Meal Gas Range and know your cookery will parade with pride on every occasion.

### The QUICK MEAL Gas Range

There's no bad luck with the Quick Meal Range because there's no trusting to luck or to guessing. The Lorain Oven Heat Regulator takes the guess work out of cookery.

The Radiant Broiler produces white hot radiated heat that instantly penetrates through and through. Steaks, and fish and fowl that melt in your mouth—toast golden brown in an instant.

Quick Meal Gas Ranges are porcelain enameled, beautiful and sanitary, and so easy to clean. Unsightly bolts, hinges and piping are hidden from sight. Quick Meal Ranges have Top Burners which cannot clog, rust or corrode. The cooking top is porcelain enameled.

It is well worth making a special trip to our store to see these wonderful

## Lowest Priced 4-Door Sedans

—In definite dollar-for-dollar value there are no 4-door enclosed cars on the market comparable to the Whippet Four and Whippet Six Sedans.

—This is true not only because these smart Sedans are the lowest priced in the world, but because they represent the most advanced ideas in automotive engineering, both mechanically and artistically.  
—The perfected Whippet Four

offers such desirable features as full force-feed lubrication, silent timing chains, extra leg room and powerful 4-wheel brakes. The new Whippet Six, in addition to these, provides a 7-bearing crankshaft, invar-strut pistons and many other advantages.

—Such notable values are possible only because of the skill and experience gained in the production of more than 2,000,000 motor cars.

International Sunday School Lesson for September 9.

**PAUL IN ATHENS AND CORINTH**

Acts 18:1-11; I Timothy 2:3-7.

Rev. Samuel D. Price, D. D.

Admiration for boldness in carrying out a great purpose must be accorded to Paul as we follow him on his journey through Athens, that incomparable city in Greece. He was alone, for Silas and Timothy had been left in Berea at the time of the recent hurried departure. Such men as Pericles, Sophocles and Socrates had been teachers in Athens. Art had reached a summit of expression in the Parthenon, Propylaea and Erechtheum that crowned the Acropolis. The most casual survey of the statues that lined the great streets indicated that the Athenians had more gods already than they could keep track of, and lest some opposed deity might feel neglected for lack of a shrine, there was an idol to "the unknown god."

But Paul came on a mission and he could carry out his purpose wherever he might find people. A real insurance man is not disturbed at the number of agents who are already on the ground; he believes in insurance and just starts out to sell another policy. The Evangelist pitied the people who believed so many things that were not so and began to tell them, singly and in groups, about the one God and His Son, Jesus Christ.

Like many others, the writer had the privilege a few years ago of standing on Mars Hill and reading to a large audience of fellow travelers Acts 17:16-32, which is the record of Paul's words and work on that very eminence, just opposite the Acropolis.

Corinth came next in the itinerary. That city was the playground for Romans and was as immoral as any imagination can picture. Here again Paul was not deterred by adverse conditions but proceeded with his mission. The worse the

people were, the more they needed the soul cure that he had come to proclaim. One can easily find what he likes in any new city. This Apostle to the Gentiles sought out those with whom he could find fellowship in purity and discovered Aquila and Priscilla, recently put out of Rome because they were Jews. They were also tent-makers, Paul's well learned trade. This couple were taken to Ephesus and did fine missionary work in that city.

Work started, as was customary, in the synagogue where both Jews and Greeks formed the audience. Soon Silas and Timothy came from Macedonia. Their arrival seemed to have given still greater courage to Paul who was still bolder in "testifying to the Jews that Jesus was the Christ." Those who would not believe began to blaspheme.

Again we note the purposeful and resourceful Paul, who can be an inspiration to any quitter, as he plans a new method of campaign in carrying forward his consuming purpose. This time he made use of the home of Titus Justus, a believer, and there preached and taught as the people became apt pupils. Many believed and were baptized.

When problems and plots were extra hard the Lord said to Paul in a night vision, "Be not afraid, but speak and hold not thy peace." Such messages were heathening to Paul in other disturbing situations. Read with care Acts 16:9, 22:18, 23:11; 27:23-25. Paul wrought in Corinth for a year and a half and while there wrote his first epistles, I and II Thessalonians. The nature of the truths that were announced were akin to those found in I Timothy 2:3-7. The Golden Text is another clear statement. "For I determined not to know anything among you, save Jesus Christ, and Him crucified." I Cor. 2:2.

## The new Buick is the new Style

More than handsome... more than luxurious... a wonderful new type of motor car beauty... a thrilling turning point in body design

It will be imitated, of course! The new, the fine and the beautiful always inspire imitation. But so great is the cost of building the magnificent new Fisher bodies for the Silver Anniversary Buick that imitation will be possible only to such costlier cars, and even these will find difficulty in following where Buick leads!

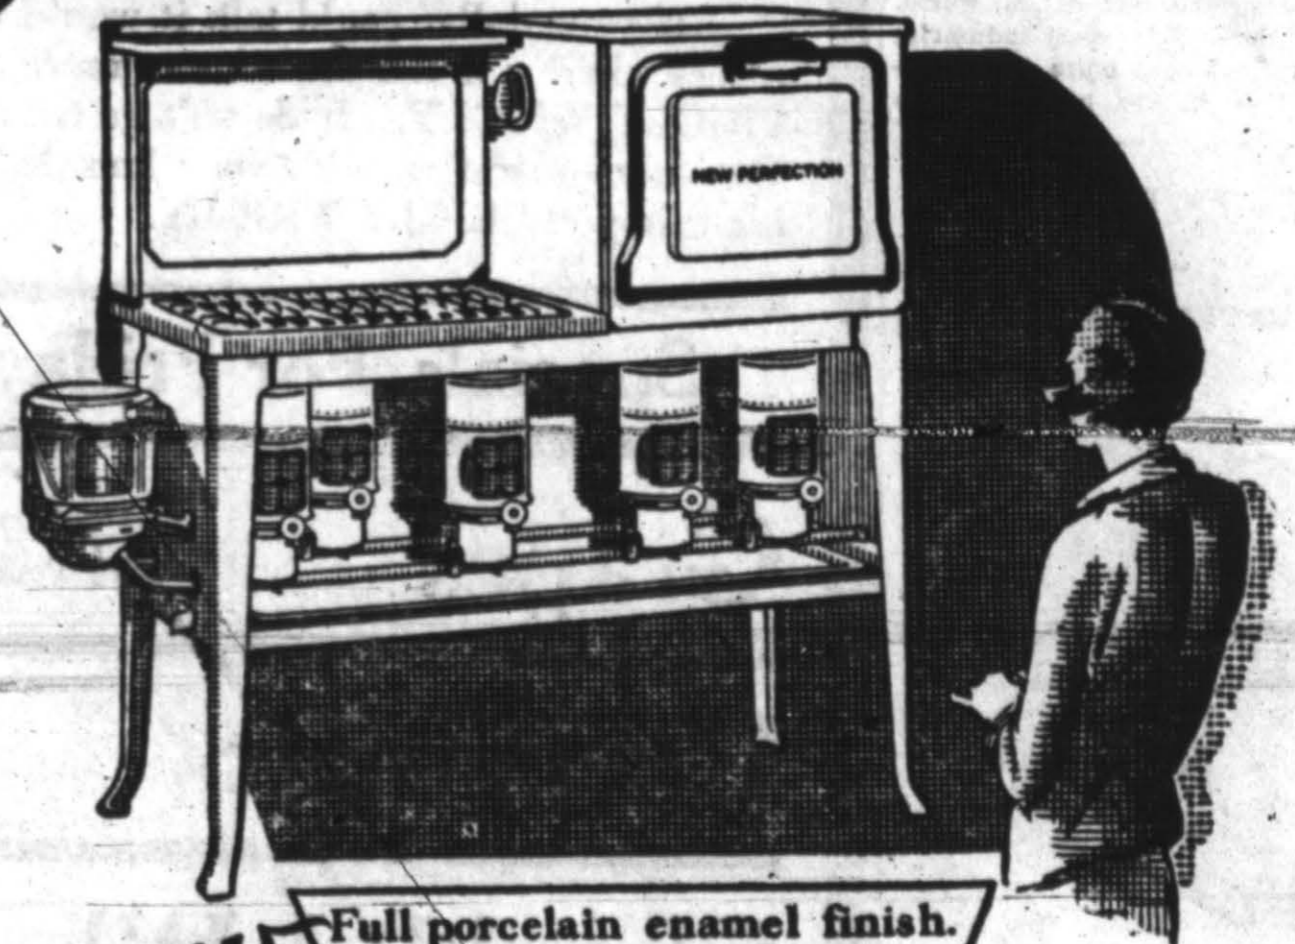

\$1,000,000 has been expended in manufacturing the dies alone for the new Buick bodies; and the grandly curving side panels which form one of their distinguishing characteristics represent the most expensive steel paneling work employed on any automobile in the world!

But it is not in the matchless grace and beauty of exterior design alone that the Silver Anniversary Buick eclipses other cars. In fast, powerful performance too, the world holds no equal for the Silver Anniversary Buick with Masterpieces Bodies by Fisher. And the motor-public, buying in such tremendous volume as to force the great Buick factories to work day and night to supply the demand, is elevating it to the prominence of a vogue!

THE SILVER ANNIVERSARY  
**BUICK**  
With Masterpieces Bodies By Fisher

come to look at it. It is one of 24 beautiful new Perfection models—all light-colored... swift-cooking. All finished either in porcelain enamel or in Perfectolac, a new, durable lacquer. It will pay you to see them.

EASY WAY TO BUY. Your dealer will demonstrate these new stoves for you and will no doubt tell you how you can buy any one of them on easy terms.

**PERFECTION**  
Oil Burning Ranges

PERFECTION STOVE COMPANY, DALLAS, TEXAS

**LUNCHEON**

(Continued from Page One)

to the luncheon, and plead for their co-operation in the work that the chamber of commerce is trying to do. He pointed out that all movements which the organization was working on was for the mutual interests of the rural communities and the town of Hereford. "This is your organization, as much as it is ours," Mr. Selgler said, "and we solicit your help and your suggestions as to things which we might undertake." He read letters and communications from J. E. Hill of this city who is handling one of the Panhandle Plains exhibits at the fairs in Kansas, in which Mr. Hill stated that the exhibits were the features of the fairs where they were being shown. Mr. Hill also stated that untold benefit and advertising was being received by the Plains of Texas from these exhibits, and that Hereford might look for many prospective buyers of farm lands, judging from the interest being shown in the products grown here. Mr. Selgler exhibited corn grown under dry land farming which many said equalled any corn they had ever seen grown in bottom lands in the corn belt.

S. O. Wilson, prominent farmer-dairyman, was introduced and asked to tell the gathering of the trip from which he had just returned. The trip included the States of Louisiana, Mississippi, and Tennessee.

Mr. Wilson spoke extemporaneously, but promised a detailed report taken from notes gathered at various places. He said that one of the most noticeable things on the trip of 3500 miles was the prosperity evidenced in the communities where the dairy industry prevailed. After travelling for many miles through parts of the Southern States devastated by floods, where poverty reigned, one was struck with the vast difference when the towns and communities where they had gone in for dairying was reached, Mr. Wilson said.

Mr. Wilson stated that everywhere his party was met by the business men and commercial organizations of the various cities and towns visited, and every courtesy was extended them in showing them canned milk plants, condenseries, creameries, cheese factories and kindred industries related to dairying.

"In talking to the business men of every single place where these industries were located, we were universally informed that they would give up every industry they possessed before they would part with the dairy industry," was one of Mr. Wilson's statements. "Communities and towns that a few years ago were broke are today prosperous, according to the bankers, and they attribute it practically all to the dairy industry that has been so carefully nurtured."

Mr. Wilson said a comparison of the country visited and this section of Texas, would convince the most skeptical that West Texas is the garden spot of the world. He said that while some industrial plants visited cost more than one-half million dollars, he would lat-

er advocate locating a small creamery here, in the beginning, and gradually working up to the larger industries.

Mr. Wilson was sent on this trip by the Hereford Chamber of Commerce and a detailed report will be made to the directors and the entire body at a later meeting.

Following closely the dairy industry talk by Mr. Wilson, Prof. Geo. P. Grout, of Panhandle, in a brief talk touching on the possibilities of dairying in the Panhandle, said: "I have travelled not only over a great part of the United States, but in Europe as well, studying dairying conditions, and I am of the opinion that the Panhandle section of Texas offers the best natural conditions to dairying of any place I have ever seen." Dr. Grout cited the fertility of the soil which produces feeds conducive to dairying, ideal climatic conditions, etc. He further advocated the raising of sweet clover and alfalfa as the ideal forage for dairy cows. Mr. Grout's talk was enjoyed by everyone present, and he was the center of many groups of interested dairymen after the luncheon seeking information. He is recognized as probably the best informed man on dairy cattle breeding in the nation, having been at the head of the dairy department of both the Minnesota and Texas A. & M. Colleges.

Announcement was made that the district meeting of the West Texas Chamber of Commerce will meet in Pampa next Monday, September 10. Secretary Arnold wanted to know if Hereford desired to go after the 1929 convention.

Next Monday's luncheon will be held in the basement of the First Methodist church.

**Rev. Cloyd Heads Local Baptist Drive for Funds**

WACO.—To lift the strangling debt of Baylor University from around the neck of Texas Baptists, the Greater Baylor University campaign for \$2,000,000 in the state at large is in full force and workers all over the state are busy organizing districts for special campaigns.

Loyal Baptist leaders and Baylor alumni are being chosen to serve as district and Baptist associational chairmen who will lead the drive in their own communities. They will secure city chairmen to carry out the general campaign plan, every detail of which leads forward to the popular drive from November 16 to November 23.

Rev. V. M. Cloyd of Hereford has accepted the association chairmanship of the Tierra Blanca association and has already begun active work in organization.

**Phillips Petroleum Company Enters Local Oil Field**

The Phillips Petroleum Company has announced the opening of a bulk station in Hereford in line with its recently announced policy of expansion in the retail gasoline business. Phillips has made rapid strides in the development of its retail marketing organization and now has distribution for its products in many mid-western states, extending from the Canadian border to the Texas Panhandle and on into New Mexico. Many of the stations in this area are located on U. S. Highway 66 which ties in with the brand name of "Phillips 66" gasoline.

The local station is located on the Santa Fe tracks west of the

Harrison elevator and will be in charge of T. E. Major. A division office of the marketing department is located in Amarillo under supervision of A. M. Hughes. General headquarters of the marketing department are located in Bartlesville, Oklahoma, in charge of H. A. Trower.

Since the first of the year retail outlets have been established in the following towns in this area: Lubbock, Plainview, Ralls, Tahoka, Lamesa, Brownfield, Levelland, Sudan, Littlefield, Dimmitt and Vega.

The Phillips Company is one of the largest independent oil companies in the county. Last year it produced over 23,000,000 barrels of crude oil from 2,500 wells on Phillips properties in six states. In addition to its large oil pro-

duction, the Phillips Company is the world's largest producer of natural gasoline. It operates forty six plants in the mid-continent field and during 1927 produced more than 184,000,000 gallons of natural gasoline. Present daily gasoline production is over 500,000 gallons, according to Phillips officials. The company operates a big refinery at Borger.

The balance sheet for the first six months of 1928 showed total assets of more than \$146,000,000.

Pampa—President A. M. Bourland of the WTCC will speak at the Panhandle North Plains district convention here September 10.

**Golf Officials Visit In Amarillo for Information**

A committee from the Hereford Golf Club went to Amarillo Sunday and put in the day inspecting sand greens, sand, oil and other things that go into the making of a first class sand green. The committee consisted of Frank Marrs, vice president; Doug Fox, secretary; S. P. Rosson, chairman of the greens committee, and J. A. Pitman. They learned a lot about sand and how to handle it for golf, and incidentally, took occasion to play eighteen holes over the Hillcrest course in the afternoon.

## HEREFORD WHOLESALE GROCERY COMPANY

### How Hamlin Catches Such Big Fish Is Big Mystery

B. R. Hamlin, fisherman de luxe, who has been grabbing off fishing records for several years, drove into town Tuesday afternoon with a sack full of bass. He picked out one huge specimen that looked like a Brazos bottom cat fish and weighed it at the Texas market. It registered four and a half pounds.

Three years ago Hamlin brought in a bass that tipped the scales at 6 3/4 pounds. Last year he almost duplicated the feat several times. How he does it is a mystery a lot of fishermen would like to unravel.

### FARM SALE DATES.

An unusually large farm sale, including dairy cows, hogs, goats, horses and mules, machinery, etc., is scheduled for Friday, September 28, by Charles Smith. Location fifteen miles northwest of Hereford. W. S. Williams, auctioneer.

T. E. Majors will hold a big sale of all his farm equipment, live stock, cows, machinery, etc., on Tuesday, September 11, beginning at 10:30 a. m., at his farm located seventeen miles north of Hereford on 25-Mile Avenue. Ray Barber, auctioneer.

### Parent-Teachers Entertain For New Staff of Teachers

The home of Mayor E. S. Ireland was ablaze Tuesday night when the Parent-Teacher Association held a get-together meeting with the faculty of the Hereford schools on the receiving end of the line.

As guests and school patrons arrived they were ushered down the line of the "dispensers of knowledge," and those who will have

charge of Hereford's young Americans for the next nine months. Innumerable games were indulged in and guests were served delicious punch and cake.

Musical and vocal numbers were also indulged in which were greatly enjoyed by all.

The Chamber of Commerce extended an invitation at a future date to be set, to the entire corps of teachers and school board to be the guests of the organization at one of their weekly luncheons.

Superintendent Dillehay and the Board of Education are to be congratulated upon their selection of Hereford's school faculty, and the Parent-Teacher Association is to be commended upon their efforts to show the superintendent and faculty the support that may be expected of the school patrons.

### Ferd Johnson and Wife Visit Hereford Relatives

A. F. Johnson and wife, of Winfield, Kansas, arrived last Friday and have been visiting Mr. Johnson's uncle, George Garrison, and brother, Roger, and family and other relatives. They left for home Tuesday.

Mr. Johnson who spent several years of his young manhood here, has many friends who welcomed him and his wife cordially. Mrs. Johnson was a Winfield girl before her marriage last June, a year ago. Mr. Johnson is traveling for an implement house.

### Seed Wheat Ready Wednesday; How to Avoid Smutt

William Ash of Canyon, who is helping finance the car of seed wheat purchased in Kansas for the farmers of Deaf Smith and Randall counties, was here at the Monday luncheon. He stated that the car would reach Umberger about Wednesday and farmers could procure it there at that time. The seed will be sold at \$2.00 per bushel and is the pure Turkey Red, raised under supervision of the

Kansas State Experiment Station from seed grown by the College last year. It tested 100 percent pure, germination 92 per cent, weighs sixty-two to sixty-three pounds and grades No. 1 dark hard.

Mr. Ash recommended that all the seed be treated with copper carbonate, using it in the dry form.

Mr. Ash said it was easy to mix the carbonate with the wheat by using a barrel with a 4x4 running through it lengthwise so the barrel would revolve. This mixing will last for two years and will not cause the wheat to deteriorate in germinating for another year.

### Barnes Throws Fox After Gruelling, Exciting Match

Cyclone Fox, the Michigan Wild Man, was wild and fast Wednesday night, but George Barnes put his shoulders on the mat after an hour and five minutes of spectacular and scientific wrestling which kept the crowd yelling and enthusiastic. It was said to have been the best all-around match yet pulled here. Barnes won with the "windmill whirl" hold.

"Humpty" Campbell, who refereed got the biggest laugh of all out of the crowd, without any intention on his part of so doing. While he was endeavoring to separate the contestants at one time, Fox slipped a headlock on the energetic referee and put him on the mat. "Humpty" looked pained and surprised while the crowd yelled delightedly.

Another feature of the evening was a preliminary between two local kids, Young Bill and Young

Sowell, which went over an hour without a fall, the boys displaying amazing skill and knowledge of the game for kids of their tender years.

The Tin Cup Fite featured four blind folded youths who staged an exciting and funny battle.

### Hereford Cleaned Nazareth In Eleven Innings Sunday

Hereford went eleven innings last Sunday to take a three-to-two decision from the Nazareth baseball nine. The all-around work of Galbraith featured, as he pitched the first part of the game and caught the last part. Hereford scored in the first and the visitors in the fourth. Nazareth again scored in the eighth, but the Whitefaces tied it up in the ninth and finally noed them out in the eleventh.

It was a good, snappy game, without special features and greatly enjoyed by the fans. Batteries, Hereford, Galbraith, Carmichael and Young and Galbraith; Nazareth, Albright and Schulte.

### CREAM WANTED 40c

We pay all transportation charges. With cream station prices from 40c to 42c, why hesitate to ship us. Our advertised price is to your benefit. Co-operate with us by shipping us regularly. We need your cream. We guarantee to satisfy every shipper.

### Ministerial Association Holds Election Officers

The Ministerial Association of Hereford, composed of the pastors of all local churches, held their

semi-annual meeting for the election of officers for the next six months Monday. Rev. V. M. Cloyd of the First Baptist church, was named chairman, and Rev. E. B. Bowen, of the Methodist church, secretary.

# THE TIGER TRAIL

by Edison Marshall

(Continued from Last Week)

Yet his eyes did not look as if he were willing; they glowed darkly.

"But we're not willing to forget it," the detective replied. "The matter of motive for this murder is probably the most important feature in identifying the criminal. If we have a motive, we have something to work on. I believe that your father took your part in that discussion."

"That is true."

"And Southley did also."

Vilas hesitated—just an instant. "Yes, he supported me."

"I believe his daughter sided in with you, too."

"I would hardly say that."

"At least she offered no explanation why Dr. Long attacked you. Isn't that true?"

"It is."

"How did Dr. Long take this combined stand against him?"

"I don't know what you mean."

"It seems to me I am perfectly clear. Did he become angry?"

"I won't venture to say. It was plainly the greatest shock to him when Miss Southley took the attitude she did. I suppose my father gave him the greatest cause for anger."

"Why?"

"My father took the most determined stand against him, insisting on an apology or else a departure from the house."

"And what right did he have to insist that any of Southley's guests be told to go? What was his explanation for this breach of hospitality? The doctor was Southley's guest, not your father's. Why did your father feel he had a right to insist, in the terms he did, that Southley expel the doctor from his house?"

"I—don't believe I know."

"Think a minute."

Vilas face darkened ever so slightly.

"I don't believe I care to have you question the manners of my dead father."

"It is a fair question."

"In spite of the difference in their ages, Southley and my father were old friends. They were very free with each other in all things."

"And did your father say anything of an insulting nature that the doctor might want to avenge?"

"He called him a 'pup' I think, as well as other things."

"You say you went to bed at midnight. When did you learn of your father's murder?"

"After the levee broke, when the others came back to the house and told me."

"The sound of the breaking levee awakened you?"

"Yes."

"Freeman called on me next. I told my story as far as it concern-

ed the finding of the body. I corroborated most of Vilas' testimony.

"How much time were you alone after the scene in the den and the time of the murder?" he asked.

"A few minutes after a midnight walk with Ernest—between a few minutes before one o'clock and immediately after."

"How did you spend your time?"

"I was undressing for bed."

"And then what did you do?"

I told him of our stalk through the halls. He seemed particularly interested, but also somewhat scornful.

"It isn't the purpose of the State to chase down ghosts," he said. "I think the less thought and said about that matter the better. You all were under a nervous strain and I've heard the testimony of people in that condition before. It usually isn't worth the paper it's written on. I want to know if you had any time to yourself between the scene in the den and the murder."

Of course his reason for wanting to know was perfectly obvious. He wanted to see whether I could have possibly had time to hire one of the negroes to murder the elder Hayward. He knew that I had not done the deed with my own hands, from the fact that I had already established an alibi.

"We've got a motive for you, Long," he told me at the end, "but not much else. There are others that we have some of the other things, but no motive."

He called on Ahmad Das. The latter told him how he had gone out to the garage for the car; how he had looked in vain for Hayward on the driveway and how, later, he had found the body.

The detective flushed slightly and leaned forward.

"You didn't like the elder Hayward, Ahmad?" Freeman asked abruptly.

"No, Sahib."

"Why didn't you? What had he ever done to you?"

"He was not pleasant to serve, sahib. Many times he swore—"

"And I believe he truck you once, Ahmad?"

Ahmad's voice lowered:

"Yes."

"And why did he?"

"I was slow in a service that he asked."

"He didn't like you, either, Ahmad."

"It is true."

"Considering his influence with your master, did it ever occur to you that he might get you thrown out of employment?"

"Employ—"

"Get you kicked out of your job?"

"Why didn't you?"

"No, sahib, I never thought of that."

"He was not pleasant to serve, sahib. Many times he swore—"

### News from Bethel.

Another fine rain fell over the Bethel community Friday night. This gives an abundance of moisture for maturing row crops and for sowing wheat.

Mrs. J. G. Davis, daughter, Ira, and son, J. G., Jr., visited the Carlsbad Caverns last week and report an enjoyable trip.

Mrs. Jim Pennington and daughters, Mildred and Jimmie Jo, have moved to Dimmitt in order that Mildred may attend school.

C. E. Head's sisters and other relatives were guests in the Head home first of last week.

Mr. and Mrs. J. C. Williams and sons attended a family reunion at the home of his mother near Plainview Friday.

Jimmy Duckett who has spent the summer with his uncle, C. E. Head, returned to his home in El Paso last week.

Jim Bagwell and family spent Sunday in the Henry Allman home at Baster.

Miss Nellie Dunn of Hereford spent Saturday night in the home of her sister, Mrs. Leland Smith.

Mr. and Mrs. Frank Crawford and daughter, Geneva, attended church in Dimmitt Sunday.

Mr. and Mrs. Kay Roberts motored to Tucuman, New Mexico, Saturday where they visited his brother, returning Sunday.

C. E. Head visited relatives in Amarillo several days last week.

Mr. and Mrs. Earl East and children attended the picnic at Big Square Friday afternoon.

Mrs. Albert Smith and daughter of Big Spring arrived at the home of her parents, Mr. and Mrs. J. G. Davis Thursday. On Saturday, Mr. Davis and Mrs. Smith went to Carlsbad to see the Caverns.

Mr. and Mrs. Yancy and family returned Sunday from a weeks vacation spent visiting relatives in Oklahoma and points in Texas. A niece returned with them and may enter school here.

Mr. and Mrs. J. C. Denton were dinner guests in the C. E. Head home Sunday.

Mr. and Mrs. Earl East had as guests Sunday, Vera East and family and Miss Fanny Manning. School opened at Bethel Monday with nineteen pupils enrolled. The pupils and patrons are pleased to have Miss Fanny Manning as teacher another year.

Rev. V. M. Cloyd and family of Hereford, Rev. Brownlee and family took dinner in the J. T. Hartley home last Friday.

B. A. Atchley made a business trip to Amarillo last Tuesday.

Mr. and Mrs. C. R. Walsler and children, Joe Kendall and wife, Earl Lance and wife left Saturday for the Carlsbad Caverns. They were accompanied by S. L. Walsler and family of Hereford.

Mr. and Mrs. W. E. Hawkins and son took Sunday dinner in the Ky Lawrence home.

F. H. Luck and family are in Oklahoma on a visit.

Mr. and Mrs. Roy Johnson left Saturday for the Carlsbad Caverns.

Mr. and Mrs. George Storey and children, Mrs. Hattie Roberson and children returned home Saturday night from a two weeks visit with relatives in Oklahoma.

Mr. and Mrs. C. E. Wright and family of Olney visited in the B. A. Atchley home last week. Mrs. Wright is a niece of Mr. Atchley.

### West-Way Items

Sunday school met with forty-eight present.

Rev. Mr. Cloyd will preach here next Sunday.

Misses Nadine and Thelma Myers and Mr. and Mrs. Keese left last Sunday for Canyon where they will attend institute. They will return the latter part of the week to start school here.

The school trucks are worked over and everything is in readiness for school here next Monday, the 10th of September.

C. W. Eritt and N. P. Sikes will drive the school trucks.

Mr. and Mrs. J. H. Tribble enjoyed a visit last week from her niece and nephew, Mr. and Mrs. J. N. Smothers and friend, Miss Wilson of Fort Worth who were enroute to the Carlsbad Caverns.

Robert Moore left last Saturday for his home in Canyon.

Another heavy rain which has delayed field work and gathering crops and displays for our com-

munity booth at the Dear Smith County Fair, fell recently.

Mr. and Mrs. L. Nicks and children of Dallas arrived Tuesday to visit his brother and family, A. W. Nicks.

G. W. Wilson took his mother, father and two sisters home to Abilene last Monday.

Mrs. Pierce's niece and nephew left last Thursday for their home in Abilene.

Mrs. B. F. Howton of Buffalo Springs is here visiting in the home of her daughter, Mrs. Pink Gilliland.

### First Methodist Church

E. B. BOWEN, Pastor.

Sunday school at 9:45 a. m. Classes for all ages. We will be glad to have you. Morning worship at 11 o'clock. The pastor will fill the pulpit. At the evening hour, 8:15, there will be a special service. Miss Dona Looke of McMurry College, will read "The Lost Word," by Van Dyke. Miss Looke has specialized in dramatic art and has just returned from New York. She is an excellent reader. The following musical program will be rendered:

Prelude: Mrs. G. A. F. Parker, Mrs. J. W. Stanford.

Anthem: Choir.

Ladies Chorus.

Piano Solo: Mattie Lou Harrison.

Quartet: J. E. Beyer, Mrs. E. F. Conaway, Mrs. A. C. Thompson, A. O. Ott.

Solo: Mrs. R. P. Conaway, Men's Chorus.

Violin Solo: Mrs. A. C. Thompson.

Hymn: Congregation.

You are cordially invited to worship with us.

# FAIR

(Continued from Page One)

Rules for Dairy Department of the Deaf Smith County Fair:

1. All animals entered for competition must be pure bred or high grade and the management reserves the right to remove from fair grounds any animal that may be deemed unsuited or objectionable.

2. All stalls must be cleaned before 9:00 a. m. each day and kept in a neat and orderly manner.

3. No exhibitor will be allowed to show more than two entries in individual class and one entry in group class.

4. The judges must not award a prize for an unworthy exhibit. It is the intention of the management that no premium or distinction of any kind shall be given an animal that is not deserving.

5. The primary object of this show is to encourage the breeding of improved breeds of dairy stock for well defined, practical purposes, and the judge is requested to place the exhibits according to the score card of the respective breeds, and his decision shall be final.

6. Any exhibit not presented promptly when class is called will be ruled out and no complaint that the judge overlooked an exhibit will be considered.

7. In individual classes 1st prize will not be awarded on two entries.

8. If any exhibitor in any way interferes with the judge while placing the exhibits or shows any disrespect for him or the show, the management may demand a proper apology, or it may exclude him from competition and may also withhold any premiums that may have been awarded.

9. After exhibits are placed, any interested person desiring information may ask such questions as are necessary.

10. All cows, milking, shall be milked out after 5 p. m. of afternoon preceding the judging.

11. No bull over one year old shall be allowed on grounds without a ring in his nose.

**Classification and Premium List.**  
Aged bull, dropped before August 1, 1920, \$5.00, \$3.00, \$2.00.  
Senior yearling bull, dropped between August 1, 1926, or February 1, 1927.

Junior yearling bull dropped between February 1, 1927 or August 1, 1927.  
Senior calf, August 1, 1927-Feb-

ruary 1, 1928.  
Junior calf, February 1, 1928-August 1, 1928, \$2.00, \$1.00, Ribbon.  
Aged cow, dropped before February 1, 1928, \$2.00, \$1.00, Ribbon.  
Junior two-year-old cow, February 1, 1926, August 1, 1926.  
Senior yearling heifer, August 1, 1926, February 1, 1927.  
Junior yearling heifer, February 1, 1927, August 1, 1927.  
Senior calf, August 1, 1927, February 1, 1928.  
Junior calf, February 1, 1928, August 1, 1928, \$2.00, \$1.00, Ribbon.

Young herd, three heifers or two heifers and one bull under two years old August 1, 1928, bred and owned by exhibitor: \$10.00, \$5.00, \$2.50.  
Get of sire, three heifers or two heifers and 1 bull the get of 1 sire. This class may or may not be bred or owned by exhibitor: \$10.00, \$5.00, \$2.50.

The judges in the different departments of the Deaf Smith County Fair:

Beef Cattle and Hogs—W. L. Stangel, Tech College.  
Dairy Cattle—Geo. P. Grout, Panhandle.  
Poultry—Dr. Duke, Amarillo.

Community Booth and Agriculture—W. H. Upchurch, County Agent, Canyon.  
John R. Edmonds, District Agent, College Station.

Women's Departments—Miss Minnie Mae Grubbs, District Agent.  
Miss Thompson, Home Demonstration Agent, Clarendon.

**TRI-STATE FAIR TO DRAW CROWDS WITH FREE GATE**

AMARILLO.—Two of the outstanding entertainment features of the Tri-State Free Fair, September 22 to 29, will be the Schooley and Collins Winner Garden Revue, with eighty people participating, including a chorus of more than thirty girls, and Leonard Stroud's Rodeo.

The rodeo performance offered by Stroud is an annual attraction at many of the biggest cities and fairs in the nation. Included in rodeo acts are some of the leading cowboys and cowgirls, in daring breath-taking exhibitions.

The Winter Garden Revue of 80 people, one of the highest type of revues for big state fairs, will furnish beautiful and rollicking entertainment every evening in front of the big grandstand.

Indian dances, football games and a number of other entertainment features are scheduled. The gate will be free for the first time in the history of the fair.

# SOCIETY

## RICKETTS-ANDERSON WEDDING ANNOUNCEMENT

Friends of Miss Inez Ricketts will be interested in the following clipped from the Borger newspaper:

At a quiet ceremony Sunday afternoon at 2 o'clock at the Presbyterian church of Amarillo, Miss Inez Ricketts was married to Mr. B. R. Anderson of Borger, Rev. R. Townsend read the ceremony. The parents of the bride, Mrs. Mollie Deacon of Compton, Calif., mother of the groom and Mr. and Mrs. L. G. Runyon of Amarillo, were the only attendants.

The bride is the daughter of Mr. and Mrs. W. A. Ricketts of Hereford, where she has many friends. The groom is well known here, having been connected with the Slinger Sewing Machine company here for the past two years.

They will make their home in Borger. Following the ceremony a wedding dinner was given at the Palo Duro dining room.

## CITY OF HEREFORD, THE STATE OF TEXAS.

On this the 6th day of August, 1928, the City Commission of the City of Hereford, Texas, was convened in regular session, in the City Hall, all members thereof, to-wit:

E. S. IRELAND, Mayor  
J. O. NEWELL, Commissioner  
C. H. DYAR, Commissioner  
GRACE SKELTON, City Secretary

being present, with none absent, and among other business was transacted:

Commissioner Dyar introduced an ordinance. The ordinance was read in full by the Secretary. A motion was made by C. H. Dyar that the rule requiring ordinances to be read at more than one meeting be suspended, and that this ordinance when passed take effect immediately, as an emergency measure. The motion was seconded by Commissioner J. O. Newell and was carried by the following vote:

AYES: Commissioners J. O. Newell and C. H. Dyar.  
NOES: None.

A motion was made by Commissioner C. H. Dyar that the ordinance be passed finally. The motion was seconded by Commissioner J. O. Newell, and was carried by the following vote:

AYES: Commissioners C. H. Dyar and J. O. Newell.  
NOES: None.

The Mayor declared that the ordinance finally passed.

### AN ORDINANCE DETERMINING THE NECESSITY OF LEVYING AN ASSESSMENT AGAINST THE PROPERTY AND THE OWNERS THEREOF IN THE CITY OF HEREFORD ABUTTING UPON THE STREETS AND PARTS OF STREETS HERINAFTER NAMED FOR THE COST OF IMPROVING SAID STREETS, FIXING A TIME FOR THE HEARING OF THE OWNERS OF SAID PROPERTY CONCERNING SAME, AND DIRECTING THE CITY SECRETARY TO GIVE NOTICE OF SAID HEARING REQUIRED BY ARTICLE 1004, REVISED CIVIL STATUTES OF TEXAS, AND DECLARING AN EMERGENCY.

WHEREAS, the City of Hereford, Texas, has adopted the benefits of the provisions of Chapter 9, Title 23, Revised Civil Statutes of Texas, and amendments thereto, by a majority vote of the legally qualified, property tax paying voters, residing in said city, at an election held on the 24th day of January, 1916, and

WHEREAS, the City Commission of said City did on the 31st day of January, 1916, after said election pass an order declaring the re-

suits of said election, and declaring the provisions of said Chapter and Title applicable to and governing said City in all respects, which order is of record in Vol. 1, page 108, et seq., of the Minutes of said City of Hereford; and

WHEREAS, heretofore on the 24th day of July, 1928, the City commission awarded the contract for paving certain streets and parts of streets and construction of curbs, gutters,

# THE NEW FRIGIDAIRE

You don't hear it start . . . You don't hear it stop  
You don't hear it run

Special Demonstration all this week  
See for yourself this latest development in automatic refrigeration

...for women. Beautiful! The New Frigidaire is built to harmonize in line and color with the modern kitchen. Quiet! Incredibly quiet. You don't hear it start. You don't hear it stop. You don't hear it run.

See the New Frigidaire for yourself . . . today. We have arranged a special demonstration of what the New Frigidaire will do for you in your own home.

We want you to see the compact, powerful, incredibly quiet compressor. We want you to find out for yourself that you don't hear it start, stop or run. We want you to check the new conveniences.

The special demonstration lasts all this week. For your convenience we are open each night until ten o'clock. Come in today.

THIS is more than the announcement of a new refrigerator . . . more than the demonstration of a new product. It is the first presentation of a new idea of quiet, convenient, truly automatic refrigeration.

Ice freezing power? The New Frigidaire has reserves of power for every emergency. Conveniences? The New Frigidaire conveniences were planned by domestic science experts

Rate per front foot to be assessed against property owners for improvements other than curb 4.10
Total rate per front foot to be assessed against property owners 4.60

THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS:

1. That the report of the City Engineer, having been examined, is hereby approved.
BE IT FURTHER ORDAINED that a full and fair hearing be had as provided for herein; that part of the cost of said improvements shall be assessed against property owners on streets so improved and owners thereon and that the total cost of said improvements shall be apportioned and paid as follows:

(a) The City of Hereford shall pay the whole cost of excavation and one-tenth of the cost of the remainder of the improvements exclusive of the property owners curb.
(b) The owners of property abutting upon said streets named to be improved shall pay the remainder of said cost of the improvement of said streets, after there has been deducted the amount payable by the City of Hereford under Section (a) above, provided, however, that in no event shall more than nine-tenths (9-10) of the entire cost of such improvements, exclusive of curbs, be assessed against such property owners and their property.

(c) That the portion of the said cost to be paid by the City of Hereford shall be payable upon estimates made by the City Engineer during the construction of said work, on the first day of each month, after the beginning thereof, payable on the fifth day of each month, ten per cent (10%) of said estimate being held back and reserved and payable to the Contractor to whom the work may be let, upon the completion of same and acceptance by the City.

2. The manner of payment shall be as follows:
(a) The portion of the cost of such improvements payable by the owners of the property shall be paid in ten (10) equal installments, one payable within thirty (30) days after the completion of the work in each district, and its acceptance by the City; one payable within one year; one payable in two years; one payable in three years; one payable in four years; one payable in five years; one payable in six years; one payable in seven years; one payable in eight years; one payable in nine years, and to bear interest from the date of acceptance at the rate of seven per cent per annum, payable annually; provided that said owners shall have the option to discharge any installment before maturity thereof by paying same with accrued interest.

(b) That the portion of said cost to be paid by the owners of property shall be assessed against them and their property in accordance with the provisions of Chapter 9, Title 28, of the Revised Statutes of Texas of 1925, and amendments thereto, and constitute a personal liability of such property owners and a lien against their respective property, and shall be assessed in accordance with the "Front Foot Plan or Rule," in proportion as the frontage of each owner on each particular street is to the whole number of front feet of abutting property to be improved on that particular street; provided that if, in the opinion of the City Commission the application of this rule shall be unjust or unequal in any case, then the City Commission shall adopt such rule of apportionment as shall be just and equitable and effect equality between said owners, having in view the equities of each owner, the benefit to each and the burden imposed upon each by means of such improvement; and in no event shall any assessment be made against any owner or his property in excess of the actual benefit to such owner in the enhanced value of his property caused by such improvements; and provided that no such assessment shall be made until the notice to such property owners and a hearing to them, as provided in Chapter 9, Title 28, of the Revised Civil Statutes of the State of Texas of 1925, and amendments thereto, heretofore legally adopted by the said City.

IV. The assessment shall constitute a personal liability against the owners of property and the lien upon their property as fixed by said assessment shall be enforced as provided by Chapter 9, Title 28, of the Revised Statutes of Texas of 1925, and amendments thereto, by the sale of said property as for ad valorem taxes of the City, or by suit in any Court having jurisdiction, together with all costs and reasonable Attorney's fees, if incurred, and after such assessment the City Commission shall cause to be issued to the Contractor doing the work assignable certificates in accordance with said Chapter 9, Title 28, of the Revised Statutes of Texas of 1925, and amendments thereto, setting forth the amount assessed against each owner and his property, and the terms and time of payment thereof.

V. BE IT FURTHER ORDAINED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS, that a hearing shall be given to said owners, or their agents and attorneys, and all persons interested in the said matter as to said assessments and as to the amounts to be assessed against each owner and their property by reason of such improvements, and that they shall be given a right to contest the regularity of the proceedings with reference to the improvement and the benefits of said improvement to their property, and any other matter with reference thereto, which hearing shall be held at the City Hall in the City of Hereford, Texas, on the 10th day of September, 1928, at 10:00 o'clock, at which time all of said owners, their agents or attorneys, or persons interested in said property are notified to appear and be heard; at said hearing said owners or other persons may appear by counsel or in person and may offer evidence and said hearing shall be adjourned from day to day until fully accomplished.

The City Secretary is hereby directed to give notice of said hearing by inserting a copy of this ordinance at least three times in some newspaper published in the aforesaid City, the first publication to be made at least fifteen days before the date of the hearing. The City Secretary is also directed to give further notice of said hearing by mailing to said owners, their agents or attorneys, a copy hereof, whenever the address of said owners, agent or attorney is available on the tax records of said city, provided, however, that the notice provided for herein by mailing shall be cumulative of the notice by advertisement, but the notice by advertisement is hereby declared to be sufficient in all cases.

The fact that the aforesaid work has progressed to such an extent that it is now advisable to make immediate arrangements for the hearing required by law creates an emergency and imperative public necessity that the rule requiring ordinances to be read at three several meetings be suspended, and that this ordinance take effect from and after its passage, and it is so ordained.

All ordinances or resolutions, or parts of ordinances or resolutions, in conflict herewith are hereby expressly repealed insofar as they are in conflict herewith.

PASSED THIS 6th day of August, 1928.
APPROVED THIS 6th day of August, 1928.
E. S. IRELAND, Mayor, City of Hereford, Texas.

ATTEST:
GRACE SKELTON, City Secretary.

STATE OF TEXAS, COUNTY OF DEAF SMITH, CITY OF HEREFORD.
I, Grace Skelton, City Secretary of the City of Hereford, Texas, do hereby certify that the above and foregoing is a true, full and correct copy of an ordinance passed by the City Commission on the 6th day of August, 1928, and that the same is of record in the Ordinance Records of said City Commission in Vol. 2, Page 159, et seq.

In testimony whereof witness my hand and the seal of said City this 6th day of August, 1928.
GRACE SKELTON, City Secretary, City of Hereford, Texas.
