Hereford, Texas, Sunday, March 10, 1963

Make-Up Set April 21 For Successful Sabin Campaign

In a prepared statement, Hereford physicians publicly thanked the Junior Chamber of Commerce and all others who helped conduct the three Sabin Oral Polio Sundays held here.

"The Hereford Physicians of Tierra Blanca Medical Society wish to personally thank the Junior Chamber of Commerce and all people, professional and otherwise, that helped conduct each of the Sabin Polio Sundays," read the statement.

As the statement was issued Friday, Hereford physicians also urged area residents who have missed one or more of the three vaccine doses to take advantage of the make-up clinic slated for April 21.

"We feel the program has been very successful and are gratified by the response of the people of Deaf Smith County."

In announcing plans for the clinic, local Jaycees pointed out that the make-up doses would be given at only one location - the Hereford High School Cafeteria - and the clinic would be open from 10 a. m. to 2 p. m.

The three Sabin Sundays were conducted under the joint sponsorship of physicians and the local Jaycee organization. Professional help - physicians, nurses, and pharmacists - was supplied by the local medical society. Dr. A. T. Mims served as chairman.

Police Arrest Latin-American After Shooting

A 29-year-old Hereford Latin-American is being held here by Hereford Police Department on investigation for aggravated assault following the shooting of a 17-year-old woman.

Administrative details of the clinic were handled by the local Junior Chamber of Commerce with the assistance of the Deaf Smith County Red Cross and other volunteer workers.

The alleged shooting incident is reported to have occurred here about 1:25 a. m. Saturday at 208 North Street.

The make-up clinic is to be held "because many were unable to receive each of the three types of vaccine," the statement pointed out.

When police officers arrived at the home after being summoned by Santiago DeLuna, they found that Lupe DeLuna, 17, had been shot in the left hand. The bullet had "badly mangled" her ring finger.

Each of the three types - Type I, Type II, and Type III - is to be available to any person who has missed one or more of the oral polio vaccines.

Officers took her to Deaf Smith County Hospital for treatment.

"However, only one of the three types may be taken at any given time," advised the statement.

It was alleged that the suspect, Jose DeLeon had entered the home and allegedly threatened his wife, Emma, with a pistol. The DeLuna woman, a sister, asked him not to shoot, and placed her left hand on the gun barrel.

It continued stating that the Type I dosage provides approximately 83 - 85 per cent immunity; Type II only about three to five per cent, and Type III about 10 to 14 per cent immunity.

The weapon is said to have discharged with the bullet passing through the woman's left hand.

"It is advised, therefore, that a person who has missed any of these vaccines should take the type remaining that will provide the maximum immunity," the statement pointed out.

As officers continued their investigation of the incident DeLeon was arrested outside of the home about 9 a. m. Saturday. He was reported to have had a .25 cal. automatic in his possession.

As an example, a person that has taken Type I should take the third type of the oral vaccine to be assured of the greatest immunity.

"We urge all to plan to complete their polio vaccinations, if possible, at this make-up clinic as there are no further clinics of this type planned," the doctors concluded.

Old Sanctuary Comes Down For Methodist Expansion

A quarter of a million dollar contract calling for construction of additional facilities at First Methodist Church here was let Friday, according to the Rev. Herschel Thurston, pastor.

As the Official Board of the church met in mid-February to open bids, the firm submitted a bid placing the construction at \$238,700.

Work is scheduled to begin on the project this week as the old sanctuary is to be demolished to make room for the proposed church expansion.

However, the board made a few minor changes in plans and trimmed approximately \$5,000 off of the cost of the building program.

The contract calling for construction of additional church offices, an Educational Building, and Fellowship Hall was awarded to R. W. Boston Construction Co. of Amarillo.

Cost of the project had been estimated at between \$220,000 and \$225,000. A new architect Oscar A. Schilling of Amarillo.

Total bid on the project submitted by the contractor is for \$233,700.

100-Man Special Venire For Court Trial Is Named

A 100-man special venire is to appear at the Deaf Smith County Courthouse on Tuesday at 1:30 p. m. as a criminal trial is slated in 69th District Court, Judge Harry Schultz presiding. The 57 men and 43 women making up the list were selected recently in an open session of the District Court.

In remodeling the present buildings, Ward Hall is to be extended and a prayer room will be added. A new structure is to be built for the pastor's office, offices for the minister of education and the church secretary as well as a library. An L-shaped building which will be the combined Education Building and Fellowship Hall is to be constructed on church property fronting on Miles Ave. and Sixth Street.

Hereford Bands Present Annual Spring Concert

Hereford High School and Stanton Junior High School bands will be featured in their annual Spring Concert Thursday night in the high school auditorium.

Selection of the jury from venire is due to be held here Tuesday and the trial is expected to get underway on Wednesday.

ISD Petition Is Filed On Friday

A petition requesting an election to change the Hereford Rural High School District to the Hereford Independent School District was filed Friday.

Bands will present an hour-long program of music in a concert spotlighting numbers of a light and melodious nature. Appearing in the concert will be the Stanton Junior High School Band, the Hereford High School Band, and the High School stage band.

Members of the venire drawn from a list of 180 names are Wayne Stark Jr., Elmer Northcutt, Gaylord Newell, H. A. Tuck Jr., Mrs. Henry Kinsey, Mrs. Clyde Cave, H. T. Wedel, Mrs. Colby Conkright, Mrs. Gaylon Bryan, Martha L. Reynolds, Mrs. W. Q. Duggan, Mrs. W. G. Duvall, Mrs. Leroy Aven, Mrs. J. B. Pool, Mrs. H. D. Buse, Mrs. C. B. Womble, James Morris, Mrs. C. W. Covington, Herman P. Hund, Mrs. (Continued on page 10)

Don Zimmerman, former school trustee and former county judge, presented the petition to County Judge H. C. Williams. The petition contained 66 signatures, more than the 20 names required.

Proceeds from ticket sales to the concert will be used to finance a band banquet, as well as other band projects. Tickets may be obtained from members of either the junior or senior high school band, or at the door.

Motorists Urged To Get Safety Inspection Now

Many motorists in the Deaf Smith County area will be facing long lines and waiting periods in order to have their automobiles inspected before the April 15 deadline.

According to records of the Motor Vehicle Inspection Service of the Texas Department of Public Safety, there are 87-63 vehicles registered in the county.

Hereford High School Concert Band, under the direction of Ben Golleshen, will feature its 60-plus pieces in a pop music presentation.

So far only 2892 or 33 per cent display the 1963 inspection sticker on the windshield. (Continued on page 10)

The 60-member Stanton Junior High School Band under the baton of Clyde Wilson will also present music of a light and festive nature.

Also slated to appear on the program is the Hereford High School stage band, presenting swing, popular, and modern numbers.

Downbeat for the concert will be at 7:30 p. m. Thursday in the high school auditorium.

46 Rate Superior In Junior Festival

More than 100 pianists and vocalists from the area competed for ratings in the annual District I Junior Festival of the National Federation of Music Clubs held here Friday in the First Baptist Church.

Of the 107 entrants who sang or played in the event, 46 earned Superior ratings. Five contestants sang vocal solos, there was one piano duet, and 100 students played piano solos.

Lupe Ramirez, another sophomore hurler, came on for Hereford in the sixth. He recorded.

Mrs. A. J. Schroeter of Hereford directed the festival. Judges for the event were Dr. Gladys M. Glenn, Miss Ardath Johnson, Mrs. Jean Siler, and Mrs. Inez Jacquot of the Musical Arts Conservatory of Amarillo.

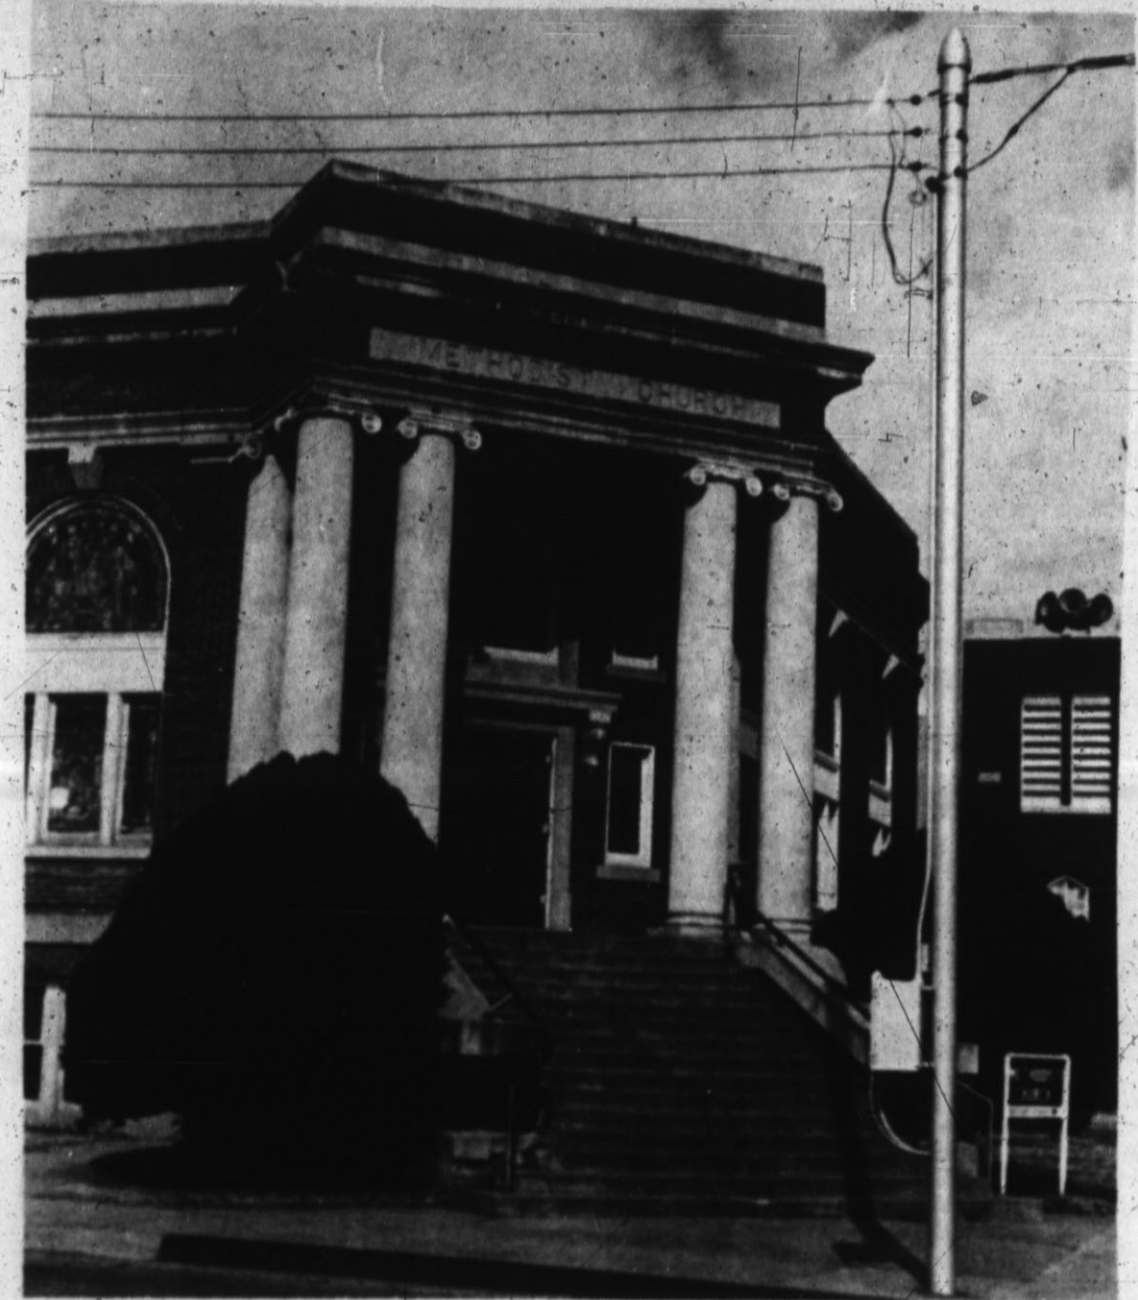

Superintendent Paul Stevens received word Thursday that the district had been granted "A" bond ratings by Standard and Poors and by Moody Investors, both of New York City. The district previously had held a BAA bond rating.

Latin-American Fined, Sentenced On DWI Charges

A Hereford Latin-American arrested for driving while intoxicated early Thursday morning was sentenced to 10 days in jail and fined \$50 plus court costs in Deaf Smith County Court, Judge H. C. Williams presiding.

This will mean a great deal to the district in the future," Stevens explained. The improved rating will mean that future bond issues of the district will sell from 1/8th to 1/4th less, and possibly even as much as 1/2 of one per cent less than past sales. "On issues of \$500,000 (Continued on page 10)

The man, Ascencion G. Sanchez, 28, was arrested on the west city limits about 12:49 a. m. Thursday by a Hereford Police Department officer. He was charged for the offense and entered a plea of guilty in the county court Thursday.

THE OLD SANCTUARY of First Methodist Church here is to be demolished before new church offices. In future plans a construction of new church facilities. The chapel is to be built at the location. A \$233,700 expansion was included in construction plans after a Fellowship signed Friday with demolition of the old ship Hall and Educational Building. building to begin Monday. After the build-

MANY HITS BUT FEW RUNS

Palo Duro Drops Herd 5-2; Plainview Here Tuesday

Hereford got the hits, but not the runs, as it dropped its opening baseball game to Palo Duro in Amarillo 5-2. The game was played Friday afternoon and was the first outing for both teams.

Three Hereford hurlers combined their effort and allowed just two hits. But Whiteface errors proved costly. On Tuesday, March 12, the Herd will host the Plainview Bulldogs at 4 p. m. A new feature will be concrete block dug-outs, completely covered, at Whiteface Field.

Hereford took a 2-0 lead in the game on three hits, an error and a passed ball. Ronny Duncan opened with a sharp single. John Willoughby also hit a single which rolled between a fielder's legs and to the fence to put runners on second and third. With one out, Eugene Green's fly ball was missed to score Duncan. Willoughby came home on a passed ball. Joe Coffman hit the third single of the inning, but two were stranded.

Around Town

At the bottom of this page, just below this column, is a photograph of a lily. Now this isn't just any lily. It was grown by Raymond B. Bea, custodian of the courthouse, and now is on display on the second floor of the building. Raymond grows these, and a great many other varieties, on the fourth floor of the courthouse building, using the south windows as a natural hothouse. When the flowers bloom, they appear in various offices. It is an extra touch that the folks over there really appreciate.

Palo Duro lost little time in tying the score 2-2. Darrell Garrison opened up with a fly ball.

Despite some wildness, Gary Kendrick struck out three in the inning. Hereford went down in order in the second, Garrison scored for the Dons and gave them a 3-2 lead. He got on by error, stole second and came in on a single by Allen McNeil. That was the second, and last, of Palo Duro's hits for the game. Jay Boynton and Eugene Green hit singles for Hereford in the third, but got stranded again. An error and a walk put two more Hereford runners on in the fourth with none out, but they were left standing there.

LL Votes For Growth, Names New Officers

Hereford Little League baseball organized, elected officers and decided on an expansion Thursday night. Two additional Major League teams will be added to the baseball program for boys 8-12. At least one more Minor League team also will be formed.

Sophomore Mike Ranspot, a lefthander, took over for Hereford on the mound in the third. The first batter he faced flied out. Ranspot then struck out the next five in order. In the fifth, Coffman and Larry Minks hit singles, but again they were stranded. Palo Duro got its last two runs in the last of the fifth on three errors, a walk, two stolen bases and an unsuccessful fielder's choice.

Elected as president of the local organization, replacing Rex Lee, was Ted Higgins. Higgins served last year as vice president. Other officers elected include: H. A. Tuck, vice president; J. W. Robinson, secretary-treasurer; Harry Caylor, player-agent; Dean Herring, purchasing agent; and Debbis Knox, umpire-in-chief.

In the first of the sixth, Ranspot and Duncan got singles for Hereford, but again two runners were left on.

Named as a committee to supervise Minor League activities were the Rev. Fred Beversdorf, Pete Caviness and Clinton Massie. After some discussion, the group voted to expand its Major League program from four to six teams. This will add 30 more players to the Major League portion of the Little League program.

School Receives 'A' Bond Rating

The future financial picture for the Hereford Rural High School District was improved last week, after more than two years of hard work.

The group also voted to expand its Minor League program from 11 teams to 12, with 20 boys per team. The Minor Leagues were expanded from six to 11 teams last year to care for all boys who wanted to play baseball.

HOW LARGE A MEDICAL BILL COULD YOU AFFORD?

### Plains Insurance Agency

Since 1926  
Jno. H. Patton W. H. Patton  
Robert Lemons

The industrial conference that we attended was quite interesting, but the thing that impressed us most was the amount of industry that the City of Brownwood has managed to attract. There appears to be very little farming in the immediate area, but to compensate, they have a number of plants, manufacturing everything from feather dusters to large portable cement mixing plants. Other firms make church furniture, plastic pipe, paper products, fabrics, road and building materials and brick and stone products. Apparently Brownwood's own industrial committee has done a tremendous job along these lines.

The most enthusiastic members of our committee were Bill Thompson and Cleo Mehar. They were up at 5 a. m. Thursday morning getting prepared for the first meeting.

Everything considered, we believe the trip will be profitable to the committee. Of course, industrial development is not something that you can accomplish overnight. It's a long, tedious job . . . but the results certainly can justify the time spent.

Looking for a dog for the kiddos? The Harold Bakers have a 2 1/2-year-old Boxer that they would like to find a home for. If you're interested, you might call the Bakers at EM 4-1736 or go by their home at 507 Avenue K.

Don't forget the Zogi Revue to be presented by the Hereford Kiwanis Club tomorrow night at 7 p. m. The Kiwanis Club boys are looking for a big turn-out for the affair.

Howard Gault recently sent us a copy of "The Packer", a weekly newspaper for growers and shippers, in which was a very interesting article dealing with the use of chemicals in modern agriculture. The article was written by Dr. Daniel G. Aldrich, Jr., chancellor of the University of California at Irvine.

In the article, Dr. Aldrich points out that by the year 2000, only 37 years away, the United States alone will have upwards to 400,000,000 people. Counting new lands that have never been under cultivation and the marginal lands that we hope to save for agriculture, this would leave us only one and one-half acres of American farm land per person.

"We can almost say we'll be fighting for standing room," says Dr. Aldrich, and "we can very surely say that the battle for food, less than 40 years from now, is going to enlist all the science, all the skill, all of the land we can save, all of the fertilizers and weed killers we can create to make that land grow its maximum, and all the biological and chemical names we can devise to save the produce of the land for the people to eat."

Dr. Aldrich also pointed out that during the last 19 years, which have been years of expanding use of chemicals of all types, life expectancy in the United States has increased by seven years. In the Netherlands where chemical fertilizers are applied in vastly greater quantities than in this country — 20 times as much as our farmers average — public health standards and life expectancy are still higher.

The American Medical Association has stated that chemical pesticides have helped prevent famines and credited them with the complete elimination or stringent control of many of the diseases spread by insects and other pests. The AMA credited DDT with saving at least 5,000,000 lives during World War II and preventing many more illnesses from insect and rodent-borne diseases.

Apparently, there are around us some advocates of a chemical-free world. They would have us give up all chemical weed killers and fertilizers . . . some of the principal tools of modern agriculture. Of course, if we expect to feed and clothe a world of fifty billion people (current estimates for the year 2020); or a U. S. population of 400 million, we're going to have a food explosion. It is the thinking of Dr. Aldrich that this can be done only through the use of modern tools of technology such as fertilizers, pesticides, herbicides, growth regulators, defoliators, and rodenticides. He points out that these tools are as indispensable to food production today as tractors, hybrid seeds, and improved crop varieties.

### Hospital Notes:

Deaf Smith County Hospital, Visiting Hours: 10 to 11 a. m.; 3 to 5 p. m.; 7 to 8 p. m. Children under 14 not permitted to visit at any time.

Patients in Hospital: Herbert N. Reeves, 124 Avenue A; Mrs. Charles R. Walker, 425 Star Street; Mrs. John K. Fore, 139 Avenue A; Mrs. George Jetcoat, Boys' Ranch; Maria Hernandez, St. Joseph Mission; Vickie June Robinson, Star Route, Wildorado; Elton E. Wood, 3-7. Arnie Carr, Mrs. Marion Causey, Beth Ballard, William R. Perrin, J. B. Cocanougher.

### Mrs. Maud Reeves Dies At Her Home Here Friday

Mrs. Maud Winer Reeves, 68, mother of Dub Reeves of Hereford, died Friday, March 8, at 9:45 a. m. at her home, 124 Avenue A, after a long illness.

A native of Texas, Mrs. Reeves Aug. 11, 1912, in Wheeler County, where they lived for many years.

They came to Deaf Smith County in 1944 from Wheeler County. She was a member of the First Baptist Church of Hereford.

Survivors include her husband of the home; a son, Dub Reeves, of Hereford; a daughter, Mrs. LaVern Clay of Amarillo; a sister, Mrs. Ella Burdine of Hereford; four grandchildren and two great-grandchildren.

Funeral services were conducted at 2 p. m. Sunday, March 10, in Rose Chapel of the Gilliland Funeral Home. The Rev. B. L. Davis, pastor of the First Baptist Church, will officiate.

Graveside services will be conducted at 10:30 a. m. Monday in Shamrock Cemetery.

### Rudd Represents Toastmasters At Amarillo Meet

Kenneth Rudd has been selected to represent the Hereford Toastmasters Club in an area contest in Amarillo. The contest was slated for Saturday, March 9.

The regular meeting of the club opened Tuesday with an invocation by Don Chaney.

Dr. Milton C. Adams won the speaker's award for his talk on "An Additional Industry for Hereford?" He was speaking on a large industry's planned move to Hereford.

Brice Miller spoke on "Some Observations of the Supreme Court", giving an attorney's views of how the court protects all persons, regardless of race, color or creed. Kenneth Rudd's talk, "Balance of Nature", dealing with the natural balance of nature in plants and vegetation.

Kenneth Coker served as toastmaster for the evening and J. Raymond Flores was general evaluator. Kenneth Rudd had charge of the table topics.

Members present included Bob Rott, Virgil Dodson, Hardy Benson, Stan Knox, Rudd, Chaney, Flores, Adams, Coker and Miller.

### RETURN FROM ODESSA

Mr. and Mrs. J. C. McCracken returned March 3 from Odessa where they visited their daughter and family, Mr. and Mrs. Pat McCullough, Clay and Don. McCullough is area engineer with Hughes Tool Company and was recently transferred to Odessa from Hobbs, N. M.

### Look Who's New!

Mr. and Mrs. Casimiro Lucero are the parents of a boy, Leroy, born March 5 at 11:57 a. m. He weighed 7 pounds and 9 ounces.

Mr. and Mrs. Marvin Ross Wood are the parents of a boy,

Perry Lynn, born March 6 at 3:10 a. m. He weighed 5 pounds and 10 ounces.

Mr. and Mrs. Santiago Gonzales are the parents of a son, Jesus, born March 6 at 6:49 a. m. He weighed 8 pounds and 8 1/2 ounces.

On July 18, 1938, Douglas Corrigan landed in Dublin on his "wrong way" flight.

# CONTROL WEEDS & GRASSES

IN YOUR COTTON AND ONION CROPS... USE

## DACTHAL®

W-75...

for best control of many weeds and annual grasses...

### WHAT IS DACTHAL W-75?

DACTHAL is a new pre-emergence herbicide now being widely used by onion growers. It is extremely effective against the germinating seeds of many troublesome weeds and grasses without adversely affecting the onions in any way. It is available as a 75% wettable powder. Label registration has been granted DACTHAL on a no-residue basis for use on both seeded and transplant onions. This clearance means that DACTHAL leaves no residue in the harvested onions when used in accordance with label directions. This applies to both green and dry onions.

### WHY USE DACTHAL W-75?

- NO damage to crops.
- NO troublesome carry-over in soil.
- NO residue in crop. NO off-flavor. NO odor.
- NO irritation or intoxication to applicator.
- NO problem with immediate replanting (if needed).
- NO damage to foliage of treated crops (directed spray not necessary)
- NO damage to foliage of nearby desirable crops.

### WEEDS AND GRASSES CONTROLLED BY DACTHAL W-75

- ARE:
- Annual bluegrass
  - Barnyard grass
  - Browntop panicum
  - Carpetweed
  - Common chickweed
  - Fall panicum
  - Florida pusley
  - Goosegrass
  - Green foxtail
  - Hairy crabgrass
  - Johnsongrass
  - Lambquarters
  - Palmer amaranth
  - Purslane
  - Prostrate spurge
  - Redroot pigweed
  - Redstem filaree
  - Sesbania
  - Smooth crabgrass
  - Spiny pigweed
  - Spotted spurge
  - Stinkgrass
  - Texas millet
  - Witchgrass
  - Wright groundcherry
  - Yellow foxtail

DACTHAL HAS ALSO BEEN CLEARED ON A NO-RESIDUE BASIS FOR USE ON:

- Broccoli
- Brussels sprouts
- Cabbage
- Cauliflower
- Cotton
- Irish Potatoes
- Lima Beans
- Ornamentals
- Peppers
- Snap Beans
- Strawberries
- Sweet Potatoes

## BIG REASON FOR ELECTRIC CLOTHES DRYING \$\$ SAVES MONEY \$\$

With an electric clothes dryer, fewer clothes are needed for adults and fewer linens are needed to run your household. Even larger savings are yours in children's clothing since using fewer clothes eliminates waste from many garments outgrown. And, the big reason for the savings is the speed with which you can wash and dry clothes electrically. Children's clothes may be washed and dried several times a day, if necessary. It's just a matter of putting in the clothes and turning a dial — Reddy does the rest.

SEE YOUR PARTICIPATING REDDY KILOWATT ELECTRIC APPLIANCE DEALER

Now Southwestern Public Service Company customers may get a free Toastmaster steam and dry iron plus a portable ironing board that folds flat — fits in a suitcase, with the purchase of an electric clothes dryer. Now's the time to end drying worries.

SMOULDERING WRECKAGE was all that was left of a 1956 model sedan after it was struck by a westbound Santa Fe train shortly after 9 p. m. Wednesday. Driver of the vehicle, Charlie Carl Huckert, 59, 401 Ross, was not in-

jured in the accident. The accident occurred about one-tenth of a mile east of the main crossing at Summerfield. Wreckage was scattered for two-tenths of a mile along the railroad right-of-way.

## Miss Gordon Is At Kappa Iota

Kappa Iota Chapter of Beta Sigma Phi met Tuesday in the Community Room of the First National Bank with Mrs. Howard Gore, chapter president, presiding.

Guest speaker for the meeting was Miss Heather Gordon, exchange student from Johannesburg, South Africa. Showing pictures of her home country and city, Miss Gordon explained that South Africa is a modernized nation which becomes more so each day.

If many ways it resembles the United States, she pointed

## Music Study Club Meets In Home Of Mrs. Allison

Hereford Music Study Club met in the home of Mrs. J. R. Allison on Monday, Feb. 25, with Mrs. Cliff Estes as co-hostess. Mrs. Ellis Coombes presided over the meeting.

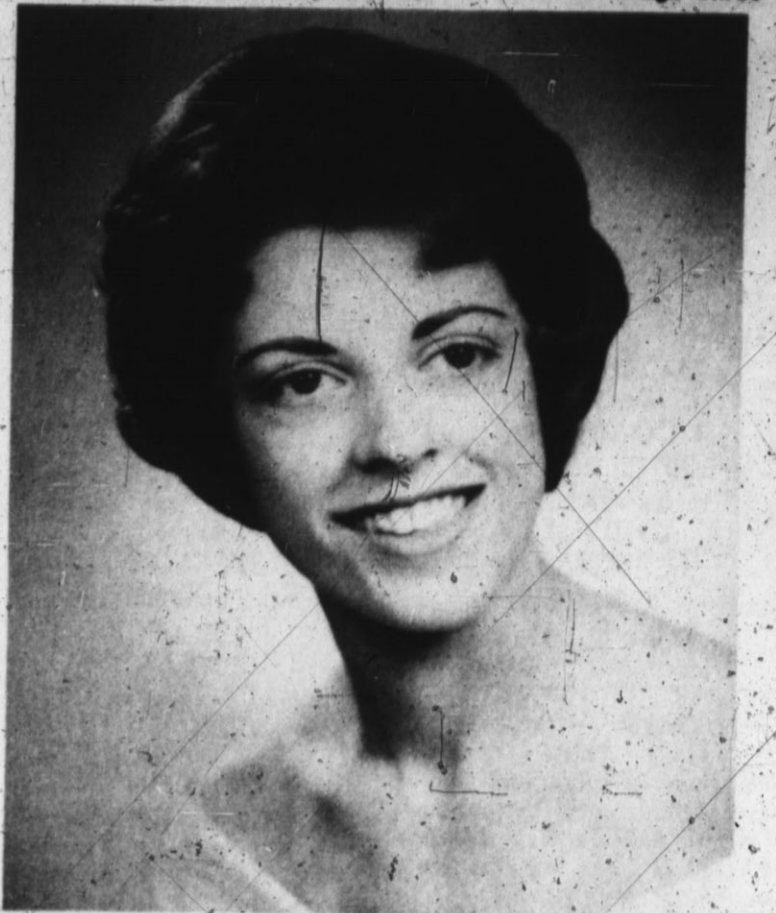

"The 20th Century Search for Reality" was presented to the members by Mrs. Herbert Boardman. She quoted from L. Stokowski, "There is good music and bad music; not old, music or modern music."

Piano numbers played during the meeting were: Etude Appassionata by Wolfe, played by Mrs. B. Y. Crosthwait; Girl With the Flaxen Hair by Debussy, played by Mrs. Bill Thompson; The Carranquinha Mode by Villa Lobos, played by Mrs. J. R. Allison; and Rustles of Spring by Sinding, played by Mrs. Bill Lankford.

Members present were: Mesdames Bill Lankford, Bill Bradley, Herbert Boardman, W. T. Carmichael, Ellis Coombes, B. Y. Crosthwait, Cliff Estes, H. K. Fox, Dick Godwin, J. C. McCracken, Frances Parker, T. W. Robertson, A. J. Schroeter, Lowell Sharp, A. O. Thompson, W. T. Thompson, R. P. Conaway, J. T. Gilbreath, S. O. Wilson, J. P. Slaton and the hostess, Mrs. Allison.

## PLEDGE FRATERNITY

Two Hereford High School graduates have been accepted as pledges to a men's social fraternity at Texas Technological College in Lubbock. Gregg Combs, son of Mr. and Mrs. L. E. Combs, and Craig Griffith, son of Lt. Com. and Mrs. J. H. Early, are pledges to Delta Tau Delta social fraternity. Both are sophomores at Tech.

MR. AND MRS. EARL Springer of Hereford announce the engagement of their daughter, Twyla, to Clare Skov of Sacramento, Cal. Skov is a 1960 graduate of Denver University and is the son of the Rev. and Mrs. Bunde Skov of Denver, Colo. (Fette Photo)

City Manager.

**North Hereford Club Hears Miss Heather Gordon**  
Community Center was the meeting place for the North Hereford Home Demonstration Club, Thursday, March 7.  
A short business meeting was held in which the King Farm Sale menus were discussed. Next meeting will be March 21 in the home of Mrs. Clyde Smithers.  
Mrs. A. E. Hodges introduced the speaker, Heather Gordon who told the members present that it was the responsibility of each to give, as well as receive, from our foreign neighbors, to bar communism.  
St. Patrick's Day theme was used for decoration. Hostesses for the meeting were Mesdames Otto Massie, C. L. Whitehead and R. A. Fullwood.  
Refreshments were served to the following: Mesdames Roberta Campbell, Clinton Ward, O. L. Williams, A. E. Hodges, Martin Wagner, O. C. Williams, Otto Olson, C. L. Whitehead, Glen Watts, Otto Massie, Clyde Smithers and J. M. Gooch.

**Social Calendar**  
Campfire Council Board of Directors will meet Monday, March 11, at 8 p. m. at the Campfire Hut.  
Pioneer Study Club will meet Tuesday, March 12, at the Western Wheel Inn for a 12:30 p. m. luncheon. Hostess will be Mesdames H. E. Miller, Mary Seigler, P. B. Sowell and C. R. Waiser.  
Cultural H. D. Club will meet on Friday, March 15, at 2:30 p. m. in the home of Mrs. Joe Story. Frank Hergert will be the guest speaker and the Young Homemakers Club will be guests.  
Hereford Drove is sponsoring a spaghetti supper at the Elks Lodge for the Elks and their families on Friday, March 15, from 7 to 8:30 p. m.

**Calliopian Program On Trip To Mexico**  
Members of the Calliopian Study Club met recently in the home of Mrs. Earnest Langley.  
Mrs. B. F. Cain introduced the speaker, Virgil Dodson, who presented a program on Mexico, showing slides of Mexico City and points of interest, narrating as he showed the film.  
Refreshments were served to the following members, a 1st guest speaker: Mesdames B. F. Cain, Alton Fraser, Ansel McDowell, Millard Noble, D. C. McWhorter, Carl Perrin, Emmitt Milburn, Roy Grubbs, J. T. Gilbreath Jr., Lorraine Fowkes and the guest, Virgil Dodson and hostess, Mrs. Langley.

**CARD OF THANKS**  
Words can never truly express the wonderful expressions of love and friendship during the illness and loss of our dear wife, mother, and grandmother. Your visits, cards, flowers, food, and donations to church, missions, and cancer fund are appreciated. Most of all, thank you all for your prayers. We also wish to thank the Rev. Fred Beversdorff, the doctors and nurses, and the fine service of Gililand Funeral Home.  
God's richest blessings to each of you.  
H. T. Wedel and family

**Conservative Club Hears Doctor Talk About "Medicare"**

Dr. L. B. Barnett was the guest speaker for a regular meeting of the Deaf Smith County Conservative Club on Thursday, March 7. His topic was "Medical Care for the Aged."

"There doesn't seem to be much to recommend a national program," Dr. Barnett said. "Fifty-three per cent of those over 65 are now covered by existing health plans and this figure is growing rapidly. Only one per cent of the accounts receivable owed to U. S. doctors are owed by elderly persons. But 90 per cent is owed by those 30 and under and these are the ones who would be hit hardest by social security increases. Also, doctors are willing to accept their responsibility in indigent cases."

"If the 'Medicare' bill passes this year, social security taxes will go up 40 per cent over the 1961 level. And by 1968, on a conservative estimate, this would be up to 78 per cent higher than 1961."

"England's medical care program now costs five times its original estimate," he said. Dr. Barnett stated that more than \$1 billion is being donated to medical research each year from private sources. "What will happen to this and to the doctor's sense of responsibility if the government usurps responsibility for medical care? What incentive will there be

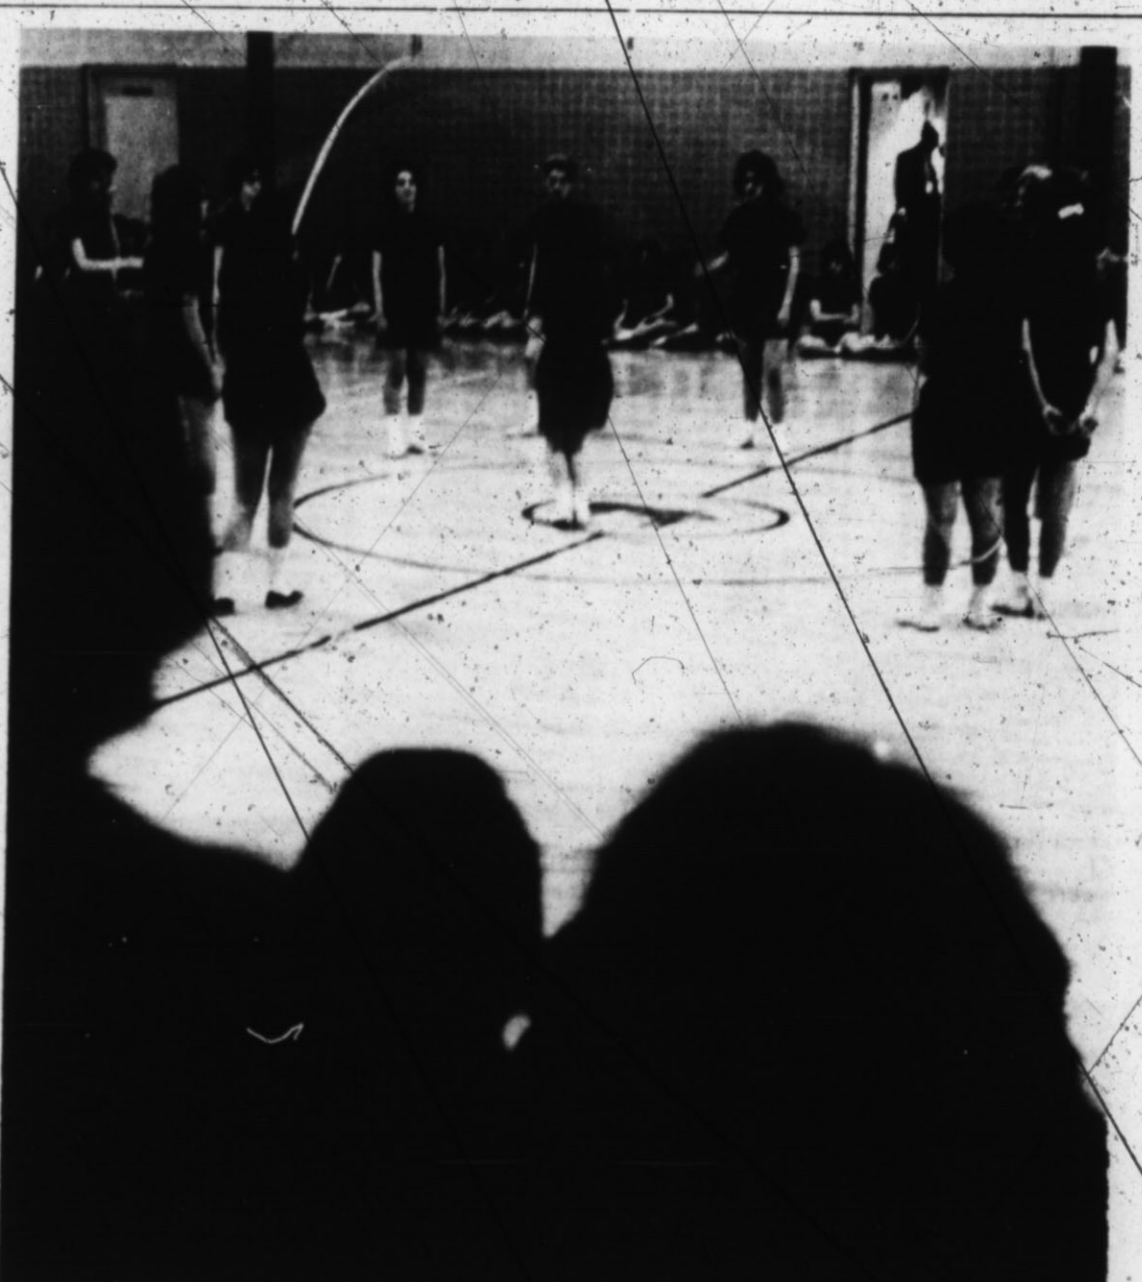

for young people to enter medicine?" he asked.

He said that the public, not the doctors, would be the losers if the federal plan is adopted, because "decisions would be made by bureaucratic meddlers with no knowledge of medicine. We all want every person who needs medical care to have it. 'Medicare' under social security provides care to those who could best afford it as well as those who can't. It destroys individual responsibility in a nation where only six per cent of the family budget is required for medical care."

"Why import medical failure to replace medical success?" he concluded.  
The Rev. Fred Beversdorf, pastor of Immanuel Lutheran Church, will be the speaker next month. His topic will be "The Fallacies of Socialism."

BLUE RIBBON AWARD WINNERS in the beginning illustrated talk contest of the County 4-H food and nutrition activity held Saturday, March 2, are from the left, Lynette Thompson; Elise Beene, Judy Jackson, and Patsy Paetzold.

**Summerfield Club Honors Former Senior Citizens**  
Members of the Summerfield Study Club honored former senior citizens of the community, who now live in Hereford, at their regular meeting that was held in the home of Mrs. Earl Lance Jr. Mrs. L. B. Lookingbill served as co-hostess.

Those being honored were: Mesdames Joe Huckert, Louie Huckert, Roy Kelly, R. J. Smith and A. C. Thompson.

All club members and guests wore pioneer dresses. Mrs. Earl Lance Sr. and Mrs. Mack Noland interviewed each of the ladies present. They used a tape recorder with each one telling of her first experience in the Summerfield community.

Some great experiences were had by several. Mrs. Joe Huckert told of getting lost and spending the night on the prairie. She came here from Germany and could not tell one direction from another, as it was all prairie.

Pictures were taken and the recordings were played back for all to hear.

Refreshments were served to the guests and members: Mesdames Lee Curry, J. R. Euler, Ray Johnson, Earl Lance, Ky Lawrence, L. B. Lookingbill, K. W. Neill, Mack Noland and L. H. Lookingbill.

# Stanton Homerooms Select Officers For The Semester

Homerooms at Stanton Junior High School met recently to select officers for the second semester during their bi-annual elections.

Homeroom officers will serve the remainder of the school year in the capacities of their various offices. Following is a complete list of the newly elected officials.

Mrs. Ramey's homeroom elected Deborah Thomas to serve as homeroom representative. Patsy Smith was named president while Sherri Marsh is vice president and Don Bill Hair is secretary.

Joellen Hamilton was named representative from Mrs. Duvall's homeroom. Serving as president is Sylvia Phipps and Jerry McCathern is vice president. Andy Channer is secretary.

Mr. Geron's homeroom named Mary Story as representative, Shelly Rush as president, Cris James as vice president, and Pam Edwards as secretary.

Students in the homeroom of Mrs. Legg elected Jerry Kendrick representative, Jimmy Bain president, Regina Hampton vice president, and Steve Sigman secretary.

Mrs. Miller's homeroom selected Glenna Crow as representative, Don Maxwell as president, Bill Fowler for vice president, and Kathy Miller for secretary.

Homeroom students in Miss Dickinson's room named Becky Higgins representative, Charles Brewton president, Steve Woodall secretary, and Carol Clearman vice president.

Mrs. Welch's room placed Frank Nobles as representative, Renae Ferguson as president, Joyce Beizer vice president, and Virginia Kerr as secretary.

In Mr. Martin's class, Penny Jones was named representative, Randy Tooley president, Mandie Moore vice president, and Judy Wiltshire as secretary.

John Perrin was elected representative from Mr. Harman's room, Virgil Baber president, Jean Hanegan vice president, and Margaret Meiwes secretary.

Mrs. Sullivan's homeroom chose Roger Owen as representative, Beverly Betzen president, Retha Kelly vice president, and Cynthia Leasure secretary.

In Mrs. Hudspeth's homeroom, Billie Bain was elected representative, Joel Williamson president, Mike Horton vice president, and Jerry Poarch secretary.

Donna Olson was elected representative from Mrs. Todd's homeroom. Jimmy Childers is president, Charlie Stone vice president, and Susan White was named secretary.

Mrs. Wertenberger's homeroom students elected Donald Hopson representative, Sandra Cawthran president, Mary Ellen Marnell vice president, and Marsha Hardwick secretary.

In Mr. Shaw's homeroom, Kandise Hill became representative, Cheryl Solomon president, Charles Inman vice president, and Levinie Benefield secretary.

Mr. Templeton's class elected Mike Paschel representative, Sammy Curtsinger president, Ed Mims vice president, and

Mary Lynn Gibson secretary.

Mr. Miller's homeroom selected Ray Scott representative, Charlotte Babione president, Charles Barnard vice president, and Barbara Buck secretary.

Mr. McCarley's students selected Janice Jones as representative, Ricky Grubbs president, Jan Scott vice president, and Glenda Sue Dillard as secretary.

Students in Mrs. Treadwell's homeroom elected Linda Price representative, Cindy Sanders president, Robby Lemons vice president, and Peggy Allred secretary.

David Evans was selected representative of Mrs. Brown's group, Jimmy Allison is president, Ken Stark is vice president, and Bob Gentry is secretary.

David Evans was selected representative of Mrs. Brown's group, Jimmy Allison is president, Ken Stark is vice president, and Bob Gentry is secretary.

In Mrs. Gripp's homeroom, Janice Dean became representative, Gene Duvall is president, Gene Brashear is vice president, and Laura Higgins is secretary.

Mr. Mercer's homeroom named Robert Hewitt representative, Johnson Benefield president, Monte Gripp vice president, and Lee Robinson secretary.

Charollette Hill was elected representative of Mrs. Holt's class, Cheri Hill is president, Paula Waldrep is vice president and Cynthia Knox is secretary.

In Mr. Jones' homeroom, Linda Rickman was elected representative, Jane Messick is president, Lucille Self is vice president, and Juliana Gomez is secretary.

Mrs. Ratcliff's class selected Shari Damron as representative, Margaret Lindeman president, Paul Easley vice president, and Susan Ballard secretary.

Gary Gore was named representative for Mrs. Collier's homeroom. Steve Hodges became president, Ann Mercer vice president, and Zena Bolin secretary.

## Future Plans Depend Upon School Record

By Sue Aichey

Mr. Bill Phillips, secondary coordinator for the junior and senior high schools spoke to Mrs. Collier's homeroom on "Preparation for the future". This includes many fields. Grades and attendance are considered in almost every field of work that a student wants to enter.

The student folder is a record which every student has. This folder has a record of every achievement of the student, beginning with the first grade and extending through the senior year. Also in this folder are records of attendance and semester averages for every year in school. This record which a student makes could someday be the difference between a job or no job.

Some people think that filling out a college application is a key to a new world. Oh, sure, you are going to study, but that's not what you are thinking of— you want to run around and have fun. You are away from home and there is no one to tell you what to do or when to do it. College entrance tests are given, these tests have questions testing your personality or character.

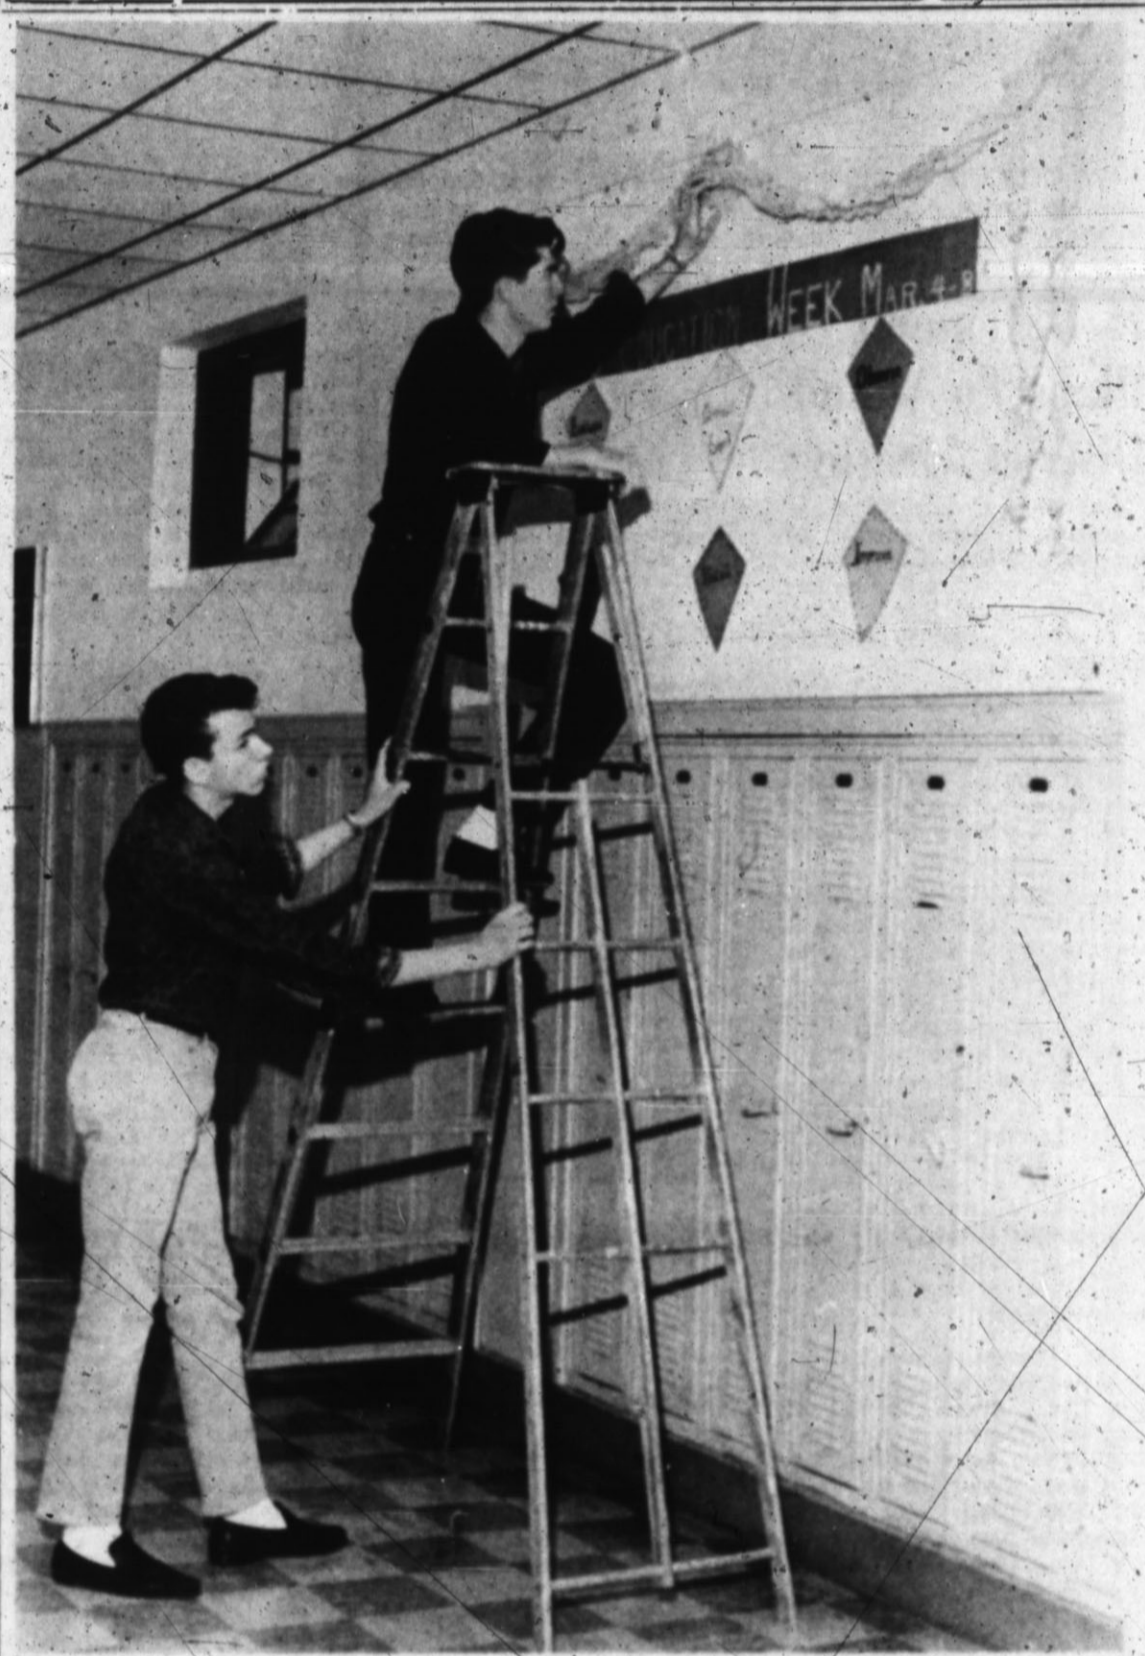

Colleges look at your folder, considering your attendance, your grades and the subjects you take. If you try to get all your hard or required subjects over the first three years so you can "loaf" your senior year, it brings you down in the "eyes" of the college.

Now is the time for every student to start considering his future. You can't wait until the last minute to start planning. Plan now for the future — Your Future.

# The Dogie

Published monthly by the students of Stanton Junior High School

Page Eight The Sunday Brand, Hereford, Texas, March 10, 1963

DECORATING FOR PUBLIC Schools week, Wyndell Wall (on the ladder) and John Renfro are finishing a display for Texas Education Week which was observed last week. Parents visited at Stanton Junior High of the observance was a special program throughout the week. One of the highlights Tuesday night featuring the physical education classes at Stanton. (Brand Staff Photo)

## Public School Week Gives Parents Chance To Visit

During Texas Public school week, Stanton Junior High received many visitors. The faculty and students welcomed the visits to the school during this week.

Texas Public School Week gives an opportunity for the parents to evaluate, appreciate, visit, observe and become better acquainted with the school systems of Texas. This is the 13th year that Hereford has observed the week.

Every parent should take a part in raising the school standards, since the future of the nation's in the hands of young

people. Each citizen should be responsible for the standards set by the schools and should help keep pace with the growing needs of the schools.

In many of the classes, the teachers had on display much of the work done by the students. These were viewed as well as the actual classroom work when parents visited the classes. Special events of the week included a program presented by the physical education classes under the direction of Mrs. Duvall, Mrs. Sims, Mr. Geron and Mr. Cannon, and an assembly program featuring the choir of Stanton Junior High under the direction of Mr. Hopp.

Mr. Quattlebaum's comment on the week: "I appreciated all the visitors who visited our school and welcome them back any time."

### SERVES IN PACIFIC

Joe C. Land, aviation boatswain's mate airman apprentice, USN, son of Mr. and Mrs. C. N. Land of Star Route, is serving aboard the attack aircraft carrier USS Kitty Hawk, currently on her first Western Pacific cruise with the Seventh Fleet. Kitty Hawk crewmen spent two weeks at Yokosuka, Japan, recently when the ship was in port for repairs.

### VISITS HERE

Dr. C. Q. Smith of Oklahoma City has been visiting in Hereford the past few days. Dr. Smith has a farm in the county.

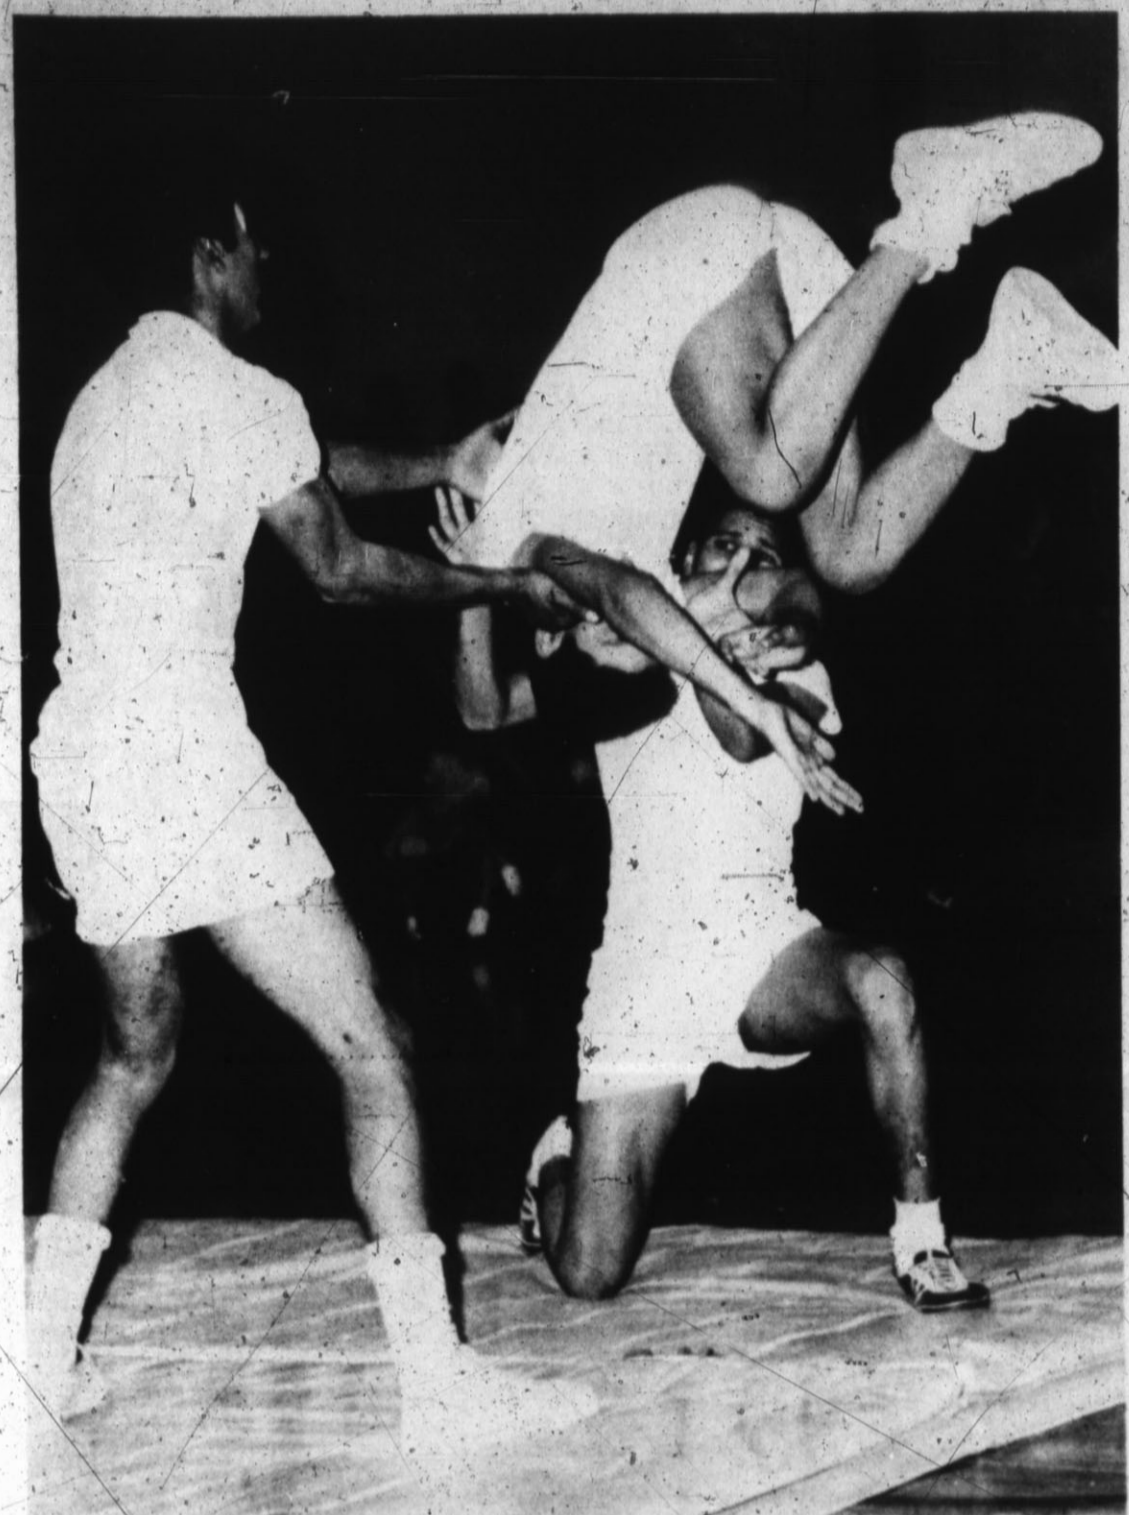

## Stanton Squads Get Set For Track Season

Junior high track season opened Feb. 18. The first week was used for conditioning. All the athletes who played football are enrolled in the track program. Mr. Jim Balch is coaching the seventh grade boys, Mr. Jerry Cannon eighth grade, and Mr. Hugh Sullivan is in charge of the ninth grade track boys.

At this time there are four track meets on the agenda. On April 6, the three teams will go to Clovis for junior high relays. April 30, the ninth grade will travel to Amarillo for a junior high relay meet. The district meet will be in Plainview; however no date has been set for the meet.

March 30 is the date which has been set for the Stanton Junior High Invitational Meet. This is the first track meet sponsored by Stanton Junior High. Fourteen schools have signed up to attend the meet. The meet will run three divisions: seventh grade, eighth grade and ninth grade. There will be about 300 tracksters here for the meet.

There will be a number of dual and triangle meets as soon as the weather warms a little.

UP AND OVER, three members of the boys' physical education classes demonstrated tumbling exercises during a special program Tuesday night at Stanton Junior High. During the program, physical education students including both the girls and boys demonstrated the various activities which are carried on in the classes at Stanton. (Brand Staff Photo)

## Physical Education Classes Demonstrate Fitness Tests

Physical education classes taught by Mrs. Duvall and Mrs. Simms presented part of a special program Tuesday, March 5. Featured in the program were calisthenics, tumbling, and rope jumping.

### Dogies Dodge Behind Scenes

Three members of the Dogie staff followed an unsuspecting girl around Stanton Junior High last week. Following is a report of her activities.

In choir she devoted most of her time to just sitting around, but once she got the words to a song all mixed up and later she talked out loud.

During homeroom she studied her science and didn't talk much. In science class it was learned that this certain girl is very ticklish in one particular spot.

Except for some visiting with her neighbors, she is a well-behaved student in math, English, and reading classes. She enjoyed chewing gum and talking to Judy Lookingbill, Sherry Marsh, and Gary Goodin—until Mrs. Ramey told her to be quiet. That was in Texas Geography.

After studying the facts the Dogie people came to the conclusion that this must be Deborah Thomas.

### Choir Students In Solo Events

Twenty-two members of the eighth and ninth grade choirs sang solos during the contest in Canyon on Saturday, March 2. The solos were criticized and rated by a judge. The ratings are given as I, II, III, IV and V.

Joellen Hamilton, Mary Lynn Gibson, Sylvia Phipps, Kathy Pool and Gary Clements all received I ratings on their solos.

Students who received II ratings were Karen DeBord, Carol Brashear, Robby Lemons, Gwen Cargo, Nancy Smith, Ellen McGowan, Jimmy Campbell and Barbara Zinser. In addition to these ratings there were also eight III ratings and one IV rating.

Mr. Hopp, choir director, said he was very proud of all the students that participated in the contest.

On March 19, the boys choir, the eighth and ninth grade girls choir and the mixed choir will enter a contest in Canyon. The students and visiting parents heard a preview of the numbers which will be presented in the contest when the choir presented the homeroom program March 6.

have started physical fitness tests. These tests were set up by President Kennedy's Youth to the National Average.

The scores are separated according to ages and abilities. Included in these tests are the 50-yard dash, the shuttle run, broad jump, 500 yard walk or run, the baseball throw and sit ups.

According to the national figures 50 per cent of the American students cannot pass these tests; however, at Stanton at least 90 per cent of the ninth grade girls pass these tests and 80 per cent of the seventh and eighth grade girls pass the tests which were given during the first semester.

During this six weeks period the ninth grade physical education classes will be studying first aid. During the last six weeks the girls physical education classes will take part in softball, ping-pong and badminton. Intramural tournaments in

ping-pong and badminton will be held to determine the winner for the second semester.

These winners will then play Jan Miller for the ping-pong championship and Deborah Thomas for the badminton championship. The winners will be announced during the awards day assembly.

### The Word!

When asked a response for the word "piquant" the following people replied: Joe Ann Ferguson: A new fad in women's clothes? LeRoy Williams: Something you would wear. Danny Lightfoot: A What! Carmen Betzen: You're Crazy, Billy Frank: A bowl of nuts. Charlotte Babione: A Nut. Becky Higgins: Pecans. Rene Ferguson: Stop, Stop, stop, stop!

What does it mean? Oh! well it means exciting or pleasantly tart.

TOP HONORS at the University Interscholastic League Solo Contest went to these Stanton Junior High vocalists. Winning Division I ratings on their solos were, from the left, Gary Clements and Kathy Pool; middle Mary Lynn Gibson and Sylvia Phipps; and back, Joellen Hamilton. All are members of one of four Stanton Junior High School choirs. (Brand Staff Photo)

# BOWLING

## 'em over

### Sunset Keglers:

Alice Lueb had the high series with 552 and the second high game, 200, bowling for Boozier Real Estate. Her teammate Beulah Cargo swapped places by rolling the high game, 202, and the second high series, 530. Bobbie Hill, rolling for Lone Star, hit a 188 game. Her teammate Jo Stegle, got a 179 game and a 504 series.

Wanda Fitzgerald converted the 6-7-10 split and Beulah Cargo picked up the 4-10 split.

# Six County 4-Hers Have Won Honors In State Competition

With 13 Deaf Smith County 4-H Clubs celebrating National 4-H Club Week some of the members, present and past, have been recognized as State Award winners for their work and achievements. They are:

**Jody Bezner** was a member of the Dawn Boys 4-H Club and was the state-winner of the Santa Fe Award and a delegate to the 4-H Congress in Chicago in 1960. He also received the Santa Fe Scholarship, which is given each year to an outstanding 4-H boy and girl in the State of Texas. At present Jody is a senior at Texas Tech, majoring in Agricultural Economics. He is a member of the Supreme Court at Tech, president of the Agricultural Economics Club and on the Aggie Council.

**Lu Anne Higgins** was a member of the Willing Workers 4-H Club. She was a State winner of the Danforth Leadership Award and was a delegate to the American Youth Foundation Leadership Training Camp at Shelby, Mich. Lu Anne is a sophomore at Texas Tech, where she is majoring in Spanish and art. She was honored last year as having one of the highest scholastic ratings in the freshman class, and is a member of the Alpha Lambda Delta Honor Society of the college. Lu Anne served as a Junior Leader for several years and did outstanding work in Clothing and Recreation.

**Pete Plank** was a member of the Dawn Boys 4-H Club. He was the 1957 State Winner of the 4-H Agricultural Award and received \$150. In 1958 he was winner of the Santa Fe Award and received the Santa Fe Scholarship. He was also a delegate

to the 4-H Congress in Chicago. In the spring of 1960 he attended the National 4-H Conference at Washington, D. C. as a delegate from Texas. He attended Texas Tech, where he majored in agricultural economics and served as president of the Agricultural Economics Club and a member of the Aggie Council. At present he is in Uruguay, South America, on the International Farm Youth Exchange Program which is sponsored by the National 4-H Club Foundation.

**Sharon Bezner** was a member of the Ford 4-H Club. She was

the state winner in Public Speaking in 1962. Sharon is attending college at West Texas State and majoring in art. Sharon was a district winner in Electricity and won many honors in clothing. She served her club as a Junior Leader for several years.

**Dick Plank** is a member of the Dawn Boys 4-H Club. He was state winner of the 1961 Field Crop Award and was a delegate to the National 4-H Congress at Chicago. In 1962 he was given the state award presented by the Texas and Southwestern Cattle Raisers As-

sociation in "Recognition of Outstanding Leadership and Achievement." He was also a 1962 winner of the Grain Marketing Award and given a trip to Chicago to visit the Chicago Board of Trade. Dick is a senior at Hereford High School and has served as vice chairman of the State 4-H Council in 1962 and was chairman of the District 4-H Council.

**Caroline Brumley** is a member of the Willing Workers 4-H Club. She was the 1961 state winner of the Home Improvement Award. Caroline is a senior at Hereford High School, where she is active with several groups. She was chosen 4-H Queen at the Annual 4-H Share the Fun Festival held this past month. She serves as a Junior Leader for her club and is active in the Junior Leaders Association.

Pete, Jody and Dick have all been Gold Star Boys and 4-H King. Lu Anne and Sharon have both been Gold Star Girls and 4-H Queen. These are the highest honors in 4-H that can be given on a county level.

## Study Club Hears Program Topic On "Health Care"

Mrs. Howard Hunter called the meeting of the Young Mothers Study Club to order Tuesday, Feb. 26, in the Flame Room of the Pioneer Natural Gas Company. Mrs. Charles Holt served as hostess.

During the business meeting the club members voted to send a donation to Boys' Ranch in Ararillo as their annual donation for a worthy cause. They also discussed touring the ranch at a later date.

Mrs. David Patterson was in charge of the program for the evening. Her topic was "Health Care", in which she gave some pointers on how to entertain youngsters when they are ill and how to cope with certain childhood diseases.

Refreshments were served by the hostess to the following members present: Mesdames James Arney, Howard Hunter, Don Newman, David Patterson, Ed Rinn, Homer Rudd, Bobby Shelton and Wendell Maloney.

## ATTEND TSTA DISTRICT 9 MEET

Five from Hereford attended the TSTA District 9 House of Delegates Meeting in Amarillo on Thursday night, before the TSTA Teachers Meet on Friday. Those attending were: Robert Thompson, Charles Holt, Miss Veradelle Andrews, Roy Hartman, president of the local TSTA for 1962-63, and Miss Lucile Park, candidate as office secretary for District 9.

The first permanent iron works was built in Massachusetts in 1645.

Invitation for the public to attend any or all services during the week.

## L.A.E. Study Club Meets In Home Of Mrs. A. N. Hopson

Ten members were present on Tuesday, March 5, for the meeting of the L. A. E. Study Club in the home of Mrs. A. N. Hopson.

Mrs. Emmett Hale presided at the meeting and Mrs. Leroy Suttle led the club collect.

"Problems of the Aged" was the topic of the program and it was given in the form of a round-table discussion with each member taking part in the discussion.

Next meeting for the club will be on March 19 in the home of Mrs. A. H. Cook with a guest speaker from Canyon on the Palo Duro Amphitheater.

Those present for the meeting were: Mesdames Emmett Hale, B. A. Reddell, George Suggs, A. B. Higgins, A. H. Cook, C. E. Johnson, Wiley Robertson, B. F. Markham, Leroy Suttle and the hostess, Mrs. A. N. Hopson.

## Beauty Culturists Hold Workshop

A workshop was held for members of the Texas Association of American Beauty Culturists, Unit 10, on Tuesday, March 5, in the Flame Room of the Pioneer Natural Gas Building.

Five operators brought models demonstrating the new bell trend in hairdressing.

April 2 is the next meeting date and another workshop will be held.

Refreshments were served to 16 members and six visitors.

In Caesar's time, the territory that is now Germany was inhabited by barbarous tribes that originally came from Central Asia.

The Continental or Grand Union flag had thirteen alternate red and white stripes with the British Union Jack in the upper left corner.

Stars and Bars was the name given the first Confederate flag, adopted in 1861 by the Confederate convention in Montgomery, Ala.

## Open Youth-Led Revival Sunday At 1st Baptist

A youth-led revival opens Sunday, March 10, in the First Baptist Church of Hereford according to the Rev. B. L. Davis, pastor. The special services will continue through Sunday, March 17.

Services will be held from 7:45 a. m. and from 7-8 p. m. each day. A nursery will be provided for each service.

The Evangelist will be the Rev. Jerry A. Reimer of Fort Worth. He was born in the Florida Everglades and reared in Indianapolis and St. Louis. He was educated at Hannibal-La Grange Junior College, Hannibal, Mo.; Oklahoma Baptist University, Shawnee; and Southwestern Baptist Theological Seminary, Fort Worth. He has been a full-time evangelist since graduating from Seminary in January, 1962.

Song leader for the revival will be Jimmy Hodges of Lawton, Okla. He was a state tenor soloist and also is an outstanding drummer. He is a 19.61 graduate of Oklahoma Baptist College. The 25-year-old musician is a composer of gospel music and a former jazz band leader. He will give a drum demonstration one night during the week.

## The Sunday Brand

The Sunday Brand, March 10, 1963  
Section Two

(1) Merry Maidens: front row, left to right, Mary Kay Wagner, Constance Walker and Mrs. Gaylon Bryah, leader; second row, Patricia Herr, Patsy Paetzold, Thelma Warren and Elizabeth Short; third row, Roseann Schwertner, Mary Ann Vance, Sara Bell and Kathleen Warten; back row, Dorothy Marnell, Joann Marnell and Kathryn Jammes. (2) Ford Club: Diana Hickman, Lisa Williamson and Janice Galley; second row, Tommy Beznar, Joe Childress and Marty Childress; back row, Mrs. L. K. Williamson, Kim Williamson, Joyce Beznar, Joel Williamson and Mrs. A. J. Beznar, leader. (3) Hereford Workers: front row, left to right, Vicky Koelzer, Glenda Sims and Suzan Tackett; second row, Brenda Saul, Kay Neill, Vicki Brownlow and Jamie Adams; back row, Sue Shirley, Ruth Koelzer, Barbara Brownlow and Mrs. M. J. Koelzer. (4) Sadie Lee Oliver: front row, left to right, Karen Jesko, Janie Green, Jana Denton and Carolyn Turrentine; second row, Mrs. Harold Rudd, leader, Susan Rudd, Deborah Thomas,

In observance of National 4-H Club Week, all the clubs in Deaf Smith County will be celebrating during the week of March 10-16. Many of the clubs have been organized for a number of years and a few have just organized this school year. The following is a brief review of the 13 clubs that are active and doing fine 4-H work:

**Sadie Lee Oliver 4-H Club**  
On the morning of June 14, 1947, a group of 16 girls and their mothers met at the Westway schoolhouse to organize a 4-H club. The club took the name of a former H. D. Agent, Sadie Lee Oliver, for its club name.

Programs for 4-H girls have been broadened since their organization in 1947.

Past leaders are: Mesdames T. B. Thomas, J. C. Morrison, W. B. Nunley, C. A. Sealey, Elvin Wilson, H. R. Green, Ernest Flood, George Turrentine and Bill Stengel.

Mrs. Harold Rudd and Mrs. George Turrentine are the leaders for the club, that now has 13 members.

Judith Morrison, Patsy Rudd and Mrs. George Turrentine; back row, Janice Turrentine, Deborah Jesko, Teresa Rudd, Lynn Rudd and Rebecca Jesko. (5) Happy Hustlers: front row, left to right, Tommy Mars, Ronald Ott, Mike McGee and Billy Pierson; second row, Harold Smith, Rodney Goheen, Steve Robbins and Dale Pierson; back row, Larry Lance, Jerry Goheen and Bill Cole. (6) Dorothy Prowell: front row, left to right, Sue Kirby, Weleta Wiley and Sue Drummond; second row, Terri Townsend, Martha Richardson, Joette Hanna, Carlean Richardson and Catherine Smith. (7) Eagle Beavers, front row, left to right, Larry Driver and Ronald Vasek; second row, Steven Olson, Tom McGowen and Donald Vasek; back row, James Short and Ronnie Andrews. (8) Happy Hustlers: front row, left to right, Mary Kay Atchley, Connie Jane Stark and Kathleen Funk; second row, Donna Coker, Debbie Rickman, Linda Blackburn and Mrs. M. W. Sumner; back row, Elise Beene, Billie Goetsch, Cynthia Beene and Rebecca DeBord. (9) Willing Workers: front row, left to right, Janis Higgins, Caroline Brumley, Toni Beauchamp, Nancy Smith, Randy Hopson and Connie Bryant; second row, Janice Baber, Thresa McAndrews, Sallie Ann Scott, Linda Sims, Carole Clearman and Ellen McGowen; third row, Donna Olson, Maura McAndrews, Darlene Sparkman, Linda Brooks, Melody Ott and Kay Clearman. (10) Jolly Guys and Gals: front row, left to right, Judy Ward, Phyllis Richardson, Edward Hammett and Ronnie Burges; second row, Mrs. E. C. Hammett, Lynette Thomason, Robert Gordon, Ricky Ward, Roy Burges, Judy Jackson, Sheila Olson, Dianna Golden and Mrs. A. E. Jackson; third row, Dale Kleushens, Frankie Griffith, Linda Hollows, Cecilia Reinauer, Kathy Smith, Sandra Coffman and Judy Jackson. (11) Dawn Boys: front row, left to right, Steven McAndrews, Dion Miller, Paul English, Jack Thomas, Ted Richardson and Glen Polen; second row, Robert Richardson, Mike Engler, Tommy Beznar, Gerald Witkowski, Stephen Hoffman, Wayne Polen and Neal McAndrews; back row, Mrs. Earl Plank, leader, Douglas May, Jon David Miller, Dick Plank, Gary Richardson, Kevin McAndrews, Robert Galley and Mrs. H. H. Miller. (Self Photo)

**Dawn Boys 4-H Club**  
This club was organized in the fall of 1956 with Mrs. Earl Plank and Mrs. H. H. Miller as adult leaders. The club is under the supervision of County Agent Lefty Thomas.

Each year club boys have placed entries in the Junior Livestock Show, and have prepared entries for the County booth at the Tri-State Fair.

Project for the past three years has been Agri-business, the relationship of agriculture and business.

Some of the Senior members of the club have had outstanding success in their club work, including Pete Plank, Jody Beznar and Dick Plank.

Numerous members of the Junior Division have won ribbons for entries in public speaking, safety, soil conservation, recreation and electric demonstrations.

**Parsons as the leader.** This club was formed because the other 4-H clubs in the county were too large and a club was needed for girls in town. Mrs. Parsons served as leader for eight years.

Past leaders for the club have been Mrs. Clinton Jackson and Mrs. Tatt McGee. Mrs. Gaylon Bryan is the leader now.

They have participated in many activities as a group, entering the Share the Fun Contest for four years, put on programs for radio, Rotary Club and H. D. Clubs.

**Hereford Workers 4-H Club**  
This group was organized Sept. 15, 1960, in the home of Mrs. Bruce Miller. Mrs. Carl Johnson was the leader and Mrs. M. J. Koelzer was assistant, with 12 girls joining. Just three girls that started when the club began are still with the club. They are Glenda Sims, Vicky Koelzer and Ruth Koelzer.

Mrs. Koelzer now is leader for the group.

**Happy Hustlers 4-H Club**  
Happy Hustlers was organized on Oct. 14, 1961, with ten members present. At present, there is a total of 14 members in the club.

Officers are: Mike McGee, president; Steve Robbins, vice president; Rodney Goheen, secretary; Gary Goheen, reporter; and Tommy Mars, song leader.

Mrs. Floyd Cole and Mrs. Frank Robbins are leaders of this group.

**Merry Maidens 4-H Club**  
In 1938 the Merry Maidens was organized with Mrs. Buck

**Eager Beavers**  
In the fall of 1961 the Eager Beavers 4-H Club was organized with five of the original members still with the club. Officers are: James Short, president; Larry Noland, vice president; Steven Olson, secretary; Tom McGowen, reporter; and Jim Higgins, junior leader.

## Proposed School Status Would See A Few Changes

An inevitable question of long standing appeared recently when sponsors begin circulation of a petition to revamp technical working parts of the Hereford Rural High School district into an independent district.

In a nutshell, the one great difference between the independent district and the present rural high school district rests in the fact that the district now must gain clearance through the County School Board whereas, the independent district status, it would operate directly with the state offices. Needless to say, there are some advantages with either system. There are also disadvantages to both types of operation. The solution rests in selecting the system best adapted to our local situation.

As sponsors of the petition point out, an independent school district would certainly streamline and speed up the operation of our public schools. It would place us on a par with other schools in the state, since an overwhelming majority do operate as independent districts, this would also place us in a position to benefit on sale of bonds. Book, buses and even lunches must now be cleared through the office of county superintendent who, according to sponsors cannot be thoroughly familiar with all details in the massive, sprawling school system which now serves a majority of the fifth largest county in Texas.

In this regard, it is interesting to note that former County Judge Don Zimmerman, who served several terms on the rural high school board, then later as ex-official school superintendent, is one of the sponsors and loudest boosters for creating the independent school district.

Several rural areas of the county, on the other hand, can be expected to oppose creation of the independent district, which they turned down back in 1945-46 in special elections to establish just such a district as petitioners now propose.

When it comes to a matter of actual operation as an independent district, we can see little possible change in methods. To our knowledge, only once in history of the present district has the County School board seen fit to over-ride the Rural High School board. This was in the matter of hauling parochial students on public school buses, a procedure which the following year was outlawed by Texas School authorities. Generally speaking, the county board has adopted a "hands off" attitude and for all practical purposes the rural district has pretty well operated as an independent group.

Another point to consider in the proposal is the effect of such a movement upon the combined office of County Judge and ex-Officio Superintendent. It is probable that more time will be saved at this point than by the school district. Under the proposed changes, Walcott would remain as the only Common School district in the county, a situation which would place the Deaf Smith office in much the shape of other county superintendent offices over the state. You will likely recall recent abolishment of a parallel office in El Paso, where a woman ran on the promise to do exactly this if elected.

Some people still have "sore spots" as a result of the forced school consolidation in 1946 and, no doubt, the present proposal will contribute to dissension in some areas. Certainly, the consolidated district is far from perfect, including long-distance rides on school buses for many students. On the other hand, it has definitely provided education opportunities for youth of the territory and generally speaking seems to have served us well.

If the time has arrived when a technical change will serve us better, then we should carefully consider all angles of the proposal. After all, 17 years is a long time. Schools primarily are for the education of our children, and the welfare of these boys and girls should come first — always — in our decisions regarding our school system.

## Interest Seen In Growth Planning

Possibly the most encouraging development in the new year of 1963 is the fact that Hereford residents and merchants are — at long last — taking a realistic look at some local problems.

Meanwhile, the two big problems have not changed during the past five years. They still center around lack of parking space in the down-town area, and a place for people to live. Needless to say, the solution will not come easy.

More immediate and pressing is the problem of housing, especially in the face of an influx of workmen who are pouring into the community to begin construction of Holly Sugar's \$18 million plant. Down-town parking is more long range, but no less necessary, if the merchants of the community expect to expand and to prosper.

How the problems may be solved is another subject, but the fact that the community has decided to face, rather than to ignore them, seems of much greater importance. All of these things fit nicely with the proposed long-range planning committee, instituted by the C-C for the first time in 1963.

Without doubt, the community will benefit extensively from a planned growth as compared with a haphazard growth. Experience in other areas points up the fact that the problems can be overcome — and it seems to us that we will do much better to cope with them in a systematic, logical fashion which will benefit the entire territory.

## Regional Calf Show Important

It is with some misgivings that we note the Hereford Rotary Club plans to give up its sponsorship of the annual junior livestock show in Hereford. The club has done a good job during the 17-year history of the show and, as we have said in the past, deserves a lot of credit for the work it does to make the show a success.

However, we are in full accord with the club that whatever group takes over the show should continue it on an area basis. It seems that the worst possible step at this time would be to limit the show to Deaf Smith County entries alone.

The Junior Livestock Show here has become an area institution, not just for Deaf Smith County, but also for Farmer, Castro and Oldham Counties. It has built a great deal of goodwill for this community that likely would suffer if livestock from other counties was excluded.

There's no doubt that Hereford is about to enter a period of fast-growth and will become, even more of a center for this area, often called the "Magis Triangle". It certainly wouldn't help the town's prestige and leadership to become selfish and ingrown when it should become even more expansive.

For example, how would it look if Amarillo were to decide that it was too much trouble to stage its regional livestock show and limited entries only to Potter County? This has happened to a few towns in this state, and it has always caused hard feelings and resulted in a lower class show.

We will be the first to admit that competition is rugged in the Hereford show. This has been proven time and again as local winners have rated high in the huge shows in other parts of the state. But competition is desirable and makes the goals even more worthwhile. There would be far less glory and prestige to the winners of a show if it were limited just to one county.

The Rotary Club has found, year after year, that the other counties support their entries in the Hereford show with cash when the auction gets underway. Hereford has always supported its entries in the same manner. In fact, most of the businessmen are especially willing to buy animals from outside Deaf Smith County.

This is the time to think larger, not smaller. For that reason, if for no other, we believe that the Rotary Club is wise in insisting that the Junior Livestock Show should continue on a four-county basis.

## 'New Paving In View For...

## Economics Not Clear Student Survey Shows

In recent years, there has been some concern about whether teenagers really understood the economics of the United States and its free enterprise system. A survey undertaken last year by six high schools in Charlotte, N. C., indicates that at least some of the students have a very poor concept of business facts or the economics of the nation.

As a matter of public information, the Brand presents the 20 questions asked by the Charlotte students, with the answers they received. The multiple choice questions were asked of three different groups. One group included 1,958 Junior Achievement Program students. (This program teaches students

to run hypothetical businesses, supervised by businessmen.) The second group was comprised of 9,418 students in 24 cities. The third group included 1,058 Charlotte students. Their answers are given in that order:

1. In normal times, do you think competition keeps most prices fair, or is government control required to keep them fair?  
 Ans. A. competition keeps prices fair 83.4 68.0 58.84  
 B. government control required 14.7 29.1 35.34  
 C. no opinion 1.9 2.9 5.82

2. Meeting competition is of major concern to:  
 Ans. A. small companies primarily 12.7 22.1 16.38  
 B. both large and small companies 86.7 76.2 79.76  
 C. no opinion 6 1.7 3.96

3. Which has the greater influence on prices — what the customer is willing to pay, or what the company wants to charge?  
 Ans. A. customer willing to pay 55.4 63.5 53.64  
 B. company wants to charge 42.7 33.5 39.72  
 C. no opinion 1.9 3.0 6.64

4. Should the federal government set a limit on the amount of profit a business can make?  
 Ans. A. yes 134 264 189  
 B. no 82.8 69.4 74.65  
 C. no opinion 3.8 4.2 6.45

5. The average net profit on sales for business as a whole is:  
 Ans. A. less than 3 per cent 11.1 3.8 4.1  
 B. 3-6 per cent 15.0 131.1 9.96  
 C. 7-10 per cent 16.3 17.2 8.64  
 D. 11-15 per cent 17.7 12.3 8.32  
 E. 16-25 per cent 17.7 17.8 12.74  
 F. over 25 per cent 5.9 12.1 9.72  
 G. no opinion 163 237 4752

6. Do you feel that most business firms could raise their wages 10 cents an hour without raising prices?  
 Ans. A. yes 36.7 60.2 55.88  
 B. no 60.8 35.7 37.65  
 C. no opinion 2.5 4.1 6.47

7. Do you feel that most business firms could cut their prices 10 per cent and still make a reasonable profit?  
 Ans. A. yes 38.0 57.2 54.62  
 B. no 57.0 37.4 32.47  
 C. no opinion 5.0 5.4 12.91

## 25 YEARS AGO

### Marriage Drough Hits; Girls In State Tourney

With 76 days already gone out of 1938, employees in the county clerk's office today are beginning to wonder if they are going to issue a marriage license this year (none have been granted so far). Until this week they attributed the dull period to general conditions, but when Glenn Hickman, Castro County Clerk, came rushing in this week and frantically asked to borrow all of the licenses the county could spare, things took a different trend. Mr. Hickman got enough blank licenses to replenish vanished supply, but local tax office personnel are now puzzling over what Castro County has that Hereford needs to get in order to step up the marriage rate.

### GIRLS IN STATE TOURNEY

After losing by a two-point margin in the first rounds of the AAU tournament at Greenville last week, the Hereford girls went into semi-finals of the consolation rounds — and hung up a tournament record on high school. In their first game, in consolation rounds, the Hereford team met Balm Aerieha and took a 43-8 victory; their 43 points was reported as the highest score made in the meet and, in the same encounter Ruth Atchley made 17 points to establish herself as top scorer in the contest. They next met the McKinney squad, and won by a 20-9 count. In the semi-finals they lost to Loesburg by a score of 20-12, and were eliminated from the tournament. The Loesburg team won the consolation division of the tournament, taking third place in the state. Ten girls made the trip accompanied by Coach R. A. Muller, Miss Neville Wrenn and Mrs. W. H. Russell. The team included: Nora Jean Russell, Evelyn Lovelady, Ruth Atchley, Melba Shultz, Vida Belle Orr, Nedra Clayton, Thama Cowihan, Anna Marie Kuper, Helen Ann Snyder, and Virginia Whitehead.

## Panhandle Paragraphs

### COUNTY GETS BEET ALLOTMENT

Swisher County will have 200 acres of sugar beets this year as a result of negotiations between Great Western Sugar Company of Denver, Colo., and the High Plains Sugar Beet Association. One thousand acres will be distributed with 250 acres going to Hale County; 50 to the Abernathy area; 100 to Idalou; 200 to Floyd County; and 200 each to Lamb and Swisher counties. Ray Bradshaw of Cotton Center recently went to Longmont, Colo., where this area's beets will be shipped. He said that beet growers there are living off of 30-40 acres of beets with livestock as an adjunct, and are prosperous. He investigated used and new equipment available and harvest methods used in that area. Where dumps will be located and how many will be placed in this area is to be determined by Great Western.

THE TULLIA, HERALD

### COUNTY ROAD LOAD LIMIT CONSIDERED

Randall County commissioners are considering the possibility of load limits for county roads. Study of this possibility began Monday after Commissioner Glenn Dawlen told the court that house movers hauling heavy loads had done several hundred dollars in damage to roads in his precinct. Dawlen also expressed alarm at the prospect of conduit for the Canadian River Dam project being hauled over county pavement. He noted that sections of the conduit weigh more than 100,000 pounds. The Canadian River aqueduct passed through Randall County.

THE CANYON NEWS

### PATROL CAR WRECKED; CHIEF UNINJURED

Friona Chief of Police Ben Moorman was practically uninjured, but his patrol car was heavily damaged Thursday enroute to investigate an accident on snow-slick Highway 60 east of Friona. Moorman was notified of the accident involving two vehicles west of Black on Thursday morning. He radioed the report to the sheriff's office in Hereford. A Texas Highway Patrolman was near Canyon at that time, due to the heavy snow could not reach the accident for sometime. Patrolman Carroll Parker's vehicle and deputy sheriff Bill Morgan's vehicles were unavailable since they were being repaired. Moorman was therefore requested by the Hereford dispatcher to check the accident. Enroute to the accident, Moorman lost control of his automobile as he swerved to avoid hitting a pickup truck that was over the center line due to the snow. The city patrol car spun off the highway, slid across the bar ditch, and the rear end crashed into an electric highline pole. Moorman was thrown into the rear seat, but only suffered a bruised hand.

THE FRIONA STAR

### PERRYTON YOUTH BATTLES OFFICERS

A 15-year-old Perryton youth staged a running motorized gun battle with area law enforcement officers Wednesday morning near Miami, then continued the battle for 15 minutes from a bar ditch retreat before an officer's bullet struck him in the neck. The youth was taken to Highland General Hospital in Pampa where his condition was described as good.

OCHILTREE COUNTY HERALD (Perryton)

### NEW HIGH SCHOOL PLANS APPROVED

A new high school building for Littlefield and an \$800,000 bond issue to finance it and other school improvements are rolling towards election decision through action taken Thursday by school trustees. The trustees authorized a petition to call an election for the bond issue, and a petition setting out the election started its rounds Friday morning. It is expected to be completed early this week, and to be returned to the board on Monday.

COUNTY WIDE NEWS (Littlefield)

## THE BOOTLEG —Philosopher

Editor's note: The Bootleg Philosopher on his hindwood farm takes a dismal view of space exploration this week, but he may have his tongue in his cheek.

Dear editor:  
 As I understand it, scientists have now compiled a lot of information radioed back to earth by the rocket which traveled ten million miles or so on its way to Venus, and while I don't want to brag, I sure does bear out some of my suspicions about outer space.

According to this information, Venus has a temperature of 800 degrees and winds that blow 200 miles a second. This is what I've been talking about. I mean, what if we explore all the planets there are and still don't find one that has one-tenth the advantages of the one we've already got? I guess it's interesting to know that a weather forecast on Venus would read: High tomorrow 800 degrees, low 799, continued steam, wind out of the south-southwest at 200 miles a second, but I'm not sure it's worth what it cost.

What if we'd sent a rocket with pilots aboard out there and they circled the planet as close as they could without getting scorched and then came on back home? What this would have amounted to was a flight of ten million miles in a mortgaged rocket to find a planet that can't be lived on. You've got to remember that all this space exploration is being done on borrowed money, which is all right if we can ever find anything that justifies it, but this report from Venus ain't too encouraging.

Of course, there are millions more out there and if we keep looking long enough we may find something, but a man who mortgages one farm in order to buy another ain't necessarily making progress.

I'm not saying it's so, but the first man to land on the moon, after he gets over the exhilaration of being there and gets a chance to look the country over, may adopt as his new goal an ambition to be the first man to get back to earth.

On the other hand, if we weren't going in debt to explore space, we'd be going in debt to do something else. If people want to mortgage the earth in order to get title to an uninhabitable planet somewhere else, it's their business. Keep the thing going.

Yours faithfully,  
 J. A.

Entered as second-class matter July 6, 1948 at the post office at Hereford, Texas, under the Act of March 3, 1879. Second-class postage paid at Hereford, Deaf Smith County, Texas. Subscription Rates: Zone 1, \$4.00 per year; Zone 2 and above, \$5.00 per year. With the Hereford Brand, both papers, Zone 1, \$4.95 per year; Zone 2, \$6.15 per year. Carrier, delivery, 60c per month. Single copies 15c each.

Classified advertising rates: 6c per word per word first insertion (60c minimum; 4c per word each additional insertion.)

**A MAJOR ACCIDENT** about 3:15 p. m. Saturday at the intersection of Grand Avenue and Avenue B injured Mrs. Bertha A. Cocanougher, 62; 108 W. Eighth, driver of a late model sedan, heavily damaged her automobile, and a station wagon driven by Frank Bridges, 29, of Hereford. The station wagon, traveling west on Grand Avenue, ramed broadside into the Cocanougher vehicle

and spun in the middle intersection. The sedan traveled another 50 feet north before hitting a tree at 301 Ave. B. Mrs. Cocanougher was treated at Deaf Smith County Hospital and released Sunday. The accident occurred at an intersection controlled by a yield-right-of-way sign. (Staff Photo)

**Sky Chiefs Win Consolation In Canyon Tourney**

Hereford's Sky Chiefs won the consolation title Saturday night in the Canyon Jaycees' Invitational open tournament. The Chiefs whipped the Vega Outlaws 71-37 as four Chiefs hit in double figures.

Bill Dufur led the scoring with 21 points. George Scott hit 15, David Seal 13, Jim Arney 10, Charles Skinner 7 and Chick Hicks 5.

Martin Wilhite led the Vega Outlaws with 13.

Members of the Sky Chiefs team agreed that Vega was the cleanest team they had played all season. The Chiefs won the crown and will enter a regional YMCA meet in Big Spring on March 15 and 16.

In Saturday night's championship game, Taylor and Sons of Canyon beat Pioneer Natural Gas of Amarillo 70-64.

John Milton used 8,000 different words in his poem "Paradise Lost."

**HERE IS THE BEEF BULL THAT PROVES YOU are worth more with HEREFORDS**

**HERE ARE THE FACTS...**

The bulls you use on your cows will determine your profits through the quality and quantity of the calves. Independent surveys, university experiments and personal experience all come up with the facts that Hereford bulls get a higher calf-crop percentage than their competitors. Not only do you get more calves, but they come in uniform age groups due to the fact that aggressive Hereford bulls stay with the cows, settling them on time, and do not bunch up around water holes or fence corners.

Calves sired by Hereford bulls will outgain the other popular beef breeds on grain or grass. In Texas and Iowa feedlots, Hereford

calves outgained their competitors from 12 to 25 pounds per day—\$7 to \$10 per head more net profit. This is extra money in the bank for breeders and feeders who use HEREFORDS!

Gentle-natured Herefords make range and feedlot handling a pleasure—even the kids can join in the fun. Replacement females are uniform and dependable breeders, proven to wean 7% more calves due to their bred-in MOTHERING ABILITY.

Surveys, science and common sense all add up to the fact YOU ARE WORTH MORE WITH HEREFORDS.

Write for your copy of "Plan and Profit with Herefords" today.

# Abalos Outlines Program For Migrants' Children

Paul Abalos, speaking during the Monday noon meeting of the Hereford Rotary Club, told of the special program set up in the Hereford Rural High School system to help children of migrant workers.

Abalos is directly connected with the teaching program for migrants' children and conducts his classes at Central School.

As he spoke he pointed out that teachers working with the children of these workers are faced with at least six problems.

Among the problems encountered, he commented is the language barrier. Most of these children can speak very little English.

He also pointed out that since their parents have been moving constantly, the children have never attended school regularly. Nor is there any interest on the part of parents for the children to attend.

Most of the children, Abalos commented, are over age for the grade that they are in since they have never had the chance to attend school on a regular basis.

These children do not have a basic foundation for learning, he continued, nor do they have any desire to attend school.

He pointed out that teachers and school systems confronted

with the situation must first understand the problems, then set up a curriculum that will benefit the students.

"I feel that these children need to learn a basic foundation that will help them continue school and will help them in later life," Abalos said.

Among the necessary subjects, he listed reading, mathematics, spelling, and English with emphasis on conversation.

"The teaching level of the program should be set up on the basis of what the children know," he declared, "if the purpose of the whole program is not to be defeated."

It is also important, Abalos added, to remember that these are children. They are smart and intelligent.

He continued, pointing out that after the students have been drilled in the basic subjects, how far in school they will go depends on their ability and desire to learn.

"Since many will not go on in their school work," he remarked, "we can only hope that we have taught them something they can use."

One-third of the students will be ready for regular school in the fall, he commented.

But, they must develop self-confidence in order to be ready for something bigger, Abalos

added. If they are to continue school, these children must improve their English and begin to feel capable, he pointed out. They must also learn to speak without a Spanish accent.

He pointed out that they must be taught reverence and respect as well as responsibility since "the world owes nobody a living, but all must work."

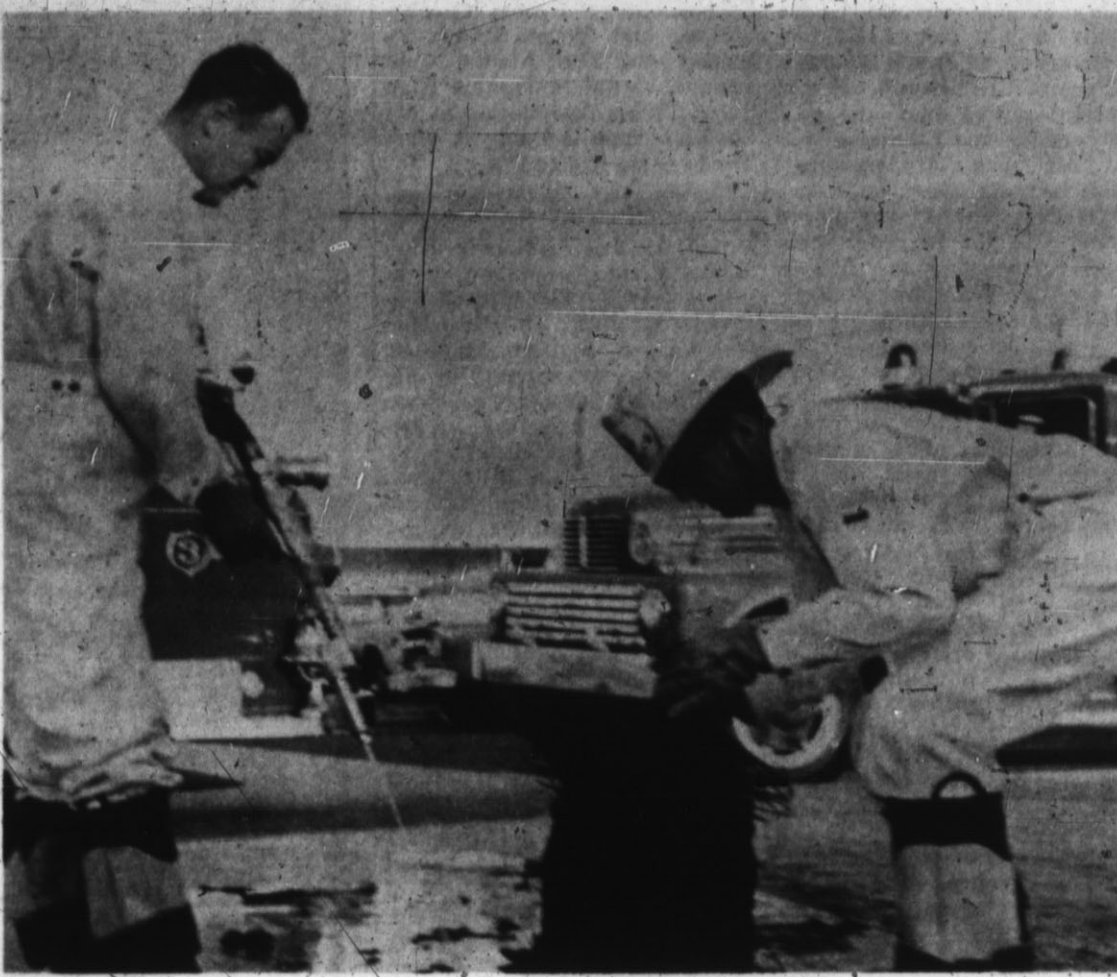

In one Hereford school class, he stated, 56 students from migrant families have been registered. Of the total, 53 per cent are attending classes at Central now.

"Of the number who have been in the class," Abalos declared, "13 will probably be promoted, eight will be retained, and 35 will be unaccounted for."

He pointed out that those who are working in the program are doing the best possible work teaching the children of migrant families, but special teaching equipment is required.

"I believe that a school district with this problem is entitled to additional state funds," he commented.

In concluding his talk, he stated that he believed that the Hereford Rural High School System was among the best in the state.

HANGERS OF CLOTHES smoulder and smoke as they are doused with water by Hereford Firemen Gerald Hale and Jap Dickerson. Clothes were the main loss when a closet caught fire Sunday afternoon at the home of the Rev. and Mrs. Fred Beversdorf, 311 Western. Damage was confined primarily to the one closet, plus some smoke and water damage. The fire apparently started in the top of the closet. (Staff Photo)

 GERALD BANNER, OWNEE AV9 - 4582

By Audni Miller

What we've got to do is to keep our spirits, and be neighbourly. We shall come off all right in the end, never fear," writes Charles Dickens. And those are my sentiments since this past week marked the end

of this writer's seemingly endless toil on her State Homemaker-Degree, which has now been sent to the Area I FHA Office to be evaluated by a State Degree Committee, as well as the visible culmination of the Hereford High Journalism

class's efforts regarding the special Public School Edition, which appeared in last Sunday's edition of the Brand. Phew! These deadlines met, the quotation in the last column of notes, "All things are passing," is fulfilled! Joy!

Saturday, Mar. 2, was indeed a busy day for Hereford teenagers! Journeying to Lubbock to enter the Texas Tech Speech Tournament were Kathy Boston, who received a superior and an excellent rating for her poetry interpretation; La Reece Aske, who was given an excellent rating in Poetry Interpretation; Kaki Barnard who, in her first year of Interscholastic League work, was awarded an excellent rating in Extemporaneous Speech; Rosalind Rush, recipient of a "Good" rating in Prose Interpretation, and debaters Gary Kendrick, Jay Boynton, Maura McAndrews, and Caroline Brumley each won two out of four debates. These HHS students were among 350 entrants from 32 schools in Texas and New Mexico. Congratulations to you all!

And on the same Saturday, 21 Hereford High vocalists, including the Madrigal Singers, a newly organized vocal group composed of Dian Wylson, Linda Lemons, Shari Carmichael, Mammie Silvertooth, and Connie Kent, entered Solo and Ensemble Contests conducted at West Texas State College in Canyon. Those who entered (and their ratings or "divisions") include Darrell Sparks, I; Charles Kelly, I; Madrigal Singers, II; Ruth Ann Allison, II; Wayne Edwards, I; Bruce Miller, I; Pat Price, II; Carolyn Parmer, III; Martha Hudson, II; Jo Ella McGee, II; Sharon Tinnin, II; Barbara Langley, III; Kay McGee, II; Mammie Silvertooth, II; Mary Betzen, II; Linda Lemons, II; Dian Wilson, II; Bob Reinauer, I; Connie Kent, II; and Ronnie Gray, I. Once more, congratulations to these young people on their musical accomplishments!

Also in Canyon on Mar. 2 were ten Hereford High Journalism students and their sponsor, Mrs. Sue Howell — Miss Janice Boren also was kind enough to transport some of said students via school car. David Stevens, Cynthia Seed, Patricia Schulte, Donita Allred, Sue Smith, Linda Higgins, Janie Mc-

Broom, Gerry Bybee, Carolyn James, and Yours Truly, attended the 29th Annual Convention of the Panhandle High School Press Association in the Student Union Building of West Texas State College.

During the convention proceedings, Cynthia Seed was elected as the Panhandle High School Press Association secretary for 1963 - 1964! David Stevens was given an Honorable Mention for a sports story he had previously entered in the PHSPA contests, and much to the satisfaction of the Journalism staff, The Whiteface was awarded first place in the Community Page division of the contest! And so all were happy!

Wait! There was still another Hereford teenager in Canyon on Saturday! Kay Coffman spent a "college weekend" with Jan Rusk (from Friona) at W. T. S. last Saturday and Sunday. She was a guest of Jim "Corky" Dawson at a Kappa Alpha fraternity party on Saturday night — (yes, the same Jim Dawson who plays football for West Texas State!)

Oh yes, at the high school Sock Hop on Saturday night at the Community Center: Number 13 proved to be a lucky number for Jerre Bea, Noland and Terry Caviness since that was the number which entitled them to the "pot o' gold" — all five dollars of it! Kay Seaman and Jimmy Higgins won the live turtle, one of the most amusing prizes offered to those couples who "matched" numbers.

Mrs. Cave invites all of you to drop by the Center this Friday night and Saturday night to "practice up" for the Kiwanis-sponsored Ping-Pong Tournament which is scheduled for March 25, 26, 28, and 29 — Monday, Tuesday, Thursday, and Friday nights. (Note to those of you who won't be in the skating party: Junior Highers are asked to drop by on Friday night, and High Schoolers on Saturday night.)

The Community Center was the setting last Sunday, Mar.

### H. D. Club Holds Meet In Home Of Mrs. Mary King

West Hereford H. D. Club met recently in the home of Mrs. Mary King with 13 members present. Mrs. Blanch Hardin led the reading of the club collect.

Roll call was answered with "our experience of using the telephone and the courtesy used in answering the phone."

Mrs. Lucille Allison gave a report on the T. H. D. chairman, discussing the responsibilities and duties that are required of them.

"Telephone Courtesy" was the topic of the program presented by Mrs. Alice Swigart. She gave each member a leaflet on telephone manners. She said, "When answering the phone, always be pleasant and not too loud. Give the person time to get to the phone, let it ring act glad that they called, but do not make the conversation too long. Be courteous on the party line phones in case it is needed for an emergency."

Hostess gift was won by Mrs. Blanch Hardin. Refreshments were served to the following: Mesdames Mary Waters, Blanch Moseley, Minnie Vaughn, Mable Vaughn, Lolla Menasco, Verna Schroeder, Myrtle Witherspoon, Jewel Awrey, Miss Evelyn Bell, three visitors, Lucille Olson, Mrs. Bates and Mrs. Davison and hostess, Mrs. King.

TAD STEPHENS celebrates 5th birthday (Staff Photo)

### Fifth Birthday Celebrated By Tad Stephens

Tad Stephens celebrated his fifth birthday on Tuesday, March 5, with a birthday party given for him by his grandmother, Mrs. O. B. Stephens of 103 Beach.

A circus theme was used for decoration. The serving table

was laid with a circus tablecloth and the birthday cake was decorated as a circus tent. For entertainment the group played circus games. Ice cream, cake and punch were served to the following: Renee King, Kiska Hodges, Kathy Walker, Becky Dziuk, De-do Dziuk, Ralph Owens, Tim Massey, Scott Massey, Gary Godwin, Crystal Cope and Tad's father from Austin, John B. Stephens.

FNA pins were fastened to a corsage of a single yellow carnation which rested on green net. The mother of each member presented the corsage to her daughter.

Seniors Judy Stone and Rita Albracht were given guards for the pins they received last year. Two other seniors, Martha Wiltshire and Caroline Brumley were recipients of both pins and guards. Becky Jackson also received a pin.

Other FNA members receiving pins, were Kathleen Kuper, Mary Betzen, Janice Hagans, Barbara Barrett, Mary Martin, Elizabeth Burrus, Martha Hudson, and Marilyn Tice.

Heywood said it: "He must go whom the devil doth drive." And so I go!

## NOW! 36 MONTH Field Hazard Guarantee

### GENERAL NYLON SPECIAL TRACTOR TIRE

New your farm tire investment is protected by an exclusive 3-year guarantee against all normal field hazards. And talk about performance... ### Choir Members Take Honors At UIL Solo Meet

Members of Hereford High School choirs competed in the University Interscholastic League solo and ensemble contest held in the Fine Arts Building at West Texas State College in Canyon Saturday.

Twenty Hereford vocalists competed in various divisions at the annual contests.

The Madrigal Singers, comprised of Mammie Silvertooth, Shari Jo Carmichael, Linda Lemons, Connie Kent, and Diane Wilson, earned a Division II mark.

Earning Division I, the highest rating given, on their class I, most difficult solos were Charles Kelly, Wayne Edwards, and Ronnie Gray. Others singing class I numbers were Ruth Ann Allison, Pat Price, Martha Hudson, Jo Ella McGee, Mammie Silvertooth, Mary Betzen, Linda Lemons, Diane Wilson, and Connie Kent, who earned division II ratings; and Carolyn Farmer, awarded a Division III rating. Earning top ratings in their

class II solos were Darrell Sparks, Bruce Miller, and Bob Reinauer. Division II ratings in the class II events went to Sharon Tinnin and Kay McKee. Barbara Langley netted a Division III rating.

### LUXURY CAR: RIDES, RESPONDS AND LOOKS LIKE IT OUGHT TO COST A RANSOM

You're looking at our Impala Super Sport Convertible which, along with its cousin, the Sport Coupe, absolutely embarrasses higher priced cars.

That special trim and those front bucket seats merely hint at the comforts you find built into every Impala Super Sport.

Performance? It's remarkable, an understatement we can afford when there are 7 engines to choose from. One of which is the popular 340-hp Turbo-Fire 409, a wizard in traffic and a joy on the open road. And others all the way up to 425 hp.

If you want an extra flourish or two, mull over extra-cost options like floor-shift four-

speed manual or Powerglide transmission, Positraction, fade-resistant sintered-metallic brake linings, and a tachometer to relay what's cooking up front.

Just before you rush off to your Chevrolet dealer, may we remind you that both Impala Super Sports offer the new Comfortilt steering wheel. You adjust it to suit your driving style, flick it out of the way for easy entry and exit.

All three Chevrolet series—Biscayne, Bel Air and Impala—deserve a long look. Super Sports demand it.

Super Sport equipment\* available on both Impala Convertible and Sport Coupe. \*Optional at extra cost.

### A TRUCK WORTH BUYING IS WORTH BUYING WELL

... and one of the very best ways to buy a truck (or car), unless you have all the needed cash, is with a bank auto loan. Low cost, insurance premium included in your loan, and payments tailored to your individual budget... these make a bank auto loan worth looking into when you're looking at trucks. Why delay longer?

SEE ... AND GET THE FIGURE-FACTS!

## Thanks folks...

A little over a year ago, we added a sheet metal shop to our regular refrigeration business. It has done well, thanks to our many loyal friends and customers.

However, there's a little too much for us to handle alone, so this week we have leased the Sheet Metal shop to Stan Fry, who has moved here from Borg-er and has already assumed management of the shop.

Stan has over 14 years experience in the sheet metal business, and we know you're going to like him and his work. He is married and has three children.

If you haven't already, we would urge each of you to come by and get acquainted with Stan. He will be glad to help you with any of your sheet metal problems.

Dick Walker  
WALKER REFRIGERATION AND SHEET METAL

Introducing

# STAN FRY

now associated with

## Walker Refrigeration & Sheet Metal

It is with a great deal of pleasure that we announce the association of Stan Fry with Walker Refrigeration and Sheet Metal.

Stan has leased the Sheet Metal Shop and will assume management of that part of the business immediately. The name will remain the same, and we will use the same phone number as Walker Refrigeration.

Stan has over 14 years experience in the sheet metal business, and is well qualified to do any and all of your sheet metal work. We have added some heavy equipment recently and we can now handle anything you might want, including pick-up beds, combine cabs etc. We are also interested in duct work for heating and air conditioning systems. So, if you're building a home, be sure to have your contractor check with Walker Refrigeration and Sheet Metal for a bid. You'll be glad you did.

# FERTILIZER PLANTS

## NEW WESTWAY LOCATION

Our newest plant, conveniently located at Westway, will assure our customers of "the best service available anywhere."

The New Plant is operated by CLAUDE MELUGIN, who is eager to serve you, and will be stocked with BIG N FERTILIZER. Just drop by today and discuss your fertilizer requirements with Claude

## SUMMERFIELD FERTILIZER

If you farm in the Summerfield-Easter area, your best bet for fast fertilizer service is Summerfield Fertilizer Company (Big N), located on U. S. 60 at Summerfield. Just phone BR 6-5165 for all your Anhydrous and Dry Fertilizer needs. It's a pleasure to serve you . . . and remember, when it's a custom application job you want, you can't beat Summerfield Fertilizer Company.

## PIONEER FERTILIZER

We're located 11 miles north of Hereford on Highway 385 . . . right in the heart of the best farming country in Deaf Smith County. We've got the tanks and the personnel to deliver, and a new BULK DRY FERTILIZER STORAGE. Pioneer Fertilizer is just as near as your telephone. Phone CL 8-4725 and we'll set your Anhydrous Ammonia ON THE TURN-ROW . . . pronto!
