Bank Deposits Climb \$4.9 Million

Record \$30 Million Reported By Banks

Hereford's four financial institutions, reflecting the continuing growth of Hereford, hit a new all-time high for deposits as revealed by an April 15 bank call.

The two banks, the credit union and a savings and loan association had total deposits of \$30,954,670.92 as of the close of business April 15.

This compares with \$25,986,714.78 reported March 15, 1963. Thus the institutions show a 12 1/2-month increase of \$4,967,956.14.

Trailing Herd Rallies to Dump Dumas Demons

The Hereford Whitefaces proved their ability to come from behind Thursday as they eked out a close 1-AAA victory over the Dumas Demons at the Whiteface Baseball Field, 11 to 10.

Mike Ranspot ran his winning total up to eight games for the season against his one loss as he relieved Lupo Ramirez in the second inning.

The Demons blasted Ramirez and Ranspot off the mound in the second, third and fourth innings as they drove home eight runs to lead the Herd 10-2 in the top of the fourth inning.

The Herd came back with an eight-run uprising in the bottom of the fourth inning, aided by a three-run homer clouted by Frank Cain. Cain had hit a two-run homer in the bottom of the second which gave the Herd their only two points.

The Herd was finally stopped but not before they tied the game at 10-10.

Ranspot came through with his usual form in the remaining three innings and allowed (Continued on Page 4)

Herford State reported deposits at mid-April of \$7,694,580.72 and a year ago at \$6,271,993.66. That bank's total assets were listed now at \$8,290,137.11 as compared with \$6,782,397.51.

Both banks also showed substantial increases in loans over a year ago. First National at mid-April had loans totaling \$11,150,443.26 as compared with \$8,904,833.38 a year ago.

Herford State reported loans and discounts in 1963 of \$3,279,305.54 as compared with \$4,650,193.91 at present.

Herford Texas Federal Credit Union showed shares (deposits) of \$2,524,139.60 April 15, 1963, and deposits now of \$2,559,414.11. Loans a year ago totaled \$1,439,112.76 as compared with \$1,409,367.96 at mid-April.

Assets also showed a considerable increase; at mid-April the Credit Union had total assets of \$2,861,109.11, while a year ago the credit union had (Continued on Page 4)

Voters To Face 'Puzzling' Ballot In School Election

When Hereford Independent School District voters go to the polls Tuesday they will face a three-proposition ballot which may be a bit confusing. They not only will be voting on a proposed \$2.4 million bond issue, but they also must "legalize" a 1963 change-over from a rural to an independent district.

Propositions 1 and 3 will be to make official the "old" district action; proposition 2 will be dealing with the new bond issue.

The Brand asked Ernest Langley, Hereford attorney, to explain the complicated three-part ballot.

Below is Langley's explanation.

By Ernest Langley
For a number of years, the

Hereford schools were organized as a Rural High School District. Recently the voters of the district changed this form of organization to an Independent School District.

In the opinion of a number of authorities, in the field, this was nothing more than a change in form, and the District continued its identity with merely a different name.

However, the Attorney General has now ruled that the change of name resulted in more than that, and says that the Hereford Independent School District is a separate and different entity from the old Hereford Rural High School District.

This being so, it is necessary for the voters of the "new" school district to vote for the necessary "Maintenance Tax" to provide operating funds for the district, and to vote to assume the outstanding bonded indebtedness of the "old" district and to levy the necessary tax to retire these bonds as they become due.

This is the substance of Proposition 1 and 3 on the ballot. Proposition 1 calls for a vote on the question of levying the so-called Maintenance Tax.

Actually, the term "maintenance tax" has nothing to do with the term maintenance as it is usually understood; that is, upkeep and repair, etc.

It means the tax to provide the necessary funds to pay teachers, provide bus service, and to pay the other usual and ordinary expenses of keeping the schools open; that is, all of the operating income of the District except funds received from the State and taxes levied to pay bonded debt.

The voting of this Maintenance Tax, as provided in Proposition 1, is necessary if the schools are to continue operating, under this ruling of the Attorney General.

If the proposition fails, it will have to be submitted again and again until it passes.

Proposition 3 is essentially the same, except that instead of applying to the operating income of the District, it applies to the already existing bonded indebtedness of the "old" District, which must be assumed by the "new" district in order to provide the necessary funds to pay the principal and interest of bonds voted in past years.

Unless this proposition 3 passes, it will have to be re-submitted until it does pass.

Proposition 2 covers the only "new" item presented to the voters, the proposed new bond issue for the future expansion of the District.

COMING TO THIS? — Hereford School cause of bulging school buildings. Superintendent Paul Stevens Saturday announced that five first-grade rooms next autumn will have to meet in a church building.

Schools To Use Church For Overflow Classes

Little Johnnie, starting to school for the first time this autumn, may be among those first graders who will attend school in a church — or in a room without windows or in the basement of one of the schools.

The possibilities — likelihoods, in fact — were pointed out Saturday by Paul Stevens, superintendent of schools, as Hereford Independent School district patrons made ready to vote Tuesday on a proposed \$4.2 million bond issue.

By autumn of 1965, however, the situation should begin to ease up slightly — if voters approve the bond issue next Tuesday.

Stevens said two rooms at Northwest Elementary school will be pressed into service this autumn for first-grade rooms. He said the rooms were originally designed for a library but have never been finished for that purpose. "There are no outside windows in these rooms," and it will be necessary to install fans to circulate air. They won't make ideal classrooms but they will have to serve until new rooms can be provided. Temporary partitions also will be necessary.

Another room which will be utilized as a first-grade classroom at Northwest will be an "all-purpose" room that can be converted into a classroom.

Two more rooms will be scrounged into ancient Central elementary school. The superintendent said two basement rooms in that building will be converted into classrooms.

Those five emergency rooms — three at Northwest and two at Central — will provide for half the new classrooms needed this autumn for first-graders. The other five rooms must be provided in churches, and the school is considering using five Sunday School rooms in First Methodist's new educational building at Miles and 6th.

If the bonds are approved, the board will soon let contracts for Phase 1 of the \$4.2 million enlargement program. Phase 1 totals \$750,000 and bonds only in that amount will be sold at the outset for a six-item project. Chief on the list will be an additional elementary school to cost \$350,000. Altkman gets \$120,000 in additional central remodeling will cost \$35,000. Junior high remodeling will cost \$75,000, senior high \$90,000 and paving and other costs will account for an additional \$50,000. Contracts for all those projects in

Phase 1 are due to be let by Sept. 1 this year.

Bonds will be sold only as contracts are let, thus saving substantial sums in interest costs, school administrators pointed out.

Other phases of the over-all program include a new junior high and eventually still another elementary school.

Herford voters will go to the polls three times this week — twice on Tuesday and again on Saturday.

Here in Hereford, a run-off primary is slated Tuesday for a city council post, and at the same time, Hereford Independent School district patrons will be approving or rejecting a \$4.2 million bond issue to provide expanded facilities for the system's bulging classrooms.

Saturday, Democratic and Republican primaries are to be staged, and interest has picked up sharply in those races, especially in the hotly contested state races.

Here in Hereford, Bill Howard, incumbent, and Albert Maxwell will be battling it out for a post on the city council. They are seeking place 3 in a run-off, made necessary when none of the three candidates received a majority of the votes in the first primary.

In county races next Saturday, commissioners' races and the battle for sheriff lead in interest. Charles K. Skinner is seeking to unseat Lowell Sharp as sheriff.

Three men are seeking the Democrats nod in each of the two county commissioners' races. In one section, J. T. Gulm, Bruce Coleman and Jim Monroe are (Continued on Page 4)

Boys who did not make the major league teams in Little League are asked to report to Dameron Park Monday at 5:30. Roster of the minor league teams will be announced at the park Tuesday at 5:30, says Charles Duvall, president. A "work party" is to be held at the new Little League Park Sunday at 1:30 p.m. Fathers of all players are asked to be present.

Deadline for rendering taxes and declaring homesteads for 1964 is Thursday, April 26. Nell Miller, county assessor-collector, reminded the public Saturday. Homesteads must be declared each year, she pointed out.

Dick Ellis, Hereford, was among those honored at a recent "Sorghum Masters Club" banquet in Amarillo recently. His yield last year was 8249 pounds per acre.

Arno Nowotny, dean of student life at the University of Texas, will be the speaker at WTSU's annual all-sports banquet Tuesday night. The banquet is open to the public at \$2.50 per plate.

With Sid Perkins and Aubrey Brown of Amarillo doing the calling, a square dance is to be held at Community Center Wednesday, starting at 8:30 p.m. Anyone interested in square dancing has been invited to attend.

Farmers Like New Modified Wheat Ruling

Deaf Smith County farmers Saturday expressed satisfaction with USDA's easing of recent wheat control measure which would have whittled their support payments sharply.

Under modified rules, announced Thursday, a farmer may benefit from the price support loan (or purchase mechanism of the new wheat law) so long as the farm producing the wheat in question is held within the acreage allotment for that grain.

Ten days ago USDA had announced that farmers must comply with acreage allotments on ALL farms operated by an individual farmer in order to receive price supports for ANY farm.

Ed Skypala Hurt In Milk Truck, Car Collision

Edward Skypala was listed in fair condition at Deaf Smith County Hospital following a two-car collision shortly before 4 p. m. Wednesday.

Skypala's milk truck and a car driven by Donald Farmer, 212 Ave. J, collided at the intersection of McKinley and Fifth Avenues and both vehicles continued traveling in a northerly direction according to investigating officers.

This was the first accident in April which involved an injured person and was only the fifth for the year.

Amarillo Plan Explained Hereford Considers Day Nursery

Hereford's need for a day nursery was expressed in a citizens meeting held Thursday night at the Community Center.

Heading the project is Dr. Roy Grubbs, local physician. He is assisted by Mrs. Jewel Smith, head of the local welfare office, and Ed Dziuk.

Mrs. Anna Mae Minton, head of the day-care centers in Amarillo, presented the program to the group. She showed slides of the centers in Amarillo, and then explained the basic setup of the organization.

NEW PATROLMAN — Robert Sanders, 22, formerly of San Angelo, has been assigned to Hereford as a new DP5 patrolman, Sgt. W. E. Well, head of the local unit announced Saturday. (Story on Page 3)

Ordinance Bans Use of Liquor In City Parks

The Hereford City Commission voted unanimously at the last meeting to adopt an ordinance prohibiting the possession or consumption of certain alcoholic beverage in any public park or recreational area of the city.

A maximum fine of \$200 was set up, for violation of the ordinance, by the council.

The ordinance was passed April 20 and goes into effect today. The commission acted on the matter due to the complaints received of alcohol being consumed at the City Park and other municipal facilities.

The said ordinance provides that it shall be unlawful for any person to possess for the purpose of consumption, or to consume, in any public park or recreational area in the City of Hereford, any alcoholic beverage as defined by the Statutes of the State of Texas.

The ordinance shall further provide for a definition of the area covered by the ordinance, which is any city owned property.

The need for a day nursery became obvious to Mrs. Smith and Ed Dziuk after a survey was made more than a year ago.

The result of that survey showed that approximately 80 children were in need of the center — not including migrants. "Put them all together and you got the figure of at least 100 — and that was a year ago," Mrs. Smith pointed out that she was receiving calls every week regarding child care.

Mrs. Minton said that the day nursery idea was being promoted by Amarillo businessmen especially. Reason: the day nursery lets them offer employment to the people they want — those who need employment to help pay the grocery bill.

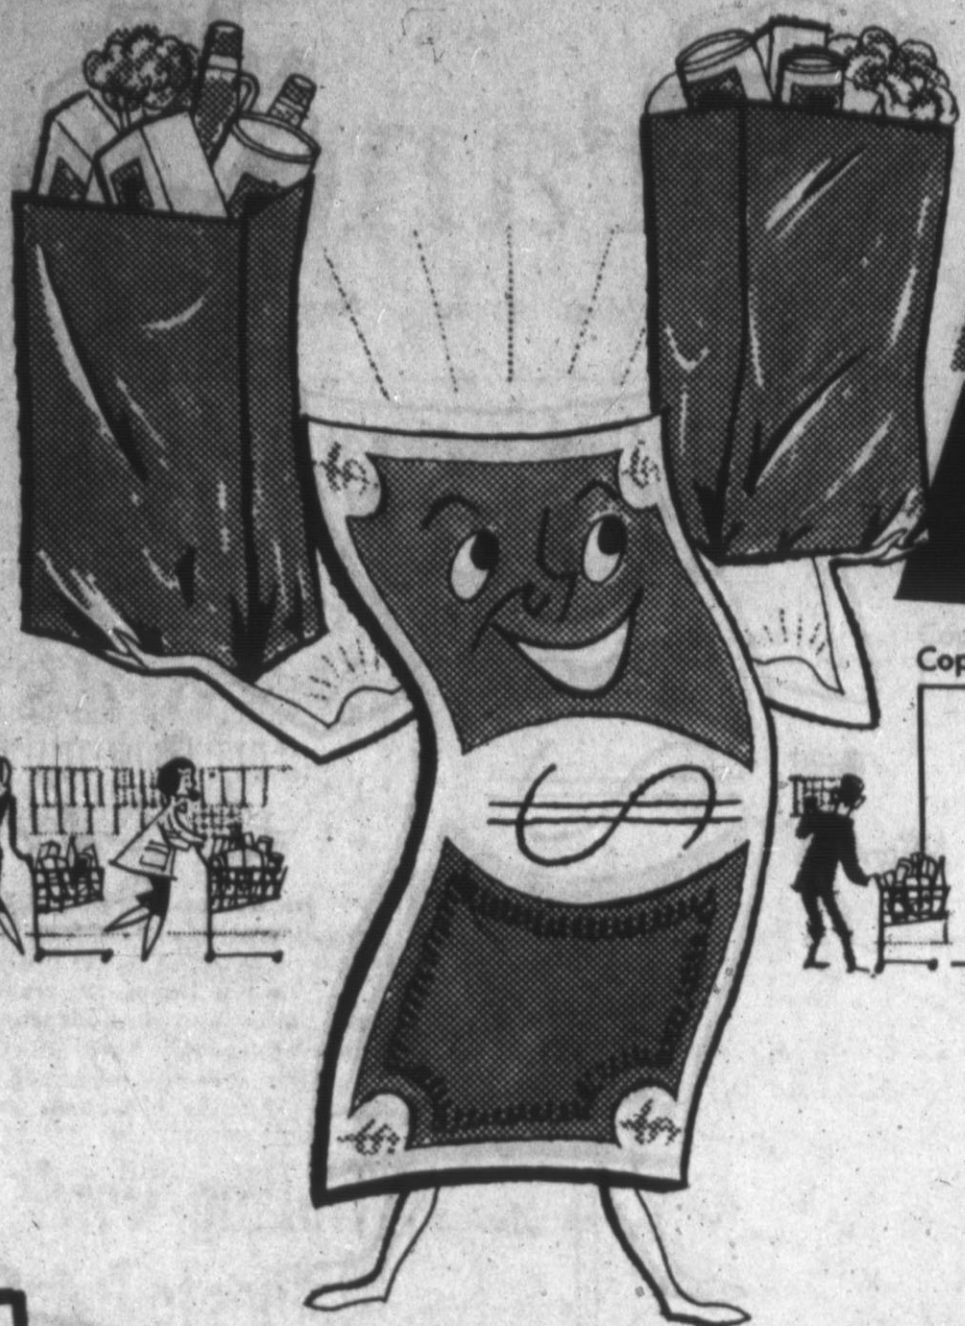

The day nurseries of Amarillo are not operated by Mrs. Minton herself — she showed that she was merely the coordinator. She explained that the governing body was a group of 12 citizens. This board replaces four of its members each year, to keep the cycle going. A person can not re-elected to the board for one year after his last term (Continued on Page 5)

New Patrolman Assigned Here

Robert Sanders, 22, San Angelo, has joined the local Texas Department of Public Safety stationed in Hereford according to Sgt. W. E. Well, head of the

local unit. (Picture on page 1). Sanders was assigned to Hereford to fill the vacancy of Patrolman Charles Skinner, who resigned from the Department of Public Safety to run for the office of Deaf Smith County Sheriff. Sanders moved to Hereford with his wife, Patsy, after he completed the 18-week training

school sponsored by the Texas Department of Public Safety. Roberts will serve with Sgt. Wells, Ed Richards and the units in Castro and Farmer counties in patrolling the highways in the three-county area. Richards explained that the first 12 weeks of the school dealt with the basic fundamentals involved in the job of a highway patrolman.

The final six weeks dealt with the specialized training which offers the patrolman actual experience which he might encounter in his capacity as a Texas Highway Patrolman. "The school provides the patrolman with an opportunity to learn all phases of law enforcement and learn what is to be expected of him when he receives his first assignment," Sanders said.

Squeaky Okay Given To Olton Bond Program

Olton school board tomorrow night will start proceedings for extensive school improvements, approved in a \$300,000 bond election last Saturday. The bonds squeaked through by a margin of only four votes — 256 to 252. Five improvement projects are included in the program. They include: 1. Construction of the vocational building and purchase of needed equipment. 2. Converting and enlarging the present agriculture building to the science department and purchase of equipment. 3. is the mother who has three children — her income is very low, but it is necessary that she work. Charge? Three for dime. But at least she can pay something. Mrs. Minton stressed the fact that the day nursery does definitely render an important service to working mothers who cannot afford private nurseries. For this reason, they set their own standards and require that they be followed. All children must be clean when they arrive in the morning, and each mother must pay as she is paid. The nursery does not carry insurance for each child, but it does carry liability. This service to the community has to be operated by paid workers to get the best results, Mrs. Minton said. The volunteer program has been tried in Amarillo, but it did not work as they had hoped.

In her explanation of the activities of the Amarillo day nurseries, Mrs. Minton pointed out various other details, mostly concerning policy. Also attending the meeting were Mrs. Patsy Gray and Miss Twila Gilley, both of the child Welfare Licensing office in Amarillo, a state operation. Those appointed to serve on a "get the ball rolling" committee were Dr. Grubbs, Howard Gault, Mrs. O. G. Hill Sr., the Rev. B. L. Davis, Virgil Dodson, and Ed Dziuk. This is only the beginning for these people; members of the committee plan to set another date for a public meeting in the near future.

Farmers...

(Continued from page 1) rule, the farmer must comply with allotments on all farms operated by him, in order to receive "certificates", the extra governmental support which would raise the net price for the average grower to around \$1.76 per bushel. The certificate, in effect, is a "bonus" payment. ASCS manager here, Faust Collier, pointed out Saturday that in many instances it would "pay" a farmer to attempt to qualify for "certificates." He explained: "In some of the cases which we have figures already under the new ruling, it will pay the farmer to accept simple crop supports rather than to make all his farms comply with the allotment procedure." He told of the case of one Deaf Smith county farmer who operates three farms, one of which is "over" on its allotment. "We figured it up under the new ruling and found it would pay that farmer to ignore the 'certificate' measure and to accept the support on the other two farms." He went on to say that prior to Thursday's modification, the farmer would not have received ANY crop supports because the one farm was over its allotment.

BOYHOOD BURRO REPLACED PATCHOGUE, N.Y. (AP) — A 73-year-old man, James Nelson, whose father refused to let him keep a pet burro he bought for a shilling in Ireland more than 60 years ago, recently got a present from his daughter, Mrs. Charles Kemp: a burro purchased for \$51 at a livestock auction conducted by the New York City Department of Purchases. Mrs. Kemp said she had heard her father lament his lost burro for years and thought that if she got him one he might give up his job as a ship caulker and stay home to take care of the burro. Nelson was delighted with his new pet, but refused to consider retiring since he insists he is "as strong as an ox, or, at least, as a burro!"

Farmer was not injured in the collision.

Skypala was rushed to Deaf Smith County Hospital in a Gilliland Ambulance.

Hereford Police investigated a bit a run complaint Tuesday after a parked car belonging to Leonardo Martinez was reportedly struck in the 100 block of North Main.

There were no witnesses to the collision, which occurred shortly after 9:30 p.m. Tuesday.

Damage to Martinez's car was estimated at \$25 according to investigating patrolmen.

Shortly after 5 p.m. Tuesday, cars driven by Gaudalupe Pineda, General Delivery, Hereford, and Fannie May Rudd, Rt. 5 Hereford, were in collision in the 200 block of North Main.

Neither of the drivers was injured and damage to Pineda's car was set at \$100 while Mrs. Rudd's damage was set at \$50.

Mrs. Rudd was cited by investigating officers for negligent collision by failure to grant right of way while backing.

Pioneers Plan Annual Session; 400 Expected

Mid-Plains Pioneer Club is making plans for its 41st celebration to be held in Community Center Memorial Day, starting at 9 a.m., and this last week, the steering committee met to draw up the program schedule, Mrs. Alice Cox Swiger, president, announced Saturday.

Four hundred are expected for the day which will include a bring-your-own-basket lunch and a sing-song, plus "visiting and more visiting," the president says.

Pioneer Study club, high school girls, the B&P Club and the

Chamber of Commerce all help to make the day a success, Mrs. Swiger says.

John Patton is vice-chairman and Mrs. Mary King is secretary-treasurer. The pioneers this year will have as their project buying a new flagpole for the Community Center. The flag already has been donated by Mrs. Cox.

Committees named include: Bill Harris "mayor of Goat-hill", Friona, publicity chairman; J. T. Gilbreath, program committee chairman; Mrs. Henry Hastings, Arthur Thompson and Mrs. Nona Jowell, nominating committee; Mrs. Carl Williams, Mrs. Lurine Smith, Mrs. Hazel Sparks, Lucille Olson and Ruth Rogers, food committee.

And Farmer Norton, audio chairman; Doc Roberson, arrangements and seating; Claude Ricketts and Horace Baird, transportation; Mrs. Cliff Estes, donations; and Ezra Norton drinks.

Cotton Growers Favor 'Original' Cotton System

Deaf Smith County cotton farmers will favor "almost 100 percent", the "section 1" provision of the 1964 cotton program, says Faust Collier, ASCS manager here.

"I have talked with a number of farmers, and so far have found no cotton grower who wants to comply with 'section 2' plan," Collier said. He explained that with only 11,000 acres of cotton grown in his northern edge of the cotton region, "farmers have too small allotments anyway to bother with the second type of operation."

Many cotton farmers have only 10-acre allotments.

This means that farmers will plant only their original total allotments. He explained that "total effective allotment" means total 1964 acres, including any acreage received under release and reapportionment. By planting this amount, the farmer will qualify for a base loan rate of 30 cents a pound.

Under section 2 of the new farm bill, farmers may cover-plant by 5 percent of the original allotment here.

The second system, Collier explained, "is much more complicated." Under this choice the producer qualifies to the 30-cent loan rate on all production from his effective allotment, but is not eligible for price supports on the extra acres production.

He also must execute a bond to assure that cotton from this production will be exported only. Present world price for export cotton is 24 cents and probably will hold near this level.

only one hit. Neither team scored in the fifth inning and Ranspot retired all three Demon batters in the top of the sixth.

Eugene Green popped a homer with no one on in the bottom of the sixth to put the Herd ahead, 11-10.

Ranspot again retired the Demon's batters in order and the Whitefaces chalked up another victory.

Hereford is 3-0 in conference play to 0-2 for Dumas. The Herd stands 12-7 for the season and is almost a clinch for the District 1-AAA baseball championship.

SWEET SIOUX

THE FIRST SORGO X SUDANGRASS
Combines the stalk sugar of a Sorgo and the leafiness of a Sudangrass.

RECOMMENDED FOR—GRAZING, HAY, GREEN CHOP, SILAGE, HAYLAGE.

Paymaster's SWEET SIOUX is ideal forage because it is sweet, leafy, tender and juicy... the choice of livestock in "free-choice" grazing against all competition. Analysis of SWEET SIOUX cut at both the silage and grazing stages showed high protein content, and it has proved outstanding in units of VITAMIN A.

Added to this is SWEET SIOUX's hard-to-believe record of REGROWTH, even while grazing is going on "full blast."

Let us show you how you'll profit when you plant SWEET SIOUX, one of Paymaster's COMPLETE LINE of outstanding Forage and Grain Hybrids.

'Initialed' Tools Lead To Arrest Of Two Youths

Two Latin-American youths were arrested Friday, and deputies of the Deaf Smith County Sheriff's department are continuing their search for two other men who allegedly assisted the youths in the theft of more than \$165 in tools, from the Taft McGee farm, northeast of Hereford.

Savis Celaya, 17, and a juvenile are in the custody of the sheriff's department, and Celaya was arraigned before Justice of Peace C. B. Miles and bond was set at \$1000.

The juvenile is being held in the juvenile detention cell at the county jail pending further action.

The youths implicated two other men who had reportedly moved to Plainview, but officers were still searching for the men late Saturday.

Celaya and the youth were arrested by deputies of the sheriff's department after they were stopped on a routine investigation.

A search of the trunk revealed several sets of socket wrenches and other tools. All of the

tools had a "TB" etched on them which made identification easy.
"It is possible these boys would not have been arrested if the tools had not been marked. We have urged all farmers in the past to mark their tools as it is invaluable in their recovery," Deputy Ed Roberson said.

At last something has been done for housing's neglected asset — outdoor space. Most homes have at least latent possibilities of possessing an attractive, indeed invaluable, outdoor living room. Not only can well-planned outdoor space be enjoyed year around, but it will also increase the value and appearance of any home. This may sound like a large order, but it's really quite simple and economical," reports Herschel Black, manager of Crowe-Gulde Cement Co. in Hereford. His firm is now producing an exciting new fence called Castle Wall, a fence perfected to last a lifetime. Crowe-Gulde has put years of concrete know-how and research into Castle Wall, and has come up with a fence that will not crack, will not rot, or need replacement pieces in a few years. It will not peel or warp, and will never need painting. It compares in price with any good fencing material, but the real economy is in the maintenance: there is none. Available in four delightful de-

corator colors, Adobe Gold, Bamboo, Silver Gray and Indian Red; they were especially chosen for their ability to harmonize with the many styles of architecture, finishes, textures, colors and types of facing materials used in the Golden Spread area. "Their beautiful pastel colors are not just surface colors; Castle Wall Block is colored all the way through," said Herschel. Castle Wall Block Fences have unlimited flexibility, capable of producing a fence with simple, conservative lines or one replete with patterns. There are fashions galore in Castle Wall, used not only for fences, but also as dividers and yard accents. "A fence that even your neighbors will enjoy because both sides are beautiful," says Herschel. Castle Wall breaks up excessive winds, and cuts them down to undisturbing sizes. They form smart backdrops for clinging vines or flower gardens. They help reduce neighborhood noises, and provide a beauty bonus of flattering finery, solid or screen, lofty or low.

As our area grows, so grows the desire for privacy. Never before have the home owners of this area had such a fund of fancy fences from which to select in securing that privacy. This ingenious wall goes up fast, and the finished wall remains forever, as beautiful as the day it was built. Castle Wall's unique design provides quality masonry walls at a price 30% to 50% lower than established pricing for masonry fence construction. Herschel added, "Compared to any fence made of any material, Castle Wall is absolutely the best investment." A wonderfully festive fence of block for your private playground of summer activity. Castle Wall possesses a glamorous gallery of grille units with unlimited pattern possibilities in the ornamental, yet durable, Castle Wall Fence. You can choose any of the designs already created by Crowe-Gulde, or you can throw your imagination to the wind when it comes to designing your fashion fence-escape. (paid adv.)

WHAT DOES THE PARTY LOYALTY OATH ON TEXAS BALLOTS MEAN?

The party loyalty oath is nothing more than a gimmick designed by the Democrats controlled 1961 Texas Legislature to confuse the voters or to try to intimidate them into supporting the slate in November through fear that their ballot would be thrown out if they split their ticket. This, of course, is not so, and the Governor of Texas at the time the legislation was passed stated that the pledge was in no way binding.

To add a little background to the story, many thousands of votes had been thrown out in Texas in the 1960 election because of the confusing requirement to mark out all candidates except one. The Prohibition and Constitution Parties had candidates that year and many people forgot to strike those columns. This left many ballots validity to the discretion of the election judges and in effect, disenfranchised thousands of people who had paid their poll taxes and taken the trouble to vote.

The resulting furor (the votes thrown out could have carried the state for the Republican nominee for President) plus the emergence of a strong Republican Party in Texas which could prevent this confusion from working twice through voter information and poll watchers, left the 100% Democrat regular session of the 57th Legislature looking for a new self-protecting gimmick. The party pledge was the result. Many "liberal" legislators who had screamed the loudest against a bill requiring students to take an oath that they were loyal to the United States before receiving loans from tax payers' Federal Funds, jumped at the chance to require a party loyalty oath on the ballots of both major parties.

This, they reasoned, could retard the growth of a two-party system in Texas, and they could continue to enjoy the benefits of a monopoly at the expense of the people of Texas.

We mention this because we want you, the voters in both primaries, to understand that you can vote a straight ticket either way, or a split ticket, in November, regardless of which primary you participated in. If anyone tells you differently, have them put it in writing and sign it.

You are invited to participate in our Republican Primary and help select the nominees of your choice in the Senate and Congressional races as well as express your choice for the Presidential nominee. However, if you feel that you must support some local candidate who is running in the Democrat primary, then we will welcome your support in November. Deaf Smith County has given large majorities to the Republican Presidential Nominee in the last three presidential elections, and we feel that we will do so again this November — because most Deaf Smith County residents know there is no such thing as "something for nothing."

Installation of Underground Utilities Underway Here

Work started this week on laying the underground utilities for Green Acres Estates, a sub-division in the western edges of Hereford.

Green Acres Estates will be the first completely planned community in the Hereford area and one of the features of the addition will be the complete absence of utility poles.

Only poles in sight will be those put up by the utility company for street lights, and they will be a completely new type, and considered an asset to the beauty of the area.

Street lighting will be from modern Post Top, Mercury Vapor lamps mounted on 16 ft. steel poles. The power for these lamps will be underground.

"This is another first for Green Acres Estates", says Reuben Aasland, president of the Hereford firm.

"Underground utilities have become a necessity in some of our more crowded cities", said Aasland, "but we consider it a necessity for the smaller towns also". Underground utilities will be just one of the many "firsts" for Hereford's only planned community.

The developers of the addition, which has now been taken into the City of Hereford, pointed out that lots may be purchased

now for those who plan to build later, and can be paid for on the installment plan. "Purchase of a lot will constitute membership in the swimming pool club", Aasland pointed out, noting that many people might want to reserve lots now, with plans to build in the next two or three years.

"Contractors other than those engaged by Hereford Development Co., Inc. will also be welcomed", he said, "in the event someone has a favorite contractor they prefer would build their home". Naturally, all contractors will have to adhere to the deed restrictions of the area.

"This is being done to protect property values in the area", developers said.

Quality workmanship was also stressed by the developers, who pointed out that all units, whether in the higher priced bracket, or the moderate priced homes, will be constructed with the finest grade materials and the best workmanship possible.

"New building methods and materials will be used", Aasland pointed out, "only after they have been proved".

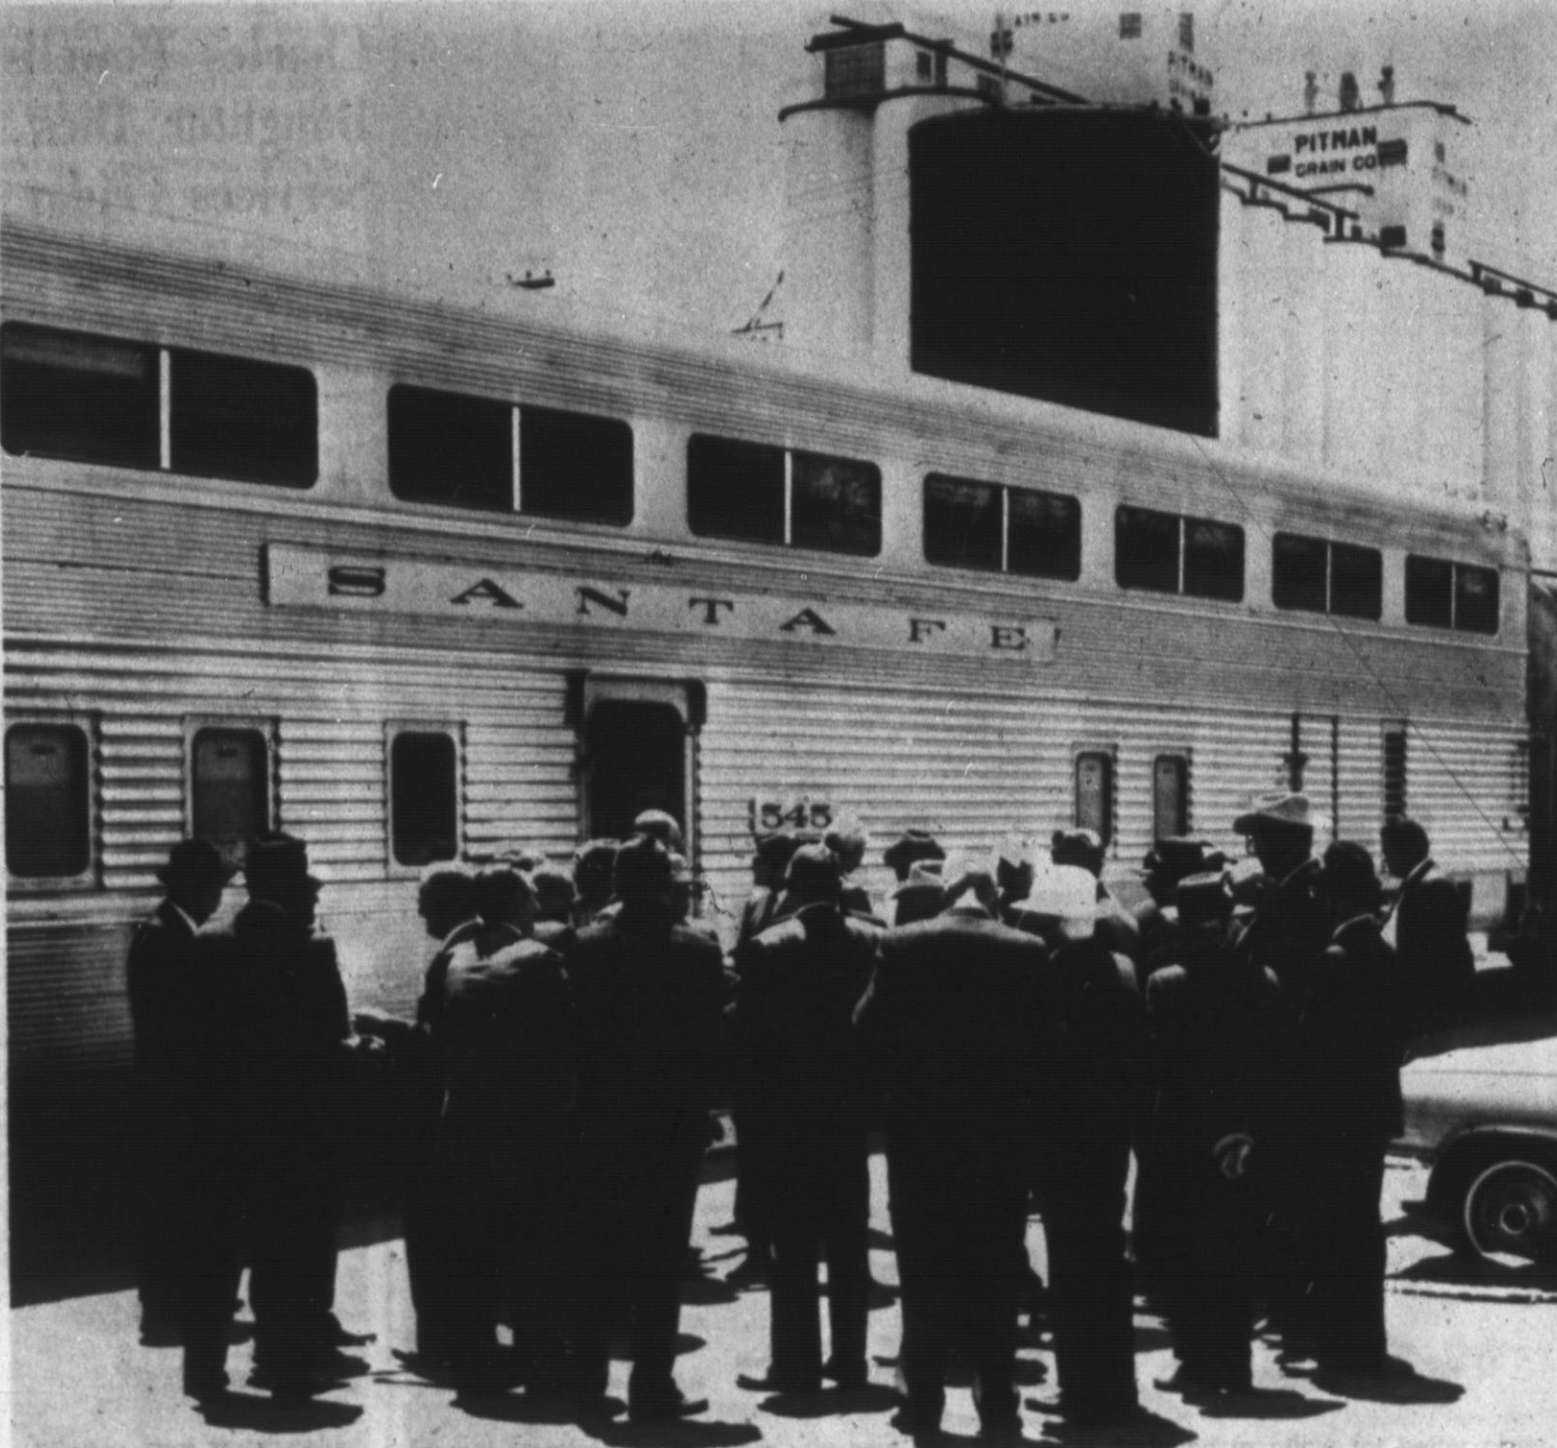

The firm expects to have two homes completed for inspection by May 1. At that time they expect to have open house with the public invited.

NEW YORK (AP) — An atmospheric fluke caused a rash of runs in women's nylons in the city recently, according to the Department of Air Pollution Control. The guilty agent was nitrogen dioxide gas released during blasting operations by a construction company working in the downtown area. Because of the damp, heavy air on that day, the gas hovered near the surface instead of being dissipated. When a sufficient pocket of it touched a stocking, it dissolved some of the chemical elements and "laddered" the stocking.

APACHE
New Full Season Sorghum Hybrid

Paymaster Seed Farms now offers Apache, the new grain-type sorghum hybrid especially adapted to areas with adequate moisture and soil fertility. Apache is a full-season, high-yielding hybrid, excellent for early planting; it produces very large heads with fine combining characteristics and sweet, stiff stalks. Also, Apache has demonstrated unusually good resistance to common sorghum diseases, and to head smut.

Come in and let us show you how you'll profit when you plant Apache, one of Paymaster's new Indians. See us today.

FRIO NEWS

Vacation Bible School Clinic Is Held Here

By Mrs. Owen Andrews and Mrs. Charles Self
 Vacation Bible School Clinic for Llanos Altos Baptist Association was held at Littlefield Monday. From Frio, those attending were the Rev. and Mrs. G. W. Fine, Roxie Fine, Mrs. Clark Andrews, Mrs. Frank Robbins, Mrs. Homer West and Mrs. Weidon Stephen.
 G. A. Houseparty for this association was held at Dimmitt Fri-

day evening and Saturday morning. Mrs. Clark Andrews and Mrs. Charles Self were among adult sponsors and girls from Frio who attended were Jana Cole, Carol Robbins and Nancy Axe.
 W.M.U. of Frio met Thursday in the home of Mrs. Glenn Williams with five attending. The program was a review of two chapters of the book "Spiritual Development" given by Mrs. Owen Andrews.

Mrs. Derrall Culp and baby son, Derrall Keith, who was born Monday, left the hospital Friday. Maternal grandparents are Mr. and Mrs. Leo Hall and paternal grandparents, Mr. and Mrs. J. J. Culp. Both Culp families live east of Progressive community center.

Mrs. T. L. Sparkman Sr., entered the Hereford hospital Tuesday morning. She is improving.
 Mrs. Charles Springer was hostess at a textile painting party Friday morning with Mrs. J. W. (Lefty) Thomas in charge of the program. Strawberry tarts, coffee and cokes were served to Mrs. David Hutchins, Mrs. Jim Arney, Mrs. Don Hamilton, Mrs. Frank Campbell, Mrs. Homer Rudd, Mrs. Ray Simpson, Mrs. J. D. Stringer, Mrs. Howard Hunter, Mrs. Bill Warrick, Mrs. Pat Robbins, Mrs. Charles Frye, Mrs. John Smith, and Mrs. Bill Struve.

Mr. and Mrs. Charles Frye and Traci spent Sunday through Tuesday visiting with the Kennedys in Pauls Valley, Okla. The Kennedys are former Amarillo

STUDY DAY NURSERY — Hereford is studying the possibility of a day nursery here, planned especially for children of working mothers. Last week a meeting was held to discuss the matter, (see story on Page 1) and shown are some of those attending: Dr. Grubbs, Miss Twilla Gilley, Mrs. Patsy Gray and Mrs. Anna May Minton.  The Fries are spending this weekend visiting his sister, Mrs. Wayne Newsom and family in Garden City, Kan. Mrs. Newsom is the former Pat Frye.

Weekend guests of the Harlan Barbers were Mr. and Mrs. Gail Alexander and Jan, Idalou; and Mr. and Mrs. Tommy Tinker and Tommy Jr., Lubbock. Saturday evening the Barbers and guests accompanied by Mr. and Mrs. Bill Williams, Robert, Richard and LeRoy Williams, went to Palo Duro Canyon for a picnic outing.

Sunday, Mr. and Mrs. James Bullard and family took dinner with the Barbers also. The Alexanders are related to Mrs. Barber. Mrs. Bullard and Mrs. Williams and the Tinkers are friends of the Alexanders from the months both were stationed in Hawaii in the service. Tinker is an ROTC instructor at Tech. First in a Series — 1 '64 Extension Work Program Is Completed

Editor's Note: Deaf Smith County Extension service committees have drawn up the 1964 program, divided into seven parts. Here is the first of these reports, this one dealing with foods and health of which Mrs. Bess Werner is the chairman. Other sub-reports will follow:

FOODS AND HEALTH COMMITTEE
 Mrs. Bess Werner, chairman

and Thursday visiting the Barbers' son, Jimmy, and Mrs. Jimmy Barber, and Mrs. Williams' mother, Mrs. Laura Franklin, Lubbock.

Owen Andrews and W. H. Andrews took a load of cattle, belonging to W. H. Andrews, to the Clovis Ranchers and Farmers Livestock Auction Sale Friday.

Cay and Ann Zetsche spent Friday night with their grandparents, Mr. and Mrs. Owen Andrews. Their parents, Mr. and Mrs. George Zetsche were attending a supper in Plainview.

ABUNDANTLY SURPRISED

SALINA, Kan. (AP) — Mrs. Loren Soldan planned a family-type party for son Greg's 7th birthday but she planned without reckoning with Greg.

He trooped in from school with a passle of friends and announced to his mother that he had planned a surprise party for himself.

Mrs. Soldan frantically called mothers of the children and stalled the party for a few hours until she could lay in a supply of cake and ice cream.

The committee members feel that the committee is responsible for many of the citizens of Deaf Smith County, having the latest information from research in all areas of foods and nutrition. This includes food for preparedness and wise spending of the food dollar.

1. Fifty women from Deaf Smith county toured the underground home in Plainview.

2. Forty-two women heard a program on food for protection.

3. Three radio programs were given on Food for Preparedness. Two news articles in Hereford Brand and one front page story. Five pictures in the Hereford Brand.

We appreciate the local coverage. The timing for this event was very good as it followed the big snow and blizzard.

Thomas Holmg, specialist in Civil Defense, Texas Agricultural Extension Service reported on Deaf Smith County programs and presented the Hereford Brand to the state Civil Defense meeting. The state Civil Defense director kept the copy for his use and Mr. Holmg wrote for ten additional copies of the Hereford Brand. These will be used in Washington, D. C., and all over the United States.

Friday, April 17, the "Salad Toss-Up" was held at the High School Auditorium with over 500 persons present. This was presented by the Foods and Health Committee and the Southwestern

Public Service Company, Dr. Mina Lamb, Head of the Food and Nutrition Department at Texas Technological College. He subject was titled, "Everybody's Diet for the Jet Age." She is an outstanding authority in the Un- (Continued on page 11)

LIFE "AS SEEN ON NBC TELEVISION"

To The Voters Of DEAF SMITH COUNTY

CHARLES SKINNER

Law enforcement is a serious matter. I understand the duties and obligations of the sheriff's office, and I will endeavor at all times to fulfill those duties and obligations not only to those who have been "accused", but to the law-abiding citizens who demand and deserve the best possible law enforcement that can be secured.

It has been difficult for me to find and visit personally with each of you during the time I have been campaigning for the job of sheriff of Deaf Smith County. I have tried, and will continue trying until election day is here, but in the event that I have not talked with you, I would like to take this means of stating my beliefs and my reasons for wanting the job of sheriff.

I feel that the office of sheriff of Deaf Smith County is a full time job. I will devote all my time to that end. I have no business interests to look after; I will be, in essence, on call 24-hours per day as has been the custom in my former profession of Highway Patrolman.

I feel that I am qualified through experience as well as training, for the job of sheriff. I have served for over 5 years with the Texas Department of Public Safety, which I consider as one of the finest law enforcement agencies in existence today. I graduated from their school, which is also one of the finest in the nation.

I am deeply interested in the welfare of the youth of our community; I have worked with them in the past; I understand their problems.

With These Things In Mind, I Ask Your Vote and Support In The Democratic Primary!

Star-spangled savings plan

Most of us think about the future in terms of paying off the mortgage, educating the children, providing a retirement income.

But with the world the way it is today, it's almost impossible to make plans for your own future without considering the future of your country, too.

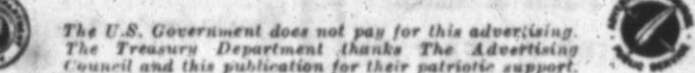

When you buy U. S. Savings Bonds, your money takes on both jobs. It grows to build your financial strength.

At the same time, it helps Uncle Sam watch over our peace and security.

Why not give your savings dollars this double assignment? You'll be joining millions of American families who are investing in their country's future — and you'll probably feel pretty good about it.

It's easy to buy Savings Bonds on the Payroll Plan where you work. A \$50 Bond costs \$37.50, a \$75 Bond \$56.25, and you can buy them in installments for only a few dollars a pay day. Or buy them outright at any bank. No charge for the service.

Keep freedom in your future with **U. S. SAVINGS BONDS**

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this publication for their patriotic support.

TARIFFLESS TEA
BERNE, Switzerland (R) — Berne authorities in agreement with the General Agreement on Tariffs and Trade and the European Trade Association recently announced the abolition of all duties on tea, so that Switzerland may soon be the country serving the cheapest "cuppa" ever. The Indian Embassy immediately launched a campaign promoting Indian tea with young Indians in national costumes distributing leaflets and free samples. Lovers of China tea were expected to get the same service.

WHEN YOU DNOW NOBODY
DES MOINES, Iowa (R) — Tony Samsel, who is retiring as a Salvation Army official in Des Moines, tells of a fellow officer who retired and went to Florida.

"He hadn't been there long when he put up a 'For Sale' sign in front of his house," Samsel related. "He didn't want to sell the house — he was just lonesome and decided prospective buyers would do in a pinch for conversation and company."

Date palms are the staple for both man and beast on the Sahara Desert.

According to the Wall Street Journal, "perhaps the loudest din falling on Congressional ears these days is not calling for civil rights or anti-poverty legislation but clamoring for prayer-public school prayer, that is."

"Far from subsiding" says the Journal "as last year's Supreme Court decision outlawing requir-

ed school prayer and devotional Bible reading grows more distant, pressures on Congress to initiate counter-action have been steadily expanding. Local and national campaigns on behalf of a Constitutional amendment to "put God back in the schools" have flooded the Capitol with supporting mail and petitions (one of them almost three miles long); resolutions adopted by such disparate groups as the American Legion, the Junior Order of United American Mechanics and the Conference of State Governors have added weight to the appeal.

On the local level, the local unit of the American Legion Auxiliary has begun an action program to assist passage of the proposed resolution to amend the United States Constitution, to permit voluntary prayer and Bible reading in public schools.

Letters have gone out from the president, Mrs. Ira Ott, to all Auxiliary members, asking them to wire or write the Representative of this district for favorable consideration of the resolution.

It is action like this, from the local level, that will move mountains.

If the "prayer" amendment to the constitution is passed, (and there are some 33 separate drafts of a prayer amendment now pending), chances are it will specify that such prayer or Bible reading exercises will be strictly "voluntary" and "nonsectarian."

Most would, in addition, bar the courts from striking down such religious usages as the inscription "In God We Trust"

on the nation's coins.

Chances for favorable action on the proposed amendment in the near future are good, but of course, the more letters received by representatives from their constituents, the better the odds will be for passage.

Local residents wanting to add their support to the measure can write Rep. Walter Rogers, House Office Building, Washington, D. C. 20006, or Rep. Joe Pool at the same address.

Don't forget to vote Tuesday, April 28. This is the day that voting will be held on the school bond issue as well as the run-off election for City Commissioner, Place 3.

The school election will be held at the school tax office and at Dawn schoolhouse, while the city election will be conducted at City Hall. In the city race, incumbent Bill Howard and Albert Maxwell will be battling for a spot on the commission.

-HB-

The Democratic and Republican primary elections will be coming up sooner than you might think. Voting will be held in both party primaries this Saturday, May 2. Absentee voting has been heavy, and looks as though we might be in for a pretty hot race.

County races (Democratic primary) that will be contested include the sheriff's spot with incumbent Lowell Sharp, and Former highway patrolman Charles Skinner vying for the office, while the commission races drew three candidates each. Charlie Sowell, incumbent commissioner of precinct 1 will be on the ballot with Earl Holt and J. F. Martin, while J. T. Guinn incumbent commissioner of precinct 3, will be facing Jim Monroe and Bruce Coleman.

Of course, the winner will

probably mean we'll have a run-off for the two commission spots.

The final winner of the Democratic primary precinct 1 contest will have to face a Republican in November. Marvin Diller, local farmer, is unopposed for the Republican nomination as Precinct 1 commissioner. In fact, Diller is the only local Republican on the Primary ballot.

Many state races will be contested in both primaries and there should be plenty of fireworks for all.

ated States on Nutrition. The high school principal, Mr. Michaels, was enthusiastic about the program and let the high school girls attend the program. Dr. Lamb's talk was taped for future use. Each one attending the program was given a copy of Dr. Lamb's talk, a salad recipe book compiled by the home service advisors of the Southwestern Public Service Company, and the "Salads" bulletin of the Texas Agricultural Extension Service. Over one hundred persons called the office for the salad bulletin. Approximately 1000 bulletins have been given to persons in this area. The thirteen food dealers in town cooperated in the salad program. They and

After boasting of his prowess as a marksman, the hunter took aim on a lone duck overhead. "Watch this," he commanded his listeners. He fired and the bird flew on. "My friends," he said, with awe, "you are viewing a miracle. There flies a dead duck."

That man, we would say, is a politician.

MATING CALL FROM ABOVE

MIAMI (AP) — The sonic boom from jet planes breaking the sound barrier gets an enthusiastic response from the bull alligators in the Everglades swamps lying outside town. The alligators roar back, in a chain reaction chorus. Naturalists speculate that the boom from the plane is on the same frequency as the alligators' mating roar; the gators mistake the boom for a challenging male; boom back, causing others to get into the act, and so on till the swamp is all in an uproar.

KGNC-TV made pictures of the persons on the program and gave coverage of the "Salad Toss-Up" on their news cast.

Plans: TO continue stressing of proper food for Health and Fitness:

1. Continue stressing use of Deaf Smith County grown foods.
2. All home demonstration clubs will be given programs in June on Home Care of Purchased Frozen Foods.
3. Food preservation bulletins will be available in grocery stores during food preservation season.
4. The planting of home vegetable gardens is being stressed. A small plot in the yard, a small garden or even a flower bed will afford good food.

W. A. Gearns Observe Their 50th Anniversary

CAPPING CEREMONY FOR GRAY LADIES — Mrs. J. W. Thomas, right, caps, from left to right, Mrs. H. C. Williams, Mrs. T. B. Thomas, Mrs. Ray Carlie, Mrs. Jack Messick, and Mrs. Marcus Latham during the annual meeting of the Deaf Smith County chapter of the American Red Cross Friday at the Community Center. (Brand Staff Photo)

The golden wedding anniversary of Mr. and Mrs. W. A. Gearns will be observed with a reception from 2-4 p.m. today in the home of Mr. and Mrs. Kenny Gearn, 321 Star.

The reception honoring their parents is being given by Mr. and Mrs. Kenny Gearn, Mr. and Mrs. George Gearn of Delano, Calif., and Mr. and Mrs. E. R. Smith of Oklahoma City, Okla.

Guests will be registered by Mrs. Palmer Norton. The refreshment table will be covered with a natural linen cloth with insertions of lace and centered with an arrangement of yellow roses in a silver container. Appointments will be in silver, gold and crystal. Those serving will be Mrs. Larry Beckman, Mrs. Geary Gearn, and Mrs. Don Spence.

The former Miss Bess Lee DeWitt of Hannibal, Mo., became the bride of Walter Allan Gearn of Eureka Springs, Ark., April 30, 1914, in Harrison, Ark. They came to Hereford from Los Angeles, Calif., where they lived for several years.

Mr. Gearn is now in business with his son, Kenny Gearn. As a hobby, he gardens, tends his grape vineyard, and is now planting an orchard of many varieties of fruit trees. Mr. and Mrs. Gearn live on Vineyard Road, west of Hereford.

Grandchildren expected to be present to honor Mr. and Mrs. Gearn are Mr. and Mrs. Larry Beckman, Mr. and Mrs. Don Spence, and Eugene Smith, Oklahoma City; Mr. and Mrs. Geary Gearn, Tim Gearn, Kenny Gearn Jr., and Gordon Gearn, Hereford; Miss Deborah Wilson (daughter of the late Mrs. Edd Wilson), Dimmitt, and Gina and Greg Gearn, Delano, Calif. Three great-grandchildren from Oklahoma City will be present also.

Red Cross Directors Named, Awards Given

The annual meeting and luncheon of the Deaf Smith County chapter of the American Red Cross was held Friday at 12 o'clock at the Community Center. The occasion marked the 47th anniversary of the local chapter.

Don Zimmerman, chairman of the board of directors, was master of ceremonies. The invocation was given by the Rev. Eugene Brink. After the report of the nominating committee, new directors were elected. They are Mrs. H. H. Miller, Mrs. John E. Smith, Mrs. Jack Higgins, Mrs. N. E. Tyler, Melvin Jayroe, Jack Nunley, Mrs. Ray Martin, Mrs. Dean House, and Marvin Knox.

Awards were presented by Mr. Zimmerman, Mrs. J. W. Thomas, and Mrs. William S. Dameron. A lifesaving award was given Barbara Barrett, who was credited with saving a life last summer. Appreciation a-

wards were presented to Mrs. Earl Springer, Mrs. John N. Jacobsen Jr., and Mrs. Thomas. Mrs. Dameron presented service awards to the Gray Ladies and Motor Corps volunteers.

Mrs. Marcus Latham, Mrs. Jack Messick, Mrs. Ray Carlie, Mrs. T. B. Thomas, and Mrs. H. C. Williams were capped by Mrs. J. W. Thomas. The caps are given after one year of service as Gray Ladies. Junior Gray Ladies capped were

Diedra Thomas and Kathleen Kuper. Melvin Young and Neal Cooper were recognized by Mr. Zimmerman for their service as United Fund officers.

The guest speaker was A. W. Voight, field service representative of the American Red Cross, Lubbock. His theme was "You Were There." He told members of the group that "they were there" when the earthquake (Continued on page 2)

Guest Speakers Are Tuula Lehti, Sergio Bravo

Miss Tuula Lehti, Hereford High School student from Finland, and Sergio Bravo Soto, American Field Service student from Chile, were guest speakers during the meeting Tuesday of Progressive Home Demonstration Club. They told members about their countries and showed colored slides.

For the opening exercise Mrs. T. J. Parsons read the poem, "Take Time." During the business meeting, conducted by Mrs. J. T. Gilbert Jr., Mrs. Alvis Jolly was named club nominee for delegate to the state meeting to be held in Houston in September.

Those present were Mrs. Floyd McGee, who was the hostess, Mrs. Parsons, Mrs. P. L. Carmichael, Mrs. Gilbert, Mrs. T. L. Kimbell, Mrs. Dale Hallows, Mrs. E. C. Hammett, Mrs. Jolly, Mrs. H. L. Hershey, and Mrs. Taft McGee.

Mrs. Rickman Is Hostess For Victory Class

Victory Sunday School Class of Avenue Baptist Church met April 16 in the country home of Mrs. Lee Roy Rickman, who also conducted the business meeting.

Mrs. Marvis Southward led the opening prayer. The devotional, "Children and Prayer," was given by Mrs. Johnnie Townsend. In conclusion she read the poem, "Oh God, Make Me a Better Parent," by Gary C. Myers.

In response to roll call members exchanged house plants. Those present were Mrs. Kenny Paslay, Mrs. Lather Baxter, Mrs. C. E. Coleman, Mrs. Clois Kemp, Mrs. Townsend, Mrs. Southward, and Mrs. Rickman.

RECEIVES LIFESAVING AWARD — Barbara Barrett, who was credited with saving the life of a drowning child last summer, is awarded a certificate by Don Zimmerman, chairman of the Red Cross board of directors, during the luncheon meeting Friday. (Brand Staff Photo)

Mrs. Brotherton Visits New BSP Office, Reports To Chapter

The new international office building of Beta Sigma Phi in Kansas City, Mo., was described by Mrs. Bob Brotherton during the meeting Tuesday of Xi Epsilon Alpha Chapter of Beta Sigma Phi.

Mrs. Brotherton, who recently visited the new offices, showed a sketch of the building, picture of the interior, and pictures of the employees. She also discussed the duties of the employees and their connection with the chapters and members.

The scheduled program on "Nature" and "Enjoyment of Nature" was presented by Mrs. Bill Kendall and Mrs. Carl Hollingsworth. Mrs. Kendall sketched briefly the lives of the naturalist, John James Audubon, who achieved fame and fortune with his paintings of United States birds in their natural surroundings, and the explorer of ancient times, Marco Polo.

"Polo, an Italian traveler, became famous for his journeys in central Asia and China. His stories of his trip gave Europe the first real information about the Orient. Today geographers agree that Polo's book is amazingly accurate," she said.

Mrs. Hollingsworth said that ancient Greeks and Romans were fond of travel, great buildings, and statues. "Antipater," she said, "compiled a list of the seven wonders of his time about 100 B.C. The practice has become popular, and many persons and groups make their own lists of the seven wonders of the world."

The natural and modern wonders as chosen by world travelers and explorers were then briefly described by Mrs. Hol-

lingsworth. In conclusion she asked each member to tell her hobby and how she enjoys nature.

Announcement is made by Mr. and Mrs. Harley E. Davis, 709 Grand Avenue, of the engagement of their daughter, Jimmie Estelle, to Don Ed Middleton, son of Mr. and Mrs. Willard V. Middleton, Happy.

Miss Davis is the granddaughter of Mrs. W. F. McBroom, Amarillo. She attended school in Amarillo until 1957 and is a 1964 graduate of Hereford High School. Her fiance, 1960 graduate of Happy High School, attended Texas Technological College and West Texas State University. He is engaged in farming near Happy.

The couple will be married June 27 in First Presbyterian Church, Hereford.

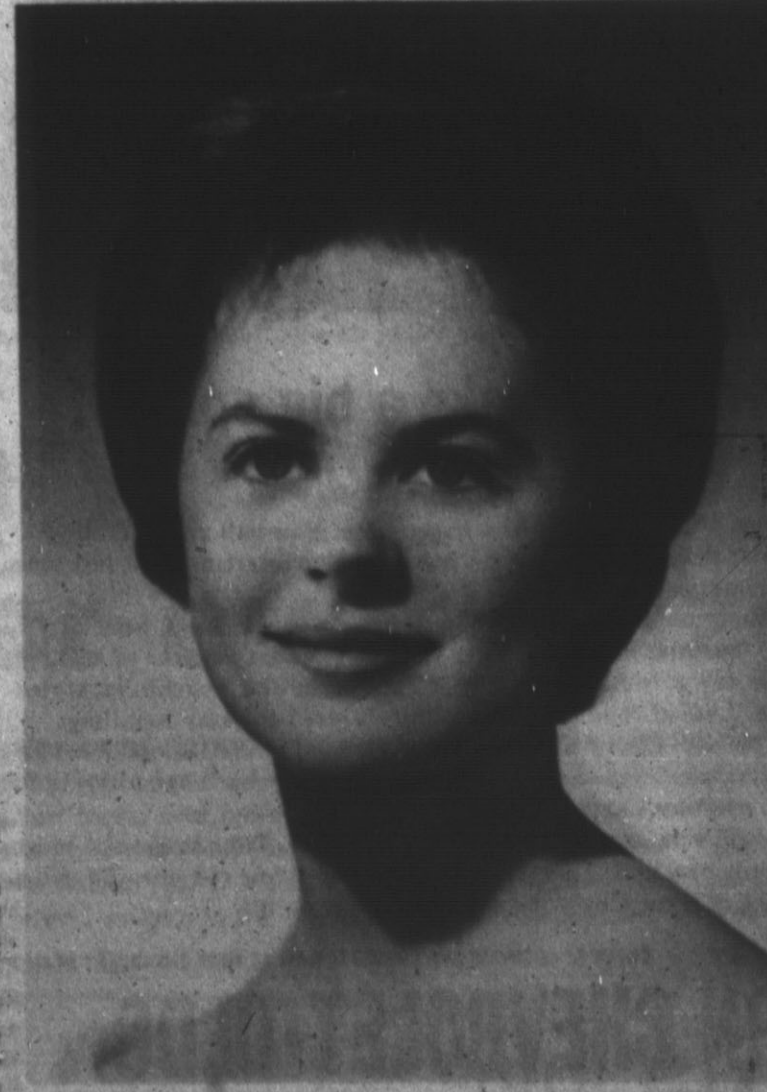

CATHOLIC CHURCH TO BE SCENE OF CEREMONY

Mr. and Mrs. Owen Seamonds announce the engagement and forthcoming marriage of their daughter, Mary Ellen, to Martin Lee Sullivan, son of Mr. and Mrs. John James Sullivan, Medicine Bow, Wyoming. Vows will be exchanged Saturday morning, June 27, in Saint Anthony's Catholic Church.

The bride-to-be is a graduate of Monte Cassino High School, Tulsa, Okla. She will graduate as a registered nurse May 28 from Lorett Heights College, Denver, Colo. Her fiance is a graduate of Casio High School, Tulsa, and will receive his degree from Regis College, Denver, May 28.

Lutheran Scholarship Awarded Alvin Janssen

Alvin Janssen, Scoutmaster of Troop 123, sponsored by the Immanuel Lutheran Church, has been awarded a scholarship to attend a one week training course for scoutmasters at the Philmont Scout Ranch near Cimarron, New Mexico.

The scholarship is awarded by the Lutheran Brotherhood, which makes several such awards each year to men who are Scoutmasters of Scout Troops sponsored by Lutheran Churches.

The training course will cover Troop operation and program, and scouting skills. Philmont scout ranch is owned by the Boy Scouts of America. The 146,000 acre ranch was given to the Boy Scouts of America by the late Waite Phillips, Tulsa oilman.

It is maintained by an endowment which consists of the Philtower in Tulsa which was also given to the Boy Scouts of America by the Phillips as part of the Philmont properties. Registered Herefords are raised by the ranch to cover the cost of

operation.

About 3000 volunteer scouters from all parts of the United States attend the training courses given at Philmont each summer. A separate section of the ranch known as the camping headquarters provides high adventure camping for some 10,000 boys from all over the United States each summer, who come to climb mountains, fish the high streams and walk the mountain trails that wind through all parts of the ranch.

The Llano Estacado Council will send a contingent of some 40 boys to Philmont this year. In addition some 70 boys from the council will also attend Philmont under the leadership of their own scoutmasters or post advisors.

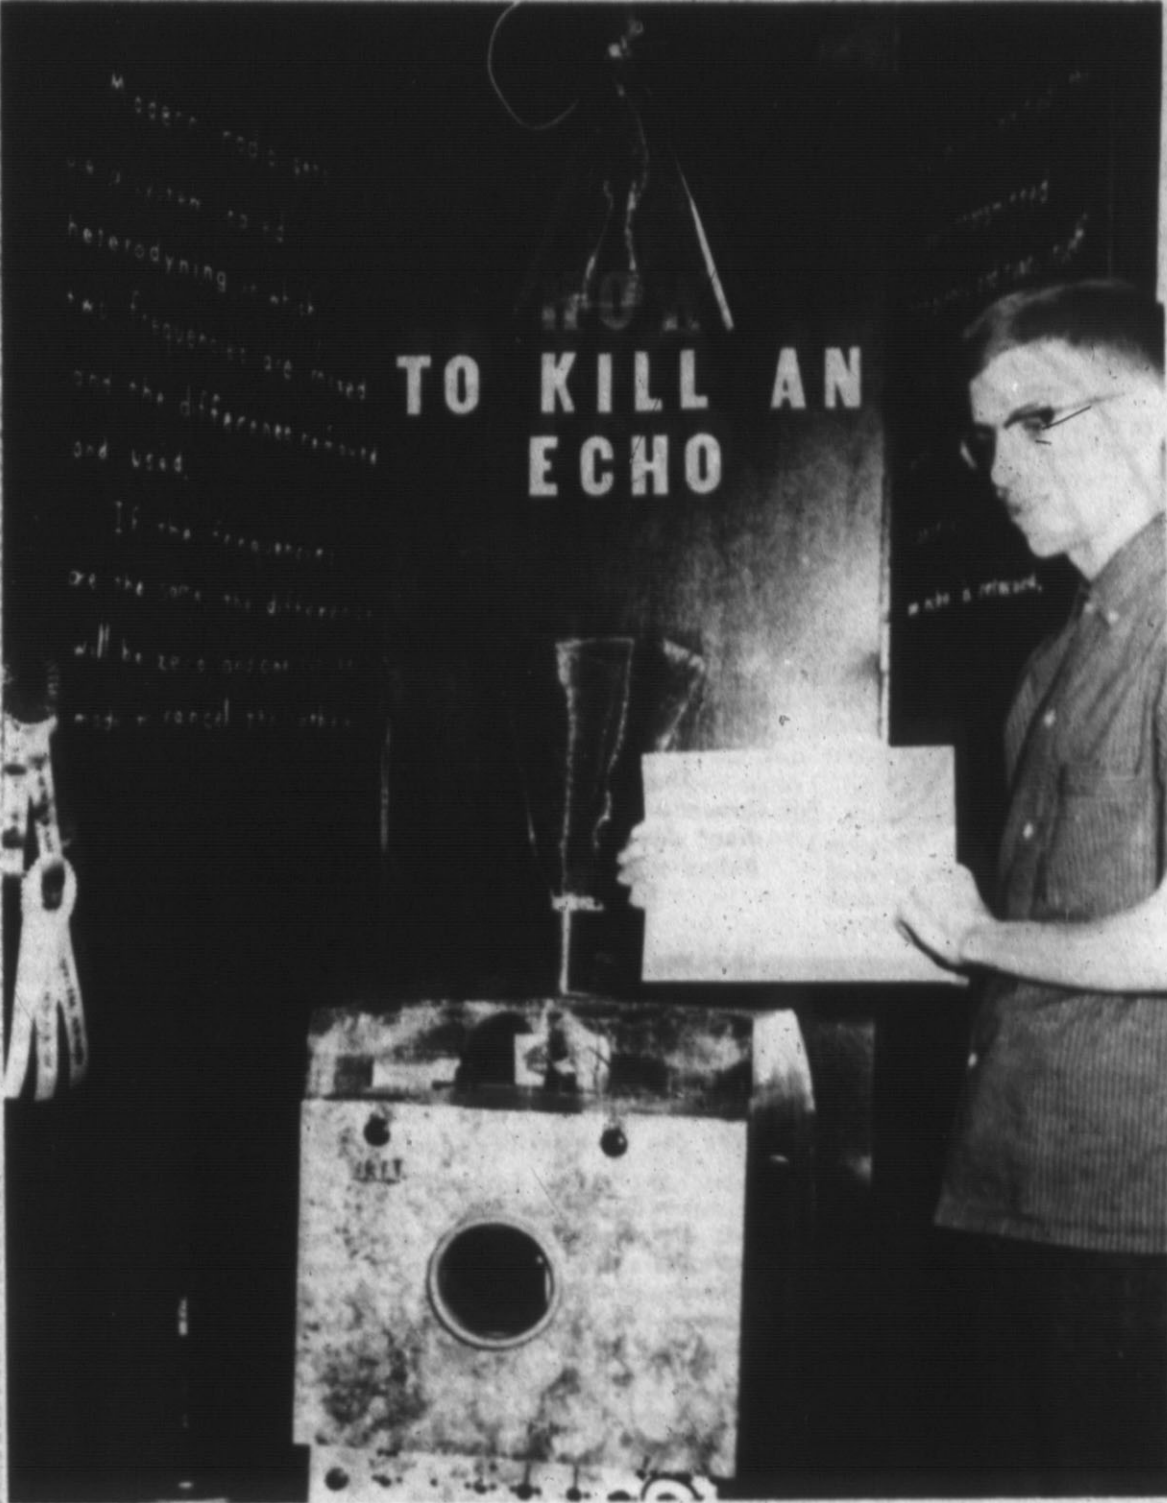

Boys who would like to attend Philmont this summer should consult with their scoutmasters and make reservations for attending with the council group if their scout troop or post is not going to go as a group.

Planned School Program Is Community Growth Answer

Hereford voters will go to the polls Tuesday, April 28, to decide the fate of a \$2.4 million bond issue, proposed by a citizens' long-range study group and endorsed by the school board. Much rests on the outcome of this election, which represents what is probably the only long-range carefully planned bond program ever offered in the district.

The most important phase in the program, of course, is represented in future education of our boys and girls. This is the primary reason for maintaining schools, and it is one in which all of us are interested, especially parents. Continued education of these youngsters on an uninterrupted basis depends directly — even next year — upon the decision of the voters next Tuesday. Immediate work needs to begin on the new \$360,000 elementary school, and on the \$120,000 expansion program at Aikman school.

In addition to immediate needs, there are also several important secondary reasons the program should receive enthusiastic endorsement from the voters.

1.) The long-range plan will withhold bond sales until improvements are needed, thus saving interest, and at the same time placing our trustees and administrators in a position to plan expansion efficiently and in the most economic manner possible.

Women Lead In Local Progress

At the annual Chamber of Commerce banquet last week, the Lions Club recognized Hereford's eighteenth Citizen of the Year when the coveted plaque was awarded to Esther Springer, public school nurse and community benefactor. Mrs. Springer, at the same time, was the fifth woman to receive the honor, which brings up an interesting point in that the women of Hereford appear to be carrying the load these days in our community progress.

The first Outstanding Citizen award was made to a woman in 1956, when it went to Della Stagner, a public school instructor; Argen Draper, home demonstration agent, was selected the following year, but the ladies lost out in 1958 and 1959, when men were named. In 1960, Mrs. Earl Plank received the award, but the ladies skipped 1961, to come back with Dr. Lena Edwards in 1962 and Mrs. Springer in 1963. Out of the last eight awards, five have gone to women!

Since these awards are presented upon the basis of community service and achievement by representatives of various service clubs, there appears little question but that the women of Hereford are carrying the load — especially since 1956. And, embarrassing as it may be to the haughty male population, this is just about the period when Hereford began to really "grow and go"; to say the least, the period represents the greatest expansion and progress picture to date.

In addition to household duties, all of these women have naturally been active in community affairs and, in most cases, have held down full time outside employment. Needless to say, all of them are tireless workers.

Our final conclusion, so far as Hereford is concerned, must be: "It's a man's world" — but the women seem to be doing all the work!

2.) Planned length of bond issues offered through this plan can save thousands of dollars for the community, yet will provide the same facilities for our schools.

3.) Through systematic planning, the Hereford district will be in a position to construct its buildings before emergencies create crash building programs and, consequently, skyrocket costs.

4.) High school expansion and junior high improvements as outlined in the proposed plan once again represent a possible savings of \$1 and \$2 million dollars in the district as compared with meeting these things on an emergency basis when they show up later down the line.

Other communities with "growing pains" have pursued similar policies, especially in the suburban towns in the Ft. Worth-Dallas and Houston areas — and they have found such planned programs most effective in community service, in addition to providing millions of dollars in actual savings.

All in all, school planning is equally as important as planning in any other phase of personal or business life, perhaps even more so in view of the fact that our public schools represent the largest single financial enterprise with the county.

For the first time in the history of our consolidated district, we have the opportunity of knowing where we are headed — and we have an accurate estimate of what it will cost. Schools are mandatory, this we all know. We must and will have good schools, therefore our only problem is arriving at this goal in the most efficient manner and at the lower dollar cost for sound, practical construction.

The planned program we vote on next Tuesday, it seems to us, is nearest possible approach to this answer — and it deserves an overwhelming vote of confidence as we move out on a green light toward sound expansion and community progress.

Post Office Needs Relief

Announcement of curbs in local post office service, effective May 4, should come as no shock to the people of the community, since they represent our portion of a national economy movement.

Our curtailments involve parcel post, which should be of no great concern, and limited window service on Saturdays. The latter point, especially during the seasonal influx of migratory labor, could become serious indeed.

Certainly, we do not feel that Hereford should be allowed services which other communities do not receive — but we do wonder if the post office department has thoroughly checked our situation, and if they have a clear picture of our conditions.

In 1959, just five years ago, the Hereford office grossed around \$107,500 and maintained three city delivery routes. At this time we had a total of 23 post office employees, including "subs." In 1963, the Hereford office ran a gross of approximately \$166,500 and maintained five city delivery routes with a total of 26 employees, including "subs." The tremendous gain of \$66,500 in volume — around two-thirds — with only three additional employees is definitely a super-human task, especially when those three new employees have been used entirely in the expansion of new city delivery routes.

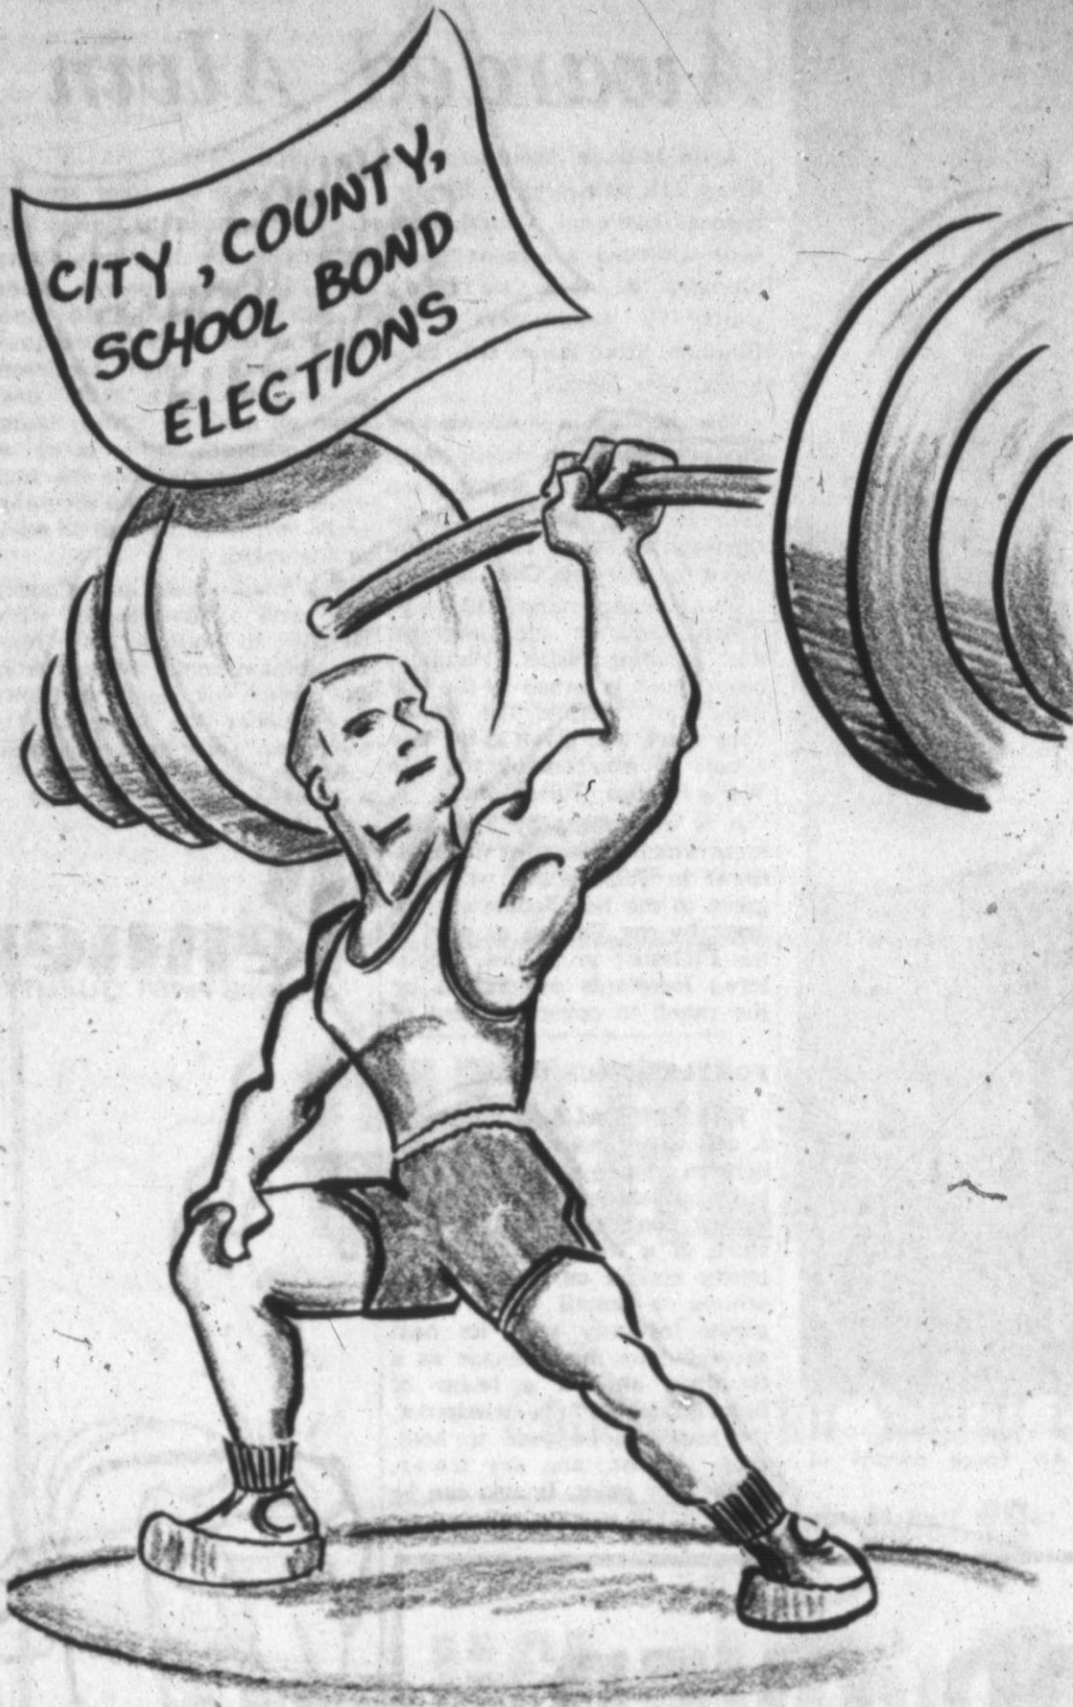

In 1959, the local office had eight inside office employees, and that same number, eight employees, have absorbed the entire office increase. For this reason, we do not see how it will be possible to curb window service without creating an impossible bottleneck.

We should, at this time, also take a look at post office facilities in the community. The local office was built in 1940, when our gross post office receipts were around \$19,400. Despite the jump in gross to \$166,500 — a gain of \$147,000 — our local post office is expected to function effectively in impossible quarters. The office has needed additional post office boxes for more than 10 years, and constantly maintains a waiting list for boxes. Needless to say, conditions are so crowded within the office that it would be difficult to use more help, even if it were allowed. Only through extreme effort and work often beyond the call of duty is the presently efficient staff able to maintain service, and the staff certainly does merit community appreciation for a job well done under adverse circumstances.

When and if the Hereford post office will get relief, no one knows. It does point up a good lesson, however, in favor of keeping our schools, medical services, and all other functions on a local level. Where would our schools be today in this growing community, if we had to wait on Washington to recognize our needs — and provide relief? Could they operate with the same staff and facilities they had in 1959?

Frankly, we cannot think of a better argument against the ever-growing trend of federal controls in local government.

Three prominent Deaf Smith county stockmen, Chas. Donnell, Jno. L. Wilson and R. N. Mounts, were on the South Plains recently where they bought a big lot of cattle to place on their ranches. They went down in Donnell's and made a 600 mile run without a bit of trouble.

Mr. Mounts stopped at Lamesa where he bought a good bunch and has had them shipped in. The other two went as far as Midland. They also bought and their stuff will come up at once. Mr. Wilson says they were rained on for a 100 miles from Lubbock south, and that the country everywhere looks fine.

Last Monday a deal was closed between the well known and popular Ex-Gov. W. R. Stubbs of Kansas fame, his brother, J. E. Stubbs also of Kansas and I. D. Thompson of this place, by which the two Kansas men became interested in the J. D. Thompson forty-section ranch in this county. This ranch is one of the best improved in Deaf Smith county, the home section having a fine set of improvements, 500 acres under plow, and for this year 200 acres of wheat and rye in good growing condition. At present there are 800 stock cattle on the ranch. The entire forty sections consists of owned and leased land and no better location could be had in the country. The three men will at once form a corporation for handling the ranch, and it is their intention of spreading out to a considerable extent.

Panhandle Paragraphs

A little detailed study of the population figures of Andrews as revealed by the school census last week turns up some rather interesting and startling information. The census showed a further decline in total county population — from a high of 13,674 in 1960 to a low of 11,914 in 1964. But those figures don't tell the entire story. . . . For example, during that same period when population was showing a decline, utility connections have consistently shown an increase. . . . The only possible explanation is the fact that most of the people lost in the past four years were, for the most part, transient; the majority resided in trailer homes parked in multiple trailer lots or parks.

Texan In Washington Texas Defense Payrolls Near Nation's Top

By TEX EASLEY

WASHINGTON, (AP) — Senate-House Economic Subcommittee on Defense Procurement lists Texas, second to California with respect to Defense Department payrolls.

A total of 237,137 persons, both military and civilian, were employed by the department as of June 30, 1963. They received annual salaries estimated to total \$1,111,930,000 (B).

Military and civilian personnel employed in California totaled 382,855, for combined earnings of \$1.7 billion. Virginia ranked third with a total payroll of \$826 million for 187,088.

There were 178,281 military personnel on active duty in Texas as of June 30. Their estimated annual pay and allowances for the year totaled \$736,551,000. There were 58,856 civilian employees of the Defense Department in Texas on that date, and their estimated annual payroll was \$375,479,000.

These figures reflected a drop in numbers of both military and civilian personnel in Texas compared with a year earlier, but only a slight reduction in combined payroll figures because of civilian pay increases.

As of June 30, 1963, the military and civilian personnel in Texas totaled 236,013, with a combined estimated payroll for the year of \$1,146,546,000.

This was \$18 million more than that reported in the year ending last June 30. There were 190,258 military personnel, with an annual pay of \$778,798,000 on June 30, 1962; civilian employees numbered 60,555 and their pay totaled \$367,742,000.

These figures reflect a reduction of 1699 in the number of civilian employees but an increase of \$13,737 in their estimated total annual payroll.

THE BOOTLEG Philosopher

Editor's note: The Bootleg Philosopher on his hindwood farm won't get anywhere with his idea this week, but we sometimes doubt he's trying to get anywhere.

Dear editor:

A prominent folk singer, well, I say prominent, she's prominent with people who go for folk singing, which I'm not one of, who has been making a lot of money lately has announced she's not going to pay a sizeable portion of her income tax because that portion would go for national defense and she's opposed to war.

This introduces a brand new idea in tax paying, and I hope you'll keep up with this singer's luck with the Internal Revenue Service and let me know how she comes out.

If it works, I am going to re-work the list of things I am opposed to that government is spending money for and by wracking my brain and re-shuffling my prejudices I figure I can cut my income tax by around 90 per cent, with the remaining ten per cent earmarked for increased government checks for agriculture. One of the things I am particularly opposed to is the manufacturing of guitars.

It had never occurred to me you could earmark your tax payments, but it opens up vast opportunities. For example, if you're a Democrat and don't like Republicans, think they're bad for mankind, you could withhold your tax payments anytime a Republican is in office and resume them when your side is in. By the same system, if you're a Republican and a Democrat is in, you could decline to pay, and this way about half the people would escape taxes, regardless, and practically everybody would be pulling for the other side to win. With Democrats pulling for Republicans to win, and Republicans pulling for Democrats to win, just as a tax dodge, you think politics would be any more confused than it generally is?

Say, when my subscription to The Hereford Brand comes due, don't be surprised if I pay only 60 per cent of the regular amount. I never do read the society news anyway and see no reason for paying for something I don't use.

Yours faithfully,
J. A.

Good Citizenship Starts At Home

(Editor's note: The following is another in a series of essays being written by boys in the Dawn Boys' 4-H club. This essay was written by Stephen Hoffman.)

Are we good teenage citizens? We can't learn the rules of good citizenship too young. Maybe I should say we can't learn to practice the rules of good citizenship too young. What good does it do to know these rules but don't practice them?

We can start in the home by obeying and respecting our parents, respecting the rights, privileges, and property of all members of the family. The strength of the nation depends on the strength of the family.

Next comes citizenship in the school. To be a good citizen we must learn to the fullest of our potential, in order to make some contribution to society and not just be a liability. Are we doing this? Or are we wasting our time, the teacher's time, and taxpayer's money? How about cheating? Is that good citizenship?

We should respect civil authority and public property. Are we good citizens if we make jokes about law officers and see just how much we can get by with without getting caught? After all, we are setting examples for young members of our society.

We should learn all about the history of our country and its government and develop a fierce sense of patriotism. We should stand behind our elected officers. If we hear ugly remarks or degrading jokes about our flag or president do we listen and laugh or are we a strong leader and set the record straight? You can become a lazy follower much too easily.

The 4-H club is a good place to learn the basic fundamentals of government. Here we elect officers and learn to put our support behind them even if they aren't the ones we voted for just as we support our president even if he belongs to the opposite party. Here we learn respect for the flag and the care of public property.

Do we deface the school desk

with carvings? How about our public parks, roadways, and places of scenic beauty? This may sound trivial but it is these little things, while we are young that are forming the character we will have as adults and pass on to our children.

After school age will we see how we can stay out of the armed forces of our country or will we gladly serve? If we get the opportunity, will we give a good impression to foreigners? If we travel abroad will the people have a higher opinion of the United States because of our conduct? Maybe we will never have the opportunity to be astute or national official, but in our own small way, even as teen-agers, we can be good citizens and help to make our country great, strong, and respected.

being made by mixing cream, powdered sugar, vanilla, and cinnamon.

Sibyl's Devils Food Cake
 1/2 cup cocoa dissolved in 1 cup boiling water and 2 t. soda (Let stand 30 minutes)

3 whole eggs
 2 cups sugar
 1 cup butter
 2 1/4 cups flour
 1 cup buttermilk
 1 t. vanilla

Cream butter and sugar; add eggs one at the time, beating until creamy after each addition. Add milk alternately with flour; add chocolate mixture and vanilla. Bake 30 minutes at 350 degrees. If desired, the eggs may be separated and the beaten eggs whites added last.

Frosting
 2 cups sugar
 2 T. cocoa
 1 cup cream
 2 T. Karo
 Cook until soft ball forms in water.

Dream Pies
 2 eggs, beaten light
 1 cup Karo
 1 1/2 cups sugar
 1/4 cup flour
 1 cup cream
 1 cup coconut
 1 t. vanilla
 Salt and butter

Mix dry ingredients. Add cream and Karo and beat. Beat eggs thoroughly and add to mixture. Add vanilla and pour into pastry-lined pie pans. Bake in moderate oven 350 degrees for 50 minutes.

Caramel Fudge Icing
 Boil together 1 and 1/3 cups brown sugar, 2 t. cocoa, 2 t. corn syrup, and 1/3 cup milk until soft ball forms.

Combine 1/4 cup vegetable shortening, 1 and 2/3 cups confectioners sugar, and 2 T. hot milk. Beat until smooth. Pour hot syrup over mixture; beat until creamy and thick.

Angel Food Cake
 1 cup plus 2 T. cake flour
 1/2 cup sugar

11 egg whites
 1/4 t. salt
 1 1/4 t. cream of tartar
 1 t. vanilla
 1/4 t. almond flavoring
 1 cup sugar

Bake at 375 degrees for 35 minutes.
 1. Fold in last 1/2 cup drained marachino cherries and 1/2 cup chopped nuts.
 2. 1 1/2 T. Instant coffee mixed in flour.
 3. Add to flour 1 t. cinnamon, 1/2 t. nutmeg, and 1/4 t. cloves.
 4. Substitute 1/4 cup cocoa for 1/4 cup flour.

LET'S COOK SOMETHING

Mrs. Packard, Known As Good Cook, Just 'Follows Recipes'

By Dale Stevens
 Brand Foods Editor

Among her friends, Mrs. Charles Packard enjoys the reputation of a very good cook. She modestly admits that she does enjoy cooking, especially baking.

Mrs. Packard declares her reliance on recipes for her baking. She says that her grandmother always baked a "test" cake before putting the remaining batter in the oven. "If I tried a test cake and there was something wrong with it, what would I do?" she wonders with a smile.

Mrs. Packard lives with her husband and two youngest daughters in a large and lovely farm home about five miles southeast of Hereford. Their older daughter, Kay (Mrs. Richard Ward), lives in Covis, N. M. Beverley is a freshman in high school, and Evelyn is a third grader at Northwest Elementary. Mrs. Packard is a member of Wyche Home Demonstration Club and is treasurer of Deaf Smith County Home Demonstration Council.

family. With the dough made from the cinnamon roll recipe, Mrs. Packard often makes Swedish Tea Ring by dividing the dough in two parts and rolling in rings with nuts, raisins, and cherries.

Cinnamon Rolls
 1 pkg. dry yeast
 1 cup (lukewarm) water
 1 T. salt
 1 cup scalded milk
 2 eggs
 2 T. fat
 1/2 cup sugar
 Flour
 Butter
 Cinnamon
 Brown Sugar
 1/2 cup cream
 1 cup powdered sugar
 1/2 t. vanilla
 1/2 t. cinnamon

Dissolve yeast in water. Let stand for about 10 minutes, then add salt, milk, eggs, fat, sugar, and enough flour to stiffen. Turn on floured board and knead until smooth and elastic. Set aside until double in size. Then roll flat, spread with butter, and sprinkle with cinnamon and brown sugar. Roll and cut about 1 inch thick and place on greased tin. Then butter tops of rolls

and sprinkle a little cinnamon on top and let rise again until double in size. Bake quite slowly (at about 300 degrees) until brown. When still warm, ice with a thin

To The VOTERS of DEAF SMITH COUNTY

Due to the heavy work load of the Sheriff's office during the spring and summer months, I will not be able to make a door-to-door solicitation for your votes. I will try to see as many of you as possible, but I don't feel that it is advisable to take time away from the work of the Sheriff's office to make the county canvass. Therefore, I would like to take this means of soliciting your support in the Democratic Primary.

If you see fit to return me to the office of Sheriff, Deaf Smith County, I will, as in the past, devote full time to the job and conduct the affairs of this office to the best of my ability.

PENNY BANKS COME BACK

NEW YORK (AP) — More people are learning that it's smart to be thrifty. This is the conclusion reported in Steelways, official publication of American Iron and Steel Institute. Or to put it another way, penny banks are coming back strong.

New and old mechanical cast iron penny banks are enjoying a resurgence of interest, the magazine states. A well-known toy store in New York, F.A.O. Schwarz, reports a lively business in both new and antique penny banks. The store has a waiting list for certain models of the amusing thrift-inducing toys made from 1870 to the 1920s. A bank which once retailed for \$2 now brings \$2,500.

Hereford Youth Named Head Of Tech's Student Council

Ronnie Botkin, a junior industrial engineering major from Hereford, was elected president of the Tech Student Council when 4239 Tech students went to the polls recently to vote for executive positions on the Council and for cheerleaders.

Botkin polled 2887 votes to Bill Honey's 956 to win the

top Student Council post. He is the son of Mr. and Mrs. Roy Botkin, Summerfield.

Other officers named were Kent Hance, unopposed for vice-president, and Nancy Shoemaker who defeated Holly Hunt. Hance is a finance major from Dimmitt and Miss Shoemaker, from Abilene, is an English major.

Being elected to Tech offices is nothing new to Botkin, who will spend the summer as an industrial engineering apprentice for Continental Oil Co. He will work in the Artesia, N.M. area.

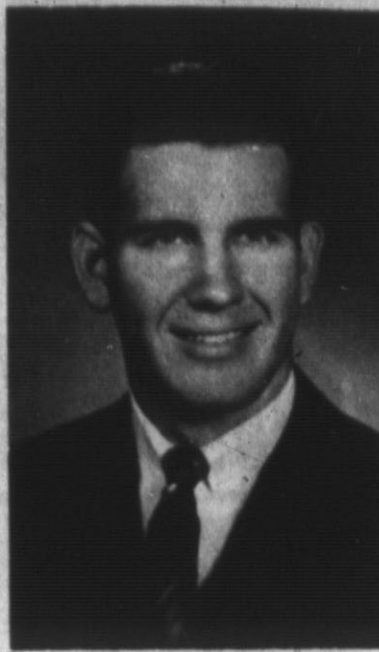

He has served as business manager of the Student Association, president of Phi Eta Sigma, senior advisor of Phi Eta Sigma, engineering representative to the Student Council student representative to the Athletic Council and executive sec-

retary of the Southwest Conference Sportsmanship Committee.

Botkin is a member of the "Saddle Tramps," the Board of Student Organizations, Campus Service Council, the American Institute of Industrial Engineers, and Alpha Pi Mu, an international engineering society.

Among the honors he has won are these: He's listed in Who's Who in American Universities and Colleges, the All-College Recognition service for scholarship and leadership, the Dean's honor roll and served as Junior Rotarian of the Month in January for the Lubbock Rotary Club.

Cheerleaders named include Ronnie Siler, Dallas; Cril Payne, Denton, Jack Walker, Houston; Camella Moore, Midland; Kathy Osthoff, Dallas, and Betty Newby, Borger.

MONUMENT TO VEGETABLE HIRSCHHORN, Germany — One of the only vegetables honored with a maunement is the potato, which is commemorated here with a plaque that reads: "To God and Francis Drake, who brought to Europe for the everlasting benefit of the poor, the Potato."

The potato, acknowledged as a native of the Americas, was known as a staple in the Indian diet long before white settlers set foot there.

The meeting was conducted by the president, Nancy Minks.

Refreshments were served to Charlene Weaver, Mary Ruth weaver, Margaret Minks, Kerry Hall, Mary Alice Burrus, Nancy Minks, and Mary Ramas. Kerry Hall is a new member.

Visitors at the meeting were Mrs. Jack Weaver, Mrs. Harold Fults, and Sherry West.

Following the program, members practiced on their skit.

4-H Club Hears Shoes Program

Members of Walcott Girls' 4-H club heard a program on footwear at their meeting. The program was presented by Mrs. Jean Beene, assistant county home demonstration agent.

Mrs. Beene said that a girl should match her shoes with the color of her eyes and hair. If a girl has brown eyes, she should wear yellow shoes or a similar shade. For girls with blue eyes, shades of blue should be worn.

During the business meeting, Margaret Minks suggested that the group have another skating

Handwork, Merit Badge Work Seen In Scout Display

Tierra Blanca District of the Llano Estacado Council of the Boy Scouts of America held a Scouting Exposition at the Little Bull Barn April 25 from 6 to 9 p.m. The exposition featured displays of scouting skills, cub crafts and merit badge work done by the scouts in the district as part of their program. Some 20 booths were displayed by various scout troops and Cub packs in Hereford. Ed Skypala was general chairman for the Scout Exposition.

Cub Packs and Scout troops taking part sold tickets to the show. Proceeds from the sale of tickets will be used by the Cub packs and scout troops to purchase craft supplies, camping equipment and other needed items.

A portion of the proceeds will be used by the district to purchase equipment for camp Don Harrington, that can be used by troops. Camp Don Harrington is the council owned camp. W. B. Wilson is district ticket sales chairman.

Display booths featured work in Scout skills and merit badge work and included such items as pioneering, rope making, Indian crafts, bridge building, first aid, sheep care, farm layout, signaling and agriculture, and Cub scout monthly themes.

Rev. Sougstad Explains Laws To Dawn Boys

The Rev. Orris Sougstad, pastor of the Beautiful Savior Lutheran Church in Amarillo, presented the program for the April 13 meeting of Dawn Boys' 4-H club at the Dawn community house.

Mr. Sougstad explained that the first laws were the laws of God, given to help us in our relation to other men; this, he said, was the purpose of law.

He also explained what laws are and how laws are made. The program was a part of the club's citizenship project.

Kevin McAndrews also spoke to the group. He represented the Deaf Smith county senior boys in the public speaking division at the district elimination con-

test, which was held at WTSU Saturday.

Visitors present for the meeting were the Rev. Sougstad, Lefty Thomas, Mr. and Mrs. Clarence Betzen, Mrs. Paul Engler, and Mrs. Leo Witkowski. Mrs. Earl Plank and Mrs. H.H. Miller were the leaders attending the meeting.

Members present were Kevin, Steve, and Neil McAndrews, Jon David and Dion Miller, Glen and Wayne Polan, Gary, Robert, and Tec Richardson and Gerald Witkowski.

Agent Suggests Using Fertilizer On Plant Leaves

Fertilizer applied to the leaves of plants is sometimes more effective than when spread in the root zone in the conventional manner, says County Agricultural Agent Lefty Thomas.
Though it is possible to supply only a small portion of the total nutrition needed by the plant in this manner, he adds, if a foliar fertilizer spray is applied at precisely the correct time, outstanding results can be obtained.
Research conducted to correct specific nutrient deficiencies and to provide nutrients at critical growth periods have proven beneficial. Almost all crops respond to a foliar spray of nitrogen, and show a slight response to phosphorus and potassium, according to Thomas. He also says that crops in many areas of the state respond to foliar application of certain micronutrients, like iron and zinc.

He continues that probably the greatest value of foliar feeding plants would be with crops where certain deficiencies can be corrected easily by spray treatment, where spraying is already an established practice, where total leaf areas are large, and where there is a great demand for nutrients at a certain time; such as during flowering and fruiting.
Precautions for foliar applications that Thomas lists include limiting the fertilizer salt content to two percent, because leaves can be damaged by high salt concentrations. He also advises that certain plants, especially strawberries, should not receive foliar sprays during the heavy blooming period.
For detailed information on the use of foliar fertilization, contact Thomas for a copy of L-253, "Foliar Feeding of Plants."

Pete Urges Wooing Of Tourist Trade

By Pete Progress
Pete apparently has been too tied up with the Chamber of Commerce annual banquet planning to get his weekly progress report together but he stopped by the office this week with some comments on tourist promotion. "People get confused as to just what 'industry' is," Pete commented in such a way that he didn't expect an argument. "Industry is anything that brings new dollars into the community — it is not just a manufacturing operation. In our county, agriculture is our chief industry — but we have others and they are important."

"We do have some important manufacturing and processing industries — The Hereford Tile and Brick Company, Southwest Offset, Poirch Brothers, Kenny Gear Machine Works, Big T. Pump Company, Jacobsen Brothers and Loerwald Brothers, as well as Caviness Packing Company and all of our very important vegetable processing sheds. But we have another industry that fits under the definition, too, and one that people very often overlook. That industry is the tourist industry."

"Someone, very crudely, has stated that tourists are the easiest crop to grow that there is and a lot easier to pick! People don't think of Hereford and Deaf Smith County as being a tourist area because we have no mountains, no large lakes, nor any national shrines, amusement parks, or other tourist attractions. But people have to travel the highway to get to those attractions and with our strategic location at the intersection of a coast-to-coast highway (U.S. 60), and a Canada to Mexico highway (U.S. 385-85), many of those people pass through Hereford."

"It has been estimated that

Angeley Added To High Plains Research Staff

Dr. Earl Collister, Director of the High Plains Research Foundation, announced the addition of Bob Angeley to the staff of the Foundation. Angeley will fill the position of public relations representative.

Bob, formerly with the farm and ranch department of KGNC radio and TV in Amarillo, is well known in the Springlake, and Muleshoe, area where he went to school.

Angeley's farming experience in Lamb County, under irrigated conditions, gives him ready knowledge and understanding of the agriculture needs of West Texas. Bob will travel extensively over the High Plains to assist in the educational work for the Foundation.

He graduated from Springlake High School and attended college at Eastern New Mexico University at Portales, N.M.

Dr. Earl H. Collister said, "With the growth of, and added demands upon the Foundation, we find that we must enlarge the

GEE, POP! IT'S SOAKING MOM'S NEW WALL-TO-WALL CARPET!

WHILE THEY'RE RACING AROUND WITH RAIN I COULD CLEAN IT UP IN TWELVE LAPS!

HIVA, WILBUR? HOW COME YOU NEVER COMPLAIN ABOUT LIVING IN A DAMP APARTMENT?

GET YOUR FOOL HEAD OUT OF THAT FISH-BOWL, ARCHIE!

WOW! IT MUST BE RAINING CATS AND DOGS OUTSIDE!

I DON'T KNOW ABOUT CATS, BUT I JUST STEPPED INTO A POODLE!

I GOT USED TO IT AT AN EARLY AGE. WITHOUT DAMPNESS I'D BE LIKE A FISH OUT OF WATER!

THEIR CEILING WILL HAVE TO BE PLASTERED, ARNOLD! TELL FREDDIE YOU'LL DO THE JOB FOR FORTY DOLLARS! NOW, MOVE!

GRANDMA

By Chas. Kuhn

GOSH, I REALLY GOT SOAKED BY THAT CLOUDBURST A FEW MINUTES AGO...

...AND I DON'T SUPPOSE A LITTLE MORE WATER WILL HURT ME... SO I'LL JUST ENJOY A LITTLE PUDDLE STOMPIN'!

GOLLY, THIS IS FUN!

OH, BOY, THERE'S A BIG ONE!

YIPPEE!

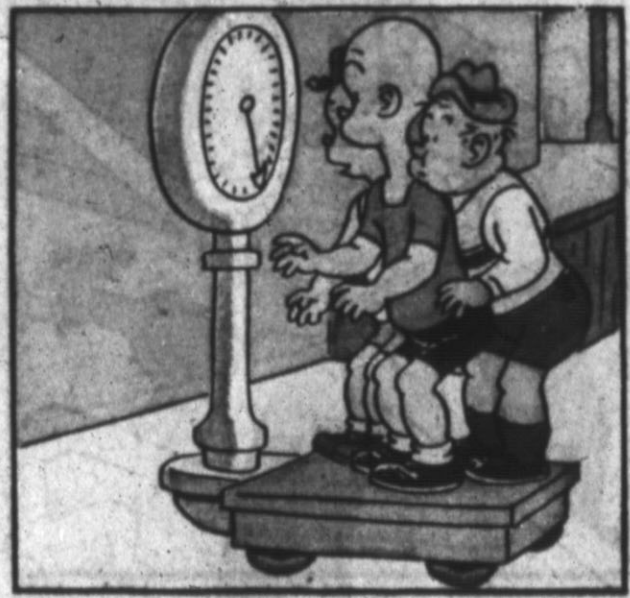

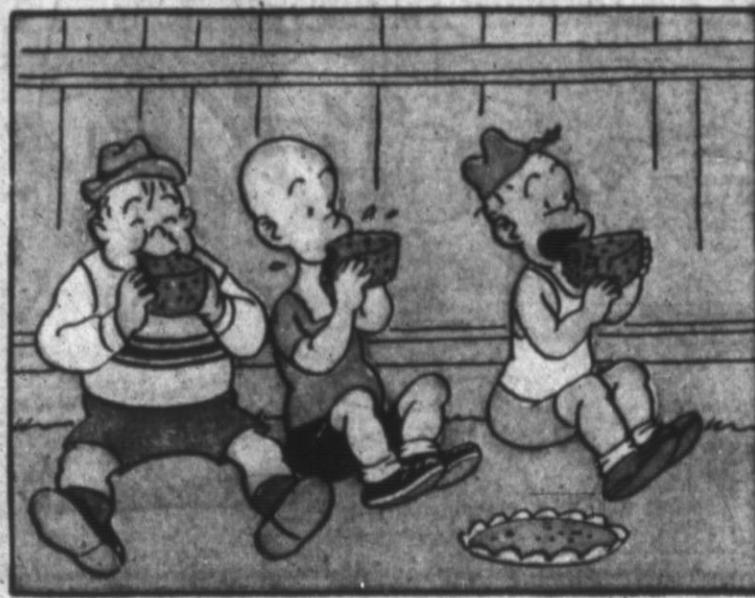

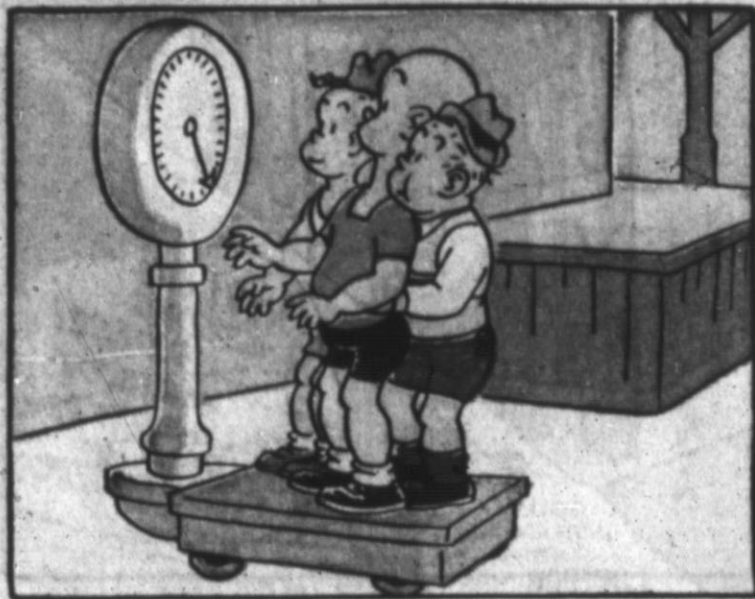

IT'S QUIT RAINING, DADDY. CAN WE FINISH PLANTING OUR NEW TREE NOW?

WHAT POSITION SHALL I PLAY, SARGE?

FIFTH BASE

HA! HA! YOU'RE A GREAT KIDDER, SARGE

TELL ME TO PLAY FIFTH BASE! HA HA!

THINK I DON'T KNOW BASEBALL, HUH?

FIFTH BASE! HA HA!

I'LL PLAY MIDDLE FIELD!

OKAY! LET'S GO! GET THE LEAD OUT!

LAST ONE ON THE FIELD IS A CIVILIAN!

HURSTIE! BATTER UP!

PLAY BALL!

WHAT'SA MATTER WITH YOU GUYS? SCARED? HUH?

BOO!

LET'S HAVE A LITTLE PEPPER!!

HE CAN'T HIT! PITCH 'EM IN THERE!!

STRIKE!

HEY! THAT WAS A STRIKE, UMP!!

AW YOUR FATHER STEALS ICE FROM PENGUINS!!

GIVE HIM A NEW BALL!

THAT ONE'S MADE OF AIR!! HE CAN'T HIT IT!

YAH! YAH!

YAK IT UP, MEN! THEY'RE SHAKING IN THEIR SOCKS!

OH YEAH?!!

WANTA FIGHT?! JOIN THE MARINES!!

YEAH?!!

YELLOW!

IF HE COULD ONLY PLAY BALL, HE'D BE THE MOST VALUABLE MAN ON THE TEAM

FLASH GORDON by MAC RABOY

WE'RE NEARING RENDEZVOUS POINT, FLASH! READY TO CUT FASTER-THAN-LIGHT DRIVE!

OKAY, DINO--BUCKLE IN, KITTY! THERE'LL BE AN AWFUL JOLT WHEN WE KICK OUT OF SUB-SPACE!

YOU FORGET, FLASH--I WAS BROUGHT UP IN A STARSHIP!

ABOARD A FASTER-THAN-LIGHT SHIP, FLASH IS ON A RESCUE MISSION IN A DISTANT STAR SYSTEM...

WE'RE IN THE AREA YOU POINTED OUT, KITTY!

THAT'S IT, FLASH--I'M SURE OF IT! YOU SEE...

... THAT DARK SUN! IT LOOKS DEAD--WE WERE SURE THIS OUTER PLANET WAS UNINHABITED! THAT'S WHY WE LANDED!

AND THAT'S WHERE YOU LEFT YOUR FATHER AND HIS CREW?

YES...!

THERE THEY ARE...YOUR SALVAGE SHIPS, KITTY...!

THAT'S WHERE WE WERE DIGGING, FLASH, WHEN WE MET THE FIRST NATIVES! THEY WERE WEARING ORNAMENTS OF PURE GOLD AND PLATINUM!

LITTLE MEN...HUNGRY MEN! FATHER AND HIS MEN TOOK A SCOUT SHIP FULL OF FOOD TO THEIR CITY! THEY NEVER RETURNED! THE WOMEN AND KIDS STAYED HERE WITH THE SHIPS!

AND YOUR DAD RADIOED YOU TO ESCAPE--TO BRING FOOD AND HELP? WELL, WE'RE HERE--JUST SHOW US THE CITY! SAY, YOU DO KNOW WHERE IT IS, DON'T YOU?

WHILE NEAR-BY, WITHIN A NATIVE FORTRESS CITY

EARTH MEN, NOT A MORSEL OF FOOD FOR YOU UNTIL YOUR PEOPLE BRING FOOD BACK TO US!

THE VOYAGE TAKES TIME! WE SHALL STARVE!

NEXT WEEK--THE PROWLERS!

LITTLE IODINE by JIMMY HATLO

YOU COULD USE THE BACKS OF THESE OLD AD CARDS TO HELP YOU REMEMBER YOUR SPEECH--

YEAH! LIKE IDIOT CARDS THE ACTORS USE!

I'LL JUST PRINT THE SALIENT POINTS! A GREAT IDEA, IODINE, DEAR--

AND I'LL HOLD 'EM UP FOR YOU--

SWELL, DADDY!

BIGDOME FRIEND OF THE POOR ALL WOOL AND A YARD OF AND A YARD OF THE POOR FRIEND OF SOCIETY

BROTHERS ALL... WHY, YOU MAY ASK, ARE WE CONVENED HERE IN THESE HALLOWED HALLS ----

...TO DO HONOR TO ONE OF NATURE'S NOBLEMEN-- A MAN WITHOUT GUILE-- OUR LEADER-- J.P. BIGDOME ----

WHAT MAKES THIS COLOSSUS OF OUR BUSINESS WORLD TICK? YOU WELL MIGHT ASK-- WELL, I'LL TELL YOU--

GREAT SPEECH-- AND HE NEVER REFERS TO NOTES!

COLOSSUS OF OUR BUSINESS WORLD

OOPS! THEY SLIPPED!

COLOSSUS OF OUR BUSINESS WORLD TRUE BLUE A FRIEND OF SOCIETY

TO SUM UP-- HE'S A HEEL-- AND HE MARRIED A-- UH--

TRUE BLUE. A FRIEND IN NEED OF A MAN WITHOUT GUILE

OKAY, FUNNY KID! HOW DO YOU LIKE HAVING A FATHER WHO'S OUT OF WORK?!!

DID YOUR SPEECH LAY AN EGG, DADDY?

WHAT A HEEL PUSSYCAT

NOW PLAYING "HE MARRIED A RICH HOMELY WIDOW" AND OTHER ATTRACTIONS!

The Little Woman

by DON TOBIN

I'M SELLING A NEW MAGIC REDUCING CREAM-- JUST RUB IT ON AND THE POUNDS MELT AWAY!

GRACIOUS-- HOW EXCITING!

IT'S ONLY \$5.00, AND I GET DOUBLE MY MONEY BACK IF I DON'T LOSE TEN POUNDS BY TOMORROW!!

NO!

WHY NOT?

BECAUSE IT'S RIDICULOUS-- IT'S A FAKE! IT CAN'T POSSIBLY WORK!

HE'S RIGHT, M'AM.

HOW COULD YOU EVEN THINK OF THROWING AWAY MONEY ON SOMETHING AS SILLY AS THAT?

HE'S RIGHT, M'AM.

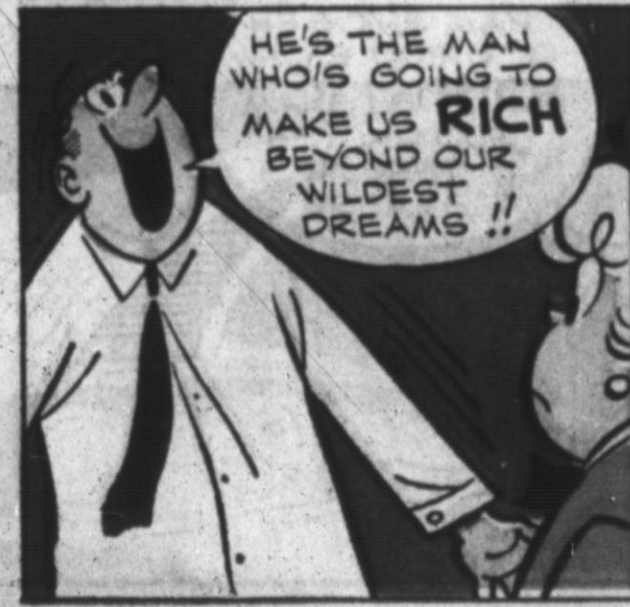

WOMEN!! THEY'LL BELIEVE ANYTHING ANYONE TELLS THEM-- NO MATTER HOW CRAZY!!

YOU SHOULD LISTEN TO YOUR HUSBAND, M'AM-- HE'S A VERY SMART MAN!

SAY-- WHO IS HE ANYWAY?

HE'S MY NEW BUSINESS PARTNER-- HE'S A GENIUS!

HE'S THE MAN WHO'S GOING TO MAKE US RICH BEYOND OUR WILDEST DREAMS!!

I'VE JUST INVESTED EVERY CENT WE HAVE IN HIS NEW PROCESS FOR EXTRACTING SOLID GOLD FROM SUNLIGHT!

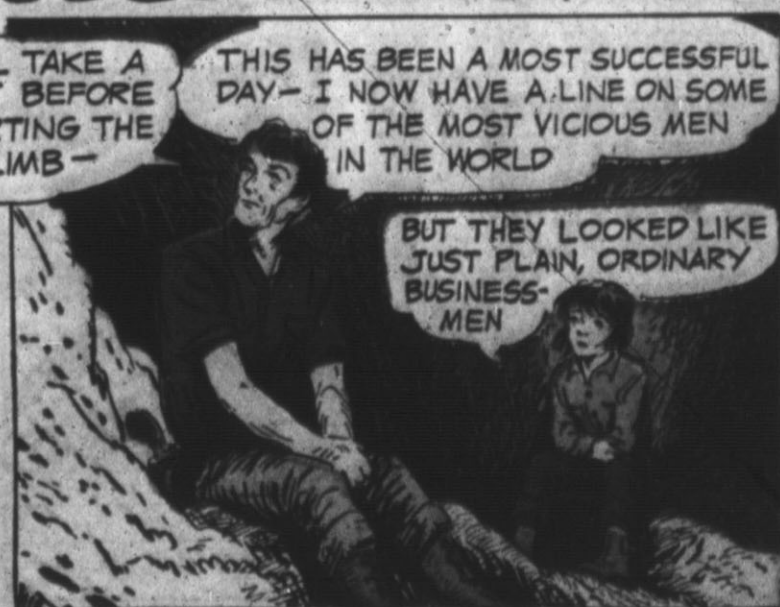

LITTLE ANNIE ROONEY

By DARRELL McCLURE

THIS IS THE PASSAGE WE CAME DOWN-- WE'LL BE OUT OF HERE IN NO TIME

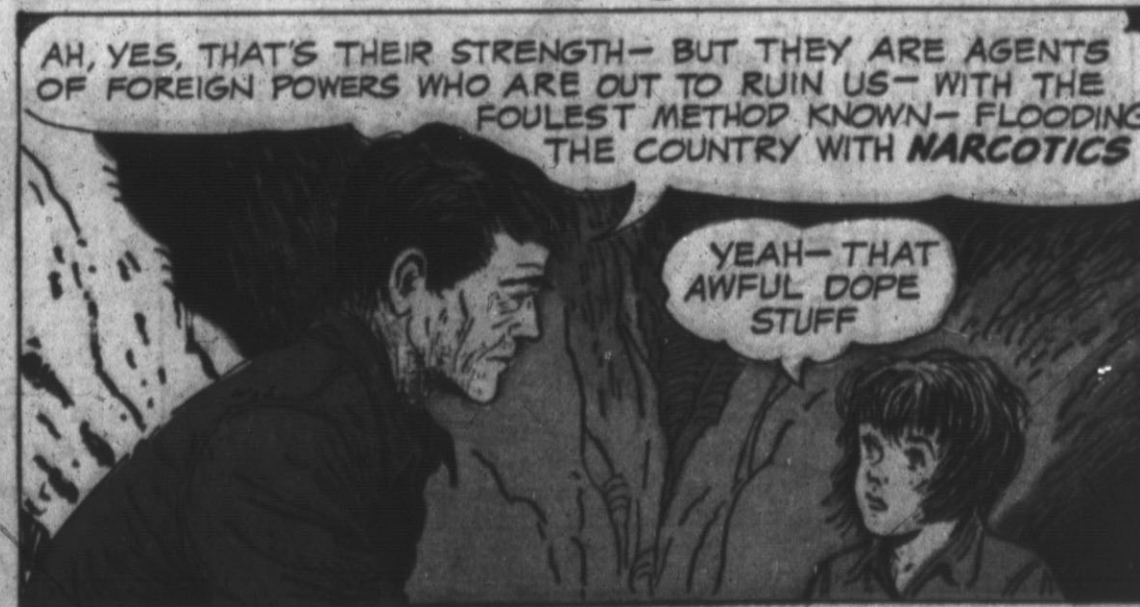

GEE, HOW CAN YOU TELL? IT ALL LOOKS THE SAME TO ME

WE'LL TAKE A REST BEFORE STARTING THE CLIMB--

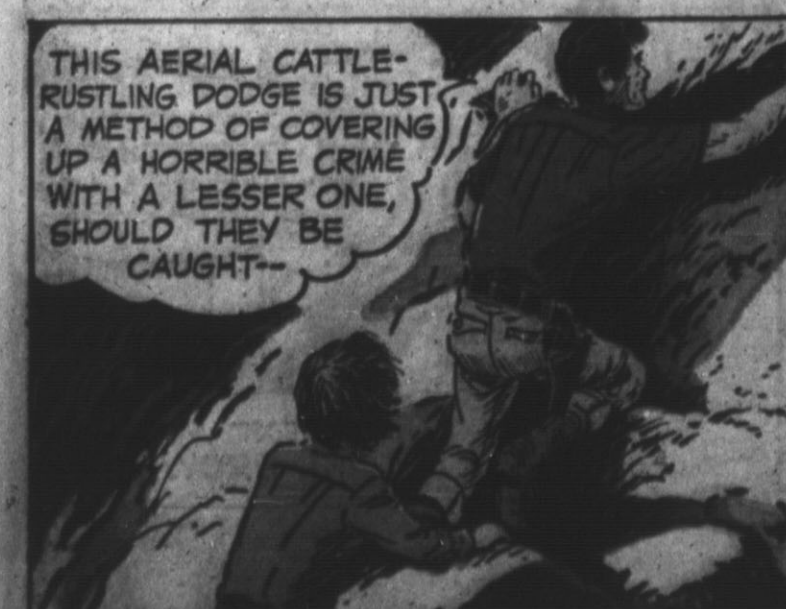

THIS HAS BEEN A MOST SUCCESSFUL DAY-- I NOW HAVE A LINE ON SOME OF THE MOST VICIOUS MEN IN THE WORLD

BUT THEY LOOKED LIKE JUST PLAIN, ORDINARY BUSINESS-MEN

AH, YES, THAT'S THEIR STRENGTH-- BUT THEY ARE AGENTS OF FOREIGN POWERS WHO ARE OUT TO RUIN US-- WITH THE FOULEST METHOD KNOWN-- FLOODING THE COUNTRY WITH NARCOTICS

YEAH-- THAT AWFUL DOPE STUFF

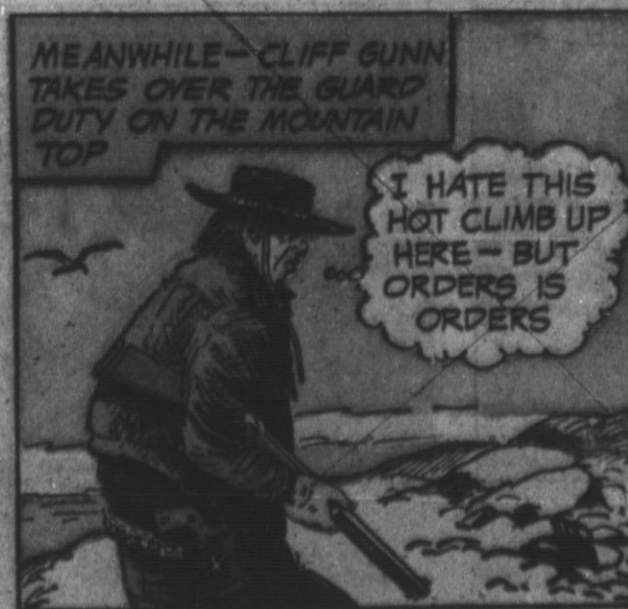

THIS AERIAL CATTLE-RUSTLING DODGE IS JUST A METHOD OF COVERING UP A HORRIBLE CRIME WITH A LESSER ONE, SHOULD THEY BE CAUGHT--

THIS GANG THAT HAS THE FAR YONDER RANCH IN THEIR CLUTCHES ARE EVEN LOWER THAN THE FOREIGN AGENTS-- SELLING OUT THEIR COUNTRY FOR GAIN!!

LIKE WHAT THEY CALL TRAITORS??

MEANWHILE-- CLIFF GUNN TAKES OVER THE GUARD DUTY ON THE MOUNTAIN TOP

I HATE THIS HOT CLIMB UP HERE-- BUT ORDERS IS ORDERS

HUMPH-- THERE JIST MIGHT BE A SPECK OF SHADE OVER BY THAT ROCK

The LONE RANGER

by Charles Flanders and Paul S. Newman

WHAT'S THE RUCKUS ALL ABOUT?

INDIAN RAID!

PAWNEES-- KEEP BACK!

PAWNEES KEEP BACK AFTER DRIVE OFF OUR BUFFALOS!

LOOK! IF MY PAWNEES TRY TO DRIVE OFF THE HERD, THE TROOPERS WILL FIGURE THEY'RE ATTACKING THE FORT!

IF THEY DON'T MOVE THEIR HERD, THE TROOPERS WILL SHOOT THE BUFFALOS TO KEEP THEM FROM BREACHING THE STOCKADE!

WHILE NEAR-BY--

THE FORT'S CANNON HAS STOPPED!

PLAY MY HUNCH! I'LL BET THE PAWNEE HERD WE WANT IS THERE!

AT THE FORT--

A WHISTLE! THAT MAY BE THE WAY TO SAVE YOUR BUFFALOS!

GIVE IT TO HIM, HAWK CLAW!

HERE! BUT NOW WHISTLE SAVE HERD FOR PAWNEES?

SLUGGER'S ATHLETIC CLUB

LISTEN, GUYS... I JUST SAW A SUSPICIOUS MAN TAKING SLUGGER TO A MOVIE!

AND SLUGGER'S OUR STAR HOME-RUN HITTER!

THAT'S JUST IT! MAYBE THE GAMBLING SYNDICATE IS BRIBING HIM TO STOP HITTING!

WE BETTER CHECK THIS OUT!

HERE THEY COME!

SO LONG, SLUGGER... KEEP HITTING THEM!

I WILL, MR. JONES!
